Board Action Item

Re: Resolution 22-25

To:	**Board of Directors**
From:	**Chuck Odom, Chief Financial Officer** **Through: J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Renewing Insurance Premiums for Airport Liability, Fiduciary, D&O Employment Practice Liability, Cyber, Environmental, Workers Compensation, Auto Liability, and Fuel Farm & Inland Marine**
Date:	**June 21, 2022**

Proposed Motion

To authorize the Denver Series of Lockton Companies, LLC (Lockton) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2022 not to exceed premium cost of $617,021.

Narrative

Phoenix-Mesa Gateway Airport Authority (PMGAA) renews the following lines of insurance on a fiscal year basis: Airport Liability, Fiduciary, D&O Employment Practice Liability, Cyber, Workers' Compensation, Auto Liability, Fuel Farm (Property and Inland Marine). Crime and Environmental insurance policies renew every three years.

During its marketing process, Lockton engaged several insurance carriers that provide lines of insurance coverage for airports. Insurance premiums are subject to annual increases and decreases based on many variables including, but not limited to, loss rate, marketplace demand, exposure base, and the brokers' strength in the aviation and general property/casualty marketplace. Lockton has negotiated premiums on insurance policies for the above lines of insurance for PMGAA for an amount of $583,856, a 3.8% increase. These premiums are subject to change due to any new losses incurred by PMGAA until coverage is bound. The new Air Traffic Control Tower (ATCT) will be commissioned during FY2023 and new or replacement equipment/vehicles will increase the current insurance quotes by an estimate of $33,165, bringing total premiums to $617,021.

Fiscal Impact

Fiduciary, Crime, and Environmental policy premiums are locked-in for three years and one-third of the premium will be expensed in FY23. The estimated insurance premium expensed in FY23 will be $561,975. The FY23 budget for insurance premiums is $607,189, excluding the broker fees.

Attachment(s)

Renewal quote for lines of coverage.

RESOLUTION NO. 22-25

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the Denver Series of Lockton Companies, LLC (Lockton) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2022, not to exceed premium cost of $617,021.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the Denver Series of Lockton Companies, LLC (Lockton) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2022, not to exceed premium cost of $617,021. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Board Action Item

Re: Resolution 22-26

To: Board of Directors
From: Ryan Smith, Communications & Government Relations
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: State & Federal Legislative Representation and Consulting Services
Date: June 21, 2022

Proposed Motion
To authorize an agreement for financial participation between the City of Mesa and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2022, in the amount of $106,406.40.

Narrative
In the past, Phoenix-Mesa Gateway Airport Authority (PMGAA) and the City of Mesa have shared expenses pertaining to lobbyist services. Mesa and the Airport will utilize the services of Patton Boggs for federal professional services, and Policy 48 for state professional services, and will share in these costs.

The Airport Authority will provide 40 percent of the total cost for the federal lobbying contract, and 33 percent of the total cost for the state lobbying contract. The dollar amounts shown below are PMGAA's portion of the total amount.

Company	Bid Amount
1. Policy 48 (State)	$32,006.40
2. Squire Patton Boggs (Federal)	$74,400

Total Contract Amount:

Total combined contract amount for FY 2023 will be $106,406.40.

Fiscal Impact
This contract was included in the FY23 operating budget and is funded under Consulting Services.

Attachment(s)
Letter of Agreement with City of Mesa.

RESOLUTION NO. 22-26

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

DATE: June 16, 2022

TO: J. Brian O'Neill, Executive Director,
Phoenix-Mesa Gateway Airport Authority

FROM: Scott J. Butler, Deputy City Manager, City of Mesa

SUBJECT: State & Federal Legislative Representation and Consulting Services

The purpose of this memo is to confirm the proposed cost-sharing arrangement for state and federal consulting services between the City of Mesa and the Phoenix-Mesa Gateway Airport Authority.

State professional services are provided by Policy 48. The agreement for state representation will cover the period from July 1, 2022 until June 30, 2023. Gateway's financial participation for state services will be set at 33% of the total costs. For FY2022, the cost will not exceed $32,006.40.

Federal professional services are provided by Squire Patton Boggs, LLP. The agreement for federal representation will cover the period from July 1, 2022 until June 30, 2023. Gateway's financial participation for federal services will continue to be set at 40% of the total costs. For FY2022, the cost will not exceed $74,400.

Board Action Item

Re: Resolution 22-27

To: Board of Directors
From: Margi EvanSon, Operations & Maintenance Director
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Unarmed Security Services
Date: June 21, 2022

Proposed Motion

To authorize a contract with Blackstone Security Services, Inc. (Blackstone) to provide unarmed security guard services for a three-year initial contract term in an amount not to exceed $298,000.00. The contract allows for two optional one-year extensions. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Unarmed security guard - regular time	60	$23.61
Unarmed security guard - overtime	10	$35.42

Description	Est. Annual Hours	Billable Rate
Unarmed security guard - holiday time	120	$35.42

Narrative

Phoenix-Mesa Gateway Airport Authority maintains facilities hosting commercial airline passengers. Passenger activity is increasing, with over 1.5 million passengers using the terminal in FY22. A primary function of the Operations and Maintenance Department is to ensure secure facilities and maintain regulatory compliance. An essential part of that plan is maintaining a visible presence at the Passenger Terminal to enhance the safety and security for our traveling customers.

Authorization to provide unarmed security guard services supplements coverage and support at the Passenger Terminal. Responsibilities include, but are not limited to, terminal curbside parking enforcement, enhancing PMGAA's security posture, and supplementing a Just Plane Easy customer experience.

Request for Proposals 2022-023-RFP for Unarmed Security Services for the Airport was issued on April 18, 2022, and advertised in the Arizona Business Gazette on 4/21, 4/28, 5/5, 2022. In addition, the solicitation was posted on Arizona Airports Association, Southwest American Association of Airport Executives, Airports Council International North America and the Airport's website. It was also emailed to 5 prospective respondents. The Airport received 2 proposals. The Evaluation Panel reviewed and determined the submittal from Blackstone best satisfied the requirements for the Airport. Blackstone was unanimously ranked number one by the Panel for their qualifications and experience within the state of Arizona with other municipalities.

Fiscal Impact

This expenditure is included in the FY23 operating budget and is funded under OPM Contractual Services.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number C-20220303** ("Contract") and the attached exhibits. Blackstone Security Services, Inc., an Arizona S-Corporation ("Contractor"), with its principal offices located at 7227 N. 16th Street, Suite 107, Phoenix, Az 85020, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Contractor is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Contractor to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Contractor agree as follows.

SECTION I – CONTRACTOR SERVICES

The services to be performed by Contractor are specified in this Contract. PMGAA will not pay Contractor for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Contractor under this Contract shall generally include, but not be limited to, the following: Unarmed Security Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Operations and Maintenance Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Contractor under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Contractor makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Contractor, at no cost to Contractor, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Contractor of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Contractor.

B. In PMGAA's discretion and upon Contractor's reasonable request, access to staff for consultation with Contractor during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Contractor's deliverables. PMGAA will advise Contractor concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Contractor shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on June 22, 2022 and ends on June 21, 2025 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended

period with the possible exception of price. Any extension of this Contract shall require an amendment signed by both parties.

Contractor shall commence its services within seven (7) days of the written authorization by PMGAA. Contractor shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Contractor itself shall provide all services to be performed under this Contract. If Sub-Contractors are required by Contractor to perform any services listed under this contract, Contractor shall notify PMGAA prior to authorizing work by said Sub-Contractors. PMGAA may, at its sole discretion, accept or reject proposed Sub-Contractors.

SECTION V - PAYMENTS TO THE CONTRACTOR

Contractor will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Contractor are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Contractor, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Contractor. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Contractor has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Contractor will be allowed by PMGAA, except as provided herein, nor shall Contractor do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Contractor without advance, written authorization will be at Contractor's own risk, cost, and expense. Without written authorization, Contractor shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Contractor hereby assigns all right, title and interests to such documents to PMGAA. Contractor shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Contractor's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Contractor. PMGAA may reuse or modify the documents, as it deems necessary, without Contractor's prior written authorization. PMGAA shall indemnify and hold harmless Contractor, its officers, directors, employees and sub-Contractors (collectively, the "") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Contractor under this Contract unless Contractor authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Contractor shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Contractor's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Contractor and any subContractors employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Contractor's work shall in no way relieve Contractor of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Contractor warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Contractor's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Contractor shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Contractor shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Contractor shall submit monthly invoices for services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Contractor's studies, reports, proposals, and other related documents and render any decisions required by Contractor in a timely manner. Notwithstanding these reviews, Contractor remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Contractor's work or Contractor's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Contractor arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Contractor shall include a similar dispute resolution provision in all contracts with other contractors and subcontractors retained for the Project and shall require all other independent contractors and subcontractors to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONTRACTOR

To the fullest extent permitted by law, Contractor shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Contractor relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Contractor's services apply to Contractor's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Contractor may encounter a known or unknown archaeological site located at the Airport. If Contractor encounters what it believes to be an archaeological site, Contractor shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX - INSURANCE REQUIREMENTS

A. Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   ii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Contractor has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iii. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Contractor maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Contractor waives any right to subrogation. Contractor shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Contractor's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Contractor's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Contractor's insurance and will not contribute with it.
   iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Contractor to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
   v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.
   vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted.

For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Contractor shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX - NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

TO CONTRACTOR: Blackstone Security Services, Inc.
Attn: Bobby Holley
7227 N. 16th Street, Suite 107
Phoenix, AZ 85020

or to such other person(s) or address(es) as any such Party may designate from time to time by notice to the other Parties in accordance with this Section.

SECTION XXI - PRICING

A. Pricing is provided for in Exhibit A. All pricing shall be firm for the Term and all extensions or renewals of the Term except as provided for below and include all costs of the Contractor providing the service, including transportation and insurance.. No fuel surcharges will be accepted unless allowed in this Contract. PMGAA shall not be invoiced at prices higher than those stated in the Contract.

The Contractor further agrees that any reductions in the price of services covered by this Contract will apply to the remainder of services delivered under this Contract. The Contractor shall promptly notify PMGAA of such price reductions.

No price modifications will be accepted without proper request by the Contractor and written response by PMGAA.

DocuSign Envelope ID: 90C444C7-F0D3-44D1-A447-8C8079351F98

B. Price Adjustment. Sixty (60) days prior to the one year anniversary of the Contract, Contractor may submit a written request to PMGAA to allow an increase to the prices listed in Exhibit A for the upcoming year. Any requests for reasonable price adjustments must be submitted in accordance with this Section XXI, B. Requests for adjustment in pricing must be supported by appropriate documentation. There is no guarantee PMGAA will accept a price adjustment. PMGAA is only willing to consider price adjustments based on an increase to Contractor's actual expenses or other reasonable adjustment in providing the services under the Contract. If PMGAA agrees to the adjusted price terms, PMGAA shall issue written approval of the change and the price adjustment shall be in effect for the entire new year.

Contractor may submit a price adjustment request on an annual basis in accordance with Section XXI, B.

SECTION XXII - LICENSING

Contractor shall possess a current agency license authenticated by the Arizona Department of Public Safety authorizing the Contractor to conduct the business of private Security Guard service pursuant to Title 32, Chapter 26, Security Guard. Contractor's license shall remain in good standing for the entirety of the Contract.

Executed as of the Commencement Date.

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Contractor and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

A. SCOPE OF SERVICES

1. General

Contractor shall furnish all labor, insurance, and incidentals necessary to provide unarmed security guard services for PMGAA meeting the Scope of Services detailed herein.

2. Position Requirements

a. Duties

i. *Terminal Curbside Parking Enforcement* – Guards shall enforce all terminal curbside parking restrictions as required under federal regulations, the Airport Security Program, and the Airport Rules & Regulations.

ii. *Security Compliance* – Guards are required to provide a visual deterrent and assist Airport Operations in all security compliance matters as they pertain to the terminal landside and curb. Further, guards shall observe and report any suspicious activity or incidents to law enforcement and Airport Operations.

iii. *Customer Experience* – Guards shall provide an excellent customer experience and be readily available to provide assistance to customer questions, inquiries, or calls for service.

iv. The aforementioned duties are not an all-inclusive list and are subject to change based on operational needs, federal security regulations/directives, or emergency situations.

b. Conduct & Expectations

i. Security guards are not allowed to apprehend individuals who are in the process of committing a crime, or act as law enforcement agents. In the event of a crime in progress, the individual on-duty shall call 911 and proceed to notify Airport Operations.

ii. Security guards shall not possess or carry any weapons, including firearms, knives, impact weapons, mace, pepper spray or Tasers.

iii. Guards must be courteous, polite, and professional in their duties at all times.

iv. Report any safety hazards, security issues, defective property lighting or other safety deficiencies that might interrupt the overall airport safety or anything that may cause a threat to the health and safety of airport users.

v. Guards shall maintain radio communication with Airport Operations throughout the duration of their shift. Contractor shall procure two (2) radios that conform to PMGAA configuration standards and are approved by PMGAA. Upon conclusion of the contract, the ownership of the radios shall be transferred to PMGAA.

c. Uniforms & Appearance

i. Uniforms shall be reviewed and approved by PMGAA. Uniforms shall bear no resemblance to Mesa Police Department uniforms.

ii. Guards may not enter duty until he/she has a complete set of approved uniforms and accessories.

iii. Guards must be well groomed and display a professional appearance. Footwear shall be black in appearance and be consistent with the uniform approved by PMGAA.

d. Training & Certification

i. Contractor shall provide all required initial and recurrent training to its staff as required under state and local requirements.

ii. PMGAA shall provide an airport orientation and familiarization to ensure guards have a thorough understanding of the operational activities and requirements of PMGAA.

iii. Contractor shall work with PMGAA personnel to develop site specific post orders and ensure all assigned staff are trained on these orders.

e. Badging

i. PMGAA does not require the Contractor's staff to obtain airport security badges at this time. However, the Contractor shall ensure all staff meet the requirements for security badging as delineated within 49 CFR 1542 *Airport Security* and are eligible for an airport issued security badge. Upon request by PMGAA, the Contractor shall produce documentation delineating eligibility of the staff assigned to PMGAA.

3. Staffing & Scheduling

Contractor shall provide one (1) unarmed security guard, twelve (12) hours a day, Thursday through Monday. The scheduled hours are from 1200-2359. These scheduled hours are subject to change based on the operational needs of PMGAA.

Due to the seasonality of PMGAA's passenger terminal activity, the Contractor shall, at the request of PMGAA, at least sixty (60) days in advance, provide additional staff to meet the operational needs of PMGAA as they pertain to this Contract. Any additional staff provided by Contractor shall be billed for at the rates detailed in this **Exhibit A**.

B. SCOPE OF SERVICES – GROUND TRANSPORTATION ENFORCEMENT

PMGAA may, at its sole discretion and with fourteen (14) days notice to Contractor, request the following services from Contractor:

1. General

Contractor shall furnish all labor, insurance, and incidentals necessary to provide ground transportation enforcement for PMGAA.

2. Position Requirements

All position requirements are as stated in Section A of this Exhibit A in addition to those listed below:

a. Duties

i. Monitor, correct, and report instances of non-compliance with regard to the Airport Rules & Regulations and Contractual Agreements pertaining to Ground Transportation

ii. Monitor, correct, and report instances of non-compliance as it pertains to non-licensed ground transportation providers.

iii. Queue Management for taxis and pre-arranged ground transportation providers

3. Staffing & Scheduling

Contractor shall provide one (1) unarmed security guard, for the days and times PMGAA requests. These hours are subject to change based on the operational needs of PMGAA.

FEE SCHEDULE

For the services provided herein, PMGAA agrees to pay Contractor the following amounts. All fees are all-inclusive with no additional fees or administrative charges beyond what is stated herein.

Attachment A

Holiday Time	$ 4,250.34
Total	**$ 96,341.04**

Please see Professional Services Agreement, Section XXI, Pricing, for details regarding Price Adjustment Requests

EXHIBIT B – COMPENSATION

All compensation for services rendered by Contractor shall be based upon criteria established below. All services must be billed through the Contractor.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Contractor's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Contractor the appropriate rate or fixed price amount for services rendered as described in the Contract only after Contractor has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Contractor shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Contractor's invoices must specify that Contractor has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Contractor Responsibilities for Compensation

Contractor shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Contractor's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Contractor has not performed the work in a satisfactory manner. If PMGAA withholds payment to Contractor, PMGAA shall promptly notify Contractor and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Phoenix-Mesa Gateway Airport Authority
Attn: Accounts Payable
5835 S. Sossaman Road
Mesa, Arizona 85212

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA [Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Contractor certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Contractor hereby certifies that the individual signing this Contract is an authorized agent for Contractor and has the authority to bind the Contractor to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Contractor to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Contractor has provided personnel that do not meet the requirements of the Contract.

      (2) Contractor has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Contractor has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Contractor has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Contractor has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Contractor fails to give PMGAA adequate assurance the Contractor will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Contractor regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives forty five (45) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Contractor nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Contractor, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Contractor shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Contractor shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Contractor shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Contractor shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Contractor, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Contractor or any agent or representative of Contractor, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Contractor the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Contractor shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Contractor under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Contractor. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Contractor.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Contractor shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Contractor damages PMGAA's property in any way, Contractor shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Contractor fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Contractor under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Contractor shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Contractor of its acceptance or rejection within forty-five (45) days or written request by Contractor. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. Contractor is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Contractor's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Contractor warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Contractor or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Contractor shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Contractor's acts, errors, omissions, or mistakes relating to Contractor's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Contractor shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Contractor's or any of Contractor's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Contractor to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Contractor's risk and may be returned to Contractor. If so returned, all costs are the responsibility of Contractor. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Contractor or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Contractor shall provide a formal release of all liens.

30. **Licenses.** Contractor shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Contractor as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Contractor shall at all times keep Contract performance areas, including storage areas used by the Contractor, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Contractor shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Contractor shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Contractor under this Contract.

34. **Records and Audit Rights.** Contractor's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Contractor and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Contractor's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Contractor and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Contractor under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Contractor and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Contractor or subcontractors reasonable advance notice of intended audits. Contractor shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Contractor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Contractor's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Contractor's and any of Contractor's subcontractor's employee who works on this Contract to ensure the Contractor is complying with this paragraph.

EXHIBIT E – CONTRACTOR'S RFP SUBMITTAL

Contractor's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2022-023-RFP dated May 11, 2022, is hereby incorporated herein and made part of this Contract.

Phoenix-Mesa Gateway Airport Authority

Board Action Item

Re: Resolution 22-28

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Network Services Company in partnership with Waxie Sanitary Supply**
Date:	**June 21, 2022**

Proposed Motion
To authorize the purchase of janitorial supplies from Network Services Company in partnership with Waxie Sanitary Supply for FY23, in an amount not to exceed $125,000.

Narrative
Phoenix-Mesa Gateway Airport Authority maintains facilities hosting commercial airline passengers and over 100 employees, as well as general aviation operations and various tenant and office space. Passenger activity is at pre-pandemic levels, it is increasing compared to last year with over 1.5 million passengers this fiscal year. As part of a health and safety plan to reduce the spread and exposure of COVID-19 for our employees and passengers, the cleaning and frequency has increased, and the cost of janitorial supplies have increased as well. A primary function of the Operations and Maintenance Department is to ensure Airport facilities provide a clean, sanitary, and aesthetically pleasing environment for passengers, visitors, tenants, and staff. Janitorial and sanitary supplies, such as paper products and consumables, are required for health, safety, and satisfaction of customers, visitors, tenants, and employees.

Authorization to purchase janitorial supplies from Network Services Company in partnership with Waxie Sanitary Supply will allow PMGAA to utilize the unit pricing that was competitively bid for janitorial supplies.

PMGAA is a participating member of the Omnia Partners, allowing it to utilize contract #202329-01 executed by the City of Tucson with Network Services Company in partnership with Waxie Sanitary Supply for Janitorial Supplies. This contract is available upon request.

Fiscal Impact
This expenditure was included in the FY23 operating budget and is funded under OPM Supplies & Maintenance: Operating Supplies.

RESOLUTION NO. 22-28

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the purchase of janitorial supplies from Network Services Company in partnership with Waxie Sanitary Supply for FY23, in an amount not to exceed $125,000.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the purchase of janitorial supplies from Network Services Company in partnership with Waxie Sanitary Supply for FY23, in an amount not to exceed $125,000. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of June, 2022.

To:	**Board of Directors**
From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY 23 purchase of Jet-A and 100LL Avgas**
Date:	**June 21, 2022**

Proposed Motion
To authorize the purchase of Jet A fuel and 100LL Avgas from Ascent Aviation for Airport Authority resale in the amount of $5,250,000.

Narrative
The Phoenix-Mesa Gateway Airport Authority owns and operates Gateway Aviation Services, the airport's sole provider of retail aviation fuel.

Jet-A and 100LL Avgas are needed to provide aircraft fuel to tenant, transient, corporate, flight school, airline and military customers. Actual cost of fuel is based upon market price at time of order, therefore, staff is estimating the fuel purchase needed for FY23 will be $5,250,000.

Request for Proposals No. 2019-05 was issued, and Ascent Aviation was selected as the airport's fuel provider. Board Resolution No. 19-34 approved a multi-year contract between Phoenix-Mesa Gateway Airport Authority and Ascent Aviation

Fiscal Impact
This purchase was included in the FY23 operating budget and is funded under – CGS Jet-A and 100LL Avgas budgeted line items. The budgeted amount for Jet-A and 100LL Avgas is $4,426,750. The Airport is asking to use FY23 contingency operating budget to increase the amount budgeted under CGS Jet-A and 100LL Avgas in the sum of $823,250 to account for higher cost of goods sold based on market factors.

From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY23 Purchase of Unleaded and Diesel Fuel – State Contract Vendors**
Date:	**June 21, 2022**

Proposed Motion

To authorize the purchase of Unleaded and Diesel fuel from the lowest priced State contract vendor at market prices for Airport Authority use and resale in an amount not to exceed $630,000. This amount will provide fuel for the 2023 fiscal year.

Narrative

The Phoenix-Mesa Gateway Airport Authority (PMGAA) owns and operates Gateway Aviation Services, the airport's sole provider of fuel for ground support equipment.

Unleaded and Diesel #2 clear are needed to provide fuel to tenant and airport ground support equipment.

As a qualified participant of the Arizona Department of Administration Sate Procurement Office (ADSPO), PMGAA can procure goods and services under state contracts. These contracts have been competitively bid and are available upon request.

Fiscal Impact

This purchase was included in the FY23 budget and is funded under Cost of Goods Sold and Fuel Usage for internal usage. The budgeted amount for Unleased and Diesel is $527,185. The Airport is asking to use FY23 operating contingency budget to increase the amount budgeted under Cost of Goods Sold and Fuel Usage for internal usage in the sum of $102,815 to account for higher cost of goods sold based on market factors.

Board Action Item

Re: Resolution 22-31

To: Board of Directors
From: Matt Nebgen, Gateway Aviation Services Director
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: International Waste Management Services
Date: June 21, 2022

Proposed Motion
To authorize the purchase of international waste management services from Stericycle, Inc. (Stericycle) in an amount not to exceed $55,000.00 for fiscal year 2023.

Narrative
Services provided by Gateway Aviation Services include the disposal of international waste generated from arriving aircraft. This waste is regulated by the U.S. Department of Agriculture and strict laws must be followed in the disposal of such waste.

Animal and Plant Health Inspection Service (APHIS) regulated waste refers to all international waste from ocean liners, ships and planes which is not hazardous. Stericycle will collect, transport, treat and dispose of all APHIS waste and regulated garbage generated on all international flights arriving at the Phoenix-Mesa Gateway Airport. All APHIS waste collected by Stericycle is transported to a permitted facility for proper treatment by autoclaving and subsequent disposal.

PMGAA entered into an agreement with Stericycle on March 16, 2022, for waste disposal services under a sole source procurement as Stericycle was, and continues to be, the only vendor that provides this service in the Phoenix area. The agreement is for 36 months unless terminated earlier by either party.

Fiscal Impact
This purchase was included in the FY23 operating budget and is funded under Cost of Goods Sold-Ramp Services in the respective amount of $55,000.00.

TERMS AND CONDITIONS

1. APHIS Waste Services (a) Stericycle, Inc. ("SRCL") shall collect, transport, treat and dispose of all APHIS Waste/Foreign & Regulated garbage generated by Customer during the term of this Agreement. "APHIS Waste" means: International waste from ocean liners, ships, and planes which is not hazardous. This waste is regulated by the U.S. Department of Agriculture (USDA). Customer agrees that all containers SRCL supplies to Customer shall be collected and disposed of only by SRCL or its designated representatives. The storage of APHIS Waste / Regulated /Foreign garbage Waste shall be confined to an area on Customer's premises to which only personnel authorized by Customer or SRCL shall have access. Customer shall not place prohibited items (as identified on the CBP/USDA agreement) items inside waste containers. Customer shall be liable for all injuries, losses and damages that result from such containers. Title to APHIS Waste / Regulated foreign garbage collected from Customer shall transfer and vest in SRCL at the time it is loaded into SRCL's truck. Customer shall have title to APHIS Waste / Regulated foreign garbage at all prior times. Customer shall always hold title to any Non-Conforming Waste. See Attachment A for full Waste Acceptance Protocol.

2. Term and Pricing The term ("Term") of this Agreement shall be thirty-six (36) months from the date of execution of this Agreement. (a) This Agreement shall automatically renew for successive terms of one year each ("Extension Terms") unless either party has notified the other party in writing during the sixty (60) day period prior to any such renewal date of its desire to terminate this Agreement. All Extension Terms shall be subject to the same terms and conditions as this original Agreement. (b) SRCL may adjust the contract price to account for operational changes it implements to comply with changes in law, to cover increases in the cost of containers and related equipment, insurance, or to otherwise address cost escalation. SRCL may charge Customer a fee to cover its administrative costs in the event that Customer changes its service requirements during the Term or Extension Term.

(c) Stericycle has instituted an energy charge ("Energy Charge") to manage and isolate the impact of fuel and energy price fluctuations. The Energy Charge is based on the U.S. 'On Highway' Diesel Price Index. A table outlining the Energy Charge can be found in Appendix B. (d) If Customer breaches this Agreement by terminating SRCL's collections prior to the expiration of its Term or any Extension Term, or in any other way violates this agreement in such a way that SRCL's continued performance is rendered impossible or commercially impracticable, then, in addition to any rights and remedies SRCL may have at law or in equity, SRCL shall be entitled to collect from Customer an amount in liquidated damages equal to 50% of Customer's average charge on a monthly basis based on the 12 months' billings prior to the cessation of collections (or based on any lesser period if the contract began less than twelve months earlier) times the number of months, including prorated partial months, remaining until the expiration date of the Term or Extension Term. Customer hereby acknowledges that SRCL's damages resulting from the premature termination of collections are impossible of estimation, and include lost profits, inefficiencies resulting from route changes and reduced treatment plant throughput, increased administrative overhead, unrecoverable sunk training/instruction costs, and other elements of injury, and acknowledges further that the foregoing charge is reasonable and is not a penalty. (e) SRCL shall have the right to terminate this Agreement at any time by giving Customer at least sixty (60) days' notice in the event that it is unable to continue performing its obligations under this Agreement due to the suspension, revocation, cancellation or termination of any permit or required to perform this Agreement or in the event that a change in any law, regulation or ordinance makes it impractical, in SRCL's sole discretion, to continue performing this Agreement.

3. Billing SRCL shall provide Customer with monthly, quarterly or annual invoices that are due upon receipt. Customer agrees to pay a late charge on any amounts owed to SRCL that are more than 30 days old, at a rate equal to the lesser of 1 ½% per month or the maximum rate permitted by law. Customer shall bear any costs that SRCL may incur in collecting overdue amounts from Customer, including, but not limited to, reasonable attorneys' fees and court costs. Should any amounts due pursuant to this Agreement remain unpaid for more than 30 days from the date of the debt's first invoice, SRCL shall have the option, without notice to Customer, to suspend service under this Agreement until the overdue amounts (plus late charges) are paid. In the event that SRCL suspends services under this Agreement for any reason, including the expiration or termination of this Agreement or Customer's breach (see 2(c), above), SRCL may remove all containers belonging to it from Customer's premises. Any non-compliant containers will be billed an additional container charge at the current container rate. Non-compliant containers include containers that are overweight under applicable laws or regulations or containers holding Non-Conforming Waste. In addition to SRCL's charges for services and products under this Agreement, Customer shall pay all taxes imposed or levied by any governmental authority with respect to such services or products. These taxes include all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but do not include any taxes on SRCL's net income). SRCL shall cooperate with Customer to determine the applicability of any exemption certificates that Customer provides to SRCL in a timely manner.

4. Purchase Orders Any terms or conditions contained in any Purchase Order, Purchase Order Agreement, or other invoice acknowledgment, Order by Customer or proposed at any time by Customer in any manner, which vary from, or conflict with the terms and conditions in this Agreement are deemed to be material alterations and are objected to by SRCL without need of further notice of objection and shall be of no effect nor in any circumstances binding upon SRCL unless expressly accepted in writing. If Customer's standard purchase order form is provided to SRCL in connection with this Agreement, the terms and conditions for that Purchase Order will be superseded by the provisions of this Agreement and the use of the purchase order shall be only to facilitate Customer's payment of fees to SRCL. Written acceptance or rejection by SRCL of any such terms or conditions shall not constitute an acceptance of any other additional terms or conditions.

5. Surcharge SRCL may also impose a surcharge in the event that SRCL attempts to pick up waste at a Customer location (on either a scheduled pick-up or in response to a Customer request) and, through no fault of SRCL, either (a) there is no APHIS Waste for SRCL to pick up, (b) waste is not ready for pick-up or (c) the Customer location is closed.

6. Liability for Equipment Customer shall have the care, custody and control of containers and other equipment placed at Customer's premises which is owned by SRCL and accepts responsibility and liability for the equipment and its contents except when it is being physically handled by employees of SRCL. Customer agrees to defend, indemnify and hold harmless SRCL from and against any and all claims for loss or damage to property, or personal injury or death, resulting from or arising in any manner out of Customer's use, operation or possession of any containers and other equipment furnished under this Agreement. Any damage to such property and equipment, other than normal wear and tear, will be charged to the Customer, and payable to SRCL as additional service cost.

7. Indemnification SRCL shall indemnify and hold Customer harmless from any liabilities arising from the gross negligence or willful misconduct of SRCL in the performance of its obligations under this Agreement. Customer shall indemnify and hold harmless SRCL from any liabilities arising from the gross negligence or willful misconduct of Customer, which shall include, but not be limited to, failure to properly store, package, label, or segregate APHIS Waste and any liabilities relating to Non-Conforming Waste, whether or not collected, transported or treated by SRCL. Each party agrees to pay the reasonable attorneys' fees and costs incurred by the other in bringing a successful indemnification claim under this Paragraph. Customer agrees to pay SRCL's reasonable attorney's fees incurred for any successful defense by SRCL of a suit for indemnification brought against SRCL by Customer.

8. Compliance with Laws SRCL hereby agrees to carry General Liability, Automobile Liability, and Workmen's Compensation Insurance as required by applicable state law, and to otherwise comply with all federal and state laws, rules and regulations applicable thereto and relating to its performance hereunder. As of the date of this Agreement, SRCL has obtained all necessary permits, licenses, zoning and other federal, state or local authorizations required to perform the services under this Agreement and will furnish copies of these to Customer upon request. Customer hereby agrees to comply with all federal and state laws, rules and regulations applicable to its handling of APHIS Waste and its performance under this Agreement, including, without limitation, all applicable record keeping, documentation and manifesting requirements. SRCL and Customer shall keep and retain adequate books and records and other documentation including personnel records, correspondence, instructions, plans, receipts, vouchers, copies of manifests and tracking records and any other records or reports or memoranda consistent with and for the periods required by applicable regulatory requirements and guidelines pertaining to storage or handling of APHIS Waste and the services to be performed under this Agreement.

9. Exclusivity Customer agrees to use no other APHIS Waste disposal service or method during the Term of this Agreement and any Extension Terms.

10. Excuse of Performance SRCL shall not be responsible if its performance of this Agreement is interrupted or delayed by contingencies beyond its control, including, without limitation, acts of God, war, blockades, riots, explosion, strikes, lockouts or other labor or industrial disturbances, fires, accidents to equipment, injunctions or compliance with laws, regulations, guidelines or orders of any governmental body or instrumentality thereof (whether now existing or hereafter created).

11. Independent Contractor SRCL's relationship with Customer pursuant hereto is that of an independent contractor, and nothing in this Agreement shall be construed to designate SRCL as an employee, agent or partner of or a joint venture with Customer.

12. Amendment and Waiver Changes in the types, size and amount of equipment and the frequency of service may be mutually agreed to orally or in writing by the parties, without affecting the validity of this Agreement. Consent to oral changes shall be evidenced by the practices and actions of the parties. All other amendments to this Agreement (other than as provided in 2(b)) shall be effected only by a written instrument executed by the parties. No waiver shall be effective unless submitted in writing by the party granting such waiver. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision of this Agreement and no waiver of any breach or duty under this Agreement shall be deemed a waiver of any other breach or later instances of the same duty.

13. Savings Clause In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not effect any other provisions of this Agreement; this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein, unless such finding shall impair the rights or increase the obligations of SRCL hereunder, in which event, at SRCL's option, this Agreement may be terminated.

14. Entire Agreement This Agreement (including any attachments, exhibits and amendments made in accordance with Paragraph 11) constitutes the entire understanding and agreement of the parties and cancels and supersedes all prior negotiations, representations, understandings or agreements, whether written or oral, with respect to the subject matter of this Agreement.

15. Governing Law This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without regard to the conflicts of laws rules of any jurisdiction.

16. Notices All required notices, or those which the parties may desire to give under this Agreement shall be in writing and sent to the parties' addresses set forth on the reverse side of this Agreement.

17. Counterparts This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. A copy or facsimile of this Agreement shall be as effective as an original.

18. Waste Brokers SRCL reserves the right to deal solely with the Customer and not with any third party agents of the customer for all purposes relating to this Agreement. Customer represents and warrants to SRCL that it is the regulated waste generator and is acting for its own account and not through a broker or agent. SRCL shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to liquated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

Stericycle USDA/APHIS Waste Acceptance Protocol
Appendix A

The information contained within this Stericycle Protocol reflects the requirements necessary to comply with U.S. Department of Transportation (DOT) *Hazardous Materials Regulated USDA/APHIS Waste* regulations, and all other applicable laws and regulations governing USDA/APHIS waste for generators, transporters, and/or treatment facilities in the State of Arizona.

STERICYCLE CONFIDENTIAL INFORMATION FOR CUSTOMERS

This document is provided for your education and notification of procedures required to assure compliance with applicable regulations.

This document shall not be reproduced, copied, loaned, or transferred to another person directly or indirectly, in whole or in part, nor used for any purpose other than that for which it is specifically furnished, without the prior written consent of Stericycle.

1. WASTE ACCEPTED BY STERICYCLE
   1.1. International waste from ocean liners, ships, and planes which is not otherwise hazardous. This waste is regulated by the U.S. Department of Agriculture (USDA).

2. NON-CONFORMING WASTES WHICH ARE NOT ACCEPTED BY Stericycle
   2.1. Radioactive Waste: UNDER NO CIRCUMSTANCES, will Stericycle accept any waste emitting radiation in levels greater than regulatory limits as defined in the Arizona DHS *Policy Guidance for Handling Medical Waste at Off-Site Treatment Facilities*. Prior to treatment, all containers will be inspected by means of a radiation monitor. Any container above regulatory limits will be rejected for treatment, and arrangements will be made for return to the generating facility. This procedure may be result in added service charges.
   2.2. Hazardous Waste, including, but not limited to:
      - 2.2.1 Solvents, paints, paint thinner
      - 2.2.2 Drums or other containers with hazard warning sign
      - 2.2.3 Batteries of any kind
      - 2.2.4 Glass thermometers, sphygmomanometers, florescent light tubes, or other equipment or devices containing mercury such as bougie dilators and GI tubes with mercury pouches.
      - 2. 2.5 Chemicals such as formaldehyde/formalin, ova-parasite fixative, acids, alcohol, acetone, waste oil, items preserved in thimerosal in concentrations exceeding 0.002%, and mercury-containing reagents.
      - 2.2.6 Bulk chemotherapy waste (antineoplastic/cytotoxic drugs) or other RCRA listed hazardous pharmaceuticals. Full or partially full IV bottles/bags and vials of chemotherapy agents constitute hazardous waste and must be managed accordingly. Stericycle will not accept any outdated or unused chemotherapy drugs. It is recommended that such agents be returned to the pharmaceutical company.
      - 2.2.7 Any item listed as being hazardous in federal, state, or local regulations.
      - 2.2.8. In order to comply with state and federal regulations, all hazardous waste must be managed by a licensed hazardous waste contractor. Stericycle does not provide service for hazardous waste disposal. Each facility should contact their state or local regulatory agency for hazardous waste regulations and information.
   2.3 Compressed Gas Cylinders, Canisters, Inhalers, and Aerosol Cans
   2.4 Human Remains
   Stericycle requires that human remains, fetuses, and cadavers (intact and otherwise) are segregated from the waste stream. Stericycle will not accept these materials.

3.0 SEGREGATION AND PACKAGING OF WASTE
   3.1 International Waste: Shipboard and airline waste must be secured in minimum of 3 mil bags and placed into leak-resistant Stericycle containers prior to transport as directed by local port authority Compliance Agreement with Stericycle, Inc. All containers must be labeled "FOREIGN GARBAGE" to ensure the waste is processed as required by steam autoclave.

4.0 LABELING AND MARKING OF USDA/APHIS WASTE BAGS AND CONTAINERS
   4.1 Non-conforming Labels and Markings Any container which bears a label with the words or symbols reflecting "HAZARDOUS CHEMICALS", "HAZARDOUS DRUGS", "HAZARDOUS WASTE", "RADIOACTIVE MATERIAL", or "RADIOACTIVE WASTE" cannot be transported, accepted, or treated by Stericycle, no matter what the contents.

5.0 TRANSPORTATION OF WASTE

5.1 Registered Vehicles

5.1.1 Stericycle maintains a Hazardous Waste Hauler's Registration for transportation of all waste collected and/or transferred and/or treated in Arizona as required.

5.2 Responsibility and Authority of Stericycle Drivers

5.2.1 Stericycle drivers are responsible for the collection and tracking of all waste containers generated on their assigned routes on any given day. They are responsible for monitoring the proper containment, closure, and labeling of each tub, box, drum, or sharps container prior to scanning/entering the specific data into the Stericycle BIOTRACK® system. It is also the responsibility of the driver to leave a copy of the signed tracking document(s).

5.2.2 Stericycle drivers are authorized to reject any containers that do not meet DOT specifications. Odor, leakage, bulging or damaged containers, improper packaging, incorrect labels, non-conforming waste, and improper segregation are some of the causes for rejection of USDA/APHIS waste containers.

5.2.3 Containers may be subject to an off-specification charge for repackaging and special handling, if such is required.

5.3 Emergency Spill Response

5.3.1 Stericycle Hazardous Waste Registered vehicles are equipped with emergency spill kits, and drivers are trained in emergency response spill procedures as required by Arizona and U.S. DOT regulations. Written Emergency Response Spill and Hazardous Materials Procedures are available in the cab of each vehicle.

5.3.2 Stericycle provides and maintains an Emergency Spill Response Telephone Number 24 hours a day at (800)234-0051.

5.4 All policies and practices for transportation of USDA/APHIS waste provided by Stericycle are in full compliance with applicable U.S. DOT, Arizona, and local laws and regulations.

6.0 TREATMENT OF WASTE

6.1 Permitted Waste Treatment Facilities

All APHIS waste collected by Stericycle is transported to a permitted facility for proper treatment by autoclaving and subsequent disposal.

6.2 Waste Treatment Methods/Parameters

6.2.1 International waste is subjected to steam autoclave processing per Compliance Agreement with the local port authority or U.S. Dept. of Agriculture.

6.3 Waste treatment facilities operate in compliance with all applicable federal, state, and local laws/regulations and maintain all required permits and licenses.

Appendix B - Energy Charge

Stericycle uses an index-based energy charge that is adjusted monthly and is charged as a percent of the before-tax invoice total. The energy charge is based on the National U.S. Average 'On Highway' Diesel Fuel Price reported by the U.S. Department of Energy for the previous month. The prices on these indexes are published by the U.S. Dept. of Energy and Stericycle is not responsible for the information provided.

Stericycle Energy Charge Table		
At Least (price per gallon)	But Less Than (price per gallon)	Surcharge (% of invoice)
0	$2.75	5.80%
$2.76	$3.00	6.30%
$3.01	$3.25	6.90%
$3.26	$3.50	7.40%
$3.51	$3.75	7.90%
$3.76	$4.00	8.50%
$4.01	$4.25	9.00%
$4.26	$4.50	9.60%
$4.51	$4.75	10.10%
$4.76	$5.00	10.70%
$5.01	$5.25	11.20%
$5.26	$5.50	11.70%
$5.51	$5.75	12.30%
$5.76	$6.00	12.80%

If the diesel rate rises above $6.00, the 12.8% surcharge will be increased 0.6% for every $0.25 increase in the diesel rate.

Board Action Item

Re: Resolution 22-32

To: Board of Directors
From: Bob Draper, P.E., LEED AP, CM, Engineering & Facilities Director
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: TWY Connectors Construction – Coffman Specialties, Inc. – CIP 1236
Date: June 21, 2022

Proposed Motion
To approve a Construction Contract with Coffman Specialties, Inc. for the construction of the TWY Connectors in an amount not to exceed $7,851,927.50 under CIP 1236.

Narrative
Over the last couple of years, interest in private development at Phoenix-Mesa Gateway Airport has gained momentum, and in May 2022, Gulfstream Aerospace Corporation leased 18.62 acres of land to construct a 225,000 SF West Coast Service Center. With this new development plan, PMGAA staff has determined the need for additional taxiway infrastructure to be constructed, that will allow aircraft to access the Gulfstream hangar/apron development.

This construction project is to expand the existing taxiway network on the northeast side of the airfield and provide associated connector taxiways that will connect the Gulfstream hangar/apron development to the existing Taxiway C pavements. This construction project will include a Portland cement concrete pavement section, asphalt paved shoulders in select areas, infield grading, taxiway lighting and signage, site drainage, vehicle service road improvements, and pavement markings.

The Invitation to Bid (IFB) Solicitation 2022-022-IFB – TWY C Connectors, was issued on April 12, 2022, and advertised in the Arizona Business Gazette on 4/14, 4/21, 4/28 and 5/5/22. It was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the IFB was emailed to a list of 89 prospective firms. The bid opening was held on May 10, 2022, and six (6) bids were received. Coffman Specialties, Inc. submitted the lowest, responsive bid.

Bidder	Bid Amount ($) – Base Bid Schedule I	Bid Amount ($) – Add Alt No. 1 Schedule II	Total Bid Amount ($) Schedule I and Schedule II
William Charles Construction Co., LLC	$5,077,953.23	$3,997,993.85	$9,075,947.08
Archer Western Construction, LLC	$6,384,674.17	$5,499,285.55	$11,883,959.72
Combs Construction Company, Inc.	$4,262,977.44	$3,655,583.42	$7,918,560.86
FNF Construction, Inc.	$5,719,153.23	$5,162,047.38	$10,881,200.61
Pulice Construction, Inc.	$5,381,601.85	$4,819,357.64	$10,200,959.49
Coffman Specialties, Inc.	**$4,779,663.25**	**$3,072,264.25**	**$7,851,927.50**

Fiscal Impact

These Construction Services will be funded by PMGAA Non-Grant funds under Project 1236. Gulfstream Corporation will fund 50% of the final construction costs via a cost sharing agreement after final quantities and costs have been determined after construction.

E. PROJECT:

TAXIWAY C CONNECTORS
Authority Project No. 1236

F. WORK TO BE PERFORMED:

The intent of the *Taxiway C Connectors* project is to expand the existing taxiway network on the northeast side of the airfield and provide a new partial taxiway and associated connector taxiways that will connect a future Hangar/Apron Project (By Others) to the existing Taxiway C pavements. The newly constructed Taxiway system will consist of approximately 20,792 square yards of Portland Cement Concrete pavement, with and adjacent Asphalt Concrete pavement shoulder, infield grading, taxiway lighting and signage, site drainage, vehicle service road improvements, and pavement markings.

G. RECITALS:

The Owner intends to construct the Taxiway C Connectors with airfield paving, lighting, drainage, structures, utilities, service roads, and other items as necessary for the full and efficient use of the project in connection with Phoenix-Mesa Gateway Airport located in Mesa, Arizona. The Owner desires to contract for certain construction services and materials, and the Contractor desires to provide construction services and materials.

NOW, THEREFORE, intending to be legally bound and for valuable consideration, the receipt and sufficiency of which are acknowledged, the Owner and Contractor agree as follows:

H. AGREEMENTS:

ARTICLE 1 THE CONTRACT

The Contract consists of (1) this Construction Contract, (2) The Bidding Requirements and Agreement Documents, (3) the General Conditions to the Construction Contract, (4) General Provisions, (5) Special Provisions, (6) Drawings, Technical Specifications and other documents or amendments referenced in Article 7 of the Construction Contract, and (7) any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").

ARTICLE 2 THE WORK

The Contractor shall execute the entire work described in the Contract and all work reasonably inferable as necessary to produce the results intended by the Contract.

ARTICLE 3 CONTRACT TIME

3.1 The Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the work is not Substantially Completed or Finally Completed within the times specified below. If a discrepancy exists between any of the contract documents regarding contract time, the contract times stated below in this Article 3 shall take precedence.

3.2 If only the Base Bid (Schedule I) is awarded, the Contractor shall achieve Substantial Completion (as defined in Section 9.8.1 of the General Conditions of the Construction Contract and

evidenced by a Certificate of Substantial Completion) of the Base Bid (Schedule I) no later than a total of **120 Calendar Days** from the date of issuance of the Notice to Proceed:

- Substantial Completion of the Base Bid (Schedule I) Phase 1 no later than a total of **60 Calendar Days** from the date of issuance of the Notice to Proceed.
- Substantial Completion of the Base Bid (Schedule I) Phase 2 no later than a total of **60 Calendar Days** from the date of issuance of the Notice to Proceed.

If both the Base Bid (Schedule I) and the Alternate Bid 1 (Schedule II) are awarded, the Contractor shall achieve Substantial Completion (as defined in Section 9.8.1 of the General Conditions of the Construction Contract and evidenced by a Certificate of Substantial Completion) of the Base Bid (Schedule I) and the Alternate Bid 1 (Schedule II) no later than a total of **180 Calendar Days** from the date of issuance of the Notice to Proceed:

- Substantial Completion of the Base Bid (Schedule I) Phase 1 and Alternate Bid 1 (Schedule II) Phase 1 no later than a total of **90 Calendar Days** from the date of issuance of the Notice to Proceed.
- Substantial Completion of the Base Bid (Schedule I) Phase 2 and Alternate Bid 1 (Schedule II) Phase 2 no later than a total of **90 Calendar Days** from the date of issuance of the Notice to Proceed.

3.3 Final Acceptance of the work shall occur not more than thirty (30) calendar days after the Substantial Completion date.

3.4 The parties acknowledge and agree that it would be extremely difficult and impracticable to ascertain the damages that the Owner would incur should the Contractor fail to achieve, (1) Substantial Completion of the work by the milestone completion date(s), or (2) Final Acceptance of the work, as specified in this Article 3. Accordingly, if the Contractor fails to achieve (1) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as specified in this Article 3, the Contractor shall be liable for and shall pay to the Owner liquidated damages for each calendar day of delay until the Contractor achieves (I) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as the case may be. The liquidated damages shall be as follows:

The following Liquidated Damages will apply:

1. Substantial Completion of Base Bid (All Phases, 120 Calendar Days) – $2,500 per Day
    a. Substantial Completion of Base Bid Phase 1 (60 Calendar Days) – $2,500 per Day
    b. Substantial Completion of Base Bid Phase 2 (60 Calendar Days) – $2,500 per Day

2. Substantial Completion of Base Bid and Alternate Bid 1 (All Phases, 180 Calendar Days) – $2,500 per Day
    a. Substantial Completion of Base Bid and Alternate Bid 1 Phase 1 (90 Calendar Days) – $2,500 per Day
    b. Substantial Completion of Base Bid and Alternate Bid 1 Phase 2 (90 Calendar Days) – $2,500 per Day

The following Liquidated Damages will also apply:

1. Final Completion within thirty (30) Calendar Days of Substantial Completion of the project (Base Bid) – $2,500 per Day

The Owner shall have the right to retain any liquidated damages from payments due Contractor.

ARTICLE 4 CONTRACT SUM

4.1 The Owner shall pay the Contractor in current funds for the Contractor's performance of the Contract the Contract Sum of seven million eight hundred fifty one thousand, nine hundred twenty seven Dollars and fifty cents ($7,851,927.50), subject to the additions and deductions as provided in the Contract.

4.2 Unit prices are set forth in the Bid Proposal attached hereto as Schedule I in Exhibit A. The unit prices include (I) all materials, equipment, labor, delivery, installation, overhead, profit, taxes, bond, insurance, and commissions, and (2) any other costs or expenses in connection with or incidental to the performance of that portion of the work to which such unit prices apply.

ARTICLE 5 PROGRESS PAYMENTS

Progress payments will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 6 FINAL PAYMENT

Final payment will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 7 CONTRACT DOCUMENTS

7.1 The Contract, except for modifications issued after the effective date of the Construction Contract, consists of the following documents:

7.1.1 The *Construction Contract*.
7.1.2 The Bidding Requirements and Agreement Documents
7.1.3 The *General Conditions* to the Construction Contract.
7.1.4 The *General Provisions* to the Construction Contract.
7.1.5 The *Special Provisions* to the Construction Contract.
7.1.6 Plans, Specifications and Addenda attached.
7.1.7 Bid Documents as follows:

A. Contractor Bid Proposal dated May 10, 2022.

B. Certified Copy of Resolution of Board of Directors dated March 1, 2022

C. Contractor Statutory Bid Bond dated April 22, 2022.

D. Certificate of Insurability dated May 5, 2022

E. Non-Collusion Bidding Certification signed by Colleen Coffman and dated May 4, 2022.

F. Standard Certifications signed by Colleen Coffman and dated May 4, 2022.

G. Bidders Qualification Statement dated May 4, 2022.

H. Subcontractor List dated May 9, 2022.

7.1.8 Amendments or modifications to the Contract, if any, to which the parties may agree during Contract performance.

7.2 There are no Contract Documents other than those listed above in this Article 7. The Contract Documents may only be amended, modified, or supplemented as provided in the *General Conditions*.

7.3 The Contract Documents are complementary, and a requirement called for by one is as binding as if called for by all. In resolving conflicts, if any, the Contract Documents shall be given the precedence that the Engineer determines is consistent with their intent and that will produce the intended result. When not in contradiction with this priority, the Contract Documents shall be given precedence in the order in which they are listed in this Article 7.

ARTICLE 8 MISCELLANEOUS

8.1 If any provision(s) of the Contract is/are invalid, illegal or unenforceable, all other provisions of the Contract shall nevertheless remain in full force and effect. If any Contract provision is inapplicable to any person or circumstance, that provision shall nevertheless remain applicable to all other persons and circumstances.

8.2 It is Contractor's and Owner's intent that all provisions of law required to be inserted or referenced in the Contract Documents shall be incorporated into them. If any provision of law is not inserted or referenced in the Contract Documents, or is inserted or referenced in improper form, the provision shall be considered inserted or referenced in proper form at no increase in Contract Price or Contract Time.

8.3 Contractor shall not sell, assign, transfer or otherwise convey any of its rights and shall not delegate any of its duties under this Contract without Owner's prior express written consent. In its sole discretion Owner may refuse to consent to any proposed assignment or delegation. Any attempted sale, assignment, transfer, conveyance or delegation in violation of this Paragraph 8.3 shall be void and shall relieve Owner of any further liability under the Contract Documents. If Owner consents in writing to an assignment, unless specifically stated to the contrary in the consent, the assignment shall not release or discharge Contractor from any duty or responsibility set forth in the Contract Documents.

8.4 Nothing contained in the Contract shall in any manner authorize, empower, or constitute Contractor, its subcontractors, or suppliers as agent(s) of Owner, authorize or empower Contractor, its subcontractors, or suppliers to assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of Owner or authorize or empower Contractor, its subcontractors or suppliers to bind Owner in any manner or to make any representation, warranty, covenant, agreement, or commitment on Owner's behalf. Contractor shall perform all work under

this Contract as an independent contractor. Only Owner of this Contract shall have rights to enforce any changes to this Contract.

8.5 This Contract shall be binding on Owner and Contractor and all of their respective successors, heirs, legal representatives, and, if Owner has consented to an assignment or delegation as provided in Paragraph 8.3, assigns and delegates.

8.6 This Contract supersedes all prior oral or written agreements, if any, between the parties and constitutes the entire, integrated agreement between the parties with respect to the work to be performed under the Contract Documents.

8.7 This Contract shall be governed by and construed in accordance with the laws of the state of Arizona, without giving effect to any rules governing conflict of laws.

8.8 The approval and continuation of this Contract is subject to the availability of funds either provided to, made available to, or appropriated by the Owner for this purpose. In the event that funds are not available or appropriated for the Owner's payment requirements under this contract for the goods and/or services to be provided hereunder, the Owner may terminate this contract by providing notice to the Contractor of the lack of the availability of funds.

Re: Resolution 22-33

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM, Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**TWY C Connectors Construction Administration Services – Kimley Horn & Associates – CIP 1236**
Date:	**June 21, 2022**

Proposed Motion

To approve an Authorization of Services for the TWY Connectors Construction Administration Services with Kimley-Horn & Associates (KHA) in an amount not to exceed $246,768 under CIP 1236.

Narrative

Over the last couple of years, interest in private development at Phoenix-Mesa Gateway Airport has gained momentum, and in May 2022, Gulfstream Aerospace Corporation leased 18.62 acres of land to construct a 225,000 SF West Coast Service Center. With this new development plan, PMGAA staff has determined the need for additional taxiway infrastructure to be constructed that will allow aircraft to access the Gulfstream hangar/apron development.

This construction project is to expand the existing taxiway network on the northeast side of the airfield and provide a new partial taxiway and associated connector taxiways that will connect the Gulfstream hangar/apron development to the existing Taxiway C pavements. This construction project will include a Portland cement concrete pavement section, asphalt paved shoulders in select areas, infield grading, taxiway lighting and signage, site drainage, vehicle service road improvements, and pavement markings.

In 2019, a Request for Qualifications, 2020-007-RFQ for On-Call Engineering Services was issued. Kimley-Horn and Associates (KHA) was one of two firms selected as the most qualified. In accordance with the terms of our agreement, C-2020007-A, KHA worked with Airport staff to refine a Scope of Work for Construction Administration Services for the TWY C Connectors Construction. The cost for these services was negotiated based upon the contract fee schedule at a cost not-to-exceed $246,768.

Fiscal Impact

These Construction Administration Services will be funded by PMGAA FY23 Non-Grant funds under Project 1236.

RESOLUTION NO. 22-33

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve an Authorization of Services for the TWY Connectors Construction Administration Services with Kimley-Horn & Associates (KHA) in an amount not to exceed $246,768 under CIP 1236.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves an Authorization of Services for the TWY Connectors Construction Administration Services with Kimley-Horn & Associates (KHA) in an amount not to exceed $246,768 under CIP 1236. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of June, 2022.

John Giles, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

AUTHORIZATION OF SERVICES
Kimley-Horn & Associates, AOS 20A-2206

The signing of this Authorization (Agreement) by Phoenix-Mesa Gateway Airport Authority (PMGAA) and Kimley-Horn & Associates, 7740 N. 16th Street, Suite 300, Phoenix, AZ 85020 ("Kimley-Horn"), authorizes Kimley-Horn to carry-out and complete the services described below in consideration of the mutual covenants set forth below:

1. **PROJECT**: TWY C Connectors Construction Administration Services under CIP 1236.

2. **SCOPE OF WORK**: Perform and provide Construction Administration Services to expand the existing taxiway network on the northeast side of the airfield and associated connector taxiways that will connect the Gulfstream development to the existing Taxiway C pavements. All services are to be performed in accordance with PMGAA Agreement C-2020-007-A, including the Standard Terms, and the attached detailed scope of work. Services shall be coordinated with and approved by PMGAA Authorized Representative prior to start of work.

3. **FEE FOR SERVICES**: The fee for services shall be based upon the attached scope of work, not to exceed Two hundred forty-six thousand, seven hundred sixty-eight dollars ($246,768) of PMGAA non-grant funds without the express written approval of PMGAA.

4. **AVAILABILITY OF PROJECT FUNDING:** The approval and continuation of this contract is subject to the availability of funds provided to, made available to, or appropriated by PMGAA for this purpose. In the event that funds are not available or appropriated for PMGAA's payment requirements under this contract for the goods and/or services to be provided hereunder, PMGAA may terminate this contract by providing notice to the consultant of the lack of the availability of funds. The consultant acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, and that this contract, its approval and continuation, may contingent on the availability of those funds being made to PMGAA.

5. **INCORPORATED:** The following documents are hereby incorporated with this Authorization of Services and made part thereof:

   ☑ PMGAA Agreement C-2020007-A dated December 17, 2019.

6. **ATTACHED:** The following documents are attached to this Agreement and are incorporated herein by this reference made part thereof:

☑ Scope and Fee Proposal received May 2022.

PMGAA and Kimley-Horn acknowledge that they are in agreement with the terms and conditions as set forth in this Authorization.

EXHIBIT A

SCOPE OF WORK

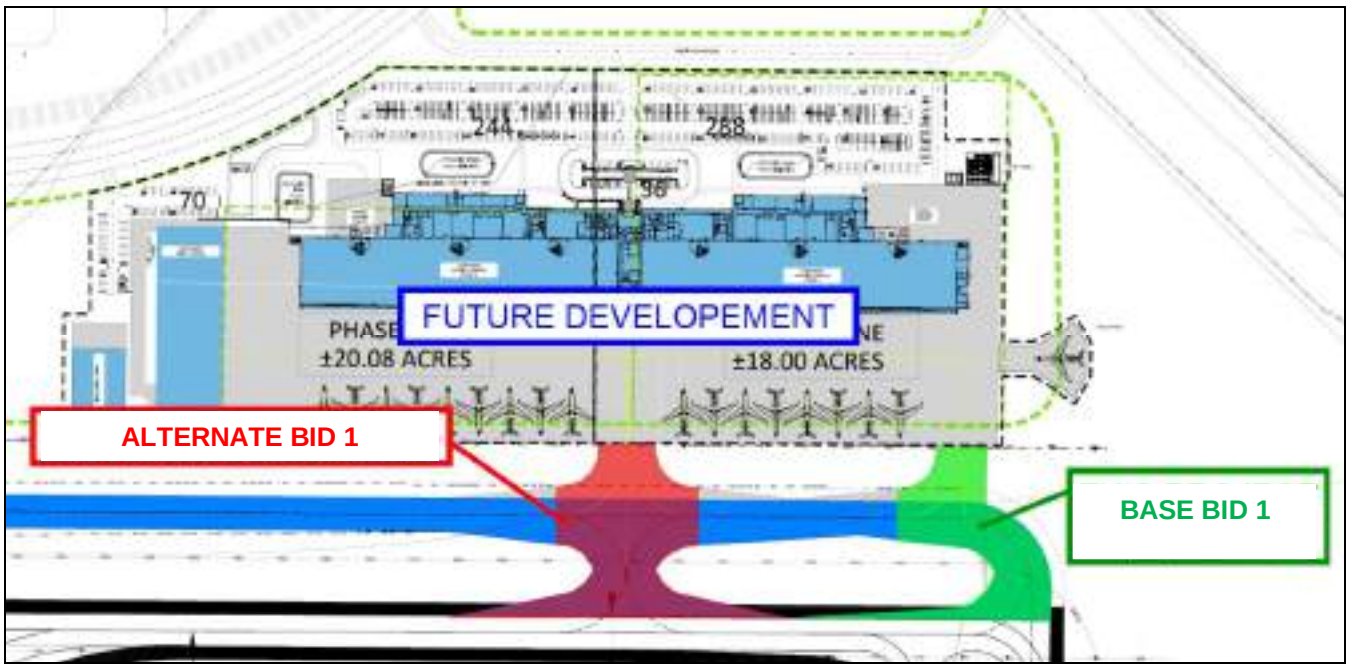
Construction Support and Observation
for
Taxiway C Connectors

A. PROJECT DESCRIPTION: The Taxiway C Connectors project at Phoenix-Mesa Gateway Airport (PMGAA) is intended to provide aircraft access to a future Apron and Hangar facility (as part of a separate project) via a new taxiway and connector taxiway system, between existing Taxiway C and the proposed future facility. This proposed taxiway system will consist of two new connector taxiways that tie-into existing Taxiway C (adjacent existing Taxiway C5 and C6) on one side, and tie into the proposed partial parallel Taxiway D on the other side. On the other side of the proposed Taxiway D, two more connector taxiway segments will be constructed between Taxiway D and the future Apron/Hangar Facility. A portion of the proposed Taxiway D (between proposed D5 and D6) has been designed but has been identified on the plans as "Not Included in Contract" (and may be constructed at a later date). The proposed horizontal and vertical design of the Taxiway C Connectors project will follow the design criteria outlined in the current version of FAA Advisory Circular 150/5300- 13A Airport design standards.

This project will include the construction of a Portland cement concrete taxiway pavement sections, asphalt paved shoulders, taxiway lighting, grading and drainage, pavement markings, utility improvements, and is anticipated to be constructed in two construction phases. A general layout of the proposed Taxiway C Connectors project is shown in the Figure **below**.

Construction is tentatively scheduled to start in September of 2022 with PFC funding and is anticipated to take **<u>180</u>** calendar days to construct.

General Project Layout



B. PROJECT SCOPE: the Kimley-Horn team will provide Construction Support and Observation for the construction of the Taxiway C Connectors and will perform the following specific tasks to complete this work:

1. **PROJECT ADMINISTRATION:** The following general tasks will be performed for the project:

   a) Provide project administrative tasks for support of our contract throughout the project.

   b) Provide monthly invoicing and attend general client meetings for the project.

   c) Will review, and coordinate activities, scheduling, and deliverables being performed by all sub-consultants.

2. **PRE-CONSTRUCTION:** The following general tasks will be performed for the project:

   a) The Kimley-Horn team will attend the pre-construction meeting and discuss items related to the contract, such as the items provided in the FAA Advisory Circular AC 150/5300-9A, Pre-Construction Conferences for Airport Grant Projects.

   b) Pre-Construction Submittal Review. Kimley-Horn will assist in the preparation of the initial Construction Management Plan (CMP). The contractor must submit his Quality Control Plan for inclusion into the Final CMP that will be reviewed and then submitted to FAA. Kimley-Horn will also review or take other appropriate action in respect to Contractor Quality Control plan and Contractor Airport Safety plan for compliance with project plans and specifications.

3. **CONSTRUCTION SUPPORT AND OBSERVATION:** The Kimley-Horn team will provide Construction Support and Observation services during construction of the project. Construction Support will be composed of site visits, weekly meeting participation, review of contractor submittals, review/respond to RFI's, review of contractor Change Orders requests and proposals. Observation will entail on-site observation/monitoring of construction materials, finishes, and workmanship and quality assurance materials testing. The Kimley-Horn team will also provide Quality Assurance Testing for the project.

   The following tasks will be performed for the project:

   a) *Review and Respond to Requests for Information (RFI's):* Kimley-Horn will respond to reasonable and appropriate Contractor requests for information and issue necessary clarifications and interpretations of the Contract Documents to PMGAA as appropriate to the orderly completion of Contractor's work. Any orders authorizing variations from the Contract Documents will be made by PMGAA.

   b) *Change Orders*. Kimley-Horn may recommend Change Orders to PMGAA, and will review and make recommendations related to Change Orders submitted or proposed by the Contractor or the PMGAA.

   c) *Shop Drawings and Samples*. Kimley-Horn will review or take other appropriate action in respect to submittals, shop drawings and samples and other data which Contractor is required to submit, but only for conformance with the information given in the Contract Documents. Such review or other action will not extend to means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction or to related safety precautions and programs.

   d) *Substitutes and "or-equal":* Kimley-Horn will, evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by Contractor in accordance with the Contract Documents, but subject to the provisions of applicable standards of state or local government entities.

e) *Construction Observation:* The Kimley-Horn team will provide on-site review/monitoring of construction materials, finishes, and workmanship. Site visits and construction observation are not intended to be exhaustive or to extend to every aspect of Contractor's work in progress. Observations are to be limited to spot checking, selective measurement, and similar methods of general observation of the Work based on the engineer's exercise of professional judgment. Based on information obtained during such visits and such observations, the engineer will evaluate whether the Contractor's work is generally proceeding in accordance with the Contract Documents. Kimley-Horn will keep the PMGAA informed verbally and by email of the general progress of the Work. Kimley-Horn shall notify the PMGAA as soon as practical, verbally and in a memorandum in electronic PDF format, of observed deviations and/or defects in materials, finish, equipment, systems, and workmanship. Kimley-Horn will not, during such meeting or on-site activities/visits or as a result of such observations of Contractor's work in progress, supervise, direct, or have control over Contractor's work, nor shall Kimley-Horn have authority over or responsibility for the means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction selected by Contractor, for safety precautions and programs incident to Contractor's work, nor for any failure of Contractor to comply with laws and regulations applicable to Contractor's furnishing and performing the Work. Accordingly, Kimley-Horn neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.

The Kimley-Horn team will complete daily observation logs documenting observed day-to-day construction activities, crews, weather conditions, subcontractors, quality control testing, quality assurance testing, and construction quantities. Daily observation logs will be kept on-site and distributed in electronic PDF format as requested by the PMGAA.

f) *Construction Progress Meetings:* Kimley-Horn team will attend up to **twenty-four (24)** weekly construction progress meetings for the duration of the construction season.

g) *Quality Acceptance Testing:* The Kimley-Horn team will provide materials quality acceptance testing in accordance with the Construction Management Program described herein, based on standards described in the project plans and specifications using ASTM or other approved standards, for the project.

h) *Review Quality Control Testing:* Kimley-Horn will review quality control testing results provided by the Contractor. The team will compare quality control test results against the project plans and specification standards and quality assurance test results and notify the PMGAA of any concerns.

i) *Disagreements between PMGAA and Contractor.* Kimley-Horn will, if requested by PMGAA, render written recommendation on a claim of PMGAA or Contractor relating to the acceptability of Contractor's work or the interpretation of the requirements of the Contract Documents pertaining to the progress of Contractor's work. In rendering such recommendation, Kimley-Horn shall be fair and not show partiality to PMGAA or Contractor.

j) *Substantial Completion.* The Construction Contract requires the Contractor to achieve Substantial completion of the Contract within 180 calendars days from the written notice to proceed. Kimley-Horn will attend a site visit to determine if the completed Work of the Contractor is generally in accordance with the Contract Documents.

k) *Final Notice of Acceptability of the Work.* Kimley-Horn will attend a final site visit to verify if the completed work of Contractor is generally in accordance with the Contract Documents.

l) *Record Drawings:* The Kimley Horn team will prepare record drawings in AutoCAD format for the project based on information provided by the Contractor regarding field changes recorded and will incorporate those changes into the construction plans. Kimley-Horn will prepare the

record drawings in accordance with the Airports-GIS standards as identified in Chapters 3 and 5 of the FAA Advisory Circular 150/5300-18B and submit to the PMGAA in electronic AutoCAD format, PDF format, and one full size bound set of drawings.

m) *Limitation of Responsibilities.* Kimley-Horn shall not be responsible for the acts or omissions of any Contractor, or of any of their subcontractors, suppliers, or of any other individual or entity performing or furnishing the Work. Kimley-Horn shall not have the authority or responsibility to stop the work of any Contractor.

4. **POST CONSTRUCTION PHASE.** Kimley-Horn will provide assistance and consultation to the PMGAA for up to 30 calendar days following the project substantial completion. This will include site observation of any Contractor deficiencies in their work and assist the PMGAA in recommendations in correcting such Contractor deficiencies. Any assistance beyond the 30 days will be on a time and material basis.

C. CONTRACT TIME. Kimley-Horn will provide construction support and observation services as described above, during the designated construction contract period as approved and awarded by the Airport Authority. The services by Kimley-Horn shall include the base bid for a construction period of **180 calendar days** after the contract times commence to run as provided in the Contract Documents and all Work shall be finally completed and ready for final payment within **30 calendar days** thereafter. As-built (record drawings) will be completed two weeks after the approved red lines drawings have been received.

D. DELIVERABLES. Kimley-Horn will provide the following deliverables:

As-built (Record) Drawings:

- Review the contractor prepared redline record drawings; Review and incorporate field changes based on documented observations; As part of weekly site visits Conduct a field review to verify the completeness of the contractor prepared redline drawings and
- Prepare and submit one hardcopy full size set and one half size set of the final Record Drawings and electronic versions in both PDF and AutoCad formats.

E. KIMLEY-HORN'S COMPENSATION FOR SERVICES: Kimley-Horn shall be compensated for services according to a “NTE (Not to Exceed)" method of compensation with an allowance for expenses shall be used for this contract. Kimley-Horn’s total compensation for these construction Design Support Services shall be: **$ 246,768.**

The derivation of engineering fee for design services are attached to this authorization as Exhibits. Kimley-Horn shall not proceed with any additional requested services without written approval from the PMGAA.

F. ASSUMPTIONS: The estimated engineering fee is based on the assumptions attached hereto, see Exhibits attached. If the Contractor’s schedule requires additional hours or additional contract time, then additional man-hours and compensation will need to be negotiated.

Board Action Item

Re: Resolution 22-34

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY23 Capital Budget Amendment - Fuel Farm Expansion Construction - CIP 1224**
Date:	**June 21, 2022**

Proposed Motion
To authorize amendment of the FY23 Capital Budget to provide an additional $6 million in funding to CIP 1224 Fuel Farm Expansion Construction not to exceed $12 million.

Narrative
The original estimate for the fuel farm expansion project was for three (3) 50,000-gallon (gross) Jet-A Fuel Storage Tanks, fuel lines and pumps for $6 million. Based on recent growth patterns the estimate is for six (6) 50,000-gallon (gross) Jet-A Fuel Storage Tanks for $12 million.

Due to the increased commercial aircraft passenger traffic and the additional airlines utilizing PMGAA, Airport staff had an analysis completed of the existing and anticipated Jet-A Fuel Storage Capacity that is needed at the Fuel Farm. Currently the Airport has a usable storage capacity of 225,000 gallons of Jet-A Aviation Fuel, which has been determined (by Airport Staff), to be approximately three (3) days of storage reserves on hand. Based on recent growth patterns, within the next five years, this number is anticipated to be significantly less than three days of storage reserves on hand. With the findings from this recent study, PMGAA staff has determined the need for an expansion to the Fuel Farm in order to accommodate future Jet-A Fuel Storage Capacity.
The proposed project will provide six (6) additional 50,000-gallon (gross) Jet-A fuel storage tanks, fuel lines, pumps and will utilize the airport controlled vacant lot adjacent to the existing fuel farm in order to provide adequate space for the new tanks and the refueler/tanker truck circulation paths.

The Request for Qualifications (RFQ) Solicitation 2022-024-RFQ – CMAR for Fuel Farm Expansion, was issued on March 31, 2022, and advertised in the Arizona Business Gazette on 4/7, 4/14 and 4/21/22. It was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 97 prospective firms and included ACDBE/DBE/SBC outreach. The Statements of Qualification (SOQ) opening was held on April 25, 2022, and four (4) SOQ's were received. The panel unanimously ranked Kear Civil Corp. as the firm most qualified and that best satisfies the requirements for this project. The PMGAA Executive Team concurred with this selection.

RESOLUTION NO. 22-34

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an amendment of the FY23 Capital Budget to provide an additional $6 million in funding to CIP 1224 Fuel Farm Expansion Construction not to exceed $12 million.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an amendment of the FY23 Capital Budget to provide an additional $6 million in funding to CIP 1224 Fuel Farm Expansion Construction not to exceed $12 million. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of June, 2022.

John Giles, Chair

Phoenix-Mesa Gateway Airport

Construction Manager at Risk
Pre-Construction Services
Project No. 1224

THIS CONTRACT is made and entered into by and between the Phoenix Mesa Gateway Airport Authority, a joint powers airport authority authorized by the state of Arizona, hereinafter called "Owner" and the "Construction Manager at Risk" or "CMAR" designated below, individually, each is a "Party" and collectively, the "Parties", and shall be effective as of the date signed by Owner.

PMGAA and CMAR agree as follows:

ARTICLE 1 – PARTICIPANTS AND PROJECT

PMGAA:	Phoenix-Mesa Gateway Airport Authority Project Manager: Mike Hanas Telephone: 480-988-7636 E-mail: mhanas@gatewayairport.com
CMAR:	KEAR Civil Corporation 22555 N. 20th Avenue Phoenix, AZ 85027 Arizona ROC No.: A 231544 Federal Tax ID No.: 20-8257122 CMAR Representative: Mike Fossett Telephone: 623-742-2310 E-mail: mike.fossett@kearcorp.com
DESIGN PROFESSIONAL:	Kimley Horn Associates Steve Reeder 602.906.1379 Steve.reeder@kimley-horn.com
PROJECT DESCRIPTION:	Fuel Farm Jet A Tank Expansion
PROJECT LOCATION:	PMGAA Fuel Farm, 7630 E. Velocity Way, Mesa AZ 85212

ARTICLE 2 – CONTRACT DOCUMENTS

2.1 CONTRACT DOCUMENTS

The Contract between PMGAA and CMAR shall consist of the following Contract Documents:

1. This Contract and all of its Exhibits herein;
2. The Statement of Qualifications (SOQ) requirements (2022-024-RFQ), documents, and CMAR's submittal dated 04/25/2022.

2.2 DEFINITIONS

Whenever the following terms are used in this Contract, the intent and meaning shall be interpreted as follows:

Allowance – A specific amount for a specific item of Work, if any, that PMGAA agrees has not been sufficiently designed, detailed, or selected (including design changes from 90% to 100% as authorized by and at the discretion of PMGAA) at the time the Contract Price is agreed to for CMAR to provide a definitive price. Allowances shall be treated in accordance with Article 9 of this Contract.

Baseline Cost Model –A breakdown and estimate of the scope of the Project developed by CMAR pursuant to Article 3.4.1 of this contract.

CMAR or Construction Manager at Risk – The person or firm selected by PMGAA to provide pre-construction and/or construction services as detailed in a Construction Manager at Risk Contract with PMGAA. In these General Conditions, the term "CMAR" includes CMAR under both Pre-Construction and Construction Services Contracts.

CMAR Fee or CMAR's Fee – An agreed to percentage in an accepted GMP that represents the CMAR's fee for performance of the Work.

Contract Documents – Where compensation under the Contract is based upon a GMP accepted by PMGAA, the term "Contract Documents" also includes the accepted GMP Proposal.

Contract Price – Where compensation under the Contract based upon a GMP accepted by PMGAA, the term "Contract Price" refers to the GMP.

Cost-Based Contract, Change Order, or Job Order – A Contract, Change Order, or Job Order where the Contract Price is based upon the actual cost of performing the Work, subject to the terms of the Contract Documents, these would include those generally referred to as "Cost of the Work plus a Fee with a GMP," "Time and Materials," or "Cost Plus a Fee."

Cost of the Work – The direct costs necessarily incurred by CMAR in the proper, timely, and complete performance on the Work. The Cost of the Work shall include only those costs set forth in Exhibit A of this Contract.

Deliverables – The work products prepared by CMAR in performing the scope of work described in the Contract. Some of the major deliverables to be prepared and provided by CMAR during pre-construction may include but are limited to: the Baseline Cost Model and Schedule that validate PMGAA's plan and budget, Construction Management Plan, Detailed Project Schedule, Schedule of Values, alternative system evaluations, procurement strategies and plans, Detailed Cost Estimates, construction market surveys, cash flow projections, GMP Proposals, Subcontractor procurement plan, Subcontractor agreements, Subcontractor bid packages, Supplier agreements, Constructability Review, Cost Control Log, Traffic control and phasing plans and others as indicated in this Contract or required by the Project Team.

Pre-Construction Services Contract – The Contract entered into between PMGAA and the CMAR for Pre-Construction Services to be provided by the CMAR, including, without limitation, the generation

of a GMP Proposal. If the GMP Proposal is accepted by PMGAA and a Construction Contract is entered into between PMGAA and CMAR, the duties, obligations and warranties of the CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting Construction Contract.

Pre-Construction Services – The services to be provided under the Pre-Construction Services Contract.

Detailed Project Schedule – The Detailed Project Schedule developed by the CMAR for the review and approval of the Project Manager in accordance with Article 3.2 of this contract, if applicable.

GMP Plans and Specifications – The plan and specifications upon which the Guaranteed Maximum Price Proposal is based.

GMP Proposal – The proposal of CMAR submitted pursuant to Article 3.6 of this contract for the entire Work and/or portion (phases) of the Work.

Guaranteed Maximum Price or GMP – The Guaranteed Maximum Price set forth in the Contract, Change Order, or Job Order if applicable.

ARTICLE 3 – PRE-CONSTRUCTION SERVICES

3.1 GENERAL REQUIREMENTS

3.1.1 CMAR shall perform the Services under this Contract using only those firms, team members and individuals designated by CMAR consistent with the Statement of Qualifications dated 04/25/2022 or as otherwise approved by PMGAA. No other entities or individuals may be used without the prior written approval of the Project Manager.

3.1.2 CMAR will comply with all terms and conditions of the General Conditions.

3.1.3 In the event of a conflict between this Contract and the General Conditions or any exhibit hereto or appendix thereto, the terms of this Contract shall control.

3.1.4 CMAR shall prepare and present to PMGAA a Detailed Project Schedule that is acceptable to PMGAA and in accordance with Article 3.2 of this Contract.

3.1.5 CMAR shall conduct the evaluations, perform the design document reviews, make the recommendations and provide the other Services referenced and in accordance with Article 3.3 of this Contract.

3.1.6 CMAR shall prepare and submit the Baseline Cost Model, Detailed Cost Estimates and Schedule of Values in accordance with Article 3.4 of this Contract.

3.1.7 The submitted Baseline Cost Model, Detailed Cost Estimates and Schedule of Values shall not exceed PMGAA's Construction Budget, which is $10,000,000 unless otherwise authorized by the Owner. If CMAR submits a Baseline Cost Model, Detailed Cost Estimates, and Schedule of Values that exceeds the Construction Budget, negotiations could lead to termination or suspension of the Contract.

3.1.8 CMAR shall perform the Services required by, and in accordance with the Contract Documents and as outlined in Exhibit A of the Contract to the satisfaction of the Project Manager, exercising the degree of care, skill, diligence and judgment a professional construction manager experienced in the performance of such services for construction and/or facilities of similar scope, function, size, quality, complexity and detail to the Project in urban areas throughout the United States, would exercise at such time, under similar conditions. CMAR shall, at all times, perform the required services consistent with sound and generally accepted engineering principles and construction management and construction contracting practices

3.1.9 As a participating member of the Project Team, CMAR shall provide to PMGAA and Design Professional a written evaluation of PMGAA's Project Program and budget, each in terms of the other, with recommendations as to the appropriateness of each. CMAR shall prepare a Baseline Cost Model that validates PMGAA's budget. The Baseline Cost Model shall include all assumptions and basis of estimates in enough detail so that the Project Team can compare future detail estimates to the Baseline Cost model for variances. PMGAA and Design Professional will provide all the reasonably required data that is available in order to reach agreement between the team members that the Baseline Cost Model is an accurate projection of the costs of the Project.

3.1.10 CMAR shall attend Project Team meetings, which may include, but are not limited to, bi-weekly Project management meetings, Project workshops, special Project meetings, construction document rolling reviews, public meetings and partnering sessions. CMAR attendance at design or other meetings in which CMAR is provided the opportunity but does not actively participate and/or is not properly prepared is not acceptable. Repeated instances of non-participation and/or lack of preparedness shall be grounds for termination of CMAR Contract for default.

3.1.11 CMAR when requested by PMGAA, shall attend, make presentations and participate as may be appropriate in public agency and or community meetings, relevant to the Project. CMAR shall provide drawings, schedule diagrams, budget charges and other materials describing the Project when their use is required or appropriate in any such public agency meetings.

3.1.12 PMGAA ownership of Work Product. All Work Product prepared or otherwise created in connection with the performance of this Contract, including the Work, are to be and remain the property of PMGAA. For purposes of this provision, "Work Product" shall include all designs, drawings, plans, specifications, ideas, renderings and other information or material, in whatever form created (e.g., electronic or printed) and in all media now know or hereinafter created. All Work Product shall be considered Work Made for Hire as defined in the United States Copyright Act 17 U.S.C. §101 (Copyright Act). If for any reason any such Work is found not to be a work for hire, CMAR hereby transfers and assigns ownership of the copyright in such Work to PMGAA. The rights in this Section are exclusive to PMGAA in perpetuity.

3.1.13 CMAR represents to PMGAA in completing Pre-Construction Services and providing the reports and analysis required thereunder, that Work can be properly and timely constructed within the GMP Proposal, if accepted. CMAR does not assume any design responsibilities unless specifically called for in the scope of work, but CMAR shall be responsible for their errors, omissions or inconsistencies included in the Work.

3.1.14 CMAR and PMGAA agree and understand that PMGAA is at all times subordinate to its federal obligations, pursuant to Federal Aviation Administration ("FAA") Policies (2009)(including, but not limited to § 1.1, § 1.5, § 12.3, §10, § 14.1, *et. seq*.)

3.2 DETAILED PROJECT SCHEDULE

3.2.1 The fundamental purpose of the Detailed Project Schedule is to identify, coordinate and record the tasks and activities to be performed by all of the Project Team members and then for the Project Team to utilize that Deliverable as a basis for managing and monitoring all member's compliance with the schedule requirements of the Project. Each Project Team member is responsible for its compliance with the Detailed Project Schedule requirements. CMAR shall, however, develop and maintain the Detailed Project Schedule on behalf of and to be used by the Project Team based on input from the other Project Team members. The Baseline Project Schedule shall be developed as part of the Baseline Cost Model. The Detailed Project Schedule shall use the Critical Path method ("CPM") technique, unless required otherwise, in writing by PMGAA. CMAR shall uses scheduling software acceptable to PMGAA to develop the Detailed Project Schedule. The Detailed Project Schedule shall be presented in graphical and tabular reports as agreed upon by the Project Team. If Project phasing as described below is required, the Detailed Project Schedule shall indicate milestone dates for the phases once determined. As part of construction phase, PMGAA may require CMAR to prepare a "resource loaded" schedule for all work, including work performed by Subcontractors, detailing each of the project tasks and the required/anticipated number of personnel per day for each task. CMAR shall also indicate on the schedule its ability to meet said required/anticipated personnel requirements.

3.2.2 CMAR shall include and integrate in the Detailed Project Schedule the services and activities required of PMGAA, Design Professional and CMAR including all construction phase activities based on the input received from PMGAA and the Design Professional. The Detailed Project Schedule shall define activities as determined by PMGAA to the extent required to show: (a) the coordination between preliminary design and various pre-construction documents, (b) any separate long-lead procurements, (c) any permitting issues, (d) any land, right-of-way, or easement acquisition, (e) bid packaging strategy and awards to Subcontractors and Suppliers, (f) major stages of construction, (g) start-up and commissioning, and (h) occupancy of the completed Work by PMGAA. The Detailed Project Schedule shall include by example and not limitation, proposed activity sequences and durations for design, procurement, construction and testing activities, milestone dates for actions and decisions by the Project Team, preparation and processing of shop drawings and samples, delivery of materials or equipment requiring long-lead time procurement (if any), milestone dates for various construction phases, Total Float for all activities to the extent authorized by PMGAA, relationships between the activities, PMGAA's occupancy requirements showing portions of the Project having occupancy priority, and proposed dates for Final Completion.

3.2.3 A Baseline Project Schedule shall be initiated with the project Baseline Cost Model and agreed to by the project team at the same time. CMAR shall update and maintain a detailed Project Schedule throughout pre-construction such that it shall not require major changes at the start of the construction phase to incorporate CMAR's plan for the performance of the construction phase Work. CMAR shall provide updates and/or revisions to the Detailed Project Schedule for use by the Project Team, whenever required, but no less often than at the Project Team meetings. CMAR shall include with such submittals a narrative describing its analysis of the progress achieved to-date vs. the Baseline Project Schedule, including any concerns regarding delays or potential delays, and any recommendations regarding mitigating actions.

3.2.4 If phased construction is deemed appropriate at the time of developing the Baseline Cost Model or during the development of the Detailed Project Schedule, and PMGAA and Design Professional approve, CMAR shall review the design and make recommendations regarding the phased issuance of Construction Documents to facilitate phased construction of the Work, with the objective of reducing the Project Schedule and/or Cost of the Work. CMAR

shall take into consideration such factors as natural and practical lines of work severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, labor and materials availability, and any other factors pertinent to saving time and cost.

3.2.5 Long Lead Time Items. As part of developing the Detailed Project Schedule, CMAR shall identify all long lead time materials, fabrications, equipment, or other items which may impact the Project Schedule and may require early action on the part of the Project Team. Dates for selecting and ordering long lead time items will be included and highlighted in the Detailed Project Schedule.

3.2.6 Equipment Plan. CMAR shall develop an Equipment Plan that addresses all rental and owned equipment, regardless of whether such equipment will be provided by CMAR or subcontractor(s), that will be necessary to construct the Project and the cost of which will be included as a Cost of the Work in the GMP Proposal. The Equipment Plan will seek to minimize the cost of the equipment to PMGAA and maximize the efficient and coordinated use of the equipment for completion of the Project. The Equipment Plan will not only include the costs and allowable lease rates for the equipment, but will also include an equipment schedule that will be incorporated into the Detailed Project Schedule and the Schedule of Values submitted with the GMP Proposal.

3.3 DESIGN DOCUMENT REVIEWS

3.3.1 CMAR shall evaluate periodically the availability of labor, materials/equipment, cost-sensitive aspects of the design; and other factors that may create an unacceptable variance to the Baseline Cost Model and/or Baseline Project Schedule.

3.3. 2 CMAR shall recommend, in conjunction with the Project Team, those additional surface and subsurface investigations that, in its professional opinion, are required to provide the necessary information for CMAR to construct the Project. These additional investigations, if agreed to be necessary by the Project Manager and the Design Professional, shall be acquired by PMGAA and copies of the reports will be provided to CMAR.

3.3.3 CMAR shall meet with the Project Team as required to review designs during their development. CMAR shall familiarize itself with the evolving documents through pre-construction. CMAR shall proactively advise the Project Team and make recommendations on factors related to construction costs, and concerns pertaining to the feasibility and practicality of any proposed means and methods, selected materials, equipment and building systems, and, labor and material availability. CMAR shall furthermore advise the Project Team on proposed site improvements, excavation and foundation considerations, as well as, concerns that exist with respect to coordination of the Drawings and Specifications. CMAR shall use established value analysis principles in recommending cost-effective alternatives.

3.3.4 CMAR shall routinely conduct constructability and bid-ability reviews of the Drawings and Specifications as necessary to satisfy the needs of the Project Team. The reviews shall attempt to identify all discrepancies and inconsistencies in the Construction Documents especially those related to clarity, consistency, completeness and coordination of Work of Subcontractors and Suppliers.

3.3.5 CMAR shall evaluate whether: (a) the Drawings and Specifications are configured to enable efficient construction; (b) design elements are standardized; (c) construction efficiency is properly considered in the Drawings and Specifications; (d) module/preassembly design is prepared to facilitate fabrication, transport and installation; (e) sequences of Work required

by or inferable from the Drawings and Specifications are practicable; (f) the design has taken into consideration efficiency issues concerning access and entrance to the site, laydown and storage of materials,
staging of site facilities, construction parking, and other similar pertinent issues; and (g) the design maintains continued operation of the existing PMGAA operations, security and systems and maintains traffic on adjacent roadways. CMAR shall also review the Drawings and Specifications to ensure that what is depicted therein can be constructed as designed and shall promptly inform the Project Team of any issues.

3.3.6 CMAR shall check cross-reference and complementary Drawings and sections within the Specifications and in general evaluate whether: (a) the Drawings and Specifications are Sufficiently clear and detailed to minimize ambiguity and to reduce scope interpretation discrepancies; (b) named materials and equipment are commercially available and are performing well, or otherwise, in similar installations; (c) Specifications include alternatives in the event a requirement cannot be met in the field; and (d) in its professional opinion, the Project is likely to be subject to Differing Site Conditions.

3.3.7 The results of the reviews shall be provided to Project Team in formal, written reports clearly identifying all reviewed documents and the discovered discrepancies and inconsistencies in the Drawings and Specifications with notations and recommendations made on the Drawings, Specifications and other documents. CMAR shall meet with Project Team to discuss any findings and review reports.

3.3.8 CMAR's reviews shall be from a CMAR's perspective, and though it shall serve to eliminate/reduce the number of RFI's and changes during the construction phase, responsibility for the Drawings and Specifications shall remain with the Design Professional and not CMAR.

3.3.9 It is CMAR's responsibility to assist the Design Professional in ascertaining that, in CMAR's professional opinion, the Construction Documents are in accordance with Applicable Laws, Regulations, or Legal Requirements, building codes, sound engineering principle's rules and regulations. If CMAR recognizes that portions of the Construction Documents are at variance with applicable laws, statutes, ordinances, building codes, sound engineering principle's rules and regulations, it shall promptly notify the Project Team in writing, describing the apparent variance of deficiency. However, the Design Professional is ultimately responsible for the compliance of the Drawings and Specifications with those laws, statutes, ordinances, building codes, rules and regulations.

3.3.10 The Project Team shall routinely identify and evaluate using value analysis principles and alternate systems, approaches, design changes that have the potential to reduce Project costs while still delivering a high quality and fully functional Project consistent with the Project Program. If the Project Team agrees, CMAR in cooperation with the Design Professional, will perform a cost/benefit analysis of the alternatives and submit such in writing to the Project Team. PMGAA, through the Project Manager, will direct which alternatives will be incorporated into the Project. The Design Professional will have full design responsibility for the review and incorporation of CMAR suggested alternatives into the Drawings and Specifications. CMAR shall analyze the costs and schedule impacts of the alternatives against the Baseline Cost Model and Schedule and provide a recommendation for the Project Team's consideration and PMGAA's approval prior to the establishment of the GMP.

3.4 BASELINE COSTS MODEL, DETAILED COST ESTIMATES, AND SCHEDULE OF VALUES

3.4.1 At the conclusion of the Master Planning and Programming, if required, CMAR will review all available information regarding the design and scope of the Project using CMAR's experience in performing similar work, knowledge of similar projects and current and projected construction costs and, based upon that review, shall develop a Baseline Cost Model for review by the Project Team and approval by PMGAA. Once approved by PMGAA, the Baseline Cost Model shall be continually referenced as detailed estimates are created as the design progresses throughout Pre-Construction until the final GMP for the entire Project is established. A final GMP for the entire Project must be established and approved by PMGAA prior to the start of construction. It is the responsibility of CMAR to ensure PMGAA has sufficient information to evaluate and approve a final GMP prior to the time necessary to start construction so construction can be completed within the Contract Time. The Project Detailed Cost Estimate shall be the best representation from CMAR of what the complete functional Project's construction costs will be as indicated by the most current available documents and will be constantly checked against the Baseline Cost Model. CMAR shall communicate to the Project Team and assumptions made in preparing the Baseline Cost Model. The Baseline Cost Model shall support CMAR's Detailed Cost Estimates and may be broken down initially as dictated by the available information, as required by PMGAA.

3.4.2 After receipt of the Design Professional's most current documents from certain specified pre-construction milestones, CMAR shall provide a draft Detailed Cost Estimate including a detailed written report detailing any variances to the Baseline Cost Model and Baseline Project Schedule. The Design Professional and CMAR will reconcile any disagreements on the estimate to arrive at an agreed upon Detailed Cost Estimate for the construction costs based on the scope of the Project through that specified pre-construction milestone. Pre-Construction milestones applicable to this paragraph are: 60%, 95% Construction Drawings and 100% Construction Drawing, if no consensus is reached, PMGAA will make the final determination. If the Project Team requires additional updates of the Detailed Cost Estimate beyond that specified in this paragraph, CMAR shall provide the requested information in a timely manner.

3.4.3 If at any point the Detailed Cost Estimate submitted to PMGAA exceeds the previously accepted Baseline Cost Model or previously approved Detailed Cost Estimate agreed to as set forth in Article 3.4.2 above, CMAR shall make appropriate recommendations to project Team on means/methods, materials, and or other design elements that it believes will reduce the estimated construction costs, such that it is equal to or less than the established Project Team's Baseline Cost Model.

3.4.4 Unless other levels of completion are agreed to in writing in the Construction Documents, at 60%, 95% Construction Drawings and included with the associated report, CMAR shall also submit to the Project Team for review and approval a Schedule of Values that complies with the following requirements. The Schedule of Values shall be directly related to the breakdowns reflected in the Detailed Project Schedule and CMAR's Detailed Cost Estimate. In addition, the Schedule of Values shall: (a) detail unit prices and quantity take-offs, (b) detail all other contingencies and unit price Work shown and specified in the detailed design documents.

3.4.5 CMAR is to track, estimate, price and address the Project Team's overall project cost issues that arise outside of the Baseline Cost Model and the latest approved Detailed Cost Estimate such as: PMGAA generated changes, Project Team proposed changes, alternate system analysis, constructability items and value engineering analysis. The system used to implement this process will be referred to as the Design Evolution Log. This is to be addressed between the Baseline Cost Model, 60% 95% Construction Documents, 100% Construction Documents, and the bid packages for all Phases, if applicable.

3.4.6 Upon request by PMGAA, CMAR shall submit to PMGAA a cash flow projection for the Project based on the current updated/revised Detailed Project Schedule and the anticipated level of payments for CMAR during the design and construction phases. In addition, if requested by PMGAA and based on information provided by PMGAA, CMAR shall prepare a cash flow projection for the entire Project based on historical records for similar types of projects to assist PMGAA in the financing process.

3.5 SUBCONTRACTOR AND MAJOR SUPPLIER SELECTIONS

3.5.1 Except as noted below, the selection of Subcontractors/Suppliers is the sole responsibility of CMAR. In any case, CMAR is solely responsible for the performance of the selected Subcontractors/Suppliers, and for compliance with the requirements of Title 34 of the Arizona Revised Statutes in the selection of a Subcontractors/Suppliers, to the extent applicable. CMAR shall comply with its Subcontractor Selection Plan submitted with its Statement of Qualifications.

3.5.2 PMGAA may approve the selection of a Subcontractor(s) or Suppliers(s) based only on their qualifications when CMAR can demonstrate it is in the best interest of the Project. All Work that is performed, after such a qualifications-based selection, for a price that is negotiated by CMAR will be billed in accordance with the GMP for actual costs and may be subject to audit by PMGAA.

3.5.2.1 Qualifications based selection of a Subcontractor(s)/Supplier(s) should only occur prior to the submittal of the GMP Proposal and such a way as to not delay the start date of the Construction phase as defined in the Baseline Project Schedule.

3.5.2.2 If a Subcontractor/Supplier selection plan was submitted and agreed to by PMGAA, CMAR Shall apply the plan in the evaluation of the qualifications of a Subcontractor(s) or Supplier(s) and provide PMGAA with its review and recommendations.

3.5.2.3 CMAR must receive written PMGAA approval for each selected Subcontractor(s) and Supplier(s).

3.5.2.4 CMAR shall negotiate costs for services/supplies from each Subcontractor/Supplier selected under this method.

3.5.3 All Work shall be competitively bid unless a Subcontractor or Supplier was selected pursuant to paragraph 3.5.2 above.

3.5.3.1 CMAR shall develop Subcontractor and Supplier interest, submit the names of a minimum of three qualified Subcontractors or Suppliers for each trade in the Project for approval by PMGAA and solicit bids for the various Work categories. If there are not three qualified Subcontractors/Suppliers available for a specific trade or there are extenuating circumstances warranting such, CMAR may request approval by PMGAA to submit less than three names.
Without prior written notice to PMGAA, no change in the recommended Subcontractors/Supplies shall be allowed.

3.5.3.2 If PMGAA objects to any nominated Subcontractor/Supplier or to any self-performed Work for good reason, CMAR shall nominate a substitute Subcontractor/Supplier that is acceptable to PMGAA.

3.5.3.3 CMAR shall distribute Drawings and Specifications, and when appropriate, conduct a Pre-Bid Conference with prospective Subcontractors and Suppliers.

3.5.3.4 If CMAR desires to self-perform certain portions of the Work, it shall request to be one of the approved Subcontractor bidders for those specific bid packages. CMAR's bid will be evaluated in accordance with the process identified below. If events warrant and PMGAA concurs that it is necessary in order to ensure compliance with the Project Schedule and/or the most recent Detailed Cost Estimate, CMAR may be authorized to self-perform Work without bidding or rebidding the Work. When CMAR self-performs work without bidding, only the actual costs associated with performing the Work in accordance with the approved GMP will be billed and may be subject to audit by PMGAA.

3.5.3.5 CMAR shall receive, open, record and evaluate the bids; provided, however, that if CMAR or one of its affiliates is bidding to self-perform the Work that is the subject of the bid, then the bids shall be received, opened, recorded and evaluated by Project Manager instead of CMAR. Bids for each category of Work shall be opened and recorded at a pre-determined time. The apparent low bidders shall be interviewed to determine the responsiveness of their proposals. In evaluating the responsiveness of bid proposals CMAR, in addition to bid price, may consider the following factors: past performance on similar projects, qualifications and experience of personnel assigned, quality management plan, approach or understanding of the Work to be performed, and performance schedule to complete the Work. The final evaluation of Subcontractor/Supplier bids shall be done with Project Manager in attendance to observe and witness the process. CMAR shall resolve any Subcontractor/Supplier bid withdrawal, protest or disqualification in connection with the award at no increase in the Cost of Work.

3.5.4 CMAR shall be required to prepare two different reports on the subcontracting process.

3.5.4.1 Within fifteen days after each major Subcontractor/Supplier bid opening process; CMAR shall prepare a report for PMGAA's review and approval identifying the recommended Subcontractors/Supplier for each category of Work. The report shall detail: (a) the name of the recommended Subcontractor/Supplier and the amount of the Subcontractor/Supplier bid for each sub-agreement; (b) the sum of all recommended Subcontractor/Supplier bids received; (c) and trade work and its cost that CMAR intends to self-perform, if any.

3.5.4.2 Upon completion of the Subcontractor/Supplier bidding process, CMAR shall submit a summary report to PMGAA of the entire Subcontractor/Supplier selection process. The report shall indicate, by bid process, all Subcontractors/Suppliers contacted to determine interest, the Subcontractors/Suppliers solicited, the bids received and costs negotiated, and the recommended Subcontractors/Suppliers for each category of Work.

3.5.5 The approved Subcontractors/Suppliers shall provide a Schedule of Values with their bid proposals, which shall be used to create the overall Project Schedule of Values.

3.5.6 If after receipt of sub-bids or after award to Subcontractors and Suppliers, PMGAA objects to any nominated Subcontractor/Supplier or to any self-performed Work based upon any reasonable basis, CMAR shall nominate a substitute Subcontractor or Supplier, preferably if such option is still available, from those who submitted Subcontractor bids for the Work affected. Once such substitute Subcontractors and Suppliers are consented to by PMGAA,

CMAR's proposed GMP for the Work or portion thereof shall be correspondingly adjusted to reflect any higher or lower costs form any such substitution.

3.6 GMP PROPOSAL

3.6.1 CMAR shall submit a GMP Proposal for the entire Work, and for each phase (if required) of the Work, at the times set forth in the Pre-Construction Schedule included in attached Exhibit A. The GMP Proposal shall be presented in a format acceptable to PMGAA based upon the attached Exhibit D. PMGAA may change the schedule, format, and/or requirements for the GMP Proposal as it deems necessary during Pre-Construction, and may request resubmittal of the GMP Proposal to reflect such changes.

3.6.2 For the purpose of the GMP Proposal, the parties agree that:

1. The CMAR Fee shall be equal to 5% (percent) of the Direct Costs;
2. General Conditions costs shall be a fixed amount or percentage agreed to as part of the Baseline Cost Model.

3.6.3 The GMP Proposal shall not exceed PMGAA's budget for the construction of the Project, which is $10,000,000 unless otherwise approved by the Owner ("Construction Budget").

3.6.4 When a GMP Proposal is submitted for a phase of the Work, the GMP will have a Detailed Cost Estimate of the Costs of the Work in each phase of the Work that is being proposed plus the current estimate for all other Work. PMGAA will not approve the GMP for the phase of work without a total estimate for the complete Project. PMGAA may request a GMP Proposal for all or any portion of the Project and at any time during pre-construction. Any GMP Proposals submitted by CMAR shall be based on and consistent with Baseline Cost Model and the current update/revised Detailed Cost Estimate at the time of the request and include any clarifications or assumptions upon which the GMP Proposal(s) are based.

3.6.5 A GMP Proposal for the entire Project shall be the sum of the Cost of the Work, CMAR Fee, and General Conditions Cost. CMAR guarantees to complete the Project at or less that the final GMP Proposal amount plus approved Change Orders. CMAR shall be responsible for any costs for expenses that would cause the Cost of the Work actually incurred, including the Construction Fee and General Conditions Costs, to exceed the GMP.

3.6.6 CMAR shall prepare its GMP Proposal in accordance with PMGAA's request for GMP Proposal requirements based on the most current completed Drawings and Specifications at that time, which unless otherwise directed by PMGAA in writing, shall be at 100% Construction Drawings. CMAR shall mark the face of each document of each set upon which its GMP Proposal is based. These documents shall be identified as the GMP Plans and Specifications. CMAR shall send one set of those documents to the Project Manager, keep one set and return the third set to the Design Professional.

3.6.7 An updated/revised Detailed Project Schedule, Equipment Plan, and Schedule of Values shall be included in any GMP Proposal(s), all of which shall reflect the GMP Plans and Specifications the Detailed Project Schedule shall be shown in relationship to the Project Schedule and identify any variance to the Baseline Project Schedule. Any such Detailed Project Schedule updates/revisions shall continue to comply with the requirements of Article 3.1.2 through 3.2.5 of this contract.

3.6.8 GMP Proposals(s) Review and Approval

3.6.8.1 CMAR shall meet with the Project Team to review the GMP Proposal(s) and the written statement of its basis. In the event the Project Team discovers inconsistencies or inaccuracies in the information presented, CMAR shall make adjustments as necessary to the GMP Proposal.

3.6.8.2 If during the review and negotiation of GMP Proposals design changes are required, PMGAA may authorize and cause the Design Professional to revise the GMP Plans and Specifications to the extent necessary to reflect the agreed-upon assumptions and clarifications contained in the final approved GMP Proposal. Such revised GMP Plans and Specification will be furnished to CMAR. CMAR shall promptly notify the Project Team in writing if any such revised GMP Plans and Specifications are inconsistent with the agreed upon assumptions and clarifications.

3.6.9 All portions of or items comprising the GMP Proposal are subject to audit by PMGAA, as deemed appropriate by PMGAA, including, without limitation, any based upon unit prices or Work to be self-performed by CMAR, or its affiliates.

3.7 PAYMENT PROCEDURE FOR PRE-CONSTRUCTION SERVICES

3.7.1 Requests for monthly payments by CMAR for Pre-Construction Services shall be submitted monthly and shall be accompanied by a progress report, detailed invoices and receipts, if applicable. Any requests for payment shall include, as a minimum, a narrative description of the tasks accomplished during the billing period, a listing of any Deliverables submitted, and copies of any Subconsultants' requests for payment, plus similar narrative and listings of Deliverables associated with their Work. Payment for services negotiated as a lump sum shall be made in accordance with the percentage of work completed during the preceding month.

3.7.2 In no event will PMGAA pay more that ninety-five (95%) of the Contract Price until final acceptance of ALL Pre-Construction Services, and award of the final approved Construction Services Contract for the entire Project by PMGAA Council. If CMAR does not prepare a GMP Proposal that is acceptable to PMGAA, or the GMP Proposal exceeds PMGAA's Construction Budget, then CMAR understands and acknowledges that it will forfeit any right to receive the 25% of the Contract Price being retained by PMGAA.

3.7.3 CMAR agrees that no charges or claims for costs or damages of any type shall be made by it for any delays or hindrances beyond the reasonable control of PMGAA during the progress of any portion of Pre-Construction Services specified in this Contract. Such delays or hindrances, if any, shall be solely compensated for by an extension of time for such reasonable period and may be mutually agreed between the parties. It is understood and agreed, however, that permitting CMAR to proceed to complete any such Services, in whole or in part after the date to which the time of completion may have been extended, shall in no way act as a waiver on the part of PMGAA of any of their respective legal rights herein.

3.7.4 No compensation to CMAR shall be allowed contrary to Article I, Chapter I, Title 34 of the Arizona Revised Statutes.

3.7.5 If any service(s) executed by CMAR is abandoned or suspended in whole or in part, for a period of more than 180 days through no fault of CMAR, CMAR is to be paid for the services performed prior to the abandonment or suspension.

3.8 ADDITIONAL PRE-CONSTRUCTION SERVICES

3.8.1 Additional services which are outside the scope of the services required under the Contract Documents shall not be performed by CMAR without prior written Authorization from PMGAA. Additional services, when authorized by an executed written Change Order by PMGAA, shall be compensated for by a fee mutually agreed upon in such Written Change Order between PMGAA and CMAR.

3.8.2 No claim for additional services, extra work done or materials furnished by CMAR shall Be allowed by PMGAA except as provided herein, nor shall CMAR provide any additional services, do any work, or furnish any material(s)not covered by this Contract unless such work
or material is first authorized in writing by the Project Manager. Work or material(s) furnished by CMAR without such prior written authorization shall be CMAR's sole jeopardy, cost, and expense, and CMAR hereby agrees that without prior written authorization no claim for compensation for such services, work or materials furnished shall be made, and PMGAA shall not be responsible for such costs.

3.8.3 No Work may be performed under this Pre-construction Services Contract, without prior written approval by PMGAA. As an example, all procurement of long lead time items that must be procured to support the construction schedule or site investigative Work necessary to complete Pre-Construction Services, if done by the CMAR, will be performed only after the long lead time items or investigative Work has been approved and accepted in writing by PMGAA and all such Work shall be done only under an executed Contract for Construction Services, or pursuant to a prior written direction from PMGAA to engage in such procurement..

3.9 SURVIVAL OF THE DESIGN SERVICES CONTRACT, DUTIES, OBLIGATIONS AND WARRANTIES

If the GMP Proposal is accepted by PMGAA and a Construction Contract is entered into between PMGAA and CMAR, the duties, obligations and warranties of CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting Construction Contract.

ARTICLE 4 – CONSTRUCTION SERVICES

If PMGAA accepts CMAR's GMP Proposal, CMAR and PMGAA will enter a Construction Services Contact for Construction of the Project based upon CMAR's Pre-Construction Services performed and GMP Proposal and detailed Project Schedule submitted pursuant to this Contract. The terms of the Construction Services Contract are being negotiated contemporaneously with this Contract and CMAR agrees to execute the Construction Services Contract, without further modification, upon acceptance by PMGAA of the GMP Proposal. All of CMAR's obligations, duties and warranties in relation to Pre-Construction Services and Deliverables (including specifically the GMP Proposal) survive the completion of this Contract and will be incorporated into the Construction Services Contract.

ARTICLE 5 – PMGAA FURNISHED INFORMATION

5.1 PMGAA, AT NO COST TO CMAR, WILL FURNISH THE FOLLOWING TO CMAR:

5.1.1 One copy of data in PMGAA's possession or control which PMGAA determines in its discretion to be pertinent to the Work. However, CMAR shall be responsible for searching the records and requesting information it deems reasonably required for the Project.

5.1.2 Electronic copies of programs, reports, drawings, and specifications reasonably required by CMAR, to the extent in the possession of PMGAA.

5.1.3 Additional information to be provided by PMGAA, if any, is listed below:

ARTICLE 6 – CONTRACT TIME

Contract Duration is 210 Calendar Days.

The Pre-Construction Services described in this Contract shall be performed by CMAR in accordance with the Pre-Construction Schedule set forth in attached Exhibit A. Failure on the part of CMAR to adhere to the Pre-Construction Schedule requirements for activities for which it is responsible and in control will be deemed a material breach and sufficient grounds for termination for cause of this Contract by PMGAA.

ARTICLE 7 – CONTRACT PRICE

7.1 In exchange for CMAR's full, timely and acceptable performance of the Services under this Contract, and subject to all of the terms of this Contract, PMGAA will pay CMAR a not to exceed price of $243,671.00 (the "Contract Price"). The method of payment for this contract is Hourly, Not-to-Exceed. The amount paid shall not exceed the amount listed in Article 7.1 for actual costs incurred, based on the negotiated hourly rates and reimbursement schedule as defined in Exhibit A, Scope of Services.

7.2 The Contract Price is all-inclusive, and PMGAA shall not pay any additional amounts, costs expense, except for only those specifically designated reimbursable costs, without markup, as set forth in Exhibit A.

ARTICLE 8 – PAYMENTS

The Contract Price shall be paid based upon the completion of tasks comprising the Pre-Construction Scope of Work as shown in Exhibit A.

ARTICLE 9 – CHANGES

9.1 PMGAA reserves the right to make such changes in the plans and specifications for the Work, as it may deem appropriate and any such change as set forth in a written Change Order shall be deemed a part of this Contract as if originally incorporated herein.

9.2 If design changes are required, PMGAA's and CMAR's responsibilities shall be in accordance with Article 3.6.8.2 of this Contract.

ARTICLE 10 – SUSPENSION AND TERMINATION

10.1 TERMINATION BY PMGAA FOR CAUSE

10.1.1 Criteria for Termination for Cause. PMGAA may terminate the Contract if CMAR:

1. more than once refuses or fails to supply enough properly skilled workers or proper materials;
2. fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the CMAR and the Subcontractors;
3. disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction;
4. breaches any provision of the Contract;
5. fails to furnish PMGAA with assurances satisfactory to PMGAA evidencing the CMAR's ability to complete the work in compliance with all the requirements of the Contract;
6. fails after commencement of the work to proceed diligently and continuously with the work for more than seven (7) days, except as permitted under the Contract and/or;
7. violates any provision of the PMGAA Rules and Regulations or Minimum Standards, as amended from time to time, and as incorporated into the Contract by reference (Exhibit D).

10.1.2 Effect of Termination for Cause. When any of the above conditions exist, PMGAA, may without prejudice to any other rights or remedies of PMGAA and after giving the CMAR ten (10) days' written notice, terminate the Contract and may:

1. take possession of the Site and all materials, equipment, tools, and construction equipment machinery thereon owned by the CMAR;
2. accept assignment of subcontracts, and
3. finish the work by whatever reasonable method PMGAA may deem expedient.

10.1.3 CMAR Right to Receive Payment. When PMGAA terminates the Contract for one of the reasons stated in Article 10.1.1, the CMAR shall not be entitled to receive further payment until the work is finished.

10.1.4 Costs for Finishing Work. If the unpaid balance of the Contract Sum exceeds costs of finishing the work, including compensation for the Design Professional services and expenses made necessary thereby, such excess shall be paid to the CMAR. If such costs exceed the unpaid balance, the CMAR shall pay the difference to PMGAA.

10.2 SUSPENSION BY PMGAA FOR CONVENIENCE.

10.2.1 PMGAA's Right. PMGAA may, without cause, order the CMAR in writing to suspend, delay or interrupt the work in whole or in part for such period of time as PMGAA may determine.

10.2.2 Adjustment in Contract Sum. An adjustment shall be made for increases in the cost of performance of the Contract, including profit on the increased cost of performance, caused by suspension, delay or interruption. No adjustment shall be made to the extent:

1. that performance is, was or would have been suspended, delayed or interrupted by another cause for which the CMAR is responsible; or
2. that an equitable adjustment is made or denied under another provision of this Contract.

10.2.3 Method for Adjustment in Contract Sum. Adjustments made in the cost of performance may have a mutually agreed fixed or percentage fee.

10.3 PMGAA'S TERMINATION FOR CONVENIENCE.

10.3.1 Effect of Termination for Convenience. PMGAA reserves the right to terminate the Contract for convenience and without cause even if CMAR has not failed to perform any part of the Contract. Termination of the work hereunder shall be effected by written notice to the CMAR. Upon receipt of such notice, CMAR shall, unless the notice otherwise directs:

1. Immediately discontinue the work and the placing of all orders and subcontracts in connection with this Contract;
2. Immediately cancel all of the existing orders and subcontracts made hereunder;
3. Immediately transfer to PMGAA all materials, supplies, work in progress, appliances, facilities, machinery and tools acquired by the CMAR in connection with the performance of the Contract, and take such action as may be necessary or as PMGAA may direct for protection and preservation of the work relating to this Contract; and
4. Deliver all plans, Drawings, Specifications and other necessary information to PMGAA.

10.3.2 CMAR's Exclusive Remedy. If PMGAA terminates the Contract for convenience, the following shall be the CMAR's exclusive remedy:

1. Reimbursement of all actual expenditures and costs approved by PMGAA as having been made or incurred in performing the work;
2. Reimbursement of expenditures made and costs incurred with PMGAA's prior written approval in settling or discharging outstanding commitments entered into by the CMAR in performing the Contract; and
3. Payment of profit, in so far as profit is realized hereunder, of an amount equal to the estimated profit on the entire Contract at the time of termination multiplied by the percentage of completion of the work. In no event shall the CMAR be entitled to anticipated fees or profits on work not required to be performed.

10.3.4 Warranties, Guarantees and Indemnified Parties to Remain in Effect**.** All obligations of the CMAR under the Contract with respect to completion of the work, including but not limited to all warranties, guarantees and indemnities, shall apply to all work completed or substantially completed by the CMAR prior to a convenience termination by PMGAA. Notwithstanding the above, any convenience termination by PMGAA or payments to the

CMAR shall be without prejudice to any claims or legal remedies that PMGAA may have against the CMAR for any cause, including liquidated damages assessed for CMAR's delays to any work Milestone Dates.

10.3.5 Conversion of Termination for Cause to Termination for Convenience. Upon a determination that a termination of this Contract other than a termination for convenience under this Article was wrongful or improper for any reason, such termination shall automatically be deemed converted to a convenience termination under this Article 10, and the CMAR's remedy for such wrongful termination shall be limited to the recoveries specified under Section 10.3.2.

10.3.6 Remedy Limited to Damages. In the event that CMAR is terminated, whether for cause or convenience, the CMAR's sole remedy shall be for damages. In no event shall the CMAR be entitled to reinstatement or other equitable relief from a court or through alternative dispute resolution.

10.3.7 Notice that Contract is Subject to Termination Provisions of A.R.S. § 38-511.The parties acknowledge, and as required by law, notice is hereby given that this Contract is subject to A.R.S. § 38-511.

ARTICLE 11 – INSURANCE

11.1 CMAR shall provide insurance in accordance with this Article 11.

11.2 CMAR shall provide proof of such insurance and all required endorsements in forms Acceptable to PMGAA prior to commencing any Work or providing any Services under this Contract.

11.3 Failure to provide proof of insurance and the required endorsements acceptable to PMGAA will be a material breach and grounds for termination for cause of this Contract by PMGAA.

11.4 The CMAR and Subcontractors shall purchase from and maintain in a company or companies authorized to do business in Arizona the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the CMAR, his agents, representatives, employees, or subcontractors. Such insurance shall be effective for the duration of the contract and for three (3) years thereafter.

11.5 Workers' Compensation. Workers' Compensation insurance with statutory limits as required by the State of Arizona and Employer's Liability insurance with limits of no less than $1,000,000 per occurrence for bodily injury, $1,000,000 per employee for bodily injury by disease and a $1,000,000 policy limit for bodily injury by disease. Such Workers' Compensation insurance will cover obligations imposed by federal and state statutes having jurisdiction of CMAR's or Subcontractors' employees while performing work at locations other than the Site and shall cover CMAR's employees after Substantial Completion of the work and Subcontractor's employees after Subcontractor has substantially performed its Subcontract.

11.6 Commercial General Liability. Commercial General Liability insurance, with a combined single limit of $5,000,000 per occurrence and in the annual aggregate. Such insurance shall include coverage for Bodily Injury, Property Damage, Personal Injury, Broad Form Property Damage (including Completed Operations), Contractual, CMARs' Protective, Products and

Completed Operations, and the hazards commonly referred to as "XCU." This insurance shall also be required for work performed at locations other than the Site, shall cover CMAR after Substantial Completion of the work, and shall cover Subcontractor after Subcontractor has substantially performed its Subcontract. Further, this insurance shall contain a severability of interest provision.

11.7 Business Automobile Liability. Business Automobile Liability insurance, with a combined single limit no less than $1,000,000 combined single limit per accident for Bodily Injury and Property Damage with respect to all vehicles used in performance of the work on or off the Site, whether owned, non-owned, leased, hired, assigned, or borrowed. If CMAR, his agents, representative, employees, or subcontractors are operating in the Air Operations Area (airside), the combined single limit for Bodily Injury and Property Damage shall be no less than $5,000,000 per accident.

11.8 Additional Insured. The policies required by Articles 11.6, and 11.7 herein shall be endorsed to include Phoenix-Mesa Gateway Airport Authority, their Design Professional, their officer's employees, successors and assigns as additional insured, shall provide that the insurance shall be primary, and shall stipulate that any insurance carried by the additional insured and their officers or employees, shall not be contributory insurance.

11.9 Waiver. CMAR and Subcontractors waive all rights of recovery against Phoenix-Mesa Gateway Airport Authority and the Design Professional, their directors, officers, employees, successors and assigns, and shall require its insurers to waive all rights of subrogation against Phoenix-Mesa Gateway Airport Authority and the Design Professional, and all of their respective directors, officers, employees, successors and assigns.

11.10 CMAR to Provide Certificates of Insurance. Before commencing any work under this Contract, CMAR shall furnish PMGAA with Certificates of Insurance issued by CMAR's and Subcontractors' insurer(s), as necessary, in a form acceptable to PMGAA, as evidence that the insurance policies, including all applicable endorsements, providing the coverage, conditions, and limits required by this Article 11, are in full force and effect. PMGAA has the right to request and receive promptly from the CMAR certified copies of any or all of such insurance policies and/or endorsements. PMGAA will not be obligated, however, to review such certificates, policies, and endorsements, or to advise CMAR of any deficiencies in such documents, and such receipts shall not relieve CMAR from, or be deemed a waiver of, PMGAA's right to insist on strict fulfillment of CMAR's obligations hereunder.

11.11 Cancellation Notice. CMAR's and Subcontractors' Certificates of Insurance shall identify the Contract number and shall provide for not less than thirty (30) days' advance notice of any cancellation, termination, or alteration. All such certificates, endorsements, and notices shall be sent to the following:

PMGAA:	Phoenix-Mesa Gateway Airport Authority
Address:	5835 South Sossaman Road Mesa, Arizona 85212-6014
Attn:	Mr. Bob Draper, PE – Engineering and Facilities Director

11.12 Costs of Insurance. Costs of all insurance coverage required by Section 11.1 are the sole responsibility of the CMAR.

11.13 Cancellation of Insurance. In the event any insurance coverage for the work is cancelled or terminated, CMAR agrees to replace the insurance without any lapse of protection to PMGAA.

11.14 Contractual Obligations. The stipulation of insurance coverage in this Article 11 shall not be construed to limit, qualify, or waive any liabilities or obligations of CMAR, assumed or otherwise, under this Contract.

11.15 Notice of Loss. All physical loss or damage to the work or to PMGAA property must be reported immediately to PMGAA.

11.16 Higher Limits. If the CMAR maintains higher limits than the minimums stated in this Article 11, PMGAA requires, and shall be entitled to, coverage for the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

11.17 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to, and approved by, PMGAA. At the option of PMGAA, either: the CMAR shall reduce or eliminate such deductibles; or the CMAR shall provide a financial guarantee satisfactory to PMGAA guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

11.18 Claims Made Policy. No Claims Made policies will be accepted.

11.19 Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best rating of no less than "A-" unless otherwise acceptable to PMGAA.

11.20 Subcontractors. CMAR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CMAR shall ensure that PMGAA is an additional insured on insurance from subcontractors.

11.21 Special Risks or Circumstances. PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances

ARTICLE 12 – INDEMNIFICATION

12.1 To the fullest extent permitted by law, Design Professional or CMAR, its successors, assigns, and guarantors, shall indemnify and hold harmless PMGAA, and its officers and employees, from liabilities, damages, losses and costs, including reasonable attorney fees and court costs, to the extent caused by the negligence, recklessness or intentional wrongful conduct of Design Professional, CMAR, or other persons employed or used by Design Professional or CMAR in the performance of this Contract

12.2 If court of law determines that this section is void under A.R.S. § 34-226 because a word, words, or phrase in this section makes this section void under A.R.S. § 34-226, then such word, words, or phrase (as applicable) shall be deemed to be stricken to the extent necessary so that this section is not void under A.R.S. § 34-226 and the remaining obligations shall remain in full force and effect; and the language of this section shall be retroactively reformed to the extent reasonably possible in such a manner so that the reformed language provides essentially the same rights and benefits to the fullest extent permitted by A.R.S. § 34-226(B).

ARTICLE 13 – DISPUTE RESOLUTION

13.1 All disputes arising out of or relating to the Contract, the Work or the Project shall be resolved pursuant to the Dispute Resolution process set forth in MAG Specifications § 110.

13.2 CMAR agrees that during any dispute between the parties, CMAR will continue to perform its obligations under the Contract until such dispute is resolved.

13.3 Notwithstanding any other provision in this Contract, PMGAA has the right to immediately file in court and pursue an action for a temporary restraining order and/or injunctive relief against CMAR if PMGAA determines that such action is necessary to protect its interests under the Contract, to obtain specific performance of any provision of the Contract, to advance the completion of the Project, or to protect health, welfare and/or safety, including without limitation, an action of an order directing CMAR to continue or return to construction the Work under the Contract.

13.4 PMGAA and CMAR may adjudicate any dispute between them arising out of or relating to this Contract through alternative dispute resolution if they mutually agree. PMGAA and CMAR shall include a similar alternative dispute resolution provision in all agreements with all other contractors, subcontractors, suppliers, and consultants retained for the Project, and they shall require these contractors, subcontractors, and suppliers to include similar alternative dispute resolution provisions in all contracts relating to the Project.

ARTICLE 14 – ALLOWANCES

14.1 UNLESS OTHERWISE PROVIDED IN THE CONTRACT DOCUMENTS:

14.1.1 The CMAR shall include in the Contract Price all Allowances stated in the Contract Documents and agreed to in writing by PMGAA.

14.1.2 Whenever the costs is more or less than the Allowance, the Contract Sum shall be adjusted accordingly by Change Order.

Executed as of the Effective Date.

Re: CMAR Pre-Construction Phase Services Fee Proposal- Fuel Farm Jet A Tank Expansion

Dear Mr. Hanas,

KEAR Civil Corporation ("KEAR") appreciates the opportunity to provide this Preconstruction Phase Services proposal to the Phoenix-Mesa Gateway Airport Authority ("PMGAA") for the Fuel Farm Jet A Tank Expansion CMAR. In accordance with the CMAR Preconstruction Services Contract- Article 7, Paragraph 7.1- we are providing this proposal at the Hourly Not-to-Exceed price of $243,671.

Attached to this cover letter are the following documents which make up our preconstruction services proposal:

1. **Scope of Services**
2. **Assumptions & Clarifications**
3. **Proposal Cost Summary**
4. **Preconstruction Phase Task Summary**
5. **CMAR Staff Rates**
6. **Preconstruction Services Schedule**
7. **Certificate of Insurance**

We believe that the project team assembled, combined with thoughtful planning and execution, will provide an excellent product for the PMGAA. We look forward to working with you and the entire project team on this project. Should you have any questions or require any additional information please reach out to me directly at (623) 742-2310 or via email at mike.fossett@kearcorp.com.

Thank you,
KEAR Civil Corporation

1.0 SCOPE OF SERVICES

The following Scope of Services has been prepared in accordance with Article 3 of the Pre-Construction services contract. Scoping items are listed in order of occurrence in the provided agreement.

Project Team Meetings, Design Meetings & Public Meetings (General Requirements)

- KEAR will participate in bi-weekly progress meetings for the duration of the preconstruction services contract phase. The purpose of these meetings is to discuss design reviews, schedule, phasing, design changes or options, budgeting updates and issues that may arise during the design phase.
- KEAR anticipates separate focus meetings will be required for electrical & controls, civil and fuel system scopes. We have outlined our meeting requirements in our budget detail, and we have included the participation in these meetings at each design phase as required.
- KEAR has included the attendance at coordination meetings with regulatory agencies and utility providers. We have also included these for each phase.
- KEAR has included attendance at each board meeting for the two early procurement GMP's as well as the final construction GMP.
- For each cost model submitted KEAR has included a detailed review meeting with PMGAA and Kimley-Horn to review the design review report and comment log.
- KEAR will hold onsite field investigation & coordination meetings to with PMGAA and Kimley-Horn to review the design, existing conditions & equipment, and to discuss project phasing and sequencing.

Schedule Development (3.2)

- KEAR will develop the construction baseline schedule and phasing plan and continually update each throughout all design phases – 60, 95 & 100%.
- Coinciding with schedule development KEAR will provide alternative ways to mitigate time impacts and to complete the work as efficiently as possible.
- Long Lead Items and any required alternate GMP's for early procurement will be identified and highlighted as required in 3.2.5.
- An equipment plan will be provided outlining proposed equipment to be utilized for the project.

Design Document Reviews (3.3)

- KEAR will review and comment on the 60, 95 and 100% design packages. KEAR will evaluate constructability, bidability and cost saving tactics and provide comments to the design team and PMGAA.
- KEAR will evaluate and provide alternative system options if applicable.
- KEAR will provide recommendations for any additional subsurface exploration or investigation.
- KEAR will provide a complete detailed report for each design document review which will include all detailed information including Drawing/Document List, Review Log with Comments, alternate system evaluation and proposed measures to reduce cost, schedule, phasing plan, and long lead procurement study.

Cost Modeling & Schedule of Values (3.4)

- KEAR will provide a baseline cost model for the project using the latest provided document set.
- KEAR will provide detailed cost budget estimates at each of the 60, 95 and 100% design package milestones. Each estimate will be utilized in the review process as well to try and determine any cost saving measures that might be needed. Once design review is complete and the 100% design plans are issued KEAR will then develop the GMP cost model.
- KEAR will provide detailed cost estimates along with ways to mitigate cost impacts to the project.
- KEAR will provide a brief cashflow analysis with each cost model.
- KEAR will develop a schedule of values to be submitted to PMGAA for review and approval. The SOV will be updated at each design phase and carried forward through to the final GMP.

Subcontractor Selection & GMP Development (3.5 & 3.6)

- KEAR will select our subcontractors and major suppliers for the project in accordance with our submitted subcontractor selection plan.
- We will identify any early subcontractor or supplier selections that may benefit the project in terms of schedule and budget requirements.
- KEAR will utilize our software Building Connected to prequalify all subcontractors to ensure compliance with our subcontractor selection plan.
- With PMGAA's approval KEAR will create a project specific website for project updates, bid soliciting and employment opportunities for disadvantaged businesses.
- KEAR will hold a pre-bid conference on-site for the final GMP bid process.
- KEAR will prepare a complete RFP package for bidders to utilize in the bidding process. The package will be advertised and solicited through our procurement software as well as owner approved publications and online bid portals. Bids will be received and evaluated and summarized for each bid package.
- KEAR will prepare the GMP proposal package to include all required cost estimate for each portion of the work, GMP Cost Summary, bid package summaries/comparisons with recommendations, bid backup, detailed project schedule, equipment plan, schedule of values, and GMP clarifications and assumptions.

2.0 ASSUMPTIONS AND CLARIFICATIONS

The following assumptions and clarifications have been made in preparation of this proposal:

1. A geotechnical report is being provided by others and is not included.
2. Surveying and site mapping / utility locating has been completed by others and excluded.
3. Public Relations Outreach or Consulting is not required and is excluded.
4. Permitting Coordination, Preparation and Fees are Excluded from this proposal per PMGAA direction and will be included in the applicable GMP.

3.0 PRECONSTRUCTION SERVICES COST PROPOSAL SUMMARY

ITEM	DESCRIPTION	QTY	UNIT	UNIT COST	SUBTOTAL
	PRECONSTRUCTION SERVICES				
1	Preconstruction Services- Task Summary	1	LS	$ 238,671	$ 238,671
	ALLOWANCES				
A1	Potholing / Utility Exploration	1	LS	$ 5,000	$ 5,000
	PRECONSTRUCTION SERVICVES TOTAL:				$ 243,671

Allowance Detail:

ALLOWANCE NO.	DESCRIPTION	AMOUNT
A2	**Potholing/Utility Exploration:** This allowance was established to cover any possible utility exploration costs that may be necessary throughout the design phase. It is understood that the design team has already done utility mapping of the project property however should additional work be required this allowance can fund those activities.	$5,000

4.0 PRECONSTRUCTION SERVICES TASK SUMMARY

The attached task summary detail itemizes each preconstruction services task item included in item 1 in the cost proposal summary above.

7.0 CERTIFICATE OF INSURANCE

Attached is a certificate of insurance for KEAR which complies with the requirements of Article 11 of the Contract.

Client#: 935788 KEARCIVI

ACORD # CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 5/19/2022

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer any rights to the certificate holder in lieu of such endorsement(s).

Project: Fuel Farm Jet A Tank Expansion, PMGAA Fuel Farm, 7630 E. Velocity Way, Mesa, AZ 85212

Additional Insureds include: Phoenix-Mesa Gateway Airport Authority and the Design Professional, their officers, employees, successors and assignees.The General Liability and Automobile Liability policies include an automatic Additional Insured endorsement that provides Additional Insured status to the Certificate Holder only when there is a written contract that requires such status, and only with regard to work performed on behalf of the named insured. The General Liability policy contains a special endorsement with "Primary and Noncontributory" wording, when required by written contract. The General Liability, Automobile Liability, and Workers Compensation policies provide a Waiver of Subrogation when required by written contract. General Liability policy includes Severability of Interest Provision.
The General Liability, Automobile and Umbrella policies include an endorsement proving that 30 days notice of cancellation will be given to the Certificate Holder by the Insurance Carrier.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED
(Includes Products-Completed Operations If Required By Contract)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

a. With respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and

b. If, and only to the extent that, such injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies. Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section **III** – Limits Of Insurance.

b. The insurance provided to such additional insured does not apply to:

(1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and

(b) Supervisory, inspection, architectural or engineering activities.

(2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

(1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

(a) How, when and where the "occurrence" or offense took place;

(b) The names and addresses of any injured persons and witnesses; and

(c) The nature and location of any injury or damage arising out of the "occurrence" or offense.

(2) If a claim is made or "suit" is brought against the additional insured:

© 2018 The Travelers Indemnity Company. All rights reserved.

(a) Immediately record the specifics of the claim or "suit" and the date received; and

(b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.

(3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

(4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph **4.**, Other Insurance, of Section **IV** – Commercial General Liability Conditions.

© 2018 The Travelers Indemnity Company. All rights reserved.

c. **Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. **Primary And Non-Contributory Insurance If Required By Written Contract**

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. **Premium Audit**

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations**

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. **Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

XTEND ENDORSEMENT FOR CONTRACTORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to this Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. Who Is An Insured – Unnamed Subsidiaries

B. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Operations

C. Incidental Medical Malpractice

D. Blanket Waiver Of Subrogation

E. Contractual Liability – Railroads

F. Damage To Premises Rented To You

PROVISIONS

A. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any of your subsidiaries, other than a partnership, joint venture or limited liability company, that is not shown as a Named Insured in the Declarations is a Named Insured if:

a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and

b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

a. Before you maintained an ownership interest of more than 50% in such subsidiary; or

b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph **1.** of Section **II** – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

a. An organization other than a partnership, joint venture or limited liability company; or

b. A trust;

as indicated in its name or the documents that govern its structure.

B. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or

b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

C. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph **b.** of the definition of "occurrence" in the **DEFINITIONS** Section:

   b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

   Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a)**, **(b)**, **(c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide:

   (a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician or paramedic; or

   (b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph **5.** of **SECTION III – LIMITS OF INSURANCE**:

   For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph **2.**, **Exclusions**, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

   Sale Of Pharmaceuticals

   "Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of, the insured.

5. The following is added to the **DEFINITIONS** Section:

   "Incidental medical services" means:

   a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

   b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

   This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section **II** – Who Is An Insured.

D. BLANKET WAIVER OF SUBROGATION

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the execution of the contract or agreement.

E. CONTRACTUAL LIABILITY – RAILROADS

1. The following replaces Paragraph **c.** of the definition of "insured contract" in the **DEFINITIONS** Section:

   c. Any easement or license agreement;

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc., with its permission.

2. Paragraph **f.(1)** of the definition of "insured contract" in the **DEFINITIONS** Section is deleted.

F. DAMAGE TO PREMISES RENTED TO YOU

The following replaces the definition of "premises damage" in the **DEFINITIONS** Section:

"Premises damage" means "property damage" to:

a. Any premises while rented to you or temporarily occupied by you with permission of the owner; or

b. The contents of any premises while such premises is rented to you, if you rent such premises for a period of seven or fewer consecutive days.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BUSINESS AUTO EXTENSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. BROAD FORM NAMED INSURED

B. BLANKET ADDITIONAL INSURED

C. EMPLOYEE HIRED AUTO

D. EMPLOYEES AS INSURED

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

G. WAIVER OF DEDUCTIBLE – GLASS

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

J. PERSONAL PROPERTY

K. AIRBAGS

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

M. BLANKET WAIVER OF SUBROGATION

N. UNINTENTIONAL ERRORS OR OMISSIONS

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph **A.1., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph **c.** in **A.1., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section **II**.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph **A.1., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

   An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph **b.** in **B.5., Other Insurance**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

   b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

   (1) Any covered "auto" you lease, hire, rent or borrow; and

   (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your

© 2015 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph **A.1., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph **A.2.a.(2)**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

   (2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph **A.2.a.(4)**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

   (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph **(5)** in Paragraph **B.7., Policy Period, Coverage Territory**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

(i) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

(ii) Neither you nor any other involved "insured" will make any settlement without our consent.

(iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

(iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph **C.**, Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE.

(v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph **C.**, Limits Of Insurance, of SECTION II – COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.

(c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

© 2015 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph **D., Deductible**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph **A.4.b., Loss Of Use Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

However, the most we will pay for any expenses for loss of use is $65 per day, to a maximum of $750 for any one "accident".

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph **A.4.a., Transportation Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

We will pay up to $50 per day to a maximum of $1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL PROPERTY

The following is added to Paragraph **A.4., Coverage Extensions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Property

We will pay up to $400 for "loss" to wearing apparel and other personal property which is:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Property coverage.

K. AIRBAGS

The following is added to Paragraph **B.3., Exclusions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Exclusion **3.a.** does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs **A.1.b.** and **A.1.c.**, but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;

b. The airbags are not covered under any warranty; and

c. The airbags were not intentionally inflated.

We will pay up to a maximum of $1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph **A.2.a.**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

(a) You (if you are an individual);

(b) A partner (if you are a partnership);

(c) A member (if you are a limited liability company);

(d) An executive officer, director or insurance manager (if you are a corporation or other organization); or

(e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph **A.5., Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – BUSINESS AUTO CONDITIONS** :

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by

© 2015 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

such contract. The waiver applies only to the person or organization designated in such contract.

N. UNINTENTIONAL ERRORS OR OMISSIONS

The following is added to Paragraph **B.2., Concealment, Misrepresentation, Or Fraud**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

The unintentional omission of, or unintentional error in, any information given by you shall not prejudice your rights under this insurance. However this provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE – CONTRACTORS

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph **c.** in **A.1., Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

   This includes any person or organization who you are required under a written contract or agreement, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph **B.5., Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

   Regardless of the provisions of paragraph **a.** and paragraph **d.** of this part **5. Other Insurance**, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is a named insured when a written contract or agreement with you, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

EXHIBIT B – SUBMITTAL REQUIREMENTS FOR GMP PROPOSAL

1. Unless otherwise instructed, CMAR shall submit three (3) bound copies of any GMP Proposal(s) that includes the following documents, complies with the requirements specified in this Contract and the following instructions. The GMP Proposal(s) shall be organized as follows:

   A. Table of Contents
   B. Project Description
   C. GMP Proposal and the following attachments:
      1) Detailed Cost Estimate upon which the GMP is based, and if for phased work, a total project Detailed Cost Estimate as of the time of the phased GMP Proposal.
      2) List of Subcontractors
      3) Schedule of Manufacturers and suppliers
   D. Schedule of Values("SOV")
   E. Project Schedule and a variance report to the Baseline Project Schedule
   F. Construction phasing/traffic control (if applicable)
   G. List of GMP Plans and Specifications

2. A summary breakdown of the GMP Proposal is shown on page 2 of this Exhibit, along with instructions regarding certain line items. The definitions included in Section 1of the General Conditions apply to the line items, as appropriate, and set-forth the criteria to be used by CMAR in providing the requested breakdown.

3. The most current version of CMAR's SOV shall be submitted with the GMP Proposal. Supporting documents for the SOV, including the request for bids, copies of bids received and clarification assumptions used for the particular bid item listed must be provided in an organized manner that correlates with the SOV.

4. The final accepted GMP shall not include any clarifications/assumptions made by CMAR in the preparation of the GMP Proposal, unless any such clarification or assumption is agreed to in writing by PMGAA.

5. The most current version of CMAR's Detailed Project Schedule shall be submitted with the GMP Proposal with a variance report from the project's Baseline Schedule. The Detailed Project Schedule shall be prepared as specified in this Contract.

6. A table listing all drawing sheets included in the GMP Plans and Specification shall be included with the GMP package. The table shall include the following information: Sheet Number, Sheet Name, Sheet Version, and Date of Issuance. The GMP Proposal and Specifications, as defined, shall be transmitted as specified in this Contract.

NOTE: The submittal package must be kept as simple as possible all on 8½x11 sheets. Color or shading must be kept to a minimum. If used, make sure the color or shading will not affect the reproduction of the submittal in black and white.

EXHIBIT C – TITLE VI

CIVIL RIGHTS – GENERAL

The contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the contractor and subtier contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

CIVIL RIGHTS – TITLE VI ASSURANCES

TITLE VI COMPLIANCE WITH NONDISCRIMINATION REQUIREMENTS

During the performance of this contract, the CMAR, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

Non-discrimination: The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.

Information and Reports: The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the owner or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the owner or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

Sanctions for Noncompliance: In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the owner will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the contractor under the contract until the contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the owner or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the owner to enter into any litigation to protect the interests of the owner. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States. Title VI Clauses for Construction/Use/Access to Real Property Acquired Under the Activity, Facility or Program

TITLE VI LIST OF PERTINENT NONDISCRIMINATION ACTS AND AUTHORITIES

During the performance of this contract, the CMAR, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq*).

EXHIBIT D - COMPLIANCE WITH PMGAA PUBLISHED RULES AND REGULATIONS AND MINIMUM STANDARDS

CMAR agrees to comply with Phoenix-Mesa Gateway Airport Authority's published Rules and Regulations and Minimum Standards, as amended from time to time.

Re: Resolution 22-36

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Lot 39 Consent to Assignment and Ground Lease Amendment 1
Date: June 21, 2022

Proposed Motion
To authorize an amendment to the Ground Lease 2016-093 for Lot 39 to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $322,262.68 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC.

Narrative
Cimarron Airpark LLC XV has accepted an offer from Vernon Investments, LLC ("Buyer") to purchase the improvements upon Lot # 39 and assume Cimarron Airpark LLC XV's obligations under the Ground Lease and all active Subleases. The Buyer has requested an extension of the Ground Lease termination date as a condition of the purchase.

Key Documents
There are two (2) documents that require PMGAA Board consideration associated with this transaction.

Assignment and Assumption of Ground Lease
This Assignment and Assumption document outlines the terms of the assignment between Cimarron Airpark LLC XV and the Buyer. To effectuate the assignment, PMGAA must consent to the assignment of the Ground Lease from Cimarron Airpark LLC XV to the Buyer.

Ground Lease Amendment #1
This document is the first amendment to the Ground Lease and will formally amend the termination date of the Ground Lease. By extending the termination date PMGAA will receive an additional nine (9) years of Base Rent. PMGAA will also receive approximately $322,262.68 on or before the Effective Date of the Amendment as a one-time payment for granting the extension and delaying the reversion of the improvements to PMGAA.

PMGAA Staff has conducted due diligence on Vernon Investments, LLC. and has reviewed the documents necessary to effectuate the sale of the improvements and the assignment of the Ground Lease. Zan Sharp and Vivian Sharp will provide a personal guaranty to ensure the obligations of the Ground Lease are satisfied. PMGAA Staff recommends approval of Resolution No. 22-35.

Fiscal Impact
The revenue to PMGAA associated with the additional nine (9) years of Base Rent under the Ground Lease is estimated at $1,398,713.14

PMGAA will receive approximately $332,262.68 at the closing of the transaction as compensation for granting the extension.

Assignment and Assumption of Ground Lease
PMGAA Consent to the Assignment and Assumption
Ground Lease Amendment #1

RESOLUTION NO. 22-36

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an amendment to the Ground Lease 2016-093 for Lot #39 to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $322,262.68 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

The Board of Directors of the Authority hereby authorizes an amendment to the Ground Lease 2016-093 for Lot #39 to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $322,262.68 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.

Passed and adopted by the Authority this 21st day of June, 2022.

John Giles, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

ASSIGNMENT AND ASSUMPTION OF GROUND LEASE

THIS **ASSIGNMENT AND ASSUMPTION OF GROUND LEASE** (this "**Assignment**") is made to be effective as of _____ ___, 2022 (the "Effective Date"), by and between CIMARRON AIRPARK LLC XV, an Arizona limited liability company ("**Assignor**") and Vernon Investments, LLC, a Utah limited liability company ("**Assignee**").

RECITALS

1. **Assignor** is "Lessee" under that certain Lease Agreement ("**Lease Agreement**") dated October 1, 2016, executed by and between Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority, as Lessor, and Cimarron Airpark LLC XV, an Arizona limited liability company, as Lessee, for premises referred to as Parcel 39.

2. The **Lease Agreement** was modified by Letter acknowledgement dated November 23, 2016 from Phoenix-Mesa Gateway Airport to Cimarron Airpark LLC XV which extended the term of the **Lease Agreement** to June 30, 2043.

3. Amendment 1 to the **Lease Agreement**, effective July 1, 2022 and dated _____ ___, 2022 between Phoenix-Mesa Gateway Airport Authority and Cimarron Airpark LLC XV which extended the term to June 30, 2052.

(collectively, the "**Ground Lease**").

4. The Lease Agreement is disclosed by Memorandum of Lease dated October 01, 2016, recorded August 24, 2017 in the Official Records of Maricopa County as Document No. 20170626743.

5. Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority authorized under the laws of the State of Arizona formerly known as Williams Gateway Airport Authority, is "Lessor" under the **Ground Lease**.

6. The **Ground Lease** encumbers the property commonly referred to as Parcel 39 located at 6355 South Sossaman Road, Mesa, Arizona comprising approximately 122,175 square feet of real property more specifically defined in the **Ground Lease** and described in Exhibit A attached hereto (the "Land").

7. Pursuant to that certain Agreement of Purchase and Sale and Joint Escrow Instructions dated March 14, 2022, as amended (the "**Purchase Agreement**"), **Assignor** agreed to assign all of its right, title, interest, obligations, liabilities and duties, and **Assignee** agreed to assume all of **Assignor's** obligations, liabilities and duties, subject to the terms and conditions of the **Purchase Agreement**, with respect to the **Ground Lease**.

8. Concurrent with this Assignment, Zan Sharp and Vivian Sharp, husband and wife, are providing a Guaranty of Lease in the form attached hereto as Exhibit "B".

AGREEMENT

NOW, **THEREFORE**, in consideration of the premises, the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Assignor** and **Assignee**, intending to be legally bound, agree as follows:

1. **Assignment**. **Assignor** hereby assigns, sets over, transfers, grants and conveys unto **Assignee**, its successors and assigns, forever, all of **Assignor's** right, title, estate and interest, as lessee, in and to the **Ground Lease**, all tenant security deposits not previously applied to delinquent rents or other charges, and prepaid rents, and operating expense payments, common area payments and transaction privilege taxes payments.

2. **Assumption. Assignee** hereby accepts the assignment and assumes and agrees to keep, perform, and fulfill, as a direct obligation all the terms, covenants, provisions, conditions and obligations of the **Assignor** under the **Ground Lease** accruing and becoming due from and after the date hereof.

3. **Notices.** Notices to Lessee under the Ground Lease shall be sent to:
   Vernon Investments, LLC
   Attn.: Zan Sharp
   PO Box 3452
   Logan, Utah 84323

4. **Indemnity**. **Assignee** agrees to indemnify, defend and hold **Assignor** harmless for, from and against any and all actions, suits, proceedings, liability, loss or damage (including without limitation, actual attorneys' fees and costs) that Assignor may incur by reason of any claims or obligations under the **Ground Lease** attributable to or arising out of any alleged breach of any of the **Ground Lease** occurring or alleged to have occurred on or subsequent to the date of this **Assignment**. **Assignor** agrees to indemnify, defend and hold **Assignee** harmless for, from and against any and all actions, suits, proceedings, liability, loss or damage (including without limitation, actual attorneys' fees and costs) that Assignee may incur by reason of any claims or obligations under the **Ground Lease** attributable to or arising out of any alleged breach of any of the **Ground Lease** occurring or alleged to have occurred before the date of this **Assignment**.

5. **Successors and Assigns**. This **Assignment** shall be binding upon and inure to the benefit of the successors, assigns, personal representatives, heirs and legatees of the respective parties hereto.

6. **Attorneys' Fees**. In the event of any litigation by a party hereto against the other for reason of any breach of any of the provisions out of this **Assignment**, the prevailing party in such action or suit shall be entitled to have and recover from the other party all costs and expenses incurred therein, including reasonable attorneys' fees, court costs and experts' fees.

7. **Counterparts**. This **Assignment** may be executed in one or more counterparts, each of which shall be deemed an original and all of which combined shall constitute one and the same instrument.

8. **Governing Law**. This **Assignment** shall be governed by and construed in accordance with the internal laws of the State of Arizona, without regard to its conflict of law rules.

CONSENT TO ASSIGNMENT AND ASSUMPTION OF GROUND LEASE

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, authorized under the laws of the State of Arizona and CIMARRON AIRPARK LLC XV, an Arizona limited liability company ("**Lessee**" and "**Assignor"**) are parties to that certain Lease Agreement. **Assignor** is "Lessee" under that certain Lease Agreement ("**Lease Agreement**") dated October 1, 2016, executed by and between Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority, as Lessor, and Cimarron Airpark LLC XV, an Arizona limited liability company, as Lessee, for leased premises referred to as Parcel 39.

The **Lease Agreement** was modified by Letter acknowledgement dated November 23, 2016 from Phoenix-Mesa Gateway Airport to Cimarron Airpark LLC XV which extended the term of the **Lease Agreement** to June 30, 2043.

The **Lease Agreement** was modified by Amendment 1 to the **Lease Agreement**, effective July 1, 2022 and dated _____ ___, 2022 between Phoenix-Mesa Gateway Airport Authority and Cimarron Airpark LLC XV which extended the term to June 30, 2052.

(collectively, the "**Ground Lease**").

The Lease Agreement is disclosed by Memorandum of Lease dated October 01, 2016, recorded August 24, 2017 in the Official Records of Maricopa County as Document No. 20170626743.

The **Ground Lease** encumbers the property commonly referred to as Lot 39 located at 6355 South Sossaman Road, Mesa, Arizona comprising approximately 122,175 square feet of real property more specifically described in the **Ground Lease**. Lessee desires to assign the Lease to Vernon Investments, LLC, a Utah limited liability company pursuant to the Assignment and Assumption of **Ground Lease** attached hereto ("**Assignment**"). Concurrent with the Assignment, Zan Sharp and Vivian Sharp, husband and wife, are providing a Guaranty of Lease in the form attached to the Assignment as Exhibit "B" ("**Guaranty**").

Subject to receipt of a fully executed Guaranty, and pursuant to Section 9 of the Lease, Lessor does hereby consent to the **Assignment** as provided herein.

The execution of this Consent to Assignment and Assumption of Ground Lease is not and shall not be construed to be consent to any future assignment of the **Ground Lease** or any portion thereof, and any assignment of the **Ground Lease** and documents related thereto shall require separate approval of Lessor.

Thence South 45 degrees 25 minutes 05 seconds West, a distance of 348.73 feet to the TRUE POINT OF BEGINNING;

Exhibit "B"
Guaranty of Lease

(attached)

GUARANTY OF LEASE

THIS GUARANTY OF LEASE (**"Guaranty"**) is made for valuable consideration by Zan Sharp, and Vivian Sharp, husband and wife, (each, individually, jointly and severally, **"Guarantor"**), in favor of Phoenix-Mesa Gateway Airport Authority, a joint powers authority authorized by the State of Arizona (**"Lessor"**), in connection with that certain Lease Agreement dated October 1, 2016, that certain Amendment 1 dated and effective July 1st, 2022, and assigned pursuant to the Assignment and Assumption of Land Lease dated and effective July 1st, 2022 to which this Guaranty is attached as Exhibit B (collectively, the "**Lease**"), pursuant to which Lessor leases to Vernon Investments, LLC, a Utah limited liability company authorized to do business in the State of Arizona (**"Lessee"**), the certain premises described as Parcel 39, consisting of approximately 122,175 square feet of land area and further described in the Lease (the, **"Premises"**).

Guarantor does hereby agree as follows:

1. Guarantor does hereby absolutely and unconditionally guarantee and promise to Lessor the due, punctual and full performance by Lessee of each and all of the covenants, obligations, liabilities and promises of Lessee to be performed during the Term (as hereinafter defined) and the truth and accuracy of each and all of the representations and warranties of Lessee contained in the Lease, including without limitation, the payment of Rent, as defined in Section 4 of the Lease and any and all other sums payable thereunder. For the purposes of this Guaranty, the term "**Term**" refers not only to the Term as defined in the Lease, but also to any renewals, extensions, modifications, reinstatements and holdings over thereof.

2. Guarantor does hereby agree that, without the consent of or notice to Guarantor and without affecting any of the obligations of Guarantor hereunder: (a) any term, covenant or condition of the Lease may be amended, compromised, released or otherwise altered by Lessor and Lessee, and Guarantor does guarantee and promise to perform all the obligations of Lessee under the Lease as so amended, compromised, released or altered; (b) any guarantor of or party to the Lease may be released, substituted or added; (c) any right or remedy under the Lease, this Guaranty or any other instrument or agreement may be exercised, not exercised, impaired, modified, limited, destroyed, or suspended; (d) Lessor or any other person may deal in any manner with Lessee, any guarantor, any party to the Lease or any other person; and (e) all or any part of the premises or of Tenant's rights or liabilities under the Lease may be sublet, assigned or assumed.

3. Guarantor hereby waives and agrees not to assert or take advantage of: (a) any right to require Lessor to proceed against Lessee or any other person or to pursue any other remedy before proceeding against Guarantor; (b) the defense of any statute of limitations in any action under or related to this Guaranty or the Lease; (c) any right or defense that may arise by reason of the incapacity, lack of authority, death or disability of Lessee or any other person; (d) any right or defense arising by reason of the absence, impairment, modification, limitation, destruction or cessation (in bankruptcy, by an election or remedies, or otherwise) of the liability of Lessee, of the subrogation rights of Guarantor or of the right of Guarantor to proceed against Lessee for reimbursement; and (e) the benefits of any statutory provision or procedural rule limiting the liability of a surety, including, without limitation, the provisions of A.R.S. § 12-1641, etc.

4. Guarantor hereby waives and agrees not to assert or take advantage of any right or defense based on the absence of any or all presentments, demands (including demands for performance), notices (including notices of adverse change in the financial status of Lessee or other facts which increases the risk to Guarantor, notices of non-performance and notices of acceptance of this Guaranty) and protests of each every kind.

5. Guarantor does hereby agree that if claim is ever made upon Lessor for repayment or recovery of any amount or amounts received by Lessor in payment or on account of the amounts hereby guaranteed and Lessor repays all or part of such amount by reason of (a) any judgment, decree or order or of any court or administrative body having jurisdiction or (b) any settlement or compromise of any such claim effected by

Lessor with any such claimant (including Lessee or any other guarantor), then in such event Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon Guarantor, notwithstanding the expiration or termination of the Lease or other instrument evidencing any of the amounts hereby guaranteed and Guarantor shall be and remain liable hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by Lessor.

6. Guarantor does hereby agree that for Lessor's benefit and the benefit of Lessee and to the fullest extent permitted by law, Guarantor irrevocably and unconditionally waives any and all rights of subrogation, reimbursement, indemnification, contribution, or similar rights against Lessee or its assets (arising by contract or by law or otherwise) as a consequence of this Guaranty, including, without limitation, the payment or performance of any obligations hereby guaranteed, and further agrees that Guarantor will not assert any such right of subrogation, reimbursement, indemnification, contribution or similar right at any time in respect to the Lease. It is agreed that Lessor's rights under this Paragraph 6 are such that the remedy at law for breach thereof would be inadequate, and that Lessor shall be entitled to specific performance and enforcement thereof, including, without limitation, the imposition of a restraining order or injunction. Nothing in this Paragraph 6 shall diminish or relieve any obligations or liabilities of Lessee to Lessor. Lessor and Lessee and their respective successors and assigns are intended third party beneficiaries of the waivers and agreements made in this Paragraph 6 and Lessor's rights under this Paragraph 6 shall survive the expiration or termination of the Lease. 7. The liability of Guarantor and all rights, powers and remedies of Lessor hereunder and the liability and obligations of Lessee and all rights, powers and remedies of Lessor under the Lease and under this Guaranty shall be in addition to all rights, powers and remedies given to Lessor by law.

7. The liability of Guarantor and all rights, powers and remedies of Lessor hereunder and the liability and obligations of Lessee and all rights, powers and remedies of Lessor under the Lease and under this Guaranty shall be in addition to all rights, powers and remedies given to Lessor by law.

8. This Guaranty applies to, inures to the benefit of and binds all parties hereto, their heirs, devisees, legatees, executors, administrators, representatives, successors and assigns (including any purchaser at judicial foreclosure or trustee's sale or a holder of a deed in lieu thereof). This Guaranty may be assigned by Lessor voluntarily or by operation of law without reducing or modifying the liability of Guarantor hereunder.

9. This Guaranty shall constitute the entire agreement between Guarantor and Lessor with respect to the Guarantor's guaranty of performance of all of Lessee's obligations under the Lease. No provision of this Guaranty or right of Lessor hereunder may be waived nor may any guarantor be released from any obligation hereunder except by a writing duly executed by an authorized officer, director, trustee or partner of Lessor.

10. If more than one person signs this Guaranty, each such person shall be deemed a Guarantor and the obligation of all such Guarantors shall be joint and several. When the context and construction so requires, all words used in the singular herein shall be deemed to have been used in the plural. The word "person" as used herein shall include an individual, company, firm, association, partnership, corporation, trust or other legal entity of any kind whatsoever.

11. Should any one or more provisions of this Guaranty be determined to be illegal or unenforceable, all other provisions shall nevertheless be effective.

12. The waiver or failure to enforce any provision of this Guaranty shall not operate as a waiver of any other breach of such provision or any other provisions hereof.

13. If either Lessor or Guarantor participates in an action against the other arising out of or in connection with this Guaranty, the one prevailing shall be entitled to have and recover from the other reasonable attorneys' fees, collection costs and other costs incurred in and in preparation for the actions.

14. Guarantor agrees that all questions with respect to this Guaranty shall be governed by, and deciding in accordance with the laws of the State of Arizona.

15. If Guarantor executes this Guaranty as a partnership, each individual executing this Guaranty on behalf of the partnership represents and warrants that he or she is a general partner of the partnership and that this Guaranty is binding upon the partnership in accordance with its terms. If Guarantor executes this Guaranty as a corporation, each of the persons executing this Guaranty on behalf of the corporation covenants and warrants that the corporation is a duly authorized and existing corporation, that the corporation has and is qualified to transact business in the State of Arizona, that the corporation has full right, authority and power to enter into this Guaranty and to perform its obligations hereunder, that each person signing this Guaranty on behalf of the corporation is authorized to do so and that this Guaranty is binding upon the corporation in accordance with its terms.

16. In the event Lessee shall become insolvent or shall be adjudicated a bankrupt, or shall file a petition for reorganization, arrangement or other relief under any present or future provisions of the United States Bankruptcy Code, or if such a petition be filed by creditors of Lessee, or if Lessee shall seek a judicial readjustment of the rights of its creditors under any present or future Federal or State law, or if a receiver of all or part of Lessee's property or assets is appointed by the State or Federal court, no such proceeding or action taken therein shall modify, diminish, or in any way affect the liability of Guarantor under this Guaranty, and the liability of Guarantor with respect to the Lease shall be of the same scope as if Guarantor had itself executed the lease as the named Lessee therein, and no "rejection" and/or "termination" of the Lease in any of the proceedings referred to in this Paragraph 16 shall be effective to release and/or terminate the continuing liability of Guarantor to Lessor under this Guaranty. If, in connection with any of the circumstances referred to in this Paragraph 16, Lessor should request that Guarantor execute a new lease for the balance of the Term (unaffected by any such "rejection" and/or "termination" in any of such proceedings), but in all other respects identical with the Lease, Guarantor shall do so as the named Lessee under such new lease (irrespective of the fact that the Lease may have been "rejected" or "terminated" in connection with any of the proceedings referred to in this Paragraph 16). Should Guarantor fail or refuse to execute such a new lease, without limiting any of the legal or equitable remedies available to Lessor on account of such failure or refusal, Guarantor acknowledges and agrees that Lessor may seek specific performance of the covenant of Guarantor contained in this Paragraph 16 to execute such a new lease.

17. Any legal action or proceeding with respect to this Guaranty may be brought in the courts of the State of Arizona or, if the requisites of jurisdiction are obtained, of the United States of America for the District of Arizona and, by the execution and delivery of this Guaranty, Guarantor hereby accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforementioned courts. Nothing herein shall, however, affect the right of Lessor to commence legal action or otherwise proceed against Guarantor in any other jurisdiction.

18. This Guaranty may be executed by the parties in one or more counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute one instrument binding upon the parties, notwithstanding that all the parties are not signatories to the same counterpart.

[Remainder of page intentionally blank. Signature and consent pages follow.]

IN WITNESS WHEREOF, the undersigned hereby executes this Guaranty of Lease as of the date(s) below written.

ADDRESS OF GUARANTOR:	**GUARANTOR:**

PO Box 3452 Logan, Utah 84323	_____ Vivian Sharp, a married woman

Phoenix-Mesa Gateway Airport Authority

First Amendment to Lease

This FIRST AMENDMENT TO LEASE ("Amendment 1") is executed to be effective as of the FIRST (1st) day of July 2022, by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona, its successors and assigns ("Lessor"), and **CIMARRON AIRPARK LLC XV**, an Arizona limited liability company ("Lessee"). This Amendment 1 hereby amends that certain Ground Lease Agreement between Lessor and Lessee dated and effective on October 1, 2016 ("Lease") with respect to that certain real property at the Airport described as Parcel 39, and as further described in the Lease (the "Premises"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor and Lessee desire to enter into this Amendment 1 in order to modify the Lease; and

WHEREAS, Lessor is the present owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and South Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

WHEREAS, Lessee was originally granted two (2), five-year extensions and has exercised those extensions pursuant to the terms of the Lease on November 23, 2016 thereby extending the termination date of the Lease to June 30, 2043; and

WHEREAS, Lessee has requested a NINE (9) year extension of the termination date of the Lease thereby extending the termination date of the Lease to June 30th, 2052; and

WHEREAS, Lessor has agreed to the extension on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Amendment 1 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. On or before the Effective Date of this Amendment 1, Lessee shall pay to Lessor an amount equal to THREE HUNDRED THIRTY-TWO THOUSAND, TWO HUNDRED SIXTY-TWO AND 68/100 dollars ($332,262.68).
2. The provisions of Section 2 are deleted in its entirety and shall be replaced with:

   2. TERM.

   The term of this Lease shall be for a period of THIRTY-FIVE (35) years and NINE (9) months commencing on the Effective Date and terminating on the 30th day of June 2052.

3. Lessee warrants and represents to Lessor that: (i) all necessary actions have been taken to authorize the execution of this Amendment 1 by Lessee; (ii) the persons who have executed this Amendment 1 on behalf of Lessee are duly authorized to do so; and (iii) this Amendment 1 constitutes a legal, valid

and binding obligation of Lessee, enforceable against Lessee in accordance with its terms and the terms of the Lease.

5. In all other respects the Lease shall remain unchanged and in full force and effect. The Lease, as amended by this Amendment 1 shall continue to be binding upon the Lessor and Lessee and their permitted successors and assigns.

6. All of the Recitals set forth above are incorporated into this Amendment 1 by this reference.

7. Lessee recognizes and acknowledges that execution of this Amendment 1 shall in no way constitute a waiver by Lessor of any other sums which may be due and owing to Lessor or which may hereafter accrue.

IN WITNESS WHEREOF, the Parties have entered into this Amendment 1 as of the date first set forth above.

Board Action Item

Re: Resolution 22-37

To:	**Board of Directors**
From:	**Shea Joachim, CEcD, Business Development Director**
Through:	**J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Lot 39A Consent to Assignment and Ground Lease Amendment 1**
Date:	**June 21, 2022**

Proposed Motion

To authorize an amendment to the Ground Lease 2016-093 for Lot #39A to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $122,462.47 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC.

Narrative

Cimarron Airpark LLC XV has accepted an offer from Vernon Investments, LLC ("Buyer") to purchase the improvements upon Lot # 39A and assume Cimarron Airpark LLC XV's obligations under the Ground Lease and all active Subleases. The Buyer has requested an extension of the Ground Lease termination date as a condition of the purchase.

Key Documents

There are two (2) documents that require PMGAA Board consideration associated with this transaction.

Assignment and Assumption of Ground Lease

This Assignment and Assumption document outlines the terms of the assignment between Cimarron Airpark LLC XV and the Buyer. To effectuate the assignment, PMGAA must consent to the assignment of the Ground Lease from Cimarron Airpark, LLC XV to the Buyer.

Ground Lease Amendment #1

This document is the first amendment to the Ground Lease and will formally amend the termination date of the Ground Lease. By extending the termination date PMGAA will receive an additional nine (9) years of Base Rent. PMGAA will also receive approximately $122,462.47 on or before the Effective Date of the Amendment 1 as a one-time payment for granting the extension and delaying the reversion of the improvements to PMGAA.

PMGAA Staff has conducted due diligence on Vernon Investments, LLC and has reviewed the documents necessary to effectuate the sale of the improvements and the assignment of the Ground Lease. Zan Sharp and Vivian Sharp will provide a personal guaranty to ensure the obligations of the Ground Lease are satisfied. PMGAA Staff recommends approval of Resolution No. 22-36.

Fiscal Impact
The revenue to PMGAA associated with the additional nine (9) years of Base Rent under the Ground Lease is estimated at $496,304.60

PMGAA will receive approximately $122,462.47 at the closing of the transaction as compensation for granting the extension.

Attachment(s)
Assignment and Assumption of Ground Lease
PMGAA Consent to the Assignment and Assumption
Ground Lease Amendment #1

RESOLUTION NO. 22-37

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an amendment to the Ground Lease 2016-093 for Lot #39A to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $122,462.47 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an amendment to the Ground Lease 2016-093 for Lot #39A to extend the expiration of the term by nine (9) years, from June 30, 2043 to June 30, 2052 with an associated extension fee of $122,462.47 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to Vernon Investments, LLC.. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of June, 2022.

John Giles, Chair

ATTEST:

Misty Johnson, Clerk of the Board

Jill Casson Owen, Attorney

ASSIGNMENT AND ASSUMPTION OF GROUND LEASE

THIS **ASSIGNMENT AND ASSUMPTION OF GROUND LEASE** (this "**Assignment**") is made to be effective as of _____ ___, 2022 (the "Effective Date"), by and between CIMARRON AIRPARK LLC XV, an Arizona limited liability company ("**Assignor**") and Vernon Investments, LLC, a Utah limited liability company ("**Assignee**").

RECITALS

1. **Assignor** is "Lessee" under that certain Lease Agreement ("**Lease Agreement**") dated October 1, 2016, executed by and between Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority, as Lessor, and Cimarron Airpark LLC XV, an Arizona limited liability company, as Lessee, for premises referred to as Parcel 39A.

2. The **Lease Agreement** was modified by Letter acknowledgement dated November 23, 2016 from Phoenix-Mesa Gateway Airport to Cimarron Airpark LLC XV which extended the term of the **Lease Agreement** to June 30, 2043.

3. Amendment 1 to the **Lease Agreement**, effective July 1, 2022 and dated _____ ___, 2022 between Phoenix-Mesa Gateway Airport Authority and Cimarron Airpark LLC XV which extended the term to June 30, 2052.

(collectively, the "**Ground Lease**").

4. The Lease Agreement is disclosed by Memorandum of Lease dated October 01, 2016, recorded August 24, 2017 in the Official Records of Maricopa County as Document No. 20170626743.

5. Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority authorized under the laws of the State of Arizona formerly known as Williams Gateway Airport Authority, is "Lessor" under the **Ground Lease**.

6. The **Ground Lease** encumbers the property commonly referred to as Parcel 39A located at 6419 South Sossaman Road, Mesa, Arizona comprising approximately 43,353 square feet of real property more specifically defined in the **Ground Lease** and described in Exhibit A attached hereto (the "Land").

7. Pursuant to that certain Agreement of Purchase and Sale and Joint Escrow Instructions dated March 14, 2022, as amended (the "**Purchase Agreement**"), **Assignor** agreed to assign all of its right, title, interest, obligations, liabilities and duties, and **Assignee** agreed to assume all of **Assignor's** obligations, liabilities and duties, subject to the terms and conditions of the **Purchase Agreement**, with respect to the **Ground Lease**.

8. Concurrent with this Assignment, Zan Sharp and Vivian Sharp, husband and wife, are providing a Guaranty of Lease in the form attached hereto as Exhibit "B".

AGREEMENT

NOW, **THEREFORE**, in consideration of the premises, the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Assignor** and **Assignee**, intending to be legally bound, agree as follows:

1. **Assignment**. **Assignor** hereby assigns, sets over, transfers, grants and conveys unto **Assignee**, its successors and assigns, forever, all of **Assignor's** right, title, estate and interest, as lessee, in and to the **Ground Lease**, all tenant security deposits not previously applied to delinquent rents or other charges, and prepaid rents, and operating expense payments, common area payments and transaction privilege taxes payments.

2. **Assumption. Assignee** hereby accepts the assignment and assumes and agrees to keep, perform, and fulfill, as a direct obligation all the terms, covenants, provisions, conditions and obligations of the **Assignor** under the **Ground Lease** accruing and becoming due from and after the date hereof.

3. **Notices.** Notices to Lessee under the Ground Lease shall be sent to:
   Vernon Investments, LLC
   Attn.: Zan Sharp
   PO Box 3452
   Logan, Utah 84323

4. **Indemnity**. **Assignee** agrees to indemnify, defend and hold **Assignor** harmless for, from and against any and all actions, suits, proceedings, liability, loss or damage (including without limitation, actual attorneys' fees and costs) that Assignor may incur by reason of any claims or obligations under the **Ground Lease** attributable to or arising out of any alleged breach of any of the **Ground Lease** occurring or alleged to have occurred on or subsequent to the date of this **Assignment**. **Assignor** agrees to indemnify, defend and hold **Assignee** harmless for, from and against any and all actions, suits, proceedings, liability, loss or damage (including without limitation, actual attorneys' fees and costs) that Assignee may incur by reason of any claims or obligations under the **Ground Lease** attributable to or arising out of any alleged breach of any of the **Ground Lease** occurring or alleged to have occurred before the date of this **Assignment**.

5. **Successors and Assigns**. This **Assignment** shall be binding upon and inure to the benefit of the successors, assigns, personal representatives, heirs and legatees of the respective parties hereto.

6. **Attorneys' Fees**. In the event of any litigation by a party hereto against the other for reason of any breach of any of the provisions out of this **Assignment**, the prevailing party in such action or suit shall be entitled to have and recover from the other party all costs and expenses incurred therein, including reasonable attorneys' fees, court costs and experts' fees.

7. **Counterparts**. This **Assignment** may be executed in one or more counterparts, each of which shall be deemed an original and all of which combined shall constitute one and the same instrument.

8. **Governing Law**. This **Assignment** shall be governed by and construed in accordance with the internal laws of the State of Arizona, without regard to its conflict of law rules.

CONSENT TO ASSIGNMENT AND ASSUMPTION OF GROUND LEASE

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, authorized under the laws of the State of Arizona and CIMARRON AIRPARK LLC XV, an Arizona limited liability company ("**Lessee**" and "**Assignor"**) are parties to that certain Lease Agreement. **Assignor** is "Lessee" under that certain Lease Agreement ("**Lease Agreement**") dated October 1, 2016, executed by and between Phoenix-Mesa Gateway Airport Authority, a Joint Powers Airport Authority, as Lessor, and Cimarron Airpark LLC XV, an Arizona limited liability company, as Lessee, for leased premises referred to as Parcel 39A.

The **Lease Agreement** was modified by Letter acknowledgement dated November 23, 2016 from Phoenix-Mesa Gateway Airport to Cimarron Airpark LLC XV which extended the term of the **Lease Agreement** to June 30, 2043.

The **Lease Agreement** was modified by Amendment 1 to the **Lease Agreement**, effective July 1, 2022 and dated _____ ___, 2022 between Phoenix-Mesa Gateway Airport Authority and Cimarron Airpark LLC XV which extended the term to June 30, 2052.

(collectively, the "**Ground Lease**").

The Lease Agreement is disclosed by Memorandum of Lease dated October 01, 2016, recorded August 24, 2017 in the Official Records of Maricopa County as Document No. 20170626743.

The **Ground Lease** encumbers the property commonly referred to as Lot 39A located at 6419 South Sossaman Road, Mesa, Arizona comprising approximately 43,353 square feet of real property more specifically described in the **Ground Lease**. Lessee desires to assign the Lease to Vernon Investments, LLC, a Utah limited liability company pursuant to the Assignment and Assumption of **Ground Lease** attached hereto ("**Assignment**"). Concurrent with the Assignment, Zan Sharp and Vivian Sharp, husband and wife, are providing a Guaranty of Lease in the form attached to the Assignment as Exhibit "B" ("**Guaranty**").

Subject to receipt of a fully executed Guaranty, and pursuant to Section 9 of the Lease, Lessor does hereby consent to the **Assignment** as provided herein.

The execution of this Consent to Assignment and Assumption of Ground Lease is not and shall not be construed to be consent to any future assignment of the **Ground Lease** or any portion thereof, and any assignment of the **Ground Lease** and documents related thereto shall require separate approval of Lessor.

Exhibit "A"
Legal Description of Lot 39A

That portion of the Northeast quarter of Section 31, Township 1 South, Range 7 East of the Gila and Salt River Base and Meridian, Maricopa County, Arizona, more particularly described as follows:

COMMENCING at the Southeast corner of said Section 31, said point also lying on the centerline of Sossaman Road, the following courses will follow said centerline until otherwise mentioned;

Thence North 00 degrees 46 minutes 11 seconds West, a distance of 1111.17 feet to the beginning of a curve concave Westerly and having a radius of 1550.00 feet;

Thence Northwesterly along the arc of said curve through a central angle of 43 degrees 43 minutes 22 seconds, a distance of 1182.82 feet to a point of tangency;

Thence North 44 degrees 29 minutes 34 seconds West, a distance of 466.81 feet;

Thence departing said centerline, North 45 degrees 25 minutes 05 seconds East, a distance of 61.00 feet to the TRUE POINT OF BEGINNING;

Thence North 45 degrees 25 minutes 05 seconds East, a distance of 348.73 feet;

Thence South 44 degrees 34 minutes 55 seconds East, a distance of 129.00 feet;

Thence South 45 degrees 25 minutes 05 seconds West, a distance of 348.93 feet;

Thence North 44 degrees 29 minutes 34 seconds West, a distance of 129.00 feet to the TRUE POINT OF BEGINNING.

Exhibit “B”
Guaranty of Lease

(attached)

GUARANTY OF LEASE

THIS GUARANTY OF LEASE (**"Guaranty"**) is made for valuable consideration by Zan Sharp, and Vivian Sharp, husband and wife, (each, individually, jointly and severally, **"Guarantor"**), in favor of Phoenix-Mesa Gateway Airport Authority, a joint powers authority authorized by the State of Arizona (**"Lessor"**), in connection with that certain Lease Agreement dated October 1, 2016, that certain Amendment 1 dated and effective July 1st, 2022, and assigned pursuant to the Assignment and Assumption of Land Lease dated and effective July 1st, 2022 to which this Guaranty is attached as Exhibit B (collectively, the "**Lease**"), pursuant to which Lessor leases to Vernon Investments, LLC, a Utah limited liability company authorized to do business in the State of Arizona (**"Lessee"**), the certain premises described as Parcel 39A, consisting of approximately 43,353 square feet of land area and further described in the Lease (the, **"Premises"**).

Guarantor does hereby agree as follows:

1. Guarantor does hereby absolutely and unconditionally guarantee and promise to Lessor the due, punctual and full performance by Lessee of each and all of the covenants, obligations, liabilities and promises of Lessee to be performed during the Term (as hereinafter defined) and the truth and accuracy of each and all of the representations and warranties of Lessee contained in the Lease, including without limitation, the payment of Rent, as defined in Section 4 of the Lease and any and all other sums payable thereunder. For the purposes of this Guaranty, the term "**Term**" refers not only to the Term as defined in the Lease, but also to any renewals, extensions, modifications, reinstatements and holdings over thereof.

2. Guarantor does hereby agree that, without the consent of or notice to Guarantor and without affecting any of the obligations of Guarantor hereunder: (a) any term, covenant or condition of the Lease may be amended, compromised, released or otherwise altered by Lessor and Lessee, and Guarantor does guarantee and promise to perform all the obligations of Lessee under the Lease as so amended, compromised, released or altered; (b) any guarantor of or party to the Lease may be released, substituted or added; (c) any right or remedy under the Lease, this Guaranty or any other instrument or agreement may be exercised, not exercised, impaired, modified, limited, destroyed, or suspended; (d) Lessor or any other person may deal in any manner with Lessee, any guarantor, any party to the Lease or any other person; and (e) all or any part of the premises or of Tenant's rights or liabilities under the Lease may be sublet, assigned or assumed.

3. Guarantor hereby waives and agrees not to assert or take advantage of: (a) any right to require Lessor to proceed against Lessee or any other person or to pursue any other remedy before proceeding against Guarantor; (b) the defense of any statute of limitations in any action under or related to this Guaranty or the Lease; (c) any right or defense that may arise by reason of the incapacity, lack of authority, death or disability of Lessee or any other person; (d) any right or defense arising by reason of the absence, impairment, modification, limitation, destruction or cessation (in bankruptcy, by an election or remedies, or otherwise) of the liability of Lessee, of the subrogation rights of Guarantor or of the right of Guarantor to proceed against Lessee for reimbursement; and (e) the benefits of any statutory provision or procedural rule limiting the liability of a surety, including, without limitation, the provisions of A.R.S. § 12-1641, etc.

4. Guarantor hereby waives and agrees not to assert or take advantage of any right or defense based on the absence of any or all presentments, demands (including demands for performance), notices (including notices of adverse change in the financial status of Lessee or other facts which increases the risk to Guarantor, notices of non-performance and notices of acceptance of this Guaranty) and protests of each every kind.

5. Guarantor does hereby agree that if claim is ever made upon Lessor for repayment or recovery of any amount or amounts received by Lessor in payment or on account of the amounts hereby guaranteed and Lessor repays all or part of such amount by reason of (a) any judgment, decree or order or of any court or administrative body having jurisdiction or (b) any settlement or compromise of any such claim effected by

Lessor with any such claimant (including Lessee or any other guarantor), then in such event Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon Guarantor, notwithstanding the expiration or termination of the Lease or other instrument evidencing any of the amounts hereby guaranteed and Guarantor shall be and remain liable hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by Lessor.

6. Guarantor does hereby agree that for Lessor's benefit and the benefit of Lessee and to the fullest extent permitted by law, Guarantor irrevocably and unconditionally waives any and all rights of subrogation, reimbursement, indemnification, contribution, or similar rights against Lessee or its assets (arising by contract or by law or otherwise) as a consequence of this Guaranty, including, without limitation, the payment or performance of any obligations hereby guaranteed, and further agrees that Guarantor will not assert any such right of subrogation, reimbursement, indemnification, contribution or similar right at any time in respect to the Lease. It is agreed that Lessor's rights under this Paragraph 6 are such that the remedy at law for breach thereof would be inadequate, and that Lessor shall be entitled to specific performance and enforcement thereof, including, without limitation, the imposition of a restraining order or injunction. Nothing in this Paragraph 6 shall diminish or relieve any obligations or liabilities of Lessee to Lessor. Lessor and Lessee and their respective successors and assigns are intended third party beneficiaries of the waivers and agreements made in this Paragraph 6 and Lessor's rights under this Paragraph 6 shall survive the expiration or termination of the Lease. 7. The liability of Guarantor and all rights, powers and remedies of Lessor hereunder and the liability and obligations of Lessee and all rights, powers and remedies of Lessor under the Lease and under this Guaranty shall be in addition to all rights, powers and remedies given to Lessor by law.

7. The liability of Guarantor and all rights, powers and remedies of Lessor hereunder and the liability and obligations of Lessee and all rights, powers and remedies of Lessor under the Lease and under this Guaranty shall be in addition to all rights, powers and remedies given to Lessor by law.

8. This Guaranty applies to, inures to the benefit of and binds all parties hereto, their heirs, devisees, legatees, executors, administrators, representatives, successors and assigns (including any purchaser at judicial foreclosure or trustee's sale or a holder of a deed in lieu thereof). This Guaranty may be assigned by Lessor voluntarily or by operation of law without reducing or modifying the liability of Guarantor hereunder.

9. This Guaranty shall constitute the entire agreement between Guarantor and Lessor with respect to the Guarantor's guaranty of performance of all of Lessee's obligations under the Lease. No provision of this Guaranty or right of Lessor hereunder may be waived nor may any guarantor be released from any obligation hereunder except by a writing duly executed by an authorized officer, director, trustee or partner of Lessor.

10. If more than one person signs this Guaranty, each such person shall be deemed a Guarantor and the obligation of all such Guarantors shall be joint and several. When the context and construction so requires, all words used in the singular herein shall be deemed to have been used in the plural. The word "person" as used herein shall include an individual, company, firm, association, partnership, corporation, trust or other legal entity of any kind whatsoever.

11. Should any one or more provisions of this Guaranty be determined to be illegal or unenforceable, all other provisions shall nevertheless be effective.

12. The waiver or failure to enforce any provision of this Guaranty shall not operate as a waiver of any other breach of such provision or any other provisions hereof.

13. If either Lessor or Guarantor participates in an action against the other arising out of or in connection with this Guaranty, the one prevailing shall be entitled to have and recover from the other reasonable attorneys' fees, collection costs and other costs incurred in and in preparation for the actions.

14. Guarantor agrees that all questions with respect to this Guaranty shall be governed by, and deciding in accordance with the laws of the State of Arizona.

15. If Guarantor executes this Guaranty as a partnership, each individual executing this Guaranty on behalf of the partnership represents and warrants that he or she is a general partner of the partnership and that this Guaranty is binding upon the partnership in accordance with its terms. If Guarantor executes this Guaranty as a corporation, each of the persons executing this Guaranty on behalf of the corporation covenants and warrants that the corporation is a duly authorized and existing corporation, that the corporation has and is qualified to transact business in the State of Arizona, that the corporation has full right, authority and power to enter into this Guaranty and to perform its obligations hereunder, that each person signing this Guaranty on behalf of the corporation is authorized to do so and that this Guaranty is binding upon the corporation in accordance with its terms.

16. In the event Lessee shall become insolvent or shall be adjudicated a bankrupt, or shall file a petition for reorganization, arrangement or other relief under any present or future provisions of the United States Bankruptcy Code, or if such a petition be filed by creditors of Lessee, or if Lessee shall seek a judicial readjustment of the rights of its creditors under any present or future Federal or State law, or if a receiver of all or part of Lessee's property or assets is appointed by the State or Federal court, no such proceeding or action taken therein shall modify, diminish, or in any way affect the liability of Guarantor under this Guaranty, and the liability of Guarantor with respect to the Lease shall be of the same scope as if Guarantor had itself executed the lease as the named Lessee therein, and no "rejection" and/or "termination" of the Lease in any of the proceedings referred to in this Paragraph 16 shall be effective to release and/or terminate the continuing liability of Guarantor to Lessor under this Guaranty. If, in connection with any of the circumstances referred to in this Paragraph 16, Lessor should request that Guarantor execute a new lease for the balance of the Term (unaffected by any such "rejection" and/or "termination" in any of such proceedings), but in all other respects identical with the Lease, Guarantor shall do so as the named Lessee under such new lease (irrespective of the fact that the Lease may have been "rejected" or "terminated" in connection with any of the proceedings referred to in this Paragraph 16). Should Guarantor fail or refuse to execute such a new lease, without limiting any of the legal or equitable remedies available to Lessor on account of such failure or refusal, Guarantor acknowledges and agrees that Lessor may seek specific performance of the covenant of Guarantor contained in this Paragraph 16 to execute such a new lease.

17. Any legal action or proceeding with respect to this Guaranty may be brought in the courts of the State of Arizona or, if the requisites of jurisdiction are obtained, of the United States of America for the District of Arizona and, by the execution and delivery of this Guaranty, Guarantor hereby accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforementioned courts. Nothing herein shall, however, affect the right of Lessor to commence legal action or otherwise proceed against Guarantor in any other jurisdiction.

18. This Guaranty may be executed by the parties in one or more counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute one instrument binding upon the parties, notwithstanding that all the parties are not signatories to the same counterpart.

[Remainder of page intentionally blank. Signature and consent pages follow.]

IN WITNESS WHEREOF, the undersigned hereby executes this Guaranty of Lease as of the date(s) below written.

ADDRESS OF GUARANTOR:	**GUARANTOR:**

PO Box 3452 Logan, Utah 84323	_____ Vivian Sharp, a married woman

Phoenix-Mesa Gateway Airport Authority

First Amendment to Lease

This FIRST AMENDMENT TO LEASE ("Amendment 1") is executed to be effective as of the FIRST (1st) day of July 2022, by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona, its successors and assigns ("Lessor"), and **CIMARRON AIRPARK LLC XV**, an Arizona limited liability company ("Lessee"). This Amendment 1 hereby amends that certain Ground Lease Agreement between Lessor and Lessee dated and effective on October 1, 2016 ("Lease") with respect to that certain real property at the Airport described as Parcel 39A, and as further described in the Lease (the "Premises"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor and Lessee desire to enter into this Amendment 1 in order to modify the Lease; and

WHEREAS, Lessor is the present owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and South Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

WHEREAS, Lessee was originally granted two (2), five-year extensions and has exercised those extensions pursuant to the terms of the Lease on November 23, 2016 thereby extending the termination date of the Lease to June 30, 2043; and

WHEREAS, Lessee has requested a NINE (9) year extension of the termination date of the Lease thereby extending the termination date of the Lease to June 30th, 2052; and

WHEREAS, Lessor has agreed to the extension on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Amendment 1 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. On or before the Effective Date of this Amendment 1, Lessee shall pay to Lessor an amount equal to ONE HUNDRED TWENTY-TWO THOUSAND, FOUR HUNDRED SIXTY-TWO AND 47/100 dollars ($122,462.47).
2. The provisions of Section 2 are deleted in its entirety and shall be replaced with:

   2. TERM.

   The term of this Lease shall be for a period of THIRTY-FIVE (35) years and NINE (9) months commencing on the Effective Date and terminating on the 30th day of June 2052.

3. Lessee warrants and represents to Lessor that: (i) all necessary actions have been taken to authorize the execution of this Amendment 1 by Lessee; (ii) the persons who have executed this Amendment 1 on behalf of Lessee are duly authorized to do so; and (iii) this Amendment 1 constitutes a legal, valid

and binding obligation of Lessee, enforceable against Lessee in accordance with its terms and the terms of the Lease.

5. In all other respects the Lease shall remain unchanged and in full force and effect. The Lease, as amended by this Amendment 1 shall continue to be binding upon the Lessor and Lessee and their permitted successors and assigns.

6. All of the Recitals set forth above are incorporated into this Amendment 1 by this reference.

7. Lessee recognizes and acknowledges that execution of this Amendment 1 shall in no way constitute a waiver by Lessor of any other sums which may be due and owing to Lessor or which may hereafter accrue.

IN WITNESS WHEREOF, the Parties have entered into this Amendment 1 as of the date first set forth above.

Board Action Item

Re: Resolution 22-38

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: GatewayEast Master Development Agreement and Master Lease Agreement
Date: June 21, 2022

Proposed Motion

To authorize a Master Development Agreement and Master Lease Agreement with Boyer GatewayEast, L.C. for the property referred to as GatewayEast, each for a term of forty (40) years with no extensions, and each to be guaranteed by The Boyer Company, L.C.

Narrative

On January 14, 2021, Phoenix-Mesa Gateway Airport Authority (PMGAA) hosted a virtual promotional event to highlight a roughly 400-acre, non-aeronautical development opportunity on the eastside of the Airport referred to as "GatewayEast.". The event was designed to showcase the Phoenix-Mesa Gateway Airport (Airport) to local, regional and international investors and real estate developers. The goal of the event was to generate interest from real estate development firms, or teams of firms, in PMGAA's competitive solicitation to play the role of Master Developer for GatewayEast.

PMGAA staff released a Request for Qualifications (RFQ) to solicit qualified firms to serve as Master Developer for GatewayEast on January 21, 2021. PMGAA established an evaluation team comprised of PMGAA staff members, a representative from a member government, and a real estate development expert from the private sector. PMGAA short-listed the respondents based on qualifications and issued a Request for Proposals (RFP) on May 13, 2021, directly to the four (4) most qualified firms. All of the four finalist firms submitted a competitive proposal for PMGAA's consideration, and all four finalists participated in an intensive interview process. The evaluation team reviewed the four proposals, along with the interview results, and invited the top two finalists to submit a "best and final" proposal. On December 21, 2021, PMGAA Board approved a Memorandum of Understanding (MOU) with The Boyer Company ("Boyer") to establish an exclusive negotiating period with the intent of finalizing a Master Development Agreement (MDA) and Master Lease Agreement (MLA).

Master Development Agreement Overview

The MDA codifies all of the key elements of the Boyer proposal and outlines the responsibilities and performance expectations for Boyer and PMGAA. Specifically, the MDA requires Boyer to finance and construct all of the Horizontal Improvements within GatewayEast (with the exception of the Spine Road and the City Improvements), create a Master Plan for the entire GatewayEast property, lead the development of GatewayEast in accordance with the Master Plan, coordinate with PMGAA on the creation of a

Development Lease Template, and cause the successful completion of Minimum Development Requirements (MDR's) by the applicable Minimum Development Deadline (MDD).

Boyer and PMGAA envision GatewayEast will develop in three phases. Upon the Effective Date, Boyer will only have the ability to conduct Vertical Improvements within Development Phase I. Once Boyer has achieved MDR #1, MDR#2, and MDR#3 they will have the ability to conduct Vertical Improvements in Development Phase II. Further, Boyer will only get rights to Development Phase III when they have achieved MDR#4, MDR#5, and MDR#6.

Boyer will establish a special purpose entity (Boyer Gateway East, L.C. a Utah limited liability company). Boyer will provide a Guaranty to ensure the performance of all obligations under the MDA and MLA.

Master Lease Agreement Overview

The MLA transfers leasehold control of Development Phase I of GatewayEast to Boyer. However, the MLA is designed to only allow Boyer to perform Horizontal Improvements (e.g. infrastructure). All Vertical Improvements would require the property specifically identified for development to be "spun" out of the MLA and into a Development Lease Agreement. The Takedown Rent, or starting rent, for each Development Lease is initially set at $0.55 per SF. The Takedown Rent will be adjusted in accordance with changes to the Consumer price Index on every 5th anniversary of the Effective Date.

Agreement Term and Rate

The MDA and MLA have a Term of 40 years. There is no rent directly associated with either the MDA or MLA.

The Takedown Rent for Development Lease will start at $0.55 per SF.

Master Development Agreement
Master Lease Agreement

RESOLUTION NO. 22-38

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Master Development Agreement and Master Lease Agreement with Boyer GatewayEast, L.C. for the property referred to as GatewayEast, each for a term of forty (40) years with no extensions, and each to be guaranteed by The Boyer Company, L.C.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a Master Development Agreement and Master Lease Agreement with Boyer GatewayEast, L.C. for the property referred to as GatewayEast, each for a term of forty (40) years with no extensions, and each to be guaranteed by The Boyer Company, L.C. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 21st day of June, 2022.

John Giles, Chair

ATTEST:

Misty Johnson, Clerk of the Board

MASTER DEVELOPMENT AGREEMENT

THIS MASTER DEVELOPMENT AGREEMENT ("**Agreement**") is made as of this 21st day of June, 2022 ("**Effective Date**") by and between (a) Phoenix-Mesa Gateway Airport Authority, a joint powers authority authorized by the State of Arizona ("**Authority**"), in its capacity as the owner of the Phoenix-Mesa Gateway Airport ("**Airport**") and the GatewayEast Business Park ("**GatewayEast**"), (b) Boyer Gateway East, L.C., a Utah limited liability company ("**Developer**"), and (c) solely with respect to the Guaranty, The Boyer Company, L.C., a Utah limited liability company ("**Guarantor**"). Individually, each of the Authority and the Developer is a "**Party**" and, collectively, they are the "**Parties**".

RECITALS

A. The Authority operates the Airport, which acts through its board of directors comprised of elected officials from the communities surrounding the Airport, namely the City of Mesa, the Town of Gilbert, the Town of Queen Creek, the Gila River Indian Community, the City of Phoenix, and the City of Apache Junction ("**Members**" and when referring to each Member specific community, "**Member Communities**").

B. In furtherance of its mission to develop, reuse, operate, and maintain the Airport and its facilities, the Authority commenced a competitive solicitation process to select a master developer for GatewayEast at the Airport (collectively, "**Project**"); a depiction of the real property on which GatewayEast is located is set forth on **Exhibit A-I** attached hereto, and such real property is legally described on **Exhibit A-II** attached hereto.

C. The Parties acknowledge and understand that the Authority and the Airport are at all times subject to, and must abide by, the terms and conditions of that certain Quitclaim Deed recorded on April 30, 1998 as Sequence No. 98-0354787, Official Records of Maricopa County Recorder; that certain Intergovernmental Agreement (Williams Air Force Base – Purpose and Goal Statement) recorded on December 14, 1992, as Sequence No. 92-0712408, Official Records of Maricopa County Recorder; that certain Amended and Restated Joint Powers Airport Authority Agreement recorded on February 24, 2015 as Sequence No. 20150119500, Official Records of Maricopa County Recorder; rules and regulations promulgated by the Federal Aviation Administration ("**FAA**"); A.R.S. §28-8531 *et seq.* (as amended); the Authority "*Airport Rules and Regulations*" and other Airport published rules and regulations (as amended from time to time, "**Governing Provisions**"), and other federal, state and local statutes, rules and regulations applicable to the Project.

D. Through the Project, the Authority intends to achieve the following primary goals:

(a) to develop GatewayEast and increase its value;

(b) to increase employment opportunities for the Member Communities;

(c) to enhance the profitability of the Airport through increased lease revenues as well as the development of complementary commercial activities at the Airport;

(d) to develop the Airport in a manner that is environmentally, economically, and socially sustainable; and

(e) to generate new tax and fee revenues to the Airport and the Member Communities.

E. The Boyer Company, L.C. ("**Proposer**") was included in a shortlist as a qualifying team pursuant to the Authority's Request for Qualifications #2021-016-RFQ ("**RFQ**"), which sought to identify qualified firms or teams of firms to serve as master developer for GatewayEast.

F. As one of the qualifying teams identified on the shortlist of responders to the RFQ, the Proposer submitted a response to the Authority's Request for Proposals #2021-001-RFP ("**RFP**"), pursuant to which the Proposer presented to the Authority its proposal to develop GatewayEast as a hub for retail, hospitality, manufacturing, office and other non-aeronautical uses that leverage the competitive advantages of the Member Communities (collectively, "**Project Proposal**").

G. After reviewing the responses to the RFP and considering the stated goals and objectives of the Project, the Authority determined that the Proposer was the preferred respondent under the RFP and, accordingly, entered into exclusive negotiations with the Developer pursuant to that certain Memorandum of Understanding dated December 21, 2021("**MOU**"), which set forth the principal terms and conditions of the agreements to be negotiated and entered into to give effect to the Developer's appointment as master developer of GatewayEast pursuant to the Project Proposal, including, but not limited to, this Agreement, construction agreements, architectural agreements, management agreements, lease and sublease agreements, facilities use agreements, parking agreements and other related agreements as necessary or appropriate (collectively, "**Definitive Agreements**").

H. The Proposer established the Developer as the entity through which the Proposer would consummate the Project Proposal.

I. The Authority and the Developer intend that the Project will be developed by the Developer subject to the terms, conditions and provisions set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, mutual obligations of the Parties, and other valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the Parties agree as follows:

1. **RECITAL INCORPORATION AND DEFINITIONS.** The recitals set forth above are incorporated into and made a part of this Agreement for all purposes. Unless otherwise expressly defined herein, the following terms and phrases shall have the following meanings set forth below:

"**Affiliate**" shall mean with respect to any specified Person, any other Persons that directly, or indirectly through one or more intermediaries, Controls, is Controlled by, or is under common Control with, such specified Person.

"**Airport**" shall have the meaning set forth in the Preamble.

"**Airport Layout Plan**" shall mean a set of drawings that show the near-, intermediate-, and long-term facilities for the Airport.

"**Annual Report**" shall have the meaning set forth in Section 3.5 hereof.

"**Authority**" shall have the meaning set forth in the Preamble.

"**Authority Contact**" shall mean the individual designated by the Authority, which, initially, will be Shea Joachim.

"**Authority Event of Default**" shall have the meaning set forth in the Section 9.1 hereof.

"**Authority Indemnified Parties**" shall mean the Authority, its Members and their Affiliates, shareholders, members, directors, managers, officers, agents, attorneys, employees, successors and assigns, and their respective shareholders, members, directors, managers, officers, agents and employees.

"**Authority Takedown Notice**" shall have the meaning set forth in Section 2.2.4(b).

"**Authority's Procurement Policy**" shall mean the then-current Procurement Policy adopted by the Board of Directors of the Authority as posted on its website, gatewayairport.com/policiesdocumentsandforms.

"**Business Day**" shall mean any day that is neither a Saturday, a Sunday nor a day observed as a holiday by the Airport.

"**City Improvements**" shall have the meaning set forth in Section 2.2.2.

"**Claim**" shall mean claims, demands, actions, damages, losses, liabilities, judgments, costs and expenses, including, without limitation, reasonable legal fees and court costs.

"**Community Involvement Plan**" shall have the meaning set forth in Section 3.12 hereof.

"**Construction Contract**" shall mean the contract entered into by the Developer and any contractor or construction manager providing for construction of any Development Project, which contract shall provide for, among other things, third-party beneficiary status for the Authority.

"**Construction Drawings**" shall mean the full and complete engineering plans, architectural plans and specifications prepared by any architect for any Development Project, which plans and specifications shall be referenced in the Construction Contract and be based upon the applicable Preliminary Project Description.

"**Control**" (including the terms "**Controlled by**" and "**under common Control with**") shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, as trustee or executor, by contract or otherwise, including the ownership, directly or indirectly, of securities having the power to elect a majority of the board of directors or similar body governing the affairs of such Person.

"**DBE/MBE/WBE/VBE**" shall have the meaning set forth in the Section 3.11.1 hereof.

"**Debt**" shall have the meaning set forth in the Section 13.7.3 hereof.

"**Definitive Agreements**" shall have the meaning set forth in the Recitals.

"**Developer**" shall have the meaning set forth in the Preamble.

"**Developer Contact**" shall be the individual designated by the Developer from time to time, which, initially, will be Matt Jensen.

"**Developer Event of Default**" shall have the meaning set forth in the Section 8.1 hereof.

"**Developer Indemnified Parties**" shall mean the Developer and its Affiliates, shareholders, members, directors, managers, officers, agents, attorneys, employees, successors and assigns, and their respective shareholders, members, directors, managers, officers, agents and employees.

"**Development Lease**" shall mean the Development Lease executed by the Authority, as lessor, and the Developer, its designated Affiliate, or a Third-Party Vertical Developer, as lessee, pursuant to the terms of

the Master Lease Agreement for the portion of GatewayEast that is the subject of a specific Development Project.

"**Development Lease Template**" shall have the meaning set forth in Section 3.3 hereof.

"Development Lot" shall mean a lot within GatewayEast that is, or will be, the subject of a specific Development Project and subjected to a Development Lease.

"**Development Phases**" shall have the meaning set forth in the Section 2.2.1 hereof.

"**Development Project**" shall mean any material improvement which is undertaken by Developer or a Vertical Developer, at its expense, affecting GatewayEast that has been leased to the Developer or Vertical Developer pursuant to a Development Lease, as such improvement and the construction schedule related thereto are approved by the Authority pursuant to the terms of the Master Lease Agreement.

"**Effective Date**" shall have the meaning set forth in the Preamble.

"**Eligible Project Costs**" shall mean (a) the reasonable costs associated with architectural, engineering, or related professional services required to prepare plans, drawings, and specifications, and (b) the reasonable costs associated with the physical construction including material, equipment, and labor associated with construction.

"**FAA**" shall have the meaning set forth in the Recitals.

"**GAAP**" shall have the meaning set forth in the Section 13.7.4 hereof.

"**GatewayEast Governance Documents**" shall mean (i) any declaration of covenants, conditions, restrictions and easements ("**CCRs**") and (ii) any design guidelines ("**Design Guidelines**") adopted with respect to one or more Development Lots or Development Phases, and which are consistent, and not in conflict, with the Master Plan. Without limiting the foregoing, the GatewayEast Governance Documents may (a) set forth in the permitted and prohibited uses for the subject property within GatewayEast, (b) establish the procedure whereby lessees of the subject property within GatewayEast are assessed for maintenance, repair, replacement of the common areas within GatewayEast such as streets, landscaping, signage, and other common elements benefitting multiple parcels within GatewayEast, (c) establish design guidelines for the improvements to be constructed within the subject property within GatewayEast and the procedure whereby such improvements or alterations thereto are approved. The term "GatewayEast Governance Documents" may be one set of CCRs or Design Guidelines for the entirety of the Project, or multiple sets covering all or a portion of the Project, all of which must be individually approved by the Authority in accordance with Section 3.4. Once adopted, the GatewayEast Governance Documents shall not be terminated or amended without the prior written approval of the Authority and, so long as this Agreement remains in effect, the Developer.

"**Governing Provisions**" shall have the meaning set forth in the Recitals.

"**Governmental Authority**" shall mean any governmental entity (including any regulatory, administrative, executive, federal, local, municipal, judicial, legislative or other entity, or any combination thereof), including, but not limited to the FAA.

"**Guaranteed Obligations**" shall have the meaning set forth in Section 13.1 hereof.

"**Guarantor**" shall have the meaning set forth in the Preamble.

"**Guaranty**" shall mean the guaranty of the Developer's obligations by Guarantor pursuant to Section 13 hereof.

"**Horizontal Improvements**" shall mean roads, streets, bridges, storm drains, drainage improvements, curbs, sidewalks, street lights, landscaping and wet and dry utilities (including electricity, water, sewer, telephone, cable television or equivalent and natural gas) necessary to service the Development Lots within GatewayEast other than the City Improvements and the Spine Road. The Horizontal Improvements shall be of sufficient size to service the needs of the Development Phase in which they are located and the needs of any additional Development Phase that will connect to or use such Horizontal Improvements.

"**Initial Master Plan**" shall have the meaning set forth in Section 3.2 hereof.

"**Insolvency Event**" shall mean, with respect to any Person, an event whereby: (a) such Person makes or offers to make any arrangement, assignment, moratorium or composition with or for the benefit of its creditors; or (b) such Person admits that it has suspended payment of its debts or that it is unable to pay its debts when they fall due or commits any act of insolvency or bankruptcy; or (c) a petition for the bankruptcy, winding up, or dissolution of such Person (other than a winding-up for the purposes of reconstruction or amalgamation of a solvent company) is passed or presented and not withdrawn or dismissed within one hundred and twenty (120) days; or (d) such Person files a voluntary petition in bankruptcy or insolvency; or (e) a liquidator, trustee, supervisor, receiver, administrator, administrative receiver, controller or encumbrancer takes possession of or is appointed over the whole or any material part of the assets of such Person; or (f) something having a substantially similar effect to any of the events described in clauses (a) through (e) happens in connection with such Person under applicable Law.

"**Law**" means any law, ordinance, code, regulation, rule, judgment, order, writ, injunction, ruling, decree or agency requirement of any Governmental Authority.

"**Liquidity**" shall have the meaning set forth in the Section 13.7.2 hereof.

"**Local**" means businesses with a presence in one or more Member Communities.

"**Master Lease Agreement**" shall mean that certain lease agreement to be executed concurrently with this Agreement in which the Authority shall convey to the Developer a leasehold interest in GatewayEast.

"**Master Plan**" shall have the meaning set forth in Section 3.2.1 hereof.

"**Members**" and "**Member Communities**" shall have the meaning set forth in the Recitals.

"**Minimum Development Deadline**" shall have the meaning set forth in Section 5 hereof.

"**Minimum Development Requirement**" shall have the meaning set forth in Section 5 hereof.

"Outside Contingency Deadline" means the date one hundred eighty (180) calendar days following the Effective Date.

"**Party**" and "**Parties**" shall have the meaning set forth in the Preamble.

"**Permitted Exceptions**" means those matters set forth on **Exhibit G** attached hereto, any matters arising by, through or under the Developer or approved by Developer in its sole and absolute discretion.

"**Person**" means any individual, partnership, corporation, company, joint venture, association, Governmental Authority, trust, trustee, unincorporated organization or other entity and the heirs, executors, administrators or other legal representatives of any individual.

"**Phase I**" shall have the meaning ascribed to it in Section 2.2.1(a) hereof.

"**Phase II**" shall have the meaning ascribed to it in Section 2.2.1(b) hereof.

"**Phase III**" shall have the meaning ascribed to it in Section 2.2.1(c) hereof.

"**Project**" shall have the meaning set forth in the Recitals.

"**Preliminary Project Description**" shall mean the preliminary description of any Vertical Improvements and/or Horizontal Improvements prepared by the Developer and delivered to the Authority, including the (a) nature and scope of such improvements (b) intended square footage of such improvements, (c) intended use of such improvements, (d) sources of the capital for such improvements, (e) projected budget for such improvements, and (f) expected completion date.

"**Proposer**" shall have the meaning set forth in the Recitals.

"**RFP**" shall have the meaning set forth in the Recitals.

"**RFQ**" shall have the meaning set forth in the Recitals.

"Spine Road" shall mean the public road that follows the Spine Road Alignment which includes the pavement, storm drains, drainage improvements, curbs, sidewalks, streetlights, landscaping, and wet and dry utilities (including electricity, water, sewer, telephone, cable television or equivalent and natural gas) required by City of Mesa engineering standards.

"**Takedown**" means the execution of a Development Lease by the Authority and a Vertical Developer.

"**Tangible Net Worth**" shall have the meaning set forth in Section 13.7.1 hereof.

"**Term**" shall have the meaning set forth in Section 10.1 hereof.

"**Third-Party Vertical Developer**" means a Vertical Developer that is not an Affiliate of Developer and/or Guarantor and is a single developer and user-occupant of a subject Development Lot.

"**Unavoidable Delay**" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Agreement due including but not limited to: (a) construction delay to the extent caused by the other Party, including delays caused by either Party's failure to timely respond within THIRTY (30) calendar days to any matter submitted for consent or approval, except any consent or approval required under Sections 3.2, 3.2.2, 3.4, and 3.5.1 of this Agreement (b) legal proceeding brought by a non-Party with respect to the Horizontal Improvements or Vertical Improvements or any provision or requirement of this Agreement which by its nature prohibits the Horizontal Improvements or Vertical Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, entitlements, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) delay

caused by the discovery, presences or actions necessary to investigate or remediate hazardous material (but excluding hazardous material attributable to the Party claiming Unavoidable Delay), (t) unavailability or shortage of materials or labor that could not be reasonably anticipated, or (u) other causes beyond such Party's control.

"**Vertical Developer**" shall mean the lessee under a Development Lease responsible for constructing the Vertical Improvements.

"**Vertical Improvements**" shall mean buildings, structures and related improvements on the Development Lots.

2. PROJECT OVERVIEW.

2.1 Project Description.

2.1.1. The Developer has been selected pursuant to the RFQ and RFP to develop GatewayEast into a first-class business park supporting a mix of uses including retail, hospitality, manufacturing, industrial, and office product, with the goal of attracting "Class A" tenants to GatewayEast.

2.1.2. The Developer or its Affiliate with respect to Development Lots subject to a Development Leases between the Authority and the Developer or its Affiliate, and the Authority, with respect to Development Lots subject to a Development Leases between the Authority and Third-Party Vertical Developers, will ensure that Vertical Improvements are constructed, and continuously maintained and operated, in accordance with standards to be set forth in the Master Plan, Development Lease and any GatewayEast Governance Documents.

2.2 Development of GatewayEast.

2.2.1. Phasing. Development of GatewayEast will be completed in the three phases ("**Development Phases**"), as further depicted in **Exhibit B** attached hereto, and each Development Phase will involve the development of Horizontal Improvements related to such Development Phase.

(a) Development Phase I: approximately 110 acres of undeveloped land, as depicted in **Exhibit B-I**.

(b) Development Phase II: approximately 100 acres of undeveloped land, as depicted in **Exhibit B-II**.

(c) Development Phase III: approximately 63 acres of undeveloped land as further depicted in **Exhibit B-III**.

The Developer and the Authority recognize that there may be end-users interested in GatewayEast that prefer a location that is not part of the Development Phase then being developed. In such event, so long as such development is consistent with the Master Plan and is approved by the Authority, which approval shall not be unreasonably withheld, conditioned or delayed, (i) the Authority and the Developer or its Affiliate shall enter into a Development Lease for such desired location, and (ii) the Authority and the Developer shall amend the Master Lease Agreement to the extent reasonably necessary or desirable to permit the Developer to construct any Horizontal Improvements necessary or desirable for such development.

2.2.2. Horizontal Improvements. The successful development of GatewayEast requires investment by the Developer in Horizontal Improvements.

(a) The Parties understand that the City of Mesa has committed to delivering certain improvements serving GatewayEast as further described in **Exhibit D** (collectively "**City Improvements**"). The Parties agree that, notwithstanding anything to the contrary herein, if the City of Mesa doesn't complete or deliver the City Improvements as scheduled, such failure or delay (i) will not be a Developer Event of Default, and (ii) will be considered an Unavoidable Delay in accordance with Section 10.3.

(b) The Parties understand that the alignment and cross-section of the Spine Road (the "**Spine Road Alignment**") has been established and is described in more detail in **Exhibit E**. A portion of the Spine Road Alignment and related infrastructure, as shown and described on **Exhibit E**, is included within the City Improvements.

(c) Subject to Section 2.2.2(e), following the completion of the City Improvements, the Developer, at its expense, will develop or cause to be developed 100% of the Horizontal Improvements requirements as needed to support the foregoing Development Phases.

(d) The Developer is only responsible for the half street improvements (as defined in the City of Mesa Engineering & Design Standards) of the Spine Road that is adjacent to GatewayEast. The Developer may choose to construct the entire cross-section of the Spine Road and may be eligible for reimbursement from the Authority pursuant to Section 4.3.

(e) Not less than one (1) year prior to the Minimum Development Deadline applicable to the portion(s) of the Spine Road that is(are) the subject of the request, the Developer may request that the Authority construct the entire cross-section of the Spine Road. The Authority may agree to or decline the request in the Authority's reasonable discretion, taking into account factors such as staffing and funding. If the Authority declines the request, the Developer shall proceed in accordance with Section 2.2.2(d). If the Authority accepts the request: (a) the Authority will construct the Spine Road in phases concurrent with the applicable Development Phase then being developed by the Developer, and (b) the Developer will reimburse the Authority for FIFTY PERCENT (50%) of the Eligible Project Costs of the Spine Road improvements. The Developer's reimbursement for each phase of the Spine Road will be issued within TWENTY (20) Business Days following the Authority's completion of all the following stipulations:

(i) Obtain the Developer's approval on the design of the Spine Road improvements, which approval shall not be unreasonably withheld, conditioned or delayed;

(ii) Comply with the Authority's public procurement requirements as described in the Authority's Procurement Policy;

(iii) Achieve acceptance of the Spine Road improvements by the City of Mesa; and

(iv) Provide a detailed accounting reasonably acceptable to the Developer, of all of the actual, Eligible Project Costs and an invoice for the Developer's reimbursement.

2.2.3. Vertical Improvements. The Developer will use its commercially reasonable efforts to attract partners and/or tenants to develop the Project through "build to suit" or "spec building" plans. The Developer intends to grow the Project incrementally, as demand grows and at all times consistent with the Minimum Development Requirements set forth in this Agreement and the Master Lease Agreement.

2.2.4. Third-Party Vertical Developers.

(a) Takedown. The Parties anticipate that the Developer or its Affiliates would undertake most of the Vertical Improvements within GatewayEast. However, both the Authority and the Developer

recognize that there may be end-users interested in GatewayEast that prefer to directly lease a Development Lot and construct their own Vertical Improvements without involvement from the Developer. The Authority shall have the right to lease a Development Lot directly to a Third-Party Vertical Developer in accordance with but subject to the terms of this Section 2.2.4 so long as:

(1) the Development Lot is not subject to the Master Lease Agreement,

(2) the Authority has referred the prospective Third-Party Vertical Developer to Developer and the Developer and the Third-Party Vertical Developer were unable to agree on the terms of a sublease for the Development Lot within ninety (90) calendar days of such referral,

(3) the Development Lease for the Third-Party Vertical Developer is consistent with the terms of the Development Lease Template,

(4) the Development Project proposed by the Third-Party Vertical Developer is consistent with the Master Plan,

(5) if the users of the Development Lot will use any common areas or improvements in GatewayEast, the Development Lot is subject to GatewayEast Governance Documents that require the owner or Third-Party Vertical Developer of the Development Lot to pay its share of any common areas or improvements in GatewayEast,

(6) The Development Lease between the Authority and the Third-Party Vertical Developer is executed within sixty (60) days after the Authority Takedown Notice is approved or deemed approved pursuant to Section 2.2.4(c) below.

(b) Authority Takedown Notice. At such time as Authority has identified a Development Lot as ready for vertical development, as determined by Authority, by a Third-Party Vertical Developer, Authority will notify Developer with a takedown notice (an "**Authority Takedown Notice**") specifying the following:

(1) the Development Lot to be leased pursuant to the Development Lease, or the proposed boundaries for a new Development Lot;

(2) the Horizontal Improvements that will serve such Development Lot and whether such Horizontal Improvements have been constructed, and if not, the date by which such Horizontal Improvements will be completed by the Third-Party Vertical Developer and, when available, the plans and specifications therefor (it being understood that receipt of such plans and specifications is not required for a "complete" Authority Takedown Notice and may be delivered after the review and approval periods set forth below) ;

(3) the estimated dates by which Vertical Improvements will be commenced and completed under the terms of the Development Lease;

(4) the proposed use(s) of the Development Lot, which use (i) must be consistent with the Master Plan; and (ii) may not compete with any use of the Project set forth in an existing Development Lease or with a letter of intent or proposed Development Lease that is then being negotiated in good faith by Developer with a third party;

(5) the name of the Third-Party Vertical Developer; and

(6) proposed term of Development Lease, if such proposed term is different from the maximum term permitted hereunder for a Development Lease.

(c) Approval. The Authority Takedown Notice shall be subject to approval of Developer, which approval shall not be unreasonably withheld, delayed or conditioned, so long as:

(1) the Development Lot, including the proposed use, is consistent with this Agreement, the Master Plan (as amended), and the Airport Layout Plan (as amended);

(2) the lease of the Development Lot for Vertical Improvements will not leave the remainder of the Project or any portion thereof landlocked, or if the lease of the Development Lot will leave the remainder of the Project or any portion thereof landlocked, Authority and Developer agree to work together in good faith to provide for access to such landlocked portions of the Project;

(3) the proposed Takedown will not have a material adverse effect or otherwise negatively impact the development of the Project;

(4) no "Authority Event of Default" with respect to the MDA (as defined therein) on the part of Authority shall have occurred and is continuing;

(5) Any Horizontal Improvements to be constructed by the Third-Party Vertical Developer are consistent with the Master Plan and the existing Horizontal Improvements;

(6) Developer approves (which approval may not be unreasonably withheld, conditioned or delayed, taking into consideration the commercial development experience, legal standing and financial capability of such Third-Party Vertical Developer), the Third-Party Vertical Developer; and

(7) the requirements and conditions set forth in this Section 2.2.4 have been satisfied.

Developer will have THIRTY (30) days following receipt of an Authority Takedown Notice to either approve or disapprove the same. If Developer disapproves, Developer shall provide Authority with a reasonably detailed explanation for Developer's disapproval and suggestions for revisions that would reasonably satisfy Developer's disapproval. If Developer fails to respond within such THIRTY (30)-day period Authority may give a second notice to Developer requesting approval of the Authority Takedown Notice, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE TAKEDOWN PACKAGE BEING DEEMED APPROVED**." If Developer fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) Business Days following delivery of such notice, the Authority Takedown Notice shall be deemed to have been approved by Developer. If Developer disapproves a request for approval, then Authority may resubmit a revised Authority Takedown Notice for review and approval. This cycle will repeat itself until Developer either approves the request or is deemed to have approved the same.

(d) Limitation. Notwithstanding the foregoing, in no event shall the Authority have the right to lease directly to Third-Party Vertical Developers more than FIFTY (50) acres within the Project without

the Developer's prior written consent, which consent may be withheld in Developer's sole and absolute discretion.

(e) Minimum Development Requirements Credit. In the event of a Development Lease in accordance with this Section, (i) the Authority shall Takedown the applicable Development Lot as set forth in this Agreement, and (ii) the Developer will receive a square footage credit (equal to the greater of the proposed square footage of any commercial development on the Development Lot or the square footage of such commercial development on the Development Lot) against the applicable and corresponding Minimum Development Requirements then in effect.

(f) Horizontal Improvements. Authority shall cause the Third-Party Vertical Developer to (a) construct the Horizontal Improvements to be constructed by such Third-Party Vertical Developer in accordance with the Master Plan and the plans and construction schedule set forth in the approved or deemed approved Takedown Notice or the plans and construction schedule approved thereafter, and (b) to keep, maintain and repair such Horizontal Improvements that are owned by the Third-Party Vertical Developer or the Authority in good condition and repair.

2.2.5. Project Documentation. The Parties contemplate that the Project will consist of various Development Projects as further described in the provisions set forth below. Each Development Project comprising the Project shall be set forth in, and be subject to and governed by, a Development Lease, which shall reflect the required provisions of this Agreement and the Master Lease Agreement and contain such additional terms and conditions as agreed upon by the Authority and the Developer as applicable to each such Development Project. Upon the execution of a Development Lease, (a) the Development Lot subject to such Development Lease shall automatically be released from this Agreement, and (b) upon the request of a Party, the Parties shall enter into an amendment to this Agreement to memorialize such release of such Development Lot from this Agreement. If a Development Lease between the Authority and a Third-Party Vertical Developer is terminated prior to the commencement of any Vertical Improvements on the Development Lot subject to such Development Lease, such Development Lot shall automatically become subject to this Agreement.

3. DEVELOPER'S GENERAL OBLIGATIONS. During the Term, the Developer will have the following general obligations:

3.1 Development. The Developer will be the master developer of GatewayEast and be responsible for the design, construction and development of GatewayEast (other than Development Lots subject to a Development Lease with a Third-Party Vertical Developer) pursuant to the terms of this Agreement, the Master Lease Agreement and/or Project Documentation, as applicable.

3.2 Initial Master Plan. No later than ninety (90) calendar days following the Effective Date, the Developer will deliver to the Authority, for the Authority's review and approval, a detailed master conceptual land use development plan ("**Initial Master Plan**") which approval shall not be unreasonably withheld, conditioned or delayed. The Initial Master Plan shall include, without limitation, the items set forth on **Exhibit C**. If the Authority disapproves the Developer's request for approval of the Initial Master Plan pursuant to this Section, the Authority will set forth the reason for its disapproval and a description of the changes, which if made, would cause the Authority to approve the Initial Master Plan. Thereafter the Parties will negotiate in good faith to resolve the Authority's objections if possible, but the Authority's failure to approve a request for approval shall not be subject to mediation. The Authority will have fifteen (15) Business Days following an initial request for approval and ten (10) Business Days following any subsequent request for approval to either approve or disapprove the Developer's request. If the Authority fails to respond within the required period the Developer must give a second notice to the Authority requesting approval of the Initial Master Plan, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE INITIAL**

MASTER PLAN BEING DEEMED APPROVED." If the Authority fails to respond in writing (in the manner described above) to any matter in such second notice within five (5) Business Days following delivery of such notice, the Initial Master Plan shall be deemed to have been approved by the Authority. Notwithstanding the foregoing, the Initial Master Plan shall not be deemed approved if any portion of the Master Plan conflicts with this Agreement or the Governing Provisions. If the Authority disapproves a request for approval and sets forth the reason for its disapproval, then Developer shall resubmit a revised Initial Master Plan for review and approval. This cycle will repeat itself until either (i) the Authority either approves the request for approval or is deemed to have approved the same or (ii) the Outside Contingency Deadline. The Authority shall use commercially reasonable efforts to obtain the FAA's approval of any changes to the Airport Layout Plan as necessitated by the Initial Master Plan. The Developer will produce all documents, reports, forms and other items reasonably necessary to obtain such FAA approval of any changes to the Airport Layout Plan necessitated by the Initial Master Plan, and shall reasonably cooperate with the Authority in seeking approval of the same. If the FAA fails to approve any such changes, the Initial Master Plan will be modified as necessary to either obtain such FAA approval or eliminate the need for the same.

3.2.1. Once approved or deemed approved under this Section, the Initial Master Plan shall thereafter be the "**Master Plan**" under this Agreement until further updated or modified in accordance with this Section. GatewayEast shall be developed in accordance with the Master Plan.

3.2.2. From time to time following the Effective Date but no less often than annually on the anniversary of the Effective Date, the Developer shall advise the Authority whether the Master Plan should be modified to respond to market, financing and other conditions relevant to the development of the Project, and if modifications are recommended will submit a proposed updated Master Plan for approval by the Authority. In addition, from time to time during the Term, the Authority may request that the Developer consider modifications to the Master Plan proposed by the Authority. Following the submission to Developer of an updated Master Plan or a request by the Authority for modifications thereto, the Parties shall meet and negotiate in good faith, acting reasonably, with respect to such update or modifications to the Master Plan. If the Parties agree on an updated Master Plan, the Parties shall execute an instrument adopting the revised Master Plan. Failure of the Parties to agree on an updated Master Plan shall not be subject to mediation, and the existing Master Plan shall continue to govern. The Developer acknowledges that the Authority's approval of any modifications to the Master Plan may be conditioned on input from or, if required, approval of the FAA.

3.3 Development Lease Template. The Developer acknowledges that the Authority included a land lease agreement template as part of the **RFP**. The Developer also acknowledges that it did not identify any exceptions to the land lease agreement template as part of their **Project Proposal**. However, the Developer has requested the opportunity to propose revisions to the Authority's land lease agreement template. No later than thirty (30) calendar days following the Effective Date, the Developer will deliver to the Authority, for the Authority's review and approval, a proposed land lease template. If approved the proposed land lease template shall thereafter be the "**Development Lease Template**." If the Authority disapproves the Developer's request for approval pursuant to this Section, the Authority will set forth the reason for its disapproval and a description of the changes, which if made, would cause the Authority to approve the proposed changes to the land lease agreement template. Thereafter the Parties will negotiate in good faith to resolve the Authority's objections, if possible, but the Authority's failure to approve a request for approval shall not be subject to mediation. The Authority will have fifteen (15) Business Days following a request for approval to either approve or disapprove the Developer's request. If the Parties have not established a **Development Lease Template** by the Outside Contingency Deadline the Parties agree that the Developer shall have the right to either (a) agree that the land lease agreement template included in the RFP (with such changes approved by the Authority, in the Authority's reasonable discretion, in connection with the negotiation of the Development Lease Template in accordance with this Section 3.3) will be established as the **Development Lease Template**, or (b) terminate this Agreement and the Master Lease Agreement by delivery of written notice to the Authority prior to the Outside Contingency Deadline. If Developer fails to terminate this Agreement and the Master Lease Agreement in

writing prior to the Outside Contingency Deadline, Developer shall be deemed to have elected to proceed in accordance with the foregoing subpart (a).

3.4 GatewayEast Governance Documents. The Parties acknowledge the potential need to impose one or more governance documents to manage shared common areas within the Project. If the Developer elects to implement any GatewayEast Governance Document, the Developer shall provide the Authority with a proposed GatewayEast Governance Document. The Authority will have fifteen (15) Business Days following receipt of a the initial and ten (10) Business Days following receipt of any subsequent drafts to either approve or disapprove the Developer's request, which approval shall not be unreasonably withheld, conditioned or delayed. If the Authority disapproves of any GatewayEast Governance Document, the Authority will set forth the reason for its disapproval and a description of the changes, which if made, would cause the Authority to grant its approval and thereafter the Parties will negotiate in good faith to resolve the Authority's objections if possible. If the Authority fails to respond within the required period the Developer must give a second notice to the Authority requesting approval of the applicable GatewayEast Governance Document(s), on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE GATEWAYEAST GOVERNANCE DOCUMENT(S) BEING DEEMED APPROVED**." If the Authority fails to respond in writing (in the manner described above) to any matter in such second notice within five (5) Business Days following delivery of such notice, the respective GatewayEast Governance Document shall be deemed to have been approved by the Authority. If the Authority disapproves a request for approval and sets forth the reason for its disapproval, then Developer shall resubmit a revised GatewayEast Governance Document(s) for review and approval. This cycle will repeat itself until the Authority approves the request for approval. The Authority shall execute and acknowledge any GatewayEast Governance Document to be recorded with the Maricopa County Recorder's office.

3.5 Meetings and Reporting Obligations. The Developer Contact will meet with the Authority Contact on a regularly scheduled basis to discuss the progress of the ongoing Development Projects of Developer and any controversies and/or complications which arise, from time to time, during the Term. Unless otherwise agreed in writing by the Parties on or before the first anniversary of the Effective Date and on each anniversary thereafter, the Developer will deliver to the Authority a report regarding its marketing, development and leasing efforts during the preceding year and its recommendations regarding whether, and to what extent, if any, the Master Plan requires modification, update or changes ("**Annual Report**"). Without limiting the foregoing, the Annual Report shall include the following:

3.5.1. A brief narrative report regarding the prior calendar year of activities.

3.5.2. Graphical representation of the Takedown status and development activity within GatewayEast.

3.5.3. A status report on, and any proposed modifications to any components of the Master Plan, and if applicable, a proposed updated Master Plan pursuant to Section 3.2.1.

3.5.4. The projected number of acres of GatewayEast anticipated to be moved to Takedown status in the succeeding twelve (12) month period.

3.5.5. An update on Developer's progress towards satisfaction of the Minimum Development Requirements.

3.5.6. A narrative report regarding anticipated market opportunities and constraints with respect to GatewayEast for the succeeding three (3) calendar year period.

3.5.7. A narrative report regarding general marketing plans and potential Takedowns for the succeeding three (3) calendar year period. This narrative shall be general in nature, and not specific to any Development Lot(s).

3.5.8. The Local and DBE/MBE/WBE/VBE participation rates and other information required pursuant to Section 3.11.1 below.

3.5.9. A narrative report regarding the Community Involvement Plan and its implementation in the preceding year and any proposed amendments for the succeeding year.

The Parties agree that (i) any forward-looking statements, projections, estimates and/or reports involve uncertainties and unknowns and that the actual results may be different from such forward-looking statements, projections, estimates and/or reports, and (ii) except for Developer's obligations under Section 5 of this Agreement, Developer will not be liable or held accountable for any differences between such forward-looking statement, projections, estimate and reports and the actual results.

3.6 Construction of Horizontal Improvements. Subject to Section 2.2.2(e), the Developer will design and construct (or cause the construction of) all Horizontal Improvements in connection with the Project consistent with the Master Plan, and in each case as follows:

3.6.1. Construction Plans. The Developer will (A) comply with all applicable Laws in the design and construction of GatewayEast in all material respects, (B) deliver to the Authority a Preliminary Project Description for any Horizontal Improvements for its review and comment, and (C) obtain the Authority's prior written approval (which approval is not to be unreasonably withheld, delayed or conditioned) with respect to the Construction Drawings. If the Authority disapproves of the Construction Drawings, the Authority will set forth the reason for its disapproval and a description of the changes, which if made, would cause the Authority to approve the Construction Drawings. Thereafter the Parties will negotiate in good faith to resolve the Authority's objections if possible, but the Authority's failure to approve a request for approval shall not be subject to mediation. The Authority will have fifteen (15) Business Days following an initial request for approval and ten (10) Business Days following any subsequent request for approval to either approve or disapprove the Construction Drawings. If the Authority fails to respond within such required period the Developer must give a second notice to the Authority requesting approval of the Construction Drawings, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE CONSTRUCTION DRAWINGS BEING DEEMED APPROVED**." If the Authority fails to respond in writing (in the manner described above) to any matter in such second notice within five (5) Business Days following delivery of such notice, the Construction Drawings shall be deemed to have been approved by the Authority.

3.6.2. Construction Standards. Subject to Section 2.2.2(e), The Developer shall construct (or cause the construction of) the Horizontal Improvements contained in the Master Plan or otherwise required for vertical development of any Development Lot by Developer or its Affiliates in a good and workmanlike manner (including in material compliance with all applicable Laws), and in compliance with the approved Construction Drawings in all material respects.

3.6.3. Costs of Horizontal Improvements. Subject to Section 2.2.2(e) and Section 4.3, the Developer will be responsible for paying or causing the payment of any and all costs related to design, development and construction of all Horizontal Improvements. In that regard, if required the Developer will be responsible to obtain construction financing sufficient to construct the Horizontal Improvements, substantially in accordance with the Master Plan. Pursuant to the applicable terms of the Master Lease Agreement, the Authority will execute and deliver such documents as may be reasonably required in connection with such financing.

3.6.4. Permits and Approvals. The Developer will obtain all required permits, reviews, licenses, consents, authorizations, and approvals as are necessary for its construction of the Horizontal Improvements.

3.7 Master Lease Agreement. The Developer shall comply with the terms of the Master Lease Agreement. Without limiting the foregoing, any default under the Master Lease Agreement (beyond all applicable notice and cure periods) shall constitute a default under this Agreement.

3.8 Marketing. The Developer will (i) use its commercially reasonable efforts to market GatewayEast, including for purposes of developing, marketing and sub-leasing GatewayEast, and subleasing the Vertical Improvements constructed by Developer or its Affiliates, in each case, subject to applicable Laws, including, without limitation, FAA regulations and limitations, if any, (ii) engage a highly recognized marketing firm (such as Small Giants) to assist with overall branding and messaging within the first three (3) months following the Effective Date, in addition to the Developer staff, to assist in developing and implementing a program for marketing GatewayEast and coordinating the Developer's message and outreach program, (iii) establish a project office at GatewayEast within the first eighteen (18) months following the Effective Date, and (iv) engage a reputable and well recognized brokerage company(ies) (such as CBRE, Lee & Associates, Cushman & Wakefield, or Jones Lange LaSalle) during the Term to market GatewayEast. In connection with such the marketing of GatewayEast, the Developer shall not make any representations or warranties (i) regarding GatewayEast or the development thereof on behalf of the Authority, or (ii) that it has the authority to bind the Authority with respect thereto.

3.9 Project Revenue Sharing. As more fully set forth in a Development Lease between the Authority and the Developer or its Affiliates, the Developer or its Affiliate will share 10% of all project cash flows from such Development Lease with the Authority. As more fully set forth in the Development Lease, within one hundred twenty (120) days after each calendar year during the term of a Development Lease, the Developer will deliver to the Authority a report regarding the preceding twelve (12) months overall project cash flows and eligible expenses demonstrating the amount of project cash flows to be shared with the Authority.

3.10 Compliance with U.S. Department of Transportation 49 CFR Part 23. The Developer is required to comply with 49 CFR Part 23 if and to the extent applicable.

3.11 Local, Disadvantaged-, Minority-, Women- and Veteran-Owned Businesses Participation.

3.11.1. The Developer will take such commercially reasonable actions as mutually agreed to in writing by the Parties directed to achieving participation of Local businesses and residents as well as disadvantaged-, minority-, women- and veteran-owned business enterprises ("**DBE/MBE/WBE/VBE**") as subcontractors, vendors, suppliers, workers or otherwise, on the Project, as further described below.

3.11.2. The Annual Report will include the participation rates for each of the above categories and a description of the job training programs, community outreach and other educational programs, such as work training readiness programs, small business development programs and an employer and job seeker database implemented for the Project.

3.12 Community Involvement. Within the first three (3) months of this Agreement, the Developer will create and implement a project community outreach and development plan ("**Community Involvement Plan**") that will continually be modified and enhanced to promote its ultimate effectiveness. The Developer will appoint a key contact person to meet regularly and on a scheduled basis discuss community initiatives underway in which the Developer in its role can actively engage, as well as new initiatives which the Developer can either spearhead or lend its support to promote the growth of the Airport and development of GatewayEast. The key contact person will work to provide that the Developer is represented at agreed upon

community events, meetings, and initiatives that have been mutually identified as integral components to achieving this end. The key contact will work collaboratively with the Authority Contact designee to identify new opportunities for community involvement. The key contact person will report to the Authority Contact on a quarterly basis as to the status of the current initiatives as well as raising any new concerns, ideas, or suggestions discovered in the course of the activities described in this Section.

3.13 No Conflicts. Neither the Developer, its Affiliates, or its direct or indirect constituent members will (i) undertake a similar role with respect to airport development for any airport within Maricopa County, or (ii) will buy or lease any buildings or land for development of uses that are primarily retail, hospitality, manufacturing, and office within a THREE (3) mile radius of the Airport.

4. AUTHORITY'S GENERAL OBLIGATIONS. During the Term, the Authority will have the following general obligations:

4.1 Delegated Authority. The Authority (or any designee duly authorized by the Authority in writing), as the entity vested by the Member Communities with authority over the Airport, will be the sole point of contact for the Developer on all matters related to the Definitive Agreements.

4.2 GatewayEast Availability. Subject to the terms and conditions of this Agreement and the Master Lease Agreement, the Governing Provisions and FAA regulations and other applicable Laws, the Authority will make GatewayEast available for lease to Vertical Developers.

4.3 Spine Road Reimbursement. If Developer chooses to construct the entire cross-section of the Spine Road. the Authority will reimburse Developer for FIFTY PERCENT (50%) of the Eligible Project Costs of the Spine Road improvements. The Parties acknowledge that the Spine Road may be built in phases and, as such, the Developer may request reimbursement from the Authority on several different occasions. The Authority's reimbursement will be issued within TWENTY (20) Business Days following the Developer's completion of all the following stipulations:

(a) Notify the Authority, in writing, of Developer's intent to seek reimbursement pursuant to this Section 4.3;

(b) Obtain Authority approval on the design of the Spine Road improvements, which approval shall not be unreasonably withheld, conditioned or delayed;

(c) Comply with the Authority's public procurement requirements as described in the Authority's Procurement Policy

(d) Achieve acceptance of the Spine Road improvements by the City of Mesa; and

(e) Provide a detailed accounting reasonably acceptable to the Authority, of all of the actual, Eligible Project Costs and an invoice for the Authority's reimbursement.

4.4 Economic Incentives. Subject to compliance with the Governing Provisions and all applicable Laws, the Authority will cooperate with and use commercially reasonable efforts to assist the Developer in obtaining, economic and tax incentives that the Authority and the Developer jointly determine to be reasonable or necessary in order to attract entities to locate commercial enterprises and developments within GatewayEast. Without limiting the foregoing, the Authority may use any and all of the municipal powers that the Authority determines to be reasonable, in its sole discretion, to attract entities to locate commercial enterprises and developments at GatewayEast. Notwithstanding the foregoing, in connection with such incentives and the use of such municipal powers, the Authority shall have no obligation to incur any cost or expense (unless Developer

agrees in writing to reimburse the Authority for the same), to encumber GatewayEast, or to otherwise take any actions that would have a material adverse effect on GatewayEast or the Airport.

4.5 Permits and Approvals. Subject to satisfaction by the Developer or the applicable Vertical Developer of all ordinary and customary requirements (such as payment of fees, preparation of applications and plans), the Authority will assist, support and cooperate with the Developer and any Vertical Developer in obtaining all required permits, entitlements, reviews, licenses, actions, consents, authorizations, and approvals as may be necessary for the completion of the Project or any portion thereof, including, without limitation, the construction of all Horizontal Improvements to be developed by the Developer and all Vertical Improvements be developed by the Vertical Developers within GatewayEast and any approvals required of the FAA, or Member Communities or any other Governmental Authorities. Notwithstanding the foregoing, the Authority shall have no obligation to incur any cost or expense in connection with such assistance, support and cooperation unless Developer agrees in writing to reimburse the Authority for the same.

4.6 Easements. The Authority will consider in good faith the Developer's request to grant easements over portions of the Airport property and/or Project necessary or desirable for the development and efficient operation of the Development Lots (including, but not limited to, easements for utilities, access and other off-site appurtenant rights required in connection with a Development Project); provided that nothing herein will require the Authority to grant any easement if such easement would materially interfere with the Authority's use or intended use of the Airport property. In addition, the Authority will assist, support and cooperate with the Developer and any Vertical Developer in obtaining from third-parties easements and/or rights-of way on property outside of the Airport that may be necessary for the development and the efficient operation of Development Lots; provided that the Authority shall have no obligation to incur any cost or expense in connection with obtaining such easements unless Developer agrees in writing to reimburse the Authority for the same.

4.7 Third-Party Interest. Nothing contained herein, shall preclude the Authority from marketing GatewayEast; provided that the Authority shall keep the Developer reasonably informed of the Authority's efforts and, when the Authority determines that a marketing lead is a viable prospect for a Takedown, it shall refer such prospect to the Developer, which, as master developer of GatewayEast, will negotiate the terms of a proposed sublease directly with such third-party; provided that, subject at all times to FAA regulations and all other applicable Laws, (i) to the extent that such third-party is a governmental or other non-commercial entity that is proposing to conduct non-commercial activities within GatewayEast, the Developer will use its commercially reasonable efforts to accommodate such use to the extent not inconsistent with the Master Plan or materially adverse to the Developer (including with respect to Developer's financing or profits), and (ii) if such third-party proposes to conduct commercial activities within GatewayEast and a sublease is entered into by the Developer (in its sole discretion) with such third-party, and the Authority and the Developer enter into or are parties to a Development Lease with respect to the applicable Development Lot, the Developer will pay to the Authority a fee equal to $10,000 per transaction, for its marketing efforts with respect to GatewayEast.

4.8 The Authority shall not enter into any purchase agreement, option, maintenance, service or other contracts relating to GatewayEast that would materially and adversely affect the Developer's rights under this Agreement.

5. MINIMUM DEVELOPMENT REQUIREMENTS. The Developer will use commercially reasonable efforts to develop GatewayEast and lease or sublease the Development Lots to Vertical Developers or end users to meet the development objectives set forth in the Master Plan, taking into account market opportunities and constraints. Without limiting the foregoing, the Developer will complete the requirements related to development of the Project set forth on **Exhibit F** ("**Minimum Development Requirements**" or "**MDR**") by the dates set forth on **Exhibit F** (each a "**Minimum Development Deadline**").

5.1 Successful Completion of Minimum Development Requirement.

5.1.1. Minimum Development Requirement Achievement. Within fifteen (15) Business Days of the later of (a) Developer's successful achievement of a Minimum Development Requirement, or (b) written notice from Authority indicating that Developer's Achievement Notice (as defined below) is due, the Developer shall provide written notice to the Authority which shall clearly indicate the Minimum Development Requirement achieved and sufficient documentation demonstrating the successful achievement ("**Achievement Notice**"). Upon receipt of an Achievement Notice the Authority will have fifteen (15) Business Days to either (a) acknowledge and accept the successful achievement of the Minimum Development Requirement, (b) reject the Achievement Notice, or (c) request additional information reasonably needed from the Developer to confirm the successful achievement of the Minimum Development Requirement. If the Authority rejects the Achievement Notice, the Authority will set forth the reason for its rejection, and thereafter the Parties will work in good faith to resolve the Authority's objections if possible. If the Authority fails to respond within such required period, the Developer must give a second notice to the Authority requesting acceptance of the achievement of the Minimum Development Requirement, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE MINIMUM DEVELOPMENT REQUIREMENT SET FORTH IN THE ACHIEVEMENT NOTICE DATED _____, 20__ BEING DEEMED APPROVED**." If the Authority fails to respond in writing (in the manner described above) to such second notice within five (5) Business Days following delivery of such notice, the Authority shall be deemed to have acknowledged and accepted the successful achievement of the Minimum Development Requirement.

5.1.2. Successful completion of Minimum Development Requirements # 1, #2 and #3: Within fifteen (15) Business Days following the later of: (i) Authority's acknowledgement and acceptance of the Developer's successful completion of Minimum Development Requirements #1, #2 and #3 (MDR#1, MDR#2, and MDR#3), and (ii) Authority notifying Developer that Developer request for amendment hereunder is due, and if there is no uncured Developer Event of Default, the Developer may request that the Parties amend the Master Lease Agreement to include the Development Phase II property. Along with the request to amend the Master Lease Agreement, the Developer shall provide an amendment to the Master Plan for the Authority's review pursuant to Section 3.2.2 that addresses items (a), (b), (d), (e), (f), (g), (h), and (i) of **Exhibit C** attached hereto for Development Phase II. The Parties shall amend the Master Lease Agreement as soon as reasonably practicable.

5.1.3. Successful completion of Minimum Development Requirements #4, #5 and #6: Within fifteen (15) Business Days following the later of (i) Authority's acknowledgement and acceptance of the Developer's successful completion of Minimum Development Requirements #4, #5and #6 (MDR#4, MDR#5 and MDR#6), and (ii) Authority notifying Developer that Developer request for amendment hereunder is due, and if there is no uncured Developer Event of Default, the Developer may request that the Parties amend the Master Lease Agreement to include the Development Phase III property. Along with the request to amend the Master Lease Agreement, the Developer shall provide an amendment to the Master Plan for the Authority's review pursuant to Section 3.2.2 that addressed items (a), (b), (d), (e), (f), (g), (h), and (i) of **Exhibit C** attached hereto for Development Phase III. The Parties shall amend the Master Lease Agreement as soon as reasonably practicable.

5.2 Failure to Satisfy Minimum Development Requirements #1 through #6. If the Developer does not satisfy any one or more of the first six (6) Minimum Development Requirements by the associated prescribed Minimum Development Deadline(s) the Authority may notify the Developer in writing of such performance default ("**Minimum Development Failure Notice**"). The Developer shall have fifteen (15) Business Days following receipt of a Minimum Development Failure Notice to notify the Authority that it disputes the Authority's Minimum Development Failure Notice or to notify the Authority of which of the following options it elects to provide the Authority as the consequence of such failure of such Minimum Development Requirements. If the Developer disputes the Authority's Minimum Development Failure Notice the Developer must notify the Authority of the reasoning for the dispute and provide documentation

supporting its position. The Parties will negotiate in good faith to resolve the dispute however if the Parties are unable to resolve the dispute within fifteen (15) Business Days from the Authority's receipt of Developer's dispute then either Party may pursue resolution under Section 12.10.

5.2.1. "Exclusion of Property Option":

(a) First Failure. On the first instance of a failure to meet a Minimum Development Requirement to be completed prior to Minimum Development Deadline #1, Minimum Development Deadline #2, Minimum Development Deadline #3, and/or Minimum Development Deadline #4, as applicable, then any portion of Development Phase III not subject to a Development Lease shall be excluded from GatewayEast ("**Relinquished Phase III Property**") and this Agreement and the Master Lease Agreement shall terminate as to the Relinquished Phase III Property.

(b) Second Failure. On the second instance of a failure to meet a Minimum Development Requirement to be completed prior to Minimum Development Deadline #1, Minimum Development Deadline #2, Minimum Development Deadline #3, and/or Minimum Development Deadline #4, as applicable, then any portion of Development Phase II not subject to a Development Lease shall be excluded from GatewayEast ("**Relinquished Phase II Property**") and this Agreement and the Master Lease Agreement shall terminate as to the Relinquished Phase II Property.

(c) Third Failure. On the third instance of a failure to meet a Minimum Development Requirements to be completed prior to Minimum Development Deadline #1, Minimum Development Deadline #2, Minimum Development Deadline #3, and/or Minimum Development Deadline #4, as applicable, then the Authority may, at its sole discretion, terminate by written notice to the Developer prior to the satisfaction of the applicable Minimum Development Requirement this Agreement and the Master Lease Agreement. Such termination shall not affect any then-existing, fully executed Development Leases.

5.2.2. Payment Extension Option. The Developer shall have the right to extend each Minimum Development Deadline for one (1) period of two (2) years by providing the Authority written notice within fifteen (15) Business Days of receipt of a Minimum Development Failure Notice (each, a "**Developer Extension Notice**") for such Minimum Development Deadline. Each Developer Extension Notice shall be accompanied by an extension fee of Two Hundred Fifty Thousand Dollars ($250,000). If the Developer fails to timely execute its right to extend a Minimum Development Deadline and provide payment such extension shall terminate and be of no further force and effect.

5.2.3. Deemed Election. If the Developer fails to notify the Authority within fifteen (15) Business Days following receipt of a Minimum Development Failure Notice of its election of the Payment Extension Option as the remedy for the failure to meet the Minimum Development Requirements, the Developer will be deemed to have elected the Exclusion of Property Option as its remedy.

5.3 Failure to Satisfy Minimum Development Requirements #7 and/or #8. If the Developer does not satisfy Minimum Development Requirement #7 and/or Minimum Development Requirement #8 by Minimum Development Deadline #5, the Authority may send Developer a Minimum Development Failure Notice. The Developer shall have fifteen (15) Business Days following receipt of a Minimum Development Failure Notice to notify the Authority that it elects the "Payment Extension Option" as set forth in Section 5.2.2. If the Developer fails to timely execute its right to extend Minimum Development Deadline and provide payment, then the Authority may, at its sole discretion, terminate by written notice to the Developer this Agreement and the Master Lease Agreement. Such termination shall not affect any then-existing, fully executed Development Leases.

6. REPRESENTATIONS AND WARRANTIES OF THE DEVELOPER.

6.1 The Developer represents and warrants to the Authority that the following are true and accurate as of the Effective Date:

6.1.1. The Developer is a Utah limited liability company, duly organized and existing under and subject to the laws of the state of Arizona. The Developer has all requisite power and authority to enter into and deliver this Agreement and any and all related agreements and documents to which it is a party and to comply with, and fulfill the terms and conditions of, this Agreement and any and all related agreements to which it is a party. The execution and delivery of this Agreement and any and all related agreements to which it is a party by the Developer and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action. This Agreement constitutes, and the related agreements to which it is a party when executed will constitute, legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms and conditions except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar applicable Laws from time to time in effect which affect creditors' rights generally and by legal and equitable limitations on the enforceability of specific remedies.

6.1.2. The Developer's execution and delivery of this Agreement and any and all related agreements to which it is a party and the consummation of the transactions herein and therein contemplated will not conflict with, or constitute a breach or default under, the Developer's articles of organization and operating agreement or the material provisions of any bond, debenture, note or any other evidence of indebtedness, loan agreement, lease or other contract to which the Developer is a party or by which it is bound, the breach of which would have a material adverse effect on the Developer or affect the Developer's ability to perform its obligations under this Agreement (and under the documents attached as exhibits hereto), or to the best of its actual knowledge, violate any applicable Law or any court order or judgment in any proceeding to which the Developer is or was a party or by which it is bound.

6.1.3. There is no action, suit, proceeding or investigation, at law or in equity, or by or before any U.S. court, arbitrator, administrative agency or other federal, state or local Governmental Authority, pending or, to the actual knowledge of the Developer, threatened against the Developer, wherein an unfavorable decision, ruling or finding would have a material adverse effect on the validity of this Agreement or a material adverse effect on the transactions contemplated hereby.

6.1.4. Any and all consents, authorizations and approvals required in connection with the execution, delivery and performance of this Agreement and any and all related agreements by the Developer and the consummation by the Developer of the transactions contemplated hereby or thereby have been obtained. The Developer has taken, or will take before the Effective Date, all actions necessary under any applicable Law, codes, rules and regulations to enter into this Agreement and to fulfill and satisfy all of its obligations hereunder.

6.1.5. The Developer is, and shall remain, in compliance with existing laws of the state of Arizona and the Municipal Code of the City of Mesa, Arizona, regarding prohibition of discrimination in employment practices on the basis of race, color, national origin, sex, religion or handicap.

6.1.6. The Developer has not dealt with any broker, finder or other Person with respect to this Agreement or the transactions between the Developer and the Authority contemplated hereby or thereby, and, insofar as the Developer knows, no broker, finder or other Person is entitled to any commission or a finder's fee in connection herewith.

6.2 In the event that any change in circumstances results in any representation and warranty of the Developer becoming untrue, the Developer will promptly notify the Authority in writing. Any such notification will not affect the Authority's right to indemnification set forth in Section 11 of this Agreement.

6.3 All of the Developer's representations and warranties set forth in this Section 6 shall survive for a period ending twenty-four (24) months following the termination or expiration of this Agreement ("**Fulfillment Date**"). If any Developer representation or warranty set forth herein is breached in any material respect on or prior to the Fulfillment Date, then the indemnity rights set forth in this Agreement shall survive with respect to such breach until the date such material breach is cured.

6.4 The Parties acknowledge that Developer makes no representations or warranties with respect to any Vertical Developer that leases any portion of GatewayEast, and such representations or warranties shall be included in the Development Lease.

7. REPRESENTATIONS AND WARRANTIES OF THE AUTHORITY.

7.1 The Authority represents and warrants to the Developer that the following are true and accurate as of the Effective Date:

7.1.1. The Authority is a public body duly organized and existing under the laws of the state of Arizona. The Authority has all requisite power and authority to enter into and deliver this Agreement and any and all related agreements and documents to which it is a party and to comply with, and fulfill the terms and conditions of, this Agreement and any and all related agreements to which it is a party. The execution and delivery of this Agreement and any and all related agreements to which it is a party by the Authority and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action. This Agreement constitutes, and the related agreements to which it is a party when executed will constitute, legal, valid and binding obligations of the Authority, enforceable in accordance with their respective terms and conditions except as such enforcement may be limited by applicable bankruptcy, insolvency, moratorium or similar applicable Laws from time to time in effect which affect creditors' rights generally and by legal and equitable limitations on the enforceability of specific remedies.

7.1.2. The Authority's execution and delivery of this Agreement and any and all related agreements to which it is a party and the consummation of the transactions herein and therein contemplated will not conflict with, or constitute a breach or default under, the Authority's organizational documents or the material provisions of any bond, debenture, note or any other evidence of indebtedness, loan agreement, lease or other contract to which the Authority is a party or by which it is bound, the breach of which would have a material adverse effect on the Authority or affect the Authority's ability to perform its obligations under this Agreement (and under the documents attached as exhibits hereto), or to the best of its actual knowledge, violate any applicable Law or any court order or judgment in any proceeding to which the Authority is or was a party or by which it is bound

7.1.3. There is no action, suit, proceeding or investigation, at law or in equity, or by or before any U.S. court, arbitrator, administrative agency or other federal, state or local Governmental Authority, pending or, to the actual knowledge of the Authority, threatened against the Authority, wherein an unfavorable decision, ruling or finding would have a material adverse effect on the validity of this Agreement or a material adverse effect on the transactions contemplated hereby.

7.1.4. Any and all consents, authorizations and approvals required in connection with the execution, delivery and performance of this Agreement and any and all related agreements by the Authority and the consummation by the Authority of the transactions contemplated hereby or thereby have been obtained. The Authority has taken, or will take before the Effective Date, all actions necessary under any applicable Law, codes, rules and regulations to enter into this Agreement and to fulfill and satisfy all of its obligations hereunder.

7.1.5. The Authority has not dealt with any broker, finder or other Person with respect to this Agreement, any other Definitive Agreement or the transactions between the Developer and the Authority

contemplated hereby or thereby, and, insofar as the Authority knows, no broker, finder or other Person is entitled to any commission or a finder's fee in connection herewith.

7.1.6. The Authority has received no written notice, and is not aware that any notice to any other Person has been given, of any violation or claimed violation of any law, ordinance, rule or regulation relating to hazardous substances, hazardous wastes, pollutants or contaminants, on any portion of the GatewayEast.

7.1.7. The Authority is the sole owner of GatewayEast and is in exclusive possession of GatewayEast. With the exception of short-term construction staging arrangements that will not materially interfere with Developer's rights and obligations hereunder, there is no lease, sublease, tenancy or occupancy agreement pertaining to or affecting the use or occupancy of GatewayEast, and no Person, except as expressly set forth in the short-term construction staging arrangements, has or has asserted any right of use or possession to the GatewayEast or any portion of GatewayEast. At the execution of a Development Lease with the Developer or its Affiliate, the Authority will lease to the Developer the Development Lot free and clear of all liens, encumbrances, security interests, leases, subleases, tenancies, covenants, conditions, restrictions, rights-of-way, easements, judgments, encroachments and other matters affecting title, except for (1) the Permitted Exceptions, (2) matters arising by, through or under the Developer or its employees, agents or contractors in accordance with the Master Lease Agreement, and (3) matters arising pursuant to Section 27 of the Master Lease Agreement.

7.2 In the event that any change in circumstances results in any representation and warranty of the Authority becoming untrue, the Authority will promptly notify the Developer in writing. Any such notification will not affect the Developer right to indemnification set forth in Section 11 of this Agreement.

7.3 All of the Authority's representations and warranties set forth in this Section 7 shall survive for a period ending on the Fulfillment Date. If any Authority representation or warranty set forth herein is breached in any material respect on or prior to the Fulfillment Date, then the indemnity rights set forth in this Agreement shall survive with respect to such breach until the date such material breach is cured.

8. EVENTS OF DEFAULT – DEVELOPER.

8.1 Developer Event of Default. A "**Developer Event of Default**" shall exist when the Developer materially fails to observe and perform:

8.1.1. Any monetary obligation on its part to be observed or performed hereunder within ten (10) days after written notice to the Developer specifying such failure and requesting that it be remedied;

8.1.2. Any other non-monetary obligation (other than a failure of a Minimum Development Requirement, which is not a Developer Event of Default and is addressed in Section 5) on its part to be observed or performed hereunder within thirty (30) days after written notice to the Developer specifying such failure and requesting that it be remedied, provided, if such non-monetary obligation is not capable of being remedied within thirty (30) days, within such further period of time as is reasonably necessary to cure such failure, but only if the Developer has, within said thirty (30) day period provided the Authority with assurances, deemed reasonably adequate by the Authority, that the Developer will cure the failure as soon as is reasonably possible (but in no event longer than one hundred eighty (180) days) and the Developer so commences and completes such cure; or

8.1.3. Any obligation on its part to be observed or performed under the Master Lease Agreement within any applicable cure period.

8.2 Remedies Upon a Developer Event of Default. Upon any Developer Event of Default, the Authority may:

8.2.1. Pursue a claim for specific performance against the Developer to cure the Developer Event of Default (it being acknowledged and understood by the Developer that monetary damages may not be an adequate remedy to the Authority for the Developer Event of Default); and/or

8.2.2. Pursue a claim for monetary damages; and/or

8.2.3. Terminate this Agreement provided there is no good faith dispute as to the existence of a Developer Event of Default for which notice has been given in accordance with Section 12.10. If there is a good faith dispute as to the existence of a Developer Event of Default for which notice has been given in accordance with Section 12.10, the Authority's right to terminate this Agreement shall be subject to Developer's right to cure such Developer Event of Default within the following periods following a final resolution pursuant to Section 12.10: (a) within ten (10) days following such final resolutions for any monetary Developer Event of Default; and (b) within thirty (30) days after such final resolution for any non-monetary Developer Event of Default, provided, if such non-monetary Developer Event of Default is not capable of being remedied within thirty (30) days, within such further period of time as is reasonably necessary to cure such Developer Event of Default, but only if the Developer has, within said thirty (30) day period provided the Authority with assurances, deemed reasonably adequate by the Authority, that the Developer will cure the failure as soon as is reasonably possible (but in no event longer than one hundred eighty (180) days) and the Developer so commences and completes such cure.

If the Authority expends any money in the successful enforcement of its rights or the performance of any Developer's obligations hereunder or the successful defense of any claimed breach by the Developer, the Developer shall reimburse the Authority for all such reasonable expenditures and reasonable attorneys' fees and court costs. The rights under this Section 8, together with any indemnity rights specifically set forth herein and the termination right set forth herein, shall be the exclusive remedies reserved to the Authority in the event of a Developer Event of Default and in no event shall any consequential, punitive, special, incidental or indirect damages or damages solely attributable to diminution of value or lost profits be recoverable against the Developer. No delay or omission to exercise any right or power accruing upon any Developer Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

9. EVENT OF DEFAULT – AUTHORITY.

9.1 Authority Event of Default. An "**Authority Event of Default**" shall exist when the Authority materially fails to observe and perform:

9.1.1. Any monetary obligation on its part to be observed or performed hereunder within ten (10) days after written notice to the Authority specifying such failure and requesting that it be remedied; or

9.1.2. Any non-monetary obligation on its part to be observed or performed hereunder within thirty (30) days after written notice to the Authority specifying such failure and requesting that it be remedied, provided, if such non-monetary obligation is not capable of being remedied within thirty (30) days, within such further period of time as is reasonably necessary to cure such failure, but only if the Authority has, within said thirty (30) day period provided the Developer with assurances, deemed reasonably adequate by the Developer, that the Authority will cure the failure as soon as is reasonably possible (but in no event longer than one hundred eighty (180) days) and the Authority so commences and completes such cure; or

9.1.3. Any obligation on its part to be observed or performed under the Master Lease Agreement within any applicable cure period.

9.2 Remedies Upon an Authority Event of Default. Upon an Authority Event of Default, the Developer may:

9.2.1. Pursue a claim for specific performance against the Authority (it being acknowledged and understood by the Authority that monetary damages may not be an adequate remedy to the Developer for the Authority's failure to observe its obligations hereunder); and/or

9.2.2. Pursue a claim for monetary damages; and/or

9.2.3. Terminate this Agreement.

If the Developer expends any money in the enforcement of its rights or the Authority's obligations hereunder or the successful defense of any claimed breach by the Authority, the Authority shall reimburse the Developer for all such reasonable expenditures and reasonable attorneys' fees and court costs. The rights under this Section 9, together with any indemnity rights specifically set forth herein shall be the exclusive remedies reserved to the Developer in the event of an Authority Event of Default and in no event shall any consequential, punitive, special, incidental or indirect damages or damages solely attributable to diminution of value or lost profits be recoverable against the Authority hereunder. No delay or omission to exercise any right or power accruing upon any Authority Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

10. TERM; TERMINATION; UNAVOIDABLE DELAY.

10.1 Term. The term of this Agreement shall commence on the Effective Date and shall continue until the fortieth (40th) anniversary of the Effective Date ("**Term**"), unless sooner terminated in accordance with the terms hereof.

10.2 Termination. This Agreement:

10.2.1. shall automatically terminate upon the expiration or termination of the Master Lease Agreement;

10.2.2. may be terminated by the Authority upon the failure of the Developer to satisfy the Minimum Development Requirements pursuant and subject to Section 5.2.1(c) or 5.3;

10.2.3. may be terminated by the Authority upon a Developer Event of Default pursuant and subject to Section 8.2;

10.2.4. may be terminated by the Developer upon an Authority Event of Default pursuant to Section 9.2; or

(i) may be terminated by either the Authority or the Developer, with immediate effect upon providing written notice to the other Party, if an Insolvency Event occurs with respect to other Party.

10.3 Unavoidable Delay. In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Agreement to be performed by such Party, including, without limitation, the Minimum Development Requirements ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay, then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. Notwithstanding anything herein to the contrary, in the event of an Unavoidable Delay in the performance by a Party of any non-monetary conditions or obligations under this Agreement such Party shall not be considered in breach of this Agreement provided that unless otherwise agreed by the Parties, no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay

no later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay. Such affected Party shall undertake commercially reasonable efforts to continue to perform all of its obligations under this Agreement notwithstanding such Unavoidable Delay, but the time for performance of such conditions or obligations affected by the Unavoidable Delay shall be extended for the period necessitated by the Unavoidable Delay.

10.4 Effect of Termination. In the event of a termination under Section 10.2 above, this Agreement and the Master Lease Agreement shall terminate, but any Development Leases executed prior to such termination shall continue in effect.

11. INDEMNIFICATION.

11.1 Indemnity and Waiver for the Authority Indemnified Parties. To the fullest extent permitted by applicable Law, the Developer shall indemnify, defend and hold harmless the Authority Indemnified Parties from and against Claims, including, but not limited to, reasonable attorneys' fees, for damage or injury to Persons or property arising out of or resulting from (A) the breach of the Developer's representations and warranties under this Agreement, (B) any fraud, gross negligence or willful misconduct of the Developer in performing its obligations under this Agreement, and/or (C) performance of any work within GatewayEast (including, but not limited to, the construction of Horizontal Improvements) by the Developer, its contractors, consultants, employees or, agents except to the extent caused by the gross negligence or willful misconduct of an Authority Indemnified Party. The indemnity set forth in this Section shall survive the termination or expiration of this Agreement.

11.2 Indemnity and Waiver for Developer Indemnified Parties. To the fullest extent permitted by applicable Law, the Authority shall indemnify, defend and hold harmless the Developer Indemnified Parties from and against Claims, including, but not limited to, reasonable attorneys' fees, for damage or injury to Persons or property arising out of or resulting from (A) the breach of the Authority's representations and warranties under this Agreement; or (B) any fraud, gross negligence or willful misconduct of the Authority in performing its obligations under this Agreement. The indemnity set forth in this Section shall survive the termination or expiration of this Agreement.

12. MISCELLANEOUS.

12.1 Intentionally Deleted.

12.2 Notices. Except as expressly set forth herein, normal notices, demands and communications between the Parties will be sufficiently given if, and will not be deemed given unless, delivered personally, dispatched by certified mail, postage prepaid, return receipt requested, or sent by a nationally recognized express delivery or overnight courier service, to the office of the Parties shown as follows, or such other address as the Parties may designate in writing from time to time:

To the Authority:

Phoenix-Mesa Gateway Airport Authority
5835 S. Sossaman Road
Mesa, Arizona 85212
Attention: Business Development Director
Email: SJoachim@gatewayairport.com

With a copy to (which shall not constitute notice):

Snell and Wilmer L.L.P.
One Arizona Center
400 E. Van Buren
Phoenix, Arizona 85020
Attention: Jill Casson Owen
Email: jowen@swlaw.com

To the Developer: Boyer Gateway East, L.C.
c/o The Boyer Company, L.C.
101 South 200 East, Suite 200
Salt Lake City, Utah 84111
Attention: Jake Boyer

With a copy to (which shall not constitute notice):

To Guarantor: The Boyer Company, L.C.
101 South 200 East, Suite 200
Salt Lake City, Utah 84111
Attention: Jake Boyer

With a copy to: Parr Brown Gee & Loveless
101 South 200 East, Suite 700
Salt Lake City, Utah 84111
Attention: Barton L. Gertsch

If requested by a Mortgagee (as defined in the Master Lease Agreement), whose name and address has been provided in writing to the Authority, and if the Authority shall give any notice, demand, election or other communication required hereunder to the Developer, the Authority shall concurrently give a copy of each such notice to the Mortgagee at the address designated by the Mortgagee.

Such written notices, demands, and communications will be effective on the date shown on the delivery record as the date delivered (or the date on which delivery was refused) or in the case of registered mail three (3) Business Days following deposit of such instrument in the United States Mail. A copy of any notice may also be given by email, but such notice shall only be effective if delivered by the means set forth above. Any notice to be given by any Party hereto may be given by legal counsel for such Party. Counsel for the Party may give simultaneous notice hereunder to the opposing Party and its counsel. Any Party hereunder may, by notice given hereunder, designate any further or different addressees to which subsequent notices, certificates, requests or other communications shall be sent.

12.3 Consents and Approvals. Subject to any provision contained herein to the contrary, whenever consent or approval of a Party is required under any provision hereof, or a matter is subject to the satisfaction, judgment, determination or designation of a Party under any provision hereof, except as expressly provided herein, such Party shall not unreasonably condition, delay, deny or withhold such consent or approval, and shall not be unreasonable in deciding whether such matter is satisfactory, or in making such judgment, determination or designation.

12.4 Time is of the Essence. Except for extensions of time resulting from an Unavoidable Delay as provided in Section 10.3 or as otherwise provided herein, the times for performance provided in this Agreement are essential as they relate to the performance of each of the obligations and deadlines contained in this Agreement. If a time is not specified, performance shall be required promptly and with due regard to the conditions of performance of other Party in reliance thereon.

12.5 Binding Effect. This Agreement shall inure to the benefit of, and shall be binding upon, the Authority, the Developer and their respective successors and assigns.

12.6 Entire Agreement; Amendments.

12.6.1. This Agreement and the agreements and documents referenced herein, supersede and control all previous oral and written discussions and agreements relating to the subject matter hereof (including, without limitation, the RFP and the MOU), and constitute the entire agreement between the Parties.

12.6.2. No amendment or modification to, or extension or waiver of any provisions of, or consent provided under, this Agreement shall be valid unless such amendment, modification, extension, consent or waiver is in writing and signed or approved electronically by all the Parties, or, in the case of consent or waiver, by the Party granting the same.

12.7 Assignment and Severability. The rights and obligations of the Developer under this Agreement may not be assigned by the Developer without the prior written consent of the Authority, which consent may be given or withheld in the Authority's sole discretion. At the time of the Authority's lease to Developer, an Affiliate of Developer, or Third-Party Vertical Developer or any other third-party of a Development Lot pursuant to a Development Lease, the Developer and Guarantor will be released from its obligations set forth under this Agreement that relate to such Development Lots arising from and after the date of such Development Lease. In case any section or provision of this Agreement, or in case any covenant, stipulation, obligation, agreement, act or action, or part thereof, made, assumed, entered into or taken under this Agreement, or any application thereof, is, for any reason, held to be illegal or invalid, or is at any time inoperable by reason of any law, or actions thereunder, such illegality or invalidity or inoperability shall not affect the remainder thereof or any covenant, stipulation, obligation, agreement, act or action, or part thereof, made, assumed, entered into or taken under this Agreement, which shall, at the time, be construed and enforced as if such illegal or invalid or inoperable portion were not contained therein.

12.8 Non-Merger Provisions. None of the provisions of this Agreement that are intended to be performed or completed after the Effective Date shall be merged by reason of leases, deeds or other conveyances, and any such leases, deeds or other conveyances shall not be deemed to affect or impair any of the provisions and covenants of this Agreement which are intended to be performed or completed after the Effective Date.

12.9 Governing Law. This Agreement, and any matters relating to or arising from the subject matter hereof, shall be construed, interpreted, applied and enforced in accordance with, and shall be governed by, the laws of the state of Arizona, without regard to principles of conflicts of laws. The obligations of the Parties are performable in Maricopa County, Arizona, and venue for any dispute arising hereunder will lie exclusively in the state courts or federal district court, as applicable, located in Maricopa County, Arizona.

12.10 Alternative Dispute Resolution. In the event of a dispute between the Authority and the Developer with respect to the terms or provisions of this Agreement, any Party may make a demand for mediation of this Agreement by written notice to the other Party. Such notice shall state that a dispute exists, shall request mediation pursuant to this Section 12.10 and shall set forth a succinct statement of the matter in dispute. Within ten (10) days after the receipt of the notice as provided above, the other Party shall submit to the demanding Party (in the same manner as notices are given hereunder) a written response setting forth a

succinct statement of the responding Party's position. Such mediation shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect by a mediator selected by the agreement of the Parties from a list of five (5) potential mediators from the Phoenix, Arizona area with experience relating to the particular matter or matters in dispute, which list shall be furnished to the Parties by the American Arbitration Association (or its successors). If the Parties fail to agree on a single mediator within fifteen (15) days after receipt of such list of potential mediators, then the Parties shall select a mediator from such list by an alternate striking process, with the Party initiating the demand for mediation striking first. The mediator selected by agreement of the Parties or the last unstricken mediator from the striking process shall serve as the mediator for purposes of this Section 12.10. If the matter in dispute has not been resolved within thirty (30) days after the selection of a mediator, if the Parties fail to select a mediator within thirty (30) days after receipt of the list of potential mediators either Party may thereafter initiate litigation. All negotiations pursuant to this Section 12.10 are confidential and shall be treated as compromise and settlement negotiations for purposes of the Federal Rules of Evidence and applicable state rules of evidence. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Section 12.10 are pending. The Parties shall take such action, if any, required to effectuate such tolling.

12.11 Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

12.12 Captions. The captions of the various sections herein contained are solely for the convenience of the Parties and shall not be construed to interpret or limit the content of any provision or section of this Agreement.

12.13 Construction of Agreement. This Agreement has been reviewed and revised by legal counsel for both the Developer and the Authority, and no presumption or rule that ambiguities shall be construed against the drafting Party shall apply to the interpretation or enforcement of this Agreement.

12.14 Relationship of Parties; No Third Party Beneficiaries. This Agreement creates an independent contractor relationship of the Developer to the Authority. The Developer and the Authority are not partners or joint venturers, nor is either the principal or agent of the other, and nothing herein will be construed to create any such relationship between the Parties, or to render either Party liable for any obligations of the other. The only beneficiaries of this Agreement are the Developer to the Authority. There are no third-party beneficiaries.

12.15 Estoppel Certificates. Upon thirty (30) days' prior written notice, each Party agrees to sign and deliver to the other Party a statement certifying (a) that this Agreement is unmodified and in full force and effect (or, if that is not the case, so stating and setting forth any modifications), (b) that, to the responding Party's knowledge, the requesting Party is not in breach of this Agreement (or, if that is not the case, so stating and setting forth any alleged breaches), and (c) any other information reasonably related to the status of this Agreement. This certificate may only be relied upon by the Party requesting the certificate and any parties specifically identified by name in the request, may only be used to estop the responding Party from claiming that the facts are other than as set forth in the certificate, and may not be relied upon by any Person or entity, even if named in such estoppel certificate, who knows or should know that the facts are other than as set forth in such certificate.

12.16 Recording/Filing. Upon request of a Party, the Parties will execute a memorandum of this Agreement in a form reasonably approved by the Parties, and the requesting Party may record the memorandum against the GatewayEast in the Official Records of Maricopa County, Arizona. After the execution of a Development Lease, upon the request of either Party, the Parties will record an amendment to any recorded memorandum to remove the Development Lot set forth in such Development Lease from the memorandum.

12.17 No Personal Liability. No Affiliates, members, managers, general partners, limited partners, shareholders, directors, officers, regents, officials, employees, attorneys or agents of the Authority or the Developer shall have any liability with respect to, and each of the Authority and the Developer hereby waives, releases, and agrees not to sue any of them upon, any Claims suffered or incurred by the Authority or the Developer, as applicable, in connection with, arising out of, or in any way related to, this Agreement or any of the transactions contemplated by this Agreement. The provisions of this Section 12.17 will survive the expiration or earlier termination of this Agreement.

12.18 Conflict of Interest. In accordance with A.R.S. §38-511, the Authority may cancel this Agreement upon sixty (60) days written notice to the Developer within three (3) years after the execution of this Agreement, without penalty or further obligation, if any Person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of the Authority, at any time while this Agreement or any extension thereof is in effect, becomes an employee or agent of the Developer to this Agreement in any capacity or a consultant to the Developer with respect to the subject matter of this Agreement.

13. GUARANTY.

13.1 This Agreement is executed by Guarantor solely to evidence its agreement to guaranty all covenants, conditions and obligations of the Developer under this Agreement and the Master Lease Agreement executed pursuant hereto ("**Guaranteed Obligations**").

13.2 This Guaranty will continue unchanged by the occurrence of any event qualifying as a disaffirmance or abandonment of the Agreement by the Developer. Neither Guarantor's obligation to render performance in accordance with the terms of this Guaranty nor any remedy for the enforcement hereof shall be impaired, modified, changed, released, or limited in any manner whatsoever by an Insolvency Event of Developer or Guarantor.

13.3 Guarantor hereby waives any right to require the Authority to proceed against any other Person or to proceed against or exhaust any security held by it at any time or to pursue any other remedy before proceeding against Guarantor. If any right of action shall accrue to the Authority under this Agreement, the Authority may proceed against Guarantor and the Developer, jointly and severally, or the Authority may, at its option, proceed against Guarantor, without having commenced any action or having obtained any judgment, against the Developer. Guarantor hereby waives the provisions of Sections 12-1641, et seq., Arizona Revised Statutes, or any similar or successor statutes, and the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of the Guaranteed Obligations.

13.4 Guarantor agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempted collection of this Guaranty or in enforcing this Guaranty against Guarantor.

13.5 Guarantor hereby fully and completely waives, releases, and relinquishes notice of any demand by the Authority, any notice of default in the payment of any amounts contained or reserved in this Agreement, or any other notice of default under the Agreement. Guarantor expressly agrees that the validity of this Guaranty and the obligations of Guarantor shall in no way be terminated, affected, or impaired by reason of any waiver by the Authority or its successors or assigns, or failure to enforce any of the terms, covenants, or conditions of the Agreement or this Guaranty, or the granting of any indulgence or extension of time to the Developer, all of which may be given or done without notice to Guarantor.

13.6 Until the Developer has satisfied all covenants, or conditions obligation under the Agreement and the Master Lease Agreement, at the end of each fiscal quarter of Guarantor, commencing with the fiscal quarter ending September 30, 2022, Guarantor shall achieve:

13.6.1. Tangible Net Worth of not less than $100,000,000; and

13.6.2. Liquidity of not less than $10,000,000.

13.7 For purposes of this Section 13:

13.7.1. "**Tangible Net Worth**" shall mean the current value, on a basis consistent with the statement of financial position dated December 31, 2021, of Guarantor's assets (excluding goodwill, patents, trademarks, trade names, organization expense, treasury stock, unamortized debt discount and expense, deferred research and development costs, deferred marketing expenses, and other like intangibles), less total Debt, including but not limited to accrued and deferred income taxes, and any reserves against assets, all as determined in accordance with the methods described in Guarantor's statement of financial position.

13.7.2. "**Liquidity**" shall mean the sum of (i) Guarantor's unencumbered cash, cash equivalents, and marketable securities, and (ii) Guarantor's unrestricted cash, cash equivalents, and marketable securities, all as determined on a current value basis.

13.7.3. "**Debt**" shall mean without limitation, (a) any indebtedness or liability for borrowed money, (b) all indebtedness evidenced by bonds, debentures, notes, letters of credit, drafts or similar instruments, (c) all indebtedness to pay the deferred purchase price of property or services (including trade obligations), (d) all capitalized lease obligations, (e) all synthetic lease obligations, (f) current liabilities and respective unfunded vested benefits under plans covered by ERISA, (g) obligations secured by liens and encumbrances whether or not the obligations have been assumed, (h) obligations under acceptance facilities, and (i) all other indebtedness that would be reported as a liability upon a balance sheet prepared in accordance with GAAP.

13.7.4. "**GAAP**" shall mean generally accepted accounting principles consistently applied.

[Signatures to follow.]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed on or as of the day and year aforesaid.

Depiction of Development Phase III

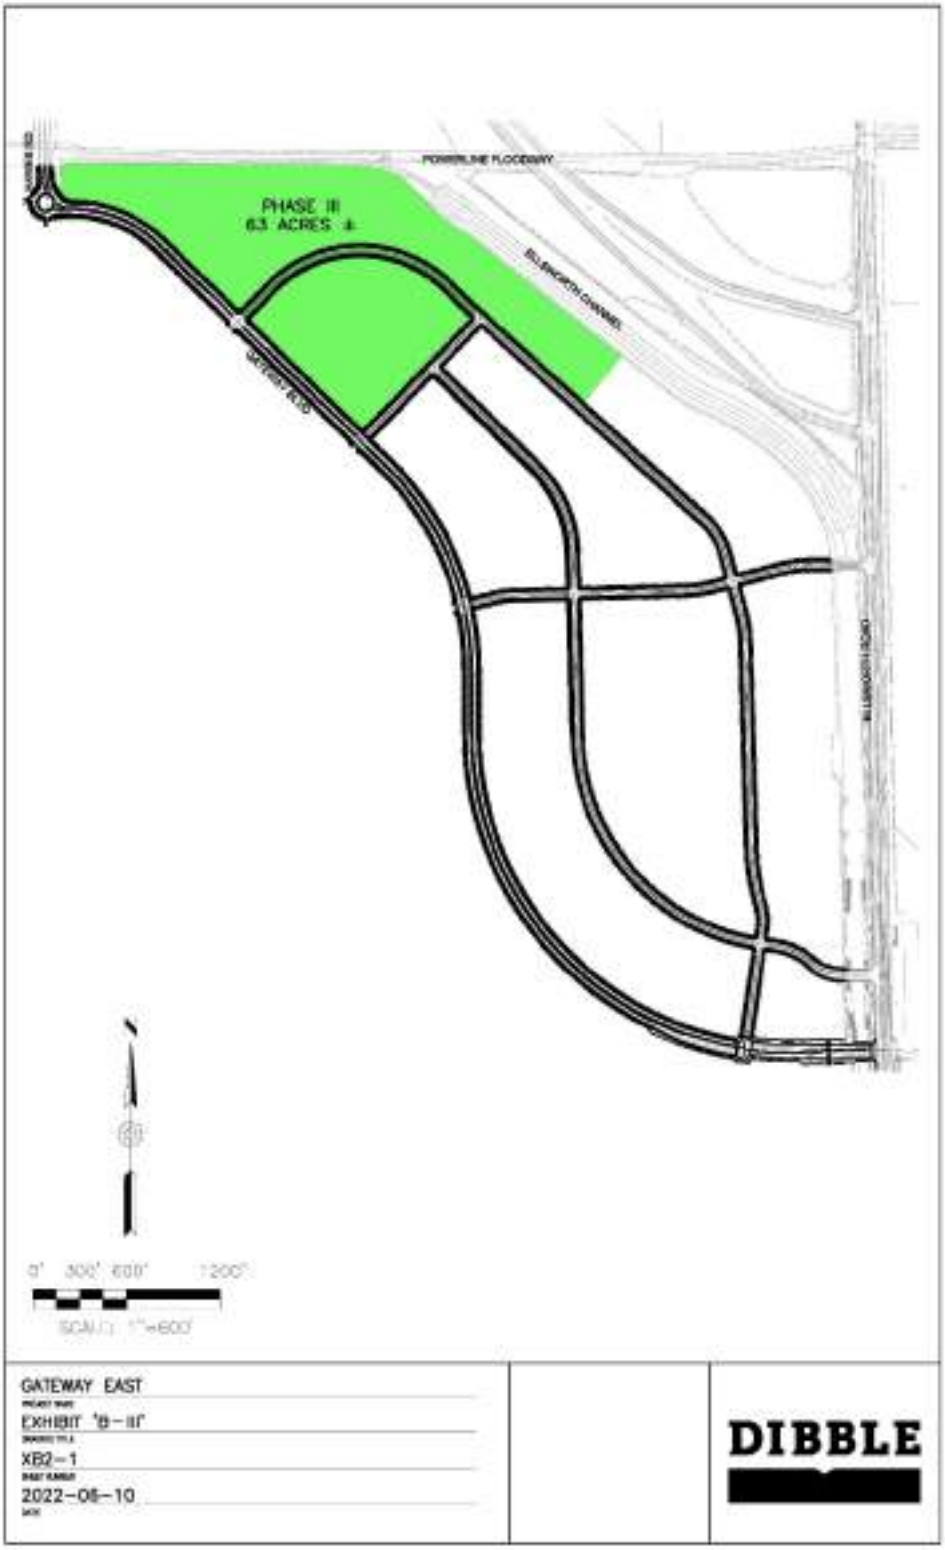

EXHIBIT C

Key Items of the Master Plan

The Master Plan shall include (without limitation) the following items:

(a) A detailed site plan for the Project, including the boundaries of the Development Phases,

(b) A Development Lot map for Development Phase I that complements the Airport's existing lot naming conventions and clearly identifies Development Lots and a conceptual Development Lot map for Development Phase II and Development Phase III,

(c) A land-use plan, zoning map and development standards (if applicable) for the GatewayEast,

(d) A detailed infrastructure plan for Development Phase I showing the Horizontal Improvements to be constructed to serve each Development Lot and a conceptual site plan for Development Phases II and III,

(e) A detailed financing plan for Development Phase I,

(f) A comprehensive landscape plan for Development Phase I,

(g) Vertical Improvement design guidelines for Development Phase I,

(h) A financial analysis of the Project which specifically outlines the anticipated revenue and timing of the revenue due to the Airport (including project revenue sharing) based on market assumptions and on the terms in the Master Lease Agreement and Master Development Agreement,

(i) A detailed marketing plan with associated budget for Development Phase I, and

(j) A detailed traffic study based on City of Mesa requirements.

EXHIBIT D

Description of City Improvements

The City of Mesa is expected to provide the following improvements to the site:

- The design and construction of the main culinary water and sanitary sewer lines that are required to provide service to the overall development. These main lines will run within the Spine Road alignment and will be sized so that they can accommodate the anticipated development of the overall development. Developer has received the design plans for the water and sanitary sewer and acknowledges that it is sufficient for Developer's purposes.

- The design and construction of the initial 1000 linear feet of pavement, sidewalks, landscaping and required utilities within the Spine Road alignment, including the bridge crossing of the Ellsworth Channel. This work is expected to start at Ellsworth Road and run 1000 feet northwest into the site to the first 4-way intersection which connects with Aviation Way.

- The Authority will provide a good faith effort to ensure the design efforts by the City of Mesa are to include coordination with the Developer's design and civil engineering team so that the City Improvements tie into the future planned improvements

EXHIBIT E

Spine Road Alignment

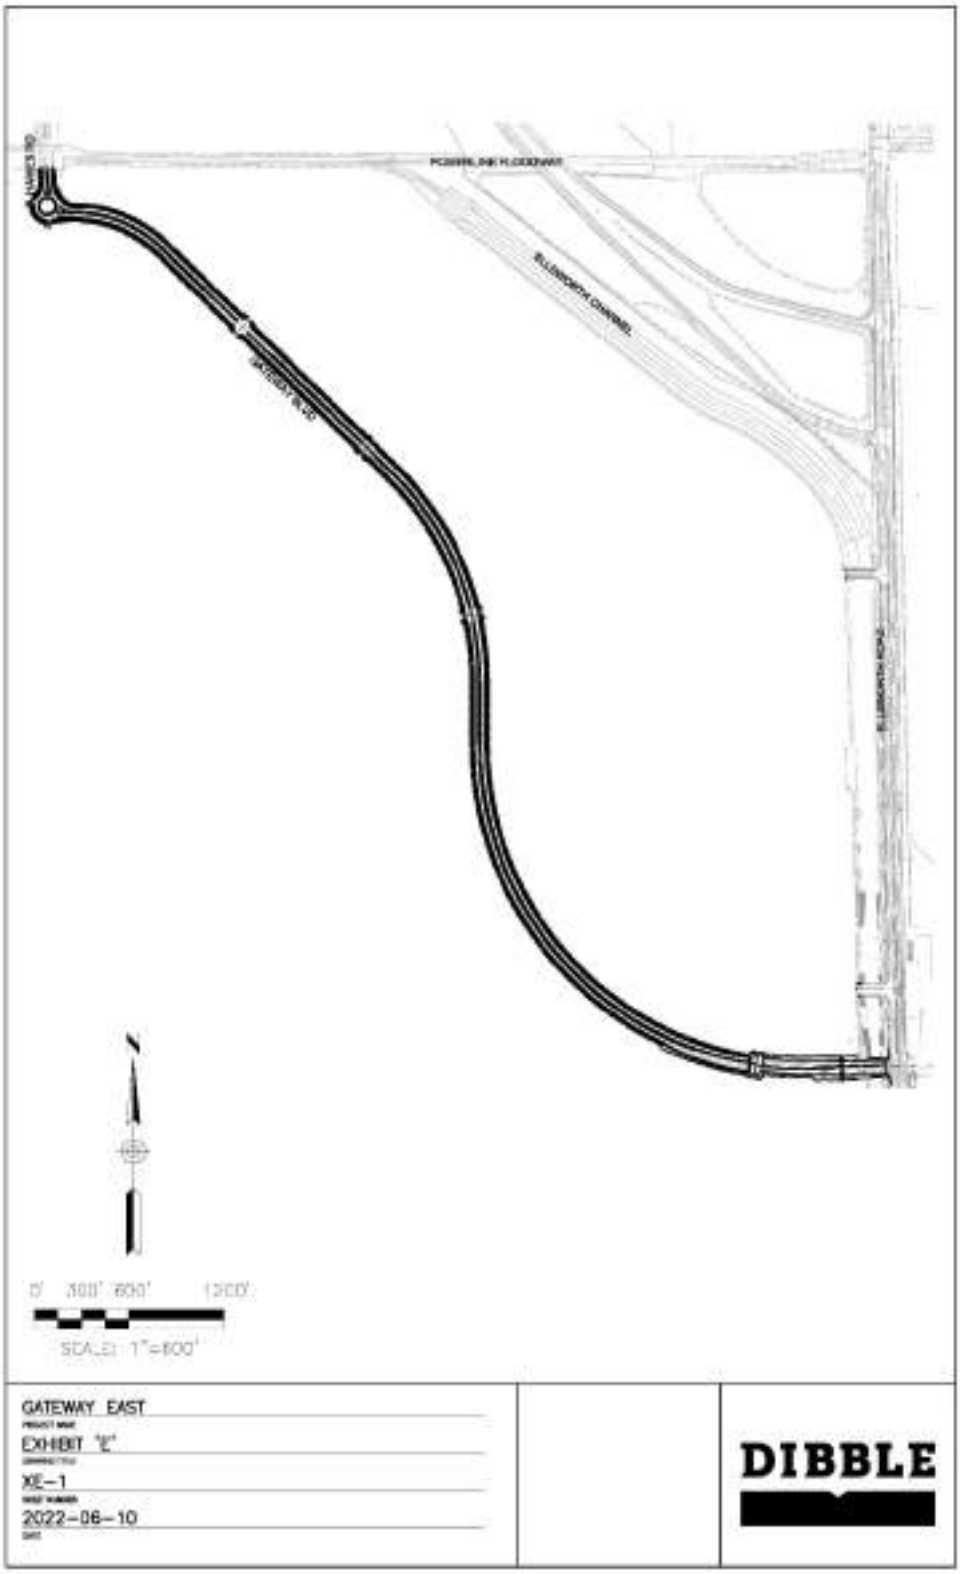

EXHIBIT F

Minimum Development Requirements

Minimum Development Deadline #1	**Minimum Development Requirement(s)**
On or before the 5th anniversary of the Effective Date	**MDR#1:** 500,000 SF of commercial development which must include a minimum of 20,000 SF of retail and/or hospitality development.
	MDR #2: All of the Development Phase I Horizontal Improvements described in the Master Plan
Minimum Development Deadline #2	**Minimum Development Requirement(s)**
On or before the 8th anniversary of the Effective Date	**MDR#3:** 800,000 SF of commercial development (inclusive of MDR#1.)
Minimum Development Deadline #3	**Minimum Development Requirement(s)**
On or before the 10th anniversary of the Effective Date	**MDR#4:** 1,500,000 SF of commercial development which must include a minimum of 50,000 SF of retail and/or hospitality development (inclusive of MDR#1 and MDR#3)).
	MDR#5: All of the Development Phase II Horizontal Improvements described in the Master Plan
Minimum Development Deadline #4	**Minimum Development Requirement(s)**
On or before the 15th anniversary of the Effective Date	**MDR#6:** 2,000,000 SF of commercial development (inclusive of MDR#1, MDR#3, and MDR#4).
Minimum Development Deadline #5	**Minimum Development Requirement(s)**
On or before the 20th anniversary of the Effective Date	**MDR#7:** 2,500,000 SF of commercial development (inclusive of MDR#1, MDR#3, MDR#4, and MDR#6).
	MDR#8: All of the Development Phase III Horizontal Improvements described in the Master Plan

EXHIBIT G

Permitted Exceptions

1. Property taxes, which are a lien not yet due and payable, including any assessments collected with taxes to be levied for the year 2022.

2. Reservations contained in the Patent

Recording Date:	July 2, 1917
Recording No:	Book 124 of Deeds, page 92

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

3. Reservations contained in the Patent

From:	The United States of America
Recording Date:	October 13, 1914
Recording No:	Book 110 of Deeds, page 400

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

4. Reservations contained in the Patent

From:	The United States of America
Recording Date:	January 24, 1914
Recording No:	Book 108 of Deeds, page 239

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

5. Reservations contained in the Patent

From: The United States of America
Recording Date: October 16, 1913
Recording No: Book 106 of Deeds, page 484

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

6. Reservations contained in the Patent

From: The United States of America
Recording Date: October 13, 1914
Recording No: Book 110 of Deeds, page 399

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

7. Reservations contained in the Patent

From: The United States of America
Recording Date: April 11, 1914
Recording No: Book 108 of Deeds, page 532

Which among other things recites as follows:

Subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws and decisions of the courts, and the reservation from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

8. Water rights, claims or title to water, whether or not disclosed by the public records other than water rights, claims or title to water arising through any unrecorded agreement entered into by Lessor.

9. Matters contained in that certain document

Entitled: County Roads

Recording Date: June 19, 1916
Recording No: Book 1 of Road Maps, page 49

Reference is hereby made to said document for full particulars.

10. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: flood control
Recording Date: December 28, 1961
Recording No: Docket 3973, page 463

11. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: roadway
Recording Date: March 12, 1965
Recording No: Docket 5462, page 358

12. Matters contained in that certain document

Entitled: Designated County Road A Plat
Recording Date: April 28, 1965
Recording No: Book 15 of Road Maps, page 100

Reference is hereby made to said document for full particulars.

13. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: flood control
Recording Date: December 14, 1966
Recording No: Docket 6349, page 175

14. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: flood control channel
Recording Date: January 31, 1967
Recording No: Docket 6417, page 637

15. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: roadway
Recording Date: December 4, 1968
Recording No: Docket 7376, page 829

16. Matters shown on record of survey:

Recording No.: Book 409 of Maps, page 13

17. Covenants, conditions, restrictions and easements but omitting any covenants or restrictions, if any, including but not limited to those based upon race, color, religion, sex, sexual orientation, familial status, marital status, disability, handicap, national origin, ancestry, or source of income, gender, gender identity, gender expression, medical condition or genetic information, as set forth in applicable state or federal laws, except to the extent that said covenant or restriction is permitted by applicable law, as set forth in the document

Recording No: 98-0354787
Re- Recording No: 98-0364178

18. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: underground power
Recording Date: December 15, 1998
Recording No: 98-1131505

19. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: overhead and underground power
Recording Date: December 15, 1998
Recording No: 98-1131506

20. Matters contained in that certain document

Entitled: Road Declared
Recording Date: March 23, 1999
Recording No: 99-0271300

Reference is hereby made to said document for full particulars.

Road Map

Recording Date: August 13, 1999
Recording No.: 99-0769974

21. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: underground power
Recording Date: April 20, 1999
Recording No: 99-0371324

22. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Purpose: overhead and underground power
Recording Date: May 25, 1999
Recording No: 99-0496395

23. Any action that may be taken by the Flood Control District of Maricopa County to acquire property or rights of way for flood control, as disclosed by document recorded at Recording No. 1999-0746645.

24. Easement(s) for the purpose(s) shown below and rights incidental thereto as set forth in a document:

Phoenix-Mesa Gateway Airport Authority
MASTER LEASE AGREEMENT

This Master Lease Agreement ("**Lease**") is executed to be effective the 21st day of JUNE, 2022 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **Boyer Gateway East L.C.,** a Utah limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "**Parties**," and each separately may be referred to as a "**Party**."

RECITALS:

A. Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

B. In furtherance of its mission to develop, reuse, operate, and maintain the Airport and facilities at the Phoenix-Mesa Gateway Airport, Lessor commenced a competitive solicitation process to select a master developer for the GatewayEast Business Park ("**GatewayEast**") at the Airport, and Lessor selected Lessee as the master developer for GatewayEast. A depiction of the real property included within GatewayEast is located is set forth on **Exhibit A** attached hereto.

C. Lessor and Lessee are parties to that certain Master Development Agreement dated June 21, 2022 ("**MDA**"), pursuant to which, and in conjunction with this Lease, Lessee intends to develop GatewayEast as a hub for retail, hospitality, manufacturing, office, and other non-aeronautical uses.

D. Pursuant to the MDA, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport consisting of approximately One Hundred (100) acres of land as set forth in **Exhibit B** attached hereto ("**Property**");

E. Lessee shall construct only Horizontal Improvements (as defined in the MDA) on the Property pursuant to this Lease and no Vertical Improvements (as defined in the MDA) shall be constructed on any portion of the Property during such time that such portion of the Property is subject to this Lease; provided, however, that Lessor acknowledges and agrees that certain improvements may be installed and constructed above ground, such as fencing, transformers, lines, tanks, and other similar improvements, as an incidental part of Horizontal Improvements. Vertical Improvements may only be constructed on a Development Lot which is subject to a Development Lease as more particularly set forth in Section 2 below.

F. Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

G. Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, the Property on the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE.

Lessor hereby leases the Property to Lessee, subject to all easements, deed restrictions and other similar matters of record in the Official Records of Maricopa County, Arizona on the Effective Date (but excluding any deeds of trust, mortgages, judgment liens, mechanics' liens, and other similar liens not caused by Lessee), that encumber the Property, and further subject to all operational and use restrictions and other terms and conditions expressly set forth in this Lease, and subject to the rights and privileges of Lessee under the MDA.

1.1 Right to Use Property. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use and development of the Property without hindrance from Lessor or those claiming through Lessor. Lessee specifically acknowledges that Lessee has inspected the Property prior to entering into this Lease and agrees to accept the Property in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Property, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease or the MDA. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense.

1.2 Access. Lessee is hereby granted the right of reasonable access to and from the Property via such portions of the Airport as are or may be reasonably necessary to allow Lessee to conduct their business operations permitted herein at and on the Property and the Airport. Lessor reserves the right to reasonably designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Property.

1.3 Permitted Uses. Subject to the provisions of Section 1.4, Lessee may use the Property consistent with the uses described in this Lease and Lessee's rights and obligations set forth in the MDA and for the purposes of the MDA and for no other purpose. Lessee's use of the Property and operation of its business at and on the Property is subject to all applicable laws, rules and regulations of any governmental authority having jurisdiction over the Property, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* to the extent applicable to the Property (current version is attached to this Lease as **Exhibit D**).

1.4 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Property for any use that is in material violation of the *Airport Rules and Regulations* or applicable laws, rules and regulations of any governmental authority having jurisdiction over the Property, excluding Lessor, or for any other activity or operation not specified in Section 1.3 herein, or that does not have advance, written approval of Lessor's Executive Director or other authorized signatory of Lessor.

1.5 Lessee Acknowledgement. Lessee acknowledges that, except as otherwise provided in this Lease, its obligations to pay Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) the Permitted Exceptions (as defined in the MDA); (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

1.6 FAA Review. The parties acknowledge that this Lease may be subject to Federal Aviation Administration ("**FAA**") review and concurrence as and to the extent required under applicable federal law. In the event the FAA objects in writing to any terms in this Lease that could reasonably be expected to result in significant monetary penalties imposed on Lessor or the FAA withholding of grant funding to Lessor, the parties agree to work together in good faith (at no or nominal cost to Lessee) to attempt to resolve and address the FAA's objections, including jointly meeting with the FAA, and upon mutual resolution of the FAA's objections, to amend this Lease in a manner that satisfactorily addresses the FAA's objections. Lessor agrees to promptly provide Lessee with a copy of any objections made by the FAA to this Lease.

2. ADJUSTMENTS TO PROPERTY BOUNDARIES.

2.1 Lessee Takedown of Development Lots.

2.1.1 Takedown Notice. As provided in the MDA and in accordance with this Lease, the Property shall be master planned with separate legally-described lots identified for vertical development (each, "**Development Lot**") as shown on the Master Plan (as defined in the MDA), as amended. At such time as a Development Lot is readied for vertical development, as determined by Lessee, one or more Development Lots may be removed from the Property under this Lease and subjected to a Development Lease (a "**Development Lease**") between Lessor and Lessee or an Affiliate (as defined in the MDA) of Lessee in which event such Development Lot shall no longer be subject to this Lease or the MDA. At such time as Lessee is prepared to either proceed with construction of Vertical Improvements (as defined in the MDA) on a Development Lot or sublease a Development Lot to an Affiliate or a third party that will construct Vertical Improvements on a Development Lot (such person referred to herein as the "**Vertical Developer**"), Lessee will notify Lessor in writing ("**Takedown Notice**") specifying the following:

(a) the Development Lot to be leased pursuant to the Development Lease, or the proposed boundaries for a new Development Lot, together with a request for such development-related easements as are reasonably necessary for the development of such Development Lot, as Lessee may reasonably require;

(b) the Horizontal Improvements that will serve such Development Lot and whether such Horizontal Improvements have been constructed, and if not, the date by which such Horizontal Improvements will be completed;

(c) the estimated dates by which Vertical Improvements will be commenced and completed under the terms of the Development Lease;

(d) the proposed use(s) of the Development Lot;

(e) the Vertical Developer, and if the Vertical Developer does not intend to occupy the Development Lot, the proposed or intended occupants thereof, if known, including whether the Vertical Developer intends to make Vertical Improvements on a spec basis and market such Development Lot and spec Vertical Improvements to third parties;

(f) proposed term of Development Lease, if such proposed term is different from the maximum term permitted hereunder for a Development Lease; and

(g) a title commitment for title insurance or preliminary title report for the new Development Lot and copies of all documents of record referred to in the such title commitment or title report as exceptions to title to the new Development Lot.

2.1.2 Takedown Package. The Takedown Notice shall be accompanied by the proposed Development Lease to be executed by Lessor, as the landlord, and the Vertical Developer, as the tenant, as well as the proposed Adjustment Amendment (as defined in Section 2.1.5) proposed to be executed by Lessor and Lessee (collectively, "**Takedown Package**").

The Takedown Package shall be subject to approval of Lessor, which approval shall not be unreasonably withheld, delayed or conditioned, so long as:

(a) the Takedown Package, including the proposed use, is consistent with this Lease, the MDA, the Master Plan (as amended), and the Airport Layout Plan (as defined in the MDA) (as amended);

(b) the lease of the Development Lot for Vertical Improvements will not leave the remainder of the Property landlocked, and/or if the lease of the Development Lot will leave the remainder of the Property landlocked, Lessor and Lessee agree to work together in good faith to provide for access to such landlocked portions of the Property;

(c) if the Takedown Package is for a new Development Lot not then currently identified on the Master Plan, the proposed Takedown (as defined in the MDA) will not have a material adverse effect on all or a portion of the Airport or otherwise negatively impact the development of the Property (e.g., failing to provide for utilities to serve such Property);

(d) Lessor approves (which approval may not be unreasonably withheld, conditioned or delayed, taking into consideration the commercial development experience, legal standing and financial capability of such Vertical Developer), the Vertical Developer if other than Lessee or an Affiliate and if the Vertical Developer does not intend to occupy the Vertical Improvements, the proposed or intended occupants thereof;

(e) no Event of Default with respect to this Lease and no "Developer Event of Default" with respect to the MDA (as defined therein) on the part of Lessee shall have occurred and is continuing.

Lessor will have THIRTY (30) days following receipt of a Takedown Package to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such THIRTY (30)-day period Lessee may give a second notice to Lessor requesting approval of the Takedown Package, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE TAKEDOWN PACKAGE BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, the Takedown Package shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval, then Lessee may resubmit a revised Takedown Package for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. If the Takedown Package is approved or deemed approved, the Vertical Developer shall execute the Development Lease within NINETY (90) days following approval of the Takedown Package, and Lessor shall execute the Development Lease within FIFTEEN (15) days following receipt of the Development Lease executed by the Vertical Developer. If the Development Lease is not executed by the Vertical Developer within such NINETY (90)-day period, and received by Lessor within FIVE (5) business days thereafter, Lessee shall be required to submit a new Takedown Package, unless an extension to such deadline has been approved in writing by Lessor.

In the event Lessor approves a Takedown Package for a proposed new Development Lot not then

shown on the Master Plan or for a proposed use not then shown on the approved Master Plan, Lessee shall promptly amend the Master Plan in accordance with the MDA to reflect the changed Development Lot(s) or use(s).

2.1.3 Development Lease. A Development Lease shall not be executed until such time as (i) Lessee or an Affiliate of Lessee intends to commence construction within THREE HUNDRED SIXTY-FIVE (365) days after execution of the Development Lease; or (ii) Lessee intends to sublease the Development Lot to a user or developer who intends to commence construction within THREE HUNDRED SIXTY-FIVE (365) days after execution of the Development Lease. Each Development Lease shall conform to the following criteria:

(a) each Development Lease shall include only one Development Lot;

(b) each Development Lease shall prohibit the uses identified in **Exhibit E**;

(c) each Development Lease for a Development Lot shall be for a total term not to exceed SIXTY-FIVE (65) years; and

(d) subject to the terms of the MDA and each such Development Lease, the starting Rent under each Development Lease ("**Takedown Rent**") that is executed prior to the FIFTH (5th) anniversary of the Effective Date shall be as follows:

Term	**Rent (in U.S. Dollars)**
Effective Date of Development Lease to end of Year 2 of such Development Lease	$0.00 / SF
Start of Year 3 of Development Lease	$0.55 per SF per Year

2.1.4 The Takedown Rent set forth herein shall be increased (but never decreased) on every FIFTH (5th) anniversary of the Effective Date of this Lease by a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) increased during the immediately preceding SIXTY (60) month period ending NINETY (90) days prior to the end of the adjustment period. For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI.

2.1.5 Master Lease Agreement Amendment. To effect the removal of a Development Lot from the Property under this Lease, concurrently with the execution of the Development Lease for the Development Lot, or with respect to any other adjustment contemplated by this Lease, the Parties shall execute an amendment to this Lease substantially in the form attached hereto as **Exhibit C** ("**Adjustment Amendment**"). Lessee shall provide the legal description of the Development Lot.

2.2 Terminated Development Leases.

2.2.1 In the event a Development Lease is terminated in accordance with its terms for any reason prior to the date of commencement of any Vertical Improvements on the Development Lot, Lessee may elect to amend this Lease to include such Development Lot as part of the Property upon full satisfaction of the following conditions:

(a) Lessee shall pay to Lessor an amount equal to TEN THOUSAND Dollars ($10,000) for each terminated Development Lease; provided that such payment shall not be required if the Development Lease is terminated due to a Later-Discovered Pre-Existing Hazmat; and

(b) Lessee shall reimburse Lessor for any and all reasonable Development Lease negotiation costs and expenses and shall indemnify Lessor against all third-party claims arising from such terminated Development Lease, including from any default thereunder by the Vertical Developer;

If Lessee elects to include the Development Lot as part of the Property, Lessee shall provide to Lessor written notice of such election and this Lease shall be automatically amended to include the Development Lot as part of the Property effective as of the date of termination of the Development Lease. Upon request, a Party shall execute an Adjustment Amendment within TEN (10) days of request therefor from the other Party.

2.2.2 In the event a Development Lease is terminated in accordance with its terms on or after the date of commencement of any Vertical Improvements on the Development Lot, the Development Lot shall remain excluded from the Property under this Lease.

2.3 Dedication of Public Streets and Horizontal Improvements. At such time as a portion of the Property has been improved with a public street or other public improvement inspected and approved by City, (i) upon request from City, Lessee shall transfer or assign, to the extent transferable or assignable, to City all warranties, express or implied, under any contract or subcontracts relating to construction of the public street or other public improvement; (ii) the public street or improvement will be removed from the Property under this Lease; and (iii) appropriate adjustments shall be made to this Lease by way of an Adjustment Amendment reasonably acceptable to Lessor and Lessee. Upon acceptance by City of such public improvement, Lessee shall have no further duties, liabilities or obligations relating thereto. Lessor agrees to reasonably cooperate with Lessee in connection with any design, permitting, and construction of such public improvements, including executing any applications or other documents reasonably required in connection with such design, permitting and construction, and any approval of the same, including third-party approval, and, if required by the City, grant a perpetual easement to the City over the real property for such public street or improvement in accordance with FAA guidance. To effect such removal of any public improvements from the Property, a Party shall execute an Adjustment Amendment within TEN (10) days of written request therefor from the other Party. Except as expressly required by law, in no event shall Lessee be obligated to comply with any public procurement laws, procedures or requirements in connection with the completion of any public improvements.

3. TERM.

3.1 Term. The term of this Lease shall be for a period of FORTY (40) years, commencing on the Effective Date and terminating on June 20, 2062 ("**Term**").

3.2 Lease Year. For the purpose of this Lease, subject to the additional provisions set forth below in this Section 3.2, "**Lease Year**" shall mean and refer to that period of TWELVE (12) full consecutive calendar months beginning with the first full calendar month of the Term and each subsequent period of TWELVE (12) consecutive calendar months during the Term.

4. NONEXCLUSIVE RIGHTS.

Lessee shall have the exclusive right to lease, use, occupy and develop the Property in compliance with the terms and conditions of this Lease during the Term. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport (other than on the Property) that Lessor deems appropriate, provided that such activities do not limit, prevent, materially interfere with, or prevent or disrupt the use and development of

the Property by Lessee.

5. RENT.

5.1 Base Rent. There is no Base Rent due under this Lease.

5.2 Payment.

5.2.1 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

5.2.2 All payments required shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in writing by Lessor to Lessee.

5.3 Finance Charges and Late Fees. If Lessee fails to pay any charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid amount at the rate of EIGHTEEN PERCENT (18%) (but not to exceed the maximum interest rate permissible by law) per annum from the due date until payment in full is made. In addition, in the event any charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent charge shall be due and payable in addition thereto.

5.4 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes. Lessor, as a governmental authority or quasi-governmental authority, agrees not to enact or impose any taxes or impositions on any aspect of the business activities, use or development of the Property of Lessee in a discriminatory manner.

5.5 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

6. GUARANTY.

Concurrently with the execution of the MDA, The Boyer Company, L.C. guaranteed the performance of Lessee's obligations hereunder in accordance with Section 13 of the MDA.

7. HORIZONTAL IMPROVEMENTS.

7.1 Construction by Lessee. Subject to Section 2.2.4 of the MDA, Lessee shall, at its sole cost and expense (except for the reimbursement obligations set forth in Section 4.3 of the MDA), construct all Horizontal Improvements on the Property in accordance with all applicable governmental regulations, restrictions, building codes, and any approved GatewayEast Governance Documents (as defined in the MDA).

Lessor and Lessee agree that Lessee shall be solely responsible for: (i) any required curb cuts and other connection(s) between the Property and the terminating point of the existing or future public rights of way, to the extent required by applicable law; (ii) constructing all Horizontal Improvements, if any, necessary to bring all utilities onto the Property, including, without limitation, electrical, gas, water, sewer, cable and telephone utilities; and (iii) installing all utility meters and water and sewer lines to service all Horizontal Improvements constructed on the Property. Lessor agrees to reasonably cooperate with Lessee in connection with any design, permitting, construction and third-party approval, if necessary, of such Horizontal Improvements including executing any applications or other documents reasonably required in connection with such design, permitting and construction, and in connection with obtaining any FAA approval. Lessor agrees not to challenge, object to or oppose any application for approval or any construction or development activities on or at the Property by Lessee that is consistent with the MDA, the Master Plan, any approved GatewayEast Governance Documents, and this Lease. Lessor acknowledges and agrees that in connection with the construction and installation of Horizontal Improvements, certain limited improvements will necessarily be above-ground, such as above-ground transformers, boxes, cabinets, and other related facilities, and all such above-ground improvements and equipment shall be part of Horizontal Improvements.

7.2 No Alterations. Lessee shall make no material improvements or alterations to the Property except as provided for in, and approved by Lessor in accordance with, the MDA and the Master Plan. Any material improvements or alterations to be made by Lessee are subject to prior written approval of Lessor, which approval may not be unreasonably withheld, delayed or conditioned. Lessor will have THIRTY (30) days following receipt of a written request by Lessee for approval of material improvements or alterations to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such THIRTY (30)-day period Lessee may give a second notice to Lessor requesting approval of material improvements or alterations, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED IMPROVEMENTS AND ALTERATIONS BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed improvements and alterations shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised description of the improvements or alterations for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. For clarity, Lessee shall have the right to make any material improvements or alterations to the Property pursuant to approved Construction Drawings (as defined in the MDA) without the consent or approval of Lessor under this Lease.

7.3 Title to Alterations and Improvements. Unless previously dedicated or accepted in accordance with Section 2.3, title to all improvements and alterations on the Property, as amended by any Adjustment Amendment (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, after the expiration or termination of this Lease, and within TEN (10) business days after Lessor's written request therefor, a quitclaim deed quitclaiming (without covenant, representation or warranty, express or implied) Lessor's title to such improvements and alterations to Lessor.

7.4 Mechanics' Liens. Lessee shall keep the Property and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens that arise from the actions or omissions of Lessee or any work done at the request of or on behalf of Lessee ("**Lessee Liens**"). In the event that any Lessee Lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Property by bonding or otherwise within FORTY-FIVE (45) calendar days of written notice to Lessee thereof.

7.5 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are

applicable. All structural, electrical, plumbing or mechanical construction or reconstruction by Lessee or its employees, agents or contractors shall conform to City construction and technical codes, to the extent required under applicable law. No such work shall be commenced without first submitting required plans to Lessor for Lessor's approval in accordance with the MDA and/or Section 7.2, which approval may not be unreasonably withheld, delayed or conditioned. Lessee shall be responsible for obtaining any required permit from the City for any improvements to be constructed by Lessee. All such work shall be permitted, inspected and approved by the City prior to concealment or use, to the extent required under applicable law. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications. Lessor agrees to reasonably cooperate with Lessee in connection with any rezoning, land use approval, permitting, variances, and special permits, including any required third-party approval, governmental or otherwise, necessary in connection with the development and use of the Property, Lessor agrees not to challenge, object to or oppose any application for approval or any rezoning, land use approval, permitting, variances, and special permits, including any required third-party approval, governmental or otherwise by Lessee that is consistent with the MDA, the Master Plan, and this Lease.

7.6 Damage or Destruction. During the course of construction and prior to dedication or acceptance in accordance with Section 2.3, Lessee shall maintain insurance on all of Lessee's improvements to the Property. In the event that all or any portion Lessee's improvements are destroyed or rendered unusable due to fire or other catastrophe prior to Lessee's completion of the same and dedication or acceptance of Horizontal Improvements by Lessor or the City, as the case may be, Lessee shall replace, repair, restore, modify or improve said improvements, subject to the provisions of Section 7.5, using available insurance proceeds.

8. MAINTENANCE.

8.1 Lessee Responsibilities. Lessee shall, at its sole cost and expense, keep the Property in a clean condition and in good order, condition and repair throughout the Term, reasonable wear and tear excepted. Lessee's maintenance of the Property shall consist of, as reasonably necessary, the inspection, servicing and repair of all improvements, including pest control, landscaping and grounds maintenance.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee (or its agents, contractors, employees, managers and representatives) as a result of Lessee's use or occupancy of the Property shall be promptly repaired or replaced by Lessee to the reasonable satisfaction of Lessor; provided however, that Lessor acknowledges and agrees that Lessor's real property will be permanently altered, changed and modified as a result of the development and use of the Property, and Lessor hereby consents thereto, and agrees that such development and use of the Property as permitted in accordance with this Lease shall not constitute waste, damage or destruction to Lessor's real property. Lessor also approves of Lessee demolishing any and all improvements located on or under the Property. For clarity, during the Term, neither Lessor nor any of Lessor's affiliates, employees, contractors, agents or invitees shall have any right to place any personal property on the Property without Lessee's prior written consent.

8.3 Trash Removal. Lessee shall at all times keep the Property in a reasonably clean, safe, sanitary and orderly condition and shall keep such area reasonably free of all trash and debris (except for any trash or debris from any third party (other than Lessee) that the Lessor has granted rights to the Property for which Lessor will be responsible), taking into account the construction activities then on the Property, and in any event in compliance with all applicable laws and ordinances. Lessee shall be responsible to remove its trash from the Property and Lessee shall deposit all trash and debris only at collection stations located on or in proximity to the Property, in accordance with City code.

8.4 Emergency Repairs. The names and telephone numbers for 24-hour emergency contact for Lessee for the Property are as follows: Matt Jensen at 801-366-8029. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS.

9.1 No Right to Transfer; Except for Leasehold Financings. Subject to Section 22, Lessee may not transfer, assign, sublease, encumber, pledge or hypothecate ("**Transfer**") its interest in this Lease or any right or interest hereunder without the prior consent of Lessor, which consent may not be unreasonably withheld, delayed or conditioned. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed Transfer shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same.

9.2 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) the transfer of any ownership interest in Lessee resulting in a change in the present control of Lessee by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; and (ii) the sale of greater than FORTY-NINE PERCENT (49%) or more in value of the assets of Lessee, whether in a single transaction or a series of transactions.

10. DEFAULT; TERMINATION BY LESSOR.

10.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

10.1.1 Failure to pay any amount due from Lessee hereunder, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor to Lessee of a written notice of such failure.

10.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

10.1.3 The Transfer or attempted transfer of any interest in the Lease to any transferee in violation of Section 9, provided that Lessee does not cancel or otherwise negate such Transfer or attempted transfer within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default.

10.1.4 The filing of any mechanic's, materialmen's or other lien or any kind against the Property because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within FORTY-FIVE (45) calendar days of receipt of actual notice thereof by Lessee.

10.1.5 Failure to cure any "Developer Event of Default" as defined in and pursuant to the MDA within any applicable notice and cure period provided for therein.

10.1.6 The Termination of the MDA.

10.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, subject to the terms of this Lease, as its sole and exclusive remedy, exercise one or more of the following remedies:

10.2.1 Pursue a claim for specific performance against Lessee to cure the Event of Default (it being acknowledged and understood by Lessee that monetary damages may not be an adequate remedy to Lessor for the Event of Default); or

10.2.2 Pursue a claim for monetary damages; or

10.2.3 Terminate this Lease provided there is no good faith dispute as to the existence of a Lessee Event of Default for which notice has been given in accordance with Section 40.6. If there is a good faith dispute as to the existence of a Lessee Event of Default for which notice has been given in accordance with Section 40.6, Lessor's right to terminate this Lease shall be subject to any additional cure period, if any, provided for in a final resolution pursuant to Section 40.6.

10.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Except for Lessor's negligence or willful misconduct, Lessee hereby waives all claims based on Lessor's legally valid reentering and taking possession of the Property, or removing and storing the property of Lessee, and Lessee shall reimburse Lessor for all reasonable costs incurred by Lessor thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

10.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Property as may be necessary for the purpose of attempting to re-let the Property, and the reasonable costs and expenses incurred in respect of repairs to maintain the Property in accordance with Section 8.1 and 8.3 shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. For clarity, Lessee shall not be obligated to pay for any costs or expenses incurred with respect to any refurbishment or other improvements to the Property. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all actual damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the present value of all payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Property, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), as if this Lease were still in effect. In no event shall Lessee be liable for punitive, consequential, speculative, incidental, special, or indirect damages under this Lease. Lessor agrees to satisfy its obligations to mitigate its damages.

10.5 Lessor's Final Damages. In the event this Lease is terminated due to an Event of Default, whether or not Lessor shall have collected any Deficiency as set forth in Section 10.4 above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, the cost to complete all Horizontal Improvements on the Property and other obligations pursuant to and in accordance with Section 7.1 that are incomplete as of the effective date of termination pursuant to Section 10.2.3, reasonable attorneys' fees, reasonable legal expenses, and all other damages incurred by Lessor as a result of such Event of Default.

10.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee

requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

10.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it reasonably describes the nature of such default, and is made in accordance with Section 18 herein.

10.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 10.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Property unless: (i) the Event of Default consists of a failure to pay any amounts owed to Lessor; (ii) the Event of Default is Section 10.1.6, Termination of the MDA, or (iii) Lessor has no other remedy that is adequate to protect Lessor's interests. Nothing in this Section 10 shall limit the exercise of any such other remedy.

10.9 Subordination of Landlord's Lien. Lessor hereby agrees from time to time to subordinate to one or more Mortgagees all statutory or common law landlord's lien rights with respect to property or assets of Lessee located on the Property, including, without limitation, Lessor's rights under Arizona Revised Statutes Sections 33-361 and 362 and other similar laws. Upon written request from Lessee, Lessor agrees to promptly execute and deliver such commercially reasonable landlord subordination agreement and access agreement that any Mortgagee may request of Lessor. Lessee shall reimburse Lessor for reasonable third-party costs, including reasonable attorneys' fees, incurred by Lessor in connection with the review and negotiation of any such agreement within THIRTY (30) days after receipt of an invoice from Lessor.

11. INDEMNIFICATION.

11.1 Lessee's Indemnity. Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law and subject to Section 12, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 11.1) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Property during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any grossly negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 11.1) on the Property and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

11.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 11.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any grossly negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 11.2) on the Property and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property, or (ii) the failure of Lessor to comply with any provisions of this Lease. This

indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

11.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

12. ENVIRONMENTAL PROTECTION.

12.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 12 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

12.1.1 Environmental Laws. The term "**Environmental Laws**" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Resource Conservation and Recovery Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; the *Arizona Hazardous Waste Management Act*, A.R.S. Section 49-921 et seq. the *Arizona Environmental Quality Act,* A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

12.1.2 Hazardous Material. The term "**Hazardous Material**" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

12.2 Environmental Compliance.

12.2.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Property during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Property during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Property.

12.2.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Property or the Airport by Lessee's agents, employees, contractors or invitees in violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Property and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Property or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Property during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Law.

12.3 Indemnification.

12.3.1 Lessee's Indemnity. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment, the presence of Hazardous Material on the Property, Airport or neighboring properties, or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Property. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 12.3.1 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, reasonable costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 12.3.1 explicitly excludes Lessee's duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Property prior to the Effective Date hereof, or the mere discovery of any Hazardous Materials in, on, under or from the Property as a result of Lessee's activities, except and only to the extent contamination that is known by Lessee or its employees, agents or contractors is exacerbated by Lessee by Lessee's negligence or unknown contamination is exacerbated by Lessee's gross negligence.

12.3.2 Lessor's Indemnity. To the fullest extent permitted by law, Lessor shall indemnify, defend (with counsel reasonably acceptable to Lessee), protect and hold harmless Lessee and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment, the presence of Hazardous Material on the Property, Airport or neighboring properties, or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessor's activities or operations on the Property. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessor's obligations and liabilities under this Section 12.3.2 shall survive the termination of this Lease. The indemnification of Lessee by Lessor as described above includes, without limitation, reasonable costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessee reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 12.3.2 explicitly excludes Lessor's duty, liability or indemnity to Lessee for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Property prior to the Effective Date, except and only to the extent contamination that is known to Lessor or is employees, contractors or agents is exacerbated by Lessor by Lessor's negligence or unknown contamination is exacerbated by Lessor's gross negligence.

12.4 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Property upon or after the Effective Date results in any Release on the Airport or Property in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Property to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Property; provided that Lessor's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have

any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 12.4, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 12.4, the term "**Release**" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping.

12.5 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority having jurisdiction over the Property ("**Government**") under the Environmental Laws related to Lessee's activities on the Property from the Effective Date. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any Release of Hazardous Material first caused or permitted by Lessee to be brought on the Airport after the Effective Date, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

12.6 Information Sharing. Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any written notification from any governmental entity either charging or informing Lessee that it will be charged with a violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Property that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Property, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Property, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Property, to the extent that such investigations or claims are related to Lessee's activities thereon.

12.7 Actions of Lessee and Lessor. The activities or actions of Lessee under this Section 12 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, and successors. The activities or actions of Lessor under this Section 12 shall include the activities or actions of Lessor's agents, employees, contractors and successors.

12.8 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Property or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

12.9 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Property, Lessee shall complete and return an Industrial Wastewater Discharge Questionnaire ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Property and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Property. Lessee shall post a notice in a prominent place on the Property advising employees what actions to

take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

12.10 Right to Enter Property. In addition to the rights afforded to Lessor in Section 17, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Property upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or permitted under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any such entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

12.11 U.S. Air Force Use and Remedial Action.

12.11.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Property, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Property, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 12.11.1, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "Occupation" or "Use" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Property.

12.11.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Property, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Property or the Airport.

12.12 Cleanup Requirements.

12.12.1 Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Property. Lessee shall have no claim against Lessor or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by governmental authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

12.12.2 Lessor agrees that Lessee assumes no liability to Lessor should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessor's use of the Property. Lessor shall have no claim against Lessee or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise.

12.13 Wells. Lessee shall not install any drinking water or other wells in any location on the Property without the prior written approval of Lessor.

12.14 Construction Activities and Surface Disturbances. After construction of Lessee's improvements on the Property, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

12.15 Later Discovered Hazardous Material.

12.15.1 Exclusion of Impacted Property. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Property prior to the Effective Date (collectively, "**Later-Discovered, Pre-Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Horizontal Improvements or Lessee's ability to proceed with vertical development under a Development Lease; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Property, and Lessee shall have the right to either (i) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover) if Lessor does not agree, within SEVEN (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (ii) exclude such portion of the Property ("**Later Excluded Parcel**") from the Property under this Lease, and appropriate adjustments shall be made to this Lease by way of an Adjustment Amendment reasonably acceptable to Lessor and Lessee. To effect such removal of the portion of the Property impacted by the Hazardous Material, a Party shall execute an Adjustment Amendment within TEN (10) days of written request therefor from the other Party. The investigation and remediation of the Later Excluded Parcel, if necessary under Environmental Law to allow the planned development to occur, shall be conducted by the party legally obligated to conduct such investigatory or remedial activities.

In the event a Development Lease is terminated due to Later-Discovered, Pre-Existing Hazmat, the Development Lot subject to the terminated Development Lease shall be deemed a Later Excluded Parcel for purposes of this Lease.

The Parties assume no liability or responsibility for any Later-Discovered, Pre-Existing Hazmat. Lessee's sole remedy with respect to the Later-Discovered, Pre-Existing Hazmat shall be as set forth in (a) or (b) above.

12.15.2 Inclusion of Property. For any portion of the Property that is designated as a Later Excluded Parcel, following remediation, if any, of the Later-Discovered, Pre-Existing Hazmat on the Later Excluded Parcel, Lessor shall notify Lessee in writing, and Lessee shall have NINETY (90) days to perform investigations on the Later Excluded Parcel and notify Lessor in writing if it wishes to add the Later Excluded Parcel to the Property under this. If Lessee elects or is deemed to have elected to not add the Later Excluded

Parcel to the Property, Lessor shall have the right to determine use of the Later Excluded Parcel. If Lessee elects to add the Later Excluded Parcel to the Property, appropriate adjustments shall be made to this Lease by way of an Adjustment Amendment reasonably acceptable to Lessor and Lessee. To effect such addition of the Later Excluded Parcel, a Party shall execute an Adjustment Amendment within TEN (10) days of written request therefor from the other Party.

13. PROTECTION OF WETLANDS.

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Property. Lessor believes there are no wetlands existing on the Property as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the permitting authority and obtain a permit or waivers under Section 404 of the Clean Water Act. For purposes of this Section 13, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

14. SPECIAL PROVISIONS.

14.1 Lessee shall comply with all applicable Federal, State, and local laws, rules, regulations, requirements, and ordinances, including occupational safety and health regulations in connection with its use and occupancy of the Property.

14.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

15. INSURANCE.

15.1 Coverage Required. On or before the Effective Date under this Lease, Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Property:

15.1.1 *Workman's Compensation* insurance as required by law and *Employers Liability* insurance in the amount of $100,000 per accident, $100,000 disease per person, $500,000 disease policy limit or $1,000,000 total.

15.1.2 *Commercial General Liability* insurance including premises and contractual liability in the amount of $5,000,000 per occurrence, and $10,000,000 annual aggregate.

15.1.3 *Commercial Operators/Automobile Liability* insurance for all owned, non-owned and hired vehicles operating on the airside, assigned to or used in the performance of commercial activities in the amount of at least $5,000,000 per occurrence.

15.1.4 *Builders Risk* insurance to cover all approved improvements or facilities during construction for an amount equal to the completed value of the improvement or facility.

15.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation* and *Employer's Liability* and Builders Risk insurance policies, shall: (i) name Lessor as a certificate holder and additional insured; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be

obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

15.3 Certificates of Insurance. Lessee shall deliver to Lessor a certificate of insurance for each policy required herein, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the Term of this Lease.

15.4 Additional Insurance. At any time during the Term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 15 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

15.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

15.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

16. SURRENDER OF POSSESSION.

16.1 Condition of Property.

16.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Property and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Property in good condition except for normal wear and tear, casualty (subject to Lessee's obligations under Section 7.6) and condemnation. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Property shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Property, shall be deemed abandoned, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Property incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Property, as provided herein, and shall remit to Lessor payment for such reasonable costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

16.1.2 Any trade fixtures, equipment or other property affixed to the Property by Lessee shall, by Lessor at be removed from the Property by Lessee, at Lessee's expense, within FIFTEEN (15) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

16.2 Holding Over. Lessee shall not remain in possession of the Property after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, Lessee shall pay Lessor $1,000 per day, and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which

shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Property to a new lessee.

17. INSPECTION BY LESSOR.

Lessor may enter upon the Property at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor may enter immediately and shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Property.

18. NOTICES.

18.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses or at such address as either Party may designate in writing from time to time:

TO LESSOR:	Phoenix-Mesa Gateway Airport Authority Attn: Business Development Department 5835 South Sossaman Road Mesa, Arizona 85212 Email: sjoachim@gatewayairport.com
TO LESSEE:	Boyer Gateway East, L.C. c/o The Boyer Company, L.C. 101 South 200 East, Suite 200 Salt Lake City, Utah 84111 Attention: Jake Boyer
With a required copy to: (which shall not constitute notice)	Parr Brown Gee & Loveless 101 South 200 East, Suite 700 Salt Lake City, Utah 84111 Attention: Barton L. Gertsch

18.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service.

19. SEVERABILITY.

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

20. SALES AND PROPERTY TAXES.

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Property or conduct of any activity at the

Airport under authority of this Lease, including any such tax assessable on Lessor. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Property or a portion thereof or the operation of Lessee's business. Lessor agrees not to enact or impose any taxes or impositions on any aspect of the business activities, use or development of the Property of Lessee in a discriminatory manner.

21. APPROVALS, CONSENTS AND NOTICES.

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

22. LIENS AND MORTGAGES.

22.1 General Provisions.

22.1.1 Except as provided in this Section 22, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Property, place or suffer to be placed upon the Property any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Property. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

22.1.2 Notwithstanding anything to the contrary in Section 9 herein, Lessee shall, during the Term, be permitted to mortgage, collaterally assign, pledge or otherwise encumber its leasehold interest (including any interest in the improvements) under this Lease pursuant to one or more Mortgages, as defined below, to secure indebtedness, including, without limitation, one or more loans to finance construction of improvements and other development on the Property, and including refinancings thereof, subject to the restrictions of Section 22.1.4, provided that such leasehold liens comply with this Section 22.

22.1.3 Any such encumbrance, including leasehold deed of trust, is referred to as a "**Mortgage**" and the holder thereof a "**Mortgagee**." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. The Mortgagee shall not be liable for any act or omission of Lessee's under this Lease except to the extent that any breach of Lessee's obligations under the Lease continues after (i) Mortgagee shall have obtained possession or ownership of the Property, (ii) Mortgagee shall have received written notice of such breach of this Lease at the same time that Lessor notifies Lessee of such breach, and (iii) any notice or cure period related to such breach as provided in this Lease and in Section 22.2 below shall have elapsed without such breach having been cured. No Mortgage shall encumber Lessor's interest in the Property or Lessor's interest in the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Property or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

22.1.4 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary fee interest or the estate of Lessor in the Property.

22.2 Lessor Agreement. With respect to Mortgagees of the Property, Lessor agrees that:

22.2.1 If requested by a Mortgagee, whose name and address has been provided in writing to Lessor, and if Lessor shall give any notice, demand, election or other communication required hereunder ("**Notices**") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall

be deemed given SEVENTY-TWO (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 22.2.1.

22.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any Event of Default hereunder by Lessee but excluding Section 10.1.6, Termination of the MDA, which Event of Default, notwithstanding anything to the contrary in the Lease, is not curable.

22.2.3 If Lessor shall elect to terminate this Lease by reason of any Event of Default by Lessee with respect to the Property, the Mortgagee that shall have become entitled to Notice as provided in this Section 22.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Property, but excluding Section 10.1.6, Termination of the MDA, which Event of Default, notwithstanding anything to the contrary in the Lease, is not curable..

22.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Property to such holder of a Mortgage, but Lessor agrees to reasonably cooperate with Mortgagee in connection with its efforts to acquire possession.

22.2.5 If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 22, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to first exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the reasonable satisfaction of Lessor that they have settled that dispute.

22.3 Protection of Mortgagee(s). Until the time, if any, that a Mortgage shall be satisfied and released of record:

22.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, plus such additional time that is reasonably needed for Mortgagee to exercise Lessee's rights to cure any defaults subject to the following: (a) if the default cannot be cured by Mortgage, no additional time shall be allowed; (b) if the default can be cured by Mortgagee, such additional period of time shall not exceed TWELVE (12) months; and (c) if curing the default requires that Mortgagee has possession or control or ownership of the Property, Mortgagee shall be diligently pursuing action to take possession or control or ownership of the Property. Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 22.2, or (ii) the date that Lessee's cure period expires under the Lease. During such Mortgagee cure period, Lessor will not terminate this Lease or disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the Property or improvements for any reason, subject to the terms of this Lease, until such Mortgagee cure period has expired. The Mortgagees and their respective designees shall have the right to enter upon the Property to give such performance.

22.3.2 In case of an Event of Default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such Event of Default cannot practicably be cured by the Mortgagees without taking possession or ownership of the Property, in such Mortgagee's reasonable opinion, or if such Event of Default is not susceptible of being cured by the Mortgagees, then:

(a) The Mortgagee shall proceed diligently to obtain possession or ownership of the Property (including possession by a receiver), and, upon obtaining such possession, shall proceed diligently

to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

(b) The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

(c) The Mortgagee shall not be required to obtain possession or to continue in possession of the Property pursuant to Section 22.3.2(a), or to continue to prosecute foreclosure proceedings pursuant to Section 22.3.2(b), if and when such Event of Default shall be cured.

(d) If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

22.4 New Lease. Lessor will not enter into a new lease of the Property.

22.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, or the transfer of the leasehold estate create by this Lease or a Mortgagee Lease from Mortgagee to a third party, shall require the consent of Lessor or constitute a default or Event of Default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee first arising or first accruing under this Lease from and after the date of such foreclosure, sale or conveyance. Upon the assignment of this Lease or a Mortgagee Lease by a Mortgagee or its affiliates to a third party, such Mortgagee or its affiliates shall have no further obligations under this Lease arising from and after the date of such transfer.

23. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

24. RULES AND REGULATIONS.

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Property itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Rules and Regulations*, as the same may be amended from time to time, to the extent applicable to the Property. Copies of the current *Airport Rules and Regulations* are attached hereto as **Exhibit D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Property.

25. CORPORATE AUTHORIZATION.

In executing this Lease, each of Lessor and Lessee represents and warrants to the other that if such

Party is a corporation, or other legal entity, each Party has obtained and been granted the full right, power and authority to enter into this Lease.

26. UTILITY LINES AND SERVICE CHARGES.

26.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Property by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Property. If requested to do so by Lessee from time to time during the Term, Lessor will grant reasonable easements, licenses and rights-of-way on or across the Airport for the proper development and use of the Property, including, without limitation, to suppliers of public or private utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to reasonably designate the lands along which such easements, licenses and rights-of-way shall be granted so as to minimize the disruption of the operation of the Airport and other Airport tenants.

26.2 Lessee shall pay for all utilities, including trash collection, used in its operations at the Property. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

26.3 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Property (so long as Lessor's use does not interfere with or disrupt Lessee's use, occupancy, development and subleasing activities), and the right to repair the same when necessary in Lessor's reasonable discretion, including but not limited to, any utility easements on the Property. Lessor agrees to coordinate any entries onto the Property with Lessee. Lessor shall conduct such use and repairs in such a manner and at such times as to not interfere with Lessee's activities thereon.

27. RESERVATIONS TO LESSOR.

The Property is accepted "as is, where is" by Lessee, subject to the Permitted Exceptions. Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Property for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to unreasonably interfere with or disrupt Lessee's activities on the Property, including the development of the Property, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. The location of any such easement, right-of-way and/or permit shall be subject to Lessee's prior written consent which shall not be unreasonably withheld, conditioned, or delayed. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Property, that all work shall be in compliance with all applicable laws, including Environmental Law, and that the surface of the Property shall be restored to its original condition, including any necessary remediation in accordance with Environmental Law of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to at a minimum the same conditions applicable to Lessor under this Section 27, including but not limited to that the surface of the Property and any Horizontal Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

28. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS.

28.1 Lessee agrees that in the event Lessee's improvements are constructed, maintained, or otherwise operated on the Property for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation*, as it may be amended.

28.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Property; (ii) that in the construction of any improvements on, over, or under the Property and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Property in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

28.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

28.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom; provided that the foregoing does not give Lessor the right to develop new landing areas on the Property.

28.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

28.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport.

28.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Property, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

28.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Property or in the event of any planned modification or alteration of any present or future building or structure situated on the Property.

28.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Property, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Property and to remove the offending structure or object at the expense of Lessee.

28.10 Lessee shall not make use of the Property in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is

breached, Lessor reserves the right to enter upon the Property and cause the abatement of such interference at the expense of Lessee.

28.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

28.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

29. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964.

29.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("Title VI") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

29.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

29.2.1 Compliance with Regulations: Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

29.2.2 Non-discrimination: Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

29.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

29.2.4 Information and Reports: Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

29.2.5 Sanctions for Noncompliance: In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or

(b) cancelling, terminating, or suspending the Lease, in whole or in part, in accordance with Section 10.

29.2.6 Incorporation of Provisions: Lessee will include the provisions subsections 29.2.1 through 29.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

29.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Lessee will use the Property in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

29.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of

the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

29.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Property for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

30. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of labor – Wage and Hour Division.

31. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). Lessee must address any claims or disputes that pertain to a

referenced requirement directly with the U.S. Department of labor – Occupational Safety and Health Administration.

32. INCORPORATION OF QUITCLAIM DEED.

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government dated April 14, 1998 and recorded in the official records of Maricopa County, Arizona on April 30, 1998 as Entry No. 98-0354787 ("**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

32.1 That this Lease is subject to all terms and conditions of the Deed; and

32.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

33. REQUIRED PROVISIONS OF QUITCLAIM DEED.

33.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

33.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

33.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

33.2 If the Property are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

33.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

34. INTENTIONALLY DELETED.

35. DEFAULT BY LESSOR.

In the event of any alleged breach by Lessor of its covenants or duties contained in this Lease, Lessee shall have available all rights and remedies provided in contract, at law and/or in equity, provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to pursue a cure of such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any payments to be made by Lessee hereunder except as expressly permitted in this Lease.

36. BROKERS.

Lessee represents and warrants that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessee further agrees to indemnify, defend (with counsel selected by Lessor) and hold Lessor and Lessor's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages by any person or firm claiming by or through Lessee or whom Lessee authorized or employed, to act for Lessee in connection with this Lease.

37. SALE BY LESSOR.

Lessee agrees to look solely to Lessor's interest in the Property and any insurance proceeds, including rents, issues, profits, proceeds, and awards for the recovery of any judgment against Lessor, it being agreed that the members, partners, officers, directors or shareholders of Lessor shall not be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Property, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Property.

38. ESTOPPEL CERTIFICATE.

Each of Lessor and Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request from the other Party to do so, certify, by written instrument duly executed and acknowledged by such Party and certified to the other Party and to any prospective lender or purchaser/assignee: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of such Party's knowledge; (iii) as to the date on which Lessee was obligated to commence paying any charges hereunder and the expiration date of the Term; (iv) as to whether this Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters relating to this Lease and the Property as may be reasonably requested. The requesting Party and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

39. UNAVOIDABLE DELAY.

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "**Unavoidable Delay**" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Agreement due including but not limited to: (a) construction delay to the extent caused by the other Party,, including delays caused by either Party's failure to timely respond within THIRTY (30) calendar days to any matter submitted for consent or approval, except any consent or approval required under Sections 2.1.2, 7.2, and 9.1 of this Agreement (b) legal proceeding brought by a non-Party with respect to the Horizontal Improvements or any provision or requirement of this Agreement which by its nature prohibits the Horizontal Improvements or Vertical Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, entitlements, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) delay

caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), (t) unavailability or shortage of materials or labor that could not be reasonably anticipated, or (u) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

40. MISCELLANEOUS.

40.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

40.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

40.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

40.4 Amendment. This Lease and the MDA contain all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

40.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

40.6 Alternative Dispute Resolution. In the event of a dispute between Lessor and Lessee with respect to the terms or provisions of this Lease, any Party may make a demand for mediation of this Lease by written notice to the other Party. Such notice shall state that a dispute exists, shall request mediation pursuant to this Section 40.6 and shall set forth a succinct statement of the matter in dispute. Within ten (10) days after the receipt of the notice as provided above, the other Party shall submit to the demanding Party (in the same manner as notices are given hereunder) a written response setting forth a succinct statement of the responding Party's position. Such mediation shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect by a mediator selected by the agreement of the Parties from a list of five (5) potential mediators from the Phoenix, Arizona area with experience relating to the particular matter or matters in dispute, which list shall be furnished to the Parties by the American Arbitration Association (or its successors). If the Parties fail to agree on a single mediator within fifteen (15) days after receipt of such list of potential mediators, then the Parties shall select a mediator from such list by an alternate striking process, with the Party initiating the demand for mediation striking first. The mediator selected by agreement of the Parties or the last unstricken mediator from the striking process shall serve as the mediator for purposes of this Section 40.6. If the matter in dispute has not been resolved within thirty (30) days after the selection of a mediator, if the Parties fail to select a mediator within thirty (30) days after receipt of the list of potential mediators either Party may thereafter initiate litigation. All negotiations pursuant to this Section 40.6 are confidential and shall be treated as compromise and settlement negotiations for purposes of the Federal Rules of Evidence and applicable state rules of evidence. All applicable statutes of limitation and defenses based upon the passage of

time shall be tolled while the procedures specified in this Section 40.6 are pending. The Parties shall take such action, if any, required to effectuate such tolling.

40.7 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

40.8 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

40.9 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters, subject to the MDA.

40.10 Memorandum of Lease. Neither Party may record this Lease in part or in whole nor any memorandum thereof in the public records.

41. INCORPORATION OF RECITALS.

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

[Signature page follows]

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

[LEGAL DESCRIPTION TO COME]

EXHIBIT C

ADJUSTMENT AMENDMENT

ADJUSTMENT AMENDMENT TO MASTER LEASE AGREEMENT

THIS ADJUSTMENT AMENDMENT TO MASTER LEASE AGREEMENT ("**Amendment**") is made as of the ___ day of _____, 20__ by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **<INSERT SPE NAME>** an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Master Lease Agreement dated June 21, 2022 ("**Lease**") covering certain property commonly known as GatewayEast at the Phoenix-Mesa Gateway Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Property**."

B. The Parties desire to modify the Lease to

[*remove a Development Lot from the Property in accordance with Section 2.1 of the Lease*]

[*include a Development Lot as part of the Property in accordance with Section 2.2 of the Lease*]

[*remove a Later-Excluded Parcel from the Property in accordance with Section 12.15.1 of the Lease*]

[*include a Later-Excluded Parcel as part of the Property in accordance with Section 12.15.2 of the Lease*]

[*insert applicable language*].

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. [*Property Adjustment. Exhibit B to the Lease is deleted in its entirety and the attached Exhibit B inserted in its place.*]

3. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

Management Information Report

To: **Board of Directors**
From: **Matt Nebgen, Gateway Aviation Services Director**
Through: **Scott Brownlee, Deputy Director/COO**
J. Brian O'Neill, A.A.E., Executive Director/CEO
Re: **Emergency Fuel Purchase for FY22**
Date: **June 21, 2022**

To authorize the emergency purchase of Jet A and 100LL Avgas fuel from Ascent Aviation Group, Inc. (World Fuel) for Airport Authority resale in the amount of $500,000.

The Phoenix-Mesa Gateway Airport Authority owns and operates Gateway Aviation Services, the airport's sole provider of retail aviation fuel.

Jet-A and 100LL Avgas are needed to provide aircraft fuel to tenant, transient, corporate, flight school, airline, and military customers. Actual cost of fuel is based upon market price at time of order. Airport staff expects to exceed the original requested purchase amount prior to the end of FY22. This is due to higher fuel cost in the second half of the fiscal year. The additional $500,000 purchase will bring the total FY22 Jet A and 100LL Avgas purchase to $4,381,000. We are expecting to exhaust the funds in the existing PO approximately mid-June.

Estimated fuel price per gallon
JetA - $4.25
100LL – $6.10

Request for Proposals No. 2019-05 was issued, and World Fuel was selected as the fuel provider. Board Resolution No. 19-34 approved a multi-year contract between Phoenix-Mesa Gateway Airport Authority and World Fuel.

This purchase will be funded by FY22 operating contingency budget and will be more than offset by an increase in revenue.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, July 19, 2022 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **June 21, 2022**.

   b) **Resolution No. 22-39 –** Authorizing the purchase of pavement materials from **Brewer Cote of Arizona** for FY23, in an amount not to exceed $75,000.

   c) **Resolution No. 22-40 –** Authorizing the purchase of airfield asphalt repair services with **Sunland Asphalt of Arizona, Inc. (Sunland)** for an amount not to exceed $100,000.

   d) **Resolution No. 22-41 –** Approving an Authorization of Services for Alpha Apron Expansion Phase IV Construction Support and Observation Services with **Kimley-Horn & Associates** in an amount not-to-exceed $472,116 under CIP 1231.

   e) **Resolution No. 22-42 –** Authorizing an amendment of the FY23 Capital Budget to provide an additional $6,575,000 in funding for the **Terminal Modernization Construction Project** under CIP 1201.

f) **Resolution No. 22-43 –** Authorizing a contract with **DWL Architects + Planners, Inc.** for Construction Administration Services for the Terminal Modernization Construction Project, in an amount not to exceed $389,399 under CIP 1201.

g) **Resolution No. 22-44 –** Approving an Authorization of Services with **Dibble Engineering** for Construction Phase Services for the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $703,719 under CIP 1202.

h) **Resolution No. 22-45 –** Authorizing an amendment of the FY23 Capital Budget to provide an additional $3,583,000 in funding to CIP 1202 **Center Runway 12/30C Reconstruction Project** under CIP 1202.

i) **Resolution No. 22-46** Authorizing an Intergovernmental Agreement with the **City of Mesa** for the construction of Aviation Way.

j) **Resolution No. 22-47 –** Authorizing a Facility Lease Agreement with **Sierra Building Systems, LLC** for the facility located at 6416 South Sossaman Road. The lease term is five (5) years, commencing August 1, 2022, with five (5) additional one-year renewal options.

k) **Resolution No. 22-48 –** Authorizing a Development Lease with **SkyB Lot 109 LLC**, an Arizona limited liability company, for 15.059 acres located within the SkyBridge Arizona project identified as Lot 109. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with **MESA SKYBRIDGE, LLC** to concurrently remove Lot 109 from the Master Lease Agreement.

l) **Resolution No. 22-49 –** Authorizing a Development Lease with **SkyB Lot 108 LLC**, an Arizona limited liability company, for 13.8609 acres located within the SkyBridge Arizona project identified as Lot 108. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with **MESA SKYBRIDGE, LLC** to concurrently remove Lot 108 from the Master Lease Agreement.

Consideration and Possible Approval of:

7. **Resolution No. 22-50 –** Approving a Construction Contract with **Pulice Construction, Inc**. for Construction of the Alpha Apron Expansion Phase IV Project in an amount not to exceed $8,614,693 under CIP 1231.

8. **Resolution No. 22-51 –** Approving a Construction Contract with **Coffman Specialties, Inc**. for Construction of the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $15,777,632 under CIP 1202, subject to receipt of two (2) FAA federal grants to Phoenix-Mesa Gateway Airport Authority.

9. **Resolution No. 22-52 –** Authorizing a contract for the Terminal Modernization Construction Manager at Risk Construction Services and Guaranteed Maximum Price, with **McCarthy Building Companies, Inc.** in an amount not to exceed $25,997,410 under CIP 1201.

10. Board Member Comments/Announcements

11. Next Meeting: Tuesday, September 20, 2022 at 9:00 a.m.

12. Adjournment

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Executive Director's Report

July 2022

Financial Snapshot

OPERATING INCOME	May		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY21	FY22	
Revenues	$2,082,068	$2,614,838	**$532,770**	$20,586,680	$24,469,998	$3,883,318
Less Expenses	$2,185,087	$2,037,250	**($147,837)**	$17,976,312	$20,577,798	$2,601,486
Operating Income *(Before Depreciation)*	**($103,019)**	**$577,588**	**$680,607**	**$2,610,368**	**$3,892,200**	**$1,281,832**

Investment Fund Balances: As of May, the Local Governmental Investment Pool (LGIP) 700 = $18,715,450; Wells Fargo; Collateralized Money Market = $7,304,517 and Collateralized CD's = $42,274,504; Total $68,294,471. The increase in the monthly balances was $100,367.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income for May 2022 of $577,588 and a fiscal-year-to-date 2022 (FYTD22) operating income of $3,892,200. Overall, aeronautical and non-aeronautic revenues at Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) continue to perform well, with increases of 7% and 50% respectively when compared to last fiscal year. Both revenue streams are positively impacted by increased passenger activity and commercial operations. Food, beverage, and retail sales-per-enplaned-passenger have reached an all-time high and continue to trend upward toward PMGAA's goal of $5.00.

Even with increasing inflationary pressures and high fuel costs, May 2022 operating expenditures were 10% less than budget. FYTD22 operating expenditures are currently 3% below budget as PMGAA enters the final month of the fiscal year.

Airport Operations

Gateway Airport Upgrading to a New Parking Access Revenue Control System

PMGAA is beginning a major project to replace and upgrade all the parking access revenue control equipment in Gateway Airport's three parking lots – Hourly, Daily, and Ray Road Economy. As part of this exciting and much-needed project, all entry lane, exit lane, and pay station equipment will be upgraded to a new, ticket-based system. So long unpopular parking tokens!

PMGAA will make every effort to minimize disruptions during this project. However, there may be intermittent system outages occurring during the installation period. PMGAA will ensure that plenty of parking staff will be on duty and readily available to lend a hand.

Once installation is complete, the new hardware and software will have much greater capabilities and provide a much higher level of customer service and customer satisfaction.

Gateway Airport Reports <u>Best May Ever</u>!

PMGAA Team Member Spotlight

Employee Name: **Misty Johnson**
Employee Title: **Executive Assistant/Clerk to the Board**
PMGAA Department: **Executive**
Years with PMGAA: **3**

What are your job responsibilities for PMGAA? I am responsible for facilitating the PMGAA Board of Directors' meetings - prepare meeting packets, participate in Board meetings, write/post meeting minutes, and maintain official documents/records. As the Records Officer, I direct the record retention program. I'm also the custodian for public record requests and serve as administrative support to the executive director's office, accounting/finance, and communications/government relations departments.

What is your most memorable Gateway Airport moment? The first time I saw the NASA Super Guppy I felt like a kid at Disneyland. Working here you see some very cool airplanes. Every morning I look forward to seeing what is parked on the ramp. It could be a C-130, an F-18, an Omega Tanker, an Apache helicopter, or The Blue Angels! You never know what you might see.

What is something people may not know about you? I grew up on a small farm in Southern Idaho riding and showing horses. My favorite style of riding when I was young was English. One time, my horse and I were practicing show jumping with three jumps in a row. We were two-thirds successful! I went over all three fences, but my horse only cleared the first two. That's about the time I switched to riding Western.

Engineering and Planning

Federal Funding Clears Way for Center Runway Reconstruction

Thanks to our supportive partners at the Federal Aviation Administration (FAA) and the Arizona Department of Transportation (ADOT), portions of Runway 12C/30C, Gateway Airport's center runway, will be reconstructed during FY23. This very important airfield infrastructure project will cost approximately $15MM and will require the runway to be closed for 6-8 months. Thankfully, the Airport has two additional 10,000-foot runways and will be able to maintain normal operations during the entire project.

Runway 12C/30C Reconstruction Project

1,300 New Parking Spaces Ensures Plenty of Parking Availability at Gateway Airport

1,300 Freshly Striped Parking Spaces

One of the biggest challenges associated with record-setting commercial passenger activity is providing adequate airport facilities and infrastructure to handle all the growth. In recent years, PMGAA has enlarged the TSA Security Screening Checkpoint, increased checked baggage handling capabilities, upgraded food, beverage, and retail concessions, and improved rental car operations.

The Airport's latest capacity enhancing project is now substantially complete. The PMGAA Board of Directors invested approximately $4MM constructing 1,300 new parking spaces in Gateway Airport's Ray Road Economy Parking Lot. With Swoop, Flair, WestJet, and Sun Country returning in October for another winter season, these new parking spaces will most certainly be needed.

Alpha Apron Phase IV to Begin in September

The completion of Alpha Apron Phase III just prior to the 2022 wildfire season proved to be very beneficial for the U.S. Forest Service as they allocated additional firefighting aircraft and other resources to the Southwest to battle this year's fires. In September, PMGAA will begin construction on the final phase of the Alpha Apron Project. Phase IV costs approximately $8.6MM and will add almost 250,000 SF of additional concrete ramp designed to handle the growing number of larger and heavier aircraft using the Airport.

Gateway Aviation Services

PMGAA pumped over 1.5MM gallons of aviation fuel during the month of May 2022, a 10% decrease over the amount of fuel handled in May 2021.

FUEL (Gallons)	May			FYTD		
	2021	2022	% Change	FY21	FY22	% Change
AvGas	43,744	44,059	1%	568,798	429,998	-24%

TOTAL	1,723,663	**1,554,246**	-10%	17,815,777	18,177,968	2%

Community Noise Report

PMGAA received aircraft noise calls from seven individuals during the month of May 2022, compared to 13 callers last May. Noise calls typically decrease during the summer months as the temperature in greater Phoenix begins to increase and some residents living adjacent to Gateway Airport start closing their windows and turning on the air conditioning.

The map to the right depicts where the noise calls emanated from during May 2022. As you can see, calls come from across the region without a heavy concentration in any one specific area.

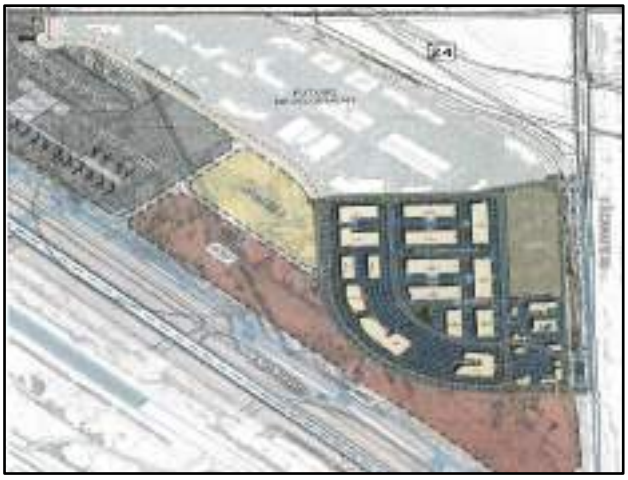
Business Development

The Boyer Company L.C. to Develop 300-Acres on the East Side of Gateway Airport

At their June meeting, the PMGAA Board of Directors approved a 40-year Master Development Agreement (MDA) and a 40-year Master Lease with The Boyer Company L.C. from Salt Lake City, UT for approximately 300 acres of non-aeronautical land located on the east side of the Airport. The large parcel of land is currently known as Gateway***East***, and is strategically situated adjacent to Ellsworth Road, SR 24, and the Loop 202 San Tan Freeway. The Boyer Company L.C. envisions a mixed-use development that includes Class A office space, flex industrial buildings, and commercial retail opportunities.



First Phase of GatewayEast Development

SkyBridge Arizona Planning Two Large Industrial Buildings

SkyBridge Arizona is planning two approximately 250,000 SF light industrial buildings located on a total of 29 acres adjacent to Velocity Way at the south end of Gateway Airport. SkyBridge Arizona has already completed construction on a 53,000 SF industrial building, an 82,500 SF hangar, and has broken ground on a new 129-room dual brand hotel.

The experienced developers have also designed between $25-$40MM of site infrastructure including a taxi lane extension, two entrance roadways, and all the necessary wet/dry utilities. Construction on the two large industrial buildings is scheduled to start in 4Q 2022.

Two 250,000 SF Industrial Buildings on 29 Acres

Gateway Executive Airpark Hangars Continue to Make Nice Progress

Hangar A – 34,494 SF

Hangar B – 35,896 SF

Gateway Executive Airpark is a 183,000 SF state-of-the-art, full-service hangar complex located at the north end of Gateway Airport's airfield between Textron Aviation's Mesa Service Center and Embraer's Executive Jet Service Center. This project includes both multi-tenant and single tenant hangars sized to accommodate larger jets, multiple smaller aircraft, and helicopters. The first two hangars will be available for lease by the end of 2022, and the third, larger hangar is scheduled for completion in mid/late 2023.

Are You Travel ID/REAL ID Ready?

Starting on May 3, 2023, all U.S. air travelers must be Travel ID/REAL ID compliant to board domestic flights and access certain federal facilities. The TSA checkpoint at Phoenix-Mesa Gateway Airport will only accept a driver's license with a gold star in the upper right-hand corner, a valid passport, or another Travel ID/Real ID compliant identification.

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | June 21, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, June 21, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor John Giles, Mesa
Councilmember Jim Waring, Phoenix (*via videoconference*)
Mayor Brigette Peterson, Gilbert
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community (*via videoconference*)
Mayor Gail Barney, Queen Creek (*via videoconference*)

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney
Shea Joachim, Business Development Director

** Neither present nor represented*

1. **Call to Order** at 9:02 a.m. (Mayor Giles, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date 2022 (FYTD22) Net Operating Income is $3,314,615.
   - Record Setting April! Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 171,015 commercial passengers during April 2022; a 43% increase in passengers compared to April 2021. Allegiant has notified the Authority of reductions in service for June, July and August due to a pilot shortage impacting their service system wide.
   - Terminal concessions are thriving and providing a significant increase in non-airline revenue. Enplaning passengers are spending an average of $4.30 on food, beverage, and retail purchases.
   - The Copper Plate restaurant is closed while the space is being renovated into a Macayo's Mexican Food/Infusion Coffee & Tea Crafters. The anticipated opening for these two new restaurants will be in August.
   - Progress continues on three hangars totaling 183,000 SF in the Gateway Executive Airpark located at the north end of the airfield. The first two hangars will be available for lease this fall. The steel for the second hangar is currently being erected.

DRAFT

- Gateway***East*** is a 300-acre mixed use non-aeronautical master development opportunity located on the east side of the Airport. Business Development Director, Shea Joachim is giving a presentation today on the planned development for this site. The Master Development Agreement and the Master Lease Agreement with The Boyer Company are listed on today's agenda for the Board's consideration.
- Design for SkyBridge Arizona's horizontal infrastructure – taxi lane extension, entrance roadways, sewer, water, fiber, and other utilities – is complete. SkyBridge Arizona is designing two additional industrial buildings. These two flex industrial buildings will be approximately 200,000 SF and 250,000 SF respectively. These projects may be on the July PMGAA Board agenda for consideration.
- Gateway Tomorrow is a planning initiative to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. A Request for Qualifications (RFQ) for the long-range planning project has been issued. The evaluation panel has met and selected the three most qualified submitters to participate in the interview portion of the selection process.
- The Travel ID compliance deadline is May 3, 2023. After that date, TSA Security checkpoints will only accept the Arizona Travel ID with the gold star.
- The exterior of the Air Traffic Control Tower (ATCT) is complete and interior construction work continues. Federal Aviation Administration (FAA) technicians are onsite installing their equipment. The ATCT is on-track to be commissioned at the end of summer 2022.
- PMGAA is waiting to hear if it has received a Bipartisan Infrastructure Law (BIL) grant for a new 30,000 SF, five-gate terminal addition. PMGAA is hoping to secure a $20MM - $25MM grant from the Terminal Modernization Program to complete the important project.
- PMGAA has expanded aircraft parking opportunities for larger/heavier aircraft at the south end of the airfield. Alpha Apron Phase III was completed just before the wildfire season this year and is now in use by the U.S. Forest Service. The design for Alpha Apron IV is complete and construction will begin once the Airport's new ATCT is finished.
- PMGAA is improving the Rental Car Return Lot and the Rental Car Care Facility. Construction will begin following the July 4th Holiday to re-design traffic flow, expand capacity, add new facilities for the car rental companies, and erect shade structures for customer convenience. Customer Facility Charge (CFC) funds are fees assessed to passengers renting cars at the Airport. These funds go into a dedicated account and can only be used to improve the infrastructure and facilities for rental car operations.
- PMGAA is planning to expand its fuel storage capacity to protect against fuel delivery disruptions. In March the Board approved Resolution 22-09 for the fuel farm expansion design. Current fuel storage is 250,000 gallons which is a 3-day supply and is susceptible to fuel delivery disruptions. The additional 4-day, 300,000 gallons in tank storage will provide a 7-day supply of 550,000 gallons to protect against operational failures due to fuel delivery disruptions. Listed on today's agenda for the Board's consideration are Resolutions 22-34 and 22-35 pertaining to this project.
- A ticketing terminal connector has been designed to allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint by approximately 30% and will keep passengers in a climate-controlled environment from ticketing through security screening.

- A Ray Road Economy Parking Lot expansion project is under construction. An additional 600 parking spaces will be completed in time for the busy 4th of July Holiday. A total of 1,300 additional parking spaces will be available by the end of July.

6. Gateway*East* Presentation – Shea Joachim, Business Development Director

Mr. Joachim gave a presentation on the development of the Gateway*East* site and an overview of the Master Development Agreement and Master Lease Agreement with The Boyer Company which is on today's agenda for Board consideration.

Matt Jensen, Partner with The Boyer Company, spoke positively about his experience collaborating over the past six months with the staff of the Phoenix-Mesa Gateway Airport Authority and the City of Mesa and designing and evaluating the options for the Master Plan. He expressed his appreciation for this opportunity the Board is considering. Mr. Jensen was joined by Adrian Evarkiou, Partner with The Boyer Company.

7. Consent Agenda

a) Minutes of the Board Meeting held on **May 17, 2022.**

b) **Resolution No. 22-25 –** Authorizing the **Denver Series of Lockton Companies, LLC (Lockton)** under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2022, not to exceed premium cost of $617,021.

c) Resolution No. 22-26 – Authorizing an agreement for financial participation between the **City of Mesa** and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2022, in the amount of $106,406.40.

d) Resolution No. 22-27 – Authorizing a contract with **Blackstone Security Services, Inc. (Blackstone)** to provide unarmed security guard services for a three-year initial contract term in an amount not to exceed $298,000.00. The contract allows for two optional one-year extensions. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Unarmed security guard - regular time	60	$23.61
Unarmed security guard - overtime	10	$35.42
Description	Est. Annual Hours	Billable Rate
Unarmed security guard - holiday time	120	$35.42

e) Resolution No. 22-28 – Authorizing the purchase of janitorial supplies from **Network Services Company in partnership with Waxie Sanitary Supply** for FY23, in an amount not to exceed $125,000.

f) Resolution No. 22-29 – Authorizing the purchase of Jet A fuel and 100LL Avgas from **Ascent Aviation** for Airport Authority resale in the amount of $5,250,000.

g) **Resolution No. 22-30 –** Authorizing the purchase of Unleaded and Diesel fuel from the **lowest priced State contract vendor** at market prices for Airport Authority use and resale in an amount not to exceed of $630,000. This amount will provide fuel for the 2023 fiscal year.

h) **Resolution No. 22-31 –** Authorizing the purchase of international waste management services from **Stericycle, Inc. (Stericycle)** in an amount not to exceed $55,000.00 for fiscal year 2023.

i) **Resolution No. 22-32 –** Approving a Construction Contract with **Coffman Specialties, Inc.** for the construction of the TWY Connectors in an amount not to exceed $7,851,927.50 under CIP 1236.

j) **Resolution No. 22-33 –** Approving an Authorization of Services for the TWY Connectors Construction Administration Services with **Kimley-Horn & Associates (KHA)** in an amount not to exceed $246,768 under CIP 1236**.**

k) **Resolution No. 22-34 –** Authorizing an **amendment of the FY23 Capital Budget** to provide an additional $6 million in funding to CIP 1224 Fuel Farm Expansion Construction not to exceed $12 million.

l) **Resolution No. 22-35 –** Approving a Pre-Construction Services Contract with **KEAR Civil Corp.** for CMAR Pre-Construction Services for the Fuel Farm Expansion Construction, in an amount not to exceed $243,671 under CIP 1224.

m) **Resolution No. 22-36 –** Authorizing an amendment to the Ground Lease 2016-093 for **Lot #39** to extend the expiration of the term by nine (9) years, from June 30, 2043, to June 30, 2052, with an associated extension fee of $322,262.68 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to **Vernon Investments, LLC**.

n) **Resolution No. 22-37 –** Authorizing an amendment to the Ground Lease 2016-093 for **Lot #39A** to extend the expiration of the term by nine (9) years, from June 30, 2043, to June 30, 2052, with an associated extension fee of $122,462.47 to be paid by the Lessee, and hereby authorizes approval of a concurrent assignment of the Ground Lease to **Vernon Investments, LLC**.

Mayor Brigette Peterson moved to approve the Consent Agenda.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

Consideration and Possible Approval of:

8. **Resolution No. 22-38 –** Authorizing a Master Development Agreement and Master Lease Agreement with **Boyer GatewayEast, L.C**. for the property referred to as GatewayEast, each for a term of forty (40) years with no extensions, and each to be guaranteed by The Boyer Company, L.C.

Mayor Chip Wilson moved to approve Resolution No. 22-38.
Mayor Brigette Peterson seconded the motion.
The motion was carried unanimously.

9. **Election of Chair and Vice Chair**

Mayor Chip Wilson motioned to nominate Mayor Brigette Peterson to become Chair and Councilmember Jim Waring to remain Vice Chair.

Lt. Governor Monica Antone seconded the motion.
The motion was carried unanimously.

10. **Election of Secretary and Treasurer**

Mayor Gail Barney motioned to nominate Mayor Chip Wilson to become Secretary and Lt. Governor Monica Antone to become Treasurer.
Councilmember Jim Waring seconded the motion.
The motion was carried unanimously.

11. **Board Member Comments/Announcements.**
Executive Director O'Neill expressed appreciation on behalf of the Authority for Mayor Giles outstanding vision and leadership as PMGAA's Chairman of the Board of Directors during FY22.

Mayor Giles reflected on his time beginning back in 1996 serving on the Mesa City Council just a couple of years after the transition from the former Williams Air Force Base. Mayor Giles spoke of the honor he felt returning to the Mesa City Council eight years ago as Mayor and of the progress and development that has come to fruition over the past 26 years. He expressed his pleasure to serve on this Board and his appreciation for the hard work of all the people that have made this a success story.

12. **Next Meeting: Tuesday, July 19, 2022** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

13. **Adjournment.**
The meeting adjourned at 9:52 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 22-39

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Pavement Repair Materials**
Date:	**July 19, 2022**

Proposed Motion
To authorize the purchase of pavement materials from Brewer Cote of Arizona for FY23, in an amount not to exceed $75,000.

Narrative
Pavement is a fundamental material for airport runways, parking lots, and streets. Due to use, age and weather, the condition of the pavement requires maintenance as needed throughout the year to reduce further deterioration and complete necessary repairs to meet Part 139 compliance. Increased activity coincides with an increase in repairs. Last Fiscal year resulted in over 450 pavement repairs.

The recommended course of action includes purchasing necessary paving materials as needed for maintenance repairs. Authorization of the purchase for paving materials is necessary to repair deterioration and continue use and access to pavement areas on the airport.

PMGAA and Brewer Cote of Arizona are both participants of the Strategic Alliance of Volume Expenditures (S.A.V.E.) Purchasing Group. Under S.A.V.E., Brewer Cote of Arizona was awarded Contract #147037 for cold mix asphalt and various paving materials, and it is through this competitive selection that PMGAA will utilize Brewer Cote of Arizona for paving materials. This contract is available upon request.

Fiscal Impact
The supply expenses were included in the FY23 operating budget under Repair and Maintenance: Pavements.

	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Asphalt/Pavement maintenance and repairs**
Date:	**July 19, 2022**

Proposed Motion
To authorize the purchase of airfield asphalt repair services with Sunland Asphalt of Arizona, Inc. (Sunland) for an amount not to exceed $100,000.

Narrative
Due to use, age and weather, the condition of the asphalt requires crack-fill and seal coating maintenance to reduce further deterioration. Increased activity coincides with an increase in deterioration. Last fiscal year had record breaking activity for 7 out of 12 months.

The recommended course of action includes crack-fill and seal coat of asphalt surfaces as needed throughout the airport. Authorization of the purchase of airfield asphalt repair services is necessary to reduce FOD, repair deterioration and extend life cycles.

PMGAA and Sunland are both participants of the Mohave Educational Service Cooperative (MESC) Purchasing Group. Under MESC, Sunland was awarded Contract #19P-ACE-0318 for asphalt products and services, and it is through this competitive selection that PMGAA will utilize Sunland for asphalt services. This contract is available upon request.

Fiscal Impact
The maintenance expenses were included in the FY23 operating budget under Repair and Maintenance: Pavements.

Agreement to Use
Mohave Cooperative Contract #19-ACE-0318
via Cooperative Purchasing Agreement

Whereas, the Phoenix-Mesa Gateway Airport Authority (PMGAA) is a member of the Mohave Cooperative allowing it to utilize existing contracts entered into by other Mohave Cooperative members; and

Whereas, Mohave Cooperative has executed contract 19-ACE-0318 with Ace Asphalt of Arizona, Inc. for Asphalt Products & Services; and

Whereas, PMGAA and Ace Asphalt of Arizona, Inc. desire to utilize the terms and conditions of Mohave Cooperative contract 19-ACE-0318, including pricing that was competitively bid.

NOW THEREFORE, in consideration of the payment of fees and the performance by the parties of the mutual covenants and conditions set forth herein, the parties hereby agree as follows:

A. **CONTRACT:** This Agreement incorporates by reference and attachment all the terms and conditions of that certain cooperative purchasing contract 19-ACE-0318, between Mohave Cooperative and Ace Asphalt of Arizona, Inc., except:
   1. All references to Mohave Cooperative shall be replaced with Phoenix-Mesa Gateway Airport Authority;
   2. The contract between Ace Asphalt of Arizona, Inc. and Phoenix-Mesa Gateway Airport Authority is independent of the Mohave Cooperative contract 19-ACE-0318.
   3. Billing and Delivery information shall be stated on PMGAA's purchase order(s).
   4. This Agreement to Use shall not obligate PMGAA to purchase goods and/or services until PMGAA issues a purchase order to Ace Asphalt of Arizona, Inc. for such goods/and or services.

   To the extent applicable under Arizona Revised Statutes § 41-4401, the Contractor and its Subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). Contractor's or its Subcontractor's failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by the Authority.

B. **FEE FOR SERVICES:** The fees to be utilized for this contract shall be as per original bid with Mohave Cooperative, with the following exceptions:
   1. Quantities shall be adjusted to reflect the actual needs of PMGAA and detailed in PMGAA's purchase order issued to Ace Asphalt of Arizona, Inc.

C. **CONTRACT TERM**
   This Agreement is effective as of March 18, 2020 and shall terminate on March 18, 2025 unless terminated, cancelled, or extended as provided in the original contract between Mohave Cooperative and Ace Asphalt of Arizona, Inc.

   The approval and continuation of this contract is subject to the availability of funds either provided to, made available to, or appropriated by the Phoenix-Mesa Gateway Airport Authority for this purpose. In the event that funds are not available or appropriated for Phoenix-Mesa Gateway Airport Authority's payment requirements under this contract for the goods and/or services to be provided hereunder the Phoenix-Mesa

Re: Resolution 22-41

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM, Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Alpha Apron Expansion Phase IV Construction Support and Observation Services – Kimley Horn & Associates**
Date:	**July 19, 2022**

Proposed Motion

To approve an Authorization of Services for Alpha Apron Expansion Phase IV Construction Support and Observation Services with Kimley-Horn & Associates in an amount not to exceed $472,116 under CIP 1231.

Narrative

In FY04 PMGAA completed a 250,000 square foot aircraft parking apron, which resulted in a private development along its edge. Expansions to that apron (Phase II and Phase III) were constructed in FY11 and FY22, respectively and are used for various federal government and private operations. In order to ensure the Airport continues to have adequate apron capacity for the future, the Alpha Apron Expansion Phase IV design was refreshed in FY22 and this project is now ready to be constructed to create additional apron space needed to accommodate large aircraft for our our current, and future, customers.

Kimley Horn & Associates will provide Construction Support and Observation Services for this project, which will expand the Alpha Apron Phase IV to the North/West, while tying into adjacent Taxiway "A" and Taxiway "V". This project will include the construction of a Portland cement concrete apron pavement section, asphalt paved shoulders, taxiway/apron lighting, grading and drainage, pavement markings, utility improvements, and is anticipated to be constructed in two main phases.

In 2019, a Request for Qualifications, 2020-007-RFQ for On-Call Engineering Services was issued. Kimley-Horn and Associates (KHA) was one of two firms selected as the most qualified. In accordance with the terms of our agreement, C-2020007-A, KHA worked with Airport staff to refine a Scope of Work for Construction Support Services for the Alpha Apron Expansion Phase IV Reconstruction project. The cost for these services was negotiated based upon the contract fee schedule at a cost not-to-exceed $472,116.

Fiscal Impact

This project is included in the FY23 Capital Budget and will be funded with FAA approved PFC funding under CIP 1231.

AUTHORIZATION OF SERVICES
Kimley-Horn & Associates, AOS 20A-2301

The signing of this Authorization (Agreement) by Phoenix-Mesa Gateway Airport Authority (PMGAA) and Kimley-Horn & Associates, 7740 N. 16th Street, Suite 300, Phoenix, AZ 85020 ("Kimley-Horn"), authorizes Kimley-Horn to carry-out and complete the services described below in consideration of the mutual covenants set forth below:

1. **PROJECT**: Alpha Apron Phase IV Construction Support and Observation Services under CIP 1231.

2. **SCOPE OF WORK**: Perform and provide Construction Support and Observation Services for the Alpha Apron Phase IV Construction which will expand the Alpha Apron Phase IV to the North/West while tying into the adjacent Taxiway "A" and Taxiway "V". This project will include the construction of a Portland cement concrete apron pavement section, asphalt paved shoulders, taxiway/apron lighting, grading and drainage, pavement markings, utility improvements, and is anticipated to be constructed in two main phases.

3. **FEE FOR SERVICES**: The fee for services shall be based upon the attached scope of work, not to exceed Four hundred seventy-two thousand, one hundred-sixteen dollars and zero cents ($472,116), with PFC funding under CIP 1231, without the express written approval of PMGAA.

4. **AVAILABILITY OF PROJECT FUNDING:** The approval and continuation of this contract is subject to the availability of funds provided to, made available to, or appropriated by PMGAA for this purpose. In the event that funds are not available or appropriated for PMGAA's payment requirements under this contract for the goods and/or services to be provided hereunder, PMGAA may terminate this contract by providing notice to the consultant of the lack of the availability of funds. The consultant acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, and that this contract, its approval and continuation, may contingent on the availability of those funds being made to PMGAA.

5. **INCORPORATED:** The following documents are hereby incorporated with this Authorization of Services and made part thereof:

   ☑ PMGAA Agreement C-2020007-A dated December 17, 2019.

6. **ATTACHED:** The following documents are attached to this Agreement and are incorporated herein by this reference made part thereof:

☑ Scope and Fee Proposal dated May 2022.

PMGAA and Kimley-Horn acknowledge that they are in agreement with the terms and conditions as set forth in this Authorization.

EXHIBIT A

SCOPE OF WORK

Construction Support and Observation
for
Alpha Apron Expansion Phase IV

A. PROJECT DESCRIPTION: Demand for aircraft-parking/hangar-buildings at the Phoenix-Mesa Gateway Airport (the Airport) created the need for additional apron areas to be constructed on the southwest side of the airfield. The "*Cargo Apron and Taxiway B*" project built the first phase of the current Alpha Apron area, followed by a second project which extended the apron to the south (referred to as the "*Alpha Apron Phase II*" project). Later a third project that extended the apron further to the north (referred to as the "*Alpha Apron Phase III*" project) was completed in early 2022, and plans for a fourth phase expansion (again to the north) were being developed during the construction of Phase III. Kimley-Horn provided the design of the Phase IV apron expansion to meet current FAA geometric standards, which included the addition of a new connector taxiway from the proposed apron area to existing Taxiway V.

The project will expand the existing Alpha Apron to the North/West, while tying into adjacent Taxiways 'A' and 'V'. This project will include the construction of a Portland cement concrete apron pavement section, asphalt paved shoulders, taxiway/apron lighting, grading and drainage, pavement markings, utility improvements, and is anticipated to be constructed in two main phases. A general layout of the proposed Alpha Apron Expansion Phase IV project is shown in the Figure **below**.

Construction is tentatively scheduled to start in September of 2022 with PFC funding and is anticipated to take **<u>180</u>** calendar days to construct.

General Project Layout

B. PROJECT SCOPE: the Kimley-Horn team will provide Construction Administration and Design Support and Observation for the construction of Alpha Apron Expansion Phase IV and will perform the following specific tasks to complete this work:

1. **PROJECT ADMINISTRATION:** The following general tasks will be performed for the project:
   a) Provide project administrative tasks for support of our contract throughout the project.
   b) Provide monthly invoicing and attend general client meetings for the project.
   c) Will review, and coordinate activities, scheduling, and deliverables being performed by all sub-consultants.

2. **PRE-CONSTRUCTION:** The following general tasks will be performed for the project:
   a) The Kimley-Horn team will attend the pre-construction meeting and discuss items related to the contract, such as the items provided in the FAA Advisory Circular AC 150/5300-9A, Pre-Construction Conferences for Airport Grant Projects.
   b) Pre-Construction Submittal Review. Kimley-Horn will assist in the preparation of the initial Construction Management Plan (CMP). The contractor must submit his Quality Control Plan for inclusion into the Final CMP that will be reviewed and then submitted to FAA. Kimley-Horn will also review or take other appropriate action in respect to Contractor Quality Control plan and Contractor Airport Safety plan for compliance with project plans and specifications.

3. **CONSTRUCTION SUPPORT AND OBSERVATION:** The Kimley-Horn team will provide Construction Administration and Design Support services during construction of the project. Construction Administration will entail contract administration, on-site observation/monitoring of construction materials, finishes, and workmanship and quality assurance materials testing. Design Support will be composed of site visits, weekly meeting participation, review of contractor submittals, review/respond to RFI's, review of contractor Change Orders requests and proposals. The Kimley-Horn team will also provide Quality Assurance Testing for the project.

   The Kimley-Horn team will lead weekly construction meetings for the duration of the project. The purpose of weekly construction meeting attendance is to enable the airport/team to communicate the expectations and project requirements to the Contractor. Kimley-Horn will also hold pre-activity meeting prior to principal work activities. Project meetings and construction observation will permit the Kimley-Horn team to carry out the duties and responsibilities specifically assigned in this Agreement, and to provide PMGAA a greater degree of confidence that the completed Work will conform to the Contract Documents.

   The following tasks will be performed for the project:

   a) *Review and Monitor Construction Schedule:* The Kimley-Horn team will review the baseline and subsequent monthly progress schedules submitted by the Contractor for conformance with the Contract Documents. The team will discuss schedule concerns with the PMGAA.

   b) *Construction Observation:* The Kimley-Horn team will provide on-site review/monitoring of construction materials, finishes, and workmanship. Site visits and construction observation are not intended to be exhaustive or to extend to every aspect of Contractor's work in progress. Observations are to be limited to spot checking, selective measurement, and similar methods of general observation of the Work based on the engineer's exercise of professional judgment. Based on information obtained during such visits and such observations, the engineer will evaluate whether the Contractor's work is generally proceeding in accordance with the Contract Documents. Kimley-Horn will keep the PMGAA informed verbally and by email of the general

progress of the Work. Kimley-Horn shall notify the PMGAA as soon as practical, verbally and in a memorandum in electronic PDF format, of observed deviations and/or defects in materials, finish, equipment, systems, and workmanship. Kimley-Horn will not, during such meeting or on-site activities/visits or as a result of such observations of Contractor's work in progress, supervise, direct, or have control over Contractor's work, nor shall Kimley-Horn have authority over or responsibility for the means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction selected by Contractor, for safety precautions and programs incident to Contractor's work, nor for any failure of Contractor to comply with laws and regulations applicable to Contractor's furnishing and performing the Work. Accordingly, Kimley-Horn neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.

The Kimley-Horn team will complete daily observation logs documenting observed day-to-day construction activities, crews, weather conditions, subcontractors, quality control testing, quality assurance testing, and construction quantities. Daily observation logs will be kept on-site and distributed in electronic PDF format as requested by the PMGAA.

c) *Construction Progress Meetings:* Kimley-Horn team will conduct up to **twenty-four (24)** weekly construction progress meetings for the duration of the construction season. Kimley-Horn will prepare and distribute an agenda prior to the construction progress meetings. The resident project representative, site observers, and other Subconsultant will be invited to attend the meeting and will prepare an attendance log and meeting notes, and distribute to all attendees and the PMGAA summarizing the discussions held during each meeting.

d) *Quality Acceptance Testing:* The Kimley-Horn team will provide materials quality acceptance testing in accordance with the Construction Management Program described herein, based on standards described in the project plans and specifications using ASTM or other approved standards, for the project.

e) *Review Quality Control Testing:* Kimley-Horn will review quality control testing results provided by the Contractor. The team will compare quality control test results against the project plans and specification standards and quality assurance test results and notify the PMGAA of any concerns.

f) *Review and Respond to Requests for Information (RFI's):* Kimley-Horn will respond to reasonable and appropriate Contractor requests for information and issue necessary clarifications and interpretations of the Contract Documents to PMGAA as appropriate to the orderly completion of Contractor's work. Any orders authorizing variations from the Contract Documents will be made by PMGAA.

g) *Change Orders*. Kimley-Horn may recommend Change Orders to PMGAA, and will review and make recommendations related to Change Orders submitted or proposed by the Contractor or the PMGAA.

h) *Shop Drawings and Samples*. Kimley-Horn will review or take other appropriate action in respect to submittals, shop drawings and samples and other data which Contractor is required to submit, but only for conformance with the information given in the Contract Documents. Such review or other action will not extend to means, methods, techniques, equipment choice and usage, sequences, schedules, or procedures of construction or to related safety precautions and programs.

i) *Substitutes and "or-equal":* Kimley-Horn will, evaluate and determine the acceptability of substitute or "or-equal" materials and equipment proposed by Contractor in accordance with the Contract Documents, but subject to the provisions of applicable standards of state or local government entities.

j) *Disagreements between PMGAA and Contractor*. Kimley-Horn will, if requested by PMGAA, render written recommendation on a claim of PMGAA or Contractor relating to the acceptability of Contractor's work or the interpretation of the requirements of the Contract Documents pertaining to the progress of Contractor's work. In rendering such recommendation, Kimley-Horn shall be fair and not show partiality to PMGAA or Contractor.

k) *Applications for Payment*. Kimley-Horn will review the monthly draft application for payment prepared by the Contractor and provide the Airport Authority with a recommendation regarding the quantities for which the Contractor should be paid. Such recommendations for payment will be submitted by email and will constitute the Kimley-Horn's representation to the PMGAA, based on such observations and review, that, to the best of the engineer's knowledge, information and belief, the Contractor's work has progressed to the point indicated, such work-in-progress is generally in accordance with the contract documents (subject to an evaluation of the work as a functioning whole prior to or upon substantial completion, to the results of any subsequent tests called for in the contract documents, and to any other qualifications stated in the recommendation), and the conditions precedent to the Contractor's being entitled to such payment appear to have been fulfilled insofar as it is the engineer's responsibility to so determine. In the case of unit price work, recommendations of payment will include final determinations of quantities and classifications of the Contractor's work, based on observations and measurements of quantities provided with pay requests.

By recommending any payment, the Kimley-Horn will not thereby be deemed to have represented that observations made by the team to check the Contractor's work as it is performed and furnished have been exhaustive, extended to every aspect of Contractor's work in progress, or involved detailed inspections of the work beyond the responsibilities specifically assigned to the Kimley-Horn in this agreement.

l) *Prepare FAA Weekly Progress Reports:* The Kimley-Horn team will prepare up to thirty-six weekly FAA Construction Progress and Inspection Reports and submit them to the PMGAA in electronic PDF format.

m) *Substantial Completion.* The Construction Contract requires the Contractor to achieve Substantial completion of the Contract within 180 calendars days from the written notice to proceed. Kimley-Horn will conduct a site visit to determine if the completed Work of the Contractor is generally in accordance with the Contract Documents. If necessary, the team will prepare and submit, in electronic PDF format to the Contractor and the PMGAA, a punch list of observed items requiring completion or correction for the project to be considered complete. Upon completion of the punch list items, the Designer will submit an email to the Contractor recommending their submittal of the Contractor's final pay application. The Designer will track the completion of the punch list items and inform the PMGAA when complete.

n) *Final Notice of Acceptability of the Work.* Kimley-Horn will attend a final site visit to verify if the completed work of Contractor is generally in accordance with the Contract Documents. Kimley-Horn will provide, if requested by PMGAA, a written notice that the Work is generally in accordance with the Contract Documents to the best of Kimley-Horn's knowledge, information, and belief based on the extent of its services and based upon information provided to Kimley-Horn upon which it is entitled to rely.

o) *Final Construction Report*: The Kimley Horn team will prepare the Final Construction Report as required by FAA and will consist of the following information:

- Description of Work Summary including project location, narrative of work constructed, and work bid but not constructed,
- Preconstruction Activities: List of Bids Received, copy of Notice of Award, Pre-Construction Conference meeting notes, copy of Notice to Proceed documents, Construction Contract and Change Orders,

- Construction summary; Daily and Weekly reports, sequence and resolution of construction issues, change orders and supplemental agreements, contract timeline, labor compliance supplied by the Contractor, and Contractor's partial and final payment certifications,
- Summary of quality assurance test results,
- Summary of project costs.

p) *Record Drawings:* The Kimley Horn team will prepare record drawings in AutoCAD format for the project based on information provided by the Contractor regarding field changes recorded and will incorporate those changes into the construction plans. Kimley-Horn will prepare the record drawings in accordance with the Airports-GIS standards as identified in Chapters 3 and 5 of the FAA Advisory Circular 150/5300-18B and submit to the PMGAA in electronic AutoCAD format, PDF format, and one full size bound set of drawings.

q) *Limitation of Responsibilities.* Kimley-Horn shall not be responsible for the acts or omissions of any Contractor, or of any of their subcontractors, suppliers, or of any other individual or entity performing or furnishing the Work. Kimley-Horn shall not have the authority or responsibility to stop the work of any Contractor.

4. POST CONSTRUCTION PHASE. Kimley-Horn will provide assistance and consultation to the PMGAA for up to 30 calendar days following the project substantial completion. This will include site observation of any Contractor deficiencies in their work and assist the PMGAA in recommendations in correcting such Contractor deficiencies. Any assistance beyond the 30 days will be on a time and material basis.

C. CONTRACT TIME. Kimley-Horn will provide construction administration and design support services as described above, during the designated construction contract period as approved and awarded by the Airport Authority. The services by Kimley-Horn shall include the base bid for a construction period of **180 calendar days** after the contract times commence to run as provided in the Contract Documents and all Work shall be finally completed and ready for final payment within **30 calendar days** thereafter. As-built (record drawings) will be completed two weeks after the approved red lines drawings have been received.

D. DELIVERABLES. Kimley-Horn will provide the following deliverables:

a) As-built (Record) Drawings:

- Review the contractor prepared redline record drawings; Review and incorporate field changes based on documented observations; As part of weekly site visits Conduct a field review to verify the completeness of the contractor prepared redline drawings and
- Prepare and submit one hardcopy full size set and one half size set of the final Record Drawings and electronic versions in both PDF and AutoCad formats.

b) Final Construction Report:

- Draft report in Microsoft Word format to the PMGAA for review and comment
- Three final bound reports (with pdf copies) to the PMGAA

E. KIMLEY-HORN'S COMPENSATION FOR SERVICES: Kimley-Horn shall be compensated for services according to a "NTE (Not to Exceed)" method of compensation with an allowance for expenses shall be used for this contract. Kimley-Horn's total compensation for these construction Design Support Services shall be: **$ 472,116.**

The derivation of engineering fee for design services are attached to this authorization as Exhibits. Kimley-Horn shall not proceed with any additional requested services without written approval from the PMGAA.

F. ASSUMPTIONS: The estimated engineering fee is based on the assumptions attached hereto, see Exhibits attached. If the Contractor's schedule requires additional hours or additional contract time, then additional man-hours and compensation will need to be negotiated.

Assumptions:
* Project Duration is 180 CD or approx 26 weeks or approx 6 monthly periods
* Hours per period based on 40 hrs/wk x 52 wks = 2080 hrs/yr - (8 holidays x 8 hrs) = 2016 hrs/yr / 12 mo/yr = 168 hrs/mo
* Overhead rate of 168.97% covers all direct costs including vehicle and related costs, phone, and computer. Profit fee is 10%.
* Overtime is after 40 hours per week and is calculated at 1.5 x the hourly rate for the inspectors.
* Contractor working 5-8 hour days per week
* Allow for 30 CD Post Substantial Completion Window
* Primarily single shift with possible night work for concrete placement.
* NTP estimated for 9/5/22 + 180 CD = 3/4/23 completion
* Cert Payroll, DBE compliance tracking not required.

Board Action Item

Re: Resolution 22-42

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY23 Capital Budget Amendment – Terminal Modernization Construction–CIP1201**
Date:	**July 19, 2022**

Proposed Motion

To authorize an amendment of the FY23 Capital Budget to provide an additional $6,572,272 in funding for the Terminal Modernization Construction Project under CIP 1201.

Narrative

The Phoenix-Mesa Gateway Airport has experienced unprecedented growth and the Terminal Modernization project has become necessary due to the age of the current temporary modular facility (Annex), the inefficient mechanical systems, and deteriorating facility along with the increase in passenger traffic and additional airlines utilizing PMGAA. The current Annex is severely limited in its current configuration and the intent of this project is to modernize the facility and increase its capacity for the overall passenger experience and the health and safety of our passengers. The improvements will be the final large improvement in the terminal facility until a demand driven East Side Terminal is pursued.

The original estimated total cost for the Terminal Modernization Construction Project was $21,500,000; however, based on the cost of supplies and labor, the total cost of this project is now estimated at $28,072,272. McCarthy Building Companies, Inc. is currently providing Pre-Construction Management Services as a CMAR for the replacement of the existing Terminal Annex Modular Building with a new, connected Terminal Concourse containing five (5) gates, while maintaining the existing passenger service to three (3) aircraft parking spots.

Fiscal Impact

This project was included in the FY22 Capital Budget with a planned carry-over to the FY23 Capital Budget utilizing FAA grants under CIP 1201. This request is contingent upon receipt of an FAA grant.

Attachment(s)

None.

RESOLUTION NO. 22-42

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an amendment of the FY23 Capital Budget to provide an additional $6,572,272 in funding for the Terminal Modernization Construction Project under CIP 1201.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an amendment of the FY23 Capital Budget to provide an additional $6,572,272 in funding for the Terminal Modernization Construction Project under CIP 1201. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 19th day of July, 2022.

Brigette Peterson, Chair

Board Action Item

Re: Resolution 22-43

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Terminal Modernization Construction Project – Construction Administration Services – DWL Architects + Planners, Inc.**
Date:	**July 19, 2022**

Proposed Motion

To authorize a contract with DWL Architects + Planners, Inc. (DWL) for Construction Administration Services for the Terminal Modernization Construction Project, in an amount not to exceed $389,399 under CIP 1201.

Narrative

The Terminal Annex Modernization project has become necessary due to the age of the current modular facility, and the inefficient mechanical systems, deteriorated facility along with the increase in passenger traffic and additional airlines utilizing PMGAA. The current Annex is severely limited in its current configuration and the intent of this project is to modernize the facility and increase its capacity.

This project will include the replacement of the current Terminal Annex Modular Building with a new connected Terminal Concourse containing five (5) gates while maintaining the existing passenger service to three (3) aircraft parking spots. DWL will provide limited Construction Administration Services which include (but are not limited to) Administrative activities, field observation, submittals, Requests For Information (RFI), Architects Supplemental Instructions (ASI), Proposal Requests (PR), Project-Close Out activities, Punchlist, review of O&M Manuals, Record Drawings and conduct warranty inspections.

The Notice of Request for Qualifications (RFQ), Solicitation 2021-027-RFQ was issued on April 13, 2021 and advertised in the Arizona Business Gazette on 4/15, 4/22, 4/29 and 5/6/21; it was also posted on the AzAA, ACC, ACI-NA, and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 61 prospective firms and included Small Business outreach. PMGAA Staff received four (4) Statements of Qualifications on May 13, 2021. The Evaluation Panel unanimously ranked DWL as the firm that best satisfied the requirements and had the best overall experience and qualifications for this project.

Fiscal Impact

This contract is included in the FY22 Capital Budget with carryover to FY23 utilizing FAA Grant Funding, under CIP 1201 and contingent upon receipt of a FAA grant.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230005** ("Contract") and the attached exhibits. DWL Architects + Planners, an Arizona Corporation ("Consultant"), with its principal offices located at 2333 North Central Avenue, Phoenix, Arizona, 85004, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Construction Administration Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on the date signed by Owner and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant and its subconsultants, as listed below, shall provide all services to be performed under this Contract. If additional sub-consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said subconsultants. PMGAA may, at its sole discretion, accept or reject proposed subconsultants.

LSW Engineers Arizona, Inc.
Martin, White & Griffins Structural Engineers, Inc.
Dibble Engineering
Logan Simpson Design, Inc.
McKay Conant Hoover, Inc.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not

contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

RE: Terminal Annex Modernization Design Services
2021-027-RFQ
Design and Engineering Services – Construction Administration Services
DWL Project No. 2129.00

Dear Bob:

We are very pleased for this opportunity to submit the limited Construction Administration (CA) services proposal for the construction of the Terminal Modernization project at Phoenix-Mesa Gateway Airport (AZA/IWA).

Assumptions:

1. The selected project delivery method is Construction Manager at Risk (CMAR) and the CMAR is McCarthy Building Companies. PMGA will provide primary Construction Administration (CA) and Project Management (PM). DWL team to provide limited CA services as outlined in this proposal.
2. Sub consultants included in this project scope:

   LSW Engineers (LSW): Mechanical, Electrical, Plumbing and Special Systems
   MWG : Structural Engineering
   Dibble Engineering: Civil
   Logan Simpson Design: Landscape
   McKay Conant Hoover: Acoustics

3. For purposes of fee development, the following overall construction durations are used based on ongoing discussions with McCarthy construction and PMGA:

A.	NTP	07/20/2022
B.	Pre-Construction:	07/20/2022 – 12/6/2022 (19 weeks)
C.	Active Construction Start/End:	12/6/2022 – 1/4/2024 (56 weeks)
D.	Project Substantial:	1/4/2024
E.	Project Final Completion:	2/15/2024 (6 weeks)

Active Construction Duration in Weeks: 56 weeks

* For DWL Team CA Service purposes, 82 weeks for Construction Administration (line A to line E)

4. Any delay to schedule due to other projects or scope not identified in this proposal is subject to reevaluation of the associated fees by the DWL Team. DWL Team assumes that PMGA understands that increased time to this schedule directly impacts the service fee provided. Any expediting of the schedule does not necessarily change the amount of support needed to be provided by the design team.

5. PMGA agrees that for those services set forth in this proposal DWL shall not be responsible for any Actions and Indemnification Costs that are determined by a court of competent jurisdiction to be the sole responsibility of PMGA, CMAR, or others for whom DWL is legally not liable.

Scope of work – Limited Construction Phase Services

1. Pre-Construction Activities: (19 weeks) The DWL team shall perform the following services:
    a. General pre-construction coordination and conduct one pre-construction conference (per AC 150/1500-14d, page 72 and AC 150/5300-9b) with the Airport, CMAR, FAA, ADOT and others who will be affected by the construction. DWL will prepare agenda, minutes and distribute to participants. Attendance as follows:
        a. DWL PM
2. Construction Administration Activities: (56 weeks)
    a. General Communication: As construction is anticipated to be fast-paced DWL anticipates questions from the field that need immediate response. General communication time (6 hours/ per week for the PM) is included for coordination with PMGA-PM, CMAR, DWL project staff and consultants. The DWL team is to clarify and support the PMGA-PM with scope, documents and CMAR responsibility. This task also includes management of the contracts and consultants. In order for efficient time use, we request email clarifications of on-site issues to be accompanied by clear photos clearly indicating areas that require attention using clouds, arrows, etc. Each clarification item shall be considered as an RFI.
        a. Attend progress meetings weekly at a location to be determined by PMGAA to review the current schedule and work progress and to facilitate resolution of construction issues. Preparation and distribution of meeting minutes is assumed by
        b. Maintain a document file tracking system in conjunction with the contractor for submittals, Proposal Requests and Architect's Supplemental Instructions (ASI's). It is assumed that the contractor will maintain logs for the RFI's, change order requests, change orders, and submittals.
    b. Field Observation:
        a. DWL will observe the site 1 time per week on average. (56 visits) By reviewing with the contractor's schedule we will determine the observation schedule. Each site visit includes a field report and assumes to occur during normal business hours.
        b. Inspect mechanical, electrical, plumbing & special system elements of the project. See attached consultant proposal.
        c. Inspect erection of structural steel and other structural components including steel reinforcing, formwork, concrete placement, and masonry. See attached consultant proposal.
    c. Submittals: DWL fee estimate anticipates 145 submittals at average 3 hrs each for review time for each specification section based on assumption that specifications which call for multiple submittals items to review (i.e. Product Data and Shop Drawings) are included in the total submittals. Duration of review per specifications starts from the time the submittals are received by DWL. Such review or other action shall not extend to means, methods, sequences, techniques or procedures of construction selected by the CMAR, or to safety precautions and programs associated thereto. A submittal schedule shall be submitted by the CMAR within 14 days of NTP

to DWL. This schedule shall be reviewed by the PMGA-PM for submittals requiring Owner pre-approvals. This submittal schedule is required by DWL to schedule reviews in advance. We understand that the PMGA-PM will control the receipt and distribution of submittals to the Owner, PMGA Staff and other responsible parties who require submittal review. Complete submittals shall be provided by the CMAR in accordance with specification section 01 30 00. DWL assumes a maximum of 2 reviews per submittal. DWL and our consultants shall track the time spent on additional reviews separately and reserves the right to request additional services if time is exhausted prior to project completion. See engineer's proposal for submittal review detail.

d. Requests for Information (RFI): Review and respond to formal Requests for Information. DWL Team fee estimate includes 120 RFI's within the base estimate. This includes informal and formal RFI's. Each distinct question is considered a separate RFI. RFIs shall be submitted to DWL by the CMAR. Duration of review per specifications starts from the time the RFI is received by DWL. See table below.

e. Architects Supplemental Instructions (ASI): Assuming a percentage of the RFIs would require ASIs in the form of sketches, we assume the following quantity of ASIs.

Discipline	RFIs*	ASIs*	CORs*
Architectural	120	12	0
MEP	40	4	0
Structural	20	3	0
Civil	20	3	0
	120	12	0

1. * DWL Team to inform PM prior to reaching 75% of this CAP to evaluate need for additional RFI's and ASI's to be compensated through change order towards the Owner contingency or by the CMAR.
2. * DWL Team scope also includes scope as detailed in attached sub-consultant's proposals.

f. Proposal Requests: Prepare Proposal Requests (PR's) and required drawings, specifications and other supporting data as directed by the PMGAA representative. DWL will prepare the Proposal Request and distribute to the CMAR. DWL assumes preparation of drawings for 5 PRs (includes consultants as necessary). This assumes a reasonably sized proposal request with an average construction value of a PR is $20,000 each. Should the PR be a significant design change, DWL will request additional services.

g. Substitution Requests: Up to (10) Completed substitution requests will be reviewed for the airport provided there is a benefit to the airport such as time and cost saving. Consideration for redesign. 1 hour.

3. Project Close-Out Activities (6 weeks): The DWL team shall provide the followings services:

a. General Communications and Meetings: After Substantial Completion DWL will participate in bi-weekly in-person meetings (3 meetings). General communication time (4 hours/ per week for the PM) is included for coordination with PMGA and the CMAR. An additional 1 hour is included for consultant coordination.

b. Prepare a Punch List for the contractor's use prior to the final project walk-through. DWL assumes that contractor will conduct their own punch list (or deficiency list) prior the architect's and

engineer's punch list. The architect's punch list shall be a comprehensive excel based format, that identifies items that do not meet the construction documents (drawings and specifications). Conduct one "back-check" per punch list with the airport representative and the contractor at the completion of the construction and once the contractor declares they are ready for the back-check. Punch lists will be limited to 3 separate areas/lists. Punch list beyond quantity listed will require additional services. DWL and our consultants shall track the time spent on additional punch lists separately.

c. Review of Operation and Maintenance (O&M) Manuals: Review O&M Manuals submitted and assembled by the Contractor in accordance with the construction documents. DWL assumes a maximum of 2 reviews per submittal. DWL and our consultants shall track the time spent on additional reviews separately and reserves the right to request additional services if time is exhausted prior to project completion.

d. Record Drawings: Record drawings prepared from complete CMAR mark-ups (as-builts) shall be provided after final completion. The CMAR shall keep a record set of as-built redline drawings on-site in accordance with the specifications. Weekly review during the course of construction will be performed by PMGA for the completeness of the as-built drawings. PDF files and (1) 24x36 set of record documents will be provided to PMGA. AutoCAD files directly converted from Revit shall be provided for the floor plans on disk.

e. Conduct warranty inspections and prepare a warranty list for the contractor prior to the expiration of the contractor's one-year warranty period.

Additional Services:

The following additional services will be broken out separately from other construction administration services.

1. Additional Renderings are proposed for use by PMGA. Since renderings were last prepared during schematic design the project has evolved, therefore the following rendering services are recommended, but are optional.

   a. Semi-Photo realistic renderings: 1 birds-eye, 1 exterior, 2 interiors.

Exclusions:

In order to provide clarity and to prevent any misunderstandings, we want to identify items that are excluded from this proposal. If for any reason the Airport requires these services, we can provide them for additional compensation.

1. Services from engineers or consultants not identified in this proposal and beyond this project's scope.
2. Construction phasing plans.
3. Contractor Schedule Analysis
4. Observation of job site conditions and traffic control
5. Security Sensitive Information (SSI) tracking and management
6. Value Engineering
7. Move-In coordination and scheduling
8. Deliverables beyond those described below.
9. Government permit and plan review fees.

10. Quality control construction materials testing including, but not limited, to tasks listed below.
    a. Concrete testing including:
    b. PCCP, beams, cylinders and cores.
    c. Foundations including footings, caissons, and grade beams.
    d. Slabs-on-grade.
    e. Miscellaneous concrete (sidewalks, concrete benches, etc.)
    f. Subgrade Compaction (slab-on-grade and footings).
    g. Aggregate Base Course (ABC) compaction.
    h. Masonry grout and mortar mix.
    i. Ultrasonic testing including steel beams, columns and miscellaneous steel.
    j. Spray Applied and Intumescent Paint Fire Proofing.
    k. Asphalt.
    l. Utility trench backfill field density testing.
11. Quality Control Testing which is required by the Contractor
    a. Epoxy Anchor Bolts
    b. Anchor Bolts
    c. Ultrasonic testing for splices at reinforcing
    d. Survey of subgrade utilities, piping
    e. Plumbing testing (DWL/LSW to review results)
    f. Fire Alarm
    g. Special Systems (DWL/LSW to review results)
    h. Mechanical Systems
    i. Utility Trench backfill for Quality Control
12. Civil services: Construction Staking, survey, Utility Locating/Potholing, As-built survey

1. Resident engineer and associated duties, inspection calls, project management, meeting minutes
2. Special Structural Inspections
3. Field materials and performance tests, periodic observations and documentation required by the specifications other than what is specifically identified in this proposal or consultant proposals. Tests or investigations requiring demolition of existing construction or other types of forensic investigation.
4. Change Order Requests and Reviews, Construction Change Directives (CCDs), and Pay Application review is not included in DWL's base scope
5. Substantial Completion certificate and Final Completion letter.
6. FAA Reports (weekly, closeout, etc.) or Federal Funding tasks, such as Davis Bacon Compliance.

Deliverables:

1. General Project Correspondence Letters and Memorandums
2. Site Observation Reports, Substitution Requests, Proposal Requests, Submittal Reviews, RFI's, and ASI's
3. Punch lists, O&M Reviews, Record Drawings

Compensation:

The previously mentioned services will be provided on an Hourly Not to Exceed Basis. We have estimated the total amount as summarized below.

Construction Administration	
Architectural - DWL	$ 262,368.00
MPE and Special Systems - LSW	$ 49,610.00
Structural - MWG	$ 17,740.00
Civil - Dibble	$ 26,421.00
Landscape - LSD	$ 7,224.00
Acoustics - MCH	$ 8,500.00
Design & Engineering Total	**$ 371,863.00**
Renderings	$ 5,536.00
Design Allowance	$ 10,000.00
Reimbursable	$ 2,000.00
Proposal Total	**$ 389,399.00**

We will invoice at cost for project related expenses such as travel, mileage, long-distance telephone, courier, printing, copying (in or out of office).

DWL will closely monitor use of hours by DWL and sub-consultant personnel and advice the PMGA PM immediately of any areas where premature exhaustion of hours is anticipated.

Once again, we are very grateful for this opportunity and look forward to working with you and the PMGA Team. If you have any questions or require further explanation regarding any item, please do not hesitate to contact me or Shawn Filip.

Sincerely,
DWL ARCHITECTS + PLANNERS, INC.

Total w/ Reimbursable $389,399.00

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Phoenix-Mesa Gateway Airport Authority
Attn: Engineering and Facilities Director
5835 S. Sossaman Road
Mesa, Arizona 85212

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Consultant shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

Board Action Item

Re: Resolution 22-44

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Center Runway 12C/30C Reconstruction – Construction Phase Services – Dibble Engineering**
Date:	**July 19, 2022**

Proposed Motion

To approve an Authorization of Services with Dibble Engineering for Construction Phase Services for the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $703,719 under CIP 1202.

Narrative

Due to the continued commercial aircraft usage and the age of the pavement, the Center Runway 12C/30C pavement is deteriorated and has been recommended for major reconstruction. The Center Runway 12C/30C Reconstruction Project consists of the reconstruction of the first 1000ft of RWY 12C, (FAA BIL funding) and 2500ft of RWY 30C beginning 1000' from the threshold, (FAA entitlement and discretionary funding).

Dibble Engineering will provide construction phase services that include Construction Management and Administration, conduct a Preconstruction Conference, prepare a Construction Management Plan, conduct site visits, facilitate weekly construction meetings, review Certified Payrolls, complete FAA Reports, review and track project quantities, coordinate and review Change Orders, Material Shop Drawing Review and Coordination, RFI and ESI Review Coordination, DBE Compliance, QA Testing Coordination/Review, Substantial Completion Inspection, Punchlist Coordination and Post Construction Services.

In 2019, a Request for Qualifications, 2020-007-RFQ for On-Call Engineering Services was issued. Dibble Engineering was one of two firms selected as the most qualified. In accordance with the terms of our agreement, C-2020007-B, Dibble Engineering worked with Airport staff to refine a Scope of Work for Engineering Construction Phase Services for the Center RWY 12C/30C Reconstruction project. The cost for these services were negotiated based upon the contract fee schedule at a cost not-to-exceed $703,719.

Fiscal Impact

This project is included in the FY22 Capital Budget with a carryover to FY23 utilizing FAA, ADOT and PMGAA Matching Grant Funds under CIP 1202.

Attachment(s): AOS, Proposal

RESOLUTION NO. 22-44

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve an Authorization of Services with Dibble Engineering for Construction Phase Services for the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $703,719 under CIP 1202.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves an Authorization of Services with Dibble Engineering for Construction Phase Services for the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $703,719 under CIP 1202. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 19th day of July, 2022.

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

AUTHORIZATION OF SERVICES
Dibble, AOS 20B-2301

The signing of this Authorization (Agreement) by Phoenix-Mesa Gateway Airport Authority (PMGAA) and Dibble & Associates Consulting Engineers Inc., 7878 N. 16th Street, Ste 300, Phoenix, AZ 85202, ("Dibble"), authorizes Dibble to carry-out and complete the services described below in consideration of the mutual covenants set forth below:

1. **PROJECT**: RWY 12C-30C Reconstruction – Construction Phase Services under CIP 1202.

2. **SCOPE OF WORK**: Perform and provide Engineering Construction Phase Services for the Runway 12C-30C Reconstruction Project. All services are to be performed in accordance with PMGAA Agreement C-2020-007-B, including the Standard Terms, and the attached detailed scope of work. Services shall be coordinated with and approved by PMGAA Authorized Representative prior to start of work.

3. **FEE FOR SERVICES**: The fee for services shall be based upon the attached scope of work, not to exceed Seven hundred three thousand, seven hundred nineteen dollars and zero cents ($703,719), of funds without the express written approval of PMGAA.

4. **AVAILABILITY OF PROJECT FUNDING:** The approval and continuation of this contract is subject to the availability of funds provided to, made available to, or appropriated by PMGAA for this purpose. In the event that funds are not available or appropriated for PMGAA's payment requirements under this contract for the goods and/or services to be provided hereunder, PMGAA may terminate this contract by providing notice to the consultant of the lack of the availability of funds. The consultant acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, and that this contract, its approval and continuation, may contingent on the availability of those funds being made to PMGAA.

5. **INCORPORATED:** The following documents are hereby incorporated with this Authorization of Services and made part thereof:

   ☑ PMGAA Agreement C-2020007-B dated December 17, 2019.

6. **ATTACHED:** The following documents are attached to this Agreement and are incorporated herein by this reference made part thereof:

☑ Updated Scope and Fee Proposal dated June 28, 2022.

PMGAA and Dibble acknowledge that they are in agreement with the terms and conditions as set forth in this Authorization.

Mesa, Arizona 85212

Attention: Mr. Bob Draper, P.E., LEED-AP, C.M.
Engineering & Facilities Director

RE: ENGINEERING SERVICES PROPOSAL
PMGAA Contract No: C-2020007-B
PMGAA Project No: 1202
Authorization of Services No: 20B-*TBD*
RW 12C-30C Reconstruction – Construction Phase Services

We sincerely appreciate the opportunity to provide construction phase services for the *RW 12C-30C Reconstruction* project at the Phoenix-Mesa Gateway Airport. Dibble in conjunction with their subconsultants will perform these services, per the attached Scope of Work, for the following Time-and-Material (T&M), Not-To-Exceed (NTE) fees:

1. **CM&A for Base Bid (Schedule I)**:

1.	Dibble Engineering	Construction Management and Admin	$236,751.00
2.	Dibble CM	Construction Inspection	$135,908.00
3.	CR Engineers (DBE)	Electrical Inspection	$7,341.00
4.	ACS Services (DBE)	QA Testing	$42,388.00
5.	SWCA	Archaeological Monitoring	$34,226.00
		Base Bid Subtotal	**$456,614.00**

***DBE participation (CR and ACS) of 10.9%**

2. **CM&A for Add Alt No. 1 (Schedule II)**:

1.	Dibble Engineering	Construction Management and Admin	$124,818.00
2.	Dibble CM	Construction Inspection	$90,170.00
3.	CR Engineers (DBE)	Electrical Inspection	$9,211.00
4.	ACS Services (DBE)	QA Testing	$22,906.00
		Combined Subtotal	**$247,105.00**

***DBE participation (CR and ACS) of 13.0%**

Transmitted herewith is our proposed Scope of Work, Fee Summaries, Derivation of Fee Proposals, Estimated Manhours matrices, Estimated Allowance for Direct Costs (expenses), Construction Cost Estimates, Construction Phasing Exhibit, and PMGAA Historic Properties and Archaeological Map.

We are very grateful for this opportunity to work with the Phoenix-Mesa Gateway Airport on this important project. If you need additional information or have questions, please do not hesitate to contact us. We have also included full subconsultant proposals for your review.

Sincerely,

Dibble

Jared Bass, P.E.
Airport Development - Senior Project Manager

SCOPE OF WORK
Runway 12C-30C Reconstruction
PMGAA Project No. 1202
Construction Phase Services

The following scope of work is provided for the construction phase services for the *Runway 12C-30C Reconstruction* project at the Phoenix-Mesa Gateway Airport (PMGAA or Airport). The Dibble Team key members consist of the following, (Dibble staff titles below are consistent with the classifications in the Manhour Matrix included with this proposal):

- Senior Project/Construction Manager (Dibble) — Peter Knudson, P.E.
- Senior Project Manager (Dibble) — Jared Bass, P.E.
- Construction Inspection (Dibble CM) — Peter Carpentieri
- Electrical Project Manager (CR Engineers) — Catherine Alcorn, P.E.
- Electrical Inspector (CR Engineers) — Shane Woodard
- Quality Assurance Testing – ACS Services
- Archeological Monitoring - SWCA

This proposal consists of comprehensive construction phase services as outlined herein, (reference *Overall Construction Phasing Plan* exhibit attached). As there are multiple bid schedules and separate grants, this proposal will be broken into two separate efforts:

- Base Bid (Schedule I) - Runway 30C, 120 Calendar Days
- Additive Alternate (Schedule II) - Runway 12C, 90 Calendar Days

1) <u>Pre-Construction and General Services (T&M)</u>:

a) <u>Construction Management and Administration</u>: provide as-needed and on-going project management, coordination, support, and administration necessary to monitor the Contractor's operations and deliverables over the course of the construction project. This item also includes all project communications and coordination with PMGAA.

b) <u>Preconstruction Conference</u>: Dibble will conduct the Pre-Construction Conference and provide support and/or coordination of the design documents as needed. Dibble will prepare and provide the meeting agenda and sign-in sheet, facilitate the meeting, and issue meeting minutes. The Dibble Team will be in attendance to provide technical support. The Dibble team key members will each provide a representative at this meeting, (i.e. Dibble, Dibble CM, CR Engineers, SWCA, and ACS).

c) <u>Construction Management Plan (CMP)</u>: prepare a CMP in accordance with the FAA Phoenix ADO standard requirements. At a minimum the CMP shall include: project scope of work and description, Engineer's roles and responsibilities, Contractor's responsibilities, Quality Assurance (QA) Testing Standards and frequency for each material, Quality Control (QC) Testing Standards and frequency for each material, and procedures to verify compliance. The standard requirements for the CMP are in accordance with Advisory Circular 150/5370-12B *Quality Management for Federally Funded Airport Construction Projects*. Dibble will anticipate at least one revision to the CMP.

The CMP shall be submitted to the FAA a minimum of 10 calendar days before the anticipated start of construction.

d) Preconstruction Submittal Reviews and Coordination: review project submittals required to be submitted prior to or at the Preconstruction Conference as identified within the contract documents but shall include at a minimum:
   - SWPPP
   - Contractor's Safety Plan Compliance Document
   - Overall Construction Schedule
   - 3-Week Look Ahead Construction Schedule
   - Material Submittal Schedule
   - Contractor's Emergency Contact Information
   - List of Proposed Construction Equipment
   - Barricade Plan
   - Traffic Control Plan
   - Letter of Survey Verification
   - DBE Data Collection Form

2) Construction Coordination and Inspection Services (T&M):

a) Site Visits and Observations: The Sr. Construction Manager will provide periodic observation, and the Inspectors (RPRs) will perform full-time construction inspection on the project as identified below. It is anticipated that one Inspector will be used during day-time operations. Daily inspection reports will be developed. Additionally, the Sr. Project Manager will make periodic project site visits to assist the Sr. Construction Manager over the course of the construction project.

   Base Bid (Schedule I) Daily Site Visits: 120 calendar days (17.14 working weeks), assuming contractor will work five days each week, 10-hour days.
   - Sr. Construction Manager (4 days/week, 2 hours each day): 137 hours
   - Construction Inspector (5 days/week, 10-hour days): 857 hours
   - Secondary Construction Inspector for Night-time Paving Operations: 100 hours
   - Sr. Project Manager (2 days every 3 weeks, 10 hours per visit): 114 hours

   Additive Alternate No. 1 (Schedule II) Daily Site Visits: 90 calendar days (12.9 working weeks), assuming contractor will work five days each week, 10-hour days.
   - Sr. Construction Manager (4 days/week, 2 hours each day): 103 hours
   - Construction Inspector (5 days/week, 8-hour days): 516 hours
   - Secondary Construction Inspector for Nighttime Paving Operations: 100 hours
   - Sr. Project Manager (2 days every 3 weeks, 10 hours per visit): 86 hours

b) Weekly Construction Meetings: Dibble will prepare the weekly construction meeting agendas, facilitate the meetings, and issue meeting minutes. The Sr. Construction Manager and Inspector will attend each weekly meeting.

   Base Bid (Schedule I) Weekly Meetings:
   - Sr. Construction Manager: 17 meetings
   - Sr. Project Manager: 7 meetings (in person), 10 meetings (virtual attendance)
   - Inspector: 16 meetings

Additive Alternate No. 1 (Schedule II) Weekly Meetings:

- Sr. Construction Manager: 13 meetings
- Sr. Project Manager: 5 meetings (in person), 8 meetings (virtual attendance)
- Inspector: 12 meetings

Weekly Certified Payroll and Davis Bacon Review: PMGAA will have the LCP Tracking system for use to manage all Certified Payrolls. Dibble will assist with the review of the Certified Payrolls of the Prime Contract and their subcontractors through this system. Dibble will also assist the contractor in obtaining federally-approved rates that may not be included in the Wage Determinations.

c) Contractor Employee Interviews: the Construction Inspector will perform these interviews in accordance with FAA requirements for Labor Standards compliance verification, on a regular basis.

d) Weekly FAA Reports (5370-1): develop the weekly FAA 5370-1 *Construction Progress and Inspection Reports* and submit to the FAA.

e) Weekly Quantity Calculations: continuously monitor and track the construction material quantities throughout the course of the construction phase and provide weekly review summaries to PMGAA and FAA. The Construction Inspector will assist with the tracking of quantities during the full-time inspection services. Quantities will be coordinated with the contractor and discrepancies will be resolved prior to the Contractor submitting periodic pay applications.

f) Monthly Payment Application Coordination and Review: regularly review and track project quantities in the field and on the Contractor's As-Builts. Coordinate these inspected quantities with the contractor and coordinate prior to the submittal of monthly payment applications. Review the Contractor's on-site redline as-builts prior to their submittal of each monthly payment application.

g) Change Order Review and Coordination: coordinate and review Contractor Change Order Requests (COR) that occur from unforeseen items that impact construction. This item will include verification of project design elements and quantities as impacted by unforeseen items. A complete cost analysis will be prepared (as needed) for each change order that may occur.

- The estimated number of Change Orders for Base Bid (Schedule I): 1
- The estimated number of Change Orders for Add Alt No. 1 (Schedule II): 1

h) Material Shop Drawing Review and Coordination: review and provide a response to construction material and general project submittals. The majority of the material submittal review process will take place during the Base Bid (Schedule I) project. A few additional material submittals are anticipated on the Additive Alternate No. 1 (Schedule II) project.

- The estimated number of Material Submittals for Base Bid (Schedule I): 50
- The estimated number of Material Submittals for Add Alt No. 1 (Schedule II): 10

i) RFI Review and Coordination: coordinate, review and provide a response to construction and general project Requests for Information (RFI).

- The estimated number RFI's for Base Bid (Schedule I): 8
- The estimated number of RFI's for Add Alt No. 1 (Schedule II): 4

j) ESI Review and Coordination: coordinate, review and develop necessary Engineer's Supplemental Information (ESI) documents, additional details, or sketches as clarification to the construction specifications and/or plans**.**
   - The estimated number of ESI's for Base Bid (Schedule I): 2
   - The estimated number of ESI's for Add Alt No. 1 (Schedule II): 1

k) DBE Compliance and Coordination: coordinate and review all DBE efforts and documentations required for this project to be compliant with the Contract Documents.

l) Quality Assurance (QA) Testing Coordination and Review: coordinate and review QA actions including scheduling of testing activities, reporting, review of results, and recommendations. The construction Inspector shall assist in the coordination and management of the QA services.

m) Substantial Completion Inspection: conduct the Substantial Completion Walk required before the opening the phase. The Construction Inspector shall also attend this inspection.

n) Punchlist(s) and Coordination(s): prepare, submit, and update the punchlist as items are resolved.

3) Post Construction Services (Lump Sum):

a) QA Testing Summary Report: prepare a final report that collects and summarizes the quality assurance testing and results that took place during the construction project. The report shall meet the FAA Phoenix ADO guidelines and requirements. The report shall include, at a minimum:
   - QA Testing Summary including narrative explaining how many tests were taken and if acceptable, all failing tests, and remedial actions taken
   - CMP Testing Frequency
   - Test Result summary of all FAA Specs (i.e. P-152, P-155, P-209, P-304, P-401, P-403, P-501, P-605, P-610, P-620, etc.)
   - Project Details
   - Inspector's Reports

b) Final Completion Inspection: conduct Final Completion walk for the construction project. The FAA, PMGAA, Construction Manager, and Construction Inspector shall all attend.

c) Final Construction Report and Coordination with FAA: coordinate, prepare, and submit the Final Construction Report in accordance with the FAA Phoenix ADO guidelines and requirements. The report shall include, at a minimum:

   - Summary of Project (detailed chronological explanation of project progression including all critical dates)
   - Summary of Change Orders including the Final Quantity Adjustment
   - Summary of contract time, delay days, completion time, and Liquidated Damages if any
   - Summary of Testing Reports (QA and QC)
   - Project Fee Breakout (actual total cost for administrative expenses and construction cost as well as the fee. Also details the quantity variations and explanation and justification)
   - Record Drawings
   - DBE Summary

- Federal Labor Summary
- Before and After Construction Photos

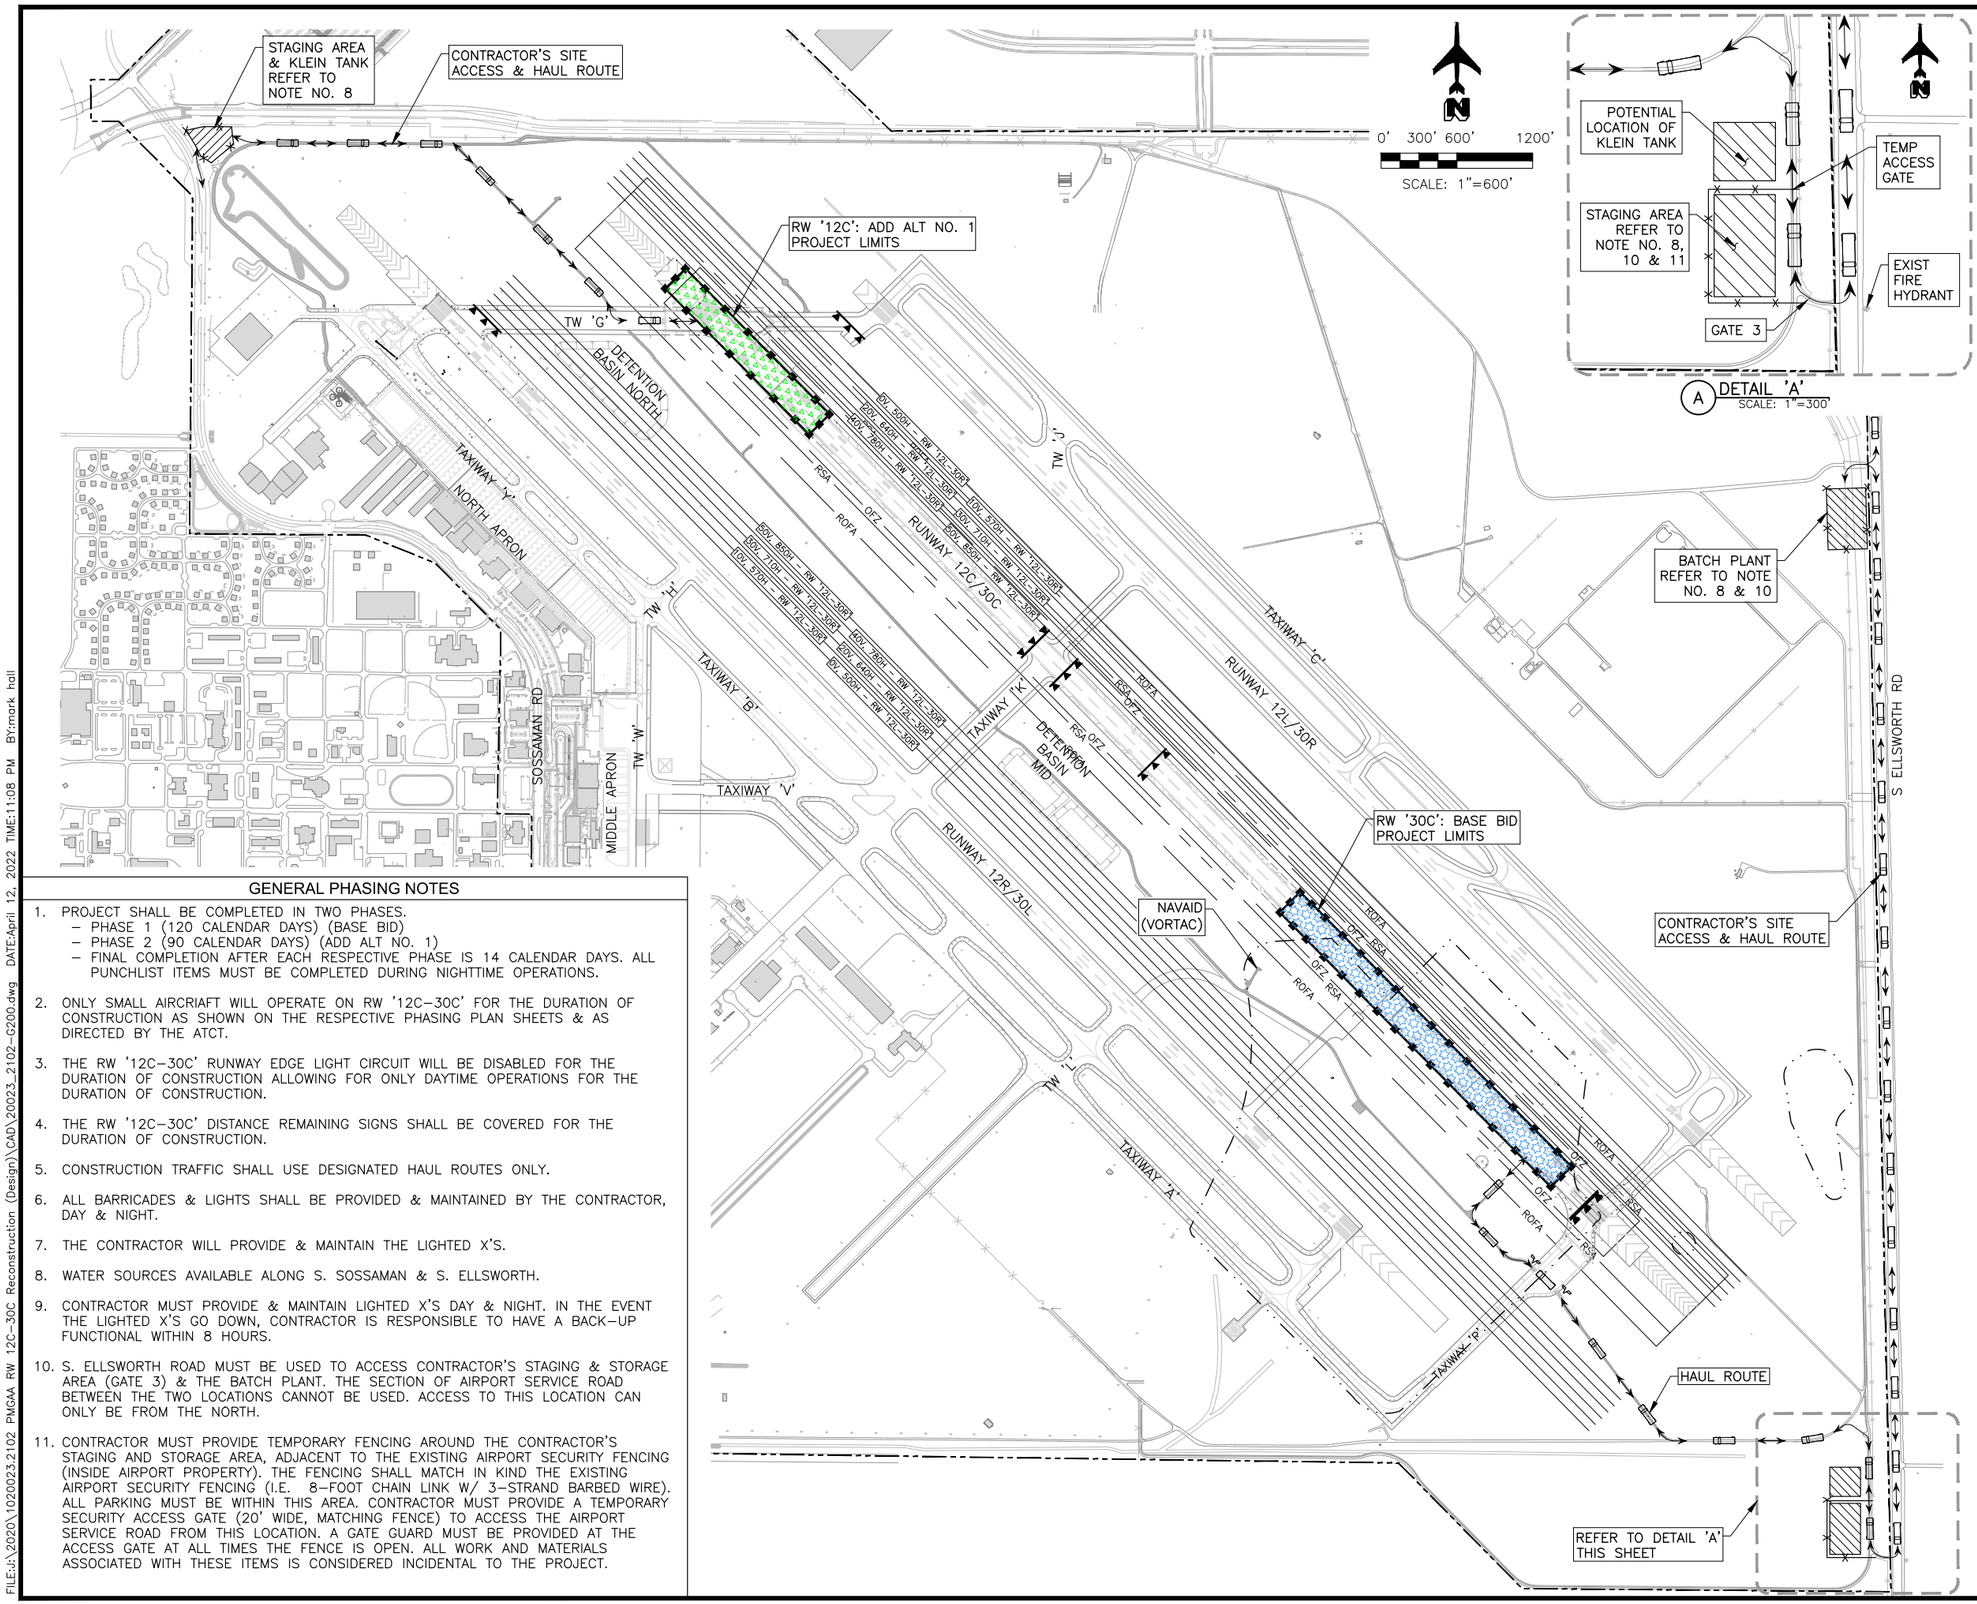
d) Record Drawings: develop and submit Final Record Drawings based on Contractor redlines and field changes issued during construction, including RFI's/ESI's, (estimated to be approx. 112 sheets with additional notes and ESI's that occur during construction).

e) Final Payment Application: coordinate the final inspected quantities with the Contractor and coordinate prior to the submittal of final payment applications.

4) Exclusions:

a) Contractor's jobsite safety and compliance with all OSHA requirements are excluded (Contractor's responsibility).

b) Construction staking and/or layout services.



GENERAL PHASING NOTES

1. PROJECT SHALL BE COMPLETED IN TWO PHASES.
   - PHASE 1 (120 CALENDAR DAYS) (BASE BID)
   - PHASE 2 (90 CALENDAR DAYS) (ADD ALT NO. 1)
   - FINAL COMPLETION AFTER EACH RESPECTIVE PHASE IS 14 CALENDAR DAYS. ALL PUNCHLIST ITEMS MUST BE COMPLETED DURING NIGHTTIME OPERATIONS.
2. ONLY SMALL AIRCRIAFT WILL OPERATE ON RW '12C–30C' FOR THE DURATION OF CONSTRUCTION AS SHOWN ON THE RESPECTIVE PHASING PLAN SHEETS & AS DIRECTED BY THE ATCT.
3. THE RW '12C–30C' RUNWAY EDGE LIGHT CIRCUIT WILL BE DISABLED FOR THE DURATION OF CONSTRUCTION ALLOWING FOR ONLY DAYTIME OPERATIONS FOR THE DURATION OF CONSTRUCTION.
4. THE RW '12C–30C' DISTANCE REMAINING SIGNS SHALL BE COVERED FOR THE DURATION OF CONSTRUCTION.
5. CONSTRUCTION TRAFFIC SHALL USE DESIGNATED HAUL ROUTES ONLY.
6. ALL BARRICADES & LIGHTS SHALL BE PROVIDED & MAINTAINED BY THE CONTRACTOR, DAY & NIGHT.
7. THE CONTRACTOR WILL PROVIDE & MAINTAIN THE LIGHTED X'S.
8. WATER SOURCES AVAILABLE ALONG S. SOSSAMAN & S. ELLSWORTH.
9. CONTRACTOR MUST PROVIDE & MAINTAIN LIGHTED X'S DAY & NIGHT. IN THE EVENT THE LIGHTED X'S GO DOWN, CONTRACTOR IS RESPONSIBLE TO HAVE A BACK–UP FUNCTIONAL WITHIN 8 HOURS.
10. S. ELLSWORTH ROAD MUST BE USED TO ACCESS CONTRACTOR'S STAGING & STORAGE AREA (GATE 3) & THE BATCH PLANT. THE SECTION OF AIRPORT SERVICE ROAD BETWEEN THE TWO LOCATIONS CANNOT BE USED. ACCESS TO THIS LOCATION CAN ONLY BE FROM THE NORTH.
11. CONTRACTOR MUST PROVIDE TEMPORARY FENCING AROUND THE CONTRACTOR'S STAGING AND STORAGE AREA, ADJACENT TO THE EXISTING AIRPORT SECURITY FENCING (INSIDE AIRPORT PROPERTY). THE FENCING SHALL MATCH IN KIND THE EXISTING AIRPORT SECURITY FENCING (I.E. 8–FOOT CHAIN LINK W/ 3–STRAND BARBED WIRE). ALL PARKING MUST BE WITHIN THIS AREA. CONTRACTOR MUST PROVIDE A TEMPORARY SECURITY ACCESS GATE (20' WIDE, MATCHING FENCE) TO ACCESS THE AIRPORT SERVICE ROAD FROM THIS LOCATION. A GATE GUARD MUST BE PROVIDED AT THE ACCESS GATE AT ALL TIMES THE FENCE IS OPEN. ALL WORK AND MATERIALS ASSOCIATED WITH THESE ITEMS IS CONSIDERED INCIDENTAL TO THE PROJECT.

Attn: Mr. Jared Bass

Re: Phoenix Mesa Gateway Airport
Runway 30C – 12C Reconstruction
Proposal for Inspection Services-R1

Dear Mr. Bass

Dibble CM is pleased to provide this proposal for inspection services for this project as described below:

Construction Inspection Services

1. Furnish one qualified field technician daily for the purposes of providing construction inspection and surveillance of the contractor's work during normal scheduled construction operations. Prepare a written daily report of activities and observations. A separate subtotal is shown for coverage of night inspections.
2. Maintain files and documentation of information related to the project including field correspondence, inspection reports, test reports, and project photos.
3. Verify and document quantities of work completed daily.
4. Monitor the progress of construction in relation to the current project schedule. Analyze the contractor's 3-week schedule updates to confirm conformance with the overall schedule. Review schedule recovery plans and revised schedules when needed. Review and provide comments to schedule updates submitted by the Contractor.
5. Review contractor's red-lined as-built drawings to verify accuracy with actual field conditions and completed improvements.
6. Review monthly contractor's pay requests and provide comments to the Engineer.
7. Provide field coordination of Quality Assurance material testing, review test results, and notify the Engineer and contractor of deficiencies in the work when necessary.

Project Close-Out Services

Dibble CM will provide the following services:

1. Schedule and conduct a pre-final walk-through with the Contractor and Engineer and prepare a punch list for the Contractor's use prior to the final project walk-through.
2. Conduct a final project walk-through with the Contractor, Engineer, and Owner when appropriate.
3. Review Contractor request for final payment, verify final quantities, and make recommendation to the Engineer Owner for final payment.
4. Review Contractor final red line drawings for overall accuracy with respect to project conditions and completed improvements.

Proposed Fee Schedule

Summary of proposed fees are below. Detailed breakout is on Exhibit "A", attached:

Fee Summary	Base Bid	Add Alt. No. 1
Regular Hours	$ 89,515.80	$ 67,300.20
Scheduled Overtime	$ 33,323.40	$ 9,801.00
Night Work	$ 13,068.00	$ 13,068.00
Total Fee	**$ 135,907.20**	**$ 90,169.20**

Thank you for the opportunity to submit our inspection services proposal for this project.

Respectfully,

KC Brandon

- All services are provided as T & M Not-To-Exceed Total Proposal. You only pay for actual services received.
- Unit Prices are all-inclusive. No additional charges for mileage or other incidental expenses.
- Proposal is based on a maximum of 50 hours hours per week for daytime inspection services and 40 hours per week for night inspections.
- Proposal is based on 30 weeks from NTP to substantial completion for the overall project.
- Additional Inspection coverage that may be required due to delayed schedules will require a commensurate adjustment in fee.
- Overtime for weeks worked over 40 hours will be charged at 1.5 times the contract billing rate.

Attn.: Mr. Jared Bass, P.E.

Re: Project Name: PMGAA Runway 12C-30C Reconstruction
Revised Proposal for Electrical Construction Administration Services
CRE Proposal No. 21037SDC

Dear Mr. Bass,

We thank you for choosing our firm to work as your engineer for the above project. We are pleased to present our revised proposal for each project in the listed attachments below.

Scope of Work: See attached Exhibit A.

Fee Proposal: See attached Exhibit B.

This proposal will be valid for the next ninety (90) days, and we reserve the right to renegotiate it if it has not been accepted within that period. Should conditions of the work change so as to materially affect the level of effort or the time required, then equitable adjustments to fee and schedule will be made. Consultant will notify Client when a changed condition becomes apparent. Failure of Client to provide a timely and equitable adjustment is cause for termination by Consultant.

We will bill you for services rendered to date. Payment will be due within thirty (30) days of billing date.

Please do not hesitate to call if you have any questions.

Sincerely yours,

CR ENGINEERS, INC.

SCOPE OF WORK

RW 12C-30C RECONSTRUCTION
CONSTRUCTION ADMINISTRATION SERVICES

Prepared by CR Engineers, Inc.
MAY 23, 2022

CR Engineers (CRE) shall electrical construction phase services for the reconstruction of Runway 12C-30C. This scope of work consists of construction phase services as outlined below for each Bid Schedule:

Engineering Support Services

- Review of shop drawings/submittals.
- Provide Engineer's Supplemental Information (ESI) drawings and/or sketches for Contractor clarifications.
- Respond to Contractor's Requests for Information (RFI's)
- Prepare Final Record Drawings based on Contractor as-builts and field changes.

Exclusions:

Field inspections, attendance to meetings, and review of Contractor's pay applications are excluded from this scope of services.

Subject: PMGAA RW 12C-30C - QA Estimate -BASE BID

Proposal No.: 2230126

ACS Service LLC is pleased to present the following proposal to conduct Quality Control Materials Testing Services at the subject site. Our fee estimate for this project is based on the lab testing quantities calculated directly from plan quantities and testing frequency required in the specifications. ACS looks forward to the opportunity of working with you.

Our Contact Information: 2235 West Broadway Road, Mesa, Arizona 85202
Office: (480) 968-0190 Fax: (480) 968-0156
Estimator: Steve Ochoa - sochoa@acsservicesllc.com

Estimate Includes:

A. Fee for technician includes: portal to portal technician time and field testing equipment.

B. Standard Contractor Quality Control testing typical of related projects, excluding those items listed below.

C. This quote is based on 2 hour minimum technician charge per trip. Overtime will be billed at a 1.5 multiplier of normal hourly rate for weekends, holidays, and over 40 hours in a week.

D. Laboratory testing is based on per test pricing.

Estimate Excludes:

E. Accelerated construction schedule and unforeseen conditions such as weather, stand by delays, re-testing, repairs, schedule changes, project sequencing, customer requests, change orders, etc.

F. Process control testing on the production of mineral aggregates, concrete aggregates, and additional other construction materials is the responsibility of the respective material suppliers.

G. Other testing/services: concrete and asphalt prequalification mix design; batch plant/precast plant inspections; environmental testing.

H. Contractor to provide electricity, space, water, sewer and internet to mobile laboratory if mobile lab required

Based upon the estimated schedule, materials quantities and specified testing requirements, the estimated cost for conducting our services is:

$42,388.00

A breakdown of this pricing is attached. All prices quoted are valid for 6 months from the date stated on this proposal.

Actual Cost based on Time and Materials and Unit Pricing

While ACS Services LLC strives to do work in a non invasive manner, we cannot accept liability for work done at the request of the Customer under circumstances beyond our knowledge and/or control. Customer shall indemnify, defend, save and hold harmless ACS Services LLC dba ACS Engineering Group and their respective officers, directors, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part during or from work performed by ACS Services LLC.

This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such Customer to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Customer from and against any and all Claims. It is agreed that Customer will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

These General Conditions are an integral part of this proposal and are incorporated herein.

Please contact ACS Services LLC if you have any questions.

Respectfully Submitted,
ACS Services LLC

Sean M. Mayfield

While ACS Services LLC strives to do work in a non invasive manner, we cannot accept liability for work done at the request of the Customer under circumstances beyond our knowledge and/or control. Customer shall indemnify, defend, save and hold harmless ACS Services LLC dba ACS Engineering Group and their respective officers, directors, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part during or from work performed by ACS Services LLC.

This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such Customer to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Customer from and against any and all Claims. It is agreed that Customer will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

These General Conditions are an integral part of this proposal and are incorporated herein.

Please contact ACS Services LLC if you have any questions.

Respectfully Submitted,
ACS Services LLC

Sean M. Mayfield

Re: Archaeological Monitoring within AZ U:10:69(ASM) during the Rehabilitation/Reconstruction of Phoenix-Mesa Gateway Airport Runway 12C/30C

Dear Mr. Bass:

SWCA Environmental Consultants (SWCA) appreciates the opportunity to provide you with our scope of work and cost estimate to provide archaeological monitoring services during soil-disturbing activities associated with the planned rehabilitation/reconstruction of Phoenix-Mesa Gateway Runway 12C/30C. The runway work falls within archaeological site AZ U:10:69(ASM), also known as AZ U:10:127(ASM). Our scope of work includes archaeological monitoring during construction, report preparation, and the labor associated with registering the results of the monitoring at the Arizona State Museum.

The cost to complete the services as described in the attached scope of work, is a **Not-to-exceed total of $34,226.00**, to be billed on a time and materials basis. The cost estimate is valid for 2 months, after which time SWCA reserves the right to create a new cost estimate.

Thank you for providing us with the opportunity to work with you. SWCA can begin work immediately upon receipt of a services agreement and notice to proceed. Please do not hesitate to contact me at jhesse@swca.com if you have any questions regarding this proposal.

Sincerely,

Jerome Hesse
Principal Cultural Resources Team Lead, Arizona

SCOPE OF WORK

ARCHAEOLOGICAL MONITORING AND REPORTING

SWCA Environmental Consultants (SWCA) will provide an archaeologist to monitor soil-disturbing activities during the rehabilitation/reconstruction of Runway 12C/30C within archaeological site AZ U:10:69(ASM) at Phoenix-Mesa Gateway Airport. The monitoring will be conducted under the authority of an Arizona Antiquities Act (AAA) project specific permit and following the methods of a monitoring and discovery plan (MDP) to be approved by the Arizona State Museum. The acquisition of the AAA permit and the preparation of the MDP will be completed by SWCA under a separate contract with the Phoenix-Mesa Gateway Airport Authority (PMGAA) and is not part of this scope of work. SWCA will provide a monitor for an estimated five days of construction.

Upon completion of the monitoring fieldwork, SWCA will prepare a report on the results of monitoring that meets the standards for reports conducted under a AAA permit. This report will be sent to Dibble and the PMGAA for review, and upon approval sent to the ASM for final review by the ASM permits coordinator. Once approved by the ASM, SWCA will prepare the required paperwork and digital archives for permanent curation at the ASM.

Total not-to-exceed cost to complete this scope of work: $34,226.00.

ASSUMPTIONS

- This scope of work includes up to one pre-construction meeting of no more than 2 hours duration.
- This scope includes no more than 30 days of monitoring; days are assumed to be no more than 10 hours on site.
- This scope of work assumes no discoveries of archaeological features that would require further investigation, such as excavation.
- No archaeological artifacts or samples will be collected during the monitoring period.
- Any task not expressly described herein is not included in the proposed cost.

Board Action Item

Re: Resolution 22-45

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**FY23 Capital Budget Amendment - Center Runway 12C/30C Reconstruction–CIP1202**
Date:	**July 19, 2022**

Proposed Motion

To authorize an amendment of the FY23 Capital Budget to provide an additional $3,583,000 in funding to CIP 1202 Center Runway 12/30C Reconstruction Project under CIP 1202.

Narrative

Due to the continued commercial aircraft usage and age of the pavement, the Center Runway 12C/30C pavement is deteriorated and has been recommended for major reconstruction. The Center Runway 12C/30C Reconstruction Project consists of the reconstruction of the first 1000ft of RWY 12C (FAA BIL Funded) and 2500ft of RWY 30C beginning 1000' from the threshold (FAA entitlement and discretionary funded).

The original estimated total cost for the Center Runway 12C/30C Reconstruction was $14,000,000; however, based on the cost of supplies and labor, the total cost of this project is now estimated at $17,583,000. Coffman Specialties, Inc. will provide construction services that include demolition of existing pavement, earthwork, new Portland Cement Concrete Pavement, taxiway pavement, shoulder pavement, crushed Aggregate Base, Cement-Treated Base, Lime-Treated Subgrade, new pavement markings, crack seal, seal coat and airfield electrical.

The Invitation for Bid (IFB), Solicitation 2022-017-IFB – Center RWY 12C/30C Reconstruction, was issued on April 19, 2022, and advertised in the Arizona Business Gazette on 4/14, 4/21, 4/28 and 5/5/22. It was also posted on the AzAA, ACC, ACI-NA, SWAAAE, and FAA Matchmaker Websites, as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the IFB was emailed to a list of 88 prospective firms along with DBE/SBE Outreach. The bid opening was held on May 19, 2022, and three (3) bids were received. Coffman Specialties, Inc. submitted the lowest, responsive bid.

Fiscal Impact

This project was included in the FY22 Capital Budget with a planned carry-over to the FY23 Capital Budget utilizing FAA grants (BIL, Entitlement and Discretionary funds), ADOT grants and PMGAA Matching Grant Funds under CIP 1202.

Re: Resolution 22-46

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Intergovernmental Agreement (IGA) with City of Mesa (City) for the Construction of Aviation Way.**
Date:	**July 19, 2022**

Proposed Motion
To authorize an Intergovernmental Agreement with the City of Mesa for the construction of Aviation Way.

Narrative
PMGAA and the City have a shared interest in the development of vacant airport property adjacent to the intersection of Ellsworth Road and Williams Filed Road. The City and PMGAA have coordinated plans for design and construction of necessary roadway and utility infrastructure within this undeveloped portion of airport property adjacent to the future Gulfstream facility.

The purpose of the IGA is to allow the City to include the construction of Aviation Way and associated utility improvements as part of a larger adjacent City project. Combining the two roadway projects under one contract will result in efficiencies by not having multiple contractors working within the same area.

Fiscal Impact
This project was included in the FY22 Capital Budget with a planned carry-over to the FY23 Capital Budget utilizing PMGAA non-grant funds.

Attachment(s)
Letter of Agreement with City of Mesa.

INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE CITY OF MESA
AND
THE PHOENIX-MESA GATEWAY AIRPORT AUTHORITY

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement") is entered into this date _____, 2022 (the "Effective Date") pursuant to the Arizona Revised Statutes ("A.R.S.") §§ 11-951 et seq., between the CITY OF MESA, an Arizona municipal corporation (the "City"), and PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("PMGAA"). The City and the PMGAA are collectively referred to as "Parties."

I. RECITALS

1. A.R.S. §§ 11-951 et seq., authorizes the City and PMGAA to enter into intergovernmental agreements for the provision of services, or for joint or cooperative actions.

2. A.R.S. § 48-572 also empowers the City to enter into this Agreement, and it has by resolution (a copy of which is attached and made a part of) resolved to enter into this Agreement and has authorized the undersigned to execute this Agreement on behalf of the City.

3. Under an agreement with the adjacent developer, PMGAA is committed to designing and building the Aviation Way improvements (the "Project."), which will aid in the future development of southeast Mesa and the eastside of the Phoenix-Mesa Gateway Airport generally located in the City of Mesa, Maricopa County, Arizona (the "Airport"). This agreement is being enter into with the City to assist PMGAA in the construction of the Project.

4. The Project includes the construction of Aviation Way roadway and associated utilities (specifically water, wastewater, and stormwater infrastructure) within PMGAA property, to serve the future development and the Airport. Portions of that infrastructure will become part of the City's roadway, drainage, water and wastewater systems. PMGAA has agreed to reimburse the City for all City costs associated with the construction of the part of the Project ("Construction Reimbursables") on Aviation Way based on the approved Guaranteed Maximum Price (GMP) , pre-construction services costs and the City's permitting, staff and administration costs. The approved GMP, not attached to this Agreement, will provide a breakdown of the actual costs of the work proposed for the Project and identifies the portions thereof, plus any other City costs associated with the construction; including but not limited to the GMP costs, permitting, capital overhead, staff time, materials testing and change orders; for which PMGAA will reimburse the City. PMGAA will be consulted on any proposed construction change orders prior to authorization of said change orders that will increase the cost of the Construction Reimbursables.

5. This Agreement is intended to set forth the roles and responsibilities of the Parties with respect to the Project, including contracting consultant engineering design services, design review, construction administration, construction permitting and inspection, and ownership of the completed project.

THEREFORE, in consideration of the mutual terms expressed in this Agreement, it is agreed as follows:

II. SCOPE

1. **Responsibilities of PMGAA:**

1.1. PMGAA shall certify the design of the Aviation Way portion of the Project according to the current City of Mesa Engineering & Design Standards. PMGAA will also submit for and obtain any permits necessary to build the work including but not limited to permits from Maricopa County Environmental Services Department.

1.2. PMGAA will submit the plans, specifications, and estimates ("PS&E") to the City for review and approval of the Project prior to the commencement of any construction for the Project under City jurisdiction.

1.3. PMGAA will provide a Roadway Easement and Public Utility Easement (PUE), and Temporary Construction Easements (TCE) (in a form acceptable to the City) along the length of Aviation Way, and for the water line and wastewater line along the future Gateway Boulevard alignment for the City to access it on PMGAA property.

1.4. PMGAA will reimburse to the City the actual costs associated with the approved Construction Reimbursables for the Aviation Way portion of the Project. The total amount for Construction Reimbursables shall be the extent of PMGAA's financial obligation for the Project. PMGAA will reimburse the final agreed upon Project costs to the City within 30 days of PMGAA receiving from the City, 1) sealed record drawings of the Project; 2) a signed Maricopa County Environmental Services Department (MCESD) Approval of Construction Certificate; and 3) a copy of the "Letter of Acceptance" for the Aviation Way portion of the Project. The required documents as described are herein referred to as the Project Approval Documentation.

1.5. Upon the Parties' mutual agreement and subject to all necessary approvals, PMGAA shall have the option to make payment for the Construction Reimbursable in the form of a dollar-for-dollar credit towards the City's future Member contributions, which the PMGAA Board of Directors assesses on all Members of the Airport Authority annually.

1.6. PMGAA will require PMGAA's developer to assume responsibility for the operation and maintenance of the Project landscaping on Gateway Boulevard and Aviation Way.

1.7. PMGAA agrees that ownership of the specified roadway and infrastructure improvements shall transfer to the City (without any further documentation) upon the City accepting the work.

1.8. PMGAA acknowledges that utility service provided by the City, including but not limited to service through the Project is subject to the City's Terms and Conditions for the Sale of Utilities and payment of applicable rates, fees and charges, all as adopted and made effective by the City.

2. **Responsibilities of the City:**

2.1. The City shall review all pertinent documents associated with the Aviation Way portion of the Project including, but not limited to, the PS&E, construction documentation, and the MCESD

documentation. The City shall provide comments, if necessary, and approve the final PS&E, sealed by a Registered Professional Engineer - Civil in the State of Arizona, prior to the start of the Project construction.

2.2. City shall upfront all costs associated with the construction, pre-construction, applicable permit fees (if any), construction administration, staff time and administration of the Project. Upon PMGAA receiving and accepting, in writing, the City's Project Approval Documentation, the City will prepare final accounting for costs not previously paid, including applicable change orders and the items of work previously identified and invoice PMGAA for reimbursement.

2.3. The City will complete the construction of the Aviation Way transportation and utility improvements (including but not limited to roadway, lighting, storm drain, water, and sewer) as part of the City's project to construct the first 1000-feet of Gateway Boulevard within PMGAA property.

2.4. The City will perform all required inspections and QA services to verify that the construction of the Project is in compliance with the approved PS&E. The City will coordinate with the Airport to obtain times when construction activities and QA services for the Project are to be performed.

2.5. The City will assume the ownership (including operation and maintenance), for the completed roadway, water and wastewater improvements upon the City's acceptance of the work.

2.6. The City will consult with PMGAA prior to approving any change order that will cause the cost of completing the Construction Reimbursables to exceed the approved GMP estimate.

3. <u>Term:</u>

3.1. The term of this Agreement shall commence on the Effective Date and shall automatically terminate upon the PMGAA's reimbursement to the City, provided, however, termination of this Agreement shall not affect the transfer of ownership as described in this Agreement.

4. <u>General Provisions:</u>

4.1. Each Party reserves all rights that it may have to cancel this Agreement under A.R.S. § 38-511.

4.2. PMGAA warrants compliance with all federal immigration laws and regulations that relate to their employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). PMGAA will require any contractor, and all subcontractors, to provide the same warranty. Failure by PMGAA, PMGAA's contractors, or subcontractors, to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement.

4.3. This Agreement contains the entire understanding between the Parties with respect to the subjects addressed and supersedes all prior negotiations and agreements.

4.4. This Agreement may be amended only by an instrument in writing signed by authorized representatives of the Parties.

4.5. Each Party shall (as "Indemnitor") indemnify, defend, and hold harmless the other Party, any of its departments, agencies, officers or employees (collectively referred to in this paragraph as "Indemnitee") from any and all claims, demands, suits, actions, proceedings, loss, cost and damages of every kind and description, including reasonable attorneys' fees and/or litigation

expenses (collectively referred to in this paragraph as the "Claims"), which may be brought or made against or incurred by the Indemnitee on account of loss of or damage to any property or for injuries to or death of any person, to the extent caused in whole or in part by, arising out of, or contributed to, by reasons of any alleged act, omission, professional error, fault, mistake, or negligence of Indemnitor, its employees, officers, directors, agents, representatives, or contractors, their employees, agents, or representatives in connection with or incident to the performance of this Agreement. Indemnitor's obligations under this paragraph shall not extend to any Claims to the extent caused by the negligence of the Indemnitee. The obligations under this paragraph shall survive the termination of this Agreement.

4.6. The Parties are governmental agencies which rely upon the appropriation of funds by their respective governing bodies to satisfy their obligations. If a party reasonably determines that it does not have funds to meet its obligations under this Agreement, such party shall have the right to terminate this Agreement without penalty on the last day of the fiscal period for which funds were legally available. In the event of such a termination, such terminating party agrees to provide written notice of its intent to terminate 30 days prior to the termination date.

4.7. In accordance with A.R.S. § 11-952 (D), attached and incorporated in this Agreement is the written determination of each Party's legal counsel that the Parties are authorized under the laws of this State to enter into this Agreement and that the Agreement is in proper form

Re: Resolution 22-47

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Facility Lease Agreement with Sierra Building Systems, LLC
Date: July 19, 2022

Proposed Motion

To authorize a Facility Lease Agreement with Sierra Building Systems, LLC for the facility located at 6416 South Sossaman Road. The lease term is five (5) years, commencing August 1, 2022, with five (5) additional one-year renewal options.

Narrative

Sierra Building Systems, LLC has been in business since 2007. Sierra Building Systems, LLC performs a variety of general commercial contracting functions for commercial developments. Sierra Building Systems, LLC intends to utilize the 2,298 square feet building as office space for their operation and the 83,992 square foot lot for parking and storage of company vehicles and equipment.

Agreement Term and Rate

This agreement has a term of five (5) years and offers five (1) one-year renewal options. The lease will commence on August 1, 2022.

The lease rate in the initial year is $2,022.24 per month. The lease rate will increase by 4% on each 12-month anniversary.

Phoenix-Mesa Gateway Airport Authority
FACILITY LEASE

This Facility Lease ("Lease") is executed to be effective the FIRST (1) day of AUGUST 2022 ("Effective Date") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers authority authorized by the State of Arizona ("Lessor"), and **SIERRA BUILDING SYSTEMS, LLC**, an Arizona limited liability company ("Lessee"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (Airport"); and

WHEREAS, Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

WHEREAS, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport located at 6416 S. Sossaman Road, Mesa AZ 85212, and described as Building 531, consisting approximately TWO THOUSAND TWO HUNDRED NINTY-EIGHT (2,298) square feet, and is situated on an EIGHTY-THREE THOUSAND NINE HUNDRED NINTY-TWO (83,992) square foot lot, as set forth in **EXHIBIT A** attached hereto ("Premises"); and

WHEREAS, Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE

Lessor hereby leases the Premises to Lessee, subject to all easements and rights of way that may encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as Lessee shall timely pay the Base Rent and other charges required to be paid hereunder, and perform all of its other obligations under this Lease, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor. Lessee specifically acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed. Should Lessee desire any inspection report, environmental assessment, survey,

creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense.

1.2 Substitution of Premises. In addition to Lessor's other rights set forth in this Lease, Lessor reserves the right, upon no less than Ninety (90) calendar days prior written notice to Lessee, to substitute Comparable Areas for all or any portion of the Premises, including any additions, alternations or improvements thereon, should Lessor, in its reasonable discretion, determine that taking of the Premises, any portion thereof or any improvement thereon, is required for other Airport purposes, and there exists no appropriate alternative. In the event Lessor makes the determination to exercise its rights to substitute, all title, right and interest to the portion of the Premises taken shall immediately vest in Lessor on the date that is Ninety (90) calendar days following receipt of Lessor's notice, or such later date as specified therein. Furthermore, Lessor may require Lessee to vacate any portion or all of the Premises taken. For the purposes of this Section 1.2, the term "Comparable Areas" is defined to mean other facilities at the Airport, or any additions or extensions thereof, similar in size to the Premises, brought to the same level of improvement as the Premises and having the same or similar usefulness to Lessee as the portion taken. Lessor shall bear all expenses of bringing the substituted area to the same level of improvement as the Premises, and of moving Lessee's improvements, equipment, furniture and fixtures to the substituted area. If any of Lessee's improvements, equipment, furniture or fixtures cannot be relocated, Lessor shall replace, at Lessor's expense, such non-relocatable improvements and other property with comparable property in the Premises, and Lessor shall be deemed the owner of the non-relocated improvements and other property, free and clear of all claims of any interest or title therein by Lessee, or any other third party whomsoever. It is the specific intent of this Section 1.2 that Lessee be placed, to the extent possible, in the same position it would have been, had Lessor not substituted new premises for the Premises; provided, however, that Lessor shall not be obligated to reimburse Lessee for any damages, including lost profits or revenues, due to such substitution. Notwithstanding the foregoing, Lessor shall use reasonable efforts to avoid disruption to Lessee's business.

1.3 Access. Lessee is granted the right of reasonable access to and from the Premises via such portions of the Airport as are or may be necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport. Lessor reserves the right to designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for general administrative office space and contractors yard for storage of trucks and light equipment directly supporting Lessee's business operation. Lessee may park trucks and equipment only on the Midvale site provided the ground is not disturbed (see Exhibit A). Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, rules, regulations and operating policies of any governmental authority, including Lessor, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director.

1.6 Continuous Operation. Upon commencement of business operations at and on the Premises and the Airport, Lessee shall designate an on-site manager for the term of this Lease who shall be available to Lessor and Lessee's customers, if any, during normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable.

1.7 Lessee Acknowledgement. Lessee acknowledges and agrees that its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim,

recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM

2.1 Initial Term. The term of this Lease shall be for a period of FIVE (5) years, commencing on the Effective Date and terminating on JULY 31, 2027, thereafter ("Term").

2.2 Renewal Term(s). Provided Lessee is not then in default of this Lease and subject to written approval of Lessor, the Parties shall have the option of extending the Term of FIVE (5) additional periods of ONE (1) year each (each, individually, an "Extension"). Lessee may initiate an Extension by giving written notice to Lessor of its desire to do so no later than SIXTY (60) calendar days prior to the expiration of the Term, as set forth in Section 2.1 herein. If Lessee has properly notified Lessor of its desire to exercise an Extension and Lessor approves such in writing, then Lessee's Extension of the Term of this Lease shall become effective and all references herein to the "Term" shall mean the initial term as extended.

3. NON-EXCLUSIVE RIGHTS

Lessee shall have the exclusive right to occupy and use the Premises while in compliance with the terms and conditions of this Lease. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that Lessor deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with Lessee's use of the Premises.

4. RENT

4.1 Base Rent. Lessee agrees to pay Lessor annual rental for the use of the Premises in the amount of TWENTY-FOUR THOUSAND TWO HUNDRED SIXTY-SIX AND 88/00 DOLLARS ($24,266.88), payable in equal monthly installments of TWO THOUSAND TWENTY-TWO AND 24/100 DOLLARS ($2,022.24) ("Base Rent"). The Base Rent shall be payable in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer.

4.2 Base Rent Increases. The annual Base Rent paid by Lessee shall be increased (but never decreased) on every TWELVE (12) month anniversary of the Effective Date of this Lease by FOUR PERCENT (4%).

4.3 Reserved.

4.4 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* is included as **EXHIBIT B** and incorporated herein by reference and is subject to change without prior notice or approval of Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at any time at Lessor's sole discretion, and that no fee referenced in the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* shall apply to the use of the Premises or access to the Premises.

4.5 Payment.

4.5.1 Unless otherwise specified herein, the first payment of Base Rent shall be paid to Lessor upon the delivery of this Lease, for the period from the Effective Date until the end of the calendar month in which the Effective Date occurs, prorated on the basis of the number of such days to the total number of days in said month. All payments referenced in this Lease shall be payable exclusively in United States Dollars. Thereafter, all Base Rent payments shall be paid in monthly installments, in advance, on the first day of each calendar month ("Base Rent Due Date"). On each such date, Lessee shall pay the full Base Rent payment.

4.5.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.5.3 All payments (and reports, if any) required by this Section 4.5 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014
or such other address specified in writing by Lessor to Lessee.

4.6 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of Eighteen Percent (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than Ten (10) calendar days after the due date, a late penalty of Ten Percent (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.7 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any Base Rent payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes.

4.8 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

5. PERFORMANCE GUARANTEE

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equivalent to TWO (2) month's Base Rent, or FOUR THOUSAND FORTY-FOUR AND 48/100 DOLLARS ($4,044.48), as a security deposit ("Security Deposit") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, at the election of Lessor, may be applied in reduction of any loss and/or damage sustained by Lessor by reason of the occurrence of any breach, nonperformance or default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within five (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon

Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Reserved.

6. AIRCRAFT OPERATIONS GUIDELINES

If and to the extent that Lessee, including its subtenants, contractors, agents, etc., operates aircraft at or on the Airport, Lessee shall be subject to the provisions of **EXHIBIT C**. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises operates aircraft at the Airport, all shall be subject to the provisions of **EXHIBIT C**, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS

7.1 Reserved.

7.2 Reserved.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld or delayed and, if and to the extent applicable, without the approval by Lessor's Design Review Committee. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within Ten (10) business days after Lessor's request therefor, a quitclaim deed confirming that title to such improvements and alterations is vested in Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within Thirty (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction shall conform to City of Mesa ("City") construction and technical codes. No such work shall be commenced without first submitting required plans and obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's improvements to the Premises. In the event that all or any portion Lessee's improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said improvements, subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources, or, alternatively, Lessee shall pay the replacement cost of the improvements to Lessor.

8. MAINTENANCE

8.1 Responsibilities.

8.1.1 *Lessee.* Lessee shall, at its sole cost and expense, keep the Premises and all improvements therein in a neat and clean condition and in good order, condition, and repair throughout the Term. In doing so, Lessee shall prepare, maintain and follow a preventative maintenance schedule for all mechanical, electrical, plumbing, drain, piping and air conditioning systems on the Premises, and, upon request, provide a copy of such schedule to Lessor and, if required by Lessor, a list of the dates on which such maintenance was actually done. Lessee's maintenance of the Premises shall consist of the inspection, servicing and repair of all systems and improvements, including the boilers, interior roof and structures, electrical, plumbing, heating and cooling, fire detection, pavements, pest control, landscaping and grounds maintenance.

8.1.2 *Lessor.* Lessor shall, at its sole cost and expense, sustain and maintain the structural integrity of the Premises, including the exterior roof, fire suppression system and all utility connections where they enter the Premises throughout the Term.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the satisfaction of Lessor. In lieu of such repair or replacement, where required by Lessor, Lessee shall pay to Lessor an amount sufficient to compensate for the loss sustained by Lessor.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a neat, clean, safe, sanitary and orderly condition and shall keep such area free of all trash and debris. Lessee shall, at Lessee's expense, be responsible for all trash removal from the Premises. Such trash removal shall be performed on a not less than weekly basis, and all trash shall be disposed of off the Airport. Prior to its removal from the Airport, Lessee shall deposit all trash and debris only at collection stations located on the Premises, in accordance with City code.

8.4 Emergency Repairs. Within FIFTEEN (15) calendar days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS

9.1 Any Transfer of Lease Interest Requires Lessor Advance Written Approval. In the event Lessee desires to transfer, assign, encumber, pledge or hypothecate any portion of its interest in this Lease or any right or interest hereunder (including, but not limited to as part of a mortgagor deed of trust or an assignment by means of a foreclosure or trustee's sale thereunder)(individually and collectively, "Transfer"), Lessee must obtain the prior written consent of Lessor, with such consent to be the in sole and absolute discretion of Lessor without exception. Where Lessor approves in writing of such Transfer, Lessor shall be entitled to request and acquire written financial assurances, including, but not limited to financial statements, business plans and other information related to the financial condition and plans of any proposed transferee. Further, Lessor, may in its sole and absolute discretion require that Lessee still be liable at law and at equity, as well as financially liable, under the Lease, regardless of whether the assignee expressly assumes in writing all of Lessee's obligations under this Lease or in the case of a sublease. Lessee understands and agrees to these terms and conditions regarding any proposed Transfer, and that any violation of this Section 9, may irreparably harm Lessor as the requirements set forth herein are directly related to PMGAA's (and any Lessee's) legal and financial obligations to the Federal Aviation Administration. This Section 9 shall remain valid and enforceable even in the event of amendment to or repeal of FAA regulations, so long as this Section 9 does not directly conflict therewith.

9.2 Lessee's Required Advance Notice to Lessor of Proposed Transfer. In order for Lessor to even consider a Transfer, Lessee must: (i) notify Lessor in writing at least Forty-five (45) calendar days prior to such proposed transfer; (ii) deliver to Lessor, at the time of Lessee's notice, current financial statements of Lessee and the proposed transferee (along with transferee's business plans) that are reasonably acceptable to Lessor; and (iii) the transferee assumes and agrees in writing to perform Lessee's obligations under this Lease. However, nothing herein shall be construed as Lessor providing its consent to any Transfer or relieving Lessee of any legal, financial or other obligation under the Lease, regardless of Lessor's acceptance or refusal to accept

such proposed transfer of Lease. For purposes of this Section 9.2, "Affiliate" means any person or entity that, directly or indirectly, controls, is controlled by or is under common control with Lessee. For purposes of this definition, "control" shall mean possessing the power to direct or cause the direction of the management and policies of the entity by the ownership of a majority of the voting securities of the entity.

9.3 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include, but not be limited to, the following: (i) if Lessee is a corporation, partnership, limited liability company or other legal entity, the transfer of any ownership interest in such entity resulting in a change in the present control of such entity by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; or (ii) the sale of Twenty-Five Percent (25%) or more in value of the assets of Lessee.

9.4 Subletting. Lessee shall not sublease the Premises or any portion thereof at any time during the Term of this Lease.

9.5 Reserved.

9.6 This Lease and all provisions hereof are subject and subordinate to the terms and conditions of the instruments and documents under which PMGAA acquired the subject property from the United States of America and shall be given only such effect as will not conflict or be inconsistent with the terms and conditions contained in the lease of said lands from PMGAA and any existing or subsequent amendments thereto, and are subject to any ordinances, rules or regulations which have been, or may hereafter be adopted by PMGAA pertaining to the Airport.

10. IDENTIFICATION SIGNS

Lessee may install on the Premises, a sign or signs identifying its business on the exterior of the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessor's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("Event of Default"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, or required by any other agreement between the Parties, provided that Lessee does not cure such failure within Ten (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within Thirty (30) calendar days after delivery by Lessor of a written notice of such default; provided, however, if a cure of the default reasonably requires more than Thirty (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien of any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within Thirty (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee without Lessor's advance written authorization, which Lessor may withhold in its sole and absolute discretion.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, but subject to the provisions of Sections 9.2 and 23 herein, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, re-entry for condition broken, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and shall save Lessor harmless from all losses, costs or damages occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within Five (5) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence (hereinafter called "Deficiency"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect. All amounts collected by Lessor from subtenants shall be credited against Lessor's damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover from Lessee, and Lessee shall pay to Lessor, on demand, as final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of Six Percent (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of such loss that could have been reasonably avoided, plus (b) repossession costs, Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), attorneys' fees, legal expenses, and all other damages incurred by Lessor as a result of such Event of Default. In determining the amount of loss that could reasonably be provided, rents to be paid by subtenants pursuant to Section 9.4, if applicable, and other reasonably projected rental income from leasing the Premises shall be taken into account.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it is reasonably calculated to put Lessee on inquiry as to the nature and extent of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay off Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Other remedies that are available to Lessor include self-help and recovery of damages, and nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. RESERVED

13. INDEMNIFICATION

To the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as "Lessor" for purposes of this Section 13) for, from and against any and all claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever which arise out of or in connection with (i) any accident, injury or damages occurring within the Premises, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13) in connection with Lessee's operations hereunder and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any consequential damages and for claims arising by reason of the negligent or wrongful act of Lessor or its employees, contractors or agents.

14. ENVIRONMENTAL PROTECTION

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws.* The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 USC Section 6901, et seq.; the Toxic Substances Control Act, 15 USC Section 2601 et seq.; the Safe Drinking Water Act, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the Clean Air Act, 42 USC Section 7401 et seq.; the Arizona Hazardous Waste Management Act, A.R.S. Section 49-921 et seq. the Arizona Environmental Quality Act, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, solid and hazardous waste, hazardous substances and petroleum products.

14.1.2 *Hazardous Material.* The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

14.2 Release by Lessor. Lessor shall indemnify Lessee to the fullest extent permitted by law for any and all environmental damage of any kind, or for the effects of Hazardous Material on the environment, or on any person or property, if any, which have been caused by the use of, or releases from, the Premises and the Airport prior to Lessee's occupancy of any part thereof. Lessee is not liable for any claims or damages

arising from environmental damage resulting from or that are the result of contamination of any kind existing on the Premises or surrounding sites prior to Lessee's occupancy of thereof.

14.3 Lessee Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy thereof under this Lease. To the extent that Lessor, or any of Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Materials that are ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("Environmental Damages") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("Government") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing. Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than One Hundred Eighty (180) calendar days to resolve.

14.8 Reserved.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 14 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("MSGP"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("SWPPP") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("NOI") that has been received by the Arizona Department of Environmental Quality ("ADEQ") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("Questionnaire") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.12 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19 this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ, Lessor, and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without

limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.13 U.S. Air Force Use and Remedial Action.

14.13.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "Occupation" or "Use" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.13.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.14 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.15 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Safety Coordinator within thirty (30) calendar days of receipt of a CofO from the City. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for

its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.16 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor.

14.17 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.18 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "Later-Discovered, Pre-Existing Hazmat"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within Seven (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the United States Army Corps of Engineers and obtain a permit or waivers under Section 404 of the *Clean Water Act*. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS

16.1 Lessee shall comply with all applicable Federal, State, and local occupational safety and health regulations.

16.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

16.3 Lessee agrees to and shall at all times comply with the Lessor's *Standard Terms and Conditions*, as attached hereto as **EXHIBIT E**.

17. INSURANCE

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Comprehensive General Liability* insurance in the amount of $2,000,000 per occurrence covering third party bodily injury and property damage, including coverage for "premises/operations," "products and completed operations," "professional," "host liquor" and "blanket contractual liabilities."

17.1.2 *Personal Property* insurance providing coverage at least as broad as the current ISO Special Form ("all-risks") policy in an amount not less than the full insurable replacement cost of all of Lessee's

trade fixtures and other personal property within the Premises and including business income insurance covering at least twelve (12) months loss of income from Lessee's business in the Premises.

17.1.3 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation* and *Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than Thirty (30) calendar days before such cancellation or modification takes effect (Ten (10) calendar days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the term of this Lease.

17.4 Additional Insurance. At any time during the term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within Ten (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear. All trade fixtures, equipment, and other personal property, to include all hazardous material, installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within Fifteen (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for removal and disposal of any hazardous materials and the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within Ten (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required by Lessor, be permanently removed from the Premises by Lessee, at Lessee's expense, within Five (5) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other

property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within Ten (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at One Hundred Fifty Percent (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee.

19. INSPECTION BY LESSOR

Lessor may enter upon the Premises at reasonable times and upon reasonable notice for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security.

20. NOTICES

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212-6014

TO LESSEE: Sierra Building Systems, LLC
Attn.: Todd Johnson
6416 S. Sossaman Rd.
Mesa, AZ 85212-6014
Office: (480) 722-9503
Email: todd@sierrabldg.com

20.2 Any notice shall be deemed to have been received Two (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY

The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

22. SALES AND PROPERTY TAXES

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

23. APPROVALS, CONSENTS AND NOTICES

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

24. LIENS AND MORTGAGES

24.1 General Provisions.

24.1.1 Except as provided in this Section 24, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

24.1.2 Notwithstanding anything to the contrary in Section 9 herein, Lessee shall, during the Term, be permitted to mortgage, collaterally assign, or otherwise encumber its leasehold interest under this Lease to secure indebtedness, including, without limitation, a loan to finance construction of improvements and other development on the Premises, and including refinancing's thereof, subject to the restrictions of Section 24.1.3, and provided that the language of such mortgage or dead of trust and of all related documents that require the execution, approval, or consent of Lessor shall be subject to the prior review and approval of legal counsel for Lessor, and that all legal fees incurred by Lessor in connection with such legal counsel review and approval shall be paid by Lessee. Any such encumbrance is referred to as "Mortgage" and the holder thereof, "Mortgagee." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. No Mortgage shall encumber Lessor's interest in the Premises or the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

24.1.3 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary interest or the estate of Lessor in the Premises. No Mortgage or dead of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or dead of trust is authorized in accordance with provisions of this Section 24.

24.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

24.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "Notices") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given Seventy-Two (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 24.2.1.

24.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

24.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 24.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

24.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is

incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession.

24.2.5 If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 24, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

24.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

24.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, and Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 24.2, or (ii) the date that Lessee's cure period expires under the Lease. During such Mortgagee cure period, Lessor will not disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the real property for any reason, subject to the terms of the Lease, until such Mortgagee cure period has expired. The Mortgagee shall have the right to enter upon the Premises to give such performance.

24.3.2 In case of a default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such default cannot practicably be cured by the Mortgagee without taking possession of the Premises, in such Mortgagee's reasonable opinion, or if such default is not susceptible of being cured by the Mortgagee, then Lessor shall not serve a notice of lease termination if and so long as:

a. The Mortgagee shall proceed diligently to obtain possession of the Premises (including possession by a receiver), and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

b. The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

c. The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 24.3.2a, or to continue to prosecute foreclosure proceedings pursuant to Section 24.3.2b, if and when such default shall be cured. If a Mortgagee, its nominee, or a purchaser at a foreclosure sale shall acquire title to Lessee's leasehold estate hereunder, a default that is not reasonably susceptible to cure by the person succeeding to the leasehold interest shall no longer be deemed a default under this Lease.

d. If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

24.4 New Lease.

24.4.1 Subject to FAA regulations, Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of

the original term of this Lease, at the rent and upon the terms, covenants and conditions herein contained, provided that:

a. Such Mortgagee shall make written request upon Lessor for the new lease within Sixty (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

b. Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all sums which would, at that time, be due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of such termination;

c. Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by Lessee, and shall further remedy any other conditions which Lessee under the Lease was obligated to perform under its terms, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

d. The Lessee under the new lease shall have the same right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 24 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

24.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease pursuant to this Section 24.4, or to cure any default of Lessee referred to above.

24.4.3 If any Mortgagee shall request a new lease as provided in this Section 24.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, upon a guaranty from it reasonably satisfactory to Lessor, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

24.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

24.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, shall require the consent of Lessor or constitute a default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease.

25. GOVERNING LAW

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

26. RULES AND REGULATIONS

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act, Public Law 101-336, 42 U.S.C. 12101-12213*), or the operation, management, maintenance,

or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **EXHIBIT D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Premises and at the Airport. Lessee also shall display to Lessor any permits, licenses, or other evidence of compliance with laws upon request.

27. CORPORATE AUTHORIZATION

In executing this Agreement, Lessee represents and warrants to Lessor that if Lessee is a corporation, Lessee has obtained and been granted the full right, power and authority to enter into this Lease.

28. UTILITY LINES AND SERVICE CHARGES

28.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

28.2 Lessee shall pay for all telecommunications, refuse, and custodial services, plus any other utilities and services necessary for their operation at the Premises not listed in Section 28.1. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

28.3 Lessee shall, at no cost or expense to Lessor, provide or arrange for any additional public utility, water and sewage lines, and telecommunications connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

28.4 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises and the right to repair the same when necessary in Lessor's sole discretion, including but not limited to, any utility easements on the Premises. Lessor shall conduct such repairs in such a manner and at such times as to not unreasonably interfere with Lessee's activities thereon.

29. RESERVATIONS TO LESSOR

The Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances, and Lessor shall have the right to install, lay, construct, maintain, repair and operate such sanitary sewers, drains, storm water sewers, pipelines, manholes, connections; water, oil and gas pipelines; telephone and telegraph power lines; and such other appliances and appurtenances necessary or convenient to use in connection therewith, over, on, across or in proximity to the Premises, or any part thereof, as will not unreasonably interfere with Lessee's or any subtenant's operations hereunder, and to enter upon the Premises for such purposes. Lessor also reserves the right to grant franchises, easements, rights-of-way, and permits, over, on, across or in proximity to any portions of the Premises for the same purposes; provided, that Lessor

or the grantee, as applicable, shall not exercise such rights so as to interfere unreasonably with Lessee's or any subtenant's activities on the Premises and all such interference shall be minimized. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions that the surface of the Premises shall be restored to its original condition, at no cost to Lessee, upon the completion of any construction.

30. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS

30.1 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

30.2 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

30.3 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport.

30.4 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

30.5 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

30.6 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

30.7 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

30.8 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

30.9 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

30.10 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

30.11 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and

vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

31. TITLE VI

31.1 The tenant/Lessee and its transferee agree to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI in all airport/aviation lease agreements where Lessor receives federal funding, including, Lessor in this instance.

31.2 During the performance of this contract, the tenant/lessee, for itself, its assignees, and successors in interest agrees as follows:

1. Compliance with Regulations: The tenant/lessee (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. Non-discrimination: The tenant/lessee, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The tenant/lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the tenant/lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the tenant/lessee of the tenant/lessee's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The tenant/lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a tenant/lessee is in the exclusive possession of another who fails or refuses to furnish the information, the tenant/lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a tenant/lessee's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. withholding payments to the tenant/lessee under the contract until the tenant/lessee complies; and/or

b. cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The tenant/lessee will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The tenant/lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the tenant/lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the tenant/lessee may request the sponsor to enter into any litigation to protect the interests of

the sponsor. In addition, the tenant/lessee may request the United States to enter into the litigation to protect the interests of the United States.

31.3 The Lessee for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the lessee will use the premises in compliance with all other requirements imposed by or pursuant to the List of discrimination Acts And Authorities.

31.4 During the performance of this Lease, the tenant/Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

31.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation*, as it may be amended.

32. FEDERAL FAIR LABOR STANDARDS ACT

This contract and all subcontracts that result from this contract incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text.

The Lessee has full responsibility to monitor compliance to the referenced statue or regulation. The Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

33. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This contract and all subcontracts that result from this contract incorporate by reference the provisions of 29 CFR part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration

34. INCORPORATION OF QUITCLAIM DEED

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("Deed"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

34.1 That this Lease is subject to all terms and conditions of the Deed; and

34.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

35. REQUIRED PROVISIONS OF QUITCLAIM DEED

35.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

35.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

35.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

35.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

35.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

36. ARCHEOLOGICAL OR CULTURAL RESOURCES

In the event any archeological or cultural resources are discovered during any construction contemplated or permitted by this Lease, Lessor shall use its best efforts to expedite any necessary actions with respect thereto, at Lessor's sole cost and expense; provided, however, that in the event the necessary actions with respect to any archeological or cultural resources exceeds or is estimated to exceed $10,000.00, Lessee shall be entitled to terminate this Lease upon Ten (10) business days' prior written notice to Lessor.

37. AIRPORT SECURITY

37.1 PMGAA Operations Department maintains an approved Airport Security Plan (the "Security Plan") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with PMGAA Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

37.1.1 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by PMGAA Operations Department.

37.1.2 Lessee shall immediately correct physical or procedural deficiencies which are contrary to PMGAA Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future.

37.1.3 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold PMGAA harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

37.1.4 Lessee shall conduct and document all self-audits and self-inspections as required by TSA or Airport Operations and make such audits available for inspection.

37.1.5 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

37.1.6 PMGAA reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. PMGAA Airport Operations shall notify the Lessee security coordinator regarding modifications that effect Lessee.

37.2 Airport Security Badge.

37.2.1 Lessee employees/contractors that require a Badge shall be obligated to complete all training and comply with all security requirements and directives issued by PMGAA Airport Operations, Transportation Security Administration or other entity having security jurisdiction at PMGAA. Lessee, employees, and contractors will surrender security badges upon request by Airport Operations; physical security media (badges and keys) remain the property of PMGAA.

37.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the PMGAA Airport Operations Department

37.2.3 Lessee will immediately return badges to the Airport Badging office when badge holders' employment is terminated, the badge is no longer needed, or the employee/contractor is on extended leave.

37.2.4 Misuse of a Badge or security procedures will bring about punitive action including suspension or revocation of one or all badges.

38. DEFAULT BY LESSOR

In the event of any alleged breach by Lessor of its covenants contained in this Lease, Lessee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Lease; provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the Thirty (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such Thirty (30) calendar day period, Lessor has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder.

39. BROKERS

Lessee represents and warrants that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessee further agrees to indemnify, defend (with counsel selected by Lessor) and hold Lessor and Lessor's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages by any person or firm whom Lessee authorized or employed, or acted by implication to authorize or employ, to act for Lessee in connection with this Lease.

40. SALE BY LESSOR

Lessee agrees to look solely to Lessor's interest in the Premises for the recovery of any judgment from Lessor, it being agreed that neither Lessor nor the holders of the equity interests of Lessor, nor the members, partners, officers, directors or shareholders of Lessor shall be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

41. ESTOPPEL CERTIFICATE

Lessee shall, without charge, at any time and from time to time hereafter, within Ten (10) business days after written request of Lessor to do so, certify, by written instrument duly executed and acknowledged by Lessee and certified to Lessor and to any prospective lender or purchaser: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of Lessee's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (iv) as to whether the Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters as may be reasonably requested. Lessor and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

42. MISCELLANEOUS

42.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

42.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

42.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

42.4 Amendment. This Contract shall be modified only by a written amendment mutually agreed to and signed by both Parties, by persons duly authorized to enter into contracts on behalf of each Party.

42.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

42.6 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

42.7 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

42.8 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

43. INCORPORATION OF RECITALS

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

AIRCRAFT OPERATIONS GUIDELINES

C1. **Use of Airport**. Lessee, Lessee's assigns, sub-lessees, or transferees who operate aircraft at the Airport and are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **EXHIBIT C**.

C2. **Fees**. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight (MGLW). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the Twentieth (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current *Airport Rates and Charges* Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside Lessee's Premises. Such fees, if any, shall be payable to Lessor no later than the Twentieth (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee for Lessee's non-exclusive use of other space not situated on or part of the Premises. The location and cost of such other space shall be determined by Lessor at its sole discretion, and both may be subject to change from time to time by Lessor, as necessary.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. **Books and Records**. Lessee shall maintain permanent books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records shall be made available to Lessor upon request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. **Disabled or Abandoned Aircraft**. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, immediately upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor or claimed by anyone by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the airport caused by such aircraft or removal within Ten (10) business days of demand therefor.

C5. **Aviation Fuel**. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines* and applicable federal regulations.

C6. **Fly Friendly Procedures**. Lessee acknowledges that Lessor maintains *Fly Friendly* noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

EXHIBIT E

STANDARD TERMS AND CONDITIONS

1. **Certification.** By executing this Contract, Lessee certifies:

   a. The award of this Contract did not involve collusion or other anti-competitive practices.

   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.

   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Lessee hereby certifies that the individual signing this Contract is an authorized agent for Lessee and has the authority to bind the Lessee to the Contract.

2. **Arbitration**. At PMGAA's sole option, disputes between the parties may be resolved through arbitration as provided in A.R.S. Section 12-1501, *et seq*. Lessee shall continue to render the services required by this Contract without interruption, notwithstanding either party has filed suit against the other or PMGAA has expressly agreed to arbitration and either party has demanded arbitration.

3. **Affirmative Action.** Lessee shall abide by all the federal and state of Arizona provisions for equal opportunity in the workplace.

4. **Human Relations**. Lessee shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

5. **Gratuities.** PMGAA may, by written notice to the Lessee, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Lessee or any agent or representative of Lessee, to any officer or employee of PMGAA amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Lessee the amount of the gratuity.

6. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

7. **Rights and Remedies.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Lessee's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

8. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within Five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

9. **Advertising.** Lessee shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

10. **Force Majeure**

a. Neither party is liable to the other, and neither party may be deemed in default under this Contract, if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure does not include late performance by a subcontractor unless the delay arises out of a specific Force Majeure in accordance with this Force Majeure term and condition.

b. If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing, as soon as practical, of the delay and shall specify the causes of delay in the notice. The notice must be hand-delivered or mailed certified-return receipt and must specifically refer to this Section. The delayed party shall cause the delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The date of completion will be extended by Contract modification or amendment for the period of time that the completion date is necessarily delayed. This time extension is the Consultant's exclusive remedy for delay.

11. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Lessee or any other person except with prior written permission by PMGAA.

12. **Licenses.** Lessee shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Lessee as applicable to this Contract.

13. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

14. **Patents.** Lessee shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Lessee under this Contract.

15. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA.

Board Action Item

Re: Resolution 22-48

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: SkyBridge Arizona – Lot 109 Adjustment Amendment & Development Lease
Date: July 19, 2022

Proposed Motion

To authorize a Development Lease with SkyB Lot 109 LLC, an Arizona limited liability company, for 15.059 acres located within the SkyBridge Arizona project identified as Lot 109. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 109 from the Master Lease Agreement.

Narrative

The Phoenix-Mesa Gateway Airport Authority ("PMGAA") and Mesa SkyBridge, LLC ("SkyBridge") entered into a Master Lease Agreement on April 1, 2018 for the approximately 360-acres located at the southeast corner of Sossaman Road and Velocity Way ("Property"). The Master Lease transferred leasehold control of the Property to SkyBridge but did not convey vertical development rights. As part of the Master Lease, PMGAA and SkyBridge agreed to "spin out" property from the Master Lease into Development Leases as projects became ready for vertical development.

SkyBridge has proposed to build an approximately 250,000 SF light industrial building. Lot 109 is approximately 655,951.76 SF and has been identified as a non-aeronautical parcel. The proposed development is compliant with the SkyBridge Arizona Master Plan. The attached Adjustment Amendment will formally remove Lot 109 from the Master Lease and allow Lot 109 to be included in the proposed Development Lease.

Agreement Term and Rate

The Lot 109 Development Lease proposes a lease term of SIXTY (60) years with ONE (1) renewal options of FIFTEEN (15) years. The Base Rent for Lot 109 will be $0.00 annually for the first TWO (2) years and $65,595.18 annually starting on the Third (3rd) anniversary of the Effective Date subject to Base Rent Adjustments and Market Adjustments as stipulated in the Development Lease.

Attachment(s)

Lot 109 Development Lease
Master Lease Adjustment Amendment #9

RESOLUTION NO. 22-48

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Development Lease with SkyB Lot 109 LLC, an Arizona limited liability company, for 15.059 acres located within the SkyBridge Arizona project identified as Lot 109. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 109 from the Master Lease Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a Development Lease with SkyB Lot 109 LLC, an Arizona limited liability company, for 15.059 acres located within the SkyBridge Arizona project identified as Lot 109. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 109 from the Master Lease Agreement. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 19th day of July, 2022.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

ADJUSTMENT AMENDMENT TO MASTER LEASE

Development Parcel for Lot 109, SkyB Lot 109 LLC, an Arizona limited liability company

THIS ADJUSTMENT AMENDMENT TO MASTER LEASE ("**Amendment**") is made as of the 1st day of August, 2022, by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **MESA SKYBRIDGE LLC**, an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Master Lease dated April 1, 2018 ("**Lease**") covering certain property commonly known as Gateway Aerospace Park at the Phoenix-Mesa Gateway Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Property**."

B. The Parties desire to modify the Lease to remove Development Parcel Lot 109 from the Property in accordance with Section 2.1.4 of the Lease.

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. Property Adjustment. Lot 109, as described in Exhibit A, is hereby removed from the Lease and from the Rentable Premises. As of the date of this Amendment, after removing Lot 109 from the Lease, the Rentable Premises is 13,750,891.24 square feet.

4. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of

this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

Phoenix-Mesa Gateway Airport Authority
DEVELOPMENT LEASE

a Non-Aeronautical Development Parcel for Lot 109

This Development Lease ("**Lease**") is executed to be effective the FIRST (1st) day of August 2022 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **SKYB LOT 109 LLC** , an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

B. Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

C. Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport known as Lot 109 on the Master Plan containing approximately 655,951.76 square feet of land, as set forth in **Exhibit A** attached hereto ("**Premises**");

D. The Premises is identified in the Master Plan and the Airport Layout Plan as a Non-Aeronautical Development Parcel; and

E. Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE.

Lessor hereby leases the Premises to Lessee, subject to all easements, deed restrictions and other similar matters of record in the Official Records of Maricopa County, Arizona, that encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions expressly set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specially acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any

particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense, subject to Lessor's duty to cooperate with Lessee (at no or nominal cost to Lessor) in connection with such activities and undertakings.

1.2 Intentionally Omitted.

1.3 Access. Lessee is granted the right of access to and from the Premises via such portions of the Airport as are or may be reasonably necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport, provided that Lessor reserves the right to limit access to the Premises in emergencies and in connection with Lessor's construction activities on the Airport, so long as Lessor provides Lessee with reasonable advance written notice of any limitations on Lessee's access to the Premises due to Lessor's construction activities, and Lessor and Lessee coordinate such construction activities and cooperate one with the other to minimize any interference with, or disruption of, Lessee's business activities. Lessor reserves the right to designate the location of such alternative access due to emergencies and Lessor's construction activities, and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for commercial Light Industrial applications as per current Zoning and Master Plan, including light manufacturing and assembly, , general office, and other uses relating or incidental thereto and for no other use. Lessee shall not use any portion of the Premises for a Prohibited Use, which Prohibited Uses are set forth on **Exhibit E**. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use, or permit its agents, employees or contractors acting for or on behalf of Lessee in connection with their scope of employment to use, the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director or other authorized signatory of Lessor.

Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises, Lessee shall designate an on-site manager for the Term of this Lease who shall generally be available to Lessor and Lessee's customers, if any, during Lessee's normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable. Lessee may change Lessee's on-site manager from time to time.

1.7 Lessee Acknowledgement. Lessee acknowledges that, except as otherwise provided in this Lease, its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to

enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM.

2.1 Initial Term. The term of this Lease shall be for a period of SIXTY (60) years, commencing on the Effective Date and terminating on July 31, 2082 ("**Term**").

2.2 Renewal Term(s). Provided that no Event of Default shall have occurred and is continuing, Lessee shall have the right and option ("Renewal Option") to extend the Term of this Lease for a period of FIFTEEN (15) years ("Renewal Term"). If Lessee elects to exercise Lessee's Renewal Option, Lessee shall notify Lessor in writing of such exercise at least one (1) year prior to the expiration of the initial 60-year Term. At the commencement of the Renewal Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market base rental rate as determined herein, subject to the triennial CPI Adjustments set forth in Section 4.2 below, which CPI Adjustment shall first be made on the first day of the calendar month following the THIRD (3rd) anniversary of the Renewal Term, and thereafter on each THREE (3) year anniversary thereof. Lessor shall determine the fair market base rental rate for the Premises for the commencement of the Renewal Term and shall notify Lessee of Lessor's determination no later than SIXTY (60) calendar days after Lessor's receipt of Lessee's exercise of Lessee's Renewal Option. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities in the Metropolitan Phoenix area, and also take into consideration the differences between the Airport and other regional, national and international airport facilities in the Metropolitan Phoenix area. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days after the expiration of such 15-business day period, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rental rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of a qualified appraiser. The president of the Board of Realtors shall be asked to select a qualified appraiser within FIFTEEN (15) business days who has not acted in any capacity for either Party within the prior TEN (10) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all relevant information. Within TWENTY (20) business days of the selected qualified appraiser's receipt pf the Parties' respective determinations, the appraiser shall review each Parties' submittal (and such other information as the appraiser deemed necessary) and select on Parties' determination as representing the most reasonable approximation of such fair market base rental. The appraiser's fees and expenses shall be paid one half by each Party. Upon determining the Base Rent for the Premises at the commencement of the Renewal Term, Lessor and Lessee will promptly enter into an amendment to this Lease to memorialize the Renewal Terms and the Base Rent. All other terms of this Lease apply during the Renewal Term.

3. NONEXCLUSIVE RIGHTS.

Lessee shall have the exclusive right to lease, use, occupy and develop the Premises in compliance with the terms and conditions of this Lease during the Term. All other rights granted to Lessee under this Lease are

nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport (other than on the Premises) that Lessor deems appropriate, provided that such activities do not limit, prevent, materially interfere with, or prevent or disrupt the use and development of the Premises by Lessee.

4. RENT.

4.1 Base Rent. Lessee agrees to pay Lessor annual rental ("Base Rent") for the use of the Premises as follows:

4.1.1 Subject to Section 4.4 below, commencing on the Effective Date through the end of the SECOND (2nd) Lease Year, Base Rent shall be $0.00 per square foot of the Premises per year.

4.1.2 Commencing on August 1, 2024, through March 31, 2048, Base Rent shall be $0.10 per square foot of the Premises per year, subject to the triennial CPI Adjustment set forth in Section 4.2 below.

4.1.3 Commencing on April 1, 2048, through the end of the Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market value as determined in accordance with Section 4.3 below, subject to the triennial CPI Adjustments set forth in Section 4.2 below.

4.2 Base Rent Adjustments. Commencing on the SIXTH (6th) anniversary of the Effective Date and continuing thereafter on every THREE (3) year anniversary of the Effective Date of this Lease, the annual Base Rent paid by Lessee shall be adjusted (whether increased or decreased) by a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) changed during the immediately preceding THIRTY-SIX (36) month period ending NINETY (90) days prior to the end of the adjustment period during the Term hereof ("**CPI Adjustment**"). For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI. Lessor agrees to promptly notify Lessee of any CPI Adjustment (and in any event at least THIRTY (30) days prior to any adjustment in Base Rent payments as a result of any CPI Adjustment), and to provide Lessee with a reasonably-detailed description of Lessor's calculations of any CPI Adjustment and any adjustment in Base Rent payments.

4.3 Market Adjustments to Base Rent.

4.3.1 Notwithstanding the Base Rent increases referenced in Section 4.2, on: (a) April 1, 2048, and (b) each subsequent TEN (10) year anniversary of April 1, 2048, the annual Base Rent shall be adjusted (each, a "**Market Adjustment Date**") as hereinafter set forth in this Section. On each such Market Adjustment Date, the Base Rent shall be adjusted to the fair market base rental rate of the Premises, in relation to comparable (in quality, size, and value) airport-related facilities.

4.3.2 Lessor's determination of such fair market base rental rate for the Premises shall be delivered to Lessee no later than ONE HUNDRED TWENTY (120) calendar days prior to the Market Adjustment Date. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days thereafter, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rates for commercial properties similar to the Premises and be a member of the

Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of an appraiser. The president of the Board of Realtors shall, within FIFTEEN (15) business days, select an appraiser with the above qualifications who has not acted in any capacity for either Party within the prior FIVE (5) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all substantiated information. Within TWENTY (20) business days thereafter, the appraiser shall review each Party's submittal (and such other information as the appraiser deems necessary) and shall select one Party's submittal as representing the most reasonable approximation of such fair market base rental rate, and the appraiser's fees and expenses shall be paid one-half each by each Party.

4.4 Vacancy Relief Periods. Provided no Event of Default shall have occurred and is continuing, Lessee shall have the continuing option to exercise up to TWO (2) Vacancy Relief Periods of up to TWELVE (12) months for each Vacancy Relief Period during any period of time that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. Lessee may initiate a Vacancy Relief Period by giving written notice ("**Vacancy Relief Notice**") to Lessor of its desire to do so. Lessee's use and occupancy of the Premises shall not be taken into consideration in determining whether the Improvements are vacant unless Lessee is actively conducting Lessee's business activities for a Permitted Use within such Improvements. An office maintained by Lessee in the Premises for the purpose of marketing and subleasing the Premises shall not be considered as Lessee actively conducting Lessee's business activities. The Vacancy Relief Notice shall identify the starting date and ending date for the Vacancy Relief Period (not to exceed TWELVE (12) months), and Lessee shall provide, simultaneously with each Vacancy Relief Notice, evidence reasonably satisfactory to Lessor that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. During a Vacancy Relief Period, Lessee shall be entitled to pay a reduced Base Rent equal to FIFTY PERCENT (50%) of the Base Rent that would otherwise be applicable during such time. A Vacancy Relief Period shall terminate on the earlier of (a) the expiration of the TWELVE (12)-month period identified in the Vacancy Relief Notice, or (b) the date on which FIFTY-ONE PERCENT (51%) of the occupiable Improvements on the Premises are occupied, evidenced by executed subleases. Upon expiration of the Vacancy Relief Period, Lessee shall resume paying full Base Rent.

4.5 Construction Rent Period. A modified base rent for a construction period during the first TWO (2) Lease years ("**Construction Base Rent Period**") has been granted to Lessee as additional consideration for entering into this Lease and agreeing to pay the Base Rent and all other charges hereunder, and to perform the terms and provisions otherwise required under this Lease. If an Event of Default by Lessee occurs, which is not cured within the applicable cure period, in addition to all other rights and remedies of Lessor provided by law, equity, statute or otherwise provided in this Lease, at Lessor's option in its sole and absolute discretion, (i) if the Event of Default occurs within the Construction Base Rent Period, Lessee shall commence paying the full Base Rent at the rate of $0.10 per square foot per year for the balance of the Construction Base Rent Period, and (ii) if an Event of Default by Lessee occurs during the initial Term, which is not cured within the applicable cure period, Lessee shall immediately pay to Lessor an amount equal to the unamortized portion of Base Rent at the rate of $0.10 per square foot per year during the Construction Base Rent Period, which Lessor shall amortize over the initial Term on a straight-line basis.

4.6 Payment.

4.6.1 Base Rent shall be payable in equal monthly installments, in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer. Base Rent and any other charges due for any period during the Term less than ONE (1) calendar month shall be prorated on a daily basis based on a THREE HUNDRED SIXTY-FIVE (365) day year.

4.6.2 No payment to or receipt by Lessor of a lesser amount than that which is due and

payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.6.3 All payments (and reports, if any) required by this Section 4.6 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in advance in writing by Lessor to Lessee.

4.7 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.8 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any Base Rent payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes.

4.9 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

4.10 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* is included as **Exhibit B** and is subject to change upon prior notice to Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* at any time at Lessor's sole discretion, and that no fee shall apply to the use or occupancy of the Premises or access to and from the Premises.

5. PERFORMANCE GUARANTEE; CONSTRUCTION ESCROW.

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equal to TWO (2) months' worth of Base Rent payments as of the Effective Date of this Lease, TEN THOUSAND NINE HUNDRED THIRTY-TWO and 53/100 ($10,932.53) as a security deposit ("**Security Deposit**") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, upon the occurrence of an Event of Default, at the election of Lessor, may be applied to any actual loss and/or actual damage sustained by Lessor by reason of the occurrence of such Event of Default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or

applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination or expiration, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Improvement Construction Guarantee .

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with the construction, by providing, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. S 33-1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the State of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. S 33-1003, and a copy of the bond provided to the Lessor; or

(b) Letter of Credit Such instrument (**"Letter of Credit"**) shall be irrevocable, in the amount equal to the total amount of the construction contract(s) for the construction of the improvements (described in Section 7 herein) plus TEN PERCENT (10%) of such amount (**Improvement Costs"**) and should be issued to Lessee by a financial institution (**"Bank"**) reasonably acceptable to the Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date with is TWENTY-FOUR (24) months thereafter, after which the date it shall be renewed on a year-to-year basis until construction of such improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include reasonably-detailed description of the Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to the Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 **Performance Guarantee.** In addition to the Security Deposit, Lessee's obligation to timely complete the improvements described in Section 7 herein shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) **Performance Bond.** Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to the Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) **Completion Bond.** Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7.1 of this Lease if an Event of Default occurs and is continuing under Section 7.2.2 of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRCRAFT OPERATIONS GUIDELINES.

If and to the extent that Lessee operates aircraft at or on the Airport, Lessee shall be subject to the provisions of **Exhibit C**. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises for or on behalf of Lessee and acting within the scope of their employment operates aircraft at the Airport, all shall be subject to the provisions of **Exhibit C**, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS.

7.1 Construction by Lessee. Lessee shall, at its sole cost and expense, construct improvements on the Premises that are generally described as an approximately 250,000 square foot industrial building and associated parking and site improvements within the eighteen (18) month construction time frame. and generally shall consist an approximate budget of $26,500,000 for the Work ("**Improvements**") in accordance with a site plan prepared by Lessee and approved by Lessor or by Lessor's Design Review Committee, if any, such approval not to be unreasonably withheld, conditioned, or delayed, and in compliance with all applicable governmental regulations, restrictions, building codes and any declaration of covenants, conditions, restrictions and easements of record affecting the Premises and any design guidelines promulgated pursuant thereto that are applicable to the Premises. Lessor and Lessee agree that Lessee shall be solely responsible for: (i) any connection(s) between the Premises and the terminating point of the existing vehicular access way to the Premises that is required by applicable or utility provider or is requested by Lessee; (ii) constructing all improvements necessary to bring all utilities to the Improvements; (iii) installing all utility meters and water and sewer lines to service all Improvements constructed on the Premises; and (iv) if applicable, constructing all Improvements necessary to connect the Premises to existing taxiways or taxilanes in accordance with and if allowable under all Airport and FAA rules, regulations and other requirements.

7.2 Construction Milestones; Termination. Lessee shall construct its Improvements pursuant to the following schedule (each of which events are herein called a "**Construction Milestone**"):

7.2.1 Lessee shall submit its Improvement design plans to Lessor for review and approval no later than TWO (2) months from the Effective Date.

7.2.2 Lessee shall complete construction of all Improvements to be constructed by the Lessee at and on the Premises and shall have obtained a CofO (or its equivalent) from the City of Mesa therefor, no later than EIGHTEEN (18) months from the Effective Date.

7.2.3 If Lessee fails to commence construction within NINETY (90) calendar days after the issuance of all necessary construction permits and receipt of all approvals required for such, including any approvals required from the FAA, but subject to any applicable notice and cure periods provided for in Section 11, Lessor shall have the right to terminate this Lease by written notice to Lessee delivered at any time prior to commencement of construction. For purposes of this section "commencement of construction" shall be the date on which Lessee has obtained it permits, has executed a contract for construction of the Improvements and engaged in material work, such as grading or pouring of footings and slabs.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld, conditioned, or delayed including, if and to the extent applicable, the approval by Lessor's Design Review Committee. The process of approving any material improvements or alterations by Lessor and Lessor's Design Review Committee shall occur within the same period of time (without duplication) given to Lessor for approval of the same. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of material improvements or alterations to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of material improvements or alterations, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED IMPROVEMENTS AND ALTERATIONS BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed improvements and alterations shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised description of the improvements or alterations for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's written request therefor, a quitclaim deed quitclaiming such Improvements and alterations to Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction of the Improvements shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first obtaining required permits from the City. All such work shall be permitted,

inspected and approved by the City prior to concealment or use, as required by applicable laws. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and a copy of the final stamped approval and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises. In the event that all or any portion Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources. Notwithstanding the foregoing, if any damage or destruction occurs to the Premises during the last 5 years of the Initial Term or any Extension Term and the cost to repair the damage exceeds 65% of the total replacement cost, Lessee may terminate this Lease upon giving Lessor thirty (30) days' written notice, whereupon Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE.

8.1 Lessee Responsibilities. Lessee shall, at its sole cost and expense, keep the Premises in a clean condition and in good order, condition and repair throughout the Term, reasonable wear and tear excepted. Lessee's maintenance of the Premises shall consist of, as reasonably necessary, the inspection, servicing and repair of all improvements, including pest control, landscaping and grounds maintenance.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee (or its agents, contractors, employees, managers and representatives) as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the reasonable satisfaction of Lessor; provided however, that Lessor acknowledges and agrees that Lessor's real property will be permanently altered, changed and modified as a result of the development and use of the Premises, and Lessor hereby consents thereto, and agrees that such development and use of the Premises as permitted in accordance with this Lease shall not constitute waste, damage or destruction to Lessor's real property. Lessor also approves of Lessee demolishing any and all improvements located on or under the Premises.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a clean, safe, sanitary and orderly condition and shall keep such area reasonably free of all trash and debris, and in any event in compliance with all applicable laws and ordinances. Lessee shall be responsible for all trash removal from the Premises and Lessee shall deposit all trash and debris only at collection stations located on or in proximity to the Premises, in accordance with City code.

8.4 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS.

9.1 Assignment.

9.1.1 Consent Required. Subject to Lessee's rights under Section 24, Liens and Mortgages, Lessee may not transfer or assign ("**Transfer**") its interest in this Lease or any right or interest hereunder without the prior consent of Lessor, which consent may not be unreasonably withheld, delayed or conditioned. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S**

PROPOSED TRANSFER BEING DEEMED APPROVED." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed Transfer shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Notwithstanding the foregoing, however, Lessee may assign or encumber its leasehold interest, including any title to any improvements, as security in conjunction with or as part of one or more leasehold mortgages or deeds of trust, including assignments by means of a foreclosures or trustee's sales thereunder without Lessor's consent. In the case of an assignment (other than an assignment or encumbrance as security), the assignee must expressly assume in writing all of Lessee's obligations under this Lease from and after the date of such assignment.

9.1.2 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) the transfer of any ownership interest in Lessee resulting in a change in the present control of Lessee by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; and (ii) the sale of greater than FORTY-NINE PERCENT (49%) or more in value of the assets of Lessee, whether in a single transaction or a series of transactions.

9.2 Subletting.

9.2.1 Lessee may sublease all or portions of the Premises if the following conditions are met:

(a) The sublease and any amendments or modifications thereto are approved in advance and in writing by Lessor (which approval shall not be unreasonably withheld, delayed or conditioned), or is/are in a form which shall have been previously approved in writing (except for changes that do not materially impact Lessor's rights and interests) by Lessor. If a pre-approved form is used, Lessor's advance approval of the actual sublease and any amendments or modifications thereto is not required. Lessor will have FORTY-FIVE (45) days with respect to a new sublease, or FIFTEEN (15) days with respect to amendments or modifications to a sublease, following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day or FIFTEEN (15)-day period, as the case may be, Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed sublease, amendment or modification, as the case may be, shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same.

(b) Rent for subleased premises shall not be less than fair market value unless otherwise approved in writing by Lessor.

(c) The sublease(s) and sublessee(s) shall at all times be subject to the terms and conditions of this Lease.

(d) The permitted uses of the Premises under any sublease shall be the same as that permitted under this Lease. Sublessees shall agree in the sublease not to engage in any Prohibited Use.

(e) The term of any sublease shall not extend beyond the stated expiration of this Lease.

(f) Except for the payment of a security deposit, the sublessee under such sublease shall not pay rent more than SIX (6) months in advance of its due date under the sublease.

9.2.2 Upon request from Lessee and/or any sublessee, Lessor shall enter into a Non-Disturbance and Attornment Agreement (in form and substance reasonably acceptable to Lessor, Lessee, sublessee and any applicable Mortgagee of Lessee or sublessee) so long as (i) the conditions of Section 9.2.1 have been met; (ii) the sublessee is not then in default beyond an applicable notice and cure period under the sublease and there is no existing Event of Default under this Lease; and (iii) the sublessee does not have a history of five (5) or more documented events of noncompliance with the *Airport Rules and Regulations* or *Airport Minimum Standards*. All reasonable legal fees incurred by Lessor in connection with any reasonably necessary third-party legal counsel review and approval of a Non-Disturbance and Attornment Agreement shall be paid by Lessee or sublessee.

9.2.3 Lessee shall not permit any sublessee unescorted access to the secured areas of the Airport unless and until the sublessee has obtained its own valid Airport security clearance and access credentials from Lessor. Lessee acknowledges that it may take THIRTY (30) calendar days or more to process sublessee for security clearance and access credentials.

9.2.4 Lessee shall submit a copy of each fully executed sublease to Lessor as soon as possible, but no later than FIVE (5) business days after Lessee receives the fully executed sublease.

9.3 Non-Disturbance. Lessor agrees, for the benefit of all subtenants of all or any part of the Premises, that if this Lease or Lessee's right to possession of the Premises is terminated for default or otherwise, all subleases of all or any part of the Premises, except any sublease to an Affiliate of Lessee, shall continue in full force and effect, notwithstanding the termination, as direct leases between Lessor and the subtenants and all such subtenants shall, upon request, attorn in writing to Lessor.

10. SIGNS.

Lessee may install on the Premises, including the Improvements, one or more signs, including signs identifying its business and, if Lessee so desires, a monument sign on the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessee's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation, which approval may not be unreasonably withheld, conditioned or delayed, and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR.

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease or failure to perform any of its obligations as a "Lessee" under the Declaration (as defined in Section 44 below), as such obligations relate to the Premises, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien or any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee in violation of Section 9, provided that Lessee does not cancel or otherwise negate such Transfer or attempted transfer within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default.

11.1.5 Failure to pay its Proportionate Share of any Common Area Assessment in accordance with the Declaration as provided in Section 44 below, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor to Lessee of a written notice of such failure.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

Lessor agrees that Lessor's right to re-enter the Premises under Arizona Revised Statutes Section 33-361 and other similar rights shall arise after, and only after, the applicable notice and cure or grace periods under this Lease have been given and expired without such default or failure having been cured by Lessee.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Except for Lessor's negligence or willful misconduct, Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and Lessee shall reimburse Lessor for all reasonable costs incurred by Lessor occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all actual damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the present value of Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the

amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect. In no event shall Lessee be liable for punitive, consequential or speculative damages under this Lease. Lessor agrees to satisfy its obligations to mitigate its damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus
(b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other actual damages incurred by Lessor as a result of such Event of Default.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it reasonably describes the nature of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. [RESERVED].

13. INDEMNIFICATION.

13.1 Lessee's Indemnity. Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13.1 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Property or the Airport and which result directly or indirectly in the injury to or death of

any persons or the damage to or loss of any property or other damages or losses to Lessor, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

13.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 13.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 13.2) on the Property or the Airport, and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessee, or (ii) the failure of Lessor to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

13.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any Improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors, and Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

14. ENVIRONMENTAL PROTECTION.

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws*. The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Resource Conservation and Recovery Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; the *Arizona Hazardous Waste Management Act*, A.R.S. Section 49-921 et seq. the *Arizona Environmental Quality Act*, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material*. The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

14.2 [Intentionally Omitted].

14.3 Environmental Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Law.

14.3.3 If Lessee desires and receives written authorization from Lessor to install any underground storage tanks ("**USTs**") on the Premises or elsewhere on the Airport, Lessee shall submit the plans for such USTs to Lessor for prior written approval and shall comply with all applicable Environmental Laws related thereto, including Title 40, Code of Federal Regulations, Part 280, as adopted by the State of Arizona ("**Part 280**"), and Lessee shall be the owner of such USTs for statutory purposes. Installation of USTs shall comply with the "code of practice" set forth in Part 280. Lessee is solely responsible for the design, construction, installation, operation, monitoring, inspection, repair and maintenance of any and all USTs, including any connected piping and/or dispensing apparatus. Lessee shall provide to Lessor a copy of the Arizona Department of Environmental Quality *Notification of Underground Storage Tank Registration* that Lessee submits to the state. All USTs shall meet or exceed the tank performance standard for USTs installed after December 22, 1998, including corrosion protection, leak detection and spill/overflow protection. Any UST that stores flammable and combustible liquids shall meet the provisions of NFPA 30, *Flammable and Combustible Liquids Code*. Records demonstrating compliance with release detection requirements, including product inventories, calibration and maintenance, sampling, tightness testing and any other records, fees and taxes required by the state or federal governments shall be the responsibility of Lessee. Upon the expiration of this Lease, Lessee shall remove all USTs in compliance with all UST closure requirements under all applicable Environmental Laws in effect at that time unless otherwise allowed by Lessor.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any

kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing.

14.7.1 Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than ONE HUNDRED EIGHTY (180) calendar days to resolve.

14.7.2 Lessee shall install on any UST that it is permitted to install pursuant to Section 14.3.3, a method or a combination of methods for Release detection that can detect a Release from any portion of the UST and any connected underground piping. Lessee shall immediately notify Lessor's Operations and Maintenance Department upon discovering a Release or Suspected Release of any amount of material that is stored inside a UST. For purposes of this Section, a "Suspected Release" is any discovery of released Hazardous Material at the UST site or surrounding area, erratic behavior of Hazardous Material dispensing equipment, the sudden loss of a Hazardous Material, an unexplained presence of water in the UST, or when monitoring indicates that a Release has occurred. In the case of inventory control, Lessee shall notify the Lessor's Operations and Maintenance Department when the second consecutive month of inventory reconciliation data

indicates that there is a discrepancy in the figures recorded.

14.8 Sublease. Lessee shall insert provisions substantially identical to the provisions of this Section 13.1 in any sublease agreement or contract by which it grants a right or privilege to any person, firm, corporation or other entity under this Lease.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 13.1 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Environmental Assessments.

14.11.1 If, during the Term of this Lease, any of Lessee's USTs are suspected of or known to be leaking, Lessee shall perform, or cause to be performed, a site characterization of the Premises and/or UST site using all appropriate sections of the LUST Site Characterization Manual dated January 15, 1999, or the most current edition, including tables 1 through 6, as applicable ("**Site Characterization**").

14.11.2 Within THIRTY (30) calendar days immediately preceding the expiration of this Lease or within THIRTY (30) calendar days of any earlier termination of the Lease, Lessee shall:

(a) Deliver to Lessor: (i) a Phase I environmental site assessment that conforms to the standards set forth in 42 USC § 9601(35)(B), as amended by Pub. L. 107-118 (Jan. 11, 2002), section 223(2), and as may be further amended, and any regulations thereunder; and (ii) an environmental compliance audit assessing the status of regulatory compliance of the Premises and all operations and activities thereon; both prepared by a qualified engineer licensed by the State of Arizona; and

(b) In the event Lessee installs any USTs upon the Premises or elsewhere on the Airport, perform or cause to be performed a Site Characterization of the Premises in the event there is evidence that there has been or may be a leak or Release of the UST contents; and

(c) If either the assessment described in Section 14.11.2(a)(i) above or the Site Characterization described in Section 14.11.2(a)(ii) above identifies any "recognized environmental condition," or any other condition indicating a known or potential liability, including, but not limited to, a known or potential violation of any Environmental Law or a past, present, or material threat of a future release of a hazardous substance or a petroleum product into the environment, Lessor reserves the right, at Lessor's sole discretion, to require Lessee to conduct, at Lessee's sole expense and with a scope of work subject to Lessor's approval, further reasonable investigations and reasonable remediation.

14.12 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so

requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.13 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.14 U.S. Air Force Use and Remedial Action.

14.14.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "Occupation" or "Use" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.14.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.15 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any

inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.16 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Archeological Coordinator prior to the date that Lessee commences any manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting fire-fighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.17 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor, except to the extent that the installation of a monitoring well is required by Governmental Authorities.

14.18 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.19 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "**Later-Discovered, Pre- Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within SEVEN (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS.

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the permitting authority and obtain a permit or waivers under Section 404 of the Clean Water Act. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS.

16.1 Lessee shall comply with all applicable Federal, State, and local occupational safety and health regulations.

16.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

17. INSURANCE.

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Builders Risk* insurance covering the insured's premises and all replacements and/or additions thereto for their full insurable value plus ten percent (Cost + 10%) on a "replacement cost" basis with an ISO Special Causes of Loss form or equivalent required until completion of construction of the improvements upon the Premises. Builder's Risk Insurance shall be in place during active construction of the Improvements. Lessor agrees that Builder's Risk Insurance shall be, upon acceptance of the Improvements by the City of Mesa and/or occupancy of the Improvements for the intended use, no longer required in the form of Builder's Risk Insurance and shall be replaced by Lessor's General Liability and Property coverage as placed upon completion of the construction of the Improvements. Lessor agrees to perform this transition without any lapse or gap in coverage.

17.1.2 *Comprehensive General Liability* $5,000,000 per occurrence covering third party bodily injury and property damage on an occurrence basis in an amount not less than, including coverage for "premises/operations", "products and completed operations", "professional", "host liquor" and "blanket contractual liabilities".

17.1.3 *Commercial Auto Liability* - $1,000,000 per occurrence covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of commercial activities~~, or that are operated within the AOA~~. If any hazardous materials are transported with Airport boundaries in conjunction with the operator's business activities, and MSC-90 Endorsement is required.

17.1.4 *Environmental Coverage* $2,000,000 per occurrence. – covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, pining, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained at the Airport, and including expenses for defense, release mitigation and off-and on-site remediation.

17.1.5 *Personal Property Coverage* – covers all essential personal property (property essential to continued business operations) and all operator improvements made to buildings or facilities on the Airport, including all replacements and./or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires and ISO Special Cause of Loss form. Coverage shall be for risks of direct physical loss or damage, including the perils of Equipment Breakdown/Boiler & Machinery, Flood and Earth Movement. The limit shall be equivalent to at least full replacement cost value of personal property & improvements. Coverage shall be on a replacement cost basis. If there is a coinsurance provision, it shall be waived by an Agreed Amount endorsement. Lessee's policy shall name Lessor as Loss Payee as their interest may appear.

17.1.6 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation and Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver to Lessor a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the Term of this Lease.

17.4 Additional Insurance. At any time during the Term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear, casualty (subject to Lessee's obligation under Section 7.7) and condemnation. Lessee shall not be responsible for the removal or remediation of any Hazardous Material that was present on, under or near the Premises prior to occupancy, regardless of the date of discovery of such Hazardous Material, and shall not be responsible for returning the Premises in a better condition than existed on the Effective Date, except as expressly provided hereunder. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required in a written notice to Lessee from Lessor at the time of Lessor's approval of the same, be removed from the Premises by Lessee, at Lessee's expense, within FIFTEEN (15) business days after Lease termination.

Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee solely as a result of Lessee's holding over.

19. INSPECTION BY LESSOR.

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

20. NOTICES.

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: SkyB Lot 109 LLC
Attn.: Felipe Monroy Torres
2415 E. Camelback Road, Suite 700
Phoenix, AZ 85016

With a required copy to: Warner Angle Hallam Jackson & Formanek PLC
Attn: James Valletta
2555 East Camelback Road, Suite 800
Phoenix, AZ 85016

20.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY.

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

22. SALES AND PROPERTY TAXES.

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor as a result thereof. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

23. APPROVALS, CONSENTS AND NOTICES.

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

24. LIENS AND MORTGAGES.

24.1 General Provisions.

24.1.1 Except as provided in this Section 24, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

24.1.2 Notwithstanding anything to the contrary in this Lease to the contrary, Lessee shall, during the Term, be permitted to pledge Lessee's ownership interests and/or mortgage, collaterally assign, or otherwise encumber its leasehold interest (including any interest in the improvements) under this Lease pursuant to one or more Mortgages, as defined below, to secure indebtedness, including, without limitation, one or more loans to finance construction of improvements and other development on the Premises, and including refinancings thereof, subject to the restrictions of Section 24.1.4.

24.1.3 Any such encumbrance, including leasehold deed of trust, is referred to as a "Mortgage" and the holder thereof a "Mortgagee." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. In no event shall any Mortgagee be responsible or liable for any claims against Lessee or any of Lessee's agents, employees, invitees, contractors or representatives for any death, injury, illness, damage to or loss of property (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease), or tort related claims. In no event shall any Mortgagee be liable for the actions or omissions of Lessee or Lessee's agents, representatives, employees, contractors, or invitees (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease). The Mortgagee shall not be responsible or liable for any default by Lessee under this Lease, except, and only, to the extent that such default continues for a period of THIRTY (30) days (or such additional time as is reasonably necessary for Mortgagee to cure such default, so long as Mortgagee is diligently pursuing action to cure the default) after (i) Mortgagee shall have obtained possession through a court-appointed receiver or ownership of the Premises, (ii) the Mortgagee shall have received written notice of such default at the same time that Lessor notifies Lessee of such default, (iii) any notice or cure period related to such default as provided in this Lease and in Section 24.2 and Section 24.3 below shall have elapsed without such default having been cured, and (iv) such default is reasonably capable

of being cured by the Mortgagee. No Mortgage shall encumber Lessor's interest in the Premises or Lessor's interest in the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

24.1.4 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary fee interest or the estate of Lessor in the Premises. No Mortgage or deed of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or deed of trust is authorized in accordance with provisions of this Section 24.

24.1.5 Notwithstanding anything to the contrary in this Section 24, Lessor shall have all rights and remedies under Section 11 with respect to any Event of Default that continues after expiration of all applicable notice and cure periods set forth in Section 11.1 and this Section 24.

24.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

24.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "Notices") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given seventy-two (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 24.2.1.

24.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

24.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 24.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

24.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession. If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 24, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

24.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

24.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee under this Lease to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, plus such additional time that is reasonably needed for Mortgagee to exercise Lessee's rights to cure any defaults subject to the following: (a) if the default cannot be cured by Mortgage, no additional time shall be allowed; (b) if the default can be cured by Mortgagee, such additional period of time shall not exceed SIX (6) months after Mortgagee's receipt of such Notice, unless a longer period of time is otherwise approved by Lessor in writing; (c) if curing the default requires that Mortgagee has possession through a court-appointed receiver or ownership

of the Premises, Mortgagee shall be diligently pursuing action to take possession through a court-appointed receiver or ownership of the Premises; and (d) Mortgagee shall not be entitled to more than TEN (10) days of additional time to cure any defaults in the payment of Base Rent. Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 24.2, or (ii) the date that Lessee's cure period expires under this Lease. During such Mortgagee cure period, Lessor will not terminate this Lease or disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the Premises or improvements for any reason, subject to the terms of this Lease, until such Mortgagee cure period has expired. The Mortgagees and their respective designees shall have the right to enter upon the Premises to give such performance.

24.3.2 In case of an Event of Default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such Event of Default cannot practicably be cured by the Mortgagee without taking possession or ownership of the Premises, in such Mortgagee's reasonable opinion, or if such Event of Default is not susceptible of being cured by the Mortgagee, then:

(a) The Mortgagee shall proceed diligently to obtain possession through a court-appointed receiver or ownership of the Premises, and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

(b) The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

(c) The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 24.3.2(a), or to continue to prosecute foreclosure proceedings pursuant to Section 24.3.2(b), if and when such Event of Default shall be cured.

(d) If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

24.4 New Lease

24.4.1 Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of the original Term of this Lease (plus any applicable Renewal Term if exercised), at the rent and upon the terms, covenants and conditions herein contained, provided that:

(a) Such Mortgagee shall make written request upon Lessor for the new lease within SIXTY (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

(b) Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all Base Rent payments, finance charges and late fees which would, at that time, be

due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of the preparation of such new lease;

(c) Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by the lessee under such new lease from and after full execution and delivery of such new lease, and shall within a reasonable period of time (not to exceed the time frames set forth in Section 24.3.1 above) after full execution and delivery of such new lease remedy any other conditions which Lessee under the terminated Lease was obligated to perform under its terms and did not perform, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

(d) The lessee under the new lease shall have the same rights, including the right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 24 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

24.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease pursuant to this Section 24.4, or to cure any default of Lessee referred to above.

24.4.3 If any Mortgagee shall request a new lease as provided in this Section 24.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

24.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

24.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, shall require the consent of Lessor or constitute a default or Event of Default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease from and after the date of such assumption.

25. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

26. RULES AND REGULATIONS.

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans*

with Disabilities Act), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **Exhibit D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's commercially reasonable discretion. Lessee shall, within a reasonable period of time, reasonably display to Lessor any permits or licenses required by law or other evidence of compliance with laws upon written request.

Lessor shall use commercially reasonable efforts to timely notify Lessee of any updates in the *Airport Rules and Regulations*, the *Airport Minimum Standards*, the *Aviation Fuel Storage, Dispensing and Handling Guidelines*, and the Airport *Fly Friendly Procedures*.

27. CORPORATE AUTHORIZATION.

In executing this Agreement, each of Lessor and Lessee represents and warrants to the other that if such Party is a corporation, or other legal entity, each Party has obtained and been granted the full right, power and authority to enter into this Lease.

28. UTILITY LINES AND SERVICE CHARGES.

28.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested to do so by Lessee from time to time during the Term, Lessor will grant reasonable easements and rights-of-way on or across the Airport for the development and use of the Premises (in accordance with this Lease), including, without limitation, to suppliers of public or private utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to reasonably designate the lands along which such easements and rights-of-way shall be granted so as to minimize the disruption of the operation of the Airport and other Airport tenants.

28.2 Lessee shall pay for all utilities, including trash collection, used in its operations at the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

28.3 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises (so long as Lessor's use does not interfere with or disrupt Lessee's use, occupancy, development and subleasing activities), and the right to repair the same when necessary in Lessor's reasonable discretion, including but not limited to, any utility easements on the Premises. Lessor agrees to coordinate any entries onto the Premises with Lessee. Lessor shall conduct such use and repairs in such a manner and at such times as to not interfere with Lessee's activities thereon.

29. RESERVATIONS TO LESSOR.

Subject to Lessor's representations, warranties and obligations, the Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. In advance consultation with Lessee, Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee,

and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises, that all work shall be in compliance with all applicable laws, including Environmental Law, and that the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Law of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to at a minimum the same conditions applicable to Lessor under this Section 29, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

30. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS.

30.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

30.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

30.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

30.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

30.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

30.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport. Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

30.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or

flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

30.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

30.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

30.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

30.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

30.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

30.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

30.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

31. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964.

31.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

31.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

31.2.1 Compliance with Regulations: Lessee will comply with the Title VI List of Pertinent

Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

31.2.2 Non-discrimination: Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

31.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

31.2.4 Information and Reports: Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

31.2.5 Sanctions for Noncompliance: In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or

(b) cancelling, terminating, or suspending the Lease, in whole or in part.

31.2.6 Incorporation of Provisions: Lessee will include the provisions subsections 31.2.1 through 31.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will act with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

31.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

31.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest

agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

31.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

32. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

33. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

34. INCORPORATION OF QUITCLAIM DEED.

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

34.1 That this Lease is subject to all terms and conditions of the Deed; and

34.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

35. REQUIRED PROVISIONS OF QUITCLAIM DEED.

35.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

35.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

35.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

35.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the

Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

35.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

36. AIRPORT SECURITY.

36.1 Airport Security Plan.

36.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

36.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

36.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

36.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

36.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

36.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

36.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

36.2 Airport Security Badge.

36.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

36.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the Lessor's Operations Department.

36.2.3 Lessee will promptly return badges to the Lessor's badging office when badge holders employment is terminated, the badge is no longer needed, or the employee/contractor is on extended leave.

36.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining, suspension or revocation of one or all misused badges.

37. DEFAULT BY LESSOR.

In the event of any alleged breach by Lessor of its covenants or duties contained in this Lease, Lessee shall have available all rights and remedies provided in contract, at law and/or in equity, provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to pursue a cure of such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder except as expressly permitted in this Lease.

38. BROKERS.

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

39. SALE BY LESSOR.

Lessee agrees to look solely to Lessor's interest in the Airport, including rents, issues, profits, proceeds, and awards for the recovery of any judgment against Lessor, it being agreed that the members, partners, officers, directors or shareholders of Lessor shall not be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

40. ESTOPPEL CERTIFICATE.

Each of Lessor and Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request from the other Party to do so, certify, by written instrument duly executed and acknowledged by such Party and certified to the other Party and to any prospective lender or purchaser/assignee: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of such Party's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (iv) as to whether this Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters relating to this Lease and the Premises as may be reasonably requested. The requesting Party and any prospective purchaser or lender

to whom the same was certified may rely upon any such certificate.

41. UNAVOIDABLE DELAY.

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) a delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under Article 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

42. MISCELLANEOUS.

42.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

42.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

42.3 Non-Waiver of Rights. No waiver or default by Lessor or Lessee of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by the other shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by such other Party, and neither Party shall be restricted from later enforcing any of the terms and conditions of this Lease.

42.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

42.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

42.6 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party

shall be entitled to recover its reasonable attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

42.7 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

42.8 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

42.9 Right of First Offer. Provided there is no existing Event of Default, Lessee shall have a right of first offer to lease the Premises and all Improvements thereon following the expiration of the Term (or Renewal Term, as applicable) in accordance with this Section. If Lessee is interested in leasing the Premises and all Vertical Improvements thereon at fair market rental rate following expiration of the Term (or Renewal Term, as applicable), Lessee shall provide written notice ("**Notice of Interest**") to Lessor of its interest not less than ONE (1) year prior the expiration of the Term (or Renewal Term, as applicable). Lessor shall advise Lessee within THIRTY (30) days after Lessor's receipt of the Notice of Interest if Lessor does not intend to lease (or market for lease) the Premises following expiration of the Term (or Renewal Term, as applicable). If Lessor intends to lease (or market for lease) the Premises, the Parties shall negotiate in good faith to agree on lease terms and conditions, including the fair market rental rate of the Premises and all Improvements thereon. If the Parties have not reached an agreement on the material terms of a lease (other than the fair market rental rate) within NINETY (90) days after Lessor's receipt of the Notice of Interest, neither party shall have any further right or obligation under this Section 42.9. If the Parties have reached an agreement on all material terms of a lease other than the fair market base rental rate within NINETY (90) days of Lessor's receipt of the Notice of Interest, then the Parties shall, within TEN (10) calendar days after the expiration of such NINETY (90)-day period, proceed to determine the fair market base rental rate with the appraisal process as set forth in Section 4.3.2. Upon determining the fair market base rental rate for the Premises, Lessor and Lessee shall promptly enter into a lease.

42.10 Memorandum of Lease. As of the Effective Date, or thereafter upon request from Lessee to Lessor, Lessor and Lessee agree to execute, acknowledge and deliver to one another a short form memorandum of lease for recording purposes in form and substance attached hereto as **Exhibit F**. In the event that such a memorandum of lease has been recorded, upon termination or expiration of this Lease, Lessee shall promptly execute such documents as reasonably requested by Lessor in recordable form to confirm the termination of this Lease.

42.11 Non-Disturbance. In the event that Lessor encumbers or liens any portion of the Premises, now or in the future, Lessor agrees to promptly (and in any event prior to the Effective Date in the event the Airport is encumbered as of such date) obtain for the benefit of Lessee and its leasehold lenders a commercially reasonable non-disturbance agreement (in form reasonably acceptable to Lessor, Lessee and Lessor's lenders) (an "**NDA**") stating that, among other provisions to be included in the NDA, provided no Event of Default has occurred and is continuing under this Lease, then this Lease shall not be terminated and the right of possession of Lessee to the Premises shall not be affected or disturbed in the exercise of any of its rights or remedies under such encumbrance or lien.

43. INCORPORATION OF RECITALS.

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

44. DECLARATION.

44.1 Subordination. The Premises is subject to and subordinate to that certain Declaration of Covenants, Conditions and Restrictions for Skybridge Arizona, dated July 31, 2019, recorded in the Official Records of Maricopa County, Arizona, as Instrument No. 20190580736 ("**Declaration**"). Lessee hereby agrees to fulfill and comply with its duties and obligations as a "Lessee" as defined under the Declaration, as such duties and obligations relate to the Premises.

44.2 Assessments and other Obligations. Lessee shall pay its "Proportionate Share" of "Common Area Assessments" in accordance with the Declaration. Such payment obligation shall constitute "additional rent" under this Lease. Lessee shall fulfill any other obligations it may have as a "Lessee" in accordance with the Declaration, as such other obligations relate to the Premises.

IN WITNESS WHEREOF, the Parties have executed this Lease as of the Effective Date.

LESSOR:

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, an Arizona joint powers airport authority

EXHIBIT C

AIRCRAFT OPERATIONS GUIDELINES

C1. Use of Airport. Lessee, Lessee's assigns, sublessees, or transferees who operate aircraft at the Airport and who are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **Exhibit C.**

C2. Fees. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight ("**MGLW**"). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current Airport Rates and Charges Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside the Premises. Such fees, if any, shall be payable to Lessor no later than the TWENTIETH (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee established in the *Airport Rates and Charges Schedule* for Lessee's non-exclusive use of other space not situated on or part of the Premises.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. Books and Records. Lessee shall maintain for not less than THIRTY-SIX (36) months books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records or copies thereof shall be made available to Lessor upon Lessor's written request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. Disabled or Abandoned Aircraft. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, promptly upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the Airport caused by such aircraft or removal within TEN (10) business days of demand therefor.

C5. Aviation Fuel. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines*.

C6. Fly Friendly Procedures. Lessee acknowledges receipt of Lessor's Fly Friendly noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

MEMORANDUM OF LEASE

This MEMORANDUM OF LEASE ("Memorandum"), is made and executed as of the 1st day of August 1 , 2022 (the "Effective Date"), by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Landlord**"), whose mailing address is Phoenix-Mesa Gateway Airport Authority, Attn: Business Development Department, 5835 South Sossaman Road, Mesa, Arizona 85212, and **SKYB LOT 109 LLC ,**, an Arizona limited liability company ("**Tenant**"), whose mailing address is 2415 E. Camelback Road, Suite 700, Phoenix, AZ 85016 .

RECITALS:

A. Landlord and Tenant entered into that certain Development Lease dated August 1, 2022 (the "Lease"), covering that certain real property legally described on Exhibit A attached hereto and incorporated herein by this reference (the "Leased Premises").

B. Landlord and Tenant have agreed to enter into this Memorandum for the purposes of providing record notice of the Lease, and to protect the rights and interests of Landlord and Tenant as to third parties. All capitalized terms not specifically defined herein shall have the meaning ascribed to such terms in the Lease.

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Lease and Premises. Subject to the covenants and conditions contained in the Lease, Landlord has leased to Tenant, and Tenant has leased from Landlord, the Leased Premises. Notice to the world is hereby given of the Lease and of the terms of the Lease.

2. Term. The term of the Lease commenced on August 1, 2022 and expires on July 31 , 2082, unless earlier terminated pursuant to the terms of the Lease.

3. Conflict. This Memorandum is prepared for the purpose of constructive notice and in no way modifies the provisions of the Lease. In the event of any conflict or any inconsistency between the terms and provisions of the Lease and the terms and provisions of this Memorandum, the terms and provisions of the Lease shall control.

4. Successors and Assigns. This Memorandum shall be binding upon and inure to the benefit of the parties and their permitted successors and assigns.

5. Counterparts. This Memorandum may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document, provided that all parties are furnished a copy thereof reflecting the signature of all parties.

(*Signatures appear on the following page*.)

IN WITNESS WHEREOF, the parties hereto have duly executed this Memorandum as of the Effective Date set forth above.

Board Action Item

Re: Resolution 22-49

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: SkyBridge Arizona – Lot 108 Adjustment Amendment & Development Lease
Date: July 19, 2022

Proposed Motion

To authorize a Development Lease with SkyB Lot 108 LLC, an Arizona limited liability company, for 13.8609 acres located within the SkyBridge Arizona project identified as Lot 108. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 108 from the Master Lease Agreement.

Narrative

The Phoenix-Mesa Gateway Airport Authority ("PMGAA") and Mesa SkyBridge, LLC ("SkyBridge") entered into a Master Lease Agreement on April 1, 2018 for the approximately 360-acres located at the southeast corner of Sossaman Road and Velocity Way ("Property"). The Master Lease transferred leasehold control of the Property to SkyBridge but did not convey vertical development rights. As part of the Master Lease, PMGAA and SkyBridge agreed to "spin out" property from the Master Lease into Development Leases as projects became ready for vertical development.

SkyBridge has proposed to build an approximately 250,000 SF light industrial building. Lot 108 is approximately 603,778.9 SF and has been identified as a non-aeronautical parcel. The proposed development is compliant with the SkyBridge Arizona Master Plan. The attached Adjustment Amendment will formally remove Lot 108 from the Master Lease and allow Lot 108 to be included in the proposed Development Lease.

Agreement Term and Rate

The Lot 108 Development Lease proposes a lease term of SIXTY (60) years with ONE (1) renewal options of FIFTEEN (15) years. The Base Rent for Lot 108 will be $0.00 annually for the first TWO (2) years and $60,377.89 annually starting on the Third (3rd) anniversary of the Effective Date subject to Base Rent Adjustments and Market Adjustments as stipulated in the Development Lease.

Attachment(s)

Lot 108 Development Lease
Master Lease Adjustment Amendment #10

RESOLUTION NO. 22-49

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Development Lease with SkyB Lot 108 LLC, an Arizona limited liability company, for 13.8609 acres located within the SkyBridge Arizona project identified as Lot 108. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 108 from the Master Lease Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a Development Lease with SkyB Lot 108 LLC, an Arizona limited liability company, for 13.8609 acres located within the SkyBridge Arizona project identified as Lot 108. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 108 from the Master Lease Agreement. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 19th day of July, 2022.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

ADJUSTMENT AMENDMENT TO MASTER LEASE

Development Parcel for Lot 108, SkyB Lot 108 LLC, an Arizona limited liability company

THIS ADJUSTMENT AMENDMENT TO MASTER LEASE ("**Amendment**") is made as of the 1st day of August, 2022, by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **MESA SKYBRIDGE LLC**, an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Master Lease dated April 1, 2018 ("**Lease**") covering certain property commonly known as Gateway Aerospace Park at the Phoenix-Mesa Gateway Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Property**."

B. The Parties desire to modify the Lease to remove Development Parcel Lot 108 from the Property in accordance with Section 2.1.4 of the Lease.

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. Property Adjustment. Lot 108, as described in Exhibit A, is hereby removed from the Lease and from the Rentable Premises. As of the date of this Amendment, after removing Lot 108 from the Lease, the Rentable Premises is 13,147,112.34 square feet.

4. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of

this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

Phoenix-Mesa Gateway Airport Authority
DEVELOPMENT LEASE

a Non-Aeronautical Development Parcel for Lot 108

This Development Lease ("**Lease**") is executed to be effective the FIRST (1st) day of August 2022 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **SKYB LOT 108 LLC** , an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

B. Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

C. Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport known as Lot 108 on the Master Plan containing approximately 603,778.90 square feet of land, as set forth in **Exhibit A** attached hereto ("**Premises**");

D. The Premises is identified in the Master Plan and the Airport Layout Plan as a Non-Aeronautical Development Parcel; and

E. Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE.

Lessor hereby leases the Premises to Lessee, subject to all easements, deed restrictions and other similar matters of record in the Official Records of Maricopa County, Arizona, that encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions expressly set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specially acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any

particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense, subject to Lessor's duty to cooperate with Lessee (at no or nominal cost to Lessor) in connection with such activities and undertakings.

1.2 Intentionally Omitted.

1.3 Access. Lessee is granted the right of access to and from the Premises via such portions of the Airport as are or may be reasonably necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport, provided that Lessor reserves the right to limit access to the Premises in emergencies and in connection with Lessor's construction activities on the Airport, so long as Lessor provides Lessee with reasonable advance written notice of any limitations on Lessee's access to the Premises due to Lessor's construction activities, and Lessor and Lessee coordinate such construction activities and cooperate one with the other to minimize any interference with, or disruption of, Lessee's business activities. Lessor reserves the right to designate the location of such alternative access due to emergencies and Lessor's construction activities, and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for commercial Light Industrial applications as per current Zoning and Master Plan, including light manufacturing and assembly, , general office, and other uses relating or incidental thereto and for no other use. Lessee shall not use any portion of the Premises for a Prohibited Use, which Prohibited Uses are set forth on **Exhibit E**. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use, or permit its agents, employees or contractors acting for or on behalf of Lessee in connection with their scope of employment to use, the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director or other authorized signatory of Lessor.

Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises, Lessee shall designate an on-site manager for the Term of this Lease who shall generally be available to Lessor and Lessee's customers, if any, during Lessee's normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable. Lessee may change Lessee's on-site manager from time to time.

1.7 Lessee Acknowledgement. Lessee acknowledges that, except as otherwise provided in this Lease, its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to

enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM.

2.1 Initial Term. The term of this Lease shall be for a period of SIXTY (60) years, commencing on the Effective Date and terminating on JULY 31, 2082 ("**Term**").

2.2 Renewal Term(s). Provided that no Event of Default shall have occurred and is continuing, Lessee shall have the right and option ("Renewal Option") to extend the Term of this Lease for a period of FIFTEEN (15) years ("Renewal Term"). If Lessee elects to exercise Lessee's Renewal Option, Lessee shall notify Lessor in writing of such exercise at least one (1) year prior to the expiration of the initial 60-year Term. At the commencement of the Renewal Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market base rental rate as determined herein, subject to the triennial CPI Adjustments set forth in Section 4.2 below, which CPI Adjustment shall first be made on the first day of the calendar month following the THIRD (3rd) anniversary of the Renewal Term, and thereafter on each THREE (3) year anniversary thereof. Lessor shall determine the fair market base rental rate for the Premises for the commencement of the Renewal Term and shall notify Lessee of Lessor's determination no later than SIXTY (60) calendar days after Lessor's receipt of Lessee's exercise of Lessee's Renewal Option. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities in the Metropolitan Phoenix area, and also take into consideration the differences between the Airport and other regional, national and international airport facilities in the Metropolitan Phoenix area. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days after the expiration of such 15-business day period, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rental rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of a qualified appraiser. The president of the Board of Realtors shall be asked to select a qualified appraiser within FIFTEEN (15) business days who has not acted in any capacity for either Party within the prior TEN (10) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all relevant information. Within TWENTY (20) business days of the selected qualified appraiser's receipt of the Parties' respective determinations, the appraiser shall review each Parties' submittal (and such other information as the appraiser deemed necessary) and select on Parties' determination as representing the most reasonable approximation of such fair market base rental. The appraiser's fees and expenses shall be paid one half by each Party. Upon determining the Base Rent for the Premises at the commencement of the Renewal Term, Lessor and Lessee will promptly enter into an amendment to this Lease to memorialize the Renewal Terms and the Base Rent. All other terms of this Lease apply during the Renewal Term.

3. NONEXCLUSIVE RIGHTS.

Lessee shall have the exclusive right to lease, use, occupy and develop the Premises in compliance with the terms and conditions of this Lease during the Term. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all

business activities at the Airport (other than on the Premises) that Lessor deems appropriate, provided that such activities do not limit, prevent, materially interfere with, or prevent or disrupt the use and development of the Premises by Lessee.

4. RENT.

4.1 Base Rent. Lessee agrees to pay Lessor annual rental ("Base Rent") for the use of the Premises as follows:

4.1.1 Subject to Section 4.4 below, commencing on the Effective Date through the end of the SECOND (2nd) Lease Year, Base Rent shall be $0.00 per square foot of the Premises per year.

4.1.2 Commencing on August 1, 2024, through March 31, 2048, Base Rent shall be $0.10 per square foot of the Premises per year, subject to the triennial CPI Adjustment set forth in Section 4.2 below.

4.1.3 Commencing on April 1, 2048, through the end of the Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market value as determined in accordance with Section 4.3 below, subject to the triennial CPI Adjustments set forth in Section 4.2 below.

4.2 Base Rent Adjustments. Commencing on the SIXTH (6th) anniversary of the Effective Date and continuing thereafter on every THREE (3) year anniversary of the Effective Date of this Lease, the annual Base Rent paid by Lessee shall be adjusted (whether increased or decreased) by a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) changed during the immediately preceding THIRTY-SIX (36) month period ending NINETY (90) days prior to the end of the adjustment period during the Term hereof ("**CPI Adjustment**"). For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI. Lessor agrees to promptly notify Lessee of any CPI Adjustment (and in any event at least THIRTY (30) days prior to any adjustment in Base Rent payments as a result of any CPI Adjustment), and to provide Lessee with a reasonably-detailed description of Lessor's calculations of any CPI Adjustment and any adjustment in Base Rent payments.

4.3 Market Adjustments to Base Rent.

4.3.1 Notwithstanding the Base Rent increases referenced in Section 4.2, on: (a) April 1, 2048 and (b) each subsequent TEN (10) year anniversary of April 1, 2048, the annual Base Rent shall be adjusted (each, a "**Market Adjustment Date**") as hereinafter set forth in this Section. On each such Market Adjustment Date, the Base Rent shall be adjusted to the fair market base rental rate of the Premises, in relation to comparable (in quality, size, and value) airport-related facilities.

4.3.2 Lessor's determination of such fair market base rental rate for the Premises shall be delivered to Lessee no later than ONE HUNDRED TWENTY (120) calendar days prior to the Market Adjustment Date. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days thereafter, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an

appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of an appraiser. The president of the Board of Realtors shall, within FIFTEEN (15) business days, select an appraiser with the above qualifications who has not acted in any capacity for either Party within the prior FIVE (5) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all substantiated information. Within TWENTY (20) business days thereafter, the appraiser shall review each Party's submittal (and such other information as the appraiser deems necessary) and shall select one Party's submittal as representing the most reasonable approximation of such fair market base rental rate, and the appraiser's fees and expenses shall be paid one-half each by each Party.

4.4 Vacancy Relief Periods. Provided no Event of Default shall have occurred and is continuing, Lessee shall have the continuing option to exercise up to TWO (2) Vacancy Relief Periods of up to TWELVE (12) months for each Vacancy Relief Period during any period of time that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. Lessee may initiate a Vacancy Relief Period by giving written notice ("**Vacancy Relief Notice**") to Lessor of its desire to do so. Lessee's use and occupancy of the Premises shall not be taken into consideration in determining whether the Improvements are vacant, unless Lessee is actively conducting Lessee's business activities for a Permitted Use within such Improvements. An office maintained by Lessee in the Premises for the purpose of marketing and subleasing the Premises shall not be considered as Lessee actively conducting Lessee's business activities. The Vacancy Relief Notice shall identify the starting date and ending date for the Vacancy Relief Period (not to exceed TWELVE (12) months), and Lessee shall provide, simultaneously with each Vacancy Relief Notice, evidence reasonably satisfactory to Lessor that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. During a Vacancy Relief Period, Lessee shall be entitled to pay a reduced Base Rent equal to FIFTY PERCENT (50%) of the Base Rent that would otherwise be applicable during such time. A Vacancy Relief Period shall terminate on the earlier of (a) the expiration of the TWELVE (12)-month period identified in the Vacancy Relief Notice, or (b) the date on which FIFTY-ONE PERCENT (51%) of the occupiable Improvements on the Premises are occupied, evidenced by executed subleases. Upon expiration of the Vacancy Relief Period, Lessee shall resume paying full Base Rent.

4.5 Construction Rent Period. A modified base rent for a construction period during the first TWO (2) Lease years ("**Construction Base Rent Period**") has been granted to Lessee as additional consideration for entering into this Lease and agreeing to pay the Base Rent and all other charges hereunder, and to perform the terms and provisions otherwise required under this Lease. If an Event of Default by Lessee occurs, which is not cured within the applicable cure period, in addition to all other rights and remedies of Lessor provided by law, equity, statute or otherwise provided in this Lease, at Lessor's option in its sole and absolute discretion, (i) if the Event of Default occurs within the Construction Base Rent Period, Lessee shall commence paying the full Base Rent at the rate of $0.10 per square foot per year for the balance of the Construction Base Rent Period, and (ii) if an Event of Default by Lessee occurs during the initial Term, which is not cured within the applicable cure period, Lessee shall immediately pay to Lessor an amount equal to the unamortized portion of Base Rent at the rate of $0.10 per square foot per year during the Construction Base Rent Period, which Lessor shall amortize over the initial Term on a straight-line basis.

4.6 Payment.

4.6.1 Base Rent shall be payable in equal monthly installments, in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer. Base Rent and any other charges due for any period during the Term less than ONE (1) calendar month shall be prorated on a daily basis based on a THREE HUNDRED SIXTY-FIVE (365) day year.

4.6.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a

payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.6.3 All payments (and reports, if any) required by this Section 4.6 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in advance in writing by Lessor to Lessee.

4.7 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.8 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any Base Rent payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes.

4.9 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

4.10 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* is included as **Exhibit B** and is subject to change upon prior notice to Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* at any time at Lessor's sole discretion, and that no fee shall apply to the use or occupancy of the Premises or access to and from the Premises.

5. PERFORMANCE GUARANTEE; CONSTRUCTION ESCROW.

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equal to TWO (2) months' worth of Base Rent payments as of the Effective Date of this Lease, TEN THOUSAND SIXTY-TWO and 98/100 ($10,062.98) as a security deposit ("**Security Deposit**") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, upon the occurrence of an Event of Default, at the election of Lessor, may be applied to any actual loss and/or actual damage sustained by Lessor by reason of the occurrence of such Event of Default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor

immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination or expiration, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Improvement Construction Guarantee .

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with the construction, by providing, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. S 33-1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the State of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. S 33-1003, and a copy of the bond provided to the Lessor; or

(b) Letter of Credit Such instrument (**"Letter of Credit"**) shall be irrevocable, in the amount equal to the total amount of the construction contract(s) for the construction of the improvements (described in Section 7 herein) plus TEN PERCENT (10%) of such amount (**Improvement Costs"**) and should be issued to Lessee by a financial institution (**"Bank"**) reasonably acceptable to the Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date with is TWENTY-FOUR (24) months thereafter, after which the date it shall be renewed on a year-to-year basis until construction of such improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include reasonably-detailed description of the Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to the Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 **Performance Guarantee.** In addition to the Security Deposit, Lessee's obligation to timely complete the improvements described in Section 7 herein shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) **Performance Bond.** Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to the Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) **Completion Bond.** Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7.1 of this Lease if an Event of Default occurs and is continuing under Section 7.2.2 of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRCRAFT OPERATIONS GUIDELINES.

If and to the extent that Lessee operates aircraft at or on the Airport, Lessee shall be subject to the provisions of **Exhibit C**. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises for or on behalf of Lessee and acting within the scope of their employment operates aircraft at the Airport, all shall be subject to the provisions of **Exhibit C**, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS.

7.1 Construction by Lessee. Lessee shall, at its sole cost and expense, construct improvements on the Premises that are generally described as an approximately 250,000 square foot industrial building and associated parking and site improvements within the eighteen (18) month construction time frame. and generally shall consist an approximate budget of $26,500,000 for the Work ("**Improvements**") in accordance with a site plan prepared by Lessee and approved by Lessor or by Lessor's Design Review Committee, if any, such approval not to be unreasonably withheld, conditioned, or delayed, and in compliance with all applicable governmental regulations, restrictions, building codes and any declaration of covenants, conditions, restrictions and easements of record affecting the Premises and any design guidelines promulgated pursuant thereto that are applicable to the Premises. Lessor and Lessee agree that Lessee shall be solely responsible for: (i) any connection(s) between the Premises and the terminating point of the existing vehicular access way to the Premises that is required by applicable or utility provider or is requested by Lessee; (ii) constructing all improvements necessary to bring all utilities to the Improvements; (iii) installing all utility meters and water and sewer lines to service all Improvements constructed on the Premises; and (iv) if applicable, constructing all Improvements necessary to connect the Premises to existing taxiways or taxilanes in accordance with and if allowable under all Airport and FAA rules, regulations and other requirements.

7.2 Construction Milestones; Termination. Lessee shall construct its Improvements pursuant to the following schedule (each of which events are herein called a "**Construction Milestone**"):

7.2.1 Lessee shall submit its Improvement design plans to Lessor for review and approval

no later than TWO (2) months from the Effective Date.

7.2.2 Lessee shall complete construction of all Improvements to be constructed by the Lessee at and on the Premises and shall have obtained a CofO (or its equivalent) from the City of Mesa therefor, no later than EIGHTEEN (18) months from the Effective Date.

7.2.3 If Lessee fails to commence construction within NINETY (90) calendar days after the issuance of all necessary construction permits and receipt of all approvals required for such, including any approvals required from the FAA, but subject to any applicable notice and cure periods provided for in Section 11, Lessor shall have the right to terminate this Lease by written notice to Lessee delivered at any time prior to commencement of construction. For purposes of this section "commencement of construction" shall be the date on which Lessee has obtained it permits, has executed a contract for construction of the Improvements and engaged in material work, such as grading or pouring of footings and slabs.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld, conditioned, or delayed including, if and to the extent applicable, the approval by Lessor's Design Review Committee. The process of approving any material improvements or alterations by Lessor and Lessor's Design Review Committee shall occur within the same period of time (without duplication) given to Lessor for approval of the same. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of material improvements or alterations to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of material improvements or alterations, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED IMPROVEMENTS AND ALTERATIONS BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed improvements and alterations shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised description of the improvements or alterations for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's written request therefor, a quitclaim deed quitclaiming such Improvements and alterations to Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction of the Improvements shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use, as required by applicable laws. Lessee shall

provide to Lessor a contemporaneous copy of Lessee's permit application and a copy of the final stamped approval and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises. In the event that all or any portion Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources. Notwithstanding the foregoing, if any damage or destruction occurs to the Premises during the last 5 years of the Initial Term or any Extension Term and the cost to repair the damage exceeds 65% of the total replacement cost, Lessee may terminate this Lease upon giving Lessor thirty (30) days' written notice, whereupon Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE.

8.1 Lessee Responsibilities. Lessee shall, at its sole cost and expense, keep the Premises in a clean condition and in good order, condition and repair throughout the Term, reasonable wear and tear excepted. Lessee's maintenance of the Premises shall consist of, as reasonably necessary, the inspection, servicing and repair of all improvements, including pest control, landscaping and grounds maintenance.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee (or its agents, contractors, employees, managers and representatives) as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the reasonable satisfaction of Lessor; provided however, that Lessor acknowledges and agrees that Lessor's real property will be permanently altered, changed and modified as a result of the development and use of the Premises, and Lessor hereby consents thereto, and agrees that such development and use of the Premises as permitted in accordance with this Lease shall not constitute waste, damage or destruction to Lessor's real property. Lessor also approves of Lessee demolishing any and all improvements located on or under the Premises.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a clean, safe, sanitary and orderly condition and shall keep such area reasonably free of all trash and debris, and in any event in compliance with all applicable laws and ordinances. Lessee shall be responsible for all trash removal from the Premises and Lessee shall deposit all trash and debris only at collection stations located on or in proximity to the Premises, in accordance with City code.

8.4 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS.

9.1 Assignment.

9.1.1 Consent Required. Subject to Lessee's rights under Section 24, Liens and Mortgages, Lessee may not transfer or assign ("**Transfer**") its interest in this Lease or any right or interest hereunder without the prior consent of Lessor, which consent may not be unreasonably withheld, delayed or conditioned. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the

manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed Transfer shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Notwithstanding the foregoing, however, Lessee may assign or encumber its leasehold interest, including any title to any improvements, as security in conjunction with or as part of one or more leasehold mortgages or deeds of trust, including assignments by means of a foreclosures or trustee's sales thereunder without Lessor's consent. In the case of an assignment (other than an assignment or encumbrance as security), the assignee must expressly assume in writing all of Lessee's obligations under this Lease from and after the date of such assignment.

9.1.2 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) the transfer of any ownership interest in Lessee resulting in a change in the present control of Lessee by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; and (ii) the sale of greater than FORTY-NINE PERCENT (49%) or more in value of the assets of Lessee, whether in a single transaction or a series of transactions.

9.2 Subletting.

9.2.1 Lessee may sublease all or portions of the Premises if the following conditions are met:

(a) The sublease and any amendments or modifications thereto are approved in advance and in writing by Lessor (which approval shall not be unreasonably withheld, delayed or conditioned), or is/are in a form which shall have been previously approved in writing (except for changes that do not materially impact Lessor's rights and interests) by Lessor. If a pre-approved form is used, Lessor's advance approval of the actual sublease and any amendments or modifications thereto is not required. Lessor will have FORTY-FIVE (45) days with respect to a new sublease, or FIFTEEN (15) days with respect to amendments or modifications to a sublease, following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day or FIFTEEN (15)-day period, as the case may be, Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed sublease, amendment or modification, as the case may be, shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same.

(b) Rent for subleased premises shall not be less than fair market value unless otherwise approved in writing by Lessor.

(c) The sublease(s) and sublessee(s) shall at all times be subject to the terms and conditions of this Lease.

(d) The permitted uses of the Premises under any sublease shall be the same as that permitted under this Lease. Sublessees shall agree in the sublease not to engage in any Prohibited Use.

(e) The term of any sublease shall not extend beyond the stated expiration of this Lease.

(f) Except for the payment of a security deposit, the sublessee under such sublease shall not pay rent more than SIX (6) months in advance of its due date under the sublease.

9.2.2 Upon request from Lessee and/or any sublessee, Lessor shall enter into a Non-Disturbance and Attornment Agreement (in form and substance reasonably acceptable to Lessor, Lessee, sublessee and any applicable Mortgagee of Lessee or sublessee) so long as (i) the conditions of Section 9.2.1 have been met; (ii) the sublessee is not then in default beyond an applicable notice and cure period under the sublease and there is no existing Event of Default under this Lease; and (iii) the sublessee does not have a history of five (5) or more documented events of noncompliance with the *Airport Rules and Regulations* or *Airport Minimum Standards*. All reasonable legal fees incurred by Lessor in connection with any reasonably necessary third-party legal counsel review and approval of a Non-Disturbance and Attornment Agreement shall be paid by Lessee or sublessee.

9.2.3 Lessee shall not permit any sublessee unescorted access to the secured areas of the Airport unless and until the sublessee has obtained its own valid Airport security clearance and access credentials from Lessor. Lessee acknowledges that it may take THIRTY (30) calendar days or more to process sublessee for security clearance and access credentials.

9.2.4 Lessee shall submit a copy of each fully executed sublease to Lessor as soon as possible, but no later than FIVE (5) business days after Lessee receives the fully executed sublease.

9.3 Non-Disturbance. Lessor agrees, for the benefit of all subtenants of all or any part of the Premises, that if this Lease or Lessee's right to possession of the Premises is terminated for default or otherwise, all subleases of all or any part of the Premises, except any sublease to an Affiliate of Lessee, shall continue in full force and effect, notwithstanding the termination, as direct leases between Lessor and the subtenants and all such subtenants shall, upon request, attorn in writing to Lessor.

10. SIGNS.

Lessee may install on the Premises, including the Improvements, one or more signs, including signs identifying its business and, if Lessee so desires, a monument sign on the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessee's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation, which approval may not be unreasonably withheld, conditioned or delayed, and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR.

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease or failure to perform any of its obligations as a "Lessee" under the Declaration (as defined in Section 44 below), as such obligations relate to the Premises, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien or any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee in violation of Section 9, provided that Lessee does not cancel or otherwise negate such Transfer or attempted transfer within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default.

11.1.5 Failure to pay its Proportionate Share of any Common Area Assessment in accordance with the Declaration as provided in Section 44 below, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor to Lessee of a written notice of such failure.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

Lessor agrees that Lessor's right to re-enter the Premises under Arizona Revised Statutes Section 33-361 and other similar rights shall arise after, and only after, the applicable notice and cure or grace periods under this Lease have been given and expired without such default or failure having been cured by Lessee.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Except for Lessor's negligence or willful misconduct, Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and Lessee shall reimburse Lessor for all reasonable costs incurred by Lessor occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all actual damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the present value of Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the

amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect. In no event shall Lessee be liable for punitive, consequential or speculative damages under this Lease. Lessor agrees to satisfy its obligations to mitigate its damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus
(b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other actual damages incurred by Lessor as a result of such Event of Default.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it reasonably describes the nature of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. [RESERVED].

13. INDEMNIFICATION.

13.1 Lessee's Indemnity. Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13.1 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Property or the Airport and which result directly or indirectly in the injury to or death of

any persons or the damage to or loss of any property or other damages or losses to Lessor, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

13.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 13.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 13.2) on the Property or the Airport, and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessee, or (ii) the failure of Lessor to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

13.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any Improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors, and Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

14. ENVIRONMENTAL PROTECTION.

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws*. The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Resource Conservation and Recovery Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; the *Arizona Hazardous Waste Management Act*, A.R.S. Section 49-921 et seq. the *Arizona Environmental Quality Act*, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material*. The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

14.2 [Intentionally Omitted].

14.3 Environmental Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Law.

14.3.3 If Lessee desires and receives written authorization from Lessor to install any underground storage tanks ("**USTs**") on the Premises or elsewhere on the Airport, Lessee shall submit the plans for such USTs to Lessor for prior written approval and shall comply with all applicable Environmental Laws related thereto, including Title 40, Code of Federal Regulations, Part 280, as adopted by the State of Arizona ("**Part 280**"), and Lessee shall be the owner of such USTs for statutory purposes. Installation of USTs shall comply with the "code of practice" set forth in Part 280. Lessee is solely responsible for the design, construction, installation, operation, monitoring, inspection, repair and maintenance of any and all USTs, including any connected piping and/or dispensing apparatus. Lessee shall provide to Lessor a copy of the Arizona Department of Environmental Quality *Notification of Underground Storage Tank Registration* that Lessee submits to the state. All USTs shall meet or exceed the tank performance standard for USTs installed after December 22, 1998, including corrosion protection, leak detection and spill/overflow protection. Any UST that stores flammable and combustible liquids shall meet the provisions of NFPA 30, *Flammable and Combustible Liquids Code*. Records demonstrating compliance with release detection requirements, including product inventories, calibration and maintenance, sampling, tightness testing and any other records, fees and taxes required by the state or federal governments shall be the responsibility of Lessee. Upon the expiration of this Lease, Lessee shall remove all USTs in compliance with all UST closure requirements under all applicable Environmental Laws in effect at that time unless otherwise allowed by Lessor.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any

kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing.

14.7.1 Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than ONE HUNDRED EIGHTY (180) calendar days to resolve.

14.7.2 Lessee shall install on any UST that it is permitted to install pursuant to Section 14.3.3, a method or a combination of methods for Release detection that can detect a Release from any portion of the UST and any connected underground piping. Lessee shall immediately notify Lessor's Operations and Maintenance Department upon discovering a Release or Suspected Release of any amount of material that is stored inside a UST. For purposes of this Section, a "Suspected Release" is any discovery of released Hazardous Material at the UST site or surrounding area, erratic behavior of Hazardous Material dispensing equipment, the sudden loss of a Hazardous Material, an unexplained presence of water in the UST, or when monitoring indicates that a Release has occurred. In the case of inventory control, Lessee shall notify the Lessor's Operations and Maintenance Department when the second consecutive month of inventory reconciliation data

indicates that there is a discrepancy in the figures recorded.

14.8 Sublease. Lessee shall insert provisions substantially identical to the provisions of this Section 13.1 in any sublease agreement or contract by which it grants a right or privilege to any person, firm, corporation or other entity under this Lease.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 13.1 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Environmental Assessments.

14.11.1 If, during the Term of this Lease, any of Lessee's USTs are suspected of or known to be leaking, Lessee shall perform, or cause to be performed, a site characterization of the Premises and/or UST site using all appropriate sections of the LUST Site Characterization Manual dated January 15, 1999, or the most current edition, including tables 1 through 6, as applicable ("**Site Characterization**").

14.11.2 Within THIRTY (30) calendar days immediately preceding the expiration of this Lease or within THIRTY (30) calendar days of any earlier termination of the Lease, Lessee shall:

(a) Deliver to Lessor: (i) a Phase I environmental site assessment that conforms to the standards set forth in 42 USC § 9601(35)(B), as amended by Pub. L. 107-118 (Jan. 11, 2002), section 223(2), and as may be further amended, and any regulations thereunder; and (ii) an environmental compliance audit assessing the status of regulatory compliance of the Premises and all operations and activities thereon; both prepared by a qualified engineer licensed by the State of Arizona; and

(b) In the event Lessee installs any USTs upon the Premises or elsewhere on the Airport, perform or cause to be performed a Site Characterization of the Premises in the event there is evidence that there has been or may be a leak or Release of the UST contents; and

(c) If either the assessment described in Section 14.11.2(a)(i) above or the Site Characterization described in Section 14.11.2(a)(ii) above identifies any "recognized environmental condition," or any other condition indicating a known or potential liability, including, but not limited to, a known or potential violation of any Environmental Law or a past, present, or material threat of a future release of a hazardous substance or a petroleum product into the environment, Lessor reserves the right, at Lessor's sole discretion, to require Lessee to conduct, at Lessee's sole expense and with a scope of work subject to Lessor's approval, further reasonable investigations and reasonable remediation.

14.12 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so

requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.13 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.14 U.S. Air Force Use and Remedial Action.

14.14.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "Occupation" or "Use" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.14.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.15 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any

inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.16 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Archeological Coordinator prior to the date that Lessee commences any manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting fire-fighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.17 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor, except to the extent that the installation of a monitoring well is required by Governmental Authorities.

14.18 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.19 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "**Later-Discovered, Pre- Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within SEVEN (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS.

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the permitting authority and obtain a permit or waivers under Section 404 of the Clean Water Act. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS.

16.1 Lessee shall comply with all applicable Federal, State, and local occupational safety and health regulations.

16.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

17. INSURANCE.

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Builders Risk* insurance covering the insured's premises and all replacements and/or additions thereto for their full insurable value plus ten percent (Cost + 10%) on a "replacement cost" basis with an ISO Special Causes of Loss form or equivalent required until completion of construction of the improvements upon the Premises. Builder's Risk Insurance shall be in place during active construction of the Improvements. Lessor agrees that Builder's Risk Insurance shall be, upon acceptance of the Improvements by the City of Mesa and/or occupancy of the Improvements for the intended use, no longer required in the form of Builder's Risk Insurance and shall be replaced by Lessor's General Liability and Property coverage as placed upon completion of the construction of the Improvements. Lessor agrees to perform this transition without any lapse or gap in coverage.

17.1.2 *Comprehensive General Liability* $5,000,000 per occurrence covering third party bodily injury and property damage on an occurrence basis in an amount not less than, including coverage for "premises/operations", "products and completed operations", "professional", "host liquor" and "blanket contractual liabilities".

17.1.3 *Commercial Auto Liability* - $1,000,000 per occurrence covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of commercial activities. If any hazardous materials are transported with Airport boundaries in conjunction with the operator's business activities, and MSC-90 Endorsement is required.

17.1.4 *Environmental Coverage* $2,000,000 per occurrence. – covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, pining, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained at the Airport, and including expenses for defense, release mitigation and off-and on-site remediation.

17.1.5 *Personal Property Coverage* – covers all essential personal property (property essential to continued business operations) and all operator improvements made to buildings or facilities on the Airport, including all replacements and./or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires and ISO Special Cause of Loss form. Coverage shall be for risks of direct physical loss or damage, including the perils of Equipment Breakdown/Boiler & Machinery, Flood and Earth Movement. The limit shall be equivalent to at least full replacement cost value of personal property & improvements. Coverage shall be on a replacement cost basis. If there is a coinsurance provision, it shall be waived by an Agreed Amount endorsement. Lessee's policy shall name Lessor as Loss Payee as their interest may appear.

17.1.6 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation and Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver to Lessor a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the Term of this Lease.

17.4 Additional Insurance. At any time during the Term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear, casualty (subject to Lessee's obligation under Section 7.7) and condemnation. Lessee shall not be responsible for the removal or remediation of any Hazardous Material that was present on, under or near the Premises prior to occupancy, regardless of the date of discovery of such Hazardous Material, and shall not be responsible for returning the Premises in a better condition than existed on the Effective Date, except as expressly provided hereunder. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required in a written notice to Lessee from Lessor at the time of Lessor's approval of the same, be removed from the Premises by Lessee, at Lessee's expense, within FIFTEEN (15) business days after Lease termination.

Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee solely as a result of Lessee's holding over.

19. INSPECTION BY LESSOR.

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

20. NOTICES.

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: SkyB Lot 108 LLC
Attn.: Felipe Monroy Torres
2415 E. Camelback Road, Suite 700
Phoenix, AZ 85016

With a required copy to: Warner Angle Hallam Jackson & Formanek PLC
Attention: James Valletta
2555 E. Camelback Road, Suite 800
Phoenix, AZ 85016-9256

20.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY.

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

22. SALES AND PROPERTY TAXES.

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor as a result thereof. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

23. APPROVALS, CONSENTS AND NOTICES.

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

24. LIENS AND MORTGAGES.

24.1 General Provisions.

24.1.1 Except as provided in this Section 24, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

24.1.2 Notwithstanding anything to the contrary in this Lease to the contrary, Lessee shall, during the Term, be permitted to pledge Lessee's ownership interests and/or mortgage, collaterally assign, or otherwise encumber its leasehold interest (including any interest in the improvements) under this Lease pursuant to one or more Mortgages, as defined below, to secure indebtedness, including, without limitation, one or more loans to finance construction of improvements and other development on the Premises, and including refinancings thereof, subject to the restrictions of Section 24.1.4.

24.1.3 Any such encumbrance, including leasehold deed of trust, is referred to as a "Mortgage" and the holder thereof a "Mortgagee." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. In no event shall any Mortgagee be responsible or liable for any claims against Lessee or any of Lessee's agents, employees, invitees, contractors or representatives for any death, injury, illness, damage to or loss of property (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease), or tort related claims. In no event shall any Mortgagee be liable for the actions or omissions of Lessee or Lessee's agents, representatives, employees, contractors, or invitees (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease). The Mortgagee shall not be responsible or liable for any default by Lessee under this Lease, except, and only, to the extent that such default continues for a period of THIRTY (30) days (or such additional time as is reasonably necessary for Mortgagee to cure such default, so long as Mortgagee is diligently pursuing action to cure the default) after (i) Mortgagee shall have obtained possession through a court-appointed receiver or ownership of the Premises, (ii) the Mortgagee shall have received written notice of such default at the same time that Lessor notifies Lessee of such default,

(iii) any notice or cure period related to such default as provided in this Lease and in Section 24.2 and Section 24.3 below shall have elapsed without such default having been cured, and (iv) such default is reasonably capable of being cured by the Mortgagee. No Mortgage shall encumber Lessor's interest in the Premises or Lessor's interest in the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

24.1.4 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary fee interest or the estate of Lessor in the Premises. No Mortgage or deed of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or deed of trust is authorized in accordance with provisions of this Section 24.

24.1.5 Notwithstanding anything to the contrary in this Section 24, Lessor shall have all rights and remedies under Section 11 with respect to any Event of Default that continues after expiration of all applicable notice and cure periods set forth in Section 11.1 and this Section 24.

24.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

24.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "Notices") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given seventy-two (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 24.2.1.

24.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

24.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 24.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

24.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession. If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 24, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

24.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

24.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee under this Lease to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, plus such additional time that is reasonably needed for Mortgagee to exercise Lessee's rights to cure any defaults subject to the following: (a) if the default cannot be cured by Mortgage, no additional time shall be allowed; (b) if the default can be cured by Mortgagee, such additional period of time shall not exceed SIX (6) months after

Mortgagee's receipt of such Notice, unless a longer period of time is otherwise approved by Lessor in writing; (c) if curing the default requires that Mortgagee has possession through a court-appointed receiver or ownership of the Premises, Mortgagee shall be diligently pursuing action to take possession through a court-appointed receiver or ownership of the Premises; and (d) Mortgagee shall not be entitled to more than TEN (10) days of additional time to cure any defaults in the payment of Base Rent. Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 24.2, or (ii) the date that Lessee's cure period expires under this Lease. During such Mortgagee cure period, Lessor will not terminate this Lease or disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the Premises or improvements for any reason, subject to the terms of this Lease, until such Mortgagee cure period has expired. The Mortgagees and their respective designees shall have the right to enter upon the Premises to give such performance.

24.3.2 In case of an Event of Default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such Event of Default cannot practicably be cured by the Mortgagee without taking possession or ownership of the Premises, in such Mortgagee's reasonable opinion, or if such Event of Default is not susceptible of being cured by the Mortgagee, then:

(a) The Mortgagee shall proceed diligently to obtain possession through a court-appointed receiver or ownership of the Premises, and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

(b) The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

(c) The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 24.3.2(a), or to continue to prosecute foreclosure proceedings pursuant to Section 24.3.2(b), if and when such Event of Default shall be cured.

(d) If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

24.4 New Lease

24.4.1 Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of the original Term of this Lease (plus any applicable Renewal Term if exercised), at the rent and upon the terms, covenants and conditions herein contained, provided that:

(a) Such Mortgagee shall make written request upon Lessor for the new lease within SIXTY (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

(b) Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all Base Rent payments, finance charges and late fees which would, at that time, be due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of the preparation of such new lease;

(c) Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by the lessee under such new lease from and after full execution and delivery of such new lease, and shall within a reasonable period of time (not to exceed the time frames set forth in Section 24.3.1 above) after full execution and delivery of such new lease remedy any other conditions which Lessee under the terminated Lease was obligated to perform under its terms and did not perform, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

(d) The lessee under the new lease shall have the same rights, including the right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 24 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

24.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease pursuant to this Section 24.4, or to cure any default of Lessee referred to above.

24.4.3 If any Mortgagee shall request a new lease as provided in this Section 24.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

24.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

24.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, shall require the consent of Lessor or constitute a default or Event of Default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease from and after the date of such assumption.

25. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

26. RULES AND REGULATIONS.

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **Exhibit D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's commercially reasonable discretion. Lessee shall, within a reasonable period of time, reasonably display to Lessor any permits or licenses required by law or other evidence of compliance with laws upon written request.

Lessor shall use commercially reasonable efforts to timely notify Lessee of any updates in the *Airport Rules and Regulations*, the *Airport Minimum Standards*, the *Aviation Fuel Storage, Dispensing and Handling Guidelines*, and the Airport *Fly Friendly Procedures*.

27. CORPORATE AUTHORIZATION.

In executing this Agreement, each of Lessor and Lessee represents and warrants to the other that if such Party is a corporation, or other legal entity, each Party has obtained and been granted the full right, power and authority to enter into this Lease.

28. UTILITY LINES AND SERVICE CHARGES.

28.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested to do so by Lessee from time to time during the Term, Lessor will grant reasonable easements and rights-of-way on or across the Airport for the development and use of the Premises (in accordance with this Lease), including, without limitation, to suppliers of public or private utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to reasonably designate the lands along which such easements and rights-of-way shall be granted so as to minimize the disruption of the operation of the Airport and other Airport tenants.

28.2 Lessee shall pay for all utilities, including trash collection, used in its operations at the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

28.3 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises (so long as Lessor's use does not interfere with or disrupt Lessee's use, occupancy, development and subleasing activities), and the right to repair the same when necessary in Lessor's reasonable discretion, including but not limited to, any utility easements on the Premises. Lessor agrees to coordinate any entries onto the Premises with Lessee. Lessor shall conduct such use and repairs in such a manner and at such times as to not interfere with Lessee's activities thereon.

29. RESERVATIONS TO LESSOR.

Subject to Lessor's representations, warranties and obligations, the Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. In advance consultation with Lessee, Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as

applicable, shall not exercise such rights so as to interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises, that all work shall be in compliance with all applicable laws, including Environmental Law, and that the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Law of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to at a minimum the same conditions applicable to Lessor under this Section 29, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

30. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS.

30.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

30.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

30.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

30.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrancetherefrom.

30.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

30.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport. Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

30.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the

passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

30.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

30.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

30.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

30.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

30.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

30.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

30.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

31. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964.

31.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

31.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

31.2.1 Compliance with Regulations: Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

31.2.2 Non-discrimination: Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

31.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

31.2.4 Information and Reports: Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

31.2.5 Sanctions for Noncompliance: In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or

(b) cancelling, terminating, or suspending the Lease, in whole or in part.

31.2.6 Incorporation of Provisions: Lessee will include the provisions subsections 31.2.1 through 31.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

31.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

31.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

31.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

32. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

33. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

34. INCORPORATION OF QUITCLAIM DEED.

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

34.1 That this Lease is subject to all terms and conditions of the Deed; and

34.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

35. REQUIRED PROVISIONS OF QUITCLAIM DEED.

35.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

35.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

35.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

35.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the

Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

35.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

36. AIRPORT SECURITY.

36.1 Airport Security Plan.

36.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

36.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

36.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

36.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

36.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

36.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

36.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

36.2 Airport Security Badge.

36.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

36.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the Lessor's Operations Department.

36.2.3 Lessee will promptly return badges to the Lessor's badging office when badge holders employment is terminated, the badge is no longer needed or the employee/contractor is on extended leave.

36.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining, suspension or revocation of one or all misused badges.

37. DEFAULT BY LESSOR.

In the event of any alleged breach by Lessor of its covenants or duties contained in this Lease, Lessee shall have available all rights and remedies provided in contract, at law and/or in equity, provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to pursue a cure of such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder except as expressly permitted in this Lease.

38. BROKERS.

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

39. SALE BY LESSOR.

Lessee agrees to look solely to Lessor's interest in the Airport, including rents, issues, profits, proceeds, and awards for the recovery of any judgment against Lessor, it being agreed that the members, partners, officers, directors or shareholders of Lessor shall not be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

40. ESTOPPEL CERTIFICATE.

Each of Lessor and Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request from the other Party to do so, certify, by written instrument duly executed and acknowledged by such Party and certified to the other Party and to any prospective lender or purchaser/assignee: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of such Party's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (iv) as to whether this Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters relating to this Lease and the Premises as may be reasonably requested. The requesting Party and any prospective purchaser or lender

to whom the same was certified may rely upon any such certificate.

41. UNAVOIDABLE DELAY.

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) a delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under Article 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

42. MISCELLANEOUS.

42.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

42.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

42.3 Non-Waiver of Rights. No waiver or default by Lessor or Lessee of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by the other shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by such other Party, and neither Party shall be restricted from later enforcing any of the terms and conditions of this Lease.

42.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

42.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

42.6 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party

shall be entitled to recover its reasonable attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

42.7 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

42.8 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

42.9 Right of First Offer. Provided there is no existing Event of Default, Lessee shall have a right of first offer to lease the Premises and all Improvements thereon following the expiration of the Term (or Renewal Term, as applicable) in accordance with this Section. If Lessee is interested in leasing the Premises and all Vertical Improvements thereon at fair market rental rate following expiration of the Term (or Renewal Term, as applicable), Lessee shall provide written notice ("**Notice of Interest**") to Lessor of its interest not less than ONE (1) year prior the expiration of the Term (or Renewal Term, as applicable). Lessor shall advise Lessee within THIRTY (30) days after Lessor's receipt of the Notice of Interest if Lessor does not intend to lease (or market for lease) the Premises following expiration of the Term (or Renewal Term, as applicable). If Lessor intends to lease (or market for lease) the Premises, the Parties shall negotiate in good faith to agree on lease terms and conditions, including the fair market rental rate of the Premises and all Improvements thereon. If the Parties have not reached an agreement on the material terms of a lease (other than the fair market rental rate) within NINETY (90) days after Lessor's receipt of the Notice of Interest, neither party shall have any further right or obligation under this Section 42.9. If the Parties have reached an agreement on all material terms of a lease other than the fair market base rental rate within NINETY (90) days of Lessor's receipt of the Notice of Interest, then the Parties shall, within TEN (10) calendar days after the expiration of such NINETY (90)-day period, proceed to determine the fair market base rental rate with the appraisal process as set forth in Section 4.3.2. Upon determining the fair market base rental rate for the Premises, Lessor and Lessee shall promptly enter into a lease.

42.10 Memorandum of Lease. As of the Effective Date, or thereafter upon request from Lessee to Lessor, Lessor and Lessee agree to execute, acknowledge and deliver to one another a short form memorandum of lease for recording purposes in form and substance attached hereto as **Exhibit F**. In the event that such a memorandum of lease has been recorded, upon termination or expiration of this Lease, Lessee shall promptly execute such documents as reasonably requested by Lessor in recordable form to confirm the termination of this Lease.

42.11 Non-Disturbance. In the event that Lessor encumbers or liens any portion of the Premises, now or in the future, Lessor agrees to promptly (and in any event prior to the Effective Date in the event the Airport is encumbered as of such date) obtain for the benefit of Lessee and its leasehold lenders a commercially reasonable non-disturbance agreement (in form reasonably acceptable to Lessor, Lessee and Lessor's lenders) (an "**NDA**") stating that, among other provisions to be included in the NDA, provided no Event of Default has occurred and is continuing under this Lease, then this Lease shall not be terminated and the right of possession of Lessee to the Premises shall not be affected or disturbed in the exercise of any of its rights or remedies under such encumbrance or lien.

43. INCORPORATION OF RECITALS.

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

44. DECLARATION.

44.1 Subordination. The Premises is subject to and subordinate to that certain Declaration of Covenants, Conditions and Restrictions for Skybridge Arizona, dated July 31, 2019, recorded in the Official Records of Maricopa County, Arizona, as Instrument No. 20190580736 ("**Declaration**"). Lessee hereby agrees to fulfill and comply with its duties and obligations as a "Lessee" as defined under the Declaration, as such duties and obligations relate to the Premises.

44.2 Assessments and other Obligations. Lessee shall pay its "Proportionate Share" of "Common Area Assessments" in accordance with the Declaration. Such payment obligation shall constitute "additional rent" under this Lease. Lessee shall fulfill any other obligations it may have as a "Lessee" in accordance with the Declaration, as such other obligations relate to the Premises.

IN WITNESS WHEREOF, the Parties have executed this Lease as of the Effective Date.

EXHIBIT C

AIRCRAFT OPERATIONS GUIDELINES

C1. Use of Airport. Lessee, Lessee's assigns, sublessees, or transferees who operate aircraft at the Airport and who are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **Exhibit C.**

C2. Fees. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight ("**MGLW**"). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current Airport Rates and Charges Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside the Premises. Such fees, if any, shall be payable to Lessor no later than the TWENTIETH (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee established in the *Airport Rates and Charges Schedule* for Lessee's non-exclusive use of other space not situated on or part of the Premises.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. Books and Records. Lessee shall maintain for not less than THIRTY-SIX (36) months books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records or copies thereof shall be made available to Lessor upon Lessor's written request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. Disabled or Abandoned Aircraft. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, promptly upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the Airport caused by such aircraft or removal within TEN (10) business days of demand therefor.

C5. Aviation Fuel. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines*.

C6. Fly Friendly Procedures. Lessee acknowledges receipt of Lessor's Fly Friendly noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

MEMORANDUM OF LEASE

This MEMORANDUM OF LEASE ("Memorandum"), is made and executed as of the 1st day of August , 2022 (the "Effective Date"), by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Landlord**"), whose mailing address is Phoenix-Mesa Gateway Airport Authority, Attn: Business Development Department, 5835 South Sossaman Road, Mesa, Arizona 85212, and **SKYB LOT 108 LLC** , an Arizona limited liability company ("**Tenant**"), whose mailing address is 2415 E. Camelback Road, Suite 700, Phoenix, AZ 85016 .

RECITALS:

A. Landlord and Tenant entered into that certain Development Lease dated July 1, 2022 (the "Lease"), covering that certain real property legally described on Exhibit A attached hereto and incorporated herein by this reference (the "Leased Premises").

B. Landlord and Tenant have agreed to enter into this Memorandum for the purposes of providing record notice of the Lease, and to protect the rights and interests of Landlord and Tenant as to third parties. All capitalized terms not specifically defined herein shall have the meaning ascribed to such terms in the Lease.

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Lease and Premises. Subject to the covenants and conditions contained in the Lease, Landlord has leased to Tenant, and Tenant has leased from Landlord, the Leased Premises. Notice to the world is hereby given of the Lease and of the terms of the Lease.

2. Term. The term of the Lease commenced on August 1, 2022 and expires on July 31 , 2082, unless earlier terminated or extended pursuant to the terms of the Lease.

3. Conflict. This Memorandum is prepared for the purpose of constructive notice and in no way modifies the provisions of the Lease. In the event of any conflict or any inconsistency between the terms and provisions of the Lease and the terms and provisions of this Memorandum, the terms and provisions of the Lease shall control.

4. Successors and Assigns. This Memorandum shall be binding upon and inure to the benefit of the parties and their permitted successors and assigns.

5. Counterparts. This Memorandum may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document, provided that all parties are furnished a copy thereof reflecting the signature of all parties.

(*Signatures appear on the following page*.)

IN WITNESS WHEREOF, the parties hereto have duly executed this Memorandum as of the Effective Date set forth above.

Board Action Item

Re: Resolution 22-50

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM, Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Alpha Apron Expansion Phase IV Construction Services – Pulice Construction, Inc.**
Date:	**July 19, 2022**

Proposed Motion

To approve a Construction Contract with Pulice Construction, Inc. for Construction of the Alpha Apron Expansion Phase IV Project in an amount not to exceed $8,614,693 under CIP 1231.

Narrative

In FY04 PMGAA completed a 250,000 square foot aircraft parking apron, which resulted in a private development along its edge. Expansions to that apron (Phase II and Phase III) were constructed in FY11 and FY22, respectively and are used for various federal government and private operations. In order to ensure the Airport continues to have adequate apron capacity for the future, the Alpha Apron Expansion Phase IV design was designed in FY22 and this project is now ready to be constructed to create additional apron space needed to accommodate large aircraft for our current, and future, customers.

Pulice Construction, Inc. will provide construction services for this project, which will expand the Alpha Apron Phase IV to the North/West, while tying into adjacent Taxiway "A" and Taxiway "V". This project will include the construction of a Portland cement concrete apron pavement section, asphalt paved shoulders, taxiway/apron lighting, grading and drainage, pavement markings, utility improvements, and is anticipated to be constructed in two main phases.

The Invitation for Bid (IFB), Solicitation 2022-021-IFB, Alpha Apron Expansion Phase IV, was issued on May 23, 2022, and advertised in the Arizona Business Gazette on 5/19, 5/26, 6/2, 6/9 and 6/16/22. It was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites, as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the IFB was emailed to a list of 90 prospective firms along with DBE/SBE Outreach. The bid opening was held on June 22, 2022, and four (4) bids were received. Pulice Construction, Inc. submitted the lowest, responsive bid.

Pulice Construction, Inc.	**$ 8,614,692.19**
Southwest Concrete Paving Company	$10,508,270.43
Coffman Specialties, Inc.	$10,639,822.18
Combs Construction Company, Inc.	$ 9,343,822.18

Fiscal Impact

This project is included in the FY23 Capital Budget and will be funded with FAA approved PFC funding under CIP 1231.

Attachment(s): Construction Contract

RESOLUTION NO. 22-50

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve a Construction Contract with Pulice Construction, Inc. for Construction of the Alpha Apron Expansion Phase IV Project in an amount not to exceed $8,614,693 under CIP 1231.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves a Construction Contract with Pulice Construction, Inc. for Construction of the Alpha Apron Expansion Phase IV Project in an amount not to exceed $8,614,693 under CIP 1231. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 19th day of July, 2022.

Brigette Peterson, Chair

E. PROJECT:

ALPHA APRON EXPANSION PHASE IV
Authority Project No. 1231

F. WORK TO BE PERFORMED:

The intent of the *Alpha Apron Expansion Phase IV* project is to expand the limits of the existing Alpha Apron to the northwest and provide a new taxiway connector from the new apron area to existing Taxiway V. The newly constructed apron and taxiway will consist of approximately 26,165 square yards of Portland Cement Concrete pavement, with and adjacent Asphalt Concrete pavement shoulder, paved/shotcrete infield areas, apron lighting, site drainage and a detention basin, existing vehicle service road modifications, new access road alignments, and pavement markings.

G. RECITALS:

The Owner intends to construct the Alpha Apron Expansion Phase IV with airfield paving, lighting, drainage, structures, utilities, service roads, and other items as necessary for the full and efficient use of the project in connection with Phoenix-Mesa Gateway Airport located in Mesa, Arizona. The Owner desires to contract for certain construction services and materials, and the Contractor desires to provide construction services and materials.

NOW, THEREFORE, intending to be legally bound and for valuable consideration, the receipt and sufficiency of which are acknowledged, the Owner and Contractor agree as follows:

H. AGREEMENTS:

ARTICLE 1 THE CONTRACT

The Contract consists of (1) this Construction Contract, (2) The Bidding Requirements and Agreement Documents, (3) the General Conditions to the Construction Contract, (4) General Provisions, (5) Special Provisions, (6) Drawings, Technical Specifications and other documents or amendments referenced in Article 7 of the Construction Contract, and (7) any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").

ARTICLE 2 THE WORK

The Contractor shall execute the entire work described in the Contract and all work reasonably inferable as necessary to produce the results intended by the Contract.

ARTICLE 3 CONTRACT TIME

3.1 The Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the work is not Substantially Completed or Finally Completed within the times specified below.

3.2 The Contractor shall achieve Substantial Completion (as defined in Section 9.8.1 of the General Conditions of the Construction Contract and evidenced by a Certificate of Substantial Completion) of the Base Bid (Schedule I) no later than a total of **180 Calendar Days** from the date of issuance of the Notice to Proceed.

3.3 Final Acceptance of the work shall occur not more than thirty (30) calendar days after the Substantial Completion date.

3.4 The parties acknowledge and agree that it would be extremely difficult and impracticable to ascertain the damages that the Owner would incur should the Contractor fail to achieve, (1) Substantial Completion of the work by the milestone completion date(s), or (2) Final Acceptance of the work, as specified in this Article 3. Accordingly, if the Contractor fails to achieve (1) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as specified in this Article 3, the Contractor shall be liable for and shall pay to the Owner liquidated damages for each calendar day of delay until the Contractor achieves (l) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as the case may be. The liquidated damages shall be as follows:

The following Liquidated Damages will apply:

1. Substantial Completion of Base Bid (All Phases, 180 Calendar Days) – $2,500 per Day

The following Liquidated Damages will also apply:

1. Final Completion within thirty (30) Calendar Days of Substantial Completion of the project (Base Bid) – $2,500 per Day

The Owner shall have the right to retain any liquidated damages from payments due Contractor.

ARTICLE 4 CONTRACT SUM

4.1 The Owner shall pay the Contractor in current funds for the Contractor's performance of the Contract the Contract Sum of eight million six hundred fourteen thousand six hundred ninety two and 19/100 Dollars ($8,614,692.19), subject to the additions and deductions as provided in the Contract.

4.2 Unit prices are set forth in the Bid Proposal attached hereto as Schedule I in Exhibit A. The unit prices include (l) all materials, equipment, labor, delivery, installation, overhead, profit, taxes, bond, insurance, and commissions, and (2) any other costs or expenses in connection with or incidental to the performance of that portion of the work to which such unit prices apply.

ARTICLE 5 PROGRESS PAYMENTS

Progress payments will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 6 FINAL PAYMENT

Final payment will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 7 CONTRACT DOCUMENTS

7.1 The Contract, except for modifications issued after the effective date of the Construction Contract, consists of the following documents:

7.1.1 The *Construction Contract*.
7.1.2 The Bidding Requirements and Agreement Documents
7.1.3 The *General Conditions* to the Construction Contract.
7.1.4 The *General Provisions* to the Construction Contract.
7.1.5 The *Special Provisions* to the Construction Contract.
7.1.6 Plans, Specifications and Addenda attached.
7.1.7 Bid Documents as follows:

A. Contractor Bid Proposal dated June 22, 2022.

B. Certified Copy of Resolution of Board of Directors dated June 9, 2022.

C. Contractor Statutory Bid Bond dated June 16, 2022.

D. Certificate of Insurability dated June 22, 2022.

E. Non-Collusion Bidding Certification signed by Victor Jimenez and dated June 22, 2022.

F. Standard Certifications signed by Victor Jimenez and dated June 22, 2022.

G. Bidders Qualification Statement dated June 22, 2022.

H. Subcontractor List dated June 22, 2022.

7.1.8 Amendments or modifications to the Contract, if any, to which the parties may agree during Contract performance.

7.2 There are no Contract Documents other than those listed above in this Article 7. The Contract Documents may only be amended, modified, or supplemented as provided in the *General Conditions*.

7.3 The Contract Documents are complementary, and a requirement called for by one is as binding as if called for by all. In resolving conflicts, if any, the Contract Documents shall be given the precedence that the Engineer determines is consistent with their intent and that will produce the intended result. When not in contradiction with this priority, the Contract Documents shall be given precedence in the order in which they are listed in this Article 7.

ARTICLE 8 MISCELLANEOUS

8.1 If any provision(s) of the Contract is/are invalid, illegal or unenforceable, all other provisions of the Contract shall nevertheless remain in full force and effect. If any Contract provision is inapplicable to any person or circumstance, that provision shall nevertheless remain applicable to all other persons and circumstances.

8.2 It is Contractor's and Owner's intent that all provisions of law required to be inserted or referenced in the Contract Documents shall be incorporated into them. If any provision of law is not inserted or referenced in the Contract Documents, or is inserted or referenced in improper form, the provision shall be considered inserted or referenced in proper form at no increase in Contract Price or Contract Time.

8.3 Contractor shall not sell, assign, transfer or otherwise convey any of its rights and shall not delegate any of its duties under this Contract without Owner's prior express written consent. In its sole discretion Owner may refuse to consent to any proposed assignment or delegation. Any attempted sale, assignment, transfer, conveyance or delegation in violation of this Paragraph 8.3 shall be void and shall relieve Owner of any further liability under the Contract Documents. If Owner consents in writing to an assignment, unless specifically stated to the contrary in the consent, the assignment shall not release or discharge Contractor from any duty or responsibility set forth in the Contract Documents.

8.4 Nothing contained in the Contract shall in any manner authorize, empower, or constitute Contractor, its subcontractors, or suppliers as agent(s) of Owner, authorize or empower Contractor, its subcontractors, or suppliers to assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of Owner or authorize or empower Contractor, its subcontractors or suppliers to bind Owner in any manner or to make any representation, warranty, covenant, agreement, or commitment on Owner's behalf. Contractor shall perform all work under this Contract as an independent contractor. Only Owner of this Contract shall have rights to enforce any changes to this Contract.

8.5 This Contract shall be binding on Owner and Contractor and all of their respective successors, heirs, legal representatives, and, if Owner has consented to an assignment or delegation as provided in Paragraph 8.3, assigns and delegates.

8.6 This Contract supersedes all prior oral or written agreements, if any, between the parties and constitutes the entire, integrated agreement between the parties with respect to the work to be performed under the Contract Documents.

8.7 This Contract shall be governed by and construed in accordance with the laws of the state of Arizona, without giving effect to any rules governing conflict of laws.

8.8 The approval and continuation of this Contract is subject to the availability of funds either provided to, made available to, or appropriated by the Owner for this purpose. In the event that funds are not available or appropriated for the Owner's payment requirements under this contract for the goods and/or services to be provided hereunder, the Owner may terminate this contract by providing notice to the Contractor of the lack of the availability of funds.

Executed as of the Effective Date.

Board Action Item

Re: Resolution 22-51

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Center Runway 12C/30C Reconstruction–Construction Services – Coffman Specialties, Inc.**
Date:	**July 19, 2022**

Proposed Motion

To approve a Construction Contract with Coffman Specialties, Inc. for Construction of the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $15,777,632 under CIP 1202, subject to receipt of two (2) FAA federal grants to Phoenix-Mesa Gateway Airport Authority.

Narrative

Due to the continued commercial aircraft usage and the age of the pavement, the Center Runway 12C/30C pavement is deteriorated and has been recommended for major reconstruction. The Center Runway 12C/30C Reconstruction Project consists of the reconstruction of the first 1000ft of Runway 12C, (FAA BIL grant funded) and 2500ft of Runway 30C beginning 1000' from the threshold (FAA entitlement and discretionary grant funded).

Coffman Specialties, Inc. will provide construction services that include demolition of existing pavement, earthwork, new Portland Cement Concrete Pavement, taxiway pavement, shoulder pavement, crushed Aggregate Base, Cement-Treated Base, Lime-Treated Subgrade, new pavement markings, crack seal, seal coat and airfield electrical.

The Invitation for Bid (IFB), Solicitation 2022-017-IFB – Center Runway 12C/30C Reconstruction, was issued on April 19, 2022, and advertised in the Arizona Business Gazette on 4/14, 4/21, 4/28 and 5/5/22. It was also posted on the AzAA, ACC, ACI-NA, SWAAAE, and FAA Matchmaker Websites, as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the IFB was emailed to a list of 88 prospective firms along with DBE/SBE Outreach. The bid opening was held on May 19, 2022, and three (3) bids were received. After review of the bids, Coffman Specialties, Inc. was determined to have submitted the lowest, responsive bid.

Coffman Specialties, Inc.	**$15,777,631.50**
Pulice Construction, Inc.	$16,953,813.09
Combs Construction Co., Inc.	$19,513,874.13

Fiscal Impact

This project is included in the FY22 Capital Budget with a carryover to FY23 utilizing FAA, ADOT and PMGAA Matching Grant Funds under CIP 1202.

(602) 957-1155

RESIDENT ENGINEER

Dibble
7878 N. 16th St., Suite 300
Phoenix, AZ 85202
(602) 957-5511

E. PROJECT:

RUNWAY 12C-30C RECONSTRUCTION
AUTHORITY PROJECT No. 1202

F. WORK TO BE PERFORMED:

The intent of the *Runway 12C-30C Reconstruction* project is to reconstruct the concrete portions of the center runway and correct non-standard longitudinal and transverse grades.

G. RECITALS:

The Owner intends to reconstruct the concrete portions Runway 12C-30C, and other items as necessary for the full and efficient use of the project in connection with Phoenix-Mesa Gateway Airport located in Mesa, Arizona. The Owner desires to contract for certain construction services and materials, and the Contractor desires to provide construction services and materials.

NOW, THEREFORE, intending to be legally bound and for valuable consideration, the receipt and sufficiency of which are acknowledged, the Owner and Contractor agree as follows:

H. AGREEMENTS:

ARTICLE 1 THE CONTRACT

The Contract consists of (1) this Construction Contract, (2) The Bidding Requirements and Agreement Documents, (3) the General Conditions to the Construction Contract, (4) General and Federal Provisions, (5) Special Provisions, (6) Drawings, Technical Specifications and other documents or amendments referenced in Article 7 of the Construction Contract, and (7) any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").

ARTICLE 2 THE WORK

The Contractor shall execute the entire work described in the Contract and all work reasonably inferable as necessary to produce the results intended by the Contract.

ARTICLE 3 CONTRACT TIME

3.1 The Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the work is not Substantially Completed or Finally Completed within the times specified below.

3.2 The Contractor shall achieve Substantial Completion (as defined in Section 9.8.1 of the General Conditions of the Construction Contract and evidenced by a Certificate of Substantial Completion) of the Base Bid (Schedule I) no later than a total of **120 Calendar Days** from the date of issuance of the Notice to Proceed; and no later than a total of **90 Calendar Days** from the date of issuance of the Notice to Proceed for the Add Alt (Schedule II), if awarded. If both Base Bid and Additive Alternate No. 1 is awarded the Contractor shall have a total of **120 Calendar Days** to achieve Substantial Completion.

3.3 Final Acceptance of the work shall occur not more than 14 calendar days after the Substantial Completion date. All punchlist items on the runway shall be completed at night (hours to be coordinated with Airport so as to not impact commercial service flights).

3.4 The parties acknowledge and agree that it would be extremely difficult and impracticable to ascertain the damages that the Owner would incur should the Contractor fail to achieve, (1) Substantial Completion of the work by the milestone completion date(s), or (2) Final Acceptance of the work, as specified in this Article 3. Accordingly, if the Contractor fails to achieve (1) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as specified in this Article 3, the Contractor shall be liable for and shall pay to the Owner liquidated damages for each calendar day of delay until the Contractor achieves (I) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as the case may be. The liquidated damages shall be as follows:

If only the Base Bid (Schedule I) is awarded the following Liquidated Damages will apply:

1. Substantial Completion of Base Bid (All Phases, **120 Calendar Days**) – $2,500 per Day

If only the Add Alt No. 1 (Schedule II) is awarded the following Liquidated Damages will apply:

1. Substantial Completion of Base Bid (All Phases, **90 Calendar Days**) – $2,500 per Day

If the Base Bid (Schedule I) and Additive Alternate No. 1 (Schedule II) are both awarded the following Liquidated Damages will apply:

1. Substantial Completion of Base Bid (All Phases, **120 Calendar Days**) – $2,500 per Day
2. Substantial Completion of Additive Alternate No. 1 (**90 Calendar Days**) – $2,500 per Day

The following Liquidated Damages will also apply for each respective award:

1. Final Completion within **14 Calendar Days** of Substantial Completion of Base Bid – $2,500 per Day.
2. Final Completion within **14 Calendar Days** of Substantial Completion of Additive Alternate No. 1 – $2,500 per Day.

The Owner shall have the right to retain any liquidated damages from payments due Contractor.

ARTICLE 4 CONTRACT SUM

4.1 The Owner shall pay the Contractor in current funds for the Contractor's performance of the Contract the Contract Sum of fifteen million seven hundred seventy seven thousand six hundred thirty one and 50/100 Dollars ($15,777,631.50), subject to the additions and deductions as provided in the Contract.

4.2 Unit prices are set forth in the Bid Proposal attached hereto as Schedule I in Exhibit A. The unit prices include (I) all materials, equipment, labor, delivery, installation, overhead, profit, taxes, bond, insurance, and commissions, and (2) any other costs or expenses in connection with or incidental to the performance of that portion of the work to which such unit prices apply.

ARTICLE 5 PROGRESS PAYMENTS

Progress payments will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 6 FINAL PAYMENT

Final payment will be made in accordance with Article 9 of the *General Conditions* to the Construction Contract.

ARTICLE 7 CONTRACT DOCUMENTS

7.1 The Contract, except for modifications issued after the effective date of the Construction Contract, consists of the following documents:

7.1.1 The *Construction Contract*.
7.1.2 The Bidding Requirements and Agreement Documents
7.1.3 The *General Conditions* to the Construction Contract.
7.1.4 The *General Provisions* to the Construction Contract.
7.1.5 The *Special Provisions* to the Construction Contract.
7.1.6 Plans, Specifications and Addenda attached.
7.1.7 Bid Documents as follows:

A. Contractor Bid Proposal dated May 19, 2022.

B. Certified Copy of Resolution of Board of Directors dated March 31, 2022.

C. Contractor Statutory Bid Bond dated May 5, 2022.

D. Certificate of Insurability dated May 13, 2022.

E. Non-Collusion Bidding Certification signed by Colleen Coffman and dated May 16, 2022.

F. Standard Certifications signed by Colleen Coffman and dated May 16, 2022.

G. Bidders Qualification Statement dated May 17, 2022.

H. Subcontractor List dated May 13, 2022.

I. Bidder' Statement on Previous Contracts Subject to EEO Clause dated May 16, 2022.

J. Buy American (Title 49 U.S.C., Chapter 501) dated May 16, 2022.

K. Business Identification Form dated May 16, 2022.

L. Tax Delinquency and Felony Conviction Certificate dated May 16, 2022.

M. Attachment A (Base Bid) Subcontracting & Outreach Efforts Summary received

N. Attachment A (Add Alt No. 1) Subcontracting & Outreach Efforts Summary received.

O. Attachment B (Base Bid) Letter of Intent to Perform as a subconsultant/ Subcontractor/ Supplier dated received.

P. Attachment B (Add Alt No. 1) Letter of Intent to Perform as a subconsultant/ Subcontractor/ Supplier dated received.

Q. Attachment C, DBE Certification Statement dated received. (If Required)

7.1.8 Amendments or modifications to the Contract, if any, to which the parties may agree during Contract performance.

7.2 There are no Contract Documents other than those listed above in this Article 7. The Contract Documents may only be amended, modified, or supplemented as provided in the *General Conditions*.

7.3 The Contract Documents are complementary, and a requirement called for by one is as binding as if called for by all. In resolving conflicts, if any, the Contract Documents shall be given the precedence that the Engineer determines is consistent with their intent and that will produce the intended result. When not in contradiction with this priority, the Contract Documents shall be given precedence in the order in which they are listed in this Article 7.

ARTICLE 8 MISCELLANEOUS

8.1 If any provision(s) of the Contract is/are invalid, illegal or unenforceable, all other provisions of the Contract shall nevertheless remain in full force and effect. If any Contract provision is inapplicable to any person or circumstance, that provision shall nevertheless remain applicable to all other persons and circumstances.

8.2 It is Contractor's and Owner's intent that all provisions of law required to be inserted or referenced in the Contract Documents shall be incorporated into them. If any provision of law is not inserted or referenced in the Contract Documents, or is inserted or referenced in improper form, the provision shall be considered inserted or referenced in proper form at no increase in Contract Price or Contract Time.

8.3 Contractor shall not sell, assign, transfer or otherwise convey any of its rights and shall not delegate any of its duties under this Contract without Owner's prior express written consent. In its sole discretion Owner may refuse to consent to any proposed assignment or delegation. Any attempted sale, assignment, transfer, conveyance or delegation in violation of this Paragraph 8.3 shall be void and shall relieve Owner of any further liability under the Contract Documents. If Owner consents in writing to an assignment, unless specifically stated to the contrary in the consent, the assignment shall not release or discharge Contractor from any duty or responsibility set forth in the Contract Documents.

8.4 Nothing contained in the Contract shall in any manner authorize, empower, or constitute Contractor, its subcontractors, or suppliers as agent(s) of Owner, authorize or empower Contractor, its subcontractors, or suppliers to assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of Owner or authorize or empower Contractor, its subcontractors or suppliers to bind Owner in any manner or to make any representation, warranty, covenant, agreement, or commitment on Owner's behalf. Contractor shall perform all work under

this Contract as an independent contractor. Only Owner of this Contract shall have rights to enforce any changes to this Contract.

8.5 This Contract shall be binding on Owner and Contractor and all of their respective successors, heirs, legal representatives, and, if Owner has consented to an assignment or delegation as provided in Paragraph 8.3, assigns and delegates.

8.6 This Contract supersedes all prior oral or written agreements, if any, between the parties and constitutes the entire, integrated agreement between the parties with respect to the work to be performed under the Contract Documents.

8.7 This Contract shall be governed by and construed in accordance with the laws of the state of Arizona, without giving effect to any rules governing conflict of laws.

8.8 The approval and continuation of this Contract is subject to the availability of funds either provided to, made available to, or appropriated by the Owner for this purpose. In the event that funds are not available or appropriated for the Owner's payment requirements under this contract for the goods and/or services to be provided hereunder, the Owner may terminate this contract by providing notice to the Contractor of the lack of the availability of funds. The Contractor acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, and that this contract, its approval and continuation is contingent on the availability of those funds being made to the Owner.

Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Terminal Modernization Construction Services (CMAR) – McCarthy Building Companies, Inc. – CIP 1201**
Date:	**July 19, 2022**

Proposed Motion

To authorize a contract for the Terminal Modernization Construction Manager at Risk (CMAR) Construction Services and Guaranteed Maximum Price (GMP), with McCarthy Building Companies, Inc. (McCarthy) in an amount not to exceed $25,997,410 under CIP 1201.

Narrative

The Phoenix-Mesa Gateway Airport has experienced unprecedented growth and the Terminal Modernization project has become necessary due to the age of the current temporary modular facility (Annex), the inefficient mechanical systems, and deteriorating facility along with the increase in passenger traffic and additional airlines utilizing PMGAA. The current Annex is severely limited in its current configuration and the intent of this project is to modernize the facility and increase its capacity for the overall passenger experience and the health and safety of our passengers. The improvements will be the final large improvement in the terminal facility until a demand driven East Side Terminal is pursued.

The Contractor is currently providing Pre-Construction Management Services as a CMAR for the replacement of the existing Terminal Annex Modular Building with a new, connected Terminal Concourse containing five (5) gates, while maintaining the existing passenger service to three (3) aircraft parking spots.

The Notice of Request for Qualifications (RFQ), Solicitation 2022-002-RFQ was issued on June 7, 2021 and advertised in the Arizona Business Gazette on 6/10, 6/17, 6/24 and 7/01/21; it was also posted on the AzAA, ACC, ACI-NA, FAA Matchmaker and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 93 prospective firms and included DBE and Small Business outreach. PMGAA Staff received nine (9) Statements of Qualifications on July 12, 2021. After reviewing the SOQs and conducting presentation/interviews with the three (3) top ranked firms, the Evaluation Panel unanimously ranked McCarthy as the firm that best satisfied the requirements based on the qualifications of the firm, project team experience, project understanding, approach to performing the required services, and commitment to utilizing DBEs, and had the best overall experience and qualifications for this project.

Fiscal Impact

This contract is included in the FY22 Capital Budget with a carryover to FY23 utilizing FAA Grant Funding, under CIP 1201. Request contingent upon receipt of a FAA grant.

ARTICLE 2 – CONTRACT DOCUMENTS

2.1 CONTRACT DOCUMENTS

The Contract between the Owner and CMAR shall consist of the following Contract Documents. Should any of the Contract Documents conflict with each other, the conflict will be resolved by using the following order of precedence:

1. Any amendments or modifications to the Contract Documents in reverse chronological order, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work;
2. Exhibit A.4 of the CMAR Guaranteed Maximum Price Proposal – the "Basis of GMP" and "Basis of Schedule";
3. The Guaranteed Maximum Price Proposal sections outside of item (2) above;
4. The General Conditions to the CMAR Contract;
5. The CMAR Construction Services Contract and all of its Exhibits;
6. The General Provisions to the CMAR Contract;
7. The Special Provisions to the CMAR Contract;
8. Federal Contract Provisions
9. Drawings;
10. Specifications;
11. The Request for Qualifications, 2022-002-RFQ, documents and CMAR's submittal to such solicitation dated July 12, 2021.
12. Any other Contract Documents

2.3 PROJECT SPECIFIC CONDITIONS

If there are any additional conditions that apply to this Project, they are set forth in the attached Exhibit D, and are incorporated herein.

2.4 PROJECT PLANS AND SPECIFICATIONS

A detailed list of the Plans and Specifications for this Project are set forth in the attached Exhibit D.

ARTICLE 3 – PRE-CONSTRUCTION SERVICES

Although CMAR has performed Pre-Construction Services pursuant to a separate Contract between Owner and CMAR, the completion, quality and accuracy of those services and the deliverables provided by Owner thereunder directly impact CMAR's performance of its obligations under this Contract. Therefore, all of CMAR's obligations, duties, and warranties in relation to Pre-Construction Services and deliverables survive completion of the Pre-Construction Services Contract and are incorporated herein. Any breach of any of CMAR's duties, obligations, or warranties under the Pre-Construction Services Contract shall likewise be considered a breach of this Contract.

ARTICLE 4 – CONSTRUCTION SERVICES

4.1 GENERAL

4.1.1 CMAR agrees at its own cost and expense, to do all work necessary and required to fully, timely and properly complete the construction of the Project in strict accordance with the Contract Documents in a good and workmanlike manner, free and clear of all claims, liens, and charges whatsoever, in the manner and under the conditions specified, and within the Project Schedule included in Exhibit A of this Contract.

4.1.2 CMAR shall provide all of the labor and materials and perform the Work in accordance with the General Conditions and General Provisions. Some but not all of the major components of the Construction Services and the corresponding subsections of Section 3 & 4 of the General Conditions are set forth below.

4.1.3 At all times relevant to the Contract and performance of the Work, the CMAR and its subcontractors shall fully comply with all Laws, Regulations, or Legal Requirements applicable to Owner, the Project and the Contract, including, without limitation, those set forth on attached Exhibit C and Article 3 of the General Conditions.

4.1.4 CMAR shall perform the Work under this Contract using only those firms, team members and individuals designated by CMAR consistent with the Statement of Qualifications dated July 12, 2021, the GMP Proposal, or otherwise approved by Owner pursuant to the General Conditions. No other entities or individuals may be used without prior approval of the Project Manager.

4.1.5 CMAR will comply with all terms and conditions of the General Conditions, General Provisions, Special Provisions, Federal Provisions, as well as the Owner's published Rules & Regulations and Minimum Standards (Exhibit J).

4.1.6 In the event of a conflict between this Contract and the General Conditions, General Provisions, Special Provisions or any exhibit hereto or appendix thereto, the terms of this Contract shall control, but nothing in this contract shall be construed so as to either (i) Violate any term or condition of the Owner's published Rules & Regulations or Minimum Standards; or (ii) Violate Owner's mandatory subordination to its federal obligations, pursuant to Federal Aviation Administration ("FAA") Policies (2009) (including, but not limited to § 1.1, § 1.5, § 12.3, §10, § 14.1, *et. seq*.) and federal statutory authority, including, but not limited to, 49 U.S.C. §40103(a) (establishes the federal government's total dominance over the airspace of the United States, including, U.S. airports).

4.1.7 **Ownership of Work Product.** Notwithstanding anything to the contrary in this Contract, all Work Product prepared or otherwise created in connection with the performance of this Contract, including the Work, are to be and remain the property of Owner. For purposes of this provision, "Work Product" shall include all designs, drawings, plans, specifications, ideas, renderings and other information or matter, in whatever form created (e.g., electronic or printed) and in all media now known or hereinafter created. All Work Product shall be considered Work Made for Hire as defined in the United States Copyright Act 17 U.S.C. § 101 (Copyright Act). If for any reason any such Work is found not to be a work for hire, CMAR hereby transfers and assigns ownership of the copyright in such Work to Owner. The rights in this section are exclusive to Owner in perpetuity.

4.2 CMAR's PRE-CONTRACT AND PRE-WORK DELIVERABLES

The CMAR will provide the insurance and bond(s) requirements in accordance with Article 11 of the General Conditions prior to any work commencing.

CMAR will obtain and pay for all permits necessary for the work.

4.3 PRE-CONSTRUCTION CONFERENCE

CMAR shall attend the Pre-Construction Conference.

4.4 PERFORMANCE OF THE WORK (INCLUDING FIELD MEASUREMENTS, SUBCONTRACTORS, AND SUPPLIERS)

CMAR shall perform the Work in accordance with the General Conditions.

4.5 CONTROL OF THE PROJECT SITE

CMAR shall control and maintain the Project Site in accordance with the General Conditions.

4.6 PROJECT SAFETY

CMAR shall implement and enforce Project safety in accordance with Article 10 of the General Conditions.

4.7 MATERIALS QUALITY, SUBSTITUTIONS AND SHOP DRAWINGS

CMAR shall provide materials testing and submit substitute materials and Shop Drawings in accordance with Article 3 of the General Conditions.

4.8 PROJECT RECORD DOCUMENTS

CMAR shall maintain and make available the Project Record Documents in accordance with Article 3.12 of the General Conditions.

4.9 WARRANTY AND CORRECTION OF DEFECTIVE WORK

CMAR shall provide warranties and correct defective Work in accordance with Article 3.6 of the General Conditions.

ARTICLE 5 – OWNER RESPONSIBILITIES

5.1 Owner shall have the responsibilities, and provide the information specified in, and subject to the conditions set forth throughout the Contract Documents.

5.2 Additional information to be provided by Owner, if any, is listed below:

Final contract documents, including, but not limited to General Conditions, General Provisions, Special Provisions, applicable as-built drawings, stamped Construction Documents and Technical Specifications.

ARTICLE 6 – CONTRACT TIME

Contract Duration is 330 calendar days

6.1 CONTRACT TIME

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Substantial Completion as set forth in Article 6.3 below. The Notice to Proceed cannot be issued prior to the approval and acceptance by Owner of the GMP.

6.1.2 CMAR agrees that it will commence performance of the Work and complete the Project through both Substantial Completion within the Contract Time.

6.1.3 Time is of the essence of this Contact, for the Project, and for each phase and/or designated Milestone thereof.

6.2 PROJECT SCHEDULE

The Project Schedule approved as part of the GMP Proposal and incorporated herein as part of the attached Exhibit A shall be updated and maintained throughout CMAR's performance under this Contract in accordance with Article 3 of the General Conditions.

6.2.1 Failure on the part of CMAR to adhere to the approved Project Schedule will be deemed a material breach and sufficient grounds for termination for cause of this Contract by Owner.

6.3 SUBSTANTIAL COMPLETION

Substantial Completion shall be achieved not later than the Substantial Completion Date set forth in the Accepted Project Schedule. Substantial Completion shall be determined in accordance with Article 9.8 of the General Conditions.

6.4 FINAL COMPLETION AND FINAL ACCEPTANCE

6.4.1 Final Completion will be obtained within the time period set forth in the Accepted Project Schedule.

6.4.2 Final Completion will be determined, and a Final Acceptance will be issued, pursuant to Article 9.9 of the General Conditions.

6.5 LIQUIDATED DAMAGES

6.5.1 **Substantial Completion Liquidated Damages.** For the same reason set forth in Article 6.1.3 above, Owner and CMAR further agree that if CMAR fails to achieve Substantial Completion of the work within the time set forth in Article 6.3 above, Owner shall be entitled to retain or recover from CMAR, as liquidated damages and not as a penalty, the following per diem amounts (which the Parties agree is a reasonable approximation of any resulting damages) commencing from the actual date of Substantial Completion:

$2,000 per calendar day.

6.5.2 Owner may deduct liquidated damages described in this Article 6.5 above from any unpaid amounts then or thereafter due CMAR under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due CMAR shall be payable to Owner at the demand of Owner, together with interest from the date of the demand at the highest lawful rate of interest payable by CMAR.

6.6 WAIVER OF CLAIMS FOR CONSEQUENTIAL DAMAGES

6.6.1 Except for (i) consequential damages that are covered by insurance required by this Contract and (ii) consequential damages that are within the scope of indemnities for third party claims stated in this Contract, the CMAR and Owner waive Claims against each other for the following categories of damages arising out of or relating to this Contract. This mutual waiver includes

6.6.1.1 Damages incurred by the Owner for rental expenses, for losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons; and

6.6.1.2 Damages incurred by the CMAR for principal office expenses including the compensation of personnel stationed there, for losses of financing, business and reputation, and for loss of profit, except anticipated profit arising directly from the Work.

6.6.2 This mutual waiver is also applicable, subject the foregoing exceptions, to all consequential damages due to either party's termination in accordance with **Article 14 of the General Conditions**. Nothing contained in this Section 6.6 shall be deemed to preclude an award of liquidated damages, when applicable, in accordance with the requirements of the Contract Documents. This subparagraph 6.6.2 shall take precedence over any other provision of the Contract Documents which provide that the Contractor is responsible for expenses, costs or damages.

ARTICLE 7 – CONTRACT PRICE

7.1 CONTRACT PRICE

7.1.1 In exchange for CMAR's full, timely, and acceptable performance and construction of the Work under this Contract, and subject to all of the terms of this Contract, Owner will pay CMAR the "Contract Price" which:

The sum of the CMAR's Fee and reimbursable Cost of the Work, which the CMAR guarantees will not exceed the GMP set forth in Exhibit A, in the amount of **$25,997,410.00** (twenty-five million nine hundred ninety-seven thousand four hundred ten and 00/100 Dollars). Costs which would cause the GMP to be exceeded shall be paid by CMAR without reimbursement from Owner.

7.1.2 The Contract Price is all-inclusive and specifically includes all fees, costs, insurance and bond premiums, and taxes any type necessary to fully, properly and timely perform and construct the Work encompassed in attached Exhibit A.

7.1.3 The contract price may only be changed as set forth in the Contract Documents.

7.1.4 Only costs specifically designated as reimbursable costs are eligible for payment by Owner or may be charged against the Contract Price. All other costs will not be paid by Owner and shall not be chargeable against the Contract Price.

7.1.5 For Contract Amendments, Change Orders, or Job Orders reimbursable costs shall be determined pursuant to MAG Specifications 109.5.

7.2 ALLOWANCES

N/A.

7.3 CONTINGENCY

N/A.

7.4 FINAL PAYMENT

If the Contract Price is based upon a GMP, as a further condition precedent to Final Payment by Owner, Contractor must submit to the Project Manager a complete final accounting of the Actual Reimbursable Cost of the Work, including all such documentation (including, without limitation, invoices, subcontracts, subcontractor change orders, purchase orders, records of payment, etc.) as Owner may require, to establish whether the payments made to Contractor equal, exceed, or are less than the Actual Reimbursable Cost of the Work to date.

Any excess payments by Owner, as determined by the Project Manager, shall be deducted from the one-half retention payment to be made to Contractor, and any additional excess amounts paid to Contractor shall be refunded by Contractor to Owner. Disputes relating to the Final Cost of the Work shall be subject to Owner's

audit rights under Article 13.13 of the General Conditions and 7.5 below, and the dispute resolution process under Article 4 of the General Conditions.

7.5 OPEN BOOK

On any GMP-based or Change Order, Owner may attend any and all meetings or discussions pertaining to the Project, including bid openings, and shall have access to all books, invoices, accounts, memoranda, correspondence, and written communications or records of any kind pertaining to the Project, including without limitation, those stored in electronic format.

ARTICLE 8 – PAYMENT

Payments shall be made to CMAR in accordance with Article 9 of the General Conditions and Article 7 above.

ARTICLE 9 – CHANGES TO THE CONTRACT

Changes to the Contract may be made in strict accordance with Article 7 of the General Conditions.

ARTICLE 10 – SUSPENSION AND TERMINATION

This Contract may be suspended and/or terminated in accordance with Article 14 of the General Conditions.

ARTICLE 11 – INSURANCE AND BONDS

11.1 CMAR shall provide insurance at the times and in the amounts in accordance with Article 11 of the General Conditions to the CMAR Contract. CMAR shall provide proof of such insurance and all required endorsements in forms acceptable to Owner prior to commencing any Work under this Contract.

11.2 CMAR shall provide performance and payment bonds to Owner at the times and in the amounts in accordance with Article 11 of the General Conditions and A.R.S. § 34-610(A).

11.3 Failure to provide proof of insurance and the required endorsements, or the required bonds, in forms acceptable to Owner will be material breach and grounds for termination for cause of this Contract by Owner.

ARTICLE 12 – INDEMNIFICATION

CMAR shall have and assume the indemnity obligations set forth in Article 3 of the General Conditions.

ARTICLE 13 – DISPUTE RESOLUTION

Any claims or disputes relating to this Contract shall be resolved according to the dispute resolution process set forth in Article 4 of the General Conditions.

ARTICLE 14 – MISCELLANEOUS PROVISIONS

The miscellaneous provisions set forth in Article 13 of the General Conditions shall apply to this Contract.

IN WITNESS WHEREOF, the parties hereto executed this Contract through their duly authorized representatives and bind their respective entities as of the effective date.

Authority Solicitation No. 2022-002-RFQ

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona (Owner), has considered the Statement of Qualifications (SOQ) submitted and interview performed (if applicable) by your firm for the above described WORK in response to the Advertisement for SOQ's dated July 12, 2021. You are hereby notified that you were awarded this CMAR Contract by Phoenix-Mesa Gateway Airport Authority on _____, in the amount of $_____. You are required by the Terms and Conditions of this bid to execute the CMAR Contract and to furnish Contractor's Performance and Payment Bonds and submit the appropriate Certificate(s) of Insurance within fifteen (15) calendar days from this Notice.

If you fail to execute the CMAR Contract, furnish the required bonds, and submit Insurance Certificate(s) within Fifteen (15) calendar days from the date of this Notice, the Owner will consider this as a forfeiture of your consideration to be selected as CMAR. The Owner will be entitled to such other rights as may be granted by law.

A pre-construction meeting is scheduled for _____202__, at _____ in the Phoenix-Mesa Gateway Airport Authority Board Room, 5835 South Sossaman Road, Mesa.

You are required to return an acknowledged copy of the NOTICE OF AWARD to the Phoenix-Mesa Gateway Airport Authority.

Dated this _____ day of _____, 202__.

CONDITIONAL
FULL RELEASE OF ALL CLAIMS AND WAIVER OF LIEN
UPON PAYMENT
(CMAR)

WHEREAS, the undersigned, _____ (CMAR) has furnished labor, materials, and services and/or equipment for the construction of the **CMAR Services for the Terminal Modernization, *Authority Project No. 1201,*** at the Phoenix-Mesa Gateway Airport, Maricopa County, State of Arizona, on the Property of the Phoenix-Mesa Gateway Airport Authority, Mesa, Arizona.

NOW, THEREFORE, the undersigned, on receipt of a check from the Owner payable to the CMAR in the sum of $ _____, said sum representing full and final payment for the above-mentioned labor, materials, services and/or equipment, does hereby waive and release any and all liens, claims of lien, and demands whatsoever that now exist or may hereafter accrue against the Owner and the Property on account of labor and materials furnished by the undersigned.

The undersigned warrants that all materials and labor placed by the undersigned in the Project are free from any claims, liens, or encumbrances and that all bills and obligations incurred for labor, taxes, withholding taxes based on payroll and payable to the United States of America or State of Arizona, premiums under a voluntary disability insurance policy, if any, carried with a private insurer, and payments to all union health, welfare, pension, apprentice training and vacation funds applicable for workmen employed on the above-described Project, in connection with the work of improvement on the Project, have been paid in full. The undersigned warrants that all subcontractors and material-men that may have delivered materials and performed work upon the Property for the Project have been fully paid or will be paid from monies received from this final payment. The undersigned shall and does hereby indemnify, save, and hold harmless the Owner and CMAR from all claims, damages, liens and losses, including all costs, professional fees, and reasonable attorney's fees, which the Owner may suffer by reason of filing of any claims, notices, liens or encumbrances, or the failure of the undersigned to obtain cancellation and discharge thereof.

DATED this _____day of _____, 202_____.

(Title)

EXHIBIT D – DEFINITIONS

Allowance – A specific amount for a specific item of Work, if any, that Owner agrees has not been sufficiently designed, detailed, or selected (including design changes from 90% to 100% as authorized by and at the discretion of the Owner) at the time the Contract Price is agreed to for Contractor to provide a definitive price. Allowances shall be treated in accordance with Article 7.2 above.

Baseline Cost Model – A breakdown and estimate of the scope of the Project developed by CMAR.

CMAR or Construction Manager at Risk – The person or firm selected by Owner to provide pre-construction and/or construction services as detailed in a Construction Manager at Risk Contract with Owner. The term "Contractor" includes CMAR under both Pre-Construction and Construction Services Contracts.

CMAR Fee or Contractor's Fee – An agreed to percentage in an accepted GMP that represents the Contractor's fee for performance of the Work.

Contract Documents – Where compensation under the Contract is based upon a GMP accepted by Owner, the term "Contract Documents" also includes the accepted GMP Proposal.

Contract Price – Where compensation under the Contract based upon a GMP accepted by Owner, the term "Contract Price" refers to the GMP.

Cost-Based Contract, Change Order, or Job Order – A Contract, Change Order, or Job Order where the Contract Price is based upon the actual cost of performing the Work, subject to the terms of the Contract Documents. These would include those generally referred to as "Cost of the Work plus a Fee with a GMP," "Time and Materials," or "Cost Plus a Fee."

Cost of the Work – The direct costs necessarily incurred by Contractor in the proper, timely, and complete performance on the Work. The Cost of the Work shall include only those costs set forth in Article 7 above.

Deliverables – The work products prepared by Contractor in performing the scope of work described in the Contract. Some of the major deliverables to be prepared and provided by Contractor during pre-construction may include but are limited to: the Baseline Cost Model and Schedule that validate Owner's plan and budget, Construction Management Plan, Detailed Project Schedule, Schedule of Values, alternative system evaluations, procurement strategies and plans, Detailed Cost Estimates, construction market surveys, cash flow projections, GMP Proposals, Subcontractor procurement plan, Subcontractor agreements, Subcontractor bid packages, Supplier agreements, Constructability Review, Cost Control Log, Traffic control and phasing plans and others as indicated in this Contract or required by the Project Team.

Pre-Construction Services Contract – The Contract entered into between Owner and the CMAR for Pre-Construction Services to be provided by the CMAR, including, without limitation, the generation of a GMP Proposal. If the GMP Proposal is accepted by Owner and a CMAR Contract is entered into between Owner and CMAR, the duties, obligations and warranties of the CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting CMAR Contract.

Pre-Construction Services – The services to be provided under a Pre-Construction Services Contract.

Detailed Project Schedule – The Detailed Project Schedule developed by the CMAR for the review and approval of the Owner.

GMP Plans and Specifications – The plan and specifications upon which the Guaranteed Maximum price Proposal is based.

GMP Proposal – The proposal of Contractor submitted for the entire Work and/or portion (phases) of the Work.

Guaranteed Maximum Price or GMP – The Guaranteed Maximum Price set forth in the Contract.

EXHIBIT E – OWNER'S PUBLISHED RULES AND REGULATIONS AND MINIMUM STANDARDS

CMAR agrees to comply with Phoenix-Mesa Gateway Airport Authority's (Owner's) published Rules and Regulations and Minimum Standards as amended from time to time.

Re: Waxie FY22 Purchases
Date: July 19, 2022

On October 20, 2021, the Board approved FY22 purchases in the not to exceed amount of $100,000 with Waxie Network Services Company in partnership with Waxie Sanitary Supply (Waxie) for janitorial supplies.

During FY22 passenger activity returned to pre-pandemic levels and it is increasing compared to last year with over 1.5 million passengers this fiscal year. As part of a health and safety plan to reduce the spread and exposure of COVID-19 for our employees and passengers, the cleaning and frequency was increased, and the cost of janitorial supplies and related shipping costs increased from original estimates as well.

The final amount spent with Waxie for FY22 was $120,143.23.

Re: Wireless Network Equipment and Software
Date: July 19, 2022

On April 19, 2022, the Board approved a Capital Improvement Project purchase in the not to exceed amount of $74,000 with Enterprise Network Solutions (ENS) for wireless network equipment and software.

The vendor supplied a quote with an incorrect amount of tax and upon receipt of invoice, it was determined that an additional $3,603.76 in tax was due. The Airport has already received software and licensing for this project. The hardware has been ordered and awaiting delivery due to global supply chain issues.

The final amount spent with ENS for the project was $76,750.61.

Fiscal Impact
This purchase was included in the FY22 Capital Improvement Project and is funded under CIP 1080

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, September 20, 2022 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **July 19, 2022**.

   b) **Resolution No. 22-53 –** Authorizing the purchase of one Lavatory Service Truck from **Stinar, LLC (Stinar)** in an amount not to exceed $194,058.83.

   c) **Resolution No. 22-54 –** Authorizing the purchase of one Aircraft Air Start Unit from **Aero Specialties, Inc. (Aero Specialties**) in an amount not to exceed $232,666.28.

   d) **Resolution No. 22-55 –** Approving an Authorization of Services with **Dibble Engineering** for Design and Bid Phase Services for the Runway 12R-30L Reconstruction Project in an amount not to exceed $994,592 under CIP 1072.

   e) **Resolution No. 22-56 –** Authorizing an amendment to the Janitorial Services Contract with **Flagship Airport Services, Inc. (Flagship)** for janitorial services, revising the Scope of Services, effective August 1, 2022, for an additional amount of $61,705.94 for the remainder of the contract term, including 2-one-year extensions.

f) **Resolution No. 22-57 –** Approving the Fourth Amendment to the Car Rental Concession Agreement with **Enterprise Leasing Company of Phoenix, LLC**.

g) **Resolution No. 22-58 –** Authorizing the Second Amendment to the Car Rental Concession Agreement with the **Hertz Corporation**.

h) **Resolution No. 22-59 –** Authorizing Amendment 2 to the Land Lease Agreement with **Gateway Executive Airpark, LLC** for lots 11-14 in order to lengthen the Construction Milestone identified in Section 7.2.4 to September 30, 2023.

i) **Resolution No. 22-60 –** Authorizing the Executive Director to execute an operating agreement with **Swoop, Inc**. for commercial air service at the Airport.

j) **Resolution No. 22-61 –** Authorizing the purchase of one 28V GPU from **ITW GSE** in an amount not to exceed $63,641.32.

k) **Resolution No. 22-62 –** Authorizing an **Amendment of the FY23 Capital Budget** to add $3,982,327 in funding for the Design and Construction of an **Enclosed Pedestrian Walkway** under CIP 1252.

l) **Resolution No. 22-63 –** Authorizing an **Amendment of the FY23 Capital Budget** to add $1,825,000 in funding for the Construction of the **Rental Car Care Facility Improvements** under CIP 1242.

Consideration and Possible Approval of:

7. **Resolution No. 22-64 –** Authorizing a Construction Services Contract, Construction Manager at Risk (CMAR), with **Willmeng Construction, Inc.**, for the Rental Car Care Facility Improvements Project in an amount not to exceed $7,321,080 under CIP 1242.

8. **Board Member Comments/Announcements**

9. **Next Meeting: Tuesday, October 18, 2022 at 9:00 a.m.**

10. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

NOTICE OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

NO BOARD MEETING IN AUGUST

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, September 20, 2022 beginning at 9:00 a.m**. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney or any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

Phoenix-Mesa Gateway Airport

- **New Air Traffic Control Tower Operational as of August 27, 2022**
- **Construction of Alpha Apron Phase IV to Begin on September 12th**
- **Macayo's Mexican Food and Infusion Coffee & Tea Opening in Terminal**
- **Gateway Airport Impacted by Nationwide Pilot Shortage**
- **New Enclosed Pedestrian Walkway will be a Major Customer Service Enhancement**

Executive Director's Report

September 2022

Financial Snapshot

OPERATING INCOME	July		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY22	FY23	
Revenues	$2,243,435	$2,292,480	**$49,045**	$2,243,435	$2,292,480	**$49,045**
Less Expenses	$1,812,671	$1,863,969	**$51,298**	$1,812,671	$1,863,969	**$51,298**
Operating Income *(Before Depreciation)*	**$430,764**	**$428,511**	**($2,253)**	**$430,764**	**$428,511**	**($2,253)**

Investment Fund Balances: As of July, the Local Governmental Investment Pool (LGIP) 700 = $18,717,424; Wells Fargo; Collateralized Money Market = $5,055,165 and Collateralized CD's = $44,586,888; Total $68,359,477. The market value accounting adjustment was ($369,636) for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $428,511 for July 2022. Despite a six percent decrease in passenger activity this July, PMGAA's monthly financial results were very closely aligned with July last year. Impacts associated with a reduced flight schedule from Allegiant due to a nationwide pilot shortage were offset by increased food, beverage, and retail concession spending and additional aeronautical lease revenue.

Despite the rising cost of fuel, a challenging labor market, and escalating maintenance costs, PMGAA reported operating expenses just three percent above last year and eight percent below budget estimates.

PMGAA is expecting systemwide airline schedule reductions to continue through the remainder of 2022 and into the first two quarters of 2023 as new pilots are hired and trained.

Airport Operations

Gateway Airport Impacted by Nationwide Pilot Shortage

One of the more serious impacts of the COVID-19 pandemic is a nationwide shortage of commercial pilots. When the outbreak first occurred, most airlines dramatically reduced their flight schedules and offered eligible pilots an early retirement package. Now that air travel has returned to pre-pandemic levels, airlines are scrambling to hire enough pilots to meet the growing demand for flights.

Allegiant Air recently informed PMGAA that they are reducing flight schedules systemwide until early/mid 2023. Reason being is two-fold: first, they need to hire additional pilots; and second, they need to train their Airbus pilots to fly the 100 Boeing 737 Max aircraft on order. Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) is a large, profitable station for Allegiant. PMGAA staff is confident that Allegiant will make Gateway Airport a priority as they add service back once pilots are hired and trained in 2023.

PMGAA Team Member Spotlight

Employee Name: **Kristina Badillo**
Employee Title: **Human Resources Specialist**
PMGAA Department: **Human Resources**
Years with PMGAA: **3+**

What are your job responsibilities for PMGAA? I am responsible for the administration of the HRIS system, recruitment processing, onboarding/offboarding, managing department expenses, employee files, employment verification, employee recognition programs and HR records retention. I also complete miscellaneous projects and tasks to help the department such as maintaining department webpage content, employee discount program, and generating and formatting various reports and documents as needed.

What is your most memorable Gateway Airport moment? Being able to see all the different aircraft come in day after day has been an amazing experience, but I would say my most memorable moment was my recent trip to the new Air Traffic Control Tower. What a wonderful view!

What is something people may not know about you? I love going on all sorts of adventures with family and friends. Traveling to different places, going to theme parks to ride as many rollercoasters as possible, and attending concerts...yes, please! Zip-lining while in Okinawa is one of my highlights thus far.

Engineering and Planning

New Enclosed Pedestrian Walkway will be a Major Customer Service Enhancement

Exterior Rendering of New Pedestrian Walkway

Interior Rendering of New Pedestrian Walkway

Thanks to the leadership of U.S. Senators Sinema and Kelly, U.S. Congressman Stanton, and Arizona's Congressional Delegation, Gateway Airport is receiving a Bipartisan Infrastructure Law (BIL) grant to construct a new, enclosed pedestrian walkway connecting the Ticketing Terminal to the Security Screening Checkpoint. This project will increase passenger queuing at the checkpoint and allow customers to stay inside while transitioning from ticketing to security screening.

New Air Traffic Control Tower Operational as of August 27th

FAA Regional Director Mark McClardy Speaks at the ATCT Dedication

More than one hundred federal, state, and local elected officials and other dignitaries gathered on August 23rd to dedicate the Airport's new Air Traffic Control Tower (Tower, ATCT) named after the late U.S. Senator from Arizona John S. McCain III. The impressive new Tower, which became operational on August 27, 2022, stands 199-feet tall, has a 550 SF controller cab, and cost approximately $30MM.

The ATCT project has been years in the making and wouldn't have been possible if PMGAA didn't work to change federal law. Mesa Mayor John Giles and other members of the PMGAA Board of Directors; Arizona's Congressional Delegation; Mesa's Assistant City Manager Scott Butler; and PMGAA's Director of Communications and Government Relations Ryan Smith worked hard over several years to convince U.S. Congress to remove a $2MM cap on federal funding for the construction of contract ATCTs. The provision was removed from the 2018 FAA Reauthorization Act enabling Gateway Airport to receive federal grants totaling approximately $28MM.

There are many individuals that should take great pride in the team effort it took to get the new Tower funded, designed, and built. Thank you all and on to the next exciting project!

Construction of Alpha Apron Phase IV to Begin on September 12th

Gateway Airport is continuing its expansion of the Alpha Apron to help facilitate the efficient parking of larger and heavier aircraft. Construction of Phase IV, a 250,000 SF aircraft parking area located at the mid-field of the airfield, will begin on September 12th, and will be completed in March 2023 before the U.S. Forest Service opens its Mesa Base for the fire season.

Alpha Apron Phase IV, 250,000 SF of new concrete on the airfield

In recent months, the frequency of larger cargo aircraft has increased at Gateway Airport because a large Arizona company began using the Airport for the 'just in time' deliveries of manufacturing components and production supplies.

Gateway Aviation Services

PMGAA pumped more than 1.3MM gallons of aviation fuel during the month of July 2022, a 20% decrease from the amount of fuel dispensed during July 2021 when the U.S. Forest Service was more active and Allegiant wasn't challenged by a national pilot shortage. There are several large private development projects currently underway at the Airport that, when completed, represent additional commercial, corporate, military, and general aviation fueling activity.

FUEL (Gallons)	July			FYTD

Community Noise Report

PMGAA received communication from 10 individuals during July 2022 regarding aircraft noise issues, compared to communication from 16 area individuals last July. The map to the right depicts where the noise calls emanated from during July 2022 – five from Mesa, four from Gilbert, and one from Queen Creek.

PMGAA prides itself on trying to be a good neighbor and works with the adjacent communities to educate homeowners and address their concerns.

Business Development

Macayo's Mexican Food and Infusion Coffee & Tea Crafters Opening in Terminal

Over the past few years, passenger activity at Gateway Airport has increased as more and more air travelers discover the convenience and value of using greater Phoenix's other airport. PMGAA is expanding food, beverage, and retail options to better serve the Airport's growing customer base.

Macayo's Mexican Food and Infusion Coffee & Tea Crafters will be opening in the terminal at the end of September/beginning of October between Gates 4 and 5, providing authentic Mexican food and specialty coffees and teas popular for early morning departures.

Rendering of Macayo's and Infusion Coffee & Tea

Community and Government Relations

PMGAA Hosts Elected Officials, Key Stakeholders, and Community VIPs for Tower Tours

A Group of Elected Officials and Community Members from Queen Creek

When a major project is done right and is completed on-time and under budget, you've got to show it off! And that's exactly what PMGAA did with its new ATCT. Prior to the new Tower becoming operational on August 27th, PMGAA staff hosted numerous groups of elected officials, key stakeholders, and community VIPs for tours of the impressive new facility. Participants visited the Tower cab, training room, controller break room, Air Traffic Manager's office, and the exterior catwalk high above Gateway Airport's airfield.

Are You Travel ID/REAL ID Ready?

Starting on May 3, 2023, all U.S. air travelers must be Travel ID/REAL ID compliant to board domestic flights and access certain federal facilities. The TSA checkpoint at Phoenix-Mesa Gateway Airport will only accept a driver's license with a gold star in the upper right-hand corner, a valid passport, or another Travel ID/Real ID compliant identification. Don't wait…get yours today!

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | July 19, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, July 19, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix (*via videoconference*)
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community (*via videoconference*)
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa

** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Moment of Silence for Queen Creek Mayor Gail Barney**

5. **Call to the Public**
   There were no public comments.

6. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Preliminary and unaudited Year-End Fiscal Year 2022 (FY22) Net Operating Income is $4,821,599.
   - Record Setting May! Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 137,336 commercial passengers during May 2022; a 23% increase in passengers compared to May 2021. Allegiant has notified the Authority of reductions in service for June, July, and August due to a pilot shortage impacting their service system wide.
   - Virgin Galactic announced it will be leasing two of the three Gateway Executive Airpark hangars located at the north end of the airfield. The remaining hangar, which is nearly complete, will be available for lease this fall. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships. Gateway Airport is not becoming a spaceport. The spaceships will be transported to Spaceport America, New Mexico for their launch activities.

DRAFT

- Senator Sinema, Senator Kelly, and Congressman Stanton were instrumental in PMGAA receiving a $14.4MM grant from the Bipartisan Infrastructure Law (BIL) Terminal Modernization Program to construct a new 30,000 SF, 5-gate terminal addition.
- As part of the BIL, PMGAA received a supplemental AIP Grant appropriation of approximately $4.4MM each year for the next five years.
- Renovations continue for the new Macayo's Mexican Food/Infusion Coffee & Tea Crafters. The anticipated opening for these two new restaurants will be in late August or early September.
- The Master Development Agreement and the Master Lease Agreement with The Boyer Company was approved at the June Board meeting. Gateway***East*** is a 300-acre mixed use non-aeronautical master development opportunity located on the east side of the Airport. The Boyer Company is currently working on a master plan and with the City of Mesa on entitlements.
- Design for SkyBridge Arizona's horizontal infrastructure – taxi lane extension, entrance roadways, sewer, water, fiber, and other utilities – is complete. SkyBridge Arizona is designing two additional industrial buildings. These two flex industrial buildings will be approximately 250,000 SF each. Great to see progress continuing on this exciting Master Development!
- Gateway Tomorrow is a planning initiative to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. A Request for Qualifications (RFQ) for the long-range planning project has been issued. The evaluation panel met on July 18th with the three most qualified submitters for the interview portion of the selection process. At the September 20th Board meeting the committee's top choice will be presented to the Board for their consideration and approval.
- The exterior of the Air Traffic Control Tower (ATCT) is complete and interior construction is nearly complete. The ATCT is on-track to be commissioned at the end of August.
- A ticketing terminal connector has been designed to allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint by approximately 30% and will keep passengers in a climate-controlled environment from ticketing through security screening. A portion of the FY23 BIL AIP Supplemental Grant will be used to fund this project.
- PMGAA has expanded aircraft parking opportunities for larger/heavier aircraft at the south end of the airfield. Alpha Apron Phase III was completed just before the wildfire season this year and is now in use by the U.S. Forest Service. The design for Alpha Apron IV is complete and construction will begin once the Airport's new ATCT is finished.
- Federal funding received from the BIL, Federal Aviation Administration (FAA), and the Arizona Department of Transportation (ADOT) will allow portions of Runway 12C/30C to be reconstructed during FY23. The runway will be closed for six to eight months while the reconstruction takes place. The Airport has two additional 10,000-foot runways and will maintain normal operations during the entire project.
- PMGAA is improving the Rental Car Return Lot and the Rental Car Care Facility. Construction on the Rental Car Return Lot has begun. This project will use Customer Facility Charge (CFC) funds to re-design traffic flow, expand capacity, add new office facilities, and erect shade structures for customer convenience. CFC funds are fees assessed to passengers renting cars at the Airport. These funds go directly into a dedicated account and can only be used to improve the infrastructure and facilities for rental car operations.
- PMGAA is planning to expand its fuel storage capacity to protect against future fuel delivery disruptions. Current fuel storage is 250,000 gallons which is a 3-day supply and susceptible to

fuel delivery disruptions. An additional 300,000 gallons in tank storage is being planned and will increase fuel storage on-Airport to a 7-day supply. This extra capacity will further protect the Airport and its customers from future fuel delivery disruptions.

- The Ray Road Economy Parking Lot expansion project is nearly complete. An additional 1,300 parking spaces will be available by the end of July.

7. Consent Agenda

a) **Minutes** of the Board Meeting held on **June 21, 2022.**

b) **Resolution No. 22-39 –** Authorizing the purchase of pavement materials from **Brewer Cote of Arizona** for FY23, in an amount not to exceed $75,000.

c) **Resolution No. 22-40 –** Authorizing the purchase of airfield asphalt repair services with **Sunland Asphalt of Arizona, Inc. (Sunland)** for an amount not to exceed $100,000.

d) **Resolution No. 22-41 –** Approving an Authorization of Services for Alpha Apron Expansion Phase IV Construction Support and Observation Services with **Kimley-Horn & Associates** in an amount not-to-exceed $472,116 under CIP 1231.

e) **Resolution No. 22-42 –** Authorizing an amendment of the FY23 Capital Budget to provide an additional $6,575,000 in funding for the **Terminal Modernization Construction Project** under CIP 1201.

f) **Resolution No. 22-43 –** Authorizing a contract with **DWL Architects + Planners, Inc.** for Construction Administration Services for the Terminal Modernization Construction Project, in an amount not to exceed $389,399 under CIP 1201.

g) **Resolution No. 22-44 –** Approving an Authorization of Services with **Dibble Engineering** for Construction Phase Services for the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $703,719 under CIP 1202.

h) **Resolution No. 22-45 –** Authorizing an amendment of the FY23 Capital Budget to provide an additional $3,583,000 in funding to CIP 1202 **Center Runway 12/30C Reconstruction Project** under CIP 1202.

i) **Resolution No. 22-46** Authorizing an Intergovernmental Agreement with the **City of Mesa** for the construction of Aviation Way.

j) **Resolution No. 22-47 –** Authorizing a Facility Lease Agreement with **Sierra Building Systems, LLC** for the facility located at 6416 South Sossaman Road. The lease term is five (5) years, commencing August 1, 2022, with five (5) additional one-year renewal options.

k) **Resolution No. 22-48 –** Authorizing a Development Lease with **SkyB Lot 109 LLC**, an Arizona limited liability company, for 15.059 acres located within the SkyBridge Arizona project identified as Lot 109. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with **MESA SKYBRIDGE, LLC** to concurrently remove Lot 109 from the Master Lease Agreement.

l) **Resolution No. 22-49 –** Authorizing a Development Lease with **SkyB Lot 108 LLC**, an Arizona limited liability company, for 13.8609 acres located within the SkyBridge Arizona project identified as Lot 108. The lease term is SIXTY (60) years commencing on August 1st, 2022. To authorize an Adjustment Amendment with **MESA SKYBRIDGE, LLC** to concurrently remove Lot 108 from the Master Lease Agreement.

Mayor John Giles moved to approve the Consent Agenda.
Vice Mayor Jeff Brown seconded the motion.
The motion was carried unanimously.

Consideration and Possible Approval of:

7. **Resolution No. 22-50 –** Approving a Construction Contract with **Pulice Construction, Inc**. for Construction of the Alpha Apron Expansion Phase IV Project in an amount not to exceed $8,614,693 under CIP 1231.

Mayor Chip Wilson moved to approve Resolution No. 22-50.
Councilmember Jim Waring seconded the motion.
The motion was carried unanimously.

8. **Resolution No. 22-51 –** Approving a Construction Contract with **Coffman Specialties, Inc**. for Construction of the Center Runway 12C/30C Reconstruction Project in an amount not to exceed $15,777,632 under CIP 1202, subject to receipt of two (2) FAA federal grants to Phoenix-Mesa Gateway Airport Authority.

Mayor Chip Wilson moved to approve Resolution No. 22-51.
Councilmember Jim Waring seconded the motion.
The motion was carried unanimously.

9. **Resolution No. 22-52 –** Authorizing a contract for the Terminal Modernization Construction Manager at Risk Construction Services and Guaranteed Maximum Price, with **McCarthy Building Companies, Inc.** in an amount not to exceed $25,997,410 under CIP 1201.

Mayor Giles disclosed a personal interest in Resolution 22-52 and recused himself from discussing or voting on this item.

Vice Mayor Jeff Brown moved to approve Resolution No. 22-52.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

10. **Board Member Comments/Announcements.**
Following the Pledge of Allegiance, Chair Peterson asked to observe a moment of silence in remembrance of Mayor Gail Barney.

On behalf of the Authority, Executive Director O'Neill presented Mayor Giles with a crystal trophy for his outstanding leadership and thoughtful guidance as PMGAA's Chairman of the Board of Directors during FY22.

11. **Next Meeting: Tuesday, September 20, 2022** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

12. **Adjournment.**
    The meeting adjourned at 9:33 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 22-53

To:	**Board of Directors**
From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP678 – Lavatory Service Truck**
Date:	**September 20, 2022**

Proposed Motion
To authorize the purchase of one Lavatory Service Truck from Stinar, LLC (Stinar) in an amount not to exceed $194,058.83.

Narrative
Phoenix Mesa Gateway Airport Authority's Fixed Base Operator (FBO) uses the lavatory service truck to assist in servicing lavatories on various aircraft that come to the Phoenix-Mesa Gateway Airport (PMGA). This unit will replace the FBO's current lavatory service truck which has reached the end of its useful life cycle.

Invitation For Bid No. 2023-004-IFB for one Lavatory Service Truck was issued July 18, 2022 and advertised in the Arizona Business Gazette on July 21 and 28 and August 4 and 11, 2022. The notice was also posted on the Airport's website, as well as the AzAA, ACC, and ACI-NA websites. In addition, the IFB notice was emailed to 5 prospective respondents. The bid opening was held August 17, 2022, and two (2) bids were received. One bid was deemed nonresponsive as it did not meet the minimum specifications required of the IFB.

In accordance with Procurement Policy 22-01, it was determined that the pricing received through Stinar's bid was in line with the requested equipment. Therefore, PMGAA staff is recommending award of this purchase to Stinar.

Fiscal Impact
This expenditure is included in the FY23 capital budget as Project 678.

From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP687 – Aircraft Air Start Unit**
Date:	**September 20, 2022**

Proposed Motion
To authorize the purchase of one Aircraft Air Start Unit from Aero Specialties, Inc. (Aero Specialties) in an amount not to exceed $232,666.28.

Narrative
Phoenix Mesa Gateway Airport Authority's Fixed Base Operator (FBO) uses the aircraft air start unit to assist in starting various aircraft that come to Phoenix-Mesa Gateway Airport (PMGA) and require an aircraft air start unit to start their engines. This unit will replace the FBO's current aircraft air start unit which has reached the end of its useful life cycle.

Invitation For Bid No. 2023-007-IFB for one Aircraft Air Start Unit was issued July 19, 2022 and advertised in the Arizona Business Gazette on July 21 and 28 and August 4 and 11, 2022. The notice was also posted on the Airport's website, as well as the AzAA, ACC, and ACI-NA websites. In addition, the IFB notice was emailed to four prospective respondents. The bid opening was held August 22, 2022.

PMGAA staff received one bid in response to the IFB, from Aero Specialties. As only one bid was received and in accordance with Procurement Policy 22-01, it was determined that the pricing received through Aerospecialties' bid was in line with the requested equipment. Therefore, PMGAA staff is recommending award of this purchase to Aero Specialties.

Fiscal Impact
This expenditure is included in the FY23 capital budget as Project 687.

Board Action Item

Re: Resolution 22-55

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Runway 12R-30L Reconstruction – Design & Bid Phase Services – Dibble Engineering – CIP 1072**
Date:	**September 20, 2022**

Proposed Motion

To approve an Authorization of Services with Dibble Engineering for Design and Bid Phase Services for the Runway 12R-30L Reconstruction Project in an amount not to exceed $994,592 under CIP 1072.

Narrative

Due to the continued commercial aircraft usage and the age of the pavement, Runway 12R-30L has deteriorated to a pavement condition requiring extensive repairs and it has been recommended that a full reconstruction must be done to improve the pavement and subgrade strength. Runway 12R-30L is PMGAA's longest runway at 10,401 feet long and 150 feet wide and is primarily used for commercial service aircraft operations.

Dibble Engineering will perform and provide Design and Bid Phase Services that include, but are not limited to, reconstruction of the 6,385' portion of RWY 12R-30L with a new PCCP section; an additional 500' of RWY 12R and 220' of RWY 30L Thresholds; 35' wide RWY shoulders; work on TWY K and B3; runway lighting, signage and pavement markings. The Design Phase Services will include 100% Final Plans, Contract Documents, Technical Specifications, Final Quantities, the Engineer's OPCC and Final Engineer's Design Report. The Bid Phase Services will include Pre-Bid Meeting, Site Visit, Bid Addenda, Contractor Questions, Bid Opening Meeting, Bid Tabulation and Recommendation.

In 2019, a Request for Qualifications, 2020-007-RFQ for On-Call Engineering Services was issued. Dibble Engineering was one of two firms selected as the most qualified. In accordance with the terms of our agreement, C-2020007-B, Dibble Engineering worked with Airport staff to refine a Scope of Work for Design Phase Services and Bid Phase Services for the Runway 12R-30L Reconstruction project. The total cost for these combined services was negotiated based upon the contract fee schedule at a cost not-to-exceed $994,592.

Fiscal Impact

This project is included in the FY23 Capital Budget utilizing FAA, ADOT and PMGAA matching non-grant funds under CIP 1072.

AUTHORIZATION OF SERVICES
Dibble, AOS 20B-2303

The signing of this Authorization (Agreement) by Phoenix-Mesa Gateway Airport Authority (PMGAA) and Dibble & Associates Consulting Engineers Inc., 7878 N. 16th Street, Ste 300, Phoenix, AZ 85202, ("Dibble"), authorizes Dibble to carry-out and complete the services described below in consideration of the mutual covenants set forth below:

1. **PROJECT**: RWY 12R-30L Reconstruction – Design & Bid Phase Services under CIP 1072

2. **SCOPE OF WORK**: Perform and provide Design and Bid Phase Services for the Runway 12R-30L Reconstruction Project. Design Phase Services will include, but are not limited to, 100% Final Plans, Contract Documents, Technical Specifications, Final Quantities, and the Final Engineer's Report. The Bid Phase Services will include Project Management and Administration, Pre-Bid Meeting, Bid Opening, Tabulation and Recommendation. All services are to be performed in accordance with PMGAA Agreement C-2020-007-B, including the Standard Terms, and the attached detailed scope of work. Services shall be coordinated with and approved by a PMGAA Authorized Representative prior to start of work.

3. **FEE FOR SERVICES**: The fee for services shall be based upon the attached scope of work, not to exceed Nine hundred ninety-four thousand, five hundred ninety-two dollars and zero cents ($994,592), without the express written approval of PMGAA.

4. **AVAILABILITY OF PROJECT FUNDING:** The approval and continuation of this contract is subject to the availability of funds provided to, made available to, or appropriated by PMGAA for this purpose. In the event that funds are not available or appropriated for PMGAA's payment requirements under this contract for the goods and/or services to be provided hereunder, PMGAA may terminate this contract by providing notice to the consultant of the lack of the availability of funds. The consultant acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, and that this contract, its approval and continuation, may be contingent on the availability of those funds being made to PMGAA.

5. **INCORPORATED:** The following documents are hereby incorporated with this Authorization of Services and made part thereof:

   ☑ PMGAA Agreement C-2020007-B dated December 17, 2019.

6. **ATTACHED:** The following documents are attached to this Agreement and are incorporated herein by this reference made part thereof:

☑ Updated Scope and Fee Proposal dated August 22, 2022.

PMGAA and Dibble acknowledge that they are in agreement with the terms and conditions as set forth in this Authorization.

Board Action Item

Re: Resolution 22-56

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Amendment to Flagship Janitorial Services Contract**
Date:	**September 20, 2022**

Proposed Motion

To authorize an amendment to the Janitorial Services Contract with Flagship Airport Services, Inc. (Flagship) for janitorial services, revising the Scope of Services, effective August 1, 2022, for an additional amount of $61,705.94 for the remainder of the contract term, including 2-one-year extensions.

Narrative

The Phoenix-Mesa Gateway Airport Authority (PMGAA) contracts with Flagship to provide janitorial services. Revisions to the scope of service include adding services for the new Air Traffic Control Tower (ATCT) and the Rental Car Ready Lot. The addition of the new ATCT and Rental Car Ready Lot includes cleaning of the entirety of space based on the scopes as described in the attached amendment. There will be a period of time in which both towers will need cleaning until the transition period is completed. The existing ATCT will remain in the Scope of Services until a predetermined date in which the service, and associated fees, will cease.

Section VI- Alteration in Scope of Services of Contract# 20210200, authorizes Flagship and PMGAA to modify the Scope of Services by a written and executed amendment approved by the respective contractor and PMGAA.

The amendment addresses changes in scope in order to maintain a clean environment, commencing on August 1, 2022, through September 30, 2024, unless extended or terminated earlier pursuant to the provisions of the Agreement.

Fiscal Impact

This contract was included in the FY23 operating budget.

Agreement Amendment Number 1
Agreement Number: 20210200

This FIRST AMENDMENT to the Janitorial Services Agreement is executed to be effective as of July 25, 2022 by and between the PHOENIX MESA GATEWAY AIRPORT AUTHORITY, a joint powers airport authority authorized by the State of Arizona, its successors and assigns ("PMGAA") and Flagship Airport Services, Inc., a California S-Corporation ("Contractor"). PMGAA and Contractor may be referred to jointly as "Parties," and each separately as a "Party". This AMENDMENT 1 hereby amends that certain Janitorial Services Agreement between PMGAA and Contractor dated and effective October 1, 2021 (the "Agreement"), with respect to the Buildings and Scope of Services.

WITNESSETH:

WHEREAS, PMGAA and Contractor desire to enter into this AMENDMENT 1 in order to modify the Agreement;

WHEREAS, PMGAA and Contractor desire to expand the Scope of Services, adding two new locations to the Building Locations to be cleaned: 1) New Air Traffic Control Tower (6309-03) and 2) Rental Car Ready Lot.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this AMENDMENT 1 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Exhibit A, Scope of Services & Fee Schedule
   Fee Schedule, Campus Buildings is hereby deleted in its entirety and replaced with the following effective August 1, 2022:

Offeror agrees to perform all services as detailed in the Contract for the Airport Campus Buildings for the following prices:

YEAR ONE (ending September 30, 2022):

Facility	Monthly Price
General Aviation Center	$3,038.32

Board Action Item

Re: Resolution 22-57

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Enterprise - Fourth Amendment to Car Rental Concession Agreement
Date: September 20, 2022

Proposed Motion
To authorize the Fourth Amendment to the Car Rental Concession Agreement with Enterprise Leasing Company of Phoenix, LLC.

Narrative
Enterprise Leasing Company of Phoenix, LLC ("Enterprise") has operated the Enterprise Rent-A-Car, Alamo Rent-A-Car, and National Car Rental brands at Phoenix Mesa Gateway Airport under the current Car Rental Concession Agreement ("Agreement") since December 2013. The Agreement Initial Term was five (5) years, with three (3) additional one-year Renewal Terms, and was set to terminate on November 30, 2021.

Starting in 2020, the impacts of COVID-19 significantly disrupted domestic and international travel resulting in historic declines in passenger traffic at the Airport Terminal. On October 20, 2021, the Board authorized the First Amendment to the Agreement extending the Term an additional eighteen (18) months and setting a new termination date of May 31, 2023.

The Airport intends to conduct a competitive solicitation to award new Car Rental Concession Agreements that coincides with the completion of critical improvements to the facilities that support car rental operations. Unfortunately, these improvements are experiencing significant delays due to the lingering impacts of COVID-19 on the construction industry.

As such, Airport staff is recommending an additional seven (7) month extension to the Agreement so that the current Agreement expires shortly after all improvements have been completed.

Agreement Term and Rate
If the Fourth Amendment is approved, the Agreement will be extended seven (7) months from May 31, 2023, and terminate on December 31, 2023.

All other terms and conditions of the Agreement remain unchanged.

Attachment(s)
Fourth Amendment to the Car Rental Concession Agreement

RESOLUTION NO. 22-57

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the Fourth Amendment to the Car Rental Concession Agreement with Enterprise Leasing Company of Phoenix, LLC;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the Fourth Amendment to the Car Rental Concession Agreement with Enterprise Leasing Company of Phoenix, LLC. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

FOURTH AMENDMENT TO CAR RENTAL CONCESSION AGREEMENT

This FOURTH AMENDMENT TO CONCESSION AGREEMENT ("Amendment 4") is executed to be effective as of the Twentieth (20th) day of September 2022, by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized under the laws of the State of Arizona, its successors and assigns ("PMGAA"), and **ENTERPRISE LEASING COMPANY OF PHOENIX, LLC**, a Delaware limited liability company qualified to do business in the State of Arizona as **Enterprise Rent-A-Car, Alamo Rent a Car, and National Car Rental** ("Concessionaire") (collectively, the "Parties"). This AMENDMENT 4 hereby amends that certain Amended and Restated Car Rental Concession Agreement (as amended, the "Agreement") between PMGAA and Concessionaire dated and effective as of December 1, 2013, and amended on March 1, 2017, August 1, 2019, and October 20, 2021, with respect to Concessionaire's car rental business activities taking place at the Airport.

WITNESSETH:

WHEREAS, PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport (formerly the Williams Gateway Airport), an airport and airfield property generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

WHEREAS, PMGAA has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

WHEREAS, PMGAA desires Concessionaire's services as the operator of a Car Rental concession at the Airport, is willing to make space available for use by Concessionaire in connection therewith, and has deemed Concessionaire qualified to perform said services, and Concessionaire desires to perform and provide said services at the Airport; and

WHEREAS, Parties executed COVID Extension #1 extending the Term to May 31, 2023, due to significant declines in passenger traffic at the Airport Terminal.

WHEREAS, the impacts of COVID-19 have significantly affected the construction industry and resulted in delays to PMGAA Rental Car Facility Improvement projects.

NOW, **THEREFORE**, in consideration of the mutual covenants and agreements contained in this AMENDMENT 4 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. A new Section 2.5 is added as follows:

   2.5 COVID-19 Extension #2. Provided Concessionaire is not then in default of this Agreement, Concessionaire may request a seven (7) month extension ("COVID-19 Extension #2") of the Term by providing PMGAA with a written request within THIRTY (30) calendar days of the Effective Date of this Amendment. PMGAA will approve or deny the request, in writing, in its sole and absolute discretion, within SEVEN (7) calendar days after receipt of request for the COVID-19 Extension #2.

2. Concessionaire warrants and represents to PMGAA that: (i) all necessary actions have been taken to authorize the execution of this AMENDMENT 4 by Concessionaire; (ii) the persons who have

executed this AMENDMENT 4 on behalf of Concessionaire are duly authorized to do so; and (iii) this AMENDMENT 4 constitutes a legal, valid and binding obligation of Concessionaire, enforceable against Concessionaire in accordance with its terms and the terms of the Agreement.

3. In all other respects, the Agreement shall remain unchanged and in full force and effect. The Agreement, as amended by this AMENDMENT 4, shall continue to be binding upon PMGAA and Concessionaire and their permitted successors and assigns.

4. All of the Recitals set forth above are incorporated into this AMENDMENT 4 by this reference.

IN WITNESS WHEREOF, the Parties have entered into this AMENDMENT 4 as of the date first set forth above.

Board Action Item

Re: Resolution 22-58

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Hertz – Second Amendment to Car Rental Concession Agreement
Date: September 20, 2022

Proposed Motion
To authorize the Second Amendment to the Car Rental Concession Agreement with the Hertz Corporation.

Narrative
The Hertz Corporation ("Hertz") has operated the Hertz Rental Car brand under the current Car Rental Concession Agreement ("Agreement") since March 2014. The Agreement Initial Term was four (4) years and eight (8) months, with three (3) additional one-year Renewal Terms, and was set to terminate on November 30, 2021.

Starting in 2020, the impacts of COVID-19 significantly disrupted domestic and international travel resulting in historic declines in passenger traffic at the Airport Terminal. On October 20, 2021, the Board authorized the First Amendment to the Agreement extending the Term an additional eighteen (18) months and setting a new termination date of May 31, 2023.

The Airport intends to conduct a competitive solicitation to award new Car Rental Concession Agreements that coincides with the completion of critical improvements to the facilities that support car rental operations. Unfortunately, these improvements are experiencing significant delays due to the lingering impacts of COVID-19 on the construction industry.

As such, Airport staff is recommending an additional seven (7) month extension to the Agreement so that the current Agreement expires shortly after all improvements have been completed.

Agreement Term and Rate
If the Second Amendment is approved, the Agreement will be extended seven (7) months from May 31, 2023, and terminate on December 31, 2023.

All other terms and conditions of the Agreement remain unchanged.

SECOND AMENDMENT TO CAR RENTAL CONCESSION AGREEMENT

This SECOND AMENDMENT TO CONCESSION AGREEMENT ("Amendment 2") is executed to be effective as of the Twentieth (20th) day of September 2022, by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized under the laws of the State of Arizona, its successors and assigns ("PMGAA"), and **THE HERTZ CORPORATION**, a Delaware corporation qualified to do business in the State of Arizona ("Concessionaire") (collectively, the "Parties"). This AMENDMENT 2 hereby amends that certain Amended and Restated Car Rental Concession Agreement (the "Agreement") between PMGAA and Concessionaire dated and effective as of March 1, 2014 and amended on October 20, 2021 with respect to Concessionaire's car rental business activities taking place at the Airport.

WITNESSETH:

WHEREAS, PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport (formerly the Williams Gateway Airport), an airport and airfield property generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

WHEREAS, PMGAA has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

WHEREAS, PMGAA desires Concessionaire's services as the operator of a Car Rental concession at the Airport, is willing to make space available for use by Concessionaire in connection therewith, and has deemed Concessionaire qualified to perform said services, and Concessionaire desires to perform and provide said services at the Airport; and

WHEREAS, Parties executed COVID Extension #1 extending the Term to May 31, 2023, due to significant declines in passenger traffic at the Airport Terminal.

WHEREAS, the impacts of COVID-19 have significantly affected the construction industry and resulted in delays to PMGAA Rental Car Facility Improvement projects.

NOW, **THEREFORE**, in consideration of the mutual covenants and agreements contained in this AMENDMENT 2 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. A new Section 2.5 is added as follows:

   2.5 COVID-19 Extension #2. Provided Concessionaire is not then in default of this Agreement, Concessionaire may request a seven (7) month extension ("COVID-19 Extension #2") of the Term by providing PMGAA with a written request within THIRTY (30) calendar days of the Effective Date of this Amendment. PMGAA will approve or deny the request, in writing, in its sole and absolute discretion, within SEVEN (7) calendar days after receipt of request for the COVID-19 Extension #2.

2. Concessionaire warrants and represents to PMGAA that: (i) all necessary actions have been taken to authorize the execution of this AMENDMENT 2 by Concessionaire; (ii) the persons who have executed this AMENDMENT 2 on behalf of Concessionaire are duly authorized to do so; and (iii) this AMENDMENT 2 constitutes a legal, valid and binding obligation of Concessionaire, enforceable against Concessionaire in accordance with its terms and the terms of the Agreement.

3. In all other respects, the Agreement shall remain unchanged and in full force and effect. The Agreement, as amended by this AMENDMENT 2, shall continue to be binding upon PMGAA and Concessionaire and their permitted successors and assigns.

4. All of the Recitals set forth above are incorporated into this AMENDMENT 2 by this reference.

IN WITNESS WHEREOF, the Parties have entered into this AMENDMENT 2 as of the date first set forth above.

Board Action Item

Re: Resolution 22-59

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Gateway Executive Airpark - Lease Amendment 2
Date: September 20, 2022

Proposed Motion

To authorize Amendment 2 to the Land Lease Agreement with Gateway Executive Airpark, LLC for lots 11-14 in order to lengthen the Construction Milestone identified in Section 7.2.4 to September 30, 2023.

Narrative

The Phoenix-Mesa Gateway Airport Authority ("Lessee") and Gateway Executive Airpark, LLC ("Lessee") entered into a Land Lease Agreement (the "Lease") on October 1, 2019, for lots 11-14, consisting of approximately 12.25 acres of land (the "Premises") for the purposes of developing a hangar complex consisting of approximately 180,000 square feet (the "Improvements").

In August 2022, Virgin Galactic Holdings announced their intention to sublease Hangar B and Hangar C within the Gateway Executive Airpark LLC, Development. This sublease agreement requires the modification and re-design of Hangar B to accommodate an increase in tail height capabilities of the building. Due to this modification and re-design, completion of construction has been delayed until September 2023.

Staff proposes Amendment 2 to the Lease to lengthen the construction milestone identified in Section 7.2.4 until September 30th, 2023.

There are no other changes to the terms and conditions of the Lease.

Attachment(s)

Land Lease – Gateway Executive Airpark, LLC – Amendment 2

RESOLUTION NO. 22-59

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize Amendment 2 to the Land Lease Agreement with Gateway Executive Airpark, LLC for lots 11-14 in order to lengthen the Construction Milestone identified in Section 7.2.4 to September 30, 2023;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes Amendment 2 to the Land Lease Agreement with Gateway Executive Airpark, LLC for lots 11-14 in order to lengthen the Construction Milestone identified in Section 7.2.4 to September 30, 2023. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 20th day of September, 2022.

SECOND AMENDMENT TO LEASE

This SECOND AMENDMENT TO LEASE ("Amendment 2") is executed to be effective as of the FIRST (1st) day of OCTOBER 2022 ("Amendment 2 Effective Date") by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("Lessor"), and **GATEWAY EXECUTIVE AIRPARK, LLC**, an Arizona limited liability company ("Lessee").

WITNESSETH:

WHEREAS, Lessor and Lessee are parties to that certain Land Lease dated and effective the FIRST (1st) day of OCTOBER 2019, as amended by the First Amendment to Lease dated the TWENTY-FIRST (21st) day of October 2020 (collectively, the "Lease"), with respect to that certain real property at the Airport commonly described as **LOT 11**, LOT 12, **LOT 13**, and LOT 14 which real property is more particularly described in the Lease and referred to in the Lease as the "Premises".

WHEREAS, the Parties desire to enter into this AMENDMENT 2 in order to extend the Construction Milestones to accommodate the re-design and construction of Hangar B and Hangar C dictated by Virgin Galactic Holdings, Inc.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this AMENDMENT 2 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Each capitalized term used in this Amendment 2 and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

2. The provisions of SECTION 7.2.4 are hereby deleted in their entirety and replaced with the following:

> 7.2.4 Lessee shall complete construction of the Improvements at and on the Premises, and shall have obtained a Certificate of Occupancy (or its equivalent) from the City of Mesa therefor, no later than September 30th, 2023, and

3. Lessee warrants and represents to Lessor that: (i) all necessary actions have been taken to authorize the execution of this AMENDMENT 2 by Lessee; (ii) the persons who have executed this AMENDMENT 2 on behalf of Lessee are duly authorized to do so; and (iii) this AMENDMENT 2 constitutes a legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms and the terms of the Agreement

4. In all other respects the Lease shall remain unchanged and in full force and effect. The Lease, as amended by this AMENDMENT 2 shall continue to be binding upon Lessor and Lessee and their permitted successors and assigns.

5. All of the Recitals set forth above are incorporated into this AMENDMENT 2 by this reference.

Board Action Item

Re: Resolution 22-60

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Swoop, Inc. Operating Agreement
Date: September 20, 2022

Proposed Motion
To authorize the Executive Director to execute an operating agreement with Swoop, Inc. for commercial air service at the Airport.

Narrative
Swoop, Inc. ("Swoop") is a Canadian ultra-low-cost airline and a subsidiary of WestJet. The relatively new airline was announced in 2017 and conducted its inaugural flight in June 2018. In August 2018 Swoop announced service to multiple U.S. destinations including Phoenix-Mesa Gateway Airport.

Swoop has notified the Authority that it intends to continue its established seasonal, non-stop service from Phoenix-Mesa Gateway Airport to the Canadian cities of Edmonton, Winnipeg, and Toronto.

The operating agreement between the Authority and Swoop outlines the requirements of Swoop for offering commercial passenger service at the Airport, identifies the applicable changes for facilities and services at the Airport, and contractually obligates Swoop to adhere to the Airport's Rules and Regulations and Minimum Standards.

Fiscal Impact
Variable revenues are more difficult to forecast because they are based on passenger activity. However, the Airport anticipates increases in concessionaire revenue, rental car fees, Car Rental Customer Facility Charges (CFC's), parking fees, Passenger Facility Charges (PFC's) and fuel service charges.

Attachment(s)
Airline Operating Agreement

RESOLUTION NO. 22-60

Phoenix-Mesa Gateway Airport Authority
AIR CARRIER OPERATING AGREEMENT

This Air Carrier Operating Agreement (the "Agreement") is executed to be effective the 1st day of October 2022 (the "Effective Date") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY ("PMGAA")**, a joint powers airport authority authorized under the laws of the State of Arizona ("PMGAA"), and **Swoop, Inc.** ("CARRIER"). PMGAA and CARRIER may be referred to collectively as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

B., PMGAA has the right to enter into Agreement, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

C. CARRIER provides commercial airline services, charters, flight crews, aircraft and desires to use the Airport facilities for commercial operations; and

D. CARRIER desires to obtain certain non-exclusive rights to use the common use areas of the passenger terminal, services and privileges in connection with the use of the Airport and its facilities, and PMGAA is willing to grant the same to CARRIER upon the terms and conditions hereinafter stated; and

E. the Parties agree to enter into this Agreement, specifying the rights and obligations of the Parties with respect to the operation of the Airport by PMGAA and the use and/or occupancy of the Airport by CARRIER;

NOW, THEREFORE, for good and valuable consideration, the mutual covenants and conditions herein set forth and the sufficiency of which is agreed to by the Parties, the Parties hereby agree as follows:

1. PERMITTED ACTIVITIES AND CONDITIONS OF AIRPORT USE.

1.1 CARRIER shall have the right to use, in common with others, the passenger terminal, taxiways, runways, and air navigational aids of the Airport for the purpose of conducting its FAR Part 129 scheduled international operations, public charter, private charter, and the landing and taking off of aircraft incidental thereto, and provided, however, such activities and services are performed in strict accordance with applicable PMGAA Minimum Standards, upon terms and conditions as herein provided.

1.2 RESERVED.

1.3 CARRIER shall not engage in any other commercial or revenue producing activity at the Airport (excluding charter activities by CARRIER, and charter activities requested by PMGAA) without first applying for and receiving written approval for such activity from PMGAA. In the event any other commercial or revenue producing activity is engaged in by CARRIER prior to obtaining such approval, without waiver or limitation of any other remedies available to PMGAA at law or equity, CARRIER hereby agrees to remit to PMGAA the sum equal to TEN PERCENT (10%) of gross billings for such unauthorized activity, plus any expenses incurred by PMGAA in the course of any audit conducted for all of CARRIER's activities.

1.4 CARRIER shall at all times comply with all Federal, State and local laws, ordinances, rules and regulations which are applicable to its operations or the Premises itself (including but not limited to the Americans with Disabilities Act), including all laws, ordinances, rules and regulations adopted after the Effective Date. Carrier shall at all times comply with the Phoenix-Mesa Gateway Airport Authority Rules and Regulations, as the same may be amended from time to time in the Authority's sole and absolute discretion.

2. TERM.

2.1 Subject to earlier termination as provided herein, the term of this Agreement shall be one (1) year, commencing on the Effective Date (the "Term").

2.2 Renewal Term. Provided CARRIER is not then in default of this Agreement, the Term may be extended for one (1) year, without action by the Parties, unless otherwise terminated as provided herein.

2.3 Either Party may terminate this Agreement by providing the notified Party ninety (90) calendar days advance written notice of the terminating Party's intent to do so.

3. EXCLUSIVE & NONEXCLUSIVE RIGHTS.

CARRIER shall have the non-exclusive rights, as applicable, to occupy and use the designated areas of the Airport while in compliance with the terms and conditions of this Agreement. All rights granted to CARRIER under this Agreement are nonexclusive, except as otherwise expressly stated in this Agreement. PMGAA may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that PMGAA deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with CARRIER's use of the Airport.

3.1 CARRIER shall not schedule or advertise flight schedules originating from or destined for Phoenix-Mesa Gateway Airport without prior coordination with PMGAA and confirmation from PMGAA of terminal availability.

3.2 Pursuant to PMGAA's Common Use Facilities Operating Procedures (attached as **EXHIBIT C**), CARRIER shall submit a copy of CARRIER's proposed schedule to PMGAA no less than 60 days prior to the schedule effective date. Along with the schedule submission, CARRIER shall include the name and contact information of the individual responsible for setting CARRIER's schedule at the Airport.

3.3 PMGAA shall provide CARRIER with common use of one (1) boarding gate and four (4) ticketing positions. In addition, CARRIER shall have common use access to additional ticket counters, gate hold rooms, and the baggage claim area for scheduled flight operations, the scheduling of such use is subject to the guidelines outlined in PMGAA's Common Use Facilities Operating Procedures. Common use resources shall be scheduled with PMGAA's Operations & Maintenance department prior to any planned use.

3.4 PMGAA has implemented Common Use Facilities Operating Procedures. PMGAA reserves the right to modify said procedures from time-to-time, as it deems necessary in its sole and absolute discretion and authority to accomplish its purposes. CARRIER shall at all times comply with these operating procedures.

3.5 PMGAA has implemented an Airport Security Program in a form acceptable to the Transportation Security Administration (TSA). PMGAA reserves the right to modify said program from time-to-time, as it deems necessary to accomplish its purposes. CARRIER shall at all times comply with the Airport Security Program and indemnify, defend, hold and save PMGAA, its board members, member governments, officers, officials, employees, and agents free and harmless for, from, and against any violations of said Security Program caused, or alleged to be caused, by the acts, errors or omissions of CARRIER, its employees, agents, invitees or contractors.

4. RENTALS, FEES AND CHARGES

4.1 General. Rent for use of any exclusive use space due and payable at the beginning of each month. All other fees are assessed at the time of each use, flight, or service, as applicable, and are due and payable no later than the twentieth (20th) day of the following month in which the use or activity occurred ("Fee Due Date"). CARRIER shall self- report its flight activity monthly to PMGAA pursuant to Section 5. Delinquent rents and fees shall be assessed a finance charge in accordance with Section 4.11.2. Any ground handling services requested of PMGAA or other authorized service provider by Carrier shall be governed by a separate agreement. In any event, CARRIER shall be the responsible party for the purposes of this Air Carrier Operating Agreement, and therefore CARRIER shall pay, or cause to be paid, to PMGAA, the fees and charges as outlined below:

4.2 Landing Fees. CARRIER shall pay a landing fee at a rate equal to the amount reflected on the most current Airport Rates & Charges Schedule at the time of the aircraft operation, for each flight operated by or in conjunction with CARRIER that is subject to a landing fee in the amount reflected on the most current Airport Rates & Charges Schedule . The weight used to determine the landing fee for any particular aircraft shall be its maximum certificated gross landing weight (MGLW), as certified by the Federal Aviation Administration.

4.3 Terminal Use Fees. Terminal Use includes ticket counter(s) and lobby area, secure hold room and boarding area podium, aircraft parking position, baggage claim area, and common use computer equipment per flight. CARRIER shall pay PMGAA a Terminal Use Fee in the amount reflected on the most current Airport Rates & Charges Schedule.

4.4 Common Use Set-up and Operating Fees. CARRIER shall pay PMGAA for common use terminal equipment, internet connection, and dark fiber per the most current Airport Rates & Charges Schedule.

4.5 Aircraft Parking Fees. CARRIER shall pay PMGAA a fee per the most recent Airport Rates & Charges Schedule for any aircraft occupying an aircraft parking position, including terminal gates and remote parking positions, for more than three hours; and for any portion of each 24-hour parking period. This fee shall be waived if the aircraft performed a revenue service operation the day prior or will perform a revenue service operation the day after being parked for more than three hours.

4.6 Passenger Facility Charges. CARRIER shall pay monthly to PMGAA, on or before the Twentieth (20th) day of each month (the "PFC Due Date"), a PFC in the amount of Four and 50/100 Dollars ($4.50) for each Enplaned Passenger departing the Airport on a CARRIER Revenue Flight during the previous calendar month. The collection of said fees by CARRIER shall be subject to the terms, conditions and methods of collection set forth in the Aviation Safety and Capacity Expansion Act of 1990, Section 9110, at it now exists or is modified hereafter (the "PFC Act").

4.7 Monthly Tie Down Fees. CARRIER shall pay Monthly Tie Down Fees per Rates and Charges.

4.8 Fueling Fees. CARRIER shall execute a Fueling Service Agreement with PMGAA co-terminus with this Agreement.

4.9 Aircraft Ramp Space and Services. CARRIER shall pay PMGAA monthly for any aircraft line services, out-of-station Aircraft Rescue and Firefighting (ARFF) services, operations safety officers, ground service equipment use, fuel spill response teams and any other space or service requirements as specified in the Airport Rates & Charges Schedule or, if not so specified in that Schedule, as determined by PMGAA (collectively, "Additional Services").

4.10 Other Fees. Unless specified otherwise herein, CARRIER shall pay PMGAA for its usage or rental of PMGAA equipment and the performance of services by PMGAA within TEN (10) business days of CARRIER's receipt of an invoice (the "Invoice Due Date") for same from PMGAA. The

amount of such fees shall be as provided by separate agreement between CARRIER and PMGAA, or, in the absence of such agreement, as specified in the most current Airport Rates and Charges Schedule or Airport Fees, Services & Rental Rates in effect when the charge or fee was incurred. Failure to remit payment by the Invoice Due Date may result in the suspension of further equipment rentals or services until payment is made to PMGAA in full.

4.11 Requirements. With regard to the fees and charges specified in this SECTION 4, the following conditions and considerations shall apply:

4.11.1 Airport Rates & Charges Schedule. The Airport Rates & Charges Schedule and Airport Fees, Services and Rental Rates referred to in this Agreement may be revised from time to time. CARRIER shall pay the most current fee(s) at the time of the event or service, as applicable, unless specifically outlined in this Agreement. The current Airport Rates & Charges Schedule and the Airport Fees, Services and Rental Rates are attached as **EXHIBIT A** and is subject to change without prior notice or approval of CARRIER.

4.11.2 Finance Charges and Late Fees. If CARRIER fails to pay any charge due and owing to PMGAA in full on or before Fee Due Date, Invoice Due Date, PFC Due Date, as applicable, CARRIER shall be responsible for interest on the unpaid fee or charge at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any payment is received more than TEN (10) days after the applicable due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent amount shall be due and payable in addition thereto.

4.11.3 Books and Records. CARRIER shall maintain permanent books, records and ledgers accurately reflecting the total passengers, and total number of monthly aircraft landings for all aircraft subject to a landing fee indicating the make, type (including model designation), registration number, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records shall be made available to PMGAA upon request. PMGAA may audit the books, records and ledgers maintained by CARRIER in accordance with this SECTION 4. In the event an audit reveals a deficiency of TWO PERCENT (2%) or greater in the amount of payment made pursuant to this SECTION 4, CARRIER shall not only pay such deficiency but also the cost of any audit performed by PMGAA.

5. REPORTING REQUIREMENTS

5.1 CARRIER shall file with PMGAA written reports for the items specified below no later than the TENTH (10th) day of the calendar month following the month in which the specified activities occurred. Such reports shall cover all of CARRIER's Airport activities during said month, and include activity handled by CARRIER for other Air Transportation Companies not having an agreement with PMGAA providing for its own submission of activity data to PMGAA.

5.1.1 A complete listing of all of CARRIERS's actual aircraft landings at the Airport, including aircraft type and MGLW; and a listing, by destinations, of the number of flights that qualify under applicable waiver agreements for any landing fee waivers;

5.1.2 A complete listing of CARRIER's Enplaned Passengers and Deplaned Passengers, specified by and including the type of aircraft;

5.1.3 A complete listing, by date and flight number, of CARRIER's commercial cargo loaded and off loaded.

5.2 PMGAA shall have the right to rely on said activity reports in determining rentals and other charges due hereunder; provided, however, CARRIER shall have full responsibility for the accuracy of said reports. Payment deficiencies due to incomplete or inaccurate activity reports shall be subject to interest charges as set forth in SECTION 4.11.2 herein.

5.3 CARRIER shall at all times maintain and keep books, ledgers, accounts or other records wherein are accurately kept all entries reflecting the activity statistics to be reported pursuant to SECTION 5. Such records shall be retained by CARRIER for a period of THREE (3) years subsequent to the activities reported therein, or such other retention period as set forth in 14 CFR Part 249.7, and made available at Mesa, Arizona for audit and/or examination by PMGAA or its duly authorized representative during all normal business hours. CARRIER shall produce such books and records at Mesa, Arizona within THIRTY (30) calendar days of PMGAA's notice to do so or pay all reasonable expenses, including but not limited to, transportation, food, lodging and other related expenses, necessary for an auditor selected by PMGAA to audit said books and records.

5.4 The cost of audit, with the exception of the aforementioned expenses, shall be borne by PMGAA; provided, however, the total cost of said audit shall be borne by CARRIER if either or both of the following conditions exist:

5.4.1 The audit reveals an underpayment of more than TWO PERCENT (2%) of rentals, fees and charges due hereunder, as determined by said audit; and/or

5.4.2 CARRIER has failed to maintain true and complete books, records, accounts and supportive source documents in accordance with SECTION 5.

5.5 All payments due and payable hereunder shall be paid in lawful money of the United States of America, without set off, by check made payable to the Phoenix-Mesa Gateway Airport Authority and delivered to:

Phoenix-Mesa Gateway Airport Authority
Attn.: Accounts Receivable
5835 S. Sossaman Road
Mesa, Arizona 85212-0614

6. INSURANCE

6.1 General. Carrier shall procure and maintain the following types and amounts of insurance for its operations at the Airport throughout the Term of this Agreement and any extension thereto:

Aircraft Liability insurance covering third party bodily injury and property damage, and passenger and contractual liabilities which shall protect and indemnify PMGAA from any and all claims arising in connection with aircraft movement on the Airport in amounts as are customarily carried by a carrier of like kind and size, but in no event less than $250,000,000.00 per occurrence. Such insurance shall also insure against third party liabilities arising from War Risk perils.

Airport Premises Liability insurance third party bodily injury and property damage, including coverage for "premises/operations," "products and completed operations," "host liquor" and "blanket contractual" liabilities in an amount not less than $250,000,000.00 per occurrence.

Comprehensive Automobile Liability insurance for all owned, non-owned and hired vehicles operated airside on the Airport that are assigned to or used in the performance of commercial activities in the amount of $25,000,000.00 per occurrence or combined single limit. If any hazardous materials are transported in conjunction with Carrier's business operations at or on the Airport, an MSC 90 endorsement shall be required in addition thereto.

Workers' Compensation insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000.

6.2 Additional Insurance. At any time during the Term of this Agreement, including any extension thereto, PMGAA may, in its reasonable determination decide that the insurance coverage required by this SECTION 6 is no longer adequate, require CARRIER to increase its coverage to commercially reasonable amounts.

6.3 Blanket Insurance. CARRIER's insurance obligations under this Agreement may be satisfied by means of the general corporate "blanket" policies carried by it and evidenced by the insurance

carrier's standard certificates thereof.

6.3.1 Use of Proceeds. Proceeds of any liability and property damage insurance required under this SECTION 6 shall be applied toward extinguishing, satisfying or remedying the liability, loss or damage with respect to which such proceeds may be paid.

6.4 Indemnity. To the fullest extent permitted by law CARRIER (as "indemnitor") shall indemnify, defend, hold and save PMGAA, its board members, and its member governments, officers, officials, employees, and agents (as "indemnitee") free and harmless of, for, from and against any and all Losses caused in whole or in part by (a) any act or omission of CARRIER (including indemnitor's officers, officials, agents, employees, contractors or invitees), (b) CARRIER's operations at the Airport, (c) CARRIER's violations of said Security Program caused, or alleged to be caused, by the acts, errors or omissions of CARRIER, its employees, agents, invitees or contractors, or (d) any default by CARRIER hereunder. This indemnification shall exclude responsibility for any consequential damages and for claims to the extent arising by reason of the negligent or wrongful act of PMGAA or its employees, contractors or agents. For purposes hereof "Losses" shall mean any and all losses, liabilities, judgments, suits, claims, damages, fines, penalties, costs and expenses (including reasonable attorneys and consultant fees, investigation costs, monitoring costs, remediation costs, and court costs), of any kind or nature." In carrying out the defense of any claim subject to its indemnification obligations hereunder, CARRIER shall use counsel reasonably acceptable to PMGAA.

6.6 Insurance Form. Each insurance policy obtained pursuant to this SECTION 6, except for Workers' Compensation and Employer Liability policies, shall: (i) name PMGAA as a certificate holder or an additional insured to the extent of Operator's contractual indemnity obligations; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to PMGAA not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in the case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of PMGAA. Operator shall not permit any insurance policy to be canceled or modified without PMGAA's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A - VII or higher from the A.M. Best Company, or an equivalent rating approved by PMGAA.

7. DISABLED OR ABANDONED AIRCRAFT.

7.1 Removal of Disabled Aircraft. Should any aircraft owned or operated by CARRIER, through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, CARRIER shall, at CARRIER'S sole cost and expense:

7.1.1 Immediately remove said aircraft to such location as may be designated by PMGAA, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

7.1.2 In the event of any accident where federal investigation in place is required, immediately upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by PMGAA.

7.2 Failure to Remove Disabled Aircraft. Should CARRIER fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by CARRIER be abandoned on the Airport, PMGAA shall have the right to remove such aircraft by any means PMGAA deems necessary under the circumstances, and CARRIER shall, to the fullest extent permitted by law, indemnify, defend, keep and hold PMGAA, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses)

incurred by PMGAA or claimed by anyone by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. CARRIER shall reimburse PMGAA for any costs incurred by PMGAA in removing and storing any aircraft, at PMGAA's sole discretion, and as provided herein in performing authorized maintenance on its aircraft on the Airport.

7.3 Sound and Noise Suppression. CARRIER shall comply fully with Airport Rules & Regulations and Minimum Standards when performing high-speed engine test operations at the Airport, if any, and SECTION 10.3 to mitigate excessive ambient sound and/or noise that may be generated incident thereto and that have or may have an adverse effect on other Airport tenant operations and the surrounding community. CARRIER acknowledges and agrees that the Airport Rules & Regulation for such test operations may change from time to time at PMGAA's sole and absolute discretion. CARRIER also agrees that any costs associated with compliance with Airport Rules & Regulations for sound or noise suppression or mitigation shall be borne solely by CARRIER.

8. ENVIRONMENTAL COMPLIANCE.

CARRIER shall at all times during the existence of this Agreement promptly observe and comply with applicable Federal, State, and local laws, regulations, rules and standards concerning the environment (collectively, the "Environmental Laws"). CARRIER shall be responsible for collecting, storing, recycling and/or disposing of its hazardous or toxic waste, if any, in compliance with the Environmental Laws governing the storage and disposal of hazardous or toxic waste. CARRIER shall ensure its employees and agents are aware that domestic drains, storm drains, or industrial waste drains shall not be used to dispose of gasoline, hydraulic fluid, solvents, concentrated cleaning agents or any other hazardous or toxic materials. Where so required, PMGAA may act on behalf of CARRIER, as and if appropriate, to dispose of CARRIER's waste, sign manifests on behalf of CARRIER and assign such disposal to CARRIER's EPA identification (ID) number. CARRIER shall repay PMGAA the costs and fees for doing so within TEN (10) days of demand therefor. CARRIER shall, to the fullest extent permitted by law, indemnify, defend and hold PMGAA, its members, board of directors, officers, agents, officials, employees, and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense including, but not limited to, the costs of suit and reasonable attorneys' fees and expenses of any nature whatsoever arising out of or related to CARRIER's failure to comply with the Environmental Laws.

9. TAXES AND RELATED IMPOSITIONS.

In the event any governmental authority shall impose a tax or imposition based upon this Agreement, upon CARRIER or its aircraft, or upon payments to be made hereunder, CARRIER shall pay such amounts either to PMGAA or the appropriate governmental authority on or before any delinquency date. Specifically, CARRIER shall be responsible for any transaction privilege, sales, excise or other similar tax except income taxes as a result of this Agreement. CARRIER shall also pay all licensing or permitting fees necessary or required by law for the conduct of its aeronautical operations hereunder, or any other matters hereunder. CARRIER shall be responsible for any property interests created hereunder, which may constitute or be deemed to be a possessory interest for purposes of taxation.

10. RULES, REGULATIONS AND MINIMUM STANDARDS.

10.1 CARRIER shall at all times comply with all federal, State and local laws and ordinances, rules and regulations, which are applicable to its operations, or the operation, management, maintenance, or administration of the Airport, including but not limited to the Americans with Disabilities Act, and all laws, ordinances, rules and regulations adopted after the Effective Date. CARRIER shall at all times comply with all Airport Rules and Regulations, and Minimum Standards established by PMGAA regarding operation and maintenance of the Airport, copies of which are attached as **EXHIBIT B** and are incorporated herein. CARRIER will be responsible for controlling and preventing disruptive pedestrian and vehicle traffic, if any, associated with its activities on the Airport. CARRIER also shall display or provide copies to PMGAA of any permits, licenses, or other evidence of compliance with laws upon request.

10.2 PMGAA shall operate the Airport in compliance with all applicable Federal state and local laws, ordinances, rules and regulations, and shall enforce the Airport Rules and Regulations established by it to ensure the effective and orderly operation of the Airport, and to prevent any disruption caused by CARRIER's operations at and on the Airport.

10.3 CARRIER acknowledges receipt of and agrees to abide by PMGAA's *Fly Friendly* noise abatement procedures and will provide such information to flight crews and/or students, post the information in CARRIER's flight planning area, and use the procedures to the extent possible when consistent with safety and air traffic control directives.

11. DEFAULT: TERMINATION BY PMGAA

11.1 General Grounds. PMGAA may terminate this Agreement upon the occurrence of any of the following events:

11.1.1 Failure of CARRIER to perform any of its obligations under this Agreement, or any other contract, license or agreement between the Parties, which failure shall not be cured within FIVE (5) business days after delivery by PMGAA **to** CARRIER of a written notice of such failure.

11.1.2 The filing of any lien against the Airport because of any act or omission of CARRIER which is not discharged within FIVE (5) business days of receipt of actual notice of such lien by CARRIER.

CARRIER may terminate this Agreement upon the occurrence of any of the following events:

11.1.3 Failure of PMGAA to perform any of its obligations under this Agreement, or any other contract, license or agreement between the Parties, which failure shall not be cured within FIVE (5) business days after delivery by CARRIER **to** PMGAA of a written notice of such failure.

11.1.4 The filing of any lien against the CARRIER because of any act or omission of PMGAA which is not discharged within FIVE (5) business days of receipt of actual notice of such lien by PMGAA.

11.2 Failure to Pay Fees. PMGAA may declare CARRIER in default of this Agreement by giving CARRIER FIVE (5) business day's written notice of CARRIER's failure to timely pay any fees or payments due pursuant to this Agreement. If CARRIER fails to cure such payment default within said FIVE (5) business day period, PMGAA may, in its sole discretion, elect to do any one or more than one of the following:

11.2.1 Institute action(s) to enforce this Agreement; or

11.2.2 Terminate this Agreement automatically without further notice to CARRIER; or

11.2.3 Exercise any other remedy allowed by law or equity.

11.3 Failure to Provide Insurance. In the event CARRIER at any time fails to maintain all insurance coverage required by this Agreement, PMGAA shall have the right, upon written notice to CARRIER, **to** immediately terminate this Agreement or secure the required insurance at CARRIER's expense.

11.4 No Waiver by PMGAA. No waiver by PMGAA of any default by CARRIER in the performance of its obligations under this Agreement shall be deemed to be a waiver of any subsequent default by CARRIER in the performance of any such obligations.

12. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern this Agreement and the matters set forth therein, without

regard to its conflict of law principles. Venue of any action brought under this Agreement shall, at the option of PMGAA, lie in Maricopa County, Arizona. In the event of any litigation or arbitration between PMGAA and CARRIER arising under this Agreement, the successful party shall be entitled to recover its attorney's fees, expert witness fees and other costs incurred in connection with such litigation or arbitration.

13. NONWAIVER.

PMGAA's right to revoke this Agreement shall be absolute. Any election by PMGAA to not enforce any provision of this Agreement, or any failure by PMGAA to exercise any of the remedies allowed PMGAA under this Agreement, shall not operate as a waiver by PMGAA of any of its right hereunder.

14. ASSIGNMENT.

CARRIER shall not assign or transfer any right or interest in this Agreement.

15. OTHER RESTRICTIONS.

CARRIER shall comply with all rules, laws, ordinances, and statues of any governmental authority having jurisdiction over the Airport or the matters provided in this Agreement.

16. AIRPORT SECURITY.

PMGAA maintains an approved Airport Security Plan (the "Security Plan") pursuant to 49 CFR Parts 1540 and 1542. CARRIER shall at all times comply with the Security Plan and the written and verbal directives issued by PMGAA supporting the Security Plan.

16.1 CARRIER shall immediately correct physical or procedural deficiencies which are contrary to the Security Plan, security directives, security bulletins, or verbal notifications existing now or in the future. CARRIER is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards of the Security Plan.

16.2 CARRIER shall, to the fullest extent permitted by law, indemnify, defend, and hold PMGAA harmless for, from, and against any violations of the Security Plan committed by any agents, employees, invitees, subcontractors, or independent contractors of CARRIER.

16.3 CARRIER shall conduct and document all self-audits and self-inspections as required by the Transportation Security Administration ("TSA") or PMGAA and make such audits available for inspection.

16.4 CARRIER shall designate a primary security coordinator to receive security -related briefings, bulletins, and sensitive security information ("SSI").

16.5 PMGAA reserves the right to modify the Security Plan from time-to-time, as necessary, or as directed by the TSA.

17. AIRPORT SECURITY BADGE

17.1 Carrier employees/contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by PMGAA, TSA, or other entities having jurisdiction at PMGAA.

17.2 CARRIER and employees/contractors shall comply with all security-related audits, inspection, and screenings conducted by PMGAA.

17.3 CARRIER will immediately notify PMGAA and promptly return badges to the Airport Badging Office when badge holders terminate employment, the badge is no longer needed, or the employee/contractor is on extended leave.

17.4 Misuse of a badge or security procedures will bring about punitive action including suspension or revocation of one or all badges.

18. NOTICE.

18.1 All notices required or permitted under this Agreement shall not be deemed effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO PMGAA:	Phoenix-Mesa Gateway Airport Authority Attn.: Business Development Department 5835 S. Sossaman Road Mesa, Arizona 85212-0614
TO CARRIER:	Swoop, Inc. Attn: Head of Airports 22 Aerial Place NE Calgary, Alberta T2E 3J1

18.2 Notices shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this SECTION.

19. PRIOR AGREEMENTS AND PERMITS.

Upon execution hereof, this Agreement shall supersede and cancel any prior air carrier operating agreements between PMGAA and CARRIER with respect to the business activities governed hereby. CARRIER shall not construe PMGAA's execution of this Agreement as a waiver of any prior indebtedness or obligation to PMGAA under any prior agreement or license, nor does PMGAA waive any claim or cause of action arising therefrom.

20. CORPORATE AUTHORIZATION.

In executing this Agreement, CARRIER represents and warrants to PMGAA that if CARRIER is a corporation, CARRIER has obtained and been granted the full right, power and authority to enter into this Agreement.

21. MISCELLANEOUS.

21.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Agreement because of any breach thereof or because of its execution or attempted execution.

21.2 No Waiver. No provision of this Agreement may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

21.3 Non-Waiver of Rights. No waiver or default by PMGAA of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by CARRIER shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by CARRIER, and PMGAA shall not be restricted from later enforcing any of the terms and conditions of this Agreement.

21.4 Amendment. Only a written instrument executed by the Parties may amend this Agreement.

21.5 Invalid Provisions. Should any provision of this Agreement or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

21.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Agreement or any term thereof.

21.7 Entire Agreement. This Agreement, including **EXHIBITS** attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

22. INCORPORATION OF RECITALS.

The recitals set forth above are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Agreement to be effective on the Effective Date specified above.

Board Action Item

Re: Resolution 22-61

To:	**Board of Directors**
From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP 1060 - 28V GPU**
Date:	**September 20, 2022**

Proposed Motion
To authorize the purchase of one 28V GPU from ITW GSE in an amount not to exceed $63,641.32.

Narrative
Phoenix Mesa Gateway Airport Authority's Fixed Base Operator (FBO) uses the 28V GPU to provide DC power to various aircraft that come to Phoenix-Mesa Gateway Airport (PMGA) and require DC power for aircraft electronics or for starting the aircraft. This unit will replace the FBO's current 28V GPU which has reached the end of its useful life cycle.

Purchasing a diesel engine GPU is not practical due to current DEF issues with the diesel engines. Therefore, this procurement is sole source as ITW GSE is the only manufacturer of an electric 28V GPU. ITW GSE's quote does not include Use Tax in the amount of $4,071.32.

Fiscal Impact
This expenditure is included in the FY23 capital budget as Project 1060.

Board Action Item

Re: Resolution 22-62

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY23 Capital Budget Amendment - Enclosed Pedestrian Walkway – CIP 1252**
Date:	**September 20, 2022**

Proposed Motion
To authorize an Amendment of the FY23 Capital Budget to add $3,982,327 in funding for the Design and Construction of an Enclosed Pedestrian Walkway under CIP 1252.

Narrative
Due to the increase in passenger traffic, PMGAA Staff have observed that our multiple terminal access points are creating a great deal of confusion for our passengers. Currently passengers, who are checking baggage, must exit the Ticketing Terminal and walk up a ramp to access the Terminal, go through the Security Checkpoint and then onto their Gate. Passengers who are not checking baggage, can access the Terminal from the curb. When these two separate access points converge at the Terminal Entrance, the entry gets overcrowded creating gridlock, confusion, and safety issues. One safety issue, that is a major concern, is the exposure that our passengers are experiencing when standing in the intense Arizona heat.

PMGAA Staff worked on a design concept to create an Enclosed Pedestrian Walkway that will connect the Ticketing Terminal to the Terminal. This walkway will expand the current queueing space, eliminate the confusion of having two entry points and it will improve our customer experience by providing our passengers with a safe, climate-controlled environment.

Fiscal Impact
Requesting that these Design and Construction Services be added and included in the FY23 Capital Budget utilizing FAA, ADOT and PMGAA matching grant funds under CIP 1252.

RESOLUTION NO. 22-62

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an Amendment of the FY23 Capital Budget to add $3,982,327 in funding for the Design and Construction of an Enclosed Pedestrian Walkway under CIP 1252;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**FY23 Capital Budget Amendment – Rental Car Care Facility Improvements CIP 1242**
Date:	**September 20, 2022**

Proposed Motion

To authorize an Amendment of the FY23 Capital Budget to add $1,825,000 in funding for the Construction of the Rental Car Care Facility Improvements under CIP 1242.

Narrative

The growth of commercial service at the Airport benefits the car rental companies and generates revenue for the Airport through Customer Facility Charges (CFC). CFC's are daily transaction fees imposed upon a customer renting a vehicle from an on-airport car rental company. CFC revenues are used to pay for costs associated with the design and construction of facilities or improvements used for the car rental companies located at the Airport.

Our current Car Care Facility is outdated, inadequate, and lacks the capacity and efficiency needed to service our customers effectively. This facility needs to be upgraded and expanded in order to accommodate the increased number of rental cars currently in service. The original estimated cost for this project was $5,900,000. The Rental Car Companies and the Authority agreed to additional scope items elevating the construction costs. Willmeng Construction, Inc., the Contractor who will be providing the CMAR Construction Services, has submitted an updated estimate of $7,321,080. These services will include removal of existing facilities, building a new car care building, vacuum, car wash and light maintenance facilities, office and restroom space, increased car queuing, signage, asphalt, pavement, striping and lighting. Additional funds are also required for construction administration services.

Fiscal Impact

Requesting that these additional funds for the Rental Car Care Facility Improvements Construction Services be added and included in the FY23 Capital Budget utilizing CFC funds under CIP 1242.

RESOLUTION NO. 22-63

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

Subject:	**Rental Car Care Facility Improvements CMAR Contract – Willmeng Construction - CIP 1242**
Date:	**September 20, 2022**

Proposed Motion

To Authorize a Construction Services Contract, Construction Manager at Risk (CMAR), with Willmeng Construction, Inc., for the Rental Car Care Facility Improvements Project in an amount not to exceed $7,321,080 under CIP 1242.

Narrative

The growth of commercial service at the Airport benefits the car rental companies and generates revenue for the Airport through Customer Facility Charges (CFC). CFCs are daily transaction fees imposed upon a customer renting a vehicle from an on-airport car rental company. CFC revenues are used to pay for costs associated with the design and construction of facilities or improvements used for the car rental companies located at the Airport.

Our current Car Care Facility is outdated, inadequate, and lacks the capacity and efficiency needed to service our customers effectively. This facility needs to be upgraded and expanded in order to accommodate the increased number of rental cars currently in service.

The Notice of Request for Qualifications (RFQ), Solicitation 2022-020-RFQ was issued on February 1, 2022, and advertised in the Arizona Business Gazette on 2/3, 2/10, 2/17 and 2/24/22; it was also posted on the AzAA, ACC, ACI-NA, and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 90 prospective firms. PMGAA Staff received six (6) Statements of Qualification's on March 2, 2022, from the following firms:

Agate Construction, Inc.
Chasse Building Team
Johnson Carlier Construction
The Weitz Company, LLC
The Whiting Turner Contracting Company, Inc.
Willmeng Construction, Inc.

Upon review of the qualifications, the Evaluation Panel unanimously selected Willmeng Construction, Inc. as the CMAR firm that best satisfied the requirements, based on the qualifications of the firm, project team experience, project understanding and approach to performing the required services. Willmeng Construction, Inc. will provide CMAR Construction Services that will include removal of existing facilities, building a new car care building, vacuum, car wash and light maintenance facilities, office and restroom space, increased car queuing, signage, asphalt, pavement, striping and lighting.

Fiscal Impact

This project is included in the FY23 Capital Budget utilizing PMGAA Customer Facility Charge (CFC) funds under CIP 1242.

E-mail: dklee@transystems.com

PROJECT DESCRIPTION:

The Phoenix-Mesa Gateway Airport Authority (PMGAA) intends to implement improvements to the existing. Rental Car Care Facility at the Phoenix-Mesa Gateway Airport (AZA). Improvements to the Rental Car Care Facility will enhance rental car operations at AZA and accommodate anticipated future airport growth. AZA is a small hub airport in the southeastern area of Mesa, Arizona, 20 miles southeast of Phoenix. The Airport is a base for Allegiant Air, which provides non-stop service to and from over 50 U.S. cities. In addition, Flair Airlines, Sun Country Airlines, Swoop and WestJet offer seasonal service between AZA and a number of US and Canadian airports. AZA is served by the following rental car (RAC) agencies: Enterprise, Alamo and National (part of a brand family) and Hertz.

ARTICLE 2 – CONTRACT DOCUMENTS

2.1 CONTRACT DOCUMENTS

The Contract between Owner and CMAR shall consist of the following Contract Documents:

1. This Contract and all of its Exhibits, including subsequent Specifications and Plans
2. The Request for Qualifications (RFQ) requirements (2022-020-RFQ) , documents, and CMAR's submittal to such solicitation dated March 2, 2022.
3. General Conditions
4. General Provisions
5. Special Provisions
6. Any plans and drawings
7. Any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").
8. Guaranteed Maximum Price (GMP)

2.3 PROJECT SPECIFIC CONDITIONS

If there are any additional conditions that apply to this Project, they are set forth in the attached Exhibit C, and are incorporated herein.

2.4 PROJECT PLANS AND SPECIFICATIONS

A detailed list of the Plans and Specifications for this Project are set forth in the attached Exhibit C.

ARTICLE 3 – PRE-CONSTRUCTION SERVICES

Although CMAR has performed Pre-Construction Services pursuant to a separate Contract between Owner and CMAR, the completion, quality and accuracy of those services and the deliverables provided by Owner thereunder directly impact CMAR's performance of its obligations under this Contract. Therefore, all of CMAR's obligations, duties, and warranties in relation to Pre-Construction Services and deliverables survive completion of the Pre-Construction Services Contract and are incorporated herein. Any breach of any of CMAR's duties, obligations, or warranties under the Pre-Construction Services Contract shall likewise be considered a breach of this Contract.

ARTICLE 4 – CONSTRUCTION SERVICES

4.1 GENERAL

4.1.1 CMAR agrees at its own cost and expense, to do all work necessary and required to fully, timely and properly complete the construction of the Project in strict accordance with the Contract Documents in a good and workmanlike manner, free and clear of all claims, liens, and charges whatsoever, in the manner and under the conditions specified, and within the Project Schedule included in Exhibit A of this Contract.

4.1.2 CMAR shall provide all of the labor and materials and perform the Work in accordance with the General Conditions and General Provisions. Some but not all of the major components of the

Construction Services and the corresponding subsections of Section 4 of the General Conditions are set forth below.

4.1.3 At all times relevant to the Contract and performance of the Work, the CMAR and its subcontractors shall fully comply with all Laws, Regulations, or Legal Requirements applicable to Owner, the Project and the Contract, including, without limitation, those set forth on attached Exhibit C and Article 3 of the General Conditions.

4.1.4 CMAR shall perform the Work under this Contract using only those firms, team members and individuals designated by CMAR consistent with the Statement of Qualifications dated March 2, 2022, the GMP Proposal, or otherwise approved by Owner pursuant to the General Conditions. No other entities or individuals may be used without prior approval of the Project Manager.

4.1.5 CMAR will comply with all terms and conditions of the General Conditions, General Provisions and Special Provisions, as well as the Owner's published Rules & Regulations and Minimum Standards (Exhibit J).

4.1.6 In the event of a conflict between this Contract and the General Conditions, General Provisions, Special Provisions or any exhibit hereto or appendix thereto, the terms of this Contract shall control, but nothing in this contract shall be construed so as to either (i) Violate any term or condition of the Owner's published Rules & Regulations or Minimum Standards; or (ii) Violate Owner's mandatory subordination to its federal obligations, pursuant to Federal Aviation Administration ("FAA") Policies (2009) (including, but not limited to § 1.1, § 1.5, § 12.3, §10, § 14.1, *et. seq*.) and federal statutory authority, including, but not limited to, 49 U.S.C. §40103(a) (establishes the federal government's total dominance over the airspace of the United States, including, U.S. airports).

4.1.7 **Ownership of Work Product.** Notwithstanding anything to the contrary in this Contract, all Work Product prepared or otherwise created in connection with the performance of this Contract, including the Work, are to be and remain the property of Owner. For purposes of this provision, "Work Product" shall include all designs, drawings, plans, specifications, ideas, renderings and other information or matter, in whatever form created (e.g., electronic or printed) and in all media now known or hereinafter created. All Work Product shall be considered Work Made for Hire as defined in the United States Copyright Act 17 U.S.C. § 101 (Copyright Act). If for any reason any such Work is found not to be a work for hire, CMAR hereby transfers and assigns ownership of the copyright in such Work to Owner. The rights in this section are exclusive to Owner in perpetuity.

4.2 CMAR's PRE-CONTRACT AND PRE-WORK DELIVERABLES

The CMAR will provide the insurance and bond(s) requirements in accordance with Article 11 of the General Conditions prior to any work commencing.

CMAR will obtain and pay for all permits necessary for the work.

4.3 PRE-CONSTRUCTION CONFERENCE

CMAR shall attend the Pre-Construction Conference.

4.4 PERFORMANCE OF THE WORK (INCLUDING FIELD MEASUREMENTS, SUBCONTRACTORS, AND SUPPLIERS)

CMAR shall perform the Work in accordance with the General Conditions.

4.5 CONTROL OF THE PROJECT SITE

CMAR shall control and maintain the Project Site in accordance with Article 4 of the General Conditions.

4.6 PROJECT SAFETY

CMAR shall implement and enforce Project safety in accordance with Article 10 of the General Conditions.

4.7 MATERIALS QUALITY, SUBSTITUTIONS AND SHOP DRAWINGS

CMAR shall provide materials testing and submit substitute materials and Shop Drawings in accordance with Article 3 of the General Conditions.

4.8 PROJECT RECORD DOCUMENTS

CMAR shall maintain and make available the Project Record Documents in accordance with Article 3.12 of the General Conditions.

4.9 WARRANTY AND CORRECTION OF DEFECTIVE WORK

CMAR shall provide warranties and correct defective Work in accordance with Article 3.6 of the General Conditions.

ARTICLE 5 – OWNER RESPONSIBILITIES

5.1 Owner shall have the responsibilities, and provide the information specified in, and subject to the conditions set forth throughout the Contract Documents.

5.2 Additional information to be provided by Owner, if any, is listed below:

Final contract documents, including, but not limited to General Conditions, General Provisions, Special Provisions, applicable as-built drawings, stamped Construction Documents and Technical Specifications.

ARTICLE 6 – CONTRACT TIME

6.1 CONTRACT TIME

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Final Acceptance, as set forth in Article 6.4 below. The Notice to Proceed cannot be issued prior to the approval and acceptance by Owner of the GMP or Fixed Price.

6.1.2 CMAR agrees that it will commence performance of the Work and complete the Project through both Substantial Completion and Final Completion within the Contract Time.

6.1.3 Time is of the essence of this Contact, for the Project, and for each phase and/or designated Milestone thereof.

6.2 PROJECT SCHEDULE

The Project Schedule approved as part of the GMP Proposal and incorporated herein as part of the attached Exhibit A shall be updated and maintained throughout CMAR's performance under this Contract in accordance with Article 3 of the General Conditions.

6.2.1 Failure on the part of CMAR to adhere to the approved Project Schedule will be deemed a material breach and sufficient grounds for termination for cause of this Contract by Owner.

6.3 SUBSTANTIAL COMPLETION

Substantial Completion shall be achieved not later than the Substantial Completion Date set forth in the Project Schedule. Substantial Completion shall be determined in accordance with Article 9.8 of the General Conditions.

6.4 FINAL COMPLETION AND FINAL ACCEPTANCE

6.4.1 Final Completion will be obtained within the time period set forth in the Project Schedule.

6.4.2 Final Completion will be determined, and a Final Acceptance will be issued, pursuant to Article 9.9 of the General Conditions.

6.5 LIQUIDATED DAMAGES

6.5.1 **Final Completion Liquidated Damages.** For the same reason set forth in Article 6.1.3 above, Owner and CMAR further agree that if CMAR fails to achieve Final Completion of the Work within the time set forth in Article 6.4.1 above, Owner shall be entitled to retain or recover from CMAR, as liquidated damages and not as a penalty, the following per diem amounts (which the Parties agree is a reasonable approximation of any resulting damages) commencing from the actual date of Substantial Completion or the Final Completion Date as required under the Contract, whichever is later, until the actual date of Final Completion:

$1,420 per calendar day.

6.5.2 Owner may deduct liquidated damages described in this Article 6.5 above from any unpaid amounts then or thereafter due CMAR under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due CMAR shall be payable to Owner at the demand of Owner, together with interest from the date of the demand at the highest lawful rate of interest payable by CMAR.

ARTICLE 7 – CONTRACT PRICE

7.1 CONTRACT PRICE

7.1.1 In exchange for CMAR's full, timely, and acceptable performance and construction of the Work under this Contract, and subject to all of the terms of this Contract, Owner will pay CMAR the "Contract Price" which:

The sum of the CMAR's Fee and reimbursable Cost of the Work, which the CMAR guarantees will not exceed the GMP set forth in Exhibit A, in the amount of seven million three hundred twenty one thousand, seventy nine dollars and sixty cents (**$7,321,079.60).** Costs which would cause the GMP to be exceeded shall be paid by CMAR without reimbursement from Owner.

7.1.2 The Contract Price is all-inclusive and specifically includes all fees, costs, insurance and bond premiums, and taxes any type necessary to fully, properly and timely perform and construct the Work encompassed in attached Exhibit A.

7.1.3 The contract price may only be changed as set forth in the Contract Documents.

7.1.4 Only costs specifically designated as reimbursable costs are eligible for payment by Owner or may be charged against the Contract Price. All other costs will not be paid by Owner and shall not be chargeable against the Contract Price.

7.1.5 For Contract Amendments, Change Orders, or Job Orders reimbursable costs shall be determined pursuant to MAG Specifications 109.5.

7.2 ALLOWANCES

Contractor shall include in the Contract Price all Allowances stated in the Contract Documents and agreed to in writing by Owner. Items covered by these Allowances shall be supplied for such amounts and by such persons as Owner may direct, provided Contractor will not be required to employ persons against whom Contractor makes a reasonable objection. Materials and equipment under an Allowance shall be selected by Owner in accordance with a schedule to be mutually agreed upon by Owner, Design Professional and Contractor or otherwise in reasonably sufficient time to avoid delay in the Work.

7.2.1 Unless otherwise provided in the Contract Documents:

7.2.1.1 These Allowances shall cover the cost to Contractor, less any applicable trade discount, of the Materials and equipment required by the Allowances, delivered at the Site, and all applicable taxes;

7.2.1.2 Contractor's costs for unloading and handling on the Site, labor, installation costs, overhead, profit and other expenses relating to Materials and Equipment required by the Allowance shall be included in the Contract Sum and not in the Allowance; and

7.2.1.3 Whenever the cost is more or less than the Allowance, the Contract Sum shall be adjusted accordingly by Change Order, the amount of which will recognize the difference between actual costs for an Allowance item and the amount of the Allowance item and changes, if any, in handling costs on the Site, labor, installation costs, overhead, profit and other expenses.

7.3 CONTINGENCY

An agreed to amount in the GMP that may only be used in accordance with the terms set forth in these General Conditions and with prior written approval by Owner.

7.4 FINAL PAYMENT

If the Contract Price is based upon a GMP, as a further condition precedent to Final Payment by Owner, Contractor must submit to the Project Manager a complete final accounting of the Actual Reimbursable Cost of the Work, including all such documentation (including, without limitation, invoices, subcontracts, subcontractor change orders, purchase orders, records of payment, etc.) as Owner may require, to establish whether the payments made to Contractor equal, exceed, or are less than the Actual Reimbursable Cost of the Work to date.

Any excess payments by Owner, as determined by the Project Manager, shall be deducted from the one-half retention payment to be made to Contractor, and any additional excess amounts paid to Contractor shall be refunded by Contractor to Owner. Disputes relating to the Final Cost of the Work shall be subject to Owner's audit rights under Article 13.14 of the General Conditions and 7.5 below, and the dispute resolution process under Article 4 of the General Conditions.

7.5 OPEN BOOK

On any GMP-based or Change Order, Owner may attend any and all meetings or discussions pertaining to the Project, including bid openings, and shall have access to all books, invoices, accounts, memoranda, correspondence, and written communications or records of any kind pertaining to the Project, including without limitation, those stored in electronic format.

ARTICLE 8 – PAYMENT

Payments shall be made to CMAR in accordance with Article 9 of the General Conditions and Article 7 above.

ARTICLE 9 – CHANGES TO THE CONTRACT

Changes to the Contract may be made in strict accordance with Article 7 of the General Conditions.

ARTICLE 10 – SUSPENSION AND TERMINATION

This Contract may be suspended and/or terminated in accordance with Article 14 of the General Conditions.

ARTICLE 11 – INSURANCE AND BONDS

11.1 CMAR shall provide insurance in accordance with Article 11 of the General Conditions to the CMAR Contract. CMAR shall provide proof of such insurance and all required endorsements in forms acceptable to Owner prior to commencing any Work under this Contract.

11.2 CMAR shall provide performance and payment bonds to Owner in accordance with Article 11 of the General Conditions and A.R.S. § 34-610(A).

11.3 Failure to provide proof of insurance and the required endorsements, or the required bonds, in forms acceptable to Owner will be material breach and grounds for termination for cause of this Contract by Owner.

ARTICLE 12 – INDEMNIFICATION

CMAR shall have and assume the indemnity obligations set forth in Article 3 of the General Conditions.

ARTICLE 13 – DISPUTE RESOLUTION

Any claims or disputes relating to this Contract shall be resolved according to the dispute resolution process set forth in Article 4 of the General Conditions.

ARTICLE 14 – MISCELLANEOUS PROVISIONS

The miscellaneous provisions set forth in Article 13 of the General Conditions shall apply to this Contract.

Executed as of the Effective Date.

STATUTORY PERFORMANCE BOND

PURSUANT TO TITLE 34, CHAPTER 2, ARTICLE 2, ARIZONA REVISED STATUTES

KNOW ALL MEN BY THESE PRESENTS:

That, _____, (hereinafter called the Principal), as Principal, and the _____, a corporation duly organized under the laws of the State of _____, with its principal office in the City of _____, (hereinafter called the Surety), as Surety, are held and firmly bound unto Phoenix-Mesa Gateway Airport Authority, Maricopa County, Arizona (hereinafter called the Obligee), in the amount of _____($_____), for the payment of which the Principal and Surety bind themselves and their heirs, administrators, executors, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a certain written contract with Obligee, dated the _____ day of _____, 202_ to construct the following projects under the **Authority Solicitation No. 2022-020-RFQ ; CMAR for the Rental Car Care Facility Improvements (Authority Project No. 1242),** which contract is hereby referred to and made a part of this bond as fully and to the same extent as if copied at length herein.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION IS SUCH, that if the Principal faithfully performs and fulfills all of the undertakings, covenants, terms, conditions, and agreements of the contract during the original term of the contract and any extension of the contract, with or without notice to the Surety, and during the life of any guaranty required under the contract, and also performs and fulfills all the undertakings, covenants, terms, conditions, and agreements of all duly authorized modifications of the contract that may hereafter be made, notice of which modifications to the Surety being hereby waived, the above obligation is void. Otherwise it remains in full force and effect.

PROVIDED, HOWEVER, that this bond is executed pursuant to the provisions of Title 34, Chapter 2, Article 2, Arizona Revised Statues, and all liabilities on this bond shall be determined in accordance with the provisions of Title 34, Chapter 2, Article 2, Arizona Revised Statues, to the same extent as if they were copied at length in this agreement.

The prevailing party in a suit on this bond shall recover as part of the judgment to reasonable attorney fees that may be fixed by a judge of the court.

Authority Solicitation No. 2022-020-RFQ

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona (Owner), has considered the Statement of Qualifications (SOQ) submitted and interview performed (if applicable) by your firm for the above described WORK in response to the Advertisement for SOQ's dated March 2, 2022. You are hereby notified that you were awarded this CMAR Contract by Phoenix-Mesa Gateway Airport Authority on _____, in the amount of $_____. You are required by the Terms and Conditions of this bid to execute the CMAR Contract and to furnish Contractor's Performance and Payment Bonds and submit the appropriate Certificate(s) of Insurance within fifteen (15) calendar days from this Notice.

If you fail to execute the CMAR Contract, furnish the required bonds, and submit Insurance Certificate(s) within Fifteen (15) calendar days from the date of this Notice, the Owner will consider this as a forfeiture of your consideration
to be selected as CMAR. The Owner will be entitled to such other rights as may be granted by law.

A pre-construction meeting is scheduled for _____202__, at _____ in the Phoenix-Mesa Gateway Airport Authority Board Room, 5835 South Sossaman Road, Mesa.

You are required to return an acknowledged copy of the NOTICE OF AWARD to the Phoenix-Mesa Gateway Airport Authority.

Dated this _____ day of _____, 202__.

Dear _____:

You are unconditionally authorized to proceed with the above-referenced project effective the date of this letter. The contract time is TBD calendar days. All work shall be performed strictly in accordance with the Contract Documents, including all project schedule requirements.

Your contact for this project is Rich Adams, phone no. (480) 988-7655 and all project communications should be directed to him. If the preconstruction conference has not already occurred, he will contact you shortly about scheduling it.

Remember, the Owner must approve *in writing* any and all changes in the project scope of work before you start work on the change.

Phoenix-Mesa Gateway Airport Authority looks forward to a successful project with your firm.

Sincerely,

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, a joint powers airport authority authorized by the State of Arizona

CONDITIONAL
FULL RELEASE OF ALL CLAIMS AND WAIVER OF LIEN UPON FINAL PAYMENT (CMAR)

WHEREAS, the undersigned, _____ (CMAR) has furnished labor, materials, and services and/or equipment for the construction of the **Rental Car Care Facility Improvements*, Authority Project No. 1242,*** at the Phoenix-Mesa Gateway Airport, Maricopa County, State of Arizona, on the Property of the Phoenix-Mesa Gateway Airport Authority, Mesa, Arizona.

NOW, THEREFORE, the undersigned, on receipt of a check from the Owner payable to the CMAR in the sum of $ _____, said sum representing full and final payment for the above-mentioned labor, materials, services and/or equipment, does hereby waive and release any and all liens, claims of lien, and demands whatsoever that now exist or may hereafter accrue against the Owner and the Property on account of labor and materials furnished by the undersigned.

The undersigned warrants that all materials and labor placed by the undersigned in the Project are free from any claims, liens, or encumbrances and that all bills and obligations incurred for labor, taxes, withholding taxes based on payroll and payable to the United States of America or State of Arizona, premiums under a voluntary disability insurance policy, if any, carried with a private insurer, and payments to all union health, welfare, pension, apprentice training and vacation funds applicable for workmen employed on the above-described Project, in connection with the work of improvement on the Project, have been paid in full. The undersigned warrants that all subcontractors and material-men that may have delivered materials and performed work upon the Property for the Project have been fully paid or will be paid from monies received from this final payment. The undersigned shall and does hereby indemnify, save, and hold harmless the Owner and CMAR from all claims, damages, liens and losses, including all costs, professional fees, and reasonable attorney's fees, which the Owner may suffer by reason of filing of any claims, notices, liens or encumbrances, or the failure of the undersigned to obtain cancellation and discharge thereof.

DATED this _____day of _____, 202_____.

_____
(Title)

EXHIBIT D – DEFINITIONS

Allowance – A specific amount for a specific item of Work, if any, that Owner agrees has not been sufficiently designed, detailed, or selected (including design changes from 90% to 100% as authorized by and at the discretion of the Owner) at the time the Contract Price is agreed to for Contractor to provide a definitive price. Allowances shall be treated in accordance with Article 7.2 above.

Baseline Cost Model – A breakdown and estimate of the scope of the Project developed by CMAR.

CMAR or Construction Manager at Risk – The person or firm selected by Owner to provide pre-construction and/or construction services as detailed in a Construction Manager at Risk Contract with Owner. In these General Conditions, the term "Contractor" includes CMAR under both Pre-Construction and Construction Services Contracts.

CMAR Fee or Contractor's Fee – An agreed to percentage in an accepted GMP that represents the Contractor's fee for performance of the Work.

Contract Documents – Where compensation under the Contract is based upon a GMP accepted by Owner, the term "Contract Documents" also includes the accepted GMP Proposal.

Contract Price – Where compensation under the Contract based upon a GMP accepted by Owner, the term "Contract Price" refers to the GMP.

Cost-Based Contract, Change Order, or Job Order – A Contract, Change Order, or Job Order where the Contract Price is based upon the actual cost of performing the Work, subject to the terms of the Contract Documents. These would include those generally referred to as "Cost of the Work plus a Fee with a GMP," "Time and Materials," or "Cost Plus a Fee."

Cost of the Work – The direct costs necessarily incurred by Contractor in the proper, timely, and complete performance on the Work. The Cost of the Work shall include only those costs set forth in Article 7 above.

Deliverables – The work products prepared by Contractor in performing the scope of work described in the Contract. Some of the major deliverables to be prepared and provided by Contractor during pre-construction may include but are limited to: the Baseline Cost Model and Schedule that validate Owner's plan and budget, Construction Management Plan, Detailed Project Schedule, Schedule of Values, alternative system evaluations, procurement strategies and plans, Detailed Cost Estimates, construction market surveys, cash flow projections, GMP Proposals, Subcontractor procurement plan, Subcontractor agreements, Subcontractor bid packages, Supplier agreements, Constructability Review, Cost Control Log, Traffic control and phasing plans and others as indicated in this Contract or required by the Project Team.

Pre-Construction Services Contract – The Contract entered into between Owner and the CMAR for Pre-Construction Services to be provided by the CMAR, including, without limitation, the generation of a GMP Proposal. If the GMP Proposal is accepted by Owner and a CMAR Contract is entered into between Owner and CMAR, the duties, obligations and warranties of the CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting CMAR Contract.

Pre-Construction Services – The services to be provided under a Pre-Construction Services Contract.

Detailed Project Schedule – The Detailed Project Schedule developed by the CMAR for the review and approval of the Owner.

GMP Plans and Specifications – The plan and specifications upon which the Guaranteed Maximum price Proposal is based.

GMP Proposal – The proposal of Contractor submitted for the entire Work and/or portion (phases) of the Work.

Guaranteed Maximum Price or GMP – The Guaranteed Maximum Price set forth in the Contract.

Re: Solicitation Notification
Date: **September 20, 2022**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Qualifications	2023-001-RFQ	East Side Terminal Planning Initiative	September 2022
Invitation for Bid	2023-004-IFB	Lavatory Service Truck	September 2022
Invitation for Bid	2023-007-IFB	Air Start Unit	September 2022
Request for Qualifications	2023-008-RFQ	Enclosed Pedestrian Walkway Design	October 2022
Request for Proposals	2023-009-RFP	Design, Fabrication, and Installation of Signs	October 2022
Request for Qualifications	2023-010-RFQ	CMAR for Enclosed Pedestrian Walkway	November 2022

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-011-RFP	Insurance Broker Services	September 2022	January 2023
Request for Proposals	2023-006-RFP	Car Rental Concessions	February 2023	July 2023

Fiscal year totals from sales of decommissioned / nonworking equipment total $1,915.00.

If you have any questions about the solicitations or the procurement process, please feel free to contact me at 480-988-7613.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, October 18, 2022 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Motion to convene into Executive Session**
   a) Pursuant to A.R.S. § 38-431-03 (A)(1), the Board of Directors may convene into executive session for the purpose of discussion and consideration regarding the Executive Director/CEO's annual review.

5. **Motion to Reconvene into Regular Session**

6. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

7. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

8. **Presentation: Audited Financials** – Sandra Cronstrom, Principal CliftonLarsonAllen, LLP

9. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on September 20, 2022.

   b) **Resolution No. 22-65 –** Approving an amendment to the **Executive Director/CEO** employment contract effective October 1, 2022.

   c) **Resolution No. 22-66 –** Authorizing Phoenix-Mesa Gateway Airport Authority's (PMGAA's) insurance broker, **USI Insurance Services LLC**, to purchase benefit plans (medical, dental, vision, basic life/accidental death & dismemberment, and short-term disability) from various carriers. This consists of a 12-month renewal January 1, 2023 through December 31, 2023 with an estimated plan cost of $1,452,030.

   d) **Resolution No. 22-67 –** Authorizing a purchase with **CDW Government, Inc. (CDW-G)** for annual Microsoft licensing renewals, in an amount not to exceed $61,937.63.

Consideration and Possible Approval of:

10. **Resolution No. 22-68 –** Authorizing an Agreement with **DWL Architects + Planners, Inc. (DWL)** for Design and Engineering Services for the Enclosed Pedestrian Walkway, in an amount not to exceed $307,620 under CIP 1252.

11. **Board Member Comments/Announcements**

12. **Next Meeting: Tuesday, November 15, 2022 at 9:00 a.m.**

13. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- **Record-Setting Commercial Passenger Activity in August**

Executive Director's Report

October 2022

Financial Snapshot

OPERATING INCOME	August		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY22	FY23	
Revenues	$1,868,728	$2,161,753	**$293,025**	$4,112,163	$4,454,235	**$342,072**
Less Expenses	$1,603,431	$2,074,978	**$471,547**	$3,416,100	$3,917,848	**$501,748**
Operating Income *(Before Depreciation)*	**$265,297**	**$86,775**	**($178,522)**	**$696,063**	**$536,387**	**($159,676)**

Investment Fund Balances: As of August, the Local Governmental Investment Pool (LGIP) 700 = $18,645,363; Wells Fargo; Collateralized Money Market = $11,586,465 and Collateralized CD's = $38,092,693; Total $68,324,521. The market value accounting adjustment was ($34,956) for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $86,775 for August 2022, a decrease of $178,522 from last August. Historically, the month of August does not produce positive net operating results. This fiscal year, the inflationary impact of increasing contractual service agreements was significant. Operating expenditures for August increased by 29% due to additional expenditures on service contract renewals and the timing of large service contract payments. Fortunately, both aeronautical and non-aeronautical revenues continue to show strength, increasing by 15% and 18% respectively. Despite fewer commercial flights and a reduction in overall seat capacity, load factors (the percentage of seats filled) and passenger spending have continued to increase.

PMGAA is expecting systemwide airline schedule reductions to continue through the remainder of 2022 and into the first two quarters of 2023 as new pilots are hired and trained.

Despite the rising cost of fuel, a challenging labor market, and escalating maintenance costs, PMGAA is controlling expenditures by managing overtime and eliminating or delaying non-critical purchases.

PMGAA Solicitations

Active/Pending Solicitations

TYPE OF SOLICITATION	Number	Title	Anticipated Contract Award
Request for Qualifications	2023-001-RFQ	East Side Terminal Planning Initiative	October 2022

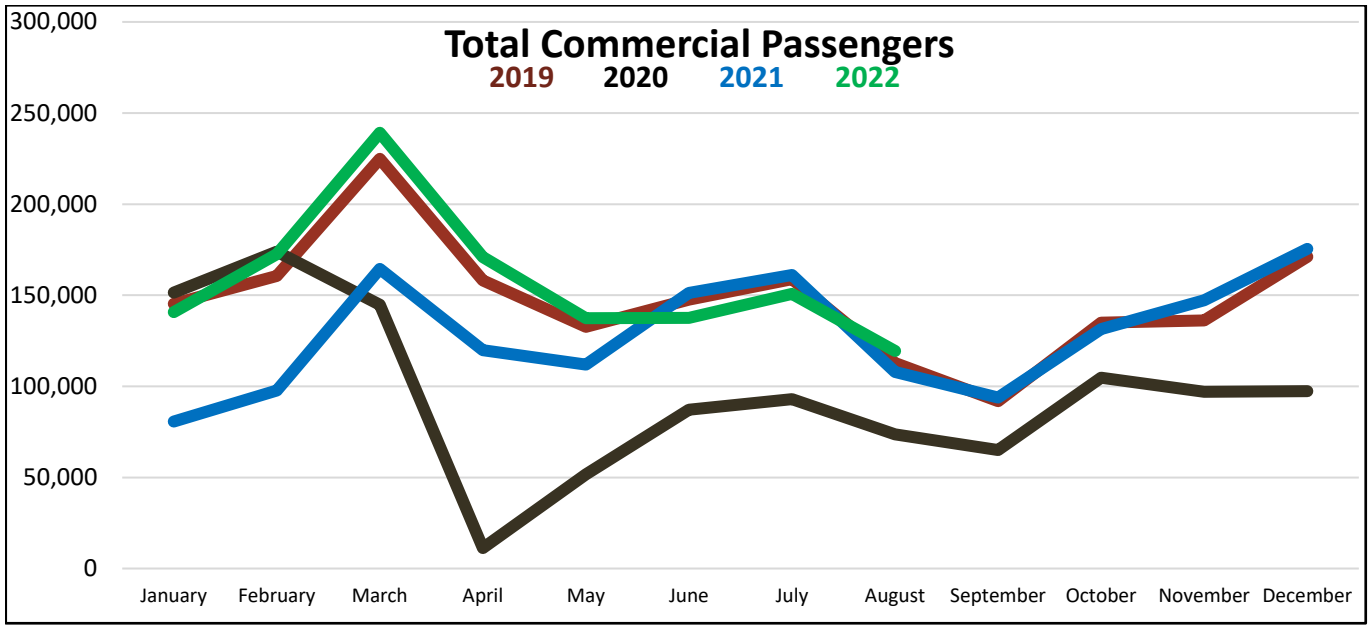
Airport Operations

Record-Setting Commercial Passenger Activity in August

Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) had its busiest August ever for commercial passenger activity, despite strong headwinds due to an ongoing industrywide pilot shortage. During August 2022, airlines serving the Airport welcomed 119,403 total passengers, an 11% increase over last August and more than 6,600 passengers above the previous record August in 2019.



Allegiant's available seat capacity at Gateway Airport was down 12% in August, but their average load factor, percentage of seats occupied, during the month was up around 90%. Earlier this summer, Allegiant informed Airport officials that there would be a reduction of flights for the remainder of 2022 and part of 2023 as new pilots are hired and trained on both Airbus and Boeing aircraft.

Gateway Airport is one of the largest bases in Allegiant's entire system. Depending on the time of year, Allegiant offers approximately 50 nonstop destinations to popular cities and towns across the country. For more information on where Allegiant flies, please visit www.allegiantair.com.

Gateway Airport Installing New Ticket-Based Parking Revenue Control System

So long yellow tokens…hello reliability, flexibility, and new technology! Gateway Airport is completing a major parking revenue control system upgrade that will provide customers with a seamless and convenient parking experience. The new equipment features "contactless" payments using Apple Pay/Android Pay/etc., providing customers with quick payment options.

Later this fall, PMGAA will initiate additional digital enhancements like real-time parking lot availability on the PMGAA website and paying for parking using your cell phone.

The project is scheduled to be completed just in time for the upcoming busy holiday travel period.

PMGAA Team Member Spotlight

Employee Name: **Scott Johnson**
Employee Title: **Line Service Manager**
PMGAA Department: **Gateway Aviation Services**
Years with PMGAA: **13+**

What are your job responsibilities for PMGAA? I am responsible for the line service work group at PMGAA's fixed base operator (FBO) including scheduling, performance, discipline, hiring and training for 21-line service personnel. I help manage long-term and large sized reservations for the FBO and work closely with large customers to meet their needs. I also complete various projects to help the FBO such as completing capital equipment replacement projects and various reporting for the FBO Director.

What is your most memorable Gateway Airport moment? There are too many to choose just one, but a memorable one is when the 747-800 was here doing testing and I was able to fuel it.

What is something people may not know about you? I have a private rotorcraft pilot license.

Engineering and Planning

Five Gate, 30,000 SF Terminal Addition Under Construction

Rendering of Glass Terminal Addition Connector

Rendering of Terminal Addition Interior

Gateway Airport is replacing a four-gate, 10,000 SF portable facility with a new, five-gate, 30,000 SF permanent terminal addition. The new gates will be connected to the terminal by a glass walkway with striking views of two landscaped outdoor courtyards. The new facility will also include a tech lounge, an enhanced retail/food & beverage concession, and airline and concession support/storage space. The cost of the project is approximately $28MM and will be completed in 12-18 months.

Business Development

Gulfstream Aerospace Corp. Preparing their 19-Acre Site for Construction

Earthwork Underway at Gulfstream's New West Coast Service Center

Gulfstream Aerospace Corporation's new $100MM 225,000 SF West Coast Service Center is Gateway Airport's largest single private investment project ever. The impressive project, currently underway on the east side of the airfield adjacent to Ellsworth Road is scheduled to be completed in the summer of 2023.

The City of Mesa and PMGAA have made significant infrastructure commitments to ready the site for Gulfstream.

SkyBridge Arizona Constructing Hotel and Associated Horizontal Infrastructure

SkyBridge Arizona Hotel Site

Lots of excitement is being generated in SkyBridge Arizona. The 360-acre master development is constructing a 129-room dual brand hotel with half the available rooms an extended stay product, and half the rooms for the transient traveler. SkyBridge is also working with the City of Mesa on the necessary permits to construct two 250,000 SF industrial buildings. Later in 2023, SkyBridge will begin construction of taxi lane Sierra, opening up acres of additional land for development.

GatewayEast Establishing Zoning and Design Guidelines for Phase I

Conceptual Rendering of GatewayEast Entrance

What level of planning goes into creating a world-class master development project? The Boyer Company LC, headquartered in Salt Lake City, UT is currently working with the City of Mesa and PMGAA to establish zoning and design guidelines for the first phase of the Gateway***East*** project.

To ensure consistency throughout the entire project, the developer is working with the City and PMGAA to create design standards to guide the park's future architecture, lighting, signage, and landscaping.

Gateway Aviation Services

PMGAA pumped more than 1.15MM gallons of aviation fuel during the month of August 2022, an 18% decrease from the amount of fuel dispensed during August 2021. Commercial fuel sales were down 27%, a reflection of Allegiant's schedule reduction this summer.

FUEL (Gallons)	August			FYTD		
	2021	2022	% Change	FY22	FY23	% Change
AvGas	35,690	42,206	18%	66,959	75,905	13%

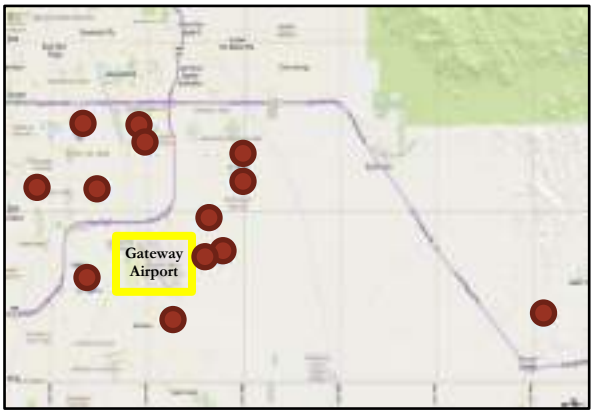
Community Noise Report

PMGAA received communication from 13 individuals during August 2022 regarding aircraft noise issues, compared to communication from seven area individuals last August. The map to the right depicts where the noise calls emanated from during August 2022 – eight from Mesa, four from Gilbert, and one from Queen Valley. Five of the calls were regarding military aircraft activity in the Southeast Valley.



PMGAA prides itself on trying to be a good neighbor and works with the adjacent communities to educate homeowners and address their concerns.

Community and Government Relations

Gateway Airport Exhibiting at Annual NBAA - Business Aviation Convention & Exposition

If you happen to be at the Orange County Convention Center in Orlando, FL on October 18th – 20th, make sure you stop by Booth #4085 and learn more about development opportunities at Gateway Airport. A talented team of PMGAA promoters will be in Florida to educate and excite the approximately 1,000 companies in attendance for this year's National Business Aviation Association (NBAA) - Business Aviation Convention and Exposition (BACE) in Orlando. Convention attendees stopping by the Gateway Airport booth will learn about Arizona's business advantage, an available skilled workforce, and the reasons why companies like Gulfstream and Virgin Galactic are choosing to locate at Gateway Airport.

Are You Travel ID/REAL ID Ready?

Starting on May 3, 2023, all U.S. air travelers must be Travel ID/REAL ID compliant to board domestic flights and access certain federal facilities. The TSA checkpoint at Phoenix-Mesa Gateway Airport will only accept a driver's license with a gold star in the upper right-hand corner, a valid passport, or another Travel ID/Real ID compliant identification.

Don't wait…get yours today!

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | September 20, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, September 20, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix (*via audioconference*)
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community (*via audioconference*)
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa*

** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $428,511.
   - Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 150,658 commercial passengers during July 2022; a 6% decrease in passengers compared to July 2021 due to a national pilot shortage. However, the financial performance of the Authority for the month of July is on par with July 2021 due to diversification of revenue streams.
   - Site work has begun for Phase I of Gulfstream Aerospace Corporation's 225,000 SF West Coast Service Center. The City of Mesa is providing landside infrastructure for wet and dry utilities and PMGAA is providing airside infrastructure improvements for access to the airfield.
   - Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. The remaining hangar is available for lease. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships.
   - Site prep has begun for SkyBridge Arizona's new 129-room hotel and associated roadway infrastructure. They are also in design for two 250,000 SF industrial buildings. Design of taxi lane Sierra is complete, and construction is expected to begin in early 2023.

DRAFT

- The Boyer Company is working with the City of Mesa and the Authority on zoning and design standards for Phase I of the Gateway***East*** Master Development.
- Renovations for the new Macayo's Mexican Food/Infusion Coffee & Tea Crafters are nearly complete. The anticipated opening for these two new terminal restaurants is October 17th.
- Gateway Tomorrow is a planning initiative designed to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. Authority staff has been working with the consultant on the scope of work and total project cost. Authority staff is also working with PMGAA Board members and their communities to identify individuals interested in serving on the project planning committee. Representatives from the FAA, Allegiant Air, and other major stakeholders will also serve on the committee.
- The results of the 2022 PMGAA Classification and Compensation Study show pay ranges are approximately 9% below regional and industry averages. The independent consultant compared Authority jobs to regional municipalities and other airports nationally. The Authority will use this data to offer a competitive pay structure to its employees. Intermittent salary surveys will continue in order to remain competitive. The previous Class and Comp Study was completed for the Authority in 2015.
- Air cargo activity has increased at the Airport due to a car manufacturer utilizing Gateway Airport for just-in-time delivery of automotive parts. This enhanced cargo activity has provided the airport with additional revenue through fuel purchases, other services, and landing fees.
- May 3, 2023 is the Travel ID/Real ID deadline. The Authority is campaigning to encourage passengers to get their Real ID compliant driver's license in advance of the new deadline.
- More than one hundred federal, state, and local dignitaries gathered on August 23rd for the dedication of the new John S. McCain III Air Traffic Control Tower. The tower became operational on August 27th.
- Work will soon begin on a new 30,000 SF five-gate terminal addition. A temporary terminal facility will arrive on October 3rd to serve three-gates during construction.
- Construction of an enclosed pedestrian walkway will allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint by approximately 30% and will keep passengers in a climate-controlled environment from ticketing through security screening.
- Gateway Airport is continuing its expansion of the Alpha Apron to increase parking for larger and heavier aircraft. Alpha Apron Phase III was completed just before the wildfire season this year and was used by the U.S. Forest Service.
- Center Runway Reconstruction begins October 3rd. The runway will be closed for six to eight months while the reconstruction takes place. The Airport has two additional 10,000-foot runways and will maintain normal operations during the entire project.
- PMGAA is improving the Rental Car Return Lot and the Rental Car Care Facility. Construction on the Rental Car Return Lot has begun. This project will use Customer Facility Charge (CFC) funds to re-design traffic flow, expand capacity, add new office facilities, and erect shade structures for customer convenience. CFC funds are fees assessed to passengers renting cars at the Airport. These funds go directly into a dedicated account and can only be used to improve the infrastructure and facilities for rental car operations.
- PMGAA is planning to expand its fuel storage capacity to protect against future fuel delivery disruptions. Current fuel storage is 250,000 gallons which is a 4-day supply and susceptible to fuel delivery disruptions. The Authority is proposing adding two more 50,000-gallon storage

tanks to increase fuel storage on-Airport. This extra capacity will further protect the Airport and its customers from future fuel delivery disruptions.

- The Ray Road Economy Parking Lot expansion project is complete. An additional 1,300 parking spaces are available. Ample parking is available for the coming holiday season.
- A new and improved parking lot revenue control system will be operational in all public parking options by the end of October. This new system replaces the old token system currently used by PMGAA.
- PMGAA is constructing two taxiway connectors for Gulfstream Aerospace Corp. Gulfstream and the Authority are sharing the cost of the project.

6. Consent Agenda

a) **Minutes** of the Board Meeting held on **July 19, 2022.**

b) **Resolution No. 22-53 –** Authorizing the purchase of one Lavatory Service Truck from **Stinar, LLC (Stinar)** in an amount not to exceed $194,058.83.

c) **Resolution No. 22-54 –** Authorizing the purchase of one Aircraft Air Start Unit from **Aero Specialties, Inc. (Aero Specialties**) in an amount not to exceed $232,666.28.

d) **Resolution No. 22-55 –** Approving an Authorization of Services with **Dibble Engineering** for Design and Bid Phase Services for the Runway 12R-30L Reconstruction Project in an amount not to exceed $994,592 under CIP 1072.

e) **Resolution No. 22-56 –** Authorizing an amendment to the Janitorial Services Contract with **Flagship Airport Services, Inc. (Flagship)** for janitorial services, revising the Scope of Services, effective August 1, 2022, for an additional amount of $61,705.94 for the remainder of the contract term, including 2-one-year extensions.

f) **Resolution No. 22-57 –** Approving the Fourth Amendment to the Car Rental Concession Agreement with **Enterprise Leasing Company of Phoenix, LLC**.

g) **Resolution No. 22-58 –** Authorizing the Second Amendment to the Car Rental Concession Agreement with the **Hertz Corporation**.

h) **Resolution No. 22-59 –** Authorizing Amendment 2 to the Land Lease Agreement with **Gateway Executive Airpark, LLC** for lots 11-14 in order to lengthen the Construction Milestone identified in Section 7.2.4 to September 30, 2023.

i) **Resolution No. 22-60 –** Authorizing the Executive Director to execute an operating agreement with **Swoop, Inc**. for commercial air service at the Airport.

j) **Resolution No. 22-61 –** Authorizing the purchase of one 28V GPU from **ITW GSE** in an amount not to exceed $63,641.32.

k) **Resolution No. 22-62 –** Authorizing an **Amendment of the FY23 Capital Budget** to add $3,982,327 in funding for the Design and Construction of an **Enclosed Pedestrian Walkway** under CIP 1252.

l) **Resolution No. 22-63 –** Authorizing an **Amendment of the FY23 Capital Budget** to add $1,825,000 in funding for the Construction of the **Rental Car Care Facility Improvements** under CIP 1242.

Mayor Chip Wilson moved to approve the Consent Agenda.
Vice Mayor Jeff Brown seconded the motion.
The motion was carried unanimously.

Consideration and Possible Approval of:

7. **Resolution No. 22-64 –** Authorizing a Construction Services Contract, Construction Manager at Risk (CMAR), with **Willmeng Construction, Inc.**, for the Rental Car Care Facility Improvements Project in an amount not to exceed $7,321,080 under CIP 1242.

Mayor Chip Wilson moved to approve Resolution No. 22-64.
Councilmember Jim Waring seconded the motion.
The motion was carried unanimously.

8. **Board Member Comments/Announcements.**
Mayor Peterson expressed her appreciation for the successful dedication event commemorating the opening of the new air traffic control tower.

9. **Next Meeting: Tuesday, October 18, 2022** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

10. **Adjournment.**
The meeting adjourned at 9:32 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 22-65

To:	**Board of Directors**
From:	**Chris Brady, Mesa City Manager**
Through:	**Jill Casson Owen, Snell & Wilmer**
Subject:	**Employment Contract Amendment – Executive Director**
Date:	**October 18, 2022**

Proposed Motion

To approve a seventh amendment to the Executive Director's employment agreement effective October 1, 2022.

Narrative

The Board of Directors approved an employment agreement with Mr. J. Brian O'Neill on September 21, 2016, amended as of October 1, 2017, amended as of October 1, 2018, amended as of October 1, 2019, amended as of October 1, 2020, amended as of October 1, 2021, and amended as of April 1, 2022. The seventh amendment to Employment Agreement provides for (i) a four percent increase in Mr. O'Neill's base salary and (ii) a modified contribution to his existing 457 deferred compensation account for a total contribution of $27,000 annually ($2,250 monthly), effective October 1, 2022. There are no other changes to the agreement.

RESOLUTION NO. 22-65

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve a seventh amendment to the Executive Director's employment agreement effective October 1, 2022;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves a seventh amendment to the Executive Director's employment agreement effective October 1, 2022. This resolution also authorizes the Chair to execute such agreement, with such insertions, deletions, and changes as may be approved by the Chair, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 18th day of October, 2022.

J. Brian O'Neill Fiscal Year 2022 (FY22) Annual Performance Review

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) is fortunate to have a team of highly motivated and experienced subject-matter experts serving all aspects of Phoenix-Mesa Gateway Airport's (Airport, Gateway Airport) operation. As Executive Director/CEO, my management philosophy is to recruit the best candidates, train them to successfully perform their unique duties, provide them with a positive work environment, and then let them do their jobs. My primary responsibility is to ensure the Airport is operated in a safe, secure, customer-focused, efficient, environmentally friendly, and financially sustainable manner.

Each year, I strive to effectively communicate and work cooperatively with the PMGAA Board of Directors and Gateway Senior Staff as representatives of PMGAA's six Member Communities; federal, state, and local partners; and other key stakeholder groups to grow and improve the Airport in a responsible manner that maximizes its economic contribution to the entire greater Phoenix region. I was honored this year to be named the 2022 Airport Executive of the Year by the Arizona Airports Association and accept the award on behalf of the entire PMGAA Team.

Summary of FY22 PMGAA Organizational Achievements

- Record-Setting Commercial Passenger Activity
- Record-Setting Financial Performance
- Exceptional Part 139 Certification Inspection
- Clean FY22 Independent Financial Audit
- Comprehensive TSA Inspection Resulting in No Findings
- Successful Triennial Live Emergency Preparedness Exercise
- Completed 2022 PMGAA Classification and Compensation Study
- Increased Air Cargo Operations and Revenue
- Supported U.S. Forest Service During Wildfire Season
- **Gateway Tomorrow** Planning Initiative Solicitation
- New Air Service – Gateway Airport's five airlines added eleven new nonstop destinations
- Private Development – The Gateway Executive Airpark, SkyBridge Arizona, Gateway***East***, Gulfstream Aerospace Corporation, Virgin Galactic, and Terminal Concessions all made progress with several aeronautical and non-aeronautical design and construction projects

- Airport Construction Projects –
    - Air Traffic Control Tower
    - 5-Gate Terminal Addition
    - Enclosed Pedestrian Walkway
    - New Cell Phone Lot
    - North RON Aircraft Parking Pad
    - TSA Checkpoint Expansion
    - Fuel Farm Storage Expansion
    - Gulfstream Taxiway Connectors
    - Parking Revenue Controls
    - Alpha Apron III and IV
    - Ray Road Parking Lot Expansion
    - Tenant Parking Lot
    - Rental Car Improvements
    - Center Runway Reconstruction

PMGAA staff continues to be guided by seven organizational goals identified by the PMGAA Board of Directors - **Increase Air Service; Maintain a High Level of Community Support; Strengthen Financial Sustainability; Invest in People and Operational Assets; Attract Commercial Development; Plan, Build, and Maintain Infrastructure; and Promote Regional Tourism**.

The information that follows is intended to highlight many, but certainly not all, of PMGAA's accomplishments during FY22 and how they relate to PMGAA's organizational goals.

Increase Air Service: The continued development of commercial air service is critical for the growth and success of the Airport and the regional economy. Air service development requires strengthening relationships with current and prospective airlines while utilizing available data and local information to help support new service requests.

1. Total commercial passenger activity increased by 44% in FY22 compared to FY21 with a record-setting 1,815,369 total passengers during the 12-month period
2. New air service development
    - Allegiant announced nine new destinations in FY22
    - WestJet (returned for the winter season)
    - Swoop (returned for the winter season)
    - Flair (returned for the winter season)
    - Sun Country (initiating new service to Minneapolis for the winter season)
3. Maintained strategic communication with existing and prospective airlines
4. Attended national airport and airline conferences
5. Attended military, air cargo, and business travel conferences and expositions
6. Participated in numerous one-on-one airline meetings and HQ visits
7. Continued to strengthen the partnership/relationship between PMGAA and Allegiant
8. Expanded ***Allegiant Alliance*** Marketing Collaborative to include new nonstop destinations, convention and visitor bureaus, and chambers of commerce

Maintain a High Level of Community Support: Gateway Airport works hard to be a good neighbor, active community member, and effective communicator. PMGAA strives for transparency and accountability when interacting with residents from its Member Communities.

1. Executive Director is an active civic and business organization board member including PHX East Valley Partnership, Mesa Chamber of Commerce, Visit Mesa, and Tempe Tourism Office
2. An increasing number of PMGAA staff are active members of industry organizations including AAAE, SWAAAE, ACI-NA, AzAA, IEDC, and U.S. Contract Tower Association; as well as various regional chambers of commerce, economic development organizations, community groups, and travel/tourism-related organizations
3. PMGAA participated in numerous civic, business, and community Airport presentations to groups across the Valley
4. PMGAA successfully managed its Community Noise Program through a strategic plan that included returning telephone calls, emails, text messages, and personal visits
5. Enhanced Community Outreach Program and increased strategic social media program
6. Sponsored various Member Community initiatives, activities, and events

Strengthen Financial Sustainability: Ensuring financial sustainability is critical for the continued long-term success of Gateway Airport. PMGAA staff has been successful in growing existing revenue streams and is focused on identifying new aeronautical and non-aeronautical revenue opportunities that will diversify and improve PMGAA's financial position for the future.

1. PMGAA achieved record-setting financial performance in FY22
   - Net operating income of $4,763,113
   - Received approximately $33MM in federal COVID relief funding
   - Significantly increased days of available cash on hand during FY22
2. Controlled operational expenditures and employee overtime
3. Received a clean FY22 independent financial audit
4. Updated PMGAA Board-Approved Airport Rates and Charges

PERFORMANCE METRICS	FY20	FY21	FY22
Total Commercial Passengers	1,425,806	1,256,507	1,815,369
Total Aircraft Operations	275,712	258,851	246,314
Aircraft Landing Fee Revenue	$1,288,197	$1,678,140	$1,562,305
Terminal Tenant Lease Revenue	$143,430	$148,573	$161,418
Airline Terminal Use Fee Revenue	$272,025	$277,425	$292,225
Operating Revenue	$22,929,055	$23,626,495	$27,718,924
Terminal Concession Revenue	$776,635	$771,285	$1,205,103
Facility/Land Lease Revenue	$3,728,026	$3,609,247	$4,726,455
Ground Transportation Revenue	$215,940	$148,631	$220,792
Car Rental Revenue	$1,774,972	$1,549,008	$2,577,700
Vehicle Parking Revenue	$2,864,496	$2,585,927	$3,921,418
Fuel Sales	$5,887,780	$5,311,429	$6,324,413
Net Operating Income	$2,461,546	$3,852,893	$4,763,113

Denotes Record-Setting Performance

Invest in People and Operational Assets: Talented and dedicated employees are an important part of any successful organization. PMGAA is fortunate to have a great team and has worked hard to create a healthy, stimulating workplace environment.

1. Completed 2022 Classification and Compensation Study
2. Retained key PMGAA management personnel
3. Maintain Competitive Benefits Program
4. Enhanced Employee Wellness and Rewards Program
5. Reduced PMGAA staff turnover and controlled overtime costs
6. Initiated Employee Engagement Committee
7. Improved Employee Recognition Programs

Attract Commercial Development: Increasing long-term aeronautical and non-aeronautical land lease agreements is paramount to ensure PMGAA's financial and operational sustainability. Maximizing these important revenue streams is a critical component of PMGAA's plan to eventually receive a bond rating and issue General Airport Revenue Bonds (GARBs) for future demand-driven Airport facilities and infrastructure.

Private Development Projects –

1. Gateway Executive Airpark/Virgin Galactic
2. SkyBridge Arizona Master Development
3. Gateway***East*** Master Development
4. Gulfstream Aerospace Corporation
5. Tripadvisor and Macayo's Mexican Food/Infusion Coffee & Tea Crafters

Other Accomplishments –

1. Negotiated several aeronautical and non-aeronautical land and facility lease renewals
2. Entered into several new aeronautical and non-aeronautical facility and land lease agreements

Plan, Build, and Maintain Infrastructure: It is critically important that Gateway Airport operate in compliance with all federal, state, and local rules and regulations. Maintaining and improving a complex system of aging airfield infrastructure and Airport facilities is foundational to the Airport's ability to provide an efficient and cost-effective operating environment for airlines, concessionaires, and other airport tenants.

1. Finished construction of new John S. McCain III air traffic control tower
2. Secured federal funding and designed 5-gate, 30,000 SF terminal addition
3. Designing enclosed pedestrian walkway
4. Constructed new cell phone lot
5. Constructed north RON aircraft parking pad
6. Expanded TSA security screening checkpoint
7. Designed fuel farm storage expansion
8. Designed east side infrastructure
9. Installed new, enhanced parking lot revenue control system

10. Constructed 250,000 SF Alpha Apron Phase III expansion and designed Phase IV
11. Expanded Ray Road Economy Parking Lot by approximately 1,300 spaces
12. Constructed Terminal Tenant Parking Lot
13. Designed and constructed Rental Car Return Lot improvements
14. Designed Rental Car Care Facility
15. Designed and secured federal funding for center runway reconstruction
16. installed 20,000-gallon fuel storage tank (10,000 gal. diesel/10,000 gal. unleaded)
17. Installed new energy-efficient LED lighting in terminal

Promote Regional Tourism: Tourism is a major economic engine for the entire State of Arizona. In greater Phoenix, the Airport regularly partners with other tourism-related organizations on initiatives, activities, and events designed to promote increased tourism for all Valley communities.

1. Coordinated Airport and airline promotional activities with various regional tourism organizations
2. PMGAA staff were active members of several regional tourism organizations
3. PMGAA participated in Airport tours, media visitations, and tourism presentations

FY23 PMGAA Organizational Goals

- Complete Gulfstream Aerospace Corp. West Coast Service Center
- Begin Construction on 5-Gate Terminal Addition
- Begin Construction on Enclosed Pedestrian Walkway
- Complete Reconstruction of Runway 30C-12C
- Construct Alpha Apron Phase IV
- Begin Construction of Fuel Farm Expansion (two 50,000 gal tanks)
- Increase PMGAA's Participation in Regional Transportation Planning Initiatives
- Strengthen Partnerships with Airport Tenants, ASU, and CGCC
- Continue to Work with FAA on Relocation of Airport Surveillance Radar (ASR) Facility
- Increase Net Operating Income and Days of Available Cash on Hand
- Continue to Control Operational Expenses
- Promote SkyBridge Arizona Master Development and Unified Cargo Processing Program
- Promote Gateway***East*** Master Development
- Pursue Available Federal/State Grants and Other Funding Sources
- Continue Providing Guidance to Adjacent Communities on Land Use Compatibility and Other Regional Planning Issues
- Lease Airport Land to at Least One New Private Development Project
- Continue to Recruit New Airlines, Pursue Additional Nonstop Destinations, and Increase Passenger Activity
- Achieve an Exceptional FY23 FAA Part 139 Certification Inspection

- Achieve an Exceptional Transportation Security Administration (TSA) Security Inspection
- Achieve a Clean FY23 Independent Financial Audit
- Increase Both Aeronautical and Non-Aeronautical Revenue
- Expand Community Outreach Program and Gateway Airport's Social Media Program
- Complete Construction on Necessary East Side Infrastructure Projects for Gulfstream and Gateway***East*** Phase I Including Taxiway Connectors
- Support PMGAA Staff Development and Subject-Matter Training Opportunities
- Complete Construction of Rental Car Care Facility
- Design Bag Make-Up Improvements
- Continue to Expand Cargo Operations
- Demolish Old Air Traffic Control Tower

Board Action Item

Re: Resolution 22-66

To:	**Board of Directors**
From:	**Veronica Lewis, Human Resources Director**
Through:	**Chuck Odom, Chief Financial Officer/CFO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Employee Benefit Package for Calendar Year 2023**
Date:	**October 18, 2022**

Proposed Motion

Authorize Phoenix-Mesa Gateway Airport Authority's (PMGAA's) insurance broker, USI Insurance Services LLC, to purchase benefit plans (medical, dental, vision, basic life/accidental death & dismemberment, and short-term disability) from various carriers. This consists of a 12-month renewal January 1, 2023, through December 31, 2023, with an estimated plan cost of $1,452,030.

Narrative

PMGAA's benefit broker, USI Insurance Services LLC, received quotes from several industry-leading insurance carriers for a 12-month renewal period. USI negotiated the best possible rate from each carrier resulting in a 10.9% increase in costs for the medical plan, which is in line with industry average. PMGAA staff is proposing that Cigna continue to be the carrier for medical benefits and offer the same two plan coverage options that are currently available.

PMGAA staff proposes that Delta Dental continue to be the carrier for dental at a 4% increase in premium. Additionally, it is recommended that EyeMed continue to be the carrier for vision, and Mutual of Omaha for basic life/accidental death & dismemberment and short-term disability as there were no changes in rates. It is recommended that we maintain our Employee Assistance program with IBH Population Health Solutions.

PMGAA has found that providing a competitive benefits package is a major employee retention and attraction tool that reduces the costs – overtime, training, workplace inefficiency – associated with high employee turnover.

Fiscal Impact

Cost of the benefits package for Calendar Year 2023 is estimated to be $1,233,059 (employer's portion) and $218,971 (employee's portion) for a total of $1,452,030. This reflects a 10.3% increase from the previous calendar year.

RESOLUTION NO. 22-66

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize Phoenix-Mesa Gateway Airport Authority's (PMGAA's) insurance broker, USI Insurance Services LLC, to purchase benefit plans (medical, dental, vision, basic life/accidental death & dismemberment, and short-term disability) from various carriers. This consists of a 12-month renewal January 1, 2023, through December 31, 2023 with an estimated plan cost of $1,452,030;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

The Board of Directors of the Authority hereby authorizes Phoenix-Mesa Gateway Airport Authority's (PMGAA's) insurance broker, USI Insurance Services LLC, to purchase benefit plans (medical, dental, vision, basic life/accidental death & dismemberment, and short-term disability) from various carriers. This consists of a 12-month renewal January 1, 2023, through December 31, 2023 with an estimated plan cost of $1,452,030. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.

Passed and adopted by the Authority this 18th day of October, 2022.

Commissions and Fees

As a licensed insurance producer, USI is authorized to confer with or advise our clients and prospective clients concerning substantive benefits, terms or conditions of insurance contracts, to sell insurance and to obtain insurance coverages for our clients. Our compensation for placement of insurance coverage, unless otherwise specifically negotiated and agreed to with our client, is customarily based on commission calculated as a percentage of the premium collected by the insurer and is paid to us by the insurer. We may also receive from insurers and insurance intermediaries (which may include USI affiliated companies) additional compensation (monetary and non-monetary) based in whole or in part on the insurance contract we sell, which is contingent on volume of business and/or profitability of insurance contracts we supply to them and/or other factors pursuant to agreements we may have with them relating to all or part of the business we place with those insurers or through those intermediaries. Some of these agreements with insurers and/or intermediaries include financial incentives for USI to grow its business or otherwise strengthen the distribution relationship with the insurer or intermediary. Such agreements may be in effect with one or more of the insurers with whom your insurance is placed, or with the insurance intermediary we use to place your insurance. You may obtain information about the nature and source of such compensation expected to be received by us, and, if applicable, compensation expected to be received on any alternative quotes pertinent to your placement upon your request.

USI values your feedback regarding compliance with our disclosure policy. You may contact the toll-free USI Compliance Hotline (866-657-0861) at any time, and your call will be referred to applicable company management for further investigation.

Executive Summary

Executive Summary
January 1, 2023

USI Insurance Services is pleased to present Phoenix-Mesa Gateway Airport Authority with the renewal and marketing evaluation for the 2023 plan year. The following outlines the strategies and projections for your consideration.

Medical Renewal - Cigna

Initial renewal: 24% increase (28% increase in claims & 18% increase in fixed costs)

USI's financial projection: 18% increase

Negotiated renewal: 10.9% increase (19% increase in claims & 0% increase in fixed costs)

The requested increase is driven by the following factors:

- 2022 Plan Year Net Loss Ratio of 91.5% (target is 80-85%)
- A 99.2% loss ratio since inception (2021 & 2022 plan years)
- Four large claims (>$22,500) and one exceeding the $45,000 stop loss by $25,576

Cigna also included an option that would provide approximately 1% of relieve by adding the "CVS 90 program"

- 90 day fills must go to CVS
- Member has a two fill grace period to transition to CVS

There are no plan design changes

The specific stop loss remains at $45,000

Pricing for 4-tier medical rating has not been included to date, but we can request per our discussion today

Dental Renewal - Delta Dental

Renewal: 4% increase

Delta Dental's renewal reflects no changes in benefits. Rates are guaranteed to January 1, 2024.

Vision Renewal - EyeMed

Renewal: 0% increase

EyeMed's contract is under a rate guarantee until January 1, 2025. There are no changes in benefits.

Life and Accidental Death & Dismemberment - Mutual of Omaha

Renewal - 0% Increase

Mutual of Omaha is in rate guarantee until January 1, 2025

Voluntary Life and Accidental Death & Dismemberment - Mutual of Omaha
Renewal 0% increase

Mutual of Omaha is in rate guarantee until January 1, 2025

Short Term Disability - Mutual of Omaha
Renewal 0% Increase

Mutual of Omaha is in rate guarantee until January 1, 2025

Critical Illness - UNUM
UNUM is in rate guarantee until January 1, 2024

Employee Assistance Program (EAP) - IBH Population Health Solutions

Renewal 20% Increase ($600 increase)

IBH provided options for Digital EAP and Digital EAP plus Coaching

Digital EAP 53.3% increase ($1,600 increase)

Digital EAP plus Coaching 86.7% increase ($2,600 increase)

Thank you for this opportunity to present Phoenix-Mesa Gateway Airport Authority's renewal and market analysis. We value your business and look forward to another successful year.

Phoenix Mesa Gateway Airport Authority (PMGAA)
USI Administered Employee Benefit Plans
Compensation Disclosure
January 1. 2023

USI is making the following compensation information available effective with the renewal date above. For ERISA group health plan fiduciaries this is in accordance with requirements under ERISA 408(b)(2).

1. The direct compensation USI expects to receive for servicing your health benefits is:

Fee for Service - Consulting/Project	$29,500.00

	Plan Type	Renewal	
Medical (Fully Insured)	Medical PPO	CIGNA	0.0%
Dental	Dental PPO	Delta Dental of Arizona	0.0%
Vision	Vision	Mutual of Omaha Insurance Company	0.0%
Employee Assistance Program	Employee Assistance Program (EAP)	EAP Preferred	0.0%
Voluntary Critical Illness	Voluntary Critical Illness	Unum Life Insurance Company of America	0.0%

Non health plans; one or more of life, disability, non-ERISA stop loss, other ancillary	0%

2. The expected indirect compensation USI expects to receive is:

It is possible that some of the insurance companies from which USI obtains coverage may pay it additional incentive commissions, sometimes referred to as contingent, supplemental, or bonus commissions, which may be based on the total volume of business we sell for them, and/or the growth rate of that business, retention rate, claims loss ratio, or other factors considering our entire book of business with an insurance company for a designated period of time. Such additional commissions, if any, would be in addition to any other compensation USI may receive. By coverage type indirect compensation ranges

Medical & Stop Loss approximately 0% to 5%

Dental, Vision, Ancillary approximately 0% to 7%

5. The services USI will provide include some or all of the following:

Design of health care plans, cost-containment and other plan design recommendations. Preparation of bid specifications (RFP). Analysis of proposals and presentation of findings. Renewal analysis and negotiation. Reporting/Servicing Meetings. Contract Review. Employee Meetings. Employer/Employee Communications.

6. USI does not offer or provide fiduciary services to the plan.

7. In some cases USI may involve the services of a general agent based carrier requirements or distribution model. In some cases general agent may be owned by USI, and will receive compensation in addition to what is detailed above, and will be in the range of 1% to 2% of medical premium or $3.00 to $16 PEPM based on enrolled and 1% to 6% on dental and vision premium.

8. This disclosure document includes the disclosures USI is required to make in accordance with ERISA Section 408(b)(2). Any other plan service provider that is subject to the 408(b)(2) disclosure requirements is required to make its own independent 408(b)(2) disclosure and any such disclosures are not included in this disclosure.

Board Action Item

Re: Resolution 22-67

To:	**Board of Directors**
From:	**Art Montoya, Information Technology Manager**
Through:	**Chuck Odom, Chief Financial Officer/CFO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Microsoft Licensing Renewals through CDW-G**
Date:	**October 18, 2022**

Proposed Motion
To authorize a purchase with CDW Government, Inc. (CDW-G) for annual Microsoft licensing renewals, in an amount not to exceed $61,937.63.

Narrative
Multiple Microsoft software and programs are currently used throughout our organization. The software requires annual licensing renewals. CDW-G is an authorized Microsoft reseller.

Board authorization for the purchase of the Microsoft annual software maintenance licensing renewals is necessary for access and to continue use of the Microsoft software including our cloud based Office 365 product suite.

Phoenix-Mesa Gateway Airport Authority (PMGAA) is a participant of the National IPA (NIPA) cooperative purchasing group. Under NIPA, CDW-G was awarded Information Technology Solutions and Services contract #2018011-01. It is through this cooperative purchasing agreement that PMGAA will utilize CDW-G for Microsoft licensing renewals. This contract is available upon request. The quote provided by CDW-G does not include tax in the amount of $3,670.81.

Fiscal Impact
This purchase was included in the FY23 ITS Operating Budget.

RESOLUTION NO. 22-67

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a purchase with CDW Government, Inc. (CDW-G) for annual Microsoft licensing renewals, in an amount not to exceed $61,937.63;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a purchase with CDW Government, Inc. (CDW-G) for annual Microsoft licensing renewals, in an amount not to exceed $61,937.63. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 18th day of October, 2022.

Brigette Peterson, Chair

Subject:	**Enclosed Pedestrian Walkway Design & Engineering Services – DWL Architects+**
Date:	**October 18, 2022**

Proposed Motion
To authorize an Agreement with DWL Architects + Planners, Inc. (DWL) for Design and Engineering Services for the Enclosed Pedestrian Walkway, in an amount not to exceed $307,620 under CIP 1252.

Narrative
Due to the increased passenger traffic accessing the Phoenix-Mesa Gateway Airport, PMGAA Management is recommending to provide an Enclosed Pedestrian Walkway that will connect the Ticketing Terminal building to the main Terminal Entrance.

Currently our passengers must exit the Ticketing Terminal and walk outside to access the Terminal Entrance. This access point experiences a great deal of confusion since some passengers don't check baggage but instead proceed straight to the checkpoint. The current terminal entrance gets overcrowded with people accessing it from two different directions, creating gridlock, confusion and safety issues from people standing in the heat or other weather events. The deliverables for this project will include a Schematic Design Package, Pre-final Construction Document Package and final Construction Documents.

The Notice of Request for Qualifications (RFQ), Solicitation 2023-008-RFQ was issued on July 25, 2022, and advertised in the Arizona Business Gazette on 7/21, 7/28, 8/4 and 8/11/22; it was also posted on the AzAA, ACC, ACI-NA, SWAAAE and FAA Matchmaker Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 67 prospective firms and included DBE outreach. PMGAA received two (2) Statements of Qualifications on August 18, 2022, from the following firms:

DWL Architects + Planners, Inc.
M. Arthur Gensler Jr. & Associates, Inc. (Gensler)

Upon review of the qualifications, the Evaluation Panel unanimously selected DWL as the firm that best satisfied the requirements, based on the qualifications of the firm, project team experience, project understanding and approach to performing the required services. Award is pending Federal Aviation Administration concurrence.

Fiscal Impact
This project was approved at the September Board meeting to be added to the FY23 Capital Budget. The majority of the funding for this project will come from the Bipartisan Infrastructure Law (BIL) under CIP 1252.

Attachment(s): Professional Services Agreement

RESOLUTION NO. 22-68

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an agreement with DWL Architects + Planners, Inc. (DWL) for Design and Engineering Services for the Enclosed Pedestrian Walkway, in an amount not to exceed $307,620 under CIP 1252 ;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an agreement with DWL Architects + Planners, Inc. (DWL) for Design and Engineering Services for the Enclosed Pedestrian Walkway, in an amount not to exceed $307,620 under CIP 1252. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 18th day of October, 2022.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230102** ("Contract") and the attached exhibits. DWL Architects + Planners, Inc., an Arizona Corporation ("Consultant"), with its principal offices located at 2333 North Central Avenue, Phoenix, Arizona, 85004, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under to this Contract shall generally include, but not be limited to, the following: Enclosed Pedestrian Walkway Design Services, as more specifically described in Consultant's detailed scope of work attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on October 19, 2022 and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Term"), unless terminated, canceled or extended as provided in this Contract. PMGAA reserves the right, at its sole option, to extend the Term for such additional time as may be warranted and/or appropriate. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended period with the possible exception of price.

All prices stated in the original Contract shall apply unless a percent of increase or decrease is agreed to in writing by PMGAA.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant and its subconsultants listed below, shall provide all services to be performed under this Contract. If additional Subconsultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

Subconsultants to perform work under this Contract include:

Fore Dimensions LLC
Martin, White, & Griffins Structural Engineers, Inc.
LSW Engineers Arizona, Inc.
Dibble
Rider Levett Bucknall, LTD
GBtwo Landscape Architecture, Inc.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with the Phoenix-Mesa Gateway Airport Authority Procurement Policy. Payments will be made for the actual hours worked and/or other costs incurred or provided for in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate agreements or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all agreements with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all agreements with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX – INSURANCE REQUIREMENTS FOR PROFESSIONAL SERVICES CONTRACTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).

iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions.

The insurance policies shall provide, or be endorsed to include:

i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.

ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract.

iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX – DISADVANTAGED BUSINESS ENTERPRISE

Phoenix-Mesa Gateway Airport Authority's DBE program is race-neutral. The entire DBE program can be found on the Owner's website at: www.gatewayairport.com

Owner encourages prime contractors to create subcontracting opportunities, especially for small businesses. Owner does not have a specific SBE goal, however, reporting on SBE utilization is required.

A. Consultant's DBE Performance Plan (DBEPP)
Consultant shall utilize its DBEPP as submitted under solicitation 2023-008-RFQ, throughout the duration of the project/Contract. Failure to fulfill the plan's terms and the plan's intent, shall be a material breach of the contract.

B. Contract Assurance
The Consultant, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the Owner deems appropriate, which may include, but is not limited to: (1) withholding monthly progress payments; (2) assessing sanctions; (3) liquidated damages; and/or (4) disqualifying the Consultant from future bidding as non-responsible.

C. Subcontracts

i. Consultant is required to insert the paragraph in Section XX, B in all subcontracts or agreements it enters into, and all lower tier subcontracts and agreements, as a result of this contract, regardless of whether or not the subcontractor is a DBE.
ii. Consultant is required to make available a copy of all subcontracts, DBE, SBE, and non-DBE/SBE, prior to any commencement of work by Consultant or any of Consultant's subcontractors. The Consultant shall ensure that all subcontracts or agreements with DBEs to supply labor or materials require that the subcontract and all lower tier subcontractors contain the required contract clauses and be performed in accordance with this part's provisions.

D. Required Information
The following documentation is required to demonstrate that sufficient outreach efforts have been made to engage DBE subcontractors in the performance of this contract:

i. Detailed evidence that the Consultant's DBE Performance Plan (DBEPP), as submitted under solicitation 2023-008-RFQ, was and will continue to be utilized in obtaining DBE participation. This should include such things as the following, depending on the Consultant's DBEPP:
   a) Copy of notification(s) sent to DBE firms of subcontracting opportunities
   b) Documentation of each DBE firms contacted and their response or other action taken as a result of the contact.
   c) Documentation of bid responses and/or quotes from all subcontractors who bid to perform work on the project in the areas that DBE firms were also bidding on, including information regarding the reasons why DBE bids were not considered or chosen if applicable).
   d) Dates and times of outreach events held and a list of attendees.

The following are examples of factors that are illustrative of whether or not the Consultant implemented its DBEPP in good faith:

a) The number of contacts attempted or made with DBE firms that perform in trade areas where subcontracting work was identified.
b) The timeliness of contacts made with DBE firms so as to allow the firms a reasonable amount of time to respond

c) Attempts made to break down portions of the project into economically feasible units to facilitate DBE participation.
d) Whether the bidder negotiated in good faith with interested DBEs and did not reject a bid as unqualified without sound reason.

ii. **Attachment A**: Subcontracting and Outreach Efforts Summary.

The Consultants' proposed subcontracting and summary of outreach efforts form (Attachment A) must reflect the scope of work that was identified to be potentially subcontracted and the result of the outreach efforts conducted by the Consultant for each scope of work. The Consultant shall clearly list the scope of work to be subcontracted. The firms contacted in consideration for contracting the scope of work must be listed with the DBE/SBE/Non-DBE/SBE status noted. The Consultant must indicate which firm(s), if any, were selected for the opportunity identified. Consultant must complete one Attachment A for each scope of work (NAISC or group of NAISC codes) that has been identified to potentially be subcontracted. **Note:** It is the responsibility of the Consultant to ensure that the scope of work to be performed by the subcontractor(s) is consistent with the area in which the firm is qualified, and in the case of a DBE subcontractor, that the firm has been granted DBE certification. The Consultant can confirm what NAICS code(s) a DBE is certified for by visiting: https://utracs.azdot.gov/ **DBE scopes of work listed on the form that fall outside the trade or performance area in which a DBE has been granted certification shall not be counted as work subcontracted to a DBE firm.** If there are questions, the Consultant should contact the Phoenix-Mesa Gateway Airport Authority Procurement Department for verification. Owner reserves the right to validate information on the form with the DBE subcontractor and/or other certifying entities or licensing agents as part of the verification process.

iii. **Attachment B**: Letter of Intent to Perform as a Subcontractor/Supplier.
a) The dollar value and the scope of work **every** subcontractor, regardless of DBE/SBE status, is bidding to perform must be completed in full on the form.
b) For scopes of work where a total contract amount cannot be determined, the Letter of Intent to Perform as a Subcontractor/Supplier should reflect the minimum amount agreed upon between the Consultant and the subcontractor that will be paid to the subcontractor. When the form contains scopes of work where all of the dollars that will be paid to a DBE cannot be counted towards achieving the DBE program goal, the form should reflect the amount that is applicable to the program goal. **Example:** A DBE firm will provide uniformed officers on the job. The DBE pays the officers $21 per hour but has bid the contract to the prime Consultant at $30 per hour. Only the $9 per hour that the DBE maintains as a fee/commission should be reflected on Attachment B.

iv. **Attachment C**: DBE Data Collection Form.
The Consultant must complete, and submit to Owner, Attachment C for <u>each</u> DBE firm subcontracting work for under this project.

E. Enforcement

i. This contract and all subsequent subcontracts entered into as a result of this contract, are subject to the requirements, provisions, and enforcement actions of 49 CFR Part 26, Subpart F, *Compliance and Enforcement*, § 26.105 and 26.107. Further, Consultant is required to insert the below clause from § 26.107 in all subcontracts entered into with a DBE as a result of this Contract.

ii. § 26.107 Enforcement Actions for firms participating as a DBE:
a) If you are a firm that does not meet the eligibility criteria of 49 CFR Part 26,Subpart D, Certification Standards, and that attempts to participate in a Department of Transportation (DOT)-assisted program as a DBE on the basis of false, fraudulent, or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or

honesty, the DOT may initiate suspension or debarment proceedings against you under 2 CFR parts 180 and 1200.

b) If you are a firm that, in order to meet DBE contract goals or other DBE program requirements, uses or attempts to use, on the basis of false, fraudulent or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, another firm that does not meet the eligibility criteria of 49 CFR Part 26, Subpart D, the DOT may initiate suspension or debarment proceedings against you under 2 CFR parts 180 and 1200.

c) In a suspension or debarment proceeding brought under paragraph (a) or (b) of this section, the concerned operating administration may consider the fact that a purported DBE has been certified by a recipient. Such certification does not preclude the DOT from determining that the purported DBE, or another firm that has used or attempted to use it to meet DBE goals, should be suspended or debarred.

d) The DOT may take enforcement action under 49 CFR Part 31, Program Fraud and Civil Remedies, against any participant in the DBE program whose conduct is subject to such action under 49 CFR part 31.

iii. The DOT may refer to the Department of Justice, for prosecution under 18 U.S.C. 1001 or other applicable provisions of law, any person who makes a false or fraudulent statement in connection with participation of a DBE in any DOT-assisted program or otherwise violates applicable Federal statutes.

F. DBE Participation Calculation

i. **Subcontracts with DBE Firms:** DBE participation on the contract will be calculated based on that portion (dollar value) of the contract that DBEs actually perform with their own forces. This includes the cost of supplies and materials obtained by the DBE for the work on the contract, ***except*** when supplies and/or equipment is purchased or leased from the prime Consultant or its affiliate. Special emphasis and care should be taken to ensure that the following types of participation are handled properly when preparing your bid packet.

ii. **Fees & Commissions*:*** DBE firms that supply a bona fide service for a fee or commission may be counted only to the extent of the fees or commissions charged by the DBE. This includes, but is not limited to, providing professional, technical, consultant, or managerial services, and bonds or insurance specifically required for the performance of a contract. The fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. ***Example:*** *A DBE firm that supplies uniformed officers for security or traffic control may count only the amounts shared as a commission. The hourly amount paid to the officers may not be counted. If the "per hour" bid amount to the prime Consultant is $30, and $21 per hour will be paid to the officers, only $9 per hour can be counted towards achieving the DBE program goal. If the firm estimates that there will be 200 hours of work, only $2,700 of the total $6,000 bid could be counted.*

iii. **Trucking & Hauling*:*** The amount of a trucking/hauling subcontract that may be counted towards the DBE utilization may be limited. A DBE must itself own and operate at least one fully licensed, insured, and operational truck that will be used on the contract. The DBE subcontractor may lease trucks from another DBE firm and receive full credit for the services of those leased vehicles. Non-DBE trucks may also be leased to perform work on the contract, but non-DBE leased trucks can be counted fully **only up to the value of transportation services provided by all DBE-owned trucks on the contract**. Any additional non-DBE leased trucks may only be credited for the fees or commissions the DBE subcontractor retains over and above the cost of the lease arrangement. ***Example:*** *A DBE trucking firm uses seven trucks on a job. Two are owned by the DBE and one is leased from another certified DBE firm. Four trucks are leased from a non-DBE. The amounts paid to the DBE for the services of three of the non-DBE trucks can be counted in full towards meeting the DBE requirement. Only the amount that the DBE subcontractor receives that is over and above the cost of leasing the fourth truck may be counted as DBE utilization.*

iv. **DBE Prime Consultant:** A DBE prime Consultant will be credited with DBE participation for that portion of the contract that they themselves perform, in addition to any portion of the contract that is subcontracted and performed by an eligible DBE subcontractor. ***Example:*** *If a DBE prime Consultant proposes to perform 60 percent of the contract with the firm's equipment and workforce, and subcontracts 20 percent to a DBE firm and 20 percent to a non-DBE firm, DBE participation will be credited as being 80 percent.*

v. **DBE/Non-DBE Joint Ventures:** A DBE/non-DBE joint venture, functioning as the prime Consultant or as a subcontractor on a Phoenix-Mesa Gateway Airport Authority project, will be credited with DBE participation on the basis of the percentage of profit accruing to the DBE firm. ***Example:*** *A joint venture made up of one DBE and one non-DBE proposes to perform 60 percent of a project quoted at $400,000. A total of 50 percent of the profits for performing the work will go to the DBE partner in the joint venture. DBE participation will be credited at 30 percent, or $120,000.*

vi. **Lower Tier Non-DBE Participation:** Subcontract dollars paid by DBE primes and/or qualifying joint ventures to non-DBE subcontractors will not be considered when determining the percentage of DBE participation on this contract. Amounts subcontracted to a non-DBE by a DBE subcontractor (2nd tier or lower) may not be counted.

vii. **Lower Tier DBE Participation:** Consultant is obligated and must report all utilization of DBEs of lower tier subcontracts and ensure subcontractors comply with all applicable DBE reporting requirements.

viii. **DBE Suppliers:** Purchases from DBE suppliers may be counted towards the program goal as follows:

ix. **Manufacturers:** Amounts paid to a DBE supplier that manufactures or substantially alters the material or product it supplies will be credited at 100% of the expenditure when determining the percentage of DBE participation.

x. **Regular Dealer:** Purchases from a DBE firm that is an established, regular business that engages, as its principal business, in the purchase, sale, or lease of the products being supplied **may be credited towards the DBE program goal at sixty percent (60%) of the sale price** when determining the percentage of DBE participation.

xi. **Packagers, Brokers, Manufacturers' Representatives:** Purchases from a DBE firm who arranges or expedites transactions not as regular dealers, **may not be counted in full** when determining DBE participation. Only the fees or commissions charged in the procurement of the materials or supplies, or fees or transportation charges for the delivery of the materials or supplies may be credited towards achievement of the DBE program goal.

G. Definitions

i. **Disadvantaged Business Enterprise (DBE)** means a small business concern that has successfully completed a DBE certification process and been granted DBE status by the Arizona Unified Certification Program or by a U.S. Department of Transportation (USDOT) recognized agency who certifies DBE applicants pursuant to the criteria contained in 49 CFR Part 26.

ii. **Small Business Enterprise** (SBE) means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto. A small business concern shall not include any concern or group of concerns controlled by the same socially and economically disadvantaged individual(s) that has annual average gross receipts in excess of the cap established by federal regulation. The Secretary shall adjust this figure from time to time for inflation.

iii. **Socially and Economically Disadvantaged Individuals** means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, or Asian-Indian Americans. Membership in one of the above-mentioned groups does not qualify the firm to be considered a DBE for purposes of this contract. Only firms that have completed a DBE certification process and been granted DBE status shall be considered socially and economically disadvantaged individuals for purposes of this contract.

iv. **DBE Joint Venture** is an association between two or more persons, partnerships, corporations, or any combination thereof, formed to carry on a single business activity. One participant in the joint venture arrangement must hold DBE status from a recognized certifying entity. The joint venture is limited in scope

and duration to this contract, and resources, assets and labor of the participants must be combined in an effort to accrue profit.

v. **Sole Proprietorship** is a DBE for purposes of this contract, if it is 100 percent owned, operated, and controlled by a socially and economically disadvantaged individual.

vi. **Corporation** is a DBE, for purposes of this contract, if the ownership, operation, and control of the business is conditioned upon the control of its shares of stock or other equitable securities, at least 51 percent of which (of all shares) is legally and equitably owned by socially and economically disadvantaged individuals.

vii. **Partnership** is a DBE, for purposes of this contract, if one or more socially and economically disadvantaged individuals own more than 51 percent of the assets or interest in the partnership's property.

viii. **Purchaser** for purposes of this contract, means the Phoenix-Mesa Gateway Airport Authority.

ix. **Bidder** is an individual, partnership, joint venture, corporation or firm submitting a proposal or bid to the Phoenix-Mesa Gateway Airport Authority to perform services required by the contract. The submittal may be direct or through an authorized representative.

x. **Contract** is a written agreement obligating the seller or business enterprise to furnish goods or services as proposed and the Purchaser or Buyer to pay for such goods or services.

xi. **Subcontract** is any contract at any tier below the prime contract, including purchase orders.

xii. **Supplier** is a business enterprise that manufactures the goods or materials it sells.

xiii. **Wholesaler, Distributor, Broker, or Jobber** is a business enterprise that does not manufacture the goods or materials it sells or does not perform the essential work of the contract. ***Example:*** *1) A trucking company who does not own or operate the trucks necessary to perform the work, but brokers the work to another trucking firm; 2) A distributor who supplies goods or materials as a pass through from the manufacturer, without substantial alteration of the goods or materials; and, 3) A sub-tier bidder who purchases and supplies the goods and materials on behalf of the prime bidder, and delivers the goods and materials to the prime bidder without substantial alteration of the goods and materials.*

Executed as of the Commencement Date.

EXHIBIT A - SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

For the agreed upon Scope of Services specified herein, Consultant shall be paid the not to exceed amount of $307,620.00.

October 3, 2022

Mr. Bob Draper, PE, LEED AP
Engineering & Facilities Director
Phoenix Mesa Gateway Airport Authority (PMGAA)

RE: Enclosed Pedestrian Walkway
2023-008-RFQ
Design and Engineering Services (SD, CD, PP)
DWL Project No. 2257.00

Dear Bob:

We are pleased for this opportunity to submit to the Phoenix-Mesa Gateway Airport Authority (PMGAA) an Architectural and Engineering Service scope and fee proposal for Schematic Design (SD), Construction Documents (CD) and Procurement Phase Services for a new Enclosed Pedestrian Walkway at Phoenix-Mesa Gateway Airport (AZA/IWA). The scope has been prepared in accordance with our understanding of the project based upon our Conceptual Design Report dated 07/15/2022 and the 09/08/2022 telephone call.

Project Scope & Description:

The goal of this project is to provide an enclosed pedestrian walkway from the existing Ticketing Terminal to the Terminal entrance. The DWL team recently completed a concept feasibility study which will be the guide for the continuation of design. The following project features were developed in the feasibility study:

- Continues established terminal complex aesthetics
- Create a flexible and efficient building
- Provide an area for queue overflow
- Make use of underutilized space
- Sensitive to the original character, scale, and surrounding airport image
- Approximately 2,550 SF single-story steel structure w/ masonry bearing walls
- Automatic movable fire wall with an integral push exit feature.
- In Lieu of traffic rated bollards in the study, boulders or other architectural features shall be utilized.

The existing ticketing terminal building requires interior renovation to allow for natural wayfinding and to direct passenger flow to the SSCP and gates. The existing direct entry into the SSCP is being removed and passengers will be routed through the ticketing terminal. We assume the renovation to predominately modify the ceiling and the north entry/exit at the proposed connection. The north entry/exit will need to be substantially enlarged, requiring structural modifications. The renovation is assumed to be localized near the entry/exit as shown in the report.

1. Building Systems: The mechanical system will consist of rooftop high efficiency package DX units. Modifications at the existing ticketing terminal are required for the proposed ceiling renovations. For other building systems for the new connector, they will extend from the West Terminal Building.
2. Signage: The project requires new signage following the existing building's theme, with exterior aluminum panel signs and interior lexan hanging direction signs. Modification of existing signage throughout the existing ticketing building are anticipated.
3. Landscape: The intent of the landscape scope is to replace planting damaged during construction and to restore the existing feel and character of the area. There will be an opportunity to create a waiting area under the current canopy.

Please refer to the Concept Design Report for further project scope and description.

DESIGN SERVICES:

The following complete design phases are included:
- Schematic Design (Basic Services)
- Construction Documents (Basic Services)
- Procurement Phase Services (Basic Services)

DESCRIPTION OF TASKS:

1. **Project Coordination and Management**:
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Schedule – DWL shall provide a design schedule with the following preferred dates:
            - Contracts Oct. 19-28
            - NTP – October 31, 2022

Preliminary Design Schedule	Total: 23 weeks**	Proposed Dates
Schematic Design	6 weeks	10/31/22-12/13/22
Schematic Design Cost Estimating (CMAR & RLB)*	2.5 weeks	12/14/22-1/6/23
Christmas/schedule float	1 week	12/26/22-12/30/22
Milestone – SD Submittal	0	1/9/2023
SD Cost Reconciliation*	4 days	1/10/23-1/13/23
SD PMGA Review and Approval*	3 days	1/17/23-1/19/23
Construction Documents 90% Submittal – Design & Engineering	7 weeks	1/20/23-3/9/23
Milestone – 90% Submittal	0	3/9/23
CD Cost Estimating (RLB)	2 weeks	3/10/23-3/23/23
PMGA Project Review* (overlap with cost estimating)	1 week	3/13/23-3/17/23
Design/Engineering–Corrections (overlap cost estimating by 1 week)	2 weeks	3/20/23-3/31/23
Milestone - Construction Documents (100%)	0	3/31/2023

* Dependent on CMAR/PMGAA

** Schedule and duration includes from NTP to 100% CD submittal and does not include Procurement Phase which is dependent on CMAR and PMGAA.

2) Owner/Architect Meetings: Includes agenda and meeting notes, preparation, and distribution. See individual design phases below for meeting counts per phase beyond the kick-off meeting.
    - Kick-off meeting with all appropriate PMGAA and stakeholders. Design team engineering disciplines will not be in attendance.
3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.

2. **Existing conditions assessment:** Because the DWL team completed the Conceptual Study the majority of existing conditions assessment is complete with the following clarifications:
    a. Landscape: The Landscape architect will inventory the landscape plant material (saguaros and large trees only) within and near the existing site, where there is potential for damage due to construction.
    b. DWL has the existing as-built documentation of the existing buildings and facilities in which our firms were previously involved.
    c. Provide field site walk for civil, mechanical, electrical, special systems, landscape, cost estimating and architectural to assess existing facility and confirm requirements and use of spaces. Review operations of the facility along with required adjacencies. PMGAA to provide access to areas such as CASS vaults, utility rooms, etc.

3. **Schematic Design (SD) 30% to 40%:** Based upon the Conceptual Design Report, schedule and construction budget requirements, the design team shall prepare, for approval by PMGAA, Schematic Design Documents. This phase of the project encompasses the refinement of the Schematic Design based on the concept design. This is the opportunity to refine the facilities operations, functionality, and various components to a schematic level of detail, approximately 30 to 40%. The Schematic Design will include architectural plans, elevations, and sections as required to illustrate the scale and relationship of project components. Plans for the basis of design shall be provided for civil, landscape, structural, mechanical, electrical, plumbing, fire protection, and special systems. Draft specifications that identify major materials and systems and establish a general quality level are included in this phase for all disciplines.
    a. Meetings: (3) meetings are anticipated. Three meetings are design and coordination meetings.
        1) Civil, Mechanical, Electrical, Technology Engineers as well as landscape are anticipated to attend one (1) of the meetings.
        2) Cost estimator is anticipated to attend 2 meetings.
    b. Refinement of Building Code Analysis
    c. Interior Design: The design team assumes the existing materials and finishes will be utilized for this project, including at the existing ticketing terminal, therefore a digital finishes and material board will be provided.
    d. Renderings: One EnScape (semi-realistic) rendering each for connector interior, existing ticketing terminal interior and exterior. Renderings are being updated from the concept phase.
    e. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines. A peer QAQC will be conducted by the associate architect, Fore Dimensions.

f. A cost estimate shall be provided after the completion of the Schematic Design Package. The Cost estimate will be separated into connector and existing ticketing terminal renovations. The cost estimator shall provide reconciliation services. Cost estimator will be provided with an excel format CMAR cost estimate to compare estimates and identify differences in quantity and unit cost. Design cost estimator will work with the CMAR to reconcile the estimates.

4. **Design Development (DD) 60%:**

   a. A Design Development submittal is excluded at this time.

5. **Construction Documents (CD) 90% and 100%:**

   a. Based upon the approved Schematic Design Documents and minor adjustments in the scope or budget authorized by PMGAA, the Design Team shall prepare Construction Documents. The documents include drawings and specifications with sufficient detail to obtain building safety review approval by PMGAA.

      1) PMGAA Building Safety Review Submittal (90%). This set will be sealed/signed and submitted for building safety review by PMGAA.
      2) Bid Documents Submittal (100%). This set will be sealed/signed and includes corrections as required from the building safety review performed by PMGAA. This set will include updates due to CMAR requests for clarification.
      3) See deliverables section for more information.

   b. Meetings: Two (2) meetings are anticipated. One meeting is a final design and coordination meeting. One meeting is a page-turn meeting with DWL, PMGAA project team and stakeholders. Engineers are anticipated to attend one of the meetings.

   c. A cost estimate shall be provided based on the 90% submittal. The cost estimator shall provide reconciliation services, as described above.

   d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines. A peer QAQC will be conducted by the associate architect, Fore Dimensions, at 90% CDs.

   e. Specifications: Specifications in book format shall be included.

6. **Procurement Phase:** This phase of the project traditionally occurs between the completion of CDs and the start of Construction, approximately six weeks for this project. However, time associated with CMAR coordination throughout pre-construction is assumed to be procurement phase tasks.

   a. RFI's and Substitution requests: DWL shall respond to substitution requests, RFIs and other clarifications from the bidders.

   b. Addenda: DWL shall prepare and coordinate addenda that need to be issued prior to Bid, such as legitimate RFIs and approved substitution requests.

   c. Conforming Set: DWL will assemble one conforming set that captures addenda, RFIs, corrections for the benefit of all parties for construction.

   d. Meetings: Two (2) meetings are anticipated.

<u>ADDITIONAL SERVICES</u>

7. **Signage**: Construction documents for interior way-finding signage (non-illuminated) and exterior building gate signage is included as an additional service. The exterior signage is not specifically

illuminated. The design theme and the final construction documents are included in this project. DWL will provide recommended sign message and locations to PMGAA. The airport shall review and comment on recommendations. This additional service assumes design and construction documents are concurrent with the base project scope. Because there is no anticipated access roadway or parking lot design scope, we assume there will be limited traffic control signage. Temporary Construction signage is not included.

8. **Phasing exhibits:** Phasing exhibits will be provided by architectural and MPE, which will provide the basic plan for construction phasing. The exhibits may be utilized for stakeholder and board presentations. We understand these exhibits are not intended for construction, however, will be utilized to communicate the airports operational requirements to the CMAR. The CMAR will provide detail phasing for their subcontractors and team.
9. **Allowances:** DWL recommends a design allowance of $5,000 Services would be performed on a not-to-exceed time and material basis. Prior use of the allowance will require PMGAA written approval.

ASSUMPTIONS:

1. The construction budget is approximately $3.5 million and FAA BIL grant funded, which excludes FF&E.
2. The overall square footage of the new facility is +/- 2,550 SF.
3. The Construction Contract Delivery Method is CM at Risk and the contractor has not been selected.
4. This proposal assumes that all scope is to be documented in one submittal package.
5. Subconsultants included in this proposal. Please review their attached proposals for further scope details.
    a. Fore Dimensions (Associate Architect)
    b. MWG (Structural)
    c. LSW (Mechanical, Plumbing, Fire Protection, Electrical, Special Systems)
    d. Dibble (Civil)
    e. Rider Levett Bucknall (Cost Estimating)
    f. GBTwo (Landscape) – certified DBE
6. For the purpose of justifying load additions to existing electrical infrastructure, existing electrical loads will be established from existing record drawings and our site investigation. If adequate records and documentation are not available, 30-day maximum demand load readings may be required (which are not included and assumed to be performed by Owner's staff electricians).
7. Value Engineering/Scope Reduction services are included if the RLB cost estimate is greater than 10% of the budget.
8. Construction documents are not submitted to City of Mesa Building Safety department, since PMGAA will provide their own building safety review and permit.
9. Reimbursables include project related expenses such as mileage, courier, web-based meetings, printing, and copying (in or out of office).

EXCLUSIONS:

In order to provide clarity and to prevent any misunderstandings, we want to identify items that are excluded from this proposal. If for any reason the Phoenix-Mesa Gateway Airport Authority requires these services, we can provide them for additional compensation.

1. Services from engineers or consultants not identified in this proposal and beyond this project's scope will not be provided.
2. Acoustics consultant, analysis, and engineering.
3. Physical materials and finish boards
4. Geotechnical Analysis (soils report): Because there is no Soils Report being performed, the design team will note previous Soils Report were performed at the site however will not recommend any soils preparation and edit a soils specification. The design team will not accept liability or take responsibility for geotechnical requirements for this project.
5. Tests or investigations requiring demolition of existing construction or other types of forensic investigation are not included in this proposal.
6. Construction Administration
7. Environmental and hazardous assessment.
8. Government permit and plan review fees.
9. LEED design and USGBC submission fees.
10. Water Supply Test. This will be procured and paid by CMAR
11. Multiple bid packages.
12. Travel outside the Phoenix Metropolitan area.
13. Renderings beyond three ($2,500 for first rendering, $1,800 for subsequent renderings)
14. Finishes and materials board (physical excluded, digital included)
15. Videos and fly-throughs
16. Tenant Improvement design services.
17. Deliverables beyond those described below.

DELIVERABLES:

1. SD Package (30%-40%)
   - Schematic level Site Plan, Floor Plans, Elevations, Sections and 3D images
   - Table of Contents and 30% Draft Specifications
   - SD Cost Estimate
2. CD Package (90%)
   - Construction Documents and Specifications
   - Structural Calculations
   - Finishes- Final digital materials board
3. CD Package (100%)
   - Construction Documents and Specifications
   - Structural Calculations
4. Procurement Phase
   - Addendum in response to RFIs and Substitution requests.
   - Conformed Set

COMPENSATION:

We propose to provide the previously mentioned services as an Hourly Not-to-Exceed Fee(s) as follows:

	Basic Services ($) (SD, CD, PP)	Additional Services – Signage, Phasing Exhibits, Survey ($)	Discipline Total ($)
Architectural – DWL*	133,507.00	13,332.00	146,839.00
Architectural Associate - FORE	9,600.00	0	9,600.00
Structural Engineering – MWG	26,220.00	0	26,220.00
Mech./Plumbing/Elec./Tech - LSW	54,480.00	0	54,480.00
Civil Engineering – Dibble	17,892.00	3,989.00	21,881.00
Landscape – GBTwo (DBE)	13,800.00	0	13,800.00
Cost Estimating - RLB	24,800.00	0	24,800.00
Total Design Services			**$297,620 .00**
Design Allowance			$ 5,000.00
Reimbursable Expenses**			$ 5,000.00

* DWL's personnel hourly rates are based on an Overhead Rate of 1.7335 and includes 10% profit.
**For this proposal we are estimating reimbursables for 6 half-size sets for each package.

See attached DWL estimated hourly breakdown and consultants' proposals for your review.

CONCLUSION:

We appreciate your consideration and the opportunity to submit this proposal. We look forward to working with you and the Phoenix-Mesa Gateway Airport Authority team. If you have any questions or require further explanation, please do not hesitate to contact me.

Sincerely,

DWL ARCHITECTS + PLANNERS, INC.

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below and in accordance with each Authorization of Services initiated under this Contract. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the amount of time required for performance, the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has certified in writing that it has performed the services and PMGAA has certified and approved each payment application.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice or payment application depicting tasks performed, hours spent, utilized and expenses incurred for services performed. Invoices or payment applications must be based on the actual hours required and expenses incurred for the services completed during the billing period. Consultant's invoices or payment applications must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice or application as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and progress reports in accordance with terms specified in the Contract, which clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices/requisitions for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices/requisitions for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C – SPECIAL PROVISIONS

1. Project Security

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Consultant's and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* listing available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

2. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict. Wherever Standard Terms & Conditions are in conflict with conditions stated in this Special Provisions Section, the conditions stated in this Section shall take precedence.

3. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

4. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

5. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. Certification

By signature of this Contract, Consultant certifies:

a. The award of this Contract did not involve collusion or other anti-competitive practices.
b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is
an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. Dispute Resolution

a. Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.
b. Mediation. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this
Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.
c. Binding Dispute Resolution. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

3. Independent Contractor

At all times, each party acts in its individual capacity and not as agent, employee, partner, joint venturer, or associate the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days.

PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

4. Affirmative Action

Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

5. Human Relations

Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

6. Non-Exclusive Contract

This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

7. Americans with Disabilities Act

Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

8. Confidentiality of Records

Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

9. Gratuities

PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

10. Applicable Law

This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

11. Contract

This Contract is based on and the result of a negotiated Scope of Services and Fee Schedule submitted by Consultant. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

12. Contract Amendments

This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

13. Provisions Required by Law

Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

14. Severability

The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

15. Protection of Government Property

Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by

the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

16. Interpretation – Parol Evidence

This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

17. Subcontracts

Offeror shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Offeror of its acceptance or rejection within forty-five (45) days or written request by Offeror. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Offeror referred to herein. Offeror is responsible for Contract performance whether or not subcontractors are used.

18. No Waiver

No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

19. Warranties

Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

20. Indemnification

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

21. Right to Assurance

Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

22. Advertising

Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

23. Right to Inspect

PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of a Consultant's or subcontractor's business, which is related to the performance of this Contract or related subcontract.

24. Force Majeure

In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

25. Inspection

All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

26. Exclusive Possession

All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

27. Title and Risk of Loss

The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

28. Liens

All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

29. Licenses

Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

30. Subsequent Employment

PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

31. Clean Up

Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

32. Patents

Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

33. Records and Audit Rights

Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

34. E-Verify Requirements

To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

35. Availability of Project Funding

This Contract's approval and continuation is conditioned on the availability of funds appropriated by PMGAA for this purpose. If funds are not available or appropriated for the Contract's requirements, PMGAA may terminate the Contract. Possible sources of funding for this Contract include FAA and ADOT, and this Contract is contingent on the availability of those funds to PMGAA.

EXHIBIT E – FEDERAL PROVISIONS

For this Exhibit: Contractor shall mean the same as "Consultant", "Offeror", "Bidder", "Proposer" or "Firm"
Owner shall mean Phoenix Mesa Gateway Airport Authority

A1 ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

A2 AFFIRMATIVE ACTION REQUIREMENT

Not Applicable

A3 BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the Consultant or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

Owner will provide Consultant written notice that describes the nature of the breach and corrective actions the Consultant must undertake in order to avoid termination of the contract. Owner reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the Owner elects to terminate the contract. The Owner's notice will identify a specific date by which the Consultant must correct the breach. Owner may proceed with termination of the contract if the Consultant fails to correct the breach by the deadline indicated in the Owner's notice.

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

A4 BUY AMERICAN PREFERENCE

Not Applicable

A5 CIVIL RIGHTS - GENERAL

The Contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

A6 CIVIL RIGHTS – TITLE VI ASSURANCE

Phoenix Mesa Gateway Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Compliance with Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. **Compliance with Regulations:** The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
3. **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
4. **Information and Reports:** The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
    a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
    b. Cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with

litigation by a subcontractor, or supplier because of such direction, the Contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §§ 12131 – 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC 1681 et seq).

A7 CLEAN AIR AND WATER POLLUTION CONTROL

Contractor agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 USC § 740-7671q) and the Federal Water Pollution Control Act as amended (33 USC § 1251-1387). The Contractor agrees to report any violation to the Owner immediately upon discovery. The Owner

assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration.

Contractor must include this requirement in all subcontracts that exceeds $150,000.

A8 CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

Not Applicable

A9 COPELAND "ANTI-KICKBACK" ACT

Not Applicable

A10 DAVIS-BACON REQUIREMENTS

Not Applicable

A11 DEBARMENT AND SUSPENSION

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

Lower Tier Contract Certification

The successful bidder, by administering each lower tier subcontract that exceeds $25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: http://www.sam.gov.
2. Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

A12 DISADVANTAGED BUSINESS ENTERPRISE

The requirements of 49 CFR part 26 apply to this contract. It is the policy of the Phoenix Mesa Gateway Airport Authority to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The Owner encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

Contract Assurance (§ 26.13) –

The Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of Department of Transportation-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Owner deems appropriate, which may include, but is not limited to:

1) Withholding monthly progress payments;
2) Assessing sanctions;
3) Liquidated damages; and/or
4) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment (§26.29) – The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than thirty (30) days from the receipt of each payment the prime contractor receives from Phoenix Mesa Gateway Airport Authority. The prime contractor agrees further to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Phoenix Mesa Gateway Airport Authority. This clause applies to both DBE and non-DBE subcontractors.

See Section XX of this Contract for additional information and requirements regarding DBE. Consultant agrees to all rules, policies, and requirements a set forth in these Contract documents and Exhibits.

A13 DISTRACTED DRIVING

In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving", (10/1/2009) and DOT Order 3902.10, "Text Messaging While Driving", (12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the Contractor to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The Contractor must include the substance of this clause in all sub-tier contracts exceeding $3,500 that involve driving a motor vehicle in performance of work activities associated with the project.

A14 ENERGY CONSERVATION REQUIREMENTS

Contractor and Subcontractor agree to comply with mandatory standards and policies relating to energy efficiency as contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 USC 6201*et seq*).

A15 DRUG FREE WORKPLACE REQUIREMENTS

Not Applicable

A16 EQUAL EMPLOYEMENT OPPORTUNITY (EEO)

During the performance of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identify, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance*: Provided, however*, that in the event a contractor becomes involved in, or is threatened with, litigation with a

subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

A17 FEDERAL FAIR LABOR STANDARDS ACT (FEDERAL MINIMUM WAGE)

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part-time workers.

The *Consultant* has full responsibility to monitor compliance to the referenced statute or regulation. The *Consultant* must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

A18 LOBBYING AND INFLUENCING FEDERAL EMPLOYEES

The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

A19 PROHIBITION of SEGREGATED FACILITIES

Not Applicable

A20 OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The employer must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The employer retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). The employer must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

A21 PROCUREMENT OF RECOVERED MATERIALS

Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

a) The contract requires procurement of $10,000 or more of a designated item during the fiscal year; or

b) The contractor has procured $10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the contractor can demonstrate the item is:

a) Not reasonably available within a timeframe providing for compliance with the contract performance schedule;

b) Fails to meet reasonable contract performance requirements; or

c) Is only available at an unreasonable price.

A22 RIGHT TO INVENTIONS

This provision applies to all contracts and subcontracts with small business firms or nonprofit organizations that include performance of *experimental, developmental, or research work only*.

Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the Owner in any resulting invention as established by 37 CFR part 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This contract incorporates by reference the patent and inventions rights as specified within 37 CFR §401.14. Contractor must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

A23 SEISMIC SAFETY

In the performance of design services, the Consultant agrees to furnish a building design and associated construction specification that conform to a building code standard that provides a level of seismic safety substantially equivalent to standards as established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their building code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety. At the conclusion of the design services, the Consultant agrees to furnish the Owner a "certification of compliance" that attests conformance of the building design and the construction specifications with the seismic standards of NEHRP or an equivalent building code.

A24 TAX DELINQUENCY AND FELONY CONVICTIONS

Consultant has completed and submitted the following certifications under the Owners solicitation and has indicated its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from the solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

a) The applicant represents that it is ( ) is not ( ) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

b) The applicant represents that it is ( ) is not ( ) is not a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twentyfour (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

A25 TERMINATION OF CONTRACT

Termination for Convenience

The Owner may, by written notice to the Consultant, terminate this Agreement for its convenience and without cause or default on the part of Consultant. Upon receipt of the notice of termination, except as explicitly directed by the Owner, the Contractor must immediately discontinue all services affected.

Upon termination of the Agreement, the Consultant must deliver to the Owner all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.

Owner agrees to make just and equitable compensation to the Consultant for satisfactory work completed up through the date the Consultant receives the termination notice. Compensation will not include anticipated profit on non-performed services.

Owner further agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.

Termination for Default

Either party may terminate this Agreement for cause if the other party fails to fulfill its obligations that are essential to the completion of the work per the terms and conditions of the Agreement. The party initiating the termination action must allow the breaching party an opportunity to dispute or cure the breach.

The terminating party must provide the breaching party [7] days advance written notice of its intent to terminate the Agreement. The notice must specify the nature and extent of the breach, the conditions necessary to cure the breach, and the effective date of the termination action. The rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this agreement.

a) **Termination by Owner**: The Owner may terminate this Agreement in whole or in part, for the failure of the Consultant to:
   1. Perform the services within the time specified in this contract or by Owner approved extension;
   2. Make adequate progress so as to endanger satisfactory performance of the Project; or
   3. Fulfill the obligations of the Agreement that are essential to the completion of the Project.

   Upon receipt of the notice of termination, the Consultant must immediately discontinue all services affected unless the notice directs otherwise. Upon termination of the Agreement, the Consultant must deliver to the Owner all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.
   Owner agrees to make just and equitable compensation to the Consultant for satisfactory work completed up through the date the Consultant receives the termination notice. Compensation will not include anticipated profit on non-performed services.
   Owner further agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.
   If, after finalization of the termination action, the Owner determines the Consultant was not in default of the Agreement, the rights and obligations of the parties shall be the same as if the Owner issued the termination for the convenience of the Owner.

b) **Termination by Consultant**: The Consultant may terminate this Agreement in whole or in part, if the Owner:

1. Defaults on its obligations under this Agreement;
2. Fails to make payment to the Consultant in accordance with the terms of this Agreement;
3. Suspends the Project for more than [180] days due to reasons beyond the control of the Consultant.

Upon receipt of a notice of termination from the Consultant, Owner agrees to cooperate with Consultant for the purpose of terminating the agreement or portion thereof, by mutual consent. If Owner and Consultant cannot reach mutual agreement on the termination settlement, the Consultant may, without prejudice to any rights and remedies it may have, proceed with terminating all or parts of this Agreement based upon the Owner's breach of the contract.

In the event of termination due to Owner breach, the Engineer is entitled to invoice Owner and to receive full payment for all services performed or furnished in accordance with this Agreement and all justified reimbursable expenses incurred by the Consultant through the effective date of termination action. Owner agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.

A26 TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC Section 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR or
2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list or
3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

A27 VETERAN'S PREFERENCE

In the employment of labor (excluding executive, administrative, and supervisory positions), the Contractor and all sub-tier contractors must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.

EXHIBIT F- DBE FORMS

Consultant shall submit the following DBE Forms:

Prior to Contract Award:	Attachment(s) A Attachment(s) B
After Contract Award:	Attachment(s) C

OVER FOR INSTRUCTIONS

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
CERTIFICATION OF PROMPT PAYMENT TO SUBCONSULTANTS

INSTRUCTIONS

Prime Consultant or Subconsultant will prepare a form for each Subconsultant being paid from each Airport payment for services when the Subconsultant is being paid. The amount paid to each Subconsultant should match the amount earned less any retention held on a pay application as shown on Attachment D.

The date documented by the Prime Consultant or Subconsultant must be the date a check is issued or that an Electronic Fund Transfer is completed as payment to the Subconsultant. This must be in conformance with State and Federal prompt payment regulations per the contract.

The authorized Prime Consultant or Subconsultant must sign and certify the accuracy of the information on Attachment E and send it to the Subconsultant.

The Subconsultant must document the amount of payment received and the date payment from the Prime Consultant or Subconsultant was received. The authorized Subconsultant representative must sign and certify accuracy of the information.

The Subconsultant must email a scan of the record to the Airport within five (5) days of receipt of the Prime Consultant or Subconsultant payment. Airport contact information is as follows:

PromptPayment@gatewayairport.com

The Subconsultant should also copy the Prime Consultant or Subconsultant on the record.

The Prime Consultant and Subconsultant must retain the payment records and evidence of compliance for three years following completion of the contract.

FOR QUESTIONS ON COMPLETING THIS FORM, PLEASE CONTACT THE PHOENIX-MESA GATEWAY AIRPORT AUTHORITY AT (480) 988-7628.

Subconsultants may file complaints on alleged violations of the Prompt Payment standards by contacting the Airport Project Manager or Airport Staff at the number noted above.

Management Information Report

To: **Board of Directors**
From: **Chuck Odom, Chief Financial Officer**
Through: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Re: Solicitation Notification
Date: **October 18, 2022**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Qualifications	2023-001-RFQ	East Side Terminal Planning Initiative	October 2022
Request for Qualifications	2023-008-RFQ	Enclosed Pedestrian Walkway Design	October 2022
Request for Qualifications	2023-009-RFQ	Design, Fabrication, and Installation of Signs	October 2022
Request for Qualifications	2023-010-RFQ	CMAR for Enclosed Pedestrian Walkway	November 2022
Request for Proposals	2023-011-RFP	Insurance Broker Services	January 2023

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-012-RFP	Aircraft Electric GPU	October 2022	December 2022
Request for Proposals	2023-013-RFP	Fire Pumps	November 2022	January 2023
Request for Proposals	2023-014-RFP	ARFF Services	January 2023	April 2023
Request for Proposals	2023-006-RFP	Car Rental Concessions	February 2023	July 2023

Fiscal year totals from sales of decommissioned / nonworking equipment total $1,915.00.

If you have any questions about the solicitations or the procurement process, please feel free to contact me at 480-988-7613.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, November 15, 2022 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Presentation: Gateway Tomorrow Planning Study** – Tony Bianchi, Planning Project Manager

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **October 18, 2022**.

   b) **Resolution No. 22-69 –** Authorizing a contract with **Fluoresco Services, LLC, (Fluoresco)** for design, fabrication, and installation of signs.

   c) **Resolution No. 22-70 –** Approving an agreement with **TranSystems Corporation**, for Construction Administration Services, for the Rental Car Care Facility Improvements Project, in an amount not to exceed $197,440 under CIP 1242.

   d) **Resolution No. 22-71 –** Authorizing an agreement with **Mead & Hunt, Inc. (Mead & Hunt),** for Planning Study Services for the Eastside Terminal Analysis - Gateway Tomorrow Project, in an amount not to exceed $399,964, under CIP 1253.

   e) **Resolution No. 22-72 –** Authorizing the purchase of two vehicles from **San Tan Auto Partners, LLC dba San Tan Ford (San Tan Ford)**, in an amount not to exceed $77,658.34.

   f) **Resolution No. 22-73 –** Authorizing the purchase of one Dual Electric GPU from **ITW GSE, Inc. (ITW GSE)** in an amount not to exceed $151,496.28.

Consideration and Possible Approval of:

8. **Resolution No. 22-74** Adopting the revised **Airport Rates and Charges** schedule with an effective date of January 1, 2023.

9. **Board Member Comments/Announcements**

10. **Next Meeting: Tuesday, December 20, 2022 at 9:00 a.m.**

11. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- Swoop, WestJet, Flair, and Sun Country Returning this Fall
- Record-Setting Commercial Passenger Activity in September
- Runway 12C-30C Reconstruction Project Gets Underway
- Sprung Structure to Serve as Three Gate Terminal During Construction
- Work Continues on Alpha Apron Expansion Phase IV

Executive Director's Report

November 2022

Financial Snapshot

OPERATING INCOME	September		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY22	FY23	
Revenues	$1,662,938	$2,129,667	**$466,729**	$5,775,100	$6,583,900	**$808,800**
Less Expenses	$1,874,459	$2,078,751	**$204,292**	$5,290,560	$5,996,599	**$706,039**
Operating Income *(Before Depreciation)*	**($211,521)**	**$50,916**	**$262,437**	**$484,540**	**$587,301**	**$102,761**

Investment Fund Balances: As of September, the Local Governmental Investment Pool (LGIP) 700 = $18,523,911; Wells Fargo; Collateralized Money Market = $5,699,976 and Collateralized CD's = $43,977,574; Total $68,201,461. The market value accounting adjustment was ($123,060) for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $50,916 for September 2022, compared to a net operating loss of $211,521 last September. Fiscal-year-to-date 2023 (FYTD23), PMGAA is reporting a net operating income of $587,301, compared to $484,540 for the same time period last fiscal year. Historically, September is a financially volatile month for the Authority. Revenue and expenses can vary significantly from month-to-month depending on commercial activity and one-time expense payments. For example, aviation fuel sales and fuel upload charges increased by 67% and 44% respectively, despite no significant increase in overall aircraft operations.

The inflationary impact of third-party service contract renewals – law enforcement (LEO), aircraft rescue and firefighting (ARFF), parking, cleaning – has been significant and operating expenditures for September increased by 24%.

PMGAA Solicitations

Active/Pending Solicitations

TYPE OF SOLICITATION	Number	Title	Anticipated Contract Award
Request for Qualifications	2023-001-RFQ	East Side Terminal Planning Initiative	November 2022
Request for Qualifications	2023-009-RFQ	Fabrication & Installation of Signs	November 2022

Request for Proposals	2023-006-RFP	Car Rental Concessions	March 2023

Airport Operations

Swoop, WestJet, Flair, and Sun Country Returning this Fall

Connectivity between greater Phoenix and Canada is about to get a whole lot easier! Low-cost Canadian airlines Swoop, WestJet, and Flair are returning to Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) again this fall offering nonstop service to Vancouver, Calgary, Edmonton, Winnipeg, and Toronto. The Phoenix East Valley is a second home for many Canadians that leave the cold and live in the Arizona sunshine from October through May. Welcome back Canadians!

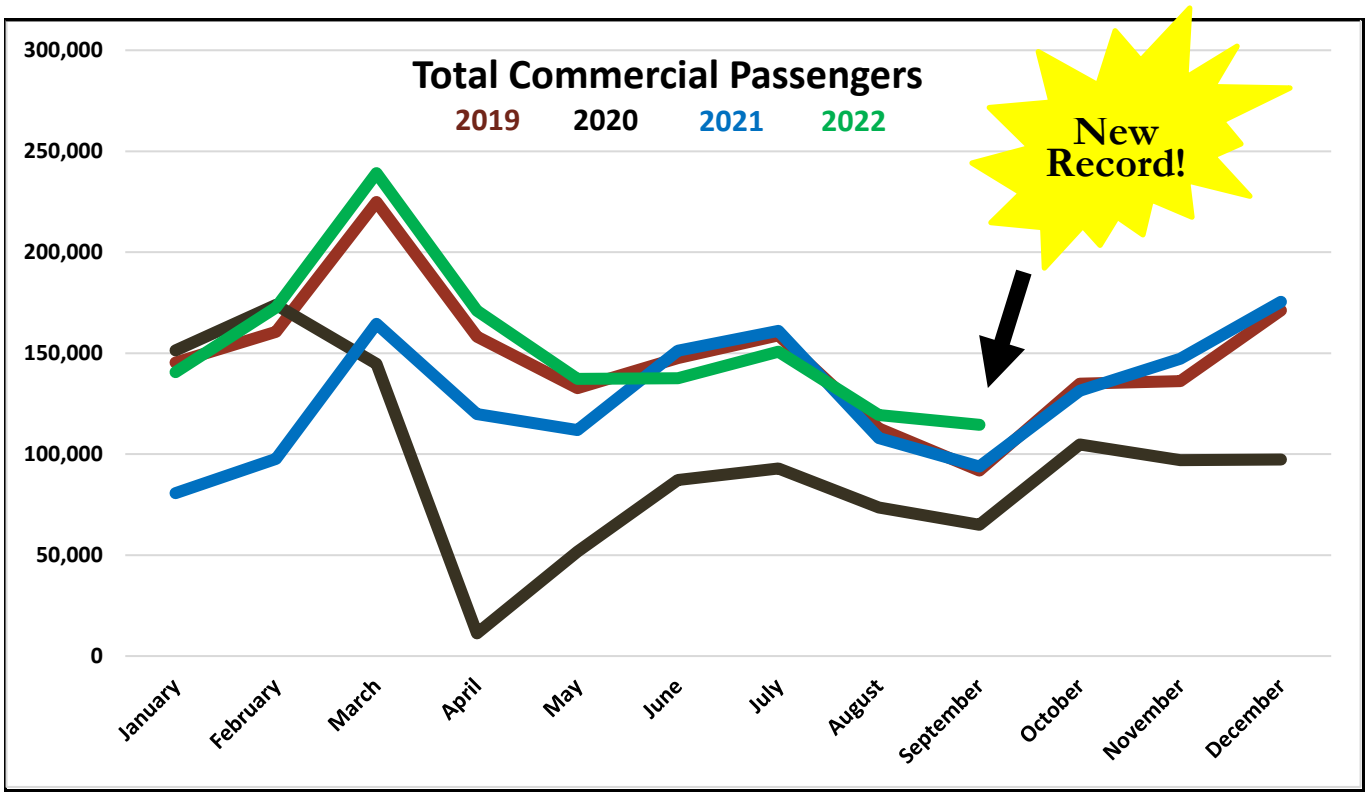
Sun Country Airlines, a popular low-cost airline headquartered in Minneapolis, MN, is also returning to Gateway Airport this fall. Sun Country complements its presence at Phoenix Sky Harbor with seasonal service between Minneapolis and Gateway Airport. Air travelers from the upper Midwest really appreciate the convenience and ease of using Gateway Airport when visiting family and friends across the Valley. PMGAA hopes that Sun Country will eventually keep the popular Minneapolis service year-round.

Gateway Airport Reports Record-Setting Commercial Passenger Activity in September

Gateway Airport is fortunate to be setting records despite the ongoing challenges that airlines are experiencing nationwide. In September 2022, the Airport had another record-setting month for passenger activity, welcoming 114,515 air travelers; a 22% increase compared to September last year. Year-to-date, 384,576 total passengers have traveled through the Airport, a 6% increase compared to the same time period last fiscal year (FY).

Allegiant's available seat capacity at Gateway Airport remained lower than last year in September, but their average load factor (% seats occupied) during the month was up over 90%.

The return of Sun Country, Swoop, WestJet, and Flair this fall will certainly have a positive impact on our commercial passenger activity from October through April, as sun-seeking visitors from the upper Midwest and Canada flock to greater Phoenix to stay in their "winter homes", come for a much-needed vacation, or to visit family and friends. Welcome back winter residents!



Operations Statistics

PASSENGER COUNTS		September		% Change	FYTD		% Change

Engineering and Planning

Sprung Structure to Serve as Three Gate Terminal During Construction

Sprung Structure Being Erected on the Ramp

Sprung Structure Being Erected on the Ramp

How do you accommodate five airlines and record-setting passenger activity while completing a major terminal construction project designed to enhance much-needed capacity? Easy, place a 6,000 SF sprung structure out on the ramp in an aircraft parking spot and have it function as a three-gate temporary terminal during the 12 to 18-month project!

Gateway Airport is replacing an old four-gate, 10,000 SF portable terminal facility that was exposed as substandard during the pandemic with a new five-gate, 30,000 SF permanent terminal addition offering all the amenities air travelers expect in a modern commercial passenger terminal.

Runway 12C-30C Reconstruction Project Gets Underway

Old Runway Concrete Being Removed

When the federal government handed over the former Williams Air Force Base to PMGAA, there were many uncertainties. What would become of the enormous 3,000-acre facility with three 10,000 FT runways and miles of 1941-era concrete?

Thirty years later, Gateway Airport is an important economic engine connecting the Phoenix East Valley to the global marketplace, creating thousands of high-wage jobs, and contributing almost $2B each year to the local economy. But there have been challenges.

Maintaining all the airfield infrastructure – runways, taxiways, and expansive aircraft parking areas can be daunting, time consuming, and expensive. Thankfully, our partners at the Federal Aviation Administration (FAA) have continuously provided the financial support necessary to keep the airfield in top condition.

Earlier in October, PMGAA began an important project to reconstruct portions of its center runway, Runway 12C-30C. The project, funded through a combination of federal grants, will cost approximately $17.6MM and take 7-9 months to complete.

Work Continues on Alpha Apron Expansion Phase IV

Alpha Apron Phase IV Under Construction

Where do you park a huge B747 full of cargo? An airport needs an area large enough, with concrete thick enough, to handle such a big, heavy aircraft.

At Gateway Airport, you typically park it on the Alpha Apron located at the southeast end of the airfield. Earlier in 2022, PMGAA opened Phase III of the Alpha Apron Expansion Project, a 250,000 SF concrete aircraft parking area adjacent to the U.S. Forest Service – Mesa Base. In October, with demand for aircraft parking still on the rise, work began on Phase IV, another 250,000 SF section of thick concrete next to the Airport's new air traffic control tower. When the project is completed in March 2023, the Alpha Apron will encompass almost 1,000,000 SF and provide Gateway Airport with ample parking space for larger, heavier aircraft.

PMGAA Team Member Spotlight

Employee Name: **Brandon Craig**
Employee Title: **Lead Facilities Technician**
PMGAA Department: **Engineering and Facilities**
Years with PMGAA: **5+**

What are your job responsibilities for PMGAA? I hold the lead position for the facilities crew under Tobbie helping manage the crew and various projects we have going in ENF. My main responsibilities include upgrading and maintaining all electrical systems not including the airfield. One of my main tasks is building and implementing an electrical maintenance plan to ensure the airport has a safe and reliable electrical system.

What is your most memorable Gateway Airport moment? It would have to be the way that I was hired. I thought I was done in the electrical trade, and I was looking for a new career after quitting my job with no real plan. I was heading out of town for the holidays, but I pushed it back to take the interview and ended up getting the job when I came back from vacation. I used to visit a friend who lived at the ASU poly campus, but never really knew Gateway Airport was here. It all seemed random, but it changed my family's life forever. To think I wanted out of the trade and now I am the AHJ for an airport is a true blessing.

What is something people may not know about you? I have 4 kids, 2 are biological and 2 are adopted. I have put 2 kids through high school already. I am a grandpa. My kids are ages 10, 12, 22, and 25. I coach 6 days a week and teach 4th, 5th, and 6th graders at Sunday school.

Business Development

Macayo's Mexican Food and Infusion Coffee & Tea Crafters Open in Terminal

Macayo's Mexican Food Concession in Terminal

Do you have an upcoming trip planned out of Gateway Airport? Well, please build in a little more time and visit the new Macayo's Mexican Food or Infusion Coffee & Tea Crafters locations between Gates 4 and 5 in the terminal. On the run and just looking for a quick cup of coffee and a muffin? Infusion staff are waiting to serve you! Hungry for some delicious authentic tacos? Have a seat at Macayo's Mexican Food and enjoy a great meal before your flight!

Gateway Aviation Services

PMGAA pumped more than 1.23MM gallons of aviation fuel during the month of September 2022, a 5% increase from the amount of fuel dispensed during September 2021. Commercial fuel sales were down 10% for September and 22% FYTD, a reflection of Allegiant's continued schedule reduction.

FUEL (Gallons)	September			FYTD		
	2021	2022	% Change	FY22	FY23	% Change
AvGas	41,150	49,426	20%	108,109	125,330	16%

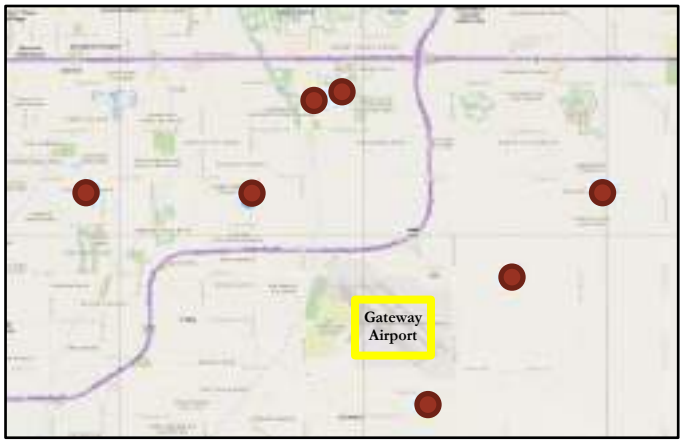
Contract	239,904	345,315	44%	833,270	944,434	13%
Commercial	867,643	784,242	-10%	3,184,834	2,485,615	-22%
TOTAL	**1,183,364**	**1,239,663**	**5%**	**4,243,125**	**3,715,701**	**-12%**

Community Noise Report

PMGAA received communication from seven individuals regarding aircraft noise issues during September 2022. PMGAA received the same number of inquiries last September. The low number of noise calls this month is due to cooler weather keeping windows closed at night and in the morning when Airport activity is fairly busy. The map to the right depicts where the noise calls emanated from during September 2022 – five individuals from Mesa and two from Gilbert.



CALLERS	September		FYTD	
	2021	2022	FY22	FY23

Community and Government Relations

PMGAA Begins Visioning Initiative for Eastside Commercial Terminal Campus

At their November meeting, the PMGAA Board of Directors will consider a contract with the consulting firm Mead & Hunt to facilitate and coordinate a long-range visioning initiative called **Gateway Tomorrow**. This inclusive undertaking will bring together representatives from PMGAA, its Member Communities, Airport tenants, and other key stakeholders to discuss, deliberate, and decide important elements of a future commercial terminal campus on the approximately 200 acres reserved on the eastside of the airfield.

Roadways, vehicle parking, terminal functionality and attributes, fuel storage, rental car facilities, international capabilities, and administrative/operations/security functions will all need to be a part of the eventual plan. Actual design and construction may be 5-10-15 years away, but it's never too soon to start planning for Gateway Airport's next commercial terminal.

Are You Travel ID/REAL ID Ready?

Starting on May 3, 2023, all U.S. air travelers must be Travel ID/REAL ID compliant to board domestic flights and access certain federal facilities. The TSA checkpoint at Phoenix-Mesa Gateway Airport will only accept a driver's license with a gold star in the upper right-hand corner, a valid passport, or another Travel ID/Real ID compliant identification.

Don't wait…get yours today!

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | October 18, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, October 18, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix *(joined via audioconference at 9:30)*
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa

** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:02 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Motion to convene into Executive Session**
   a) Pursuant to A.R.S. § 38-431-03 (A)(1), the Board of Directors may convene into executive session for the purpose of discussion and consideration regarding the Executive Director/CEO's annual review.

   Vice Mayor Jeff Brown moved to convene into Executive Session.
   Mayor John Giles seconded the motion.
   The motion was carried unanimously.

5. **Motion to Reconvene from Executive Session to Regular Session (9:30 a.m.)**

   Mayor Chip Wilson moved to reconvene the PMGAA Board of Directors meeting.
   Mayor John Giles seconded the motion.
   The motion was carried unanimously.

6. **Call to the Public**
   There were no public comments.

7. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

DRAFT

- Fiscal Year-to-Date (FYTD) Net Operating Income is $536,387.
- Record setting passenger activity in August and September! Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 119,403 commercial passengers during August 2022 and 114,515 in September, an 11% and 22% increase respectively in passengers compared 2021.
- Gulfstream has been leasing a 50,000 SF hangar at the Airport since the beginning of 2022 while their new 225,000 SF West Coast Service Center is constructed. The City of Mesa is providing landside infrastructure for wet and dry utilities and PMGAA is providing airside infrastructure improvements for access to the airfield.
- Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships. The spaceships will be transported to New Mexico for their launch activities.
- Construction is underway on SkyBridge Arizona's new 129-room hotel and associated roadway infrastructure. They also recently received approval from the City of Mesa for two 250,000 SF industrial buildings. Construction of taxilane Sierra is expected to begin in early 2023.
- Gateway***East*** is a 300-acre, mixed use non-aeronautical master development opportunity located on the east side of the Airport. The Boyer Company is working with the City of Mesa and the Authority on zoning and design standards for Phase I of the project.
- Renovations on the new Macayo's Mexican Food/Infusion Coffee & Tea Crafters concession in the terminal are nearly complete. The anticipated opening for these two new terminal restaurants is October 22nd.
- Gateway Tomorrow is a planning initiative designed to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. Authority staff has been working with the consultant on the scope of work and total project cost. Authority staff is also working with PMGAA Board members and their communities to identify individuals interested in serving on the project's planning committee. Representatives from the FAA, Allegiant Air, and other major stakeholders will also serve on the committee.
- A 6,000 SF temporary terminal facility is being constructed to serve three-gates during construction on the new 30,000 SF five-gate terminal addition.
- Construction of an enclosed pedestrian walkway will allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint by approximately 30% and will keep passengers in a climate-controlled environment from ticketing through security screening.
- Gateway Airport is continuing its expansion of the Alpha Apron. Phase IV is an additional 250,000 SF of concrete to increase parking for larger and heavier aircraft. Alpha Apron Phase III was completed just before the wildfire season this year and was used by the U.S. Forest Service.
- Center Runway Reconstruction began on October 3rd and is anticipated to be complete by April 2023. The runway will be closed while the reconstruction takes place. The Airport has two other 10,000-foot runways and will maintain normal operations during the entire project. Funding for this project utilizes a combination of FAA entitlement, discretionary and Bipartisan Infrastructure Law (BIL) grants.
- PMGAA is improving the Rental Car Return Lot and the Rental Car Care Facility. The improvements to the Rental Car Return Lot are nearly complete. This project is using Customer Facility Charge (CFC) funds to re-design traffic flow, expand capacity, add new office facilities, and erect shade structures for customer convenience. The Rental Car Care Facility where all

rental vehicles are maintained, washed, and vacuumed will undergo updates as well. This project will start in the spring of 2023 and will take approximately nine to twelve months to complete.

- PMGAA is planning to expand its fuel storage capacity to protect against future fuel delivery disruptions. Current on-Airport fuel storage capacity is 250,000 gallons, which is an approximately 4-day supply and susceptible to fuel delivery disruptions. The Authority is proposing the addition of two 50,000-gallon storage tanks to increase fuel storage on-Airport. This extra capacity will further protect the Airport and its customers from future fuel delivery disruptions.
- A new and improved parking lot revenue control system will be fully operational in all public parking lots at the Airport in time for the busy Thanksgiving holiday. This new system replaces the old token system currently used by PMGAA.
- PMGAA is constructing two taxiway connectors for Gulfstream Aerospace Corp. Gulfstream and the Authority are sharing the cost of the project. Anticipated completion of this project is February 2023, well in advance of Gulfstream needing to connect their new facility to the airfield.

8. **Presentation: Audited Financials –** Sandra Cronstrom, Principal CliftonLarsonAllen, LLP

Ms. Cronstrom provided a brief overview of the Fiscal Year 2022 Audited Financials, resulting in an issuance of an unmodified (clean) opinion for the Phoenix-Mesa Gateway Airport Authority. No material audit adjustments were made.

Chuck Odom, PMGAA CFO thanked Ms. Cronstrom for coming out today to present to the Board. Executive Director O'Neill thanked the finance team for their efforts in this successful independent audit.

9. **Consent Agenda**

a) **Minutes** of the Board Meeting held on **September 20, 2022.**

b) **Resolution No. 22-65 –** Approving an amendment to the **Executive Director/CEO** employment contract effective October 1, 2022.

c) **Resolution No. 22-66 –** Authorizing Phoenix-Mesa Gateway Airport Authority's (PMGAA's) insurance broker, **USI Insurance Services LLC**, to purchase benefit plans (medical, dental, vision, basic life/accidental death & dismemberment, and short-term disability) from various carriers. This consists of a 12-month renewal January 1, 2023, through December 31, 2023 with an estimated plan cost of $1,452,030.

d) **Resolution No. 22-67 –** Authorizing a purchase with **CDW Government, Inc. (CDW-G)** for annual Microsoft licensing renewals, in an amount not to exceed $61,937.63.

Mayor Chip Wilson moved to approve the Consent Agenda.
Mayor John Giles seconded the motion.
The motion was carried unanimously.

Consideration and Possible Approval of:

1. **Resolution No. 22-68 –** Authorizing an Agreement with **DWL Architects + Planners, Inc. (DWL)** for Design and Engineering Services for the Enclosed Pedestrian Walkway, in an amount not to exceed $307,620 under CIP 1252.

   Mayor John Giles moved to approve Resolution No. 22-68.
   Lt. Governor Monica Antone seconded the motion.
   The motion was carried unanimously.

7. **Board Member Comments/Announcements.**
   None.

8. **Next Meeting: Tuesday, November 15, 2022** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

9. **Adjournment.**
   The meeting adjourned at 9:58 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 22-69

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**BAI – Fluoresco Services, LLC**
Date:	**November 15, 2022**

Proposed Motion
To authorize a contract with Fluoresco Services, LLC, (Fluoresco) for design, fabrication, and installation of signs.

Narrative
Terminal, parking and other airport environments routinely change, and signage must be updated as necessary. The design, fabrication and installation of airport signage boosts non-aviation revenues for the airport and increases communication to the passengers and provides necessary regulatory and emergency information. Airport signage can help improve travel times, reduce confusion and improve safety across the airport. Wayfinding signage simplifies directions and helps consumers find their way, reducing passenger stress and enhancing the consumer experience.

The Notice of Request for Qualifications (RFQ), Solicitation 2023-009-RFQ, for Design, Fabrication, and Installation of Signs, was issued on August 1, 2022, and advertised in the Arizona Business Gazette on 8/4, 8/11, 8/18 and 8/25/22; it was also posted on the AzAA, ACC, ACI-NA, and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 10 prospective firms. PMGAA received three Statements of Qualifications (SOQ) on August 30, 2022, from the following firms:

Color-Ad, Inc.
Fluoresco Services, LLC
Sierra Signs and Service, Inc.

The evaluation panel reviewed all SOQs received and determined the qualifications from Fluoresco best satisfied the requirements for PMGAA, based on the award criteria. Fluoresco' s experience as well as their project understanding, and approach offers the best overall service to PMGAA.

Fiscal Impact
Sign purchases are included in the FY23 Operating Budget and funded under OPM expenses.

Attachment(s)
Contract

RESOLUTION NO. 22-69

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a contract with Fluoresco Services, LLC, (Fluoresco) for design, fabrication, and installation of signs;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a contract with Fluoresco Services, LLC, (Fluoresco) for design, fabrication, and installation of signs. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 15th day of November, 2022.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230090** ("Contract") and the attached exhibits. Fluoresco Services LLC, an Arizona based Limited Liability Company, operating as a wholly owned subsidiary of Everbrite LLC ("Consultant"), with its principal offices located at 5505 S. Nogales Highway, Tucson, AZ, 85706, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Design, Fabrication and Installation of Signs, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Operations and Maintenance Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on November 16, 2022 and ends on November 15, 2025 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended

period with the possible exception of price as outlined in Exhibit A. Any extension of this Contract shall require an amendment signed by both parties.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant itself shall provide all services to be performed under this Contract. If Sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for goods/services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   ii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iii. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.
   iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of

ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

Services shall include, but are not limited to, the following:

1. Design
   a. Provide design services or quality assurance/control for signage
   b. Provide high resolution proofs of each sign for PMGAA approval prior to fabricating.
2. Fabrication
   a. Offeror shall only utilize materials, sizing, colors, fonts, etc. approved by PMGAA.
   b. Signage shall be fabricated in a manner that adheres to PMGAA's specifications.
   c. Offeror shall provide an anticipated production time and installation schedule upon receipt of an executed purchase order.
3. Installation
   a. Offeror shall remove, modify, or install signage as dictated by the scope of work for each project.
4. Warranty
   a. Provide a minimum of one-year warranty on parts and labor on the sign fabrication and installation.

FEE SCHEDULE

For the services provided herein, PMGAA agrees to pay Consultant as detailed below. Prices may be increased annually up to no more than 10.0% so long as Consultant provides PMGAA with documentation on its costs increases.

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Consultant shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

EXHIBIT E – CONSULTANT'S RFQ SUBMITTAL

Consultant's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-009-RFQ dated August 30, 2022, is hereby incorporated herein and made part of this Contract.

Date:	**November 15, 2022**

Proposed Motion

To approve an Agreement with TranSystems Corporation, for Construction Administration Services, for the Rental Car Care Facility Improvements Project, in an amount not to exceed $197,440 under CIP 1242.

Narrative

The growth of commercial service at the Airport benefits the car rental companies and generates revenue for the Airport through Customer Facility Charges (CFC). CFCs are daily transaction fees imposed upon a customer renting a vehicle from an on-airport car rental company. CFC revenues are used to pay for costs associated with the design and construction of facilities or improvements used for the car rental companies located at the Airport.

Our current Car Care Facility is outdated, inadequate, and lacks the capacity and efficiency needed to service our customers effectively. This facility needs to be upgraded and expanded in order to accommodate the increased number of rental cars currently in service. Willmeng Construction, Inc. is providing the CMAR Construction Services and TranSystems Corporation will provide the Construction Administration Services. These services include Progress Meetings, Site Visits, Construction Requests for Information responses, Construction Submittal Review and Record Documents (As-Built Drawings) on CAD.

The Procurement of these services is in accordance with the Airport's Procurement Policy 22-01, following the A.R.S. Title 34 rules.

Fiscal Impact

This Agreement is included in the FY23 Capital Budget utilizing Customer Facility Charge (CFC) funds under CIP 1242.

Attachment(s): Professional Services Agreement

RESOLUTION NO. 22-70

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve an agreement with TranSystems Corporation, for Construction Administration Services, for the Rental Car Care Facility Improvements Project, in an amount not to exceed $197,440 under CIP 1242;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves an agreement with TranSystems Corporation, for Construction Administration Services, for the Rental Car Care Facility Improvements Project, in an amount not to exceed $197,440 under CIP 1242. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 15th day of November, 2022.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230109** ("Contract") and the attached exhibits. TranSystems Corporation, a Missouri C-Corporation ("Consultant"), with its principal offices located at 2400 Pershing Road, Suite 400, Kansas City, MO, 64108, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Construction Administration Services as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on November 16, 2022 and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant itself, and the subconsultants listed below, shall provide all services to be performed under this Contract. If additional subconsultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

Dibble
Stantec Consulting Services, Inc.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

TO PMGAA: Phoenix-Mesa Gateway Airport Authority
Attn: Engineering & Facilities Director
5835 South Sossaman Road
Mesa, Arizona 85212

TO CONSULTANT: TranSystems Corporation
Attn: David Lee

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

The Scope of Services includes completion of construction support services for the Rental Car Care Facility project by TranSystems' in-house architectural and engineering staff and the following subconsultants:

- Construction support services associated with implementation of the project's site improvements to be provided by Dibble, as detailed in their scope and fee proposal dated October 13, 2022.
- Construction support services associated with the implementation of the vehicle service vacuum system and car wash system to be provided by Stantec, as detailed in their scope and fee proposal dated October 3, 2022.

Consultant shall provide the following services:

- *Progress Meetings:* Participate in weekly construction progress meetings led by the project's Construction Manager-at-Risk (CMAR) for the duration of the project construction, beginning in October 2022 and concluding by December 2023. Progress meetings, up to one-hour each, will be attended by up to three (3) members of the Consultant Team virtually via CMAR's video conferencing service.
- *Periodic Site Visits:* Conduct periodic visits to the construction site, by discipline leads as appropriate to the stage of construction. The following number of site visits by the disciplines noted are included in Scope and reflected in the Fee Schedule:
    - Architectural and Structural Engineering Disciplines: Up to 12 trips during construction, including project closeout punch list review.
    - Mechanical, Plumbing, Fire Protection and Electrical Engineering Disciplines: Up to 2 trips during construction, including project closeout punch list review.
- *Construction Requests for Information (RFIs) Response*: Respond to the CMAR's technical RFIs and prepare exhibits for modifications or clarifications as required. Proposed Fee Schedule includes response to a total of a hundred (100) technical RFIs.
- *Construction Submittal Review*: Review and recommend approval or disapproval of construction submittals indicated to require Architect or Engineer of Record's review in the Project Manual. It is assumed that electronic deliverables are preferred for construction submittal reviews, and that few, if any, deliverables will be required to be provided in hard copy form.
- *Record Documents (as-built drawings) on CAD*: Prepare record documents (as-built drawings on CAD files) based on marked-up prints, drawings and other data furnished by the CMAR

FEE SCHEDULE

For the services provided herein, PMGAA agrees to pay Consultant the not to exceed amount of $197,440.

RE: PMGAA Rental Car Care Facility
Construction Administration Services Proposal

David,

Thank you for the opportunity to submit this proposal for Limited Construction Administration Phase services for the referenced project. Dibble will provide the following support services during construction:

SCOPE OF SERVICES:

1.0 Preconstruction Activities

a. Attend preconstruction conference as required

2.0 Construction Administration Activities

a. Attend periodic construction meetings, as requested or required. Meeting attendance is estimated to be requested for a total of 8 meetings. Note that as much as practical, meeting attendance and Periodic Observations will be combined in a single visit.

b. Visit the site to provide Periodic Observation of the civil elements thought the project. Periodic Observation will focus on critical civil activities including site and utility demolition, completion of rough grading, civil utility installation, and paving operations. Periodic Observations will be documented with brief Observation Report summarizing observations and noting any pertinent recommendations. A total of 4 periodic site observations are anticipated over the duration of the project. Daily or other required (special) inspections are specifically excluded: these will be provided by others.

c. Review Contractor-provided shop drawings, product data, and substitution request for conformance to the contract documents and make recommendations if necessary for revisions. Reviews in excess of two per submittal will require additional services. Transmittal by TranSystems to Dibble of these documents, accompanied by a request for review, will constitute an assumption that approval for reimbursement for the review has been obtained from PMGAA unless otherwise noted.

d. Review Contractor Request for Information (RFI's) and provide clarifications in the form of written RFI responses and/or design modification sketches.

e. Prepare Architect Supplemental Instructions (ASI) based on the assumption that a percentage of RFI's will require ASIs in the form of sketches. It's estimated that 2 civil related ASI will be issued throughout construction.

3.0 Project Close-Out Activities

a. Attend the "Final Inspection" walk-throughs (at the time the Contractor is requesting Substantial Completion) and provide TranSystems with comments to assist in generation of their punch-list. Attend one follow-up visit when requested by PMGAA/TranSystems to confirm compliance with the noted deficiencies. Additional punch list reinspection's over the initial visit will require additional compensation.

b. Complete Project Record Drawings utilizing Contractor Redlines, RFI responses, engineering sketches, etc. Deliverables for Record Drawings will include revised CAD files, and PDFs of the final Record Drawings and the Contractor-provided Redlines.

c. Attend warranty walk at 11-months following completion of the project and provide comments to TranSystems to assist in generation of their warranty punch list.

Dibble Engineering proposes to provide Limited Construction-Phase Services for a Time-and-Material, not-to-Exceed Fee of $17,211. Please see the Fee Summary for a breakdown of rates and costs.

FEES:

1.0	Preconstruction Activities	
	a. Preconstruction Meeting	$ 1,497
2.0	Construction Administration Activities	
	a. Periodic Construction Meetings	$ 2,144
	b. Periodic Site Observations	$ 2,482
	c. Shop Drawing Review	$ 1,894
	d. RFIs	$ 2,482
	e. ASIs	$ 1,472
3.0	Project Close-Out Activities	
	a. Punch List	$ 1,410
	b. Record Drawings	$ 3,096
	c. Warranty Services	$ 734
	Subtotal	**$17,211**

See attached billing rate schedule for current Dibble billing rates. When calculating the Dibble billing rates an overhead rate of 1.8867 and a profit of 10% is used.

We look forward to working with the Phoenix-Mesa Gateway Airport Authority and TranSystems on this project. If you need additional information or have questions, please do not hesitate to call.

Sincerely,

Kent E. Norcross, P.E.
Vice President, Land Development

Stantec Consulting Services Inc.
5 Dartmouth Drive Suite 200, Auburn NH 03032-3984

October 3, 2022
File: 195602430

Attention: Mr. David K. Lee, AIA
Vice President
TranSystems Corporation

Dear Mr. Lee,

Reference: Proposal for Additional Services – Construction Phase
Proposed QTA Facility, Phoenix Mesa Gateway Airport (AZA)

Stantec Consulting Services, Inc. is pleased to provide TranSystems Corporation (TSC) this proposal for additional services for the construction phase related to the proposed rental car facility at Phoenix Mesa Gateway Airport (AZA). We understand that Stantec will be expected to conduct on-site inspections, review equipment submittals, provide responses to RFI's and prepare record drawings of the vacuum and car wash systems.

Scope of Services – Vacuum and Car Wash Systems – Construction Administration

Desktop Scope

Stantec's proposed desktop scope is as follows:

- Review and comment on equipment submittals related to the car wash and vacuum systems (24 hours assumed).
- Provide technical responses to requests for information (RFI's) submitted by the contractor for construction related to the car wash and vacuum systems (24 hours assumed).
- Development of record drawings related to the car wash and vacuum systems (16 hours assumed) We have assumed the contractor will be providing as-built markups which will serve as the record drawing basis.
- An additional 12 hours for general construction related consulting and support (virtual construction progress meetings, manufacturer coordination etc.)

Site Visits

Stantec proposes the following Site Visit Scope:

- In person attendance at the pre-construction meeting by one Stantec design professional.
- In-person attendance for one day of car wash testing by one Stantec design professional.
- In-person attendance of one day for a final inspection by one Stantec design professional.

Reference: **Proposal for Additional Services – Construction Phase**
Proposed QTA Facility, Phoenix Mesa Gateway Airport (AZA)

Exclusions

- Design or other consulting beyond previously approved scope of services in the design phase.
- Site visits beyond those identified above.
- Permitting or coordination with code officials, outside of the previously approved scope of services in the design phase.
- Means and methods, subcontractor coordination, or any other service typically the responsibility of the contractor.

Terms and Fee

Task	**Time and Materials**
Desktop Support	$11,500.00
Site Visits	$12,750.00
Expenses	$4,500.00
Total	**$28,750.00**

Stantec can complete the above scope of work for a fee not to exceed **$28,750.00**. All work will be completed in accordance with the existing subconsultant agreement between Stantec and TSC for this project.

We appreciate the opportunity to provide this proposal and look forward to a successful project.

Sincerely,

Stantec Consulting Services Inc.

Ronald B. Laurence Jr, PE

Design with community in mind

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Consultant shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

Board Action Item

Re: Resolution 22-71

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Gateway Tomorrow Planning Study – Mead & Hunt, Inc.**
Date:	**November 15, 2022**

Proposed Motion
To authorize an agreement with Mead & Hunt, Inc. (Mead & Hunt), for Planning Study Services for the Eastside Terminal Analysis - Gateway Tomorrow Project, in an amount not to exceed $399,964, under CIP 1253.

Narrative
Due to the continued growth of the Phoenix-Mesa Gateway Airport, PMGAA has selected a consultant team to prepare an analysis for the future Eastside Terminal.

The goal of this project is to build off the Airport Master Plan and develop a vision that will provide guidance to PMGAA and its stakeholders in the decision-making process for the relocation of the passenger terminal and support facilities from the westside of the Airport to the eastside. This Terminal relocation will be driven by capacity and future facility requirements. A key outcome of this project will be to provide an understanding of the associated financial costs. This project is intended to evaluate site layout options and identify the key considerations and processes that need to be addressed as PMGAA plans for the eventual relocation of the passenger terminal facilities.

The Request for Qualifications (RFQ), Solicitation 2023-001-RFQ was issued on April 26, 2022, and advertised in the Arizona Business Gazette on 4/28, 5/5, 5/12 and 5/19/22; it was also posted on the AzAA, ACC, ACI-NA, and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority website. In addition, the RFQ was emailed to a list of 71 prospective firms. PMGAA received four (4) Statements of Qualifications on May 24, 2022, from the following firms:

C&S Engineers, Inc.
Hellmuth, Obata & Kassabaum, Inc. (dba HOK)
InterVISTAS Consulting Inc.
Mead & Hunt, Inc.

The evaluation panel reviewed all submitted SOQ's and selected three (3) firms for further consideration to present/interview (C&S Engineers, Inc., HOK and Mead & Hunt) on July 18, 2022. Based on the outcome of those factors, the evaluation panel's recommendation is to select Mead & Hunt.

Fiscal Impact
This project is included in the FY23 Capital Budget with a carryover into FY24, utilizing PMGAA non-grant funding under CIP 1253.

Attachment(s): Professional Services Agreement

RESOLUTION NO. 22-71

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an agreement with Mead & Hunt, Inc. (Mead & Hunt), for Planning Study Services for the Eastside Terminal Analysis - Gateway Tomorrow Project, in an amount not to exceed $399,964, under CIP 1253;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an agreement with Mead & Hunt, Inc. (Mead & Hunt), for Planning Study Services for the Eastside Terminal Analysis - Gateway Tomorrow Project, in an amount not to exceed $399,964, under CIP 1253. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 15th day of November, 2022.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number C-20230029** ("Contract") and the attached exhibits. Mead and Hunt, Inc., a Wisconsin Corporation ("Consultant"), with its principal offices located at 2440 Deming Way, Middleton, WI 53562, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: East Side Terminal Analysis, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on November 16, 2022 and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant and its subconsultants, as listed below, shall provide all services to be performed under this Contract. If additional sub-consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said sub-consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

DWL Architects + Planners
TranSystems Corporation
Unison Consulting

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

For the services provided herein, PMGAA agrees to pay Consultant the not to exceed amount of $399,964.00

PHOENIX-MESA GATEWAY AIRPORT

EASTSIDE TERMINAL ANALYSIS – GATEWAY TOMORROW

SCOPE OF WORK

EXHIBIT A

PROJECT UNDERSTANDING

The Phoenix-Mesa Gateway Airport Authority (PMGAA) owns and operates the Phoenix-Mesa Gateway Airport (IWA or "Airport"). PMGAA has selected a consultant team lead by Mead & Hunt, with DWL Architects, Unison Consulting, and other partners (hereafter, "the Consultant") to prepare the Eastside Terminal Analysis ("the Project"). The goal of this Project is to develop a vision that will provide guidance to PMGAA and its stakeholders in the future decision-making process for the relocation of the passenger terminal and support facilities from the westside of the Airport to the eastside. Terminal relocation will be driven by future needs and funding eligibility, and a key outcome of this project will be to provide an understanding of the associated financial costs. This Project will provide PMGAA with graphics and a site plan that can be shared with the community for years to come.

It is understood that relocating the terminal and support facilities from the westside to the eastside is not imminent, and this study will focus on the first phase of eastside terminal development, not the full buildout. (The full build out will be evaluated to the extent necessary to ensure its first phase is informed and set up for future development and flexibility.) We refer to the following in this scope of services:

1. **Phase 1** = terminal site plan associated with facilities sized to accommodate approximately 3 million annual passengers (with approximately 12 aircraft gates);
2. **Long-term** = terminal site plan associated with approximately 7 million annual passengers (with approximately 25 aircraft gates)

The Project is not intended to lead into an immediate design and construction project. Instead, it is intended to identify the key considerations that need to be addressed as PMGAA plans for the eventual relocation of the passenger terminal facilities.

The Project is expected to be completed over the course of eleven (11) months from notice to proceed. This schedule includes time for stakeholder coordination and document review.

TASK 1.0 – PROJECT MANAGEMENT

Project management is a series of tasks necessary to keep the project advancing according to scope, fee, and schedule.

1.1 – Project Management & Administration

Tasks include internal project controls, administrative, contractual, and financial tasks required of the Consultant. The Consultant will prepare a project management plan (PMP) for this project that describes

the team roles, communication and documentation protocols, and decision-making procedures. The Project will be invoiced on a time and materials (T&M) basis.

1.2 – Internal Project Team Coordination

The Consultant will hold up to twelve (12) thirty-minute (30) conference calls with the project team during this project. These calls will be used to discuss the project, confirm deadlines, and answer questions. Frequency and attendance will be determined by the Consultant project manager and attended by up to three (3) members of the Consultant team.

1.3 – Quality Assurance and Quality Control

Quality control will be performed by a senior terminal planner who is not involved in the day-to-day project production. Their assignment is to provide an objective review of project materials prior to delivery to PMGAA. A technical editor will review, edit, and format all materials prior to delivery.

TASK 2.0 –COORDINATION

Coordination involves Project participants that are not part of the Consultant team. Effort includes meeting planning, preparation, performance, and debrief. A summary of meetings is included in **Figure 1.**

2.1 – PMGAA Project Team Calls

The Consultant will set up one (1) hour phone calls with PMGAA project management team throughout the duration of this project. These will occur up to sixteen (16) times in total, with frequency increasing ahead of Project meetings. Meetings will be attended by up to three (3) members of the Consultant team.

2.2 – Kickoff Workshop

The Consultant will hold an in-person kickoff workshop to inform PMGAA staff not directly involved with scoping, of the objectives and schedule for the study and to solicit their input. Up to three (3) members of the Consultant team will attend these meeting.

The kickoff workshop will include:

1. Overview of scope of work, schedule, and deliverables
2. Overview of the changing landscape of passenger terminal facilities (e.g. emerging technology, changing relationship between passengers and parking spaces, etc)
3. Examples of other terminal concepts to help establish values from the participants which will inform project development
4. Opportunity for PMGAA staff to provide input

2.3 – Gateway Senior Staff

The Consultant will hold up to three (3) meetings with Gateway Senior Staff. These meetings will occur virtually unless the Consultant is in town for another project meeting. The purpose of these meetings is to help guide decisions about project direction. Meeting attendees will be determined by PMGAA. Up to three (3) members of the Consultant team will attend these meetings. It is anticipated that the final staff

meeting will occur in person and not affiliated with another trip, and be attended by two (2) members of the consultant team.

2.4 – Study Advisory Committee (SAC)

The SAC consists of participants selected by PMGAA to provide their input at key milestones in the project. PMGAA will coordinate with SAC members, send out meeting invitations and materials, and handle meeting logistics. The Consultant will provide PMGAA with an agenda and deliverables for SAC review prior to the meetings. The SAC will consist of up to fifteen (15) members, which may include representatives of the following organizations:

- Federal Aviation Administration (FAA)
- Arizona Department of Transportation Aeronautics Division (ADOT)
- Transportation Security Administration (TSA)
- Allegiant Airlines
- Airport tenants
- Cities of Phoenix, Mesa, Apache Junction
- Towns of Gilbert and Queen Creek
- Gila River Indian Community
- Local Businesses

The SAC will review draft documents (provided as PDFs, no prints) and provide input for PMGAA. The Consultant will prepare a presentation (PDF, no prints) that includes material related to agenda items. PMGAA will direct the Consultant on how to incorporate SAC feedback into project documents. The Consultant will conduct two (2) meetings with the SAC at key decision points. Up to three (3) members of the Consultant team will attend these meetings. The meetings are expected to occur as follows:

- Meeting 1 objective: inform SAC of the purpose of the study, its schedule and scope, as well as preliminary alternatives under consideration; conducted midway through alternatives task
- Meeting 2 objective: inform SAC of recommended concept, its approximate order of magnitude cost, and future steps prior to realization of the terminal; conducted in the last third of the project schedule

The Consultant will develop meeting materials with PMGAA input for SAC members which will identify the meeting agenda and objective. The Consultant will collect written and verbal comments at SAC meetings; however, meeting minutes will not be recorded.

2.5 – PMGAA Board

The Consultant will provide project updates to the PMGAA Board up to two (2) times during this project. These updates will be an agenda item on regularly scheduled PMGAA Board meetings. These meetings will be in person if they coincide with a scheduled SAC meeting. Up to two (2) members of the Consultant team will attend each of these meetings. Consultant staff without a speaking role will not attend.

Figure 1: Summary of on-site Meetings

NTP+	Trip #	Attendees	Meetings	Purpose
2	1	3	• 2.3 Kickoff Workshop	terminal trends, case studies, establish goals
4	2	3	• SAC Meeting #1 • PMGAA Board #1	Component Alternatives Review
7	3	3	• SAC Meeting #2	Conceptual Development Plan
10	4	2	• PMGAA Board #2	Financial Plan
NTP+ = Months from notice to proceed sent to Consultant, issued by PMGAA. Schedule is subject to change. An up-to-date schedule will be maintained by the Consultant.				

TASK 3.0 – FACILITY ANALYSIS

This task will build off the Consultant's previous work at the Airport, in particular the airport master plan. For example, activity peaking characteristics will be used from the master plan. **Notably, the long-term terminal site plan will be expandable and planned to accommodate approximately 25 aircraft gates, whereas Phase 1 of the terminal site plan will accommodate approximately 12 aircraft gates, associated with approximately 3 million annual passengers.**

Task 3.0 and 4.0 Focus Areas

- Apron sizing and taxilane configuration
- Terminal building massing
- Roadways and parking configuration
- Rental car facilities

The terminal programming will be used from the airport master plan. The planning activity level 3 (PAL 3) requirements will be scaled up in some cases to understand the long-term site plan; whereas the phase 1 requirements will be based on PAL 3 (e.g. 5 security screening lanes, 11-12 airplane design group III gates). The focus of this effort will be to define the terminal envelope which includes: landside facilities (parking, rental car, and terminal roadways); terminal processor and concourse; and aircraft apron and taxilanes.

The Consultant will validate the financial model from the 2020 Airport Master Plan to reflect 2022 conditions. The Consultant will request information from PMGAA staff. The updated financial model will be used as the analysis baseline for the Financial Considerations and Recommendations.

TASK 4.0 – ALTERNATIVES

Alternatives development is an iterative process. Alternatives will be eliminated, refined, and advanced based on direction from PMGAA.

4.1 –Alternative Evaluation Framework

The Consultant will develop an evaluation framework with PMGAA informed by the SAC. This framework will define the criteria used to evaluate each alternative. It is expected that some criteria will be more important than others (e.g. customer experience, capital cost estimates, future flexibility) and will account for facility space needs based on passenger levels.

4.2 –Component Alternatives

The Consultant will prepare conceptual alternatives in the form of site plans (in 2D, plan view). The Consultant will prepare comparisons matrices for each area of evaluation. Variations within the site plan will address:

1. Rental car facility location and configuration (at grade or multi-level garage);
2. Public parking location and configuration (at grade or multi-level garage)
3. Terminal curbside roadways (single level or multi-level)
4. Terminal processor (two story facility or single story)

Note the concourse will be configured largely as identified within the preferred development of the master plan: linear concourse with single-loaded and double-loaded segments.

4.3 –Comprehensive Alternatives

Utilizing the results from **Task 4.2**, the Consultant will prepare two (2) alternatives for consideration by PMGAA and presentation to the SAC (1) in 2D, plan view. Alternatives will be evaluated using the criteria in **Task 4.1** for PMGAA consideration. PMGAA, with consideration of SAC input, will select one (1) preferred alternative (or a combination of elements from other alternatives) for further evaluation.

4.4 –Conceptual Development Plan

The Consultant will develop a conceptual development plan for the preferred alternative, refining that which was developed in **Task 4.3.**

The Consultant will develop both a long-term site plan and as well as a Phase 1 site plan for review and comment by PMGAA staff. Upon approval of the site plan, the Consultant will develop the exterior renderings **(Task 6).**

The Consultant will also prepare a phasing plan for the preferred alternative, depicting up to four phases of development for major facilities (terminal, concourses, parking areas) in plan view.

4.5 – Alternatives Technical Memorandum

The Consultant will document the findings of **Task 4.0** in a report (PDF, no prints) that will be provided to PMGAA for review. The technical memorandum will be approximately 10 pages in length and include:

1. Component alternative exhibits (2D, plan view)
2. Comprehensive alternative site plans (2D, plan view)
3. Screening criteria and results
4. Conceptual Development Plan exhibits (2D, plan view)

a. Phase 1
b. Long term

The components addressed in section 4 include those listed in the following table.

Terminal Area Components
Airside
Aircraft Parking Apron
Taxiway System
Airfield Setbacks and FAA Design Standards
Airspace Constraints Standards
Terminal
Concourse massing based on primary area components
Terminal massing based on primary area components
Roadways and Parking
Curb front (Arrivals and Departures, TNCs, etc.)
TNC and Taxi Staging Areas
Access Roads
Passenger Parking (Surface or Garage)
Employee and Vendor Parking (Surface or Garage)
Deliveries and Receiving
Rental Car Facilities
Ready/Return
Quick Turnaround
Fueling
Support and Other Facilities
Airport Administration Massing
Building Systems Common Utility Plant Location
Fuel Storage

TASK 5.0 – FINANCIAL

Financial assessment will occur in concert with alternatives development. This task will focus on developing a framework of financial considerations rather than a definitive funding plan. This approach is intended to make this work product useful for years after this Project is complete, and not bound to implementation in a specific year.

5.1 – Cost Estimates

Capital cost estimates will be developed for the Concept Development Plan defined in **Task 4.4.** Costs will still be presented as a rough-order-of-magnitude and will not be detailed engineer's or architect's estimates. The cost estimate will summarize the major components of each cost estimate for:

1. Terminal roadway system
2. Rental car facilities
3. Parking facilities
4. Terminal processor
5. Concourses
6. Apron and taxilanes

5.2 – Financial Considerations and Recommendations

The Consultant will develop a guidance document that identifies potential funding sources (including public-private-partnerships and alternative funding strategies such as establishing a development or transportation district tax or assessment) that are available for each element of the terminal area. In order to determine what funding is available, the Consultant will work with PMGAA to determine all potential funding sources. Unison will thoroughly analyze PMGAA's PFC program. This analysis will include analyzing the PFC collection authority and estimated future collections and uses.

A specific funding plan will not be developed; however, this document will serve as a guide for when such a plan is needed. The guidance document will incorporate a "green, yellow, and red light" funding scenario summary matrix for ease of use.

The Consultant will suggest an alternate airline rate making methodology. The methodology will include the estimated impacts of the cost estimates on the airline rates. The Consultant will provide the pros and cons of the alternate rate methodology. This will include discussion of how each element impacts PMGAA's cost centers, and what effect the different funding options may have on tenant rates and cost per enplanement.

5.3 – Financial Report

The Consultant will document the findings of **Task 5.0** and recommended next steps in the terminal programming process in a report (PDF, no prints) that will be provided to PMGAA.

TASK 6.0 –VISUALIZATION

Visualization incudes the creation of diagrams, images, and renderings developed throughout the Project.

6.1 – Comprehensive Visualizations

Comprehensive visualizations will include:

1. Refined site plans depicting the Conceptual Development Plan at Phase 1 and phased long-term build out, depicting location of terminal and support facilities (parking, terminal roadways, and rental car facility) alongside the parallel taxiway will be prepared. These will be a refinement of the exhibits prepared as part of **Task 4.4** – refinement will be based on feedback from PMGAA and SAC meeting 2.
2. Five “birds-eye view” exterior renderings of the Conceptual Development Plan at Phase 1 – OR – long-term build, depicting apron, taxilanes, aircraft gates, concourse, terminal processor, curbside, and parking facilities

6.2 – Final Visualizations

Final visualizations will address PMGAA staff comments on the material developed as part of **Task 6.1**, depicting the preferred alternative.

TASK 7.0 –DOCUMENTATION

7.1 – Final Report – Graphical Executive Summary

The final deliverable will include PDFs and editable versions of report materials. The Consultant will prepare an executive summary focused on the ultimate site plan, alongside cost estimates and renderings for phase 1. The summary in anticipated to be approximately 10 11”x17” pages or (20) 8 ½” x 11” pages. This will be delivered as a hard copy (up to eight (8) prints) and PDF.

7.2 – Digital Library and Closeout

The Consultant will provide PMGAA with a digital library of all developed materials. Deliverables will be provided electronically. This includes renderings for future PMGAA use. The Consultant will provide one (1) external media device (e.g. portable hard drive) containing the files.

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Consultant shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

EXHIBIT E – CONSULTANT'S RFQ SUBMITTAL

Consultant's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-001-RFQ dated May 24, 2022, is hereby incorporated herein and made part of this Contract.

Board Action Item

Re: Resolution 22-72

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP 1020, Service Truck Replacements**
Date:	**November 15, 2022**

Proposed Motion
To authorize the purchase of two vehicles from San Tan Auto Partners, LLC dba San Tan Ford (San Tan Ford), in an amount not to exceed $77,658.34.

Narrative
FY23 approved capital plans included the replacement of two airport service vehicles.

The purchase includes two service body trucks. Currently two 2008 Dodge 2500 vehicles, E-230 and E-235, are beyond their service life due to age and normal wear and tear.

PMGAA and San Tan Ford are both participants of the Arizona Department State Procurement Office (ADSPO). Under ADSPO, San Tan Ford was awarded the New Vehicle Purchase Contract #CTR059323, and it is through this competitive selection that PMGAA will utilize San Tan Ford for the new vehicle purchases. This contract is available upon request.

In October 2022, a cooperative quote was obtained through San Tan Ford utilizing the Arizona State Contract CTR059323 in the amount of $38,829.17 per vehicle.

Fiscal Impact
This purchase was included in the FY23 capital budget and is funded with CIP #1020.

RESOLUTION NO. 22-72

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the purchase of two vehicles from San Tan Auto Partners, LLC dba San Tan Ford (San Tan Ford), in an amount not to exceed $77,658.34;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the purchase of two vehicles from San Tan Auto Partners, LLC dba San Tan Ford (San Tan Ford), in an amount not to exceed $77,658.34. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 15th day of November, 2022.

Board Action Item

Re: Resolution 22-73

To:	**Board of Directors**
From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP 1255 – Dual Electric GPU**
Date:	**November 15, 2022**

Proposed Motion
To authorize the purchase of one Dual Electric GPU from ITW GSE, Inc. (ITW GSE) in an amount not to exceed $151,496.28.

Narrative
Phoenix Mesa Gateway Airport Authority's Fixed Base Operator (FBO) uses the dual electric GPU to provide AC or DC power to various aircraft that come to Phoenix-Mesa Gateway Airport (PMGA) and require AC or DC power for aircraft electronics or for starting the aircraft. This unit will replace the FBO's current dual GPU which has reached the end of its useful life cycle.

Purchasing a diesel engine GPU is not practical due to current DEF issues with the diesel engines.

Request for Proposals No. 2023-012-RFP for one Dual Electric GPU was issued on October 4, 2022 and advertised in the Arizona Business Gazette on October 6, 13, 20, and 27, 2022. The notice was also posted on the Airport's website, as well as the AzAA, ACC, and ACI-NA websites. In addition, the RFP notice was emailed to 2 prospective respondents. Proposals were due on November 1, 2022.

PMGAA staff received one proposal in response to the RFP, from ITW GSE. As only one proposal was received and in accordance with Procurement Policy 22-01, it was determined that the pricing received through ITW GSE's proposal was in line with the requested equipment. Therefore, PMGAA staff is recommending award of this purchase to ITW GSE.

Fiscal Impact
This expenditure is included in the FY23 capital budget as Project 1255.

Board Action Item

Re: Resolution 22-74

To: **Board of Directors**
From: **Chuck Odom, Chief Financial Officer**
Through: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject: **Airport Rates and Charges- Recommended Revision Effective January 1, 2023**
Date: **November 15, 2022**

Proposed Motion
To adopt the revised PMGAA Board Approved Airport Rates and Charges schedule with an effective date of January 1, 2023.

Narrative
Airport staff is recommending the below changes to the current PMGAA Board Approved Airport Rates & Charges schedule.

1) **Aircraft Landing Fee -** Signatory Commercial Carriers – rate increase from $1.32 to $1.36 per 1,000 lbs. maximum gross landing weight (MGLW).
2) **Aircraft Landing Fee -** Non-Signatory Commercial Carriers, General Aviation, and other eligible aircraft - rate increase from $1.98 to $2.04 per 1,000 lbs. MGLW.

As current standard, landing fee exemptions will continue to be the following:

- U.S. government owned aircraft
- Non-revenue and flight training aircraft up to 12,500 MGLW
- All based flight training aircraft.

3) Pending approval, the Terminal Daily Parking Lot maximum rate will increase from $11 to $13 and the Ray Road Economy Parking Lot (uncovered) maximum daily rate will increase from $7 to $9. These parking rates have not increased since 7/1/2015. There have been several parking lot improvements since then. Most recently, new parking lot equipment with up-to-date technology to include contactless payment options, and ticket stock instead of tokens. PMGAA also added a cell phone lot, a terminal employee parking lot, and expanded the Ray Road Economy Parking Lot.

4) The current Lost Token Fee of $250 will be updated to read Lost Ticket Fee.

5) Fire Suppression Services, Airport Fuel Licenses & Permits, U.S. Customs and Border Protection, and Gateway Aviation Services sections will be removed from PMGAA Board Approved Airport Rates and Charges and moved to PMGAA Executive Director Approved Airport Fees, Services and Rental Rates. This change will better align operational related items on the same document and group airline, passenger, and terminal related items on the PMGAA Board Approved Airport Rates and Charges.

Fiscal Impact

By increasing the Landing Fees 3%, an additional $53,000 will be generated over the next year.

By increasing the Terminal Daily Parking Lot rate by $2.00, an additional $111,000 per year will be generated. The $2.00 increase to the Ray Road Economy Parking Lot (uncovered) rate will generate an additional $262,000.

Re: Solicitation Notification
Date: **November 15, 2022**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Qualifications	2023-001-RFQ	East Side Terminal Planning Initiative	November 2022
Request for Qualifications	2023-009-RFQ	Design, Fabrication, and Installation of Signs	November 2022
Request for Qualifications	2023-010-RFQ	CMAR for Enclosed Pedestrian Walkway	November 2022
Request for Proposals	2023-012-RFP	Aircraft Electric GPU	December 2022
Request for Proposals	2023-015-RFP	Janitorial Services	December 2022
Request for Proposals	2023-011-RFP	Insurance Broker Services	January 2023

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-013-RFP	Fire Pumps	November 2022	January 2023
Request for Proposals	2023-014-RFP	ARFF Services	January 2023	April 2023
Request for Proposals	2023-006-RFP	Car Rental Concessions	March 2023	September 2023

Fiscal year totals from sales of decommissioned / nonworking equipment total $1,915.00.

If you have any questions about the solicitations or the procurement process, please feel free to contact me at 480-988-7613.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, December 20, 2022 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **November 15, 2022**.

   b) **Resolution No. 22-74 –** Adopting the revised **Airport Rates and Charges** schedule with an effective date of January 1, 2023.

   c) **Resolution No. 22-75 –** Approving a one-year Air Carrier Operating Agreement with **Allegiant Air, LLC**.

   d) **Resolution No. 22-76 –** Authorizing services with **Universal Protection Service, LP dba Allied Universal Security Services (Allied)** to provide unarmed security guard services annually. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Standard security guard - regular time	60	$27.44
Standard security guard - overtime	10	$41.16
Description	Est. Annual Hours	Billable Rate
Standard security guard - holiday time	120	$41.16

   e) **Resolution No. 22-77 –** Authorizing a contract with **Flagship Airport Services, Inc. (Flagship)** for janitorial services at a fixed management fee, in an amount of $617,336.60 beginning January 1, 2023, for three years with two (2) one-year renewal options in amounts of $218,247.23 and

$224,794.65 respectively each year. This amount does not include labor, which is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and will be adjusted on an annual basis:

Supervisors:	$25.41
Janitors:	$21.40
Porters:	$20.86
Floor Technicians:	$22.98

f) **Resolution No. 22-78 –** Authorizing a purchase with **CDW Government, Inc. (CDW-G)** for a technology refresh of a Storage Area Network (SAN) system in an amount not to exceed $131,565.34.

g) **Resolution No. 22-79 –** Approving the renewal of the Ground Transportation License Agreement between **Turo, Inc**. and Phoenix-Mesa Gateway Airport Authority.

h) **Resolution No. 22-80 –** Authorizing a facility lease agreement with **Essential Turbines, Inc**. for the property located at 7808 East Velocity Way, Mesa, AZ 85212 with an Effective Date of January 1st, 2023. The initial Term is for three (3) years, with no options to extend.

i) **Resolution No. 22-81 –** Authorizing a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with **Alliant Insurance Services, Inc. (Alliant)** for Insurance Broker Services in an amount not to exceed $265,000 over the five (5) year period.

Consideration and Possible Approval of:

7. **Resolution No. 22-82** Approving a Construction Manager At Risk (CMAR) Construction Services Contract and GMP 1 Early Works Procurement for the Fuel Farm Expansion Project with **KEAR Civil Corp. (KEAR)**, in an amount not to exceed $1,678,587.20 under CIP 1224**.**

8. **Board Member Comments/Announcements**

9. **Next Meeting: Tuesday, January 17, 2023 at 9:00 a.m.**

10. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- Gulfstream Goes Vertical with New West Coast Service Center
- Record-Setting Commercial Passenger Activity in October
- Four-Gate Terminal Annex Closing for Demolition on December 15th
- Terminal Concessions Continue Strong Performance
- Gateway Executive Airpark Hangars Making Progress
- Taxiway Charlie Connectors Provide Gulfstream Airfield Access

Executive Director's Report

December 2022

Private Development and Increasing Passenger Activity at Phoenix-Mesa Gateway Airport Fuels Regional Job Growth and Economic Sustainability

By: Gilbert Mayor Brigette Peterson
Chairwoman, Phoenix-Mesa Gateway Airport Authority

If you haven't visited Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) recently, you probably wouldn't recognize the place. Commercial aircraft from multiple domestic and international airlines are pulled up to the passenger terminal, a record number of air travelers are enjoying new food, beverage, and retail concessions, a new $30MM air traffic control tower proudly governs airfield activity, and a five-gate, 30,000 square foot (SF) terminal addition is currently under construction. And if that's not enough, there's also more than one million SF of private development underway at the Airport, representing a significant investment and an increase in high-wage aeronautical and non-aeronautical job opportunities for the Phoenix East Valley.

Global aviation industry leaders such as Gulfstream Aerospace Corporation (Gulfstream) and Virgin Galactic are making major financial investments at Gateway Airport. Gulfstream already occupies over 100,000 SF of airfield facilities and is currently constructing their new 225,000 SF West Coast Service Center on the east side of the airfield that will be home to approximately 350-400 employees.

Virgin Galactic is constructing two large facilities totaling more than 150,000 SF at the north end of the airfield. One facility will house the "mothership" and the other is where they will manufacture up to six "spaceships" each year. According to Virgin Galactic representatives, the mothership will transport the spaceships manufactured at Gateway Airport to New Mexico for launch.

Gateway Airport also has two exciting master development projects offering mixed-use aeronautical and non-aeronautical parcels totaling approximately 660 acres. SkyBridge Arizona (SkyBridge), which includes 360 acres of land at the south end of the Airport, is being developed by Mesa SkyBridge, LLC. SkyBridge's first two facilities, totaling over 135,000 SF are complete and have been fully leased. SkyBridge is now constructing a 129-room hotel and two, 250,000 SF industrial buildings. SkyBridge is also investing between $25-$40 MM to construct horizontal infrastructure including a taxi lane extension, aircraft ramp area, roadways, and wet/dry utilities.

(Continued on next page)

Gateway***East*** is a 300-acre non-aeronautical development opportunity located on the eastside of the Airport adjacent to Ellsworth Road, the SR 24 Freeway, and the Loop 202 San Tan Freeway. The Boyer Company, LC (Boyer) from Salt Lake City, UT is planning a mixed-use development project including office, industrial, and commercial retail space. Boyer is in the process of working with the City of Mesa and PMGAA to complete a master plan for Phase I which includes the first 100 acres of development.

At full build out, SkyBridge and Gateway***East*** will represent thousands of new high-wage jobs in the region.

It is my honor and privilege to serve as the Phoenix-Mesa Gateway Airport Authority's Chairwoman for fiscal year 2023 (FY23). The sky's the limit at Gateway Airport and the entire Phoenix East Valley will continue to benefit from increasing job opportunities, more options for air travelers, and stronger regional economic sustainability.

Financial Snapshot

OPERATING INCOME	October		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY22	FY23	
Revenues	$1,972,579	$2,584,735	**$612,156**	$7,747,678	$9,168,477	**$1,420,799**
Less Expenses	$1,710,510	$2,344,244	**$633,734**	$7,001,070	$8,340,843	**$1,339,773**
Operating Income *(Before Depreciation)*	**$262,069**	**$240,491**	**($21,578)**	**$746,608**	**$827,634**	**$81,026**

Investment Fund Balances: As of October, the Local Governmental Investment Pool (LGIP) 700 = $18,520,475; Wells Fargo; Collateralized Money Market = $5,792,829 and Collateralized CD's = $43,989,476; Total $68,302,780. The market value accounting adjustment was $101,319 for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

PMGAA reported a net operating income of $240,491 in October 2022, a $21,578 decrease compared to the net operating income PMGAA achieved in October 2021. Year-to-date (YTD) FY23, PMGAA has a net operating income of $827,634, an 11% increase over the same time period in FY22.

October's financial results were primarily driven by aviation fuel sales, vehicle parking revenue, and rental car fees. Fuel sales were up 62%, parking revenue up 18%, and rental car fees up 61%.

Operating expenditures in October 2022 were 37% above last October due to increases in aviation fuel cost of goods sold ($293,239), PMGAA personnel costs ($213,323), and contractual services ($125,422). Increasing operational expenditures reflect the challenging employment environment, various inflationary pressures, and on-going supply chain issues that Gateway Airport has been experiencing for quite some time.

PMGAA Solicitations

Active/Pending Solicitations

TYPE OF SOLICITATION	Number	Title	Anticipated Contract Award

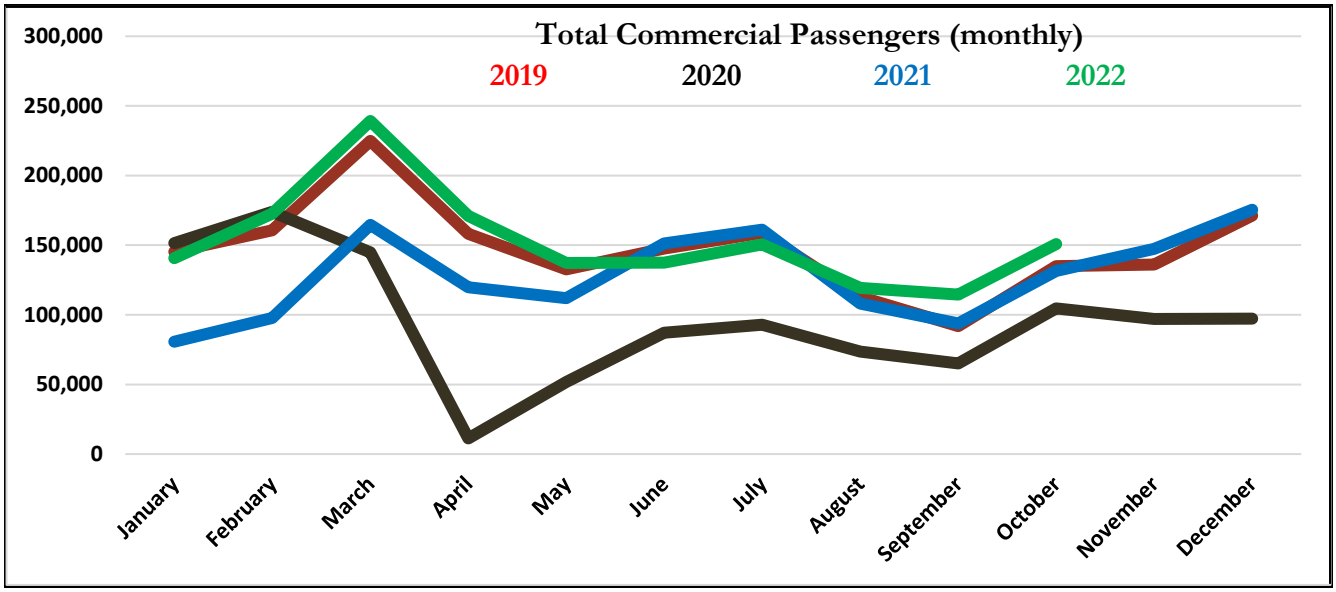
Airport Operations



Gateway Airport Reports Record-Setting Commercial Passenger Activity in October

Gateway Airport set a new passenger activity record for the month of October, welcoming 150,846 total passengers in 2022, a 15% increase over October last year. Year-to-date, 535,422 total passengers have traveled through the Airport, an 8% increase compared to the same time period last fiscal year (FY).

PASSENGER COUNTS		October		% Change	FYTD		% Change
		2021	2022		FY22	FY23

Engineering and Planning

Four-Gate Terminal Annex Closing for Demolition on December 13th

When commercial passenger service began at Gateway Airport in 2007, ticketing, security screening, arrivals & departures, and baggage claim were all conducted within one 24,000 SF building. In 2008, Allegiant began increasing flight frequency and adding new nonstop destinations, so PMGAA purchased a portable 10,000 SF "temporary passenger terminal annex" with four gates to be used until a permanent structure could be constructed at a later date.

Temporary Passenger Terminal Annex

Fifteen years later, the portable building is still in use, but has outlived its useful life. It is being replaced with a modern, five-gate, 30,000 SF terminal addition. On December 13, 2022, the temporary passenger terminal annex will close its doors and be readied for demolition, making way for a new $30MM terminal addition to be constructed in 2023.

Taxiway Charlie Connectors Provide Gulfstream Airfield Access

Taxiway Charlie Connectors

As walls continue to be erected for Gulfstream Aerospace Corporation's 225,000 SF West Coast Service Center on the east side of the Airport, PMGAA is underway with a project to connect Gulfstream's new facility to the rest of the airfield. Construction of two taxiway connectors is scheduled to be completed in the spring of 2023, in time to merge with the expansive aircraft parking ramp in front of Gulfstream's facility.

PMGAA Team Member Spotlight

Employee Name: **Joshua Jefferson**
Employee Title: **Economic Development and Real Estate Project Manager**
PMGAA Department: **Business Development**
Years with PMGAA: **11+**

What are your job responsibilities for PMGAA? As one of two Economic Development & Real Estate Project Managers, I manage a majority of PMGAA's real estate business attraction efforts. Ultimately, my job is to create, nurture, and leverage relationships with key industry stakeholders to maximize the revenue potential to PMGAA. This public-facing effort includes analyzing economic trends and markets, strategically targeting prospect opportunities, negotiating, drafting, and managing complex agreements, and identifying competitive real estate development & re-use projects at the Airport.

What is your most memorable Gateway Airport moment? I have two most memorable moments at Gateway Airport: First, being able to announce to the world that "spacecraft" will be manufactured at Gateway Airport. Working to bring Virgin Galactic's manufacturing operation to Gateway Airport has been "out of this world." Second, but definitely the most important, I proposed to my fiancé in the new ATCT one week before it opened!

What is something people may not know about you? I am a Federal Aviation Administration (FAA) certificated Private Pilot, Unmanned Aerial Systems (UAS) Operator, and an Airframe & Powerplant (A&P) Technician.

Business Development

Gateway Executive Airpark Hangars Making Progress

Gateway Executive Airpark is a 183,000 sq. ft. state-of-the-art, full-service hangar complex currently under construction at the north end of Gateway Airport's airfield between Textron Aviation's Mesa Service Center

and Embraer's Executive Jet Service Center. This exciting private development project includes both multi-tenant and single tenant hangars sized to accommodate larger jets, multiple smaller aircraft, and helicopters.

Hangar A is almost complete and will soon be available for lease. Virgin Galactic has committed to lease Hangars B and C once they are constructed later in 2023.

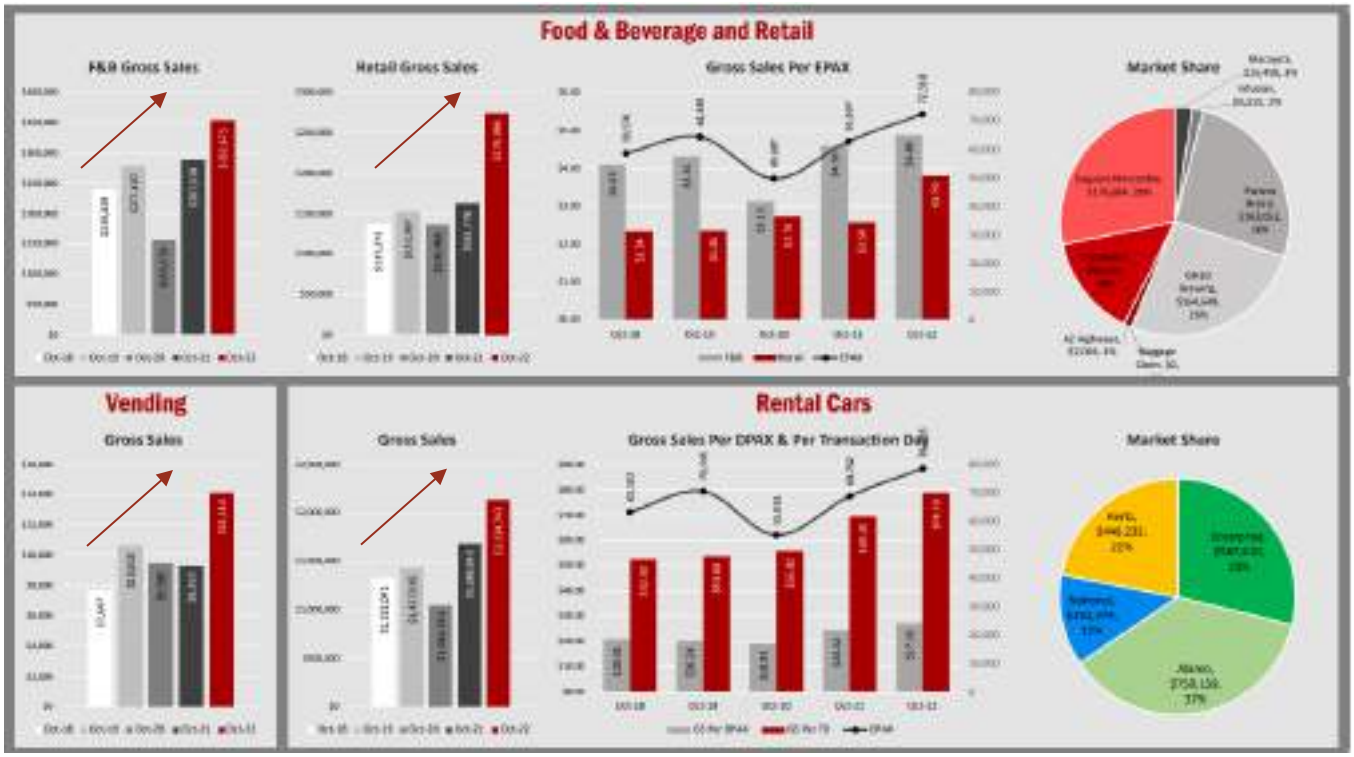
Gulfstream Goes Vertical with New West Coast Service Center

Exterior Walls Being Erected at New Gulfstream Facility

There's nothing more exciting at an airport than when a major construction project finally "goes vertical." It's the time when the lease has been approved, the design process completed, and the necessary permits have been issued…It's time to build!

If you've travelled recently on the Loop 202, SR24, or Ellsworth Road near Gateway Airport, you can't miss the large concrete walls rising up on the east side of the airfield. Gulfstream Aerospace Corporation has begun construction of its new 225,000 SF West Coast Service Center. The $100MM+ project will take approximately one year to complete, with an anticipated opening date in the fall of 2023.

Terminal Concessions Continue Strong Performance



Community Noise Report

Military	3	5	7	12
Total	18	18	48	48

LOCATION	October		FYTD	
	2021	2022	FY22	FY23
Mesa	4	6	13	24
Gilbert	12	10	29	20
Gold Canyon	0	0	0	0
Queen Creek	1	1	3	2
Queen Valley	1	0	2	1
San Tan Valley	0	0	0	0
Apache Junction	0	1	1	1
Chandler	0	0	0	0
TOTAL	18	18	48	48

PMGAA received communication from 18 individuals regarding aircraft noise issues during October 2022, the same number of inquiries PMGAA received last October. The relatively low number of noise calls this month is due to cooler weather keeping windows closed at night and in the morning when Airport activity is fairly robust.

Gateway Aviation Services

PMGAA pumped more than 1.47MM gallons of aviation fuel during the month of October 2022, a 1% decrease from the amount of fuel dispensed during October 2021. Commercial fuel sales were down 12% for October and 19% FYTD, a reflection of Allegiant's schedule reduction due to a pilot shortage.

FUEL (Gallons)	October			FYTD		
	2021	2022	% Change	FY22	FY23	% Change

DHS Extends REAL ID Enforcement Deadline Until May 7, 2025

The Department of Homeland Security (DHS) has announced its intent to extend the REAL ID full enforcement date by 24 months, from May 3, 2023 to May 7, 2025. Under the new regulations published to execute this change, states will now have additional time to ensure their residents have driver's licenses and identification cards that meet the security standards established by the REAL ID Act.

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | November 15, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, November 15, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix *(via audioconference until 9:38 a.m.*)
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community*
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa*
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney
Tony Bianchi, Planning Project Manager

1. **Call to Order** at 9:03 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $587,301.
   - Record setting passenger activity in September! Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 114,515 in September, a 22% increase in passengers compared to September 2021. Gateway Airport also welcomes the return of Sun Country Airlines, Swoop, WestJet and Flair for a very busy and successful winter season.
   - Gulfstream has been leasing a 50,000 SF hangar at the Airport since the beginning of 2022 while their new 225,000 SF West Coast Service Center is constructed. The City of Mesa is providing landside infrastructure for wet and dry utilities and PMGAA is providing airside infrastructure improvements for access to the airfield. Vertical construction on the West Coast Service Center began on November 12th.
   - Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships. The spaceships will be transported to New Mexico for their launch activities.

DRAFT

- Construction is underway on SkyBridge Arizona's new 129-room hotel and associated roadway infrastructure. They also recently received approval from the City of Mesa for two 250,000 SF industrial buildings and construction will begin after the first of the year. Construction of taxilane Sierra is expected to begin in early 2023 as well.
- Gateway***East*** is a 300-acre, mixed use non-aeronautical master development opportunity located on the east side of the Airport. The Boyer Company is working with the City of Mesa and the Authority on zoning and design standards for Phase I of the project.
- The new Macayo's Mexican Food/Infusion Coffee & Tea Crafters concession in the terminal opened on October 22nd.
- May 3, 2023 is the Travel ID/Real ID deadline. The Authority is campaigning to encourage passengers to get their Real ID compliant driver's license in advance of the new deadline.
- A 6,000 SF temporary terminal facility is being constructed to serve as three-gates during construction of a new 30,000 SF five-gate terminal addition. Once the terminal addition is complete, the temporary sprung structure facility will be disassembled and reassembled for reuse, possibly as a U.S. Customs and Border Protection FIS facility.
- Construction of an enclosed pedestrian walkway will allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint by approximately 30% and will keep passengers in a climate-controlled environment from ticketing through security screening.
- Gateway Airport is continuing its expansion of the Alpha Apron. Phase IV is an additional 250,000 SF of concrete to increase parking for larger and heavier aircraft. Alpha Apron Phase III was completed just before the wildfire season this year and was used by the U.S. Forest Service.
- Center Runway Reconstruction began on October 3rd and is anticipated to be complete by April 2023. The runway will be closed while the reconstruction takes place. The Airport has two other 10,000-foot runways and will maintain normal operations during the entire project. Funding for this project utilizes a combination of FAA entitlement, discretionary and Bipartisan Infrastructure Law (BIL) grants.
- Improvements to the Rental Car Return Lot are complete. This project used Customer Facility Charge (CFC) funds to re-design traffic flow, expand capacity, and add new office facilities. Shade structures are on back-order and will be erected for customer convenience. The Rental Car Care Facility, where all rental vehicles are maintained, washed, and vacuumed will undergo updates as well. This project will start in the spring of 2023 and will take approximately nine to twelve months to complete.
- A new and improved parking lot revenue control system will be fully operational in all public parking lots at the Airport in time for the busy Thanksgiving holiday. This new system replaces the old token system previously used by PMGAA.
- PMGAA is constructing two taxiway connectors for Gulfstream Aerospace Corp. Gulfstream and the Authority are sharing the cost of the project. Anticipated completion of this project is February 2023, well in advance of Gulfstream needing to connect their new facility to the airfield.

6. **Presentation: Gateway Tomorrow Planning Study –** Tony Bianchi, Planning Project Manager

- Gateway Tomorrow is a planning initiative designed to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. The goal of this project is to develop a vision that will provide guidance to PMGAA and its stakeholders in the future decision-making process for the relocation of the passenger terminal and support facilities from the west side of the Airport to the east side. The project is not intended to lead into an immediate design and construction project.

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **October 18, 2022.**

   b) **Resolution No. 22-69 –** Authorizing a contract with **Fluoresco Services, LLC, (Fluoresco)** for design, fabrication, and installation of signs.

   c) **Resolution No. 22-70 –** Approving an agreement with **TranSystems Corporation**, for Construction Administration Services, for the Rental Car Care Facility Improvements Project, in an amount not to exceed $197,440 under CIP 1242.

   d) **Resolution No. 22-71 –** Authorizing an agreement with **Mead & Hunt, Inc. (Mead & Hunt),** for Planning Study Services for the Eastside Terminal Analysis - Gateway Tomorrow Project, in an amount not to exceed $399,964, under CIP 1253.

   e) **Resolution No. 22-72 –** Authorizing the purchase of two vehicles from **San Tan Auto Partners, LLC dba San Tan Ford (San Tan Ford)**, in an amount not to exceed $77,658.34.

   f) **Resolution No. 22-73 –** Authorizing the purchase of one Dual Electric GPU from **ITW GSE, Inc. (ITW GSE)** in an amount not to exceed $151,496.28.

Vice Mayor Jeff Brown moved to approve the Consent Agenda.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

Consideration and Possible Approval of:

8. **Resolution No. 22-74** Adopting the revised **Airport Rates and Charges** schedule with an effective date of January 1, 2023.

Mayor Chip Wilson moved to approve Resolution No. 22-74.
Vice Mayor Jeff Brown seconded the motion.

The roll call vote determined there was no longer a quorum. Therefore, Resolution 22-74 will be placed on the consent agenda for the December 20, 2022 PMGAA Board meeting.

9. **Board Member Comments/Announcements.**
   None.

10. **Next Meeting: Tuesday, December 20, 2022** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

11. **Adjournment.**
    The meeting adjourned at 9:40 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 22-74

To: **Board of Directors**
From: **Chuck Odom, Chief Financial Officer**
Through: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject: **Airport Rates and Charges- Recommended Revision Effective January 1, 2023**
Date: **December 20, 2022**

Proposed Motion
To adopt the revised PMGAA Board Approved Airport Rates and Charges schedule with an effective date of January 1, 2023.

Narrative
Airport staff is recommending the below changes to the current PMGAA Board Approved Airport Rates & Charges schedule.

1) **Aircraft Landing Fee -** Signatory Commercial Carriers – rate increase from $1.32 to $1.36 per 1,000 lbs. maximum gross landing weight (MGLW).
2) **Aircraft Landing Fee -** Non-Signatory Commercial Carriers, General Aviation, and other eligible aircraft - rate increase from $1.98 to $2.04 per 1,000 lbs. MGLW.

As current standard, landing fee exemptions will continue to be the following:

- U.S. government owned aircraft
- Non-revenue and flight training aircraft up to 12,500 MGLW
- All based flight training aircraft.

3) Pending approval, the Terminal Daily Parking Lot maximum rate will increase from $11 to $13 and the Ray Road Economy Parking Lot (uncovered) maximum daily rate will increase from $7 to $9. These parking rates have not increased since 7/1/2015. There have been several parking lot improvements since then. Most recently, new parking lot equipment with up-to-date technology to include contactless payment options, and ticket stock instead of tokens. PMGAA also added a cell phone lot, a terminal employee parking lot, and expanded the Ray Road Economy Parking Lot.

4) The current Lost Token Fee of $250 will be updated to read Lost Ticket Fee.

5) Fire Suppression Services, Airport Fuel Licenses & Permits, U.S. Customs and Border Protection, and Gateway Aviation Services sections will be removed from PMGAA Board Approved Airport Rates and Charges and moved to PMGAA Executive Director Approved Airport Fees, Services and Rental Rates. This change will better align operational related items on the same document and group airline, passenger, and terminal related items on the PMGAA Board Approved Airport Rates and Charges.

Fiscal Impact

By increasing the Landing Fees 3%, an additional $53,000 will be generated over the next year.

By increasing the Terminal Daily Parking Lot rate by $2.00, an additional $111,000 per year will be generated. The $2.00 increase to the Ray Road Economy Parking Lot (uncovered) rate will generate an additional $262,000.

Proposed changes to PMGAA Board Approved Airport Rates & Charges

RESOLUTION NO. 22-74

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to adopt the revised Airport Rates and Charges schedule with an effective date of January 1, 2023;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby adopts the revised Airport Rates and Charges schedule with an effective date of January 1, 2023. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 20th day of December, 2022.

Board Action Item

Re: Resolution 22-75

To:	**Board of Directors**
From:	**Shea Joachim, CEcD, Business Development Director**
Through:	**J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Allegiant Air Carrier Operating Agreement**
Date:	**December 20, 2022**

Proposed Motion

To approve a one-year Air Carrier Operating Agreement with Allegiant Air, LLC.

Narrative

Allegiant Air, LLC ("Allegiant"), a wholly-owned subsidiary of Allegiant Travel Company, currently provides commercial passenger transportation services to more than 50 domestic destinations at Phoenix-Mesa Gateway Airport ("Airport"). Allegiant's operation at the Airport is governed and guided by an Air Carrier Operating Agreement that specifies exclusive, preferential, and non-exclusive rights to facilities and infrastructure; as well as establishes associated operating costs.

This new one-year agreement accomplishes several important goals:

- Maintains and promotes a low-cost operating structure for Allegiant at the Airport
- Allocates facilities for Allegiant's preferential use
- Encourages and rewards future growth at the Airport by Allegiant through a defined incentive and non-airline revenue sharing program
- Preserves and enhances an operating environment at the Airport that provides Allegiant unparalleled efficiency and convenience

Fiscal Impact

The Airport receives revenue from Allegiant through facility leases; aircraft landing and parking fees; terminal and terminal equipment use fees; and fuel storage/upload fees. The Airport also receives revenue from Allegiant's customers for vehicle parking and other ground transportation services; food/beverage/retail purchases; Passenger Facility Charges (PFC); Customer Facility Charges (CFC); and Federal Aviation Administration (FAA) Airport Improvement Program (AIP) Entitlement Grants.

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
AIR CARRIER OPERATING AGREEMENT

This Air Carrier Operating Agreement (the "Agreement") is executed to be effective the 1st day of January 2023 (the "Effective Date") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY** ("PMGAA"), a joint powers airport authority authorized under the laws of the State of Arizona ("PMGAA"), and **ALLEGIANT AIR, LLC** ("CARRIER"). PMGAA and CARRIER may be referred to collectively as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

B. PMGAA has the right to enter into Agreement, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

C. CARRIER provides commercial airline services, charters, flight crews, aircraft and desires to use the Airport facilities for commercial operations; and

D. CARRIER desires to obtain certain non-exclusive rights to use the common use areas of the passenger terminal, services and privileges in connection with the use of the Airport and its facilities, and PMGAA is willing to grant the same to CARRIER upon the terms and conditions hereinafter stated; and

E. The Parties agree to enter into this Agreement, specifying the rights and obligations of the Parties with respect to the operation of the Airport by PMGAA and the use and/or occupancy of the Airport by CARRIER;

NOW, THEREFORE, for good and valuable consideration, the mutual covenants and conditions herein set forth and the sufficiency of which is agreed to by the Parties, the Parties hereby agree as follows:

1. PERMITTED ACTIVITIES AND CONDITIONS OF AIRPORT USE.

1.1 CARRIER shall have the right to use, in common with others, the passenger terminal, taxiways, runways and air navigational aids of the Airport for the purpose of conducting its Federal Aviation Regulation (FAR) Part 121 scheduled domestic operations, public charter, private charter and the landing and taking off of aircraft incidental thereto, and provided, however, such activities and services are performed in strict accordance with applicable PMGAA Minimum Standards, upon terms and conditions as herein provided.

1.2 RESERVED.

1.3 CARRIER shall not engage in any other commercial or revenue producing activity at the Airport (excluding charter activities by CARRIER, and charter activities requested by PMGAA) without first applying for and receiving written approval for such activity from PMGAA. In the event any other commercial or revenue producing activity is engaged in by CARRIER prior to obtaining such approval, without waiver or limitation of any other remedies available to PMGAA at law or equity, CARRIER hereby agrees to remit to PMGAA the sum equal to TEN PERCENT (10%) of gross billings for such unauthorized activity, plus any expenses incurred by PMGAA in the course of any audit conducted for all of CARRIER's activities.

1.4 CARRIER shall at all times comply with all Federal, State and local laws, ordinances, rules and regulations which are applicable to its operations or the Premises itself (including but not limited to the Americans with Disabilities Act), including all laws, ordinances, rules and regulations adopted after the Effective Date. Carrier shall at all times comply with the PMGAA Rules and Regulations, as the same may be amended from time to time in the Authority's sole and absolute discretion.

2. TERM.

2.1 Subject to earlier termination as provided herein, the term of this Agreement shall be one (1) year, commencing on the Effective Date (the "Term").

2.2 Either Party may terminate this Agreement by providing the notified Party ninety (90) calendar days advance written notice of the terminating Party's intent to do so.

3. EXCLUSIVE, PREFERENTIAL, AND NONEXCLUSIVE RIGHTS.

CARRIER shall have the exclusive, preferential, and non-exclusive rights, as applicable, to occupy and use the designated areas of the Airport while in compliance with the terms and conditions of this Agreement. All rights granted to CARRIER under this Agreement are nonexclusive, except as otherwise expressly stated in this Agreement. PMGAA may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that PMGAA deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with CARRIER's use of the Airport.

3.1 CARRIER shall not schedule or advertise flight schedules originating from or destined for Phoenix-Mesa Gateway Airport without prior coordination with PMGAA and confirmation from PMGAA of terminal availability.

Pursuant to PMGAA's Common Use Facilities Operating Procedures (attached as **EXHIBIT C**), CARRIER shall submit a copy of CARRIER's proposed schedule to PMGAA no less than 60 days prior to the schedule effective date. Along with the schedule submission, CARRIER shall include the name and contact information of the individual responsible for setting CARRIER's schedule at the Airport.

3.2 PMGAA shall provide CARRIER with exclusive use of the Airport facilities identified in **EXHIBIT D**. CARRIER acknowledges that PMGAA has informed them that CARRIER's occupancy of the Line Shack will be disrupted during the Term to accommodate improvements to the passenger terminal. PMGAA shall provide replacement facilities to CARRIER that are reasonably similar in size and location.

3.3 PMGAA shall provide CARRIER with preferential use of five (5) boarding gates and twelve (12) ticketing positions. In addition, CARRIER shall have common use access to additional ticket counters, gate hold rooms, and the baggage claim area for scheduled flight operations, the scheduling of such use is subject to the guidelines outlined in PMGAA's Common Use Facilities Operating Procedures. Common use requirements shall be scheduled with PMGAA's Operations & Maintenance department prior to any planned use.

3.4 PMGAA has implemented Common Use Facilities Operating Procedures. PMGAA reserves the right to modify said procedures from time-to-time, as it deems necessary in its sole and absolute discretion and authority to accomplish its purposes. CARRIER shall at all times comply with these operating procedures.

3.5 PMGAA has implemented an Airport Security Program in a form acceptable to the Transportation Security Administration (TSA). PMGAA reserves the right to modify said program from time-to-time, as it deems necessary to accomplish its purposes. CARRIER shall at all times comply with the Airport Security Program and indemnify, defend, hold and save PMGAA, its board members,

member governments, officers, officials, employees, and agents free and harmless for, from, and against any violations of said Security Program caused, or alleged to be caused, by the acts, errors or omissions of CARRIER, its employees, agents, invitees or contractors.

4. RENTALS, FEES AND CHARGES

4.1 General. Rent for use of any exclusive use space is due and payable at the beginning of each month. All other fees are assessed at the time of each use, flight, or service, as applicable, and are due and payable no later than the twentieth (20th) day of the following month in which the use or activity occurred ("Fee Due Date"). CARRIER shall self-report its flight activity monthly to PMGAA pursuant to Section 5. Delinquent rents and fees shall be assessed a finance charge in accordance with Section 4.11.2. Any ground handling services requested of PMGAA or other authorized service provider by CARRIER shall be governed by a separate agreement. In any event, CARRIER shall be the responsible party for the purposes of this Air Carrier Operating Agreement, and therefore CARRIER shall pay, or cause to be paid, to PMGAA, the fees and charges as outlined below.

4.2 Landing Fees. CARRIER shall pay a landing fee at a rate equal to the amount reflected on the most current Airport Rates & Charges Schedule at the time of the aircraft operation, for each flight operated by or in conjunction with CARRIER that is subject to a landing fee. The weight used to determine the landing fee for any particular aircraft shall be its maximum certificated gross landing weight (MGLW), as certified by the Federal Aviation Administration (FAA).

4.3 Terminal Use Fees. Terminal Use includes ticket counter(s) and lobby area, secure hold room and boarding area podium, aircraft parking position, baggage claim area, and common use computer equipment per flight. CARRIER shall pay PMGAA a Terminal Use Fee in the amount reflected on the most current Airport Rates & Charges Schedule.

4.4 Common Use Set-up and Operating Fees. CARRIER shall pay PMGAA for common use terminal equipment, internet connection, and dark fiber per the most current Airport Rates & Charges Schedule.

4.5 Aircraft Parking Fees. CARRIER shall pay PMGAA a fee per the most recent Airport Rates & Charges Schedule for any aircraft occupying an aircraft parking position, including terminal gates and remote parking positions, for more than three hours. This fee shall be waived if the aircraft performed a revenue service operation the day prior or will perform a revenue service operation the day after being parked for more than three hours.

4.6 Passenger Facility Charges. CARRIER shall pay monthly to PMGAA, on or before the Twentieth (20th) day of each month (the "PFC Due Date"), a Passenger Facility Charges (PFC) in the amount of Four and 50/100 Dollars ($4.50) for each Enplaned Passenger departing the Airport on a CARRIER Revenue Flight during the previous calendar month. The collection of said fees by CARRIER shall be subject to the terms, conditions and methods of collection set forth in the Aviation Safety and Capacity Expansion Act of 1990, Section 9110, at it now exists or is modified hereafter (the "PFC Act") and 14 CFR 158.53.

4.7 Monthly Tie Down Fees. CARRIER shall pay Monthly Tie Down Fees per Airports Rates and Charges.

4.8 Fueling Fees. CARRIER shall execute a Fueling Service Agreement with PMGAA co-terminous with this Agreement.

4.9 Aircraft Ramp Space and Services. CARRIER shall pay PMGAA monthly for any aircraft line services, out-of-station Aircraft Rescue and Firefighting (ARFF) services, operations safety officers, ground service equipment use, fuel spill response teams and any other space or service requirements as specified in the Airport Rates & Charges Schedule or, if not so specified in that Schedule, as determined by PMGAA (collectively, "Additional Services").

4.10 Other Fees. Unless specified otherwise herein, CARRIER shall pay PMGAA for its usage or rental of PMGAA equipment and the performance of services by PMGAA within TEN (10) business days of CARRIER's receipt of an invoice (the "Invoice Due Date") for same from PMGAA. The amount of such fees shall be as provided by separate agreement between CARRIER and PMGAA, or, in the absence of such agreement, as specified in the most current Airport Rates and Charges Schedule or Airport Fees, Services & Rental Rates in effect when the charge or fee was incurred. Failure to remit payment by the Invoice Due Date may result in the suspension of further equipment rentals or services until payment is made to PMGAA in full.

4.11 Requirements. With regard to the fees and charges specified in this SECTION 4, the following conditions and considerations shall apply:

4.11.1 Airport Rates & Charges Schedule. The Airport Rates & Charges Schedule and Airport Fees, Services and Rental Rates referred to in this Agreement may be revised from time to time. CARRIER shall pay the most current fee(s) at the time of the event or service, as applicable, unless specifically outlined in this Agreement. The current Airport Rates & Charges Schedule and the Airport Fees, Services and Rental Rates are attached as **EXHIBIT A** and is subject to change without prior notice or approval of CARRIER.

4.11.2 Finance Charges and Late Fees. If CARRIER fails to pay any charge due and owing to PMGAA in full on or before Fee Due Date, Invoice Due Date or PFC Due Date, as applicable, CARRIER shall be responsible for interest on the unpaid fee or charge at the rate of EIGHTEEN PERCENT (18%) per annum from the applicable due date until payment in full is made. In addition, in the event any payment is received more than TEN (10) days after the applicable due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent amount shall be due and payable in addition thereto.

4.11.3 Books and Records. CARRIER shall maintain permanent books, records and ledgers accurately reflecting the total passengers, and total number of monthly aircraft landings for all aircraft subject to a landing fee indicating the make, type (including model designation), registration number, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records shall be made available to PMGAA upon request. PMGAA may audit the books, records and ledgers maintained by CARRIER in accordance with this SECTION 4. In the event an audit reveals a deficiency of TWO PERCENT (2%) or greater in the amount of payment made pursuant to this SECTION 4, CARRIER shall not only pay such deficiency but also the cost of any audit performed by PMGAA.

4.12 Airport Incentives. As an inducement for CARRIER to initiate additional airline services at the Airport, PMGAA is prepared to provide a comprehensive package of incentives that could include landing fee and terminal use fee waivers, specific route revenue guarantees, and non-airline revenue sharing for eligible new nonstop destinations, increased frequency to existing destinations identified as underserved by PMGAA, and total annual emplaned passenger activity. The PMGAA Air Service Incentive Program for CARRIER is attached as **EXHIBIT E**.

5. REPORTING REQUIREMENTS

5.1 CARRIER shall file with PMGAA written reports for the items specified below no later than the TENTH (10th) day of the calendar month following the month in which the specified activities occurred. Such reports shall cover all of CARRIER's Airport activities during said month, and include activity handled by CARRIER for other Air Transportation Companies not having an agreement with PMGAA providing for its own submission of activity data to PMGAA.

5.1.1 A complete listing of all of CARRIERS's actual aircraft landings at the Airport, including

aircraft type and MGLW; and a listing, by destinations, of the number of flights that qualify under applicable waiver agreements for any landing fee waivers;

5.1.2 A complete listing of CARRIER's Enplaned Passengers and Deplaned Passengers, specified by and including the type of aircraft;

5.1.3 A complete listing, by date and flight number, of CARRIER's commercial cargo loaded and off loaded.

5.2 PMGAA shall have the right to rely on said activity reports in determining rentals and other charges due hereunder; provided, however, CARRIER shall have full responsibility for the accuracy of said reports. Payment deficiencies due to incomplete or inaccurate activity reports shall be subject to interest charges as set forth in SECTION 4.11.2 herein.

5.3 CARRIER shall at all times maintain and keep books, ledgers, accounts or other records wherein are accurately kept all entries reflecting the activity statistics to be reported pursuant to SECTION 5. Such records shall be retained by CARRIER for a period of THREE (3) years subsequent to the activities reported therein, or such other retention period as set forth in 14 CFR Part 249.7, and made available at Mesa, Arizona for audit and/or examination by PMGAA or its duly authorized representative during all normal business hours. CARRIER shall produce such books and records at Mesa, Arizona within THIRTY (30) calendar days of PMGAA's notice to do so or pay all reasonable expenses, including but not limited to, transportation, food, lodging and other related expenses, necessary for an auditor selected by PMGAA to audit said books and records.

5.4 The cost of audit, with the exception of the aforementioned expenses, shall be borne by PMGAA; provided, however, the total cost of said audit shall be borne by CARRIER if either or both of the following conditions exist:

5.4.1 The audit reveals an underpayment of more than TWO PERCENT (2%) of rentals, fees and charges due hereunder, as determined by said audit; and/or

5.4.2 CARRIER has failed to maintain true and complete books, records, accounts and supportive source documents in accordance with SECTION 5.

5.5 All payments due and payable hereunder shall be paid in lawful money of the United States of America, without set off, by check made payable to the Phoenix-Mesa Gateway Airport Authority and delivered to:

Phoenix-Mesa Gateway Airport Authority
Attn.: Accounts Receivable
5835 S. Sossaman Road
Mesa, Arizona 85212-0614

6. INSURANCE

6.1 General. Carrier shall procure and maintain the following types and amounts of insurance for its operations at the Airport throughout the Term of this Agreement and any extension thereto:

Aircraft Liability insurance covering third party bodily injury and property damage, and passenger and contractual liabilities which shall protect and indemnify PMGAA from any and all claims arising in connection with aircraft movement on the Airport in amounts as are customarily carried by a carrier of like kind and size, but in no event less than $250,000,000.00 per occurrence. Such insurance shall also insure against third party liabilities arising from War Risk perils.

Airport Premises Liability insurance third party bodily injury and property damage, including coverage for "premises/operations," "products and completed operations," "host liquor" and

"blanket contractual" liabilities in an amount not less than $250,000,000.00 per occurrence.

Comprehensive Automobile Liability insurance for all owned, non-owned and hired vehicles operated airside on the Airport that are assigned to or used in the performance of commercial activities in the amount of $25,000,000.00 per occurrence or combined single limit. If any hazardous materials are transported in conjunction with Carrier's business operations at or on the Airport, an MSC 90 endorsement shall be required in addition thereto.

Workers' Compensation insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000.

6.2 Additional Insurance. At any time during the Term of this Agreement, including any extension thereto, PMGAA may, in its reasonable determination decide that the insurance coverage required by this SECTION 6 is no longer adequate, require CARRIER to increase its coverage to commercially reasonable amounts.

6.3 Blanket Insurance. CARRIER's insurance obligations under this Agreement may be satisfied by means of the general corporate "blanket" policies carried by it and evidenced by the insurance carrier's standard certificates thereof.

6.3.1 Use of Proceeds. Proceeds of any liability and property damage insurance required under this SECTION 6 shall be applied toward extinguishing, satisfying or remedying the liability, loss or damage with respect to which such proceeds may be paid.

6.4 Indemnity. To the fullest extent permitted by law CARRIER (as "indemnitor") shall indemnify, defend, hold and save PMGAA, its board members, and its member governments, officers, officials, employees, and agents (as "indemnitee") free and harmless of, for, from and against any and all Losses caused in whole or in part by (a) any act or omission of CARRIER (including indemnitor's officers, officials, agents, employees, contractors or invitees), (b) CARRIER's operations at the Airport, (c) CARRIER's violations of said Security Program caused, or alleged to be caused, by the acts, errors or omissions of CARRIER, its employees, agents, invitees or contractors, or (d) any default by CARRIER hereunder. This indemnification shall exclude responsibility for any consequential damages and for claims to the extent arising by reason of the negligent or wrongful act of PMGAA or its employees, contractors or agents. For purposes hereof "Losses" shall mean any and all losses, liabilities, judgments, suits, claims, damages, fines, penalties, costs and expenses (including reasonable attorneys and consultant fees, investigation costs, monitoring costs, remediation costs, and court costs), of any kind or nature." In carrying out the defense of any claim subject to its indemnification obligations hereunder, CARRIER shall use counsel reasonably acceptable to PMGAA.

6.5 Insurance Form. Each insurance policy obtained pursuant to this SECTION 6, except for Workers' Compensation and Employer Liability policies, shall: (i) name PMGAA as a certificate holder or an additional insured to the extent of Operator's contractual indemnity obligations; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to PMGAA not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in the case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of PMGAA. Operator shall not permit any insurance policy to be canceled or modified without PMGAA's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A - VII or higher from the A.M. Best Company, or an equivalent rating approved by PMGAA.

7. DISABLED OR ABANDONED AIRCRAFT.

7.1 Removal of Disabled Aircraft. Should any aircraft owned or operated by CARRIER, through accident or for any other reason, become disabled or be abandoned in any area which could

interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, CARRIER shall, at CARRIER'S sole cost and expense:

7.1.1 Immediately remove said aircraft to such location as may be designated by PMGAA, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

7.1.2 In the event of any accident where federal investigation in place is required, immediately upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by PMGAA.

7.2 Failure to Remove Disabled Aircraft. Should CARRIER fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by CARRIER be abandoned on the Airport, PMGAA shall have the right to remove such aircraft by any means PMGAA deems necessary under the circumstances, and CARRIER shall, to the fullest extent permitted by law, indemnify, defend, keep and hold PMGAA, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by PMGAA or claimed by anyone by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. CARRIER shall reimburse PMGAA for any costs incurred by PMGAA in removing and storing any aircraft, at PMGAA's sole discretion, and as provided herein in performing authorized maintenance on its aircraft on the Airport.

7.3 Sound and Noise Suppression. CARRIER shall comply fully with Airport Rules & Regulations and Minimum Standards when performing high-speed engine test operations at the Airport, if any, and SECTION 10.3 to mitigate excessive ambient sound and/or noise that may be generated incident thereto and that have or may have an adverse effect on other Airport tenant operations and the surrounding community. CARRIER acknowledges and agrees that the Airport Rules & Regulation for such test operations may change from time to time at PMGAA's sole and absolute discretion. CARRIER also agrees that any costs associated with compliance with Airport Rules & Regulations for sound or noise suppression or mitigation shall be borne solely by CARRIER.

8. ENVIRONMENTAL COMPLIANCE.

CARRIER shall at all times during the existence of this Agreement promptly observe and comply with applicable Federal, State, and local laws, regulations, rules and standards concerning the environment (collectively, the "Environmental Laws"). CARRIER shall be responsible for collecting, storing, recycling and/or disposing of its hazardous or toxic waste, if any, in compliance with the Environmental Laws governing the storage and disposal of hazardous or toxic waste. CARRIER shall ensure its employees and agents are aware that domestic drains, storm drains, or industrial waste drains shall not be used to dispose of gasoline, hydraulic fluid, solvents, concentrated cleaning agents or any other hazardous or toxic materials. Where so required, PMGAA may act on behalf of CARRIER, as and if appropriate, to dispose of CARRIER's waste, sign manifests on behalf of CARRIER and assign such disposal to CARRIER's EPA identification (ID) number. CARRIER shall repay PMGAA the costs and fees for doing so within TEN (10) days of demand therefor. CARRIER shall, to the fullest extent permitted by law, indemnify, defend and hold PMGAA, its members, board of directors, officers, agents, officials, employees, and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense including, but not limited to, the costs of suit and reasonable attorneys' fees and expenses of any nature whatsoever arising out of or related to CARRIER's failure to comply with the Environmental Laws.

9. TAXES AND RELATED IMPOSITIONS.

In the event any governmental authority shall impose a tax or imposition based upon this Agreement, upon

CARRIER or its aircraft, or upon payments to be made hereunder, CARRIER shall pay such amounts either to PMGAA or the appropriate governmental authority on or before any delinquency date. Specifically, CARRIER shall be responsible for any transaction privilege, sales, excise or other similar tax except income taxes as a result of this Agreement. CARRIER shall also pay all licensing or permitting fees necessary or required by law for the conduct of its aeronautical operations hereunder, or any other matters hereunder. CARRIER shall be responsible for any property interests created hereunder, which may constitute or be deemed to be a possessory interest for purposes of taxation.

10. RULES, REGULATIONS AND MINIMUM STANDARDS.

10.1 CARRIER shall at all times comply with all federal, State and local laws and ordinances, rules and regulations, which are applicable to its operations, or the operation, management, maintenance, or administration of the Airport, including but not limited to the Americans with Disabilities Act, and all laws, ordinances, rules and regulations adopted after the Effective Date. CARRIER shall at all times comply with all Airport Rules and Regulations, and Minimum Standards established by PMGAA regarding operation and maintenance of the Airport, copies of which are attached as **EXHIBIT B** and are incorporated herein. CARRIER will be responsible for controlling and preventing disruptive pedestrian and vehicle traffic, if any, associated with its activities on the Airport. CARRIER also shall display or provide copies to PMGAA of any permits, licenses, or other evidence of compliance with laws upon request.

10.2 PMGAA shall operate the Airport in compliance with all applicable Federal state and local laws, ordinances, rules and regulations, and shall enforce the Airport Rules and Regulations established by it to ensure the effective and orderly operation of the Airport, and to prevent any disruption caused by CARRIER's operations at and on the Airport.

10.3 CARRIER acknowledges receipt of and agrees to abide by PMGAA's *Fly Friendly* noise abatement procedures and will provide such information to flight crews and/or students, post the information in CARRIER's flight planning area, and use the procedures to the extent possible when consistent with safety and air traffic control directives.

11. DEFAULT: TERMINATION BY PMGAA

11.1 General Grounds. PMGAA may terminate this Agreement upon the occurrence of any of the following events:

11.1.1 Failure of CARRIER to perform any of its obligations under this Agreement, or any other contract, license or agreement between the Parties, which failure shall not be cured within FIVE (5) business days after delivery by PMGAA **to** CARRIER of a written notice of such failure.

11.1.2 The filing of any lien against the Airport because of any act or omission of CARRIER which is not discharged within FIVE (5) business days of receipt of actual notice of such lien by CARRIER.

CARRIER may terminate this Agreement upon the occurrence of any of the following events:

11.1.3 Failure of PMGAA to perform any of its obligations under this Agreement, or any other contract, license or agreement between the Parties, which failure shall not be cured within FIVE (5) business days after delivery by CARRIER **to** PMGAA of a written notice of such failure.

11.1.4 The filing of any lien against CARRIER because of any act or omission of PMGAA which is not discharged within FIVE (5) business days of receipt of actual notice of such lien by PMGAA.

11.2 Failure to Pay Fees. PMGAA may declare CARRIER in default of this Agreement by giving CARRIER FIVE (5) business day's written notice of CARRIER's failure to timely pay any fees or payments due pursuant to this Agreement. If CARRIER fails to cure such payment default within said FIVE (5) business day period, PMGAA may, in its sole discretion, elect to do any one or more than one of the following:

11.2.1 Institute action(s) to enforce this Agreement; or

11.2.2 Terminate this Agreement automatically without further notice to CARRIER; or

11.2.3 Exercise any other remedy allowed by law or equity.

11.3 Failure to Provide Insurance. In the event CARRIER at any time fails to maintain all insurance coverage required by this Agreement, PMGAA shall have the right, upon written notice to CARRIER, **to** immediately terminate this Agreement or secure the required insurance at CARRIER's expense.

11.4 No Waiver by PMGAA. No waiver by PMGAA of any default by CARRIER in the performance of its obligations under this Agreement shall be deemed to be a waiver of any subsequent default by CARRIER in the performance of any such obligations.

12. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern this Agreement and the matters set forth therein, without regard to its conflict of law principles. Venue of any action brought under this Agreement shall, at the option of PMGAA, lie in Maricopa County, Arizona. In the event of any litigation or arbitration between PMGAA and CARRIER arising under this Agreement, the successful party shall be entitled to recover its attorney's fees, expert witness fees and other costs incurred in connection with such litigation or arbitration.

13. NONWAIVER.

PMGAA's right to revoke this Agreement shall be absolute. Any election by PMGAA to not enforce any provision of this Agreement, or any failure by PMGAA to exercise any of the remedies allowed PMGAA under this Agreement, shall not operate as a waiver by PMGAA of any of its right hereunder.

14. ASSIGNMENT.

CARRIER shall not assign or transfer any right or interest in this Agreement.

15. OTHER RESTRICTIONS.

CARRIER shall comply with all rules, laws, ordinances, and statues of any governmental authority having jurisdiction over the Airport or the matters provided in this Agreement.

16. AIRPORT SECURITY.

PMGAA maintains an approved Airport Security Plan (the "Security Plan") pursuant to 49 CFR Parts 1540 and 1542. CARRIER shall at all times comply with the Security Plan and the written and verbal directives issued by PMGAA supporting the Security Plan.

16.1 CARRIER shall immediately correct physical or procedural deficiencies which are contrary to the Security Plan, security directives, security bulletins, or verbal notifications existing now or in the future. CARRIER is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards of the Security Plan.

16.2 CARRIER shall, to the fullest extent permitted by law, indemnify, defend, and hold PMGAA

harmless for, from, and against any violations of the Security Plan committed by any agents, employees, invitees, subcontractors, or independent contractors of CARRIER.

16.3 CARRIER shall conduct and document all self-audits and self-inspections as required by the TSA or PMGAA and make such audits available for inspection.

16.4 CARRIER shall designate a primary security coordinator to receive security -related briefings, bulletins, and sensitive security information ("SSI").

16.5 PMGAA reserves the right to modify the Security Plan from time-to-time, as necessary, or as directed by the TSA.

17. AIRPORT SECURITY BADGE

17.1 Carrier employees/contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by PMGAA, TSA, or other entities having jurisdiction at PMGAA.

17.2 CARRIER and employees/contractors shall comply with all security-related audits, inspection, and screenings conducted by PMGAA.

17.3 CARRIER will immediately notify PMGAA and promptly return badges to the Airport Badging Office when badge holders terminate employment, the badge is no longer needed, or the employee/contractor is on extended leave.

17.4 Misuse of a badge or security procedures will bring about punitive action including suspension or revocation of one or all badges.

18. NOTICE.

18.1 All notices required or permitted under this Agreement shall not be deemed effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO PMGAA:	Phoenix-Mesa Gateway Airport Authority Attn.: Business Development Department 5835 S. Sossaman Road Mesa, Arizona 85212-0614
TO CARRIER:	Allegiant Air, LLC Attn: Director of Airports 1201 N. Town Center Drive Las Vegas, NV 89144

18.2 Notices shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this SECTION.

19. PRIOR AGREEMENTS AND PERMITS.

Upon execution hereof, this Agreement shall supersede and cancel any prior air carrier operating agreements between PMGAA and CARRIER with respect to the business activities governed hereby. CARRIER shall not construe PMGAA's execution of this Agreement as a waiver of any prior indebtedness or obligation to PMGAA under any prior agreement or license, nor does PMGAA waive any claim or cause of action arising therefrom.

20. CORPORATE AUTHORIZATION.

In executing this Agreement, CARRIER represents and warrants to PMGAA that if CARRIER is a corporation, CARRIER has obtained and been granted the full right, power and authority to enter into this Agreement.

21. MISCELLANEOUS.

21.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Agreement because of any breach thereof or because of its execution or attempted execution.

21.2 No Waiver. No provision of this Agreement may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

21.3 Non-Waiver of Rights. No waiver or default by PMGAA of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by CARRIER shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by CARRIER, and PMGAA shall not be restricted from later enforcing any of the terms and conditions of this Agreement.

21.4 Amendment. Only a written instrument executed by the Parties may amend this Agreement.

21.5 Invalid Provisions. Should any provision of this Agreement or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

21.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Agreement or any term thereof.

21.7 Entire Agreement. This Agreement, including **EXHIBITS** attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

22. INCORPORATION OF RECITALS.

The recitals set forth above are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Agreement to be effective on the Effective Date specified above.

EXHIBIT D

Airport Facilities Designated for Exclusive Use*:

Space	Amount of SF	Rent per SF
Ticketing Terminal – Suite 207	675 SF	$36.00 / SF / Year **
Line Shack (building 1355)	678 SF	$18.00 / SF / Year **
Ticketing Terminal – Suite 201	116 SF	$36.00 / SF / Year **

* PMGAA has all of the building maintenance & utility (water, electricity, etc.) responsibilities for space designated for CARRIER's exclusive use.

** The rent per SF does not include any applicable taxes. The applicable taxes will be charged in addition to the rent.

EXHIBIT E

Incentives to Increase Air Service:

1) PMGAA's approved Air Service Incentive Program (Effective January 1, 2017) is provided below:

https://www.gatewayairport.com/Documents/DocumentLibrary/Board%20Policies/Air%20Service%20Incentive%20Program_16-58.pdf?Uniqueifier=byRBuEnjFo

2) During the Term of this Agreement, if CARRIER maintains its Signatory Carrier status and pursuant to Part D of the Air Service Incentive Program, PMGAA agrees to share non-Airline revenue (parking fees, rental car fees, food and beverage concessions, and retail concessions) with CARRIER as outlined below:

Fiscal Year EPAX Thresholds	**Increase in Fiscal Year EPAX Above 800,000 Threshold**	**Percentage of Incremental Non-Airline Revenue Shared for Incremental Increase in EPAX Above Threshold**
0 – 800,000	Not Applicable	0.0%
800,001 – 850,000	50,000 (800,001 – 850,000)	15.0%
850,001 – 900,000	50,000 (800,001 – 850,000) 50,000 (850,001 – 900,000)	15.0% 17.5%

Board Action Item

Re: Resolution 22-76

To: Board of Directors
From: Margi EvanSon, Operations & Maintenance Director
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Unarmed Security Services
Date: December 20, 2022

Proposed Motion
To authorize services with Universal Protection Service, LP dba Allied Universal Security Services (Allied) to provide unarmed security guard services annually. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Standard security guard - regular time	60	$27.44
Standard security guard - overtime	10	$41.16

Description	Est. Annual Hours	Billable Rate
Standard security guard - holiday time	120	$41.16

Narrative
Phoenix-Mesa Gateway Airport Authority maintains facilities hosting commercial airline passengers. Passenger activity is increasing, with over 1.5 million passengers using the terminal in FY22. A primary function of the Operations and Maintenance Department is to ensure secure facilities and maintain regulatory compliance. An essential part of that plan is maintaining a visible presence at the Passenger Terminal and enhance the safety and security for our traveling customers.

Authorization to provide unarmed security guard services supplements coverage and support at the Passenger Terminal. Responsibilities include, but are not limited to, terminal curbside patrol and terminal traffic control, enhancing PMGAA's security posture, and supplementing a Just Plane Easy customer experience.

PMGAA and Allied are both participants of the Strategic Alliance for Volume Expenditures (S.A.V.E.). Under S.A.V.E., Allied was awarded Contract #2021073 for private security guard services, and it is through this competitive selection that PMGAA will utilize Allied for private security guard services. This contract is available upon request.

Fiscal Impact
This expenditure is included in the FY23 operating budget and is funded under OPM Contractual Services.

RESOLUTION NO. 22-76

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize services with Universal Protection Service, LP dba Allied Universal Security Services (Allied) to provide unarmed security guard services annually. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Standard security guard - regular time	60	$27.44
Standard security guard - overtime	10	$41.16
Description	Est. Annual Hours	Billable Rate
Standard security guard - holiday time	120	$41.16;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

The Board of Directors of the Authority hereby authorizes services with Universal Protection Service, LP dba Allied Universal Security Services (Allied) to provide unarmed security guard services annually. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	**Est. Weekly Hours**	**Billable Rate**
Standard security guard - regular time	60	$27.44
Standard security guard - overtime	10	$41.16
Description	**Est. Annual Hours**	**Billable Rate**
Standard security guard - holiday time	120	$41.16 **.**

This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.

Passed and adopted by the Authority this 20th day of December, 2022.

Board Action Item

Re: Resolution 22-77

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Airport Janitorial Contract**
Date:	**December 20, 2022**

Proposed Motion

To authorize a contract with Flagship Airport Services, Inc. (Flagship) for janitorial services at a fixed management fee, in an amount of $617,336.60 beginning January 1, 2023, for three years with two (2) one-year renewal options in amounts of $218,247.23 and $224,794.65 respectively each year. This amount does not include labor, which is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and will be adjusted on an annual basis:

Supervisors:	**$25.41**
Janitors:	**$21.40**
Porters:	**$20.86**
Floor Technicians:	**$22.98**

Narrative

Janitorial services are provided by Flagship under a current contract with PMGAA. In order to address the current labor market shortages, PMGAA was required to resolicit these services under a new RFP.

Authorization of the contract will provide janitorial cleaning services in the Terminal and Airport campus buildings to maintain a clean, sanitary, and safe environment in a cost-effective manner. The janitorial service will provide a high level of customer service in a timely and professional manner using industry standards for janitorial cleaning services.

Request for Proposals 2023-015-RFP for janitorial services for the Airport was issued on October 4, 2022 and advertised in the Arizona Business Gazette on October 6, 13, 20 and 27, 2022. In addition, the solicitation was posted on Arizona Airports Association, Southwest American Association of Airport Executives, Airports Council International North America and the Airport's website. It was also emailed to a list of 27 prospective respondents. The Airport received two proposals, one was deemed nonresponsive for not including required information.

The evaluation panel believes Flagship has demonstrated the ability to perform the scope of work, when staffed appropriately. They also believe that the proposed wage increase should provide Flagship with the ability to hire and retain staff at the appropriate level. To ensure the market conditions exist, PMGAA staff will periodically audit payroll records of Flagship.

Fiscal Impact

The first 6 months of Year 1 is budgeted in the FY23 OPM Operating Budget. The remaining operating costs will be budgeted in the appropriate fiscal year.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230134** ("Contract") and the attached exhibits. Flagship Airport Services, Inc., a California S-Corporation ("Contractor"), with its principal offices located at 405 S. Kimball Avenue, Southlake, Texas, 76092, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Contractor is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Contractor to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Contractor agree as follows.

SECTION I – CONTRACTOR SERVICES

The services to be performed by Contractor are specified in this Contract. PMGAA will not pay Contractor for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Contractor under this Contract shall generally include, but not be limited to, the following: Janitorial Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Operations and Maintenance Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Contractor under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Contractor makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Contractor, at no cost to Contractor, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Contractor of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Contractor.

B. In PMGAA's discretion and upon Contractor's reasonable request, access to staff for consultation with Contractor during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Contractor's deliverables. PMGAA will advise Contractor concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Contractor shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on January 1, 2023 and ends on December 31, 2025 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended

period. All fees for the optional renewal terms are provided for in **EXHIBIT A**, "Scope of Services & Fee Schedule.". Any extension of this Contract shall require an amendment signed by both parties.

Contractor shall commence its services within seven (7) days of the written authorization by PMGAA. Contractor shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Contractor itself shall provide all services to be performed under this Contract. If Sub-Contractors are required by Contractor to perform any services listed under this contract, Contractor shall notify PMGAA prior to authorizing work by said Sub-Contractors. PMGAA may, at its sole discretion, accept or reject proposed Sub-Contractors.

SECTION V - PAYMENTS TO THE CONTRACTOR

Contractor will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT C**, "Compensation."

All services to be rendered by Contractor are subject to the terms of **EXHIBIT C**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Contractor, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

If PMGAA requests a change, addition, or reduction in the Scope of Services, Contractor shall provide PMGAA a detail of all equipment costs, labor costs, and other pertinent costs associated with the change. For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Contractor.

No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Contractor has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Contractor will be allowed by PMGAA, except as provided herein, nor shall Contractor do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Contractor without advance, written authorization will be at Contractor's own risk, cost, and expense. Without written authorization, Contractor shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Contractor hereby assigns all right, title and interests to such documents to PMGAA. Contractor shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Contractor's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Contractor. PMGAA may reuse or modify the documents, as it deems necessary, without Contractor's prior written authorization. PMGAA shall indemnify and hold harmless Contractor, its officers, directors, employees and sub-contractors (collectively, the "Contractor") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Contractor under this Contract unless Contractor authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Contractor shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Contractor's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Contractor and any sub-contractors employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Contractor's work shall in no way relieve Contractor of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Contractor warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Contractor's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Contractor shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Contractor shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Contractor shall submit monthly invoices for services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Contractor's studies, reports, proposals, and other related documents and render any decisions required by Contractor in a timely manner. Notwithstanding these reviews, Contractor remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Contractor's work or Contractor's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Contractor arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT E**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Contractor shall include a similar dispute resolution provision in all contracts with other contractors and Contractors retained for the Project and shall require all other independent contractors and Contractors to include a similar dispute resolution provision in all contracts with subcontractors, sub-contractors, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONTRACTOR

To the fullest extent permitted by law, Contractor shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Contractor relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Contractor's services apply to Contractor's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Contractor may encounter a known or unknown archaeological site located at the Airport. If Contractor encounters what it believes to be an archaeological site, Contractor shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $5,000,000 per occurrence, $5,000,000 General Aggregate.
   ii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Contractor has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $5,000,000 Combined Single limit per accident for bodily injury and property damage.
   iii. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Contractor maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Contractor waives any right to subrogation. Contractor shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Contractor's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Contractor's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Contractor's insurance and will not contribute with it.
   iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Contractor to provide proof of

ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Contractor shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

TO PMGAA: Phoenix-Mesa Gateway Airport Authority
Attn: Operations and Maintenance Director
5835 South Sossaman Road
Mesa, Arizona 85212

TO CONTRACTOR: Flagship Airport Services, Inc.
Attn: Jim Mikacich
405 S. Kimball Avenue
Southlake, TX 76092

or to such other person(s) or address(es) as any such Party may designate from time to time by notice to the other Parties in accordance with this Section.

SECTION XXI LOST AND FOUND ITEMS

The Contractor must call the Airport Operations Center immediately at 480-988-7570 to report unattended or found items. Contractor employees must remain with the found items until appropriate Airport Operations staff responds to take custody of the items.

SECTION XXII ITEMS REQUIRING REPAIR

Contractor's employees shall report daily, through the Supervisor, all conditions requiring attention of PMGAA, such as broken fixtures, broken dispensers, leaking pipes, defective equipment, etc. Unusual conditions shall also be reported to PMGAA staff, such as unlocked doors, non-routine occupancy, etc.

SECTION XXIII STORAGE AREAS

PMGAA, at its sole discretion, may provide storage area(s) to be used by Contractor for storage of materials and equipment. The Contractor shall keep such storage places neat, clean, and sanitary. Contractor shall not utilize storage areas for non-operating equipment, expired or unusable materials or supplies.

SECTION XXIV LIQUIDATED DAMAGES

For the purposes of this section, "employee" shall mean the same as "worker" or "subcontractor".

A. PMGAA reserves the right, at its sole and absolute discretion, to temporarily suspend, deny or permanently revoke Contractor's operating privileges under this Contract in the event of extended failure to meet the requirements of this Contract or failure to correct deficiencies in performance.

In addition to any other remedy available to PMGAA at law or in equity, the Contractor will be liable for and must pay to PMGAA the amounts listed below for each violation by the Contractor. The parties further agree that the amounts are reasonable and approximate the actual or anticipated loss to PMGAA at the time and making of this Contract in the event that the Contractor commits a breach. The parties acknowledge and agree to the fixed amounts set forth below because of the difficulty of proving PMGAA's actual damages in the event that the Contractor commits a breach. PMGAA may impose liquidated damages as follows:

Insufficient employees to staff minimum weekly staff hours.	$200 per every 8 hours short
Recurring deficiencies of the same nature that exceeds three (3) instances in any 90-day period.	$500 per violation
Failure to meet response times stated in this Contract for: emergency calls; bio fluid and spill clean-up; and unsatisfactory cleaning performance.	$250 per violation
Unsatisfactory cleaning performance.	$250 per violation
Failure to comply with Airport Security policies.	$500 per violation
Contractor employees not in uniform.	$150 per violation
Wastewater from cleaning equipment not filtered/strained prior to dumping into Airport sanitary system.	$100 per violation
Failure to keep coin operated tampon and sanitary napkin vending machines stocked.	$100 per violation
Failure to submit weekly staff payroll report as specified herein	$100 per violation
Failure to dispose of trash, garbage, refuse, or any other solid/liquid waste (to include biohazards) in an approved manner	$150 per violation
Possessing a deadly weapon as defined by Arizona law (A.R.S. § 13-3101(A)(1)).	$1,000 per violation

B. Prior to the imposition of liquidated damages, the Contractor will be notified in writing by PMGAA. PMGAA's notice will include a brief narrative apprising the Contractor of the time, place, and nature of the violation(s). The notice will set forth those facts substantiating the violation. The Contractor will be afforded an opportunity to respond, in writing, within twenty-four (24) hours from date and time of the notice.

C. The Contractor must agree to properly cure any default within three (3) business days from the date the notice of default is sent by PMGAA. If the unsatisfactory condition is not corrected within three (3) business days, then liquidated damages may be applied at the discretion of PMGAA.

D. All amounts owed by the Contractor are due and payable to PMGAA within thirty (30) calendar days after the notice of violation. The amount payable will be deducted from the Contractor's invoice on the next month's invoice statement.

E. The above list may be adjusted/added to/deleted to by PMGAA at any time with written notice to Contractor.

F. Contractor agrees all of the deficiencies listed in this section shall result in PMGAA incurring damages that are impractical or impossible to determine. Contractor agrees the monetary assessments set forth in this section are reasonable approximations of such damages. The parties intend that Contractor's payment of the Liquidated Damages amount would serve to compensate PMGAA for any breach by Contractor of its obligations under this section, and they do not intend for it to serve as punishment for any such breach by Contractor, but rather a reasonable measure of damages.

SECTION XXV SECURITY

For the purposes of this section, "employee" shall mean the same as "worker" or "subcontractor".

A. The Contractor acknowledges that the employees it provides pursuant to this Contract must be at Contractor's expense and subject to background and security checks and screening at the request of PMGAA. The Contractor must make the results of checks and screening available to PMGAA for all employees considered for performing work, including supervision and oversight, under this Contract. PMGAA may make further security inquiries and checks. PMGAA may, in its sole discretion, accept or reject any or all of the employees proposed by the Contractor for performing work under this Contract.

B. If Contractor's employee's background check is unsatisfactory, whether an initial or subsequent periodic background check, such employee shall not be permitted to work at or from PMGAA and such employee shall immediately deliver his/her SIDA identification badge to the PMGAA Badging Office.

C. Neither Contractor nor Contractor's staff shall permit any other individual to have access to secure areas of buildings, rooms, nor grounds as the same may be designated by PMGAA, without prior approval from PMGAA Management. Permitting or allowing unauthorized persons, such as friends, visitors, children or any other family members, access to such secure areas shall be cause for termination of the Contract.

D. The Contractor shall comply with the Airport's Security Plan, and actions directed by PMGAA to comply with security directives issued by the Transportation Security Administration, and any amendments hereto.

E. Contractor shall comply with and if necessary assist PMGAA with the Airport Emergency Plan as approved by the Federal Aviation Administration (FAA).

F. The Contractor acknowledges and agrees that the access control, badge, and key requirements in this Section are necessary to preserve and protect public health, safety, and welfare. Accordingly, the Contractor agrees to properly cure any default under this Section within three (3) business days from the date notice of default is sent by PMGAA.

Contractor's default under this Section shall include the following, all of which constitute a material breach of the Contract:

1. Contractor's employee gains access to an Airport facility without the proper badge or key;
2. Contractor's employee uses another person's badge or key to gain access to an Airport facility;
3. Contractor's employee commences services under this Contract without the proper badge, key, or Background Screening;
4. Contractor's employee or the Contractor submits false, incomplete, or misleading information or negligently submits incorrect information to PMGAA to obtain a badge, key, or applicable Background Screening; or
5. The Contractor fails to collect and timely return an employee's badge or key upon termination of the employee's employment, reassignment of the employee to another airport facility, or upon the expiration, cancellation, or termination of this Contract.

SECTION XXVI PAYROLL RECORDS

Contractor shall submit to PMGAA, on a weekly basis and in a format approved by PMGAA, a report delineating the following for the immediately preceding week:

A. Position title and associated staff

B. Number of hours of each staff member worked at PMGAA

Executed as of the Commencement Date.

CONTRACTOR
FLAGSHIP AIRPORT SERVICES, INC.,
a California S-Corporation

By: James M. Mikacich

Name: James M. Mikacich

Title: Executive Director/CEO

Date: _____

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Contractor and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

Contractor shall provide the labor, supervision, materials, equipment, cleaning supplies, and incidentals, except as provided for herein, for complete janitorial cleaning services required to maintain a clean, sanitary, and safe environment in the locations designated in Exhibits F and G and at the frequencies stated in Exhibit G. The Contractor must, at a minimum, meet the following standards in performing janitorial service.

CLEANING/MAINTENANCE:

1. **Day Porter Services – Airport Terminal Building Only**
   a. Day porter personnel will continuously monitor the Terminal Complex to identify needed custodial activities to maintain a clean and orderly facility.
   b. Staff shall utilize the *General Cleaning*, *Emptying Trash & Recycle Receptacles*, and *Restroom Maintenance tasks* as detailed in this Section Two, C, while on duty.
2. **Facility Porter – Airport Campus Buildings Only**
   a. Facility porter personnel will continuously monitor the Airport Campus Buildings to identify needed custodial activities to maintain clean and orderly facilities.
   b. Staff shall utilize the *General Cleaning*, *Emptying Trash & Recycle Receptacles*, and *Restroom Maintenance tasks* as detailed in this Section Two, C, while on duty.
   c. Position shall be on-site at PMGAA Campus Buildings Monday – Friday, 8:00 am to 5:00 pm
3. **General Cleaning**
   a. Dusting and/or wet washing/wiping
      i. All surfaces up to sixteen (16) must be dusted and/or wet washed/wiped to remove all dirt, debris, lint etc.
      ii. All sensitive and electronic surfaces shall be avoided.
   b. Brightwork (Stainless Steel, Chrome, Brass)
      i. All cleaned metal surfaces must be free from deposits or tarnish. These items must have a uniformly bright appearance, free from spots, smudges, and streaks. Cleaning agents must be removed from all adjacent surfaces.
   c. Cigarette Urns
      i. Each receptacle shall be emptied of all butts, ash, and other debris.
      ii. Urns shall be kept clean by washing or other means as necessary to keep them looking clean and as sanitary as reasonable.
   d. Curb areas, sidewalks, and courtyards
      i. Each area shall be swept and/or washed to remove dust, dirt, trash, and debris of all types.
   e. Floor Care
      i. Hard surfaces shall be swept
      ii. Carpet shall be vacuumed to remove all visible debris.
   f. Glass Cleaning
      i. Door glass, sidelights, glass display cases, partition glass & Plexiglas, information display monitors and mirrors shall be cleaned with the appropriate chemicals and in a manner that ensure the surface is free of streaks, film, deposits, and has a uniform surface.
   g. Sweeping
      i. All hard floors (indoor and outdoor) must be swept each night. This includes sweeping under all furniture, behind plants, machines, and waste receptacles.

h. Vacuuming
   i. Vacuum to remove all visible debris. Vacuuming must be completed at a frequency that protects the integrity of the carpet and prolong wear.

i. Carpet Spot Cleaning
   i. Proper spot cleaning techniques shall be utilized to maintain the appearance of the carpet.

4. Emptying Trash & Recycle Receptacles

a. Trash and Recycle receptacles must be emptied and spot cleaned as needed to maintain safe and sanitary conditions. Liners must be replaced at each emptying of the receptacle.

b. Periodically, all receptacles must be thoroughly cleaned, inside and out as needed with germicidal detergent.

5. Restroom Maintenance

a. Use a disinfectant cleaning solution to clean and wipe down the following surfaces every cleaning day. All surfaces shall be wiped dry. Cleaning cloths used for toilets and urinals shall not be used for any other purpose.
   i. Toilets (all surfaces and handles)
   ii. Urinals (all surfaces and handles)
   iii. Wash basins and counters
   iv. Divider and stall partitions
   v. Doors and kick plates
   vi. Light switches and switch covers
   vii. Handles, doorknobs, chrome fixtures
   viii. Dispensers and hand dryers
   ix. Sanitary napkin/tampon receptacles
   x. Trash receptacle exterior surfaces
   xi. Baby changing stations
   xii. Tile wainscot

b. Use appropriate chemicals, brushes, and pumice stone to remove stains, streaks, film, mildew and other deposits from toilet, urinal, wash basin and partition surfaces. This shall be done to continuously maintain a very clean appearance and a sanitary, odor-free condition. All surfaces shall be wiped dry to help avoid streaks and spotting from hard water deposits.

c. Empty trash receptacles and install new plastic liners.

d. Empty sanitary napkin/tampon receptacles and install new plastic liners.

e. Clean mirrors with glass cleaner until free of streaks and spots.

f. Sweep and wet mop all floors and baseboards with a solution of clean water and a disinfectant. 'Wet floor' signs are required while the floors dry. Rinse mops often and again after the job is complete. Mops shall be wrung out and hung in the air to dry between cleanings. Dirty or stinking mops are not permitted. Mops and buckets will be frequently inspected to determine their suitability for cleaning in restrooms and all other areas.

g. The Contractor shall maintain all new and existing dispensers for these products at a quantity level that will ensure facility users have a constant supply. The Contractor shall respond within 30 minutes to correct outages of any:
   i. Paper products
   ii. Lotion soap packaged to fit dispensers
   iii. Air freshener fillers
   iv. Sanitary napkins and tampons
   v. Urinal screens
   vi. Facial quality toilet tissue
   vii. Paper toilet seat covers
   viii. Paper towels to fit dispensers
   iv. Baby changing station liners

x. Foaming hand sanitizers
xi. Sanitary napkin and tampon disposal bags

6. Restock Supplies

a. Contractor shall be responsible for pick-up, check-out and transporting by means of a street legal vehicle, of bulk expendable supplies from the PMGAA warehouse to the subject facilities and restocking all dispensers of such supplies.

7. Floor Maintenance

a. General
   i. Unless noted otherwise, all floors shall be checked and maintained for cleanliness and appearance each day that basic cleaning tasks are scheduled to be performed.
b. Sweep & Mop/Scrub
   i. Remove all loose dirt, dust, debris, etc. by sweeping all hard surfaces
   ii. Wet mop or auto scrub the surface to remove all dust, dirt, liquids, debris, or other substances from all hard surfaces.
c. Hard floors – Concrete
   i. Burnish and Scrubbing
      a) Floors shall be burnished and scrubbed to sufficiently maintain maximum gloss.
         1) Scrubbing
            A. Floors shall be scrubbed daily.
            B. Terminal Floor Finish: Contractor shall follow manufacturer guidance for on-going maintenance for the Scotchgard™ Stone Floor Protection System. Contractor shall utilize Scotch-Brite™ Clean & Shine Pads and 3M™ Clean & Shine Daily Floor Enhancer, or PMGAA approved equal.
         2) Burnishing
            A. Floors shall be burnished at least once per week.
            B. Contractor shall follow manufacturer guidance for on-going maintenance for the Scotchgard™ Stone Floor Protection System.
   ii. Striping and Refinishing
      a) Follow manufacturer guidance for application, installation, and on-going maintenance of PMGAA's floor finishes.
         1) Terminal Floor Finish: Scotchgard™ Stone Floor Protection System
d. Hard floors – Linoleum
   i. Burnishing and Scrubbing
      a) Floors shall be burnished and scrubbed per the manufacturer's recommendation to sufficiently maintain maximum gloss. Burnishing shall be completed at least once per week.
   ii. Striping and Refinishing
      a) Follow manufacturer guidance for application, installation, and on-going maintenance of PMGAA's floor finishes.
e. Hard floors – Tile
   i. Scrubbing
      a) Tile floors shall be scrubbed daily to ensure a uniformly clean surface free of any soiling. A tile specific floor cleaner shall be utilized to remove excessive soiling and ensure all grout maintains a uniformly clean appearance.
f. Carpet
   i. Extraction Cleaning shall be performed as follows:
      a) All loose dirt, sticky substances, trash, debris and other unwanted deposits shall be vacuumed from the carpet in preparation for carpet extraction cleaning.
      b) The carpet shall be inspected for stains, gum, and other discolorations before the extraction

cleaning begins and shall be pre-treated to aid in the extraction process.

c) The carpets shall be cleaned utilizing hot water extraction equipment that shall meet the requirements of the Carpet and Rug Institute's "Seal of Approval" Testing Program for deep-cleaning extractors. Cleaning chemicals, approved by the equipment and carpet manufacturer shall always be utilized. The chemical cleaning solution shall be mixed at the weakest strength recommended to minimize foaming and residue problems.

d) The extraction procedure, once started, shall continue until 100 percent of the exposed carpet at that contract site is cleaned and until the solution being extracted appears to be clean and mostly clear, having a color close to that of clean water.

e) Only the minimum amount of water necessary for cleaning shall be used to ensure that the carpet can dry as rapidly as possible. When it is necessary to speed the drying of cleaned carpet areas, so that users may have access to areas without walking on wet carpet, the Contractor shall supply a sufficient number of carpet drying blowers so that carpet is dry before the building opens at regular hours. With this requirement in mind, carpeting shall not be cleaned late into the morning of a day the building will be open for business.

8. High Reach Cleaning

a. Dusting and/or wet washing/wiping of high-reach area items beyond 16' height requiring a mechanical lift shall be performed using appropriate hand tools and cleaning chemicals for the type of surface being dusted or washed.
b. No streaking or chemical residues shall be left on any surface.
c. The following high- reach/ceiling building surfaces shall be checked and dusted or wet washed/wiped to remove accumulated dust particles, dirt, debris, lint, cobwebs, grime, stains, smears, film or other deposits and residues:
   i. Fire alarms
   ii. Smoke detectors
   iii. Ceiling corners
   iv. Window ledges

9. HVAC Cleaning

a. Dusting and/or wet washing/wiping of HVAC Louvers and Registers shall be performed using appropriate hand tools and cleaning chemicals for the type of surface being dusted, vacuumed or washed to remove accumulated dust particles, dirt, debris, lint, cobwebs or other deposits and residues.
b. No streaking or chemical residues shall be left on any surface.

10. Pet Relief Areas – Airport Terminal Building Only

a. Empty pet waste container and restock the "FIDO" bags at each "FIDO Station"
b. Sanitize, wet wipe, and clean as applicable.

MANAGERIAL/SUPERVISORY RESPONSIBLITIES

1. On-site manager/supervisors will be responsible for operational decisions to meet the stated cleaning standards. Manager/Supervisors must ensure that all work is adequately performed, satisfies all required specifications, communicates potential problems, and identifies and reports all building maintenance issues as soon as possible to the Airport Operations Center (AOC) at (480) 988-7570.

   <u>On-site shall mean that manager/supervisors are at PMGAA at all times that work is being completed (all shifts).</u> All janitorial employees must receive close and continuing front-line supervision by Contractor.

2. The on-duty supervisor will be the primary person(s) in charge of self-inspection in compliance with the quality assurance program and shall ensure that:
   a. Contractor's employees wear the approved uniform.

b. Contractor's employees will not use or tamper with office machines, equipment, or PMGAA employee's personal property at any time.
c. Contractor's employees will not open desk drawers, cabinets, or refrigerators at any time with the exception that refrigerators may be opened when cleaned.
d. Contractor's employees will not use personal cell phones or other such personal electronic devices while performing janitorial duties except for emergencies or business related work.
e. Contractor's employees will be provided with communication devices and shall have such device on their person while performing work duties.
f. Sufficient staff and resources to complete janitorial scope of work are allocated to PMGAA. This includes the maintenance of an equipment program compliant with Section Two, C, Equipment and Supplies of this solicitation.
g. Hallway access doors, to secured areas, offices, office suites, or AOA gates, and trash enclosure gates, will, unless otherwise specified by PMGAA, be kept locked at all times, for security reasons, even when Contractor's employees are in these areas cleaning.
h. Assure that Contractor's staff does not bring guests, family members, children or others into secure or restricted areas.

STAFF APPEARANCE AND BEHAVIOR

1. Appearance

a. Contractor shall establish and enforce dress code policies as approved by PMGAA. All Contractor's personnel shall adhere to the following at all times while on duty at PMGAA:
b. Uniforms shall consist of a top with company logo and approved pants. If jackets or sweaters are worn, they shall coordinate with the uniform and clearly bear the company logo. Employees shall be in an approved uniform that is clean, neat, and free from tears, holes, frayed edges, and body odor. Open-toed shoes, shorts, and non-company logo hats are not acceptable. All uniforms shall be the same for all employees and must be different in both design and color, from those worn by PMGAA employees. Uniforms shall be approved by PMGAA.
c. Contractor's employees must always wear PMGAA issued ID badge/access card at all times during work hours, the same to be worn on the outermost garment and above the waist.
d. Staff shall be clean, well-groomed, and neatly dressed
e. Contractor's employees' hair and beards must be clean and neatly trimmed. Extreme hairstyles and colors are not appropriate. Excessive or offensive tattoos must be covered while working. Extreme piercings are not appropriate and must be covered while working.

2. Behavior

a. Contractor shall be responsible for the conduct, demeanor, and appearance of its employees while on or about PMGAA subject facilities and while acting in the course and scope of employment.
b. Contractor's employees are to be attentive, alert, and responsive to all customer issues, needs, comments, or complaints. At no time shall an Contractor's employee make a customer feel threatened, insecure, or ignored on and around the subject facilities. Issues should be reported to a Supervisor whenever an employee needs support and guidance.
c. Contractor's employees are prohibited from receiving and soliciting tips under any circumstances.
d. Contractor's employees shall not use profanity, engage in any loud, boisterous or otherwise offensive or disturbing behavior, nor display rudeness to any person at PMGAA.
e. The use, consumption, or storage of alcohol or controlled substances on PMGAA property is not allowed. Contractor's employees that appear to be under the influence of alcohol or drugs shall not be permitted into the subject facilities. Contractor shall have a written drug and alcohol testing policy in place for all staff assigned to PMGAA. Such plan shall be made available to PMGAA upon request.

f. Contractor's employees shall not open any desk, file drawer or cabinets.
g. Contractor's employees shall not use personal cell phones except in emergencies or work related business.
h. Contractor's employees shall not use PMGAA office equipment under any circumstances.

EQUIPMENT AND SUPPLIES

1. Unless otherwise noted, all supplies and equipment required to carry out the janitorial/cleaning operations within the scope of the Contract shall be provided by the Contractor and shall meet the standards of the Federal Occupational Safety and Health Act and the State of Arizona safety codes.
2. **Cleaning Equipment**
   a. Cleaning equipment utilized in the performance at the startup of this Contract must be either new or have been in service no more than 12 months and must currently be operating within manufacturer's specifications.
   b. All cleaning equipment must be replaced when equipment does not meet Original Equipment Manufacturer (OEM) performance standards. Equipment must be of the size and type customarily used in work of this nature, equipped with gel batteries and safeguards such as rollers or rubber bumpers to reduce potential damage to building surfaces, and visibly labeled with Contractor's company name and permanently identified with a unique number.
   c. Equipment that will not be placed back in service must not be stored onsite. All small tools, such as brooms and dustpans, must be replaced as needed so as to ensure maximum functionality and appearance. PMGAA will approve any equipment replacements or additions. An updated equipment list must be submitted to PMGAA. Contractor equipment, signs, carts, barrels, and tools used within the view of the public must be kept clean and free of accumulated dirt, grime, grease, stickers, tape, and markings. All identification labels, names or markings must be professionally designed and applied.
3. **Cleaning Equipment Requirements & Minimums**
   a. Contractor shall provide all required equipment to meet the requirements of the Scope of Work. At the terminal, the <u>Contractor shall provide separate sets of equipment for both the secure and non-secure portions of the facility.</u>
   b. Vacuums - Contractor must use commercial grade vacuums with HEPA filtration or equipment that meet these standards along with a bristle beater bar to be used exclusively in all carpeted areas. Backpack and canister vacuum cleaners must be allowed for hard to reach places. Vacuum cleaners must meet the requirements of the Carpet & Rug institute's "Green Label" Testing Program and operate at less than 70 dBA.
   c. Mobile Safety Barriers – Contractor shall provide at least five (5) extendable, mobile safety barriers to facilitate the closure/delineation of work areas when conducting activities such as floor or carpet maintenance.
   d. Carpet extraction equipment used for restorative deep cleaning must meet the requirements of the Carpet and Rug Institute's "Seal of Approval" Testing Program for deep-cleaning extractors.
   e. Powered floor maintenance equipment, including electric and battery- powered floor buffers and burnishers must be equipped with vacuums, guards and/or other devices for capturing fine particulates and operate with a sound level of less than 70 dBA.
   f. Propane-powered cleaning equipment may be utilized by the Contractor with the written approval of PMGAA and under the following conditions:
      i. Strict adherence to National Fire Protection Agency (NFPA) Standard for Storage and Handling of LP Gas
      ii. Employees shall be trained in the proper handling and operating procedures in accordance with NFPA standards
      iii. Proper emissions and safety guards shall be in place

iv. Propane powered cleaning equipment shall not be left unattended at any time
v. Propane cylinders shall be stored and secured offsite when not in use

4. Contractor must have a repair program in place for preventative maintenance and repair of broken equipment. Contractor must ensure that an appropriate number of machines are in working order each night to perform the cleaning tasks required. In the event that a piece of equipment has a down time of more than two (2) days, the Contractor must lease or rent equipment and inform PMGAA. Lack of equipment will not be accepted as a reason for services not to be performed.

5. Corded equipment shall not be plugged into charging station courtesy outlets in the public areas of PMGAA. Contractor's employees shall not connect multiple extension cords together (daisy-chain) when operating corded equipment. Contractor may be responsible for any damage incurred to electrical outlets and outlet covers caused by the improper disconnection of equipment. De-energized outlets must be reported to the Airport Operations Center immediately.

6. Contractor shall comply with OSHA Hazard Community Standards, 29 CFR 1910.1200. Contractor's staff must follow all aspects of the OSHA Right to Know Program on Hazardous Materials. Material Safety Data Sheets (MSDS) shall be made readily available to PMGAA.

7. Contractor shall submit a written list of all supplies with attached MSDS intended for use at/within the subject facilities. This list shall be submitted no later than one week prior to start of the Contract unless otherwise mutually agreed.

8. Adequate quantities and properly labeled supplies (minimum of two weeks inventory) must be on hand to perform janitorial/cleaning duties at all times. Within 10 days of contract effective date, Contractor shall have all staff trained and resources available to meet PMGAA Pandemic Plan responsibilities.

9. Consumable Supplies

a. Consumable supplies such as toilet tissue, paper towels, soap for dispensers, scented urinal screens, trash liners, hand sanitizer and bathroom air fresheners shall be furnished by PMGAA. The Contractor shall be responsible for transporting, by means of a street legal vehicle, bulk expendable supplies from PMGAA warehouse to the subject facilities and for servicing all dispensers of such supplies per the established cleaning schedule using PMGAA furnished supplies. The PMGAA Warehouse is located at 6263 S. Taxiway Circle, Mesa, AZ, 85212.

b. Expendable supplies shall be utilized exclusively for PMGAA locations and facilities.

c. The Contractor will be responsible for the inventory of expendable supplies in each subject facility and for restocking supplies as needed. Contractor shall accurately and promptly record the removal of supplies from the warehouse in the manner directed by PMGAA. Contractor shall immediately notify PMGAA personnel of a shortage of warehouse supplies, or other supply issues.

10. Radios

PMGAA shall supply Contractor with one (1) 800 MHZ radio for use by designated on-duty employees of Contractor. Each radio will be programmed by PMGAA to function on the PMGAA radio network. Radio may never leave Airport Property and shall be surrendered to PMGAA for inspection and program updates, or program removal without prior notice.

11. All equipment submitted in Contractor's proposal dated October 28, 2022, shall be in service beginning the effective date of the contact and continue in service for the duration of the Contract, notwithstanding any other provisions in this Contract.

RESPONSE TIME PLAN AND REQUIREMENTS

1. Contractor must monitor, answer, and respond to all handheld radio calls, cell phone calls, and other communication devices immediately.

a. **Call for Service:** Upon request of Airport Operations, or in an emergency, the Contractor shall respond to the requested location within 15 minutes of notification.

b. **Unsatisfactory Cleaning Performance:** The Contractor will have 24 hours from time of notification to correct unsatisfactory cleaning performance.
c. **Biological Clean-up**: Maintain training and equipment to clean up biological materials.

REPORTING

1. Contractor shall submit to PMGAA, on a weekly basis and in a format approved by PMGAA, a report delineating the following for the immediately preceding week:
   a. Position title and associated staff
   b. Number of hours each staff member worked at PMGAA

FEE SCHEDULE

Contactor agrees to pay all employees performing duties under this Contract the wages specified herein during the Base Term of this Contract and any extension thereof.

EXHIBIT B – STAFFING REQUIREMENTS

Contractor agrees to provide the following staffing, at a minimum, throughout the duration of the Contract. Any changes in staffing must be requested, in writing to PMGAA, at least sixty (60) days in advance and approved, in writing by PMGAA. PMGAA, in its sole discretion, may or may not approve of the staffing change request.

EXHIBIT C - COMPENSATION

All compensation for services rendered by Contractor shall be based upon criteria established below. All services must be billed through the Contractor.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Contractor's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule". Contractor's invoices shall detail employee positions and hours worked at PMGAA. The positions and hours worked shall match those submitted under Section XXVI, Payroll Records. PMGAA will only pay Contractor for actual hours worked at PMGAA by Contractor's employees, in addition to Contractor's Management Fee.

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Contractor the appropriate rate or fixed price amount for services rendered as described in the Contract only after Contractor has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Contractor shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Contractor's invoices must specify that Contractor has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Contractor Responsibilities for Compensation

Contractor shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Contractor's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Contractor has not performed the work in a satisfactory manner. If PMGAA withholds payment to Contractor, PMGAA shall promptly notify Contractor and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT D - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the Contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT D** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Contractor, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Contractor shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Contractor personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Contractor shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Contractor must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Contractor shall immediately notify the PMGAA Badging Office of any Contractor personnel whose employment status has changed.
vii. Contractor shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Contractor employee so certified by Contractor as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Contractor to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Contractor's own employees. Therefore, if Contractor is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT E** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Contractor shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Contractor and its sub-contractors/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Contractor shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Contractor and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Contractor shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Contractors working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Contractor is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Contractor, the performance of its work or services, or the safety of its employees. Contractor is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT E – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Contractor certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Contractor hereby certifies that the individual signing this Contract is an authorized agent for Contractor and has the authority to bind the Contractor to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Contractor to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Contractor has provided personnel that do not meet the requirements of the Contract.

      (2) Contractor has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Contractor has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Contractor has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Contractor has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Contractor fails to give PMGAA adequate assurance the Contractor will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Contractor regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives ninety (90) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with ninety (90) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Contractor nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Contractor, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Contractor shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Contractor shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Contractor shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Contractor shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Contractor, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Contractor or any agent or representative of Contractor, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Contractor the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Contractor shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by

the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Contractor under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Contractor. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Contractor.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Contractor shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Contractor damages PMGAA's property in any way, Contractor shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Contractor fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Contractor under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Contractor shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Contractor of its acceptance or rejection within forty-five (45) days or written request by Contractor. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. Contractor is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Contractor's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Contractor warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Contractor or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Contractor shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Contractor's acts, errors, omissions, or mistakes relating to Contractor's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Contractor shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Contractor's or any of Contractor's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Contractor to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Contractor's risk and may be returned to Contractor. If so returned, all costs are the responsibility of Contractor. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Contractor or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Contractor shall provide a formal release of all liens.

30. **Licenses.** Contractor shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Contractor as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Contractor shall at all times keep Contract performance areas, including storage areas used by the Contractor, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Contractor shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Contractor shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Contractor under this Contract.

34. **Records and Audit Rights.** Contractor's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Contractor and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Contractor's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Contractor and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Contractor under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Contractor and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Contractor or subcontractors reasonable advance notice of intended audits. Contractor shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Contractor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Contractor's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Contractor's and any of Contractor's subcontractor's employee who works on this Contract to ensure the Contractor is complying with this paragraph.

EXHIBIT F – OVERVIEW MAP OF FACILITIES

EXHIBIT G – MINIMUM CLEANING FREQUENCIES BY FACILITY

Contractor shall provide the services to meet the Scope at least to the minimum frequencies listed below for each facility listed.

Airport Terminal Facility

1. Charles L. Williams Terminal Complex (Airport Terminal Building)
   Approximate service square footage: 89,000 square feet

Service Tasks	Frequency
General Cleaning	Daily
Emptying Trash & Recycle Receptacles	Daily
Restock Supplies	Daily
Restroom Maintenance	Daily
Floor Tasks	**Frequency**
Sweep & Mop/Scrub	Daily
Hard Floor – Burnish	Weekly
Hard Floor – Refinishing	Twice Annually
Carpet – Extraction	Quarterly
Carpet – Spot Cleaning	As needed

EXHIBIT H – CONTRACTOR'S RFP SUBMITTAL

Contractor's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-015-RFP dated October 28, 2022, is hereby incorporated herein and made part of this Contract.

Phoenix-Mesa Gateway Airport Authority
5835 S Sossaman Road
Mesa, Arizona 85212-6014
www.gatewayairport.com

Board Action Item

Re: Resolution 22-78

To:	**Board of Directors**
From:	**Arturo Montoya, Information Technology Manager**
Through:	**Chuck Odom, Chief Financial Officer/CFO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Storage Area Network (SAN) system through CDW-G**
Date:	**December 20, 2022**

Proposed Motion
To authorize a purchase with CDW Government, Inc. (CDW-G) for a technology refresh of a Storage Area Network (SAN) system in an amount not to exceed $131,565.34.

Narrative
PMGAA ITS life cycle refresh program is based on technology best practices for every five years SAN system replacement. CDWG has worked with the manufacturer HPE to provide additional end of year discounts exceeding $73,000 if procured by the end of the calendar year.

The SAN system is critical to the organization for file management of all data requirements. Contracts, board action items, purchase orders, department process documentation, and many other file types are dependent on the SAN system.

The proposed system is the latest generation system of the currently implemented SAN system PMGAA is currently using.

Phoenix-Mesa Gateway Airport Authority (PMGAA) is a participant of the National IPA (NIPA) cooperative purchasing group. Under NIPA, CDW-G was awarded Information Technology Solutions and Services contract #2018011-01. It is through this cooperative purchasing agreement that PMGAA will utilize CDW-G for the SAN system. This contract is available upon request.

Fiscal Impact
This purchase was included in the FY23 Capital Improvement Projects and is funded under CIP 1225.

RESOLUTION NO. 22-78

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a purchase with CDW Government, Inc. (CDW-G) for a technology refresh of a Storage Area Network (SAN) system in an amount not to exceed $131,565.34;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a purchase with CDW Government, Inc. (CDW-G) for a technology refresh of a Storage Area Network (SAN) system in an amount not to exceed $131,565.34. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 20th day of December, 2022.

Monthly payment based on 36 month lease. Other terms and options are available. Contact your Account Manager for details. Payment quoted is subject to change.

Why finance?

• Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.

• Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.

• Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.

• Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term and choose to return or purchase the equipment at end of lease.

• Bundle Costs. You can combine hardware, software, and services into a single transaction and pay for your software licenses over time! We know your challenges and understand the need for flexibility.

General Terms and Conditions:

This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.

Board Action Item

Re: Resolution 22-79

To:	**Board of Directors**
From:	**Shea Joachim, CEcD, Business Development Director**
Through:	**J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Ground Transportation License Agreement Renewal with Turo, Inc.**
Date:	**December 20, 2022**

Proposed Motion
To approve the renewal of the Ground Transportation License Agreement between Turo, Inc. and Phoenix-Mesa Gateway Airport Authority.

Narrative
Turo, Inc. ("Turo") is the world's largest car sharing marketplace where customers can choose from a variety of privately owned vehicles to book and use for any occasion. The Airport has worked to include this new category in the ground transportation program to provide Airport customers with an additional ground transportation service. Turo and PMGAA entered into a Ground Transportation License Agreement on August 1st, 2022. The Ground Transportation License Agreement is set to expire on December 31, 2022, but it does include a one-year renewal option.

Program Performance
The platform which Turo provides at the Airport has proved to be both a popular and lucrative business opportunity. The Airport requires Turo to pay a fee equal to 10% of Licensee's Monthly Gross Revenue relating to all transactions occurring at the Airport.

Between August 1st, 2022, through October 31st, 2022, the Airport has realized $33,275.60 in revenue. Airport staff believes the revenue generated next calendar year from Turo activity will exceed $50,000.

Staff Recommendation
Staff recommends the Board approve the one-year renewal to the Ground Transportation License Agreement.

Phoenix-Mesa Gateway Airport Authority
TERMINAL GROUND TRANSPORTATION
LICENSE AGREEMENT

This non-exclusive TERMINAL GROUND TRANSPORTATION LICENSE AGREEMENT (the "Agreement") is made and entered into this FIRST (1st) day of AUGUST 2022 ("Effective Date"), by and between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("PMGAA"), and Turo, Inc. a DELAWARE CORPORATION ("Licensee"). PMGAA and Licensee may be referred to jointly as "Parties," and each separately as a "Party."

WITNESSETH:

WHEREAS, PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport, an airport and airfield property generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("Airport"); and

WHEREAS, PMGAA has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

WHEREAS, PMGAA desires Licensee's services as the operator of a commercial PEER-TO-PEER VEHICLE SHARING business from and in proximity to the Airport's airline passenger terminal ("Terminal"), is willing to make space available for use by Licensee in connection therewith, and has deemed Licensee qualified to perform said services, and Licensee desires to perform and provide said services.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise, and agree, each for itself and its successors and assigns, as follows:

1. AGREEMENT

1.1 General.

1.1.1 PMGAA hereby grants to Licensee, for the term and under the conditions herein provided, a non-exclusive and revocable right to enter upon and use the Airport (pursuant to the provisions of SECTION 30 herein) for the privilege and purpose of conducting its business as a commercial Peer-to-Peer Vehicle Sharing provider from the specified passenger pickup location depicted in **EXHIBIT A** which is attached hereto and made a part hereof.

1.1.2 In return for the privileges and rights herein granted, Licensee shall provide Peer-to-Peer Vehicle Sharing from the Airport seven (7) days per week, 365-days per year, and/or as dictated by airline flight schedule(s) and public demand for such services.

1.1.3 Licensee shall not engage in any other commercial revenue producing activity at the Airport that is in addition to or materially differs from the activity set forth in SECTIONS 1.1.1 and 1.1.2 hereinabove without first applying for and receiving written approval for such activity from PMGAA. In the event Licensee engages in any such other commercial revenue producing activity prior to obtaining such written approval, without waiver or limitation of any other remedies of PMGAA at law or equity, Licensee hereby agrees to immediately cease said activity upon notice from PMGAA, and remit to PMGAA the sum equal to twenty percent (20%) of Licensee's gross billings for such unauthorized activity, plus any expenses incurred by PMGAA in the course of any audit conducted for any or all of Licensee's activities.

1.2 Definitions. For purposes of this Agreement, the following terms and definitions shall be applicable herein:

Courtesy Vehicle means any form of ground transportation provided by or through any business located off the Airport, including hotels, parking facilities, rental car companies, corporations, shopping centers and attractions, as a service to its employees, customers, or other users, regardless of whether the passenger pays a direct fee for the service

Driver shall mean any person who drives and/or operates a ground transportation provider vehicle on the Airport pursuant to this Agreement.

Gross Revenue shall mean all monetary amounts received, delivered, and/or realized by Licensee (whether collected or not), without deduction or offset, whether by cash, credit or otherwise, related to Licensee's Hosts, and not including any Airport fines or citations issued by PMGAA as authorized and permitted by this Agreement, except: (i) any fee or other charge levied by federal, state, county or municipal government that is explicitly identified by the taxing authority as a tax levied on the customer and required by law to be separately stated and required to be collected; (ii) any fees or costs charged or deducted by third party credit card issuers, including but not limited to MasterCard and Visa; (iii) sums collected for damage, loss, conversion or abandonment of Licensee's Hosts personal property, vehicles or for disposal of Licensee's Hosts damaged vehicles, provided that Licensee Host retains documentation from a third party that establishes that the damage, loss, conversion, abandonment or disposal occurred and identifies the sums collected; (iv) any state road tolls and government issued fines or citations that are (a) paid by Licensee and charged back to the customer or (b) received by Licensee as payment on behalf of the customer; (v) any amounts received for any cancellation fees; and (vi.) any amounts received by Licensee from customers which are fully passed through to Hosts such as post-trip reimbursements, smoking fees, etc.

Ground Transportation Provider shall mean the PMGAA-authorized provision of pre-arranged and contracted ground transportation services to arriving Airport Terminal passengers from the designated passenger pickup location depicted in **EXHIBIT A** using a commercial ground transportation motor vehicle, as defined herein. Ground Transportation Providers shall also be permitted to make drop-offs at the Airport.

Limousine means a motor vehicle without a meter that includes a converted chassis and a seating capacity between seven (7) and fourteen (14) passengers, excluding the Driver.

Livery Vehicle or Livery means a motor vehicle without a meter that provides seating for not less than three (3) passengers, excluding the Driver. Such vehicles are considered to include Lincoln Town Cars and similar full-size luxury vehicles and are registered as a Livery Vehicle with the Arizona Department of Transportation.

Minibus means any motor vehicle with a designated seating capacity between fifteen (15) and twenty-three (23) passengers that is authorized to provide shared ride ground transportation services from the Airport Terminal.

Host means the registered vehicle owner, or a person or entity designated by the registered owner, of a vehicle that is made available for vehicle sharing to customers through Licensee's vehicle sharing program.

Peer-to-Peer Vehicle Sharing means an arms-length, remote, web-based, or mobile transaction where a vehicle owner allows a third party to use the owner's vehicle(s) for a fee. This includes, but is not limited to, reservations made through network applications or another platform that connects vehicle owners with Airport customers seeking to reserve the vehicle(s).

Pre-arranged means transportation for a passenger (or group of passengers) that is arranged in advance in a motor vehicle with seating capacity not exceeding fifteen (15) passengers including the driver (Courtesy/Livery/Sedan/Shared Ride Services shall all be encompassed into this category).

Safety Regulations means the provisions of A.R.S. Title 28, Chapter 14, as amended, and any applicable rules and regulations promulgated thereunder by the Motor Vehicle Division of the State of Arizona Department of Transportation and the PMGAA Executive Director or his/her designee.

Scheduled means a ground transportation motor vehicle picking up a passenger or passengers at the Airport Terminal on a pre-arranged, contract basis.

Shared Ride Services means the non-exclusive use of a ground transportation motor vehicle, either a van or minibus, by two or more unrelated passengers, being transported to separate, pre-determined destinations, or destinations agreed upon by the passenger(s) and Driver. This definition shall not include TNCs or TNC Vehicles.

Shared Ride Van (Shuttle) means any commercial motor vehicle with a designated seating capacity between six (6) and sixteen (16) passengers that is authorized to provide shared ride ground transportation services from the Airport Terminal. This definition shall not include TNC Vehicles.

Taxicab means a ground transportation motor vehicle with a designated seating capacity of seven (7) or fewer passengers, excluding the driver, having four doors for passenger ingress and egress, and furnished for hire on an exclusive basis and at a charge or fare based upon time and/or mileage, the total for which is recorded and indicated on a taxicab meter.

Taxicab Meter means any mechanical, electrical, or electronic device that is installed in a taxicab and conforms to the standards established by the State of Arizona, and otherwise measures the distance driven and/or time upon which the fare is based and numerically displays, in dollars and cents, such fare in a manner readily visible to the passenger(s) and at the fare or rate displayed on the outside of the vehicle.

Taxicab Queuing Area means that certain area, designated by the PMGAA Executive Director, for Licensee's passenger pickup, as depicted in **EXHIBIT A** and which is subject to change at the Executive Director's sole and absolute discretion.

Taxicab Staging Area means that certain area, designated by the PMGAA Executive Director, for the staging of Licensee's taxicabs prior to such taxicabs being dispatched to the Terminal Queuing Area for passenger pickups, as depicted in **EXHIBIT A** and which is subject to change at the Executive Director's sole and absolute discretion.

Transportation Network Company Motor Vehicle (TNC Vehicles) shall mean a motor vehicle with a seating capacity not exceeding eight (8) passenger(s), including the Driver, that is authorized by a transportation network company, and that is used by a transportation network Driver to provide transportation network services.

Transportation Network Company (TNC) shall mean an entity that has been issued a permit by the state of Arizona, that operates in the state of Arizona, that uses a digital network or software application to connect passenger(s) to transportation network services provided by transportation networks, and that may but is not deemed to own, operate, or control a personal motor vehicle of a transportation network Driver.

Unscheduled means a ground transportation motor vehicle picking up a passenger or passengers at the Airport on other than a prearranged basis.

1.3 Licensee's Acknowledgement. By entering into this Agreement, Licensee acknowledges and agrees that:

1.3.1 PMGAA may enter into similar agreements with other Licensees for services similar to those provided hereunder and under similar terms; provided, however, that PMGAA shall not grant to any other individual or entity a similar concession under terms and conditions substantially different from or more favorable than those granted to Licensee, and provided that such third-party activities do not require or materially interfere with Licensee's permitted activities at and on the Airport.

1.3.2 Its obligations to pay fees and all other charges due and owing under the terms hereof shall, except as otherwise provided herein, be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Licensee may have against PMGAA or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to Licensee's business; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Agreement or any lack of right, power or authority of PMGAA or Licensee to enter into this Agreement; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Licensee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all fees and charges being payable by Licensee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

a. Pre-Arranged Services; Curb area at the designated pre-arranged passenger pickup location is designated for multiple functions and is provided to Licensee on a space-available basis only. As a result of this limited space, Licensee's Drivers shall only be permitted to occupy such space for a maximum duration of thirty (30) minutes and only to satisfy a scheduled arriving passenger contract requirement. Pre-arranged Hosts arriving early may stage in the Airport designated cell phone lot until the scheduled arrival time or actual arrival. Under no circumstances shall any Licensee Driver be permitted to park within the designated passenger pickup location without a passenger contract commitment or solicit passengers therefrom or elsewhere within the Terminal area. At no time, shall any Driver be permitted to leave his or her vehicle unattended (meaning not out of said Driver's direct line of sight) while parked in the queuing area.

b. Limousine; In providing said services, Licensee's Drivers shall park in the Terminal's hourly (or short-term) lot; except, however, that Drivers of over-sized limousines shall be required to park in the Terminal Cell Phone Lot due to space and maneuvering area limitations in the hourly lot. Drivers parking within the Terminal's hourly (or short-term) lot shall pay the appropriate PMGAA fee. There is no charge for parking in the Terminal Cell Phone Lot. Licensee's Drivers, when parked within the Terminal's hourly (or short-term) lot, shall be permitted to enter the Terminal baggage claim area to meet and greet their customers. Alternatively, Drivers shall be permitted to greet their customer(s) curbside in proximity to the Terminal baggage claim area, but only after receiving notification the customer has arrived and is physically awaiting pickup. At no time, shall any Driver be permitted to leave his or her vehicle unattended (meaning not out of said Driver's direct line of sight) at any Terminal curbside passenger pickup and drop off location. At no time, shall any Driver wait for a passenger arrival while parked curbside, or in a "No Waiting" zone, even if the vehicle is attended. Curbside locations are restricted to passenger loading and unloading only.

c. Transportation Network Companies ("TNC"); in providing said services, Licensee's Drivers shall park in the designated staging area depicted in **EXHIBIT A.** Drivers parking within the Terminal's hourly (or short-term) lot shall pay the appropriate PMGAA fee. Licensee's Drivers shall be permitted to greet their customer(s) curbside at the designated pick-up location depicted in **EXHIBIT A**, but only after receiving notice via the TNC electronic application, that the customer has arrived and is physically waiting at the designated pickup curb line. At no time, shall any Driver be permitted to leave his or her vehicle unattended (meaning not out of said Driver's direct line of sight) at any Terminal curbside passenger pickup and drop off

location. At no time, shall any Driver wait for a passenger arrival while parked curbside, or in a "No Waiting" zone, even if the vehicle is attended. Curbside locations are restricted to passenger loading and unloading only.

d. Taxicab Companies; in providing said services, Licensee's Drivers shall queue in the designated curbside queuing area depicted in **EXHIBIT A** on a first come basis. If the queuing area is full, Drivers shall stage in the designated area depicted in **EXHIBIT A.** Drivers parking within the Terminal's hourly (or short-term) lot shall pay the appropriate PMGAA fee. Licensee's Drivers shall be permitted to greet their customer(s) curbside at the designated pick-up location depicted in **EXHIBIT A**. Except as provided in the *Airport Rules & Regulations*, no Driver, shall not be permitted to leave his or her vehicle unattended (meaning not out of said Driver's direct line of sight) at any Terminal curbside passenger pickup and drop off location. At no time, shall any Driver wait for a passenger arrival while parked curbside, or in a "No Waiting" zone, even if the vehicle is attended. Curbside locations are restricted to passenger loading and unloading only.

e. Peer-to-Peer Vehicle Sharing Companies; in providing said services, Licensee's Hosts shall stage in either the designated open Hourly, Daily, Economy Lots, or queue curbside in the designated Peer-To-Peer area depicted in **EXHIBIT A** on first come basis. If the designated curbside queuing area is full, Hosts shall only stage vehicle(s) in either the designated open Hourly, Daily, or Economy Parking Lot areas. Hosts arriving early may stage in the Airport designated cell phone lot until the scheduled arrival time or actual arrival. Under no circumstances shall any Host be permitted to park within the designated passenger pickup location without a passenger contract commitment or solicit passengers therefrom or elsewhere within the Terminal area. Hosts parking within the Terminal's open Hourly, Daily, or Economy Parking (or short-term) Lot shall pay the posted PMGAA fee. Licensee's Hosts shall be permitted to greet their customer(s) curbside at the designated pick-up location depicted in **EXHIBIT A**. Except as provided in the *Airport Rules & Regulations*, Hosts shall not be permitted to leave their vehicle unattended at any Terminal curbside passenger pick-up and drop-off location.

2. TERM

2.1 Initial Term. The initial term of this Agreement shall commence on the Effective Date and terminate on DECEMBER 31, 2022 ("Initial Term"), unless sooner terminated as provided herein.

2.2 Renewal Term. Provided Licensee is not then in default of this Agreement and Licensee provides THIRTY (30) calendar days prior written notice to PMGAA of its intent to enter into the Renewal Term (unless PMGAA has waived such notice in writing) this Agreement may continue on a year-to-year basis beginning the FIRST (1st) day of JANUARY (each additional year a "Renewal Term") provided.

2.3 This Agreement shall terminate upon: (i) the end of the Term, including any Amendments thereto; or (ii) earlier termination pursuant to the provisions of this Agreement.

3. FEES

Licensee to initial the appropriate fee option below:

3.1 _____ Annual Permit Fee for Pre-arranged Courtesy/Shuttle/Shared Ride Services

3.1.1 For and in consideration of the privilege and authorization herein granted, Licensee shall pay to PMGAA a non-refundable annual permit fee for each van and/or mini-bus registered in the amount of THREE HUNDRED TWENTY DOLLARS AND 00/100 ($320.00), plus any applicable City of Mesa taxes in advance on or before the Effective Date and each 12-month anniversary thereafter. The Annual License Fee is subject to increase at the discretion of PMGAA. Any vehicle placed in service for less than a full payment year

shall be assessed a portion of such fee, retroactive to the first day of the month in which the vehicle was placed in service. Only registered pre-arranged Shared Ride Services vehicles shall be permitted to operate from the Airport Terminal.

3.1.2 Licensee's refusal or failure to pay all Annual License Fees on or before the Effective Date (and on or before each 12-month anniversary of the Effective Date thereafter if the Term is extended as provided herein), shall be subject to a delinquent account fee equal to TEN PERCENT (10%) of the amount owed (the "Delinquent Account Fee"). Such refusal or failure to pay said annual permit fees, or any Delinquent Account Fees, if not cured within FIFTEEN (15) calendar days of written notice thereof from PMGAA, shall be considered a breach of this Agreement and subject Licensee's privileges hereunder to immediate suspension and/or termination.

3.2 _____ Annual Permit Fee for (Sedan/Limousine/Livery)

3.2.1 For and in consideration of the privilege and authorization herein granted, Licensee shall pay to PMGAA a non-refundable annual permit fee for each registered limousine and/or livery vehicle in the amount of TWO HUNDRED TWENTY DOLLARS AND 00/100 ($220.00), plus any applicable City of Mesa taxes in advance on or before the Effective Date and each 12-month anniversary thereafter. The Annual Fee is subject to increase at the discretion of PMGAA. Any vehicle placed in service for less than a full payment year shall be assessed a portion of such fee, retroactive to the first day of the month in which the vehicle was placed in service. Only registered pre-arranged sedan, limousines and/or livery vehicles shall be permitted to operate from the Airport Terminal.

3.2.2 Licensee's refusal or failure to pay all Annual License Fees on or before the Effective Date (and on or before each 12-month anniversary of the Effective Date thereafter if the Term is extended as provided herein), shall be subject to a delinquent account fee equal to TEN PERCENT (10%) of the amount owed (the "Delinquent Account Fee"). Such refusal or failure to pay said annual permit fees, or any Delinquent Account Fees, if not cured within FIFTEEN (15) calendar days of written notice thereof from PMGAA, shall be considered a breach of this Agreement and subject Licensee's privileges hereunder to immediate suspension and/or termination.

3.3 _____ Per Trip Fee with Airport approved GPS tracking/reporting application (TNC)

3.3.1 For and in consideration of the privilege and authorization herein granted, Licensee shall pay to PMGAA a trip fee for each ground transportation provider vehicle trip to the Airport in the amount of TWO DOLLARS AND 00/100 ($2.00), plus any applicable City of Mesa taxes. A trip is each time a ground transportation provider vehicle enters Airport property and makes one or more stops to pick-up one or more passengers or to drop off one or more passengers. Fees shall be paid on or before the TWENTIETH (20th) day following the last day of the preceding calendar month (the Trip Fee Due Date). Per Trip Fee is subject to increase at the discretion of PMGAA.

3.3.2 Licensee's refusal or failure to pay trip fees on or before the Trip Fee Due Date shall be subject to a delinquent account fee equal to TEN PERCENT (10%) of the amount owed (the "Delinquent Account Fee"). Such refusal or failure to pay said trip fees or any Delinquent Account Fees, if not cured within FIFTEEN (15) calendar days of written notice thereof from PMGAA, shall be considered a breach of this Agreement and subject Licensee's privileges hereunder to immediate suspension and/or termination.

3.4 _____ Per Pick-up fee (Taxicab Service)

3.4.1 For and in consideration of the privilege and authorization herein granted, Licensee shall pay to PMGAA a pick-up fee for each ground transportation provider vehicle pick-up to the Airport in the amount of FOUR DOLLARS AND 00/100 ($4.00), plus any applicable City of Mesa taxes. A pick-up is each time a ground transportation provider vehicle enters Airport property and makes one or more stops to pick up one or more passengers. Fees shall be paid on or before the TWENTIETH (20th) day following the last day of the preceding calendar month (the Per Pick-Up Fee Due Date). The Per Pick-Up Fee is subject to increase at the discretion of PMGAA.

3.4.2 Licensee's refusal or failure to pay pick-up fees on or before the Pick-up Fee Due Date shall be subject to a delinquent account fee equal to TEN PERCENT (10%) of the amount owed (the "Delinquent Account Fee"). Such refusal or failure to pay said pick-up fees or any Delinquent Account Fees, if not cured within FIFTEEN (15) calendar days of written notice thereof from PMGAA, shall be considered a breach of this Agreement and subject Licensee's privileges hereunder to immediate suspension and/or termination.

3.5 ✓ Monthly Percentage Fee (Peer-to-Peer Vehicle Sharing)

3.5.1 For and in consideration of the privilege and authorization herein granted, Licensee shall pay to PMGAA a fee equal to TEN PERCENT (10%) of Licensee's Gross Revenue relating to all transactions occurring at the Airport for the previous month. Fees shall be paid on or before the TWENTIETH (20th) day following the last day of the preceding calendar month (the Monthly Percentage Fee Due Date).

3.5.2 Licensee's refusal or failure to pay the Monthly Percentage fee on or before the Monthly Percentage Fee Due Date shall be subject to a delinquent account fee equal to TEN PERCENT (10%) of the amount owed (the "Delinquent Account Fee"). Such refusal or failure to pay said Monthly Percentage fee or any Delinquent Account Fees, if not cured within THIRTY (30) calendar days of written notice thereof from PMGAA, shall be considered a breach of this Agreement and subject Licensee's privileges hereunder to immediate suspension and/or termination.

3.6 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any payments or any other sums paid or owing hereunder or the receipt of such payments by PMGAA, then, Licensee shall pay such amounts to PMGAA at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax exempt income taxes. Licensee's obligation to pay such amounts together with any interest thereon and/or penalties, therefore, shall survive the termination of this Agreement.

3.7 Payments – All Fees. All payments of the fees and charges specified in SECTIONS 3.1, 3.2, 3.3, 3.4 and 3.5 herein shall be tendered in lawful currency of the United States, either by cash, check or electronic transfer, and shall be free from all claims or setoffs of any kind against PMGAA. Cash payments shall be delivered personally to the Phoenix-Mesa Gateway Airport Business Development Department, 5835 S. Sossaman Road, Mesa, Arizona 85212-6014, while payments by company check may be mailed and made payable to the Phoenix-Mesa Gateway Airport Authority at the above address. If paying via electronic transfer, Licensee shall provide the Business Development Department a written accounting (email acceptable) of what such transfer pertains to immediately upon remittance.

3.8 Survival. Licensee's obligation to pay all amounts herein stated, together with any interest thereon and/or penalties therefor, shall survive the termination of this Agreement.

4. PASSENGER TRANSACTIONS

4.1 Fares. Licensee shall ensure Drivers/Hosts furnish passengers a fare receipt (paper or electronic) and may, upon PMGAA request, be required to provide a copy (paper or electronic) of such receipt to PMGAA as a validation of the passenger fare/pricing schedule being employed. Such receipts shall state the name of the Driver/Host, the ground transportation company name, the amount of the fare, the amount paid by the passenger(s) (excluding tips) and the date and time of the transaction. Non-paying passengers (other than co-passengers of a paying passenger) shall not be permitted to ride in Licensee's vehicles, except for Licensee's supervisors and PMGAA officials conducting inspections and/or training.

4.2 **RESERVED**

4.3 Lost and Found Passenger Property.

4.3.1 Licensee shall make a reasonable attempt to recover, identify and return lost items to passengers. When not possible to return an item, Licensee shall:

a. Identify and tag the item, and note the date, route and trip number or location where the item was found, and the name of the person submitting the item.

b. Maintain a log of lost and found items.

4.4 The above SECTION 4.3.1 shall not apply to any Licensee that has established internal procedures for handling and returning lost items to passengers, and such procedures have been approved by PMGAA.

4.5 Licensee shall take measures to protect any personally identifying information on lost items, such as identification cards, credit cards, etc.

5. VEHICLE REQUIREMENTS See EXHIBIT B

6. STAFF AND DRIVERS

6.1 General. To the extent applicable under Arizona Revised Statutes (ARS) §41-4401, as amended, Licensee warrants compliance with all federal immigration laws and regulations that relate to Licensee's employees. Licensee's breach of the above-mentioned warranty shall be deemed a material breach of this Agreement and may result in its termination by PMGAA. PMGAA retains the legal right to randomly inspect the papers and records of any employee operating under this Agreement to ensure Licensee is complying with the above-mentioned warranty.

6.2 General Manager. Licensee shall designate a General Manager or managing supervisor during the Term of this Agreement who shall:

6.2.1 Serve as Licensee's primary contact for PMGAA staff.

6.2.2 Be responsible for Licensee's compliance with all contractual obligations under this Agreement.

6.2.3 Attend all Notice of Violation (NOV) hearings.

6.2.4 Be available during regular business hours (local Phoenix area time).

6.2.5 Respond to PMGAA inquiries within one (1) business day.

6.2.6 Provide response to PMGAA inquiries involving accidents, labor issues and other critical matters, within one (1) business day regardless of the time of day such an event occurs.

6.3 Hosts.

6.3.1 General. Licensee shall ensure that all Hosts operating under this Agreement operate pursuant to the terms of this Agreement, notwithstanding the legal relationship entered into by and between Licensee and the Host. Any material breach of the terms and conditions of this Agreement by any Host, the Licensee shall take the following actions:

a. First offense: Verbal warning to Host.

b. Second offense: Written warning to Host requiring Host to sign written acknowledgement agreeing to full compliance of rules.

c. Third offense: Host receives suspension from delivering vehicles to the Airport.

6.3.2 Licensee shall prevent any Host or designated person from conducting pick-ups and drop-offs at the Airport upon a determination by Licensee or PMGAA staff that the Host or designated person is unqualified for security reasons or is found to be otherwise unfit for the performance of duties. PMGAA may request the removal of any Host or designated person determined to be unqualified for service at the Airport, and Licensee shall bear full financial responsibility for costs when Host or designated person removal or replacement is necessary, as determined by the Executive Director.

6.3.3 Mobile Reservation. Host or designated person shall provide a mobile reservation upon request from a passenger, Airport Staff, or law enforcement officer that shall validate such Host's authorization to provide Peer to Peer Vehicle Sharing at the Airport.

6.3.4 Base Qualifications. By issuing a mobile reservation to a Host, Licensee certifies to PMGAA that such Host meets the following qualifications:

a. All Hosts or designated persons operating a vehicle hold a valid Driver's license.

b. Licensee has conducted its trust and safety screenings on all Hosts that will engage in Peer-to-Peer Vehicle Sharing at the Airport. If a Host is flagged for potential fraudulent or criminal activity, then Licensee's trust and safety team will perform a criminal background search and public records search and lock down the Host's account until the Host clears the background check.

c. All Hosts or designated person operating a vehicle at the Airport, in providing Peer to Peer Vehicle Sharing services under this Agreement, is compliant at their own expenses, with all applicable laws of the United States of America, the state of Arizona, the City and other local authorities, and lawful rules and regulations promulgated by their authority, including Federal Aviation Administration and Transportation Security Administration with reference to Airport security; and all applicable lawful rules, regulations and ordinances of the City now in force or thereafter prescribed and promulgated by authority of law, specifically including all fire codes and security regulations, and all Airport Rules and Regulations as they may be issued from time to time.

7. RULES AND REGULATIONS; SAFETY STANDARDS

7.1 Licensee shall at all times comply with all Federal, State and local laws, ordinances, rules, and regulations which are applicable to its operations at and on the Airport, or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Licensee shall at all times comply with the Airport Rules and Regulations, as applicable and as the same may be amended from time to time at PMGAA's sole and absolute discretion. A link to the Airport Rules and Regulations and Airport Minimum Standards is attached hereto as **EXHIBIT C**. Licensee also shall display to PMGAA any permits, licenses, or other evidence of compliance with laws upon request.

7.2 Licensee shall comply with all vehicle and Driver safety standards, as provided in A.R.S. Title 28, Chapter 14, and any applicable rules or regulations adopted by the Arizona Motor Vehicle Division and/or PMGAA during the Term of this Agreement.

8. [RESERVED]

9. ADVERTISING STANDARDS

9.1 Vehicles providing service under this Agreement shall not display any advertising copy that:

9.1.1 Is false, misleading, or deceptive.

9.1.2 Relates to an illegal activity.

9.1.3 Reflects explicit sexual or obscene material, or material harmful to minors, as defined in A.R.S. Title 13, Chapter 35, as amended.

9.1.4 Advertises alcohol, tobacco and/or anti-social behavior.

9.1.5 Includes language that is obscene, vulgar, profane, or scatological.

9.1.6 Relates to instruments, devices, items, products, or paraphernalia designed for use in connection with sexual activity.

9.2 Licensee shall comply with any PMGAA request to remove any advertising PMGAA deems to be inappropriate.

10. RECORDS AND AUDITING

10.1 Licensee Records.

10.1.1 With respect to its operations at and on the Airport, Licensee shall maintain true and accurate records, books and data at Licensee's primary business office, or upon PMGAA written request, shall be made available for audit at the Airport, within ten (10) calendar days after such request. PMGAA and its authorized representatives shall have the right, upon reasonable written request and no more than once per calendar year, at reasonable times and during business hours to inspect and examine solely those records, books and other data as required to verify compliance with this Agreement.

10.1.2 All records pertaining to this Agreement shall be kept for a period of three (3) years following the expiration or earlier termination of this Agreement. Licensee shall use either reasonable efforts to work towards maintaining such books and records in accordance with generally accepted accounting principles (GAAP), or shall actually maintain in accordance with GAAP, unless otherwise agreed to by the PMGAA.

10.2 Licensee Monthly Report. Licensee shall submit a monthly report that includes the information below. Said reports shall be provided to PMGAA's Business Development Department no later

than the twentieth (20th) day of the month following the month in which Licensee's activities under this Agreement took place.

10.2.1 Number of transactions at the Airport each day.
10.2.2 Total gross revenue for the month.

10.3 PMGAA Audit Authority. PMGAA or its authorized representatives shall have the right, upon reasonable written request and no more than once per calendar year, to audit solely those records of Licensee relating to billings and payments reported and paid hereunder, and any other activity by Licensee on the Airport during the twelve (12) consecutive month period preceding the date of such audit. If PMGAA finds or determines that a discrepancy exists for the period of the audit, Licensee shall promptly pay the cost and expense of PMGAA's audit. For purposes of this Agreement, a "discrepancy" shall mean one where audited billing(s) exceed reported billings by two percent (2%) or more. The amount of any such deficiency established by such audit shall be conclusive and binding upon the Parties and shall be paid by Licensee no later than ten (10) calendar days from the billing date.

11. DAMAGE AND INSPECTIONS

11.1 Damage to Airport Property.

11.1.1 Licensee shall, at Licensee's own expense, be fully responsible for all damages to Airport property caused by the negligence or willful misconduct of Drivers/Hosts operating under this Agreement, except to the extent caused by the negligence or willful misconduct of PMGAA or its employees, officers, directors, representatives or agents, whereby an Arizona court of competent jurisdiction has rendered a non-appealable decision that such damage to Airport property was caused by PMGAA and/or its employees. If Licensee fails to reimburse PMGAA for damage caused to PMGAA, Licensee's authorization to operate under this Agreement may be suspended or terminated, at the election of PMGAA, until PMGAA has been fully compensated, to PMGAA's complete satisfaction.

11.1.2 Should greater than fifty percent (50%) of the Terminal be rendered untenable by fire or other casualty, such that commercial airline schedules are similarly diminished, and PMGAA either cannot or elects to not complete restorative action within a reasonable period of time, Licensee shall have the option to terminate this Agreement.

11.2 Inspections. PMGAA, its authorized employees, agents, contractors, subcontractors, and other representatives shall have the right, but not the obligation, at all reasonable times, to inspect Licensee's vehicles during regular business hours (or at any time in case of an emergency) to ascertain the condition of said vehicles and to determine Licensee's compliance with the terms of this Agreement. The right of inspection shall impose on PMGAA no duty to inspect and shall impart no liability upon PMGAA for failure to inspect.

12. LIQUIDATED DAMAGES

12.1 Unless cured to the satisfaction of PMGAA within FIFTEEN (15) calendar days of written notice thereof to Licensee, PMGAA reserves the right, in the case of violation of the terms of this Agreement, to temporarily suspend, deny or permanently revoke Licensee's operating privileges, including those pertaining to any Licensee vehicle, employee, franchisee, owner-operator, contractor or Driver/Host found to be in violation of any safety, customer service, vehicle condition and/or cleanliness or regulatory provision of the Arizona Department of Transportation or this Agreement; and to impose the following fines, which Licensee agrees to pay, on a per observed, per violation basis:

Violation	Description	Amount
V-1	Operating a vehicle not registered for service in accordance with this Agreement	$100.00
V-2	Soliciting, scooping, or hawking passengers anywhere in proximity to the Terminal	$100.00
V-3	Operating an unsafe vehicle and/or one that violates the motor vehicle safety standards specified herein	$100.00
V-4	Displaying inappropriate Host conduct (e.g., being discourteous or rude, arguing, engaging in physical fighting or loud, boisterous verbal disputes, sleeping or smoking (cigarettes, cigars, or electronic cigarettes, etc.), in a vehicle, etc.)	$100.00
V-5	Failing to accept a credit (or debit) card for payment	$100.00
V-6	Failing to comply with insurance requirements required by this Agreement	$100.00
V-7	Failing to properly display Licensee's Host mobile reservation identification upon request	$100.00
V-8	Failing to transport a service animal or comply with applicable ADA requirements	$100.00
V-9	Failing to report damage to Airport property	$100.00
V-10	Parking within or at the passenger pickup curb area without a pre-arranged contract.	$100.00
V-11	Exceeding the maximum parking time of thirty (30) minutes at the passenger pickup location unless the occupied space is not required by other authorized vehicles/users.	$100.00

12.2 Licensee agrees all the violations listed in SECTION 12.1 above shall result in PMGAA incurring damages that are impractical or impossible to determine. Licensee agrees the above monetary assessments are reasonable approximations of such damages.

12.3 PMGAA will notify Licensee, in writing, of the time, place and nature of a violation (a "Notice of Violation" or "NOV"), as well as any facts PMGAA has used to substantiate the violation. Licensee shall respond within TEN (10) calendar days of the date PMGAA mailed the NOV to Licensee, and Licensee's response shall be reviewed by the PMGAA Director of Operations and Maintenance who may, at his or her sole discretion, uphold or reverse the violation. Licensee's failure to respond in the time specified hereinabove shall be deemed an admission that the violation occurred.

12.4 All sums payable by Licensee to PMGAA under this SECTION shall be due and payable within THIRTY (30) calendar days after the Notice of Violation was mailed (if no appeal is undertaken), or after a written decision upholding the violation has been mailed. All sums unpaid after such THIRTY (30) calendar days shall be considered delinquent and shall be subject to a Delinquent Account Fee equal to TEN PERCENT (10%) of the amount due. If Licensee refuses to pay any sum due under this SECTION, including any Delinquent Account Fee, PMGAA may suspend this Agreement until payment in full is received, or terminate the Agreement for default.

13. [RESERVED]

14. FAILURE TO COMPLY

If any services performed hereunder or equipment provided hereunder are not in conformity with the requirements of this Agreement, in addition to other available remedies, PMGAA shall have the right to require Licensee to immediately take all necessary steps to ensure future performance of the services in conformity with such requirements.

15. INDEMNIFICATION

To the fullest extent permitted by law, Licensee hereby agrees to defend, indemnify and hold harmless PMGAA and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "PMGAA" for purposes of this SECTION) from any and all claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever which arise out of or in connection with (i) any accident, injury or damages occurring at or on the Airport, or (ii) any negligent act or omission or willful misconduct of Licensee or its Hosts, agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Licensee" for purposes of this SECTION) in connection with Licensee's operations hereunder and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property, or (iii) the failure of Licensee to comply with any provisions of this Agreement. This indemnification shall exclude responsibility for any consequential damages and for claims arising by reason of the negligent or wrongful act of PMGAA or its employees, contractors, or agents, where such consequential damages and claims are determined by a court of competent jurisdiction to have arisen solely as a result of PMGAA or its employees, contractors or agents (excluding Licensee as an employee, contractor or agent).

16. INSURANCE

16.1 Coverage Required. Licensee shall at all times and prior to the Effective Date, at its sole expense, maintain in effect the insurance coverage set forth below, including delivering a certificate of insurance for each policy to PMGAA; and shall continue to provide such certificates throughout the Term of this contract:

16.1.1 *Commercial General Liability* insurance in an amount not less than $1,000,000 per occurrence and $2,000,000 aggregate covering third party bodily injury and property damage liabilities.

16.1.2 *Commercial Automobile Liability* insurance must comply with all statutory insurance requirements applicable to its operation and to maintain motor vehicle combined single limit liability insurance in the amount of $1,000,000 (CSL) including an additional $250,000 each for uninsured & underinsured motorist coverage covering each vehicle operating at the Airport pursuant to this Agreement.

16.1.3 *Workers' Compensation* insurance, providing AZ State statutory benefits, for Licensee's employees operating at or on the Airport, and *Employer's Liability* insurance in the amount of $1,000,000. Sole Proprietors with no employees may opt out of the Work Comp requirement by providing PMGAA with signed Workers' Compensation Waiver Form as allowed by the State of Arizona A.R.S.23.961(1).

16.2 Form.

16.2.1 Each insurance policy obtained pursuant to this SECTION, except for *Workers' Compensation* and *Employer's Liability* policies, shall: (i) name PMGAA as an additional insured on a primary and non-contributory basis via endorsement; (ii) contain a provision that written notice of cancellation shall be given to PMGAA not less than THIRTY (30) calendar days before such cancellation takes effect TEN (10) calendar days in case of non-payment of premium) via blanket endorsement; (iii) all policies, including Work Comp, shall contain a waiver of subrogation in favor of PMGAA, where allowed by law, via blanket endorsement.

16.2.2 Licensee shall not permit any insurance policy to be canceled without PMGAA's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies eligible to issue insurance policies in the State of Arizona and possessing a rating of at least A - VII or higher from the A.M. Best Company, or an equivalent rating approved by PMGAA.

17. INDEPENDENT CONTRACTOR STATUS; EMPLOYMENT DISCLAIMER

17.1 The Parties agree Licensee is providing services under this Agreement on a part-time and/or temporary basis, and that the relationship created by this Agreement is that of Independent Contractor. Neither Licensee nor any of Licensee's Hosts, agents, employees, or servants shall be deemed to be Drivers, agents, employees, or servants of PMGAA. PMGAA is interested only in the results obtained under this Agreement. The manner, means and mode of completing the same, are under the sole control of Licensee. This agreement does not imply under any circumstances that an employer/employee relationship exists between PMGAA and the Independent Contractor. Independent Contractors are not eligible for employee benefits, including workers compensation coverage, from PMGAA.

17.2 This Agreement is not intended to constitute, create, give rise to or otherwise recognize a joint venture, partnership, affiliation, subsidiary, agency or other formal business entity, association or organization of any kind whatsoever, and the rights and obligations of the Parties shall be only those expressly set forth in this Agreement. The Parties agree that no individual performing under this Agreement on behalf of Licensee shall be considered a PMGAA employee, and that no rights of PMGAA Civil Service, PMGAA retirement or PMGAA personnel rules shall accrue to such individual. Licensee shall have total responsibility for all salaries, wages, bonuses, retirement, withholdings, worker's compensation, other employee benefits and all taxes and premiums appurtenant thereto, concerning Licensee employees and shall save and hold harmless PMGAA with respect thereto.

18. CONFIDENTIALITY, PUBLIC RECORDS

18.1 All data, including personal identifying information, financial account information or other personal information collected, obtained, or transmitted to either party in connection with this Agreement shall be protected and secured in accordance with Federal, State, and local laws. Licensee shall also comply with any PMGAA policy implemented relating to protecting or securing such data. The obligations of Licensee under this SECTION shall survive termination of this Agreement.

18.2 Licensee agrees the requirements of this SECTION shall be incorporated into all subcontracts entered into by Licensee, as they may affect or are related to this Agreement. It is further agreed that a violation of this SECTION shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this SECTION may result in immediate termination of this Agreement without notice.

18.3 Licensee may request specific documents provided to PMGAA be treated as confidential or proprietary (collectively "confidential"), provided that the Licensee clearly labels the documents "confidential." PMGAA will notify Licensee of any public records request to view the documents, or any portion of the documents marked "confidential." Licensee will have SEVEN (7) calendar days from the date such notice is received to obtain a court order enjoining release of the documents marked confidential. If Licensee does not provide PMGAA with a court order enjoining release of the documents, PMGAA will make the documents requested available for inspection as required under the public records law SEVEN (7) calendar days after the written notice to Licensee is received.

19. CONTACTS WITH THIRD PARTIES

Except, as necessary for Licensee to communicate with third parties that are passengers and Licensee's Hosts, Licensee shall not contact third parties to provide any information in connection to the services provided under this Agreement without prior written consent of PMGAA. Should Licensee be contacted by any person requesting information or requiring testimony relative to the services Licensee is providing under this Agreement or any other prior or existing Agreement with PMGAA, Licensee shall promptly inform PMGAA and shall not disclose such information or give such testimony without written consent from PMGAA or a court order. The obligations of Licensee or any Licensee subcontractor under this SECTION shall survive termination of this Agreement. Licensee agrees that the requirements of this SECTION shall be incorporated into all subcontracts entered into by Licensee that are or may be related to this Agreement. It is further agreed that a violation of this SECTION shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this SECTION also may result in immediate termination of this Agreement without notice.

20. COMPLIANCE WITH LAWS; SUPPLEMENTAL TERMS AND CONDITIONS

Licensee, its Hosts, agents, employees, invitees, subcontractors, and independent contractors shall comply with all directions, rules, regulations and operating procedures of PMGAA in effect or hereinafter promulgated and shall observe and obey all ordinances of the City of Mesa, as well as all federal and state statutes and regulations governing the use of the Airport and Licensee's business activities thereon, including the specific requirements of this SECTION. If a subsequently enacted law imposes substantial additional costs on Licensee, a request for amendment may be submitted to PMGAA.

20.1 Legal Worker Requirements. Licensee warrants and agrees that to the extent applicable under A.R.S. §41-4401, as amended, Licensee will comply with all federal immigration laws and regulations that relate to Licensee's employees, including the E-verify requirements under ARS §23-214(A), as amended. Licensee's breach of the above-mentioned warranty shall be deemed a material breach of this Agreement and may result in its termination by PMGAA. PMGAA retains the legal right to randomly inspect the papers and records of any employee who works under this Agreement to ensure Licensee is complying with the above-mentioned warranty.

20.2 Conflict of Interest. Licensee acknowledges that the provisions of A.R.S. §38-511, as amended are incorporated into this Agreement. Licensee further acknowledges that, to the best of its knowledge, information and belief, no person has been employed or retained to solicit or secure this Agreement upon a promise of a commission, percentage, brokerage, or contingent fee, and that no member of PMGAA or employee thereof has any financial interest in Licensee's business firm. For breach of violation of this warranty, PMGAA shall have the right to annul this Agreement without liability, including any such commission, percentage, brokerage, or contingent fee.

20.3 Scrutinized Business Operations. Licensee certifies that, pursuant to ARS §§35-391.06 and 35-393.06, as amended, it does not have a scrutinized business operation in Sudan or Iran. For purposes of this SECTION, the term "scrutinized business operations" shall have the meanings set forth in ARS §§ 35-391

and 35-393, as applicable. If PMGAA determines that Licensee submitted a false certification, PMGAA may impose remedies as provided by law, including termination of this Agreement.

20.4 Nondiscrimination.

20.4.1 Licensee shall furnish its services to all Airport passengers and the general public on a fair, equal, and not unjustly discriminatory basis.

20.4.2 Licensee shall charge fair, reasonable, and not unjustly discriminatory prices for its services; except that, Licensee may be allowed to offer reasonable and non-discriminatory discounts, rebates, or other similar types of price reductions to volume or frequent purchasers. Non-compliance with this requirement shall be considered a material breach of this Agreement for which PMGAA shall have the right to terminate this Agreement and any estate created herewith, without liability therefor; or, at the election of PMGAA or the United States, either or both of which shall have the right to judicially enforce said requirement.

20.4.3 Licensee warrants that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability, be excluded from participating in any activity conducted at or from the Airport, or otherwise be excluded from the benefits offered by Licensee to the general public. Licensee agrees to comply with pertinent statutes, Executive Orders, and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

21. CIVIL RIGHTS – TITLE VI ASSURANCES

During the performance of this contract, the Licensee, for itself, its assignees, and successors in interest agrees as follows:

21.1 Compliance with Regulations: The Licensee (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

21.2 Nondiscrimination: The Licensee, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Licensee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

21.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the Licensee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Licensee of the Licensee's obligations under this contract and the Non-discrimination Acts and Authorities on the grounds of race, color, or national origin.

21.4 Information and Reports: The Licensee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Licensee is in the exclusive possession of another who fails or refuses to furnish the information, the Licensee will so certify to the sponsor or the

Federal Aviation Administration as appropriate and will set forth what efforts it has made to obtain the information.

21.5 Sanctions for Non-compliance: In the event of a Licensee's non-compliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to: withholding payments to the Licensee under the contract until the Licensee complies; and/or canceling, terminating, or suspending a contract, in whole or in part.

21.6 Incorporation of Provisions: The Licensee will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The Licensee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for non-compliance. Provided that if the Licensee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Licensee may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the Licensee may request the United States to enter into the litigation to protect the interests of the United States.

21.7 The Lessee for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the lessee will use the premises in compliance with all other requirements imposed by or pursuant to the List of discrimination Acts And Authorities.

22. TITLE VI

During the performance of this contract, the Licensee, for itself, its assignees, and successors in interest agrees to comply with the following nondiscrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin).
- 49 CFR part 21 (Non-discrimination in Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

23. ENVIRONMENTAL COMPLIANCE

Licensee shall, at Licensee's own expense, comply with all present and hereinafter enacted environmental laws, rules and regulations and any amendments thereto, affecting or applying to Licensee's operations and activities at or on the Airport.

24. AIRPORT SECURITY

PMGAA has implemented an Airport Security Plan ("Security Plan") in a form acceptable to the Transportation Security Administration pursuant to 49 CFR Parts 1540 and 1542. Licensee shall at all times comply with PMGAA Operations Department Security Directives, security bulletins, or verbal notifications existing now or in the future. Licensee shall immediately correct physical or procedural deficiencies which are contrary to PMGAA Operations Department security directives, security bulletins or verbal notifications existing now or in the future.

25. TAXES, LICENSES AND PERMITS

Licensee shall pay all taxes and assessments that may be levied or charged upon its property, equipment, and activity hereunder, and shall secure and comply with all licenses and permits required by PMGAA or any other governmental authority exercising jurisdiction over its business or activities. Licensee shall also pay any taxes or assessments levied upon PMGAA as a result of Licensee conducting its business under the authority of this Agreement.

26. NON-ASSIGNABILITY

26.1 Licensee shall have no power to assign its rights and obligations under this Agreement without the prior written consent of the PMGAA Executive Director, which shall not be unreasonably withheld. Any attempt to assign this Agreement without such prior written consent shall be void.

26.2 Licensee's President Alex Benn, will serve as Licensee's primary representative in the execution of this Agreement.

27. NOTICES

27.1 Notices required under this Agreement shall be in writing and delivered personally or by registered or certified mail, postage prepaid, addressed as follows:

TO PMGAA: Phoenix-Mesa Gateway Airport Authority
Attn.: Business Development Department
5835 S. Sossaman Road
Mesa, Arizona 85212-6014
Telephone: (480) 988-7648

TO LICENSEE: TURO INC.
Attn: Legal
Attn: Legal-Airports
111 Sutter Street, 12th Floor
San Francisco, CA 94104
Email: [redacted]com

27.2 Notice by certified or registered mail in the manner described above shall be deemed effective the day after its deposit in the mail.

28. NON-WAIVER

PMGAA's right to revoke this Agreement shall be absolute. Any election by PMGAA to not enforce any provision of this Agreement, or any failure by PMGAA to exercise any of the remedies allowed PMGAA under this Agreement, shall not operate as a waiver by PMGAA of any of its rights under this Agreement or at law or equity.

29. APPLICABLE LAW

The laws of the State of Arizona, including its conflicts of law provisions, shall govern the matters set forth in this Agreement. Venue of any action brought under this Lease shall, at the option of PMGAA, lie in Maricopa County, Arizona.

30. PRIOR PERMITS

Upon execution hereof, this Agreement shall supersede and cancel any prior agreement(s) between PMGAA and Licensee with respect to Licensee's ground transportation business activities at or on the Airport, or from the Terminal, governed hereby. Licensee shall not construe PMGAA's execution of this Agreement as a waiver of any prior indebtedness or obligation to PMGAA under any prior agreement or license, nor does PMGAA waive any claim or cause of action arising therefrom.

31. CANCELLATION PROVISIONS

31.1 PMGAA's Right of Cancellation. Except as may be otherwise provided herein, PMGAA shall have the right to cancel or terminate this Agreement in its entirety immediately if Licensee commits any one or more of the hereinafter listed events of default and does not cure such default within THIRTY (30) calendar days of PMGAA's written notice thereof. Upon receiving notice of such termination, Licensee shall immediately cease its operations at and on the Airport and remove all its employees and personal property therefrom.

31.1.1 With Cause.

a. If Licensee shall fail to pay any fee or other amount due from Licensee hereunder or as a result of any other agreement executed between the Parties.

b. Solely for purposes of this SECTION 31.1.1 b., if Licensee shall neglect or fail to perform, keep or observe any other terms, covenants or conditions herein contained and if such neglect or failure shall continue for a period of THIRTY (30) calendar days after delivery by PMGAA to Licensee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

c. The occurrence of any act that deprives Licensee of the rights, licenses, permits and authorizations necessary for the proper and lawful conduct of the Licensee's business operations at and on the Airport, and from the Terminal.

d. Excessive liquidated damages and/or complaints against Licensee by Airport passengers and the general public.

e. The filing, by Licensee, of a voluntary petition in bankruptcy; or its adjudication as a bankruptcy pursuant to an action filed against it; or the taking of its assets by a court under any Federal reorganization act; or the appointment of a receiver for its assets; or the occurrence of a general assignment or attempted assignment for the benefit of creditors.

f. The filing of any Mechanic's, Materialmen's or other lien or any kind against the Licensee because of any act or omission of Licensee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Licensee.

g. Existence, for a period in excess of TEN (10) calendar days of any strike, lockout, work stoppage or other dispute between Licensee and its employees, Hosts, contractors or subcontractors which, in the opinion of PMGAA, interferes with the operation of the Airport, or endangers or inconveniences users of Airport facilities.

h. If Licensee shall discontinue or abandon its operations at the Airport for any 24-hour period, exclusive of periods when no commercial airline flight arrivals are scheduled or planned.

i. For violation of any laws, ordinances, regulations, or provisions of this Agreement, PMGAA reserves the right to terminate this Agreement immediately when such action is considered by the PMGAA Executive Director, at his or her sole and absolute discretion, to be in the best interest of Airport passengers and the general public.

31.1.2 Without Cause. PMGAA may terminate this Agreement without cause upon THIRTY (30) calendar days advance written notice to Licensee. In the event of termination without cause, Licensee shall be entitled solely to a pro-rate refund of any fee herein paid.

31.1.3 Temporary Suspension. As provided herein, PMGAA may suspend this Agreement for Licensee's failure to perform in accordance with the terms, covenants, and conditions of this Agreement.

31.2 Licensee's Right of Cancellation. Except as otherwise provided herein, Licensee shall have the right to terminate this Agreement in its entirety upon THIRTY (30) calendar days advance written notice to PMGAA if one or more of the following events of default are committed by PMGAA:

31.2.1 The issuance by any court of competent jurisdiction of any injunction preventing or restraining the use of the Airport in such a manner as to substantially restrict Licensee from conducting its business activities at and on the Airport and from the Terminal, which injunction is not caused by any act or omission of Licensee and such injunction remains in force for at least SIXTY (60) calendar days.

31.2.2 If Licensee is deprived of the use of all or a major portion of the Airport or Terminal for THIRTY (30) calendar days or more, subject to the relocation or other applicable renovation provision provided for herein.

31.2.3 The assumption by the United States Government and the authorized agencies thereof, or any other governmental agency, of the operation, control or use of Airport facilities, including the Terminal, or any substantial part or parts thereof in such a manner as to substantially restrict the conduct of Licensee's business thereto for a period of THIRTY (30) calendar days or more.

31.2.4 A material breach by PMGAA of any of the terms and covenants or conditions within this Agreement. In the event of such a breach, Licensee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Agreement; provided, however, Licensee may not exercise any such right or remedy unless Licensee has notified PMGAA by written notice of such alleged default, and PMGAA has not cured such default within a THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot be reasonably cured within such THIRTY (30) day period, PMGAA has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary in this Agreement, in no event shall Licensee be entitled to terminate this Agreement or abate or offset any fees or other payments to be made by Licensee hereunder.

31.2.5 Without Cause. Licensee may terminate this Agreement without cause upon THIRTY (30) calendar days advance written notice to PMGAA.

32. PROFESSIONAL COMPETENCY

32.1 Qualifications. Licensee represents that it is familiar with the nature and extent of this Agreement, the services and any conditions that may affect its performance thereunder. Licensee further represents that it is fully experienced and properly qualified, compliant with all applicable license requirements and is equipped, organized, and financed to perform such services.

32.2 Level of Care and Skill.

32.2.1 Services provided by Licensee shall be performed in a manner consistent with that level of care and skill ordinarily exercised by members of Licensee's profession currently practicing in the same industry under similar conditions.

32.2.2 Acceptance or approval by PMGAA of Licensee's work shall in no way relieve Licensee of liability to PMGAA for damages suffered or incurred arising from Licensee's failure to adhere to the aforesaid standard of professional competence.

33. FORCE MAJEURE

Licensee shall not be responsible or liable for, or deemed to be in breach hereof because of any delay in the performance of its obligations hereunder to the extent caused by circumstances beyond its control, without its fault or negligence, and that could not have been prevented by the exercise of due diligence, including, but not limited to, fires, natural disasters, riots, wars, unavoidable and unforeseeable site conditions,

failure of PMGAA to provide data within PMGAA's possession or to make necessary decisions or provide necessary comments in connection with any required reports prepared by Licensee in connection with the services and the unforeseeable inability to obtain necessary site access, authorization, permits, licenses, certifications and approvals (such causes hereafter call "Force Majeure").

34. RELEASE OF INFORMATION

Licensee shall not publish, release, disclose or announce to any member of the public, press, official body or any other third party: any documentation or the contents thereof, without the prior written consent of PMGAA, except as may be required by law.

35. WAIVER OF CLAIMS FOR ANTICIPATED PROFITS

Licensee waives any claims against PMGAA and its officers, officials, agents, and employees for the loss of anticipated profits caused by any suit or proceeding, directly or indirectly, involving any part of this Agreement.

36. CONTINUATION DURING DISPUTE

36.1 Licensee agrees as a condition of this Agreement that in the event of any dispute between the Parties, provided no Notice of Termination has been given to PMGAA, and if it is feasible under the terms of this Agreement, each Party shall continue to perform the obligations not related to the dispute required of it during the resolution of such dispute, unless enjoined or prohibited by a court of competent jurisdiction.

36.2 Failure or delay by either Party to exercise any right, power or privilege specified in or appurtenant to this Agreement shall not be deemed a waiver thereof.

37. THIRD PARTY BENEFICIARY CLAUSE

The Parties expressly agree that this Agreement is not intended by any of its provisions to create of the public or any member thereof a third-party beneficiary, nor to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

38. CORPORATE AUTHORIZATION

In executing this Agreement, Licensee represents and warrants to PMGAA that if Licensee is a corporation, Licensee has obtained and been granted the full right, power, and authority to enter into this Agreement and that Licensee is a validly and lawfully organized entity in good standing in its state of organization, as well as in Arizona and in any state in which Licensee conducts business.

39. MISCELLANEOUS

39.1 Personal Liability. No member of PMGAA or employee or agent of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Agreement because of any breach thereof or because of its execution or attempted execution.

39.2 No Waiver. No provision of this Agreement may be waived or modified except by a written instrument signed by the Party against whom such waiver or modification is sought.

39.3 Non-Waiver of Rights. No waiver or default by PMGAA of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Licensee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Licensee, and PMGAA shall not be restricted from later enforcing any of the terms and conditions of this Agreement.

39.4 Amendment. This Agreement may be amended only by a written instrument executed by the Parties, except that fleet listing at **EXHIBIT B** may be updated at any time, upon mutual agreement of the Parties, without formal amendment but shall, upon said mutual agreement, become a valid **EXHIBIT B** replacement to this Agreement thereafter.

39.5 Cancellation. The Parties hereto acknowledge and agree that this Agreement may be cancelled pursuant to the provisions of ARS § 38-511, as amended.

39.6 Invalid Provisions. Should any provision of this Agreement or any application thereof shall be held invalid by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

39.7 Litigation Expenses. In the event of litigation between PMGAA and Licensee, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

39.8 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Agreement or any term thereof.

39.9 Approvals, Consents and Notices. All approvals, consents and notices called for in this Agreement shall be in writing, signed by the appropriate party, and may not be established solely by oral testimony.

39.10 Entire Agreement. This Agreement, including exhibits attached hereto at the time of its execution, constitutes the entire Agreement between the Parties hereto.

40. INCORPORATION OF RECITALS

The recitals set forth above are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Agreement the day and year first above written.

Board Action Item

Re: Resolution 22-80

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Essential Turbines, Inc. – Facility Lease
Date: December 20, 2022

Proposed Motion

To authorize a facility lease agreement with Essential Turbines, Inc. for the property located at 7808 East Velocity Way, Mesa, AZ 85212 with an Effective Date of January 1st, 2023. The initial Term is for three (3) years, with no options to extend.

Narrative

Essential Turbines, Inc. desires to lease the facility located at 7808 E. Velocity Way, Mesa, AZ 85212 to operate a turbine engine repair, testing, and overhaul specialized aviation service organization (SASO).

Agreement Term and Rate

This facility lease has an Effective Date of January 1st, 2023. The initial Term is for three (3) years with no options to renew.

The annual Base Rent is $77,242.24 payable in monthly installments of $6,436.85. The Base Rent shall be adjusted on every twelve (12) month anniversary of the Effective Date by 4%.

Attachment(s)

Facility Lease Agreement

RESOLUTION NO. 22-80

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a facility lease agreement with Essential Turbines, Inc. for the property located at 7808 East Velocity Way, Mesa, AZ 85212 with an Effective Date of January 1st, 2023. The initial Term is for three (3) years, with no options to extend;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a facility lease agreement with Essential Turbines, Inc. for the property located at 7808 East Velocity Way, Mesa, AZ 85212 with an Effective Date of January 1st, 2023. The initial Term is for three (3) years, with no options to extend. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 20th day of December, 2022.

Phoenix-Mesa Gateway Airport Authority
FACILITY LEASE

This Facility Lease (the "**Lease**") is executed to be effective the FIRST (1st) day of January 2023 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **ESSENTIAL TURBINES INC.**, a Canadian corporation authorized to do business in the State of Arizona ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

WHEREAS, Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

WHEREAS, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport located at 7808 East Velocity Way, Mesa, Arizona 85212 , and described as building 1090, consisting of approximately FIVE THOUSAND, NINE HUNDRED AND NINETEEN (5,919) square feet, and located on Lot # 47, consisting of approximately FORTY-EIGHT THOUSAND, FOUR HUNDRED AND NINETEEN 96/100 (48,419.96) square feet, as set forth in **EXHIBIT A** attached hereto ("**Premises**"); and

WHEREAS, Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE

Lessor hereby leases the Premises to Lessee, subject to all easements and rights of way that may encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specifically acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense. Lessor agrees to cooperate with Lessee, at no or nominal cost to Lessor, in connection with such activities and undertakings.

1.2 Reserved.

1.3 Access. Lessee is granted the right of reasonable access to and from the Premises via such portions of the Airport as are or may be necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport. Lessor reserves the right to designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of SECTION 1.5, Lessee may use the Premises for general administrative, storage and warehousing, engine repair, testing and overhaul, and other related ancillary uses and for no other use. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, rules, regulations and operating policies of any governmental authority, including Lessor, or for any other activity or operation not specified in SECTION 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises and the Airport, Lessee shall designate an on-site manager for the term of this Lease who shall be available to Lessor and Lessee's customers, if any, during normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable.

1.7 Lessee Acknowledgement. Lessee acknowledges and agrees that its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

1.8 Lease Termination. Following the Effective Date should Lessee choose to relocate within the boundaries of the Airport to a facility of equal to or greater in size and comparable condition, Lessee shall then have the right to terminate this Lease in its entirety by providing NINETY (90) days' written notice of Lessee's intent to do so. Lessee must provide Lessor with a copy of its enforceable ground or facility lease at the Airport with its notice to Lessor (the "Relocation Termination Notice")

2. TERM

2.1 Initial Term. The initial term of this Lease shall be for a period of THREE (3) years, commencing on the Effective Date and terminating on DECEMBER 31ST, 2025 thereafter ("**Term**").

2.2 Reserved.

3. NONEXCLUSIVE RIGHTS

Lessee shall have the exclusive right to occupy and use the Premises while in compliance with the terms and conditions of this Lease, subject to Section 27 below. All other rights granted to Lessee under this Lease

are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that Lessor deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with Lessee's use of the Premises.

4. RENT

4.1 Base Rent. Subject to the increases provided Section 4.3 and 4.4 below, Lessee agrees to pay Lessor annual rental for the use of the Premises in the amount of SEVENTY-SEVEN THOUSAND, TWO HUNDRED FORTY-TWO AND 24/100 DOLLARS ($77,242.24), payable in equal monthly installments of SIX THOUSAND, FOUR HUNDRED THIRTY-SIX AND 91/100 DOLLARS ($6,436.85) ("**Base Rent**").

The Base Rent shall be payable in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer.

4.2 Reserved.

4.3 Rent Increases. The annual Base Rent paid by Lessee shall be increased (but never decreased) on every Twelve (12) month anniversary of the Effective Date of this Lease by FOUR (4%) percent.

4.4 Reserved.

4.5 Reserved.

4.6 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* and *Airport Fees, Services and Rental Rates Schedule* are included as **EXHIBIT B** and are subject to change without prior notice to or approval of Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at any time at Lessor's sole discretion. No fee shall apply to the use of the Premises or access to the Premises.

4.7 Payment.

4.7.1 Unless otherwise specified herein, the first payment of Base Rent shall be paid to Lessor upon the delivery of this Lease, for the period from the Effective Date until the end of the calendar month in which the Effective Date occurs, prorated on the basis of the number of such days to the total number of days in said month. Thereafter, all Base Rent payments shall be paid in monthly installments, in advance, on the first day of each calendar month ("**Base Rent Due Date**"). On each such date, Lessee shall pay the full Base Rent payment.

4.7.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.7.3 All payments (and reports, if any) required by this SECTION 4 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in writing by Lessor to Lessee.

4.8 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum (but not to exceed the maximum interest rate permissible by law), from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.9 Taxes. Lessee shall pay, prior to delinquency, any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax or assessment imposed during the Term against the Premises or as the result of Lessee's occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor. Lessee shall pay such taxes and assessments directly to the taxing authority charged with collecting such taxes and assessments, provided that in the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor and to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business, Lessee shall pay such amounts to Lessor in the manner set forth in Section 4.7. Such taxes to be paid directly to Lessor include, without limitation, payment of all rent taxes, i.e. taxes imposed specifically on the gross receipts in the form of rent received by Lessor.

4.10 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

5. PERFORMANCE GUARANTEE

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equivalent to TWELVE THOUSAND, EIGHT HUNDRED SEVENTY-THREE AND 70/100 DOLLARS ($12,873.70), as a security deposit ("Security Deposit") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, at the election of Lessor, may be applied in reduction of any loss and/or damage sustained by Lessor by reason of the occurrence of any breach, nonperformance or default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Construction Payment and Performance Guarantees.

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with any construction on the Premises, by providing, at Lessee's sole cost and expense and prior to commencement of construction of any improvements on the Premises, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. § 33-

1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. § 33-1003, and a copy of the bond shall be provided to Lessor; or

(b) Letter of Credit. Such instrument ("**Letter of Credit**") shall be irrevocable, in an amount equal to the total amount of the construction contract(s) for the construction of the Improvements (as defined in Section 7 below) plus TEN PERCENT (10%) of such amount ("**Improvement Costs**") and be issued to Lessee by a financial institution ("**Bank**") reasonably acceptable to Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date which is TWENTY-FOUR (24) months thereafter, after which date it shall be renewed on a year-to-year basis until construction of the Improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include a reasonably-detailed description of Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the Improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 Performance Guarantee. In addition to the Security Deposit, Lessee's obligation to timely complete the Improvements shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said Improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) Performance Bond. Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) Completion Bond. Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7 of this Lease if an Event of Default occurs and is continuing under Section 7. of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRPORT OPERATING AGREEMENT

If and to the extent that Lessee, including its subtenants, contractors, and agents, operates aircraft at or on the Airport, Lessee shall enter, or shall cause its subtenants, contractor or agent to enter, into an operating agreement with Lessor covering such operations prior to the commencement of any such operations. If any of Lessee's subtenants, subcontractors or agents have not entered into its own *Airport Operating Agreement* and is operating under Lessee's *Airport Operating Agreement*, Lessee shall be responsible for such subtenant's contractors or agents compliance with Lessee's *Airport Operating Agreement*. Lessee shall be responsible for compliance by its subtenants, contractors and agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*.

7. IMPROVEMENTS

7.1 Reserved.

7.2 Reserved.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld or delayed and, if and to the extent applicable, without the approval by Lessor's Design Review Committee. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all improvements and alterations on the Premises (but not personal property or trade fixtures) shall automatically vest in Lessor upon the expiration or termination of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's request therefor, a quitclaim deed or other instrument satisfactory to Lessor confirming that title to such improvements and alterations is vested in Lessor. This Section 7.4 shall survive the termination of this Lease.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first submitting required plans and obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises, including any subsequent alterations and improvements thereto. In the event that all or any portion of Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of SECTION 7.6, using available insurance proceeds together with any additional funds from other available sources, or, alternatively, Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE

8.1 Lessee. Lessee shall, at its sole cost and expense, keep the Premises and all improvements therein in a neat and clean condition and in good order, condition and repair throughout the Term. In doing so, Lessee shall prepare, maintain and follow a preventative maintenance schedule for all mechanical, electrical, plumbing, drain, piping and air conditioning systems on the Premises, and, upon request, provide a copy of such schedule to Lessor and, if required by Lessor, a list of the dates on which such maintenance was actually done. Lessee's maintenance of the Premises shall include, without limitation, the inspection, servicing and repair of all systems and improvements, including the boilers, interior roof and structures, electrical, plumbing,

heating and cooling, fire detection and suppression systems, pavements, pest control, landscaping and grounds maintenance.

8.2 Lessor. Lessor shall, at its sole cost and expense, sustain and maintain the structural integrity of the Premises, including the exterior roof, and all utility connections where they enter the Premises throughout the Term.

8.3 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the satisfaction of Lessor. In lieu of such repair or replacement, where required by Lessor, Lessee shall pay to Lessor an amount sufficient to compensate for the loss sustained by Lessor.

8.4 Trash Removal. Lessee shall at all times keep the Premises in a neat, clean, safe, sanitary and orderly condition and shall keep such area free of all trash and debris. Lessee shall, at Lessee's expense, be responsible for all trash removal from the Premises. Such trash removal shall be performed on a not less than weekly basis, and all trash shall be disposed of off the Airport. Prior to its removal from the Airport, Lessee shall deposit all trash and debris only at collection stations located on the Premises, in accordance with City code.

8.5 Emergency Contacts. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as they occur.

8.6 Excessive Repairs; Lease Termination. Should any required single repair exceed FIVE THOUSAND 00/100 DOLLARS ($5,000.00), then the responsible repair Party (as defined in either Section 8.1 or 8.2 herein) shall have the right (but not the obligation), and in lieu of completing the repair, to terminate this Lease in its entirety by delivering THIRTY (30) days' written notice to the other Party (the "Excessive Repair Lease Termination Notice"). The notified Party shall have the right to elect to complete the repair in lieu of Lease termination and by providing notice of its intent to do so to the other Party (the "Decision to Repair Notice") within FOURTEEN (14) days' following the receipt of the Excessive Repair Lease Termination Notice. The notifying Party shall then provide up to FIVE THOUSAND 00/100 DOLLARS ($5,000.00) towards the repair (the "Repair Reimbursement") following the completion of the repair. The notified Party shall cover all excessive repair costs above this amount.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS

9.1 Any Transfer of Lease Interest Requires Lessor Advance Written Approval. In the event Lessee desires to transfer, assign, encumber, pledge or hypothecate any portion of its interest in this Lease or any right or interest hereunder (including, but not limited to as part of a mortgagor deed of trust or an assignment by means of a foreclosure or trustee's sale thereunder)(individually and collectively, "**Transfer**"), Lessee must obtain the prior written consent of Lessor, with such consent to be the in sole and absolute discretion of Lessor without exception. In connection with Lessee's request for Lessor's approval of a Transfer, Lessee and or the proposed transferee shall provide to Lessor written financial assurances, including, but not limited to financial statements, business plans and other information related to the financial condition and plans of any proposed transferee. Notwithstanding a Transfer, unless released in writing by Lessor in its sole and absolute discretion Lessee shall remain liable at law and at equity, as well as financially liable, under the Lease, regardless of whether the assignee expressly assumes in writing all of Lessee's obligations under this Lease or in the case of a sublease. Lessee understands and agrees to these terms and conditions regarding any proposed Transfer, and that any violation of this Section 9, may irreparably harm Lessor as the requirements set forth herein are directly related to Lessor's (and any Lessee's) legal and financial obligations to the Federal Aviation Administration. This Section 9 shall remain valid and enforceable even in the event of amendment to or repeal of FAA regulations, so long as this Section 9 does not directly conflict therewith.

9.2 Lessee's Required Advance Notice to Lessor of Proposed Transfer. In order for Lessor to consider approval of a Transfer, Lessee must: (i) notify Lessor in writing at least Forty-five (45) days prior to

such proposed transfer; (ii) deliver to Lessor, at the time of Lessee's notice, current financial statements of Lessee and the proposed transferee (along with transferee's business plans) that are reasonably acceptable to Lessor; and (iii) the transferee assumes and agrees in writing to perform Lessee's obligations under this Lease. However, nothing herein shall be construed as Lessor providing its consent to any Transfer or relieving Lessee of any legal, financial or other obligation under the Lease, regardless of Lessor's acceptance or refusal to accept such proposed transfer of Lease.

9.3 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) if Lessee is a corporation, partnership, limited liability company or other legal entity, the transfer of any ownership interest in such entity resulting in a change in the present control of such entity by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; or (ii) the sale of TWENTY-FIVE PERCENT (25%) or more in value of the assets of Lessee. For purposes of this Lease, "control" shall mean possessing the power to direct or cause the direction of the management and policies of the entity by the ownership of a majority of the voting securities of the entity.

9.4 Subletting. Lessee shall not sublease the Premises or any portion thereof at any time during the Term of this Lease.

10. IDENTIFICATION SIGNS

Lessee may install on the building in which the Premises is located, a sign or signs identifying its business on the exterior of the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessor's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, or required by any other agreement between the Parties, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor of a written notice of such default; and further provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued, not to exceed ONE HUNDRED TWENTY (120) days.

11.1.3 The filing of any mechanic's, materialmen's or other lien of any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee without Lessor's advance written authorization, which Lessor may withhold in its sole and absolute discretion.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, but subject to the provisions of SECTIONS 9.2 and 23 herein, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, re-entry for condition broken, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and shall save Lessor harmless from all losses, costs or damages occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the amount of the Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus (b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other damages incurred by Lessor as a result of such Event of Default. In determining the amount of loss that could reasonably be provided, rents to be paid by subtenants pursuant to Section 9.4, if applicable, and other reasonably projected rental income from leasing the Premises shall be taken into account.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it is reasonably calculated to put Lessee on inquiry as to the nature and extent of such default, and is made in accordance with SECTION 19 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in SECTION 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Other remedies that are available to Lessor include self-help and recovery of damages, and nothing in this SECTION 11 shall limit the exercise of any such other remedy.

11.9 Subordination of Landlord's Lien. Lessor hereby agrees from time to time to subordinate to one or more Leasehold Mortgagees all statutory or common law landlord's lien rights with respect to property or assets of Lessee located on the Premises, including, without limitation, Lessor's rights under Arizona Revised Statutes Sections 33-361 and 362 and other similar laws. Upon written request from Lessee, Lessor agrees to promptly execute and deliver such commercially reasonable landlord subordination agreement and access agreement that any Leasehold Mortgagee may request of Lessor. Lessee shall reimburse Lessor for reasonable third-party costs, including reasonable attorneys' fees, incurred by Lessor in connection with the review and negotiation of any such agreement within THIRTY (30) days after receipt of an invoice from Lessor.

12. RESERVED

13. INDEMNIFICATION

To the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term; (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13) on the Premises or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor; and/or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

14. ENVIRONMENTAL PROTECTION

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this SECTION 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws.* The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Solid Waste Disposal Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; A.R.S. Title 49; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient (including indoor and outdoor) air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material.* The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any

Environmental Laws, per- and polyfluoroalkyl substances, and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils). For purposes of this definition, per- and polyfluoroalkyl substances shall include aqueous film-forming foams

14.2 Environmental Compliance.

14.2.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.2.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Laws. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Laws.

14.3 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment, the presence of Hazardous Material on the Premises, Airport or neighboring properties, or violation of any Environmental Laws or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this SECTION 14.3 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This SECTION 14.3 explicitly excludes Lessee's duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is caused by or exacerbated by Lessee or unknown contamination is caused by or exacerbated by Lessee's negligence.

14.4 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Laws, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such

Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this SECTION 14.4, Lessor is not responsible for directing or managing any remediation action. The term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This SECTION 14.4 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee.

14.5 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any Release of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.6 Information Sharing.

Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a violation of Environmental Laws, and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon.

14.7 Reserved.

14.8 Actions of Lessee. The activities or actions of Lessee under this SECTION 14 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.9 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.10 Reserved.

14.11 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to

the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.12 Right to Enter Premises. In addition to the rights afforded to Lessor in SECTION 18, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency ("**EPA**"), ADEQ, Lessor, and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.13 U.S. Air Force Use and Remedial Action.

14.13.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this SECTION 14.13, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release.

14.13.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.14 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any

inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.15 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or Lessor equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Safety Coordinator within THIRTY (30) calendar days of receipt of a CofO from the City. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.16 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor.

14.17 Surface Disturbances. After construction of Lessee's Improvements on the Premises as provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

15. PROTECTION OF WETLANDS

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the United States Army Corps of Engineers and obtain a permit or waivers under Section 404 of the Clean Water Act(or if such regulatory authority has been delegated to ADEQ, shall obtain the equivalent permit or waivers from ADEQ). For purposes of this SECTION 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. INSURANCE

16.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

16.1.1 *Commercial Automobile Liability* ($1,000,000.00 per occurrence) insurance covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of commercial activities, or that are operated within the AOA. If any hazardous materials are transported within Airport boundaries in conjunction with the operator's business activities, an MSC-90 Endorsement is required.

16.1.2 *Environmental Impairment Liability* ($2,000,000.00 per occurrence) insurance covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, piping, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained on the Airport, and including expenses for defense, release mitigation and off- and on-site remediation.

16.1.3 *Comprehensive General Liability* ($2,000,000.00 per occurrence) insurance covering third party bodily injury and property damage, including coverage for "premises/operations," "products and completed operations," "professional," "host liquor" and "blanket contractual liabilities."

16.1.4 *Property* (full value of essential property and Improvements, if any, on an all risks, replacement cost basis) insurance covering all essential personal property (property essential to continued business operations) and all operator improvements made to buildings or facilities on the Airport, including all replacements and/or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires an ISO Special Causes of Loss form.

16.1.5 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000.00 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

16.2 Form. Each insurance policy obtained pursuant to this SECTION, except for *Worker's Compensation* and *Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

16.3 Certificates of Insurance. Lessee shall deliver a certificate of insurance for each policy required along with an endorsement naming Phoenix-Mesa Gateway Airport Authority as additional insured, herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the term of this Lease.

16.4 Additional Insurance. At any time during the term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this SECTION 16 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

16.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

16.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this SECTION. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

17. SURRENDER OF POSSESSION

17.1 Condition of Property.

17.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall be deemed abandoned, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided

herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

17.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required by Lessor, be permanently removed from the Premises by Lessee, at Lessee's expense, within FIVE (5) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

17.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee.

18. INSPECTION BY LESSOR

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor may enter immediately and shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

19. NOTICES

19.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses or at such address as either Party may advise the other from time to time:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: Essential Turbines, Inc.
Attn.: Reid Selover Jr., VP/General Manager - USA
7808 East Velocity Way
Mesa, Arizona 85212
Phone: (602) 226-2358
Email: rselover@essentialturbines.com

19.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service.

20. SEVERABILITY

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

21. APPROVALS, CONSENTS AND NOTICES

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

22. LIENS AND MORTGAGES

22.1 Fee Mortgagees. Lessor may mortgage its fee interest in the Premises.

22.2 Reserved.

23. GOVERNING LAW; ATTORNEY'S FEES

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

24. COMPLIANCE WITH LAWS, RULES AND REGULATIONS

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **EXHIBIT D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Premises and at the Airport. Lessee also shall display to Lessor any permits, licenses, or other evidence of compliance with laws upon request.

25. CORPORATE AUTHORIZATION

In executing this Agreement, Lessee represents and warrants to Lessor that if Lessee is a corporation, Lessee has obtained and been granted the full right, power and authority to enter into this Lease.

26. UTILITY LINES AND SERVICE CHARGES

26.1 Connections and Services.

26.1.1 Lessee Responsibility. Lessee shall, at no cost or expense to Lessor, provide or arrange for telecommunications, janitorial, gas, and any additional public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon (other than those described in SECTION 26.1.2 herein), and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

26.1.2 Lessor Responsibility. Lessor shall arrange and pay for electric, water, and sewer public utilities as a part of Base Rent. Lessor shall not be liable to Lessee for any interruption of utility services to the Premises not caused by Lessor, its agents, employees or contractors; provided, however (i) Lessor shall be obligated to use its best efforts to obtain the resumption of such utility services as quickly as is reasonably possible (unless such interruption of service was caused by the negligence of Lessee, or anyone acting by, through or under Lessee), and (ii) if any utility service is interrupted as a result of acts or omissions of Lessor, its agents, employees or contractors, there shall be an abatement of Base Rent on a per diem basis during the period that such interruption continues.

26.1.3 Lessor Utility Payment Cap. Lessor's total utility payment responsibility (as defined in SECTION 26.1.2 herein) shall be capped at SEVEN HUNDRED 00/100 DOLLARS ($700.00) per month (the "Lessor Utility Payment Cap"). Should Lessee's use of the Premises result in a combined, total utility usage payment by Lessor (for the utilities Lessor is responsible for as defined in SECTION 26.1.2) then Lessee shall reimburse Lessor for the gross dollar amount over the Lessor Utility Payment Cap within THIRTY (30) days.

26.2 Payment. Lessor shall pay electric, water, and sewer utilities. Lessee shall pay for all other utilities needed including trash collection, as used in its operations at the Airport and the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

26.3 Continued Use and Repair. Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises and the right to repair the same when necessary in Lessor's sole discretion, including but not limited to, any utility easements on the Premises. Lessor shall conduct such repairs in such a manner and at such times as to not unreasonably interfere with Lessee's activities thereon.

27. RESERVATIONS TO LESSOR

The Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to unreasonably interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises. All work shall be in compliance with all applicable laws, including Environmental Laws, and the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Laws of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to, at a minimum, the same conditions applicable to Lessor under this Section 27, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

28. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS

28.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

28.2 Lessee agrees that: (a) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (b) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (c) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

28.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

28.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

28.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

28.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport.

28.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

28.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

28.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

28.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

28.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

28.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and

taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

28.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

28.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

29. TITLE VI

29.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

29.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

29.2.1 Compliance with Regulations. Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

29.2.2 Non-discrimination. Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

29.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

29.2.4 Information and Reports. Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

29.2.5 Sanctions for Noncompliance. In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or
(b) cancelling, terminating, or suspending the Lease, in whole or in part.

29.2.6. Incorporation of Provisions. Lessee will include the provisions subsections 29.2.1 through 29.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

29.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (a) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (b) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (c) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

29.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act

of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

29.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

30. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

31. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

32. INCORPORATION OF QUITCLAIM DEED

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government (the "**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

32.1 That this Lease is subject to all terms and conditions of the Deed; and

32.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

33. REQUIRED PROVISIONS OF QUITCLAIM DEED

33.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

33.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

33.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

33.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

33.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

34. AIRPORT SECURITY

34.1 Airport Security Plan.

34.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

34.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

34.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

34.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

34.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

34.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

34.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

34.2 Airport Security Badge.

34.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, Lessee's employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

34.2.2 Lessee and Lessee's employees and contractors shall comply with all security related audits, inspections, and screenings conducted by Lessor's Operations Department.

34.2.3 Lessee will promptly return badges to Lessor's badging office when badge holders employment is terminated, the badge is no longer needed or the employee/contractor is on extended leave.

34.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining of badge holders, and/or suspension or revocation of one or all misused badges.

35. DEFAULT BY LESSOR

In the event of any alleged breach by Lessor of its covenants contained in this Lease, Lessee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Lease; provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder.

36. BROKERS

Per Lessor's Commercial Real Estate Brokers and Agents Commission Policy (Resolution # 15-04), Lessor shall pay a commission of FOURTEEN THOUSAND, FOUR HUNDRED SIXTY-SEVEN 29/100 DOLLARS ($14,467.29) to the brokerage of DPR Commercial Realty (acting through Kristie Phelps) within thirty (30) calendar days following the Effective Date. The Parties acknowledge that DPR Commercial Realty (acting through Kristie Phelps), is the exclusive representing broker for Lessee and there are no other acting brokers as part of this Lease. Lessor shall send the commission payment to:

DPR Commercial Realty
301 E. Bethany Home Road, Suite A-125

Phoenix, Arizona 85012

37. SALE BY LESSOR

Lessee agrees to look solely to Lessor's interest in the Premises for the recovery of any judgment from Lessor, it being agreed that neither Lessor nor the holders of the equity interests of Lessor, nor the members, partners, officers, directors or shareholders of Lessor shall be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

38. ESTOPPEL CERTIFICATE

Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request of Lessor to do so, certify, by written instrument duly executed and acknowledged by Lessee and certified to Lessor and to any prospective lender or purchaser: (a) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (b) as to the existence of any default hereunder to the best of Lessee's knowledge; (c) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (d) as to whether the Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (e) as to any other matters as may be reasonably requested. Lessor and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

39. UNAVOIDABLE DELAY

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under SECTION 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

40. MISCELLANEOUS

40.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

40.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

40.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

40.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

40.5 Litigation Expenses. In the event of litigation between Lessor and Lessee in connection with this Lease, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

40.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

40.7 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

41. INCORPORATION OF RECITALS

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

Board Action Item

Re: Resolution 22-81

To:	**Board of Directors**
From:	**Chuck Odom, Chief Financial Officer**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Insurance Broker Services- All Lines Other Than Health & Welfare/Benefits**
Date:	**December 20, 2022**

Proposed Motion

To authorize a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with Alliant Insurance Services, Inc. (Alliant) for Insurance Broker Services in an amount not to exceed $265,000 over the five (5) year period.

Narrative

Alliant, as the insurance broker of record, will procure Airport Liability, Property, Automobile, Fuel Farm & Inland Marine, Crime, Cyber, Director & Officers/Employment Practices, Environmental, Fiduciary, and Worker's Compensation policies on behalf of Phoenix-Mesa Gateway Airport Authority.

Request for Proposals No. 2023-011-RFP for Property and Casualty Insurance Broker Services was issued on September 20, 2022 and advertised in the Arizona Business Gazette on September 22 and 29, 2022 and October 6 and 13, 2022. The notice was also posted on PMGAA's website as well as the Arizona Airports Association, Airport Consultants Council, the Southwest American Association of Airport Executives websites. In addition, the solicitation notice was emailed to sixteen prospective respondents. PMGAA received two proposals on October 20, 2022 from the following firms:

Alliant Insurance Services, Inc.
Mountain West Series of Lockton Companies, LLC

PMGAA staff evaluated the proposals received and recommends contract award to Alliant based on the fees charged, extensive airport, aviation, and environmental experience, in depth market knowledge, as well as PMGAA's access to insurance aviation experts throughout the company. Alliant was ranked number one unanimously by the Evaluation Panel.

The base contract period is from July 1, 2023, through June 30, 2026.

Fiscal Impact

The first year of the contract is budgeted in the FY24 Insurance Budget. The remaining years fees will be budgeted in the appropriate fiscal years.

Attachment(s)

Professional Services Agreement

RESOLUTION NO. 22-81

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with Alliant Insurance Services, Inc. (Alliant) for Insurance Broker Services in an amount not to exceed $265,000 over the five (5) year period;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with Alliant Insurance Services, Inc. (Alliant) for Insurance Broker Services in an amount not to exceed $265,000 over the five (5) year period. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 20th day of December, 2022.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230151** ("Contract") and the attached exhibits. Alliant Insurance Services, Inc., a California C Corporation ("Consultant"), with its principal offices located at 18100 Von Karman Avenue, 10th Floor, Irvine, CA 92612, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Insurance Broker Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Chief Financial Officer, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

Consultant must possess and keep in force all licenses and permits required to perform the services listed herein throughout the Contract Term and any renewal thereof.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on July 1, 2023 and ends on June 30, 2026 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended period. All fees for the optional renewal terms are provided for in **EXHIBIT A**, "Scope of Services & Fee Schedule.". Any extension of this Contract shall require an amendment signed by both parties.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant itself shall provide all services to be performed under this Contract. If Sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. Consultant shall maintain a full-service office within Maricopa County.

E. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit an invoice to PMGAA, in accordance with **EXHIBIT B**, "Compensation", for the Annual Fee.

A. For the first year of the Contract, Consultant shall submit an invoice to PMGAA for the Annual Fee within thirty (30) days from the Contract Commencement date. PMGAA shall pay Consultant the first year's Annual Fee within thirty (30) days of receipt, review, and approval of Consultant's invoice.

B. For subsequent years and any Renewal Term, Consultant shall submit an invoice to PMGAA for the Annual Fee within thirty (30) days from the anniversary date of the Contract. PMGAA shall pay Consultant the Annual Fee within thirty (30) days of receipt, review, and approval of Consultant's invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of and to the extent caused by Consultant's acts, errors, or omissions of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $5,000,000 per occurrence, claim or incident.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.
   v. Privacy Liability: Liability arising out of the breach of personally identifiable information whether the disclosure is committed intentionally, negligently, electronically or non-electronically in the amount of $2,000,000 per occurrence, $2,000,000 aggregate.

D. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

i. Notice of Cancellation: Each insurance policy required above, except for Professional Liability, shall provide that coverage shall not be canceled, except with notice to PMGAA.

ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.

iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it, except for Professional Liability.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least three (3) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of three (3) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances upon notice and approval of Consultant.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

1. Consultant shall provide insurance brokerage services to PMGAA staff in continuing to develop PMGAA's insurance programs and operation of commercial risk management programs including, but not limited to the following:
    a. Market PMGAA's insurance program for coverage when instructed to do so by PMGAA, including assisting PMGAA staff in the completion of all applications, documents and gathering data which may be requested by insurance companies.
    b. Analyze proposals received from various insurance companies and other parties, negotiate changes for the benefit of PMGAA and verify the reasonableness of the price for the coverage provided. Make recommendations to PMGAA as to the most advantageous insurance program providing the highest level of coverage at the best possible price to meet PMGAA's needs and objectives.
    c. Provide PMGAA with a summary of various insurance program quotations and options, including but not limited to: limits, coverages, retention levels, terms, conditions, and payment options.
    d. Provide analysis and recommendations as to the most cost-effective means for addressing PMGAA's airport exposures.
    e. Represent PMGAA in all negotiations with insurers, underwriters and other parties with regard to the insurance program.
    f. When instructed to do so by PMGAA, administer the placement of coverage and provide original binders, policies and endorsements as required by PMGAA.
    g. Provide extensive review of binders and policies including verification of conformity to specifications. Request any necessary endorsements/changes/revisions that may be required.
    h. Provide verifications of insurance, as needed by PMGAA, to satisfy various lending institutions, mortgage holders, lessors and contracts.
    i. Assure that insurance policies are placed with insurance companies classified by A.M. Best's Key Rating Guide as A+ and Class 7, or better and keep PMGAA informed of any changes in rating of the companies and make recommendations should ratings change during the policy term.
    j. Continually evaluate PMGAA's insurance program and recommend coverage changes, including additional coverages, and improvements to provide the highest level of coverage at the least possible cost to PMGAA.
    k. Oversee and coordinate all relevant services performed by insurance companies/underwriters or any service agencies.
    l. Perform administrative and clerical services relative to account management, including but not limited to, issuance of certificates of insurance, and verification of audits and all premium adjustments.
    m. If applicable, submit all premiums/payments to carriers, and other parties.
    n. Assign an Account Manager to PMGAA who will be responsible for communication with PMGAA staff and who, along with any other team members assigned, must be available on a daily basis to PMGAA staff for advice and consultation on insurance program related issues and concerns.
    o. Audit current lines and limits and ensure all are in line with other similar size airports and also meet the benchmarks associated with industry standards.
    p. Provide, on an annual basis, a comprehensive risk exposure evaluation to identify avenues for risk transfer of actual or potential loss faced by PMGAA.
    q. Review any related insurance company audits for accuracy.
    r. Provide PMGAA with aviation insurance market trends on a regular basis.
    s. Work with PMGAA staff to review insurance requirements / recommendations for all contracts and agreements PMGAA enters into in order to ensure proper coverage for PMGAA.
    t. Act as PMGAA's agent with carriers to resolve claims.
    u. Provide loss control services to include analyzing of current programs and providing recommendations to improve. This should include reviewing of open claims and trends with respect to loss control.

v. Provide training on insurance coverage, industry recommendations, insurance terminology, etc. to PMGAA staff as requested.
w. Offeror understands that it will be representing and working on behalf of PMGAA for the term of this Contract.

FEE SCHEDULE

The fees stated herein are all inclusive, meaning that all related items, including labor, deliverables, tools, materials, equipment, supplies, expenses, etc. shall be factored into the fees listed below. Travel, including airfare, hotel, meals, and any other related accommodations are Consultant's responsibility and will not be reimbursed or paid for by PMGAA.

In cases where commission is mandated by the desired plans/policies, Consultant shall notify PMGAA in writing and such commission shall be deducted from the agreed upon Annual Fee paid by PMGAA.

For the services provided herein, PMGAA agrees to pay Consultant the not to exceed amounts listed below.

Annual Fee:

$ 50,000.00 Year One, July 1, 2023 – June 30, 2024

$ 51,500.00 Year Two, July 1, 2024 – June 30, 2025

$ 53,000.00 Year Three, July 1, 2025 – June 30, 2026

$ 54,500.00 Year Four, Optional Extension, July 1, 2026 – June 30, 2027

$ 56,000.00 Year Five, Optional Extension, July 1, 2027 – June 30, 2028

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed, or to be performed. Consultant's invoices must specify that Consultant has performed, or will perform, the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare and submit invoices in accordance with the Contract terms.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Submittals

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. Civil Rights Act of 1964, Title VI – Assurances

During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:

a. Compliance with Regulations – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

d. Information and Reports – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
ii) Cancellation, termination, or suspension of the Contract, in whole or in part.

f. Incorporation of Provisions – The contractor will include the provisions of paragraphs one through six of this **EXHIBIT C** in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. <u>Secured Area Access</u> – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA All Consultant and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

i. All fees must be paid to PMGAA by cash or check.
ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying

the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

8. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice.

   c. If this Contract is canceled or terminated, then PMGAA is liable only for services rendered and/or material received, certified, and approved by PMGAA under the Contract before the cancellation/termination effective date. If cancelled or terminated prior to the Contract expiration date, the Annual Fee stated in **Exhibit A**, "Scope of Services and Fee Schedule", shall be prorated and Consultant shall return any portion owed to PMGAA within thirty (30) calendar days of the Contract cancellation/termination date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled

by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights

of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to reasonable attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from and to the extent caused by Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Not Used.**

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to reasonable attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives, in the manner contemplated by or required in connection with the performance of the Contract, of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract. Except as required by any open records laws(s) with which PMGAA must comply, PMGAA will and cause its agents to otherwise maintain Consultant's non-public records as confidential as against third parties.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

Board Action Item

Re: Resolution 22-82

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Fuel Farm Expansion CMAR Construction Services Contract and GMP 1 Early Works Procurement – KEAR Civil Corp, CIP 1224**
Date:	**December 20, 2022**

Proposed Motion

To approve a Construction Manager At Risk (CMAR) Construction Services Contract and GMP 1 Early Works Procurement for the Fuel Farm Expansion Project with KEAR Civil Corp. (KEAR), in an amount not to exceed $1,678,587.20 under CIP 1224.

Narrative

Due to the increased commercial aircraft passenger traffic and the additional airlines utilizing PMGAA, Airport staff had an analysis completed of the existing and anticipated Jet-A Fuel Storage Capacity that is needed at the Fuel Farm. Currently the Airport has a usable storage capacity of 225,000 gallons of Jet-A Aviation Fuel, which has been determined by a consultant and Airport Staff to be approximately a little over three (3) days of storage reserves on hand. Based on recent growth patterns, within the next five years, this number is anticipated to be significantly less than three days of storage reserves on hand. Industry standard is 5 to 7 days storage to allow for disruptions and supply challenges. With the findings from this recent study, PMGAA staff has determined the need for an expansion to the Fuel Farm is in order to accommodate appropriate Jet-A Fuel Storage Capacity.

The Contractor, KEAR, is currently providing Pre-Construction Services as a CMAR and will add three (3) additional 50,000-gallon (gross) Jet-A fuel storage tanks, fuel lines, pumps and will utilize the airport controlled vacant lot adjacent to the existing fuel farm in order to provide an interim fuel solution.

The GMP 1 Early Works Procurement is needed in order to purchase very long lead items that include the steel fuel tanks, piping and other items that are necessary for the Fuel Farm Improvements Project. PMGAA staff will present an additional GMP (GMP 2) to install and construct the improvements to the Board for review and consideration at a later date.

The Request for Qualifications (RFQ) Solicitation 2022-024-RFQ – CMAR for Fuel Farm Expansion, was issued on March 31, 2022, and advertised in the Arizona Business Gazette on 4/7, 4/14 and 4/21/22. It was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 97 prospective firms. The Statements of Qualification (SOQ) opening was held on April 25, 2022, and four (4) SOQ's were received.

Archer Western
JE Dunn
Kear Civil Corp.
SDB

The panel unanimously ranked KEAR as the firm most qualified and that best satisfies the requirements for this project. The PMGAA Executive Team concurred with this selection.

Fiscal Impact
This CMAR Construction Services Contract and GMP 1 Early Works Procurement is included in the FY23 Capital Budget and is funded with PMGAA non-grant funds under CIP 1224.

Attachment(s): CMAR Construction Services Contract and GMP 1 Early Works Procurement

RESOLUTION NO. 22-82

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve a Construction Manager At Risk (CMAR) Construction Services Contract and GMP 1 Early Works Procurement for the Fuel Farm Expansion Project with KEAR Civil Corp., in an amount not to exceed $1,678,587.20 under CIP 1224;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves a Construction Manager At Risk (CMAR) Construction Services Contract and GMP 1 Early Works Procurement for the Fuel Farm Expansion Project with KEAR Civil Corp., in an amount not to exceed $1,678,587.20 under CIP 1224. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 20th day of December, 2022.

3. AFTEC Proposal
4. Plans & Specifications
5. Clarifications & Assumptions
6. Project Schedule

1. SCOPE OF WORK

Overall Project Description

This GMP has been assembled for the procurement of long lead items for the Fuel Farm Expansion Project at Phoenix-Mesa Gateway Airport. The project increases fuel storage capacity of the existing fuel farm and will tie-in to the existing fuel storage system. Civil and electrical improvements will be made to the existing infrastructure and site to accommodate the expansion of the fuel farm storage capacity by 150,000 gallons of Jet A fuel.

GMP 1 Description

GMP 1 is defined by the work description provided with the RFP documents for the early procurement of Above Ground Storage Tanks and Catwalks to be installed during GMP 2. PMGAA has requested three (3) 50,000-gallon Jet A UL 142 storage tanks with catwalks for procurement as outlined below.

GMP 1

Provide (3) 50,000-gallon (NOM) UL 142 Double Wall Above Ground Fuel Storage Tanks.

- Catwalks, landings and stairs per drawings
- Saddles, fittings manways, ladders and drop tubes per drawings
- Tank Accessory Package
  - (3) Primary Vent
  - (3) Emergency Vent
  - (6) 36" Manway Hatches
  - (6) Manual Gauge Hatches
  - (3) 6” Floating Suction Assemblies (Shipped Loose)
- Coating Package
  - Internal Coating: Sandblast and Two-Coat System
  - External Coating: Sandblast and Two-Coat System
  - Third Party NACE Inspections
- Shipping FOB to jobsite

5. CLARIFICATIONS & ASSUMPTIONS

The following items are clarifications and assumptions that have been used in assembling this GMP. The intent of this document is to provide additional clarification for scope of work pricing in addition to documents issued by Kimley-Horn & Associates, Swanson-Rink and PMGAA.

Contractual Clarifications & Assumptions

1. Costs for all permits have not been included in this GMP.
2. GMP pricing is based off current market conditions, pricing does not account for and is subject to change due to market fluctuation stemming from changes in law or governmental policy, tariffs or other circumstances impacting costs of construction. Cost is based on the assumption that approval will be granted December 20, 2022, and contract issued the following day to ensure we can have the vendor under contract prior to the end of December.
3. GMP pricing is based on the plans and specifications in Section 4. We exclude any costs associated with design revisions, tenant & stakeholder comments & city comments.
4. As directed by PMGAA bond costs are excluded from this proposal and we have included the full AZ TPT tax amount.

Technical Clarifications & Assumptions

The costs included in this GMP are reflective of the state of design based off the GMP contract design documents referenced in Section 4. KEAR reserves the right to reconcile any of the included work categories upon completion of design review by PMGAA for any future changes in scope stemming from design completion or other factors.

EXCLUSIONS

- Unloading or handling of any material procured in this GMP
- Installation of tanks or appurtenances is not included in this GMP
- Tank accessories not specifically listed will not be provided in this GMP
- Seismic Calculations
- Onsite Testing or Training
- Touch Up Coatings
- Tank Labeling and Identification
- Foundation anchor bolts
- Builders Risk/All Risk
- Retention

CLARIFICATIONS

- Third Party NACE Inspections to be provided under manufacturers contract
- Warranty Period to commence upon final tank delivery
- Freight FOB to jobsite is included
- Delivery assumed to be concurrent with onsite construction

6. PROJECT SCHEDULE

- December Board Approval December 20, 2022
- Issue Purchase Order to Vendor December 22, 2022
- Submittal Package sent for Engineer Review January 18, 2023
- Receive Approved Submittals February 16, 2023
- Fabricate and Deliver Tanks September 15, 2023

ARTICLE 2 – CONTRACT DOCUMENTS

2.1 CONTRACT DOCUMENTS

The Contract between Owner and CMAR shall consist of the following Contract Documents:

1. This Contract and all of its Exhibits, including subsequent Specifications and Plans
2. The Request for Qualifications (RFQ) requirements (2022-024-RFQ) , documents, and CMAR's submittal to such solicitation dated 04/25/2022
3. Any plans and drawings
4. Any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").
5. Guaranteed Maximum Price (GMP)

2.3 PROJECT SPECIFIC CONDITIONS

If there are any additional conditions that apply to this Project, they are set forth in the attached Exhibit A, and are incorporated herein.

2.4 PROJECT PLANS AND SPECIFICATIONS

A detailed list of the Plans and Specifications for this Project are set forth in the attached Exhibit B.

ARTICLE 3 – PRE-CONSTRUCTION SERVICES

Although CMAR has performed Pre-Construction Services pursuant to a separate Contract between Owner and CMAR, the completion, quality and accuracy of those services and the deliverables provided by Owner thereunder directly impact CMAR's performance of its obligations under this Contract. Therefore, all of CMAR's obligations, duties, and warranties in relation to Pre-Construction Services and deliverables survive completion of the Pre-Construction Services Contract and are incorporated herein. Any breach of any of CMAR's duties, obligations, or warranties under the Pre-Construction Services Contract shall likewise be considered a breach of this Contract.

ARTICLE 4 – CONSTRUCTION SERVICES

4.1 GENERAL

4.1.1 CMAR agrees at its own cost and expense, to do all work necessary and required to fully, timely and properly complete the construction of the Project in strict accordance with the Contract Documents in a good and workmanlike manner, free and clear of all claims, liens, and charges whatsoever, in the manner and under the conditions specified, and within the Project Schedule included in Exhibit A of this Contract.

4.1.2 CMAR shall provide all of the labor and materials and perform the Work in accordance with the Contract Documents. Some but not all of the major components of the Construction Services are set forth below.

4.1.3 At all times relevant to the Contract and performance of the Work, the CMAR and its subcontractors shall fully comply with all Laws, Regulations, or Legal Requirements applicable to Owner, the Project and the Contract.

4.1.4 CMAR shall perform the Work under this Contract using only those firms, team members and individuals designated by CMAR consistent with the Statement of Qualifications dated 04/25/2022, the GMP Proposal, or otherwise approved in writing by Owner. No other entities or individuals may be used without prior approval of the Project Manager.

4.1.5 CMAR will comply with all terms and conditions of the Contract Documents, as well as the Owner's published Rules & Regulations and Minimum Standards (Exhibit F).

4.1.6 In the event of a conflict between this Contract and any exhibit hereto or appendix thereto, the terms of this Contract shall control, but nothing in this contract shall be construed so as to either (i) Violate any term or condition of the Owner's published Rules & Regulations or Minimum Standards; or (ii) Violate Owner's mandatory subordination to its federal obligations, pursuant to Federal Aviation Administration ("FAA") Policies (2009) (including, but not limited to § 1.1, § 1.5, § 12.3, §10, § 14.1, *et. seq*.) and federal statutory authority, including, but not limited to, 49 U.S.C. §40103(a) (establishes the federal government's total dominance over the airspace of the United States, including, U.S. airports).

4.1.7 Ownership of Work Product. Notwithstanding anything to the contrary in this Contract, all Work Product prepared or otherwise created in connection with the performance of this Contract, including the Work, are to be and remain the property of Owner. For purposes of this provision, "Work Product" shall include all designs, drawings, plans, specifications, ideas, renderings and other information or matter, in whatever form created (e.g., electronic or printed) and in all media now known or hereinafter created. All Work Product shall be considered Work Made for Hire as defined in the United States Copyright Act 17 U.S.C. § 101 (Copyright Act). If for any reason any such Work is found not to be a work for hire, CMAR hereby transfers and assigns ownership of the copyright in such Work to Owner. The rights in this section are exclusive to Owner in perpetuity.

4.2 CMAR's PRE-CONTRACT AND PRE-WORK DELIVERABLES

The CMAR will provide the insurance in accordance with Article 11 of this Contract prior to any work commencing.

Owner will obtain and pay for all permits necessary for the work.

4.3 PRE-CONSTRUCTION CONFERENCE

CMAR shall attend the Pre-Construction Conference.

4.4 PERFORMANCE OF THE WORK (INCLUDING FIELD MEASUREMENTS, SUBCONTRACTORS, AND SUPPLIERS)

Not Used.

4.5 CONTROL OF THE PROJECT SITE

Not Used.

4.6 PROJECT SAFETY

Not Used.

4.7 MATERIAL SUBSTITUTIONS

4.7.1 Requests for Substitutions. After the Contract has been executed, the Owner and Architect may consider, but shall have no obligation to consider, a formal request for the substitution of products in place of those specified under the conditions set forth herein and those set forth in the Technical Specifications. The decision in the first instance on acceptance or rejection of proposed alternate, substitute or similar materials, products, equipment or systems shall be vested in the Architect, and ultimately with the Owner, whose decision shall be final and binding.

4.7..2 Conditions for Substitutions. By making requests for substitutions, the CMAR (1) represents that the CMAR has personally investigated the proposed substitute product and determined that it is equal or superior in all respects to that specified, (2) represents that the CMAR will provide the same warranty for the substitution that the CMAR would for that specified, (3) certifies that the cost data presented is complete and includes all related costs under the Contract except the Architect's analysis and redesign costs, and waives all claims for additional costs related to the substitution which subsequently become apparent, and (4) will coordinate the installation of the accepted substitute, making such changes as may be required for the work to be complete in all respects.

4.7.3 Criteria for Acceptance or Rejection of Substitutes. Acceptance or rejection of proposed alternate, substitute, or similar materials, products, equipment or systems for use may be based on the construction, design, function, type, size, capacity, performance, strength, durability, finish, aesthetic quality, the Owner's standard for repair, replacement and maintenance or other characteristics or criteria approved by the Owner.

4.7.4 Expense for Modification. The CMAR proposing the substitution shall pay any modification to the Contract or work necessary as a result of the use of an approved alternate or substitute.

4.7.5 Rejection of Substitute. If any alternate or substitute is not approved, the CMAR shall use the specified material, product, equipment or system without adjustment to the Contract Sum or Contract Time.

4.8 PROJECT RECORD DOCUMENTS

CMAR shall maintain and make available to Owner any Project Record Documents.

4.9 WARRANTY AND CORRECTION OF DEFECTIVE WORK

4.9.1 CMAR warrants to the Owner and Architect that materials and equipment furnished under the Contract will be of first quality and new. Materials and equipment not conforming to these requirements, including substitutions not properly approved and authorized, shall be considered defective. This warranty is in addition to and not limited by the provisions of Section 12.2.

4.9.2 Assignment of Warranties. The CMAR shall assign to the Owner, before Final Payment is due, all manufacturer's warranties relating to equipment and materials used in the work.

ARTICLE 5 – OWNER RESPONSIBILITIES

5.1 Owner shall have the responsibilities, and provide the information specified in, and subject to the conditions set forth throughout the Contract Documents.

5.2 Additional information to be provided by Owner, if any, is listed below:

Final Contract Documents.

ARTICLE 6 – CONTRACT TIME

Contract Duration is 300 calendar days

6.1 CONTRACT TIME

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Final Acceptance, as set forth in Article 6.4 below. The Notice to Proceed cannot be issued prior to the approval and acceptance by Owner of the GMP or Fixed Price.

6.1.2 CMAR agrees that it will commence performance of the Work and complete the Project through both Substantial Completion and Final Completion within the Contract Time.

6.1.3 Time is of the essence of this Contact, for the Project, and for each phase and/or designated Milestone thereof.

6.2 PROJECT SCHEDULE

The Project Schedule approved as part of the GMP Proposal and incorporated herein as part of the attached Exhibit A shall be updated and maintained throughout CMAR's performance under this Contract.

6.2.1 Failure on the part of CMAR to adhere to the approved Project Schedule will be deemed a material breach and sufficient grounds for termination for cause of this Contract by Owner.

6.3 SUBSTANTIAL COMPLETION

Substantial Completion shall be achieved not later than the Substantial Completion Date set forth in the Project Schedule.

6.4 FINAL COMPLETION AND FINAL ACCEPTANCE

6.4.1 Final Completion will be obtained within the time period set forth in the Project Schedule.

6.4.2 Final Completion will be determined, and Final Acceptance will be issued, pursuant to the following:

6.4.2.1 Following the issuance of a Certificate of Substantial Completion for the work and upon completion of the work, the CMAR shall forward to the Architect a written notice that the work is ready for final inspection and acceptance and shall also forward to the Architect a final Application for Payment. Upon receipt, the Architect will promptly make such

inspection. When the Architect, upon consultation with the Owner, finds the work acceptable under the Contract and the Contract fully performed, the Architect will promptly issue a final recommendation stating that to the best of its knowledge, information and belief, and on the basis of its observations and inspections, the work has been completed in accordance with the Contract and that the remaining Contract Sum is due, including all retainage, less authorized deductions.

6.5 LIQUIDATED DAMAGES

6.5.1 **Final Completion Liquidated Damages.** For the same reason set forth in Article 6.1.3 above, Owner and CMAR further agree that if CMAR fails to achieve Final Completion of the Work within the time set forth in Article 6.4.1 above, Owner shall be entitled to retain or recover from CMAR, as liquidated damages and not as a penalty, the following per diem amounts (which the Parties agree is a reasonable approximation of any resulting damages) commencing from the actual date of Substantial Completion or the Final Completion Date as required under the Contract, whichever is later, until the actual date of Final Completion:

$710 per calendar day.

6.5.2 Owner may deduct liquidated damages described in this Article 6.5 above from any unpaid amounts then or thereafter due CMAR under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due CMAR shall be payable to Owner at the demand of Owner, together with interest from the date of the demand at the highest lawful rate of interest payable by CMAR.

ARTICLE 7 – CONTRACT PRICE

7.1 CONTRACT PRICE

7.1.1 In exchange for CMAR's full, timely, and acceptable performance and construction of the Work under this Contract, and subject to all of the terms of this Contract, Owner will pay CMAR the "Contract Price" which:

The sum of the CMAR's Fee and reimbursable Cost of the Work, which the CMAR guarantees will not exceed the GMP set forth in Exhibit A, in the amount of **$1,678,587.20**. Costs which would cause the GMP to be exceeded shall be paid by CMAR without reimbursement from Owner.

7.1.2 The Contract Price is all-inclusive and specifically includes all fees, costs, insurance, taxes and any type necessary to fully, properly and timely perform and construct the Work encompassed in attached Exhibit A.

7.1.3 The contract price may only be changed as set forth in the Contract Documents.

7.1.4 Only costs specifically designated as reimbursable costs are eligible for payment by Owner or may be charged against the Contract Price. All other costs will not be paid by Owner and shall not be chargeable against the Contract Price.

7.1.5 For Contract Amendments, Change Orders, or Job Orders reimbursable costs shall be determined pursuant to MAG Specifications 109.5.

7.2 ALLOWANCES

Contractor shall include in the Contract Price all Allowances stated in the Contract Documents and agreed to in writing by Owner. Items covered by these Allowances shall be supplied for such amounts and by such persons as Owner may direct, provided Contractor will not be required to employ persons against whom Contractor makes a reasonable objection. Materials and equipment under an Allowance shall be selected by Owner in accordance with a schedule to be mutually agreed upon by Owner, Design Professional and Contractor or otherwise in reasonably sufficient time to avoid delay in the Work.

7.2.1 Unless otherwise provided in the Contract Documents:

7.2.1.1 These Allowances shall cover the cost to Contractor, less any applicable trade discount, of the Materials and equipment required by the Allowances, delivered at the Site, and all applicable taxes;

7.2.1.2 Contractor's costs for unloading and handling on the Site, labor, installation costs, overhead, profit and other expenses relating to Materials and Equipment required by the Allowance shall be included in the Contract Sum and not in the Allowance; and

7.2.1.3 Whenever the cost is more or less than the Allowance, the Contract Sum shall be adjusted accordingly by Change Order, the amount of which will recognize the difference between actual costs for an Allowance item and the amount of the Allowance item and changes, if any, in handling costs on the Site, labor, installation costs, overhead, profit and other expenses.

7.3 CONTINGENCY

An agreed to amount in the GMP that may only be used in accordance with the Contract Documents and with prior written approval by Owner.

7.4 FINAL PAYMENT

If the Contract Price is based upon a GMP, as a further condition precedent to Final Payment by Owner, Contractor must submit to the Project Manager a complete final accounting of the Actual Reimbursable Cost of the Work, including all such documentation (including, without limitation, invoices, subcontracts, subcontractor change orders, purchase orders, records of payment, etc.) as Owner may require, to establish whether the payments made to Contractor equal, exceed, or are less than the Actual Reimbursable Cost of the Work to date.

Any excess payments by Owner, as determined by the Project Manager, shall be deducted from the one-half retention payment to be made to Contractor, and any additional excess amounts paid to Contractor shall be refunded by Contractor to Owner. Disputes relating to the Final Cost of the Work shall be subject to Owner's audit rights and 7.5 below, and the dispute resolution process under Article 13 of this Contract.

7.5 OPEN BOOK

On any GMP-based or Change Order, Owner may attend any and all meetings or discussions pertaining to the Project, including bid openings, and shall have access to all books, invoices, accounts, memoranda, correspondence, and written communications or records of any kind pertaining to the Project, including without limitation, those stored in electronic format.

ARTICLE 8 – PAYMENT

Payments shall be made to CMAR in accordance with this Article 8 and Article 7 above.

8.1 Payment for Stored Materials. Unless otherwise provided in the Contract, payments shall be made on account of materials delivered and suitably stored at the Site for subsequent incorporation in the work. Payment will not be made for materials and equipment suitably stored off the Site. Payment for materials and equipment stored on the Site shall be conditioned upon (1) compliance by the CMAR with procedures satisfactory to the Owner to establish the Owner's title to such materials and equipment or otherwise protect the Owner's interest, (2) property insurance as set forth in Article 11, and (3) transportation to the Site. The Owner will not consider requests to pay for items that are stored offsite, or off-the-shelf type materials not requiring a long lead time to order.

8.2 Lien Waivers. The CMAR warrants that title to all materials covered by an Application for Payment will pass to the Owner no later than the time of payment. The CMAR also warrants that upon submittal of an Application for Payment all materials for which payments have been received from the Owner shall be free and clear of liens, claims, security interests or encumbrances in favor of the CMAR, Subcontractors, or other persons or entities making a claim by reason of having provided materials or equipment relating to the work. All Applications for Payment shall include lien waivers executed by the CMAR and all Subcontractors providing equipment or materials for the work. If a sub-subcontractor, vendor, supplier, manufacturer, or other entity or person supplying equipment, or materials related to the work refuses to furnish a lien waiver for CMAR's Application for Payment, the CMAR shall furnish a bond satisfactory to the Owner against such possible lien prior to payment. Payment shall not be due until CMAR furnishes such bond. The CMAR shall also indemnify defend and hold harmless the indemnified parties against any lien by any sub-subcontractor, vendor, supplier, manufacturer or other entity or person supplying equipment, or materials related to the work.

8.3 Timing for Payment. The Owner shall pay the CMAR in accordance with Arizona Revised Statutes Title 34.

8.4 Recommendation Subject to Later Evaluation. The decision of the Owner to make a payment is subject to later evaluation of the materials for conformance with the Contract to results of subsequent tests and inspections, to minor deviations from the Contract correctable prior to completion and to specific qualifications expressed by the Architect or Owner.

8.5 Payment to subcontractors/suppliers. The CMAR agrees to pay each subcontractor/supplier under this prime contract for satisfactory performance of its contract.

8.6 No Obligation to Oversee Payments. Neither the Owner nor Architect shall have an obligation to pay or to see to the payment of money to a subcontractor/supplier.

8.7 Payment Not Acceptance of Work. A payment to CMAR or occupancy of the Project by the Owner shall not constitute acceptance of work not in accordance with the Contract.

8.8 Waiver of Claims. Acceptance of payment by the CMAR or Subcontractor shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final Application for Payment

ARTICLE 9 – CHANGES TO THE CONTRACT

A Change Order is a written order to the CMAR signed by the Owner authorizing a change in the (1) GMP, (2) Contract Sum or (3) Contract Time. Only a Change Order may change the GMP, Contract Sum or Contract Time. The CMAR shall not perform any work for which the CMAR intends to seek additional money or an extension of time unless the CMAR obtains a written Change Order or written approval by the Owner prior to performing the work. A Change Order signed by the CMAR indicates the CMAR's agreement therewith, including without limitation, any adjustment in

the Contract Sum or Contract Time. A Change Order signed by the CMAR without any indication of change in the GMP or Contract Time indicates the CMAR's agreement that there will be no change in the Contract Sum or Contract Time (collectively "Change Order").

ARTICLE 10 – SUSPENSION AND TERMINATION

This Contract may be suspended and/or terminated in accordance with MAG Specifications.

ARTICLE 11 – INSURANCE

11.1 CMAR shall provide insurance in accordance with this Article 11. CMAR shall provide proof of such insurance and all required endorsements in forms acceptable to Owner prior to commencing any Work under this Contract.

11.2 CMAR shall provide the following insurance:

11.2.1 Property Insurance. All-risk property insurance covering damages and/or destruction of all materials which will become part of the work until such materials are delivered to the Site.

11.3 Contractual Obligations. The stipulation of insurance coverage in this Section 11 shall not be construed to limit, qualify, or waive any liabilities or obligations of CMAR, assumed or otherwise, under this Contract.

ARTICLE 12 – INDEMNIFICATION

Not Used.

ARTICLE 13 – DISPUTE RESOLUTION

13.1 Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

13.2 Mediation. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

13.3 Binding Dispute Resolution. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of

competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

ARTICLE 14 – MISCELLANEOUS PROVISIONS

Not Used.

Executed as of the Effective Date.

CONDITIONAL
FULL RELEASE OF ALL CLAIMS AND WAIVER OF LIEN UPON FINAL PAYMENT (CMAR)

WHEREAS, the undersigned, _____ (CMAR) has furnished labor, materials, and services and/or equipment for the construction of the **Fuel Farm Jet A Tank Expansion**, ***Authority Project No. 1224,*** at the Phoenix-Mesa Gateway Airport, Maricopa County, State of Arizona, on the Property of the Phoenix-Mesa Gateway Airport Authority, Mesa, Arizona.

NOW, THEREFORE, the undersigned, on receipt of a check from the Owner payable to the CMAR in the sum of $ _____, said sum representing full and final payment for the above-mentioned labor, materials, services and/or equipment, does hereby waive and release any and all liens, claims of lien, and demands whatsoever that now exist or may hereafter accrue against the Owner and the Property on account of labor and materials furnished by the undersigned.

The undersigned warrants that all materials and labor placed by the undersigned in the Project are free from any claims, liens, or encumbrances and that all bills and obligations incurred for labor, taxes, withholding taxes based on payroll and payable to the United States of America or State of Arizona, premiums under a voluntary disability insurance policy, if any, carried with a private insurer, and payments to all union health, welfare, pension, apprentice training and vacation funds applicable for workmen employed on the above-described Project, in connection with the work of improvement on the Project, have been paid in full. The undersigned warrants that all subcontractors and material-men that may have delivered materials and performed work upon the Property for the Project have been fully paid or will be paid from monies received from this final payment. The undersigned shall and does hereby indemnify, save, and hold harmless the Owner and CMAR from all claims, damages, liens and losses, including all costs, professional fees, and reasonable attorney's fees, which the Owner may suffer by reason of filing of any claims, notices, liens or encumbrances, or the failure of the undersigned to obtain cancellation and discharge thereof.

EXHIBIT D – DEFINITIONS

Allowance – A specific amount for a specific item of Work, if any, that Owner agrees has not been sufficiently designed, detailed, or selected (including design changes from 90% to 100% as authorized by and at the discretion of the Owner) at the time the Contract Price is agreed to for Contractor to provide a definitive price. Allowances shall be treated in accordance with Article 7.2 above.

Baseline Cost Model – A breakdown and estimate of the scope of the Project developed by CMAR.

CMAR or Construction Manager at Risk – The person or firm selected by Owner to provide pre-construction and/or construction services as detailed in a Construction Manager at Risk Contract with Owner. The term "Contractor" includes CMAR under both Pre-Construction and Construction Services Contracts.

CMAR Fee or Contractor's Fee – An agreed to percentage in an accepted GMP that represents the Contractor's fee for performance of the Work.

Contract Documents – Where compensation under the Contract is based upon a GMP accepted by Owner, the term "Contract Documents" also includes the accepted GMP Proposal.

Contract Price – Where compensation under the Contract based upon a GMP accepted by Owner, the term "Contract Price" refers to the GMP.

Cost-Based Contract, Change Order, or Job Order – A Contract, Change Order, or Job Order where the Contract Price is based upon the actual cost of performing the Work, subject to the terms of the Contract Documents. These would include those generally referred to as "Cost of the Work plus a Fee with a GMP," "Time and Materials," or "Cost Plus a Fee."

Cost of the Work – The direct costs necessarily incurred by Contractor in the proper, timely, and complete performance on the Work. The Cost of the Work shall include only those costs set forth in Article 7 above.

Deliverables – The work products prepared by Contractor in performing the scope of work described in the Contract. Some of the major deliverables to be prepared and provided by Contractor during pre-construction may include but are limited to: the Baseline Cost Model and Schedule that validate Owner's plan and budget, Construction Management Plan, Detailed Project Schedule, Schedule of Values, alternative system evaluations, procurement strategies and plans, Detailed Cost Estimates, construction market surveys, cash flow projections, GMP Proposals, Subcontractor procurement plan, Subcontractor agreements, Subcontractor bid packages, Supplier agreements, Constructability Review, Cost Control Log, Traffic control and phasing plans and others as indicated in this Contract or required by the Project Team.

Pre-Construction Services Contract – The Contract entered into between Owner and the CMAR for Pre-Construction Services to be provided by the CMAR, including, without limitation, the generation of a GMP Proposal. If the GMP Proposal is accepted by Owner and a CMAR Contract is entered into between Owner and CMAR, the duties, obligations and warranties of the CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting CMAR Contract.

Pre-Construction Services – The services to be provided under a Pre-Construction Services Contract.

Detailed Project Schedule – The Detailed Project Schedule developed by the CMAR for the review and approval of the Owner.

GMP Plans and Specifications – The plan and specifications upon which the Guaranteed Maximum price Proposal is based.

GMP Proposal – The proposal of Contractor submitted for the entire Work and/or portion (phases) of the Work.

Guaranteed Maximum Price or GMP – The Guaranteed Maximum Price set forth in the Contract.

EXHIBIT E – TITLE VI

CIVIL RIGHTS – GENERAL

The contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the contractor and subtier contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

CIVIL RIGHTS – TITLE VI ASSURANCES

TITLE VI COMPLIANCE WITH NONDISCRIMINATION REQUIREMENTS

During the performance of this contract, the CMAR, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

Non-discrimination: The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.

Information and Reports: The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the owner or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the owner or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

Sanctions for Noncompliance: In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the owner will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the contractor under the contract until the contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the owner or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because

of such direction, the contractor may request the owner to enter into any litigation to protect the interests of the owner. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.
Title VI Clauses for Construction/Use/Access to Real Property Acquired Under the Activity, Facility or Program

TITLE VI LIST OF PERTINENT NONDISCRIMINATION ACTS AND AUTHORITIES

During the performance of this contract, the CMAR, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq*.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq*).

EXHIBIT F - COMPLIANCE WITH OWNER'S PUBLISHED RULES AND REGULATIONS AND MINIMUM STANDARDS, AS AMENDED FROM TIME TO TIME
