Phoenix-Mesa Gateway Airport

Notice of Meeting Cancellation

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the public that the Regular Meeting of the Phoenix-Mesa Gateway Airport Authority Board of Directors scheduled for Tuesday, January 17, 2023, has been cancelled.

The next Regular Meeting of the Phoenix-Mesa Gateway Airport Authority Board of Directors is scheduled for Tuesday, February 21, 2023 at 9:00 a.m. in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

DATED this 4th day of January, 2023.

I Misty Johnson, do hereby certify that I caused to be posted this 4th day of January, 2023, the Notice of Cancellation of the Tuesday, January 17, 2023 Phoenix-Mesa Gateway Airport Authority Board of Directors Meeting in the following places: 1) www.gatewayairport.com ; 2) Gateway Administration Building.

Misty Johnson

Misty Johnson, Clerk of the Board

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, February 21, 2023 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Fiscal Year 2024 Budget Presentation** – Chuck Odom, Chief Financial Officer

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **December 20, 2022**.

   b) **Resolution No. 23-01 –** Authorizing annual changes to the **Airport Rules and Regulations**.

   c) **Resolution No. 23-02 –** Authorizing the purchase and installation of four (4) 1500GPM and one (1) 2500GPM Fire Pump Skids and four (4) three-hundred-gallon Fuel Tanks from **Cross Fire Protection LLC (Cross Fire)** in an amount not to exceed $499,921.59 under CIP1238.

   d) **Resolution No. 23-03 –** Authorizing a contract with **Crosspoint Testing and Inspection Services, LLC (Crosspoint)** to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project and future projects, on a per task basis, utilizing an Authorization of Services, under CIP1201.

   e) **Resolution No. 23-04 –** Approving an Authorization of Services (AOS) with **Crosspoint Testing and Inspection Services, LLC (Crosspoint)** to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project in an amount not to exceed $114,150 under CIP1201.

Consideration and Approval of:

8. **Resolution No. 23-05** Authorizing a facility lease agreement with **Allegiant Air, LLC** for the property located at 6250 S. Taxiway Circle, Mesa AZ 85212. The lease term is five years commencing on March 1, 2023**.**

9. **Resolution No. 23-06** Authorizing a Facility Lease and Airport Operating Agreement with **DSV Air & Sea Inc.** for the properties located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 with an Effective Date of March 1, 2023. The Term for both agreements is thirty-nine months, terminating on May 31, 2026, with two (2), three (3) year options to renew.

10. **Resolution No. 23-07** Authorizing a lease agreement with **USDA-FS CSA Southwest 4** for the exclusive use of 286,500 SF of Airport-owned apron. The lease term commences on February 21, 2023 and terminates on September 30, 2023.

11. **Board Member Comments/Announcements**

12. **Next Meeting: Tuesday, March 21, 2023 at 9:00 a.m.**

13. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- SkyBridge Arizona Master Development Update
- 100+ Executive Jets Expected at Gateway Airport for Super Bowl LVII
- PMGAA Meeting with Five Prospective Airlines in February
- Center Runway Reconstruction Enters Phase II

Executive Director's Report

February 2023

Financial Snapshot

OPERATING INCOME	December		Month Variance	FYTD Comparison		FYTD Variance
	2021	2022		FY22	FY23	
Revenues	$2,057,948	$2,397,101	**$339,153**	$11,830,913	$14,081,961	**$2,251,048**
Less Expenses	$1,891,212	$2,077,424	**$186,212**	$10,712,499	$12,579,263	**$1,866,764**
Operating Income *(Before Depreciation)*	**$166,736**	**$319,677**	**$152,941**	**$1,118,414**	**$1,502,698**	**$384,284**

Investment Fund Balances: As of December, the Local Governmental Investment Pool (LGIP) 700 = $18,673,729; Wells Fargo; Collateralized Money Market = $14,382,363 and Brokered CD's = $35,711,974; Total $68,768,066. The market value accounting adjustment was $208,397 for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments. On January 1st and February 1st approximately $6MM, each month, will be transferred from the LGIP account to the Wells Fargo checking account to fund large expenditures related to capital projects.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $319,677 in December 2022, which was the best December financial performance in PMGAA history! This year's December results exceeded December 2021 by $152,941.

The major drivers behind December's strong financial results were aeronautical fuel sales, vehicle parking revenue, rental car fees, and increased concession sales

Operating expenditures for December 2022 increased by 10% ($186,212) due to increased labor costs, contractual services, and costs of goods sold. Fuel costs increased $143,446 and contractual services increased $88,449 compared to last year. These expected increases reflect the continued inflationary pressures the Phoenix-Mesa Gateway Airport Authority (PMGAA) is experiencing.

Fiscal year-to-date total operating revenues have improved by 19% and operating expenditures have increased by 17%. Total operating expenditures are 2% under budget.

Non-airline revenue – parking, rental car, food/beverage/retail concessions – per enplaned passenger have risen steadily over the past few years as passengers have increased and several new concessions in the passenger terminal have opened.

Comparison of Non-Airline Revenues FY23 YTD & FY22 YTD

Non-Airline Revenues	FY23 YTD 7/1/22 - 12/31/22	Per EPAX (All)	FY22YTD 7/1/21 - 12/31/21	Per EPAX (All)	% Change (Dollars)
Parking	$2,323,336	$5.30	$2,095,412	$5.22	10.9%
Rental Car	$1,075,497	$2.45	$876,093	$2.18	22.8%
Food & Beverage	$268,127	$0.61	$177,393	$0.44	51.1%
Retail	$234,648	$0.53	$185,336	$0.46	26.6%
Related revenues	$3,901,608	$8.89	$3,334,234	$8.31	17.0%

Airport Operations

Phoenix-Mesa Gateway Airport (Gateway Airport, Airport) set a new annual passenger activity record in 2022, with almost 1.9MM total passengers (1,890,684) using the Airport during the year. The growing Airport set new monthly passenger activity records in eight of the twelve months last year.

PMGAA Meeting with Five Prospective Airlines in February

Several times each year, representatives from PMGAA meet with current and prospective domestic and international airlines at conferences or their corporate headquarters to update them on all the exciting changes underway at Gateway Airport and highlight the significant growth occurring in the Phoenix East Valley. These meetings are part of PMGAA's ongoing Airline Recruitment Program designed to attract additional air service and new airlines to the Airport.

Airport Officials Meeting with Airline Representatives

During February, PMGAA will be meeting with network planners from Sun Country Airlines, Avelo Airlines, Alaska Airlines, United Airlines, and Breeze Airways at the annual Mead & Hunt Air Service Conference being held in Phoenix. The goal will be to strengthen relationships and educate the airline representatives about opportunities for success at Gateway Airport. Wish us luck!

100+ Executive Jets Expected at Gateway Airport for Super Bowl LVII

Question: What do you get when you host both the Waste Management Phoenix Open and Super Bowl LVII on the same weekend in February?

Answer: Over 100 executive jets full of golf and football fanatics looking to have an awesome weekend of fun in the Valley of the Sun! **Not to worry, our Gateway Aviation Service team is THE BEST!**

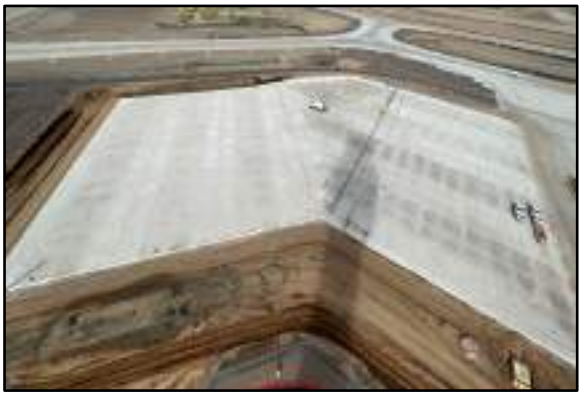
Engineering and Planning

Concrete Being Placed on Runway 12C-30C

Thanks to two federal grants totaling more than $17.5 million, portions of Gateway Airport's center runway, Runway 12C-30C, are being removed and reconstructed. A total of 2,600 feet of 16-inch concrete on the south end and 1,000 feet on the north end is being replaced as part of this important infrastructure project. Work will shift from south to north on 2/17 and a completion date of mid-May is expected.

Alpha Apron Expansion Phase IV Nears Completion

Over the past three years, Gateway Airport has completed airfield construction projects that have added more than 500,000 sq. ft. of new aircraft parking apron designed for the heavier, larger aircraft that frequent the Airport for cargo and commercial passenger operations. The final project, Alpha Apron Phase IV, to be completed as part of the Alpha Apron Expansion Program is strategically located adjacent to the Airport's new air traffic control tower, Taxiway Alpha, and the U.S. Forest Service's Mesa Base. The project is scheduled to be completed by the beginning of April.



Alpha Apron Expansion Phase IV – 250,000 Square Feet

Gulfstream's Two Taxiway Connectors Taking Shape

As work continues on Gulfstream's new 225,000 sq. ft. West Coast Service Center, PMGAA is completing construction of two connections from Gulfstream's ramp to Taxiway Charlie. The project, scheduled to be finished by the end of February, provides two separate taxiway connections that allows for the efficient flow of aircraft to and from Gateway Airport's airfield. PMGAA and Gulfstream are splitting the approximately $8 million project cost.

PMGAA Team Member Spotlight

Employee Name: **Tiffany Johnson**
Employee Title: **Marketing Analyst**
PMGAA Department: **Communications and Government Relations**
Years with PMGAA: **16+**

What are your job responsibilities for PMGAA? Some of my responsibilities include managing our terminal marketing concessionaires and sponsors, media buys and designing ads and other graphics, maintaining website content, developing marketing emails, planning events, ordering promotional items, and being the gatekeeper for our logo, fonts, and brand colors.

What is your most memorable Gateway Airport moment? Air Force One in 2012 and the Blue Angels (twice) in 2019 were pretty memorable! I've also enjoyed all the unique events I've been a part of planning in my 16 years at Gateway Airport, including open houses and a birthday party to celebrate our 25th anniversary!

What is something people may not know about you? I come from a large family! My husband and I have 10 siblings between the two of us (not including spouses) which has given us 25 nieces and nephews (and two on the way). But I still have more cousins than my kids with 30!

Business Development

SkyBridge Arizona Master Development Update

Rendering for New SkyBridge Arizona Hotel

If you happen to drive down S. Sossaman Road past Velocity Way on the west side of the Airport, you can't help but notice lots of construction equipment and activity on the left side of the road. SkyBridge Arizona (SkyBridge), the Airport's 360-acre master development project, is busy readying the site for a 129-room dual brand hotel being constructed for Wyndham Hotels and Resorts.

SkyBridge is also starting construction on two 250,000 sq. ft. industrial buildings along Velocity Way. These two large building are being built to accommodate both single and multiple tenants.

Starting in Q3 2023, SkyBridge will begin construction of taxi lane Sierra, critical airfield infrastructure that will bisect the 360-acre parcel and unlock additional aeronautical land for future development.

TOTAL	13	13	72	74

PMGAA received communication from 13 individuals regarding aircraft noise issues during the month of December 2022, the same number PMGAA received last December. The relatively low number of noise calls during the winter months is due to cooler weather keeping windows closed at night and in the morning when Airport activity is fairly robust.

The Airport is expecting to be very busy during the winter/spring travel seasons, as more and more air travelers from across the country discover the ease, convenience, and value of using Gateway Airport to access the greater Phoenix region for vacations and/or to visit family and friends.

Gateway Aviation Services

PMGAA pumped more than 1.85MM gallons of aviation fuel during the month of December 2022, a 5% increase from the amount of fuel dispensed during December 2021. Commercial fuel sales rose 8%, retail sales were up 94%, contract fuel was down 21%, and Avgas was up 8% compared to last December.

FUEL (Gallons)	December			FYTD		
	2021	2022	% Change	FY22	FY23	% Change

Community and Government Relations

Airport Hosts Annual Aviation Career Education (ACE) Day

Higley Unified School District Students, Teachers, and Chaperones Participating in Aviation Career Education (ACE) Day

Ask a kid what they want to be when they grow up and they'll probably tell you a lawyer, veterinarian, police officer, plumber, or a professional athlete. All are honorable professions and lofty goals to work towards.

Well, PMGAA believes that some kids' answers may have changed after participating in Gateway Airport's very successful Aviation Career Education (ACE) Day on January 24, 2023. This popular annual event brings area fifth graders out to the Airport and exposes them to possible career opportunities within the aviation industry. Through static displays, presentations, and one-on-one interaction with industry leaders, students learn about the many careers available at an airport.

This year, 550 fifth grade students, teachers, and chaperones from the Higley Unified School District had the opportunity to visit Gateway Airport and learn about the many successful careers available in aviation. It was a great day!

PMGAA would like to recognize the Gateway Aviation Services, Community and Government Relations, and Operations staff members that worked so hard to make the day a huge success. Thank you all!

Budget Key Assumptions

1. Member contributions for FY24 will continue to partially fund capital improvements.
2. Enplaning passenger activity is expected to increase in FY24's budget by 9.5% over FY23's budget.
3. Aero revenue will be up 5%; Non-Aero revenue will be up 13%.
4. Air-Service Incentive Program carries over from previous fiscal year.
5. Operating Contingency is 10% of total expenses from unrestricted cash reserve.

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | December 20, 2022

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, December 20, 2022, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix *(via audioconference)*
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community *(via audioconference)*
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $827,634.
   - Record setting passenger activity in October! (150,846 total passengers)
   - 2022 Authority accomplishments includes:
     - Record-Setting Commercial Passenger Activity
     - Record-Setting Financial Performance and Clean Financial Audit
     - Exceptional 14 CFR Part 139 Certification Inspection and TSA Security Inspection
     - Successful Triennial Live Emergency Preparedness Exercise
     - Increased Commercial Air Service
     - Supported SkyBridge Arizona and Gateway***East*** Master Developments
     - Dedicated New Air Traffic Control Tower
     - Constructed North Aircraft Overnight Parking Pad
     - Expanded TSA Security Screening Checkpoint
     - Replaced Parking Revenue Control System
     - Constructed Alpha Apron Phase III
     - Expanded Ray Road Economy Parking Lot

DRAFT

- Constructed New Terminal Tenant Parking Lot
- Completed Rental Car Return Lot Reconstruction
- Implemented Classification and Compensation Study Recommendations
- Retained Executive Team and All Department Directors
- Maintained Comprehensive Community Relations Program
- Increased Number of Terminal Volunteers in the A.V.I.A.T.O.R. Program

- 2023 Program of Work includes the following:
  - Record-Setting Commercial Passenger Activity
  - Record-Setting Financial Performance, Clean Financial Audit, and BIL Funding
  - Exceptional 14 CFR Part 139 Certification Inspection and TSA Security Inspection
  - Complete Gateway Tomorrow East Side Terminal Planning Study
  - Increase Commercial Air Service – New Destinations and a New Airline
  - Support SkyBridge Arizona and Gateway***East*** Master Developments
  - Successfully Open Gulfstream's New Facility and Virgin Galactic's First Hangar
  - Complete Enclosed Pedestrian Walkway
  - Complete Gulfstream Taxiway Connectors
  - Complete Center Runway Reconstruction
  - Complete Alpha Apron Phase IV
  - Complete Rental Car Care Facility
  - Continue Fuel Farm Storage Expansion (substantial completion 1/15/2024)
  - Continue Work on Terminal Addition (substantial completion 1/4/2024)
  - Support City of Mesa's East Side Infrastructure Projects
  - Retain Executive Team and All Department Directors
  - Maintain Comprehensive Community Relations Program
  - Increase Number of Terminal Volunteers in the A.V.I.A.T.O.R. Program

6. Consent Agenda

a) **Minutes** of the Board Meeting held on **November 15, 2022**.

b) **Resolution No. 22-74 –** Adopting the revised **Airport Rates and Charges** schedule with an effective date of January 1, 2023.

c) **Resolution No. 22-75 –** Approving a one-year Air Carrier Operating Agreement with **Allegiant Air, LLC**.

d) **Resolution No. 22-76 –** Authorizing services with **Universal Protection Service, LP dba Allied Universal Security Services (Allied)** to provide unarmed security guard services annually. Labor is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and may be adjusted on an annual basis:

Description	Est. Weekly Hours	Billable Rate
Standard security guard - regular time	60	$27.44
Standard security guard - overtime	10	$41.16
Description	Est. Annual Hours	Billable Rate
Standard security guard - holiday time	120	$41.16

e) **Resolution No. 22-77 –** Authorizing a contract with **Flagship Airport Services, Inc. (Flagship)** for janitorial services at a fixed management fee, in an amount of $617,336.60 beginning January 1, 2023, for three years with two (2) one-year renewal options in amounts of $218,247.23 and

$224,794.65 respectively each year. This amount does not include labor, which is a variable amount based on demand. Hourly labor rates, which include fringe benefits, for year one of the contract are below and will be adjusted on an annual basis:

Supervisors:	$25.41
Janitors:	$21.40
Porters:	$20.86
Floor Technicians:	$22.98

f) **Resolution No. 22-78 –** Authorizing a purchase with **CDW Government, Inc. (CDW-G)** for a technology refresh of a Storage Area Network (SAN) system in an amount not to exceed $131,565.34.

g) **Resolution No. 22-79 –** Approving the renewal of the Ground Transportation License Agreement between **Turo, Inc**. and Phoenix-Mesa Gateway Airport Authority.

h) **Resolution No. 22-80 –** Authorizing a facility lease agreement with **Essential Turbines, Inc**. for the property located at 7808 East Velocity Way, Mesa, AZ 85212 with an Effective Date of January 1st, 2023. The initial Term is for three (3) years, with no options to extend.

i) **Resolution No. 22-81 –** Authorizing a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with **Alliant Insurance Services, Inc. (Alliant)** for Insurance Broker Services in an amount not to exceed $265,000 over the five (5) year period.

Vice Mayor Jeff Brown moved to approve the Consent Agenda.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

Consideration and Approval of:

8. **Resolution No. 22-82** Approving a Construction Manager at Risk (CMAR) Construction Services Contract and GMP 1 Early Works Procurement for the Fuel Farm Expansion Project with **KEAR Civil Corp. (KEAR)**, in an amount not to exceed $1,678,587.20 under CIP 1224.

Mayor Chip Wilson moved to approve Resolution No. 22-82.
Mayor John Giles seconded the motion.
The motion was carried unanimously.

9. **Board Member Comments/Announcements.**
Mayor Peterson extended holiday wishes to all.

10. **Next Meeting: Tuesday, January 17, 2023** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone/videoconference.

11. **Adjournment.**
The meeting adjourned at 9:14 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 23-01

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Annual Review: Rules & Regulations**
Date:	**February 21, 2023**

Proposed Motion
To authorize annual changes to the Airport Rules and Regulations.

Narrative
The "Airport Rules and Regulations" is reviewed annually to ensure consistency and effectiveness and to keep our organization up to date with industry best practices.

Pending approval, the "Airport Rules and Regulations" revisions are summarized as follows:

Chapter 2 - General Rules and Regulations, section: 2.14 Overnight Camping, clarified restrictions on overnight camping to include occupancy of vehicles and trailers.

Chapter 4 - Vehicle Operations, section: 4.11 Restricted Area Operations, added safety limitation on the maximum number of towed baggage carts to three.

Chapter 7 - Security Requirements, section: 7.7 Employee Access Investigations, clarification on Employee Access Investigation and badge issuance. No badge shall be issued until active warrants are closed and court cases involving disqualifying crimes are adjudicated. PMGAA may deny badge issuance for certain non-disqualifying crimes which are committed on airport property.

Chapter 9 - Ground Transportation, section: 9.6 Access and Parking, clarified time limitations for pre-arranged ground transportation staging on designated curb waiting area

The public notice with summary of changes to the "Airport Rules and Regulations" was posted and available to view on our www.gatewayairport.com website and a letter was sent to our tenants on January 12, 2023, notifying them of our proposed revisions and to allow our tenants and other users of Phoenix-Mesa Gateway Airport a 30-day review and comment period. That period concluded on February 13, 2023.

Attachment
Revised Airport Rules and Regulations

RESOLUTION NO. 23-01

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to amend the Airport Rules and Regulations;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby amends the Airport Rules and Regulations. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of February, 2023.

Brigette Peterson, Chair

CHAPTER 1: PURPOSE, SCOPE & AUTHORITY

1.1 Purpose and Scope

These Rules and Regulations have been adopted and approved by resolution of the Phoenix-Mesa Gateway Airport Authority (PMGAA) and apply to the geographical property known as Phoenix-Mesa Gateway Airport. The provisions of this document are intended for the safe, orderly and efficient operation of Phoenix-Mesa Gateway Airport, hereafter referred to as "Airport".

1.2 Authority

On May 19, 1994, the City of Mesa, Towns of Queen Creek and Gilbert created the Williams Gateway Airport Authority, later renamed the Phoenix-Mesa Gateway Airport Authority ("PMGAA"), a Joint Powers Airport Authority, pursuant to Arizona Revised Statutes (A.R.S) Title 11, Chapter 7, Article 3 and Title 28, Chapter 25, Article 8. The Gila River Indian Community, City of Phoenix, and City of Apache Junction joined the Airport Authority in 1995, 2006 and 2013 respectively. PMGAA was formed to develop, reuse, operate, and maintain the Airport property and facilities at the former Williams Air Force Base.

With the August 1995 Record of Decision, the U.S. Air Force confirmed that PMGAA would receive, at no cost, nearly 3,000 acres of land, with three runways (10,400-foot, 10,200-foot, and 9,300-foot), 120 buildings or facilities (such as navigation aids), and the improvements thereon. A long-term lease with the U.S. Air Force was executed on January 16, 1996. Fee conveyance for the majority of the property occurred on April 29, 1998. Through the Joint Powers Airport Authority legislation and subsequent property conveyance, PMGAA is entitled to adopt and enforce these Rules and Regulations governing the safe operation of activities on the Airport.

The Rules and Regulations, Airport Minimum Standards and Airport Rates and Charges are all part of the Airport's governing documents. The administration of the terms of each of the documents independently and as a whole, shall be under the authority, responsibility, administration and control of the Executive Director/CEO or designee.

1.3 Compliance

All persons on any part of the property comprising the Airport shall be governed by these Rules and Regulations and by other directives of the Executive Director/CEO or designee relative to the use or occupation of any part of the property comprising the Airport. Permission granted to any person by the Executive Director/CEO directly or indirectly,

expressed or implied, to enter upon or use the Airport or any part thereof is conditioned upon compliance with these Rules and Regulations. Entry upon or onto the Airport by any person shall be deemed to constitute an agreement by such person to comply with such Rules and Regulations.

1.4 Enforcement

a. The Executive Director/CEO is empowered to enforce these Rules and Regulations through Airport staff and the City of Mesa Police Department. All persons in the Airport shall respond to directives issued by Airport Operations personnel, under the direction of the Executive Director/CEO, relative to the enforcement of these Rules and Regulations. Violations of Rules and Regulations may result in different forms of action including but not limited to verbal or in writing such as a Notice of Violation (NOV) issued by Airport Operations personnel.

b. The Executive Director/CEO or designee may remove or evict from the Airport premises any person who knowingly, willfully or recklessly violates any rule or regulation prescribed herein, or any rule or regulation in effect by the federal government or the State of Arizona and may deny use of the Airport and its facilities to any such person if it is determined that such denial is in the public interest, notwithstanding any contractual arrangements.

c. If any provision of these Rules and Regulations is held to be invalid, the remainder of these Rules and Regulations shall remain in full force and effect. Future amendments, additions, deletions or corrections to these Rules and Regulations will be incorporated into the document as required and as directed by PMGAA.

d. Any person who feels these Rules and Regulations have been unjustly applied or enforced shall comply with the directives of PMGAA until such matter is resolved. Concerns regarding any enforcement practice shall be submitted in writing to the Executive Director/CEO within seven (7) days of the date of occurrence along with a description of the situation, the actions taken by Airport staff, and the desired resolution.

1.5 Variance

a. Any variance of the literal requirements of these Rules and Regulations may be granted by the Executive Director/CEO when strict enforcement is impractical, results in unnecessary hardship, or is contrary to the safety of flight operations. The granted variance shall result in substantial justice and is in accordance with the spirit of the Rules and Regulations.

b. When an emergency exists at the Airport, the Executive Director/CEO or designee is empowered to issue directives and take such action as necessary to protect people, property and assets and promote the safe operation of the Airport. Such directives and actions of the Executive Director/CEO or designee have the power of regulation as long as the emergency exists.

c. PMGAA reserves the right to revoke, cancel or change any and all of these Rules and Regulations at any regular or special Board of Directors (Board) meeting with notification as required under A.R.S. All changes issued from time to time shall be considered as addenda to these Rules and Regulations. Future amendments, additions, deletions or corrections to these Rules and Regulations will be incorporated into the document as required and as directed by PMGAA.

1.6 Adoption of Federal and Local Regulations

a. Title 14, Code of Federal Regulations (CFR) Federal Aviation Regulations(FAA), Title 49, CFR (Transportation Security Administration Regulations), Title 40, CFR (Federal Environmental Regulations), Title 21, CFR (Food and Drug Administration), A.R.S Title 28 (Transportation), A.R.S Title 49 (Environment), Maricopa County Air Pollution Control Regulations, City of Mesa Fire Code, and other compliance documents required by Federal, State, or local government, whether presently or hereafter effective, are hereby referred to, adopted, and made part of these Rules and Regulations as though fully set forth and incorporated herein, as each may be amended from time to time.

b. Federal, State, or local laws or ordinances, in the event of any conflict, supersede PMGAA Rules and Regulations.

c. The Rules and Regulations shall in no way supersede or abrogate regulations set forth in FAA Federal Aviation Regulation (FAR) Part 139, Certification and Operation of Airports, nor Transportation Security Administration (TSA) Part 1542, Airport Security, as established and approved for PMGAA.

1.7 Waiver of Liability

Any permission granted by the Executive Director/CEO to use the Airport and its facilities, or to fly to, from, or over the same shall be at all times conditioned upon the assumption of full responsibility and risk associated therewith. It shall be a further condition thereof that each person, as consideration of the use of the Airport and its facilities, shall at all times indemnify PMGAA, the Board, the Executive Director/CEO, and employees from and against any and all liability, responsibility, loss, or damage, resulting to any such person or

caused by or on his behalf, and incident to the manner in which the Airport is operated, constructed, or maintained, or served from within or without, or used from without. The use of the Airport by any person for any purpose, or the paying of fees thereof for the taking off or landing aircraft therein shall be itself an acknowledgment that such person accepts such privileges on the conditions herein set forth.

This page intentionally left blank.

CHAPTER 2: GENERAL RULES AND REGULATIONS

2.1 Abandonment of Property

No person shall abandon any personal property at the Airport. If not claimed by the owner within seven (7) days, such articles will be handled in accordance with A.R.S. Title 44, Chapter 3.

2.2 Accident Reporting

Accidents resulting in damage to property, injury requiring professional medical treatment, or interference with normal operations must be reported to Airport Operations as soon as possible after the occurrence.

2.3 Advertisements & Printed Materials

Advertisements and other printed materials shall not be posted, distributed, displayed, or circulated at the Airport without the express written consent of the Executive Director/CEO, unless posted in areas specifically authorized for advertisements. The authorization may include time constraints as well as limiting the number of persons distributing the printed materials.

2.4 Alcohol

No person shall drink any intoxicating liquor upon any portion of the Airport open to the public, except in such restaurant or other place as shall be properly designated and licensed for on-sale liquor dispensing.

2.5 Animals

a. Animals other than those required for American with Disabilities Act (ADA) assistance or law enforcement dogs, are not allowed within the Airport Restricted Area unless being transferred or shipped, and/or under the control of their owner or handler by leash, harness, restraining strap, or cage. Leashes, harnesses, and straps shall not exceed six (6) feet.

b. No person shall enter any public building with any animal, except animals required for assistance or when such animals are leashed or containerized for air shipment.

c. Owners or handlers are responsible for the immediate removal and disposal of animal waste.

d. No person shall feed or engage in any other act to encourage the congregation of any animals on the Airport.

2.6 Bicycles, Rollerblading and Skateboarding

a. Bicycles within the Airport Restricted Area shall only be operated by Airport or tenant employees in the performance of their duties and shall not be operated within 50 feet of an aircraft under power.

b. Bicycle operators within the Airport Restricted Area must conform to all posted and non-posted rules and regulations regarding the use of vehicles.

c. Skateboarding and rollerblading are not permitted within the Airport Restricted Area.

2.7 Commercial Activity

Commercial activity of any kind requires the express written permission of the Executive Director/CEO through a specifically authorized lease, sublease, operating agreement, license, permit or written temporary permission and the payment of fees, as required.

2.8 Commercial Photography

a. No person shall take a still, motion, or sound picture on the Airport for commercial purposes without the permission of the Executive Director/CEO and the payment of fees, as required. The Executive Director/CEO may allow any of the following to take pictures on the Airport for commercial purposes:

   1. Professional photographers and motion picture cameramen photographing events on the Airport as representatives of bona fide news organizations.

   2. Professional photographers and motion picture cameramen photographing events at the Airport for non-profit exhibition, to stimulate interest in air commerce or travel, or for non-profit educational purposes.

   3. Professional photographers photographing scenes on the Airport for general artistic purposes.

   4. Aviation photographers photographing aircraft in public or designated areas.

b. No person shall take a still, motion, or sound picture in any area exclusively leased to an Airport tenant without the permission of the tenant and coordination with the Executive Director/CEO's Office.

c. Any approved activity within the Airport Restricted Area shall have proper escort.

2.9 Fees

Fees, rates and charges shall be established, scheduled and published from time to time, by PMGAA and where applicable, paid to PMGAA by users of the Airport.

2.10 Hunting

Hunting on the Airport is prohibited, with the exception of wildlife control measures undertaken to further aviation safety in accordance with the Airport's approved wildlife management plan.

2.11 Loitering

No person shall loiter in Airport buildings or on Airport property. This includes occupying passenger terminal buildings or property in excess of 24 hours prior to a ticketed flight unless authorized by the Executive Director/ CEO.

2.12 Lost and Found Articles

Lost and found articles shall be deposited with Airport Operations. Such articles will be handled in accordance with A.R.S. Title 44, Chapter 3, Section 1.

2.13 Obstruction

No person, except law enforcement officers, firefighting personnel, TSA, FAA and PMGAA personnel may intentionally obstruct, delay, physically disturb or interfere with the free movement of any other person on the public areas of the Airport, unless doing so in accordance with the Airport's security challenge procedures.

2.14 Overnight Camping

Overnight camping-, including occupancy of vehicles, on the Airport is prohibited unless authorized by the Executive Director/CEO.

2.15 Permits

Permits and licenses authorizing certain activities on the Airport shall be issued and revoked at the discretion of the Executive Director/CEO.

2.16 Preservation of Property

a. No person shall destroy or cause to be destroyed, injure, damage, deface, or disturb in any way, property of any nature located on the Airport. Any person causing or responsible for such injury, destruction, damage, or disturbance shall report such damage to Airport Operations and shall reimburse PMGAA the full amount of repair

or replacement of the property.

b. No person shall take or use any aircraft, aircraft parts, instruments, or tools owned, controlled, or operated by any person while on the Airport or within its hangars, except with the written consent of the owner or operator thereof.

2.17 Public Demonstrations

Public demonstration, such as picketing and other peaceful action, is permitted on Airport property provided the sponsor obtains written permission from the Executive Director/CEO or authorized designee and complies with all PMGAA Rules and Regulations, with emphasis to Sections 2.12 Obstruction and 2.22 Use of Public Airport Facilities.

2.18 Signage

Signage standards are established by PMGAA in compliance with the City of Mesa Sign Code.

a. No sign, advertisement or notice shall be displayed on the outside of any structure on the Airport or on Airport property unless authorized under the Airport Design Guidelines.

b. Roadway and directional signage shall be in compliance with City of Mesa traffic control, and no roadway signage shall be displayed unless authorized by the Executive Director/CEO.

c. No person shall display solicitations, advertising, or other signs on the Airport property, including the property within the roadway easements, without the authorization of the Executive Director/CEO.

2.19 Solicitation

No person shall solicit funds or other items to the public on the Airport without the express written approval of the Executive Director/CEO.

2.20 Smoking

In accordance with the Smoke-Free Arizona Act and Mesa City Code, Title 6, Chapter 11, smoking is not permitted: 1) in any public place, including any workplace; 2) at or within 20 feet from building entrances; 3) in designated 'no smoking' areas posted as such by PMGAA; or 4) at other locations through which public movement can be anticipated. In addition, PMGAA has designated aircraft parking ramps as smoke-free.

2.21 Storage of Equipment or Property

Storage of equipment or property not used for aviation or other approved operations or activity on the Airport is prohibited unless specifically provided for by lease or other contractual agreement. This includes recreational vehicles (boats, motor homes, personal watercraft, etc.) and other motor vehicles not specifically used for the authorized operation.

2.22 Tampering with Aircraft

No person shall interfere or tamper with any aircraft or put in motion the engine of such aircraft, or use any aircraft, aircraft parts, instruments, or tools, without permission of the owner or specific direction of the Executive Director/CEO or designee.

2.23 Use of Public Airport Facilities

No person(s), firm(s), association(s), or corporation(s) shall sponsor, hold, permit or otherwise carry on any activity that would impact the operation of the Airport without first obtaining written permission from the Executive Director/CEO and complying with all the terms and conditions of such authorization. In the event approval is given, written evidence of insurance covering all injury, damages, or claims that might result from such activities shall be submitted to the Airport.

This page intentionally left blank.

CHAPTER 3: AIRCRAFT OPERATIONS

3.1 Accidents & Disabled Aircraft

a. Persons involved in aircraft accidents or incidents on the Airport shall make a full report thereof to the Air Traffic Control staff or Airport Operations as soon as practical. The pilot or operator involved in an accident-causing personal injury or property damage may be requested to make a written report concerning said accident.

b. Access to aircraft accident and incident scenes shall be controlled by a designated Incident Commander. Persons are not authorized to enter an accident or incident scene without the permission of the Incident Commander.

c. The pilot, aircraft owner, lessee, or operator is responsible for the prompt removal of the disabled aircraft or parts thereof as directed by the Executive Director/CEO, subject to accident investigation requirements. The Executive Director/CEO or designee is authorized to remove or relocate a disabled aircraft from any location on the Airport at the expense of the owner/operator.

3.2 Aircraft/Airport Operations during Hours of Tower Closure

After the published hours of the Air Traffic Control Tower, all aircraft/vehicles operating within the movement area must broadcast their intentions on the Common Traffic Advisory Frequency (CTAF) in accordance with suggested procedures published in the Airman's Information Manual, FAR's, and FAA Advisory Circulars.

3.3 Airport Closures and Restrictions

In the event that the Executive Director/CEO believes that the conditions of the Airport or any part thereof are unsafe for landings and take-offs, it shall be within their authority to close or restrict all or part of the Airport and issue a Notice to Airmen (NOTAM) indicating so.

3.4 Based Aircraft Registration

The owner and/or operator of aircraft based on the Airport's ramp area shall execute a written agreement with PMGAA stating, among other things, the based aircraft status, aircraft identification, and compliance with aircraft parking fees. Aircraft based at the Airport but within a tenant's leasehold shall be reported by the tenant quarterly or upon request by the Executive Director/CEO. Reports shall be detailed (including: Registration/N Number, names, address, and phone number of owner) of all based aircraft on the Airport in a form approved by the Airport Authority.

3.5 Engine Run-ups

a. Aircraft engine run-ups above ground idle shall only be conducted at the engine run-up areas adjacent to each runway end or within those areas designated by the Executive Director/CEO.

b. No aircraft engine shall be started or run unless a qualified, certificated pilot or mechanic is attending the aircraft controls.

c. Aircraft engine run-ups shall not be conducted in such positions that the path of the propeller wash or jet blast may endanger persons, structures, or property. In the event that the path of the propeller wash or jet blast may cross a marked service road, a safety flagger is required.

d. Aircraft engine maintenance run-ups are not authorized between the hours of 2000 (8:00 pm) and 0800 (8:00 am) unless: 1) they are conducted with Airport approved sound suppression devices; or 2) are performed in conjunction with an air ambulance flight; or 3) are coordinated with Airport Operations prior to commencement 4) coordinated with ATC when conducted in the movement area.

3.6 Flight Demonstrations

a. Demonstrations, including test flights or ground demonstrations other than standard maintenance test flights shall not be conducted on the Airport without the express written consent of the Executive Director/CEO.

b. PMGAA specifically reserves the right to temporarily restrict or control activities within aircraft operating areas and public areas of the Airport for purposes of aerial and ground demonstrations or for any other public purpose.

3.7 Fly Friendly Procedures

Aircraft operators shall, whenever possible, use procedures and flight patterns that help mitigate aircraft noise. PMGAA supports the use of the National Business Aviation Association (NBAA) and Aircraft Owners and Pilots Association (AOPA) noise abatement procedures. The Airport's published Fly Friendly procedures are described in Appendix B.

3.8 General Operating Rules

a. No aircraft shall be operated on the Airport if such aircraft is constructed, equipped, or loaded as to endanger persons or property.

b. No aircraft shall be operated on the Airport in a careless or negligent manner, in disregard of the rights and safety of others, without due caution, or at a speed or manner that is likely to endanger persons or property.

c. No aircraft shall be operated on the Airport while the pilot, or other persons aboard controlling any part of the operation, is under the influence of alcohol or drugs.

d. Taxiways, apron, or ramp areas shall not be used for take-offs and landings of any type aircraft without the appropriate clearance from the Air Traffic Control Tower, whenever the Tower is in operation. Aircraft operating during the hours the Tower is not operating shall comply with appropriate FAA regulations and Advisory Circulars.

e. No aircraft engine shall be operated inside any aircraft hangar or within 25 feet of any opening to a hangar or abuilding.

f. Unmanned Aerial Vehicle (UAV) operations shall comply with all FAA Part 107 regulations.

3.9 Helicopters

Helicopters shall not be operated with rotors turning unless there is a clear area of at least 25 feet in all directions from the outer tips of the rotor, unless being fueled under established procedures.

3.10 Instructor and Student Responsibilities

Flight instructors shall fully acquaint their students with these Rules and Regulations and shall be responsible for the conduct of the students under their direction during dual instruction. When a student is solo, it shall be the sole responsibility of the student to observe and abide by these rules.

3.11 Parking of Aircraft

a. Aircraft parking shall be restricted to approved parking areas designated by Airport Operations and Maintenance and/or Gateway Aviation Services Director or completely within an exclusive leasehold area with the permission of the leasehold tenant.

b. No aircraft shall be parked or staged within marked service roads, or fire lanes, or in a manner as to interfere with taxiing aircraft, or in a manner that blocks free movement

of aircraft or emergency vehicles or hinders access to any building or structure.

c. Aircraft parked or stored in unauthorized areas or which present an operational problem or safety hazard to any area of the Airport may be towed or relocated to other Airport areas at the discretion of the Executive Director/CEO and at the operator's expense.

d. Derelict or non-flyable aircraft shall not be stored on the Airport's parking ramp or on property that has not been specifically leased or designated by the Executive Director/CEO for such purpose.

3.12 Refusal of Clearance

The Executive Director/CEO or designee may delay or restrict any flights or the conduct of other aviation-related operations at the Airport and may notify Air Traffic Control to refuse take-off clearance to any aircraft for any reason the Executive Director/CEO or designee reasonably believes is in the best interest of the public or essential to the safe operation of the Airport.

3.13 Specialized Aeronautical Activities

Hot air balloon operations, ultra-light aircraft operations, banner-tow operations, and parachute drops mixing with commercial, military, and other jet activities can create a hazardous environment. Such specialized activities require prior written approval from the Executive Director/CEO.

3.14 Taxiing or Towing of Aircraft

a. No person shall taxi an aircraft into or out of an enclosed hangar under its own power.

b. All aircraft taxiing or under tow on any part of the ramp, apron, or taxiways shall proceed with aircraft position lights on at night and during periods of low visibility.

c. When the Air Traffic Control Tower is in operation, aircraft shall not be taxied, towed, or otherwise moved on any part of the movement area until specifically cleared to do so.

d. No aircraft shall be taxied, or engines operated at the Airport where the exhaust or propeller blast may cause injury to persons or damage to property. If it is impossible to taxi such aircraft in compliance with the above, then the engine(s) must be shut off and the aircraft towed to the desired destination.

e. No person shall tow an aircraft on airport movement area unless such person has

f. passed an approved Airport training program, receives recurrent training, has been issued and is in possession of an Airport security badge with the applicable endorsement.

3.15 Washing and Maintenance

a. Washing and maintenance of aircraft or other Airport related equipment shall only be conducted in accordance with environmental regulations and at approved wash racks or other areas designated by the Executive Director/CEO, or within specific tenant areas where such activity is permitted under lease or agreement.

b. Aircraft maintenance other than minor maintenance as defined by FAA is prohibited on the ramp areas unless specifically authorized by Airport Operations or the Airport Duty Manager.

3.16 Weight Bearing Capacities

Aircraft exceeding the published weight bearing capacity of any runway, taxiway, or apron area are prohibited from operating on those areas without the express written approval of the Executive Director/CEO.

3.17 Deicing

a. Air Carriers must submit a Deice Plan by November 1 of each year.

b. Air Carriers using deicing and anti-icing chemicals must be in accordance with the Storm Water Pollution Prevention Plan and their Deice pPlan.

3.18 Terminal Common Use Facility

Designated Common Use Gates, hardstand positions, and RON facilities for scheduled and non-scheduled flight operations by all carriers shall be managed and approved by Airport Operations in the best interests of facility efficiency. Aircraft Operators using the Common Use Facility shall comply with the Common Use Facility Operating Procedures.

This page intentionally left blank.

CHAPTER 4: VEHICLE OPERATIONS

4.1 City of Mesa Traffic Ordinances

City of Mesa traffic ordinances shall apply to all public roadways on the Airport and are enforced through the City of Mesa.

4.2 Emergency Right-of-Way

Upon the approach of a police, ambulance, fire department, Airport or other emergency vehicle giving an audible or visual signal that it is on an emergency call, each person operating another vehicle on any road inside the Airport Restricted Area shall immediately move out of the path of the approaching emergency vehicle without crossing into the controlled movement area. Stay clear of all intersections and stay there until the emergency vehicle has stopped or passes, unless otherwise directed by an emergency service worker.

4.3 Endangerment

No person shall operate a vehicle on the Airport that is constructed, equipped, or loaded in such a physical or mechanical condition as to endanger persons or property.

4.4 Equipment

No person shall operate a vehicle on the Airport unless the vehicle is in sound mechanical condition with adequate safety equipment.

4.5 Insurance

All motor vehicles operated on the Airport must have liability insurance consistent with the State of Arizona motor vehicle insurance laws.

4.6 Motor Vehicle Accident Reporting

Each operator of a motor vehicle involved in an accident on the Airport that results in damage to property or personal injury shall report it to Airport Operations as soon as possible after the accident. The report must include the name and address of the person reporting. Copies of reports taken by City of Mesa Police are acceptable for incidents that occur in the public areas of the Airport.

4.7 Movement Area Operations

a. Prior to entering the aircraft movement area all vehicles shall yield right-of-way to

all taxiing aircraft and aircraft under tow.

b. No person shall operate a vehicle in the movement area unless prior permission has been obtained from Airport Operations and the vehicle is equipped with a two-way radio in communication with and clearance has been received from the Air Traffic Control Tower, unless under the control of an authorized escort.

c. No vehicle shall enter the movement area unless equipped with an appropriately sized flashing or steady-burning yellow beacon, mounted on the uppermost part of the vehicle such that it is conspicuous from any direction including from the air. An orange and white- checkered flag may be used in lieu of the flashing beacon for daytime activities. The flag shall be mounted so that it is conspicuous from any direction.

4.8 Moving of Motor Vehicles

The Executive Director/CEO or designee has the authority to tow or otherwise move any motor vehicle on the Airport property for reasons of operational necessity, safety, security, abandonment, illegal or unauthorized or improper parking or police investigation. PMGAA may charge a reasonable amount for the moving service and for the storage of the vehicle, if any. The vehicle may be subject to a lien for that charge.

4.9 Parking

a. The Executive Director/CEO or designee are authorized to reserve all or any part of vehicle parking lots and other areas not under lease or permit for use as they may designate, and to indicate any restrictions by appropriate markings and/or signs.

b. No person shall park a vehicle in any parking area without the express or implied consent of PMGAA. All areas designated for vehicle parking are subject to City of Mesa Code, Title 10 requirements.

c. Vehicle parking areas are intended for use by a full-size passenger automobile (19 feet in length maximum). Vehicles exceeding 19 feet shall park in designated areas.

d. Where appropriate signs and/or markings have been installed, no person shall park or stand a motor vehicle on the Airport except in an area specifically designated for parking or standing. No vehicles shall be loaded or unloaded in parking areas other than those designated by PMGAA for such activities (i.e., designated loading zones, loading areas, etc.). Unauthorized vehicles in designated loading areas or areas with signs/markings prohibiting parking/ standing a motor vehicle may be subject to tow at the owner's sole cost and expense.

e. Vehicles parked in any authorized parking area shall park in such a manner as to comply with all posted and/or painted lines, signs, and rules.

f. Tenant ramp vehicles and equipment shall be only parked within the tenant leasehold areas or in approved parking stalls. Outside storage of vehicles or equipment outside of the leasehold premises area is prohibited.

g. Passenger vehicle parking areas shall only be used for parking vehicles no longer than a full-size passenger automobile, (which excludes commercial vehicles), only in the designated and entirely within the painted and striped parking stall lines. No double parking is permitted.

h. No person shall park or stand a motor vehicle on the Airport within 10 feet of a fire hydrant.

i. Privately owned vehicles are not authorized to park within the Airport Restricted Area unless prior approval has been obtained from Airport Operations, through the issuance of a PMGAA issued Vehicle Identification Permit. Such permit shall be displayed at all times, in a conspicuous location.

j. Vehicles parked in the Airport parking lots, which do not belong to passengers, Airport employees, Airport tenants, or Airport/Tenant customers are subject to tow and storage at the owner's expense (Mesa City Code, Title 10, Chapter 9). Illegally parked vehicles are subject to parking charges as published in the current Rates & Charges.

k. Tenant employees shall utilize designated parking locations identified in lease or other agreement.

l. Lessee and its invitees shall obey all signs and motor vehicle codes.

m. Every person using the parking areas shall park and then lock his/her own vehicle. PMGAA will not be responsible for any damage to vehicles, injury to persons or loss of property, all of which risks are assumed by the party using the parking areas.

n. PMGAA reserves the right to refuse the use of any parking area to any person or entity that willfully refuses to comply with these applicable parking rules, Airport regulations, laws, and or agreements.

o. Such parking use as is herein provided is intended merely as a license only, and no bailment is intended or shall be created hereby.

p. The speed limit in parking areas is five (5) miles per hour.

q. The maintenance or washing of vehicles parked on the Airport is prohibited, except in designated wash areas.

r. Parking is prohibited in common areas not designated for parking, areas not striped for parking, drive aisles, loading zones, cross hatched areas, illegal parking areas, in front of loading doors or ramps, and or any entrance or exit to or from the Airport unless authorized by the Executive Director/CEO or designee.

s. In the event that any party fails to comply with the Parking Regulations hereinabove, PMGAA shall cause the vehicle in violation to be towed off the premises at the owner's sole cost and expense, without any liability or cost to PMGAA whatsoever.

4.10 Repair of Motor Vehicles

Except for persons authorized by the Executive Director/CEO or Airport Duty Manager and for minor repairs necessary to move the vehicle from the Airport, no person shall repair a motor vehicle on a road or in a parking area of the Airport.

4.11 Restricted Area Operations

a. No person shall operate a motor vehicle within the Airport Restricted Area without a valid driver's license, and if applicable, proper Airport Driver Endorsement on their security badge unless under the control of an authorized escort. The Airport Driver Endorsement must be presented upon the request of any Airport Operations Staff.

b. No person shall operate a vehicle within the Airport Restricted Area unless their presence is specifically required for Airport business or services.

c. The Executive Director/CEO or designee has the authority to deny, restrict, or cancel the privilege of any motor vehicle operator from operating within the Airport Restricted Area.

d. No person shall operate a motor vehicle at a speed:

1. Of more than 25 mph on any marked service road
2. Of more than 15 miles per hour on any aircraft apron or ramp
3. Of more than five (5) miles per hour around aircraft
4. That could endanger any aircraft, vehicle, or person

e. Airport and aircraft support vehicles and construction vehicles driving or operating within the Airport Restricted Area shall display the company name or logo; a minimum of four (4) inches high on each side of the vehicle.

f. All vehicles operating on service roads and non-movement areas shall be equipped with an amber rotating beacon, or yellow flashing or steady burning beacon while operating in the Airport Restricted Area. Vehicles without such equipment shall be under continuous escort. Construction vehicles shall display an orange and white checkered flag or amber rotating beacon during the daytime operations, and an amber rotating beacon or yellow flashing or steady burning beacon during nighttime operations.

g. Except while in the process of servicing an aircraft or Airport facility, vehicle traffic on the apron shall use marked service roadways where designated.

h. Each person operating a motor vehicle on the Airport shall operate it so as to have it under proper control at all times, weather and traffic conditions considered.

i. Washing of vehicles at the Airport wash rack is limited to tenant company vehicles and equipment.

j. Each person operating a motor vehicle within the Airport Restricted Area shall yield the right of way to aircraft, aircraft under tow and pedestrians.

~~j.~~k. All ground service equipment utilized for transporting luggage or cargo shall tow no more than three baggage carts at a time.

4.12 Signs and Markings

No person shall operate a vehicle on Airport roadways unless it is operated in strict compliance with all roadway signs, markings, and speed limits prescribed by the Executive Director/CEO.

This page intentionally left blank.

CHAPTER 5: FUELING, FIRE AND ENVIRONMENTAL SAFETY

5.1 Aircraft Fueling Operations

a. No person shall operate as an FBO (Fixed Base Operator) or SASO (Specialized Aviation Service Operator) for the purpose of selling fuel for commercial revenue.

b. No person shall operate a fuel truck or fuel transfer vehicle within the Air Operations Area unless such person has passed an approved Airport training program, receives recurrent training, is issued an Airport security badge with a driver and fueling or self-fueling endorsement, and complies with the provisions outlined in PMGAA Aviation Fuel Storage, Handling and Dispensing Guidelines.

c. No person shall fuel/defuel aircraft on PMGAA property unless they are an employee of; 1) an approved on-Airport Fixed Base Operator; or 2) an aircraft operator fueling its airport-based aircraft at its based location. Fueling/defueling of non-based aircraft or aircraft not located at its based location is prohibited, unless approved in writing by the Executive Director/CEO.

   During the fueling of an aircraft, the dispensing apparatus and the aircraft must be bonded in accordance with City of Mesa Code, Uniform Fire Code Standards Section 24-1, NFPA 407 Regulations and ATA 103 Standards.

d. Fuel service vehicles are prohibited from parking within 50 feet of, or within a building.

e. No person shall fuel or defuel an aircraft on the Airport while:

   1. The aircraft is in a hangar or an enclosed space.

   2. The aircraft fuel system vents or fuel tank openings are closer than 25 feet to any terminal building, hangar, service building or enclosed passenger concourse other than a loading walkway.

   3. The aircraft vent or tank openings are within 50 feet of any ventilation air- intake to any boiler, heater, or incinerator room.

   4. Passengers are in the aircraft, unless a passenger loading ramp is in place at the cabin door, the door is open, and a cabin attendant is at or near the door.

f. No person shall start the engine of an aircraft on the Airport if there is any gasoline or other volatile flammable liquid on the ground underneath the aircraft.

g. Each person engaged in fueling or defueling on the Airport shall exercise care to prevent the overflow of fuel and must have readily accessible and adequate fire extinguishers.

h. No person shall smoke or use any material that is likely to cause a spark or be a source of ignition within 50 feet of an aircraft being fueled or defueled.

i. Each hose, funnel, or appurtenance used in fueling or defueling an aircraft on the Airport must be maintained in a safe, sound, and non-leaking condition and must be properly electrically bonded to prevent ignition of volatile liquids.

j. Fueling activities shall cease when lightning discharges occur within five (5) miles of the Airport.

5.2 Aircraft Fuel Storage Facility Requirements

Aircraft fuel storage facilities shall be permitted only if the facility is constructed and maintained in accordance with these regulations and the following: The aircraft fuel storage area is for noncommercial, private use only by the owner or aircraft operator. Aircraft fuel storage facilities which refuel aircraft, in accordance with the provisions of PMGAA Rules & Regulations and PMGAA Minimum Standards, may dispense permitted fuels as approved in writing by the Executive Director/CEO. Aircraft fuel storage areas shall only be constructed after written approval of the Executive Director/CEO and after issuance of all applicable permits. The fuel storage area shall not be approved and operated except in conjunction with aircraft storage that meets the requirements of these regulations. In the event there is a requirement for separate aviation fuel types, there shall be a maximum of two (2) aircraft fuel storage areas on each building site. Total aircraft fuel storage of Jet A shall not exceed 25,000 gallons. Total aircraft fuel storage of 100LL Avgas shall not exceed 12,000 gallons. Fuel storage areas will be fenced, with gates and warning placards, prohibiting unauthorized access.

5.3 Inspection of Fuel Facilities, Records, Meter Readings, and Reporting

a. PMGAA shall have a right of access onto private property at the airport for the purpose of inspecting fuel facilities and equipment. Fuel storage and dispensing records shall be subject to inspection by PMGAA upon reasonable notice. Such inspection may include, but not be limited to, taking meter readings, reviewing, and inspecting fuel storage records, fueling apparatus, training records, emergency equipment, and any and all material for safe fuel handling.

b. Not later than the last day of each month, the operator of the fuel storage area shall submit to PMGAA, in a form acceptable to the Executive Director/CEO, a monthly fuel inventory reconciliation report for the immediately preceding month. At a minimum, the report shall include:

   1. The type and amount of fuel received, spilled, leaked, de-fueled from aircraft or otherwise accounted for from the fuel storage area.

c. At the time of submission of the monthly fuel inventory reconciliation report, each operator of a fuel storage area shall remit to PMGAA, in a form acceptable to the Executive Director/CEO, all applicable fees then due under the Airport Rates and Fees Schedule.

d. The operator of the fuel storage area shall comply with, at the operator's expense; all PMGAA, local, state, and federal regulations, including but not limited to observed testing and submission of annual reports to the appropriate authorities and PMGAA.

5.4 Self-Fueling Operations-Aircraft

a. Individuals desiring to self-fuel their own aircraft shall receive instruction from PMGAA and obtain a permit authorizing such operations unless using an approved self-service fuel island.

b. Gravity feed fueling shall not be permitted from a container with a capacity of more than five gallons. Plastic containers shall not be used for fuel dispensing due to static discharge potential.

c. Fueling hoses shall be approved for flammable liquids and shall be maintained in accordance with nationally recognized standards.

d. Fueling nozzles shall be equipped with a deadman flow control valve. Notches or latches in the nozzle handle that could allow the valve to be locked open are prohibited.

e. An approved portable fire extinguisher having a minimum classification of 40: B shall be provided and maintained within 50 feet of all self-fueling operations.

f. Aircraft shall not be occupied during self-fueling or defueling operations.

g. Aircraft being self-fueled or defueled shall have the battery and ignition switches in the "off" position.

h. Battery chargers shall not be connected, disconnected, or operated during self-fueling or defueling operations.

i. The fueling nozzle shall be bonded with a nozzle bond cable having a clip or plug to a metallic component of the aircraft that is metallically connected to the tank filler port. The bond connection shall be made before the filler cap is removed. If there is no plug receptacle or means for attaching a clip, the operator shall touch the filler cap with the nozzle spout before removing the cap so as to equalize the potential between the nozzle and the filler port. The spout shall be kept in contact with the filler neck until the fueling is completed.

j. When a funnel is used in aircraft self-fueling, it shall be kept in contact with the filler neck as well as the fueling nozzle spout or the supply container to avoid the possibility of a spark at the fill opening. Only metal funnels shall be used.

k. Self-fueling operations shall comply with all other rules and regulations regarding aircraft fueling operations.

5.5 Self-Fueling Operations- Automotive Vehicles and Equipment

Automotive and equipment other than Refueling Service Vehicles and Tank Vehicles shall be refueled by authorized persons only at prescribed refueling stations and from dispensing systems that are approved by the Executive Director/CEO. “Motor gasoline (MOGAS)”, as defined in ASTM Specification D 4814 or Federal Specification VV-G-1690C, is characterized as blended to form a fuel suitable for use in spark-ignition engines. Motor fuel includes diesel and conventional gasoline; all types of oxygenated gasoline, including gasohol; and reformulated gasoline, but excludes aviation gasoline. Any person seeking to perform MOGAS self-fueling operations at the Airport shall comply with all applicable requirements concerning such activities as set forth in this policy and all Local, State, and Federal laws.

5.6 Parking of Aircraft Fuel Service Vehicles

Aircraft fuel service vehicles shall not be parked inside any buildings, except for approved vehicle maintenance and repair facilities. Such vehicles may only be parked in areas authorized by the Executive Director/CEO.

5.7 Explosives & Other Hazardous Materials

Explosives and other hazardous materials not acceptable for transportation under applicable federal regulations are not permitted on the Airport. Hazardous materials that pose a present or potential hazard to human health and safety or to the environment if released are also prohibited. Class 1 explosives, Class A poisons and radioactive materials as defined in the latest edition of the Emergency Response Guidebook are not permitted anywhere on the Airport, except as approved in writing by the Executive Director/CEO.

5.8 Fire Equipment

Airport fire extinguishers and Airport fire protection systems shall not be tampered with at any time, relocated nor used for any purpose other than firefighting or fire prevention. All tenants shall supply and maintain such adequate and readily accessible fire extinguishers within their leaseholds as may be required by the City of Mesa Fire Department

5.9 Hazardous Material Spills

a. Whenever a hazardous material spill or leak occurs, the owner of the material or equipment involved in such spill or leak shall take immediate steps necessary to ensure discovery, containment, and clean-up of such release and notify the Mesa Fire Department and Airport Operations of the occurrence. Charges may be assessed by the Executive Director/CEO for cleanup services including, but not limited to, reimbursement of labor, equipment, and materials.

b. Fuel spills greater than 10 feet in any dimension, covering an area of over 50 square feet, greater than five (5) gallons, or continuous in nature shall be immediately reported to City of Mesa Fire Department and Airport Operations.

5.10 Open Flames

a. No person shall start any open fire of any type on any part of the Airport without advance written permission from the Executive Director/CEO.

b. No person shall operate a flame or spark-producing device on any part of the Airport except in areas within leased premises specifically designated for such use unless a permit from the City of Mesa Fire Marshall or other appropriate official has first been obtained. No permit shall be issued for operations within any aircraft hangar, any fuel storage area, or upon any components of the fuel distribution system unless the work is required for the repair of such areas or hangars. Where such repair is required, permission shall first be obtained from the City of Mesa Fire Marshall and shall be subject to conditions as he/she may impose.

c. Every person observing any unattended or uncontrolled fire on Airport premises shall immediately report it to 9-1-1. No person shall make any regulation or order, written or verbal, which would require any person to take unnecessary delaying action prior to reporting such a fire.

5.11 Storm Water Discharge

All storm water discharge requirements, including applying for, paying for, and obtaining the required Arizona Pollutant Discharge Elimination System (AZPDES) Storm Water Permit are the responsibility of each tenant or authorized contractor that will cause, create, or develop an industrial discharge at any location on the Phoenix-Mesa Gateway Airport property. All Tenants are responsible for determining their industrial status through the Arizona Department of Environmental Quality (ADEQ), filing the appropriate forms (i.e., Notice of Intent), and completing the applicable section of their Lease documentation pertaining to Environmental Compliance. All Tenants are responsible for compliance with the Storm Water Control Measures as outlined in PMGAA Storm Water Pollution Prevention Plan (SWPPP).

5.12 Volatile Compounds

a. No person shall use a flammable volatile liquid having a flash point of less than 100 degrees Fahrenheit for cleaning purposes in a hangar or other building on the Airport unless it is approved by the City of Mesa Fire Department.

b. No fuel, oil, grease, flammable liquids, or contaminants of any kind including detergents used to wash aircraft or other surfaces, shall be allowed to flow into any sewer system, storm drain, or open water area without a separator.

c. No person, tenant, or company shall store any cylinders of compressed flammable gas inside any building except as may be permitted under applicable NFPA standards and the City of Mesa Fire Code.

d. No person shall store lubricating oils or other flammable materials except in appropriate storage cabinets suited for such use.

5.13 Dust Control

All tenants and personnel performing any type of ground disturbing activities(s) shall minimize the amount of dust generated from said activity by spraying clean water on the source or by using a dust palliative. Tenants creating any dust-generating activity may need to apply for a Maricopa County Air Quality Dust Control Permit at their expense.

This page intentionally left blank.

CHAPTER 6: LEASES & TENANT OPERATIONS

6.1 Condition of Tenancy

All Airport tenants must acknowledge through their lease or operating agreement that they will comply with these Rules and Regulations and appropriate minimum standards as a condition of tenancy or operation on the Airport.

6.2 Damage

Tenants and lessees, in addition to any terms that may be contained in their lease agreement, shall be fully responsible for all damages to buildings, equipment, real property, appurtenances, or other improvements in the ownership or custody of PMGAA, caused in whole, or in part, by their employees, agents, customers, visitors, suppliers, or persons with whom they may do business.

6.3 Design Guidelines

All facilities developed on the Airport shall conform to PMGAA Design Guidelines, Landscape Master Plan, and other pertinent standards, guidelines, or requirements.

6.4 Employees

Tenants are responsible for ensuring their employees are familiar with and comply with these Rules and Regulations, applicable minimum standards, and appropriate portions of their lease or other agreement with PMGAA. Tenants are also responsible for ensuring their employees and contractors meet physical and mental standards necessary for the safe conduct of the employee's job tasks.

6.5 Fire Equipment

Tenants are responsible for supplying and maintaining any required fire equipment on a tenant's premises unless specifically excluded in their lease agreement.

6.6 Floor Care

Each person to whom space on or at the Airport is leased, assigned, or made available for use shall keep the space free and clear of oil, grease, or other foreign materials that could cause a fire hazard or otherwise unsafe condition, or damage to the flooring material.

6.7 Free of Debris

Tenants shall keep hangars, shops, offices, other buildings, and areas adjacent thereto free of waste material, rubbish, junk, landscaping litter and flammable material. Tenants shall clear FOD in the AOA generated from their premises, vehicles, or equipment.

6.8 Hangar Storage

a. Aircraft hangars shall be used for aeronautical purposes or be available for use for an aeronautical purpose. Aircraft hangars shall remain in compliance with FAA policy, specifically 81 FR 38906 Policy on the Non-Aeronautical use of Airport Hangars, and all occupancy shall be subject to and in compliance with the City of Mesa Building Code, City of Mesa Fire Code, and Airport Rules and Regulations (collectively "Code") at all times.

b. The incidental storage of the aircraft owner's personal property related to the use, care, maintenance, and storage of an aircraft is permitted, provided that all non-aviation related items shall not obstruct any aircraft ingress and egress to the aircraft hangar or right of way thereto.

c. Preventative maintenance of an aircraft by the aircraft owner or properly licensed mechanic is permitted, provided that such activity creates no hazard or nuisance to the hangar facility or to Airport property.

d. Storage of aircraft parts, equipment, and supplies that relate to the aircraft owner's airworthy aircraft are permitted, provided that such storage of materials creates no hazard or nuisance to the hangar facility or to Airport property.

e. This section applies regardless of whether the hangar occupant leases the hangar from the airport sponsor or developer, or the hangar occupant constructed the hangar at the occupant's own expense while holding a ground lease. When land designated for aeronautical use is made available for construction of hangars, the hangars built on the land are subject to the sponsor's obligations to use aeronautical facilities for aeronautical use.

f. The following activities or items shall be prohibited in an aircraft hangar:

1. The storage of any vehicle, boat, or recreational vehicle that impedes with the storage or movement of the aircraft.

2. No aircraft hangar shall be used for any residential purposes.

3. Storage of ammunition or explosives in any quantity is strictly prohibited.

6.9 Insurance

The Executive Director/CEO shall establish insurance requirements as a condition of operating on the Airport for all persons engaging in activities and business on the Airport. These requirements may vary among different types of service providers and may be periodically adjusted to ensure that PMGAA, passengers and the interests of the public are adequately protected. Continuous proof of proper insurance and business licensing shall be provided to PMGAA as a condition of operating at or on the Airport.

6.10 Marking of Paved Areas

Other than as provided in tenant leases, no surface painting or marking of any paved area on Airport property shall be permitted without submission of measured drawings and written permission from the Executive Director/CEO.

6.11 Preservation of Property

No person or tenant shall destroy, injure, deface, or disturb any building (except hangar 24 or the ASR), sign, fence, or other structure, tree, lawn, or other property on the Airport; nor alter, make additions to, or erect any building or sign or make any excavations on the Airport without the approval of the Executive Director/CEO.

6.12 Regulation of Commercial Activities

a. No person shall occupy or rent space, carry on any business, commercial operations, or other form of revenue-producing activity on the Airport without first obtaining a written contract, lease agreement or permit authorizing such activity, from the Executive Director/CEO.

b. The Airport Minimum Standards shall be met and maintained at all times by any individual, group of persons, business, or enterprise desiring to provide such commercial services or commodities at or on the Airport.

6.13 Storage and Equipment

No tenant or lessee of a hangar, shop facility, or other operational area specified by the Executive Director/CEO on the Airport shall store or stack equipment or material in a manner to be unsightly or constitute a hazard to persons or property. Areas of equipment storage shall be kept free of litter, trash, refuse, waste, rubbish, and debris.

6.14 Structural and Decorative Changes

Structural and decorative changes to any building, ramp, or other structure on the Airport require written approval of the Executive Director/CEO and must comply with local building codes and inspections and Airport Design Guidelines.

6.15 Trash Containers

Tenants shall place and maintain trash receptacles in the public areas of their premises, and other areas where necessary to promote and encourage the proper disposal of trash. All exterior trash receptacles on the Airport shall be sufficiently covered to prevent the inadvertent discharge of trash onto the Airport and prevent access by wildlife. The Airport encourages tenants to participate in recycling trash. Acceptable recyclable trash items are listed under the City of Mesa's Blue Barrel Recycling Program.

This page intentionally left blank.

CHAPTER 7: SECURITY REQUIREMENTS

7.1 Aircraft Security

When the condition or mission of an aircraft requires security guards or police officers, the owner or operator of the aircraft must coordinate this requirement with Airport Operations. The owner or operator of the aircraft is responsible for obtaining and paying security service personnel.

7.2 Airport Security Program

All persons using the Airport are subject to the Airport Security Program pursuant to TSA Regulation Part 1542.

7.3 Air Carrier

Air carrier tenants required to have a TSA approved Aircraft Operator Standard Security Program (AOSSP) shall maintain a current copy at the Airport.

7.4 Aviation Repair Station

Aviation Repair Stations covered under FAR Part 145 subject to TSA Security Directives shall maintain a security coordinator at all times.

7.5 Challenge

All persons who are provided access to the Airport Restricted Area shall reasonably challenge any person not displaying proper identification media while in the Airport Restricted Area. Any person challenged to display an approved Airport identification media shall do so immediately upon request. Challengers are not expected to place themselves or others in a dangerous situation and shall not approach when they feel making a verbal challenge would do so, but rather the challenger is obligated to notify Airport Operations or the Mesa Police Department in such instances.

7.6 Doors and Gates

a. At no time shall any Airport Restricted Area access gate be left open and unattended in a manner that would allow unauthorized access.

b. Security doors leading into the Airport Restricted Area shall be kept locked as required by the Airport Security Program.

c. Automated vehicle gates are for vehicle access only. No pedestrians shall use an

automated vehicle gate for pedestrian access.

d. Tenants shall be responsible for doors and gates located in their leased areas. Security gates leading into the Airport Restricted Area shall be controlled and monitored by the Airport Access and Monitoring System.

7.7 Employee Access Investigations

a. Employee access investigations in accordance with TSA Part 1542 and the Airport Security Program shall be conducted by employers for each employee. Certification of completion of the access investigation is required prior to PMGAA issuing any access materials.

b. The Airport Security Coordinator, or his/her designee, may deny issuance of an ID badge based on an applicant's conviction for a non-disqualifying offense if the offense occurred on Airport property and the offense interfered with or threatened the property, safety, comfort, efficiency or security of passengers, employees, tenants, or Airport operations.

c. Any person applying for identification media, covered under 49 C.F.R. 1542.209, who is charged with a Disqualifying Crime and awaiting a final judicial disposition will be denied issuance of an ID badge until a final judicial disposition is made and documentation is provided for review. ~~If an applicant has any outstanding warrants, their badge will not be issued until the warrant is handled (within 30 days).~~

d. PMGAA reserves the right, and makes the final determination, whether to grant, deny, or revoke a ~~badge~~ID media and access media at any time ~~it feels that an~~ when an individual ~~may~~ jeopardizes the security of the airport or compliance with the Airport Security Program.

e. Applicants with active warrants shall not be issued identification media until charges are adjudicated and applicant is fully vetted according to the Airport Security Plan.

7.8 Escorting

No person shall escort or allow non-badged persons access to the AOA or other secure areas without first complying with requirements of the Airport Security Plan.

7.9 General Aviation Aircraft

General Aviation aircraft are prohibited from entering the commercial passenger or cargo areas of the Airport unless otherwise coordinated in advance with Airport Operations and the Air Traffic Control Tower.

7.10 Identification Media and Access Cards

a. Identification media and access cards issued by PMGAA are property of PMGAA and must be surrendered upon the request of Airport Operations personnel or Mesa Police.

b. No person shall loan or provide Airport identification media or access cards to anyone other than to whom the media was issued.

c. PMGAA-issued or approved identification media must be properly displayed on the outermost garment, above the waist, at all times while within the Airport Restricted Area.

d. PMGAA-issued or approved identification media shall not be mutilated or altered from its original form in any way, nor shall any such media be reproduced or copied in such a manner as to degrade the security of the identification system.

e. PMGAA-issued or approved identification media shall not be duplicated, photocopied, posted or likeness otherwise distributed.

7.11 Restricted Areas

a. Only those persons specifically authorized by Airport Operations with proper personnel and vehicle identification are allowed access to the Airport Restricted Area, Air Operations Area (AOA) or Security Identification Display Area (SIDA) unless otherwise provided for under the Airport Security Program.

b. Pedestrians or motor vehicle operators observed in areas other than those designated for public use without authorization by the Executive Director/CEO will be considered trespassing and subject to arrest.

7.12 Security Fence Line

A minimum clear area of six (6) feet shall be kept between the security fence line and any object that may be used to conceal persons along the fence line or that would aid any individual in gaining access to the Airport Restricted Area unless specifically approved by the Executive Director/CEO.

7.13 Security Screening

All persons ~~desiring~~ approaching or entering ~~to enter~~ the ~~a~~ sterile area are subject to security screening.

7.14 Tailgating/ Piggybacking

No person or vehicle shall enter the Airport Restricted Area through an access portal that was opened for or by an authorized person or vehicle unless under the direct escort and control of that authorized person. All persons and vehicles using any airfield access gate or secured door, or gate shall ensure the gate or door is secured behind them prior to leaving the area to prevent unauthorized access.

7.15 Tenant Security

Tenants and tenant employees are responsible for safeguarding doors, gates, and other forms of passageways between Airport Restricted Areas and public areas. Tenants are responsible for safeguarding aircraft and other private property entrusted to their care within the Airport Restricted Area or other locations on their leased premises.

7.16 Violation of Security Regulations

Violation of security regulations may result in the immediate revocation of security privileges, revocation of access media, and denial of future entry into the Airport Restricted Area. Any fines levied against PMGAA for security violations will be charged to the offending individual and tenant.

7.17 Weapons

No person, except a peace officer, authorized air carrier employee, authorized Airport

employee, or a member of an armed force of the United States on official duty, shall carry any weapon, explosive, or flammable material on or about his person, openly or concealed, in the Airport Restricted Area without the written permission of the Executive Director/CEO. This section shall not apply to persons carrying firearms in cases, broken down or unloaded, when said firearms are being transported by air. No person shall furnish, give, sell, or trade a weapon on the Airport.

This page intentionally left blank.

CHAPTER 8: SPECIAL EVENTS

8.1 Authorization

Specialized events require advance written coordination, regulation, and authorization by the Executive Director/CEO prior to the public disclosure or advertisement of the event. The authorization will be in the form of a letter of authorization from the Executive Director/CEO to the special event sponsor in which the sponsor is recognized as involved in the planning process for a specific type of event. Certain activities shall require an executed lease, operating agreement, deposit or permit with PMGAA. A City of Mesa event permit may also be required as determined by the City of Mesa.

8.2 Aviation Activities

a. A special event that involves aerobatic maneuvers by aircraft must be coordinated in advance with Airport Operations and the local FAA Flight Standards District Office.

b. Special events involving aerial activities that are not of a routine nature for the Airport will require the designation and approval of an "air boss" who is experienced in directing and controlling the aerial activities planned for the event.

8.3 Closures or Restrictions

All runway, taxiway, ramp area, landside, or public area closures or restrictions must be coordinated with Airport Operations and other users of the Airport well in advance of the event.

8.4 Coordination

The sponsor shall make arrangements for such things as auto towing, garbage pickup, and refuse cleanup for any and all persons attending or associated with the event. If the special event is expected to attract an attendance of 500 persons or more, the sponsor must coordinate road and highway impacts with City of Mesa Police, Maricopa County Sheriff's office, and Arizona Department of Public Safety or other affected jurisdictions. In addition, the sponsor shall coordinate public safety impacts with City of Mesa Police and Fire and arrange any necessary protection (security, ambulance, fire protection, Aircraft Rescue and Fire Fighting support). Air traffic impacts shall be coordinated and approved by the Air Traffic Control Tower Manager.

8.5 Damages

Event sponsors shall pay for all direct expenses related to the special activity and

compensate PMGAA for damaged property. If the sponsor fails to adequately perform trash and litter clean-up of the Airport or repair damaged property in a timely fashion as determined by Airport Operations, PMGAA may perform these functions and charge the sponsor accordingly.

8.6 Fees

The event sponsor shall provide a written disclosure of all special event fees charged to the public to the Executive Director/CEO. In addition, when fees are charged, the sponsor shall pay fees to PMGAA as specified by Lease or Operating Agreement.

8.7 Insurance

The special event sponsor will be required to obtain liability insurance for the event in an amount determined by the Executive Director/CEO. The sponsor shall provide proof of insurance policy identifying PMGAA as a "named insured" for the event.

8.8 Normal Ingress/Egress

All special events must be planned to accommodate the normal ingress and egress of motor vehicles for those persons involved in passenger carrier flights, general aviation users of the Airport, air ambulance, or business activities normally conducted at or on the Airport.

8.9 Plans

In addition to the required coordination elements, the sponsor shall prepare and present to the Executive Director/CEO written plans to handle adverse weather, dust, hazardous materials spills, emergency services, and public protection.

8.10 Special events

Special events include air shows, balloon festivals, air races, fly-ins, parachute team demonstrations, static displays for the public, aerobatic events, filming for television, movies, or commercials, and other events or activities not normally associated with the daily operation of the Airport.

This page intentionally left blank.

CHAPTER 9: GROUND TRANSPORTATION

9.1 Ground Transportation General Authority

a. PMGAA has established ground transportation operating procedures for all Ground Transportation Providers subject to A.R.S, Title 28, Chapter 30 operating at the Airport. These operating procedures are to ensure the most fair and consistent ground transportation service. They will provide the public with the safe and convenient passenger movement.

b. It is imperative that all Ground Transportation Providers abide by the terms of the Airport license agreement and these Airport Rules and Regulations. Ground Transportation Providers are subject to on site supervision and direction by any personnel designated by the Airport Executive Director/CEO. Any person who violates these rules and regulations will, at the discretion of the Authority or its authorized representative, be denied use of the Airport and its facilities.

c. The ground transportation rules and regulations contained herein supersede and cancel all other previous ground transportation rules and regulations set forth by the Authority and its facilities.

9.2 Ground Transportation Provider Insurance Requirements

a. Before commencing ground transportation operations at the Airport, Ground Transportation Providers shall submit to the Authority an original certificate of motor vehicle insurance with a reputable insurance company or companies evidencing PMGAA's minimum policy limits and which names PMGAA as the certificate holder and as additionally insured by endorsement. The Airport shall be notified 30 days prior to cancellation or non-renewal of said endorsement.

b. Vehicle insurance shall cover all automobiles owned, leased, hired, rented, borrowed, or otherwise used by or on behalf of the Ground Transportation Provider.

c. PMGAA, its officers, officials, agents, employees, and volunteers are to be listed as additional insured with respect to liability arising out of: activities performed by, or on behalf of, the commercial operator including automobiles owned, leased, hired, or borrowed by the Operator.

d. PMGAA, its officers, officials, agents, employees, and volunteers shall be additional insured to the full limits of liability purchased by the Ground Transportation Provider even if those limits of liability are in excess of those required by permit.

e. Proof of insurance shall be available in each vehicle and provided when requested.

9.3 Conditions of Ground Transportation Provider

a. All Ground Transportation Provider vehicles shall be properly identifiable with company name logo or trade dress visible within 50 feet in front of the vehicle to enable passengers to identify the company name and address. Magnetic removable placards are not permitted.

b. All Ground Transportation Provider vehicles shall be validly registered in a state and must be able to produce proof of registration upon request. Ground Transportation Providers must provide proof of registration with the Arizona Department of Transportation if registration if required by A.R.S. Title 28, Chapter30.

c. Every vehicle shall be structurally sound and maintained in such good condition as to provide for the safety of the public in accordance with each and every applicable requirement of A.R.S. Title 28 and Title 49.

d. All Ground Transportation Provider vehicles serving the Airport shall be properly maintained and operated in a clean, safe, and businesslike manner at the sole discretion of the Authority or its representative. Vehicles are subject to inspection by Airport Operations staff.

1. Air conditioners will be operated at all times when temperatures reach 85 degrees Fahrenheit or upon passenger request.

2. Heaters will be operated upon passenger request and sufficiently heat the interior of the vehicle.

3. Exterior paint shall be maintained free of oxidation and rust.

4. Vehicle shall be free of any sheet metal damage.

5. Vehicle shall be free of dirt, trash, and debris.

6. The exterior of each vehicle in service shall be kept clean from road dust, mud, and grime.

7. The interior of each vehicle in service shall not contain offensive odors.

8. All vehicle interiors, trunk space and exteriors shall be kept clean and free of any damage. All vehicles shall have matching hubcaps and door handles. Trunks shall be kept clean and empty to accommodate passenger luggage.

9. All glass, including windshields shall be free of cracks and chips ¼ inch or larger.

9.4 Ground Transportation Provider Vehicle Driver Requirements

a. All drivers shall meet all Federal, State, and City requirements. Drivers shall possess a valid state issued driver's license, knowledge of the area and streets, ability to speak, read, and understand the English language.

b. All drivers operating Ground Transportation Provider vehicles must display or present valid company identification upon request.

c. Driver's Airport operating privileges may be revoked at the discretion of a representative of the Authority.

d. Drivers shall at all times be courteous, professional, and informative when interacting with passengers, airport staff, and other drivers. Customer complaints relating to a driver's failure to meet the foregoing standards of conduct may provide grounds for the termination of the driver's operating privileges at the Airport.

e. Drivers will contact their company's Supervision for complaints regarding other drivers of the same company and will refrain from making contact with drivers of other companies.

f. Drivers shall not engage in any physical fighting or loud, boisterous verbal disputes while on the Airport. If a dispute develops between a driver and a passenger, or another driver, the driver should immediately contact airport staff to resolve the dispute.

g. All drivers operating commercial vehicles at the Airport shall be clean and neat in their personal appearance and shall be courteous to passengers loading or unloading at the Airport.

h. All drivers must carry vehicle registration and insurance in vehicle at all times.

9.5 Regulations and Licenses

a. The Ground Transportation Provider shall comply with all applicable local, state, and federal regulations and abide by the Rules and Regulations of the Authority now in effect, or that may be promulgated from time to time, including but not limited to the utilization of loading zones, queuing areas, and other such traffic control arrangements as designated by Airport Management. The Ground Transportation Provider will provide the Authority with current copies of all applicable licenses from state or local authorities for areas the Operator proposes to serve.

b. The Ground Transportation Provider shall secure and pay the costs of all required licenses, supplementary equipment, permits, franchises, both of its employees and vehicles. The Operator will pay all taxes, fees, licenses, and moneys required by the Federal, state, or local governments for its operations at the Airport.

c. The Ground Transportation Provider shall maintain and operate its service in compliance with all requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, and Part 21 Nondiscrimination in Federally Assisted Programs of the Department of Transportation-Effectuation of Title 6 of the Civil Rights Act of 1964, as said regulations may be amended.

d. No Ground Transportation Provider vehicle operator shall engage in the business of picking up passengers at the Airport terminal without first obtaining a Ground Transportation License Agreement from the airport authority. A Ground Transportation License shall not be issued until the owner has completed an application form provided by PMGAA.

e. Ground Transportation Providers that are not licensed through the Airport and that attempt to pick-up passengers in any terminal related areas are subject to eviction without loading their client and may face criminal trespass charges.

Ground Transportation Providers shall pay license fees and report activity to the Airport Authority pursuant to the License Agreement. Fees will be based on either a one-time annual fee for each registered vehicle or a trip fee for each trip at the Airport Passenger Terminal, provided that the Ground Transportation Provider utilizes a GPS tracking/reporting application which is approved by the Airport Executive Director/CEO.

9.6 Access and Parking

a. All Ground Transportation Provider drivers shall operate their vehicles in a safe manner while operating at the Airport property. Excessive speed and / or reckless driving are strictly prohibited. Drivers will refrain from blocking crosswalks or thru lanes at all times.

b. All Ground Transportation Provider vehicles desiring to drop off passengers shall be permitted to use the designated passenger loading/unloading zone of the Airport terminal curbside for active unloading of passengers and their baggage. No parking shall be allowed in this area. Vehicles may be cited and towed away. Drivers are not permitted to leave their vehicle unattended on the terminal curbside at anytime

c. Baggage delivery service vehicles must use the designated area for both loading and unloading baggage and are responsible for any charges incurred

d. Ground Transportation Provider vehicles not having a valid Ground Transportation License with the Airport are authorized to enter Airport property to discharge passengers only in accordance with this paragraph.

e. Ground Transportation Provider with a prior reservation from a passenger awaiting pick up may proceed to the designated area to await their client and are responsible for any charges incurred. When picking up a pre-arranged assisted needed passenger, Ground Transportation Provider may pick up their client at the terminal curbside provided the passenger is ready to load. Waiting along the curbside is strictly prohibited.

f. Passenger pick up by licensed pre-arranged shuttle operators is permitted only in the shuttle queue. Pre-arranged shuttle operators arriving early may stage in the Airport designated lot until the scheduled arrival time or actual arrival.

g. Passenger pick up by licensed Ground Transportation Provider vehicles other than taxicab or pre-arranged shuttle operators to include sedan/VIP type vehicles is permitted only in the designated parking lots, or along the terminal curbside provided the passenger is ready for pick up. Drivers of these vehicles shall be responsible for any charges incurred while staged in these lots. Sedan/VIP drivers parked in designated lots may meet & greet their clients inside the baggage terminal and will remain at least 15 feet away from Rental Car counters, concessionaires, and the baggage claim information counter.

h. Ground Transportation Provider vehicles shall enter the commercial vehicle queuing area only for the purpose of loading customers or passengers. Only those Ground Transportation Provider authorized vehicles shall have access to the taxi stand or pre-arranged shuttle queuing area.

i. Drivers may park in the passenger loading/unloading zones to drop off passengers only long enough to unload passengers and luggage at the curb. Vehicles left unattended will be subject to citation and/or towing enforcement.

j. There shall be no unattended vehicles parked in the queuing areas; vehicle drivers shall remain within 25 feet of their respective vehicles.

k. Limousines shall stage in designated lots. When contacted by their client and when their client states that they are ready for pick up, operators may then proceed to the terminal curbside and load their passenger(s).

l. Buses or coaches shall stage in designated lots. When contacted by their client and when their client states that their group is ready for pick up, buses or coaches may then proceed to a place along the terminal curbside designated by the Airport operator or operations personnel.

m. Transportation Network Company vehicles may stage in designated lots. When matched with a client ready to pick up, Transportation Network Company vehicles may then proceed to the designated pick-up curb location for loading. Transportation Network Companies may not stand or wait at the curbside for clients.

~~m.~~n. All Pre-Arranged Ground Transportation Service Providers (limo/livery, shared ride, TNC, Peer to Peer Car Sharing, and Hotel Shuttles) are limited to a single thirty (30) minute staging time interval at the designated curbside pickup location(s) for each provider before being required to relocate until their passengers are present.

9.7 Soliciting

a. The authorized solicitation of passengers by a Ground Transportation Provider shall only be conducted by the first driver in line in the designated areas at the taxicab queue. Taxicab drivers may not refuse transportation of a passenger based on the length of transport. Driver and passenger communication shall be conducted in a courteous and professional manner. Drivers shall not make any misrepresentation of their service. Drivers shall not be loud and boisterous with/or in the presence of potential customers.

b. Soliciting passengers is an offense that may result in the loss of ground transportation Licenses. Drivers soliciting passengers or in any manner offering to transport passengers in non-designated areas may be subject to an NOV.

c. Off duty drivers are not allowed to loiter on airport premises. Any off-duty driver using a Ground Transportation Provider vehicle for personal use at the Airport shall utilize the public parking facilities and shall not load passengers.

9.8 Miscellaneous Provisions

a. The Ground Transportation Provider shall repair promptly, and at no cost to the Authority, any damages to property of the Authority, which the Operator or its

representatives have caused. If repairs are not carried out promptly, the Authority shall cause repairs to be performed and bill the company for the cost.

b. No signs, posters or similar devices shall be erected, displayed, or maintained by the

Ground Transportation Provider on Airport premises without prior written approval of the Authority or its representatives.

c. Solicitation of business in any manner whatsoever upon Airport property is strictly prohibited. Cruising is specifically prohibited.

d. The Authority or its representatives shall have the right to restrict drivers or vehicles from operating at the Airport in noncompliance with Airport Rules and Regulations.

e. A Ground Transportation Provider may request that specific documents provided to the Airport be treated in a confidential or proprietary (collectively, "Confidential"), provided that the Ground Transportation Provider clearly labels the documents "Confidential". The Airport will notify the Ground Transportation Provider in writing of the public records request to view the documents, or any portion of the documents marked "Confidential". The Ground Transportation Provider will have seven calendar days from the date such notice is received to obtain a court order enjoining the release of the documents marked "Confidential". If the Ground Transportation Provider does not provide the Airport with a court order enjoining release of the documents, the Airport will make the documents requested available for inspection as required under the public records law, seven (7) calendar days after the written notice to the Ground Transportation Provider is received.

This page intentionally left blank.

APPENDIX A: DEFINITIONS

Advisory Circular: FAA publications that outline and describe recommended standards and procedures for numerous aviation entities.

Air Operations Area (AOA): That area of the Airport used or intended to be used for landing, takeoff, or surface maneuvering of aircraft. The AOA includes the active runways, taxiways, ramp and turf areas. The AOA is considered part of the Airport Restricted Area and is off-limits to the general public.

Air Traffic Control (ATC): A service operated by appropriate authority to promote the safe, orderly, and expeditious flow of air traffic on or in the vicinity of the Airport.

Air Traffic Control Tower (ATCT): The Airport traffic control tower at Phoenix-Mesa Gateway Airport.

Aircraft (also Airplane, Balloon, Blimp, Ultralight, Helicopter): Any device or contrivance now known or hereafter invented that is used or intended to be used for flight in the air.

Aircraft Maintenance: The repair, adjustment, or inspection of an aircraft by a pilot, owner, or mechanic other than the routine cleaning, upkeep, and servicing of an aircraft in preparation for flight. Minor repairs are characterized as normal, routine annual inspection with attendant maintenance, repair, calibration or adjustment or repair of aircraft and their accessories. Major repairs are characterized as major alterations to the airframe, power plant, propeller and accessories as defined in FAR Part 43.

Aircraft Operation: An aircraft takeoff, landing, touch and go (two operations), low approach and/or missed approach.

Aircraft Rescue and Fire Fighting (ARFF): The personnel, equipment, and facilities on or off the Airport dedicated to dealing with aircraft accidents/incidents and all rescue and firefighting tasks, structural fires, and other firefighting emergency activities.

Airport: Shall mean and have reference to all the areas comprising the Phoenix-Mesa Gateway Airport as now existing, or as the same may hereafter be expanded and developed, and shall include all of its buildings, facilities and appurtenances.

Airport Authority: PMGAA, a Joint Powers Airport Authority authorized under the laws of the State of Arizona, its successors, and assigns, formed pursuant to A.R.S. §28-8521, et seq.

Airport Driver Endorsement: The authority issued by Airport Operations authorizing motor vehicle operations within the Airport Restricted Area. An Airport Driver Endorsement shall mean an indication of completed airfield driver training, and so noted on an individual's Airport security identification badge.

Airport Duty Manager: The designated management representative of PMGAA during emergency incidents and after regular business hours.

Airport Executive Director/CEO (also Executive Director/CEO). The Executive Director/CEO of PMGAA or his/her designee. The term "Executive Director/CEO" as herein used, shall include persons duly designated to represent the Airport Executive Director/CEO and to act on behalf of the Airport

Airport Minimum Standards: A separate document adopted and formally approved by the Airport Authority within which are detailed provisions outlining the minimum building size, performance, or other standards acceptable by the Airport Authority for a business firm aspiring to do business at the Airport.

Airport Operations: Airport staff responsible for monitoring compliance with operations involving Airport airside and landside activities.

Airport Restricted Area(s)/ Restricted Area(s): Areas closed to access by the general public. These are limited access areas that the Executive Director/CEO, the FAA, TSA, or commercial aviation business owners have elected to restrict for purposes of security or safety. These areas include but are not limited to the Air Operations Area, Airport perimeter roadways, fenced-in areas, aircraft hangars and maintenance shops, fuel storage areas and hazardous materials storage areas.

Airport Rules and Regulations: A document adopted and formally approved by the Airport Authority within which are detailed provisions for the safe, orderly, and efficient operation of the Airport.

Airport Security Program: A program developed in accordance with TSA Part 1542 and approved by a TSA Federal Security Director outlining Airport security requirements, methods, and procedures for Phoenix-Mesa Gateway Airport.

Apron (also Ramp): Those areas designated by the Airport, both public and private/leased, designated by the Executive Director/CEO for the parking or storage of aircraft. These areas are usually restricted areas and involve activities such as enplaning and deplaning passengers, servicing aircraft, and aircraft movements.

Arizona Revised Statutes (A.R.S.): the set of books which contains the constitution and laws

enacted by the Legislature to govern the state.

Based Aircraft: Aircraft that are "operational and airworthy", which are based at an airport for a majority of the year.

Emergency Vehicles: Vehicles that are painted, marked, lighted or escorted and used by law enforcement officers (or security officers), fire department (ARFF), ambulance or other Airport officials to carry out their daily duties or used in response to an emergency situation.

Engine Run-up: The operation of an aircraft engine at power settings in excess of those power settings needed for normal taxiing of the aircraft. Engine run-ups are usually conducted at relatively high-power settings in order to determine the performance of an aircraft engine.

Escort: A person authorized by the Airport to accompany a contractor or other persons within the Airport Restricted Area(s) in accordance with all FAA safety and security regulations and Airport-specified responsibilities.

Executive Director/CEO: Executive responsible for the enforcement of these Rules and Regulations to ensure the efficient, proper, and safe operation of the Airport, but only to the extent authorized by law or properly delegated by said Airport Executive Director/CEO.

FAA: The Federal Aviation Administration.

FAR: The Federal Aviation Regulations as written, approved, and published by the FAA.

Flight Standards: FAA standards for promoting safe air transportation by certification and oversight of airmen, air operators, air agencies, and designees.

General Aviation: All categories and types of aviation/aircraft in the U.S. except for certified air carriers (under FAR Part 121 or Part 129) and Part 129 Foreign Air Carriers and Department of Defense military aircraft.

GPS Tracking/Reporting Application: Any online-enabled application, software, website, or system that is offered or used by the authorized provider and that enables a potential passenger to arrange a ride with a Ground Transportation Provider driver and utilizes Global Positioning Satellite for tracking and reporting.

Ground Transportation: Modes of vehicle transportation to facilitate the movement of passengers and visitors to and from the airport.

Ground Transportation Provider: Any entity that provides Ground Transportation services for a fee.

Hangar: Any fully or partially enclosed storage space for an aircraft.

Hazardous Material: A substance or material in a quantity or form that may pose an unreasonable risk to health or safety, or property when stored, transported, or used in commerce as defined in applicable Federal, State, and local environmental laws.

Incident Commander: The individual responsible for directing and / or controlling resources during an Airport emergency; the leader of Unified Incident Command.

Lease: A contract granting occupation or use of property during a certain period in exchange for a specified rent.

Movement Area: Those areas of the Airport under the control of the Air Traffic Control Tower including runways, taxiways, and helipads designated and made available for the landing, take-off, and taxiing of aircraft and which require a clearance from the Air Traffic Control Tower prior to entering.

Notice of Violation (NOV): An NOV is a form issued by Airport Operations personnel for violations of any rules and regulations governing the Airport.

Notice to Airmen (NOTAM): Information issued by a representative of the Executive Director/CEO, FAA, the Air Traffic Control Tower, or other authorized official advising pilots of temporary changes to published information regarding Airport facilities, conditions, or other items that may affect safe flight.

Operating Agreement: A contract granting short-term occupation or use of Airport facilities (i.e., runways, taxiways) during a certain period in exchange for specified rent and/or fees. Operating agreements are used for, but not limited to, flight-testing and flight training operations.

Park or Parking: The standing of an aircraft or vehicle whether occupied or not.

Permit: A written authorization issued by the Airport Authority that allows specific activities or the temporary use or occupancy of certain areas or facilities at the Airport.

Person: Shall mean an individual, firm, general or limited partnership, corporation, company, limited liability partnership, trust, association, or any trustee, receiver, assignee, or similar representative thereof leasing, subleasing, making application for, or using any land or facility at the Airport.

Rates and Charges: Airport fee structure approved by the Board for use of airport infrastructure, facilities, and equipment.

Secured Area: That portion of the Airport where domestic air carriers and foreign air carriers enplane and deplane passengers and sort and load baggage and any adjacent areas that are not separated by adequate security measures.

Security Identification Display Area (SIDA): That portion of the Air Operations Area (AOA) where each person is required by federal law to continuously display, on an outermost garment, an Airport-approved identification badge. Any person observed in the SIDA not displaying the identification badge and not accompanied by an Airport-approved escort must be promptly reported to a security officer or other designated authority.

Soliciting: The act of entreating, enticing, or otherwise requesting money, business, or exchange of goods/ services outside of authorized areas.

Sterile Area: The portion of the Airport defined in the Airport Security Program that provides passengers access to board aircraft and to which the TSA generally controls the access through the screening of persons and property.

Transportation Network Company (TNC): An entity that has been issued a permit by the State of Arizona that operates in the State of Arizona, that uses a digital network or software application to connect passenger(s) to transportation network services provided by transportation network drivers, and that may but is not deemed to own, operate of control a personal motor vehicle of a transportation network driver.

TSA: The Transportation Security Administration.

UAV: Term is used interchangeably with Unmanned Aerial System (UAS) and Drone. An unmanned aerial vehicle (UAV) is an aircraft without a human pilot on board. UAV's have a ground-based controller, and a system of communications between the two. Civil UAV operations are regulated under FAA Part 107.

Vehicle: Shall mean all conveyances, except aircraft.

This page intentionally left blank.

APPENDIX B: FLY FRIENDLY NOISE ABATEMENT PROCEDURES

Unless otherwise directed by the Tower, please comply with the following:

1. Runway 30 is designated as the "calm wind" runway.
2. Use best rate of climb, consistent with safety.
3. Runway 12C/30C or 12L/30R for jet aircraft pattern work (1700' AGL – above ground level) is preferred. When using Runway 30C or 30R, start right crosswind turns as soon as practical to avoid residential areas north of the Airport (complete turns within 3.5 DME).
4. On departure from 30L, left turn after end of runway to minimize low overflights of the Gateway Campus.
5. Military aircraft terminate afterburner use when safe to do so.
6. Jets are requested to use NBAA Standard Noise Abatement Departure or comparable aircraft manufacturer procedures.
7. Propeller aircraft are requested to use AOPA Noise Awareness Steps.
8. Helicopter traffic: please avoid low overflights of the Gateway Campus. Use a Northwest or Southwest arrival-departure corridor.
9. Compliance with the Fly Friendly procedures is at the pilot's discretion.

SAFETY ALWAYS COMES FIRST!

Board Action Item

Re: Resolution 23-02

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Fire Pump Skids and Installation Services – Cross Fire Protection LLC**
Date:	**February 21, 2023**

Proposed Motion

To authorize the purchase and installation of four (4) 1500GPM and one (1) 2500GPM Fire Pump Skids and four (4) three-hundred-gallon Fuel Tanks from Cross Fire Protection LLC (Cross Fire) in an amount not to exceed $499,921.59 under CIP1238.

Narrative

Three of the current Fire Protection Pump Units in Building 1083 (the Pump House) and one of the current Pump Units at South Central (Fire Tanks), have reached the end of their useful life cycle and are in need of replacement. The current costs to repair and maintain these units is increasing significantly, many parts are no longer available, and downtime would cause a safety issue due to having no fire protection to the buildings supported by these Pumps.

The Request for Proposal (RFP), Solicitation 2023-013-RFP - Fire Pump Skids & Installation Services, was issued on November 3, 2022, and advertised in the Arizona Business Gazette on 11/3, 11/10, 11/17 and 11/24/22. It was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFP was emailed to a list of 26 prospective firms. The Proposal opening was held on December 1, 2022, and two (2) proposals were received.

AP Fire Protection
Cross Fire Protection LLC

After reviewing the submitted proposals, the Evaluation Panel selected Cross Fire. The Cross Fire proposal demonstrated excellent fire pump installation experience, was the least expensive, offered reasonable lead times and a longer warranty on labor as well as met all the requirements and minimum specifications stated in the RFP.

The not to exceed amount includes a 2% early payment discount offered by Cross Fire.

Fiscal Impact

This purchase was included in the FY23 Capital Budget and is funded with PMGAA non-grant funds under CIP1238.

Attachment(s): Proposal

RESOLUTION NO. 23-02

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the purchase and installation of four (4) 1500GPM and one (1) 2500GPM Fire Pump Skids and four (4) three-hundred-gallon Fuel Tanks from Cross Fire Protection LLC (Cross Fire) in an amount not to exceed $499,921.59 under CIP1238;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the purchase and installation of four (4) 1500GPM and one (1) 2500GPM Fire Pump Skids and four (4) three-hundred-gallon Fuel Tanks from Cross Fire Protection LLC (Cross Fire) in an amount not to exceed $499,921.59 under CIP1238. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of February, 2023.

Brigette Peterson, Chair

REQUEST FOR PROPOSALS
SOLICITATION #2023-013-RFP FOR
FIRE PUMP SKIDS AND INSTALLATION SERVICES

SUBMITTAL COVER SHEET

Name of Offeror:	Cross Fire Protection Llc
EIN#:	473315139
DUNS#:	08-587-2656
Principal Address:	703 E. Ironwood Dr
	Chandler, AZ 85225
Primary Point of Contact:	P. Shayne Castellani
Phone:	480-450-0690
Email:	shayne@azcrossfireprotection.com

The undersigned hereby affirms that:

- The undersigned is a duly authorized agent of the Offeror
- The undersigned has read and understands all terms, conditions and commitments contained within the RFP and any addenda issued and fully understands and accepts these terms by submission of a proposal.
- The submission is being offered independently of any other Offeror and did not involve collusion or other anti-competitive practices.

Cross Fire Protection Llc

We are a family owned and veteran staffed fire protection company that specializes in Fire pumps, AFFF and wet based systems. Although we specialize in the above fields, we are a full-service fire protection company.

Since our inception we have worked with dozens of fire protection companies to help them facilitate their fire pump needs. They are able to utilize our experience and state of the art equipment to help better service their customers.

Our employees are experienced in multiple facets of the fire industry but also specialize in their own fields of work. Our technicians hold certifications through CSA, NICET, ABPA, OSHA 10 hour along with various factory trainings. (SPP Fire pumps, Oklahoma State fire pump school, Chemguard and Ansul) to name a few.

Cross Fire Protection is committed to our customers and our focus is to provide the best customer service possible while training and informing them of their systems.

We may be a smaller company, but we utilize companies that are tailored to helping small businesses succeed in the larger business-based world. We partner with companies such as BBSI to handle our payroll. They act as our human resources group and OSHA regulations partners.
We are committed to safety on all our jobs and hold our technicians to a high standard, requiring them to hold tailgate meetings and job safety briefings.

Equipment Proposed

Solicitation 2023-013-RFP

1. The following items listed are included in the following Fire pump Solicitation.
   The Clarke diesel fire pump skid will include the following:
   Diesel Engine- John Deere 157 HP 1760 Rpm M/D JU4H-UF-ADY8
   Fire Pumps- SPP
   a) M/D TE15G 1500 Gpm Horizontal split case pump
   b) M/D TF20J 2500 Gpm Horizontal split case pump

   Diesel Controller- Firetrol/Tornatec M/D FTA1100

   Diesel fuel tank- Up to a 500-Gal Steele double wall tank

2. Diesel controllers have been included in the proposal even though the existing controllers would meet the minimum requirements. We fill that a total package that includes new controllers will prove beneficial to meet the current and future standards, be beneficial in trouble shooting and user operation.
3. Including the new controllers and new diesel fuel tanks will prolong the life of the new equipment. It will also help to cut down on service and repairs and be a UL listed package.

CERTIFIED POWER RATING

- Each engine is factory tested to verify power and performance.
- FM-UL power ratings are shown at specific speeds. Clarke engines can be applied at these single rated RPM settings with a speed adjustment of ± 50 RPM.

ENGINE RATINGS BASELINES

- Engines are to be used for stationary emergency standby fire pump service only. Engines are to be tested in accordance with NFPA 25.
- Engines are rated at standard SAE conditions of 29.61 in. (752.1 mm) Hg barometer and 77°F (25°C) inlet air temperature [approximates 300 ft. (91.4 m) above sea level] by the testing laboratory (see SAE Standard J 1349).
- A deduction of 3 percent from engine horsepower rating at standard SAE conditions shall be made for diesel engines for each 1000 ft. (305 m) altitude above 300 ft. (91.4 m).
- A deduction of 1 percent from engine horsepower rating as corrected to standard SAE conditions shall be made for diesel engines for every 10°F (5.6°C) above 77°F (25°C) ambient temperature.

Product Description

FTA1100J

MARK[II] Diesel Engine Fire Pump Controller

Description – Firetrol® combined automatic and manual MARK[II] based diesel engine fire pump controllers are intended for starting and monitoring fire pump diesel engines. They are suitable for use with both mechanical and electronic type engines. The controller is available for 12 or 24 volt negative ground systems, using lead acid or Nickel-Cadmium batteries. The controller monitors, displays and records fire pump system information.

Approvals – Firetrol fire pump controllers are listed by Underwriters' Laboratories, Inc., in accordance with UL218, *Standard for Fire Pump Controllers*, CSA, *Standard for Industrial Control Equipment* (cUL), and approved by Factory Mutual. They are built to meet or exceed the requirements of the approving authorities as well as NEMA and the latest editions of NFPA 20, *Installation of Centrifugal Fire Pumps*, and NFPA 70, *National Electrical Code*.

Standard Features – The following are included as standard with each controller:

- NEMA Type 2 (IP22) Enclosure with Bottom Entry Gland Plate, Lifting Lugs and Locking Door Handle
- AC Line & Battery circuit breakers
- Two independent battery chargers, 10A continuous charge - 500mA Trickle Charge
- 7.0" LCD color touch screen (HMI technology) software upgradeable operator interface powered by an embedded microcomputer with software PLC logic.
- Push-buttons for Crank from Battery #1, Crank from Battery #2, Stop and Run Test
- 500 PSI Pressure Transducer (calibrated for 300 PSI (20.7 Bar) and Test Solenoid for fresh water applications, externally mounted with protective cover
- Audible Alarm Bell
- Pressure and Event Recording with Date Stamp to System Memory Accessible VIA The User Interface and Downloadable to a USB Flash Drive
- Visual Indication for: Engine Run • Main Switch Position • Periodic Test • Cranking Cycle • AC Power Available • Pump Room Temperature
- Visual Alarm Indication for: Pump Room Trouble • Pump On Demand • AC Power Failure • Charger 1-2 Failure • Battery 1-2 Weak • Battery 1-2 Overvoltage • Loss of Continuity on Starter 1-2 • High Fuel Level • Fuel Tank Leak • PLD Low Suction Pressure • High Raw Water Temp. • Low Pump Room Temp. • High Pump Room Temp. • ECM Warning • Weekly Test Cut-In Pressure Not Reached • Check Weekly Test Solenoid • Pressure Transducer Fault • Invalid Cut-In Pressure • Service Required
- Audible and Visible Alarm Indication for: Engine Trouble • Controller Trouble • Engine Low Oil Pressure • Engine High Temp. • Engine Low Temp. • Engine Overspeed • DC Failure • Battery 1-2 Failure • Engine Fail To Start • Low Fuel Level • ECM Fault • ECM SS In Alternate Position • Fuel Injection Malfunction
- DPDT 8A 250V Remote Alarm Contacts Are Provided For:
  - Engine Run
  - Common Controller Trouble (Charger Failure, Pressure Transducer Fault)
  - Common Engine Trouble (High Engine Temp., Fail To Start, Fuel Injection Malfunction, ECM Selector Switch in Alternate Position, Battery 1-2 Failure, DC Failure, Loss of Continuity to Starter 1-2, Engine Overspeed, Fail When Running, Low Oil Pressure, PLD Low Suction Pressure)
  - Common Pump Room Trouble (Low Fuel Level, High Fuel Level, Fuel Tank Leak, Low / High Pump Room Temperature, AC Power Failure, H-O-A Selector Switch in OFF or HAND)
- Modbus Communications with TCP/IP frame format and a shielded female RJ45 connector.
- Input Terminals for Connection to External Devices:
  - Low Fuel Level
  - Remote AUTOMATIC Start
  - Deluge Valve Start (re-assignable)
  - Fuel Tank Leak (re-assignable)
  - High Fuel Level (re-assignable)
- Pump Room Ambient Temperature Switch, Display and Alarms
- Seismic Certification per IBC 2015, CBC 2016

Fire Pump Inspections & Maintenance Workshop

This Certifies That

Marcus Huffman

Has successfully completed a three day training curriculum focused on the maintenance of fire pumps, comprised of both classroom and hands-on training. This training encompassed NFPA 25 requirements for fire pumps and fire pump systems.

Given at Grundfos and USAutomatic - Indianapolis, IN on November 7 - 9, 2018

INSPECTION AND TESTING OF WATER-BASED SYSTEMS/I

CERT NO. 141967 VALID THRU 03/01/2022

Phoenix-Mesa Gateway Airport

Attachment B
Price Proposal

BASE PROPOSAL Item	Price
Three (3) New 1500GPM Fire Pump Skids, To Meet Minimum Specifications per Attachment A	$ 218,835.00
One (1) New 2500GPM Fire Pump Skid, To Meet Minimum Specifications per Attachment A	$ 88,722.50
New Pump Controllers (if applicable to Offeror's proposal)	$ 18,875.00
Installation of all Equipment and Testing per RFP Requirements	$ 25,200.00
Manuals on Maintenance, Operations, and Parts – Hard Copy & Digital	$ 0.00
Sales Tax, 8.3% PMGAA is NOT tax exempt. If Offeror does not collect sales tax on behalf of the State of Arizona when invoicing, Offeror should still include tax at a rate of 7.6% for Use Tax.	$ 27,093.90
Shipping (for all Equipment)	$ Included
Total	$ 378,726.40

ADD PROPOSAL No. 1 Item	Price
One (1) New 1500GPM Fire Pump Skid, To Meet Minimum Specifications per Attachment A	$ 72,945.00
New Pump Controller (if applicable to Offeror's proposal)	$ 4,718.75
Installation of Add Proposal No 1 Equipment and Testing per RFP Requirements	$ 6,040.00
Sales Tax, 8.3% PMGAA is NOT tax exempt. If Offeror does not collect sales tax on behalf of the State of Arizona when invoicing, Offeror should still include tax at a rate of 7.6% for Use Tax.	$ 6,446.09
Shipping (for Add Proposal No. 1 Equipment)	$ Included
Total	$ 90,149.84

Phoenix-Mesa Gateway Airport

ADD PROPOSAL No. 2 Item	Price
Four (4) New 300 gallon double wall tanks and stand, installation of tanks, sales tax, and shipping.	$ 38,143.63

ADD PROPOSAL No. 3 Item	Price
Three (3) New 400 gallon double wall tank and stand, installation of tanks, sales tax, and shipping.	$ 28,607.72

Labor Rate for Service: $82.50 Lead technician and $75.00 Helper technician

Offeror's Payment Terms: Equipment: Net 30

Parts: Net 30

Discounts:

Prompt Payment: Equipment: Discounted 2 % if payment is made within 10 days.

Parts: Discounted _____ % if payment is made within _____ days.

Parts: PMGAA price for purchasing parts direct from the Offeror shall be discounted by 0 % of the current list price for parts published by Offeror.

Exceptions / Clarifications of Offeror:

30% Down Payment is due once the proposal is approved and the PO is issued.

Delivery Time Estimate: 22 To 25 Weeks

Equipment is Manufactured in (Country): US

Extended Warranty Options

Length (months)	Cost Per Unit
12	$3200.00

Phoenix-Mesa Gateway Airport

Attachment D
Parts Availability and Capability

Offeror to describe their parts availability and capability as it pertains to PMGAA ordering and receiving parts (i.e. domestic availability or foreign availability, parts readily stocked, technical service advisors available, etc.), including turnaround time for order processing and shipping.

Fire Pumps and controllers are all stocked in the Manufacturers warehouse in Atlanta Georgia.

Diesel engines are put through final assembly when ordered and shipped out to the pump manufacturer to be assembled. They are then shipped out as a package with the controllers if ordered as a total package.

Equipment listed on the proposal is a direct replacement that meets or exceeds the existing equipment.

Bourdon Tube Pressure Gauge

Applications

- Fire sprinkler systems
- Suitable for all media that will not obstruct the pressure system or attack copper alloy parts

Special features

- UL-listed (UL-393), United States and Canada (Discharge Only)
- Factory Mutual (FM) approved (Discharge Only)
- Reliable and economical

Standard Features

Design
EN 837-1 & ASME B40.100

Sizes
4" (100 mm)

Accuracy class
± 3/2/3% of span (ASME B40.100 Grade B)

Ranges
0/60 psi, retard to 250 psi (air)
0/300 psi (water)

Working pressure
Steady: 3/4 of full scale value
Fluctuating: 2/3 of full scale value
Short time: full scale value

Operating temperature
Ambient: -40°F to 140°F (-40°C to 60°C)
Media: 140°F (+60°C) maximum

Temperature error
Additional error when temperature changes from reference temperature of 68°F (20°C) +0.4% for every 18°F (10°C) rising or falling. Percentage of span.

Bourdon tube
Material: copper alloy
C-type

Pressure connection
Material: copper alloy
1/4" NPT lower mount (LM)

Movement
Copper alloy

Dial
White aluminum with stop pin; black and red lettering

Pointer
Black aluminum

Case
Black polycarbonate

Window
Snap-in clear polycarbonate

Approvals
UL listed (UL-393) – (Discharge Only)
Factory Mutual – (Discharge Only)

Flotronix

FLO-L10785-SS

FUEL SPILL SWITCH

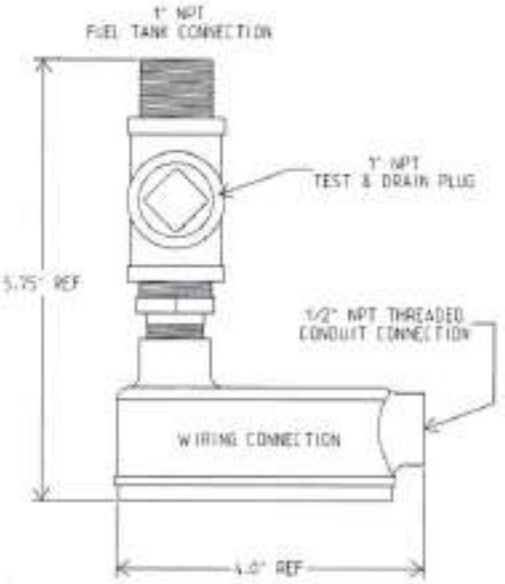
Fuel Spill Switch suitable for use with double wall diesel fuel tanks used in fire pump applications.

Pre-Assembled for Simple Installation!

Just remove the existing fuel tank drain plug, thread in the fully assembled fuel spill switch assembly. Connect two wires to your alarm system and you're done!

The Flotronix Model FLO-L10785-SS fuel spill switch is ruggedly designed to detect fuel spill and leakage in the interstitial space of double wall diesel fuel tanks. It is constructed with corrosion resistant 304 Stainless Steel fittings and float switch assembly.

The switch assembly is mounted in the 1" NPT annular space bottom drain connection found on most fuel tanks.
When a leak occurs in the inner tank, the fuel drains into the installed fuel spill switch assembly. The float rises which closes the normally open contacts. The switch can be wired to either a fire pump controller or other alarm system to provide notification of fuel spill.



SPECIFICATIONS

Float Switch
- ANSI / U.L. 508 Listed
- All Stainless Steel Float Assembly
- Contact Rating:
  - **PILOT DUTY ONLY**
  - 1A @ 200VDC/265VAC Max
- N.O. Normally Open closes when fuel is detected in assembly.

Tee and Fittings
- 304 Stainless Steel
- 1" Tank Connection
- 1" Test & Drain Plug

Conduit Connections
- ½" Threaded LB Powder Coated Aluminum Conduit Body Rated NEMA 4, UL22455

Shipping Weight: 3 lbs.

Installation Notes:

1. ***Very Important!*** Install in the annular space drain, <u>not the main tank drain</u>.
2. Remove the annular space drain plug from the bottom of the fuel tank.
3. Remove the plastic CAPLUG from the 1" tank connection nipple provided on the fuel spill switch assembly.
4. Thread the assembly into the bottom of the tank and tighten using a pipe wrench on the tee fitting only. Do not use the electrical conduit body as a lever. Tighten with "test & drain" plug in front facing outward for easy inspection.
5. The electrical or alarm installer is provided with a ½" NPT conduit body for alarm connections.

Alarm Testing:

Removing the 1" test & drain plug from the side of the assembly can test the fuel spill switch. Using your finger gently push up on the float to active the alarm. After testing, reinstall the drain plug.

Series 34
Air Release Valve

Air Release Valve Sizing

Air release valve sizing requires determining the volume of air that must be released from pipeline high points during normal operation and the diameter of the pipeline. Series 34 Air Release Valves are primarily used to continuously release pockets of air (as they develop) from high point, hence it is not critical to determine exact volume of air to be released.

See chart on page 3 for sizing based on venting capacity.

Air Release Valve Sizing Chart For Water Pipelines

DWG REV: A | SCH NO: - | SHEET 1 OF 1

Firetrol MARK[III] Diesel Engine Fire Pump Controller

FTA1100J - 12 or 24 Volt

Specifications

1.0 Main Fire Pump Controller

The main fire pump controller shall be a factory assembled, wired and tested unit. The controller shall be of the combined manual and automatic type designed for diesel engine operation of the fire pump.

1.1 Standards, Listings & Approvals

The controller shall conform to all the requirements of the latest editions of:

- NFPA 20
- UL (UL218 and CSA C22.2 No. 14)
- FM Global (Class 1321/1323)
- City of New York for fire pump service

1.2 Enclosure

The controller components shall be housed in a NEMA Type 2 (IEC IP22) drip-proof, wall mounted enclosure with bottom entry gland plate.

1.3 Operator Interface (HMI)

7.0" LCD color touch screen (HMI technology) operator interface powered by an embedded microcomputer with software PLC logic. Included shall be keypad type push-buttons for Crank from Battery #1, Crank from Battery #2, Stop and run test.

The screen shall include menus for: *Home · Alarms · Configuration · History · Service · Manuals · Language.*

The HMI shall graphically display the following: *AC Power Present · Charger #1 & #2 Charging Mode · Battery #1 & #2 Voltage and Amperage · System Pressure · Cut In and Cut Out Pressure Settings · Starter #1 and #2 Cranking or Resting · Engine Running · Starting Cause · Fuel Valve Energized · Timers Operation · H-O-A Switch Position · Actuation Mode · Controller Type · Shutdown Mode · Time & Date · Pump Room Temperature · System Pressure*

System pressure shall be capable of being displayed as: *PSI, kPa, Bar, Feet of Head or Meters of Water.*

The HMI shall allow programming and display of: *Cut In & Cut Out Pressure Settings · Minimum Run Timer · Sequential Start Timer · Periodic Test Timer*

The HMI allows the user to select the language of the system and download the manual or view the manual on screen.

1.4 State and Alarm Visual Indication

The digital display shall visually indicate and color code by criticalness the following:

AC Fail · DC Fail · Battery 1/2 Fail · Charger 1/2 Fail · Engine Trouble · Pump Room Trouble · Controller Trouble · Service Required · Battery 1/2 Weak · Loss of Continuity with Starting Contactor 1/2 · Weekly Test Start Pressure Not Reached · Weekly Test Check Solenoid Valve · Faulty Pressure Transducer · Low Raw Water Flow · Engine Fail When Running · Engine Fail To Start · Engine Overspeed · Low Ambient Temp. · Pump On Demand · Invalid Cut-In · Overpressure · Underpressure · Battery 1/2 Overvoltage · Water Reservoir Low · Fuel Tank Leak · Low Fuel Level · High Fuel Level · Engine ECM In Alternate Position · Engine Fuel Injection Malfunction · Engine High Temperature · Engine Low Temperature · Engine ECM Warning · Engine ECM Fault · Engine Low Oil Pressure · High Raw Water Temperature · Low Suction Pressure · Engine Run · Main Switch In Auto · Pump Room Temperature · Periodic Test · Main Switch in Hand · Cranking Cycle · Main Switch In Off · AC Power Available

1.5 Pressure and Event Recording

The system shall be capable of logging pressure data and operational events with time/date stamp. The system shall display operational events for the lifetime of the controller and display the pressure data in text or graphical form. The controller shall log the Date/Time of the first start-up and the controller total power on time from that date. The controller shall log first and last statistics for: *First Setup · On Time · Engine On Time · Engine Start Count · Engine Last Start Time · Min/Max/Average System Pressure · Min/Max/Average Pump Room Temp · Jockey Pump On Time · Jockey Pump Start Count · Jockey Pump Last Start Time*

1.6 USB Host Controller

A USB port capable of accepting a USB Flash Memory Disk shall be provided for downloading pressure and event logs.

1.7 Serial Communications

The controller shall feature Modbus with TCP/IP frame format and a shielded female RJ45 connector.

1.8 Pressure Sensing / Wet Parts

The controller shall be supplied with a solid state pressure transducer with a range of 0-500 psi calibrated for 0-300 psi (0-20.7 bar) and a run test solenoid valve. The wet parts shall be externally mounted and include a protective cover. The pressure sensing line connection to the transducer shall be 1/2-inch FNPT. Provisions for a redundant pressure transducer shall be provided.

1.9 Seismic Certification

The controller shall be certified to meet or exceed the requirements of the 2015 International Building Code, the 2016 California Building Code and OSHPD Special Seismic Certification Preapproval - OSP. The controller test criteria shall be per ICC-ES AC156 and the Seismic Parameters per ASCE 7-10 Chapter 13.

2.0 Controller Operation

On a call to start, the controller will crank from battery 1 for 15 seconds then rest for 15 seconds before cranking on battery 2. This cranking cycle shall repeat 3 times. If a running signal is not received from the engine, the controller will alarm "Fail To Start".

The controller shall have the capability to schedule service reminders. The controller also provides for inputting of pump flow test data, generating and displaying the pump curve and permanently storing this data in memory.

Provisions shall be available for connection of external devices for Manual Remote Start, Automatic Remote Start and Deluge Valve Start.

DPDT dry contacts rated 8A - 250VAC shall be provided for remote indication of:
Engine Run · Main Switch in Hand or Off · Controller Trouble (common) · Engine Trouble (common) · Pump Room Trouble (common)

An audible alarm device shall be provided on the controller.

2.1 Manufacturer

The controller shall be a Firetrol brand.

Attachment E
Standard Certifications

Complete Attachment E by checking the applicable box(s) and/or providing responses. Failure to complete this Attachment E in its entirety and submit with Offeror's proposal will result in Offeror's submittal being deemed nonresponsive and not evaluated.

If Offeror cannot affirmatively certify to statement numbers 1 and 2 below, Offeror's submittal will be rejected and will not be evaluated.

1. Offeror hereby ☑ certifies ☐ does not certify
   That this engagement, if selected, will not result in a conflict of interest.

2. Offeror hereby ☑ certifies ☐ does not certify
   That the Equipment submitted for consideration by PMGAA under this solicitation 2023-013-RFP, meets or Exceeds, all specifications contained in Attachment A.

If Offeror cannot affirmatively certify to statement number 3 below, PMGAA will consider Offeror's written response to determine if it's submittal will be accepted and be evaluated.

3. Offeror hereby ☑ certifies ☐ does not certify
   That it has no known business or financial relationships between Offeror or Offeror's firm and members of the PMGAA Board of Directors.

   If Offeror does have known business or financial relationships, please list them below:

Authorization for Release of Performance Information and Waiver

---

The purpose of this disclosure is to provide references to PMGAA. Offeror hereby consents that as an Offeror to PMGAA's Solicitation 2023-013-RFP, Fire Pump Skid and Installation Services, for Phoenix-Mesa Gateway Airport, Offeror authorizes those companies and government entities listed in Offeror's RFP submittal and any other government entity for whom this company has provided fire pump skids and installation services, to disclose and release to PMGAA, or their representatives, information, records and opinions concerning this company's past performance.

Cross Fire Protection Llc (Offeror) hereby waives any claim it may have against PMGAA or any company or entity providing information to PMGAA by reason of any information being disclosed or opinions provided regarding the actions or performance of this company.

This authorization for disclosure of information is effective for one (1) year.

This consent or copy of this authorization shall be as valid and effective as the original.

Board Action Item

Re: Resolution 23-03

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Structural Engineering & Fire Proofing Inspection Services – Crosspoint Testing and Inspection Services, LLC**
Date:	**February 21, 2023**

Proposed Motion

To authorize a contract with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project and future projects, on a per task basis, utilizing an Authorization of Services, under CIP1201.

Narrative

The Terminal Annex Modernization project has become necessary due to the age and deterioration of the current modular facility. DWL has created a new design configuration that has modernized the facility and increased its capacity. McCarthy, the Construction Contractor, has installed the Temporary Hold Space and will soon demolish the Annex and begin the construction of the new, connected Terminal Concourse containing five (5) gates.

In support of large capital projects, the Airport utilizes professional Engineering Services. These services are needed to ensure that the Airport manages the project in accordance with project specifications, and to ensure compliance with federal and state grant requirements. Specifically, Special Inspections performed as required by and in accordance with the 2018 International Building Codes (IBC) Chapter 17 for structural components associated with buildings and Fireproofing Inspection is also required. Crosspoint will provide structural special inspections for the Terminal Modernization Project. These special inspections will include, but are not limited to, the following: Fabrication Welding, Field Welding, Visual verification of moment frame, High Strength Bolts, Post installed anchor epoxy verification, Verification of spray applied fireproofing and Firestop verification.

The Notice of Request for Qualifications (RFQ), Solicitation 2023-016-RFQ – Structural Special Inspection and Fire Proofing Special Inspection Services, was issued on October 25, 2022, and advertised in the Arizona Business Gazette on 10/27, 11/2/11/10 and 11/17/22; it was also posted on the AzAA, ACC, ACI-NA, SWAAAE and FAA Matchmaker Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 24 prospective firms and included DBE and Small Business outreach. PMGAA Staff received five (5) Statements of Qualifications (SOQs) on November 21, 2022.

Crosspoint Testing and Inspection Services, LLC
Ninyo & Moore Geotechnical & Environmental Sciences Consultants
PK Associates, LLC
Professional Service Industries, Inc. (PSI)
Terracon Consultants, Inc.

After reviewing the submitted SOQs, the Evaluation Panel selected Crosspoint. Crosspoint met all the RFQ requirements, they are a specialty firm concentrating on structural steel inspections, have an excellent project understanding and the approach was detailed and project specific.

Fiscal Impact
The funds for these Inspection Services are included in the Terminal Modernization Project, which is included in the FY23 Capital Budget under CIP1201.

Attachment(s)
Professional Services Agreement (Contract)

RESOLUTION NO. 23-03

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a contract with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project and future projects, on a per task basis, utilizing an Authorization of Services, under CIP1201;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a contract with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project and future projects, on a per task basis, utilizing an Authorization of Services, under CIP1201. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 21st day of February, 2023.

Brigette Peterson, Chair

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230155** ("Contract") and the attached exhibits. Crosspoint Testing and Inspection Services, LLC, an Arizona Limited Liability Company ("Consultant"), with its principal offices located at 7931 E. Pecos Road, Mesa, AZ, 85212, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under to this Contract shall generally include, but not be limited to, the following: Structural Special Inspection and Fire Proofing Special Inspection Services, as more specifically described in Consultant's detailed scope of work attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied. Consultant shall possess the certifications as required to perform special inspections per the International Building Codes (IBC).

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on the date signed by PMGAA and ends on 2/20/2026 ("Term"), unless terminated, canceled or extended as provided in this Contract. PMGAA reserves the right, at its sole option, to extend the Term for such additional time as may be warranted and/or appropriate. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended period with the possible exception of price. All prices stated in the original Contract shall apply unless an increase or decrease is agreed to in writing by PMGAA.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant and its subconsultants listed below, shall provide all services to be performed under this Contract. If additional sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said subconsultants. PMGAA may, at its sole discretion, accept or reject proposed subconsultants.

Subconsultants to perform work under this Contract include:

ACS Services, LLC

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with the Phoenix-Mesa Gateway Airport Authority Procurement Policy. Payments will be made for the actual hours worked and/or other costs incurred or provided for in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate agreements or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all agreements with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all agreements with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX – INSURANCE REQUIREMENTS FOR PROFESSIONAL SERVICES CONTRACTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions.

   The insurance policies shall provide, or be endorsed to include:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.

   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract.

   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX – DISADVANTAGED BUSINESS ENTERPRISE

Phoenix-Mesa Gateway Airport Authority's DBE program is race-neutral. The entire DBE program can be found on PMGAA's website at: www.gatewayairport.com

Owner encourages prime contractors to create subcontracting opportunities, especially for small businesses. Owner does not have a specific SBE goal, however, reporting on SBE utilization is required.

A. Consultant's DBE Performance Plan (DBEPP)
Consultant shall utilize its DBEPP as submitted under solicitation 2023-008-RFQ, throughout the duration of the project/Contract. Failure to fulfill the plan's terms and the plan's intent, shall be a material breach of the contract.

B. Contract Assurance
The Consultant, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the Owner deems appropriate, which may include, but is not limited to: (1) withholding

monthly progress payments; (2) assessing sanctions; (3) liquidated damages; and/or (4) disqualifying the Consultant from future bidding as non-responsible.

C. Subcontracts

i. Consultant is required to include the required clauses and obtain the required certifications, as provided for in Exhibit E, Federal Contract Provisions, in all subcontracts or agreements it enters into, and all lower tier subcontracts and agreements, as a result of this contract, regardless of whether or not the subcontractor is a DBE.

ii. Consultant is required to make available a copy of all subcontracts, DBE, SBE, and non-DBE/SBE, prior to any commencement of work by Consultant or any of Consultant's subcontractors. The Consultant shall ensure that all subcontracts or agreements to supply labor or materials be performed in accordance with this part's provisions.

D. Required Outreach Documentation

The following documentation is required to demonstrate that sufficient outreach efforts have been made to engage DBE subcontractors in the performance of this contract:

i. Detailed evidence that the Consultant's DBE Performance Plan (DBEPP), as submitted under solicitation 2023-008-RFQ, was and will continue to be utilized in obtaining DBE participation. This should include such things as the following, depending on the Consultant's DBEPP:

a) Copy of notifications sent to DBE firms of subcontracting opportunities
b) Documentation of each DBE firms contacted and their response or other action taken as a result of the contact.
c) Documentation of bid responses and/or quotes from all subcontractors who bid to perform work on the project in the areas that DBE firms were also bidding on, including information regarding the reasons why DBE bids were not considered or chosen if applicable).
d) Dates and times of outreach events held and a list of attendees.

The following are examples of factors that are illustrative of whether or not the Consultant implemented its DBEPP in good faith:

a) The number of contacts attempted or made with DBE firms that perform in trade areas where subcontracting work was identified.
b) The timeliness of contacts made with DBE firms so as to allow the firms a reasonable amount of time to respond
c) Attempts made to break down portions of the project into economically feasible units to facilitate DBE participation.
d) Whether the bidder negotiated in good faith with interested DBEs and did not reject a bid as unqualified without sound reason.

ii. **Attachment A**: Subcontracting and Outreach Efforts Summary.

The Consultants' proposed subcontracting and summary of outreach efforts form (Attachment A) must reflect the scope of work that was identified to be potentially subcontracted and the result of the outreach efforts conducted by the Consultant for each scope of work. The Consultant shall clearly list the scope of work to be subcontracted. The firms contacted in consideration for contracting the scope of work must be listed with the DBE/SBE/Non-DBE/SBE status noted. The Consultant must indicate which firm(s), if any, were selected for the opportunity identified. Consultant must complete one Attachment A for each scope of work (NAISC or group of NAISC codes) that has been identified to potentially be subcontracted. **Note:** It is the responsibility of the Consultant to ensure that the scope of work to be performed by the subcontractor(s) is consistent with the area in which the firm is qualified, and in the case of a DBE subcontractor, that the firm has been granted DBE certification. The Consultant can confirm what NAICS code(s) a DBE is certified for by visiting: https://utracs.azdot.gov/ **DBE scopes of work listed on the form that fall outside the trade or performance area in which a DBE has been granted certification shall not be counted as work subcontracted to a DBE firm.** If there are questions, the Consultant should contact the Phoenix-Mesa Gateway Airport Authority Procurement Department for verification. Owner reserves the right

to validate information on the form with the DBE subcontractor and/or other certifying entities or licensing agents as part of the verification process.

iii. **Attachment B**: Letter of Intent to Perform as a Subconsultant/Supplier.

a) The dollar value and the scope of work **every** subcontractor, regardless of DBE/SBE status, is bidding to perform must be completed in full on the form.

b) For scopes of work where a total contract amount cannot be determined, the Letter of Intent to Perform as a Subcontractor/Supplier should reflect the minimum amount agreed upon between the Consultant and the subcontractor that will be paid to the subcontractor. When the form contains scopes of work where all of the dollars that will be paid to a DBE cannot be counted towards achieving the DBE program goal, the form should reflect the amount that is applicable to the program goal. **Example:** A DBE firm will provide uniformed officers on the job. The DBE pays the officers $21 per hour but has bid the contract to the prime Consultant at $30 per hour. Only the $9 per hour that the DBE maintains as a fee/commission should be reflected on Attachment B.

iv. **Attachment C**: Subconsultant Data Collection Form.
The Consultant must complete, and submit to Owner, Attachment C for <u>each</u> firm subcontracting work for under this project.

E. DBE Participation Calculation

i. **Subcontracts with DBE Firms:** DBE participation on the contract will be calculated based on that portion (dollar value) of the contract that DBEs actually perform with their own forces. This includes the cost of supplies and materials obtained by the DBE for the work on the contract, ***except*** when supplies and/or equipment is purchased or leased from the prime Consultant or its affiliate. Special emphasis and care should be taken to ensure that the following types of participation are handled properly when preparing your bid packet.

ii. **Fees & Commissions*:*** DBE firms that supply a bona fide service for a fee or commission may be counted only to the extent of the fees or commissions charged by the DBE. This includes, but is not limited to, providing professional, technical, consultant, or managerial services, and bonds or insurance specifically required for the performance of a contract. The fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. ***Example:*** *A DBE firm that supplies uniformed officers for security or traffic control may count only the amounts shared as a commission. The hourly amount paid to the officers may not be counted. If the "per hour" bid amount to the prime Consultant is $30, and $21 per hour will be paid to the officers, only $9 per hour can be counted towards achieving the DBE program goal. If the firm estimates that there will be 200 hours of work, only $2,700 of the total $6,000 bid could be counted.*

iii. **Trucking & Hauling*:*** The amount of a trucking/hauling subcontract that may be counted towards the DBE utilization may be limited. A DBE must itself own and operate at least one fully licensed, insured, and operational truck that will be used on the contract. The DBE subcontractor may lease trucks from another DBE firm and receive full credit for the services of those leased vehicles. Non-DBE trucks may also be leased to perform work on the contract, but non-DBE leased trucks can be counted fully **only up to the value of transportation services provided by all DBE-owned trucks on the contract**. Any additional non-DBE leased trucks may only be credited for the fees or commissions the DBE subcontractor retains over and above the cost of the lease arrangement. ***Example:*** *A DBE trucking firm uses seven trucks on a job. Two are owned by the DBE and one is leased from another certified DBE firm. Four trucks are leased from a non-DBE. The amounts paid to the DBE for the services of three of the non-DBE trucks can be counted in full towards meeting the DBE requirement. Only the amount that the DBE subcontractor receives that is over and above the cost of leasing the fourth truck may be counted as DBE utilization.*

iv. **DBE Prime Consultant:** A DBE prime Consultant will be credited with DBE participation for that portion of the contract that they themselves perform, in addition to any portion of the contract that is subcontracted and performed by an eligible DBE subcontractor. ***Example:*** *If a DBE prime Consultant proposes to perform 60 percent of the contract with the firm's equipment and workforce, and subcontracts 20 percent to a DBE firm and 20 percent to a non-DBE firm, DBE participation will be credited as being 80 percent.*

v. **DBE/Non-DBE Joint Ventures:** A DBE/non-DBE joint venture, functioning as the prime Consultant or as a subcontractor on a Phoenix-Mesa Gateway Airport Authority project, will be credited with DBE

participation on the basis of the percentage of profit accruing to the DBE firm. ***Example:*** *A joint venture made up of one DBE and one non-DBE proposes to perform 60 percent of a project quoted at $400,000. A total of 50 percent of the profits for performing the work will go to the DBE partner in the joint venture. DBE participation will be credited at 30 percent, or $120,000.*

vi. **Lower Tier Non-DBE Participation:** Subcontract dollars paid by DBE primes and/or qualifying joint ventures to non-DBE subcontractors will not be considered when determining the percentage of DBE participation on this contract. Amounts subcontracted to a non-DBE by a DBE subcontractor (2nd tier or lower) may not be counted.

vii. **Lower Tier DBE Participation:** Consultant is obligated and must report all utilization of DBEs of lower tier subcontracts and ensure subcontractors comply with all applicable DBE reporting requirements.

viii. **DBE Suppliers:** Purchases from DBE suppliers may be counted towards the program goal as follows:

ix. **Manufacturers:** Amounts paid to a DBE supplier that manufactures or substantially alters the material or product it supplies will be credited at 100% of the expenditure when determining the percentage of DBE participation.

x. **Regular Dealer:** Purchases from a DBE firm that is an established, regular business that engages, as its principal business, in the purchase, sale, or lease of the products being supplied **may be credited towards the DBE program goal at sixty percent (60%) of the sale price** when determining the percentage of DBE participation.

xi. **Packagers, Brokers, Manufacturers' Representatives:** Purchases from a DBE firm who arranges or expedites transactions not as regular dealers, **may not be counted in full** when determining DBE participation. Only the fees or commissions charged in the procurement of the materials or supplies, or fees or transportation charges for the delivery of the materials or supplies may be credited towards achievement of the DBE program goal.

F. Definitions

i. **Disadvantaged Business Enterprise (DBE)** means a small business concern that has successfully completed a DBE certification process and been granted DBE status by the Arizona Unified Certification Program or by a U.S. Department of Transportation (USDOT) recognized agency who certifies DBE applicants pursuant to the criteria contained in 49 CFR Part 26.

ii. **Small Business Enterprise** (SBE) means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto. A small business concern shall not include any concern or group of concerns controlled by the same socially and economically disadvantaged individual(s) that has annual average gross receipts in excess of the cap established by federal regulation. The Secretary shall adjust this figure from time to time for inflation.

iii. **Socially and Economically Disadvantaged Individuals** means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, or Asian-Indian Americans. Membership in one of the above-mentioned groups does not qualify the firm to be considered a DBE for purposes of this contract. Only firms that have completed a DBE certification process and been granted DBE status shall be considered socially and economically disadvantaged individuals for purposes of this contract.

iv. **DBE Joint Venture** is an association between two or more persons, partnerships, corporations, or any combination thereof, formed to carry on a single business activity. One participant in the joint venture arrangement must hold DBE status from a recognized certifying entity. The joint venture is limited in scope and duration to this contract, and resources, assets and labor of the participants must be combined in an effort to accrue profit.

v. **Sole Proprietorship** is a DBE for purposes of this contract, if it is 100 percent owned, operated, and controlled by a socially and economically disadvantaged individual.

vi. **Corporation** is a DBE, for purposes of this contract, if the ownership, operation, and control of the business is conditioned upon the control of its shares of stock or other equitable securities, at least 51 percent of which (of all shares) is legally and equitably owned by socially and economically disadvantaged individuals.

vii. **Partnership** is a DBE, for purposes of this contract, if one or more socially and economically disadvantaged individuals own more than 51 percent of the assets or interest in the partnership's property.

viii. **Purchaser** for purposes of this contract, means the Phoenix-Mesa Gateway Airport Authority.

ix. **Bidder** is an individual, partnership, joint venture, corporation or firm submitting a proposal or bid to the Phoenix-Mesa Gateway Airport Authority to perform services required by the contract. The submittal may be direct or through an authorized representative.

x. **Contract** is a written agreement obligating the seller or business enterprise to furnish goods or services as proposed and the Purchaser or Buyer to pay for such goods or services.

xi. **Subcontract** is any contract at any tier below the prime contract, including purchase orders.

xii. **Supplier** is a business enterprise that manufactures the goods or materials it sells.

xiii. **Wholesaler, Distributor, Broker, or Jobber** is a business enterprise that does not manufacture the goods or materials it sells or does not perform the essential work of the contract. ***Examples:*** *1) A trucking company who does not own or operate the trucks necessary to perform the work, but brokers the work to another trucking firm; 2) A distributor who supplies goods or materials as a pass-through, from the manufacturer, without substantial alteration of the goods or materials; and, 3) A sub-tier bidder who purchases and supplies the goods and materials on behalf of the prime bidder, and delivers the goods and materials to the prime bidder without substantial alteration of the goods and materials.*

EXHIBIT A - SCOPE OF SERVICES AND FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

Special Inspections performed as required below and by and in accordance with the 2018 International Building Codes (IBC) Chapter 17 for structural components associated with buildings.

As required for the Terminal Modernization project, and other projects, structural special inspections including, but not limited to the following:

Fabrication Welding
Field Welding
Visual verification of moment frame
High Strength Bolts
Post installed anchor epoxy verification
Verification of spray applied fireproofing
Firestop verification

PMGAA will issue an Authorization of Services (AOS) for each specific service to be performed by Consultant. Prior to commencement of any work, each AOS shall be signed by both parties and will provide a Not to Exceed cost.

FEE SCHEDULE

CrossPoint Testing and Inspection Service, LLC 7961E Peoria Rd. Suite 209 Mesa, AZ 85212 PH-480-986-6002

CrossPoint Testing
www.crosspointtesting.com

Service ID Number	Service Type	Description	Price Per Hour or Incident
BT001	High Strength Bolt Verification/Testing	Pre-installation verification, torque, snug tight, turn of the nut verification per AISC	$75.00
LT001	Load Testing	Pull testing of post installed anchors, rebar	$85.00
EXP001	Epoxy Installation Verification	Post-installed anchors, rebar and repair	$85.00
GPR001	Ground Penetrating Radar	Used for locating sub-surface objects in concrete and masonry structures	$175.00
MT001	Magnetic Particle Testing	Non-destructive testing for detecting surface discontinuities in ferromagnetic materials	$85.00
PT001	Penetrant Testing	Non-destructive testing for detecting surface discontinuities in ferrous and non-ferrous materials	$85.00
UT001	Ultrasonic Testing	A non-destructive volumetric examination allowing the detection of internal flaws	$85.00
VTCW001	Visual Inspection/Certified Welding Inspection	Weld procedure, welder qualification, visual inspection	$75.00
FFFLOOR	Floor Flatness Verification	Verification of concrete slabs to specified tolerances for floor level and flatness	$450.00
FP001	Spray Applied/Intumescent Fire Proofing	Thickness, density, and bond testing of field applied fireproofing	$75.00

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below and in accordance with each Authorization of Services initiated under this Contract. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the amount of time required for performance, the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice or payment application depicting tasks performed, hours spent, utilized and expenses incurred for services performed. Invoices or payment applications must be based on the actual hours required and expenses incurred for the services completed during the billing period. Consultant's invoices or payment applications must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice or application as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and progress reports in accordance with terms specified in the Contract, which clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices/requisitions for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices/requisitions for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C – SPECIAL PROVISIONS

1. Project Security

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Consultant's and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* listing available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

2. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict. Wherever Standard Terms & Conditions are in conflict with conditions stated in this Special Provisions Section, the conditions stated in this Section shall take precedence.

3. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

4. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

5. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. Certification

By signature of this Contract, Consultant certifies:

a. The award of this Contract did not involve collusion or other anti-competitive practices.
b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. Dispute Resolution

a. Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.
b. Mediation. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.
c. Binding Dispute Resolution. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

3. Independent Contractor

At all times, each party acts in its individual capacity and not as agent, employee, partner, joint venturer, or associate the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days.

PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

4. Affirmative Action

Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

5. Human Relations

Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

6. Non-Exclusive Contract

This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

7. Americans with Disabilities Act

Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

8. Confidentiality of Records

Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

9. Gratuities

PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

10. Applicable Law

This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

11. Contract

This Contract is based on and the result of a negotiated Scope of Services and Fee Schedule submitted by Consultant. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

12. Contract Amendments

This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

13. Provisions Required by Law

Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

14. Severability

The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

15. Protection of Government Property

Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

16. Interpretation – Parol Evidence

This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade

shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

17. Subcontracts

Offeror shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Offeror of its acceptance or rejection within forty-five (45) days or written request by Offeror. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Offeror referred to herein. Offeror is responsible for Contract performance whether or not subcontractors are used.

18. No Waiver

No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

19. Warranties

Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

20. Indemnification

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

21. Right to Assurance

Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

22. Advertising

Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

23. Right to Inspect

PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of a Consultant's or subcontractor's business, which is related to the performance of this Contract or related subcontract.

24. Force Majeure

In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed

to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

25. Inspection

All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

26. Exclusive Possession

All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

27. Title and Risk of Loss

The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

28. Liens

All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

29. Licenses

Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

30. Subsequent Employment

PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

31. Clean Up

Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

32. Patents

Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

33. Records and Audit Rights

Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

34. E-Verify Requirements

To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

35. Availability of Project Funding

This Contract's approval and continuation is conditioned on the availability of funds appropriated by PMGAA for this purpose. If funds are not available or appropriated for the Contract's requirements, PMGAA may terminate the Contract. Possible sources of funding for this Contract include FAA and ADOT, and this Contract is contingent on the availability of those funds to PMGAA.

EXHIBIT E – FEDERAL CONTRACT PROVISIONS

For this Exhibit: Contractor shall mean the same as "Consultant", "Offeror", "Bidder", "Proposer" or "Firm"
Owner shall mean Phoenix Mesa Gateway Airport Authority

A1 ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

A2 AFFIRMATIVE ACTION REQUIREMENT

Not Applicable

A3 BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the Consultant or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

Owner will provide Consultant written notice that describes the nature of the breach and corrective actions the Consultant must undertake in order to avoid termination of the contract. Owner reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the Owner elects to terminate the contract. The Owner's notice will identify a specific date by which the Consultant must correct the breach. Owner may proceed with termination of the contract if the Consultant fails to correct the breach by the deadline indicated in the Owner's notice.

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

A4 BUY AMERICAN PREFERENCE

Not Applicable

A5 CIVIL RIGHTS - GENERAL

The Contractor agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

A6 CIVIL RIGHTS – TITLE VI ASSURANCE

Phoenix Mesa Gateway Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Compliance with Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the sponsor to enter into any litigation to protect

the interests of the sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);

49 CFR part 21 (Non-discrimination in Federally-assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27;

The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);

Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §§ 12131 – 12189) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;

The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC 1681 et seq).

A7 CLEAN AIR AND WATER POLLUTION CONTROL

Contractor agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 USC § 740-7671q) and the Federal Water Pollution Control Act as amended (33 USC § 1251-1387). The Contractor agrees to report any violation to the Owner immediately upon discovery. The Owner assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration.

Contractor must include this requirement in all subcontracts that exceeds $150,000.

A8 CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

1. Overtime Requirements.

No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; Liability for Unpaid Wages; Liquidated Damages.

In the event of any violation of the clause set forth in paragraph (1) of this clause, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this clause, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this clause.

3. Withholding for Unpaid Wages and Liquidated Damages.

The Federal Aviation Administration (FAA) or the Owner shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this clause.

4. Subcontractors.

The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) and also a clause requiring the subcontractor to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this clause.

A9 COPELAND "ANTI-KICKBACK" ACT

Not Applicable

A10 DAVIS-BACON REQUIREMENTS

Not Applicable

A11 DEBARMENT AND SUSPENSION

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

Lower Tier Contract Certification

The successful bidder, by administering each lower tier subcontract that exceeds $25,000 as a "covered transaction", must verify each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: http://www.sam.gov.
2. Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

A12 DISADVANTAGED BUSINESS ENTERPRISE

The requirements of 49 CFR part 26 apply to this contract. It is the policy of the Phoenix Mesa Gateway Airport Authority to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The Owner encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

Contract Assurance (§ 26.13) –

The Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of Department of Transportation-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the Owner deems appropriate, which may include, but is not limited to:

1) Withholding monthly progress payments;
2) Assessing sanctions;
3) Liquidated damages; and/or
4) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment (§26.29) – The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than thirty (30) days from the receipt of each payment the prime contractor receives from Phoenix Mesa Gateway Airport Authority. The prime contractor agrees further to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Phoenix Mesa Gateway Airport Authority. This clause applies to both DBE and non-DBE subcontractors.

See Section XX of this Contract for additional information and requirements regarding DBE. Consultant agrees to all rules, policies, and requirements a set forth in these Contract documents and Exhibits.

A13 DISTRACTED DRIVING

In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving", (10/1/2009) and DOT Order 3902.10, "Text Messaging While Driving", (12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the Contractor to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The Contractor must include the substance of this clause in all sub-tier contracts exceeding $3,500 that involve driving a motor vehicle in performance of work activities associated with the project.

A14 ENERGY CONSERVATION REQUIREMENTS

Contractor and Subcontractor agree to comply with mandatory standards and policies relating to energy efficiency as contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 USC 6201*et seq*).

A15 DRUG FREE WORKPLACE REQUIREMENTS

Not Applicable

A16 EQUAL EMPLOYEMENT OPPORTUNITY (EEO)

During the performance of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identify, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance*: Provided, however*, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

A17 FEDERAL FAIR LABOR STANDARDS ACT (FEDERAL MINIMUM WAGE)

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part-time workers.

The *Consultant* has full responsibility to monitor compliance to the referenced statute or regulation. The *Consultant* must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

A18 LOBBYING AND INFLUENCING FEDERAL EMPLOYEES

The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

A19 PROHIBITION of SEGREGATED FACILITIES

Not Applicable

A20 OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The employer must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The employer retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). The employer must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

A21 PROCUREMENT OF RECOVERED MATERIALS

Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

a) The contract requires procurement of $10,000 or more of a designated item during the fiscal year; or

The contractor has procured $10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the contractor can demonstrate the item is:

a) Not reasonably available within a timeframe providing for compliance with the contract performance schedule;
b) Fails to meet reasonable contract performance requirements; or
c) Is only available at an unreasonable price.

A22 RIGHT TO INVENTIONS

This provision applies to all contracts and subcontracts with small business firms or nonprofit organizations that include performance of *experimental, developmental, or research work only*.

Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the Owner in any resulting invention as established by 37 CFR part 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This contract incorporates by reference the patent and inventions rights as specified within 37 CFR §401.14. Contractor must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

A23 SEISMIC SAFETY

In the performance of design services, the Consultant agrees to furnish a building design and associated construction specification that conform to a building code standard that provides a level of seismic safety substantially equivalent to standards as established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their building code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety. At the conclusion of the design services, the Consultant agrees to furnish the Owner a "certification of compliance" that attests conformance of the building design and the construction specifications with the seismic standards of NEHRP or an equivalent building code.

A24 TAX DELINQUENCY AND FELONY CONVICTIONS

Consultant has completed and submitted the following certifications under the Owners solicitation and has indicated its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from the solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

b) The applicant represents that it is ( ) is not ( ) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

c) The applicant represents that it is ( ) is not ( ) is not a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

> **Felony conviction:** Felony conviction means a conviction within the preceding twenty-four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.
>
> **Tax Delinquency**: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

A25 TERMINATION OF CONTRACT

Termination for Convenience

The Owner may, by written notice to the Consultant, terminate this Agreement for its convenience and without cause or default on the part of Consultant. Upon receipt of the notice of termination, except as explicitly directed by the Owner, the Contractor must immediately discontinue all services affected.

Upon termination of the Agreement, the Consultant must deliver to the Owner all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.

Owner agrees to make just and equitable compensation to the Consultant for satisfactory work completed up through the date the Consultant receives the termination notice. Compensation will not include anticipated profit on non-performed services.

Owner further agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.

Termination for Default

Either party may terminate this Agreement for cause if the other party fails to fulfill its obligations that are essential to the completion of the work per the terms and conditions of the Agreement. The party initiating the termination action must allow the breaching party an opportunity to dispute or cure the breach.

The terminating party must provide the breaching party [7] days advance written notice of its intent to terminate the Agreement. The notice must specify the nature and extent of the breach, the conditions necessary to cure the breach, and the effective date of the termination action. The rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this agreement.

a) **Termination by Owner**: The Owner may terminate this Agreement in whole or in part, for the failure of the Consultant to:
   1. Perform the services within the time specified in this contract or by Owner approved extension;
   2. Make adequate progress so as to endanger satisfactory performance of the Project; or

3. Fulfill the obligations of the Agreement that are essential to the completion of the Project.

Upon receipt of the notice of termination, the Consultant must immediately discontinue all services affected unless the notice directs otherwise. Upon termination of the Agreement, the Consultant must deliver to the Owner all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.

Owner agrees to make just and equitable compensation to the Consultant for satisfactory work completed up through the date the Consultant receives the termination notice. Compensation will not include anticipated profit on non-performed services.

Owner further agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.

If, after finalization of the termination action, the Owner determines the Consultant was not in default of the Agreement, the rights and obligations of the parties shall be the same as if the Owner issued the termination for the convenience of the Owner.

b) **Termination by Consultant**: The Consultant may terminate this Agreement in whole or in part, if the Owner:

1. Defaults on its obligations under this Agreement;
2. Fails to make payment to the Consultant in accordance with the terms of this Agreement;
3. Suspends the Project for more than [180] days due to reasons beyond the control of the Consultant.

Upon receipt of a notice of termination from the Consultant, Owner agrees to cooperate with Consultant for the purpose of terminating the agreement or portion thereof, by mutual consent. If Owner and Consultant cannot reach mutual agreement on the termination settlement, the Consultant may, without prejudice to any rights and remedies it may have, proceed with terminating all or parts of this Agreement based upon the Owner's breach of the contract.

In the event of termination due to Owner breach, the Engineer is entitled to invoice Owner and to receive full payment for all services performed or furnished in accordance with this Agreement and all justified reimbursable expenses incurred by the Consultant through the effective date of termination action. Owner agrees to hold Consultant harmless for errors or omissions in documents that are incomplete as a result of the termination action under this clause.

A26 TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC Section 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR or
2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list or
3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

A27 VETERAN'S PREFERENCE

In the employment of labor (excluding executive, administrative, and supervisory positions), the Contractor and all sub-tier contractors must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.

EXHIBIT F- DBE FORMS

Consultant shall submit the following DBE Forms at the times noted:

Prior to Contract Award:	Attachment(s) A Attachment(s) B

OVER FOR INSTRUCTIONS

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
CERTIFICATION OF PROMPT PAYMENT TO SUBCONSULTANTS

INSTRUCTIONS

Prime Consultant or Subconsultant will prepare a form for each Subconsultant being paid from each Airport payment for services when the Subconsultant is being paid. The amount paid to each Subconsultant should match the amount earned less any retention held on a pay application as shown on Attachment D.

The date documented by the Prime Consultant or Subconsultant must be the date a check is issued or that an Electronic Fund Transfer is completed as payment to the Subconsultant. This must be in conformance with State and Federal prompt payment regulations per the contract.

The authorized Prime Consultant or Subconsultant must sign and certify the accuracy of the information on this Attachment F and send it to the Subconsultant.

The Subconsultant must document the amount of payment received and the date payment from the Prime Consultant or Subconsultant was received. The authorized Subconsultant representative must sign and certify accuracy of the information.

The Subconsultant must email a scan of the record to the Airport within five (5) days of receipt of the Prime Consultant or Subconsultant payment. Airport contact information is as follows:

PromptPayment@gatewayairport.com

The Subconsultant should also copy the Prime Consultant or Subconsultant on the record.

The Prime Consultant and Subconsultant must retain the payment records and evidence of compliance for three years following completion of the contract.

FOR QUESTIONS ON COMPLETING THIS FORM, PLEASE CONTACT THE PHOENIX-MESA GATEWAY AIRPORT AUTHORITY AT (480) 988-7628.

Subconsultants may file complaints on alleged violations of the Prompt Payment standards by contacting the Airport Project Manager or Airport Staff at the number noted above.

EXHIBIT H – CONSULTANT'S DBE PERFORMANCE PLAN

PMGAA and Consultant acknowledge that the project is funded with Federal funds and Consultant's approved DBE Performance Plan submitted under PMGAA's solicitation 2023-016-RFQ is hereby incorporated into the Contract and will be utilized by Consultant throughout the duration of the project.

EXHIBIT I – CONSULTANT'S RFQ SUBMITTAL

Consultant's Statement of Qualifications in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-016-RFQ dated November 17, 2022 is hereby incorporated into the Contract and made part of this Contract.

Board Action Item

Re: Resolution 23-04

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Authorization of Services - Crosspoint Testing and Inspection Services, LLC**
Date:	**February 21, 2023**

Proposed Motion

To approve an Authorization of Services (AOS) with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project in an amount not to exceed $114,150 under CIP1201.

Narrative

The Terminal Annex Modernization project has become necessary due to the age and deterioration of the current modular facility. McCarthy Building Companies, Inc., has demolished the four-gate temporary facility and started the construction of the new, five-gate, 30,000 SF Terminal addition.

In support of large capital projects, the Airport utilizes professional Engineering Services. These services are needed to ensure that the Airport manages the project in accordance with project specifications, and to ensure compliance with federal and state grant requirements. Specifically, Special Inspections performed as required by and in accordance with the 2018 International Building Codes (IBC) Chapter 17 for structural components associated with buildings and Fireproofing Inspection is also required.

In 2022, a Request for Qualifications, 2023-016-RFQ for Structural Special Inspection and Fire Proofing Special Inspection Services was issued. Crosspoint was selected as the most qualified firm. In accordance with the terms of our Contract, 20230155, Crosspoint worked with Airport staff to refine a Scope of Work to perform inspection and testing of structural steel welding at the fabrication shop and in the field; along with inspections and testing that will include, but are not limited to, the following: Fabrication Welding, Field Welding, Visual Verification of Moment Frame, High Strength Bolts, Verification of Spray Applied Fireproofing and Firestop Verification.

Fiscal Impact

The funds for these Inspection Services are included in the Terminal Modernization Project, which is included in the FY23 Capital Budget under CIP1201.

Attachment(s): Authorization of Services

RESOLUTION NO. 23-04

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to approve an Authorization of Services (AOS) with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project in an amount not to exceed $114,150 under CIP1201;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby approves an Authorization of Services (AOS) with Crosspoint Testing and Inspection Services, LLC (Crosspoint) to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project in an amount not to exceed $114,150 under CIP1201. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

AUTHORIZATION OF SERVICES
Crosspoint Testing and Inspection Services, LLC, AOS 20230155-2301

The signing of this Authorization (Agreement) by Phoenix-Mesa Gateway Airport Authority (PMGAA) and Crosspoint Testing and Inspection Services, LLC, 7931 Pecos Road, Suite 203, Mesa, AZ 85212 ("Crosspoint"), authorizes Crosspoint to carry-out and complete the services described below in consideration of the mutual covenants set forth below:

1. **PROJECT**: Structural Engineering and Fire Proofing Inspection Services for the Terminal Modernization Project under CIP 1201.

2. **SCOPE OF WORK**: To Provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization Project. This project will include, but will not be limited to, the following: Fabrication Welding, Field Welding, Visual Verification of Moment Frame, Verification of Spray Applied Fireproofing and Firestop Verification.

3. **FEE FOR SERVICES**: The fee for services shall be based upon the attached scope of work, not to exceed One hundred fourteen thousand, one hundred fifty dollars and zero cents ($114,150), under CIP 1201, without the express written approval of PMGAA.

4. **AVAILABILITY OF PROJECT FUNDING:** The approval and continuation of this contract is subject to the availability of funds provided to, made available to, or appropriated by PMGAA for this purpose. In the event that funds are not available or appropriated for PMGAA's payment requirements under this contract for the goods and/or services to be provided hereunder, PMGAA may terminate this contract by providing notice to the consultant of the lack of the availability of funds. The consultant acknowledges and agrees that one source of funding for this contract may be funds made available from the Federal Aviation Administration and/or Arizona Department of Transportation, PFC funds, Non-Grant funds and that this contract, its approval and continuation, may contingent on the availability of those funds being made to PMGAA.

5. **INCORPORATED:** The following documents are hereby incorporated with this Authorization of Services and made part thereof:

   ☑ PMGAA Agreement 20230155 dated January 2023.

6. **ATTACHED:** The following documents are attached to this Agreement and are incorporated herein by this reference made part thereof:

☑ Scope and Fee Proposal dated January 8, 2023.

PMGAA and Crosspoint acknowledge that they are in agreement with the terms and conditions as set forth in this Authorization.

Board Action Item

Re: Resolution 23-05

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Allegiant Air, LLC, Facility Lease Agreement – 6250 S Taxiway Circle
Date: February 21, 2023

Proposed Motion

To authorize a facility lease agreement with Allegiant Air, LLC for the property located at 6250 S. Taxiway Circle, Mesa AZ 85212. The lease term is five years commencing on March 1, 2023.

Narrative

The facility located at 6250 S Taxiway Circle is currently vacant. Allegiant Air, LLC ("Allegiant") seeks to lease the entire facility which is approximately 61,798 SF. Allegiant intends to utilize the facility for aircraft maintenance and other functions to support their operation at the Airport.

Agreement Term and Rate

The term of this facility lease agreement is five (5) years.

The Base Rent is $679,795.32 annually or $56,649.61 per month. The Base Rent will increase by three percent (3%) on every twelve-month anniversary of the Effective Date.

Allegiant will also pay a Fire Suppression System Maintenance Fee of $1,970.83 per month.

Phoenix-Mesa Gateway Airport Authority
FACILITY LEASE

This Facility Lease (the "**Lease**") is executed to be effective the FIRST (1ST) day of MARCH 2023 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **ALLEGIANT AIR, LLC** a Nevada Limited Liability Company authorized to do business in the State of Arizona ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

WHEREAS, Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

WHEREAS, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport located at 6250 S. Taxiway Circle, Mesa, AZ 85212 and described as building 1084, consisting of approximately SIXTY-ONE THOUSAND, SEVEN HUNDRED NINETY-EIGHT (61,798) square feet, and situated on a portion of Lot 50E, as set forth in **EXHIBIT A** attached hereto ("**Premises**"); and

WHEREAS, Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE

Lessor hereby leases the Premises to Lessee, subject to all easements and rights of way that may encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specifically acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense. Lessor agrees to cooperate with Lessee, at no or nominal cost to Lessor, in connection with such activities and undertakings.

1.2 Substitution of Premises. In addition to Lessor's other rights set forth in this Lease, Lessor reserves the right, upon no less than Ninety (90) calendar days prior written notice to Lessee, to substitute

Comparable Areas for all or any portion of the Premises, including any additions, alternations or improvements thereon, should Lessor, in its reasonable discretion, determine that taking of the Premises, any portion thereof or any improvement thereon, is required for other Airport purposes, and there exists no appropriate alternative. In the event Lessor makes the determination to exercise its rights to substitute, all title, right and interest to the portion of the Premises taken shall immediately vest in Lessor on the date that is Ninety (90) calendar days following receipt of Lessor's notice, or such later date as specified therein. Furthermore, Lessor may require Lessee to vacate any portion or all of the Premises taken. For the purposes of this Section 1.2, the term "Comparable Areas" is defined to mean other facilities at the Airport, or any additions or extensions thereof, similar in size to the Premises, brought to the same level of improvement as the Premises and having the same or similar usefulness to Lessee as the portion taken. Lessor shall bear all expenses of bringing the substituted area to the same level of improvement as the Premises, and of moving Lessee's improvements, equipment, furniture and fixtures to the substituted area. If any of Lessee's improvements, equipment, furniture or fixtures cannot be relocated, Lessor shall replace, at Lessor's expense, such non-relocatable improvements and other property with comparable property in the Premises, and Lessor shall be deemed the owner of the non-relocated improvements and other property, free and clear of all claims of any interest or title therein by Lessee, or any other third party whomsoever. It is the specific intent of this Section 1.2 that Lessee be placed, to the extent possible, in the same position it would have been, had Lessor not substituted new premises for the Premises; provided, however, that Lessor shall not be obligated to reimburse Lessee for any damages, including lost profits or revenues, due to such substitution. Notwithstanding the foregoing, Lessor shall use reasonable efforts to avoid disruption to Lessee's business.

1.3 Access. Lessee is granted the right of reasonable access to and from the Premises via such portions of the Airport as are or may be necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport. Lessor reserves the right to designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of SECTION 1.5, Lessee may use the Premises for aircraft maintenance, parts storage, administrative offices, commissary, and other ancillary aeronautical uses. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, rules, regulations and operating policies of any governmental authority, including Lessor, or for any other activity or operation not specified in SECTION 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises and the Airport, Lessee shall designate an on-site manager for the term of this Lease who shall be available to Lessor and Lessee's customers, if any, during normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable.

1.7 Lessee Acknowledgement. Lessee acknowledges and agrees that its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the

Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

1.8 Vehicle Parking. Lessee shall be permitted to use FIFTY (50), unassigned, vehicular parking spaces for Lessee's employees, customers, and/or contractors. The location of Lessee's vehicular parking spaces are depicted in **Exhibit C**.

2. TERM

2.1 Initial Term. The initial term of this Lease shall be for a period of FIVE (5) years, commencing on the Effective Date and terminating on FEBRUARY 29, 2028 thereafter ("**Term**").

2.2 Renewal Term(s). Provided Lessee is not then in default of this Lease and subject to written approval of Lessor, the Parties shall have the option of extending the Term for TWO (2) additional periods of ONE (1) year each (each, individually, "**Extension**"). Lessee may initiate an Extension by giving written notice to Lessor of its desire to do so no later than NINETY (90) calendar days prior to the expiration of the Term, as set forth in SECTION 2.1 herein. If Lessee has properly notified Lessor of its desire to exercise an Extension and Lessor approves such in writing, then Lessee's Extension of the Term of this Lease shall become effective and all references herein to "Term" shall mean the initial term as extended.

2.3 Cessation of Commercial Service. Lessee is a signatory air carrier at the Airport. If Lessee ceases its commercial passenger service operation at the Airport, Lessee shall have the right to terminate this Lease by providing Lessor with 30-days advanced written notice.

3. NONEXCLUSIVE RIGHTS

Lessee shall have the exclusive right to occupy and use the Premises while in compliance with the terms and conditions of this Lease, subject to Section 27 below. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that Lessor deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with Lessee's use of the Premises.

4. RENT

4.1 Base Rent. Subject to the increases provided Section 4.3 and 4.4 below, Lessee agrees to pay Lessor annual rental for the use of the Premises in the amount of SIX HUNDRED SEVENTY-NINE THOUSAND EIGHT HUINDRED DOLLARS ($679,795.32), payable in equal monthly installments of FIFTY-SIX THOUSAND SIX HUNDRED FORTY-NINE AND 61/100 DOLLARS ($56,649.61) ("**Base Rent**").

The Base Rent shall be payable in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer.

4.1 Rent Commencement. Base Rent and the Monthly Fire Suppression Maintenance Fee shall become due and payable on APRIL 1, 2023 (the "Rent Commencement Date").

4.2 Rent Increases. The annual Base Rent paid by Lessee shall be increased (but never decreased) on every Twelve (12) month anniversary of the Effective Date of this Lease by THREE PERCENT (3%)

4.3 Monthly Fire Suppression System Maintenance Fee. In addition to the Base Rent and any other fees owed Lessor hereunder, Lessee shall pay Lessor monthly, in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, a monthly fire suppression system maintenance fee (the "Fire Suppression System Maintenance Fee") in the amount of ONE THOUSAND

NINE HUNDRED SEVENTY AND 83/100 (1,970.83), or the applicable fee specified in the Lessor's *Airport Rates and Charges Schedule*, for Lessor's maintenance of the fire suppression system serving the Premises.

4.4 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* and *Airport Fees, Services and Rental Rates Schedule* are included as **EXHIBIT B** and are subject to change without prior notice to or approval of Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at any time at Lessor's sole discretion. No fee shall apply to the use of the Premises or access to the Premises.

4.5 Payment.

4.6.1 Unless otherwise specified herein, the first payment of Base Rent and the Monthly Fire Suppression Maintenance Fee shall be paid to Lessor upon the delivery of this Lease, for the period from the Rent Commencement Date until the end of the calendar month in which the Rent Commencement Date occurs, prorated on the basis of the number of such days to the total number of days in said month. Thereafter, all Base Rent and Monthly Fire Suppression Maintenance Fee payments shall be paid in monthly installments, in advance, on the first day of each calendar month.

4.6.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.6.3 All payments (and reports, if any) required by this SECTION 4.5 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in writing by Lessor to Lessee.

4.6 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum (but not to exceed the maximum interest rate permissible by law), from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.7 Taxes. Lessee shall pay, prior to delinquency, any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax or assessment imposed during the Term against the Premises or as the result of Lessee's occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor. Lessee shall pay such taxes and assessments directly to the taxing authority charged with collecting such taxes and assessments, provided that in the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor and to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business, Lessee shall pay such amounts to Lessor in the manner set forth in Section 4.7. Such taxes to be paid directly to Lessor include, without limitation, payment of all rent taxes, i.e. taxes imposed specifically on the gross receipts in the form of rent received by Lessor.

4.8 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

5. PERFORMANCE GUARANTEE

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equivalent to FIFTY-SIX THOUSAND SIX HUNDRED FIFTY DOLLARS ($56,650.00), as a security deposit ("Security Deposit") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, at the election of Lessor, may be applied in reduction of any loss and/or damage sustained by Lessor by reason of the occurrence of any breach, nonperformance or default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Construction Payment and Performance Guarantees.

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with any construction on the Premises, by providing, at Lessee's sole cost and expense and prior to commencement of construction of any improvements on the Premises, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. § 33-1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. § 33-1003, and a copy of the bond shall be provided to Lessor; or

(b) Letter of Credit. Such instrument ("**Letter of Credit**") shall be irrevocable, in an amount equal to the total amount of the construction contract(s) for the construction of the Improvements (as defined in Section 7 below) plus TEN PERCENT (10%) of such amount ("**Improvement Costs**") and be issued to Lessee by a financial institution ("**Bank**") reasonably acceptable to Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date which is TWENTY-FOUR (24) months thereafter, after which date it shall be renewed on a year-to-year basis until construction of the Improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include a reasonably-detailed description of Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of

Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the Improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 Performance Guarantee. In addition to the Security Deposit, Lessee's obligation to timely complete the Improvements shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said Improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) Performance Bond. Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) Completion Bond. Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7.1 of this Lease if an Event of Default occurs and is continuing under Section 7.2. of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRPORT OPERATING AGREEMENT

If and to the extent that Lessee, including its subtenants, contractors, and agents, operates aircraft at or on the Airport, Lessee shall enter, or shall cause its subtenants, contractor or agent to enter, into an operating agreement with Lessor covering such operations prior to the commencement of any such operations. If any of Lessee's subtenants, subcontractors or agents have not entered into its own *Airport Operating Agreement* and is operating under Lessee's *Airport Operating Agreement*, Lessee shall be responsible for such subtenant's contractors or agents compliance with Lessee's *Airport Operating Agreement*. Lessee shall be responsible for compliance by its subtenants, contractors and agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*.

7. IMPROVEMENTS

7.1 Reserved.

7.2 Reserved.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld or delayed and, if and to the extent applicable, without the approval by Lessor's Design Review Committee. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all improvements and alterations on the Premises (but not personal property or trade fixtures) shall automatically vest in Lessor upon the expiration or termination of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's request therefor, a quitclaim deed or other instrument satisfactory to Lessor confirming that title to such improvements and alterations is vested in Lessor. This Section 7.4 shall survive the termination of this Lease.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first submitting required plans and obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises, including any subsequent alterations and improvements thereto. In the event that all or any portion of Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of SECTION 7.6, using available insurance proceeds together with any additional funds from other available sources, or, alternatively, Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE

8.1 *Lessee*. Lessee shall, at its sole cost and expense, keep the Premises and all improvements therein in a neat and clean condition and in good order, condition and repair throughout the Term. In doing so, Lessee shall prepare, maintain and follow a preventative maintenance schedule for all mechanical, electrical, plumbing, drain, piping and air conditioning systems on the Premises, and, upon request, provide a copy of such schedule to Lessor and, if required by Lessor, a list of the dates on which such maintenance was actually done. Lessee's maintenance of the Premises shall include, without limitation, the inspection, servicing and repair of all systems and improvements, including the boilers, interior roof and structures, hangar doors, electrical, plumbing, heating and cooling, pavements, pest control, landscaping and grounds maintenance.

8.2 *Lessor*. Lessor shall, at its sole cost and expense, sustain and maintain the structural integrity of the Premises, including the exterior roof, fire suppression system and all utility connections where they enter the Premises throughout the Term.

8.3 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the satisfaction of Lessor. In lieu of such repair or replacement, where required by Lessor, Lessee shall pay to Lessor an amount sufficient to compensate for the loss sustained by Lessor.

8.4 Trash Removal. Lessee shall at all times keep the Premises in a neat, clean, safe, sanitary and orderly condition and shall keep such area free of all trash and debris. Lessee shall, at Lessee's expense, be responsible for all trash removal from the Premises. Such trash removal shall be performed on a not less than weekly basis, and all trash shall be disposed of off the Airport. Prior to its removal from the Airport, Lessee shall deposit all trash and debris only at collection stations located on the Premises, in accordance with City code.

8.5 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as they occur.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS

9.1 Any Transfer of Lease Interest Requires Lessor Advance Written Approval. In the event Lessee desires to transfer, assign, encumber, pledge or hypothecate any portion of its interest in this Lease or any right or interest hereunder (including, but not limited to as part of a mortgagor deed of trust or an assignment by means of a foreclosure or trustee's sale thereunder)(individually and collectively, "**Transfer**"), Lessee must obtain the prior written consent of Lessor, with such consent to be the in sole and absolute discretion of Lessor without exception. In connection with Lessee's request for Lessor's approval of a Transfer, Lessee and or the proposed transferee shall provide to Lessor written financial assurances, including, but not limited to financial statements, business plans and other information related to the financial condition and plans of any proposed transferee. Notwithstanding a Transfer, unless released in writing by Lessor in its sole and absolute discretion, Lessee shall remain liable at law and at equity, as well as financially liable, under the Lease, regardless of whether the assignee expressly assumes in writing all of Lessee's obligations under this Lease or in the case of a sublease. Lessee understands and agrees to these terms and conditions regarding any proposed Transfer, and that any violation of this Section 9, may irreparably harm Lessor as the requirements set forth herein are directly related to Lessor's (and any Lessee's) legal and financial obligations to the Federal Aviation Administration. This Section 9 shall remain valid and enforceable even in the event of amendment to or repeal of FAA regulations, so long as this Section 9 does not directly conflict therewith.

9.2 Lessee's Required Advance Notice to Lessor of Proposed Transfer. In order for Lessor to consider approval of a Transfer, Lessee must: (i) notify Lessor in writing at least Forty-five (45) days prior to such proposed transfer; (ii) deliver to Lessor, at the time of Lessee's notice, current financial statements of Lessee and the proposed transferee (along with transferee's business plans) that are reasonably acceptable to Lessor; and (iii) the transferee assumes and agrees in writing to perform Lessee's obligations under this Lease. However, nothing herein shall be construed as Lessor providing its consent to any Transfer or relieving Lessee of any legal, financial or other obligation under the Lease, regardless of Lessor's acceptance or refusal to accept such proposed transfer of Lease.

9.3 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) if Lessee is a corporation, partnership, limited liability company or other legal entity, the transfer of any ownership interest in such entity resulting in a change in the present control of such entity by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; or (ii) the sale of TWENTY-FIVE PERCENT (25%) or more in value of the assets of Lessee. For purposes of this Lease, "control" shall mean possessing the power to direct or cause the direction of the management and policies of the entity by the ownership of a majority of the voting securities of the entity.

9.4 Subletting. Lessee shall not sublease the Premises or any portion thereof at any time during the Term of this Lease.

10. IDENTIFICATION SIGNS

Lessee may install on the building in which the Premises is located, a sign or signs identifying its business on the exterior of the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessor's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, or required by any other agreement between the Parties, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor of a written notice of such default; and further provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued, not to exceed ONE HUNDRED TWENTY (120) days.

11.1.3 The filing of any mechanic's, materialmen's or other lien of any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee without Lessor's advance written authorization, which Lessor may withhold in its sole and absolute discretion.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, but subject to the provisions of SECTIONS 9.2 and 23 herein, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, re-entry for condition broken, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and shall save Lessor harmless from all losses, costs or damages occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the amount of the Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus (b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other damages incurred by Lessor as a result of such Event of Default. In determining the amount of loss that could reasonably be provided, rents to be paid by subtenants pursuant to Section 9.4, if applicable, and other reasonably projected rental income from leasing the Premises shall be taken into account.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it is reasonably calculated to put Lessee on inquiry as to the nature and extent of such default, and is made in accordance with SECTION 19 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in SECTION 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Other remedies that are available to Lessor include self-help and recovery of damages, and nothing in this SECTION 11 shall limit the exercise of any such other remedy.

11.9 Subordination of Landlord's Lien. Lessor hereby agrees from time to time to subordinate to one or more Leasehold Mortgagees all statutory or common law landlord's lien rights with respect to property or assets of Lessee located on the Premises, including, without limitation, Lessor's rights under Arizona Revised Statutes Sections 33-361 and 362 and other similar laws. Upon written request from Lessee, Lessor agrees to promptly execute and deliver such commercially reasonable landlord subordination agreement and access agreement that any Leasehold Mortgagee may request of Lessor. Lessee shall reimburse Lessor for reasonable third-party costs, including reasonable attorneys' fees, incurred by Lessor in connection with the review and negotiation of any such agreement within THIRTY (30) days after receipt of an invoice from Lessor.

12. RESERVED

13. INDEMNIFICATION

To the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term; (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Premises or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor; and/or

(iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

14. ENVIRONMENTAL PROTECTION

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this SECTION 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws*. The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Solid Waste Disposal Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; A.R.S. Title 49; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient (including indoor and outdoor) air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material*. The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Laws, per- and polyfluoroalkyl substances, and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils). For purposes of this definition, per- and polyfluoroalkyl substances shall include aqueous film-forming foams

14.2 Environmental Compliance.

14.2.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.2.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Laws. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Laws.

14.2.3 RESERVED

14.3 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment, the presence of Hazardous Material on the Premises, Airport or neighboring properties, or violation of any Environmental Laws or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this SECTION 14.3 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This SECTION 14.3 explicitly excludes Lessee's duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is caused by or exacerbated by Lessee or unknown contamination is caused by or exacerbated by Lessee's negligence.

14.4 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Laws, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this SECTION 14.4, Lessor is not responsible for directing or managing any remediation action. The term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This SECTION 14.4 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee.

14.5 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any Release of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.6 Information Sharing.

14.6.1 Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a violation of Environmental Laws, and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the

Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon.

14.6.2 Reserved.

14.7 Reserved.

14.8 Actions of Lessee. The activities or actions of Lessee under this SECTION 14 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.9 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.10 Reserved.

14.11 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.12 Right to Enter Premises. In addition to the rights afforded to Lessor in SECTION 18, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency ("**EPA**"), ADEQ, Lessor, and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.13 U.S. Air Force Use and Remedial Action.

14.13.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use

of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this SECTION 14.13, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release.

14.13.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.14 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.15 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or Lessor equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Safety Coordinator within THIRTY (30) calendar days of receipt of a CofO from the City. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors..

14.16 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor.

14.17 Surface Disturbances. After construction of Lessee's Improvements on the Premises as provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of

the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

15. PROTECTION OF WETLANDS

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the United States Army Corps of Engineers and obtain a permit or waivers under Section 404 of the Clean Water Act(or if such regulatory authority has been delegated to ADEQ, shall obtain the equivalent permit or waivers from ADEQ). For purposes of this SECTION 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. INSURANCE

16.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

16.1.1 *Aircraft Liability* insurance in the amount of $5,000,000 per occurrence covering third party bodily injury and property damage, as well as passenger and contractual liabilities for claims arising in connection with aircraft movements on the Airport and insuring against third party liabilities arising from War Risk peril (e.g. acts of terrorism).

16.1.2 *Airport Premises Liability* insurance in the amount of $10,000,000 per occurrence, covering third party bodily injury and property damage, and including coverage for "premises/operations," "products and completed operations," "professional," "host liquor" and "blanket contractual liabilities."

16.1.3 *Business Interruption* insurance in an amount equal to 12-months' loss of Lessee income for operations/activities occurring on or at the Airport due to fire or other catastrophe; optional Extra Expense coverage also is recommended (but not required) to facilitate covering expenses beyond normal operating expenses that might otherwise preclude the business from shutting won during post disaster restoration.

16.1.4 *Comprehensive/Commercial Automobile Liability* insurance in the amount of $5,000,000 per occurrence, covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of "commercial" activities, or are operated within the AOA; an MSC 90 Endorsement also is required due to the Lessee's aircraft fuel service activities

16.1.5 *Environmental Impairment Liability* (or Pollution Legal Liability) insurance in the amount of $2,000,000 per occurrence, covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, piping, ancillary equipment and containment systems or structures that are used, controlled, constructed or maintained on the Airport, and including expenses for defense, release mitigation and off and on site remediation.

16.1.6 *Hangarkeeper's Liability* insurance in the amount of $5,000,000 (or the value of the largest aircraft that may be in the custody and/or control of the Lessee, if greater) per occurrence, covering aircraft and related damage to owned and non-owned aircraft stored by or otherwise in the care, custody or exclusive control of the Lessee on the Airport; coverage may be "ground" (if no test flying or other related airborne/aircraft powered operations (e.g., ferrying, ground taxiing) are conducted) or "air," and is required anytime aircraft are "moved" by the insured, irrespective of whether or not a physical hangar facility is involved.

16.1.7 *Property* insurance in an amount equal to the full insurable value of the Lessee's essential personal property and all improvements made to buildings or facilities on the Lessee's premises, including all replacements and/or additions thereto, on an All Risks, replacement-cost basis. Such shall require an ISO Special Causes of Loss Form or equivalent.

16.1.8 *Workers' Compensation and Employer's Liability* insurance, the former in amounts specified by-law and the latter in the amount of $1,000,000 per occurrence, covering work-related injuries to the Lessee's employees and others permitted to conduct commercial aeronautical activities on the Lessee's premises.

16.2 Form. Each insurance policy obtained pursuant to this SECTION, except for Worker's Compensation and Employer's Liability policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

16.3 Certificates of Insurance. Lessee shall deliver a certificate of insurance for each policy required along with an endorsement naming Phoenix-Mesa Gateway Airport Authority as additional insured, herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the term of this Lease.

16.4 Additional Insurance. At any time during the term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this SECTION 16 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

16.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

16.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this SECTION. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

17. SURRENDER OF POSSESSION

17.1 Condition of Property.

17.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall be deemed abandoned, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

17.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required by Lessor, be permanently removed from the Premises by Lessee, at Lessee's expense, within FIVE (5) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other

property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

17.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee.

18. INSPECTION BY LESSOR

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor may enter immediately and shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

19. NOTICES

19.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses or at such address as either Party may advise the other from time to time:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: Allegiant Air, LLC
Attn: Thayne Klinger, Director - Airports
1201 N. Town Center Drive
Las Vegas, NV 89144

19.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service.

20. SEVERABILITY

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

21. APPROVALS, CONSENTS AND NOTICES

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

22. LIENS AND MORTGAGES

22.1 Fee Mortgagees. Lessor may mortgage its fee interest in the Premises.

22.2 Reserved.

23. GOVERNING LAW; ATTORNEY'S FEES

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

24. COMPLIANCE WITH LAWS, RULES AND REGULATIONS

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **EXHIBIT D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Premises and at the Airport. Lessee also shall display to Lessor any permits, licenses, or other evidence of compliance with laws upon request.

25. CORPORATE AUTHORIZATION

In executing this Agreement, Lessee represents and warrants to Lessor that if Lessee is a corporation, Lessee has obtained and been granted the full right, power and authority to enter into this Lease.

26. UTILITY LINES AND SERVICE CHARGES

26.1.1 Connections and Services. Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

26.1.2 Payment. Lessee shall pay for all utilities, including trash collection, used in its operations at the Airport and the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

26.1.3 Continued Use and Repair. Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises and the right to repair the same when necessary in Lessor's sole discretion, including but not limited to, any utility easements on the Premises. Lessor shall conduct such repairs in such a manner and at such times as to not unreasonably interfere with Lessee's activities thereon.

27. RESERVATIONS TO LESSOR

The Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over,

on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to unreasonably interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises. All work shall be in compliance with all applicable laws, including Environmental Laws, and the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Laws of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to, at a minimum, the same conditions applicable to Lessor under this Section 27, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

28. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS

28.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

28.2 Lessee agrees that: (a) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (b) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (c) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

28.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

28.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

28.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

28.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport.

28.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

28.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

28.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

28.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

28.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

28.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

28.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

28.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

29. TITLE VI

29.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

29.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

29.2.1 Compliance with Regulations. Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

29.2.2 Non-discrimination. Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

29.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts and Authorities on the grounds of race, color, or national origin.

29.2.4 Information and Reports. Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.

29.2.5 Sanctions for Noncompliance. In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or
(b) cancelling, terminating, or suspending the Lease, in whole or in part.

29.2.6. Incorporation of Provisions. Lessee will include the provisions subsections 29.2.1 through 29.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

29.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (a) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (b) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (c) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

29.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits

discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

29.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

30. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

31. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

32. INCORPORATION OF QUITCLAIM DEED

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government (the "**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

32.1 That this Lease is subject to all terms and conditions of the Deed; and

32.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

33. REQUIRED PROVISIONS OF QUITCLAIM DEED

33.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

33.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

33.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

33.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

33.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

34. AIRPORT SECURITY

34.1 Airport Security Plan.

34.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

34.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

34.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

34.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

34.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

34.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

34.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

34.2 Airport Security Badge.

34.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, Lessee's employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

34.2.2 Lessee and Lessee's employees and contractors shall comply with all security related audits, inspections, and screenings conducted by Lessor's Operations Department.

34.2.3 Lessee will promptly return badges to Lessor's badging office when badge holders employment is terminated, the badge is no longer needed or the employee/contractor is on extended leave.

34.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining of badge holders, and/or suspension or revocation of one or all misused badges.

35. DEFAULT BY LESSOR

In the event of any alleged breach by Lessor of its covenants contained in this Lease, Lessee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Lease; provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder.

36. BROKERS

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

37. SALE BY LESSOR

Lessee agrees to look solely to Lessor's interest in the Premises for the recovery of any judgment from Lessor, it being agreed that neither Lessor nor the holders of the equity interests of Lessor, nor the members, partners, officers, directors or shareholders of Lessor shall be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

38. ESTOPPEL CERTIFICATE

Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request of Lessor to do so, certify, by written instrument duly executed and acknowledged by Lessee and certified to Lessor and to any prospective lender or purchaser: (a) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (b) as to the existence of any default hereunder to the best of Lessee's knowledge; (c) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (d) as to whether the Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (e) as to any other matters as may be reasonably requested. Lessor and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

39. UNAVOIDABLE DELAY

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its

nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under SECTION 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

40. MISCELLANEOUS

40.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

40.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

40.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

40.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

40.5 Litigation Expenses. In the event of litigation between Lessor and Lessee in connection with this Lease, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

40.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

40.7 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

41. INCORPORATION OF RECITALS

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

Board Action Item

Re: Resolution 23-06

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: DSV Air & Sea Inc. – Facility Lease Agreement & Airport Operating Agreement
Date: February 21, 2023

Proposed Motion
To authorize a Facility Lease and Airport Operating Agreement with DSV Air & Sea Inc. for the properties located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 with an Effective Date of March 1st, 2023. The Term for both agreements is thirty-nine months, terminating on May 31st, 2026, with two (2), three (3) year options to renew.

Narrative
DSV Air & Sea Inc. will lease the facilities located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 and be permitted to use the Airport for the operation of a freight forwarding business and movement of cargo.

Agreement Term and Rate
The initial term of the Facility Lease Agreement & Airport Operating Agreement is thirty-nine (39) months, with two (2), three (3) year options to renew.

The Base Rent in Facility Lease Agreement is $330,062.16 (RS1) and $35,852.52 (RS2), totaling $365,914.68 annually.

The fees assessed within the Airport Operating Agreement are pursuant to the current published Airport Rates & Charges schedule.

The Base Rent of the Facility Lease Agreement will increase on every one (1) year anniversary of the Effective Date by the greater of THREE (3) percent or CPI (not to exceed 4% per annum).

Facility Lease Agreement
Airport Operating Agreement

RESOLUTION NO. 23-06

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Facility Lease and Airport Operating Agreement with DSV Air & Sea Inc. for the properties located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 with an Effective Date of March 1, 2023. The Term for both agreements is thirty-nine months, terminating on May 31, 2026, with two (2), three (3) year options to renew;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a Facility Lease and Airport Operating Agreement with DSV Air & Sea Inc. for the properties located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 with an Effective Date of March 1, 2023. The Term for both agreements is thirty-nine months, terminating on May 31, 2026, with two (2), three (3) year options to renew. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of February, 2023.

Brigette Peterson, Chair

Phoenix-Mesa Gateway Airport Authority
FACILITY LEASE

This Facility Lease (the "**Lease**") is executed to be effective the FIRST (1st) day of March 2023 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **DSV AIR & SEA INC**, a Delaware corporation authorized to do business in the State of Arizona ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

WHEREAS, Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

WHEREAS, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport located at 6203 South Sossaman Road, Mesa, Arizona 85212, and described as Hangar 31, consisting of approximately TWENTY-TWO THOUSAND, SEVEN HUNDRED AND EIGHTY FIVE (22,785) square feet and 6211 South Sossaman Road, Mesa, Arizona 85212 and described as Building 1362 consisting of approximately SEVEN HUNDRED NINETY-ONE (791) square feet, situated on Lot 35B, consisting of approximately SEVENTY-EIGHT THOUSAND, FIVE HUNDRED TWENTY-FOUR (78,524) square feet (collectively, "RS1"), and existing airside apron consisting of approximately FORTY-THREE THOUSAND, TWO HUNDRED (43,200) square feet (individually, "RS2"). Collectively, RS1 and RS2 shall be referred to herein as the "**Premises**" as set forth in **Exhibit A** attached hereto; and

WHEREAS, Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE

Lessor hereby leases the Premises to Lessee, subject to all easements and rights of way that may encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specifically acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense. Lessor agrees to cooperate with Lessee, at no or nominal cost to Lessor, in connection with such activities and undertakings.

1.2 Substitution of Premises. In addition to Lessor's other rights set forth in this Lease, Lessor reserves the right, upon no less than Ninety (90) calendar days prior written notice to Lessee, to substitute Comparable Areas for all or any portion of the Premises, including any additions, alternations or improvements thereon, should Lessor, in its reasonable discretion, determine that taking of the Premises, any portion thereof or any improvement thereon, is required for other Airport purposes, and there exists no appropriate alternative. In the event Lessor makes the determination to exercise its rights to substitute, all title, right and interest to the portion of the Premises taken shall immediately vest in Lessor on the date that is Ninety (90) calendar days following receipt of Lessor's notice, or such later date as specified therein. Furthermore, Lessor may require Lessee to vacate any portion or all of the Premises taken. For the purposes of this Section 1.2, the term "Comparable Areas" is defined to mean other facilities at the Airport, or any additions or extensions thereof, similar in size to the Premises, brought to the same level of improvement as the Premises and having at least the same or similar usefulness to Lessee as the portion taken, as determined by Lessee in its reasonable discretion. Lessor shall bear all expenses of bringing the substituted area to the same level of improvement as the Premises, and of moving Lessee's improvements, equipment, furniture and fixtures to the substituted area. If any of Lessee's improvements, equipment, furniture or fixtures cannot be relocated, Lessor shall replace, at Lessor's expense, such non-relocatable improvements and other property with comparable property in the Premises, and Lessor shall be deemed the owner of the non-relocated improvements and other property, free and clear of all claims of any interest or title therein by Lessee, or any other third party whomsoever. It is the specific intent of this Section 1.2 that Lessee be placed, to the extent possible, in the same position it would have been, had Lessor not substituted new premises for the Premises; provided, however, that Lessor shall not be obligated to reimburse Lessee for any damages, including lost profits or revenues, due to such substitution. Notwithstanding the foregoing, Lessor shall use reasonable efforts to avoid disruption to Lessee's business.

1.3 Access. Lessee is granted the right of reasonable access to and from the Premises via such portions of the Airport as are or may be necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport. Lessor reserves the right to designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of SECTION 1.5, Lessee may use the Premises for general office, warehouse, distribution, and administrative uses; aircraft repair and maintenance, aircraft loading, unloading re-loading, and offloading, aircraft cargo screening, storge of aircraft cargo, tools, parts, and equipment, aircraft parking, employee and business invitee automobile parking, and any other uses reasonably related to charter aircraft cargo operations, and for no other use. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, rules, regulations and operating policies of any governmental authority, including Lessor, or for any other activity or operation not specified in SECTION 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises and the Airport, Lessee shall designate an on-site manager for the term of this Lease who shall be available to Lessor and Lessee's customers, if any, during normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable.

1.7 Lessee Acknowledgement. Lessee acknowledges and agrees that its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim,

recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

1.8 Lessee Termination.

1.8.1 Lessee Relocation. At any time following the Rent Commencement Date, should Lessee choose to relocate within the boundaries of the Airport to a facility of equal to or greater in size and comparable condition, Lessee shall then have the right to terminate this Lease in its entirety by providing NINETY (90) days' written notice of Lessee's intent to do so.

1.8.2 Termination of Operating Agreement. Notwithstanding anything contrary to this SECTION 1.8, should Lessee's Operating Agreement be terminated for any reason, Lessee shall have the right (but not the obligation) to terminate this Lease in its entirety.

2. TERM

2.1 Initial Term. The initial term of this Lease shall be for a period of THIRTY-NINE (39) months, commencing on the Effective Date and terminating on MAY 31ST, 2026 thereafter ("**Term**").

2.2 Renewal Term(s). Provided Lessee is not then in default of this Lease and subject to written approval of Lessor, the Parties shall have the option of extending the Term for TWO (2) additional period(s) of THREE (3) years each (each, individually, an "**Extension**"). Lessee may initiate an Extension by giving written notice to Lessor of its desire to do so no later than NINETY (90) calendar days prior to the expiration of the Term, as set forth in SECTION 2.1 herein. If Lessee has properly notified Lessor of its desire to exercise an Extension and Lessor approves such in writing, then Lessee's Extension of the Term of this Lease shall become effective and all references herein to "Term" shall mean the initial term as extended.

3. NONEXCLUSIVE RIGHTS

Lessee shall have the exclusive right to occupy and use the Premises while in compliance with the terms and conditions of this Lease, subject to Section 27 below. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that Lessor deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with Lessee's use of the Premises.

4. RENT

4.1 Base Rent. Beginning on the Rent Commencement Date (as defined in Section 4.3 herein), Lessee agrees to pay Lessor annual rental for the use of RS1 in the amount of THREE HUNDRED THIRTY THOUSAND, SIXTY-TWO 16/100 DOLLARS ($330,062.16), payable in equal monthly installments of TWENTY-SEVEN THOUSAND, FIVE HUNDRED AND FIVE 18/100 DOLLARS ($27,505.18) (the "RS1 Base Rent"). Lessee Agrees to pay Lessor annual rental for the use of RS2 in the amount of THIRTY-FIVE THOUSAND, EIGHT HUNDRED FIFTY-TWO 52/100 DOLLARS ($35,852.52), payable in monthly installments of TWO THOUSAND, NINE HUNDRED EIGHTY-SEVEN 71/100 DOLLARS ($2,987.71) (the "RS2 Base Rent"). Collectively, the RS1 Base Rent and RS2 Base Rent shall be referred to herein as the "Base Rent." The Base Rent shall be payable in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer.

4.2 Rent Commencement. Base Rent shall become due and payable on June 1st, 2023 (the "Rent Commencement Date").

4.3 Rent Increases. The annual Base Rent paid by Lessee shall be increased (but never decreased) on every ONE (1) year anniversary of the Effective Date of this Lease by the greater of either THREE percent (3%) or a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) increased during the immediately preceding TWELVE (12) month period ending Ninety (90) days prior to the end of the adjustment period, however by not more than FOUR percent (4%) p.a. For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI.

4.4 Reserved.

4.5 Reserved.

4.6 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* and *Airport Fees, Services and Rental Rates Schedule* are included as **EXHIBIT B** and are subject to change without prior notice to, or approval of Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at any time at Lessor's sole discretion. No fee shall apply to the use of the Premises or access to the Premises.

4.7 Payment.

4.7.1 Unless otherwise specified herein, the first payment of Base Rent shall be paid to Lessor upon the delivery of this Lease, for the period from the Effective Date until the end of the calendar month in which the Effective Date occurs, prorated on the basis of the number of such days to the total number of days in said month. Thereafter, all Base Rent payments shall be paid in monthly installments, in advance, on the first day of each calendar month ("**Base Rent Due Date**"). On each such date, Lessee shall pay the full Base Rent payment, provided, however, Lessee shall not be in default if such payment is made within FOUR (4) calendar days following the Base Rent Due Date.

4.7.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.7.3 All payments (and reports, if any) required by this SECTION 4.5 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in writing by Lessor to Lessee.

4.8 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the fourth calendar day following the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum (but not to exceed the maximum interest rate permissible by law), from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor

is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.9 Taxes. Lessee shall pay, prior to delinquency, any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax or assessment imposed during the Term against the Premises or as the result of Lessee's occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor. Lessee shall pay such taxes and assessments directly to the taxing authority charged with collecting such taxes and assessments, provided that in the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor and to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business, Lessee shall pay such amounts to Lessor in the manner set forth in Section 4.7. Such taxes to be paid directly to Lessor include, without limitation, payment of all rent taxes, i.e., taxes imposed specifically on the gross receipts in the form of rent received by Lessor.

4.10 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

5. RESERVED

6. AIRPORT OPERATING AGREEMENT

Lessee shall enter into an Operating Agreement with Lessor covering its cargo aircraft operations simultaneous with this Lease and prior to the commencement of any such operations. If any of Lessee's subtenants, subcontractors or agents have not entered into its own *Airport Operating Agreement* and is operating under Lessee's *Airport Operating Agreement*, Lessee shall be responsible for such subtenant's contractors or agents, compliance with Lessee's *Airport Operating Agreement*. Lessee shall be responsible for compliance by its subtenants, contractors and agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*.

7. IMPROVEMENTS

7.1 Reserved.

7.2 Reserved.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld or delayed and, if and to the extent applicable, without the approval by Lessor's Design Review Committee. Lessee shall provide Lessor with electronic As-built Drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all improvements and alterations on the Premises (but not personal property or trade fixtures) shall automatically vest in Lessor upon the expiration or termination of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's request therefor, a quitclaim deed or other instrument satisfactory to Lessor confirming that title to such improvements and alterations is vested in Lessor. This Section 7.4 shall survive the termination of this Lease.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first

submitting required plans and obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises, including any subsequent alterations and improvements thereto. In the event that all or any portion of Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of SECTION 7.6, using available insurance proceeds together with any additional funds from other available sources, or, alternatively, Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE

8.1 Lessee. Lessee shall, at its sole cost and expense, keep the Premises and all improvements therein in a neat and clean condition and in good order, condition, and repair throughout the Term. In doing so, Lessee shall prepare, maintain, and follow a preventative maintenance schedule for all mechanical, electrical, plumbing, drain, piping and air conditioning systems on the Premises, and, upon request, provide a copy of such schedule to Lessor and, if required by Lessor, a list of the dates on which such maintenance was actually done. Lessee's maintenance of the Premises shall include, without limitation, the inspection, servicing and repair of all systems and improvements, including the boilers, hangar doors & related systems, interior roof and structures, electrical, plumbing, heating and cooling, pavements, pest control, landscaping and grounds maintenance.

8.2 Lessor. Lessor shall, at its sole cost and expense, sustain and maintain the structural integrity of the Premises, including the exterior roof, structural walls, structural footings, beams, fire suppression system, and all utility connections where they enter the Premises throughout the Term.

8.3 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the satisfaction of Lessor. In lieu of such repair or replacement, where required by Lessor, Lessee shall pay to Lessor an amount sufficient to compensate for the loss sustained by Lessor.

8.4 Trash Removal. Lessee shall at all times keep the Premises in a neat, clean, safe, sanitary and orderly condition and shall keep such area free of all trash and debris. Lessee shall, at Lessee's expense, be responsible for all trash removal from the Premises. Such trash removal shall be performed on a not less than weekly basis, and all trash shall be disposed of off the Airport. Prior to its removal from the Airport, Lessee shall deposit all trash and debris only at collection stations located on the Premises, in accordance with City code.

8.5 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as they occur.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS

9.1 Any Transfer of Lease Interest Requires Lessor Advance Written Approval. In the event Lessee desires to transfer, assign, encumber, pledge or hypothecate any portion of its interest in this Lease or any right or interest hereunder (including, but not limited to as part of a mortgagor deed of trust or an assignment by means of a foreclosure or trustee's sale thereunder)(individually and collectively, "**Transfer**"), or sublet the Premises or any part thereof, Lessee must obtain the prior written consent of Lessor, with such consent not to be unreasonably withheld or rejected. In connection with Lessee's request for Lessor's approval of a Transfer, Lessee and or the proposed transferee shall provide to Lessor written financial assurances, including, but not limited to financial statements, business plans and other information related to the financial condition and plans of any proposed transferee. Notwithstanding a Transfer, unless released in writing by Lessor in its sole and absolute discretion Lessee shall remain liable at law and at equity, as well as financially liable, under the Lease, regardless of whether the assignee expressly assumes in writing all of Lessee's obligations

under this Lease or in the case of a sublease. Lessee understands and agrees to these terms and conditions regarding any proposed Transfer, and that any violation of this Section 9, may irreparably harm Lessor as the requirements set forth herein are directly related to Lessor's (and any Lessee's) legal and financial obligations to the Federal Aviation Administration. This Section 9 shall remain valid and enforceable even in the event of amendment to or repeal of FAA regulations, so long as this Section 9 does not directly conflict therewith.

9.2 Lessee's Required Advance Notice to Lessor of Proposed Transfer. In order for Lessor to consider approval of a Transfer, Lessee must: (i) notify Lessor in writing at least Forty-five (45) days prior to such proposed transfer; (ii) deliver to Lessor, at the time of Lessee's notice, current financial statements of Lessee and the proposed transferee (along with transferee's business plans) that are reasonably acceptable to Lessor; and (iii) the transferee assumes and agrees in writing to perform Lessee's obligations under this Lease. However, nothing herein shall be construed as Lessor providing its consent to any Transfer or relieving Lessee of any legal, financial or other obligation under the Lease, regardless of Lessor's acceptance or refusal to accept such proposed transfer of Lease.

9.3 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) if Lessee is a corporation, partnership, limited liability company or other legal entity, the transfer of any ownership interest in such entity resulting in a change in the present control of such entity by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee or Lessee's parent company is a corporation whose stock is traded on a nationally or internationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; or (ii) the sale of TWENTY-FIVE PERCENT (25%) or more in value of the assets of Lessee. For purposes of this Lease, "control" shall mean possessing the power to direct or cause the direction of the management and policies of the entity by the ownership of, a majority of, the voting securities of the entity.

9.4 Subletting.

9.4.1 Lessee may sublease all or portions of the Premises if the following conditions are met:

a. The sublease (including any amendments or modifications thereto) is substantially in the form attached hereto as **Exhibit E**, or in any other form that is approved in advance and in writing by Lessor (except for changes that do not materially impact Lessor's rights and interests).

b. Rent for subleased premises shall not be less than fair market value

c. The sublease(s) and sublessee(s) shall at all times be subject to the terms and conditions of this Lease.

d. The permitted and prohibited uses of the Premises under any sublease shall be the same as that permitted and prohibited under this Lease. Sublessees shall agree in the sublease not to engage in any prohibited use.

e. The term of any sublease shall not extend beyond the stated expiration of this Lease.

f. Except for the payment of a security deposit, the sublessee under such sublease shall not pay rent more than ONE (1) month in advance of its due date under the sublease.

9.4.2 Upon request from Lessee and any sublessee, Lessor shall enter into a Non-Disturbance and Attornment Agreement (in form and substance reasonably acceptable to Lessor, Lessee, sublessee and any applicable Leasehold Mortgagee (as defined in Section 22.2) so long as (i) the conditions of SECTION 9.4.1 have been met; (ii) the sublessee is not then in default beyond an applicable notice and cure period under the sublease and there is no existing Event of Default under this Lease; and (iii) the sublessee

does not have a history of five (5) or more documented events of noncompliance with the *Airport Rules and Regulations* or *Airport Minimum Standards*. All legal fees incurred by Lessor in connection with any reasonably necessary legal counsel review and approval of a Non-Disturbance and Attornment Agreement shall be reimbursed in advance by Lessee.

9.4.3 Lessee shall not permit any sublessee unescorted access to the secured areas of the Airport unless and until the sublessee has obtained its own valid Airport security clearance and media from Lessor. Lessee acknowledges that it may take THIRTY (30) calendar days or more to process sublessee for security clearance and media.

9.4.4 Lessee shall submit a copy of each fully executed sublease to Lessor as soon as possible, but no later than FIVE (5) business days after execution.

10. IDENTIFICATION SIGNS

Lessee may install on the building in which the Premises is located, a sign or signs identifying its business on the exterior of the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessor's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, or required by any other agreement between the Parties, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor of a written notice of such default; and further provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued, not to exceed ONE HUNDRED TWENTY (120) days.

11.1.3 The filing of any mechanic's, materialmen's or other lien of any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee without Lessor's advance written authorization, which Lessor may withhold in its sole and absolute discretion.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, but subject to the provisions of SECTIONS 9.2 and 23 herein, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, re-entry for condition broken, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and shall save Lessor harmless from all losses, costs or damages occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the amount of the Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount of SIX PERCENT [6%] per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus (b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other damages incurred by Lessor as a result of such Event of Default. In determining the amount of loss that could reasonably be provided, rents to be paid by subtenants pursuant to Section 9.4, if applicable, and other reasonably projected rental income from leasing the Premises shall be taken into account.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it is reasonably calculated to put Lessee on inquiry as to the nature and extent of such default and is made in accordance with SECTION 19 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in SECTION 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Other remedies that are available to Lessor include self-help and recovery of damages, and nothing in this SECTION 11 shall limit the exercise of any such other remedy.

11.9 Subordination of Landlord's Lien. Lessor hereby agrees from time to time to subordinate to one or more Leasehold Mortgagees all statutory or common law landlord's lien rights with respect to property

or assets of Lessee located on the Premises, including, without limitation, Lessor's rights under Arizona Revised Statutes Sections 33-361 and 33-362 and other similar laws. Upon written request from Lessee, Lessor agrees to promptly execute and deliver such commercially reasonable landlord subordination agreement and access agreement that any Leasehold Mortgagee may request of Lessor. Lessee shall reimburse Lessor for reasonable third-party costs, including reasonable attorneys' fees, incurred by Lessor in connection with the review and negotiation of any such agreement within THIRTY (30) days after receipt of an invoice from Lessor.

12. RESERVED

13. INDEMNIFICATION AND CONSEQUENTIAL LOSS EXCLUSION

To the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term; (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Premises or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor; and/or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

Neither party shall be liable to the other for any indirect or consequential loss, damage, costs or expenses of any nature whatsoever incurred or suffered by the other party; or for any loss of actual or anticipated profits, loss of revenue, loss of goodwill and/or business, loss of savings or any other pure economic loss whether direct or indirect. For the avoidance of doubt the foregoing shall not apply to the Lessor's loss of rental income under this Lease.

14. ENVIRONMENTAL PROTECTION

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this SECTION 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws.* The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Solid Waste Disposal Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; A.R.S. Title 49; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient (including indoor and outdoor) air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material.* The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Laws, per- and polyfluoroalkyl substances, and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons

derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils). For purposes of this definition, per- and polyfluoroalkyl substances shall include aqueous film-forming foams

14.2 Environmental Compliance.

14.2.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter enacted Environmental Laws, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.2.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Laws. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Laws.

14.3 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment, the presence of Hazardous Material on the Premises, Airport or neighboring properties, or violation of any Environmental Laws or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this SECTION 14.3 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This SECTION 14.3 explicitly excludes Lessee's duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is caused by or exacerbated by Lessee or unknown contamination is caused by or exacerbated by Lessee's negligence.

14.4 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Laws, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions

would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this SECTION 14.4, Lessor is not responsible for directing or managing any remediation action. The term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This SECTION 14.4 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee.

14.5 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any Release of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.6 Information Sharing.

Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a violation of Environmental Laws, and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon.

14.7 Sublease. Lessee shall insert provisions substantially identical to the provisions of this SECTION 14 in any sublease agreement or contract by which it grants a right or privilege to any person, firm, corporation or other entity under this Lease.

14.8 Actions of Lessee. The activities or actions of Lessee under this SECTION 14 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.9 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.10 Reserved.

14.11 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to

the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.12 Right to Enter Premises. In addition to the rights afforded to Lessor in SECTION 18, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency ("**EPA**"), ADEQ, Lessor, and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.13 U.S. Air Force Use and Remedial Action.

14.13.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this SECTION 14.13, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release.

14.13.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.14 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any

inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.15 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or Lessor equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Safety Coordinator within THIRTY (30) calendar days of receipt of a CofO from the City. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.16 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor.

14.17 Surface Disturbances. After construction of Lessee's Improvements on the Premises as provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

15. PROTECTION OF WETLANDS

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the United States Army Corps of Engineers and obtain a permit or waivers under Section 404 of the Clean Water Act(or if such regulatory authority has been delegated to ADEQ, shall obtain the equivalent permit or waivers from ADEQ). For purposes of this SECTION 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. INSURANCE

16.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

16.1.1 *Aircraft Liability* ($5,000,000 per occurrence) insurance covering third party bodily injury and property damage, as well as passenger and contractual liabilities for claims arising in connection with aircraft movements by charter aircraft operators from whom DSV has procured freight capacity ("Chartered Aircraft Operators") on the Airport, and including third party liabilities arising from War Risk perils. This insurance may be procured and maintained directly by Lessee or by Lessee's subcontracted groundhandler.

16.1.2 *Airport Premises Liability* ($5,000,000 per occurrence) insurance covering third party bodily injury and property damage occurring on the Premises or arising out of Lessee's use of and activities at the Airport, and including coverage for "premises/operations," "products and completed operations," "professional," "host liquor" and "blanket contractual liabilities."

16.1.3 *Commercial Automobile Liability* ($5,000,000 per occurrence) insurance covering all owned, non-owned and hire vehicles operated by Lessee on the Airport that are assigned to or used in the performance of commercial activities, or that are operated within the AOA. If any hazardous materials are transported within Airport boundaries in conjunction with the operator's business activities, an MSC-90 Endorsement is required.

16.1.4 *Environmental Impairment Liability* ($2,000,000 per occurrence) insurance covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, piping, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained on the Airport by Lessee, and including expenses for defense, release mitigation and off- and on-site remediation.

16.1.5 *Property* (full value of essential personal property and improvements, if any, on an all risks, replacement cost basis) insurance covering all essential personal property of Lessee (property essential to Lessee's continued business operations) and all operator improvements made by Lessee to buildings or facilities on the Airport, including all replacements and/or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires an ISO Special Causes of Loss form.

16.1.6 *Hangar Keeper's Liability* ($3,000,000 per occurrence) covering aircraft and related damage to owned and non-owned aircraft stored by or otherwise in the care, custody or exclusive control of the operator at the Airport. Coverage may be "ground" (if no test flying or other related airborne/aircraft-powered operations are conducted) or "air" and is required anytime aircraft are moved by the operator, irrespective of whether or not a physical hangar is involved.

16.1.7 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000.00 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

16.2 Form. Each insurance policy obtained pursuant to this SECTION, except for *Worker's Compensation* and *Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

16.3 Certificates of Insurance. Lessee shall deliver a certificate of insurance for each policy required along with an endorsement naming Phoenix-Mesa Gateway Airport Authority as additional insured, herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the term of this Lease.

16.4 Additional Insurance. At any time during the term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this SECTION 16 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

16.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

16.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this SECTION. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

17. SURRENDER OF POSSESSION

17.1 Condition of Property.

17.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall be deemed abandoned, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

17.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required by Lessor, be permanently removed from the Premises by Lessee, at Lessee's expense, within FIVE (5) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

17.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee.

18. INSPECTION BY LESSOR

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor may enter immediately and shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

19. NOTICES

19.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses or at such address as either Party may advise the other from time to time:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority

Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: DSV Air & Sea Inc.
Attn.: Jesper Joergensen, VP Finance
Tina Larsen, Director of Project Management
200 Wood Avenue S., Suite 300
Iselin, New Jersey 08830
Phone: (732) 850-8000
With a copy to Email: Tina.Larsen@us.dsv.com

19.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service.

20. SEVERABILITY

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

21. APPROVALS, CONSENTS AND NOTICES

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

22. RESERVED

23. GOVERNING LAW; ATTORNEY'S FEES

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

24. COMPLIANCE WITH LAWS, RULES AND REGULATIONS

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **EXHIBIT D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Premises and at the Airport. Lessee also shall display to Lessor any permits, licenses, or other evidence of compliance with laws upon request.

25. CORPORATE AUTHORIZATION

In executing this Agreement, Lessee represents and warrants to Lessor that if Lessee is a corporation, Lessee has obtained and been granted the full right, power and authority to enter into this Lease.

26. UTILITY LINES AND SERVICE CHARGES

26.1.1 Connections and Services. Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection

with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

26.1.2 Payment. Lessee shall pay for all utilities, including trash collection, used in its operations at the Airport and the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

26.1.3 Continued Use and Repair. Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises and the right to repair the same, when necessary, in Lessor's sole discretion, including but not limited to, any utility easements on the Premises. Lessor shall conduct such repairs in such a manner and at such times as to not unreasonably interfere with Lessee's activities thereon.

27. RESERVATIONS TO LESSOR

The Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to unreasonably interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises. All work shall be in compliance with all applicable laws, including Environmental Laws, and the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Laws of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to, at a minimum, the same conditions applicable to Lessor under this Section 27, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

28. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS

28.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

28.2 Lessee agrees that: (a) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (b) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (c) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

28.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

28.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

28.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

28.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation, or maintenance of the Airport.

28.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

28.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

28.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

28.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

28.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

28.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

28.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

28.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

29. TITLE VI

29.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

29.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

29.2.1 Compliance with Regulations. Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

29.2.2 Non-discrimination. Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

29.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

29.2.4 Information and Reports. Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to the sponsor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

29.2.5 Sanctions for Noncompliance. In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or
(b) cancelling, terminating, or suspending the Lease, in whole or in part.

29.2.6. Incorporation of Provisions. Lessee will include the provisions subsections 29.2.1 through 29.2.6 in every subcontract, including procurements of materials and leases of equipment, unless

exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

29.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (a) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (b) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (c) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

29.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation

regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

29.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

30. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

31. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

32. INCORPORATION OF QUITCLAIM DEED

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government (the "**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

32.1 That this Lease is subject to all terms and conditions of the Deed; and

32.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

33. REQUIRED PROVISIONS OF QUITCLAIM DEED

33.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

33.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

33.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

33.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

33.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

34. AIRPORT SECURITY

34.1 Airport Security Plan.

34.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

34.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

34.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

34.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

34.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

34.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

34.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

34.2 Airport Security Badge.

34.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, Lessee's employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

34.2.2 Lessee and Lessee's employees and contractors shall comply with all security related audits, inspections, and screenings conducted by Lessor's Operations Department.

34.2.3 Lessee will promptly return badges to Lessor's badging office when badge holders' employment is terminated, the badge is no longer needed, or the employee/contractor is on extended leave.

34.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining of badge holders, and/or suspension or revocation of one or all misused badges.

35. DEFAULT BY LESSOR

In the event of any alleged breach by Lessor of its covenants contained in this Lease, Lessee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Lease; provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder.

36. BROKERS

Per Lessor's Commercial Real Estate Brokers and Agents Commission Policy (Resolution # 15-04), Lessor shall pay a commission of SIXTY-FIVE THOUSAND, EIGHT HUNDRED SIXTY-FIVE 59/100 DOLLARS ($65,865.59) to the brokerage of Lee & Associates (acting through Brian Payne) within thirty (30) calendar days following the Rent Commencement Date (as defined in Section 4.3 herein). The Parties acknowledge that Lee & Associates (acting through Brian Payne), is the exclusive representing broker for Lessee and there are no other acting brokers as part of this Lease. Lessor shall send the commission payment to:

Lee & Associates Arizona
3200 East Camelback Road, Suite 100
Phoenix, Arizona 85018

37. SALE BY LESSOR

Lessee agrees to look solely to Lessor's interest in the Premises for the recovery of any judgment from Lessor, it being agreed that neither Lessor nor the holders of the equity interests of Lessor, nor the members,

partners, officers, directors, or shareholders of Lessor shall be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

38. ESTOPPEL CERTIFICATE

Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request of Lessor to do so, certify, by written instrument duly executed and acknowledged by Lessee and certified to Lessor and to any prospective lender or purchaser: (a) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (b) as to the existence of any default hereunder to the best of Lessee's knowledge; (c) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (d) as to whether the Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (e) as to any other matters as may be reasonably requested. Lessor and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

39. UNAVOIDABLE DELAY

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under SECTION 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

40. MISCELLANEOUS

40.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

40.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

40.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

40.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

40.5 Litigation Expenses. In the event of litigation between Lessor and Lessee in connection with this Lease, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

40.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

40.7 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters. Notwithstanding the foregoing, this Lease shall be read and interpreted in conjunction with the Operating Agreement.

41. INCORPORATION OF RECITALS

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

Phoenix-Mesa Gateway Airport Authority

AIRPORT OPERATING AGREEMENT

This Operating Agreement (the "Agreement") is executed to be effective the FIRST (1st) day of MARCH 2023 (the "Effective Date") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized under the laws of the State of Arizona ("PMGAA"), and **DSV AIR & SEA, INC.**, a Delaware corporation ("DSV"). PMGAA and DSV may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (the "Airport"); and

WHEREAS, PMGAA has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Agreement in respect thereof; and

WHEREAS, DSV arranges charter aircraft flights with charter aircraft operators from whom DSV has procured freight capacity ("Chartered Aircraft Operators") and provides, with respect to DSV Operations as defined in Section 1.1 below and desires to use the Airport facilities for such operations including, but not limited to: towing and maneuvering such chartered aircraft on Airport runways, taxiways, ramps and aprons; and

WHEREAS, simultaneous with this Agreement DSV is entering into a facility lease ("Lease") of certain real property at the Airport located at 6203 South Sossaman Road, Mesa, Arizona 85212, and described as Hangar 31, consisting of approximately TWENTY-TWO THOUSAND, SEVEN HUNDRED AND EIGHTY FIVE (22,785) square feet and 6211 South Sossaman Road, Mesa, Arizona 85212 and described as Building 1362 consisting of approximately SEVEN HUNDRED NINETY-ONE (791) square feet, situated on Lot 35B, consisting of approximately SEVENTY-EIGHT THOUSAND, FIVE HUNDRED TWENTY-FOUR (78,524) square feet (collectively, "RS1"), and existing airside apron consisting of approximately FORTY-THREE THOUSAND, TWO HUNDRED (43,200) square feet (individually, "RS2"). Collectively, RS1 and RS2 shall be referred to herein as the "**Premises**;" and

WHEREAS, DSV desires to obtain certain rights, services and privileges in connection with the use of the Airport and its facilities, and PMGAA is willing to grant the same to DSV upon the terms and conditions hereinafter stated; and

WHEREAS, the Parties agree to enter into this Agreement, specifying the rights and obligations of the Parties with respect to the operation of the Airport by PMGAA and the use and/or occupancy of the Airport by DSV;

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein set forth, the Parties hereby agree as follows:

1. PERMITTED ACTIVITIES AND CONDITIONS OF AIRPORT USE.

1.1 DSV shall have the right to use, in common with others, the taxiways, ramps, and aprons for the purpose of conducting its cargo operations, to perform cargo offload, re-load, and distribution, groundhandling services, and other activities related to the foregoing ("DSV Operations"), provided, however, such activities and services are performed in strict accordance with applicable PMGAA Airport Minimum Standards, Airport Rules and Regulations, the DSV Operating Procedures (as set forth in **Exhibit C** herein), and upon the terms and conditions as herein provided.

1.2 DSV shall not engage in any other commercial or revenue producing activity at the Airport without first applying for and receiving approval for such activity from PMGAA. In the event any other commercial or revenue producing activity is engaged in by DSV prior to obtaining such approval, without waiver or limitation of any other remedies available to PMGAA at law or equity, DSV hereby agrees to remit to PMGAA the sum equal to TEN PERCENT (10%) of gross billings for such unauthorized activity, plus any expenses incurred by PMGAA in the course of any audit conducted for all of DSV's activities.

1.3 In connection with the DSV Operations, DSV's Chartered Aircraft Operators shall have the right to use, in common with others, the taxiways, runways, and air navigational aids of the Airport for the purposes of the DSV Operations provided, however, such activities and services are performed in strict accordance with applicable PMGAA Airport Minimum Standards, Airport Rules & Regulations, and DSV Operating Procedures (as set forth in **Exhibit C** herein). DSV shall arrange flights in and out of the Airport only with Chartered Aircraft Operators that maintain the insurance coverage described in Section 4.6, below. DSV shall provide certificates of insurance evidencing such coverage for regularly scheduled flights on an annual basis. For *ad hoc* flights, DSV shall provide such certificates of insurance on a flight-by-flight basis.

2. TERM.

2.1 This Agreement shall commence at 12:01 A.M. on the Effective Date and terminate at 11:59 P.M. THIRTY-NINE (39) months thereafter on MAY 31ST, 2026 (the "Term"), subject to options to extend the Term as herein provided. This Agreement may be renewed by mutual consent of the Parties for up to TWO (2) additional THREE (3) year terms (each, individually, an "Extension"), under the terms and conditions stated herein. DSV must notify PMGAA in writing of its desire to exercise an Extension to this Agreement by requesting such not less than SIXTY (60) days prior to expiration of the then current term or extended term. If DSV has properly notified PMGAA of its desire to exercise the Extension and PMGAA approves such in writing, then DSV's Extension of the Term of this Agreement shall become effective and all references herein to the "Term" shall mean the initial term as extended.

2.2 Notwithstanding anything contrary contained herein, should DSV's Lease be terminated for any reason, DSV shall have the right (but not the obligation) to terminate this Agreement in its entirety.

3. FEES AND CHARGES.

3.1 DSV shall pay PMGAA fees and charges as outlined below:

3.1.1 *Landing Fees*. DSV shall pay a landing fee, at a rate equal to the amount reflected on the most current Airport Rates & Charges Schedule and Airport Services, Fees, and Rental Rates Schedule at the time of the aircraft operation, for each flight arranged by DSV that is subject to a landing fee. The weight used to determine the landing fee for any particular aircraft shall be its maximum certificated gross landing weight (MGLW), as certified by the Federal Aviation Administration. The amount to be paid to PMGAA by DSV monthly for each preceding calendar month of aircraft landings shall be reported, due and payable to PMGAA no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which the aircraft landings took place.

3.1.2 *Aircraft Ramp Space and Services*. DSV shall pay PMGAA monthly for any overnight aircraft ramp parking not within the Premises, aircraft line services, out-of-station Aircraft Rescue and Firefighting (ARFF) services, operations safety officers, use of PMGAA's ground service equipment, fuel spill

response teams, and use of any other space not provided for in the Lease or service requirements of DSV provided by PMGAA as specified in the Airport Rates & Charges Schedule or, if not so specified in that Schedule, as determined by PMGAA. DSV shall remit all payments due PMGAA within THIRTY (30) days of DSV's receipt of PMGAA's invoice therefor.

3.2 With regard to the fees and charges specified in SECTION 3.1 above, the following conditions and considerations shall apply:

3.2.1 *Airport Rates & Charges Schedule*. The Airport Rates & Charges Schedule referred to in this Agreement may be revised from time to time. DSV shall pay the most current fee(s) at the time of the event or service, as applicable, unless specifically outlined in this Agreement. The current Airport Rates & Charges Schedule is attached as **Exhibit A** and is subject to change without prior notice or approval of DSV.

3.2.2 *Finance Charges and Late Fees*. If DSV fails to pay any charge due and owing to PMGAA in full on or before the applicable due date, DSV shall be responsible for interest on the unpaid fee or charge at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any payment is received more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent amount shall be due and payable in addition thereto.

3.2.3 *Reporting*. DSV shall file with PMGAA written reports for the items specified below no later than the TENTH (10th) day of the calendar month following the month in which the specified activities occurred. Such reports shall cover all of DSV's Airport activities during said month, and include activity handled by DSV for other Air Transportation Companies not having an agreement with PMGAA providing for its own submission of activity data to PMGAA.

A. A complete listing of all of DSV's Chartered Aircraft Operators' actual aircraft landings at the Airport, including aircraft type and MGLW; and a listing, by destinations, of the number of flights that qualify under applicable waiver agreements for any landing fee waivers;

b. A complete listing, by date and flight number, of DSV's commercial cargo including tonnage, loaded and off loaded.

c. PMGAA shall have the right to rely on said activity reports in determining rentals and other charges due hereunder; provided, however, DSV shall have full responsibility for the accuracy of said reports. Payment deficiencies due to incomplete or inaccurate activity reports shall be subject to interest charges as set forth in SECTION 3.2.2 herein.

3.3 *Books and Records*. DSV shall at all times maintain and keep books, ledgers, accounts or other records wherein are accurately kept all entries reflecting the activity statistics to be reported pursuant to SECTION 3. Such records shall be retained by DSV for a period of THREE (3) years subsequent to the activities reported therein, or such other retention period as set forth in 14 CFR Part 249.7, and made available at Mesa, Arizona for audit and/or examination by PMGAA or its duly authorized representative during all normal business hours. Any such audit or examination shall be subject to restrictions based on compliance with TSA regulations and programs applicable to DSV, based on DSV's Customs Trade Partnership Against Terrorism obligations, and based on DSV's reasonable safety guidelines, and shall not include access to (i) personnel records; (ii) attorney-client or work product privileged materials; (iii) tax records; and (v) non-publicly available financial statements. DSV shall produce such books and records (in electronic format or as otherwise mutually agreed) at Mesa, Arizona within THIRTY (30) calendar days of PMGAA's written notice to do so or pay all reasonable expenses, including but not limited to, transportation, food, lodging and other related expenses, necessary for an auditor selected by PMGAA to audit said books and records.

3.3.1 The cost of audit, with the exception of the aforementioned expenses, shall be borne by PMGAA; provided, however, the total cost of said audit shall be borne by DSV up to a maximum cap of $10,000.00 if either or both of the following conditions exist:

3.3.1.1 The audit reveals an under-reporting or underpayment of more than TWO PERCENT (2%) of rentals, fees and charges due hereunder, as determined by said audit; and/or

3.3.1.2 DSV has failed to maintain materially true and complete books, records, accounts and supportive source documents in accordance with SECTION 3.

4. INSURANCE.

4.1 General. So long as the requirements below are met, these requirements may be satisfied by one or more of the same policies procured and maintained in connection with the Premises under the Lease. DSV shall procure and maintain the following types and amounts of insurance for its operations at the Airport throughout the Term of this Agreement and any Extension thereto:

4.1.1 *Aircraft Liability* insurance covering third party bodily injury and property damage, and passenger and contractual liabilities arising in connection with movement of aircraft operated by DSV Chartered Aircraft Operators' on the Airport in amounts as are customarily carried by a carrier of like kind and size, but in no event less than $100,000,000.00 per occurrence. Such insurance shall also insure against third party liabilities arising from War Risk perils.

4.1.2 *Airport Premises Liability* insurance covering third party bodily injury and property damage occurring on the Leased Property or arising out of DSV's use of and activities at the Airport, including coverage for "premises/operations," "products and completed operations," "host liquor" and "blanket contractual" liabilities in an amount not less than $5,000,000.00 per occurrence.

4.1.3 *Commercial Automobile Liability* insurance ($5,000,000.00 combined single limit) covering all owned, non-owned and hire vehicles operated by DSV on the Airport that are assigned to or used in the performance of commercial activities, or that are operated within the Air Operations Area. If any hazardous materials are transported within Airport boundaries in conjunction with the operator's business activities, an MSC-90 Endorsement is required.

4.1.4 *Environmental Impairment Liability* insurance ($1,000,000.00 per occurrence, $2,000,000.00 aggregate) covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, piping, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained on the Airport by DSV, and including expenses for defense, release mitigation and off- and on-site remediation.

4.1.5 *Workers' Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000.00.

4.2 Form. Each insurance policy obtained pursuant to this SECTION, except for Worker's Compensation and Employer's Liability policies, shall: (i) name PMGAA as an additional named insured; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to PMGAA not less than THIRTY (30) days before such cancellation or modification takes effect (TEN [10] days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of PMGAA. DSV shall not permit any insurance policy to be canceled or modified without PMGAA's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A - VII or higher from the A.M. Best Company, or an equivalent rating and approved by PMGAA.

4.3 Additional Insurance. At any time during the Term of this Agreement, including any Extension thereto, PMGAA may, if in its reasonable determination the insurance coverage required by this SECTION 4 is no longer adequate, require DSV to increase its coverage to commercially reasonable amounts.

4.4 Blanket Insurance. DSV's insurance obligations under this Agreement may be satisfied by means of the general corporate "blanket" policies carried by it and evidenced by the insurance carrier's standard certificates thereof.

4.5 Use of Proceeds. Proceeds of any liability and property damage insurance required under this SECTION 4 shall be applied toward extinguishing, satisfying or remedying the liability, loss or damage with respect to which such proceeds may be paid.

4.6 Chartered Aircraft Operator Insurance. All Charter Aircraft Operators whose flights are arranged by DSV shall maintain Aircraft Liability insurance covering third party bodily injury and property damage, and passenger and contractual liabilities arising in connection with movement of aircraft on the Airport in amounts as described in Section 4.1.1 (exclusive of the requirement for coverage against third party liabilities arising from War Risk perils).

5. INDEMNITY.

5.1 To the fullest extent permitted by law, DSV hereby agrees to defend, indemnify and hold harmless PMGAA and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "PMGAA" for purposes of this SECTION 5) for, from and against any and all claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever ("Claims") brought by a third party and which arise out of or in connection with (i) any accident, injury or damages occurring at or on the Airport as a result of DSV activities, (ii) any negligent act or omission of DSV or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "DSV" for purposes of this SECTION 5) in connection with DSV's operations hereunder and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property, or (iii) the failure of DSV to comply with any provisions of this Agreement. This indemnification shall exclude responsibility for any claims to the extent arising by reason of the negligent or wrongful act of PMGAA or its employees, contractors or agents. For purposes of this Agreement, DSV's Chartered Aircraft Operators shall not be considered "contractors" or "subcontractors" of DSV.

5.2 To the fullest extent permitted by law, DSV hereby further agrees to defend, indemnify and hold harmless PMGAA for all Claims (including those brought by a third party) which arise out of or in connection with any accident, injury or damages occurring at or on the Airport to the extent caused or contributed to by the act or omission of DSV or DSV's Chartered Aircraft Operators in connection with DSV's Operations hereunder and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property. This indemnity obligation shall exclude responsibility for any claims to the extent arising by reason of the negligent or wrongful act of PMGAA. The parties agree that DSV's aggregate liability under this Section 5.2 shall be limited to the amount of the coverage limits described under Section 4.1.1 ($100,000,000).In addition to the foregoing, DSV agrees to pursue Claims under this Section against Chartered Aircraft Operators and their insurers.

6. DISABLED OR ABANDONED AIRCRAFT.

6.1 Removal of Disabled Aircraft. Should any aircraft owned or operated by DSV's Chartered Aircraft Operators, through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, DSV shall:

6.1.1 Immediately remove said aircraft to the Premises or such location as may be designated by PMGAA, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

6.1.2 In the event of any accident where federal investigation in place is required, immediately upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by PMGAA.

6.2 Failure to Remove Disabled Aircraft. Should DSV fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by DSV's Chartered Aircraft Operators be abandoned on the Airport, PMGAA shall have the right to remove such aircraft by any means PMGAA deems necessary under the circumstances, and DSV shall, to the fullest extent permitted by law, indemnify, defend, keep and hold PMGAA, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by PMGAA or claimed by anyone by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. DSV shall reimburse PMGAA for any costs incurred by PMGAA in removing and storing any aircraft, any property damage to the airport caused by such aircraft or removal within TEN (10) days of demand therefor.

7. MAINTENANCE.

7.1 Compliance. DSV shall, at DSV's sole cost and expense, ensure strict adherence to the provisions of PMGAA's Airport Minimum Standards, as they now exist or may be subsequently revised at PMGAA's sole discretion, and as provided herein in performing authorized maintenance on its aircraft on the Airport.

7.2 Sound and Noise Suppression. DSV shall comply fully with PMGAA rules and requirements when performing high-speed engine test operations at the Airport, if any, to mitigate excessive ambient sound and/or noise that may be generated incident thereto and that have or may have an adverse effect on other Airport tenant operations and the surrounding community. DSV acknowledges and agrees that said rules and requirements for such test operations may change from time to time at PMGAA's sole and absolute discretion. DSV also agrees that any costs associated with compliance with PMGAA's rules and requirements for sound or noise suppression or mitigation shall be borne solely by DSV.

8. ENVIRONMENTAL COMPLIANCE.

DSV shall at all times during the existence of this Agreement promptly observe and comply with applicable Federal, State, and local laws, regulations, rules and standards concerning the environment (collectively, the "Environmental Laws"). DSV shall be responsible for collecting, storing, recycling and/or disposing of its hazardous or toxic waste, if any, in compliance with the Environmental Laws governing the storage and disposal of hazardous or toxic waste. DSV shall ensure its employees and agents are aware that domestic drains, storm drains, or industrial waste drains shall not be used to dispose of gasoline, hydraulic fluid, solvents, concentrated cleaning agents or any other hazardous or toxic materials. Where so required, PMGAA may act on behalf of DSV, as and if appropriate, to dispose of DSV's waste, sign manifests on behalf of DSV and assign such disposal to DSV's EPA identification (ID) number. DSV shall repay PMGAA the costs and fees for doing so within TEN (10) days of demand therefor. DSV shall, to the fullest extent permitted by law, indemnify, defend and hold PMGAA, its members, board of directors, officers, agents, officials, employees, and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense including, but not limited to, the costs of suit and reasonable attorneys' fees and expenses of any nature whatsoever arising out of or related to DSV's failure to comply with the Environmental Laws.

9. TAXES AND RELATED IMPOSITIONS.

In the event any governmental authority shall impose a tax or imposition based upon this Agreement, upon DSV or its Charter Aircraft Operators' aircraft, or upon payments to be made hereunder, DSV shall pay such amounts either to PMGAA or the appropriate governmental authority on or before any delinquency date. Specifically, DSV shall be responsible for any transaction privilege, sales, excise or other similar tax except income taxes as a result of this Agreement. DSV shall also pay all licensing or permitting fees necessary or required by law for the conduct of its operations hereunder, or any other matters hereunder. DSV shall be responsible for any property interests created hereunder, which may constitute or be deemed to be a possessory interest for purposes of taxation.

10. AIRPORT RULES AND REGULATIONS, AND AIRPORT MINIMUM STANDARDS.

10.1 DSV shall at all times comply with all federal, State and local laws and ordinances, rules and regulations, which are applicable to its operations, or the operation, management, maintenance, or administration of the Airport, including but not limited to the Americans with Disabilities Act, and all laws, ordinances, rules and regulations adopted after the Effective Date. DSV shall at all times comply with all rules and regulations, and minimum standards established by PMGAA regarding operation and maintenance of the Airport, copies of which are attached as **Exhibit B** and are incorporated herein. DSV will be responsible for controlling and preventing disruptive pedestrian and vehicle traffic, if any, associated with its activities on the Airport. DSV also shall display or provide copies to PMGAA of any permits, licenses, or other evidence of compliance with laws upon request.

10.2 PMGAA shall operate the Airport in compliance with all applicable Federal state and local laws, ordinances, rules and regulations, and shall enforce the Airport Rules and Regulations established by it to ensure the effective and orderly operation of the Airport, and to prevent any disruption caused by DSV's operations at and on the Airport.

10.3 DSV acknowledges receipt of PMGAA's *Fly Friendly* noise abatement procedures and will provide such information to flight crews and/or students, post the information in DSV's flight planning area, and use the procedures to the extent possible when consistent with safety and air traffic control directives.

11. DEFAULT: TERMINATION.

11.1 General Grounds. This Agreement may be terminated upon the occurrence of any of the following events:

11.1.1 Failure of DSV to perform any of its obligations under this Agreement, which failure shall not be cured within THIRTY (30) business days after delivery by PMGAA to DSV of a written notice of such failure.

11.1.2 The filing of any lien against the Airport because of any act or omission of DSV which is not discharged within THIRTY (30) business days of receipt of actual notice of such lien by DSV.

11.2 Failure to Pay Fees. PMGAA may declare DSV in default of this Agreement by giving DSV FIFTEEN (15) business days written notice of DSV's failure to timely pay any undisputed fees or payments due pursuant to this Agreement. If DSV fails to cure such payment default within said FIFTEEN (15) business day period, PMGAA may, in its sole discretion, elect to do any one or more than one of the following:

11.2.1 Institute action(s) to enforce this Agreement; or

11.2.2 Terminate this Agreement automatically without further notice to DSV; or

11.2.3 Exercise any other remedy allowed by law or equity.

11.3 Failure to Provide Insurance. In the event DSV at any time fails to maintain all insurance coverage required by this Agreement, PMGAA shall have the right, upon written notice to DSV, immediately terminate this Agreement or secure the required insurance at DSV's expense.

11.4 No Waiver by PMGAA. No waiver by PMGAA of any default by DSV in the performance of its obligations under section 11.3 of this Agreement shall be deemed to be a waiver of any subsequent default by DSV in the performance of any such obligations.

11.5 Operational Restriction. In the event that either party deems aircraft operation unsafe at the Airport, this agreement may be terminated by either Party by delivering THIRTY (30) days' written notice to the other Party of the notifying Party's intent to do so.

12. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Agreement. Venue of any action brought under this Agreement shall, at the option of PMGAA, lie in Maricopa County, Arizona. In the event of any litigation or arbitration between PMGAA and DSV arising under this Agreement, the successful party shall be entitled to recover its attorney's fees, expert witness fees and other costs incurred in connection with such litigation or arbitration.

13. NONWAIVER.

Any election by either party to not enforce any provision of this Agreement, or any failure by such party to exercise any of the remedies allowed it under this Agreement, shall not operate as a waiver by such party of any of its right hereunder.

14. ASSIGNMENT.

Neither party shall assign or transfer any right or interest in this Agreement except with the written consent of the other party, not to be unreasonably withheld.

15. OTHER RESTRICTIONS.

DSV shall comply with all rules, laws, ordinances, and statues of any governmental authority having jurisdiction over the Airport or the matters provided in this Agreement.

16. AIRPORT SECURITY.

PMGAA maintains an approved Airport Security Plan (the "Security Plan") pursuant to 49 CFR Parts 1540 and 1542. DSV shall at all times comply with the Security Plan and the written and verbal directives issued by PMGAA supporting the Security Plan.

16.1 DSV shall immediately correct physical or procedural deficiencies which are contrary to the Security Plan, security directives, security bulletins, or verbal notifications existing now or in the future. DSV is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards of the Security Plan.

16.2 DSV shall, to the fullest extent permitted by law, indemnify, defend, and hold PMGAA harmless for, from, and against any violations of the Security Plan committed by any agents, employees, invitees, subcontractors, or independent contractors of DSV.

16.3 DSV shall conduct and document all self-audits and self-inspections as required by the TSA or PMGAA and make such audits available for inspection.

16.4 DSV shall designate a primary security coordinator to receive security -related briefings, bulletins, and sensitive security information ("SSI").

16.5 PMGAA reserves the right to modify the Security Plan from time-to-time, as necessary, or as directed by the TSA.

17. AIRPORT SECURITY BADGE

17.1 DSV employees/contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by PMGAA, TSA, or other entities having jurisdiction at PMGAA.

17.2 DSV and employees/contractors shall comply with all security-related audits, inspection, and screenings conducted by PMGAA.

17.3 DSV will immediately notify PMGAA and promptly return badges to the Airport Badging Office when badge holders terminate employment, the badge is no longer needed, or the employee/contractor is on extended leave.

17.4 Misuse of a badge or security procedures will bring about punitive action including suspension or revocation of one or all badges.

18. NOTICE.

18.1 All notices required or permitted under this Agreement shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO PMGAA:	Phoenix-Mesa Gateway Airport Authority Attn.: Business Development Department 5835 S. Sossaman Road Mesa, Arizona 85212-0614
TO DSV:	DSV Air & Sea Inc. Attn.: Tina Larsen, Director of Project Management 200 Wood Avenue S., Suite 300 Iselin, New Jersey 08830 Telephone: (732) 850-8000 With a copy to email: tina.larsen@us.dsv.com

18.2 Notices shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this SECTION.

19. PRIOR AGREEMENTS AND PERMITS.

Upon execution hereof, this Agreement shall supersede and cancel any prior agreements between PMGAA and DSV with respect to the business activities governed hereby. DSV shall not construe PMGAA's execution of this Agreement as a waiver of any prior indebtedness or obligation to PMGAA under any prior agreement or license, nor does PMGAA waive any claim or cause of action arising therefrom. This Agreement shall be read and interpreted in conjunction with the Lease.

20. CORPORATE AUTHORIZATION.

In executing this Agreement, DSV represents and warrants to PMGAA that if DSV is a corporation, DSV has obtained and been granted the full right, power and authority to enter into this Agreement.

21. MISCELLANEOUS.

21.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Agreement because of any breach thereof or because of its execution or attempted execution.

21.2 No Waiver. No provision of this Agreement may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

21.3 Non-Waiver of Rights. No waiver or default by PMGAA of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by DSV shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by DSV, and PMGAA shall not be restricted from later enforcing any of the terms and conditions of this Agreement.

21.4 Amendment. Only a written instrument executed by the Parties may amend this Agreement.

21.5 Invalid Provisions. Should any provision of this Agreement or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

21.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Agreement or any term thereof.

21.7 Entire Agreement. This Agreement, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

21.8 General Civil Rights Provisions. In all its activities within the scope of its airport program, DSV agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

21.9 Transfers. If DSV transfers its obligation to another, the transferee is obligated in the same manner as the contractor.

22. INCORPORATION OF RECITALS.

The recitals set forth above are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

23. CONSEQUENTIAL LOSS EXCLUSION

23.1 Neither party shall be liable to the other for any loss of actual or anticipated profits, loss of revenue, loss of goodwill and/or business or contract, loss of savings, reputational harm, lost opportunity or market share, loss of use, business interruption, loss of data, fines, penalties or liquidated damages, costs of replacement goods or services or any other pure economic loss whether direct or indirect and whether incurred or suffered by a party or by a third party.

24. TITLE VI

24.1 List of Pertinent Nondiscrimination Acts & Authorities. During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

24.2 Compliance with Nondiscrimination Requirements. During the performance of this Agreement, DSV, for itself, its assignees, and successors in interest, agrees as follows:

24.2.1 **Compliance with Regulations:** DSV (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.

24.2.2 **Nondiscrimination:** DSV, with regard to the work performed by it during the Agreement, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. DSV will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and

Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

24.2.3 **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by DSV for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by DSV of DSV's obligations under this Agreement and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

24.2.4 **Information and Reports:** DSV will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of DSV is in the exclusive possession of another who fails or refuses to furnish the information, DSV will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

24.2.5 **Sanctions for Noncompliance:** In the event of DSV's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to DSV under the Agreement until DSV complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

24.2.6 **Incorporation of Provisions:** DSV will include the provisions of paragraphs 24.2.1 through 24.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. DSV will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if DSV becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, DSV may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, DSV may request the United States to enter into the litigation to protect the interests of the United States.

24.3 Construction, Use, or Access to Real Property. The following clauses will be included in deeds, licenses, permits, or similar instruments/agreements entered into by DSV pursuant to the provisions of the Airport Improvement Program grant assurances.

- DSV and its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, lessee, permittee, etc.) will use the premises in compliance with all other requirements imposed by or pursuant to the List of discrimination Acts And Authorities.
- With respect to (licenses, leases, permits, etc.), in the event of breach of any of the above Non-discrimination covenants, PMGAA will have the right to terminate this Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said Agreement had never been made or issued.

- With respect to deeds, in the event of breach of any of the above Non-discrimination covenants, PMGAA will there upon revert to and vest in and become the absolute property of PMGAA and its assigns.

IN WITNESS WHEREOF, the Parties have executed this Agreement to be effective on the Effective Date specified above.

Board Action Item

Re: Resolution 23-07

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: USDA-FS CSA Southwest 4, Lease Agreement – Alpha Apron
Date: February 21, 2023

Proposed Motion

To authorize a lease agreement with USDA-FS CSA Southwest 4 for the exclusive use of 286,500 SF of Airport-owned apron. The lease term commences on February 21, 2023 and terminates on September 30, 2023.

Narrative

The U.S. Forrest Service ("USFS") base at the Airport initiates training activity in February in anticipation of the fire season. To accommodate the increase in aircraft and personnel USFS has requested to lease 286,500 SF of apron space adjacent to their facility located at 6335 S. Downwind Circle.

Agreement Term and Rate

The term of this lease agreement commences on February 21, 2023 and terminates on September 30, 2023.

The Base Rent is $20,055 per month or $145,757 for the term of the agreement.

Attachment(s)

Lease Agreement

RESOLUTION NO. 23-07

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a lease agreement with USDA-FS CSA Southwest 4 for the exclusive use of 286,500 SF of Airport-owned apron. The lease term commences on February 21, 2023 and terminates on September 30, 2023;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a lease agreement with USDA-FS CSA Southwest 4 for the exclusive use of 286,500 SF of Airport-owned apron. The lease term commences on February 21, 2023 and terminates on September 30, 2023. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 21st day of February, 2023.

Brigette Peterson, Chair

Statement of work

Mesa/Gateway Airtanker Base Expansion Alpha Apron

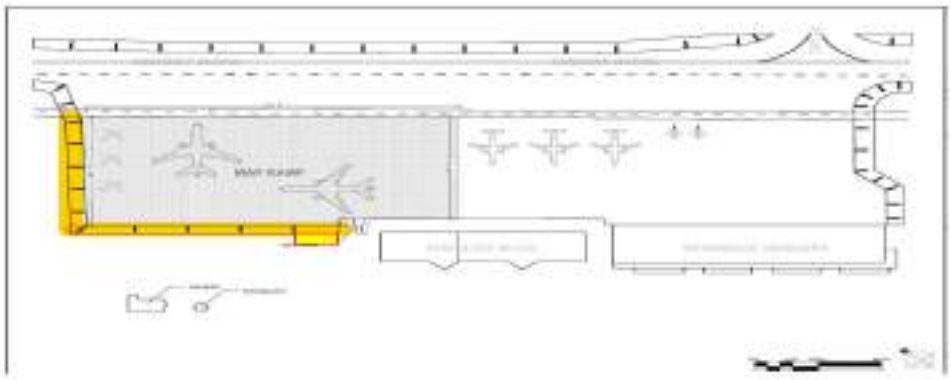
Executive Summary

For several years the Tonto National Forest has been investigating potential locations and options to expand the Airtanker base (ATB) capabilities and usability. The Phoenix Interagency Fire Center (PIFC), which consists of Mesa Gateway Airtanker Base and Phoenix Interagency Dispatch and, conducts operations utilizing facilities located at the Phoenix-Mesa Gateway Airport (IWA). Since 2000, IWA has served Central Arizona as an airtanker base. In 2010, a new facility was constructed and is being utilized by the Forest Service as a Dispatch, Airtanker Base and Mobilization center. The lease on the facilities used by the Forest Service is set to expire end of FY23.

Project Description

IWA is rapidly expanding around Mesa-Gateway ATB under the Sky-Bridge Project. This expansion is beginning to impact operations at the ATB. This Impact is expected to increase in the coming years as the project continues construction. Adjacent to the ATB is Alpha Apron. The FS had an agreement to lease the land in FY22 and seeks to do the same in FY23 until a long term lease can be secured in FY24. The lease will need to begin 2/14/23 and end 9/30/23.

INTENT: Provide additional parking space for aircraft on Alpha Apron.



- The cost for a one-year lease of Alpha Apron is $240,660 without any improvements based on prices from the airport in FY22. The estimated cost to lease lot 52 is $.84 per square foot annually on 286,500 square feet. This equates to $.07 per day per square foot.

DEFINITIONS

ORDINARY WEAR AND TEAR: Ordinary wear and tear is based on the customary use of the land/facilities, and not the use resulting from the Agency.

CONTRACT ADMINISTRATION

PAYMENT

All Payment Requests must be submitted via the Invoice Processing Platform (IPP) at www.ipp.gov.
The Phoenix-Mesa Gateway Airport Authority must use the IPP website to register access and use IPP for submitting requests for payment.
The Contractor's Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of Boston (FRBB) within 3 – 5 business days of award or the system implementation date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email ippgroup@bos.frb.org or phone (866) 973-3131. All payment related questions and processing shall be directed towards Phoenix-Mesa Gateway Airport Authority

INVOICE

To constitute a proper invoice, the payment request must comply with the requirements identified in FAR clause 52.212-4 Contract Terms and Conditions – Commercial Items. The IPP website address is: https://www.ipp.gov.
Under this contract, the following documents are required to be submitted as an attachment to the IPP Invoice:

- Each invoice shall be submitted on the Vendor/Owners letterhead or Invoice Form with the following:
- Invoice date and Agreement Number.
- Billing period specified with beginning and ending dates. The beginning date must not be later than the completion date or within any previous billing dates.
- An accounting (bulleted list, for example) of charges claimed and amounts due.
- Total amount due for the billing period.

SPECIAL CONTRACT REQUIREMENTS

INSURANCE/ INDEMINIFCATION

The United States Federal Government is self-insured and does not have the authority to indemnify and hold harmless the Phoenix-Mesa Gateway Airport Authority, from all claims, liabilities, losses, damages, charges, etc. The Phoenix-Mesa Gateway Airport Authority does not have the authority to indemnify and hold harmless the United States Federal Government from all claims, liabilities, losses, damages, charges etc. The Phoenix-Mesa Gateway Airport Authority will be responsible for errors, omissions and negligence of its employees. The United States Federal Government will be responsible for errors, omissions, and negligence of its employees to the extent provided by Congress under the Federal Tort Claims Act [28 U.S.C. 1346(b), 2401(b), 2671-2680, as amended by P.L. 89-506, 80-Stat. 306].

LOSS, DAMAGE OR DESTRUCTION

The Government will assume liability for the loss, damage, or destruction of facilities furnished under this Agreement, provided that no reimbursement will be made for loss, damage, or destruction when due to (1) ordinary wear and tear, or (2) the fault or negligence of the owner, the owner's agent(s) or any loss, damage, or destruction occurring by means of a contractor or contracted resource.

DESIGNATION OF CONTRACTING OFFICER REPRESENTATIVE (COR)

The Contracting Officer designates the Contracting Officer's Representative (COR). The COR is responsible for administering the performance of work under this contract. In no event, however, will any understanding, agreement, modification, change order, or other matter deviating from the terms of this contract be effective or binding upon the Government unless formalized by proper contractual documents executed by the Contracting Officer prior to completion of the contract.

The Contracting Officer must be informed as soon as possible of any actions or inactions by the Contractor using the FS-6300-20/21 Daily Diary, ICS 213 General Message or comparable.

CONTRACT TERMS & CONDITIONS

FAR 52.252-2 Clauses Incorporated by Reference (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of the clauses may be accessed electronically at these addresses: www.acquisition.gov/far

__ (61) 52.239-1, Privacy or Security Safeguards (Aug 1996) (5 U.S.C. 552a). IT Contracts

__ (62) 52.242-5, Payments to Small Business Subcontractors (Jan 2017) (15 U.S.C. 637(d)(13)). If 52.219-9 is included (sm. bus subcontracting plan)

__ (63) (I) 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels (Nov 2021) (46 U.S.C. Appx. 55305 and 10 U.S.C. 2631).

__ (ii) Alternate I (Apr 2003) of 52.247-64.

__ (iii) Alternate II(May 2022) of 52.247-64.

(c) The Contractor shall comply with the FAR clauses in this paragraph (c), applicable to commercial services, that the Contracting Officer has indicated as being incorporated in this contract by reference to implement provisions of law or Executive orders applicable to acquisitions of commercial products and commercial services:

[*Contracting Officer Check as appropriate.*]

__ (1) 52.222-41, Service Contract Labor Standards (Aug 2018) (41 U.S.C. chapter 67). Basically, all services except those under 52.222-51 or -53

__ (2) 52.222-42, Statement of Equivalent Rates for Federal Hires (May 2014) (29 U.S.C. 206 and 41 U.S.C. chapter 67). Basically, all services except those under 52.222-51 or -53 (the paragraph and table below go with this clause)

In compliance with the Service Contract Labor Standards statute and the regulations of the Secretary of Labor (29 CFR Part 4), this clause identifies the classes of service employees expected to be employed under

contract and states the wages and fringe benefits payable to each if they were employed by the contracting agency subject to the provisions of 5 U.S.C.5341 or 5 332.

__ (3) 52.222-43, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment (Multiple Year and Option Contracts) (Aug 2018) (29 U.S.C. 206 and 41 U.S.C. chapter 67). If multiple-year contract or option years

__ (4) 52.222-44, Fair Labor Standards Act and Service Contract Labor Standards-Price Adjustment (May 2014) (29 U.S.C. 206 and 41 U.S.C. chapter 67). Service over SAT, not multiple year/options

__ (5) 52.222-51, Exemption from Application of the Service Contract Labor Standards to

Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Requirements (May 2014) (41 U.S.C. chapter 67).

__ (6) 52.222-53, Exemption from Application of the Service Contract Labor Standards to Contracts for Certain Services-Requirements (MAY 2014) (41 U.S.C. chapter 67).

__ (7) 52.222-55, Minimum Wages Under Executive Order 13658 (Nov 2020). If 52.222-41 is included

__ (8) 52.222-62, Paid Sick Leave Under Executive Order 13706 (JAN 2017) (E.O. 13706). Always if there's a wage determination

__ (9) 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations (Jun 2020) (42 U.S.C. 1792).
Over $25K for provision, service, sale of food

(d) *Comptroller General Examination of Record*. The Contractor shall comply with the provisions of this paragraph(d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR 2.101, on the date of award of this contract, and does not contain the clause at 52.215-2, Audit and Records-Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e) (1) Notwithstanding the requirements of the clauses in paragraphs(a), (b), (c), and(d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph(e)(1) in a subcontract for commercial products or commercial services. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause-

(i) 52.203-13, Contractor Code of Business Ethics and Conduct (NOV 2021) (41 U.S.C. 3509).

(ii)52.203-19 Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements (Jan 2017) (section 743 of Division E, Title VII, of the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. 113-235) and its successor provisions in subsequent appropriations acts (and as extended in continuing resolutions)).

(iii) 52.204-23, Prohibition on Contracting for Hardware, Software, and Services Developed or Provided by Kaspersky Lab and Other Covered Entities (NOV 2021) (Section

1634 of Pub. L. 115-91).

(iv) 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment. (Nov 2021) (Section 889(a)(1)(A) of Pub. L. 115-232).

(v) 52.219-8, Utilization of Small Business Concerns (Oct 2018) (15 U.S.C.637(d)(2) and(3)), in all subcontracts that offer further subcontracting opportunities. If the subcontract (except subcontracts to small business concerns) exceeds the applicable threshold specified in FAR 19.702(a) on the date of subcontract award, the subcontractor must include 52.219-8 in lower tier subcontracts that offer subcontracting opportunities.

(vi) 52.222-21, Prohibition of Segregated Facilities (Apr 2015).

(vii) 52.222-26, Equal Opportunity (Sep 2015) (E.O.11246).

(viii) 52.222-35, Equal Opportunity for Veterans (Jun 2020) (38 U.S.C.4212).

(ix) 52.222-36, Equal Opportunity for Workers with Disabilities (Jun 2020) (29 U.S.C.793).

(x) 52.222-37, Employment Reports on Veterans (Jun 2020) (38 U.S.C.4212).

(xi) 52.222-40, Notification of Employee Rights Under the National Labor Relations Act (Dec 2010) (E.O. 13496). Flow down required in accordance with paragraph (f) of FAR clause 52.222-40.

(xii) 52.222-41, Service Contract Labor Standards (Aug 2018) (41 U.S.C.

chapter 67). (xiii)

(A) 52.222-50, Combating Trafficking in Persons (Nov 2021) (22 U.S.C. chapter 78 and E.O 13627).

(B) Alternate I (Mar 2015) of 52.222-50 (22 U.S.C. chapter 78 and E.O 13627).

(xiv) 52.222-51, Exemption from Application of the Service Contract Labor Standards to Contracts for Maintenance, Calibration, or Repair of Certain Equipment-Requirements (May 2014) (41 U.S.C. chapter 67).

(xv) 52.222-53, Exemption from Application of the Service Contract Labor Standards to Contracts for Certain Services-Requirements (May 2014) (41 U.S.C. chapter 67).

(xvi) 52.222-54, Employment Eligibility Verification (Nov 2021) (E.O. 12989).

(xvii) 52.222-55, Minimum Wages Under Executive Order 13658 (Nov 2020).

(xviii) 52.222-62, Paid Sick Leave Under Executive Order 13706 (Jan 2017)

(E.O. 13706). (xix)

(A) 52.224-3, Privacy Training (Jan 2017) (5 U.S.C. 552a).

(B) Alternate I (Jan 2017) of 52.224-3.

(xx) 52.225-26, Contractors Performing Private Security Functions Outside the United States (Oct 2016) (Section 862, as amended, of the National Defense Authorization Act for Fiscal Year 2008; 10 U.S.C. 2302 Note).

(xxi) 52.226-6 Promoting Excess Food Donation to Nonprofit Organizations (Jun 2020) (42 U.S.C. 1792) Flow down required in accordance with paragraph (e) of FAR clause 52.226-6.

(xxii) 52.247-64, Preference for Privately Owned U.S.-Flag Commercial Vessels (Nov

2021) (46 U.S.C. Appx. 55305 and 10 U.S.C.2631). Flow down required in accordance with paragraph (d) of FAR clause 52.247- 64.

(2) While not required, the Contractor may include in its subcontracts for commercial products and commercial services a minimal number of additional clauses necessary to satisfy its contractual obligations.

(End of clause)

Management Information Report

To: **Board of Directors**
From: **Chuck Odom, Chief Financial Officer**
Through: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Re: Solicitation Notification
Date: **February 21, 2023**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Proposals	2023-013-RFP	Fire Pumps	February 2023
Request for Qualifications	2023-016-RFQ	Structural Special Inspection & Fire Proofing Special Inspection Services	February 2023
Request for Proposals	2023-017-RFP	Preconditioned Air Units & Ground Power Units	March 2023
Request for Proposals	2023-019-RFP	Remote Transmitter and Receiver (RTR) Relocation	April 2023
Request for Proposals	2023-023-RFP	Auditor Services	April 2023
Request for Proposals	2023-018-RFP	Insurance Broker Services – Health & Welfare Benefits	May 2023

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-006-RFP	Car Rental Concessions	March 2023	September 2023
Request for Proposals	2023-020-RFP	ATM Services	April 2023	June 2023
Request for Proposals	2023-021-RFP	Vending Services	April 2023	June 2023
Invitation for Bid	2023-022-IFB	RW 12R-30L Reconstruction & TW 'H' Demolition & TW 'B2' Construction	April 2023	June 2023

Equipment Disposals
Fiscal year totals from sales of decommissioned / nonworking equipment total $12,115.00.

If you have any questions about the solicitations or the procurement process, please feel free to contract me at 480-988-7613.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, March 21, 2023 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Presentation: Gateway Tomorrow Introductory Overview** – Tony Bianchi, Planning Project Manager

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **February 21, 2023**.

   b) **Resolution No. 23-08 –** Authorizing the purchase of four (4) Aircraft Ground Power Units (GPU) and four (4) Preconditioned Air Units (PCAU) from **ITW GSE, Inc. (ITW)** in an amount not to exceed $617,852 under CIP 1240. The amount proposed includes an extended warranty.

   c) **Resolution No. 23-09 –** Authorizing an Amendment of the FY23 Capital Budget to provide $438,891 in funding for the Transportation Security Administration (TSA) In-Line Checked Baggage System Design under CIP 1265 subject to receipt of a **TSA Other Transaction Agreement (OTA) Grant**.

   d) **Resolution No. 23-10 –** Authorizing an Agreement with **Studdiford Technical Solutions, LLC (Studdiford)** for Professional Engineering Services, for the In-Line Checked Baggage System Design, in an amount not to exceed $438,891 under CIP 1265 subject to receipt of a TSA OTA grant.

   e) **Resolution No. 23-11 –** Authorizing a contract with **CliftonLarsonAllen, LLP** for auditor services in an amount not to exceed $218,225 for a period of five (5) years which includes (2) one year renewal options.

f) **Resolution No. 23-12 –** Authorizing Amendment 1 of the Development Lease Agreement with **SKYPLUS HOTELS, CORP**, an Arizona Corporation.

g) **Resolution No. 23-13 –** Authorizing the procurement of server equipment from **Dell Marketing, L.P. (Dell)** in an amount not to exceed $53,795.

Consideration and Approval of:

8. **Resolution No. 23-14** Adopting the proposed **Operating Budget, Capital Budget, Debt Service Budget**, and **Member Government Contributions** for the fiscal year ending June 30, 2024**.**

9. **Board Member Comments/Announcements**

10. **Next Meeting: Tuesday, April 18, 2023 at 9:00 a.m.**

11. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- PMGAA Welcomes Queen Creek Mayor Julia Wheatley to Board of Directors
- Gateway Executive Airpark/Virgin Galactic Making Progress
- PMGAA Welcomes 100+ Executive Jets During Phoenix Open/Super Bowl LVII
- SkyBridge Arizona Breaks Ground on 250,000 Sq. Ft. Industrial Building
- Gateway Tomorrow Terminal Planning Initiative Gets Underway
- DSV Air & Sea, a Global Transport and Logistics Leader, Starts Gateway Airport Operation

Executive Director's Report

March 2023

Financial Snapshot

OPERATING INCOME	January		Month Variance	FYTD Comparison		FYTD Variance
	2022	2023		FY22	FY23	
Revenues	$2,224,549	$2,681,245	**$456,696**	$14,059,596	$16,763,206	**$2,703,610**
Less Expenses	$1,854,751	$2,118,600	**$263,849**	$12,567,305	$14,698,263	**$2,130,958**
Operating Income *(Before Depreciation)*	**$369,798**	**$562,645**	**$192,847**	**$1,492,291**	**$2,064,943**	**$572,652**

Investment Fund Balances: As of January 2023, the Local Governmental Investment Pool (LGIP) 700 = $12,083,545; Wells Fargo; Collateralized Money Market = $12,328,301 and Brokered CD's = $38,052,694; Total $62,464,540.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $562,645 for January 2023, an increase of $192,847 compared to January 2022. Consistent with other months during the first half of fiscal year 2023 (FY23), aeronautical and non-aeronautical revenues were driven by record-setting commercial passenger activity levels increasing fuel sales, parking revenue, rental car fees, and concession revenue. Monthly concession sales reflect not only an increase in total sales, but also an increase in concession revenue per enplaned passenger. New food & beverage concessions Macayo's Mexican Food and Infusion Coffee and Tea Crafters are proving popular with air travelers.

Operating expenditures for January 2023 increased by 14%, reflecting inflationary pressures on the price of aviation fuel, personnel costs, contractual services, facility and infrastructure repairs and maintenance.

Fiscal year-to-date 2023 (FYTD23) total operating revenues have improved by 19% and operating expenditures have increased by 17%. Total operating expenditures are 2% under the FY23 PMGAA Board-approved operating budget.

The PMGAA Board will be asked to consider and approve an FY24 Operating and Capital Budget of $128,388,095 at their March meeting.

PMGAA Solicitations

Active/Pending Solicitations

Airport Operations

DSV Air & Sea, a Global Transport and Logistics Leader, Starts Gateway Airport Operation

DSV Air & Sea, a global transport and logistics leader, has signed a lease for a 22,000 sq. ft. hangar at Gateway Airport and plans to provide air shipping services for the semiconductor industry, electric car manufacturers, mining operations, alternative energy companies, and others.

The international company is planning a "test shipment" for March 9th to familiarize company employees and contractors with the Airport's airfield and ensure the large Boeing 747 aircraft can operate safely on Gateway Airport's taxiways and ramp area.

Engineering and Planning

PMGAA Completes Two Taxiway Connectors for Gulfstream Project

Completed Taxiway Connectors for Gulfstream Project

As construction work continues on Gulfstream Aerospace Corporation's new 225,000 sq. ft. West Coast Service Center, PMGAA has recently completed construction of two connections from Gulfstream's expansive ramp in front of their facility to the south end of Taxiway Charlie. The two separate taxiway connections will allow for the efficient flow of aircraft and expedited access for Gulfstream's customers. PMGAA and Gulfstream are splitting the approximately $8MM total project cost.

Gateway Executive Airpark/Virgin Galactic Making Progress

Gateway Executive Airport is a private development project located at the north end of Gateway Airport's airfield between the Cessna and Embraer Service Centers. The three-hangar complex was designed for single and multiple-tenant uses.

In 2022, Virgin Galactic leased two of the three hangars to establish an Arizona manufacturing facility for their spacecraft. The plan is to manufacture up to six spacecraft each year and deliver them to New Mexico for eventual launch into space.

Virgin Galactic Completes Site Work Prior to Vertical Construction

Business Development

SkyBridge Arizona Breaks Ground on 250,000 Sq. Ft. Industrial Building

Officials Break Ground on SkyBridge Building

Lots of activity and more great news coming from SkyBridge Arizona! In late February, SkyBridge representatives, PMGAA Board members, other elected officials, and an assortment of VIP's were on-hand to participate in a groundbreaking ceremony for the first of two 250,000 sq. ft. industrial buildings being constructed in 2023. SkyBridge also currently has a 129-room hotel under construction and plans to start approximately $40MM in horizontal infrastructure later this fall.

Community Noise Report

CALLERS	January		FYTD

Total	14	11	86	85

LOCATION	January		FYTD	
	2022	2023	FY22	FY23
Mesa	5	5	26	40
Gilbert	7	5	49	33
Gold Canyon	0	1	1	2
Queen Creek	2	0	6	6
Queen Valley	0	0	2	1
San Tan Valley	0	0	0	0
Apache Junction	0	0	1	3
Fountain Hills	0	0	1	0
TOTAL	14	11	86	85

PMGAA received communication from 11 individuals regarding aircraft noise issues during the month of January 2023, compared to the 14 PMGAA received last January. The relatively low number of noise calls during the winter months is due to cooler weather keeping windows closed at night and in the morning when Airport activity is fairly robust. The Airport is expecting a very busy winter/spring travel season.

PMGAA Team Member Spotlight

Employee Name: **Tobbie McMillan**
Employee Title: **Facilities Maintenance Manager**
PMGAA Department: **Engineering and Facilities**
Years with PMGAA: **4+**

What are your job responsibilities for PMGAA? I manage the maintenance and repair of the buildings and HVAC equipment on airport property. I oversee tenant improvement projects and work closely with other PMGAA teams on capital improvement projects.

What is your most memorable Gateway Airport moment? When I first got hired, I worked with Mitch and Ron for a couple days pulling wire next to a runway and the military was doing training with the Harriers. They would land and take off multiple times. Before the first one took off, I wasn't paying attention because I was pulling wire, but I noticed the wire was stuck and I look up in Mitch's direction to see if he was still pushing the wire. He was walking away from the runway toward the truck with his hands over his ears. Just then the Harrier took off right next to me. The sound and feeling were unexplainable, I laughed like a little kid. It was memorable.

What is something people may not know about you? When I was 14, I worked 2 jobs - One at a local newspaper in Lamar Co. boxing newspapers off the press. The 2nd was on one of the largest pig farms in the Midwest. One of my jobs was catching young pigs and getting their mom to chase me as I threw them inside a hut that looked like a large doghouse then sliding a door shut behind her. We had to do this to keep them safe at night from coyotes. Ask me sometime and I will share the best way to catch a small pig.

PMGAA Welcomes 100+ Executive Jets During Phoenix Open/Super Bowl LVII

Crowded Ramp at Gateway Airport During Super Bowl

Airports across greater Phoenix experienced increased traffic as hundreds of thousands of people from across the globe flooded the Valley to attend the Phoenix Open and/or Super Bowl LVII.

The hard-working and dedicated aviation professionals in PMGAA's Gateway Aviation Services Department and other PMGAA volunteers provided a "first-class" red carpet experience for each of the more than 100 executive jets landing at Gateway Airport during the week. Celebrities, foreign dignitaries, corporate icons, and golf/football enthusiasts chose the Airport for convenience, easy access, and exceptional customer service during their stay. The Airport was proud to receive reservations from several repeat customers who remembered their positive airport experience from when the Super Bowl was last played in Phoenix in 2015. Way to go PMGAA team, thank you all for your extra efforts!

PMGAA pumped more than 1.4MM gallons of aviation fuel during the month of January 2023, a 19% decrease compared to the over 1.7MM gallons dispensed during January 2022. Commercial Jet A fuel was down 18% during the month, a strong reminder of the on-going financial and operational impacts the national pilot shortage is having on airports across the country.

FUEL (Gallons)	January			FYTD		
	2022	2023	% Change	FY22	FY23	% Change

Community and Government Relations

Gateway Tomorrow Terminal Planning Initiative Gets Underway

PMGAA has launched a new east side terminal planning initiative called **Gateway Tomorrow**. This inclusive, long-range exercise will consider, refocus, and build upon past terminal planning efforts using recent data and updated information about the region, the Airport, the aviation industry, and current global economic conditions. The goal of **Gateway Tomorrow** is to reset and refine our shared vision for a future commercial passenger terminal campus, identify the most important elements to be included in Phase I, develop general cost estimates, and explore possible funding sources/creative funding mechanisms.

The **Gateway Tomorrow** Study Advisory Committee (SAC) includes members from Mesa, Gilbert, Queen Creek, Apache Junction, the Gila River Indian Community, and Phoenix. The SAC also includes representatives from Allegiant, the Federal Aviation Administration, PHX East Valley Partnership, and other stakeholders.

Gateway Tomorrow Study Advisory Committee	
Organization	**Representative**
City of Mesa	Lori Collins, Deputy Economic Development Director
Town of Gilbert	Kyle Mieras, Development Services Director
City of Phoenix	Jay DeWitt, Assistant Aviation Director/Chief Development Officer
Town of Queen Creek	Marissa Garnett, Economic Development Manager
City of Apache Junction	Rudy Esquivias, Development Services Director
Gila River Indian Community	Hon. Monica Antone, Lt. Governor Elizabeth Antone, GM, Wild Horse Pass Development Authority
Allegiant Air	Michael Graci, Manager Airport Affairs/Corporate Real Estate
Federal Aviation Administration	Kyler Erhard, Lead Program Manager
PHX East Valley Partnership	John Lewis, President
PMGAA	Shea Joachim, Director of Business Development
PMGAA	Margi EvanSon, Director of Operations, Security, and Maintenance
Representatives of the Phoenix-Mesa Gateway Airport Authority Board of Directors, Gateway Senior Staff, and Member Communities may participate in an advisory and oversight role. Other Phoenix-Mesa Gateway Airport Authority staff members, as well as representatives from terminal concessions, ground transportation, TSA, LEO, and ARFF may also be called upon to participate on an ad hoc basis.	

PMGAA Welcomes Queen Creek Mayor Julia Wheatley to the Board of Directors

Queen Creek has a new representative on the PMGAA Board of Directors. Julia Wheatley was elected Queen Creek's Mayor in August 2022. She previously served as Town Council Member, first elected in 2010 and re-elected in 2014 and 2018. In addition to the PMGAA Board of Directors, Mayor Wheatley also represents Queen Creek on the Maricopa Association of Governments Regional Council and Transportation Policy Committees and the Greater Phoenix Economic Council Mayors and Supervisors Council.

Mayor Wheatley holds a Bachelor of Science in Legal Studies with a minor in Criminal Justice. She is an Arizona native, and she and her husband Benjamin have four children and own a mortgage and real estate company. Welcome Mayor Wheatley!

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | February 21, 2023

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, February 21, 2023, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix*
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community *(via audioconference)*
Mayor Julia Wheatley, Queen Creek
Mayor John Giles, Mesa*
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $1,502,698.
   - Record setting passenger activity in December 2022! (199,287 total passengers)
   - Record setting total commercial passengers for 2022! (1,890,684 total passengers)
   - The Authority's ongoing Airline Recruitment Program is designed to attract additional air service and new airlines to the Airport. In February PMGAA met with representatives from Sun Country Airlines, Avelo Airlines, Alaska Airlines, United Airlines and Breeze Airways at the annual Mead & Hunt Air Service Conference.
   - Super Bowl LVII and the WM Phoenix Open brought more than 125 private executive jets to Phoenix-Mesa Gateway Airport earlier in February. The Gateway Aviation Services Team created and executed a very successful plan to provide efficient operations and great customer service for all the customers.
   - Gulfstream Aerospace has established a base at the Airport and is leasing over 100,00 sq. ft. of hangar space while their new 225,000 sq. ft. West Coast Service Center is being constructed.
   - Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Virgin galactic intends to use the hangars as a final assembly

DRAFT

manufacturing facility for its spaceships. One challenge they've overcome is the inadequate facility height of Hangar B. In order to be able to use this hangar to house the "mothership", they've taken down all of the steel structure and added 20' to the sides of the building. Substantial completion of these hangars is expected by the end of 2023/beginning of 2024.

- SkyBridge Arizona is holding a groundbreaking event for the first of two 250,000 sq. ft. industrial buildings. The event will be held on February 21st at 10:00AM for elected officials and other invited guests. These two large buildings are being built to accommodate both single and multiple tenants.
- Gateway***East*** is a 300-acre, mixed use, non-aeronautical development opportunity located on the east side of the Airport. The Boyer Company is working with the city of Mesa and the Authority on the Master Plan and the permits for Phase I of the project (100 acres).
- The City of Mesa is working to construct roadway and utility infrastructure to allow for both the Gulfstream development and the first 100 acres of Gateway***East***'s development.
- Erik Amend, Acting FAA Regional Administrator, visited the Airport on February 9th for a tour and discussion about federal funding and air traffic control tower staffing.
- Gateway Tomorrow is a year-long planning initiative that will help develop an updated vision for a demand-driven commercial passenger terminal campus on the east side of the Airport.
- Construction of the underground utilities for the Airport's new 30,000 sq. ft. five-gate terminal addition is underway. Gone is the 10,000 sq. ft. portable four-gate facility that was rolled in for use in 2008. During construction a 6,000+ sq. ft. temporary terminal facility has been erected to serve as a hold room for three-gates. Once the terminal addition is complete, the temporary sprung structure facility will be disassembled and reassembled elsewhere on the Airport, possibly for reuse as a U.S. Customs and Border Protection Federal Inspection Services (FIS) Facility.
- Gateway Airport is continuing its expansion of the Alpha Apron. Phase IV is an additional 250,000 sq. ft. of concrete to increase parking for larger and heavier aircraft. Alpha Apron Phase III was completed last year. Phase IV expansion will be complete in April 2023.
- Center Runway Reconstruction began October 3, 2022 and is anticipated to be complete in April 2023. The runway is closed while the reconstruction takes place. The Airport has two other 10,000-foot runways and will maintain normal operations during the entire project. Funding for this project utilizes a combination of FAA entitlement, discretionary, and Bipartisan Infrastructure Law (BIL) grants.
- PMGAA is completing construction of two taxiway connectors from Gulfstream's ramp to Taxiway Charlie. This project will provide for the efficient flow of aircraft to and from Gulfstream's new facility.
- The Authority has purchased three new 50,000-gallon Jet-A fuel storage tanks that will be delivered in August. This additional fuel storage capacity will provide the Airport with approximately seven days of on-Airport fuel storage.

Mayor Wheatley thanked Executive Director O'Neill for the thorough report, congratulated the Authority on the record-breaking passenger activity, and is looking forward to celebrating 2,000,000 annual passengers in the near future.

6. Fiscal Year 2024 Budget Presentation – Chuck Odom, Chief Financial Officer

- Mr. Odom provided a presentation on PMGAA's proposed FY24 Operating and Capital Budget for the Board's review. The Board will be asked to consider the budget for approval at the March 21, 2023, PMGAA Board meeting.

Mayor Peterson thanked CFO Odom for the comprehensive report and thanked the Authority for being fiscally responsible.

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **December 20, 2022**.

   b) **Resolution No. 23-01 –** Authorizing annual changes to the **Airport Rules and Regulations**.

   c) **Resolution No. 23-02 –** Authorizing the purchase and installation of four (4) 1500GPM and one (1) 2500GPM Fire Pump Skids and four (4) three-hundred-gallon Fuel Tanks from **Cross Fire Protection LLC (Cross Fire)** in an amount not to exceed $499,921.59 under CIP1238.

   d) **Resolution No. 23-03 –** Authorizing a contract with **Crosspoint Testing and Inspection Services, LLC (Crosspoint)** to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project and future projects, on a per task basis, utilizing an Authorization of Services, under CIP1201.

   e) **Resolution No. 23-04 –** Approving an Authorization of Services (AOS) with **Crosspoint Testing and Inspection Services, LLC (Crosspoint)** to provide Structural Special Inspection and Fire Proofing Special Inspection Services for the Terminal Modernization project in an amount not to exceed $114,150 under CIP1201.

Mayor Chip Wilson moved to approve the Consent Agenda.
Mayor Julia Wheatley seconded the motion.
The motion was carried unanimously.

Consideration and Approval of:

8. **Resolution No. 23-05** Authorizing a facility lease agreement with **Allegiant Air, LLC** for the property located at 6250 S. Taxiway Circle, Mesa AZ 85212. The lease term is five years commencing on March 1, 2023.

   Michael Graci, Allegiant's Airport Affairs Manager, reported on the airline's plans for the 62,000 sq, ft. hangar. Allegiant will use the hangar for ongoing line maintenance activities and future Maintenance, Repair, and Overhaul (MRO) services.

Mayor Julia Wheatley moved to approve Resolution No. 23-05.
Mayor John Giles seconded the motion.
The motion was carried unanimously.

9. **Resolution No. 23-06** Authorizing a Facility Lease and Airport Operating Agreement with **DSV Air & Sea Inc.** for the properties located at 6203 and 6211 S. Sossaman Road, Mesa, AZ 85212 with an Effective Date of March 1, 2023. The Term for both agreements is thirty-nine months, terminating on May 31, 2026, with two (2), three (3) year options to renew.

   Tina Larsen, DSV Air & Sea Director, reported on their plans for importing and eventually exporting air cargo through Phoenix-Mesa Gateway Airport.

Mayor Chip Wilson moved to approve Resolution No. 23-06.
Mayor Julia Wheatley seconded the motion.
The motion was carried unanimously.

10. **Resolution No. 23-07** Authorizing a lease agreement with **USDA-FS CSA Southwest 4** for the exclusive use of 286,500 SF of Airport-owned apron. The lease term commences on February 21, 2023 and terminates on September 30, 2023.

Mayor Julia Wheatley moved to approve Resolution No. 23-07.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

11. **Board Member Comments/Announcements.**
Mayor Peterson welcomed newly elected Queen Creek Mayor Julia Wheatley to the Board of Directors. SkyBridge Arizona is holding a groundbreaking event at 10 a.m. today at 7733 E Velocity Way in Mesa. This is for the construction of one of two 250,000 sq. ft. industrial buildings.

12. **Next Meeting: Tuesday, March 21, 2023** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by audioconference.

13. **Adjournment.**
The meeting adjourned at 9:56 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 23-08

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Aircraft Ground Power Units and Pre-Conditioned Air Units – CIP 1240**
Date:	**March 21, 2023**

Proposed Motion
To authorize the purchase of four (4) Aircraft Ground Power Units (GPU) and four (4) Preconditioned Air Units (PCAU) from ITW GSE, Inc. (ITW) in an amount not-to-exceed $617,852 under CIP 1240. The amount proposed includes an extended warranty.

Narrative
As part of the Terminal Modernization project, four (4) new Aircraft Ground Power Units (GPU) and Preconditioned Air Units (PCAU) are required for the new passenger gates being constructed.

The Request for Proposal (RFP), Solicitation 2023-017-RFP was issued on January 4, 2023, and advertised in the Arizona Business Gazette on 1/5, 1/12, 1/19, and 1/26/23. The Notice of RFP was also posted on the AzAA, ACC, ACI-NA, SWAAAE and the FAA Matchmaker Websites, as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFP was emailed to a list of six prospective firms. Airport staff received four (4) proposals:

JBT AeroTech Corporation
ITW GSE, Inc.
Twist Aero LLC
Dabico Airport Solutions, Inc.

After reviewing the submitted proposals, the Evaluation Panel selected ITW. The proposal met all requirements and minimum specifications and also demonstrated successful use in harsh desert climates. The Panel unanimously ranked ITW's proposal as number one based on pricing, demonstrated successful performance, longevity in harsh desert areas, warranty period and lead time.

Fiscal Impact
This purchase was included in the FY23 Capital Budget utilizing $700,000 in non-grant funding under CIP 1240.

RESOLUTION NO. 23-08

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the purchase of four (4) Aircraft Ground Power Units (GPU) and four (4) Preconditioned Air Units (PCAU) from ITW GSE, Inc. (ITW) in an amount not-to-exceed $617,852 under CIP 1240. The amount proposed includes an extended warranty;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the purchase of four (4) Aircraft Ground Power Units (GPU) and four (4) Preconditioned Air Units (PCAU) from ITW GSE, Inc. (ITW) in an amount not-to-exceed $617,852 under CIP 1240. The amount proposed includes an extended warranty. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 21st day of March, 2023.

Board Action Item

Re: Resolution 23-09

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**FY23 Capital Budget Amendment – TSA In-Line Checked Baggage System Design – CIP 1265**
Date:	**March 21, 2023**

Proposed Motion

To Authorize an Amendment of the FY23 Capital Budget to provide $438,891 in funding for the TSA In-Line Checked Baggage System Design under CIP 1265 subject to receipt of a TSA OTA Grant.

Narrative

Due to the increase in passenger traffic at the Phoenix-Mesa Gateway Airport (PMGAA), it has been determined that the existing Baggage Handling System (BHS) will not be able to adequately keep up with the number of bags being checked. PMGAA staff propose working with an Engineering and Design Architectural Firm to provide planning and design services for a new in-line Checked Baggage Inspection System (CBIS). This project will include collaboration and coordination with the Transportation Security Administration (TSA), airlines and other airport stakeholders to deliver a system which meets the screening requirements set forth by the TSA.

The project will require the current Baggage Handling System to be removed and replaced with a new network of conveyor belts that will transport checked baggage to a new Checked Baggage Inspection System, comprising in-line Explosives Detection System (EDS) units, followed by transport of cleared bags to a common existing make-up unit for loading onto carts and transport to the aircraft.

Fiscal Impact

Requesting that these funds, for the TSA In-Line Checked Baggage System Design, be added and included in the FY23 Capital Budget utilizing TSA and PMGAA non-grant funds under CIP 1265.

RESOLUTION NO. 23-09

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an Amendment of the Fiscal Year 2023 Capital Budget to provide $438,891 in funding for the Transportation Security Administration (TSA) In-Line Checked Baggage System Design under CIP 1265 subject to receipt of a TSA Other Transaction Agreement Grant;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an Amendment of the Fiscal Year 2023 Capital Budget to provide $438,891 in funding for the Transportation Security Administration (TSA) In-Line Checked Baggage System Design under CIP 1265 subject to receipt of a TSA Other Transaction Agreement Grant. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Re: Resolution 23-10

To:	**Board of Directors**
From:	**R. J. Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**TSA In-Line Checked Baggage System Design – Studdiford Technical Solutions, LLC - CIP 1265**
Date:	**March 21, 2023**

Proposed Motion

To authorize an Agreement with Studdiford Technical Solutions, LLC (Studdiford) for Professional Engineering Services, for the In-Line Checked Baggage System Design, in an amount not to exceed $438,891 under CIP 1265 subject to receipt of a TSA OTA grant.

Narrative

Due to the increase in passenger traffic at PMGAA, it has been determined that the existing Baggage Handling System (BHS) will not be able to adequately keep up with the number of bags being checked. The current BHS will be removed and replaced with a new network of conveyor belts that will transport checked baggage to a new Checked Baggage Inspection System (CBIS) comprising in-line Explosives Detection System (EDS) units, followed by transport of cleared bags to a common existing make-up unit for loading onto carts and transport to the aircraft.

PMGAA staff propose engaging the Professional Engineering Services of Studdiford to provide planning and design services for the new in-line Checked Baggage Inspection System (CBIS). This project will include collaboration and coordination with the Transportation Security Administration (TSA), airlines and other airport stakeholders to deliver a system which meets the screening requirements set forth by the TSA.

The Procurement of these services is in accordance with the Airport's Procurement Policy 22-01, following A.R.S. Title 34.

Fiscal Impact

Pending Board Approval for this project to be added to the FY23 Capital Budget. If approved, we anticipate the funding for this project will be comprised of 90% TSA funding and 10% PMGAA Match with non-grant funding under CIP 1265.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230112** ("Contract") and the attached exhibits. Studdiford Technical Solutions, LLC, a Virginia Limited Liability Company ("Consultant"), with its principal offices located at 1608 Old Stage Road, Alexandria, VA 22308, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: professional engineering services - planning and design services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on the date signed by PMGAA and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant, and its subconsultants as listed below, shall provide all services to be performed under this Contract. If additional subconsultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said subconsultants. PMGAA may, at its sole discretion, accept or reject proposed subconsultants.

DWL Architects + Planners, Inc.
LSW Engineers Arizona, Inc.
Martin, White & Griffis Structural Engineers, Inc.
Rider Levett Bucknall, LTD

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

TO PMGAA: Phoenix-Mesa Gateway Airport Authority
Attn: Engineering & Facilities Director
5835 South Sossaman Road
Mesa, Arizona 85212

TO CONSULTANT: Studdiford Technical Solutions, LLC
Attn: Larry Studdiford
1608 Old Stage Road
Alexandria, VA 22308

or to such other person(s) or address(es) as any such Party may designate from time to time by notice to the other Parties in accordance with this Section.

Executed as of the Commencement Date.

CONSULTANT

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

For the services provided herein, PMGAA agrees to pay Consultant the not to exceed amount of $438,891.00

NEW IN-LINE CHECKED BAGGAGE INSPECTION SYSTEM (CBIS) REVISED PROPOSAL FOR PROFESSIONAL ENGINEERING SERVICES

January 10, 2023

Prepared for:
Phoenix-Mesa Gateway Airport Authority
Phoenix-Mesa Gateway Airport

Prepared By:
Studdiford Technical Solutions, LLC

In association with:

Studdiford Technical Solutions, LLC (STS) is pleased to provide Phoenix-Mesa Gateway Airport Authority (PMGAA) with this revised proposal for design services in support of the New In-Line Checked Baggage Inspection System (CBIS) Project at at Phoenix-Mesa Gateway Airport.

PROJECT DESCRIPTION

The scope of this project is to provide planning and design services for the new in-line CBIS. The project scope also includeds collaboration and coordination with the Transportation Security Adminstration (TSA), airlines, and other airport stakeholders to deliver a system which meets the screening requiements set forth by the TSA. The existing baggage handling system (BHS) will be removed and replaced with a new network of conveyor belts that will transport checked baggage to a new CBIS comprising inline Explosives Detection System (EDS) units, followed by transport of cleared bags to a common existing make-up unit for loading onto carts and transport to the aircraft.

The following scope of services has been devloped and based on TSA requirements and guidance. The following design design deliverables will be in accordance with TSA's Planning Guidelines and Design Standards (PGDS) for Checked Baggage Inspection Systems (CBIS) version 8.0 deliverables checklist per design phase:

1. Pre-Design
2. Schematic Design
3. 30% Design
4. 70% Design
5. 100% Design

Our teaming partner, DWL Architects has provided design tasks for architectural, structural, mechanical, electrical, and cost estimating, which is included as Exhibit B in this scope of service.

TASK 1- PROJECT MANAGEMENT AND PREDESIGN PHASE SERVICES

The services will include attendance at meetings, project and subconsultant coordination, correspondence between the design team, subconsultants, Airport, TSA, and airport users. This task will begin at project commencement and continue throughout the project effort through design. This will include:

- Providing a lead to serve as liaison and project coordinator for the TSA and DHS
- Providing a monthly project schedule in accordance with the Other Transaction Agreement (OTA)
- Coordinate a "kick-off" meeting to be held at the airport to perform a detailed site survey
- Manage subsequent meetings as required by the airport
- Data collection for and a site walkthrough with Phoenix-Mesa Gateway Airport Authority (PMGAA) and airport staff to refine project understanding
- Baggage and architectural groups will review the appropriate documentation for each of their requisite tasks
- Development of the pre-design phase submittal:
  - Perform Flight Schedule Analysis based on planning assumptions received from PMGAA
  - Develop concept sketches with alternatives. Develop description of all alternatives considered
  - Assemble preliminary BHS ROM construction and O&M cost estimates, also known as the Current Working Estimate (CWE) and Life Cycle Cost Analysis (LCCA)
  - Develop the Alternatives Analysis report
  - Compile and submit the TSA pre-design submittal package
- Participate in pre-Design Review Notification (DRN) meeting with TSA

TASK 2- SCHEMATIC DESIGN PHASE

- **PM and BAGGAGE**
  - Develop the Basis of Design Report (BDR), including detailed program requirements description with inputs from PMGAA
  - Develop High-Level Flow-Based Modeling Assumptions and Results
  - Develop preliminary Concept Plans for the existing BHS and planned configuration of the new in-line CBIS
  - Develop the phasing and Constructability Technical Memoranda
  - Update the CWE and LCCA for delivery with BDR
  - Assemble the Stakeholder Notification Documentation
  - Coordinate the updated Preliminary Project Schedule with inputs from DWL
  - Prepare Requests for Variance (RFV) for submittal to TSA for any proposed deviations from the PGDS
  - Respond to pre-Design package comments from TSA
  - Compile and submit the TSA schematic design submittal package
  - Participate in the schematic DRN meeting

- **ELECTRICAL**
  - Electrical load study, determination of normal/emergency power requirements

- **ARCHITECTURAL**
  - Proposed Plan layouts

TASK 3- 30% DESIGN PHASE

- **PM and BAGGAGE**
  - Perform an on-site concept validation at AZA
  - Develop 30% level drawings and outline specifications
  - Coordinate and attend a 30% design level Technical Interchange Meeting (TIM) with TSA, if necessary
  - Update the BDR
  - Review and incorporate the DWL-provided MEP, architectural drawings
  - Coordinate the Phasing Plan development
  - Coordinate development of concept of operations
  - Update the CWE and LCCA
  - Coordinate update the Project Schedule
  - Prepare RFVs for submittal to TSA for any proposed deviations from the PGDS
  - Respond to Schematic Design package comments from TSA
  - Compile Stakeholder Review & stakeholder notification documentation
  - Compile and transmit the 30% TSA submittal package
  - Participate in 30% DRN meeting

- **STRUCTURAL (NON-ALLOCABLE)**
  - Develop 30% level drawings
  - Develop outline specifications -divisions 3, 4, and 5 respective structural sections
  - Respond to TSA review comments
  - Update technical content for the BDR

- **MECHANICAL**
  - Develop 30% level drawings – HVAC, Fire Sprinkler
  - Develop outline specifications -divisions 21,23
  - Respond to TSA review comments
  - Update technical content for the BDR

- **ELECTRICAL**
  - Outline specification, demolition plan, power plan
  - Required plans for EDS and TSA networks
  - Design for new power drops, associated transformers, electrical panels or subpanels, communication and network wiring and network and or communications exchanges

- **ARCHITECTURAL**
  - Upon approved plans proceed with developing drawings for Floor plans, Ceiling Plans and Demo Plans
  - Life Safety diagrams and building code sheets
  - Diagrams for the multiple phases and the Overall Diagram
  - Design details as required interfacing with mechanical, electrical, plumbing, and structural elements.
  - Notes listed on Drawings – outline specifications

TASK 4- 70% Design Phase

- **PM and BAGGAGE**
  - Perform an on-site concept validation at AZA, if needed.
  - Prepare an updated BDR based on the original 30% Report submitted, and any TSA comments and/or design modifications
  - Prepare a Preliminary Contingency Plan describing contingency operation noted in the PGDS
  - Develop 70% level drawings and specifications
  - Prepare a Site-Specific Configuration Management Plan
  - Review and incorporate the updated MEP, architectural drawings
  - Update of concept of operations
  - Update the CWE and LCCA
  - Update the Project Schedule
  - Reply to 30% TSA comments.
  - Compile and transmit the 70% TSA submittal package
  - Participate in the TSA 70% DRN meeting
  - Participate in coordination meetings as needed
  - Prepare RFVs for submittal to TSA for any proposed deviations from the PGDS

- **STRUCTURAL (NON-ALLOCABLE)**
  - Develop 70% level drawings and technical specifications
  - Update technical content for the BDR as required

- **MECHANICAL**
  - Develop 70% level drawings and technical specifications

- **ELECTRICAL**
  - Provide specifications, power plan, details, and schedules
  - Required plans for EDS and TSA networks
  - Design for new power drops, associated transformers, electrical panels or subpanels, communication and network wiring and network and or communications exchanges

- **ARCHITECTURAL**
  - Diagrams for the multiple phases and the Overall Diagram
  - Life Safety diagrams and building code sheets
  - Floor plans, Ceiling Plans and Demolition Plans
  - Develop Door, Penetration and Finish Schedules
  - Develop specifications

TASK 5- 100% Design Phase

- **PM and BAGGAGE**
  - Prepare final BDR, including resolution to any TSA comments and/or design modifications
  - Review and incorporate the final MEP, architectural drawings
  - Develop 100% level drawings and specifications
  - Coordinate final description of operations
  - Finalize the Contingency Plans
  - Respond to TSA comments on the 70% submittal
  - Compile and transmit the 100% TSA submittal package
  - Participate in the TSA 100% DRN meeting
  - Prepare Issue For Construction (IFC) drawings as necessary
  - Support PMGAA's bid process, including coordination of TSA facility modification OTA application

- **STRUCTURAL (NON-ALLOCABLE)**
  - Develop 100% level drawings and technical specifications
  - Attendance at internal coordination meetings – as required
  - Respond to TSA review comments
  - Update technical content for the BDR

- **MECHANICAL**
  - Provide 100% drawings and technical specifications
  - Respond to TSA review comments
  - Update technical content for the BDR

- **ELECTRICAL**
  - Provide 100% plans and specifications, signed, and sealed

- **ARCHITECTURAL**
  - Diagrams for the multiple phases and the Overall Diagram
  - Life Safety diagrams and building code sheets
  - Floor plans, Ceiling Plans and Demolition Plans
  - Door, Penetration and Finish Schedules and details
  - Interior Elevations where required
  - Specifications
  - Quality Assurance and Quality Control

ASSUMPTIONS, CLARIFICATIONS AND EXCLUSIONS

1. All planning assumptions (flight schedules, passenger data, etc.) will be provided by PMGAA.
2. All design associated with exterior canopy work for protection of conveyors are considered non-allocable (non-reimbursable by TSA).
3. Travel-related expenses will be billed at cost, within the guidelines set forth by the General Services Administration (GSA) for lodging, meals, and incidental expenses.
4. This proposal excludes the preparation of special studies not listed herein. If required and requested by PMGAA, special studies and reports can be added to this scope of work by amendment and pricing negotiation.
5. This proposal is valid for 120 business days.
6. All personnel working on the project will be U.S. citizens. All documents produced will be considered unclassified, other than those elements considered by TSA as "Sensitive Security Information (SSI)."

7. Invoices will be submitted monthly; to be paid within thirty (30) calendar days of receipt.
8. In accordance with TSA's Funding Policy Memo Section C.2, only basic interior construction and fit out is considered an allocable cost and must be limited to areas directly supporting the baggage screening operation to include CBIS areas, including the CBRA areas and OSR room(s). Costs in excess of basic finishes are not allowable and will be borne by the airport.
9. Design of any new required electrical substations is not allowable and will be borne by the airport.
10. Existing conditions plans to be provided by PMGAA.
11. Baggage conveyers will be slab supported including stacked belts.
12. Bid Phase Services will include assisting the airport with preparing RFP documents, answering RFIs, producing addendums as necessary, and assisting in the bid, negotiation and award for construction, and coordination of the OTA agreement between the airport and TSA.

COMPENSATION
STS and our subconsultant teaming partners will provide the above scope of work time-and-material (T&M) basis, not to exceed **$438,891.00**, with breakout as follows:

Allocable (TSA Reimbursable):
- STS: $251,506.00
- DWL Team: $125,090.00
- TOTAL: $376,596.00

There is also the expectation of the involvement of a Construction Manager At-Risk (CMAR) prior to completion of design for constructability reviews and participation in the preparation of bid documents. Including an allowance of $50,000.00 for CMAR design services ($20,000.00 at 30% design; $20,000.00 at 70% design; $10,000.00 at 100% design), the allocable project total is **$426,596.00**.

Non-Allocable (TSA non-reimbursable):
- STS: $12,779.00
- DWL Team: $49,516.00
- TOTAL: $62,295.00

A detailed breakdown is included as Exhibit A.

SCHEDULE
This proposal covers all efforts commencing upon notice to proceed (NTP) through completion of the 100% design submittal package (with final acceptance by TSA) and support through the bidding process.

Thank you for the opportunity to submit this Scope of Work and Price Proposal. If you have any questions, please feel free to contact me.

Best regards,
Studdiford Technical Solutions, LLC

RE: Phoenix-Mesa Gateway Airport (PMGA)
Outbound BHS (structural components excluded)
Design and Engineering Services (SD, CD 30%, 70%, 100%)
DWL Project No. TBD

Dear Larry:

We are pleased for this opportunity to submit Architectural and Engineering Services for the Outbound Baggage Handling System (BHS) at Phoenix-Mesa Gateway Airport (PMGA). This scope and fee proposal is for four phases of design as outlined in the Planning guidelines and Design Standards (PGDS) which include Schematic Design, Detailed Design Phase 30%, 70% and 100%. The scope has been prepared in accordance with our understanding of the project based upon our meeting with you and PMGA on 10/13/2022 and subsequent correspondence.

Project Scope & Description:

The goal of this project is to provide a new in-line Checked Baggage Inspection System (CBIS) that follows the PGDS version 8.0 for the outbound BHS at PMGA's existing ticketing terminal. DWL understands the following project features:

- The CBIS will be predominantly located in the current Explosion Detection System (EDS) room with expansion north into the portions of the ticketing hall and south to the exterior with some conveyor outside.
- A new room will be expanded into the ticketing hall for the Check Baggage Resolution Area (CBRA).
- The project including the CBRA room will meet the requirements in the PGDS
- Conveyor will be routed on the exterior, south of the current EDS room.
- Where new conveyor is routed outside there may be a requirement for security fencing.
- Due to expansion beyond the current EDS room, there will be new wall penetrations for conveyors and new personnel doors.
- Scope includes modification and expansion of building systems including mechanical, electrical, and special systems.

DESIGN SERVICES:

The following complete design phases are included:

- Schematic Design (Basic Services)
- Detailed Design Phase 30%, 70%, 100% (Basic Services)

DESCRIPTION OF TASKS:

1. **Schematic Design**
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Schedule – DWL shall review and comment on STS's design schedule.
        2) Owner/BHS/Architect Meetings:
            - (1) in-person Kick-off meeting with all appropriate PMGAA and stakeholders. Design team engineering disciplines will not be in attendance.
            - (1) TSA Design Review Team meeting participation
            - Reasonable quantity of virtual owner/BHS/DWL meetings
        3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
    b. Existing conditions assessment: DWL will conduct 1 field verification assessment.
    c. DWL has the existing as-built documentation of the existing buildings and facilities in which our firms were previously involved.
    d. Schematic Design: Based upon the work product of the Pre-Design Phase and direction from STS and PMGA, initial design drawings will be developed for the building components of the project resulting in an approved Basis of Design Report (BDR). Per Table 6.1 DWL's scope for deliverables includes:
        1) Preliminary Concept Plans
        2) Coordinate with the ROM estimate of probable construction costs.
        3) Assist STS on the preliminary project schedule
        4) Written response to TSA comments using TSA comment spreadsheet for building related items.

2. **Detailed Design phase (DD) 30%**
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Schedule – DWL shall review and comment on STS's updated design schedule.
        2) Owner/BHS/Architect Meetings:
            - Reasonable quantity of virtual owner/BHS/DWL meetings
            - (1) TSA Design Review Team meeting participation
        3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
        4) Existing conditions assessment: MPE will conduct 1 field verification assessment.
    b. Detailed Design 30%: The Basis of Design Report (BDR) will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.1 in the PGDS, DWL's scope for deliverables includes:
        1) Assisting STS with updates to the Basis of Design Report
        2) Preliminary architectural plans and coordination of MPE plans.
        3) Coordinate with RLB on the 30% Current Working Estimate.
        4) Develop a preliminary phasing schedule

5) Assist STS on the preliminary project schedule
6) Written response to TSA comments using TSA comment spreadsheet for building related items.

c. Preliminary Building Code Analysis
d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.

3. **Detailed Design phase (DD) 70%**

a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
   1) Schedule – DWL shall review and comment on STS's updated design schedule.
   2) Owner/BHS/Architect Meetings:
      - Reasonable quantity of virtual owner/BHS/DWL meetings
      - (1) TSA Design Review Team meeting participation
   3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
b. Detailed Design 70%: The Basis of Design Report (BDR) and 30% drawings will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.2 in the PGDS, DWL's scope for deliverables includes:
   1) Assisting STS with updates to the Basis of Design Report
   2) 70% design drawings and coordination of MPE drawings
   3) 70% specifications and coordination of MPE specifications
   4) Coordinate with RLB on the 70% Current Working Estimate.
   5) Refine the phasing plan
   6) Assist STS on the project schedule
   7) Written response to TSA comments using TSA comment spreadsheet for building related items.
c. Refine Building Code Analysis
d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.
e. PMGAA Building Safety Review Submittal (70%). This set will be submitted for preliminary building safety review by PMGAA.

4. **Detailed Design phase/Construction Documents (CD) 100%**

a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
   1) Schedule – DWL shall review and comment on STS's updated design schedule.
   2) Owner/BHS/Architect Meetings:
      - Reasonable quantity of virtual owner/BHS/DWL meetings
      - (1) TSA Design Review Team meeting participation
   3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.

b. Detailed Design 100%: The Basis of Design Report (BDR) and 70% drawings will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.3 in the PGDS, DWL's scope for deliverables includes:
   1) Bid Documents
   2) Assisting STS with updates to the Basis of Design Report
   3) Project specifications and coordination of MPE specifications
   4) Coordinate with RLB on the 100% Current Working Estimate.
   5) Final phasing plan
   6) Assist STS on the final project schedule
   7) Written response to TSA comments using TSA comment spreadsheet for building related items.
c. Final Building Code Analysis
d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.
e. PMGAA Building Safety Review Submittal (100%). This set will be sealed/signed and submitted for final building safety review by PMGAA.

ASSUMPTIONS:

1. The construction budget is unknown at this time.
2. The overall square footage of the interior project area is approximately 4,500 SF. The exterior area is approximately 1,500 SF. All areas within the CBIS area will be in a climate controlled interior space.
3. The Construction Contract Delivery Method is CM at Risk and the contractor has not been selected.
4. This proposal assumes that all scope is to be documented in one submittal package.
5. Interior Design: The design team assumes the existing materials and finishes will be utilized for this project and will meet the requirements in the PGDS. No finish and materials board will be provided.
6. Subconsultants included in this proposal. Please review their attached proposals for further scope details.
   a. LSW (Mechanical, Plumbing, Fire Protection, Electrical, Special Systems)
   b. Rider Levett Bucknall (Cost Estimating)
7. For the purpose of justifying load additions to existing electrical infrastructure, existing electrical loads will be established from existing record drawings and our site investigation. If adequate records and documentation are not available, 30-day maximum demand load readings may be required (which are not included and assumed to be performed by Owner's staff electricians).
8. Value Engineering/Scope Reduction services are included if the RLB cost estimate is greater than 10% of the budget.
9. Construction documents are not submitted to City of Mesa Building Safety department, since PMGAA will provide their own building safety review and permit.
10. Package deliverables shall be delivered both in the native format (word, excel, AutoCAD) and as a PDF file. Hard copies are not required for TSA, however a reasonable quantity of printed sets are assumed for PMGA.
11. Reimbursables include project related expenses such as mileage, courier, web-based meetings, printing, and copying (in or out of office).

EXCLUSIONS:

In order to provide clarity and to prevent any misunderstandings, we want to identify items that are excluded from this proposal. If for any reason the Phoenix-Mesa Gateway Airport Authority requires these services, we can provide them for additional compensation.

1. Services from engineers or consultants not identified in this proposal and beyond this project's scope will not be provided (Civil, landscape)
2. Structural components and associated engineering
3. Acoustics consultant, analysis, and engineering.
4. Physical materials and finish boards
5. Geotechnical Analysis (soils report): Because there is no Soils Report being performed, the design team will note previous Soils Report were performed at the site however will not recommend any soils preparation and edit a soils specification. The design team will not accept liability or take responsibility for geotechnical requirements for this project.
6. Tests or investigations requiring demolition of existing construction or other types of forensic investigation are not included in this proposal.
7. Procurement Phase and Construction Administration
8. Environmental and hazardous assessment.
9. Government permit and plan review fees.
10. LEED design and USGBC submission fees.
11. Water Supply Test.
12. Multiple bid packages.
13. Travel outside the Phoenix Metropolitan area.
14. Renderings
15. Finishes and materials board (physical excluded, digital included)
16. Videos and fly-throughs
17. Life Cycle Cost Analysis
18. Stakeholder notification documentation
19. BHS scope
20. Deliverables beyond those described below.

DELIVERABLES:

1. Schematic Design (supporting documents for Basis of Design Report)
2. Detailed Design (DD) 30%
3. Detailed Design (DD) 70%
4. Detailed Design/Construction Documents (CD) 100%

COMPENSATION:

We propose to provide the previously mentioned services as an Hourly Not-to-Exceed Fee(s) as follows:

	Discipline Total ($)
Architectural – DWL*	63,660.00
Mech./Plumbing/Elec./Tech - LSW	28,430.00
Cost Estimating - RLB	31,000.00
Total Design Services	**$123,090.00**
Reimbursable Expenses**	$ 2,000.00

* DWL's personnel hourly rates are based on an Overhead Rate of 1.7335 and includes 10% profit.
**For this proposal we are estimating reimbursables for 6 half-size sets for each package.

See attached DWL estimated hourly breakdown and consultants' proposals for your review.

CONCLUSION:

We appreciate your consideration and the opportunity to submit this proposal. We look forward to working with you and the Phoenix-Mesa Gateway Airport Authority team. If you have any questions or require further explanation, please do not hesitate to contact me.

Sincerely,

Re: AZA (PMGA) Outbound Baggage Addition
LSW Proposal No. PR2022-345 Revision 4

Ms. Kukla:

We are pleased to offer our engineering services for the outbound baggage addition project of the ticketing terminal at Phoenix-Mesa Gateway Airport located at 6033 South Sossaman Road in Mesa, Arizona.

PROJECT UNDERSTANDING

This project is understood to be the expansion of the outbound baggage handling system (BHS) conveyor and the creation of a new checked baggage reconciliation area (CBRA) with a new Inline Checked Baggage Inspection System (CBIS) and replacement of the existing explosion detection system (EDS) system. The project delivery system is understood to be Design-Bid-Build or Construction Manager at Risk (CMAR).

Our mechanical, plumbing, electrical, and technology engineering services for this project will consist of the following. Services not indicated below are considered outside of our basic scope and will be provided upon request as an additional service.

It is our understanding that the design of this project will include deliverables as defined below. The design duration for this project is understood to start after notice to proceed—anticipated in April or May of 2023. The project is understood to take between twelve (12) and sixteen (16) months to complete.

30% Package

1. Provide 30% design drawing showing the engineering systems intended for this project.

2. Provide a written narrative describing the engineering systems intended for this project.

3. Assist the architectural design team with the engineering systems space requirements in the development of the schematic building floor plan.

70% Package

1. Prepare design development drawings showing all main engineering systems equipment locations and sizes. Equipment weights will be shown as needed for the Structural Engineer. The drawings will also include the following:

    a. Routing of mechanical duct mains.

    b. Mechanical zoning layout and thermostat locations for review.

2. Provide engineering systems equipment cut sheets for review.

3. Assist the architectural design team in the development of the ceiling plan.

100% Package

1. Completion of the engineering design drawings.

2. Completion of the engineering specifications.

SCOPE OF WORK

Mechanical

The mechanical scope for this project is anticipated to include:

1. Complete heating, cooling, and ventilation load calculations.

2. Design to revise the existing mechanical HVAC system for the new CBRA room. The existing mechanical HVAC system capacity will be evaluated for this project in order to verify expansion to accommodate the loads of the new equipment of this project.

Plumbing

The plumbing scope for this project is anticipated to include:

1. Selection of floor sinks for the new EDS equipment condensate as located on the Architectural plans and the sizing and routing of the associated waste and vent piping for these fixtures.

Electrical

The electrical scope for this project is anticipated to include:

1. Design of the electrical power distribution (normal and emergency) for this project, including connection to the equipment and receptacles. Our design includes connection to the existing power distribution system within this facility. The existing power distribution system will be evaluated for this project in order to verify expansion to accommodate the new loads of the project.

2. For the purpose of justifying load additions to existing electrical infrastructure, existing electrical loads will be established from existing record drawings and our site investigation. If adequate records and documentation are not available, 30-day maximum demand load readings may be required (which are not included).

Technology Systems

The technology scope for this project is anticipated to include:

1. Buildout of the MER/TR Rooms or Wall-Mounted Racks: Our design includes room/rack layout, cable support and pathway system, telecommunication grounding, and passive component rack layouts per Owner standards.

2. Passive Network Cabling: Our design service includes cabling system design from outlet locations to the Main Equipment Room (MER) or Telecommunications Room (TR), cable support and pathway system, and outside plant fiber-optic and multiple pair copper cabling.

3. Access Control/Security System: Our design service includes the access control, intrusion detection, card reader, door monitoring, door control, motion sensor, and duress systems, and associated control panels. The door hardware will be specified by the Architect.

4. Camera Surveillance: Our design includes camera layout and associated cabling and pathways, camera specification, and video recording requirements.

GENERAL

Our scope will include the following general engineering services for the project:

1. Site investigation to observe the systems associated with this project (site investigation is limited to accessible areas only).

2. Attend up to eight meetings during the design phase of this project including attendance at four TSA meetings and four owner meetings. Attendance at a reasonable quantity of virtual internal design meetings as required.

3. Design using Revit with models stored on a BIM360 Project HUB. It is required that while our model is in BIM360, the model shall remain independent from all disciplines outside of our scope of work, and any revisions to the model shall be made by our staff only. It is anticipated that the architectural BIM360 model elements will be “frozen” seven days before each milestone deliverable.

4. Provide one set of drawings in electronic portable document format (PDF) at each intermediate deliverable.

5. Provide one final set of signed and sealed drawings in electronic portable document format (PDF) at the completion of design.

6. Provide one final set of signed and sealed specifications in electronic portable document format (PDF) at the completion of design.

PROFESSIONAL FEE

Our fee for the work outlined above will be billed hourly, at rates described herein, up to an aggregate limit of **$28,430.**

NOTE: This fee includes all travel expenses incurred within the metropolitan Phoenix area.

This fee does not include plotting or printing of sets of our drawings or other discipline's drawings for interprofessional coordination or distribution—electronic (PDF) files will be provided to the Architect for their assembly and printing as required

CLIENT SERVICES

Services requested of the Client and/or Owner include the following:

1. Provide the following as required to assist us in the site investigation of existing conditions: facility access and an escort, ladders or other means to access overhead systems and equipment, and authorization for the use of cameras.

2. Provide access to the building maintenance staff to answer questions.

3. Provide all connection requirements for new equipment.

4. Provide a project title block and updated Revit model in a timely manner to meet the established project deliverables.

5. Provide a PDF set of the drawings at each established deliverable.

EXCLUSIONS

1. Cost estimating.

2. Meetings or teleconference meetings beyond those listed.

3. Electrical demand load readings.

4. Design to increase the capacity, modify or replace the electrical distribution system.

5. Building Information Modeling (BIM) beyond an LOD-200 or clash-free modeling.

6. Utility company energy rebate data collection and/or submission.

7. Life cycle cost analysis.

8. Functional testing or commissioning services.

9. Value engineering services or changes after completion of the associated 70% design documents.

10. Any design services caused by scope changes.

ADDITIONAL SERVICES

Additional services will be performed on an hourly basis at our standard billing rates or a separate fixed fee contract as determined by your firm. Our current rate structure is shown below for your reference. Hourly contracted work will be invoiced based on our rates in effect at the time of such requests.

2023:	Principal	$230./ hour
	Senior Engineer	$205./ hour
	Engineer	$155./ hour
	Senior Designer	$135./ hour
	Field Observer	$125./ hour
	Designer	$115./ hour
	CAD Operator	$85./ hour
	Administrative	$80./ hour
	Outside Services	Our cost

This proposal is effective for not more than 30 days.

LSW accepts the AIA C401 contract and requests that you prepare this document reflecting the terms and conditions of this proposal for our mutual execution prior to our beginning work.

We appreciate this opportunity and look forward to working with your firm on this project.

Regards,

LSW ENGINEERS ARIZONA, INC.

Cory Killpack, P.E.
Vice President

Dear Sandra:

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM RENOVATION
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Thank you very much for inviting Rider Levett Bucknall (RLB) to submit a fee proposal for providing Cost Consultancy Services for the planned PMGAA Baggage Handling System Renovation located in Mesa, AZ.

Project Scope & Description

The goal of this project is to provide an update to the existing baggage handling system at PMGA.

RLB assumes that a baggage handling system consultant will provide pricing for the baggage handling system.

Cost estimates will be presented in TSA's Current Working Estimate (CWE) format in a Basis of Estimate document in compliance with PGDS requirements prepared for submittal to TSA at each detailed design phase (30%, 70% and 100%). These documents will also present TSA allocable / non-allocable cost breakdowns.

Scope of Work & Proposed Fees

RLB to provide Cost Consultancy Services including the following:

Attend Project Meetings (2), Prepare One (1) Schematic Design Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 30% Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 70% Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 100% Estimate of Construction Cost including review w/ project team.

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM RENOVATION
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Proposed Fees

Our fees for providing the following Cost Consultancy Services are as follows:

Pre-Design & Schematic Design – Prepare one (1) Schematic Design Estimate of Construction Cost including review w/ project team – 40-hours x $155 / hour - $6,200

Design Development 30% - Prepare one (1) Design Development 30% Estimate of Construction Cost including review w/ the project team - 40-hours x $155 / hour - $6,200

Design Development 70% - Prepare one (1) Design Development 70% Estimate of Construction Cost including review w/ the project team - 40-hours x $155 / hour - $6,200

Design Development 100%- Prepare one (1) 100% Design Development Estimate of Construction Cost including review w/ the project team – 80-hours x $155 / hour - $12,400

Total Base Fee - $31,000

Overhead – 160% Profit – 10%

Exclusions

Please carefully note that our proposed fees specifically do not include the following:

- this fee proposal is based on preparing one (1) construction cost estimate of one (1) design solution for each of the disciplines (Architecture, Structure, Mechanical, Electrical, etc.). Studies of alternative design options, different systems, cost reduction/value engineering, etc., are excluded. If these studies become necessary and desirable, we will prepare an added proposal for your consideration.

- preparation of new cost estimates or amendments to our cost estimates necessitated by changes in the design or by further redesigns beyond the design milestone exercises specifically included within this proposal

- cost estimating associated with any Alternates, Options and/or Value-Engineering / Value-Analysis related items.

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM RENOVATION
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Additional Services

If any additional Cost Consultancy Services are requested, then those services will be reimbursed in accordance with our current hourly rates which are as follows:

President, Executive Vice President	$275.00
Senior Vice Presidents, Vice Presidents	$245.77
Principals, Associates, Resident Managers	$200.00
Senior Cost Manager	$170.00
Cost Manager	$145.00
Cost Estimator	$120.00

Terms & Conditions

The terms will be as per DWL Architects + Planner's contract with Owner and the Standard AIA Consultant Agreement. Unless otherwise agreed to in writing, RLB's scope of services is limited to the extent included in this proposal.

Any additional scope, changes in the scope, or additional scope required by contract terms and conditions shall be an additional service for which additional fees will be required.

Acceptance

To signify your acceptance of this proposal, please sign below and return it to me.

In the meantime, if you have any questions, or would like to discuss some aspect of this proposal, please feel free to contact us.

Yours faithfully,
RIDER LEVETT BUCKNALL LTD.

RE: Phoenix-Mesa Gateway Airport (PMGA)
Outbound BHS – **Canopy and Structural components**
Design and Engineering Services (SD, CD 30%, 70%, 100%)
DWL Project No. TBD

Dear Larry:

We are pleased for this opportunity to submit Architectural and Engineering Services for an exterior canopy and structural components at the Terminal Ticketing building at Phoenix-Mesa Gateway Airport (PMGA). This scope and fee proposal is for four phases of design as outlined in the Planning guidelines and Design Standards (PGDS) which include Schematic Design, Detailed Design Phase 30%, 70% and 100%. The scope has been prepared in accordance with our understanding of the project based upon our meeting with you and PMGA on 10/13/2022 and subsequent correspondence.

This proposal identifies a separate scope and fee for the canopy-only portion for the new in-line Checked Baggage Inspection system (CBIS). There is a separate proposal for the BHS related work.

Project Scope & Description:

The goal of this project is to provide an exterior canopy and other structural components for the associated project for a new in-line Checked Baggage Inspection System (CBIS) that follows the PGDS version 8.0 for the outbound BHS at PMGA's existing ticketing terminal. DWL understands the following project features:

- Conveyor will be routed on the exterior, south of the current EDS room. The project will include either a modification to the existing canopy or a new canopy, considered non-allocable for TSA reimbursement.
- Where new conveyor is routed outside there may be a requirement for security fencing. The structure associated with a potential fence is included in this proposal.
- Due to expansion beyond the current EDS room, there will be new wall penetrations for conveyors and new personnel doors. The structure associated with these openings is included in this proposal.

DESIGN SERVICES:

The following complete design phases are included:

- Schematic Design (Basic Services)
- Detailed Design Phase 30%, 70%, 100% (Basic Services)

DESCRIPTION OF TASKS:

1. **Schematic Design**
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Schedule – DWL shall review and comment on STS's design schedule.
        2) Owner/BHS/Architect Meetings:
            - No additional meetings for this scope are anticipated.
            - Reasonable quantity of virtual owner/BHS/DWL meetings
        3) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
    b. Existing conditions assessment: DWL will conduct 1 field verification assessment.
    c. DWL has the existing as-built documentation of the existing buildings and facilities in which our firms were previously involved.
    d. Schematic Design: Based upon the work product of the Pre-Design Phase and direction from STS and PMGA, initial design drawings will be developed for the canopy in association with the CBIS project documents. Structural related scope will be separate. Per Table 6.1 DWL's scope for deliverables includes:
        1) Preliminary Concept Plans
        2) Coordinate with the ROM estimate of probable construction costs.

2. **Detailed Design phase (DD) 30%**
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Owner/BHS/Architect Meetings:
            - Reasonable quantity of virtual owner/BHS/DWL meetings
        2) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
    b. Detailed Design 30%: The Basis of Design Report (BDR) will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.1 in the PGDS, DWL's scope for deliverables includes:
        1) Preliminary architectural plans and coordination of structural plans.
        2) Coordinate with RLB on the 30% Current Working Estimate.
    c. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.

3. **Detailed Design phase (DD) 70%**
    a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
        1) Owner/BHS/Architect Meetings:
            - Reasonable quantity of virtual owner/BHS/DWL meetings
        2) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will

be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.

b. Detailed Design 70%: The Basis of Design Report (BDR) and 30% drawings will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.2 in the PGDS, DWL's scope for deliverables includes:
   1) 70% design drawings and coordination of structural drawings
   2) 70% specifications and coordination of structural specifications
   3) Coordinate with RLB on the 70% Current Working Estimate.
c. Prepare Building Code Analysis
d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.
e. PMGAA Building Safety Review Submittal (70%). This set will be submitted for preliminary building safety review by PMGAA.

4. **Detailed Design phase/Construction Documents (CD) 100%**

   a. Project Management/Administration - Manage assigned staff and sub-consultants, maintain contract and project files.
      1) Owner/BHS/Architect Meetings:
         - Reasonable quantity of virtual owner/BHS/DWL meetings
      2) Design team/Consultant Meetings as required – Regularly scheduled internal coordination meetings between members of the consultant team. In-person meetings will be held at DWL's Phoenix office. Conference calls will be administered using Microsoft Teams.
   b. Detailed Design 100%: The Basis of Design Report (BDR) and 70% drawings will be used to refine and finalize detailed design drawings along with direction from STS. Per Table 7.3 in the PGDS, DWL's scope for deliverables includes:
      1) Bid Documents
      2) Project specifications and coordination of structural specifications
      3) Coordinate with RLB on the 100% Current Working Estimate.
   c. Final Building Code Analysis
   d. QAQC: An internal QAQC will be conducted via Bluebeam Studio, with an internal preliminary check-set for all engineering disciplines.
   e. PMGAA Building Safety Review Submittal (100%). This set will be sealed/signed and submitted for final building safety review by PMGAA.

ASSUMPTIONS:

1. The construction budget is unknown at this time.
2. The overall square footage of the interior project area is approximately 4,500 SF. The exterior under-canopy area is approximately 1,500 SF.
3. The Construction Contract Delivery Method is CM at Risk and the contractor has not been selected.
4. This proposal assumes that all scope is to be documented in one submittal package for the canopy. The canopy package is stand-alone however is issued at the same time as the associated CBIS project.
5. No finish and materials board will be provided.

6. Subconsultants included in this proposal. Please review their attached proposals for further scope details.
    a. MWG (Structural)
    b. Rider Levett Bucknall (Cost Estimating)
7. Value Engineering/Scope Reduction services are included if the RLB cost estimate is greater than 10% of the budget.
8. Construction documents are not submitted to City of Mesa Building Safety department, since PMGAA will provide their own building safety review and permit.
9. Package deliverables shall be delivered both in the native format (word, excel, AutoCAD) and as a PDF file. A reasonable quantity of printed sets are assumed for PMGA.
10. Reimbursables include project related expenses such as mileage, courier, web-based meetings, printing, and copying (in or out of office).
11. Due to the separation of this scope and the larger associated CBIS project, some scope may be unknown at this time, therefore, DWL is including a design allowance for any unknown or inadvertently missed scope. Design allowance: $5,000. Prior use of the design allowance requires PMGA written approval.

EXCLUSIONS:

In order to provide clarity and to prevent any misunderstandings, we want to identify items that are excluded from this proposal. If for any reason the Phoenix-Mesa Gateway Airport Authority requires these services, we can provide them for additional compensation.

1. Services from engineers or consultants not identified in this proposal and beyond this project's scope will not be provided (Civil, landscape, MPE)
2. Acoustics consultant, analysis, and engineering.
3. Geotechnical Analysis (soils report): Because there is no Soils Report being performed, the design team will note previous Soils Report were performed at the site however will not recommend any soils preparation and edit a soils specification. The design team will not accept liability or take responsibility for geotechnical requirements for this project.
4. Tests or investigations requiring demolition of existing construction or other types of forensic investigation are not included in this proposal.
5. Procurement Phase and Construction Administration
6. Environmental and hazardous assessment.
7. Government permit and plan review fees.
8. LEED design and USGBC submission fees.
9. Multiple bid packages.
10. Travel outside the Phoenix Metropolitan area.
11. Renderings
12. Finishes and materials board
13. Videos and fly-throughs
14. Life Cycle Cost Analysis
15. Stakeholder notification documentation
16. BHS scope
17. Deliverables beyond those described below.

DELIVERABLES:

1. Schematic Design (supporting documents for Basis of Design Report)
2. Detailed Design (DD) 30%
3. Detailed Design (DD) 70%
4. Detailed Design/Construction Documents (CD) 100%

COMPENSATION:

We propose to provide the previously mentioned services as an Hourly Not-to-Exceed Fee(s) as follows:

	Discipline Total ($)
Architectural – DWL*	16,026.00
Structural Engineering – MWG	11,990.00
Cost Estimating - RLB	15,500.00
Design Allowance	5,000.00
Total Design Services	**$48,516.00**
Reimbursable Expenses**	$ 1,000.00

* DWL's personnel hourly rates are based on an Overhead Rate of 1.7335 and includes 10% profit.
**For this proposal we are estimating reimbursables for 6 half-size sets for each package.

See attached DWL estimated hourly breakdown and consultants' proposals for your review.

CONCLUSION:

We appreciate your consideration and the opportunity to submit this proposal. We look forward to working with you and the Phoenix-Mesa Gateway Airport Authority team. If you have any questions or require further explanation, please do not hesitate to contact me.

Sincerely,

DWL ARCHITECTS + PLANNERS, INC.

Re: PMGA Outbound Baggage
MWG #: 22100.00

Dear Sandra:

We are pleased to submit our proposal to provide structural engineering services for the Outbound Baggage Facility at Phoenix-Mesa Gateway Airport. Our understanding relative to the project scope and details of the services which we propose to provide, are as follow:

1. Scope:

a. Outbound baggage screening facility at the checked baggage screening facility. A new canopy over a portion of the new conveyor.

b. Design of new wall penetrations in existing building at the new conveyor locations.

2. Design Services:

a. Design Development (30% and 70%):

1. Develop foundation and framing plans. Study the existing building plans and structural systems.

2. Provide a structural narrative and draft specifications.

3. Attend in-house quality review session with the design team prior to submission to the Airport.

4. Attend coordination meeting as required.

b. Contract Documents:

1. Provide final REVIT structural model and details for construction.

2. Provide final structural calculations and project specifications.

3. Provide progress submittals sealed and signed.

4. Attend coordination meetings.
5. Review cost estimate.

6. Attend in-house quality review session with the design team prior to submission to the Airport.

3. Fees and Payments

a. The following are fee based on hourly rates , by phase (refer to attached worksheet):

Design Development 30%	$3,070.00
Design Development 70%	$4,315.00
Construction Documents	$4605.00

Total Fee Based on the attached spreadsheet: $11,990.00

Hourly rates are based on our overhead rate of 133% and include a 10% profit.

b. No Construction Administration and site visits are included in this proposal.

c. Our services will be billed monthly and are due and payable within 7 days after receipt of payment by your client for work performed for which payment has been made. Non-payment could result in actions pursuant to ARS statute 32-128 C 5.

4. Additional Services:

a. The following services are not included in the Design Phase Services. Martin, White & Griffis shall be additionally compensated for work hereunder when such services are authorized by the Architect on an hourly basis as outlined below.

1. The final Structural Special Inspections which are required by the Building Code.
2. Any changes to plans and specifications concerning any portion of the structural systems after approval of the owner have been obtained.
3. Work resulting from corrections, revisions or substitutions required because of errors or omissions in construction by the building contractor.
4. Preparation of construction cost estimates.
5. Formal value engineering studies.
6. Site visits.
7. Structural design, detailing and/or drafting services in connection with any other improvements to the structure other than as outlined in this proposal.
8. Any analysis, details and/or calculations for seismic restraint or special anchorage of equipment.
9. MWG will not be responsible for any aspect of the geotechnical work without a soils report for the site. No soils specification or information on the contract drawings will be provided.

b. Fee for additional services will be on an hourly basis at the billing rates as follows:

Senior Structural Engineer:	$180.00 / hr.
Structural Engineer:	$145.00 / hr.
Engineer EIT/Designer	$115.00 / hr.
Revit:	$100.00 / hr.

Hourly rates are based on our overhead rate of 133% and include a 10% profit.

c. Payment of the fee for additional services will be due and payable on the same basis as that for design phase services, outlined in paragraph 3 above.

d. No additional service shall be provided without prior written authorization to proceed from the Architect.

5. **Delays:** Should the project be terminated or have an extended delay at any time, the payment of fee shall be a proportional fee for services performed to termination date or date of delay.

If, for any reason, the project design is completed but no contract awarded the fee basis shall be the full lump sum fee indicated.

6. **Termination of Agreement:** This agreement is terminated if and when the agreement between the Owner and Architect is terminated. The engineer shall be promptly notified of the termination. It also may be terminated by either party upon seven day's written notice should the other party fail substantially to perform in accordance with its terms through no fault of others than the engineer, the engineer shall be paid for services performed to termination date, including reimbursements then due.

Thank you for the opportunity of submitting this proposal. If you find it satisfactory, please indicate so by signing and returning one copy, so that we will be able to proceed with the work.

Sincerely,

Thomas C. Griffis, PE
Principal

Dear Sandra:

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM CANOPY
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Thank you very much for inviting Rider Levett Bucknall (RLB) to submit a fee proposal for providing Cost Consultancy Services for the planned PMGAA Baggage Handling System Canopy located in Mesa, AZ.

Project Scope & Description

The goal of this project is to provide an update to the existing baggage handling system to include a new canopy at PMGA.

Scope of Work & Proposed Fees

Scope of Work

RLB to provide Cost Consultancy Services including the following:

Attend Project Meetings (2), Prepare One (1) Schematic Design Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 30% Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 70% Estimate of Construction Cost including review w/ project team.

Attend Project Meetings (2), Prepare One (1) Design Development 100% Estimate of Construction Cost including review w/ project team.

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM CANOPY
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Proposed Fees

Our fees for providing the following Cost Consultancy Services are as follows:

Pre-Design & Schematic Design – Prepare one (1) Schematic Design Estimate of Construction Cost including review w/ project team – 20-hours x $155 / hour - $3,100

Design Development 30% - Prepare one (1) Design Development 30% Estimate of Construction Cost including review w/ the project team - 20-hours x $155 / hour - $3,100

Design Development 70% - Prepare one (1) Design Development 70% Estimate of Construction Cost including review w/ the project team - 20-hours x $155 / hour - $3,100

Design Development 100%- Prepare one (1) 100% Design Development Estimate of Construction Cost including review w/ the project team – 40-hours x $155 / hour - $6,200

Total Base Fee - $15,500

Overhead – 160% Profit – 10%

Exclusions

Please carefully note that our proposed fees specifically do not include the following:

- this fee proposal is based on preparing one (1) construction cost estimate of one (1) design solution for each of the disciplines (Architecture, Structure, Mechanical, Electrical, etc.). Studies of alternative design options, different systems, cost reduction/value engineering, etc., are excluded. If these studies become necessary and desirable, we will prepare an added proposal for your consideration.

- preparation of new cost estimates or amendments to our cost estimates necessitated by changes in the design or by further redesigns beyond the design milestone exercises specifically included within this proposal

- cost estimating associated with any Alternates, Options and/or Value-Engineering / Value-Analysis related items.

RE: PHOENIX MESA GATEWAY AIRPORT AUTHORITY (PMGAA)
BAGGAGE HANDLING SYSTEM CANOPY
FEE PROPOSAL FOR ADD SERVICE COST CONSULTANCY SERVICES

Additional Services

If any additional Cost Consultancy Services are requested, then those services will be reimbursed in accordance with our current hourly rates which are as follows:

President, Executive Vice President	$275.00
Senior Vice Presidents, Vice Presidents	$245.77
Principals, Associates, Resident Managers	$200.00
Senior Cost Manager	$170.00
Cost Manager	$145.00
Cost Estimator	$120.00

Terms & Conditions

The terms will be as per DWL Architects + Planner's contract with Owner and the Standard AIA Consultant Agreement. Unless otherwise agreed to in writing, RLB's scope of services is limited to the extent included in this proposal.

Any additional scope, changes in the scope, or additional scope required by contract terms and conditions shall be an additional service for which additional fees will be required.

Acceptance

To signify your acceptance of this proposal, please sign below and return it to me.

In the meantime, if you have any questions, or would like to discuss some aspect of this proposal, please feel free to contact us.

Yours faithfully,
RIDER LEVETT BUCKNALL LTD.

Scott J. Macpherson MRICS
Executive Vice President

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.
This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. Civil Rights Act of 1964, Title VI – Assurances

Title VI List of Pertinent Nondiscrimination Acts and Authorities:
During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

Title VI Compliance With Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

a. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

c. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

d. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
   i. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
   ii. Cancelling, terminating, or suspending a contract, in whole or in part.

f. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six (above) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

4. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Contractor and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

5. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

6. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant

shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

7. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

8. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

   b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and

administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited

to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

Board Action Item

Re: Resolution 23-11

To:	**Board of Directors**
From:	**Brian Lehrich, CPA, Director of Finance**
Through:	**Chuck Odom, Chief Financial Officer**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Award for Solicitation 2023-023-RFP – Auditor Services**
Date:	**March 21, 2023**

Proposed Motion
To authorize a contract with CliftonLarsonAllen LLP (CLA)for auditor services in an amount not to exceed $218,225 for a period of five (5) years which includes (2) one year renewal options.

Narrative
As required by federal and state law, the Phoenix Mesa Gateway Airport Authority (PMGAA) is subject to an annual financial and compliance audit by an independent certified public accounting firm. PMGAA's previous contract for auditor services concluded with the issuance of the June 30, 2022 financial and compliance audits and as required by PMGAA procurement policy, a new RFP was issued for auditor services for the period beginning with the June 30, 2023 financial statements.

PMGAA issued a Request for Proposals, Solicitation 2023-023-RFP, on January 17, 2023, advertising in the Arizona Business Gazette on 1/19, 1/16, 2/2, and 2/9, 2023. The RFP was posted on PMGAA's website as well as the following sites: Arizona Airports Association, Airport Consultants Council, Airports Council International-North America, and Southwest American Association of Airport Executives. Thirteen prospective respondents also received copies of the solicitation by direct email. PMGAA received proposals from six firms.

The Evaluation Panel reviewed the Proposals submitted and scored and ranked the respondents. Based upon the Proposals received and the established criteria, the Evaluation Panel unanimously ranked CLA number one and recommends CLA to provide auditor services to PMGAA.

Fiscal Impact
Auditor Services are included in the Fiscal Year 2024 and subsequent operating budgets.

Attachment(s)
Professional Services Agreement

RESOLUTION NO. 23-11

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a contract with CliftonLarsonAllen LLP (CLA)for auditor services in an amount not to exceed $218,225 for a period of five (5) years which includes (2) one year renewal options;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a contract with CliftonLarsonAllen LLP (CLA)for auditor services in an amount not to exceed $218,225 for a period of five (5) years which includes (2) one year renewal options. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of March, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 2023XXXXX** ("Contract") and the attached exhibits. CliftonLarsonAllen LLP, a Minnesota Limited Liability Partnership ("Consultant"), with its principal offices located at 220 South 6th Street, Suite 300, Minneapolis, Minnesota, 55402, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Auditor Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Chief Financial Officer, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

This Contract is effective as of June 1, 2023 and ends on May 31, 2026 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended

period. All fees for the optional renewal terms are provided for in **EXHIBIT A**, "Scope of Services & Fee Schedule.". Any extension of this Contract shall require an amendment signed by both parties.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant itself shall provide all services to be performed under this Contract. If Sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – NOT USED

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $2,000,000 per occurrence, claim or incident.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage.
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.
   v. Privacy Liability: Liability arising out of the breach of personally identifiable information whether the disclosure is committed intentionally, negligently, electronically or non-electronically (i.e. laptop, dumpster diving, etc.). Coverage may also be required for breach of confidential corporate information.
   vi. Network Security Liability: Liability arising from the interruption of your systems caused by damage to your computer programs or data that results from virus, hacking, a denial of service attack, a denial of access or a simple mistake by your authorized personnel in the administration of your computer system or handling of your e-Business information assets (administrative error). This also includes liability for transmission of a computer virus to a third party via a covered computer system or the failure to prevent the use of your computer system in a denial of service attack.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims

arising out of the Consultant's work or service.

iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

The anticipated services to be provided under this agreement are listed below.

1. Consultant will audit the annual financial statements of PMGAA (comprised of the basic financial statements and notes to those financial statements), for the fiscal years ending June 30, 2023, 2024, and 2025 (and such additional years as may be agreed upon), express an opinion on the presentation of the financial statements, and provide all required opinions, schedules and letters relating to supplemental annual reporting to granting agencies. Deliverables: An electronic copy plus 15 printed and bound copies of the audit report and financial statements.
2. The management's discussion and analysis and certain other disclosures are supplementary information required by accounting principles generally accepted in the United States. Offeror will fulfill certain limited audit procedures relating to the supplementary information.
3. The financial audit will be conducted in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.
4. The compliance audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 US *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).
5. In keeping with *Government Auditing Standards* and 2 CFR § 200.333, Offeror will maintain working papers for a minimum of at least three years from the date of the audit reports. These working papers will be made available to representatives of PMGAA's cognizant audit agency (Federal Aviation Administration or designee), other government audit staff, the United States General Accounting Office, PMGAA and subsequent auditors upon their request and after they have provided Offeror reasonable notice of their request to review the working papers.
6. It is expected that in the audit process, some guidance will be offered by Consultant to help ensure high quality in the content and presentation of PMGAA's statements and reports. Consultant will also provide a management letter and issue a report on internal controls, detailing any reportable conditions of significant deficiencies in PMGAA's control structure.
7. Should Consultant become aware of any irregularities or indications of illegal acts, Consultant must make an immediate, written report to the Executive Director.
8. The audit work may begin as soon as the proposed contract is signed and should be completed by October 15 following the end of the fiscal year. Final reports should be completed, and 15 printed and bound copies delivered to the PMGAA by October 31.
9. Consultant will conduct an Audit of the Schedule of Passenger Facility Charges (PFC) revenue in accordance with 14 *Code of Federal Regulations* Part 158, "Passenger Facility Charges" requirements.
10. Consultant shall be present at certain Board meetings, and certain monthly meetings of key staff, as determined by PMGAA.

If additional services are requested by PMGAA beyond the original scope listed herein and/or should such changes in scope of work be required as a result of changes in legal or regulatory requirements upon which PMGAA is subject, Consultant and PMGAA shall agree, in writing, to the fees for the additional required services.

If PMGAA requires additional services outside of the Scope of Services, Consultant shall provide a written quote to PMGAA using the hourly rates as specified herein.

FEE SCHEDULE

For the services provided herein, PMGAA agrees to pay Consultant the following fees:

1. Not to Exceed Totals for Annual Audit and PFC Audit:

Year One (1): $41,104.00

Year Two (2): $42,337.00

Year Three (3): $43,607.00

Year Four (4): $44,915.00 (optional extension)

Year five (5): $46,262.00 (optional extension)

2. Hourly rates:

Hourly rates stated below will be applicable for the base term (years 1 through 3) of the contract and may be amended, upon mutual agreement, for the optional extension terms.

Principal: $300.00

Director/Manager: $200.00

Senior: $145.00

Associate: $125.00

Clerical: $90.00

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. Civil Rights Act of 1964, Title VI – Assurance

Title VI List of Pertinent Nondiscrimination Acts and Authorities:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English

proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

Title VI Compliance With Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

4. Project Security

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA, all Consultant and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

5. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

6. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

7. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

8. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. Termination for cause. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction. The rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this Contract.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. Termination for convenience. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives ninety (90)) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with thirty (30) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

   c. Upon termination of the Contract, the Consultant must deliver to PMGAA all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled

by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under an RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights

of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

EXHIBIT E – CONSULTANT'S RFP SUBMITTAL

Consultant's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-023-RFP dated February 14, 2023, is hereby incorporated herein and made part of this Contract.

Phoenix-Mesa Gateway Airport Authority

Board Action Item

Re: Resolution 23-12

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: SkyPlus Hotels Corp – Amendment 1
Date: March 21, 2023

Proposed Motion
To authorize Amendment 1 of the Development Lease Agreement with SKYPLUS HOTELS, CORP, an Arizona Corporation.

Narrative
In April 2021 the Phoenix-Mesa Gateway Airport Authority ("PMGAA") Board approved a development lease agreement with SkyPlus Hotels Corp to facilitate the development of an approximately 65,000 SF, 129-room hotel on Lot 116-A within the SkyBridge Arizona project. Lot 116-A is approximately 178,026 SF and has been identified as a non-aeronautical parcel.

As SkyPlus Hotels, Corp initiated its development plans for the hotel it encountered several unexpected delays. SkyPlus Hotels, Corp has requested to extend the Construction Rent Period in exchange for a payment of $7,566.11. The payment matches the cost associated with Lot 116-A being subject to Master Lease Agreement rent for the period of the proposed extension of the Construction Rent Period.

Amendment
The proposed amendment extends the Construction Rent Period from April 30th, 2023 to September 30th, 2024 in exchange for a one-time payment of $7,566.11.

Development Lease Amendment 1

RESOLUTION NO. 23-12

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize Amendment 1 of the Development Lease Agreement with SKYPLUS HOTELS, CORP, an Arizona Corporation;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes Amendment 1 of the Development Lease Agreement with SKYPLUS HOTELS, CORP, an Arizona Corporation. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 21st day of March, 2023.

FIRST AMENDMENT TO DEVELOPMENT LEASE

Development Parcel for Lot 116-A, SkyPlus Hotels, Corp, an Arizona corporation

THIS FIRST AMENDMENT TO DEVELOPMENT LEASE ("**Amendment**") is made as of the 1st day of April, 2023 ("**Effective Date**"), by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **SKYPLUS HOTELS, CORP**, an Arizona corporation ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Development Lease No. 003 dated May 1, 2021 ("**Lease**") covering certain property commonly known as Lot 116-A of the Master Plan for the Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Premises**."

B. Lessee provided Lessor with a letter dated December 20, 2022 which detailed the unforeseen issues Lessee had to deal with prior to starting construction.

C. The Parties desire to modify the Lease to accommodate unforeseen delays in the commencement of construction..

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. Base Rent Adjustment. Section 4.1 of the Lease is hereby deleted in its entirety and replaced with the following:

> 4.1 Base Rent. Lessee agrees to pay Lessor annual rental ("Base Rent") for the use of the Premises as follows:
>
> 4.1.1 Subject to Section 4.4 below, commencing on the Effective Date through September 30, 2024, Base Rent shall be $0.00 per square foot of the Premises per year.
>
> 4.1.2 Commencing on October 1, 2024 through March 31, 2048, Base Rent shall be $0.10 per square foot of the Premises per year, subject to the triennial CPI Adjustment set forth in Section 4.2 below.
>
> 4.1.3 Commencing on April 1, 2048, through the end of the Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair

market value as determined in accordance with Section 4.3 below, subject to the triennial CPI Adjustments set forth in Section 4.2 below.

3. Master Lease Base Rent Payment. On or before the Effective Date of this Amendment, Lessee shall deposit with Lessor a payment in the amount of $7,566.11 (plus applicable taxes) which represents the amount that would have been owed for Base Rent for the Premises under the Master Lease Agreement had the Premises remained subject to the Master Lease Agreement from May 1, 2021 until September 30, 2022.

4. **Construction Rent Period Adjustment.** The first sentence in Section 4.5 of the Lease is hereby deleted in its entirety and replaced with the following:

"A modified base rent for a construction period commencing on October 1, 2022 and ending on September 30, 2024 ("**Construction Base Rent Period**") has been granted to Lessee as additional consideration for entering into this Lease and agreeing to pay the Base Rent and all other charges hereunder, and to perform the terms and provisions otherwise required under this Lease."

5. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

Board Action Item

Re: Resolution 23-13

To:	**Board of Directors**
From:	**Arturo Montoya, Information Technology Manager**
Through:	**Chuck Odom, CFO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**CIP 1233 Lenel Security Servers 4yr Refresh Program**
Date:	**March 21, 2023**

Proposed Motion
To authorize the procurement of server equipment from Dell Marketing, L.P. (Dell) in an amount not to exceed $53,795.

Narrative
The Phoenix-Mesa Gateway Airport Authority's (PMGAA's) Information Technology Service (ITS) ensures the Airport's operation, compliance, and disaster recovery functionality relative to information technology industry standards. FY23 is slated to continue with prior fiscal years practice of desktop computer/server refresh replacement program per a pre-established schedule. The procurement of six (6) servers will complete a five-year refresh life cycle program. Servers are a critical component of the Airport's ability to store and access data across the network. A server plays a vital role in business technology and provides a system solution for backing up operating systems and data in the event of primary system data becoming corrupted, deleted, or lost. As part of the strategic direction of the Airport, increased attention and commitment is being placed on providing essential technology systems and services to ensure cost effective support operations.

As a qualified member of the Arizona Department of Administration State Procurement Office (ADSPO), PMGAA is able to procure goods and services under state contracts that have been competitively bid. The State has currently contracted with Dell for computer hardware and support under contract ADSPO16-098163. It is under this contract that PMGAA will procure the server equipment. This contract is available upon request.

Fiscal Impact
This purchase was included in the FY23 Capital Improvement Projects and is funded under CIP 1233.

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier´s affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

^DELL BUSINESS CREDIT (DBC): Offered to business customers by WebBank, who determines qualifications for and terms of credit. Taxes, shipping and other charges are extra and vary. The Total Minimum Payment Due is the greater of either $20 or 3% of the New Balance shown on the statement rounded up to the next dollar, plus all past due amounts. Dell and the Dell logo are trademarks of Dell Inc.

Re: Resolution 23-14

Board Action Item

To: **Board of Directors**
From: **Chuck Odom, Chief Financial Officer**
Through: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject: **Operating and Capital Budget for Fiscal Year ending June 30, 2024**
Date: **March 21, 2023**

Proposed Motion
To adopt the proposed Operating Budget, Capital Budget, Debt Service Budget, and Member Government Contributions for the fiscal year ending June 30, 2024.

Narrative
The following is an overview of the proposed budgets.

Key Assumptions for FY24 Budget

1. Member contributions will continue to partially fund capital improvements.
2. Enplaning passenger activity is expected to increase in FY24's budget by 9.5% over FY23's.
3. Aero revenue will be up 5%; Non-Aero revenue will be up 13%.
4. Air-Service Incentive Program carries over from previous fiscal year.
5. Operating Contingency is 10% of total expenses from unrestricted cash reserve.

FY24 Operating Budget Highlights

Operating Revenues:	FY23 Budget	FY24 Budget	Difference	%
Aero Op Rev: Aircraft Parking	$ 196,000	$ 243,129	$ 47,129	24%
Aero Op Rev: Fuel Flowage	741,352	769,638	28,286	4%
Aero Op Rev: Landing Fees	1,218,451	1,615,226	396,775	33%
Aero Op Rev: Lease Income	2,748,496	3,682,210	933,714	34%
Aero Op Rev: Svcs Sold	5,977,002	6,080,517	103,515	2%
Aero Op Rev: Fuel Sales	7,201,310	6,571,400	(629,910)	-9%
Total Aero Op Revenue	18,082,612	18,962,120	879,508	5%
Non-Aero Op Rev: Concess	1,195,850	1,209,836	13,986	1%
Non-Aero Op Rev: Lease Inc	1,131,592	1,165,801	34,209	3%
Non-Aero Op Rev: Parking	3,632,067	4,166,487	534,420	15%
Non-Aero Op Rev: Rental Car	2,193,000	2,665,423	472,423	22%
Non-Aero Op Rev: Svcs Sold	150,400	150,520	120	0%
Total Non-Aero Op Revenue	8,302,910	9,358,067	1,055,157	13%
Total Operating Revenue	$ 26,385,522	$ 28,320,187	$ 1,934,665	7%
Operating Expenditures:				
Communication & Utilities	$ 898,999	$ 905,502	$ 6,503	1%
Contractual Services	6,413,400	7,359,351	945,951	15%
Cost of Goods Sold	4,897,478	4,543,710	(353,768)	-7%
Insurance	652,189	696,578	44,388	7%
Other	535,571	474,792	(60,779)	-11%
Compensation & Benefits	10,468,250	11,670,064	1,201,814	11%
Repair & Maintenance	1,374,413	1,365,650	(8,763)	-1%
Supplies & Materials	983,523	1,105,779	122,256	12%
Total Operating Expense	$ 26,223,823	$ 28,121,425	$ 1,897,602	7%
Operating Income	$ 161,699	$ 198,762	$ 37,061	23%
Total Operating Expense	$ 26,223,823	$ 28,121,425	1,897,602	7%
Potential Air Incentive	2,000,000	2,000,000	-	0%
10% Contingency	2,622,382	2,812,142	189,760	7%
Total Budgeted Operating Expense Capacity	$ 30,846,205	$ 32,933,567	$ 2,087,362	7%

Capital Improvement Program (CIP) Project Summary

The proposed capital budget for FY24 is $23,986,400. The projects are listed in Attachment 1 with more detailed description of the projects in Attachment 2. The carry over capital projects from FY23 total $69,176,128 and are listed in Attachment 3 with the descriptions in Attachment 4.

FY24 Capital Improvement Program Funding Summary

FAA	$ 16,846,100
Member Contributions	4,060,000
PMGAA Cash Reserves	2,253,350
ADOT	826,950
Total for FY24	$ 23,986,400

FY23 Carry Over Capital Funding Sources

FAA	$ 31,984,874
PMGAA Cash Reserves	24,491,392
CFC	5,500,000
ADOT	4,485,790
PFC	2,714,072
Total for FY23 Carry Over	$ 69,176,128

Total Operating, Capital and Debt Service Budget Combined

Total Operating Expense	$ 28,121,425
Potential Air Incentive	2,000,000
10% Operating Expense Contingency	2,812,142
FY24 Capital Budget	23,986,400
FY23 Carry Over Capital Projects	69,176,128
Capital Maintenance Reserve	1,000,000
Debt Service Payment	1,292,000
Total Budget Operating and Capital	$128,388,095

RESOLUTION NO. 23-14

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority is required pursuant to Arizona Revised Statutes and Section 9 of the Joint Powers Airport Authority Agreement to recommend to the governing bodies of the Airport Authority's members an operating budget, capital budget, debt service budget, and capital improvement program for each fiscal year; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Phoenix-Mesa Gateway Airport Authority as follows:

> **The Phoenix-Mesa Gateway Airport Authority Board of Directors hereby adopts the Phoenix-Mesa Gateway Airport Authority Fiscal year 2024 Operating Budget in the amount of $32,933,567, the Fiscal Year 2024 Phoenix-Mesa Gateway Airport Authority Capital Improvement Program and Debt Service in the amount of $95,454,528, and incorporated as if fully set forth herein, subject to the authority granted to the Executive Director/CEO under Board Policy #15-04, and including the member government contributions and proportions provided as follows: City of Mesa $1,700,000 (41.87 %); City of Phoenix $1,300,000 (32.02 %); Gila River Indian Community $450,000 (11.08%); Town of Gilbert $350,000 (8.62 %); Town of Queen Creek $130,000 (3.20 %); City of Apache Junction $130,000 (3.20 %).**
>
> Passed and adopted by the Authority this 21st day of March, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

Phoenix - Mesa Gateway Airport Authority
FY24 Capital Budget

Attachment 2

Project # Name	Amount	Description
1072-Reconstruction of Runway 12R/30L & Twy Hotel	$16,000,000	Reconstruct Runway 12R30L from 1000 feet from north end to 500 feet north of Taxiway Lima. Project encompasses sections 20, 30, and 40 totaling almost 1 million sq ft. Project will include runway PCCP replacement, shoulder, lighting, striping, and signage improvements.
1243-Center Runway Asphalt Mill & Replace	$2,500,000	Mill 1.5" of asphalt on the full length of asphalt runway section and Twy K runway intersection. Replace with new asphalt and stripe
1223-DEMO Old ATCT, Old RTR Facility, Old ASR, Other Facilities, H24	$2,470,000	Demo old ATCT; Demo and relocate Remote Transmitter & Receiver (RTR) Facility to make way for Gateway East Development; Demolish the existing structures on Lots 50A, 50B, 50C and 45 and ready site for commercial development. Demolition activities will likely require some environmental
1267-New Airport Entrance Monument Signs	$600,000	Construct new monument airport entrance signs on both north and south ends of the airport
1259- Replc 3 Fire Protection Pumps at So. Central and Pump House	$400,000	Purchase 3 Fire protection pumps to replace existing older equipment
0964-Replc 2003 Pavement Sweeper -302	$342,000	Replc 2003 Tymco Pavement Sweeper EQP E-302 with new High Speed Runway pavement sweeper
1244-Replc Network Cores & Edge Equipment Life Cycle Refresh	$280,000	Replace Network Edge device located in each PMGAA occupied buildings. This project to ensure PCI compliance based on required refresh and update requirements. Primary & Secondary Core Router Life Cycle Refresh
1029-Replc 2 2009 Boarding Ramps 238 & 239	$180,000	Replc 2 2009 Boarding Ramps 238 & 239
1061-Replc 2002 Mobile Air Condition Unit - EQP 262	$170,000	Equipment beyond useful life and scheduled for replacement per procurement policy
1258-Replc Terminal Seats Ph1 2 Gates	$160,000	Replace beamline terminal seats at two gates
1276-Replc Center RWY Edge Lights with LED	$150,000	Replace 12C/30C quartz edge lights with LED edge lights. Provides runway lighting consistency with 12R/30L inside runway. LED is energy efficient, has less light dimming over time, and has a longer lifespan than quartz.
1260-Add Uninterrupted Power Source units to Baggage Belts	$100,000	Add Uninterrupted Power source units to the bag belts in the Bag Makeup and Baggage Claim area.
1269-Roof Coating Phase 1	$75,000	In order to maintain the warranty on the roofs that were installed/repaired/replaced, the roof coatings need to be done on many of the PMGAA owned properties. This project will be done in phases over a few years, starting roof coatings phase 1 in FY24.
1247-Replc 2-2008 Ford Escape Trucks TRK-108 & 109	$72,000	Replc 2-2008 Ford Escape Trucks TRK-108 & 109
1064-Replc Defuel/Refuel Cart -EQP 277	$70,000	Equipment beyond useful life and scheduled for replacement per procurement policy
1256-Replc 1996 8K lb Forklift	$65,000	Life Cycle replacement, meet the needs of our customers upon request, and for FBO use in operations
1250- Replc 2006 Towable Airstair unit -EQP 232	$50,000	Replc old air stairs used for enplaning and deplaning passengers from narrow body aircraft
1261-Replc Carpeting at the Terminal Gates 5, 6, & 7	$50,000	Carpet is worn and past its serviceable life and in need of replacement
1267-Baggage Claim 2 Canopy	$50,000	Need to install a Canopy over the baggage claim 2 area. This canopy will provide shade that will protect our equipment from the intense sun and provide a safer cooker work environment for the contracted employees who are moving baggage from the carts to the baggage belts
1270-Video Matrix Switch	$33,400	Hardware and programming of video matrix switch to consolidate the management and control of video surveillance display from 6 input devices to one.
1246-Replc 2 Copiers (last refresh FY18)	$30,000	Replc 2 Copiers last life cycle refresh was FY18
1271-20v Lenel Gate Controls	$25,000	Hardware and programming for PMGAA control of perimeter gate located at ATP. Resolves security vulnerability.
0864-US Customs Technology Refresh	$25,000	Perform technology refresh on US Customs computer network and equipment
1228-Replc 1999 Nitrogen Cart -EQP 267	$20,000	Replc 1999 Nitrogen Cart that is used for Aircraft Servicing
1272-Replc 2-Post Lift for Fleet Mx	$20,000	2 post lift is not sufficient to provide high safety level when working on long wheel based and heavy vehicles. 4 post lift is needed when replacing the 15 year old vehicle lift.
1273-Replc Tire Changer Wheel Balance Equipment	$15,000	The 2012 tire maintenance devices (change/balance) are losing tolerances creating additional work to maintain vehicle tires. More modernized technology increases efficiencies, reduces physical demands, making it safer for the operator.
1274-HazMat Trailer with generator	$14,000	Current HAZMAT trailer is over 20 years old. Roof and floor are rotting through. Generator past useful life and inop.
1275-West Vault Cut Out Switch	$10,000	Safety cut off between regulator and field circuits. Standardizing configuration same as east vault and FAA standards. Provides the ability to isolate circuits, which does not currently exist.
1266-Replc TWY C Sign Panel C2-C3	$10,000	Sign panels are old and need replacement to ensure continued FAA compliance
	$23,986,400	

Carry Overs Projects	FY23-FY24	Federal Aviation Admin (FAA)	State of Arizona (ADOT)	PMGAA Grant Match Funds	PMGAA Non-Grant Funds	Passenger Facility Charges (PFC)	Customer Facility Charges (CFC)	Project Totals

Phoenix - Mesa Gateway Airport Authority
FY24 Capital Budget FY23 Carry Overs

Attachment 4

Project # Name	Amount	Description
500AIR1072 Reconstruction of Rwy 12R/30L & Twy Hotel	23,503,512	Reconstruction and construction administration of Runway 12R30L from 1000 feet from north end to 500 feet north of Taxiway Lima. Project encompasses pavement sections 20,30,and 40 (See ADOT PCI map) totaling almost one million square feet. Project will include runway PCCP replacement, shoulders, lighting (edge, ERGL, etc.) , striping, and signage
500TRM1201 Terminal Modernization	11,951,000	The existing gates 1-4 are housed in a modular building that exceeds its usable life and is causing increased maintenance issues.
500FUE1224 Increase Jet A Storage Capacity Design & Construct	9,000,000	Expansion to meet expected activity for airfield activity
500PKG1242 Construction of Rental Car Care Facility	5,500,000	Improvements include demolition of existing fence, building, canopy, pavement and fueling equipment. Redevelopment of site will include new administration & Mx Buildings, car service canopies, car vacuum bays, car wash building, new asphalt, concrete pavements, utilities, fueling equipment pads, fire hydrants and traffic markings.
500TRM1252 Design & Construct Enclosed Pedestrian Walk Way	3,632,619	Due to the increased passenger traffic accessing the TSA Security checkpoint, PMGAA staff is recommending to have a Programmatic Design created that will connect the Ticketing Terminal and TSA Checkpoint areas under one roof. Currently our passengers must exit the Ticketing Terminal, walk up a ramp to access TSA Secure Checkpoint. This access point has a great deal of confusion since some passengers don't check baggage, but instead proceed straight to the checkpoint. The current entry point gets overcrowded with people accessing it from two different directions, creating gridlock, confusion and safety issues from people standing in the heat.
500AIR0741 Design and Recon Twy H Between B and 12R	1,248,005	Design & Reconstruct Taxiway H between Taxiway B and Runway 12R. 250' x 75' (2,100 SY PCCP), plus 250' x 30' shoulders (1,700 SY AC), including lighting, drainage, signage & marking. According to AP Tech report dated March 2010, the pavement condition index (PCI) is rated at 66.
500AIR0744 Taxiway W Design & Recon	743,657	Design and reconstruct a section of Taxiway Whiskey located on the southern portion of the taxiway and north of intersection of W and T. 2013 pavement condition index (PCI) for the worst section is rated at 57, approaching pavement failure if not reconstructed in the intermediate term. The dimensions of the section is 22' x 405' (8,910 SF). Project to address edge lighting, markings, shoulder, drainage as required.
500RDW0982 Taxiway Circle Access Rd Reconstruction	450,000	Due to age of pavement and wear and tear on the roadway after being the haul route for two major projects and ATCT this access roadway in front of 1080 will be need if replacement.
500SDD0389 Demo Existing Structures	270,000	Demo of existing reinforced PCC structures located in the Mesa Skybridge Arizona leasehold
500PLN1253 Eastside Terminal Analysis	200,000	Planning for potential growth and cost implications on the Eastside of the Airport
700EQP0284 Purchase Pavement Cleaning Machine	675,000	Purchase pavement cleaning machine that has capabilities to clean pavements and markings, remove rubber, remove paint markings and prep for marking.
700VHC1226 Replc 2003 Ford Ranger - TRK 545	2,335	Replc 2003 Ford Ranger - TRK 545
Capacity Increase to carry over	12,000,000	This budget will cover any new projects that come up or existing projects that are delayed and need to carry over into FY24
	69,176,128

Re: Solicitation Notification
Date: **March 21, 2023**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Proposals	2023-017-RFP	Preconditioned Air Units & Ground Power Units	March 2023
Request for Proposals	2023-019-RFP	Remote Transmitter and Receiver (RTR) Relocation	April 2023
Request for Proposals	2023-023-RFP	Auditor Services	April 2023
Request for Proposals	2023-018-RFP	Insurance Broker Services – Health & Welfare Benefits	May 2023

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-006-RFP	Car Rental Concessions	March 2023	September 2023
Invitation for Bid	2023-022-IFB	RW 12R-30L Reconstruction & TW 'H' Demolition & TW 'B2' Construction	April 2023	June 2023

Management Information Report

To: **Board of Directors**
From: **Bob Draper, Engineering and Facilities Director**
Through: **Chuck Odom, Chief Financial Officer**
J. Brian O'Neill, A.A.E., Executive Director/CEO
Re: Rental Car Care Return Lot Renovation Project Change Order, CIP 1222
Date: **March 21, 2023**

On March 15, 2022, the Board approved a contract for Construction Services for the Rental Car Return Lot Renovation project with SDB Contracting Services, resolution #22-06, in the amount of $671,121. Since the project has been underway, Airport staff has issued one change order against the contract in the amount of $16,916.67 for a change to the scope mid-way through the project, resulting in a final total contract amount of $688,037.67.

This project is funded by CFC funds. SDB's portion of the project has been completed and closed by Airport staff.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, April 18, 2023 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Presentation: SkyBridge Annual Report** – Will Moseley, SkyBridge Arizona General Manager

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **March 21, 2023**.

   b) **Resolution No. 23-15 –** Approving additional changes to the **Airport Rules and Regulations**.

   c) **Resolution No. 23-16 –** Authorizing the filing of **grant applications** including agreeing to all understandings and assurances contained therein; and, authorizing the acceptance and execution of any Federal Aviation Administration (FAA) or other Federal agency, State of Arizona, Arizona County or Arizona Local Municipal grant offer(s), applied for or received between July 1, 2023 and June 30, 2024 by the Chair of the Authority, the Executive Director/CEO, Deputy Director/COO or Chief Financial Officer/CFO.

   d) **Resolution No. 23-17 –** Authorizing a Contract with **Arizona West Builders and Communications, Inc. (Arizona West)** for Design and Construction Services for the Remote Transmitter and Receiver (RTR) Building Relocation in an amount not to exceed $1,167,755.52 under CIP 1219.

   e) **Resolution No. 23-18** Authorizing the purchase of Jet A and 100LL Avgas fuel from **Ascent Aviation Group, Inc. (World Fuel)** for Airport Authority resale in the amount of $450,000.

Consideration and Approval of:

8. **Resolution No. 23-19** Authorizing a Construction Manager At Risk (CMAR) Construction Services Contract and Guaranteed Maximum Price (GMP) 2 for the Fuel Farm Expansion Project with **KEAR Civil Corporation (KEAR)**, in an amount not to exceed $2,874,552 under CIP 1224.

9. **Resolution No. 23-20** Authorizing the Executive Director/CEO and/or delegate to negotiate and execute a final Construction Manager at Risk (CMAR) Construction Services contract, with **Willmeng Construction, Inc. (Willmeng)** for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $3,540,125 under CIP 1252**.**

10. **Resolution No. 23-21** Authorizing a Construction Administration contract, with **DWL Architects** for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $175,924 under CIP 1252**.**

11. **Board Member Comments/Announcements**

12. **Next Meeting: Tuesday, May 16, 2023 at 9:00 a.m.**

13. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Phoenix-Mesa Gateway Airport

- Gateway Airport Improving Vehicle Parking Information on Website

Executive Director's Report

April 2023

Financial Snapshot

OPERATING INCOME	February		Month Variance	FYTD Comparison		FYTD Variance
	2022	2023		FY22	FY23	
Revenues	$2,346,276	$2,460,262	**$113,986**	$16,406,574	$19,223,776	**$2,817,202**
Less Expenses	$1,875,365	$2,141,405	**$266,040**	$14,442,676	$16,847,166	**$2,404,490**
Operating Income *(Before Depreciation)*	**$470,911**	**$318,857**	**($152,054)**	**$1,963,898**	**$2,376,610**	**$412,712**

Investment Fund Balances: As of February, the Local Governmental Investment Pool (LGIP) 700 = $6,059,739; Wells Fargo; Collateralized Money Market = $13,103,297 and Brokered CD's = $37,383,318; Total $56,546,354. The market value accounting adjustment was $103,082 for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments. However, these results reflect an improvement in investment results.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a net operating income of $318,857 for February 2023, a decrease of $152,054 compared to the monthly operating income in February 2022. February's financial results were mixed when compared to the prior months of fiscal year 2023 (FY23). Aeronautical fuel sales remained strong with continued growth in retail jet fuel sales and non-aeronautical concessions and parking revenue improved. However, concessions and parking revenues were primarily improved by the addition of new concession locations and a scheduled increase in parking rates.

Operating expenditures for February 2023 increased by 14% over February 2022, reflecting higher costs for aviation fuel, Authority personnel, contractual services, and operational maintenance.

Fiscal year-to-date 2023 (FYTD23), total operating revenues improved by 17% and operating expenditures increased by 17%. Total operating expenditures are 2% under FY23 budget.

At their March 21, 2023 meeting, the PMGAA Board of Directors approved the FY24 Operating, Capital, and Debt Service Budget of $128,388,095.

PMGAA Solicitations

This update is to provide notification of active and upcoming solicitations to ensure compliance with PMGAA's procurement transparency clause.

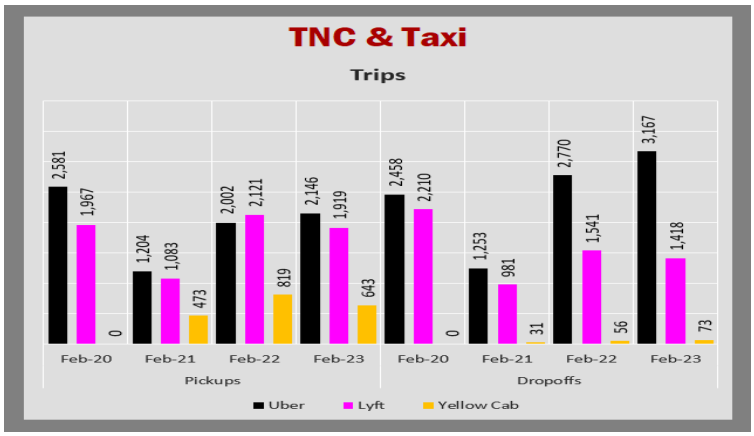
Request for Proposals	2023-021-RFP	Vending Services	May 2023

Airport Operations

Uber, Lyft, and Turo Changing Ground Transportation Industry

A decade ago, transportation to and from the airport consisted of using your personal vehicle, renting a car, asking a family member or friend for a ride, taking the bus, scheduling a van, or calling a taxi. Today, the ground transportation industry has changed dramatically with the growing popularity of ridesharing pioneers Uber and Lyft, and peer-to-peer car rental companies like Turo and Zipcar.



The graph at the right is a snapshot of the current ground transportation environment at Phoenix-Mesa Gateway Airport (Airport, Gateway Airport). As you can see, Uber and Lyft represented 8,650 pick-ups and drop-offs in February 2023, while taxicab companies operating at the Airport had just 716. Also, during the month of February 2023, Gateway Airport newcomer Turo reported $462,220 in gross sales.

PASSENGER COUNTS		February		% Change	FYTD		% Change

Engineering and Planning

Utilities and Footings Being Placed for 5-Gate Terminal Addition

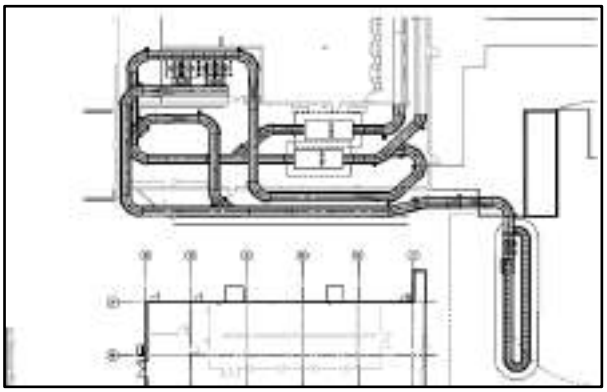
Preparing the Site for Construction of a 30,000 Sq. Ft. Terminal Addition

Record-setting commercial passenger activity is exciting for Gateway Airport and financially beneficial for the regional economy of greater Phoenix. PMGAA, in an ongoing effort to ensure that facilities and infrastructure keep pace with the growing popularity of the Airport, is constructing a 5-gate, 30,000 sq. ft. terminal addition. The project is scheduled for completion in January 2024.

McCarthy Building Companies, Inc., the project's construction manager, is busy installing in-ground utilities and concrete footings in preparation to pour the building's foundation next month.

Gateway Airport Upgrading TSA In-Line Checked Baggage System

PMGAA is working with the Transportation Security Administration (TSA) on a project that will greatly improve the processing time and overall efficiency of Gateway Airport's in-line checked baggage system. Technological advancements in explosive detection equipment have allowed the TSA to partner with airports to increase throughput of the checked baggage that is screened prior to being loaded onboard an aircraft. The Airport's upgraded system will include new explosive detection equipment and variable speed conveyors.



Business Development

Gulfstream's 225,000 Sq. Ft. West Coast Service Center Taking Shape

One of the largest buildings in the history of the Airport is being constructed on the east side of Gateway Airport. Gulfstream Aerospace's 225,000 sq. ft. west coast service center is rising from the desert adjacent to Ellsworth Road. The $100MM+ project is scheduled to be completed and operational by the end of 2023.

Roof Trusses Being Installed at Gulfstream's New Facility

The City of Mesa is working with Gulfstream and PMGAA to provide the critical infrastructure and utilities necessary to unlock the east side for development and complete this important project.

Allegiant Leases 63,000 Sq. Ft. Hangar for Maintenance Operation

Rendering of Allegiant's New Maintenance Hangar

Allegiant Air, Gateway Airport's largest commercial airline with more than 50 nonstop destinations across the U.S., is doubling the size of its airfield facilities in Mesa. The industry leading ultra-low-cost carrier has significantly increased their investment in greater Phoenix by leasing a 63,000 sq. ft. hangar and expanding aircraft maintenance operations in Arizona. This is the first Allegiant maintenance facility that can accommodate every aircraft in their growing fleet.

Virgin Galactic's Second Hangar Goes Vertical

It's always so exciting to watch a major private development project going vertical at Gateway Airport. The anticipation begins with the sitework and utilities and grows as the pad is poured and the steel is delivered.

Steel Beams Ready to be Placed at Virgin Galactic's Hangar

Virgin Galactic's second hangar, a 115,200 sq. ft. spaceship manufacturing facility, is making real progress with the concrete block outer walls being laid in April. Once the masonry is complete, steel will be erected, and exterior fabricated panels put in place.

Projects like Virgin Galactic and Gulfstream are dramatically changing Gateway Airport. These large tenants represent thousands of jobs and hundreds of millions of dollars in economic benefit to the local community.

TOTAL	12	22	98	107

PMGAA received communications from 22 individuals regarding aircraft noise issues during the month of February 2023, compared to the 12 PMGAA received last February. Spring is a very busy travel season for greater Phoenix, as sun-seeking visitors from colder climates flock to Arizona for a much-needed vacation or a visit with family and friends living in the Valley.

PMGAA Team Member Spotlight

Employee Name: **Daniel Carbone**
Employee Title: **Shift Supervisor**
PMGAA Department: **Gateway Aviation Services**
Years with PMGAA: **11**

What are your job responsibilities for PMGAA? I am responsible for supervising the FBO line on B shift 1300-2100. I make sure our customers receive great customer service as safely and quickly as possible. Requests include, but not limited to, fueling, push/tow service, escorting, and oxygen servicing. We must be knowledgeable with a wide variety of aircraft as our customers range from commercial, corporate, general aviation, military, and USFS.

What is your most memorable Gateway Airport moment? Prior to supervising B shift I was the C shift supervisor for almost 6 years which is different in many ways! One New Year's Eve, I happened to be working with John Burgmeier who was airfield OPS at the time, and we went to the air traffic control tower to observe the fireworks around the valley from the outside catwalk.

What is something people may not know about you? I used to have an import company that focused on obtaining ornamental corals from countries around the world like Indonesia, Australia, Vietnam, and Tonga. This started with my love of scuba diving and everything under the ocean. I no longer have the business as many things in the trade industry have changed over the years. However, I do still have a reef aquarium and maintain my advance diving certification.

Gateway Aviation Services

PMGAA pumped more than 1.55MM gallons of aviation fuel during the month of February 2023, a 22% decrease compared to the almost 2MM gallons dispensed during last February. Commercial Jet A fuel was down 19% during the month, another reminder of the on-going financial and operational impacts the national pilot shortage is having on airports across the country.

PMGAA expects to resume commercial service growth as new pilots are hired and routes are restored.

FUEL (Gallons)	February			FYTD		
	2022	2023	% Change	FY22	FY23	% Change
AvGas	37,218	35,018	-6%	294,309	323,673	10%

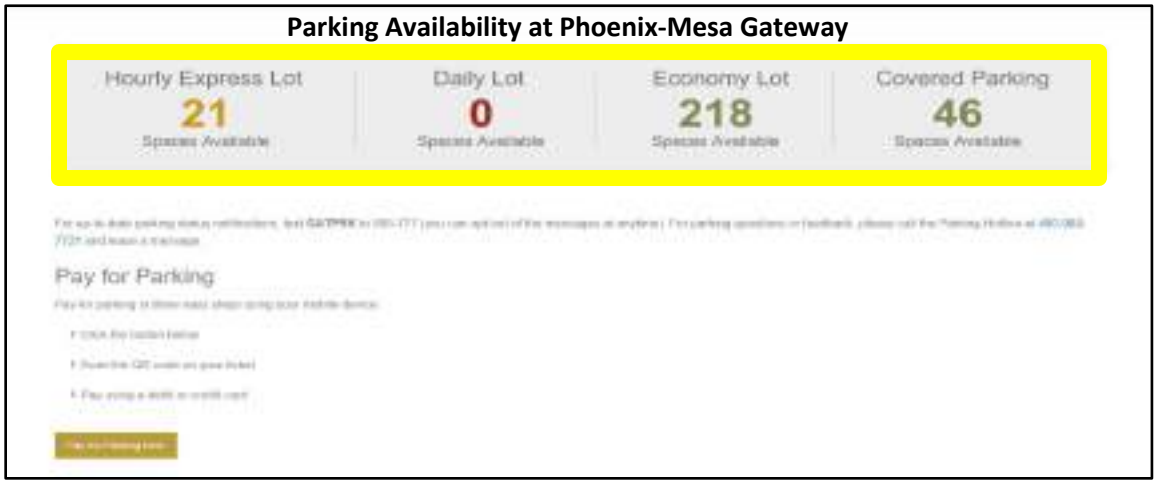
TOTAL	**1,989,394**	**1,550,127**	**-22%**	**12,747,667**	**11,670,577**	**-8%**

Community and Government Relations

Gateway Airport Improving Vehicle Parking Information on Website



Preparing to travel from Gateway Airport for a trip with friends to Las Vegas? Don't gamble with your parking! Visit the Airport's website, www.gatewayairport.com, and get live, up-to-date parking availability information with a few quick clicks. PMGAA is adding new features to its website to provide even more pertinent information to assist air travelers. Flight on time? Check the website! Is there parking availability at the terminal? Check the website! What food options are offered inside the terminal? Yes, you guessed it…Check the website!

Thank you for choosing Gateway Airport. PMGAA is always striving to make your travel experience better! If you'd like to share your suggestions, please visit our website and click on the **Feedback** link.

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | March 21, 2023

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, March 21, 2023, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix*
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community *(via audioconference)*
Vice Mayor Jeff Brown, Queen Creek
Mayor John Giles, Mesa
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney
Tony Bianchi, Planning Project Manager

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $2,064,943.
   - Record setting passenger activity in January 2023! (176,267 total passengers)
   - Flair Airlines announced their Winter 2023 schedule will no longer provide service from Canadian cities Vancouver and Edmonton to Phoenix-Mesa Gateway Airport (Airport). Instead, they will re-direct their Canadian flights into Phoenix Sky Harbor.
   - The City of Mesa currently provides Aircraft Rescue and Fire Fighting (ARFF) services at Phoenix-Mesa Gateway Airport through a contract with PMGAA. The Authority is undertaking a study to evaluate if there are any significant benefits, financial or other, to providing ARFF services with ARFF-certified Authority staff instead of a third-party contractor.
   - DSV Air and Sea is a global transport and logistics company. In February they signed a lease for a 22,000 sq. ft. hangar at Gateway Airport. On March 9th a successful cargo test flight was held to familiarize company employees and contractors with the Airport's airfield and to ensure the large Boeing 747 aircraft can operate safely on the Airport's taxiways and ramp area.
   - The City of Mesa is working to construct roadway and utility infrastructure to allow for both the Gulfstream development and the first 100 acres of Gateway***East***'s development.

DRAFT

- In FY2022, PMGAA submitted a grant request for $20MM as part of the Bipartisan Infrastructure Law (BIL) Airport Terminal Program and received $14.4 MM; creating a $6MM delta. PMGAA is already investing $8MM into the terminal project. In FY2023, PMGAA submitted a phase II grant request for the remaining $6MM needed to complete the project. PMGAA was not awarded a grant. PMGAA is now working with the Arizona Legislature on a bill requesting a $6MM infrastructure grant from the state to fill the void for the funds the federal government was unable to provide.
- On February 21, 2023, SkyBridge Arizona held a groundbreaking event for the first of two 250,000 sq. ft. industrial buildings. These two large buildings are being built to accommodate both single and multiple tenants. SkyBridge Arizona is also under construction on a new 129-room hotel and is working on approximately $40MM in horizontal infrastructure.
- Gulfstream Aerospace has established a base at the Airport and is leasing over 100,00 sq. ft. of hangar space while their new 225,000 sq. ft. West Coast Service Center is being constructed. They have already hired approximately 100 local employees.
- Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships. Substantial completion of these hangars is expected by the end of 2023/beginning of 2024.
- Construction of the underground utilities for the Airport's new 30,000 sq. ft. five-gate terminal addition continues. Gone is the 10,000 sq. ft. portable four-gate facility that was constructed in 2008. During construction a 6,000+ sq. ft. temporary terminal facility has been erected to serve as a hold room for three-gates.
- Gateway Airport is continuing its expansion of the Alpha Apron. Phase IV is an additional 250,000 sq. ft. of concrete to increase parking for larger and heavier aircraft. Alpha Apron Phase III was completed last year. Phase IV expansion will be complete at the end of April 2023.
- Center Runway Reconstruction began October 3, 2022 and is anticipated to be completed by the end of April 2023.
- PMGAA has completed construction of two Taxiway Charlie connectors for Gulfstream. This project will provide for the efficient flow of aircraft to and from the airfield and Gulfstream's new facility.
- The Rental Car Care Facility, where all rental vehicles are maintained, washed, and vacuumed will undergo updates beginning in the spring of 2023 and will take approximately nine to twelve months to complete. Customer Facility Charge (CFC) funds are fees assessed to passengers renting cars at the Airport. The CFC amount is $3.50 per rental day. These funds go into a dedicated account and can only be used to improve the infrastructure and facilities for rental car operations. The $8MM project to update the Rental Car Care Facility is funded by CFCs.
- The Authority has purchased three new 50,000-gallon Jet-A fuel storage tanks that will be delivered in August. This additional fuel storage capacity will provide the Airport with approximately seven days of on-Airport fuel storage.

6. **Presentation: Gateway Tomorrow Introductory Overview –** Tony Bianchi, Planning Project Manager
   - Gateway Tomorrow is a planning initiative designed to reset and refine the vision for a future commercial passenger terminal campus on the east side of Airport. The goal of this project is to develop a vision that will provide guidance to PMGAA and its stakeholders in the future decision-making process for the relocation of the passenger terminal and support facilities from the west side

of the Airport to the east side. As part of the Terminal Analysis, there are three main components being considered.

1. Landside: roadside circulation, curb front, parking, ground transportation and rental car facilities
2. Terminal: ticketing, security, waiting areas, concessions, baggage services
3. Airside: gates, aircraft access, support services, fueling

7. Consent Agenda

a) **Minutes** of the Board Meeting held on **February 21, 2023**.

b) **Resolution No. 23-08 –** Authorizing the purchase of four (4) Aircraft Ground Power Units (GPU) and four (4) Preconditioned Air Units (PCAU) from **ITW GSE, Inc. (ITW)** in an amount not to exceed $617,852 under CIP 1240. The amount proposed includes an extended warranty.

c) **Resolution No. 23-09 –** Authorizing an Amendment of the FY23 Capital Budget to provide $438,891 in funding for the Transportation Security Administration (TSA) In-Line Checked Baggage System Design under CIP 1265 subject to receipt of a **TSA Other Transaction Agreement (OTA) Grant**.

d) **Resolution No. 23-10 –** Authorizing an Agreement with **Studdiford Technical Solutions, LLC (Studdiford)** for Professional Engineering Services, for the In-Line Checked Baggage System Design, in an amount not to exceed $438,891 under CIP 1265 subject to receipt of a TSA OTA grant.

e) **Resolution No. 23-11 –** Authorizing a contract with **CliftonLarsonAllen, LLP** for auditor services in an amount not to exceed $218,225 for a period of five (5) years which includes (2) one year renewal options.

f) **Resolution No. 23-12 –** Authorizing Amendment 1 of the Development Lease Agreement with **SKYPLUS HOTELS, CORP**, an Arizona Corporation.

g) **Resolution No. 23-13 –** Authorizing the procurement of server equipment from **Dell Marketing, L.P. (Dell)** in an amount not to exceed $53,795.

Mayor Chip Wilson moved to approve the Consent Agenda.
Vice Mayor Jeff Brown seconded the motion.
The motion was carried unanimously.

Consideration and Approval of:

8. **Resolution No. 23-14** Adopting the proposed **Operating Budget, Capital Budget, Debt Service Budget**, and **Member Government Contributions** for the fiscal year ending June 30, 2024..

Mayor John Giles moved to approve Resolution No. 23-14.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

9. **Board Member Comments/Announcements.**

Lt. Governor Antone inquired about the relocation of the display case of Indian heritage artifacts. The case was originally located near what is now a construction area for the terminal modernization project. The display case has been successfully relocated to a new, high-traffic location near O.H.S.O. Brewery.

10. **Next Meeting: Tuesday, April 18, 2023** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by audioconference.

11. **Adjournment.**
    The meeting adjourned at 9:43 a.m.

Dated this _____ day of _____ 20___.

_____

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Addition to section 5.8 Fire Equipment - Rules & Regulations**
Date:	**March 2, 2023**

Proposed Motion
To approve additional changes to the "Airport Rules and Regulations."

Narrative
The "Airport Rules and Regulations" is reviewed annually to ensure consistency and effectiveness and to keep our organization up to date with industry best practices.

Pending approval, the "Airport Rules and Regulations" revision is summarized as follows:

Chapter 5 – Fueling, Fire and Environmental Safety, section: 5.8 Fire Equipment, added *New hangar construction which requires fire suppression shall be free of perfluoroalkyl and polyfluoroalkyl substances (PFAS) unless otherwise approved by the Executive Director.*

The public notice with summary of changes to the "Airport Rules and Regulations" was posted and available to view on our www.gatewayairport.com website and a letter was sent to our tenants on March 2, 2023, notifying them of our proposed revisions and to allow our tenants and other users of Phoenix-Mesa Gateway Airport a 30-day review and comment period. That period concludes on April 3, 2023. In the interest of accuracy and transparency, an inadvertent 6-day gap in posting occurred on the website between March 21, 2023 and March 27, 2023.

Attachment
Revised "Airport Rules and Regulations"

RESOLUTION NO. 23-15

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to amend the Airport Rules and Regulations;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby amends the Airport Rules and Regulations. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 18th day of April, 2023.

Brigette Peterson, Chair

CHAPTER 1: PURPOSE, SCOPE & AUTHORITY

1.1 Purpose and Scope

These Rules and Regulations have been adopted and approved by resolution of the Phoenix-Mesa Gateway Airport Authority (PMGAA) and apply to the geographical property known as Phoenix-Mesa Gateway Airport. The provisions of this document are intended for the safe, orderly, and efficient operation of Phoenix-Mesa Gateway Airport, hereafter referred to as "Airport".

1.2 Authority

On May 19, 1994, the City of Mesa, Towns of Queen Creek, and Gilbert created the Williams Gateway Airport Authority, later renamed the Phoenix-Mesa Gateway Airport Authority ("PMGAA"), a Joint Powers Airport Authority, pursuant to Arizona Revised Statutes (A.R.S) Title 11, Chapter 7, Article 3 and Title 28, Chapter 25, Article 8. The Gila River Indian Community, City of Phoenix, and City of Apache Junction joined the Airport Authority in 1995, 2006 and 2013 respectively. PMGAA was formed to develop, reuse, operate, and maintain the Airport property and facilities at the former Williams Air Force Base.

With the August 1995 Record of Decision, the U.S. Air Force confirmed that PMGAA would receive, at no cost, nearly 3,000 acres of land, with three runways (10,400-foot, 10,200-foot, and 9,300-foot), 120 buildings or facilities (such as navigation aids), and the improvements thereon. A long-term lease with the U.S. Air Force was executed on January 16, 1996. Fee conveyance for the majority of the property occurred on April 29, 1998. Through the Joint Powers Airport Authority legislation and subsequent property conveyance, PMGAA is entitled to adopt and enforce these Rules and Regulations governing the safe operation of activities on the Airport.

The Rules and Regulations, Airport Minimum Standards and Airport Rates and Charges are all part of the Airport's governing documents. The administration of the terms of each of the documents independently and as a whole, shall be under the authority, responsibility, administration and control of the Executive Director/CEO or designee.

1.3 Compliance

All persons on any part of the property comprising the Airport shall be governed by these Rules and Regulations and by other directives of the Executive Director/CEO or designee relative to the use or occupation of any part of the property comprising the Airport. Permission granted to any person by the Executive Director/CEO directly or indirectly,

expressed or implied, to enter upon or use the Airport or any part thereof is conditioned upon compliance with these Rules and Regulations. Entry upon or onto the Airport by any person shall be deemed to constitute an agreement by such person to comply with such Rules and Regulations.

1.4 Enforcement

a. The Executive Director/CEO is empowered to enforce these Rules and Regulations through Airport staff and the City of Mesa Police Department. All persons in the Airport shall respond to directives issued by Airport Operations personnel, under the direction of the Executive Director/CEO, relative to the enforcement of these Rules and Regulations. Violations of Rules and Regulations may result in different forms of action including but not limited to verbal or in writing such as a Notice of Violation (NOV) issued by Airport Operations personnel.

b. The Executive Director/CEO or designee may remove or evict from the Airport premises any person who knowingly, willfully or recklessly violates any rule or regulation prescribed herein, or any rule or regulation in effect by the federal government or the State of Arizona and may deny use of the Airport and its facilities to any such person if it is determined that such denial is in the public interest, notwithstanding any contractual arrangements.

c. If any provision of these Rules and Regulations is held to be invalid, the remainder of these Rules and Regulations shall remain in full force and effect. Future amendments, additions, deletions or corrections to these Rules and Regulations will be incorporated into the document as required and as directed by PMGAA.

d. Any person who feels these Rules and Regulations have been unjustly applied or enforced shall comply with the directives of PMGAA until such matter is resolved. Concerns regarding any enforcement practice shall be submitted in writing to the Executive Director/CEO within seven (7) days of the date of occurrence along with a description of the situation, the actions taken by Airport staff, and the desired resolution.

1.5 Variance

a. Any variance of the literal requirements of these Rules and Regulations may be granted by the Executive Director/CEO when strict enforcement is impractical, results in unnecessary hardship, or is contrary to the safety of flight operations. The granted variance shall result in substantial justice and is in accordance with the spirit of the Rules and Regulations.

b. When an emergency exists at the Airport, the Executive Director/CEO or designee is empowered to issue directives and take such action as necessary to protect people, property and assets and promote the safe operation of the Airport. Such directives and actions of the Executive Director/CEO or designee have the power of regulation as long as the emergency exists.

c. PMGAA reserves the right to revoke, cancel or change any and all of these Rules and Regulations at any regular or special Board of Directors (Board) meeting with notification as required under A.R.S. All changes issued from time to time shall be considered as addenda to these Rules and Regulations. Future amendments, additions, deletions or corrections to these Rules and Regulations will be incorporated into the document as required and as directed by PMGAA.

1.6 Adoption of Federal and Local Regulations

a. Title 14, Code of Federal Regulations (CFR) Federal Aviation Regulations(FAA), Title 49, CFR (Transportation Security Administration Regulations), Title 40, CFR (Federal Environmental Regulations), Title 21, CFR (Food and Drug Administration), A.R.S Title 28 (Transportation), A.R.S Title 49 (Environment), Maricopa County Air Pollution Control Regulations, City of Mesa Fire Code, and other compliance documents required by Federal, State, or local government, whether presently or hereafter effective, are hereby referred to, adopted, and made part of these Rules and Regulations as though fully set forth and incorporated herein, as each may be amended from time to time.

b. Federal, State, or local laws or ordinances, in the event of any conflict, supersede PMGAA Rules and Regulations.

c. The Rules and Regulations shall in no way supersede or abrogate regulations set forth in FAA Federal Aviation Regulation (FAR) Part 139, Certification and Operation of Airports, nor Transportation Security Administration (TSA) Part 1542, Airport Security, as established and approved for PMGAA.

1.7 Waiver of Liability

Any permission granted by the Executive Director/CEO to use the Airport and its facilities, or to fly to, from, or over the same shall be at all times conditioned upon the assumption of full responsibility and risk associated therewith. It shall be a further condition thereof that each person, as consideration of the use of the Airport and its facilities, shall at all times indemnify PMGAA, the Board, the Executive Director/CEO, and employees from and

against any and all liability, responsibility, loss, or damage, resulting to any such person or caused by or on his behalf, and incident to the manner in which the Airport is operated, constructed, or maintained, or served from within or without, or used from without. The use of the Airport by any person for any purpose, or the paying of fees thereof for the taking off or landing aircraft therein shall be itself an acknowledgment that such person accepts such privileges on the conditions herein set forth.

This page intentionally left blank.

CHAPTER 2: GENERAL RULES AND REGULATIONS

2.1 Abandonment of Property

No person shall abandon any personal property at the Airport. If not claimed by the owner within seven (7) days, such articles will be handled in accordance with A.R.S. Title 44, Chapter 3.

2.2 Accident Reporting

Accidents resulting in damage to property, injury requiring professional medical treatment, or interference with normal operations must be reported to Airport Operations as soon as possible after the occurrence.

2.3 Advertisements & Printed Materials

Advertisements and other printed materials shall not be posted, distributed, displayed, or circulated at the Airport without the express written consent of the Executive Director/CEO, unless posted in areas specifically authorized for advertisements. The authorization may include time constraints as well as limiting the number of persons distributing the printed materials.

2.4 Alcohol

No person shall drink any intoxicating liquor upon any portion of the Airport open to the public, except in such restaurant or other place as shall be properly designated and licensed for on-sale liquor dispensing.

2.5 Animals

a. Animals other than those required for American with Disabilities Act (ADA) assistance or law enforcement dogs, are not allowed within the Airport Restricted Area unless being transferred or shipped, and/or under the control of their owner or handler by leash, harness, restraining strap, or cage. Leashes, harnesses, and straps shall not exceed six (6) feet.

b. No person shall enter any public building with any animal, except animals required for assistance or when such animals are leashed or containerized for air shipment.

c. Owners or handlers are responsible for the immediate removal and disposal of animal waste.

d. No person shall feed or engage in any other act to encourage the congregation of any animals on the Airport.

2.6 Bicycles, Rollerblading and Skateboarding

a. Bicycles within the Airport Restricted Area shall only be operated by Airport or tenant employees in the performance of their duties and shall not be operated within 50 feet of an aircraft under power.

b. Bicycle operators within the Airport Restricted Area must conform to all posted and non-posted rules and regulations regarding the use of vehicles.

c. Skateboarding and rollerblading are not permitted within the Airport Restricted Area.

2.7 Commercial Activity

Commercial activity of any kind requires the express written permission of the Executive Director/CEO through a specifically authorized lease, sublease, operating agreement, license, permit or written temporary permission and the payment of fees, as required.

2.8 Commercial Photography

a. No person shall take a still, motion, or sound picture on the Airport for commercial purposes without the permission of the Executive Director/CEO and the payment of fees, as required. The Executive Director/CEO may allow any of the following to take pictures on the Airport for commercial purposes:

   1. Professional photographers and motion picture cameramen photographing events on the Airport as representatives of bona fide news organizations.

   2. Professional photographers and motion picture cameramen photographing events at the Airport for non-profit exhibition, to stimulate interest in air commerce or travel, or for non-profit educational purposes.

   3. Professional photographers photographing scenes on the Airport for general artistic purposes.

   4. Aviation photographers photographing aircraft in public or designated areas.

b. No person shall take a still, motion, or sound picture in any area exclusively leased to an Airport tenant without the permission of the tenant and coordination with the Executive Director/CEO's Office.

c. Any approved activity within the Airport Restricted Area shall have proper escort.

2.9 Fees

Fees, rates and charges shall be established, scheduled and published from time to time, by PMGAA and where applicable, paid to PMGAA by users of the Airport.

2.10 Hunting

Hunting on the Airport is prohibited, with the exception of wildlife control measures undertaken to further aviation safety in accordance with the Airport's approved wildlife management plan.

2.11 Loitering

No person shall loiter in Airport buildings or on Airport property. This includes occupying passenger terminal buildings or property in excess of 24 hours prior to a ticketed flight unless authorized by the Executive Director/ CEO.

2.12 Lost and Found Articles

Lost and found articles shall be deposited with Airport Operations. Such articles will be handled in accordance with A.R.S. Title 44, Chapter 3, Section 1.

2.13 Obstruction

No person, except law enforcement officers, firefighting personnel, TSA, FAA and PMGAA personnel may intentionally obstruct, delay, physically disturb or interfere with the free movement of any other person on the public areas of the Airport, unless doing so in accordance with the Airport's security challenge procedures.

2.14 Overnight Camping

Overnight camping, including occupancy of vehicles, on the Airport is prohibited unless authorized by the Executive Director/CEO.

2.15 Permits

Permits and licenses authorizing certain activities on the Airport shall be issued and revoked at the discretion of the Executive Director/CEO.

2.16 Preservation of Property

a. No person shall destroy or cause to be destroyed, injure, damage, deface, or disturb in any way, property of any nature located on the Airport. Any person causing or responsible for such injury, destruction, damage, or disturbance shall report such damage to Airport Operations and shall reimburse PMGAA the full amount of repair

or replacement of the property.

b. No person shall take or use any aircraft, aircraft parts, instruments, or tools owned, controlled, or operated by any person while on the Airport or within its hangars, except with the written consent of the owner or operator thereof.

2.17 Public Demonstrations

Public demonstration, such as picketing and other peaceful action, is permitted on Airport property provided the sponsor obtains written permission from the Executive Director/CEO or authorized designee and complies with all PMGAA Rules and Regulations, with emphasis to Sections 2.12 Obstruction and 2.22 Use of Public Airport Facilities.

2.18 Signage

Signage standards are established by PMGAA in compliance with the City of Mesa Sign Code.

a. No sign, advertisement or notice shall be displayed on the outside of any structure on the Airport or on Airport property unless authorized under the Airport Design Guidelines.

b. Roadway and directional signage shall be in compliance with City of Mesa traffic control, and no roadway signage shall be displayed unless authorized by the Executive Director/CEO.

c. No person shall display solicitations, advertising, or other signs on the Airport property, including the property within the roadway easements, without the authorization of the Executive Director/CEO.

2.19 Solicitation

No person shall solicit funds or other items to the public on the Airport without the express written approval of the Executive Director/CEO.

2.20 Smoking

In accordance with the Smoke-Free Arizona Act and Mesa City Code, Title 6, Chapter 11, smoking is not permitted: 1) in any public place, including any workplace; 2) at or within 20 feet from building entrances; 3) in designated 'no smoking' areas posted as such by PMGAA; or 4) at other locations through which public movement can be anticipated. In addition, PMGAA has designated aircraft parking ramps as smoke-free.

2.21 Storage of Equipment or Property

Storage of equipment or property not used for aviation or other approved operations or activity on the Airport is prohibited unless specifically provided for by lease or other contractual agreement. This includes recreational vehicles (boats, motor homes, personal watercraft, etc.) and other motor vehicles not specifically used for the authorized operation.

2.22 Tampering with Aircraft

No person shall interfere or tamper with any aircraft or put in motion the engine of such aircraft, or use any aircraft, aircraft parts, instruments, or tools, without permission of the owner or specific direction of the Executive Director/CEO or designee.

2.23 Use of Public Airport Facilities

No person(s), firm(s), association(s), or corporation(s) shall sponsor, hold, permit or otherwise carry on any activity that would impact the operation of the Airport without first obtaining written permission from the Executive Director/CEO and complying with all the terms and conditions of such authorization. In the event approval is given, written evidence of insurance covering all injury, damages, or claims that might result from such activities shall be submitted to the Airport.

This page intentionally left blank.

CHAPTER 3: AIRCRAFT OPERATIONS

3.1 Accidents & Disabled Aircraft

a. Persons involved in aircraft accidents or incidents on the Airport shall make a full report thereof to the Air Traffic Control staff or Airport Operations as soon as practical. The pilot or operator involved in an accident-causing personal injury or property damage may be requested to make a written report concerning said accident.

b. Access to aircraft accident and incident scenes shall be controlled by a designated Incident Commander. Persons are not authorized to enter an accident or incident scene without the permission of the Incident Commander.

c. The pilot, aircraft owner, lessee, or operator is responsible for the prompt removal of the disabled aircraft or parts thereof as directed by the Executive Director/CEO, subject to accident investigation requirements. The Executive Director/CEO or designee is authorized to remove or relocate a disabled aircraft from any location on the Airport at the expense of the owner/operator.

3.2 Aircraft/Airport Operations during Hours of Tower Closure

After the published hours of the Air Traffic Control Tower, all aircraft/vehicles operating within the movement area must broadcast their intentions on the Common Traffic Advisory Frequency (CTAF) in accordance with suggested procedures published in the Airman's Information Manual, FAR's, and FAA Advisory Circulars.

3.3 Airport Closures and Restrictions

In the event that the Executive Director/CEO believes that the conditions of the Airport or any part thereof are unsafe for landings and take-offs, it shall be within their authority to close or restrict all or part of the Airport and issue a Notice to Airmen (NOTAM) indicating so.

3.4 Based Aircraft Registration

The owner and/or operator of aircraft based on the Airport's ramp area shall execute a written agreement with PMGAA stating, among other things, the based aircraft status, aircraft identification, and compliance with aircraft parking fees. Aircraft based at the Airport but within a tenant's leasehold shall be reported by the tenant quarterly or upon request by the Executive Director/CEO. Reports shall be detailed (including: Registration/N Number, names, address, and phone number of owner) of all based aircraft on the Airport in a form approved by the Airport Authority.

3.5 Engine Run-ups

a. Aircraft engine run-ups above ground idle shall only be conducted at the engine run-up areas adjacent to each runway end or within those areas designated by the Executive Director/CEO.

b. No aircraft engine shall be started or run unless a qualified, certificated pilot or mechanic is attending the aircraft controls.

c. Aircraft engine run-ups shall not be conducted in such positions that the path of the propeller wash or jet blast may endanger persons, structures, or property. In the event that the path of the propeller wash or jet blast may cross a marked service road, a safety flagger is required.

d. Aircraft engine maintenance run-ups are not authorized between the hours of 2000 (8:00 pm) and 0800 (8:00 am) unless: 1) they are conducted with Airport approved sound suppression devices; or 2) are performed in conjunction with an air ambulance flight; or 3) are coordinated with Airport Operations prior to commencement 4) coordinated with ATC when conducted in the movement area.

3.6 Flight Demonstrations

a. Demonstrations, including test flights or ground demonstrations other than standard maintenance test flights shall not be conducted on the Airport without the express written consent of the Executive Director/CEO.

b. PMGAA specifically reserves the right to temporarily restrict or control activities within aircraft operating areas and public areas of the Airport for purposes of aerial and ground demonstrations or for any other public purpose.

3.7 Fly Friendly Procedures

Aircraft operators shall, whenever possible, use procedures and flight patterns that help mitigate aircraft noise. PMGAA supports the use of the National Business Aviation Association (NBAA) and Aircraft Owners and Pilots Association (AOPA) noise abatement procedures. The Airport's published Fly Friendly procedures are described in Appendix B.

3.8 General Operating Rules

a. No aircraft shall be operated on the Airport if such aircraft is constructed, equipped, or loaded as to endanger persons or property.

b. No aircraft shall be operated on the Airport in a careless or negligent manner, in disregard of the rights and safety of others, without due caution, or at a speed or manner that is likely to endanger persons or property.

c. No aircraft shall be operated on the Airport while the pilot, or other persons aboard controlling any part of the operation, is under the influence of alcohol or drugs.

d. Taxiways, apron, or ramp areas shall not be used for take-offs and landings of any type aircraft without the appropriate clearance from the Air Traffic Control Tower, whenever the Tower is in operation. Aircraft operating during the hours the Tower is not operating shall comply with appropriate FAA regulations and Advisory Circulars.

e. No aircraft engine shall be operated inside any aircraft hangar or within 25 feet of any opening to a hangar or abuilding.

f. Unmanned Aerial Vehicle (UAV) operations shall comply with all FAA Part 107 regulations.

3.9 Helicopters

Helicopters shall not be operated with rotors turning unless there is a clear area of at least 25 feet in all directions from the outer tips of the rotor, unless being fueled under established procedures.

3.10 Instructor and Student Responsibilities

Flight instructors shall fully acquaint their students with these Rules and Regulations and shall be responsible for the conduct of the students under their direction during dual instruction. When a student is solo, it shall be the sole responsibility of the student to observe and abide by these rules.

3.11 Parking of Aircraft

a. Aircraft parking shall be restricted to approved parking areas designated by Airport Operations and Maintenance and/or Gateway Aviation Services Director or completely within an exclusive leasehold area with the permission of the leasehold tenant.

b. No aircraft shall be parked or staged within marked service roads, or fire lanes, or in a manner as to interfere with taxiing aircraft, or in a manner that blocks free movement

of aircraft or emergency vehicles or hinders access to any building or structure.

c. Aircraft parked or stored in unauthorized areas or which present an operational problem or safety hazard to any area of the Airport may be towed or relocated to other Airport areas at the discretion of the Executive Director/CEO and at the operator's expense.

d. Derelict or non-flyable aircraft shall not be stored on the Airport's parking ramp or on property that has not been specifically leased or designated by the Executive Director/CEO for such purpose.

3.12 Refusal of Clearance

The Executive Director/CEO or designee may delay or restrict any flights or the conduct of other aviation-related operations at the Airport and may notify Air Traffic Control to refuse take-off clearance to any aircraft for any reason the Executive Director/CEO or designee reasonably believes is in the best interest of the public or essential to the safe operation of the Airport.

3.13 Specialized Aeronautical Activities

Hot air balloon operations, ultra-light aircraft operations, banner-tow operations, and parachute drops mixing with commercial, military, and other jet activities can create a hazardous environment. Such specialized activities require prior written approval from the Executive Director/CEO.

3.14 Taxiing or Towing of Aircraft

a. No person shall taxi an aircraft into or out of an enclosed hangar under its own power.

b. All aircraft taxiing or under tow on any part of the ramp, apron, or taxiways shall proceed with aircraft position lights on at night and during periods of low visibility.

c. When the Air Traffic Control Tower is in operation, aircraft shall not be taxied, towed, or otherwise moved on any part of the movement area until specifically cleared to do so.

d. No aircraft shall be taxied, or engines operated at the Airport where the exhaust or propeller blast may cause injury to persons or damage to property. If it is impossible to taxi such aircraft in compliance with the above, then the engine(s) must be shut off and the aircraft towed to the desired destination.

No person shall tow an aircraft on airport movement area unless such person has passed an approved Airport training program, receives recurrent training, has been issued and is in possession of an Airport security badge with the applicable endorsement.

3.15 Washing and Maintenance

a. Washing and maintenance of aircraft or other Airport related equipment shall only be conducted in accordance with environmental regulations and at approved wash racks or other areas designated by the Executive Director/CEO, or within specific tenant areas where such activity is permitted under lease or agreement.

b. Aircraft maintenance other than minor maintenance as defined by FAA is prohibited on the ramp areas unless specifically authorized by Airport Operations or the Airport Duty Manager.

3.16 Weight Bearing Capacities

Aircraft exceeding the published weight bearing capacity of any runway, taxiway, or apron area are prohibited from operating on those areas without the express written approval of the Executive Director/CEO.

3.17 Deicing

a. Air Carriers must submit a Deice Plan by November 1st of each year.

b. Air Carriers using deicing and anti-icing chemicals must be in accordance with the Storm Water Pollution Prevention Plan and their Deice Plan.

3.18 Terminal Common Use Facility

Designated Common Use Gates, hardstand positions, and RON facilities for scheduled and non-scheduled flight operations by all carriers shall be managed and approved by Airport Operations in the best interests of facility efficiency. Aircraft Operators using the Common Use Facility shall comply with the Common Use Facility Operating Procedures.

This page intentionally left blank.

CHAPTER 4: VEHICLE OPERATIONS

4.1 City of Mesa Traffic Ordinances

City of Mesa traffic ordinances shall apply to all public roadways on the Airport and are enforced through the City of Mesa.

4.2 Emergency Right-of-Way

Upon the approach of police, ambulance, fire department, Airport or other emergency vehicle giving an audible or visual signal that it is on an emergency call, each person operating another vehicle on any road inside the Airport Restricted Area shall immediately move out of the path of the approaching emergency vehicle without crossing into the controlled movement area. Stay clear of all intersections and stay there until the emergency vehicle has stopped or passes, unless otherwise directed by an emergency service worker.

4.3 Endangerment

No person shall operate a vehicle on the Airport that is constructed, equipped, or loaded in such a physical or mechanical condition as to endanger persons or property.

4.4 Equipment

No person shall operate a vehicle on the Airport unless the vehicle is in sound mechanical condition with adequate safety equipment.

4.5 Insurance

All motor vehicles operated on the Airport must have liability insurance consistent with the State of Arizona motor vehicle insurance laws.

4.6 Motor Vehicle Accident Reporting

Each operator of a motor vehicle involved in an accident on the Airport that results in damage to property or personal injury shall report it to Airport Operations as soon as possible after the accident. The report must include the name and address of the person reporting. Copies of reports taken by City of Mesa Police are acceptable for incidents that occur in the public areas of the Airport.

4.7 Movement Area Operations

a. Prior to entering the aircraft movement area all vehicles shall yield right-of-way to

all taxiing aircraft and aircraft under tow.

b. No person shall operate a vehicle in the movement area unless prior permission has been obtained from Airport Operations and the vehicle is equipped with a two-way radio in communication with and clearance has been received from the Air Traffic Control Tower, unless under the control of an authorized escort.

c. No vehicle shall enter the movement area unless equipped with an appropriately sized flashing or steady-burning yellow beacon, mounted on the uppermost part of the vehicle such that it is conspicuous from any direction including from the air. An orange and white- checkered flag may be used in lieu of the flashing beacon for daytime activities. The flag shall be mounted so that it is conspicuous from any direction.

4.8 Moving of Motor Vehicles

The Executive Director/CEO or designee has the authority to tow or otherwise move any motor vehicle on the Airport property for reasons of operational necessity, safety, security, abandonment, illegal or unauthorized or improper parking or police investigation. PMGAA may charge a reasonable amount for the moving service and for the storage of the vehicle, if any. The vehicle may be subject to a lien for that charge.

4.9 Parking

a. The Executive Director/CEO or designee are authorized to reserve all or any part of vehicle parking lots and other areas not under lease or permit for use as they may designate, and to indicate any restrictions by appropriate markings and/or signs.

b. No person shall park a vehicle in any parking area without the express or implied consent of PMGAA. All areas designated for vehicle parking are subject to City of Mesa Code, Title 10 requirements.

c. Vehicle parking areas are intended for use by a full-size passenger automobile (19 feet in length maximum). Vehicles exceeding 19 feet shall park in designated areas.

d. Where appropriate signs and/or markings have been installed, no person shall park or stand a motor vehicle on the Airport except in an area specifically designated for parking or standing. No vehicles shall be loaded or unloaded in parking areas other than those designated by PMGAA for such activities (i.e., designated loading zones, loading areas, etc.). Unauthorized vehicles in designated loading areas or areas with signs/markings prohibiting parking/ standing a motor vehicle may be subject to tow at the owner's sole cost and expense.

e. Vehicles parked in any authorized parking area shall park in such a manner as to comply with all posted and/or painted lines, signs, and rules.

f. Tenant ramp vehicles and equipment shall be only parked within the tenant leasehold areas or in approved parking stalls. Outside storage of vehicles or equipment outside of the leasehold premises area is prohibited.

g. Passenger vehicle parking areas shall only be used for parking vehicles no longer than a full-size passenger automobile, (which excludes commercial vehicles), only in the designated and entirely within the painted and striped parking stall lines. No double parking is permitted.

h. No person shall park or stand a motor vehicle on the Airport within 10 feet of a fire hydrant.

i. Privately owned vehicles are not authorized to park within the Airport Restricted Area unless prior approval has been obtained from Airport Operations, through the issuance of a PMGAA issued Vehicle Identification Permit. Such permit shall be displayed at all times, in a conspicuous location.

j. Vehicles parked in the Airport parking lots, which do not belong to passengers, Airport employees, Airport tenants, or Airport/Tenant customers are subject to tow and storage at the owner's expense (Mesa City Code, Title 10, Chapter 9). Illegally parked vehicles are subject to parking charges as published in the current Rates & Charges.

k. Tenant employees shall utilize designated parking locations identified in lease or other agreement.

l. Lessee and its invitees shall obey all signs and motor vehicle codes.

m. Every person using the parking areas shall park and then lock his/her own vehicle. PMGAA will not be responsible for any damage to vehicles, injury to persons or loss of property, all of which risks are assumed by the party using the parking areas.

n. PMGAA reserves the right to refuse the use of any parking area to any person or entity that willfully refuses to comply with these applicable parking rules, Airport regulations, laws, and or agreements.

o. Such parking use as is herein provided is intended merely as a license only, and no bailment is intended or shall be created hereby.

p. The speed limit in parking areas is five (5) miles per hour.

q. The maintenance or washing of vehicles parked on the Airport is prohibited, except in designated wash areas.

r. Parking is prohibited in common areas not designated for parking, areas not striped for parking, drive aisles, loading zones, cross hatched areas, illegal parking areas, in front of loading doors or ramps, and or any entrance or exit to or from the Airport unless authorized by the Executive Director/CEO or designee.

s. In the event that any party fails to comply with the Parking Regulations hereinabove, PMGAA shall cause the vehicle in violation to be towed off the premises at the owner's sole cost and expense, without any liability or cost to PMGAA whatsoever.

4.10 Repair of Motor Vehicles

Except for persons authorized by the Executive Director/CEO or Airport Duty Manager and for minor repairs necessary to move the vehicle from the Airport, no person shall repair a motor vehicle on a road or in a parking area of the Airport.

4.11 Restricted Area Operations

a. No person shall operate a motor vehicle within the Airport Restricted Area without a valid driver's license, and if applicable, proper Airport Driver Endorsement on their security badge unless under the control of an authorized escort. The Airport Driver Endorsement must be presented upon the request of any Airport Operations Staff.

b. No person shall operate a vehicle within the Airport Restricted Area unless their presence is specifically required for Airport business or services.

c. The Executive Director/CEO or designee has the authority to deny, restrict, or cancel the privilege of any motor vehicle operator from operating within the Airport Restricted Area.

d. No person shall operate a motor vehicle at a speed:

1. Of more than 25 mph on any marked service road
2. Of more than 15 miles per hour on any aircraft apron or ramp
3. Of more than five (5) miles per hour around aircraft
4. That could endanger any aircraft, vehicle, or person

e. Airport and aircraft support vehicles and construction vehicles driving or operating within the Airport Restricted Area shall display the company name or logo; a minimum of four (4) inches high on each side of the vehicle.

f. All vehicles operating on service roads and non-movement areas shall be equipped with an amber rotating beacon, or yellow flashing or steady burning beacon while operating in the Airport Restricted Area. Vehicles without such equipment shall be under continuous escort. Construction vehicles shall display an orange and white checkered flag or amber rotating beacon during the daytime operations, and an amber rotating beacon or yellow flashing or steady burning beacon during nighttime operations.

g. Except while in the process of servicing an aircraft or Airport facility, vehicle traffic on the apron shall use marked service roadways where designated.

h. Each person operating a motor vehicle on the Airport shall operate it so as to have it under proper control at all times, weather and traffic conditions considered.

i. Washing of vehicles at the Airport wash rack is limited to tenant company vehicles and equipment.

j. Each person operating a motor vehicle within the Airport Restricted Area shall yield the right of way to aircraft, aircraft under tow and pedestrians.

k. All ground service equipment utilized for transporting luggage or cargo shall tow no more than three baggage carts at a time.

4.12 Signs and Markings

No person shall operate a vehicle on Airport roadways unless it is operated in strict compliance with all roadway signs, markings, and speed limits prescribed by the Executive Director/CEO.

This page intentionally left blank.

CHAPTER 5: FUELING, FIRE AND ENVIRONMENTAL SAFETY

5.1 Aircraft Fueling Operations

a. No person shall operate as an FBO (Fixed Base Operator) or SASO (Specialized Aviation Service Operator) for the purpose of selling fuel for commercial revenue.

b. No person shall operate a fuel truck or fuel transfer vehicle within the Air Operations Area unless such person has passed an approved Airport training program, receives recurrent training, is issued an Airport security badge with a driver and fueling or self-fueling endorsement, and complies with the provisions outlined in PMGAA Aviation Fuel Storage, Handling and Dispensing Guidelines.

c. No person shall fuel/defuel aircraft on PMGAA property unless they are an employee of; 1) an approved on-Airport Fixed Base Operator; or 2) an aircraft operator fueling its airport-based aircraft at its based location. Fueling/defueling of non-based aircraft or aircraft not located at its based location is prohibited, unless approved in writing by the Executive Director/CEO.

   During the fueling of an aircraft, the dispensing apparatus and the aircraft must be bonded in accordance with City of Mesa Code, Uniform Fire Code Standards Section 24-1, NFPA 407 Regulations and ATA 103 Standards.

d. Fuel service vehicles are prohibited from parking within 50 feet of, or within a building.

e. No person shall fuel or defuel an aircraft on the Airport while:

   1. The aircraft is in a hangar or an enclosed space.

   2. The aircraft fuel system vents or fuel tank openings are closer than 25 feet to any terminal building, hangar, service building or enclosed passenger concourse other than a loading walkway.

   3. The aircraft vent or tank openings are within 50 feet of any ventilation air- intake to any boiler, heater, or incinerator room.

   4. Passengers are in the aircraft, unless a passenger loading ramp is in place at the cabin door, the door is open, and a cabin attendant is at or near the door.

f. No person shall start the engine of an aircraft on the Airport if there is any gasoline or other volatile flammable liquid on the ground underneath the aircraft.

g. Each person engaged in fueling or defueling on the Airport shall exercise care to prevent the overflow of fuel and must have readily accessible and adequate fire extinguishers.

h. No person shall smoke or use any material that is likely to cause a spark or be a source of ignition within 50 feet of an aircraft being fueled or defueled.

i. Each hose, funnel, or appurtenance used in fueling or defueling an aircraft on the Airport must be maintained in a safe, sound, and non-leaking condition and must be properly electrically bonded to prevent ignition of volatile liquids.

j. Fueling activities shall cease when lightning discharges occur within five (5) miles of the Airport.

5.2 Aircraft Fuel Storage Facility Requirements

Aircraft fuel storage facilities shall be permitted only if the facility is constructed and maintained in accordance with these regulations and the following: The aircraft fuel storage area is for noncommercial, private use only by the owner or aircraft operator. Aircraft fuel storage facilities which refuel aircraft, in accordance with the provisions of PMGAA Rules & Regulations and PMGAA Minimum Standards, may dispense permitted fuels as approved in writing by the Executive Director/CEO. Aircraft fuel storage areas shall only be constructed after written approval of the Executive Director/CEO and after issuance of all applicable permits. The fuel storage area shall not be approved and operated except in conjunction with aircraft storage that meets the requirements of these regulations. In the event there is a requirement for separate aviation fuel types, there shall be a maximum of two (2) aircraft fuel storage areas on each building site. Total aircraft fuel storage of Jet A shall not exceed 25,000 gallons. Total aircraft fuel storage of 100LL Avgas shall not exceed 12,000 gallons. Fuel storage areas will be fenced, with gates and warning placards, prohibiting unauthorized access.

5.3 Inspection of Fuel Facilities, Records, Meter Readings, and Reporting

a. PMGAA shall have a right of access onto private property at the airport for the purpose of inspecting fuel facilities and equipment. Fuel storage and dispensing records shall be subject to inspection by PMGAA upon reasonable notice. Such inspection may include, but not be limited to, taking meter readings, reviewing, and inspecting fuel storage records, fueling apparatus, training records, emergency equipment, and any and all material for safe fuel handling.

b. Not later than the last day of each month, the operator of the fuel storage area shall submit to PMGAA, in a form acceptable to the Executive Director/CEO, a monthly fuel inventory reconciliation report for the immediately preceding month. At a minimum, the report shall include:

   1. The type and amount of fuel received, spilled, leaked, de-fueled from aircraft or otherwise accounted for from the fuel storage area.

c. At the time of submission of the monthly fuel inventory reconciliation report, each operator of a fuel storage area shall remit to PMGAA, in a form acceptable to the Executive Director/CEO, all applicable fees then due under the Airport Rates and Fees Schedule.

d. The operator of the fuel storage area shall comply with, at the operator's expense; all PMGAA, local, state, and federal regulations, including but not limited to observed testing and submission of annual reports to the appropriate authorities and PMGAA.

5.4 Self-Fueling Operations-Aircraft

a. Individuals desiring to self-fuel their own aircraft shall receive instruction from PMGAA and obtain a permit authorizing such operations unless using an approved self-service fuel island.

b. Gravity feed fueling shall not be permitted from a container with a capacity of more than five gallons. Plastic containers shall not be used for fuel dispensing due to static discharge potential.

c. Fueling hoses shall be approved for flammable liquids and shall be maintained in accordance with nationally recognized standards.

d. Fueling nozzles shall be equipped with a deadman flow control valve. Notches or latches in the nozzle handle that could allow the valve to be locked open are prohibited.

e. An approved portable fire extinguisher having a minimum classification of 40: B shall be provided and maintained within 50 feet of all self-fueling operations.

f. Aircraft shall not be occupied during self-fueling or defueling operations.

g. Aircraft being self-fueled or defueled shall have the battery and ignition switches in the "off" position.

h. Battery chargers shall not be connected, disconnected, or operated during self-fueling or defueling operations.

i. The fueling nozzle shall be bonded with a nozzle bond cable having a clip or plug to a metallic component of the aircraft that is metallically connected to the tank filler port. The bond connection shall be made before the filler cap is removed. If there is no plug receptacle or means for attaching a clip, the operator shall touch the filler cap with the nozzle spout before removing the cap so as to equalize the potential between the nozzle and the filler port. The spout shall be kept in contact with the filler neck until the fueling is completed.

j. When a funnel is used in aircraft self-fueling, it shall be kept in contact with the filler neck as well as the fueling nozzle spout or the supply container to avoid the possibility of a spark at the fill opening. Only metal funnels shall be used.

k. Self-fueling operations shall comply with all other rules and regulations regarding aircraft fueling operations.

5.5 Self-Fueling Operations- Automotive Vehicles and Equipment

Automotive and equipment other than Refueling Service Vehicles and Tank Vehicles shall be refueled by authorized persons only at prescribed refueling stations and from dispensing systems that are approved by the Executive Director/CEO. “Motor gasoline (MOGAS)”, as defined in ASTM Specification D 4814 or Federal Specification VV-G-1690C, is characterized as blended to form a fuel suitable for use in spark-ignition engines. Motor fuel includes diesel and conventional gasoline; all types of oxygenated gasoline, including gasohol; and reformulated gasoline, but excludes aviation gasoline. Any person seeking to perform MOGAS self-fueling operations at the Airport shall comply with all applicable requirements concerning such activities as set forth in this policy and all Local, State, and Federal laws.

5.6 Parking of Aircraft Fuel Service Vehicles

Aircraft fuel service vehicles shall not be parked inside any buildings, except for approved vehicle maintenance and repair facilities. Such vehicles may only be parked in areas authorized by the Executive Director/CEO.

5.7 Explosives & Other Hazardous Materials

Explosives and other hazardous materials not acceptable for transportation under applicable federal regulations are not permitted on the Airport. Hazardous materials that pose a present or potential hazard to human health and safety or to the environment if

released are also prohibited. Class 1 explosives, Class A poisons and radioactive materials as defined in the latest edition of the Emergency Response Guidebook are not permitted anywhere on the Airport, except as approved in writing by the Executive Director/CEO.

5.8 Fire Equipment

Airport fire extinguishers and Airport fire protection systems shall not be tampered with at any time, relocated nor used for any purpose other than firefighting or fire prevention. All tenants shall supply and maintain such adequate and readily accessible fire extinguishers within their leaseholds as may be required by the City of Mesa Fire Department. New hangar construction which requires fire suppression shall be free of perfluoroalkyl and polyfluoroalkyl substances (PFAS) unless otherwise approved by the Executive Director.

5.9 Hazardous Material Spills

a. Whenever a hazardous material spill or leak occurs, the owner of the material or equipment involved in such spill or leak shall take immediate steps necessary to ensure discovery, containment, and clean-up of such release and notify the Mesa Fire Department and Airport Operations of the occurrence. Charges may be assessed by the Executive Director/CEO for cleanup services including, but not limited to, reimbursement of labor, equipment, and materials.

b. Fuel spills greater than 10 feet in any dimension, covering an area of over 50 square feet, greater than five (5) gallons, or continuous in nature shall be immediately reported to City of Mesa Fire Department and Airport Operations.

5.10 Open Flames

a. No person shall start any open fire of any type on any part of the Airport without advance written permission from the Executive Director/CEO.

b. No person shall operate a flame or spark-producing device on any part of the Airport except in areas within leased premises specifically designated for such use unless a permit from the City of Mesa Fire Marshall or other appropriate official has first been obtained. No permit shall be issued for operations within any aircraft hangar, any fuel storage area, or upon any components of the fuel distribution system unless the work is required for the repair of such areas or hangars. Where such repair is required, permission shall first be obtained from the City of Mesa Fire Marshall and shall be subject to conditions as he/she may impose.

c. Every person observing any unattended or uncontrolled fire on Airport premises shall immediately report it to 9-1-1. No person shall make any regulation or order, written or verbal, which would require any person to take unnecessary delaying action prior to reporting such a fire.

5.11 Storm Water Discharge

All storm water discharge requirements, including applying for, paying for, and obtaining the required Arizona Pollutant Discharge Elimination System (AZPDES) Storm Water Permit are the responsibility of each tenant or authorized contractor that will cause, create, or develop an industrial discharge at any location on the Phoenix-Mesa Gateway Airport property. All Tenants are responsible for determining their industrial status through the Arizona Department of Environmental Quality (ADEQ), filing the appropriate forms (i.e., Notice of Intent), and completing the applicable section of their Lease documentation pertaining to Environmental Compliance. All Tenants are responsible for compliance with the Storm Water Control Measures as outlined in PMGAA Storm Water Pollution Prevention Plan (SWPPP).

5.12 Volatile Compounds

a. No person shall use a flammable volatile liquid having a flash point of less than 100 degrees Fahrenheit for cleaning purposes in a hangar or other building on the Airport unless it is approved by the City of Mesa Fire Department.

b. No fuel, oil, grease, flammable liquids, or contaminants of any kind including detergents used to wash aircraft or other surfaces, shall be allowed to flow into any sewer system, storm drain, or open water area without a separator.

c. No person, tenant, or company shall store any cylinders of compressed flammable gas inside any building except as may be permitted under applicable NFPA standards and the City of Mesa Fire Code.

d. No person shall store lubricating oils or other flammable materials except in appropriate storage cabinets suited for such use.

5.13 Dust Control

All tenants and personnel performing any type of ground disturbing activities(s) shall minimize the amount of dust generated from said activity by spraying clean water on the source or by using a dust palliative. Tenants creating any dust-generating activity may need to apply for a Maricopa County Air Quality Dust Control Permit at their expense.

This page intentionally left blank.

CHAPTER 6: LEASES & TENANT OPERATIONS

6.1 Condition of Tenancy

All Airport tenants must acknowledge through their lease or operating agreement that they will comply with these Rules and Regulations and appropriate minimum standards as a condition of tenancy or operation on the Airport.

6.2 Damage

Tenants and lessees, in addition to any terms that may be contained in their lease agreement, shall be fully responsible for all damages to buildings, equipment, real property, appurtenances, or other improvements in the ownership or custody of PMGAA, caused in whole, or in part, by their employees, agents, customers, visitors, suppliers, or persons with whom they may do business.

6.3 Design Guidelines

All facilities developed on the Airport shall conform to PMGAA Design Guidelines, Landscape Master Plan, and other pertinent standards, guidelines, or requirements.

6.4 Employees

Tenants are responsible for ensuring their employees are familiar with and comply with these Rules and Regulations, applicable minimum standards, and appropriate portions of their lease or other agreement with PMGAA. Tenants are also responsible for ensuring their employees and contractors meet physical and mental standards necessary for the safe conduct of the employee's job tasks.

6.5 Fire Equipment

Tenants are responsible for supplying and maintaining any required fire equipment on a tenant's premises unless specifically excluded in their lease agreement.

6.6 Floor Care

Each person to whom space on or at the Airport is leased, assigned, or made available for use shall keep the space free and clear of oil, grease, or other foreign materials that could cause a fire hazard or otherwise unsafe condition, or damage to the flooring material.

6.7 Free of Debris

Tenants shall keep hangars, shops, offices, other buildings, and areas adjacent thereto free of waste material, rubbish, junk, landscaping litter and flammable material. Tenants shall clear FOD in the AOA generated from their premises, vehicles, or equipment.

6.8 Hangar Storage

a. Aircraft hangars shall be used for aeronautical purposes or be available for use for an aeronautical purpose. Aircraft hangars shall remain in compliance with FAA policy, specifically 81 FR 38906 Policy on the Non-Aeronautical use of Airport Hangars, and all occupancy shall be subject to and in compliance with the City of Mesa Building Code, City of Mesa Fire Code, and Airport Rules and Regulations (collectively "Code") at all times.

b. The incidental storage of the aircraft owner's personal property related to the use, care, maintenance, and storage of an aircraft is permitted, provided that all non-aviation related items shall not obstruct any aircraft ingress and egress to the aircraft hangar or right of way thereto.

c. Preventative maintenance of an aircraft by the aircraft owner or properly licensed mechanic is permitted, provided that such activity creates no hazard or nuisance to the hangar facility or to Airport property.

d. Storage of aircraft parts, equipment, and supplies that relate to the aircraft owner's airworthy aircraft are permitted, provided that such storage of materials creates no hazard or nuisance to the hangar facility or to Airport property.

e. This section applies regardless of whether the hangar occupant leases the hangar from the airport sponsor or developer, or the hangar occupant constructed the hangar at the occupant's own expense while holding a ground lease. When land designated for aeronautical use is made available for construction of hangars, the hangars built on the land are subject to the sponsor's obligations to use aeronautical facilities for aeronautical use.

f. The following activities or items shall be prohibited in an aircraft hangar:

1. The storage of any vehicle, boat, or recreational vehicle that impedes with the storage or movement of the aircraft.

2. No aircraft hangar shall be used for any residential purposes.

3. Storage of ammunition or explosives in any quantity is strictly prohibited.

6.9 Insurance

The Executive Director/CEO shall establish insurance requirements as a condition of operating on the Airport for all persons engaging in activities and business on the Airport. These requirements may vary among different types of service providers and may be periodically adjusted to ensure that PMGAA, passengers and the interests of the public are adequately protected. Continuous proof of proper insurance and business licensing shall be provided to PMGAA as a condition of operating at or on the Airport.

6.10 Marking of Paved Areas

Other than as provided in tenant leases, no surface painting or marking of any paved area on Airport property shall be permitted without submission of measured drawings and written permission from the Executive Director/CEO.

6.11 Preservation of Property

No person or tenant shall destroy, injure, deface, or disturb any building (except hangar 24 or the ASR), sign, fence, or other structure, tree, lawn, or other property on the Airport; nor alter, make additions to, or erect any building or sign or make any excavations on the Airport without the approval of the Executive Director/CEO.

6.12 Regulation of Commercial Activities

a. No person shall occupy or rent space, carry on any business, commercial operations, or other form of revenue-producing activity on the Airport without first obtaining a written contract, lease agreement or permit authorizing such activity, from the Executive Director/CEO.

b. The Airport Minimum Standards shall be met and maintained at all times by any individual, group of persons, business, or enterprise desiring to provide such commercial services or commodities at or on the Airport.

6.13 Storage and Equipment

No tenant or lessee of a hangar, shop facility, or other operational area specified by the Executive Director/CEO on the Airport shall store or stack equipment or material in a manner to be unsightly or constitute a hazard to persons or property. Areas of equipment storage shall be kept free of litter, trash, refuse, waste, rubbish, and debris.

6.14 Structural and Decorative Changes

Structural and decorative changes to any building, ramp, or other structure on the Airport require written approval of the Executive Director/CEO and must comply with local building codes and inspections and Airport Design Guidelines.

6.15 Trash Containers

Tenants shall place and maintain trash receptacles in the public areas of their premises, and other areas where necessary to promote and encourage the proper disposal of trash. All exterior trash receptacles on the Airport shall be sufficiently covered to prevent the inadvertent discharge of trash onto the Airport and prevent access by wildlife. The Airport encourages tenants to participate in recycling trash. Acceptable recyclable trash items are listed under the City of Mesa's Blue Barrel Recycling Program.

This page intentionally left blank.

CHAPTER 7: SECURITY REQUIREMENTS

7.1 Aircraft Security

When the condition or mission of an aircraft requires security guards or police officers, the owner or operator of the aircraft must coordinate this requirement with Airport Operations. The owner or operator of the aircraft is responsible for obtaining and paying security service personnel.

7.2 Airport Security Program

All persons using the Airport are subject to the Airport Security Program pursuant to TSA Regulation Part 1542.

7.3 Air Carrier

Air carrier tenants required to have a TSA approved Aircraft Operator Standard Security Program (AOSSP) shall maintain a current copy at the Airport.

7.4 Aviation Repair Station

Aviation Repair Stations covered under FAR Part 145 subject to TSA Security Directives shall maintain a security coordinator at all times.

7.5 Challenge

All persons who are provided access to the Airport Restricted Area shall reasonably challenge any person not displaying proper identification media while in the Airport Restricted Area. Any person challenged to display an approved Airport identification media shall do so immediately upon request. Challengers are not expected to place themselves or others in a dangerous situation and shall not approach when they feel making a verbal challenge would do so, but rather the challenger is obligated to notify Airport Operations or the Mesa Police Department in such instances.

7.6 Doors and Gates

a. At no time shall any Airport Restricted Area access gate be left open and unattended in a manner that would allow unauthorized access.

b. Security doors leading into the Airport Restricted Area shall be kept locked as required by the Airport Security Program.

c. Automated vehicle gates are for vehicle access only. No pedestrians shall use an

automated vehicle gate for pedestrian access.

d. Tenants shall be responsible for doors and gates located in their leased areas. Security gates leading into the Airport Restricted Area shall be controlled and monitored by the Airport Access and Monitoring System.

7.7 Employee Access Investigations

a. Employee access investigations in accordance with TSA Part 1542 and the Airport Security Program shall be conducted by employers for each employee. Certification of completion of the access investigation is required prior to PMGAA issuing any access materials.

b. The Airport Security Coordinator, or his/her designee, may deny issuance of an ID badge based on an applicant's conviction for a non-disqualifying offense if the offense occurred on Airport property and the offense interfered with or threatened the property, safety, comfort, efficiency or security of passengers, employees, tenants, or Airport operations.

c. Any person applying for identification media, covered under 49 C.F.R. 1542.209, who is charged with a Disqualifying Crime and awaiting a final judicial disposition will be denied issuance of an ID badge until a final judicial disposition is made and documentation is provided for review.

d. PMGAA reserves the right, and makes the final determination, whether to grant, deny, or revoke an ID media and access media at any time when an individual jeopardizes the security of the airport or compliance with the Airport Security Program.

e. Applicants with active warrants shall not be issued identification media until charges are adjudicated and applicant is fully vetted according to the Airport Security Plan.

7.8 Escorting

No person shall escort or allow non-badged persons access to the AOA or other secure areas without first complying with requirements of the Airport Security Plan.

7.9 General Aviation Aircraft

General Aviation aircraft are prohibited from entering the commercial passenger or cargo areas of the Airport unless otherwise coordinated in advance with Airport Operations and the Air Traffic Control Tower.

7.10 Identification Media and Access Cards

a. Identification media and access cards issued by PMGAA are property of PMGAA and must be surrendered upon the request of Airport Operations personnel or Mesa Police.

b. No person shall loan or provide Airport identification media or access cards to anyone other than to whom the media was issued.

c. PMGAA-issued or approved identification media must be properly displayed on the outermost garment, above the waist, at all times while within the Airport Restricted Area.

d. PMGAA-issued or approved identification media shall not be mutilated or altered from its original form in any way, nor shall any such media be reproduced or copied in such a manner as to degrade the security of the identification system.

e. PMGAA-issued or approved identification media shall not be duplicated, photocopied, posted or likeness otherwise distributed.

7.11 Restricted Areas

a. Only those persons specifically authorized by Airport Operations with proper personnel and vehicle identification are allowed access to the Airport Restricted Area, Air Operations Area (AOA) or Security Identification Display Area (SIDA) unless otherwise provided for under the Airport Security Program.

b. Pedestrians or motor vehicle operators observed in areas other than those designated for public use without authorization by the Executive Director/CEO will be considered trespassing and subject to arrest.

7.12 Security Fence Line

A minimum clear area of six (6) feet shall be kept between the security fence line and any object that may be used to conceal persons along the fence line or that would aid any individual in gaining access to the Airport Restricted Area unless specifically approved by the Executive Director/CEO.

7.13 Security Screening

All persons approaching or entering the sterile area are subject to security screening.

7.14 Tailgating/ Piggybacking

No person or vehicle shall enter the Airport Restricted Area through an access portal that was opened for or by an authorized person or vehicle unless under the direct escort and control of that authorized person. All persons and vehicles using any airfield access gate

or secured door, or gate shall ensure the gate or door is secured behind them prior to leaving the area to prevent unauthorized access.

7.15 Tenant Security

Tenants and tenant employees are responsible for safeguarding doors, gates, and other forms of passageways between Airport Restricted Areas and public areas. Tenants are responsible for safeguarding aircraft and other private property entrusted to their care within the Airport Restricted Area or other locations on their leased premises.

7.16 Violation of Security Regulations

Violation of security regulations may result in the immediate revocation of security privileges, revocation of access media, and denial of future entry into the Airport Restricted Area. Any fines levied against PMGAA for security violations will be charged to the offending individual and tenant.

7.17 Weapons

No person, except a peace officer, authorized air carrier employee, authorized Airport

employee, or a member of an armed force of the United States on official duty, shall carry any weapon, explosive, or flammable material on or about his person, openly or concealed, in the Airport Restricted Area without the written permission of the Executive Director/CEO. This section shall not apply to persons carrying firearms in cases, broken down or unloaded, when said firearms are being transported by air. No person shall furnish, give, sell, or trade a weapon on the Airport.

This page intentionally left blank.

CHAPTER 8: SPECIAL EVENTS

8.1 Authorization

Specialized events require advance written coordination, regulation, and authorization by the Executive Director/CEO prior to the public disclosure or advertisement of the event. The authorization will be in the form of a letter of authorization from the Executive Director/CEO to the special event sponsor in which the sponsor is recognized as involved in the planning process for a specific type of event. Certain activities shall require an executed lease, operating agreement, deposit or permit with PMGAA. A City of Mesa event permit may also be required as determined by the City of Mesa.

8.2 Aviation Activities

a. A special event that involves aerobatic maneuvers by aircraft must be coordinated in advance with Airport Operations and the local FAA Flight Standards District Office.

b. Special events involving aerial activities that are not of a routine nature for the Airport will require the designation and approval of an "air boss" who is experienced in directing and controlling the aerial activities planned for the event.

8.3 Closures or Restrictions

All runway, taxiway, ramp area, landside, or public area closures or restrictions must be coordinated with Airport Operations and other users of the Airport well in advance of the event.

8.4 Coordination

The sponsor shall make arrangements for such things as auto towing, garbage pickup, and refuse cleanup for any and all persons attending or associated with the event. If the special event is expected to attract an attendance of 500 persons or more, the sponsor must coordinate road and highway impacts with City of Mesa Police, Maricopa County Sheriff's office, and Arizona Department of Public Safety or other affected jurisdictions. In addition, the sponsor shall coordinate public safety impacts with City of Mesa Police and Fire and arrange any necessary protection (security, ambulance, fire protection, Aircraft Rescue and Fire Fighting support). Air traffic impacts shall be coordinated and approved by the Air Traffic Control Tower Manager.

8.5 Damages

Event sponsors shall pay for all direct expenses related to the special activity and

compensate PMGAA for damaged property. If the sponsor fails to adequately perform trash and litter clean-up of the Airport or repair damaged property in a timely fashion as determined by Airport Operations, PMGAA may perform these functions and charge the sponsor accordingly.

8.6 Fees

The event sponsor shall provide a written disclosure of all special event fees charged to the public to the Executive Director/CEO. In addition, when fees are charged, the sponsor shall pay fees to PMGAA as specified by Lease or Operating Agreement.

8.7 Insurance

The special event sponsor will be required to obtain liability insurance for the event in an amount determined by the Executive Director/CEO. The sponsor shall provide proof of insurance policy identifying PMGAA as a “named insured” for the event.

8.8 Normal Ingress/Egress

All special events must be planned to accommodate the normal ingress and egress of motor vehicles for those persons involved in passenger carrier flights, general aviation users of the Airport, air ambulance, or business activities normally conducted at or on the Airport.

8.9 Plans

In addition to the required coordination elements, the sponsor shall prepare and present to the Executive Director/CEO written plans to handle adverse weather, dust, hazardous materials spills, emergency services, and public protection.

8.10 Special events

Special events include air shows, balloon festivals, air races, fly-ins, parachute team demonstrations, static displays for the public, aerobatic events, filming for television, movies, or commercials, and other events or activities not normally associated with the daily operation of the Airport.

This page intentionally left blank.

CHAPTER 9: GROUND TRANSPORTATION

9.1 Ground Transportation General Authority

a. PMGAA has established ground transportation operating procedures for all Ground Transportation Providers subject to A.R.S, Title 28, Chapter 30 operating at the Airport. These operating procedures are to ensure the most fair and consistent ground transportation service. They will provide the public with the safe and convenient passenger movement.

b. It is imperative that all Ground Transportation Providers abide by the terms of the Airport license agreement and these Airport Rules and Regulations. Ground Transportation Providers are subject to on site supervision and direction by any personnel designated by the Airport Executive Director/CEO. Any person who violates these rules and regulations will, at the discretion of the Authority or its authorized representative, be denied use of the Airport and its facilities.

c. The ground transportation rules and regulations contained herein supersede and cancel all other previous ground transportation rules and regulations set forth by the Authority and its facilities.

9.2 Ground Transportation Provider Insurance Requirements

a. Before commencing ground transportation operations at the Airport, Ground Transportation Providers shall submit to the Authority an original certificate of motor vehicle insurance with a reputable insurance company or companies evidencing PMGAA's minimum policy limits and which names PMGAA as the certificate holder and as additionally insured by endorsement. The Airport shall be notified 30 days prior to cancellation or non-renewal of said endorsement.

b. Vehicle insurance shall cover all automobiles owned, leased, hired, rented, borrowed, or otherwise used by or on behalf of the Ground Transportation Provider.

c. PMGAA, its officers, officials, agents, employees, and volunteers are to be listed as additional insured with respect to liability arising out of: activities performed by, or on behalf of, the commercial operator including automobiles owned, leased, hired, or borrowed by the Operator.

d. PMGAA, its officers, officials, agents, employees, and volunteers shall be additional insured to the full limits of liability purchased by the Ground Transportation Provider even if those limits of liability are in excess of those required by permit.

e. Proof of insurance shall be available in each vehicle and provided when requested.

9.3 Conditions of Ground Transportation Provider

a. All Ground Transportation Provider vehicles shall be properly identifiable with company name logo or trade dress visible within 50 feet in front of the vehicle to enable passengers to identify the company name and address. Magnetic removable placards are not permitted.

b. All Ground Transportation Provider vehicles shall be validly registered in a state and must be able to produce proof of registration upon request. Ground Transportation Providers must provide proof of registration with the Arizona Department of Transportation if registration if required by A.R.S. Title 28, Chapter30.

c. Every vehicle shall be structurally sound and maintained in such good condition as to provide for the safety of the public in accordance with each and every applicable requirement of A.R.S. Title 28 and Title 49.

d. All Ground Transportation Provider vehicles serving the Airport shall be properly maintained and operated in a clean, safe, and businesslike manner at the sole discretion of the Authority or its representative. Vehicles are subject to inspection by Airport Operations staff.

1. Air conditioners will be operated at all times when temperatures reach 85 degrees Fahrenheit or upon passenger request.

2. Heaters will be operated upon passenger request and sufficiently heat the interior of the vehicle.

3. Exterior paint shall be maintained free of oxidation and rust.

4. Vehicle shall be free of any sheet metal damage.

5. Vehicle shall be free of dirt, trash, and debris.

6. The exterior of each vehicle in service shall be kept clean from road dust, mud, and grime.

7. The interior of each vehicle in service shall not contain offensive odors.

8. All vehicle interiors, trunk space and exteriors shall be kept clean and free of any damage. All vehicles shall have matching hubcaps and door handles.

Trunks shall be kept clean and empty to accommodate passenger luggage.

9. All glass, including windshields shall be free of cracks and chips ¼ inch or larger.

9.4 Ground Transportation Provider Vehicle Driver Requirements

a. All drivers shall meet all Federal, State, and City requirements. Drivers shall possess a valid state issued driver's license, knowledge of the area and streets, ability to speak, read, and understand the English language.

b. All drivers operating Ground Transportation Provider vehicles must display or present valid company identification upon request.

c. Driver's Airport operating privileges may be revoked at the discretion of a representative of the Authority.

d. Drivers shall at all times be courteous, professional, and informative when interacting with passengers, airport staff, and other drivers. Customer complaints relating to a driver's failure to meet the foregoing standards of conduct may provide grounds for the termination of the driver's operating privileges at the Airport.

e. Drivers will contact their company's Supervision for complaints regarding other drivers of the same company and will refrain from making contact with drivers of other companies.

f. Drivers shall not engage in any physical fighting or loud, boisterous verbal disputes while on the Airport. If a dispute develops between a driver and a passenger, or another driver, the driver should immediately contact airport staff to resolve the dispute.

g. All drivers operating commercial vehicles at the Airport shall be clean and neat in their personal appearance and shall be courteous to passengers loading or unloading at the Airport.

h. All drivers must carry vehicle registration and insurance in vehicle at all times.

9.5 Regulations and Licenses

a. The Ground Transportation Provider shall comply with all applicable local, state, and federal regulations and abide by the Rules and Regulations of the Authority now in effect, or that may be promulgated from time to time, including but not limited to the utilization of loading zones, queuing areas, and other such traffic control arrangements as designated by Airport Management. The Ground Transportation Provider will provide the Authority with current copies of all applicable licenses from state or local authorities

for areas the Operator proposes to serve.

b. The Ground Transportation Provider shall secure and pay the costs of all required licenses, supplementary equipment, permits, franchises, both of its employees and vehicles. The Operator will pay all taxes, fees, licenses, and moneys required by the Federal, state, or local governments for its operations at the Airport.

c. The Ground Transportation Provider shall maintain and operate its service in compliance with all requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, and Part 21 Nondiscrimination in Federally Assisted Programs of the Department of Transportation-Effectuation of Title 6 of the Civil Rights Act of 1964, as said regulations may be amended.

d. No Ground Transportation Provider vehicle operator shall engage in the business of picking up passengers at the Airport terminal without first obtaining a Ground Transportation License Agreement from the airport authority. A Ground Transportation License shall not be issued until the owner has completed an application form provided by PMGAA.

e. Ground Transportation Providers that are not licensed through the Airport and that attempt to pick-up passengers in any terminal related areas are subject to eviction without loading their client and may face criminal trespass charges.

Ground Transportation Providers shall pay license fees and report activity to the Airport Authority pursuant to the License Agreement. Fees will be based on either a one-time annual fee for each registered vehicle or a trip fee for each trip at the Airport Passenger Terminal, provided that the Ground Transportation Provider utilizes a GPS tracking/reporting application which is approved by the Airport Executive Director/CEO.

9.6 Access and Parking

a. All Ground Transportation Provider drivers shall operate their vehicles in a safe manner while operating at the Airport property. Excessive speed and / or reckless driving are strictly prohibited. Drivers will refrain from blocking crosswalks or thru lanes at all times.

b. All Ground Transportation Provider vehicles desiring to drop off passengers shall be permitted to use the designated passenger loading/unloading zone of the Airport terminal curbside for active unloading of passengers and their baggage. No parking shall be allowed in this area. Vehicles may be cited and towed away. Drivers are not

permitted to leave their vehicle unattended on the terminal curbside at anytime

c. Baggage delivery service vehicles must use the designated area for both loading and unloading baggage and are responsible for any charges incurred

d. Ground Transportation Provider vehicles not having a valid Ground Transportation License with the Airport are authorized to enter Airport property to discharge passengers only in accordance with this paragraph.

e. Ground Transportation Provider with a prior reservation from a passenger awaiting pick up may proceed to the designated area to await their client and are responsible for any charges incurred. When picking up a pre-arranged assisted needed passenger, Ground Transportation Provider may pick up their client at the terminal curbside provided the passenger is ready to load. Waiting along the curbside is strictly prohibited.

f. Passenger pick up by licensed pre-arranged shuttle operators is permitted only in the shuttle queue. Pre-arranged shuttle operators arriving early may stage in the Airport designated lot until the scheduled arrival time or actual arrival.

g. Passenger pick up by licensed Ground Transportation Provider vehicles other than taxicab or pre-arranged shuttle operators to include sedan/VIP type vehicles is permitted only in the designated parking lots, or along the terminal curbside provided the passenger is ready for pick up. Drivers of these vehicles shall be responsible for any charges incurred while staged in these lots. Sedan/VIP drivers parked in designated lots may meet & greet their clients inside the baggage terminal and will remain at least 15 feet away from Rental Car counters, concessionaires, and the baggage claim information counter.

h. Ground Transportation Provider vehicles shall enter the commercial vehicle queuing area only for the purpose of loading customers or passengers. Only those Ground Transportation Provider authorized vehicles shall have access to the taxi stand or pre-arranged shuttle queuing area.

i. Drivers may park in the passenger loading/unloading zones to drop off passengers only long enough to unload passengers and luggage at the curb. Vehicles left unattended will be subject to citation and/or towing enforcement.

j. There shall be no unattended vehicles parked in the queuing areas; vehicle drivers shall remain within 25 feet of their respective vehicles.

k. Limousines shall stage in designated lots. When contacted by their client and when

their client states that they are ready for pick up, operators may then proceed to the terminal curbside and load their passenger(s).

l. Buses or coaches shall stage in designated lots. When contacted by their client and when their client states that their group is ready for pick up, buses or coaches may then proceed to a place along the terminal curbside designated by the Airport operator or operations personnel.

m. Transportation Network Company vehicles may stage in designated lots. When matched with a client ready to pick up, Transportation Network Company vehicles may then proceed to the designated pick-up curb location for loading. Transportation Network Companies may not stand or wait at the curbside for clients.

n. All Pre-Arranged Ground Transportation Service Providers (limo/livery, shared ride, TNC, Peer to Peer Car Sharing, and Hotel Shuttles) are limited to a single thirty (30) minute staging time interval at the designated curbside pickup location(s) for each provider before being required to relocate until their passengers are present.

9.7 Soliciting

a. The authorized solicitation of passengers by a Ground Transportation Provider shall only be conducted by the first driver in line in the designated areas at the taxicab queue. Taxicab drivers may not refuse transportation of a passenger based on the length of transport. Driver and passenger communication shall be conducted in a courteous and professional manner. Drivers shall not make any misrepresentation of their service. Drivers shall not be loud and boisterous with/or in the presence of potential customers.

b. Soliciting passengers is an offense that may result in the loss of ground transportation Licenses. Drivers soliciting passengers or in any manner offering to transport passengers in non-designated areas may be subject to an NOV.

c. Off duty drivers are not allowed to loiter on airport premises. Any off-duty driver using a Ground Transportation Provider vehicle for personal use at the Airport shall utilize the public parking facilities and shall not load passengers.

9.8 Miscellaneous Provisions

a. The Ground Transportation Provider shall repair promptly, and at no cost to the Authority, any damages to property of the Authority, which the Operator or its representatives have caused. If repairs are not carried out promptly, the Authority shall cause repairs to be performed and bill the company for the cost.

b. No signs, posters or similar devices shall be erected, displayed, or maintained by the Ground Transportation Provider on Airport premises without prior written approval of the Authority or its representatives.

c. Solicitation of business in any manner whatsoever upon Airport property is strictly prohibited. Cruising is specifically prohibited.

d. The Authority or its representatives shall have the right to restrict drivers or vehicles from operating at the Airport in noncompliance with Airport Rules and Regulations.

e. A Ground Transportation Provider may request that specific documents provided to the Airport be treated in a confidential or proprietary (collectively, "Confidential"), provided that the Ground Transportation Provider clearly labels the documents "Confidential". The Airport will notify the Ground Transportation Provider in writing of the public records request to view the documents, or any portion of the documents marked "Confidential". The Ground Transportation Provider will have seven calendar days from the date such notice is received to obtain a court order enjoining the release of the documents marked "Confidential". If the Ground Transportation Provider does not provide the Airport with a court order enjoining release of the documents, the Airport will make the documents requested available for inspection as required under the public records law, seven (7) calendar days after the written notice to the Ground Transportation Provider is received.

This page intentionally left blank.

APPENDIX A: DEFINITIONS

Advisory Circular: FAA publications that outline and describe recommended standards and procedures for numerous aviation entities.

Air Operations Area (AOA): That area of the Airport used or intended to be used for landing, takeoff, or surface maneuvering of aircraft. The AOA includes the active runways, taxiways, ramp and turf areas. The AOA is considered part of the Airport Restricted Area and is off-limits to the general public.

Air Traffic Control (ATC): A service operated by appropriate authority to promote the safe, orderly, and expeditious flow of air traffic on or in the vicinity of the Airport.

Air Traffic Control Tower (ATCT): The Airport traffic control tower at Phoenix-Mesa Gateway Airport.

Aircraft (also Airplane, Balloon, Blimp, Ultralight, Helicopter): Any device or contrivance now known or hereafter invented that is used or intended to be used for flight in the air.

Aircraft Maintenance: The repair, adjustment, or inspection of an aircraft by a pilot, owner, or mechanic other than the routine cleaning, upkeep, and servicing of an aircraft in preparation for flight. Minor repairs are characterized as normal, routine annual inspection with attendant maintenance, repair, calibration or adjustment or repair of aircraft and their accessories. Major repairs are characterized as major alterations to the airframe, power plant, propeller and accessories as defined in FAR Part 43.

Aircraft Operation: An aircraft takeoff, landing, touch and go (two operations), low approach and/or missed approach.

Aircraft Rescue and Fire Fighting (ARFF): The personnel, equipment, and facilities on or off the Airport dedicated to dealing with aircraft accidents/incidents and all rescue and firefighting tasks, structural fires, and other firefighting emergency activities.

Airport: Shall mean and have reference to all the areas comprising the Phoenix-Mesa Gateway Airport as now existing, or as the same may hereafter be expanded and developed, and shall include all of its buildings, facilities and appurtenances.

Airport Authority: PMGAA, a Joint Powers Airport Authority authorized under the laws of the State of Arizona, its successors, and assigns, formed pursuant to A.R.S. §28-8521, et seq.

Airport Driver Endorsement: The authority issued by Airport Operations authorizing motor vehicle operations within the Airport Restricted Area. An Airport Driver Endorsement shall mean an indication of completed airfield driver training, and so noted on an individual's Airport security identification badge.

Airport Duty Manager: The designated management representative of PMGAA during emergency incidents and after regular business hours.

Airport Executive Director/CEO (also Executive Director/CEO). The Executive Director/CEO of PMGAA or his/her designee. The term "Executive Director/CEO" as herein used, shall include persons duly designated to represent the Airport Executive Director/CEO and to act on behalf of the Airport

Airport Minimum Standards: A separate document adopted and formally approved by the Airport Authority within which are detailed provisions outlining the minimum building size, performance, or other standards acceptable by the Airport Authority for a business firm aspiring to do business at the Airport.

Airport Operations: Airport staff responsible for monitoring compliance with operations involving Airport airside and landside activities.

Airport Restricted Area(s)/ Restricted Area(s): Areas closed to access by the general public. These are limited access areas that the Executive Director/CEO, the FAA, TSA, or commercial aviation business owners have elected to restrict for purposes of security or safety. These areas include but are not limited to the Air Operations Area, Airport perimeter roadways, fenced-in areas, aircraft hangars and maintenance shops, fuel storage areas and hazardous materials storage areas.

Airport Rules and Regulations: A document adopted and formally approved by the Airport Authority within which are detailed provisions for the safe, orderly, and efficient operation of the Airport.

Airport Security Program: A program developed in accordance with TSA Part 1542 and approved by a TSA Federal Security Director outlining Airport security requirements, methods, and procedures for Phoenix-Mesa Gateway Airport.

Apron (also Ramp): Those areas designated by the Airport, both public and private/leased, designated by the Executive Director/CEO for the parking or storage of aircraft. These areas are usually restricted areas and involve activities such as enplaning and deplaning passengers, servicing aircraft, and aircraft movements.

Arizona Revised Statutes (A.R.S.): the set of books which contains the constitution and laws

enacted by the Legislature to govern the state.

Based Aircraft: Aircraft that are "operational and airworthy", which are based at an airport for a majority of the year.

Emergency Vehicles: Vehicles that are painted, marked, lighted or escorted and used by law enforcement officers (or security officers), fire department (ARFF), ambulance or other Airport officials to carry out their daily duties or used in response to an emergency situation.

Engine Run-up: The operation of an aircraft engine at power settings in excess of those power settings needed for normal taxiing of the aircraft. Engine run-ups are usually conducted at relatively high-power settings in order to determine the performance of an aircraft engine.

Escort: A person authorized by the Airport to accompany a contractor or other persons within the Airport Restricted Area(s) in accordance with all FAA safety and security regulations and Airport-specified responsibilities.

Executive Director/CEO: Executive responsible for the enforcement of these Rules and Regulations to ensure the efficient, proper, and safe operation of the Airport, but only to the extent authorized by law or properly delegated by said Airport Executive Director/CEO.

FAA: The Federal Aviation Administration.

FAR: The Federal Aviation Regulations as written, approved, and published by the FAA.

Flight Standards: FAA standards for promoting safe air transportation by certification and oversight of airmen, air operators, air agencies, and designees.

General Aviation: All categories and types of aviation/aircraft in the U.S. except for certified air carriers (under FAR Part 121 or Part 129) and Part 129 Foreign Air Carriers and Department of Defense military aircraft.

GPS Tracking/Reporting Application: Any online-enabled application, software, website, or system that is offered or used by the authorized provider and that enables a potential passenger to arrange a ride with a Ground Transportation Provider driver and utilizes Global Positioning Satellite for tracking and reporting.

Ground Transportation: Modes of vehicle transportation to facilitate the movement of passengers and visitors to and from the airport.

Ground Transportation Provider: Any entity that provides Ground Transportation services for a fee.

Hangar: Any fully or partially enclosed storage space for an aircraft.

Hazardous Material: A substance or material in a quantity or form that may pose an unreasonable risk to health or safety, or property when stored, transported, or used in commerce as defined in applicable Federal, State, and local environmental laws.

Incident Commander: The individual responsible for directing and / or controlling resources during an Airport emergency; the leader of Unified Incident Command.

Lease: A contract granting occupation or use of property during a certain period in exchange for a specified rent.

Movement Area: Those areas of the Airport under the control of the Air Traffic Control Tower including runways, taxiways, and helipads designated and made available for the landing, take-off, and taxiing of aircraft and which require a clearance from the Air Traffic Control Tower prior to entering.

Notice of Violation (NOV): An NOV is a form issued by Airport Operations personnel for violations of any rules and regulations governing the Airport.

Notice to Airmen (NOTAM): Information issued by a representative of the Executive Director/CEO, FAA, the Air Traffic Control Tower, or other authorized official advising pilots of temporary changes to published information regarding Airport facilities, conditions, or other items that may affect safe flight.

Operating Agreement: A contract granting short-term occupation or use of Airport facilities (i.e., runways, taxiways) during a certain period in exchange for specified rent and/or fees. Operating agreements are used for, but not limited to, flight-testing and flight training operations.

Park or Parking: The standing of an aircraft or vehicle whether occupied or not.

Permit: A written authorization issued by the Airport Authority that allows specific activities or the temporary use or occupancy of certain areas or facilities at the Airport.

Person: Shall mean an individual, firm, general or limited partnership, corporation, company, limited liability partnership, trust, association, or any trustee, receiver, assignee, or similar representative thereof leasing, subleasing, making application for, or using any land or facility at the Airport.

Rates and Charges: Airport fee structure approved by the Board for use of airport infrastructure, facilities, and equipment.

Secured Area: That portion of the Airport where domestic air carriers and foreign air carriers enplane and deplane passengers and sort and load baggage and any adjacent areas that are not separated by adequate security measures.

Security Identification Display Area (SIDA): That portion of the Air Operations Area (AOA) where each person is required by federal law to continuously display, on an outermost garment, an Airport-approved identification badge. Any person observed in the SIDA not displaying the identification badge and not accompanied by an Airport-approved escort must be promptly reported to a security officer or other designated authority.

Soliciting: The act of entreating, enticing, or otherwise requesting money, business, or exchange of goods/ services outside of authorized areas.

Sterile Area: The portion of the Airport defined in the Airport Security Program that provides passengers access to board aircraft and to which the TSA generally controls the access through the screening of persons and property.

Transportation Network Company (TNC): An entity that has been issued a permit by the State of Arizona that operates in the State of Arizona, that uses a digital network or software application to connect passenger(s) to transportation network services provided by transportation network drivers, and that may but is not deemed to own, operate of control a personal motor vehicle of a transportation network driver.

TSA: The Transportation Security Administration.

UAV: Term is used interchangeably with Unmanned Aerial System (UAS) and Drone. An unmanned aerial vehicle (UAV) is an aircraft without a human pilot on board. UAV's have a ground-based controller, and a system of communications between the two. Civil UAV operations are regulated under FAA Part 107.

Vehicle: Shall mean all conveyances, except aircraft.

This page intentionally left blank.

APPENDIX B: FLY FRIENDLY NOISE ABATEMENT PROCEDURES

Unless otherwise directed by the Tower, please comply with the following:

1. Runway 30 is designated as the "calm wind" runway.
2. Use best rate of climb, consistent with safety.
3. Runway 12C/30C or 12L/30R for jet aircraft pattern work (1700' AGL – above ground level) is preferred. When using Runway 30C or 30R, start right crosswind turns as soon as practical to avoid residential areas north of the Airport (complete turns within 3.5 DME).
4. On departure from 30L, left turn after end of runway to minimize low overflights of the Gateway Campus.
5. Military aircraft terminate afterburner use when safe to do so.
6. Jets are requested to use NBAA Standard Noise Abatement Departure or comparable aircraft manufacturer procedures.
7. Propeller aircraft are requested to use AOPA Noise Awareness Steps.
8. Helicopter traffic: please avoid low overflights of the Gateway Campus. Use a Northwest or Southwest arrival-departure corridor.
9. Compliance with the Fly Friendly procedures is at the pilot's discretion.

Board Action Item

Re: Resolution 23-16

To:	**Board of Directors**
From:	**Brian Lehrich, MAcc, CPA, Finance Director**
Through:	**Chuck Odom, Chief Financial Officer**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Authorizing Applications and Acceptance of Grants**
Date:	**April 18, 2023**

Proposed Motion

To authorize the filing of grant applications including agreeing to all understandings and assurances contained therein; and, authorizing the acceptance and execution of any Federal Aviation Administration (FAA) or other Federal agency, State of Arizona, Arizona County or Arizona Local Municipal grant offer(s), applied for or received between July 1, 2023 and June 30, 2024 by the Chair of the Authority, the Executive Director/CEO, Deputy Director/COO or Chief Financial Officer/CFO.

Narrative

The FAA and Arizona Department of Transportation received the Phoenix-Mesa Gateway Airport Authority (PMGAA) Airport Capital Improvement Program (fiscal years 2021-2025 and preceding years) in accordance with the Airport Master Plan. The Federal Government, State of Arizona, Arizona Counties or Arizona Local Municipalities may offer PMGAA a grant or multiple grants for capital improvements or other projects at any time during the year that will support the priorities of the PMGAA.

Staff requests authority to prepare grant applications and submit for capital planning, design, construction or other projects that will support the priorities of PMGAA. PMGAA further requests authority to accept offer(s) received, agree to accomplish the described development or scope, and comply with the terms and conditions of the grant agreement(s), including maintaining compliance with the assurances made as part of the project application(s).

Fiscal Impact

Grants from the agencies make the Capital Improvement Program at the Airport financially feasible and leverage funding.

Board Action Item

Re: Resolution 23-17

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Remote Transmitter and Receiver Building Relocation – Arizona West Builders and Communications, Inc. – CIP 1219**
Date:	**April 18, 2023**

Proposed Motion

To authorize a Contract with Arizona West Builders and Communications, Inc. (Arizona West) for Design and Construction Services for the Remote Transmitter and Receiver (RTR) Building Relocation in an amount not to exceed $1,167,755.52 under CIP 1219.

Narrative

Over the last couple of years, interest in private development at Phoenix-Mesa Gateway Airport has gained momentum and there are several projects under construction in the southern portion of the east side of the airport. With the construction of the large Gulfstream Service Center and other proposed improvements by The Boyer Company, PMGAA staff determined that the RTR Building would have to be relocated to a site away from the east side improvements, and closer to the new Air Traffic Control Tower.

This project will include design and construction of the building, and will include new antenna cabling and equipment racks, HVAC Systems, static dissipative flooring, electrical system including UPS and emergency backup generation, security systems to include access controls, systems monitoring, complete electrical grounding, grading, paving, and general site landscaping.

The Request for Proposal (RFP), Solicitation 2023-019-RFP was issued on January 25, 2023, and advertised in the Arizona Business Gazette on 1/26, 2/2, 2/9 and 2/16/23. The Notice of RFP was also posted on the AzAA, ACC, ACI-NA and SWAAAE Websites, as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFP was emailed to a list of over 80 prospective firms. Airport staff received two (2) proposals:

Arizona West Builders and Communications, Inc.
Desert Services International, Inc.

After reviewing the submitted proposals, the Evaluation Panel selected Arizona West as the firm that best satisfied the requirements, based on qualifications of the firm, Project Team experience, project understanding and approach to performing the required services.

Fiscal Impact

This project is included in the FY23 Capital Budget utilizing PMGAA Non-grant funding under CIP 1219.

Attachment(s): Contract

RESOLUTION NO. 23-17

E. PROJECT:

Remote Transmitter and Receiver Relocation
Authority Project No. 1219

F. WORK TO BE PERFORMED:

The intent of this project is to select a team to design and construct a replacement critical systems Remote Transmitter and Receiver (RTR) building and relocate radio antenna towers and selected equipment. Due to the critical nature of the equipment, it is anticipated that this project will need to be phased in order to maintain air traffic operations at all times. It is also expected that the new building will be constructed and commissioned prior to relocation of any critical equipment. Coordination and communication will be crucial in this project to ensure zero disruption of air traffic operations

G. RECITALS:

The Owner intends to relocate a critical systems Remote Transmitter and Receiver (RTR) building and relocate radio antenna towers and selected equipment

NOW, THEREFORE, intending to be legally bound and for valuable consideration, the receipt and sufficiency of which are acknowledged, the Owner and Contractor agree as follows:

H. AGREEMENTS:

ARTICLE 1 THE CONTRACT

The Contract consists of (1) this Project Contract, (2) The Proposal Requirements and Agreement Documents, (3) the General Conditions to the Project Contract, (4) Special Provisions, (6) Drawings, Technical Specifications and other documents or amendments referenced in Article 7 of the Project Contract, and (7) any amendments or modifications to the foregoing documents, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract").

ARTICLE 2 THE WORK

The Contractor shall execute the entire work described in the Contract and all work reasonably inferable as necessary to produce the results intended by the Contract.

ARTICLE 3 CONTRACT TIME

3.1 The Contractor and Owner recognize that time is of the essence of this Agreement and that Owner will suffer financial loss if the work is not Substantially Completed or Finally Completed within the times specified below.

3.2 The Contractor shall achieve Substantial Completion (as defined in Section 9.8.1 of the General Conditions of the Project Contract and evidenced by a Certificate of Substantial Completion) of the Project no later than a total of **180 Calendar Days** from the date of issuance of the Notice to Proceed.

3.3 Final Acceptance of the work shall occur not more than thirty (30) calendar days after the Substantial Completion date.

3.4 The parties acknowledge and agree that it would be extremely difficult and impracticable to ascertain the damages that the Owner would incur should the Contractor fail to achieve, (1) Substantial Completion of the work by the milestone completion date(s), or (2) Final Acceptance of the work, as specified in this Article 3. Accordingly, if the Contractor fails to achieve (1) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as specified in this Article 3, the Contractor shall be liable for and shall pay to the Owner liquidated damages for each calendar day of delay until the Contractor achieves (l) Partial Acceptance, (2) Substantial Completion, or (3) Final Acceptance of the work as the case may be. The liquidated damages shall be as follows:

The following Liquidated Damages apply:

1. Substantial Completion (180 Calendar Days) – $1,000 per Day

The following Liquidated Damages will also apply:

1. Final Completion within thirty (30) Calendar Days of Substantial Completion of the project – $1,000 per Day

The Owner shall have the right to retain any liquidated damages from payments due Contractor.

ARTICLE 4 CONTRACT SUM

4.1 The Owner shall pay the Contractor in current funds for the Contractor's performance of the Contract the Contract Sum of one million, one hundred sixty-seven thousand, seven hundred fifty-five dollars and fifty-two cents ($1,167,755.52), subject to the additions and deductions as provided in the Contract.

4.2 Prices are set forth in Contractor's Proposal submitted on February 21, 2023. The proposal price includes (1) the design, (2) all materials, equipment, labor, delivery, installation, overhead, profit, taxes, bond, insurance, and commissions, and (3) any other costs or expenses in connection with or incidental to the performance of that portion of the work to which such prices apply.

ARTICLE 5 PROGRESS PAYMENTS

Progress payments will be made in accordance with Article 9 of the *General Conditions* to the Project Contract.

ARTICLE 6 FINAL PAYMENT

Final payment will be made in accordance with Article 9 of the *General Conditions* to the Project Contract.

ARTICLE 7 CONTRACT DOCUMENTS

7.1 The Contract, except for modifications issued after the effective date of the Project Contract, consists of the following documents:

7.1.1 The *Project Contract.*
7.1.2 The Proposal Requirements, Document, Exhibits, and Agreement Documents.
7.1.3 The *General Conditions* to the Project Contract.
7.1.4 The *Federal Requirements.*
7.1.5 The *Special Provisions* to the Project Contract.
7.1.6 The *Technical Specifications*.
7.1.7 Appendix A.
7.1.8 Plans, Specifications and Addenda attached.
7.1.9 Proposal Documents as follows:

A. Contractor's full Proposal dated February 21, 2023.

B. Certificate of Insurability dated February 21, 2023.

C. Standard Certifications signed by Marty Franklin and dated February 21, 2023.

7.1.10 Amendments or modifications to the Contract, if any, to which the parties may agree during Contract performance.

7.2 There are no Contract Documents other than those listed above in this Article 7. The Contract Documents may only be amended, modified, or supplemented as provided in the *General Conditions*.

7.3 The Contract Documents are complementary, and a requirement called for by one is as binding as if called for by all. In resolving conflicts, if any, the Contract Documents shall be given the precedence that the Engineer determines is consistent with their intent and that will produce the intended result. When not in contradiction with this priority, the Contract Documents shall be given precedence in the order in which they are listed in this Article 7.

ARTICLE 8 MISCELLANEOUS

8.1 If any provision(s) of the Contract is/are invalid, illegal or unenforceable, all other provisions of the Contract shall nevertheless remain in full force and effect. If any Contract provision is inapplicable to any person or circumstance, that provision shall nevertheless remain applicable to all other persons and circumstances.

8.2 It is Contractor's and Owner's intent that all provisions of law required to be inserted or referenced in the Contract Documents shall be incorporated into them. If any provision of law is not inserted or referenced in the Contract Documents, or is inserted or referenced in improper form, the provision shall be considered inserted or referenced in proper form at no increase in Contract Price or Contract Time.

8.3 Contractor shall not sell, assign, transfer or otherwise convey any of its rights and shall not delegate any of its duties under this Contract without Owner's prior express written consent. In its

sole discretion Owner may refuse to consent to any proposed assignment or delegation. Any attempted sale, assignment, transfer, conveyance or delegation in violation of this Paragraph 8.3 shall be void and shall relieve Owner of any further liability under the Contract Documents. If Owner consents in writing to an assignment, unless specifically stated to the contrary in the consent, the assignment shall not release or discharge Contractor from any duty or responsibility set forth in the Contract Documents.

8.4 Nothing contained in the Contract shall in any manner authorize, empower, or constitute Contractor, its subcontractors, or suppliers as agent(s) of Owner, authorize or empower Contractor, its subcontractors, or suppliers to assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of Owner or authorize or empower Contractor, its subcontractors or suppliers to bind Owner in any manner or to make any representation, warranty, covenant, agreement, or commitment on Owner's behalf. Contractor shall perform all work under this Contract as an independent contractor. Only Owner of this Contract shall have rights to enforce any changes to this Contract.

8.5 This Contract shall be binding on Owner and Contractor and all of their respective successors, heirs, legal representatives, and, if Owner has consented to an assignment or delegation as provided in Paragraph 8.3, assigns and delegates.

8.6 This Contract supersedes all prior oral or written agreements, if any, between the parties and constitutes the entire, integrated agreement between the parties with respect to the work to be performed under the Contract Documents.

8.7 This Contract shall be governed by and construed in accordance with the laws of the state of Arizona, without giving effect to any rules governing conflict of laws.

8.8 The approval and continuation of this Contract is subject to the availability of funds either provided to, made available to, or appropriated by the Owner for this purpose. In the event that funds are not available or appropriated for the Owner's payment requirements under this contract for the goods and/or services to be provided hereunder, the Owner may terminate this contract by providing notice to the Contractor of the lack of the availability of funds.

Executed as of the Effective Date.

Board Action Item

Re: Resolution 23-18

To:	**Board of Directors**
From:	**Matt Nebgen, Gateway Aviation Services Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Purchase of Jet-A and 100LL Avgas Fuel**
Date:	**April 18, 2023**

Proposed Motion
To authorize the purchase of Jet A and 100LL Avgas fuel from Ascent Aviation Group, Inc. (World Fuel) for Airport Authority resale in the amount of $450,000.

Narrative
The Phoenix-Mesa Gateway Airport Authority owns and operates Gateway Aviation Services, the Airport's sole provider of retail aviation fuel.

Jet-A and 100LL Avgas are needed to provide aircraft fuel to tenant, transient, corporate, flight school, airline, and military customers. Actual cost of fuel is based upon market price at time of order. Airport staff expects to exceed the original requested purchase amount prior to the end of FY23. This is due to higher fuel cost in the first half of the fiscal year. The additional $450,000 purchase will bring the total FY23 Jet A and 100LL Avgas purchase to $5,700,000.

Request for Proposals No. 2019-005-RFP was issued, and World Fuel was selected as the fuel provider. Board Resolution No. 19-34 approved a multi-year contract between Phoenix-Mesa Gateway Airport Authority and World Fuel.

Fiscal Impact
This purchase will be funded by FY23 operating contingency budget and will be more than offset by an increase in revenue.

Board Action Item

Re: Resolution 23-19

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Fuel Farm Expansion CMAR Construction Services Contract and GMP 2 – KEAR Civil Corporation, CIP 1224**
Date:	**April 18, 2023**

Proposed Motion
To authorize a Construction Manager At Risk (CMAR) Construction Services Contract and Guaranteed Maximum Price (GMP) 2 for the Fuel Farm Expansion Project with KEAR Civil Corporation (KEAR), in an amount not to exceed $2,874,552 under CIP 1224.

Narrative
Due to the increased commercial aircraft passenger traffic and the additional airlines utilizing PMGAA, Airport staff had an analysis completed of the existing and anticipated Jet-A Fuel Storage Capacity that is needed at the Fuel Farm. Currently, the Airport has a usable storage capacity of 212,500 gallons of Jet-A aviation fuel, which has been determined (by Airport Staff), to be a little over four (4) days of storage reserves on hand. Based on recent growth patterns, within the next five years, this number is anticipated to be significantly less than three days of storage reserves on hand. Industry standard is five (5) to seven (7) days storage to allow for disruptions and supply challenges. With the findings from this recent study, PMGAA staff has determined the need for an expansion of the Fuel Farm is in order to accommodate appropriate Jet-A fuel storage capacity.

The Contractor, KEAR, is currently providing pre-construction management services as a CMAR and completed the GMP 1 Early Works Procurement that will add two (2) additional 50,000-gallon (gross), (85,000-gallon net usable increase) Jet-A fuel storage tanks, fuel lines, pumps and will utilize the airport controlled vacant lot adjacent to the existing fuel farm in order to provide an interim fuel solution.

On December 20, 2022, the Board approved Resolution 22-82 authorizing GMP 1, Early Works Procurement, for this project with KEAR through the use of a formal solicitation process. GMP 2, Construction Services, are now needed in order to complete the construction of the Fuel Farm expansion and the installation of the new fuel tanks.

The Evaluation Panel unanimously ranked KEAR as the firm most qualified and that best satisfies the requirements for this project.

Fiscal Impact
This CMAR Construction Services Contract and GMP 2 are included in the FY23 Capital Budget and are funded with PMGAA non-grant funds under CIP 1224.

Phoenix Mesa Gateway Airport Authority

Construction Manager at Risk
Construction Services
Project No.: 1224

THIS CONTRACT is made and entered into by and between the Phoenix Mesa Gateway Airport Authority, a joint powers airport authority authorized by the state of Arizona, hereinafter called "Owner" and the "Construction Manager at Risk" or "CMAR" designated below, individually, each is a "Party" and collectively, the "Parties", and shall be effective as of the date signed by Owner.

NOW, THEREFORE, intending to be legally bound and for valuable consideration, the receipt and sufficiency of which are acknowledged, the Owner and CMAR agree as follows:

ARTICLE 1 – PARTICIPANTS AND PROJECT

Owner:	**Phoenix-Mesa Gateway Airport Authority** **5835 S. Sossaman Road** **Mesa, AZ 85212** **Project Manager: Mike Hanas** **Telephone: 480.988.7636** **E-mail: mhanas@gatewayairport.com**
CMAR:	**KEAR Civil Corporation** **22555 N. 20th Avenue** **Phoenix, AZ 85024** **CMAR Representative: Mike Fossett** **Telephone: 623.742.2310** **E-mail: mike.fossett@kearcorp.com**

PROJECT DESCRIPTION:	**Fuel Farm Jet A Tank Expansion**

ARTICLE 2 – CONTRACT DOCUMENTS

2.1 CONTRACT DOCUMENTS

The Contract between Owner and CMAR shall consist of the following Contract Documents. Notwithstanding Article 50-04 of the General Provisions, should any of the Contract Documents conflict with each other, the conflict will be resolved by using the following order of precedence:

1. Any amendments or modifications to the Contract Documents in reverse chronological order, including (a) a written amendment signed by both parties, (b) a Change Order, (c) a Change Directive, (d) Supplementary Instructions, or (e) a written order for a minor change in the work (collectively the "Contract");
2. Exhibit A to the CMAR Construction Contract, Accepted GMP/Price Proposal and Project Schedule – the "Basis of GMP" and "Basis of Schedule";
3. The Guaranteed Maximum Price Proposal sections outside of item (2) above;
4. The General Conditions to the CMAR Contract;
5. The CMAR Construction Services Contract and all of its Exhibits;
6. The General Provisions to the CMAR Contract;
7. Drawings;
8. Specifications;
9. The Request for Qualifications requirements, document and exhibits (#2022-024-RFQ), and CMAR's submittal to such solicitation dated 04/25/2022;
10. Any other Contract Documents.

2.3 PROJECT SPECIFIC CONDITIONS

If there are any additional conditions that apply to this Project, they are set forth in the attached Exhibit A, and are incorporated herein.

2.4 PROJECT PLANS AND SPECIFICATIONS

A detailed list of the Plans and Specifications for this Project are set forth in the attached Exhibit B.

ARTICLE 3 – PRE-CONSTRUCTION SERVICES

Although CMAR has performed Pre-Construction Services pursuant to a separate Contract between Owner and CMAR, the completion, quality and accuracy of those services and the deliverables provided by Owner thereunder directly impact CMAR's performance of its obligations under this Contract. Therefore, all of CMAR's obligations, duties, and warranties in relation to Pre-Construction Services and deliverables survive completion of the Pre-Construction Services Contract and are incorporated herein. Any breach of any of CMAR's duties, obligations, or warranties under the Pre-Construction Services Contract shall likewise be considered a breach of this Contract.

ARTICLE 4 – CONSTRUCTION SERVICES

4.1 GENERAL

4.1.1 CMAR agrees at its own cost and expense, to do all work necessary and required to fully, timely and properly complete the construction of the Project in strict accordance with the Contract Documents in a good and workmanlike manner, free and clear of all claims, liens, and charges whatsoever, in the manner and under the conditions specified, and within the Project Schedule included in Exhibit A of this Contract.

4.1.2 CMAR shall provide all of the labor and materials and perform the Work in accordance with the General Conditions and General Provisions. Some but not all of the major components of the Construction Services and the corresponding subsections of Section 4 of the General Conditions are set forth below.

4.1.3 At all times relevant to the Contract and performance of the Work, the CMAR and its subcontractors shall fully comply with all Laws, Regulations, or Legal Requirements applicable to Owner, the Project and the Contract.

4.1.4 CMAR shall perform the Work under this Contract using only those firms, team members and individuals designated by CMAR consistent with the Statement of Qualifications dated 04/25/2022, the GMP Proposal, or otherwise approved by Owner pursuant to the General Conditions. No other entities or individuals may be used without prior approval of the Project Manager.

4.1.5 CMAR will comply with all terms and conditions of the General Conditions and General Provisions, as well as the Owner's published Rules & Regulations and Minimum Standards (Exhibit E).

4.1.6 In the event of a conflict between this Contract and the General Conditions, General Provisions or any exhibit hereto or appendix thereto, the terms of this Contract shall control, but nothing in this contract shall be construed so as to either (i) Violate any term or condition of the Owner's published Rules & Regulations or Minimum Standards; or (ii) Violate Owner's mandatory subordination to its federal obligations, pursuant to Federal Aviation Administration ("FAA") Policies (2009) (including, but not limited to § 1.1, § 1.5, § 12.3, §10, § 14.1, *et. seq*.) and federal statutory authority, including, but not limited to, 49 U.S.C. §40103(a) (establishes the federal government's total dominance over the airspace of the United States, including, U.S. airports).

4.1.7 **Ownership of Work Product.** Notwithstanding anything to the contrary in this Contract, all Work Product prepared or otherwise created in connection with the performance of this Contract, including the Work, are to be and remain the property of Owner. For purposes of this provision, "Work Product" shall include all designs, drawings, plans, specifications, ideas, renderings and other information or matter, in whatever form created (e.g., electronic or printed) and in all media now known or hereinafter created. All Work Product shall be considered Work Made for Hire as defined in the United States Copyright Act 17 U.S.C. § 101 (Copyright Act). If for any reason any such Work is found not to be a work for hire, CMAR hereby transfers and assigns ownership of the copyright in such Work to Owner. The rights in this section are exclusive to Owner in perpetuity.

4.2 CMAR's PRE-CONTRACT AND PRE-WORK DELIVERABLES

The CMAR will provide the insurance and bond(s) requirements in accordance with Article 11 of the General Conditions prior to any work commencing.

Owner will obtain and pay for all permits necessary for the work.

4.3 PRE-CONSTRUCTION CONFERENCE

CMAR shall attend the Pre-Construction Conference.

4.4 PERFORMANCE OF THE WORK (INCLUDING FIELD MEASUREMENTS, SUBCONTRACTORS, AND SUPPLIERS)

CMAR shall perform the Work in accordance with the General Conditions.

4.5 CONTROL OF THE PROJECT SITE

CMAR shall control and maintain the Project Site in accordance with Article 4 of the General Conditions.

4.6 PROJECT SAFETY

CMAR shall implement and enforce Project safety in accordance with Article 10 of the General Conditions.

4.7 MATERIALS QUALITY, SUBSTITUTIONS AND SHOP DRAWINGS

CMAR shall provide materials testing and submit substitute materials and Shop Drawings in accordance with Article 3 of the General Conditions.

4.8 PROJECT RECORD DOCUMENTS

CMAR shall maintain and make available the Project Record Documents in accordance with Article 3.12 of the General Conditions.

4.9 WARRANTY AND CORRECTION OF DEFECTIVE WORK

CMAR shall provide warranties and correct defective Work in accordance with Article 3.6 of the General Conditions.

ARTICLE 5 – OWNER RESPONSIBILITIES

5.1 Owner shall have the responsibilities, and provide the information specified in, and subject to the conditions set forth throughout the Contract Documents.

5.2 Additional information to be provided by Owner, if any, is listed below:

Final contract documents, including, but not limited to General Conditions, General Provisions, applicable as-built drawings, stamped Construction Documents and Technical Specifications.

ARTICLE 6 – CONTRACT TIME

Contract Duration is 227 calendar days.

6.1 CONTRACT TIME

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Final Acceptance, as set forth in Article 6.4 below. The Notice to Proceed cannot be issued prior to the approval and acceptance by Owner of the GMP or Fixed Price.

6.1.2 CMAR agrees that it will commence performance of the Work and complete the Project through both Substantial Completion and Final Completion within the Contract Time.

6.1.3 Time is of the essence of this Contact, for the Project, and for each phase and/or designated Milestone thereof.

6.2 PROJECT SCHEDULE

The Project Schedule approved as part of the GMP Proposal and incorporated herein as part of the attached Exhibit A shall be updated and maintained throughout CMAR's performance under this Contract in accordance with Article 3 of the General Conditions.

6.2.1 Failure on the part of CMAR to adhere to the approved Project Schedule will be deemed a material breach and sufficient grounds for termination for cause of this Contract by Owner.

6.3 SUBSTANTIAL COMPLETION

Substantial Completion shall be achieved not later than the Substantial Completion Date set forth in the Project Schedule. Substantial Completion shall be determined in accordance with Article 9.8 of the General Conditions.

6.4 FINAL COMPLETION AND FINAL ACCEPTANCE

6.4.1 Final Completion will be obtained within the time period set forth in the Project Schedule.

6.4.2 Final Completion will be determined, and a Final Acceptance will be issued, pursuant to Article 9.9 of the General Conditions.

6.5 LIQUIDATED DAMAGES

6.5.1 **Final Completion Liquidated Damages.** For the same reason set forth in Article 6.1.3 above, Owner and CMAR further agree that if CMAR fails to achieve Final Completion of the Work within the time set forth in Article 6.4.1 above, Owner shall be entitled to retain or recover from CMAR, as liquidated damages and not as a penalty, the following per diem amounts (which the Parties agree is a reasonable approximation of any resulting damages) commencing from the actual date of Substantial Completion or the Final Completion Date as required under the Contract, whichever is later, until the actual date of Final Completion:

$1070 per calendar day.

6.5.2 Owner may deduct liquidated damages described in this Article 6.5 above from any unpaid amounts then or thereafter due CMAR under this Agreement. Any liquidated damages not so deducted from any unpaid amounts due CMAR shall be payable to Owner at the demand of Owner, together with interest from the date of the demand at the highest lawful rate of interest payable by CMAR.

ARTICLE 7 – CONTRACT PRICE

7.1 CONTRACT PRICE

7.1.1 In exchange for CMAR's full, timely, and acceptable performance and construction of the Work under this Contract, and subject to all of the terms of this Contract, Owner will pay CMAR the "Contract Price" which:

The sum of the CMAR's Fee and reimbursable Cost of the Work, which the CMAR guarantees will not exceed the GMP set forth in Exhibit A, in the amount of **$2,874,552.00** (Two million eight hundred seventy-four thousand five hundred fifty-two dollars and no cents). Costs which would cause the GMP to be exceeded shall be paid by CMAR without reimbursement from Owner.

7.1.2 The Contract Price is all-inclusive and specifically includes all fees, costs, insurance and bond premiums, and taxes any type necessary to fully, properly and timely perform and construct the Work encompassed in attached Exhibit A.

7.1.3 The contract price may only be changed as set forth in the Contract Documents.

7.1.4 Only costs specifically designated as reimbursable costs are eligible for payment by Owner or may be charged against the Contract Price. All other costs will not be paid by Owner and shall not be chargeable against the Contract Price.

7.1.5 For Contract Amendments, Change Orders, or Job Orders reimbursable costs shall be determined pursuant to MAG Specifications 109.5.

7.2 ALLOWANCES

Contractor shall include in the Contract Price all Allowances stated in the Contract Documents and agreed to in writing by Owner. Items covered by these Allowances shall be supplied for such amounts and by such persons as Owner may direct, provided Contractor will not be required to employ persons against whom

Contractor makes a reasonable objection. Materials and equipment under an Allowance shall be selected by Owner in accordance with a schedule to be mutually agreed upon by Owner, Design Professional and Contractor or otherwise in reasonably sufficient time to avoid delay in the Work.

7.2.1 Unless otherwise provided in the Contract Documents:

7.2.1.1 These Allowances shall cover the cost to Contractor, less any applicable trade discount, of the Materials and equipment required by the Allowances, delivered at the Site, and all applicable taxes;

7.2.1.2 Contractor's costs for unloading and handling on the Site, labor, installation costs, overhead, profit and other expenses relating to Materials and Equipment required by the Allowance shall be included in the Contract Sum and not in the Allowance; and

7.2.1.3 Whenever the cost is more or less than the Allowance, the Contract Sum shall be adjusted accordingly by Change Order, the amount of which will recognize the difference between actual costs for an Allowance item and the amount of the Allowance item and changes, if any, in handling costs on the Site, labor, installation costs, overhead, profit and other expenses.

7.3 CONTINGENCY

An agreed to amount in the GMP that may only be used in accordance with the terms set forth in these General Conditions and with prior written approval by Owner.

7.4 FINAL PAYMENT

If the Contract Price is based upon a GMP, as a further condition precedent to Final Payment by Owner, Contractor must submit to the Project Manager a complete final accounting of the Actual Reimbursable Cost of the Work, including all such documentation (including, without limitation, invoices, subcontracts, subcontractor change orders, purchase orders, records of payment, etc.) as Owner may require, to establish whether the payments made to Contractor equal, exceed, or are less than the Actual Reimbursable Cost of the Work to date.

Any excess payments by Owner, as determined by the Project Manager, shall be deducted from the one-half retention payment to be made to Contractor, and any additional excess amounts paid to Contractor shall be refunded by Contractor to Owner. Disputes relating to the Final Cost of the Work shall be subject to Owner's audit rights under Article 13.14 of the General Conditions and 7.5 below, and the dispute resolution process under Article 4 of the General Conditions.

7.5 OPEN BOOK

On any GMP-based or Change Order, Owner may attend any and all meetings or discussions pertaining to the Project, including bid openings, and shall have access to all books, invoices, accounts, memoranda, correspondence, and written communications or records of any kind pertaining to the Project, including without limitation, those stored in electronic format.

ARTICLE 8 – PAYMENT

Payments shall be made to CMAR in accordance with Article 9 of the General Conditions and Article 7 above.

ARTICLE 9 – CHANGES TO THE CONTRACT

Changes to the Contract may be made in strict accordance with Article 7 of the General Conditions.

ARTICLE 10 – SUSPENSION AND TERMINATION

This Contract may be suspended and/or terminated in accordance with Article 14 of the General Conditions.

ARTICLE 11 – INSURANCE AND BONDS

11.1 CMAR shall provide insurance in accordance with Article 11 of the General Conditions to the CMAR Contract. CMAR shall provide proof of such insurance and all required endorsements in forms acceptable to Owner prior to commencing any Work under this Contract.

11.2 CMAR shall provide performance and payment bonds to Owner in accordance with Article 11 of the General Conditions and A.R.S. § 34-610(A).

11.3 Failure to provide proof of insurance and the required endorsements, or the required bonds, in forms acceptable to Owner will be material breach and grounds for termination for cause of this Contract by Owner.

ARTICLE 12 – INDEMNIFICATION

CMAR shall have and assume the indemnity obligations set forth in Article 3 of the General Conditions.

ARTICLE 13 – DISPUTE RESOLUTION

Any claims or disputes relating to this Contract shall be resolved according to the dispute resolution process set forth in Article 4 of the General Conditions.

ARTICLE 14 – MISCELLANEOUS PROVISIONS

The miscellaneous provisions set forth in Article 13 of the General Conditions shall apply to this Contract.

ARTICLE 15 – TITLE VI

15.1 CIVIL RIGHTS ACT OF 1964, TITLE VI – GENERAL

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

The above provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract.

15.2 CIVIL RIGHTS ACT OF 1964, TITLE VI- ASSURANCE
COMPLIANCE WITH NONDISCRIMINATION REQUIREMENTS

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

15.3 CIVIL RIGHTS –TITLE VI LIST OF PERTINENT NONDISCRIMINATION ACTS AND AUTHORITIES

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

EXHIBIT D – DEFINITIONS

Allowance – A specific amount for a specific item of Work, if any, that Owner agrees has not been sufficiently designed, detailed, or selected (including design changes from 90% to 100% as authorized by and at the discretion of the Owner) at the time the Contract Price is agreed to for Contractor to provide a definitive price. Allowances shall be treated in accordance with Article 7.2 above.

Baseline Cost Model – A breakdown and estimate of the scope of the Project developed by CMAR.

CMAR or Construction Manager at Risk – The person or firm selected by Owner to provide pre-construction and/or construction services as detailed in a Construction Manager at Risk Contract with Owner. In these General Conditions, the term "Contractor" includes CMAR under both Pre-Construction and Construction Services Contracts.

CMAR Fee or Contractor's Fee – An agreed to percentage in an accepted GMP that represents the Contractor's fee for performance of the Work.

Contract Documents – Where compensation under the Contract is based upon a GMP accepted by Owner, the term "Contract Documents" also includes the accepted GMP Proposal.

Contract Price – Where compensation under the Contract based upon a GMP accepted by Owner, the term "Contract Price" refers to the GMP.

Cost-Based Contract, Change Order, or Job Order – A Contract, Change Order, or Job Order where the Contract Price is based upon the actual cost of performing the Work, subject to the terms of the Contract Documents. These would include those generally referred to as "Cost of the Work plus a Fee with a GMP," "Time and Materials," or "Cost Plus a Fee."

Cost of the Work – The direct costs necessarily incurred by Contractor in the proper, timely, and complete performance on the Work. The Cost of the Work shall include only those costs set forth in Article 7 above.

Deliverables – The work products prepared by Contractor in performing the scope of work described in the Contract. Some of the major deliverables to be prepared and provided by Contractor during pre-construction may include but are limited to: the Baseline Cost Model and Schedule that validate Owner's plan and budget, Construction Management Plan, Detailed Project Schedule, Schedule of Values, alternative system evaluations, procurement strategies and plans, Detailed Cost Estimates, construction market surveys, cash flow projections, GMP Proposals, Subcontractor procurement plan, Subcontractor agreements, Subcontractor bid packages, Supplier agreements, Constructability Review, Cost Control Log, Traffic control and phasing plans and others as indicated in this Contract or required by the Project Team.

Pre-Construction Services Contract – The Contract entered into between Owner and the CMAR for Pre-Construction Services to be provided by the CMAR, including, without limitation, the generation of a GMP Proposal. If the GMP Proposal is accepted by Owner and a CMAR Contract is entered into between Owner and CMAR, the duties, obligations and warranties of the CMAR under the Pre-Construction Services Contract survive and are incorporated into the resulting CMAR Contract.

Pre-Construction Services – The services to be provided under a Pre-Construction Services Contract.

Detailed Project Schedule – The Detailed Project Schedule developed by the CMAR for the review and approval of the Owner.

GMP Plans and Specifications – The plan and specifications upon which the Guaranteed Maximum price Proposal is based.

GMP Proposal – The proposal of Contractor submitted for the entire Work and/or portion (phases) of the Work.

Guaranteed Maximum Price or GMP – The Guaranteed Maximum Price set forth in the Contract.

Board Action Item

Re: Resolution 23-20

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Enclosed Pedestrian Walkway CMAR Construction Services Contract – Willmeng Construction, Inc., CIP 1252**
Date:	**April 18, 2023**

Proposed Motion

To authorize the Executive Director/CEO and/or delegate to negotiate and execute a final Construction Manager at Risk (CMAR) Construction Services contract, with Willmeng Construction, Inc. (Willmeng) for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $3,540,125 under CIP 1252.

Narrative

Due to the increased passenger traffic accessing the Phoenix-Mesa Gateway Airport, PMGAA Management is recommending to provide an Enclosed Pedestrian Walkway that will connect the Ticketing Terminal building to the main Terminal Entrance.

Currently our passengers must exit the Ticketing Terminal and walk outside to access the Terminal Entrance. This access point experiences a great deal of confusion since some passengers don't check baggage but instead proceed straight to the checkpoint. The current terminal entrance gets overcrowded with people accessing it from two different directions, creating gridlock, confusion and safety issues from people standing in the heat or other weather events.

Willmeng is currently providing pre-construction management services as a CMAR for this project.

The Request for Qualifications (RFQ), Solicitation 2023-010-RFQ was issued on August 18, 2022, and advertised in the Arizona Business Gazette on 8/18, 8/25, 9/01 and 9/08/22; it was also posted on the AzAA, ACC, ACI-NA, SWAAAE and FAA Matchmaker Websites as well as the Phoenix-Mesa Gateway Airport Authority Website. In addition, the RFQ was emailed to a list of 92 prospective firms and included DBE outreach. PMGAA received one (1) Statement of Qualifications on September 13, 2022, from the following firm:

Willmeng Construction, Inc.

Willmeng's qualifications, project team experiences, project understanding and approach to performing the required services not only met the requirements of the RFQ but demonstrated expertise in these areas as well.

Fiscal Impact

This project was approved, at the September 2022 Board meeting, and was added to the FY23 Capital Budget. The majority of the funding for this project will come from the Bipartisan Infrastructure Law (BIL) via the FAA under CIP 1252.

Attachment(s): N/A

RESOLUTION NO. 23-20

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize the Executive Director/CEO and / or delegate to negotiate and execute a final Construction Manager at Risk (CMAR) Construction Services contract, with Willmeng Construction, Inc. (Willmeng) for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $3,540,125 under CIP 1252;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes the Executive Director/CEO and / or delegate to negotiate and execute a final Construction Manager at Risk (CMAR) Construction Services contract, with Willmeng Construction, Inc. (Willmeng) for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $3,540,125 under CIP 1252. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Board Action Item

Re: Resolution 23-21

To:	**Board of Directors**
From:	**Bob Draper, P.E., LEED AP, CM Engineering & Facilities Director**
Through:	**Scott Brownlee, Deputy Director/COO** **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Enclosed Pedestrian Walkway Construction Administration Contract – DWL Architects, CIP 1252**
Date:	**April 18, 2023**

Proposed Motion

To authorize a Construction Administration contract, with DWL Architects for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $175,924 under CIP 1252.

Narrative

Due to the increased passenger traffic accessing the Phoenix-Mesa Gateway Airport, PMGAA Management is recommending to provide an Enclosed Pedestrian Walkway that will connect the Ticketing Terminal building to the main Terminal Entrance.

Currently our passengers must exit the Ticketing Terminal and walk outside to access the Terminal Entrance. This access point experiences a great deal of confusion since some passengers don't check baggage but instead proceed straight to the checkpoint. The current terminal entrance gets overcrowded with people accessing it from two different directions, creating gridlock, confusion and safety issues from people standing in the heat or other weather events.

DWL Architects is currently providing design services for this project.

DWL Architect's qualifications, project team experiences, project understanding and approach to performing the required services meet the requirements of the project and demonstrates expertise in these areas as well.

Fiscal Impact

This project was approved, at the September 2022 Board meeting, and was added to the FY23 Capital Budget. The majority of the funding for this project will come from the Bipartisan Infrastructure Law (BIL) via the FAA under CIP 1252.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230277** ("Contract") and the attached exhibits. DWL Architects + Planners, Inc., an Arizona Corporation ("Consultant"), with its principal offices located at 2333 North Central Avenue, Phoenix, Arizona, 85004, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under to this Contract shall generally include, but not be limited to, the following: Construction Administration Services for the Enclosed Pedestrian Walkway project, as more specifically described in the detailed scope of work attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Engineering and Facilities Director, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract.

This Contract is effective as of the date signed by PMGAA and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services ("Term"), unless terminated, canceled or extended as provided in this Contract.

All prices stated in the original Contract shall apply unless a percent of increase or decrease is agreed to in writing by PMGAA.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant and its subconsultants listed below, shall provide all services to be performed under this Contract. If additional Subconsultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

Subconsultants to perform work under this Contract include:

Martin, White, & Griffins Structural Engineers, Inc.
LSW Engineers Arizona, Inc.
Dibble
GBtwo Landscape Architecture, Inc.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with the Phoenix-Mesa Gateway Airport Authority Procurement Policy. Payments will be made for the actual hours worked and/or other costs incurred or provided for in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate agreements or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit periodic invoices for any unbilled portion of the services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all agreements with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all agreements with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX – INSURANCE REQUIREMENTS FOR PROFESSIONAL SERVICES CONTRACTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions.

   The insurance policies shall provide, or be endorsed to include:

   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.

   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract.

   iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX – DISADVANTAGED BUSINESS ENTERPRISE

Phoenix-Mesa Gateway Airport Authority's DBE program is race-neutral. The entire DBE program can be found on PMGAA's website at: www.gatewayairport.com

Owner encourages prime contractors to create subcontracting opportunities, especially for small businesses. Owner does not have a specific SBE goal, however, reporting on SBE utilization is required.

A. Consultant's DBE Performance Plan (DBEPP)
Consultant shall utilize its DBEPP as submitted under solicitation 2023-008-RFQ, throughout the duration of the project/Contract. Failure to fulfill the plan's terms and the plan's intent, shall be a material breach of the contract.

B. Contract Assurance
The Consultant, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the Owner deems appropriate, which may include, but is not limited to: (1) withholding

monthly progress payments; (2) assessing sanctions; (3) liquidated damages; and/or (4) disqualifying the Consultant from future bidding as non-responsible.

C. Subcontracts

i. Consultant is required to include the required clauses and obtain the required certifications, as provided for in Exhibit E, Federal Contract Provisions, in all subcontracts or agreements it enters into, and all lower tier subcontracts and agreements, as a result of this contract, regardless of whether or not the subcontractor is a DBE.

ii. Consultant is required to make available a copy of all subcontracts, DBE, SBE, and non-DBE/SBE, prior to any commencement of work by Consultant or any of Consultant's subcontractors. The Consultant shall ensure that all subcontracts or agreements to supply labor or materials be performed in accordance with this part's provisions.

D. Required Outreach Documentation

The following documentation is required to demonstrate that sufficient outreach efforts have been made to engage DBE subcontractors in the performance of this contract:

i. Detailed evidence that the Consultant's DBE Performance Plan (DBEPP), as submitted under solicitation 2023-008-RFQ, was and will continue to be utilized in obtaining DBE participation. This should include such things as the following, depending on the Consultant's DBEPP:

a) Copy of notifications sent to DBE firms of subcontracting opportunities
b) Documentation of each DBE firms contacted and their response or other action taken as a result of the contact.
c) Documentation of bid responses and/or quotes from all subcontractors who bid to perform work on the project in the areas that DBE firms were also bidding on, including information regarding the reasons why DBE bids were not considered or chosen if applicable).
d) Dates and times of outreach events held and a list of attendees.

The following are examples of factors that are illustrative of whether or not the Consultant implemented its DBEPP in good faith:

a) The number of contacts attempted or made with DBE firms that perform in trade areas where subcontracting work was identified.
b) The timeliness of contacts made with DBE firms so as to allow the firms a reasonable amount of time to respond
c) Attempts made to break down portions of the project into economically feasible units to facilitate DBE participation.
d) Whether the bidder negotiated in good faith with interested DBEs and did not reject a bid as unqualified without sound reason.

ii. **Attachment A**: Subcontracting and Outreach Efforts Summary.

The Consultants' proposed subcontracting and summary of outreach efforts form (Attachment A) must reflect the scope of work that was identified to be potentially subcontracted and the result of the outreach efforts conducted by the Consultant for each scope of work. The Consultant shall clearly list the scope of work to be subcontracted. The firms contacted in consideration for contracting the scope of work must be listed with the DBE/SBE/Non-DBE/SBE status noted. The Consultant must indicate which firm(s), if any, were selected for the opportunity identified. Consultant must complete one Attachment A for each scope of work (NAISC or group of NAISC codes) that has been identified to potentially be subcontracted. **Note:** It is the responsibility of the Consultant to ensure that the scope of work to be performed by the subcontractor(s) is consistent with the area in which the firm is qualified, and in the case of a DBE subcontractor, that the firm has been granted DBE certification. The Consultant can confirm what NAICS code(s) a DBE is certified for by visiting: https://utracs.azdot.gov/ **DBE scopes of work listed on the form that fall outside the trade or performance area in which a DBE has been granted certification shall not be counted as work subcontracted to a DBE firm.** If there are questions, the Consultant should contact the Phoenix-Mesa Gateway Airport Authority Procurement Department for verification. Owner reserves the right

to validate information on the form with the DBE subcontractor and/or other certifying entities or licensing agents as part of the verification process.

iii. **Attachment B**: Letter of Intent to Perform as a Subconsultant/Supplier.

a) The dollar value and the scope of work **every** subcontractor, regardless of DBE/SBE status, is bidding to perform must be completed in full on the form.

b) For scopes of work where a total contract amount cannot be determined, the Letter of Intent to Perform as a Subcontractor/Supplier should reflect the minimum amount agreed upon between the Consultant and the subcontractor that will be paid to the subcontractor. When the form contains scopes of work where all of the dollars that will be paid to a DBE cannot be counted towards achieving the DBE program goal, the form should reflect the amount that is applicable to the program goal. **Example:** A DBE firm will provide uniformed officers on the job. The DBE pays the officers $21 per hour but has bid the contract to the prime Consultant at $30 per hour. Only the $9 per hour that the DBE maintains as a fee/commission should be reflected on Attachment B.

E. DBE Participation Calculation

i. **Subcontracts with DBE Firms:** DBE participation on the contract will be calculated based on that portion (dollar value) of the contract that DBEs actually perform with their own forces. This includes the cost of supplies and materials obtained by the DBE for the work on the contract, ***except*** when supplies and/or equipment is purchased or leased from the prime Consultant or its affiliate. Special emphasis and care should be taken to ensure that the following types of participation are handled properly when preparing your bid packet.

ii. **Fees & Commissions*:*** DBE firms that supply a bona fide service for a fee or commission may be counted only to the extent of the fees or commissions charged by the DBE. This includes, but is not limited to, providing professional, technical, consultant, or managerial services, and bonds or insurance specifically required for the performance of a contract. The fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. ***Example:*** *A DBE firm that supplies uniformed officers for security or traffic control may count only the amounts shared as a commission. The hourly amount paid to the officers may not be counted. If the "per hour" bid amount to the prime Consultant is $30, and $21 per hour will be paid to the officers, only $9 per hour can be counted towards achieving the DBE program goal. If the firm estimates that there will be 200 hours of work, only $2,700 of the total $6,000 bid could be counted.*

iii. **Trucking & Hauling*:*** The amount of a trucking/hauling subcontract that may be counted towards the DBE utilization may be limited. A DBE must itself own and operate at least one fully licensed, insured, and operational truck that will be used on the contract. The DBE subcontractor may lease trucks from another DBE firm and receive full credit for the services of those leased vehicles. Non-DBE trucks may also be leased to perform work on the contract, but non-DBE leased trucks can be counted fully **only up to the value of transportation services provided by all DBE-owned trucks on the contract**. Any additional non-DBE leased trucks may only be credited for the fees or commissions the DBE subcontractor retains over and above the cost of the lease arrangement. ***Example:*** *A DBE trucking firm uses seven trucks on a job. Two are owned by the DBE and one is leased from another certified DBE firm. Four trucks are leased from a non-DBE. The amounts paid to the DBE for the services of three of the non-DBE trucks can be counted in full towards meeting the DBE requirement. Only the amount that the DBE subcontractor receives that is over and above the cost of leasing the fourth truck may be counted as DBE utilization.*

iv. **DBE Prime Consultant:** A DBE prime Consultant will be credited with DBE participation for that portion of the contract that they themselves perform, in addition to any portion of the contract that is subcontracted and performed by an eligible DBE subcontractor. ***Example:*** *If a DBE prime Consultant proposes to perform 60 percent of the contract with the firm's equipment and workforce, and subcontracts 20 percent to a DBE firm and 20 percent to a non-DBE firm, DBE participation will be credited as being 80 percent.*

v. **DBE/Non-DBE Joint Ventures:** A DBE/non-DBE joint venture, functioning as the prime Consultant or as a subcontractor on a Phoenix-Mesa Gateway Airport Authority project, will be credited with DBE participation on the basis of the percentage of profit accruing to the DBE firm. ***Example:*** *A joint venture made up of one DBE and one non-DBE proposes to perform 60 percent of a project quoted at $400,000. A total of 50*

percent of the profits for performing the work will go to the DBE partner in the joint venture. DBE participation will be credited at 30 percent, or $120,000.

vi. **Lower Tier Non-DBE Participation:** Subcontract dollars paid by DBE primes and/or qualifying joint ventures to non-DBE subcontractors will not be considered when determining the percentage of DBE participation on this contract. Amounts subcontracted to a non-DBE by a DBE subcontractor (2nd tier or lower) may not be counted.

vii. **Lower Tier DBE Participation:** Consultant is obligated and must report all utilization of DBEs of lower tier subcontracts and ensure subcontractors comply with all applicable DBE reporting requirements.

viii. **DBE Suppliers:** Purchases from DBE suppliers may be counted towards the program goal as follows:

ix. **Manufacturers:** Amounts paid to a DBE supplier that manufactures or substantially alters the material or product it supplies will be credited at 100% of the expenditure when determining the percentage of DBE participation.

x. **Regular Dealer:** Purchases from a DBE firm that is an established, regular business that engages, as its principal business, in the purchase, sale, or lease of the products being supplied **may be credited towards the DBE program goal at sixty percent (60%) of the sale price** when determining the percentage of DBE participation.

xi. **Packagers, Brokers, Manufacturers' Representatives:** Purchases from a DBE firm who arranges or expedites transactions not as regular dealers, **may not be counted in full** when determining DBE participation. Only the fees or commissions charged in the procurement of the materials or supplies, or fees or transportation charges for the delivery of the materials or supplies may be credited towards achievement of the DBE program goal.

F. Definitions

i. **Disadvantaged Business Enterprise (DBE)** means a small business concern that has successfully completed a DBE certification process and been granted DBE status by the Arizona Unified Certification Program or by a U.S. Department of Transportation (USDOT) recognized agency who certifies DBE applicants pursuant to the criteria contained in 49 CFR Part 26.

ii. **Small Business Enterprise** (SBE) means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto. A small business concern shall not include any concern or group of concerns controlled by the same socially and economically disadvantaged individual(s) that has annual average gross receipts in excess of the cap established by federal regulation. The Secretary shall adjust this figure from time to time for inflation.

iii. **Socially and Economically Disadvantaged Individuals** means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, or Asian-Indian Americans. Membership in one of the above-mentioned groups does not qualify the firm to be considered a DBE for purposes of this contract. Only firms that have completed a DBE certification process and been granted DBE status shall be considered socially and economically disadvantaged individuals for purposes of this contract.

iv. **DBE Joint Venture** is an association between two or more persons, partnerships, corporations, or any combination thereof, formed to carry on a single business activity. One participant in the joint venture arrangement must hold DBE status from a recognized certifying entity. The joint venture is limited in scope and duration to this contract, and resources, assets and labor of the participants must be combined in an effort to accrue profit.

v. **Sole Proprietorship** is a DBE for purposes of this contract, if it is 100 percent owned, operated, and controlled by a socially and economically disadvantaged individual.

vi. **Corporation** is a DBE, for purposes of this contract, if the ownership, operation, and control of the business is conditioned upon the control of its shares of stock or other equitable securities, at least 51 percent of which (of all shares) is legally and equitably owned by socially and economically disadvantaged individuals.

vii. **Partnership** is a DBE, for purposes of this contract, if one or more socially and economically disadvantaged individuals own more than 51 percent of the assets or interest in the partnership's property.

viii. **Purchaser** for purposes of this contract, means the Phoenix-Mesa Gateway Airport Authority.

ix. **Bidder** is an individual, partnership, joint venture, corporation or firm submitting a proposal or bid to the Phoenix-Mesa Gateway Airport Authority to perform services required by the contract. The submittal may be direct or through an authorized representative.

x. **Contract** is a written agreement obligating the seller or business enterprise to furnish goods or services as proposed and the Purchaser or Buyer to pay for such goods or services.

xi. **Subcontract** is any contract at any tier below the prime contract, including purchase orders.

xii. **Supplier** is a business enterprise that manufactures the goods or materials it sells.

xiii. **Wholesaler, Distributor, Broker, or Jobber** is a business enterprise that does not manufacture the goods or materials it sells or does not perform the essential work of the contract. ***Example:*** *1) A trucking company who does not own or operate the trucks necessary to perform the work, but brokers the work to another trucking firm; 2) A distributor who supplies goods or materials as a pass through from the manufacturer, without substantial alteration of the goods or materials; and, 3) A sub-tier bidder who purchases and supplies the goods and materials on behalf of the prime bidder, and delivers the goods and materials to the prime bidder without substantial alteration of the goods and materials.*

Executed as of the Effective Date.

RE: Enclosed Pedestrian Walkway Design Services
2023-008-RFQ
Design and Engineering Services – Construction Administration Services
DWL Project No. 2257.01

Dear Bob:

We are very pleased for this opportunity to submit the limited Construction Administration (CA) services proposal for the construction of the Enclosed Pedestrian Walkway project at Phoenix-Mesa Gateway Airport (AZA/IWA).

Assumptions:

1. The selected project delivery method is Construction Manager at Risk (CMAR) and the CMAR is Willmeng Construction. PMGA will provide primary Construction Administration (CA) and Project Management (PM). DWL team to provide limited CA services as outlined in this proposal.
2. Sub consultants included in this project scope:

   LSW Engineers (LSW): Mechanical, Electrical, Plumbing and Special Systems
   MWG : Structural Engineering
   Dibble Engineering: Civil
   GBTwo: Landscape

3. For purposes of fee development, the following overall construction durations are used based on ongoing discussions with Willmeng Construction and PMGA:

A.	NTP	05/15/2023
B.	Pre-Construction:	None
C.	Active Construction Start/End:	4/18/2023 – 11/07/2023 (29 weeks)
D.	Project Substantial:	11/11/2023
E.	Project Closeout:	12/22/2023 (6 week)

Active Construction Duration in Weeks: 29 weeks

* For DWL Team CA Service purposes, weeks for Construction Administration (line A to line E)

4. Any delay to schedule due to other projects or scope not identified in this proposal is subject to reevaluation of the associated fees by the DWL Team. DWL Team assumes that PMGA understands that increased time to this schedule directly impacts the service fee provided. Any expediting of the schedule does not necessarily change the amount of support needed to be provided by the design team.

5. PMGA agrees that for those services set forth in this proposal DWL shall not be responsible for any Actions and Indemnification Costs that are determined by a court of competent jurisdiction to be the sole responsibility of PMGA, CMAR, or others for whom DWL is legally not liable.

Scope of work – Limited Construction Phase Services

1. Pre-Construction Activities: (None) The DWL team shall perform the following services:
    a. General pre-construction coordination and conduct one pre-construction conference (per AC 150/1500-14d, page 72 and AC 150/5300-9b) with the Airport, CMAR, FAA, ADOT and others who will be affected by the construction. DWL will prepare agenda, minutes and distribute to participants. Attendance as follows:
        a. None
2. Construction Administration Activities: (29 weeks)
    a. General Communication: As construction is anticipated to be fast-paced DWL anticipates questions from the field that need immediate response. General communication time (2 hours/ per week for the PM) is included for coordination with PMGA-PM, CMAR, DWL project staff and consultants. The DWL team is to clarify and support the PMGA-PM with scope, documents and CMAR responsibility. This task also includes management of the contracts and consultants. In order for efficient time use, we request email clarifications of on-site issues to be accompanied by clear photos clearly indicating areas that require attention using clouds, arrows, etc. Each clarification item shall be considered as an RFI.
        a. Attend progress meetings weekly at a location to be determined by PMGAA to review the current schedule and work progress and to facilitate resolution of construction issues. Preparation and distribution of meeting minutes is assumed by
        b. Maintain a document file tracking system in conjunction with the contractor for submittals, Proposal Requests and Architect's Supplemental Instructions (ASI's). It is assumed that the contractor will maintain logs for the RFI's, change order requests, change orders, and submittals.
    b. Field Observation:
        a. DWL will observe the site 1 time per week on average by the field observer. (29 visits) By reviewing with the contractor's schedule we will determine the observation schedule. Each site visit includes a field report and assumes to occur during normal business hours. In order to save travel time, we assume the field visit is in conjunction with the another PMGA project that is under construction (Terminal Modernization).
        b. DWL's Project Manager will visit the site approximately 1 time per month. (7 visits) In order to save travel time, we assume the field visit is in conjunction with the another PMGA project that is under construction (Terminal Modernization).
        c. Inspect mechanical, electrical, plumbing & special system elements of the project. See attached consultant proposal.
        d. Inspect erection of structural steel and other structural components including steel reinforcing, formwork, concrete placement, and masonry. See attached consultant proposal.
    c. Submittals: DWL fee estimate anticipates 80 submittals at average 3 hrs each for review time for each specification section based on assumption that specifications which call for multiple

submittals items to review (i.e. Product Data and Shop Drawings) are included in the total submittals. Duration of review per specifications starts from the time the submittals are received by DWL. Such review or other action shall not extend to means, methods, sequences, techniques or procedures of construction selected by the CMAR, or to safety precautions and programs associated thereto. A submittal schedule shall be submitted by the CMAR within 14 days of NTP to DWL. This schedule shall be reviewed by the PMGA-PM for submittals requiring Owner pre-approvals. This submittal schedule is required by DWL to schedule reviews in advance. We understand that the PMGA-PM will control the receipt and distribution of submittals to the Owner, PMGA Staff and other responsible parties who require submittal review. Complete submittals shall be provided by the CMAR in accordance with specification section 01 30 00. DWL assumes a maximum of 2 reviews per submittal. DWL and our consultants shall track the time spent on additional reviews separately and reserves the right to request additional services if time is exhausted prior to project completion. See engineer's proposal for submittal review detail.

d. Requests for Information (RFI): Review and respond to formal Requests for Information. DWL Team fee estimate includes 75 RFI's within the base estimate. This includes informal and formal RFI's. Each distinct question is considered a separate RFI. RFIs shall be submitted to DWL by the CMAR. Duration of review per specifications starts from the time the RFI is received by DWL. See table below.

e. Architects Supplemental Instructions (ASI): Assuming a percentage of the RFIs would require ASIs in the form of sketches, we assume the following quantity of ASIs.

Discipline	RFIs*	ASIs*	CORs*
Architectural	35	1	0
MEP	20	1	0
Structural	10	1	0
Civil	10	1	0
	75	1	0

1. * DWL Team to inform PM prior to reaching 75% of this CAP to evaluate need for additional RFI's and ASI's to be compensated through change order towards the Owner contingency or by the CMAR.
2. * DWL Team scope also includes scope as detailed in attached sub-consultant's proposals.

f. Proposal Requests: Proposals Requests are excluded. Should PMGA require a significant design change, DWL will request additional services.

g. Substitution Requests: Up to (2) Completed substitution requests will be reviewed for the airport provided there is a benefit to the airport such as time and cost saving. Consideration for redesign. 3 hours.

3. Project Close-Out Activities (6 weeks): The DWL team shall provide the followings services:

a. General Communications and Meetings: After Substantial Completion DWL will participate in bi-weekly in-person meetings (2 meetings). General communication time (4 hours/ per week for the PM) is included for coordination with PMGA and the CMAR. An additional 1 hour is included for consultant coordination.

b. Prepare a Punch List for the contractor's use prior to the final project walk-through. DWL assumes that contractor will conduct their own punch list (or deficiency list) prior the architect's and engineer's punch list. The architect's punch list shall be a comprehensive excel based format, that identifies items that do not meet the construction documents (drawings and specifications). Conduct one "back-check" per punch list with the airport representative and the contractor at the completion of the construction and once the contractor declares they are ready for the back-check. Punch lists will be limited to 2 separate areas/lists. Punch list beyond quantity listed will require additional services. DWL and our consultants shall track the time spent on additional punch lists separately.

c. Review of Operation and Maintenance (O&M) Manuals: Review O&M Manuals submitted and assembled by the Contractor in accordance with the construction documents. DWL assumes a maximum of 2 reviews per submittal. DWL and our consultants shall track the time spent on additional reviews separately and reserves the right to request additional services if time is exhausted prior to project completion.

d. Record Drawings: Record drawings prepared from complete CMAR mark-ups (as-builts) shall be provided after final completion. The CMAR shall keep a record set of as-built redline drawings on-site in accordance with the specifications. Weekly review during the course of construction will be performed by PMGA for the completeness of the as-built drawings. PDF files and (1) 24x36 set of record documents will be provided to PMGA. AutoCAD files directly converted from Revit shall be provided for the floor plans on disk.

e. Conduct warranty inspections and prepare a warranty list for the contractor prior to the expiration of the contractor's one-year warranty period.

Additional Services:

The following additional services will be broken out separately from other construction administration services.

a. None

Exclusions:

In order to provide clarity and to prevent any misunderstandings, we want to identify items that are excluded from this proposal. If for any reason the Airport requires these services, we can provide them for additional compensation.

1. Services from engineers or consultants not identified in this proposal and beyond this project's scope.
2. Construction phasing plans.
3. Contractor Schedule Analysis
4. Observation of job site conditions and traffic control
5. Security Sensitive Information (SSI) tracking and management
6. Value Engineering
7. Move-In coordination and scheduling
8. Deliverables beyond those described below.
9. Government permit and plan review fees.
10. Quality control construction materials testing including, but not limited, to tasks listed below.

a. Concrete testing including:
b. PCCP, beams, cylinders and cores.
c. Foundations including footings, caissons, and grade beams.
d. Slabs-on-grade.
e. Miscellaneous concrete (sidewalks, concrete benches, etc.)
f. Subgrade Compaction (slab-on-grade and footings).
g. Aggregate Base Course (ABC) compaction.
h. Masonry grout and mortar mix.
i. Ultrasonic testing including steel beams, columns and miscellaneous steel.
j. Spray Applied and Intumescent Paint Fire Proofing.
k. Asphalt.
l. Utility trench backfill field density testing.

11. Quality Control Testing which is required by the Contractor
    a. Epoxy Anchor Bolts
    b. Anchor Bolts
    c. Ultrasonic testing for splices at reinforcing
    d. Survey of subgrade utilities, piping
    e. Plumbing testing (DWL/LSW to review results)
    f. Fire Alarm
    g. Special Systems (DWL/LSW to review results)
    h. Mechanical Systems
    i. Utility Trench backfill for Quality Control
12. Civil services: Construction Staking, survey, Utility Locating/Potholing, As-built survey
13. Resident engineer and associated duties, inspection calls, project management, meeting minutes
14. Special Structural Inspections
15. Field materials and performance tests, periodic observations and documentation required by the specifications other than what is specifically identified in this proposal or consultant proposals. Tests or investigations requiring demolition of existing construction or other types of forensic investigation.
16. Change Order Requests and Reviews, Construction Change Directives (CCDs), and Pay Application review is not included in DWL's base scope
17. Substantial Completion certificate and Final Completion letter.
18. FAA Reports (weekly, closeout, etc.) or Federal Funding tasks, such as Davis Bacon Compliance.

Deliverables:

1. General Project Correspondence Letters and Memorandums
2. Site Observation Reports, Substitution Requests, Proposal Requests, Submittal Reviews, RFI's, and ASI's
3. Punch lists, O&M Reviews, Record Drawings

Compensation:

The previously mentioned services will be provided on an Hourly Not to Exceed Basis. We have estimated the total amount as summarized below.

Construction Administration	
Architectural - DWL	$ 109,846
MPE and Special Systems - LSW	$ 25,410
Structural - MWG	$ 11,760
Civil - Dibble	$ 11,103
Landscape - GBTwo	$ 6,805
Design & Engineering Total	**$ 164,924**
Design Allowance	$ 10,000
Reimbursable	$ 1,000
Proposal Total	**$ 175,924**

We will invoice at cost for project related expenses such as travel, mileage, long-distance telephone, courier, printing, copying (in or out of office).

DWL will closely monitor use of hours by DWL and sub-consultant personnel and advice the PMGA PM immediately of any areas where premature exhaustion of hours is anticipated.

Once again, we are very grateful for this opportunity and look forward to working with you and the PMGA Team. If you have any questions or require further explanation regarding any item, please do not hesitate to contact me or Shawn Filip.

Sincerely,
DWL ARCHITECTS + PLANNERS, INC.

Re: AZA-IWA Pedestrian Walkway Construction Administration
LSW Proposal No. PR2023-082

Ms. Kukla:

We are pleased to offer our construction phase engineering services for the new enclosed pedestrian walkway project at the Phoenix-Mesa Gateway Airport (AZA/IWA).

PROJECT UNDERSTANDING

This project is understood to be a new enclosed pedestrian walkway from the existing Ticketing Terminal to the Terminal entrance, as depicted in the construction documents prepared by our team under a separate contract. The project delivery system is understood to be Construction Manager at Risk (CMAR) with Willmeng Construction.

Our mechanical, plumbing, electrical and technology engineering services for this project will consist of the following. Services not indicated below are considered outside of our basic scope and will be provided upon request as an additional service. The construction duration for this project is understood to be 35 weeks.

SCOPE OF WORK

Our scope will include the following general engineering services for the project:

1. Review of the Contractor shop drawings (up to 15, max two reviews per submittal), respond to RFIs (up to 20), and issue ASIs (up to 1). Review of CORs is not included.

2. Perform up to eight (8) field observations during construction to confirm that the work is proceeding in accordance with the plans and specifications and prepare a written report on our findings.

3. Review the Contractor-prepared Operation and Maintenance Manual.

4. Prepare HVAC, plumbing, electrical and technology record drawings in AutoCAD format from the Contractor-prepared as-built redlines. No verification of accuracy is included; therefore, the record drawings will not be signed and sealed.

PROFESSIONAL FEE

Our fee for the work outlined above will be billed hourly, at rates described herein, up to an aggregate limit of **$25,410.**

NOTE: This fee includes all travel expenses incurred within the metropolitan Phoenix area. Travel outside the metropolitan Phoenix area will be billed as a reimbursable expense, including, but not limited to, travel, rentals, meals, lodging, and reasonable incidental expenses.

CLIENT SERVICES

Services requested of the Client and/or Owner include the following:

EXCLUSIONS

1. Meetings or teleconference meetings beyond those listed.
2. Utility company energy rebate data collection and/or submission.
3. All support or coordination work associated with an independent Commissioning Agent.
4. Functional testing or commissioning services.
5. Any design services caused by scope changes.

ADDITIONAL SERVICES

Additional services will be performed on an hourly basis at our standard billing rates or a separate fixed fee contract as determined by your firm. Our current rate structure is shown below for your reference. Hourly contracted work will be invoiced based on our rates in effect at the time of such requests.

2023:	Principal	$230./ hour
	Senior Engineer	$205./ hour
	Engineer	$155./ hour
	Senior Designer	$135./ hour
	Field Observer	$125./ hour
	Designer	$115./ hour
	CAD Operator	$85./ hour
	Administrative	$80./ hour
	Outside Services	Our cost

This proposal is effective for not more than 90 days.

LSW accepts the AIA C401 contract and requests that you prepare this document reflecting the terms and conditions of this proposal for our mutual execution prior to our beginning work.

We appreciate this opportunity and look forward to working with your firm on this project.

Regards,

LSW ENGINEERS ARIZONA, INC.

Josh Shore, PE for
Cory Killpack, PE

Re: AZA – PMGA ~~Terminal Annex Modernization~~ Pedestrian Walkway
Additional Service for CA Services
MWG #: 22072.00

Dear Shawn:

We are pleased to provide this additional service proposal for construction administrative services. Our understanding relative to the project scope and details of the services which we propose to provide, are as follow:

1. Scope – Construction Administrative Services:

a. Review the following shop drawings:

1. Concrete mixes.
2. Concrete reinforcement.
3. Masonry materials, mortar mix and grout mix.
4. Structural Steel.
5. Metal deck.

b. Respond to RFI's. Approximately 10 RFI's.

c. ASI submittals. Total of 1 maximum.

d. Prepare as-built drawings based on documents prepared by the Contractor.

e. Field observations. Total of 2 maximum.

2. Fees and Payments

a. Review Shop Drawings:

E.I.T.	60.0 hrs. X $115.00	$6,550.00

b. Respond to RFI's (10 total)

Sr. Structural Engineer	2.0 hrs. X $180.00	$ 360.00
Structural Engineer	24.0 hrs. X $145.00	$2,900.00
		$3,260.00

c. ASI Submittals:

Structural Engineer	2.0 hrs. X $145.00	$ 290.00
Revit	2.0 hrs. X $100.00	$ 200.00
		$ 490.00

d. Preparation of As-Built Drawings:

Revit	3.0 hrs. X $100.00	$ 300.00

e. Field Observations (2 Total)

Structural Engineer	4.0 hrs. X 2 X $145.00	$1,160.00

Total Lump Sum Amount: $11,760.00

f. Our services will be billed monthly and are due and payable within 7 days after receipt of payment by your client for work performed for which payment has been made. Non payment could result in actions pursuant to ARS statute 32-128 C 5.

Thank you for the opportunity of submitting this proposal. If you find it satisfactory, please indicate so by signing and returning one copy, so that we will be able to proceed with the work.

Sincerely,

Thomas C. Griffis, PE
Principal

RE: PMGA Enclosed Pedestrian Walkway
Construction Administration Services Proposal

Sandra,

Thank you for the opportunity to submit this proposal to provide Limited Construction Administration Phase services. Dibble will provide the following support services during construction

SCOPE OF SERVICES:

1.0 Preconstruction Activities

a. None

2.0 Construction Administration Activities

a. Attend periodic construction meetings, as requested or required. Meeting attendance is estimated to average once per month for the 29-week duration of the project for a total of 8. We anticipate attending a higher frequency of meetings during the civil construction period, averaging 1.5 meetings per month. Note that as much as practical, meeting attendance and Periodic Observations will be combined in a single visit.

b. Visit the site to provide Periodic Observation of the civil elements throughout the project. Periodic Observation will focus on critical civil activities including site and utility demolition, completion of rough grading, civil utility installation, and completion of civil hardscape. Periodic Observations will be documented with brief Observation Reports summarizing observations and noting any pertinent recommendations. Our services are based on a 29-week construction schedule. Periodic Observations are estimated to be required on average 1.5 times/month. Daily or other required (special) inspections are specifically excluded: these will be provided by others.

c. Review Contractor-provided shop drawings, product data, and substitution requests for conformance to the contract documents and make recommendations if necessary for revisions. Review in excess of two per submittal will require additional services. Transmittal by DWL to Dibble of these documents, accompanied by a request for review, will constitute an assumption that approval for reimbursement for the review has been obtained from PMGAA unless otherwise noted.

d. Review Contractor Requests for Information (RFI's) and provide clarifications in the form of written RFI responses and/or design modification sketches.

e. Prepare Architect Supplemental Instructions (ASI) based on the assumption that a percentage of RFI's will require ASIs in the form of sketches. It's estimated that 2 civil related ASIs will be issued throughout construction.

3.0 Project Close-Out Activities

a. Attend the "Final Inspection" walk-throughs (at the time the Contractor is requesting Substantial Completion) and provide DWL with comments to assist in generation of their punch list. Attend one follow-up visit when requested by PMGAA/DWL to confirm compliance with the noted deficiencies. Additional punch list reinspections over the initial visit will require additional compensation.

b. Complete Project Record Drawings utilizing Contractor Redlines, RFI responses, engineering sketches, etc. Deliverables for Record Drawings will include revised CAD files, and PDFs of the final Record Drawings and the Contractor-provided Redlines.

c. Attend warranty walk at 11-months following completion of the project and provide comments to DWL to assist in generation of their warranty punch list.

Dibble Engineering proposes to provide Limited Construction-Phase Services for a Time-and-Material, not-to-Exceed Fee of $11,103. Please see the Fee Summary for a breakdown of rates and costs.

FEES:

1.0	Preconstrcution Activities	
	a. Preconstruction Meeting	$ 0
2.0	Construction Administration Activities	
	a. Periodic Construction Meetings	$ 1,590
	b. Periodic Site Observations	$ 1,590
	c. Shop Drawing Review	$ 1,638
	d. RFIs	$ 1,590
	e. ASIs	$ 1,310
3.0	Project Close-Out Activities	
	a. Punch List	$ 990
	b. Record Drawings	$ 1,600
	c. Warranty Services	$ 795
	Subtotal	**$11,103**

See attached billing rate schedule for current Dibble billing rates.

We look forward to working with the Phoenix-Mesa Gateway Airport Authority and DWL Architects on this project. If you need additional information or have questions, please do not hesitate to call.

Sincerely,

Adrian Carvajal

Adrian Carvajal, P.E.

Re: Add Services Request for Landscape Architecture Services
Phoenix Mesa Gateway Airport Authority (PMGAA) – Enclosed Pedestrian Walkway

Sandra –

We request that you consider an addition to our original "Base Services" proposal dated 09.26.22.

This request is for tasks associated with Construction Observation as requested.

During construction, GBtwo will make visits to the site at intervals appropriate to the stage of construction or as otherwise agreed by the Owner and GBtwo in writing. The site visits will be to observe the progress and quality of the Work and to determine in general if the Work is proceeding in accordance with the Contract Documents. Based on on-site observations as a Landscape Architect, GBtwo shall keep the Owner informed of the progress and quality of the Work and shall endeavor to guard the Owner against defects and deficiencies in the Work of the Contractor.

Tasks / Deliverables:

1. Review shop drawings and submittals
2. Provide ASI's, RFI's, clarifications
3. Attend meetings
    - Pre-installation meeting for hardscape
    - Pre-installation meeting for planting / irrigation
4. Select specimen plant material for the project (visit to one nursery within metro-Phoenix area, 1 visit)
5. Progress site visits
    - Hardscape / planting installation progress observation (2 visits by Landscape Architect)
    - Irrigation installation (1 visit)
6. Provide site observation reports to Client (3 reports)
7. Substantial Completion Walkthrough
    - Landscape Architect (1 visit)
    - Irrigation Consultant (1 visit)
    - Substantial Completion Punchlist
8. Final Completion Walkthrough
    - Landscape Architect (1 visit)
    - Irrigation Consultant (1 visit)
    - Final Completion Punchlist
9. Review O & M Manual
10. Prepare Record Drawings

Phase IV. Construction Observation $ 6,805

All terms and conditions of the original proposal apply.

Respectfully submitted,
GBtwo Landscape Architecture, Inc.

Leah Manbeck
President

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below and in accordance with each Authorization of Services initiated under this Contract. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the amount of time required for performance, the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT B**, "Scope of Services and Fee Schedule".

2. Method of Payment

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice or payment application depicting tasks performed, hours spent, utilized and expenses incurred for services performed. Invoices or payment applications must be based on the actual hours required and expenses incurred for the services completed during the billing period. Consultant's invoices or payment applications must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice or application as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and progress reports in accordance with terms specified in the Contract, which clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices/requisitions for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices/requisitions for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C – SPECIAL PROVISIONS

1. Project Security

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA all Consultant's and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* listing available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

2. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict. Wherever Standard Terms & Conditions are in conflict with conditions stated in this Special Provisions Section, the conditions stated in this Section shall take precedence.

3. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

4. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

5. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. Certification

By signature of this Contract, Consultant certifies:

a. The award of this Contract did not involve collusion or other anti-competitive practices.
b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. Dispute Resolution

a. Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.
b. Mediation. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.
c. Binding Dispute Resolution. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

3. Independent Contractor

At all times, each party acts in its individual capacity and not as agent, employee, partner, joint venturer, or associate the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days.

PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

4. Affirmative Action

Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

5. Human Relations

Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

6. Non-Exclusive Contract

This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

7. Americans with Disabilities Act

Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

8. Confidentiality of Records

Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

9. Gratuities

PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

10. Applicable Law

This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

11. Contract

This Contract is based on and the result of a negotiated Scope of Services and Fee Schedule submitted by Consultant. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

12. Contract Amendments

This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

13. Provisions Required by Law

Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

14. Severability

The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

15. Protection of Government Property

Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

16. Interpretation – Parol Evidence

This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of

performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

17. Subcontracts

Offeror shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Offeror of its acceptance or rejection within forty-five (45) days or written request by Offeror. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Offeror referred to herein. Offeror is responsible for Contract performance whether or not subcontractors are used.

18. No Waiver

No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

19. Warranties

Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

20. Indemnification

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

21. Right to Assurance

Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

22. Advertising

Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

23. Right to Inspect

PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of a Consultant's or subcontractor's business, which is related to the performance of this Contract or related subcontract.

24. Force Majeure

In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before

the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

25. Inspection

All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

26. Exclusive Possession

All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

27. Title and Risk of Loss

The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

28. Liens

All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

29. Licenses

Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

30. Subsequent Employment

PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

31. Clean Up

Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

32. Patents

Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

33. Records and Audit Rights

Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and

practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

34. E-Verify Requirements

To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

35. Availability of Project Funding

This Contract's approval and continuation is conditioned on the availability of funds appropriated by PMGAA for this purpose. If funds are not available or appropriated for the Contract's requirements, PMGAA may terminate the Contract. Possible sources of funding for this Contract include FAA and ADOT, and this Contract is contingent on the availability of those funds to PMGAA.

EXHIBIT E – FEDERAL PROVISIONS

For this Exhibit: Contractor shall mean the same as "Consultant", "Offeror", "Bidder", "Proposer" or "Firm"
Owner shall mean Phoenix Mesa Gateway Airport Authority

A1 ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

A2 AFFIRMATIVE ACTION REQUIREMENT

Not applicable to this Contract.

A3 BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the Consultant or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

Owner will provide Consultant written notice that describes the nature of the breach and corrective actions the Consultant must undertake in order to avoid termination of the contract. Owner reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the Owner elects to terminate the contract. The Owner's notice will identify a specific date by which the Consultant must correct the breach. Owner may proceed with termination of the contract if the Consultant fails to correct the breach by the deadline indicated in the Owner's notice.

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

A4 BUY AMERICAN PREFERENCE

Not applicable to this Contract.

A5 CIVIL RIGHTS - GENERAL

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency),

creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

The above provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract.

A6 CIVIL RIGHTS – TITLE VI ASSURANCE

The Phoenix Mesa Gateway Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

Compliance with Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. **Compliance with Regulations:** The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
3. **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
4. **Information and Reports:** The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
    a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

Title VI List of Pertinent Nondiscrimination Acts and Authorities

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

A7 CLEAN AIR AND WATER POLLUTION CONTROL

Contractor agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 USC §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 USC §§ 1251-1387). The Contractor agrees to report any violation to the Owner immediately upon discovery. The Owner assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration.

Contractor must include this requirement in all subcontracts that exceed $150,000.

A8 CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

Not applicable to this Contract.

A9 COPELAND "ANTI-KICKBACK" ACT

Not applicable to this Contract.

A10 DAVIS-BACON REQUIREMENTS

Not applicable to this Contract.

A11 DEBARMENT AND SUSPENSION

CERTIFICATION OF OFFEROR/BIDDER REGARDING DEBARMENT

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds $25,000 as a "covered transaction", must confirm each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally-assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: http://www.sam.gov.
2. Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

A12 DISADVANTAGED BUSINESS ENTERPRISE

The requirements of 49 CFR part 26 apply to this contract. It is the policy of the Phoenix Mesa Gateway Airport Authority to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. The Owner encourages participation by all firms qualifying under this solicitation regardless of business size or ownership.

Contract Assurance (§ 26.13) –

The Contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

1) Withholding monthly progress payments;
2) Assessing sanctions;
3) Liquidated damages; and/or
4) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment (§26.29) – The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than thirty (30) days from the receipt of each payment the prime contractor receives from Phoenix Mesa Gateway Airport Authority. The prime contractor agrees further to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Phoenix Mesa Gateway Airport Authority. This clause applies to both DBE and non-DBE subcontractors.

See Section XX of this Contract for additional information and requirements regarding DBE. Consultant agrees to all rules, policies, and requirements a set forth in these Contract documents and Exhibits.

A13 DISTRACTED DRIVING

TEXTING WHEN DRIVING

In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving", (10/1/2009) and DOT Order 3902.10, "Text Messaging While Driving", (12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the Contractor to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The Contractor must include the

substance of this clause in all sub-tier contracts exceeding $10,000 that involve driving a motor vehicle in performance of work activities associated with the project.

A14 PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

Contractor and Subcontractor agree to comply with mandatory standards and policies relating to use and procurement of certain telecommunications and video surveillance services or equipment in compliance with the National Defense Authorization Act [Public Law 115-232 § 889(f)(1)].

A15 DRUG FREE WORKPLACE REQUIREMENTS

Not Applicable to this Contract

A16 EQUAL EMPLOYEMENT OPPORTUNITY (EEO)

During the performance of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identify, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance*: Provided,* however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

A17 FEDERAL FAIR LABOR STANDARDS ACT (FEDERAL MINIMUM WAGE)

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, et seq, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part-time workers.

The Consultant has full responsibility to monitor compliance to the referenced statute or regulation. The Consultant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

A18 LOBBYING AND INFLUENCING FEDERAL EMPLOYEES

The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

A19 PROHIBITION of SEGREGATED FACILITIES

Not applicable to this Contract

A20 OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The employer must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The employer retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR Part 1910). The employer must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

A21 PROCUREMENT OF RECOVERED MATERIALS

Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

a) The contract requires procurement of $10,000 or more of a designated item during the fiscal year; or

b) The contractor has procured $10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the contractor can demonstrate the item is:

a) Not reasonably available within a timeframe providing for compliance with the contract performance schedule;

b) Fails to meet reasonable contract performance requirements; or

c) Is only available at an unreasonable price.

A22 RIGHT TO INVENTIONS

This provision applies to all contracts and subcontracts with small business firms or nonprofit organizations that include performance of *experimental, developmental, or research work only*.

Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the Owner in any resulting invention as established by 37 CFR part 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This contract incorporates by reference the patent and inventions rights as specified within 37 CFR § 401.14. Contractor must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

A23 SEISMIC SAFETY

In the performance of design services, the Consultant agrees to furnish a building design and associated construction specification that conform to a building code standard that provides a level of seismic safety substantially equivalent to standards as established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their building code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety. At the conclusion of the design services, the Consultant agrees to furnish the Owner a "certification of compliance" that attests conformance of the building design and the construction specifications with the seismic standards of NEHRP or an equivalent building code.

A24 TAX DELINQUENCY AND FELONY CONVICTIONS

Consultant has completed and submitted the following certifications and has indicated its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from the solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

a) The applicant represents that it is ( ) is not ( ) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

b) The applicant represents that it is ( ) is not ( ) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

A25 TERMINATION OF CONTRACT

a) Termination for Cause:
PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction. The rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this Contract.

(1) Consultant has provided personnel that do not meet the requirements of the Contract.
(2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.
(3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.
(4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.
(5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.
(6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

b) Termination for Convenience:
This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

c) Upon termination of the Contract, the Consultant must deliver to PMGAA all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Owner, its Engineer, Architect, or representative, under this contract, whether complete or partially complete.

A26 TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);

2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and

3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC § 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR § 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or
2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or
3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

A27 VETERAN'S PREFERENCE

In the employment of labor (excluding executive, administrative, and supervisory positions), the Contractor and all sub-tier contractors must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC § 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.

A28 DOMESTIC PREFERENCES FOR PROCUREMENTS

The Bidder or Offeror certifies by signing and submitting this bid or proposal that, to the greatest extent practicable, the Bidder or Offeror has provided a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including, but not limited to, iron, aluminum, steel, cement, and other manufactured products) in compliance with 2 CFR § 200.322.

EXHIBIT F- DBE FORMS

Consultant shall submit the DBE Forms as indicated on the following pages:

Attachment(s) A – Subcontracting Outreach Efforts Summary
Attachment(s) B – Letter of Intent to Perform as a Subconsultant

ATTACHMENT A
SUBCONTRACTING AND OUTREACH EFFORTS SUMMARY

Submit: **Prior to contract award or each subcontracting opportunity identified** **(even if it did not result in a subcontract)**
Completed By: **Prime Consultant**

NAME OF CONSULTANT: DWL Architects + Planners, Inc. **PROJECT DESCRIPTION:** Enclosed Pedestrian Walkway – CA Services

Scope of Work That May Be Subcontracted	NAICS Code(s) for Scope

FIRMS CONTACTED	NOTES / OUTCOME	DBE (Y/N)	SBE (Y/N)	SELECTED (Y/N)

THIS FORM SHALL NOT RELEASE CONSULTANT FROM PROVIDING DETAILED DOCUMENTATION OF OUTREACH EFFORTS AS SPECIFIED IN THE CONTRACT

1. **CONSULTANT SHALL COMPLETE THIS FORM TO SUMMARIZE THEIR OUTREACH EFFORTS FOR EACH SCOPE OF WORK OPPORTUNITY IDENTIFIED TO SUBCONTRACT. MAKE COPIES OF THIS FORM AS NECESSARY. EXPAND TEXT BOXES OR ATTACH INFORMATION AS NEEDED.**

Consultant Hereby affirms that the above information, as well as the detailed documentation submitted regarding Consultant's outreach efforts, is true and complete to the best of Consultant's knowledge.

Further, Consultant hereby affirms that the Consultant will enter into a formal agreement with the identified selected subcontractors/subconsultants/suppliers listed herein conditioned upon the execution of a contract with the Phoenix-Mesa Gateway Airport Authority.

OVER FOR INSTRUCTIONS

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
CERTIFICATION OF PROMPT PAYMENT TO SUBCONSULTANTS

INSTRUCTIONS

Prime Consultant or Subconsultant will prepare a form for each Subconsultant being paid from each Airport payment for services when the Subconsultant is being paid. The amount paid to each Subconsultant should match the amount earned less any retention held on a pay application as shown on Attachment D.

The date documented by the Prime Consultant or Subconsultant must be the date a check is issued or that an Electronic Fund Transfer is completed as payment to the Subconsultant. This must be in conformance with State and Federal prompt payment regulations per the contract.

The authorized Prime Consultant or Subconsultant must sign and certify the accuracy of the information on this Attachment E and send it to the Subconsultant.

The Subconsultant must document the amount of payment received and the date payment from the Prime Consultant or Subconsultant was received. The authorized Subconsultant representative must sign and certify accuracy of the information.

The Subconsultant must email a scan of the record to the Airport within five (5) days of receipt of the Prime Consultant or Subconsultant payment. Airport contact information is as follows:

PromptPayment@gatewayairport.com

The Subconsultant should also copy the Prime Consultant or Subconsultant on the record.

The Prime Consultant and Subconsultant must retain the payment records and evidence of compliance for three years following completion of the contract.

FOR QUESTIONS ON COMPLETING THIS FORM, PLEASE CONTACT THE PHOENIX-MESA GATEWAY AIRPORT AUTHORITY AT (480) 988-7628.

Subconsultants may file complaints on alleged violations of the Prompt Payment standards by contacting the Airport Project Manager or Airport Staff at the number noted above.

Management Information Report

To: **Board of Directors**
From: **J. Brian O'Neill, A.A.E., Executive Director/CEO**
Re: **Weighted Voting Rights Related to the Amended and Restated Joint Powers Airport Authority Agreement**
Date: **April 18, 2023**

The Voting Rights (Section 8) of the Phoenix-Mesa Gateway Airport Authority Amended and Restated Joint Powers Airport Authority Agreement (Agreement) defines Member Government (Member) voting rights and weighted voting rights. Per the Agreement, each Member is entitled to a weighted vote equal to that Member's *cumulative investment* as a percentage of the total investment made by all current Members since 1993.

When utilizing a weighted vote, should any one Member's weighted vote calculated under the Voting Rights Section exceed 50%, then the weighted vote for that Member shall be deemed equal to the sum of the weighted vote of all the other Members combined. However, the weighted votes of all the Members combined must be adjusted so that the total weighted vote calculation equals 100%. As an example, if a Member's weighted vote is calculated at 68%, that Member's weighted vote would then be deemed to be 50%, with the remaining Members holding a proportionate share of the remaining 50% of the total weighted vote.

Based on the above criteria, the weighted vote calculation for fiscal year 2024 is as follows:

Member Government	Unweighted	Weighted
City of Mesa	64.18%	50.00%
City of Phoenix	17.71%	24.72%
Gila River Indian Community	8.07%	11.26%
Town of Gilbert	6.88%	9.60%
Town of Queen Creek	2.02%	2.83%
City of Apache Junction	1.14%	1.59%
Total	**100.00%**	**100.00%**

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, May 16, 2023 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **April 18, 2023**.

   b) **Resolution No. 23-22 –** Authorizing **Alliant Insurance Services, Inc. (Alliant)** under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2023, not to exceed premium cost of $646,110.

   c) **Resolution No. 23-23 –** Authorizing a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with **USI Insurance Services, Inc. (USI)** for Insurance Broker Services in an amount not to exceed $169,000 over the five (5) year period.

   d) **Resolution No. 23-24 –** Authorizing a facility lease with **Task Aerospace, Inc.** for a portion of the facility located at 5755 South Sossaman Road, Mesa AZ 85212. The lease term is one (1) year, commencing on July 1, 2023 with one (1) additional renewal period of one (1) year.

   e) **Resolution No. 23-25 –** Authorizing granting **Salt River Project** a 2.97-acre perpetual easement.

Consideration and Approval of:

7. **Resolution No. 23-26 -** Authorizing a Development Lease with **SkyB Lot 116-B LLC**, an Arizona limited liability company, for 4.15 acres located within the SkyBridge Arizona project identified as Lot 116-B. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 116-B from the Master Lease Agreement.

8. **Resolution No. 23-27 -** Authorizing a Development Lease with **SkyB Lot 118 LLC**, an Arizona limited liability company, for 2.11 acres located within the SkyBridge Arizona project identified as Lot 118-A. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 118-A from the Master Lease Agreement.

9. **Board Member Comments/Announcements**

10. **Next Meeting: Tuesday, June 20, 2023 at 9:00 a.m.**

11. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Executive Director's Report

May 2023

Financial Snapshot

OPERATING INCOME	March		Month Variance	FYTD Comparison		FYTD Variance
	2022	2023		FY22	FY23	
Revenues	$2,558,102	$3,064,773	**$506,671**	$18,965,333	$22,288,550	**$3,323,217**
Less Expenses	$1,984,011	$2,282,674	**$298,663**	$16,425,464	$19,129,842	**$7,704,378**
Operating Income *(Before Depreciation)*	**$574,091**	**$782,099**	**$208,008**	**$2,539,869**	**$3,158,708**	**$618,839**

Investment Fund Balances: As of March, the Local Governmental Investment Pool (LGIP) 700 = $6,109,313; Wells Fargo; Collateralized Money Market = $14,277,800 and Brokered CD's = $36,306,879; Total $56,693,992. The market value accounting adjustment was $147,638 for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a record net operating income of $782,099 for March 2023, $208,008 more than March last year. March aeronautical revenues increased by 3% year-over-year, and non-aeronautical revenues were up 52%. Concession revenue increased 59% and rental car revenue increased 122%. Cactus League Spring Training Baseball and chamber of commerce weather help make March a very busy month for Phoenix-Mesa Gateway Airport (Airport, Gateway Airport).

Operating expenditures for March 2023 increased by $298,663 (15% over March 2022) and were consistent with previous months' results this fiscal year due to higher costs for aviation fuel, Authority personnel increases, contractual services, and operational maintenance.

Fiscal year-to-date 2023 (FYTD23) total operating income improved by 24% - from $2,539,869 in FYTD22 to $3,158,708 this fiscal year - while operating expenditures have increased by 16%. Total operating expenditures remain 1% under budget.

PMGAA is in a strong financial position as Gateway Airport approaches the summer months of 2023.

PMGAA Solicitations

This update is to provide notification of active and upcoming solicitations to ensure compliance with PMGAA's procurement transparency clause.

Active/Pending Solicitations

Request for Proposals	2023-021-RFP	Vending Services	May 2023

Airport Operations

Three Canadian Airlines Not Returning to Airport Next Fall/Winter Season

The airline industry is dynamic, with domestic and international airlines entering and exiting markets based on several factors – profitability, market share, number of aircraft, and pilot availability. According to WestJet and Swoop, the flights from Canada to Gateway Airport were pretty full, but they couldn't get the airfare needed to reach the desired profit margin. For Flair, it was a challenge to get passengers in seats. They had much better success this year switching from the Hollywood Burbank Airport to LAX, and hope they experience the same increase in ridership moving from Gateway Airport to PHX.

Multiple Airlines at the Gate

PMGAA wishes all three Canadian airlines the very best of luck and will happily welcome them back should they chose to return to Gateway Airport at a later date.

Sun Country Airlines, Gateway Airport's domestic seasonal airline, will be returning in October.

PASSENGER COUNTS		March		% Change	FYTD		% Change

Engineering and Planning

Alpha Apron Phase IV, Center Runway Reconstruction, and Gulfstream Taxiway Connector Projects Complete

Alpha Apron Phase IV – Gateway Airport's impressive airfield has expanded once again with the addition of Alpha Apron Phase IV, a 250,000 sq. ft. aircraft parking area boasting of 16-inch-thick concrete. This new parking apron, located adjacent to the air traffic control tower, is designed to handle the largest and heaviest aircraft using the Airport.

This project became necessary when the U.S. Forest Service leased the recently completed Alpha Apron Phase III. In total, the Alpha Apron Expansion Project has added approximately one million square feet of ramp area at the south end of Gateway Airport's airfield.

Center Runway Reconstruction – Due to extensive use and harsh Arizona weather conditions, Gateway Airport's three 10,000 ft. runways require a significant amount of preventive maintenance. Patching sections of concrete, repainting markings, and fixing lights are frequent projects for PMGAA's top-notch airfield maintenance crews. Every once in a while, however, large sections of runway need to be rehabilitated. PMGAA recently completed a project on its center runway, Runway 12C-30C, that included removing and replacing a total of 4,250 linear feet of concrete from both runway ends.

Gulfstream Taxiway Connectors – PMGAA agreed to provide a connection to Taxiway Charlie as part of Gulfstream Aerospace Corp's. relocation to Gateway Airport. Gulfstream decided that two connections to the airfield would be more efficient and agreed to split the cost of the two-connector project with the Authority. The project has been completed and connectors are waiting to be married to Gulfstream's new ramp area in front of its 225,000 sq. ft. facility.

Concrete Pad Being Poured for 30,000 Sq. Ft. Terminal Addition

Pouring the Concrete Floor Pad for the New Terminal Addition

The old terminal building has been demolished, in-ground utilities are all in place, and the pad site pristinely prepared. It's time to pour the concrete floor for Gateway Airport's new five-gate, 30,000 sq. ft. terminal addition. This $30MM construction project will increase the number of gates in the terminal, address Americans with Disabilities Act (ADA) compliance, improve passenger flow, and reduce energy and maintenance costs. The new addition is scheduled to open in the first quarter of 2024.

Rental Car Care Facility Improvements Underway

Gateway Airport's consolidated Rental Car Care Facility is getting a major makeover! The project includes new vehicle wash and vacuum bays, upgraded maintenance facilities, additional vehicle queuing and storage, and new operations offices. PMGAA, in conjunction with all its rental car companies, is investing between $8 - $9MM to make the much-needed improvements. The funding for the project comes from the Airport's dedicated Customer Facility Charge (CFC) account.

Car Care Facility Design Layout

Each time an Airport customer makes a rental car reservation, $3.50 per rental day goes into the CFC account. The money in this dedicated account can only be used for improving facilities and infrastructure used by the rental car companies doing business at Gateway Airport. The project is scheduled to be completed before the end of 2023.

Business Development

SkyBridge Arizona Breaks Ground on Another 250,000 Sq. Ft. Building

PMGAA Board, Elected Officials, and SkyBridge Representatives

Does SkyBridge Arizona hosting a groundbreaking ceremony for a new 250,000 sq. ft. industrial building seem like deja vu? Well, for the second time in three months, elected officials, PMGAA Board and staff, and other regional VIPs gathered to celebrate the beginning of yet another exciting SkyBridge Arizona project. The layout of this large industrial building is flexible enough to meet the needs of one user or multiple tenants.

PMGAA received communications from 13 individuals regarding aircraft noise issues during the month of March 2023, compared to the 11 PMGAA received last March. Spring is a very busy travel season for greater Phoenix, as sun-seeking visitors from colder climates flock to Arizona for a much-needed vacation or a visit with family and friends living in the Valley.

PMGAA Team Member Spotlight

Employee Name: **Carl D'Acosta**
Employee Title: **Environmental and Safety Program Coordinator**
PMGAA Department: **Engineering and Facilities**
Years with PMGAA: **5+**

What are your job responsibilities for PMGAA? I manage the Environmental and Safety Programs for the Airport. Basically, I ensure that the airport's environmental permits are in good standing with federal and state agencies. For safety, I coordinate and manage the safety trainings and ensure our facilities and employees meet OSHA standards. I also manage the Airport's archaeological and historical building matters to maintain compliance. My duties also involve managing any environmental projects, assist with construction projects on a variety of issues and coordinate with Airport tenants to ensure they maintain environmental and safety compliance.

What is your most memorable Gateway Airport moment? My most memorable moment so far was being able to take a tour of the NASA Super Guppy and talking to the pilots. The Super Guppy had a heat shield in its payload bay, so it was exciting to see NASA cargo before being fully assembled and launched into space.

What is something people may not know about you? I am an active guy. I have climbed several 14,000-foot mountains, hiked the Grand Canyon several times, made the podium on a couple of triathlons and compete in mountain bike races. Between road cycling and mountain biking, I cycle around 1,000 miles each year. When I am not on my bike you can find me at the baseball fields with my wife Jen, cheering on my two boys, Levi and Owen.

Gateway Aviation Services

PMGAA pumped more than 2.0MM gallons of aviation fuel during the month of March 2023, a 4% decrease compared to the 2.13MM gallons dispensed during last March. Commercial Jet A fuel activity showed signs of improvement and was only down 3% during the month.

FUEL (Gallons)	March			FYTD		
	2022	2023	% Change	FY22	FY23	% Change
AvGas	42,660	41,691	-2%	336,969	365,365	8%

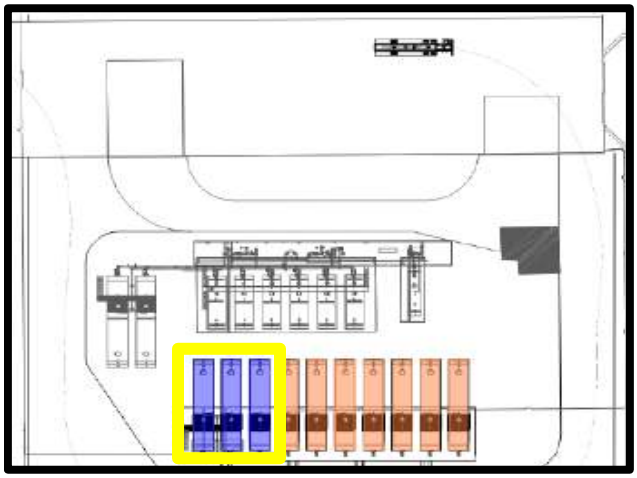
Airport's Fuel Farm Adding 150,000 Gallons of Additional Fuel Storage



Aviation fuel is the lifeblood of any airport. Without an adequate and steady supply of fuel, airport operations are in constant jeopardy.

At Gateway Airport, the 20MM gallons of aviation fuel that Airport customers consume each year is trucked in 8,000 gallons at a time. That's 2,500 truckloads a year, or an average of seven truck deliveries every day.

With only 250,000 gallons of fuel storage at Gateway Airport, supply disruptions on the pipeline from California to Phoenix, scheduled and unscheduled closures of the Kinder Morgan facility in Phoenix, and a shortage of CDL truck drivers cause fuel stockpiles at the Airport to occasionally run dangerously low.

In an effort to insulate Gateway Airport from future fuel delivery disruptions, PMGAA has purchased three 50,000-gallon aviation fuel storage tanks. This additional storage will increase our on-airport fuel storage capacity from 3-4 days to 7-8 days, helping mitigate the risk of fuel disruptions impacting Airport customers or the Airport's overall operation.

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | April 18, 2023

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, April 18, 2023, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix*
Mayor Chip Wilson, Apache Junction
Lt. Governor Monica Antone, Gila River Indian Community
Mayor Julia Wheatley, Queen Creek
Mayor John Giles, Mesa
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:00 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $2,376,610.
   - Record setting passenger activity in February 2023! (178,753 total passengers).
   - Seasonal airlines – Swoop, WestJet, Flair, and Sun Country – increased their total passengers from 54,067 in FYTD22 to 104,775 total passengers in FYTD23. Despite the overwhelming increase in seasonal passengers, Flair Airlines announced their Winter 2023 schedule will no longer provide service from Canadian cities Vancouver and Edmonton to Phoenix-Mesa Gateway Airport (Airport). Instead, they will re-direct their Canadian flights into Phoenix Sky Harbor. WestJet contacted the Authority last week to say they may not continue their twice-weekly seasonal service to Calgary for the upcoming fall/winter season.
   - Allegiant is leasing a 62,000 sq. ft. hangar for ongoing line maintenance activities and future Maintenance, Repair, and Overhaul (MRO) services. This hangar is adjacent to Allegiant's other airfield facilities.
   - Gateway Executive Airpark has leased half of Hangar A to the Boeing Company. The other two hangars are leased by Virgin Galactic.

DRAFT

- DSV Air and Sea is a global transport and logistics company. In February they signed a lease for a 22,000 sq. ft. hangar at Gateway Airport. Two successful cargo test flights were held to familiarize company employees and contractors with the Airport's airfield and to ensure the large Boeing 747 aircraft can operate safely on the Airport's taxiways and ramp area. Twice weekly scheduled service will begin in late May.
- SkyBridge is in the process of building a 129-room dual brand hotel. Northern Arizona University (NAU), in partnership with Kind Hospitality and SkyBridge, is building a two-story facility next to the hotel. The first floor will be a sit-down, high-quality restaurant and the second floor will be NAU's culinary arts program.
- The City of Mesa is working to construct roadway and utility infrastructure to allow for both the Gulfstream Aerospace Corporation (Gulfstream) development and the first 100 acres of Gateway***East***'s development.
- Ground transportation at the Airport is transforming. In February 2023, Uber & Lift had 8,650 pick-up/drop-offs, Turo had 1,053 Peer-to-Peer car rentals, and taxis had 716 total passenger trips.
- In FY2022, PMGAA submitted a grant request for $20MM as part of the Bipartisan Infrastructure Law (BIL) Airport Terminal Program and received $14.4 MM; creating a $6MM delta. PMGAA is already investing more than $8MM into the terminal project. In FY2023, PMGAA submitted a BIL phase II grant request for the remaining $6MM needed to complete the project. PMGAA was not awarded a grant. PMGAA is now working with the Arizona Legislature on a bill requesting a $6MM infrastructure grant from the state to replace the terminal addition project funding the federal government was unable to provide.
- Gulfstream has established a base at the Airport and is leasing over 100,00 sq. ft. of hangar space while their new 225,000 sq. ft. West Coast Service Center is being constructed. The industry leading company has already hired close to 100 local employees.
- Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Virgin Galactic intends to use the hangars as a final assembly manufacturing facility for its spaceships. Substantial completion of these hangars is expected by the end of 2023/beginning of 2024.
- On May 23rd the **Gateway Tomorrow** Planning Study Advisory Committee will meet to evaluate three possible alternatives for the various components of moving the commercial terminal complex to the East Side. The Study Advisory Committee consists of representatives for the six member communities, Allegiant Air, the Federal Aviation Administration, PHX East Valley Partnership, PMGAA, and other stakeholders.
- Following today's Board meeting, SkyBridge Arizona will hold a groundbreaking event on Lot 108 for the second of two 250,000 sq. ft. industrial buildings. These two large buildings are being built to accommodate both single and multiple tenants.
- The underground utilities are in place for the Airport's new 30,000 sq. ft. five-gate terminal addition. The slab will be poured during the first week of May. Gone is the 10,000 sq. ft. portable four-gate facility that was constructed in 2008. During construction a 6,000+ sq. ft. temporary terminal facility has been erected to serve as a hold room for three-gates.
- Due to increased passenger traffic at PMGAA, a new TSA In-Line Checked Baggage System (BHS) will be installed to keep up with the rising number of passenger bags being checked.
- The $8MM Rental Car Care Facility, where all rental vehicles are maintained, washed, and vacuumed is under construction.

- The Authority has purchased three new 50,000-gallon Jet-A fuel storage tanks that will be delivered in August. This additional fuel storage capacity will provide the Airport with approximately seven days of on-Airport fuel storage. This project begins in June and is scheduled to be completed by the end of the year.
- Gateway Airport is continuing its expansion of the Alpha Apron. Phase IV is an additional 250,000 sq. ft. of concrete to provide increased parking for larger and heavier aircraft. Alpha Apron Phase III was completed last year. The Phase IV expansion will be complete at the end of April 2023.
- Center Runway Reconstruction began October 3, 2022 and is anticipated to be completed by the end of April 2023.
- PMGAA has completed construction of two Taxiway Charlie connectors for Gulfstream. This project will provide for the efficient flow of aircraft to and from the airfield and Gulfstream's new facility. Gulfstream and the Authority are sharing the cost of the project.

6. **Presentation: SkyBridge Annual Report –** Will Moseley, SkyBridge Arizona General Manager

   Mr. Moseley provided a brief overview of SkyBridge Arizona activity during calendar year 2022.

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **March 21, 2023**.

   b) **Resolution No. 23-15 –** Approving additional changes to the **Airport Rules and Regulations**.

   c) **Resolution No. 23-16 –** Authorizing the filing of **grant applications** including agreeing to all understandings and assurances contained therein; and, authorizing the acceptance and execution of any Federal Aviation Administration (FAA) or other Federal agency, State of Arizona, Arizona County or Arizona Local Municipal grant offer(s), applied for or received between July 1, 2023 and June 30, 2024 by the Chair of the Authority, the Executive Director/CEO, Deputy Director/COO or Chief Financial Officer/CFO.

   d) **Resolution No. 23-17 –** Authorizing a Contract with **Arizona West Builders and Communications, Inc. (Arizona West)** for Design and Construction Services for the Remote Transmitter and Receiver (RTR) Building Relocation in an amount not to exceed $1,167,755.52 under CIP 1219.

   e) **Resolution No. 23-18** Authorizing the purchase of Jet A and 100LL Avgas fuel from **Ascent Aviation Group, Inc. (World Fuel)** for Airport Authority resale in the amount of $450,000.

Mayor Chip Wilson moved to approve the Consent Agenda.
Mayor Julia Wheatley seconded the motion.
The motion was carried unanimously.

Consideration and Approval of:

8. **Resolution No. 23-19** Authorizing a Construction Manager At Risk (CMAR) Construction Services Contract and Guaranteed Maximum Price (GMP) 2 for the Fuel Farm Expansion Project with **KEAR Civil Corporation (KEAR)**, in an amount not to exceed $2,874,552 under CIP 1224.

   Mayor John Giles moved to approve Resolution No. 23-19.
   Mayor Julia Wheatley seconded the motion.
   The motion was carried unanimously.

9. **Resolution No. 23-20** Authorizing the Executive Director/CEO and/or delegate to negotiate and execute a final Construction Manager at Risk (CMAR) Construction Services contract, with **Willmeng Construction, Inc. (Willmeng)** for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $3,540,125 under CIP 1252.

   Mayor Chip Wilson moved to approve Resolution No. 23-20.
   Mayor John Giles seconded the motion.
   The motion was carried unanimously.

10. **Resolution No. 23-21** Authorizing a Construction Administration contract, with **DWL Architects** for the Enclosed Pedestrian Walkway Project, subject to submission and compliance with the Federal Disadvantaged Business Enterprise (DBE) requirements and FAA requirements, in an amount not to exceed $175,924 under CIP 1252.

    Lt. Governor Monica Antone moved to approve Resolution No. 23-21.
    Mayor Julia Wheatley seconded the motion.
    The motion was carried unanimously.

11. **Board Member Comments/Announcements.**
    On behalf of the Queen Creek Town Council, Mayor Wheatley thanked CEO O'Neill and Community and Government Relations Director Ryan Smith for providing the Council with a tour of the Airport.

    The Gilbert State of the Town event with Mayor Brigette Peterson will be held Tuesday, April 25, 2023 at 6 p.m. in the Council Chambers at Gilbert Town Hall.

12. **Next Meeting: Tuesday, May 16, 2023** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by audioconference.

13. **Adjournment.**
    The meeting adjourned at 9:41 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 23-22

To:	**Board of Directors**
From:	**Chuck Odom, Chief Financial Officer** **Through: J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Renewing Insurance Premiums for Airport Liability, Crime, D&O Employment Practice Liability, Cyber, Workers Compensation, Auto Liability, Fuel Farm & Inland Marine, and Property**
Date:	**May 16, 2023**

Proposed Motion

To authorize Alliant Insurance Services, Inc. (Alliant) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2023, not to exceed premium cost of $646,110.

Narrative

Phoenix-Mesa Gateway Airport Authority (PMGAA) renews the following lines of insurance on a fiscal year basis: Airport Liability, Crime, D&O Employment Practice Liability, Cyber, Workers' Compensation, Auto Liability, Fuel Farm & Inland Marine, and Property. Fiduciary and Environmental insurance policies are currently set to renew every three years.

During the marketing process, Alliant engaged several insurance carriers that provide lines of insurance coverage for airports. Insurance premiums are subject to annual increases and decreases based on many variables including, but not limited to, loss rate, marketplace demand, exposure base, and the brokers' strength in the aviation and general property/casualty marketplace. Alliant has negotiated premiums on insurance policies for the above lines of insurance for PMGAA with an anticipated 7.6% increase. These premiums are subject to change due to any new losses incurred by PMGAA until coverage is bound. New or replacement equipment/vehicles throughout the year, insurance audits and completed capital projects could increase the current insurance quotes by an estimate of $54,000 bringing total premiums not to exceed to $646,110 for FY24.

Fiscal Impact

Fiduciary, and Environmental policy premiums are locked-in for three years and one-third of the premium will be expensed in FY24. The total estimated insurance premium expense for FY24 is not to exceed $646,110. The FY24 budget for insurance premiums is $646,578, excluding broker fees.

Attachment(s)

Renewal quote for lines of coverage.

RESOLUTION NO. 23-22

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize Alliant Insurance Services, Inc. (Alliant) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2023, not to exceed premium cost of $646,110;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes Alliant Insurance Services, Inc. (Alliant) under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2023, not to exceed premium cost of $646,110. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 16th day of May, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Board Action Item

Re: Resolution 23-23

To: Board of Directors
From: Veronica Lewis, Human Resources Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: Insurance Broker Services, Health and Welfare/Benefits
Date: May 16, 2023

Proposed Motion

To authorize a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with USI Insurance Services, Inc. (USI) for Insurance Broker Services in an amount not to exceed $169,000 over the five (5) year period.

Narrative

Phoenix-Mesa Gateway Airport Authority (PMGAA) utilizes an insurance broker to procure Employee Health & Welfare Programs. The insurance broker negotiates renewals and obtains competitive bids from the insurance industry to negotiate the best terms and coverage from various vendors.

Request for Proposals No. 2023-018-RFP for Health and Welfare Insurance Broker Services was issued on February 2, 2023 and advertised in the Arizona Business Gazette on February 2, 9, 16 and 23, 2023. The notice was also posted on PMGAA's website as well as the Arizona Airports Association, Airport Consultants Council, the Southwest American Association of Airport Executives websites. In addition, the solicitation notice was emailed to ten prospective respondents. PMGAA received two proposals on March 13, 2023 from the following firms:

Lovitt & Touche, Marsh McLennan Agency, LLC
USI Insurance Services, Inc.

Based on the written proposals received, the evaluation panel requested both firms submit a Best and Final Offer (BAFO). After review of the qualifications and BAFOs, the evaluation panel unanimously selected USI as the firm that best satisfied the requirements, based on the qualifications, experience, in depth market knowledge, and pricing proposal.

The base contract period is from July 1, 2023, through June 30, 2026.

Fiscal Impact

The contract is budgeted in the FY2024 budget.

Attachment(s): Professional Services Agreement

RESOLUTION NO. 23-23

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with USI Insurance Services, Inc. (USI) for Insurance Broker Services in an amount not to exceed $169,000 over the five (5) year period;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with USI Insurance Services, Inc. (USI) for Insurance Broker Services in an amount not to exceed $169,000 over the five (5) year period. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 16th day of May, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this **Contract Number 20230285** ("Contract") and the attached exhibits. USI Insurance Services National, Inc., a North Carolina Corporation ("Consultant"), with its principal offices located at 2375 E. Camelback Road, #250, Phoenix, Arizona, 85016, desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Health & Welfare Insurance Broker Services, as more specifically described in the detailed scope of services attached as **EXHIBIT A**, "Scope of Services & Fee Schedule."

PMGAA's authorized representative shall be the PMGAA Director of Human Resources, or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA's discretion and upon Consultant's reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant's deliverables. PMGAA will advise Consultant concerning progress of PMGAA's review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

This Contract is effective as of July 1, 2023 and ends on June 30, 2026 ("Base Term"), unless terminated, canceled or extended as provided in this Contract.

This Contract has two (2) optional one-year extensions that PMGAA may exercise at its sole discretion. Prior to the expiration of the Contract Base Term, PMGAA may elect to extend the Contract. If PMGAA exercises such right, all terms, conditions and provisions of the original Contract shall remain the same and apply during the extended

period. All fees for the optional renewal terms are provided for in **EXHIBIT A**, "Scope of Services & Fee Schedule.". Any extension of this Contract shall require an amendment signed by both parties.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.

SECTION IV – KEY PERSONNEL

The Consultant itself shall provide all services to be performed under this Contract. If Sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with **EXHIBIT B**, "Compensation."

All services to be rendered by Consultant are subject to the terms of **EXHIBIT B**, "Compensation" attached hereto.

PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

PMGAA shall pay Consultant in agreed upon installments for services authorized and rendered under this Contract at the completion of each work assignment, provided Consultant has satisfactorily completed the requested work. If any such work requires time in excess of 30 calendar days to complete, progress payment(s) may be made on invoices certified and approved by PMGAA.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant's documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant's prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the "Consultant") against any and all damages, liabilities or costs arising from PMGAA's modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term.

Consultant's signature on this Contract certifies compliance with the provisions of the I-9 requirements of the *Immigration Reform and Control Act of 1986* for all personnel that Consultant and any subconsultants employ to complete any work assignment.

PMGAA shall administer this Contract in accordance with PMGAA's Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant's work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant's firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit an invoice to PMGAA, in accordance with **EXHIBIT B**, "Compensation", for the Annual Fee.

A. For the first year of the Contract, Consultant shall submit an invoice to PMGAA for the Annual Fee within thirty (30) days from the Contract Commencement date. PMGAA shall pay Consultant the first year's Annual Fee within thirty (30) days of receipt, review, and approval of Consultant's invoice.

B. For subsequent years and any Renewal Term, Consultant shall submit an invoice to PMGAA for the Annual Fee within thirty (30) days from the anniversary date of the Contract. PMGAA shall pay Consultant the Annual Fee within thirty (30) days of receipt, review, and approval of Consultant's invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant's studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA's reviews, PMGAA does not assume any liability for or retained control over Consultant's work or Consultant's responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in **EXHIBIT D**, "PMGAA Standard Terms and Conditions", attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.

SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant's services apply to Consultant's performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – ARCHAEOLOGICAL RESOURCE PROTECTION

While performing services under this Contract, Consultant may encounter a known or unknown archaeological site located at the Airport. If Consultant encounters what it believes to be an archaeological site, Consultant shall immediately notify PMGAA of the site's location and take all reasonable precautions to protect and preserve the site until PMGAA otherwise directs.

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contact, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:

   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant's profession, with limit no less than $5,000,000 per occurrence or claim, or incident.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an "occurrence" basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers' Compensation: Statutory Limits as required by the state of Arizona, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:

i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.

ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability,* for claims arising out of the Consultant's work or service.

iii. Primary Coverage: For all claims related to this Contract, all of Consultant's insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant's insurance and will not contribute with it.

iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A, VII, unless otherwise acceptable to PMGAA.

vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:

a) The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

SECTION XX NOTICES

Any notice, report or information which may be or is required to be given under this Contract will be in writing and shall be sent by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

EXHIBIT A – SCOPE OF SERVICES & FEE SCHEDULE

The services to be performed by Consultant and the completion of related efforts are specified in the following Scope of Services & Fee Schedule agreed to by the parties.

SCOPE OF SERVICES

1. The benefit programs include group medical, dental, vision, short-term disability, life/accidental death and dismemberment (AD&D) insurance (including basic and voluntary coverage), flexible spending accounts (FSAs), critical illness, and an employee assistance program (EAP). Currently, pet care coverage is not a responsibility for Consultant services but may be included as an option.
2. Consultant must provide, at a minimum, the following insurance brokerage services for the insurance coverages the Consultant is to provide and they must possess and keep in force all licenses and permits required to perform the services listed herein but which are not limited to the following:
    a. Assist in strategic planning, perform financial analysis, analyze and negotiate renewals, assist in the annual enrollment process, provide assistance in compliance issues, and provide ongoing account management services.
    b. Assist in preparation of insurance coverage specifications.
    c. Provide a comprehensive risk exposure evaluation to identify avenues for risk transfer of actual or potential loss faced by PMGAA.
    d. Prepare annual marketing strategy reports identifying anticipated market conditions.
    e. Analyze and negotiate renewals and obtain competitive bids from the insurance industry in order to negotiate the best terms and coverage from the various vendors.
    f. Provide all quotations received from insurance companies with detailed rankings and recommendations to PMGAA, of which companies would best provide the desired insurance coverage and services with the associated financial and member impact analysis. PMGAA will review insurance companies proposed, as well as Offeror recommendations, and give approval of acceptability.
    g. Assure that insurance policies are placed with insurance companies classified by A.M. Best's Key Rating Guide as A+ and Class 7, or better and keep PMGAA informed of any changes in rating of the companies and making recommendations should ratings change during the policy term.
    h. Provide responsive (i.e. same-day responses to PMGAA inquiries) service for day-to-day contact on insurance related questions and issues.
    i. Service insurance policies and serve as a liaison between PMGAA and the insurance companies.
    j. Provide legislative updates as needed and provide signature ready documents and forms to ensure compliance in a timely manner.
    k. Assist in the planning and coordination of employee annual enrollment meetings and provide presentation and presentation material.
    l. Provide assistance in the form of advisory services or written reports as is customarily expected from a professional insurance broker on an annual basis, including, but not limited to, projections of future insurance premium costs.
    m. Provide all services defined in this solicitation, for the compensation the Offeror has stated as set forth in Attachment A. Offeror understands that it will be representing and working on behalf of PMGAA for the term of this agreement.

FEE SCHEDULE

The fees stated herein are all inclusive, meaning that all related items, including labor, deliverables, tools, materials, equipment, supplies, expenses, etc. shall be factored into the fees listed below. Travel, including airfare, hotel, meals, and any other related accommodations are Consultant's responsibility and will not be reimbursed or paid for by PMGAA.

In cases where commission is mandated by the desired plans/policies, Consultant shall notify PMGAA in writing and such commission shall be deducted from the agreed upon Annual Fee paid by PMGAA.

For the services provided herein, PMGAA agrees to pay Consultant the not to exceed amounts listed below.

EXHIBIT B - COMPENSATION

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. Fees to be Specified in Contract

Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant's compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, "Scope of Services and Fee Schedule".

2. Method of Payment

Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant's invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. Consultant Responsibilities for Compensation

Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA. Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. PMGAA Responsibilities for Compensation

PMGAA agrees to pay Consultant's invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. Billing Address

All invoices submitted to PMGAA for payment shall be submitted to:

Accounts Payable: ap@gatewayairport.com

EXHIBIT C - SPECIAL PROVISIONS

1. Civil Rights Act of 1964, Title VI – General

In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

2. Civil Rights Act of 1964, Title VI – Assurance

Title VI List of Pertinent Nondiscrimination Acts and Authorities:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 *et seq*.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration's Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

Title VI Compliance With Nondiscrimination Requirements:
During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or

b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. <u>Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion</u>
Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

4. <u>Project Security</u>

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. Secured Area Access – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. Employee Security Badges – If deemed necessary by PMGAA Contractor and/or subcontractorpersonnel performing work functions in accordance with this Contract shall obtain and properly display an Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current *Airport Fees, Services and Rental Rates* available via the Airport website at www.gatewayairport.com and are subject to change.

   i. All fees must be paid to PMGAA by cash or check.
   ii. Airport Security Badge Application forms and instructions are available via the Airport website at www.gatewayairport.com.
   iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at www.gatewairport.com.
   iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.
   v. Additional information, including a "Frequently Asked Questions" is available via the Airport website at www.gatewairport.com or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.
   vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.
   vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current *Airport Rates and Charges Schedule*, will be charged for each badge that is damaged, lost or not returned.
   viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.
   ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.
   x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. Fines – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant's own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

5. Standard Terms & Conditions

PMGAA's Standard Terms & Conditions (in **EXHIBIT D** attached) include clauses that pertain to both construction and professional services. For such, the term "contractor" is to be considered same as "consultant." If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

6. Federal and State Guidelines and Regulations

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.

7. Right to Contract With Other Firms

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

8. Independent Contractor Status

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.

EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. **Certification.** Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. **Termination of Contract.**

   a. Termination for cause. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction. The rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this Contract.

      (1) Consultant has provided personnel that do not meet the requirements of the Contract.

      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.

      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.

      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.

      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.

      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.

   b. Termination for convenience. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

   c. Upon termination of the Contract, the Consultant must deliver to PMGAA all data, surveys, models, drawings, specifications, reports, maps, photographs, estimates, summaries, and other documents and materials prepared by the Engineer under this contract, whether complete or partially complete.

3. **Dispute Resolution**.

   a. **Negotiations**. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.

b. **Mediation**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution**. Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys' fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA's payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations**. Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract**. This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the *Act*.

9. **Confidentiality of Records**. Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled

by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.

12. **Contract**. This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under an RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments**. This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA's property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights

of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the "Indemnitees"), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant's acts, errors, omissions, or mistakes relating to Consultant's services under this Contract.

22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA's expense, inspect the place of Consultant's or any of Consultant's subcontractor's business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party ("Required Act"), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God ("Force Majeure Event"), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years' climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant's risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant's and all of its approved subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as "Records"), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant's and its subcontractor's actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant's and any of Consultant's subcontractor's employee who works on this Contract to ensure the Consultant is complying with this paragraph.

EXHIBIT E – CONSULTANT'S RFP SUBMITTAL

Consultant's Proposal in response to Phoenix-Mesa Gateway Airport Authority's Solicitation 2023-018-RFP dated March 13, 2023, is hereby incorporated herein and made part of this Contract.

Phoenix-Mesa Gateway Airport Authority

Board Action Item

Re: Resolution 23-24

To:	**Board of Directors**
From:	**Shea Joachim, CEcD, Business Development Director**
Through:	**J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**Facility Lease with Task Aerospace, Inc.**
Date:	**May 16, 2023**

Proposed Motion

To authorize a facility lease with Task Aerospace, Inc. for a portion of the facility located at 5755 South Sossaman Road, Mesa AZ 85212. The lease term is one (1) year, commencing on July 1, 2023 with one (1) additional renewal period of one (1) year.

Narrative

Task Aerospace, Inc. ("Task") has been leasing the facility at 5755 S. Sossaman Road since July 1, 2017. Task has requested a new lease to extend their occupancy on the facility for at least another one to two years.

Agreement Term and Rate

The Term of the Agreement is one (1) year commencing on July 1, 2023. The Agreement provides one (1) additional renewal period of one (1) year.

As of the Effective Date of the Agreement, the Base Rent for the facility is $49,398.36 annually paid in monthly installments of $4,116.53 plus applicable taxes. The Base Rent will increase by four (4) percent on the twelve (12) month anniversary of the Effective Date of the Agreement.

Attachment(s)

Facility Lease Agreement

RESOLUTION NO. 23-24

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a facility lease with Task Aerospace, Inc. for a portion of the facility located at 5755 South Sossaman Road, Mesa AZ 85212. The lease term is one (1) year, commencing on July 1, 2023 with one (1) additional renewal period of one (1) year;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a facility lease with Task Aerospace, Inc. for a portion of the facility located at 5755 South Sossaman Road, Mesa AZ 85212. The lease term is one (1) year, commencing on July 1, 2023 with one (1) additional renewal period of one (1) year. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 16th day of May, 2023.

Phoenix-Mesa Gateway Airport Authority
FACILITY LEASE

This Facility Lease ("Lease") is executed to be effective the FIRST (1) day of July 2023 ("Effective Date") between the PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, a joint powers authority authorized by the State of Arizona ("Lessor"), and TASK AEROSPACE, INC., a Delaware corporation authorized to do business in the State of Arizona ("Lessee"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

WITNESSETH:

WHEREAS, Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona (Airport"); and

WHEREAS, Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

WHEREAS, Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport located at 5755 S. Sossaman Rd., Mesa, AZ 85212, and described as Hangar 46, Suites 101, 102, 103 and 104, consisting of approximately TWO THOUSAND EIGHT HUNDRED SEVENTY-SEVEN (2,877) square feet, and Storage Closet 1 consisting of approximately ONE HUNDRED (100) square feet, as set forth in **EXHIBIT A** attached hereto ("Premises"); and

WHEREAS, Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE

Lessor hereby leases the Premises to Lessee, subject to all easements and rights of way that may encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor. Lessee specifically acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense.

1.2 Substitution of Premises. In addition to Lessor's other rights set forth in this Lease, Lessor reserves the right, upon no less than Ninety (90) calendar days prior written notice to Lessee, to substitute Comparable Areas for all or any portion of the Premises, including any additions, alternations or improvements thereon, should Lessor, in its reasonable discretion, determine that taking of the Premises, any portion thereof or any improvement thereon, is required for other Airport purposes, and there exists no appropriate alternative. In the event Lessor makes the determination to exercise its rights to substitute, all title, right and interest to the portion of the Premises taken shall immediately vest in Lessor on the date that is Ninety (90) calendar days following receipt of Lessor's notice, or such later date as specified therein. Furthermore, Lessor may require Lessee to vacate any portion, or all of the Premises taken. For the purposes of this Section 1.2, the term "Comparable Areas" is defined to mean other facilities at the Airport, or any additions or extensions thereof, similar in size to the Premises, brought to the same level of improvement as the Premises and having the same or similar usefulness to Lessee as the portion taken. Lessor shall bear all expenses of bringing the substituted area to the same level of improvement as the Premises, and of moving Lessee's improvements, equipment, furniture and fixtures to the substituted area. If any of Lessee's improvements, equipment, furniture or fixtures cannot be relocated, Lessor shall replace, at Lessor's expense, such non-relocatable improvements and other property with comparable property in the Premises, and Lessor shall be deemed the owner of the non-relocated improvements and other property, free and clear of all claims of any interest or title therein by Lessee, or any other third party whomsoever. It is the specific intent of this Section 1.2 that Lessee be placed, to the extent possible, in the same position it would have been, had Lessor not substituted new premises for the Premises; provided, however, that Lessor shall not be obligated to reimburse Lessee for any damages, including lost profits or revenues, due to such substitution. Notwithstanding the foregoing, Lessor shall use reasonable efforts to avoid disruption to Lessee's business.

1.3 Access. Lessee is granted the right of reasonable access to and from the Premises via such portions of the Airport as are or may be necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport. Lessor reserves the right to designate the location of such access and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for Refurbishment of aircraft ejection seats and associated egress systems. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use or permit its agents, employees, contractors, invitees, licensees or customers to use the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, rules, regulations and operating policies of any governmental authority, including Lessor, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises and the Airport, Lessee shall designate an on-site manager for the term of this Lease who shall be available to Lessor and Lessee's customers, if any, during normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable.

1.7 Lessee Acknowledgement. Lessee acknowledges and agrees that its obligations to pay Rental Payments and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any

insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM

2.1 Initial Term. The term of this Lease shall be for a period of ONE (1) year, commencing on the Effective Date and terminating on JUNE 30, 2024, thereafter ("Term").

2.2 Renewal Term. Provided Lessee is not then in default of this Lease and subject to written approval of Lessor, the Parties shall have the option of extending the Term for ONE (1) additional period of ONE (1) year ("Extension"). Lessee may initiate the Extension by giving written notice to Lessor of its desire to do so no later than Sixty (60) calendar days prior to the expiration of the Term, as set forth in Section 2.1 herein. If Lessee has properly notified Lessor of its desire to exercise the Extension and Lessor approves such in writing, then Lessee's Extension of the Term of this Lease shall become effective and all references herein to "Term" shall mean the initial term as extended.

3. NON-EXCLUSIVE RIGHTS

Lessee shall have the exclusive right to occupy and use the Premises while in compliance with the terms and conditions of this Lease. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport that Lessor deems appropriate, or conduct such activities itself, provided that such activities do not require or materially interfere with Lessee's use of the Premises.

4. RENT

4.1 Rental Payments. Rental payments shall be payable in advance, without any prior demand therefor and without any abatement, deductions or setoffs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer.

4.1.1 Base Rent. Lessee agrees to pay Lessor annual rental for the use of the Premises in the amount of FORTY-NINE THOUSAND THREE HUNDRED NINTY-EIGHT AND 36/100 Dollars ($49,398.36), payable in equal monthly installments of FOUR THOUSAND ONE HUNDRED SIXTEEN AND 53/100 Dollars ($4,116.53) ("Base Rent").

4.1.2 Storage Rent. Lessee agrees to pay Lessor annual rental for the use of Storage Closet 1 in the amount of ONE THOUSAND THREE HUNDRED FIFTY AND 00/100 Dollars ($1,350), payable in equal monthly installments of ONE HUNDRED TWELVE AND 50/100 Dollars ($112.50) ("Storage Rent").

4.2 Rent Increase. The annual Rental Payments paid by Lessee shall be increased by Four percent (4%) on the Twelve (12) month anniversary of the Effective Date of this Lease.

4.3 Refuse Fee. Lessee shall pay an initial monthly refuse fee in the amount of SIXTY-THREE AND 66/100 Dollars ($63.66). This monthly fee is subject to change throughout the term of the Lease and shall be based on the appropriate service provider's most current fee schedule, plus Lessor surcharge.

4.4 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* is included as **Exhibit B** and incorporated herein by reference and is subject to change without prior notice or approval of Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* and/or *Airport Fees, Services and Rental Rates Schedule* at any time at Lessor's sole discretion, and that no fee shall apply to the use of the Premises or access to the Premises.

4.5 Payment.

4.5.1 Otherwise specified herein, the first payment of Rental Payments shall be paid to Lessor upon the delivery of this Lease, for the period from the Effective Date until the end of the calendar month in which the Effective Date occurs, prorated on the basis of the number of such days to the total number of days in said month. All payments referenced in this Lease shall be payable exclusively in United States Dollars. Thereafter, all Rental Payments shall be paid in monthly installments, in advance, on the first day of each calendar month ("Rental Payments Due Date"). On each such date, Lessee shall pay the full Rental Payments.

4.5.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.5.3 All payments (and reports, if any) required by this Section 4.5 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in writing by Lessor to Lessee.

4.6 Finance Charges and Late Fees. If Lessee fails to pay any installment of Rental Payments or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Rental Payments or other charge owing to Lessor is paid more than Ten (10) days after the due date, a late penalty of Ten Percent (10%) of the amount of such delinquent Rental Payments installment or other charge shall be due and payable in addition thereto.

4.7 Taxes. Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

4.8 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

5. PERFORMANCE GUARANTEE

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equivalent to TWO (2) month's Base Rent, or EIGHT THOUSAND TWO HUNDRED THIRTY-THREE AND 08/100 Dollars (USD $8,233.08), as a security deposit ("Security Deposit") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, at the election of Lessor, may be applied in reduction of any loss and/or damage sustained by Lessor by reason of the occurrence of any breach, nonperformance or default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall,

within five (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Reserved.

6. AIRCRAFT OPERATIONS GUIDELINES

If and to the extent that Lessee, including its subtenants, contractors, agents, etc., operates aircraft at or on the Airport, Lessee shall be required to enter into an operating agreement with Lessor. The current form of the *Airport Operating Agreement* is included in **Exhibit C** and is subject to change without prior notice and/or approval of Lessee. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises operates aircraft at the Airport, all shall be subject to the provisions of the *Airport Operating Agreement*, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS

7.1 Reserved.

7.2 Reserved.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld or delayed and, if and to the extent applicable, without the approval by Lessor's Design Review Committee. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within Ten (10) business days after Lessor's request therefor, a quitclaim deed confirming that title to such improvements and alterations is vested in Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within Thirty (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction shall conform to City of Mesa ("City") construction and technical codes. No such work shall be commenced without first submitting required plans and obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's improvements to the Premises. In the event that all or any portion Lessee's improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said improvements,

subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources, or, alternatively, Lessee shall pay the replacement cost of the improvements to Lessor.

8. MAINTENANCE

8.1 Responsibilities.

8.1.1 *Lessor.* Lessor shall, at its sole cost and expense, keep the Premises and all improvements therein in a neat and clean condition and in good order, condition and repair throughout the Term. In doing so, Lessor shall prepare, maintain and follow a preventative maintenance schedule for all mechanical, electrical, plumbing, drain, piping and air conditioning systems on the Premises. Lessor's maintenance of the Premises shall consist of the inspection, servicing and repair of all systems and improvements, including the boilers, interior roof and structures, electrical, plumbing, heating and cooling, fire detection and suppression systems, pavements, pest control, landscaping and grounds maintenance.

8.1.2 *Lessee.* Lessee shall, at its sole cost and expense, provide custodial services within the premises.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the satisfaction of Lessor. In lieu of such repair or replacement, where required by Lessor, Lessee shall pay to Lessor an amount sufficient to compensate for the loss sustained by Lessor.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a neat, clean, safe, sanitary and orderly condition and shall keep such area free of all trash and debris. Lessee shall, at Lessee's expense, be responsible for all trash removal from the Premises. Such trash removal shall be performed on a not less than weekly basis, and all trash shall be disposed of within designated refuse collection dumpsters located in proximity to the premises.

8.4 Emergency Contact. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS

9.1 Any Transfer of Lease Interest Requires Lessor Advance Written Approval. In the event Lessee desires to transfer, assign, encumber, pledge or hypothecate any portion of its interest in this Lease or any right or interest hereunder (including, but not limited to as part of a mortgagor deed of trust or an assignment by means of a foreclosure or trustee's sale thereunder)(individually and collectively, "Transfer"), Lessee must obtain the prior written consent of Lessor, with such consent to be the in sole and absolute discretion of Lessor without exception. Where Lessor approves in writing of such Transfer, Lessor shall be entitled to request and acquire written financial assurances, including, but not limited to financial statements, business plans and other information related to the financial condition and plans of any proposed transferee. Further, Lessor, may in its sole and absolute discretion require that Lessee still be liable at law and at equity, as well as financially liable, under the Lease, regardless of whether the assignee expressly assumes in writing all of Lessee's obligations under this Lease or in the case of a sublease. Lessee understands and agrees to these terms and conditions regarding any proposed Transfer, and that any violation of this Section 9, may irreparably harm Lessor as the requirements set forth herein are directly related to PMGAA's (and any Lessee's) legal and financial obligations to the Federal Aviation Administration. This Section 9 shall remain valid and enforceable even in the event of amendment to or repeal of FAA regulations, so long as this Section 9 does not directly conflict therewith.

9.2 Lessee's Required Advance Notice to Lessor of Proposed Transfer. In order for Lessor to even consider a Transfer, Lessee must: (i) notify Lessor in writing at least Forty-five (45) days prior to such proposed transfer; (ii) deliver to Lessor, at the time of Lessee's notice, current financial statements of Lessee

and the proposed transferee (along with transferee's business plans) that are reasonably acceptable to Lessor; and (iii) the transferee assumes and agrees in writing to perform Lessee's obligations under this Lease. However, nothing herein shall be construed as Lessor providing its consent to any Transfer or relieving Lessee of any legal, financial or other obligation under the Lease, regardless of Lessor's acceptance or refusal to accept such proposed transfer of Lease. For purposes of this Section 9.2, "Affiliate" means any person or entity that, directly or indirectly, controls, is controlled by or is under common control with Lessee. For purposes of this definition, "control" shall mean possessing the power to direct or cause the direction of the management and policies of the entity by the ownership of a majority of the voting securities of the entity.

9.3 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include, but not be limited to, the following: (i) if Lessee is a corporation, partnership, limited liability company or other legal entity, the transfer of any ownership interest in such entity resulting in a change in the present control of such entity by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; or (ii) the sale of TWENTY-FIVE PERCENT (25%) or more in value of the assets of Lessee.

9.4 Subletting. Lessee shall not sublease the Premises or any portion thereof at any time during the Term of this Lease.

9.5 Non-Disturbance. Lessor agrees, for the benefit of all subtenants of all or any part of the Premises, that if this Lease or Lessee's right to possession of the Premises is terminated for default or otherwise, all subleases of all or any part of the Premises, except any sublease to an affiliate of Lessee, shall continue in full force and effect, notwithstanding the termination, as direct leases between Lessor and the subtenants and all such subtenants shall, upon request, attorn in writing to Lessor.

10. IDENTIFICATION SIGNS

Lessee may install on the Premises, a sign or signs identifying its business on the exterior of the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessor's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("Event of Default"):

11.1.1 Failure to pay any installment of Rental Payments or other amount due from Lessee hereunder, or required by any other agreement between the Parties, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease, provided that Lessee does not cure such failure within Thirty (30) calendar days after delivery by Lessor of a written notice of such default; provided, however, if a cure of the default reasonably requires more than Thirty (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien of any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within Thirty (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee without Lessor's advance written authorization, which Lessor may withhold in its sole and absolute discretion.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, but subject to the provisions of Sections 9.2 and 23 herein, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Rental Payments, re-entry for condition broken, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and shall save Lessor harmless from all losses, costs or damages occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within Five (5) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the Rental Payments and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence (hereinafter called "Deficiency"), in monthly installments on the days on which the Rental Payments would have been payable under this Lease as if this Lease were still in effect. All amounts collected by Lessor from subtenants shall be credited against Lessor's damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover from Lessee, and Lessee shall pay to Lessor, on demand, as final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of Six Percent (6%) per annum) of (i) the aggregate of the Rental Payments and all other amounts to be paid by Lessee hereunder for the unexpired portion of the term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of such loss that could have been reasonably avoided, plus (b) repossession costs, Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), attorneys' fees, legal expenses, and all other damages incurred by Lessor as a result of such Event of Default. In determining the amount of loss that could reasonably be provided, rents to be paid by subtenants pursuant to Section 9.4, if applicable, and other reasonably projected rental income from leasing the Premises shall be taken into account.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it is reasonably calculated to put Lessee on inquiry as to the nature and extent of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay off Rental Payments or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Other remedies that are available to Lessor include self-help and recovery of damages, and nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. RESERVED.

13. INDEMNIFICATION

13.1 Lessee's Indemnity. To Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13.1 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Property or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

13.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 13.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 13.2) on the Property or the Airport, and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessee, or (ii) the failure of Lessor to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

13.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any Improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors, and Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

14. ENVIRONMENTAL PROTECTION

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 Environmental Laws. The term "Environmental Laws" shall mean any one or all of the following, as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 USC Section 6901, et seq.; the Toxic Substances Control Act, 15 USC Section 2601 et seq.; the Safe Drinking Water Act, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the Clean Air Act, 42 USC Section 7401 et seq.; the Arizona Hazardous Waste Management Act, A.R.S. Section 49-921 et seq. the Arizona Environmental Quality Act, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, solid and hazardous waste, hazardous substances and petroleum products.

14.1.2 Hazardous Material. The term "Hazardous Material" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

14.2 Reserved.

14.3 Environmental Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Laws.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity.

This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "Release" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing. Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than ONE HUNDRED EIGHTY (180) calendar days to resolve.

14.8 Reserved.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 14.9 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the

form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Reserved.

14.12 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.13 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ, Lessor, and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.14 U.S. Air Force Use and Remedial Action.

14.13.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "Occupation" or "Use" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.13.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.15 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air

Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above-described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.16 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approved such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Safety Coordinator within THIRTY (30) calendar days of receipt of a CofO from the City. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.17 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor.

14.18 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.19 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "**Later-Discovered, Pre-Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within Seven (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the United States Army

Corps of Engineers and obtain a permit or waivers under Section 404 of the *Clean Water Act*. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS

Lessee agrees to and shall at all times comply with the Lessor's *Standard Terms and Conditions*, as attached hereto as **EXHIBIT F**.

17. INSURANCE

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Comprehensive General Liability* insurance in the amount of $2,000,000 per occurrence covering third party bodily injury and property damage, and including coverage for "premises/operations," "products and completed operations," "professional," "host liquor" and "blanket contractual liabilities."

17.1.2 *Personal Property* insurance providing coverage at least as broad as the current ISO Special Form ("all-risks") policy in an amount not less than the full insurable replacement cost of all of Lessee's trade fixtures and other personal property within the Premises and including business income insurance covering at least twelve (12) months loss of income from Lessee's business in the Premises.

17.1.3 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation* and *Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than Thirty (30) calendar days before such cancellation or modification takes effect Ten (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the term of this Lease.

17.4 Additional Insurance. At any time during the term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within Ten (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear. All trade fixtures, equipment, and other personal property, to include all hazardous material, installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for removal and disposal of any hazardous materials and the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required by Lessor, be permanently removed from the Premises by Lessee, at Lessee's expense, within FIVE (5) business days of Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Rental Payments and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee.

19. INSPECTION BY LESSOR

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, I which event Lessor shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

20. NOTICES

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: Task Aerospace Inc.

Attn.: Tony Nikopoulos, Member
4912 S. Antonio
Mesa, AZ85212
Phone: 708-670-8545
Email: tony.nikopoulos@taskaero.com

20.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

22. APPROVALS, CONSENTS AND NOTICES

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

23. LIENS AND MORTGAGES

23.1 General Provisions.

23.1.1 Except as provided in this Section 23, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

23.1.2 Notwithstanding anything to the contrary in Section 9 herein, Lessee shall, during the Term, be permitted to mortgage, collaterally assign, or otherwise encumber its leasehold interest under this Lease to secure indebtedness, including, without limitation, a loan to finance construction of improvements and other development on the Premises, and including refinancing's thereof, subject to the restrictions of Section 23.1.3, and provided that the language of such mortgage or deed of trust and of all related documents that require the execution, approval, or consent of Lessor shall be subject to the prior review and approval of legal counsel for Lessor, and that all legal fees incurred by Lessor in connection with such legal counsel review and approval shall be paid by Lessee. Any such encumbrance is referred to as "Mortgage" and the holder thereof, "Mortgagee." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. No Mortgage shall encumber Lessor's interest in the Premises or the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

23.1.3 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary interest or the estate of Lessor in the Premises. No Mortgage or deed of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or deed of trust is authorized in accordance with provisions of this Section 23.

23.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

23.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "Notices") to Lessee, Lessor shall concurrently give a copy of each such

Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given SEVENTY-TWO (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 23.2.1.

23.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

23.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 23.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

23.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession.

23.2.5 If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 23, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

23.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

23.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, and Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 23.2, or (ii) the date that Lessee's cure period expires under the Lease. During such Mortgagee cure period, Lessor will not disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the real property for any reason, subject to the terms of the Lease, until such Mortgagee cure period has expired. The Mortgagee shall have the right to enter upon the Premises to give such performance.

23.3.2 In case of a default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such default cannot practicably be cured by the Mortgagee without taking possession of the Premises, in such Mortgagee's reasonable opinion, or if such default is not susceptible of being cured by the Mortgagee, then Lessor shall not serve a notice of lease termination if and so long as:

a. The Mortgagee shall proceed diligently to obtain possession of the Premises (including possession by a receiver), and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

b. The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

c. The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 23.3.2a, or to continue to prosecute foreclosure proceedings pursuant to Section 23.3.2b, if and when such default shall be cured. If a Mortgagee, its nominee, or a purchaser at a foreclosure sale shall acquire title to Lessee's leasehold estate hereunder, a default that is not reasonably

susceptible to cure by the person succeeding to the leasehold interest shall no longer be deemed a default under this Lease.

d. If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

23.4 New Lease

23.4.1 Subject to FAA regulations, Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of the original term of this Lease, at the rent and upon the terms, covenants and conditions herein contained, provided that:

a. Such Mortgagee shall make written request upon Lessor for the new lease within SIXTY (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

b. Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all sums which would, at that time, be due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of such termination;

c. Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by Lessee, and shall further remedy any other conditions which Lessee under the Lease was obligated to perform under its terms, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

d. The Lessee under the new lease shall have the same right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 23 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

23.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease pursuant to this Section 23.4, or to cure any default of Lessee referred to above.

23.4.3 If any Mortgagee shall request a new lease as provided in this Section 23.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, upon a guaranty from it reasonably satisfactory to Lessor, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

23.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

23.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or

other similar instrument, shall require the consent of Lessor or constitute a default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease.

24. GOVERNING LAW

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

25. AIRPORT RULES AND REGULATIONS

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act, Public Law 101-336, 42 U.S.C. 12101-12213*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **EXHIBIT D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's sole discretion. Lessee shall be responsible for controlling and preventing disruptive pedestrian and vehicle traffic associated with its activities on the Premises and at the Airport. Lessee also shall display to Lessor any permits, licenses, or other evidence of compliance with laws upon request.

26. CORPORATE AUTHORIZATION

In executing this Lease, Lessee represents and warrants to Lessor that if Lessee is a corporation, Lessee has obtained and been granted the full right, power and authority to enter into this Lease.

27. UTILITY LINES AND SERVICE CHARGES

27.1 Connections and Services. Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested in advance to do so by Lessee, Lessor will grant reasonable rights-of-way on or across the Airport to suppliers of public utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to designate the lands along which such rights-of-way shall be granted so as to cause the least inconvenience in the operation of the Airport and other Airport tenants.

27.2 Payment. Lessee shall pay for all utilities, including trash collection, used in its operations at the Airport and the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

27.3 Continued Use and Repair. Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises and the right to repair the same, when necessary, in Lessor's sole discretion, including but not limited to, any utility easements on the Premises. Lessor shall conduct such repairs in such a manner and at such times as to not unreasonably interfere with Lessee's activities thereon.

28. RESERVATIONS TO LESSOR

The Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances, and Lessor shall have the right to install, lay, construct, maintain, repair and operate such sanitary sewers, drains, storm water sewers, pipelines, manholes, connections; water, oil and gas pipelines; telephone and telegraph power lines; and such other appliances and appurtenances necessary or convenient to

use in connection therewith, over, on, across or in proximity to the Premises, or any part thereof, as will not unreasonably interfere with Lessee's or any subtenant's operations hereunder, and to enter upon the Premises for such purposes. Lessor also reserves the right to grant franchises, easements, rights-of-way, and permits, over, on, across or in proximity to any portions of the Premises for the same purposes; provided, that Lessor or the grantee, as applicable, shall not exercise such rights so as to interfere unreasonably with Lessee's or any subtenant's activities on the Premises and all such interference shall be minimized. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions that the surface of the Premises shall be restored to its original condition, at no cost to Lessee, upon the completion of any construction.

29. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS

29.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

29.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

29.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

29.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

29.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

29.6 Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport. Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

29.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

29.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

29.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

29.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

29.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

29.12 Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency

29.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

29.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

30. TITLE VI

30.1 Civil Rights Act of 1964, Title VI – General. Lessee agrees to comply with pertinent statues, Executive Orders, and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, or national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision binds the Lessee and subcontractors from the bid solicitation period through the completion of this Agreement. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

Lessee agrees to include the above statement in any subsequent agreement or contract covered by 49 CFR part 23, that it enters and cause those businesses to similarly include the statements in further agreements.

30.2 Civil Rights Act of 1964, Title VI – Assurances. During the performance of this Agreement, Lessee, for itself, its assignees and successors in interest agrees as the performance of this contract, the tenant/lessee, for itself, its assignees, and successors in interest agrees as follows:

30.2.1 *Compliance with Regulations*. Lessee shall comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.

30.2.2 *Nondiscrimination*. Lessee, with regard to the work performed by it during the Term of this Agreement, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities,

including employment practices when the Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

30.2.3 *Solicitations for Subcontracts, including Procurements of Materials and Equipment*. In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Lessee of Lessee's obligations under this Agreement and the Non-Discrimination Acts and Authorities on the grounds of race, color, or national origin.

30.2.4 *Information and Reports*. Lessee shall provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to PMGAA or the FAA as appropriate and will set forth what efforts it has made to obtain the information.

30.2.5 *Sanctions for Noncompliance*. In the event of a Lessee's noncompliance with the Nondiscrimination provisions of this Agreement, PMGAA will impose such sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

a. Withholding of payments to the Lessee under this Agreement until Lessee complies, and/or:

b. Cancellation, termination, or suspension of this Agreement, in whole or in part.

30.2.6 *Incorporation of Provisions*. Lessee will include the provisions of SECTIONS 23.2.1 through 23.2.5 of this SECTION 23.2 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

30.3 Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities. During the performance of this Agreement, Lessee, for itself, its assignees, and successors in interest (hereinafter referred to as the "Lessee" for purposes of this SECTION 23.3) agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

22.3.1 Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);

22.3.2 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

22.3.3 The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

22.3.4 Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 *et seq*.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27;

22.3.5 The Age Discrimination Act of 1975, as amended (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

22.3.6 Airport and Airway Improvement Act of 1982 (49 USC § 471, Section 47123), as amended(prohibits discrimination based on race, creed, color, national origin, or sex).

22.3.7 The Civil Rights Restoration Act of 1987 (PL 100-209) (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

22.3.8 Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

22.3.9 The FAA's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

22.3.10 Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

22.3.11 Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to74100);

22.3.12 Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

31. FEDERAL FAIR LABOR STANDARDS ACT

This contract and all subcontracts that result from this contract incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The Lessee has full responsibility to monitor compliance to the referenced statue or regulation. The Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

32. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This contract and all subcontracts that result from this contract incorporate by reference the provisions of 29 CFR part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration

33. INCORPORATION OF QUITCLAIM DEED

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("Deed"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

33.1 That this Lease is subject to all terms and conditions of the Deed; and

33.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

34. REQUIRED PROVISIONS OF QUITCLAIM DEED

34.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

34.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

34.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

34.2 If the Premises are within any of the archeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

34.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

35. ARCHEOLOGICAL OR CULTURAL RESOURCES

In the event any archeological or cultural resources are discovered during any construction contemplated or permitted by this Lease, Lessor shall use its best efforts to expedite any necessary actions with respect thereto, at Lessor's sole cost and expense.

36. AIRPORT SECURITY

36.1 Airport Security Plan.

36.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1542. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

36.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

36.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

36.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

36.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

36.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security Lessee.

36.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

36.2 Airport Security Badge.

36.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably detailed explanation of the violations that caused Lessor to confiscate the security badges.

36.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the Lessor's Operations Department.

36.2.3 Lessee will promptly return badges to the Lessor's badging office when badge holder's employment is terminated, the badge is no longer needed, or the employee/contractor is on extended leave.

36.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining, suspension or revocation of one or all misused badges.

37. DEFAULT BY LESSOR

In the event of any alleged breach by Lessor of its covenants contained in this Lease, Lessee shall have available all rights and remedies provided at law or in equity, subject to the terms and conditions of this Lease; provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to cure such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Rental Payments, or any other payments to be made by Lessee hereunder.

38. BROKERS

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee Each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

39. SALE BY LESSOR

Lessee agrees to look solely to Lessor's interest in the Premises for the recovery of any judgment from Lessor, it being agreed that neither Lessor nor the holders of the equity interests of Lessor, nor the members, partners, officers, directors or shareholders of Lessor shall be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

40. ESTOPPEL CERTIFICATE

Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request of Lessor to do so, certify, by written instrument duly executed and acknowledged by Lessee and certified to Lessor and to any prospective lender or purchaser: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to

the existence of any default hereunder to the best of Lessee's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Rental Payments and all other charges hereunder and the expiration date of the Term; (iv) as to whether the Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters as may be reasonably requested. Lessor and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

41. MISCELLANEOUS

41.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

41.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

41.3 Non-Waiver of Rights. No waiver or default by Lessor of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by Lessee shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by Lessee, and Lessor shall not be restricted from later enforcing any of the terms and conditions of this Lease.

41.4 Amendment. This Contract shall be modified only by a written amendment mutually agreed to and signed by both Parties, by persons duly authorized to enter into contracts on behalf of each Party.

41.5 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party shall be entitled to recover its attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

41.6 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

41.7 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

42. INCORPORATION OF RECITALS

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

IN WITNESS WHEREOF, the Parties have executed this Lease the day and year first above written.

EXECUTED to be effective on the date specified above.

Exhibit C

AIRCRAFT OPERATIONS GUIDELINES

C1. **Use of Airport**. Lessee, Lessee's assigns, sub-lessees, or transferees who operate aircraft at the Airport and are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **EXHIBIT C**.

C2. **Fees**. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight (MGLW). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current *Airport Rates and Charges* Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside Lessee's Premises. Such fees, if any, shall be payable to Lessor no later than the TWENTIETH (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee for Lessee's non-exclusive use of other space not situated on or part of the Premises. The location and cost of such other space shall be determined by Lessor at its sole discretion, and both may be subject to change from time to time by Lessor, as necessary.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. **Books and Records**. Lessee shall maintain permanent books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records shall be made available to Lessor upon request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. **Disabled or Abandoned Aircraft**. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, immediately upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor or claimed by anyone by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the airport caused by such aircraft or removal within TEN (10) business days of demand therefor.

C5. **Aviation Fuel**. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines* and applicable federal regulations.

C6. **Fly Friendly Procedures**. Lessee acknowledges that Lessor maintains *Fly Friendly* noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

AIRPORT RULES AND REGULATIONS

Rules & Regulations

Exhibit E

STORM WATER PERMIT COMPLIANCE

E1. **Acknowledgments**.

E1.1 Lessee acknowledges that because of its activities, operations or location at the Airport, Lessee may be required by EPA Regulations 40 CFR Part 122 (Regulations) to obtain a National Pollution Discharge Elimination System (NPDES) Storm water discharge permit ("Permit"), a requirement that Lessee can fulfill by:

E1.1.1 Obtaining its own permit; or

E1.1.2 Joining as a co-permittee under Lessor's current storm water permit.

E1.2 Lessor has undertaken to obtain a storm water discharge permit, and Lessee acknowledges that it will enjoy a substantial economic benefit by joining as a co-permittee, and that such benefit serves as good and sufficient consideration for the obligations imposed upon and assumed by Lessee under this **EXHIBIT E**.

E1.3 Lessee acknowledges that it will have to devise and implement Best Management Practices (BMPs) to minimize the contact of storm and other precipitation event water with "significant materials" (as defined in the Regulations) generated, stored, handled or otherwise used by Lessee, and to document such BMPs with a written storm water management plan.

E1.4 It is the Lessee's obligation to determine if its activities or operations require obtaining such permit.

At such time as Lessee determines applicability and agrees to Section E1.1.2 above, the following shall apply:

E2. **Agreement**.

E2.1 Lessee agrees to be made, and to be, a co-permittee on Lessor's Multi-Sector General Permit (MSGP), and agrees that said Permit, as it is issued by the Arizona Department of Environmental Quality (AZDEQ), and as it may thereafter be amended, modified or otherwise changed, is incorporated by reference into this **EXHIBIT** and any subsequent renewals.

E2.2 Lessor agrees that, to the extent allowed by law, Lessee shall have the right to be removed from Lessor's Permit should this Lease be cancelled or terminated for other reasons, or due to Lessee's relocation, noncompliance with Permit requirements or exercise of choice; provided that in no event shall Lessee be relieved of its obligation to comply with the requirements of the AZPDES permit program with regard to its occupation and use of the Premises and the Airport, nor shall Lessee be excused from any obligations or indemnifications incurred and owed to Lessor prior to Lessee's removal from the Permit, resulting from a failure of Lessee to fulfill an obligation of such.

E3. **Compliance**.

E3.1 Lessor will provide Lessee with a true and complete copy of the Permit and any revisions thereto, and will, as time and personnel allow, consult with and assist Lessee with regard to Permit and other requirements.

E3.2 Lessor shall have the right to monitor Lessee's compliance with the Permit requirements, including, but not limited to: certification of non-storm water discharges; collection of storm water samples; preparation of storm water management plans; implementation of BMPs; and the maintenance of necessary records.

E3.3 Lessor reserves the right to impose upon Lessee any BMP or other action necessary to insure Lessor's ability to comply with its Permit requirements or applicable Rules. Lessee shall have TEN (10) business

days from date of receipt of written notice imposing such BMPs or other requirements to notify Lessor in writing if it objects to any action it is being directed to undertake. If Lessee does not provide the specified timely notice, it will be deemed to have assented to implement the BMPs or other requirements. If Lessee provides Lessor with timely written notice of its objections, the Parties agree to negotiate a prompt resolution of their differences. Lessee warrants that it will not serve a written notice of objections for purposes of delay or avoiding compliance.

E3.4 Lessee agrees to implement at its sole expense, unless otherwise agreed to in writing between Lessor and Lessee, those Permit and other requirements which pertain to its operations and activities on the Airport, and Lessee warrants that it will use its best efforts to meet all deadlines established by statute, regulation or ordinance, or that are agreed to by the Parties. Lessee acknowledges that time is of the essence in the implementation of all Permit requirements.

E4. **Permit Changes**. Lessee acknowledges that the terms and conditions of Lessor's Permit may change from time to time, and upon prior written notice from Lessor to Lessee of proposed changes, Lessee shall be given the opportunity to submit comments to Lessor prior to negotiations with the appropriate governmental entity or entities for permit modifications.

E5. **Material Condition**. Full compliance with the AZPDES permit program, 40 C.F.R. Part 122, is a material condition of this **EXHIBIT** and for any breach thereof which exposes Lessor to civil or criminal fine, penalty, sanction or remediation cost by any governmental entity, Lessor may terminate this **EXHIBIT** without recourse by Lessee.

E6. **Covenant of Good Faith**. Lessor and Lessee covenant to act in good faith to implement any requirements imposed by Lessor's Permit, to the end that the purposes of Section 402(P) of the Federal *Water Pollution Control Act* (33 U.S.C. 1342 (P)) may be achieved. The Parties acknowledge that close cooperation will be necessary to ensure compliance with any Permit requirements to promote safety and minimize costs, and each Party agrees to a candid exchange of information necessary to coordinate a storm water management and monitoring plan.

E7. **Indemnification**. The covenants of insurance and indemnification in favor of Lessor imposed by other provisions of this **EXHIBIT** shall extend to, and are incorporated into, the provisions of this **EXHIBIT**.

NOTICE OF LESSEE INTENTION TO JOIN OR REJECT NPDES CO-PERMITTEE STATUS

I, _____, on behalf of TASK AEROSPACE, INC., being duly authorized to do so, acknowledge that I am fully informed of our obligations under the National Pollutant Discharge Elimination System permit program as mandated by Section 402 (P) of the Federal *Water Pollution Control Act* (33 U.S.C. 1342 (P)), and regulations published in 40 C.F.R. Part 122 and the Arizona Department of Environmental Quality (AZDEQ).

I further acknowledge that, if applicable we have been offered the opportunity to join with the Phoenix-Mesa Gateway Airport Authority (PMGAA) as a co-permittee of the AZPDES permit issued by the Environmental Protection Agency to the PMGAA as it pertains to the Phoenix-Mesa Gateway Airport Authority ("Airport"), in accordance with the terms and conditions set forth above.

I, on behalf of TASK AEROSPACE, INC. and being duly authorized to do so, (please check applicable box)

- ☐ desire to join the PMGAA as a co-permittee and understand and accept the obligation to comply with the aforesaid statute and regulations as they may apply to our activities and operations at the Airport.
- ☐ decline to join the PMGAA as a co-permittee.
- ☐ have determined the regulations are not applicable.

Dated this _____day of _____, 2023.

Exhibit F

STANDARD TERMS AND CONDITIONS

1. **Certification.** By executing this Contract, Lessee certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Lessee hereby certifies that the individual signing this Contract is an authorized agent for Lessee and has the authority to bind the Lessee to the Contract.

2. **Arbitration**. At PMGAA's sole option, disputes between the parties may be resolved through arbitration as provided in A.R.S. Section 12-1501, *et seq*. Lessee shall continue to render the services required by this Contract without interruption, notwithstanding either party has filed suit against the other or PMGAA has expressly agreed to arbitration and either party has demanded arbitration.

3. **Affirmative Action.** Lessee shall abide by all the federal and state of Arizona provisions for equal opportunity in the workplace.

4. **Human Relations**. Lessee shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

5. **Gratuities.** PMGAA may, by written notice to the Lessee, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Lessee or any agent or representative of Lessee, to any officer or employee of PMGAA amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Lessee the amount of the gratuity.

6. **Provisions Required by Law**. Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

7. **Rights and Remedies.** No provision in this Contract shall be construed, expressly or by implication, to waive either party's existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Lessee's services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

8. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

9. **Advertising.** Lessee shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

10. **Force Majeure**

a. Neither party is liable to the other, and neither party may be deemed in default under this Contract, if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure does not include late performance by a subcontractor unless the delay arises out of a specific Force Majeure in accordance with this Force Majeure term and condition.

b. If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing, as soon as practical, of the delay and shall specify the causes of delay in the notice. The notice must be hand-delivered or mailed certified-return receipt and must specifically refer to this Section. The delayed party shall cause the delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The date of completion will be extended by Contract modification or amendment for the period of time that the completion date is necessarily delayed. This time extension is the Consultant's exclusive remedy for delay.

11. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Lessee or any other person except with prior written permission by PMGAA.

12. **Licenses.** Lessee shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Lessee as applicable to this Contract.

13. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

14. **Patents.** Lessee shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys' fees, for any alleged infringement of any person's patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Lessee under this Contract.

15. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA.

Board Action Item

Re: Resolution 23-25

To:	**Board of Directors**
From:	**Shea Joachim, CEcD, Business Development Director**
Through:	**J. Brian O'Neill, A.A.E., Executive Director/CEO**
Subject:	**SRP Substation Easement - GatewayEast**
Date:	**May 16, 2023**

Proposed Motion

The Board of Directors of the Authority hereby authorizes granting Salt River Project a 2.97-acre perpetual easement.

Narrative

Salt River Project ("SRP") seeks to establish a distribution substation on Phoenix-Mesa Gateway Airport Authority (PMGAA) property, in proximity to the 230 kV transmission line, and within the area generally referred to as GatewayEast. The substation is a critical piece of infrastructure to ensure SRP can continue to maintain electric power availability and reliability in the fast-growing area around the Airport.

The proposed location of the substation is within Phase II of the GatewayEast development plan. The Boyer Company is the Master Developer for GatewayEast, and they were engaged early in the discussion with SRP and recommended the proposed location. Until the roadways within GatewayEast are developed, SRP will also require a temporary access easement granted by PMGAA to access the proposed substation. Once the roadways within GatewayEast are developed SRP and PMGAA will extinguish the temporary access easement.

Fiscal Impact

PMGAA will receive $1,217,066 from Salt River Project in exchange for granting the perpetual easement. The valuation is supported by a review of recent, comparable land sales in the area.

Attachment(s)

1) Easement
2) Depiction of Location

RESOLUTION NO. 23-25

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize granting Salt River Project a 2.97-acre perpetual easement;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes granting Salt River Project a 2.97-acre perpetual easement. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 16th day of May, 2023.

PHOENIX-MESA GATEWAY AIRPORT AUTHORITY,
An Arizona joint powers airport authority authorized by the State of Arizona

hereinafter called Grantor, for and in consideration of the sum of Ten Dollars, and other valuable consideration, receipt and sufficiency of which is hereby acknowledged, does hereby grant and convey to **SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT**, an agricultural improvement district organized and existing under the laws of the State of Arizona, and its successors and assigns, hereinafter called the Grantee, an exclusive easement for use by Grantee, and Grantee's employees, contractors, licensees, and invitees ("Grantee Parties") to construct, install, reconstruct, replace, remove, repair, operate and maintain an electrical substation and all related uses thereof, together with all poles, towers wires, conduits, conductors, pipes, cables, vaults, manholes, guys, anchorage, crossarms, braces, transformers and all other buildings, improvements, equipment, appliances, facilities appurtenances and fixtures (collectively "Facilities") for the transmission and distribution of electricity and for the transmission and distribution of telephone, audio and/or visual signal and other communication or data transmission purposes in, upon, over, under, across and along the following described property (hereinafter referred to as the "Easement Property")., together with the right, easement and privilege of full and free vehicular and pedestrian ingress and egress over, across and upon the Easement Property.

Easement Property:

"See Exhibit "A" attached hereto and incorporated herein with this reference

1. Grantee Party Use. Grantee is hereby authorized to permit the Grantee Parties to use the Easement Property for additional Facilities jointly with or separately from the Grantee for the purposes set forth above.

2. Grantor Improvements. Grantor shall not construct, install or place, or permit to be constructed, installed or placed any building or other structure, plant any trees or other vegetation, drill any well, store materials of any kind, or excavate or alter ground level by cut or fill, within the area of the Easement Property.

3. Additional Grantee Rights. Grantee shall have the right (but not the obligation) to trim, cut and clear away trees, brush or other vegetation on the Easement Property whenever in its judgment the same shall be necessary for the convenient and safe exercise of the rights herein granted.

4. Signs and Safety Devices. Grantee shall have the right (but not the obligation), at its cost, to install, place and maintain on the Easement Property warning or safety signs regarding the Facilities and safety or security devices to protect the Facilities. Any provision contained herein to the contrary notwithstanding, Grantee shall have the right (but not the obligation) at any time, at Grantee's cost, to enclose the Facilities or any portion thereof by fences, walls or other structures and to take other steps to prevent access thereto by unauthorized persons.

5. Perpetual Nature of Easement. The Easement, and Grantee's rights hereunder, shall be perpetual, and shall not terminate until, and unless abandoned through the recordation of a document formally abandoning the Easement, which references this instrument and is executed and acknowledged by Grantee. Upon such recordation, all Grantee's rights hereunder shall cease, except the right to remove any and all property placed upon the Easement Property within a reasonable time subsequent to such abandonment.

6. Successors and Assigns. The benefits and burdens, and the covenants and agreements herein set forth shall run with and burden the land and shall extend and inure in favor and to the benefit of, and shall be binding on Grantor and Grantee and their successors and assigns. Grantee shall have the right to assign this Easement Agreement in whole or in part to one or more assignees and upon the assignment, such assignee hereby assumes the rights and obligations of the Grantee hereunder with respect to the portion of the Easement assigned.

7. Private Easement. The provisions of this Easement Agreement are not intended to and do not constitute a public utility easement or any other grant, dedication, or conveyance for public use of the Easement Property.

8. Rights and Remedies Cumulative. The rights and remedies hereunder are cumulative, and the exercise of any one or more of such rights or remedies shall not preclude the exercise, at the same or different times, of any other right or remedy available.

9. Warranty of Title. Grantor represents and warrants that: (i) fee simple title to the Easement Parcel is vested in Grantor, and (ii) Grantor has full power and authority to grant the Easement and to perform its obligations under this document, subject to all matters of record and, without limitation, Grantor's obligations and restrictions under that certain Quitclaim Deed dated April 14, 1998 and recorded April 30, 1998 as Document No. 98-0354787, Official Records of Maricopa County, Arizona.

10. Authority to Bind Grantor. The individual executing this document represents and warrants: (i) that he or she is authorized to do so on behalf of Grantor, and (ii) that he or she has full legal power and authority to bind Grantor in accordance with the terms herein and, if necessary, has obtained all required consents or delegations of such power and authority.

11. 14 CFR Part 77. Grantee Parties agree to comply with the notification and review requirements covered in 14 CFR Part 77 with respect future construction of the Facilities and any modification or alteration thereof. Grantee Parties shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Easement Property. In the event these covenants are breached, Grantor reserves the right to enter upon the Easement Property and to remove the offending structure or object at the expense of Lessee.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK

Board Action Item

Re: Resolution 23-26

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: SkyBridge Arizona – Lot 116-B Adjustment Amendment & Development Lease
Date: May 16, 2023

Proposed Motion

To authorize a Development Lease with SkyB Lot 116-B LLC, an Arizona limited liability company, for 4.15 acres located within the SkyBridge Arizona project identified as Lot 116-B. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 116-B from the Master Lease Agreement.

Narrative

The Phoenix-Mesa Gateway Airport Authority ("PMGAA") and Mesa SkyBridge, LLC ("SkyBridge") entered into a Master Lease Agreement on April 1, 2018 for the approximately 360-acres located at the southeast corner of Sossaman Road and Velocity Way ("Property"). The Master Lease transferred leasehold control of the Property to SkyBridge but did not convey vertical development rights. As part of the Master Lease, PMGAA and SkyBridge agreed to "spin out" property from the Master Lease into Development Leases as projects became ready for vertical development.

SkyBridge has proposed to build two buildings of approximately 16,800 SF each. Lot 116-B is approximately 180,831 SF and has been identified as a non-aeronautical parcel. The proposed development is compliant with the SkyBridge Arizona Master Plan. The attached Adjustment Amendment will formally remove Lot 116-B from the Master Lease and allow Lot 116-B to be included in the proposed Development Lease.

Agreement Term and Rate

The Lot 116-B Development Lease proposes a lease term of SIXTY (60) years with ONE (1) renewal options of FIFTEEN (15) years. The Base Rent for Lot 116-B will be $0.00 annually for the first TWO (2) years and $18,083.11 annually starting on the Third (3rd) anniversary of the Effective Date subject to Base Rent Adjustments and Market Adjustments as stipulated in the Development Lease.

Development Lease Exhibit - Reciprocal Access Easement
Master Lease Adjustment Amendment #11

RESOLUTION NO. 23-26

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Development Lease with SkyB Lot 116-B LLC, an Arizona limited liability company, for 4.15 acres located within the SkyBridge Arizona project identified as Lot 116-B. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 116-B from the Master Lease Agreement;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes a Development Lease with SkyB Lot 116-B LLC, an Arizona limited liability company, for 4.15 acres located within the SkyBridge Arizona project identified as Lot 116-B. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 116-B from the Master Lease Agreement. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**
>
> Passed and adopted by the Authority this 16th day of May, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

ADJUSTMENT AMENDMENT TO MASTER LEASE

Development Parcel for Lot 116-B, SkyB Lot 116-B LLC, an Arizona limited liability company

THIS ADJUSTMENT AMENDMENT TO MASTER LEASE ("**Amendment**") is made as of the 1st day of June, 2023, by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **MESA SKYBRIDGE LLC**, an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Master Lease dated April 1, 2018 ("**Lease**") covering certain property commonly known as Gateway Aerospace Park at the Phoenix-Mesa Gateway Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Property**."

B. The Parties desire to modify the Lease to remove Development Parcel Lot 116-B from the Property in accordance with Section 2.1.4 of the Lease.

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. Property Adjustment. Lot 116-B, as described in Exhibit A, is hereby removed from the Lease and from the Rentable Premises. As of the date of this Amendment, after removing Lot 116-B from the Lease, the Rentable Premises is 12,966,281.2 square feet.

4. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of

this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

DECLARATION OF RECIPROCAL ACCESS EASEMENT

THIS DECLARATION OF RECIPROCAL ACCESS EASEMENT ("**Declaration**") is made as of the _____ day of _____, 202__ by PHOENIX-MESA GATEWAY AIRPORT AUTHORITY, a Joint Powers Airport Authority authorized under the laws of the State of Arizona ("**PMGAA**").

RECITALS

A. PMGAA is the owner and operator of the Phoenix-Mesa Gateway Airport in Maricopa County, Arizona.

B. PMGAA is the fee owner of two adjacent parcels of real property located in Maricopa County, Arizona. One parcel comprises lots commonly known as Lots 101, 102 and 103 and is more particularly described on **EXHIBIT A** attached hereto ("**101-103 Parcel**"), and the other parcel comprises lots commonly referred to as Lot 116-B and is more particularly described on **EXHIBIT B** attached hereto ("**116-B Parcel**"). The 101-103 Parcel and the 116-B Parcel are collectively referred to herein as the "**Parcels**".

C. The Parcels or portions thereof are or will be subject to leases with PMGAA. For purposes hereof, any lease covering the 101-103 Parcel from time to time is referred to as the "**101-103 Lease**" and the tenant pursuant to a 101-103 Lease is referred to as the "**101-103 Lessee**". Any lease covering the 116-B Parcel from time to time is referred to as a "**116-B Lease**" and the tenant pursuant to a 116-B Lease is referred to as the "**116-B Lessee.**" The 101-103 Lessee and the 116-B Lessee are collectively referred to herein as the "**Parcel Tenants**."

D. PMGAA desires to establish and declare hereby a mutual reciprocal easement in favor of the Parcels, for the purpose of pedestrian and vehicular access, ingress, and egress in, over, and under a portion of the Parcels, in accordance with the terms and conditions set forth herein.

DECLARATION

NOW THEREFORE, PMGAA hereby declares as follows:

1. Creation of Easement. PMGAA does hereby reserve, grant and declare a perpetual, nonexclusive reciprocal easement in, over, and under a portion of the 116-B Parcel set forth on **EXHIBIT C** attached hereto ("**Easement Area**") for the purpose of pedestrian and vehicular ingress and egress ("**Access Easement**"). The Access Easement is created for the benefit of, and may be used by the Parcel Tenants and their respective employees, customers, contractors, subtenants, agents, invitees, subtenants, successors and assigns ("**Permittees**").

2. Initial Construction.

(a) *Responsibility for Initial Construction*. The 116-B Lessee will be responsible for the initial construction of the Easement Area and any improvements located thereon ("**Easement Construction**"). The Easement Construction will include installing in a good and workmanlike manner the pavement, curbing, striping, and if necessary any drainage system and other improvements for the Easement Area.

(b) *Costs and Expenses*.

(i) Until such time as a 101-103 Lease is first executed between PMGAA and the 101-103 Lessee (for purposes hereof, the "**Initial 101-103 Lease**"), the Easement Construction will initially be undertaken by the 116-B Lessee in connection with the original construction of the 116-B Parcel, at 116-B Lessee's sole cost and expense. The 116-B Lessee will document and keep a record of the costs incurred in performing the Easement Construction ("**Easement Construction Expenses**").

(ii) Following the execution of the Initial 101-103 Lease, the first 101-103 Lessee (for purposes hereof "**Initial 101-103 Lessee**") must reimburse the 116-B Lessee for fifty percent (50%) of the Easement Construction Expenses ("**Construction Reimbursement**") within thirty (30) days of the Initial 101-103 Lessee's receipt of an invoice therefor, along with reasonable supporting documentation of the Easement Construction Expenses. If the Initial 101-103 Lessee fails to reimburse the 116-B Lessee for the Construction Reimbursement within the applicable thirty (30) day period, such unpaid amount shall accrue interest at the rate of eighteen percent (18%) per annum, compounded annually, from the date of the invoice therefor until paid. The Construction Reimbursement will constitute the personal obligation of the Initial 101-103 Lessee, and will pass to any subsequent 101-103 Lessee until paid in full. In no event will the 116-B Lessee have any right to file, record, or claim a lien against the underlying Parcels.

3. Maintenance.

(a) *Responsibility for Maintenance*. Subject to Section 3(d) below, the 116-B Lessee will be responsible to maintain, inspect, repair and replace (if necessary) the Easement Area and any improvements located thereon ("**Easement Maintenance**"). The Easement Maintenance must include keeping all improvements in a neat and clean condition and in good order, condition and repair, including without limitation the patching of pavement, resurfacing, sweeping and removing trash and debris, and maintaining any drainage system.

(b) *Costs and Expenses*.

(i) Until such time as the Initial 101-103 Lease is first executed, the 116-B Lessee will be exclusively responsible for the cost and expenses incurred in performing the Easement Maintenance ("**Easement Maintenance Expenses**").

(ii) Upon the execution of the Initial 101-103 Lease and continuing thereafter, the Easement Maintenance Expenses will be shared equally by the 116-B Lessee and the 101-103 Lessee (including the Initial 101-103 Lessee). The 101-103 Lessee must reimburse the 116-B Lessee fifty percent (50%) of the Easement Maintenance Expenses within thirty (30) days of a receipt of an invoice therefor along with reasonable supporting documentation of the Easement Maintenance Expenses. If the 101-103 Lessee fails to reimburse the 116-B Lessee its proportionate share of the Easement Maintenance Expenses within the applicable thirty (30) day period, such unpaid amount shall accrue interest at the rate of eighteen percent (18%) per annum, compounded annually, from the date of expenditure until paid. The applicable proportionate share of Easement Maintenance Expenses will constitute the personal obligation of the 101-103 Lessee. In no event will the 116-B Lessee have any right to file, record, or claim a lien against the underlying Parcels.

(iii) During any period of time during which there is no lease for one or both of the Parcels, PMGAA will assume the responsibilities for Easement Maintenance and/or Easement Maintenance Expenses in connection with the Parcel without a tenant, as applicable.

(c) *Self-Help Rights*. If the 116-B Lessee fails to perform the Easement Maintenance, the 101-103 Lessee may notify the 116-B Lessee in writing of such failure. If the 116-B Lessee fails to object on the basis that such maintenance or repairs are not required or fails to complete any required Easement Maintenance within thirty (30) days following receipt of such written notice, or such longer time as may be necessary provided that the 116-B Lessee has commenced to perform the Easement Maintenance and is diligently pursuing the same, the 101-103 Lessee may perform the Easement Maintenance. In exercising its rights hereunder, the 101-103 Lessee may not unreasonably interfere with the operations on the 116-B Parcel and must use commercially reasonable efforts to perform the maintenance in a manner so as to minimize any interference with the operations on the 116-B Parcel. If the 101-103 Lessee performs the Easement Maintenance, the 116-B Lessee must reimburse the 101-103 Lessee for fifty percent (50%) of the Easement Maintenance Expenses within thirty (30) days of a receipt of an invoice therefor along with reasonable supporting documentation of the Easement Maintenance Expenses incurred by the 101-103 Lessee, together with interest thereon at the rate of eighteen percent (18%) per annum, compounded annually, from the date of expenditure until paid.

(d) *PMGAA's Election to Perform*. Notwithstanding anything to the contrary herein, PMGAA may elect by written notice to the 116-B Lessee, at any time and in PMGAA's sole discretion, to perform the Easement Maintenance and seek reimbursement from the Parcel Tenants for their share of the Easement Maintenance Expenses. Such election may be relinquished or revoked at any time by PMGAA upon written notice to the 116-B Lessee, following which the 116-B Lessee will resume performing the Easement Maintenance in accordance with Section 3(a).

4. Damage or Destruction.

(e) *By Fire or Other Casualty*. If any portion of the Easement Area or improvements thereon are destroyed or damaged by fire or other casualty, the terms of the 101-103 Lease and the 116-B Lease will govern with respect to the such portion of the Easement Area located on each of the Parcels, respectively; provided however, that prior to the Initial 101-103 Lease, the 116-B Lease will govern as to the entirety of the Easement Area, as if the entire Easement Area is located within the 116-B Parcel.

(f) *By Act of a Party*. Notwithstanding any other provision herein, (a) in the event any portion of the Easement Area, or any improvement located thereon, is damaged or destroyed by a willful or grossly negligent act of the 101-103 Lessee or its Permittees, the Lot 101-103 Lessee will be responsible for the entire cost of repairing all damage resulting from such act; and (b) in the event any portion of the Easement Area, or any improvement located thereon, is damaged or destroyed by a willful or grossly negligent act of the 116-B Lessee or its Permittees, the Lot 116-B Lessee will be responsible for the entire cost of repairing all damage resulting from such act.

5. Barriers; Obstructions. Any fence, wall, or other barrier or structure of any kind on the Easement Area which would prevent, obstruct or impair the passage of pedestrian and vehicular traffic over and across the Easement Area to and from the Parcels is prohibited. Parking of vehicles upon the Easement Area is prohibited.

6. Attorneys' Fees. In the event of any action to enforce the provisions of this instrument, the prevailing party will be entitled to receive reimbursement for reasonable costs and attorneys' fees, in an amount determined by the court and not by a jury.

7. No Public Dedication; Running of Benefits and Burdens; No Merger. The provisions of this Declaration are not intended to and do not constitute a dedication for public use of any portion of the Easement Area. All provisions of this Agreement, including the benefits and burdens, shall run with the land, and shall be binding upon and shall inure to the benefit of the successors and assigns of PMGAA. The common ownership of all or any portion of the Parcels shall not extinguish or merge the interests created under this Declaration at any time unless the then-current owner(s) of all the Parcels records an instrument in the records of Maricopa County, Arizona terminating this Declaration.

8. Subsequent Liability. Whenever the transfer or termination of any ownership of or leasehold interest in all or any part of the Parcels occurs, the transferor or former leasehold interest holder will not be liable for the breach, subsequent to such transfer or termination, of any of the covenants contained herein; provided, however, that the transferor or former leasehold interest holder will remain liable for any obligations hereunder of such transferor or former leasehold interest holder that accrued prior to the transfer or termination.

9. Applicable Law. This Declaration must be construed and interpreted under, and governed and enforced according to, the laws of the State of Arizona.

10. Headings and Counterparts. The headings of this Declaration are for purposes of reference only and will not limit or define the meaning of any provision of this Declaration. This Declaration may be executed in any number of counterparts, each of which will be an original but all of which will constitute one and the same instrument.

11. Amendments. PMGAA may amend, modify or revoke this Declaration at any time in its sole discretion, by recording in the office of the Recorder of Maricopa County, Arizona an instrument in writing reciting such revocation or amendment.

[*Remainder of page intentionally left blank; signature page follows*]

IN WITNESS WHEREOF, PMGAA has caused this Declaration of Reciprocal Access Easement to be executed as of the date first above-written.

Phoenix-Mesa Gateway Airport Authority
DEVELOPMENT LEASE

a Non-Aeronautical Development Parcel for Lot 116-B

This Development Lease ("**Lease**") is executed to be effective the FIRST (1st) day of June 2023 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **SKYB LOT 116-B LLC**, an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

B. Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

C. Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport known as Lot 116-B on the Master Plan containing approximately 180,831.14 square feet of land, as set forth in **Exhibit A** attached hereto ("**Premises**");

D. The Premises is identified in the Master Plan and the Airport Layout Plan as a Non-Aeronautical Development Parcel; and

E. Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE.

Lessor hereby leases the Premises to Lessee, subject to all easements, deed restrictions and other similar matters of record in the Official Records of Maricopa County, Arizona, that encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions expressly set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specially acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect

to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense, subject to Lessor's duty to cooperate with Lessee (at no or nominal cost to Lessor) in connection with such activities and undertakings.

1.2 Intentionally Omitted.

1.3 Access. Lessee is granted the right of access to and from the Premises via such portions of the Airport as are or may be reasonably necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport, provided that Lessor reserves the right to limit access to the Premises in emergencies and in connection with Lessor's construction activities on the Airport, so long as Lessor provides Lessee with reasonable advance written notice of any limitations on Lessee's access to the Premises due to Lessor's construction activities, and Lessor and Lessee coordinate such construction activities and cooperate one with the other to minimize any interference with, or disruption of, Lessee's business activities. Lessor reserves the right to designate the location of such alternative access due to emergencies and Lessor's construction activities, and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for commercial zoning (light industrial) applications as per current Zoning and Master Plan, retail and restaurant use, educational facilities and classrooms, general office, and other uses relating or incidental thereto and for no other use. Lessee shall not use any portion of the Premises for a Prohibited Use, which Prohibited Uses are set forth on **Exhibit E**. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use, or permit its agents, employees or contractors acting for or on behalf of Lessee in connection with their scope of employment to use, the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director or other authorized signatory of Lessor.

Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises, Lessee shall designate an on-site manager for the Term of this Lease who shall generally be available to Lessor and Lessee's customers, if any, during Lessee's normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable. Lessee may change Lessee's on-site manager from time to time.

1.7 Lessee Acknowledgement. Lessee acknowledges that, except as otherwise provided in this Lease, its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against

Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM.

2.1 Initial Term. The term of this Lease shall be for a period of SIXTY (60) years, commencing on the Effective Date and terminating on May 31, 2083 ("**Term**").

2.2 Renewal Term(s). Provided that no Event of Default shall have occurred and is continuing, Lessee shall have the right and option ("**Renewal Option**") to extend the Term of this Lease for a period of FIFTEEN (15) years ("**Renewal Term**"). If Lessee elects to exercise Lessee's Renewal Option, Lessee shall notify Lessor in writing of such exercise at least one (1) year prior to the expiration of the initial 60-year Term. At the commencement of the Renewal Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market base rental rate as determined herein, subject to the triennial CPI Adjustments set forth in Section 4.2 below, which CPI Adjustment shall first be made on the first day of the calendar month following the THIRD (3rd) anniversary of the Renewal Term, and thereafter on each THREE (3) year anniversary thereof. Lessor shall determine the fair market base rental rate for the Premises for the commencement of the Renewal Term and shall notify Lessee of Lessor's determination no later than SIXTY (60) calendar days after Lessor's receipt of Lessee's exercise of Lessee's Renewal Option. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities in the Metropolitan Phoenix area, and also take into consideration the differences between the Airport and other regional, national and international airport facilities in the Metropolitan Phoenix area. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days after the expiration of such 15-business day period, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rental rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of a qualified appraiser. The president of the Board of Realtors shall be asked to select a qualified appraiser within FIFTEEN (15) business days who has not acted in any capacity for either Party within the prior TEN (10) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all relevant information. Within TWENTY (20) business days of the selected qualified appraiser's receipt of the Parties' respective determinations, the appraiser shall review each Parties' submittal (and such other information as the appraiser deemed necessary) and select on Parties' determination as representing the most reasonable approximation of such fair market base rental. The appraiser's fees and expenses shall be paid one half by each Party. Upon determining the Base Rent for the Premises at the commencement of the Renewal Term, Lessor and Lessee will promptly enter into an amendment to this Lease to memorialize the Renewal Terms and the Base Rent. All other terms of this Lease apply during the Renewal Term.

3. NONEXCLUSIVE RIGHTS.

Lessee shall have the exclusive right to lease, use, occupy and develop the Premises in compliance with the terms and conditions of this Lease during the Term. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport (other than on the Premises) that Lessor deems appropriate, provided that such activities do not limit, prevent, materially interfere with, or prevent or disrupt the use and development of the Premises by Lessee.

4. RENT.

4.1 Base Rent. Lessee agrees to pay Lessor annual rental ("**Base Rent**") for the use of the Premises as follows:

4.1.1 Subject to Section 4.4 below, commencing on the Effective Date through the end of the SECOND (2nd) Lease Year, Base Rent shall be $0.00 per square foot of the Premises per year.

4.1.2 Commencing on June 1, 2025 through March 31, 2048, Base Rent shall be $0.10 per square foot of the Premises per year, subject to the triennial CPI Adjustment set forth in Section 4.2 below.

4.1.3 Commencing on April 1, 2048 through the end of the Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market value as determined in accordance with Section 4.3 below, subject to the triennial CPI Adjustments set forth in Section 4.2 below.

4.2 Base Rent Adjustments. Commencing on the SIXTH (6th) anniversary of the Effective Date and continuing thereafter on every THREE (3) year anniversary of the Effective Date of this Lease, the annual Base Rent paid by Lessee shall be adjusted (whether increased or decreased) by a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) changed during the immediately preceding THIRTY-SIX (36) month period ending NINETY (90) days prior to the end of the adjustment period during the Term hereof ("**CPI Adjustment**"). For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI. Lessor agrees to promptly notify Lessee of any CPI Adjustment (and in any event at least THIRTY (30) days prior to any adjustment in Base Rent payments as a result of any CPI Adjustment), and to provide Lessee with a reasonably-detailed description of Lessor's calculations of any CPI Adjustment and any adjustment in Base Rent payments.

4.3 Market Adjustments to Base Rent.

4.3.1 Notwithstanding the Base Rent increases referenced in Section 4.2, on: (a) April 1, 2048 and (b) each subsequent TEN (10) year anniversary of April 1, 2048, the annual Base Rent shall be adjusted (each, a "**Market Adjustment Date**") as hereinafter set forth in this Section. On each such Market Adjustment Date, the Base Rent shall be adjusted to the fair market base rental rate of the Premises, in relation to comparable (in quality, size, and value) airport-related facilities.

4.3.2 Lessor's determination of such fair market base rental rate for the Premises shall be delivered to Lessee no later than ONE HUNDRED TWENTY (120) calendar days prior to the Market Adjustment Date. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the

location of the Premises relative to other regional, national and international airport facilities. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days thereafter, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of an appraiser. The president of the Board of Realtors shall, within FIFTEEN (15) business days, select an appraiser with the above qualifications who has not acted in any capacity for either Party within the prior FIVE (5) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all substantiated information. Within TWENTY (20) business days thereafter, the appraiser shall review each Party's submittal (and such other information as the appraiser deems necessary) and shall select one Party's submittal as representing the most reasonable approximation of such fair market base rental rate, and the appraiser's fees and expenses shall be paid one-half each by each Party.

4.4 Vacancy Relief Periods. Provided no Event of Default shall have occurred and is continuing, Lessee shall have the continuing option to exercise up to TWO (2) Vacancy Relief Periods of up to TWELVE (12) months for each Vacancy Relief Period during any period of time that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. Lessee may initiate a Vacancy Relief Period by giving written notice ("**Vacancy Relief Notice**") to Lessor of its desire to do so. Lessee's use and occupancy of the Premises shall not be taken into consideration in determining whether the Improvements are vacant, unless Lessee is actively conducting Lessee's business activities for a Permitted Use within such Improvements. An office maintained by Lessee in the Premises for the purpose of marketing and subleasing the Premises shall not be considered as Lessee actively conducting Lessee's business activities. The Vacancy Relief Notice shall identify the starting date and ending date for the Vacancy Relief Period (not to exceed TWELVE (12) months), and Lessee shall provide, simultaneously with each Vacancy Relief Notice, evidence reasonably satisfactory to Lessor that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. During a Vacancy Relief Period, Lessee shall be entitled to pay a reduced Base Rent equal to FIFTY PERCENT (50%) of the Base Rent that would otherwise be applicable during such time. A Vacancy Relief Period shall terminate on the earlier of (a) the expiration of the TWELVE (12)-month period identified in the Vacancy Relief Notice, or (b) the date on which FIFTY-ONE PERCENT (51%) of the occupiable Improvements on the Premises are occupied, evidenced by executed subleases. Upon expiration of the Vacancy Relief Period, Lessee shall resume paying full Base Rent.

4.5 Construction Rent Period. A modified base rent for a construction period during the first TWO (2) Lease years ("**Construction Base Rent Period**") has been granted to Lessee as additional consideration for entering into this Lease and agreeing to pay the Base Rent and all other charges hereunder, and to perform the terms and provisions otherwise required under this Lease. If an Event of Default by Lessee occurs, which is not cured within the applicable cure period, in addition to all other rights and remedies of Lessor provided by law, equity, statute or otherwise provided in this Lease, at Lessor's option in its sole and absolute discretion, (i) if the Event of Default occurs within the Construction Base Rent Period, Lessee shall commence paying the full Base Rent at the rate of $0.10 per square foot per year for the balance of the Construction Base Rent Period, and (ii) if an Event of Default by Lessee occurs during the initial Term, which is not cured within the applicable cure period, Lessee shall immediately pay to Lessor an amount equal to the unamortized portion of Base Rent at the rate of $0.10 per square foot per year during the Construction Base Rent Period, which Lessor shall amortize over the initial Term on a straight-line basis.

4.6 Payment.

4.6.1 Base Rent shall be payable in equal monthly installments, in advance, without any prior

demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer. Base Rent and any other charges due for any period during the Term less than ONE (1) calendar month shall be prorated on a daily basis based on a THREE HUNDRED SIXTY-FIVE (365) day year.

4.6.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.6.3 All payments (and reports, if any) required by this Section 4.6 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in advance in writing by Lessor to Lessee.

4.7 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.8 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any Base Rent payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes.

4.9 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

4.10 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* is included as **Exhibit B** and is subject to change upon prior notice to Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* at any time at Lessor's sole discretion, and that no fee shall apply to the use or occupancy of the Premises or access to and from the Premises.

5. PERFORMANCE GUARANTEE; CONSTRUCTION ESCROW.

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equal to TWO (2) months' worth of Base Rent payments as of the Effective Date of this Lease, THREE THOUSAND ONE

HUNDRED-THREE and 84/100 DOLLARS ($3,103.84) as a security deposit ("**Security Deposit**") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, upon the occurrence of an Event of Default, at the election of Lessor, may be applied to any actual loss and/or actual damage sustained by Lessor by reason of the occurrence of such Event of Default by Lessee under this Lease without the waiver of any other right or remedy available to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination or expiration, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Improvement Construction Guarantee.

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with the construction, by providing, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. S 33-1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the State of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. S 33-1003, and a copy of the bond provided to the Lessor; or

(b) Letter of Credit. Such instrument ("**Letter of Credit**") shall be irrevocable, in the amount equal to the total amount of the construction contract(s) for the construction of the improvements (described in Section 7 herein) plus TEN PERCENT (10%) of such amount ("**Improvement Costs**") and should be issued to Lessee by a financial institution ("**Bank**") reasonably acceptable to the Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date with is TWENTY-FOUR (24) months thereafter, after which the date it shall be renewed on a year-to-year basis until construction of such improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include reasonably-detailed description of the Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy

payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to the Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 **Performance Guarantee.** In addition to the Security Deposit, Lessee's obligation to timely complete the improvements described in Section 7 herein shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) **Performance Bond.** Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to the Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) **Completion Bond.** Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7.1 of this Lease if an Event of Default occurs and is continuing under Section 7.2.2 of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRCRAFT OPERATIONS GUIDELINES.

If and to the extent that Lessee operates aircraft at or on the Airport, Lessee shall be subject to the provisions of **Exhibit C**. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises for or on behalf of Lessee and acting within the scope of their employment operates aircraft at the Airport, all shall be subject to the provisions of **Exhibit C**, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS.

7.1 Construction by Lessee. Lessee shall, at its sole cost and expense, construct improvements on the Premises that are generally described as two approximately 16,800 square foot buildings (for a total of approximately 33,600 square feet of building space) and associated parking and site improvements within the eighteen (18) month construction time frame and generally shall consist an approximate budget of $6,800,000 for the Work ("**Improvements**") in accordance with a site plan prepared by Lessee and approved by Lessor or by Lessor's Design Review Committee, if any, such approval not to be unreasonably withheld, conditioned, or delayed, and in compliance with all applicable governmental regulations, restrictions, building codes and any declaration of covenants, conditions, restrictions and easements of record affecting the Premises and any design guidelines promulgated pursuant thereto that are applicable to the Premises. Lessor and Lessee agree that Lessee shall be solely responsible for: (i) any connection(s) between the Premises and the terminating point of the

existing vehicular access way to the Premises that is required by applicable or utility provider or is requested by Lessee; (ii) constructing all improvements necessary to bring all utilities to the Improvements; (iii) installing all utility meters and water and sewer lines to service all Improvements constructed on the Premises; and (iv) if applicable, constructing all Improvements necessary to connect the Premises to existing taxiways or taxilanes in accordance with and if allowable under all Airport and FAA rules, regulations and other requirements.

7.2 Construction Milestones; Termination. Lessee shall construct its Improvements pursuant to the following schedule (each of which events are herein called a "**Construction Milestone**"):

7.2.1 Lessee shall submit its Improvement design plans to Lessor for review and approval no later than TWO (2) months from the Effective Date.

7.2.2 Lessee shall complete construction of all Improvements to be constructed by the Lessee at and on the Premises and shall have obtained a CofO (or its equivalent) from the City of Mesa therefor, no later than EIGHTEEN (18) months from the Effective Date.

7.2.3 If Lessee fails to commence construction within NINETY (90) calendar days after the issuance of all necessary construction permits and receipt of all approvals required for such, including any approvals required from the FAA, but subject to any applicable notice and cure periods provided for in Section 11, Lessor shall have the right to terminate this Lease by written notice to Lessee delivered at any time prior to commencement of construction. For purposes of this section "commencement of construction" shall be the date on which Lessee has obtained it permits, has executed a contract for construction of the Improvements and engaged in material work, such as grading or pouring of footings and slabs.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld, conditioned, or delayed including, if and to the extent applicable, the approval by Lessor's Design Review Committee. The process of approving any material improvements or alterations by Lessor and Lessor's Design Review Committee shall occur within the same period of time (without duplication) given to Lessor for approval of the same. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of material improvements or alterations to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of material improvements or alterations, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED IMPROVEMENTS AND ALTERATIONS BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed improvements and alterations shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised description of the improvements or alterations for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's written request therefor, a quitclaim deed quitclaiming such Improvements and alterations to Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are applicable. All structural, electrical, plumbing or mechanical construction or reconstruction of the Improvements shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use, as required by applicable laws. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and a copy of the final stamped approval and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises. In the event that all or any portion Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources. Notwithstanding the foregoing, if any damage or destruction occurs to the Premises during the last 5 years of the Initial Term or any Extension Term and the cost to repair the damage exceeds 65% of the total replacement cost, Lessee may terminate this Lease upon giving Lessor thirty (30) days' written notice, whereupon Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE.

8.1 Lessee Responsibilities. Lessee shall, at its sole cost and expense, keep the Premises in a clean condition and in good order, condition and repair throughout the Term, reasonable wear and tear excepted. Lessee's maintenance of the Premises shall consist of, as reasonably necessary, the inspection, servicing and repair of all improvements, including pest control, landscaping and grounds maintenance.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee (or its agents, contractors, employees, managers and representatives) as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the reasonable satisfaction of Lessor; provided however, that Lessor acknowledges and agrees that Lessor's real property will be permanently altered, changed and modified as a result of the development and use of the Premises, and Lessor hereby consents thereto, and agrees that such development and use of the Premises as permitted in accordance with this Lease shall not constitute waste, damage or destruction to Lessor's real property. Lessor also approves of Lessee demolishing any and all improvements located on or under the Premises.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a clean, safe, sanitary and orderly condition and shall keep such area reasonably free of all trash and debris, and in any event in compliance with all applicable laws and ordinances. Lessee shall be responsible for all trash removal from the Premises and Lessee shall deposit all trash and debris only at collection stations located on or in proximity to the Premises, in accordance with City code.

8.4 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS.

9.1 Assignment.

9.1.1 Consent Required. Subject to Lessee's rights under Section 24, Liens and Mortgages, Lessee may not transfer or assign ("**Transfer**") its interest in this Lease or any right or interest hereunder without the prior consent of Lessor, which consent may not be unreasonably withheld, delayed or conditioned. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed Transfer shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Notwithstanding the foregoing, however, Lessee may assign or encumber its leasehold interest, including any title to any improvements, as security in conjunction with or as part of one or more leasehold mortgages or deeds of trust, including assignments by means of a foreclosures or trustee's sales thereunder without Lessor's consent. In the case of an assignment (other than an assignment or encumbrance as security), the assignee must expressly assume in writing all of Lessee's obligations under this Lease from and after the date of such assignment.

9.1.2 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) the transfer of any ownership interest in Lessee resulting in a change in the present control of Lessee by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; and (ii) the sale of greater than FORTY-NINE PERCENT (49%) or more in value of the assets of Lessee, whether in a single transaction or a series of transactions.

9.2 Subletting.

9.2.1 Lessee may sublease all or portions of the Premises if the following conditions are met:

(a) The sublease and any amendments or modifications thereto are approved in advance and in writing by Lessor (which approval shall not be unreasonably withheld, delayed or conditioned), or is/are in a form which shall have been previously approved in writing (except for changes that do not materially impact Lessor's rights and interests) by Lessor. If a pre-approved form is used, Lessor's advance approval of the actual sublease and any amendments or modifications thereto is not required. Lessor will have FORTY-FIVE (45) days with respect to a new sublease, or FIFTEEN (15) days with respect to amendments or modifications to a sublease, following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day or FIFTEEN (15)-day period, as the case may be, Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed sublease, amendment or modification, as the case may be, shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth

the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same.

(b) Rent for subleased premises shall not be less than fair market value unless otherwise approved in writing by Lessor.

(c) The sublease(s) and sublessee(s) shall at all times be subject to the terms and conditions of this Lease.

(d) The permitted uses of the Premises under any sublease shall be the same as that permitted under this Lease. Sublessees shall agree in the sublease not to engage in any Prohibited Use.

(e) The term of any sublease shall not extend beyond the stated expiration of this Lease.

(f) Except for the payment of a security deposit, the sublessee under such sublease shall not pay rent more than SIX (6) months in advance of its due date under the sublease unless otherwise approved in writing by Lessor.

9.2.2 Upon request from Lessee and/or any sublessee, Lessor shall enter into a Non-Disturbance and Attornment Agreement (in form and substance reasonably acceptable to Lessor, Lessee, sublessee and any applicable Mortgagee of Lessee or sublessee) so long as (i) the conditions of Section 9.2.1 have been met; (ii) the sublessee is not then in default beyond an applicable notice and cure period under the sublease and there is no existing Event of Default under this Lease; and (iii) the sublessee does not have a history of five (5) or more documented events of noncompliance with the *Airport Rules and Regulations* or *Airport Minimum Standards*. All reasonable legal fees incurred by Lessor in connection with any reasonably necessary third-party legal counsel review and approval of a Non-Disturbance and Attornment Agreement shall be paid by Lessee or sublessee.

9.2.3 Lessee shall not permit any sublessee unescorted access to the secured areas of the Airport unless and until the sublessee has obtained its own valid Airport security clearance and access credentials from Lessor. Lessee acknowledges that it may take THIRTY (30) calendar days or more to process sublessee for security clearance and access credentials.

9.2.4 Lessee shall submit a copy of each fully executed sublease to Lessor as soon as possible, but no later than FIVE (5) business days after Lessee receives the fully executed sublease.

9.3 Non-Disturbance. Lessor agrees, for the benefit of all subtenants of all or any part of the Premises, that if this Lease or Lessee's right to possession of the Premises is terminated for default or otherwise, all subleases of all or any part of the Premises, except any sublease to an Affiliate of Lessee, shall continue in full force and effect, notwithstanding the termination, as direct leases between Lessor and the subtenants and all such subtenants shall, upon request, attorn in writing to Lessor.

10. SIGNS.

Lessee may install on the Premises, including the Improvements, one or more signs, including signs identifying its business and, if Lessee so desires, a monument sign on the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessee's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation, which approval may not be unreasonably withheld, conditioned or delayed, and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR.

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease or failure to perform any of its obligations as a "Lessee" under the Declaration (as defined in Section 44 below), as such obligations relate to the Premises, provided that Lessee does not cure such failure within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien or any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee in violation of Section 9, provided that Lessee does not cancel or otherwise negate such Transfer or attempted transfer within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default.

11.1.5 Failure to pay its Proportionate Share of any Common Area Assessment in accordance with the Declaration as provided in Section 44 below, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor to Lessee of a written notice of such failure.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

Lessor agrees that Lessor's right to re-enter the Premises under Arizona Revised Statutes Section 33-361 and other similar rights shall arise after, and only after, the applicable notice and cure or grace periods under this Lease have been given and expired without such default or failure having been cured by Lessee.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Except for Lessor's

negligence or willful misconduct, Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and Lessee shall reimburse Lessor for all reasonable costs incurred by Lessor occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all actual damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the present value of Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect. In no event shall Lessee be liable for punitive, consequential or speculative damages under this Lease. Lessor agrees to satisfy its obligations to mitigate its damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus (b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other actual damages incurred by Lessor as a result of such Event of Default.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it reasonably describes the nature of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. [RESERVED].

13. INDEMNIFICATION.

13.1 Lessee's Indemnity. Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13.1 for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any accident, injury or actual damages occurring within the Premises during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Property or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

13.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 13.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 13.2) on the Property or the Airport, and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessee, or (ii) the failure of Lessor to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

13.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any Improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors, and Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

14. ENVIRONMENTAL PROTECTION.

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws*. The term "**Environmental Laws**" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and*

Liability Act, 42 USC Section 9601 et seq.; the *Resource Conservation and Recovery Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; the *Arizona Hazardous Waste Management Act*, A.R.S. Section 49-921 et seq. the *Arizona Environmental Quality Act*, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material*. The term "**Hazardous Material**" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and used oils).

14.2 [Intentionally Omitted].

14.3 Environmental Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Law.

14.3.3 If Lessee desires and receives written authorization from Lessor to install any underground storage tanks ("**USTs**") on the Premises or elsewhere on the Airport, Lessee shall submit the plans for such USTs to Lessor for prior written approval and shall comply with all applicable Environmental Laws related thereto, including Title 40, Code of Federal Regulations, Part 280, as adopted by the State of Arizona ("**Part 280**"), and Lessee shall be the owner of such USTs for statutory purposes. Installation of USTs shall comply with the "code of practice" set forth in Part 280. Lessee is solely responsible for the design, construction, installation, operation, monitoring, inspection, repair and maintenance of any and all USTs, including any connected piping and/or dispensing apparatus. Lessee shall provide to Lessor a copy of the Arizona Department of Environmental Quality *Notification of Underground Storage Tank Registration* that Lessee submits to the state. All USTs shall meet or exceed the tank performance standard for USTs installed after December 22, 1998, including corrosion protection, leak detection and spill/overflow protection. Any UST that stores flammable and combustible liquids shall meet the provisions of NFPA 30, *Flammable and Combustible*

Liquids Code. Records demonstrating compliance with release detection requirements, including product inventories, calibration and maintenance, sampling, tightness testing and any other records, fees and taxes required by the state or federal governments shall be the responsibility of Lessee. Upon the expiration of this Lease, Lessee shall remove all USTs in compliance with all UST closure requirements under all applicable Environmental Laws in effect at that time unless otherwise allowed by Lessor.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "**Release**" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing.

14.7.1 Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than ONE HUNDRED EIGHTY (180) calendar days to resolve.

14.7.2 Lessee shall install on any UST that it is permitted to install pursuant to Section 14.3.3, a method or a combination of methods for Release detection that can detect a Release from any portion of the UST and any connected underground piping. Lessee shall immediately notify Lessor's Operations and Maintenance Department upon discovering a Release or Suspected Release of any amount of material that is stored inside a UST. For purposes of this Section, a "Suspected Release" is any discovery of released Hazardous Material at the UST site or surrounding area, erratic behavior of Hazardous Material dispensing equipment, the sudden loss of a Hazardous Material, an unexplained presence of water in the UST, or when monitoring indicates that a Release has occurred. In the case of inventory control, Lessee shall notify the Lessor's Operations and Maintenance Department when the second consecutive month of inventory reconciliation data indicates that there is a discrepancy in the figures recorded.

14.8 Sublease. Lessee shall insert provisions substantially identical to the provisions of this Section 13.1 in any sublease agreement or contract by which it grants a right or privilege to any person, firm, corporation or other entity under this Lease.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 13.1 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Environmental Assessments.

14.11.1If, during the Term of this Lease, any of Lessee's USTs are suspected of or known to be leaking, Lessee shall perform, or cause to be performed, a site characterization of the Premises and/or UST site using all appropriate sections of the LUST Site Characterization Manual dated January 15, 1999, or the most current edition, including tables 1 through 6, as applicable ("**Site Characterization**").

14.11.2Within THIRTY (30) calendar days immediately preceding the expiration of this Lease or within THIRTY (30) calendar days of any earlier termination of the Lease, Lessee shall:

(a) Deliver to Lessor: (i) a Phase I environmental site assessment that conforms to the standards set forth in 42 USC § 9601(35)(B), as amended by Pub. L. 107-118 (Jan. 11, 2002), section 223(2), and as may be further amended, and any regulations thereunder; and (ii) an environmental compliance audit assessing the status of regulatory compliance of the Premises and all operations and activities thereon; both prepared by a qualified engineer licensed by the State of Arizona; and

(b) In the event Lessee installs any USTs upon the Premises or elsewhere on the Airport, perform or cause to be performed a Site Characterization of the Premises in the event there is evidence that there has been or may be a leak or Release of the UST contents; and

(c) If either the assessment described in Section 14.11.2(a)(i) above or the Site Characterization described in Section 14.11.2(a)(ii) above identifies any "recognized environmental condition," or any other condition indicating a known or potential liability, including, but not limited to, a known or potential violation of any Environmental Law or a past, present, or material threat of a future release of a hazardous substance or a petroleum product into the environment, Lessor reserves the right, at Lessor's sole discretion, to require Lessee to conduct, at Lessee's sole expense and with a scope of work subject to Lessor's approval, further reasonable investigations and reasonable remediation.

14.12 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.13 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.14 U.S. Air Force Use and Remedial Action.

14.14.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation

under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "**Occupation**" or "**Use**" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.14.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.15 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.16 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Archeological Coordinator prior to the date that Lessee commences any manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting fire-fighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.17 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor, except to the extent that the installation of a monitoring well is required by Governmental Authorities.

14.18 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses

without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.19 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "**Later-Discovered, Pre- Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within SEVEN (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS.

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises. Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the permitting authority and obtain a permit or waivers under Section 404 of the Clean Water Act. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS.

16.1 Lessee shall comply with all applicable Federal, State, and local occupational safety and health regulations.

16.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

17. INSURANCE.

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Builders Risk* insurance covering the insured's premises and all replacements and/or additions thereto for their full insurable value plus ten percent (Cost + 10%) on a "replacement cost" basis with an ISO Special Causes of Loss form or equivalent required until completion of construction of the improvements upon the Premises. Builder's Risk Insurance shall be in place during active construction of the Improvements. Lessor agrees that Builder's Risk Insurance shall be, upon acceptance of the Improvements by the City of Mesa and/or occupancy of the Improvements for the intended use, no longer required in the form of Builder's Risk Insurance and shall be replaced by Lessor's General Liability and Property coverage as placed upon completion of the construction of the Improvements. Lessor agrees to perform this transition without any lapse or gap in coverage.

17.1.2 *Comprehensive General Liability* $5,000,000 per occurrence covering third party bodily injury and property damage on an occurrence basis in an amount not less than, including coverage for "premises/operations", "products and completed operations", "professional", "host liquor" and "blanket

contractual liabilities".

17.1.3 *Commercial Auto Liability* - $1,000,000 per occurrence covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of commercial activities. If any hazardous materials are transported with Airport boundaries in conjunction with the operator's business activities, and MSC-90 Endorsement is required.

17.1.4 *Environmental Coverage* $2,000,000 per occurrence. – covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, pining, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained at the Airport, and including expenses for defense, release mitigation and off-and on-site remediation.

17.1.5 *Personal Property Coverage* – covers all essential personal property (property essential to continued business operations) and all operator improvements made to buildings or facilities on the Airport, including all replacements and./or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires and ISO Special Cause of Loss form. Coverage shall be for risks of direct physical loss or damage, including the perils of Equipment Breakdown/Boiler & Machinery, Flood and Earth Movement. The limit shall be equivalent to at least full replacement cost value of personal property & improvements. Coverage shall be on a replacement cost basis. If there is a coinsurance provision, it shall be waived by an Agreed Amount endorsement. Lessee's policy shall name Lessor as Loss Payee as their interest may appear.

17.1.6 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation and Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver to Lessor a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the Term of this Lease.

17.4 Additional Insurance. At any time during the Term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear, casualty (subject to Lessee's obligation under Section 7.7) and condemnation. Lessee shall not be responsible for the removal or remediation of any Hazardous Material that was present on, under or near the Premises prior to occupancy, regardless of the date of discovery of such Hazardous Material, and shall not be responsible for returning the Premises in a better condition than existed on the Effective Date, except as expressly provided hereunder. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required in a written notice to Lessee from Lessor at the time of Lessor's approval of the same, be removed from the Premises by Lessee, at Lessee's expense, within FIFTEEN (15) business days after Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee solely as a result of Lessee's holding over.

19. INSPECTION BY LESSOR.

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

20. NOTICES.

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

2555 E. Camelback Road, Suite 800
Phoenix, AZ 85016-9256

20.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY.

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

22. SALES AND PROPERTY TAXES.

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor as a result thereof. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

23. APPROVALS, CONSENTS AND NOTICES.

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

24. LIENS AND MORTGAGES.

24.1 General Provisions.

24.1.1 Except as provided in this Section 24, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in

the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

24.1.2 Notwithstanding anything to the contrary in this Lease to the contrary, Lessee shall, during the Term, be permitted to pledge Lessee's ownership interests and/or mortgage, collaterally assign, or otherwise encumber its leasehold interest (including any interest in the improvements) under this Lease pursuant to one or more Mortgages, as defined below, to secure indebtedness, including, without limitation, one or more loans to finance construction of improvements and other development on the Premises, and including refinancings thereof, subject to the restrictions of Section 24.1.4.

24.1.3 Any such encumbrance, including leasehold deed of trust, is referred to as a "**Mortgage**" and the holder thereof a "**Mortgagee**." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. In no event shall any Mortgagee be responsible or liable for any claims against Lessee or any of Lessee's agents, employees, invitees, contractors or representatives for any death, injury, illness, damage to or loss of property (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease), or tort related claims. In no event shall any Mortgagee be liable for the actions or omissions of Lessee or Lessee's agents, representatives, employees, contractors, or invitees (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease). The Mortgagee shall not be responsible or liable for any default by Lessee under this Lease, except, and only, to the extent that such default continues for a period of THIRTY (30) days (or such additional time as is reasonably necessary for Mortgagee to cure such default, so long as Mortgagee is diligently pursuing action to cure the default) after (i) Mortgagee shall have obtained possession through a court-appointed receiver or ownership of the Premises, (ii) the Mortgagee shall have received written notice of such default at the same time that Lessor notifies Lessee of such default, (iii) any notice or cure period related to such default as provided in this Lease and in Section 24.2 and Section 24.3 below shall have elapsed without such default having been cured, and (iv) such default is reasonably capable of being cured by the Mortgagee. No Mortgage shall encumber Lessor's interest in the Premises or Lessor's interest in the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

24.1.4 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary fee interest or the estate of Lessor in the Premises. No Mortgage or deed of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or deed of trust is authorized in accordance with provisions of this Section 24.

24.1.5 Notwithstanding anything to the contrary in this Section 24, Lessor shall have all rights and remedies under Section 11 with respect to any Event of Default that continues after expiration of all applicable notice and cure periods set forth in Section 11.1 and this Section 24.

24.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

24.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "**Notices**") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given seventy-two (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be

given to the Mortgagee pursuant to this Section 24.2.1.

24.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

24.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 24.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

24.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession. If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 24, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

24.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

24.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee under this Lease to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, plus such additional time that is reasonably needed for Mortgagee to exercise Lessee's rights to cure any defaults subject to the following: (a) if the default cannot be cured by Mortgage, no additional time shall be allowed; (b) if the default can be cured by Mortgagee, such additional period of time shall not exceed SIX (6) months after Mortgagee's receipt of such Notice, unless a longer period of time is otherwise approved by Lessor in writing; (c) if curing the default requires that Mortgagee has possession through a court-appointed receiver or ownership of the Premises, Mortgagee shall be diligently pursuing action to take possession through a court-appointed receiver or ownership of the Premises; and (d) Mortgagee shall not be entitled to more than TEN (10) days of additional time to cure any defaults in the payment of Base Rent. Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 24.2, or (ii) the date that Lessee's cure period expires under this Lease. During such Mortgagee cure period, Lessor will not terminate this Lease or disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the Premises or improvements for any reason, subject to the terms of this Lease, until such Mortgagee cure period has expired. The Mortgagees and their respective designees shall have the right to enter upon the Premises to give such performance.

24.3.2 In case of an Event of Default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such Event of Default cannot practicably be cured by the Mortgagee without taking possession or ownership of the Premises, in such Mortgagee's reasonable opinion, or if such Event of Default is not susceptible of being cured by the Mortgagee, then:

(a) The Mortgagee shall proceed diligently to obtain possession through a court-appointed receiver or ownership of the Premises, and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

(b) The Mortgagee shall institute foreclosure proceedings and diligently prosecute

the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

(c) The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 24.3.2(a), or to continue to prosecute foreclosure proceedings pursuant to Section 24.3.2(b), if and when such Event of Default shall be cured.

(d) If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

24.4 New Lease

24.4.1 Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of the original Term of this Lease (plus any applicable Renewal Term if exercised), at the rent and upon the terms, covenants and conditions herein contained, provided that:

(a) Such Mortgagee shall make written request upon Lessor for the new lease within SIXTY (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

(b) Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all Base Rent payments, finance charges and late fees which would, at that time, be due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of the preparation of such new lease;

(c) Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by the lessee under such new lease from and after full execution and delivery of such new lease, and shall within a reasonable period of time (not to exceed the time frames set forth in Section 24.3.1 above) after full execution and delivery of such new lease remedy any other conditions which Lessee under the terminated Lease was obligated to perform under its terms and did not perform, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

(d) The lessee under the new lease shall have the same rights, including the right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 24 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

24.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease

pursuant to this Section 24.4, or to cure any default of Lessee referred to above.

24.4.3 If any Mortgagee shall request a new lease as provided in this Section 24.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

24.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

24.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, shall require the consent of Lessor or constitute a default or Event of Default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease from and after the date of such assumption.

25. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

26. RULES AND REGULATIONS.

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **Exhibit D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's commercially reasonable discretion. Lessee shall, within a reasonable period of time, reasonably display to Lessor any permits or licenses required by law or other evidence of compliance with laws upon written request.

Lessor shall use commercially reasonable efforts to timely notify Lessee of any updates in the *Airport Rules and Regulations*, the *Airport Minimum Standards*, the *Aviation Fuel Storage, Dispensing and Handling Guidelines*, and the Airport *Fly Friendly Procedures*.

27. CORPORATE AUTHORIZATION.

In executing this Agreement, each of Lessor and Lessee represents and warrants to the other that if such Party is a corporation, or other legal entity, each Party has obtained and been granted the full right, power and authority to enter into this Lease.

28. UTILITY LINES AND SERVICE CHARGES.

28.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested to do so by Lessee from time to time during the Term, Lessor will grant reasonable easements and rights-of-way on or across the Airport for the development and use of the Premises (in accordance with this Lease), including, without limitation, to suppliers of public or private utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to reasonably designate the lands along which such easements and rights-of-way shall be granted so as to minimize the disruption of the operation of the Airport and other Airport tenants.

28.2 Lessee shall pay for all utilities, including trash collection, used in its operations at the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

28.3 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises (so long as Lessor's use does not interfere with or disrupt Lessee's use, occupancy, development and subleasing activities), and the right to repair the same when necessary in Lessor's reasonable discretion, including but not limited to, any utility easements on the Premises. Lessor agrees to coordinate any entries onto the Premises with Lessee. Lessor shall conduct such use and repairs in such a manner and at such times as to not interfere with Lessee's activities thereon.

29. RESERVATIONS TO LESSOR.

Subject to Lessor's representations, warranties and obligations, the Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. In advance consultation with Lessee, Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises, that all work shall be in compliance with all applicable laws, including Environmental Law, and that the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Law of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to at a minimum the same conditions applicable to Lessor under this Section 29, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

30. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS.

30.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

30.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

30.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

30.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

30.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

30.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport. Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

30.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

30.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

30.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

30.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

30.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an

exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

30.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

30.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

30.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

31. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964.

31.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated or identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

31.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

31.2.1 Compliance with Regulations: Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

31.2.2 Non-discrimination: Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

31.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

31.2.4 Information and Reports: Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Lessor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to Lessor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

31.2.5 Sanctions for Noncompliance: In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or

(b) cancelling, terminating, or suspending the Lease, in whole or in part.

31.2.6 Incorporation of Provisions: Lessee will include the provisions subsections 31.2.1 through 31.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

31.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

31.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended

(prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq), (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 (2005));

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

31.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

32. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

33. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

34. INCORPORATION OF QUITCLAIM DEED.

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

34.1 That this Lease is subject to all terms and conditions of the Deed; and

34.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

35. REQUIRED PROVISIONS OF QUITCLAIM DEED.

35.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

35.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

35.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

35.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

35.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

36. AIRPORT SECURITY.

36.1 Airport Security Plan.

36.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

36.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

36.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

36.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

36.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

36.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

36.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

36.2 Airport Security Badge.

36.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

36.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the Lessor's Operations Department.

36.2.3 Lessee will promptly return badges to the Lessor's badging office when badge holders employment is terminated, the badge is no longer needed or the employee/contractor is on extended leave.

36.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining, suspension or revocation of one or all misused badges.

37. DEFAULT BY LESSOR.

In the event of any alleged breach by Lessor of its covenants or duties contained in this Lease, Lessee shall have available all rights and remedies provided in contract, at law and/or in equity, provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to pursue a cure of such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder except as expressly permitted in this Lease.

38. BROKERS.

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

39. SALE BY LESSOR.

Lessee agrees to look solely to Lessor's interest in the Airport, including rents, issues, profits, proceeds, and awards for the recovery of any judgment against Lessor, it being agreed that the members, partners, officers, directors or shareholders of Lessor shall not be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

40. ESTOPPEL CERTIFICATE.

Each of Lessor and Lessee shall, without charge, at any time and from time to time hereafter, within TEN (10) business days after written request from the other Party to do so, certify, by written instrument duly executed and acknowledged by such Party and certified to the other Party and to any prospective lender or purchaser/assignee: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of such Party's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (iv) as to whether this Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters relating to this Lease and the Premises as may be reasonably requested. The requesting Party and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

41. UNAVOIDABLE DELAY.

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For

purposes of this Lease, "Unavoidable Delay" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) a delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under Article 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

42. MISCELLANEOUS.

42.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

42.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

42.3 Non-Waiver of Rights. No waiver or default by Lessor or Lessee of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by the other shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by such other Party, and neither Party shall be restricted from later enforcing any of the terms and conditions of this Lease.

42.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

42.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

42.6 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

42.7 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

42.8 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations,

understandings and agreements between the Parties concerning such matters.

42.9 Right of First Offer. Provided there is no existing Event of Default, Lessee shall have a right of first offer to lease the Premises and all Improvements thereon following the expiration of the Term (or Renewal Term, as applicable) in accordance with this Section. If Lessee is interested in leasing the Premises and all Vertical Improvements thereon at fair market rental rate following expiration of the Term (or Renewal Term, as applicable), Lessee shall provide written notice ("**Notice of Interest**") to Lessor of its interest not less than ONE (1) year prior the expiration of the Term (or Renewal Term, as applicable). Lessor shall advise Lessee within THIRTY (30) days after Lessor's receipt of the Notice of Interest if Lessor does not intend to lease (or market for lease) the Premises following expiration of the Term (or Renewal Term, as applicable). If Lessor intends to lease (or market for lease) the Premises, the Parties shall negotiate in good faith to agree on lease terms and conditions, including the fair market rental rate of the Premises and all Improvements thereon. If the Parties have not reached an agreement on the material terms of a lease (other than the fair market rental rate) within NINETY (90) days after Lessor's receipt of the Notice of Interest, neither party shall have any further right or obligation under this Section 42.9. If the Parties have reached an agreement on all material terms of a lease other than the fair market base rental rate within NINETY (90) days of Lessor's receipt of the Notice of Interest, then the Parties shall, within TEN (10) calendar days after the expiration of such NINETY (90)-day period, proceed to determine the fair market base rental rate with the appraisal process as set forth in Section 4.3.2. Upon determining the fair market base rental rate for the Premises, Lessor and Lessee shall promptly enter into a lease.

42.10 Memorandum of Lease. As of the Effective Date, or thereafter upon request from Lessee to Lessor, Lessor and Lessee agree to execute, acknowledge and deliver to one another a short form memorandum of lease for recording purposes in form and substance attached hereto as **Exhibit F**. In the event that such a memorandum of lease has been recorded, upon termination or expiration of this Lease, Lessee shall promptly execute such documents as reasonably requested by Lessor in recordable form to confirm the termination of this Lease.

42.11 Non-Disturbance. In the event that Lessor encumbers or liens any portion of the Premises, now or in the future, Lessor agrees to promptly (and in any event prior to the Effective Date in the event the Airport is encumbered as of such date) obtain for the benefit of Lessee and its leasehold lenders a commercially reasonable non-disturbance agreement (in form reasonably acceptable to Lessor, Lessee and Lessor's lenders) (an "**NDA**") stating that, among other provisions to be included in the NDA, provided no Event of Default has occurred and is continuing under this Lease, then this Lease shall not be terminated and the right of possession of Lessee to the Premises shall not be affected or disturbed in the exercise of any of its rights or remedies under such encumbrance or lien.

43. INCORPORATION OF RECITALS.

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

44. DECLARATION.

44.1 Subordination. The Premises is subject to and subordinate to that certain Declaration of Covenants, Conditions and Restrictions for Skybridge Arizona, dated July 31, 2019, recorded in the Official Records of Maricopa County, Arizona, as Instrument No. 20190580736 ("**Declaration**"). Lessee hereby agrees to fulfill and comply with its duties and obligations as a "Lessee" as defined under the Declaration, as such duties and obligations relate to the Premises.

44.2 Assessments and other Obligations. Lessee shall pay its "Proportionate Share" of "Common

Area Assessments" in accordance with the Declaration. Such payment obligation shall constitute "additional rent" under this Lease. Lessee shall fulfill any other obligations it may have as a "Lessee" in accordance with the Declaration, as such other obligations relate to the Premises.

45. RECIPROCAL ACCESS AGREEMENT.

The Lessor anticipates the need for a declaration of reciprocal access easement over a portion of the Premises generally in form and substance attached hereto as **Exhibit G** ("**REA Form**"). Upon written request from Lessor to Lessee, the Lessor and Lessee hereby agree to: (i) update the REA Form as necessary (for example to include the Lessee's current or anticipated lender and any corrections or updates needed to the exhibits thereto as noted in the REA Form), (ii) execute, acknowledge and deliver and have the Lessee's lender (if applicable) execute, acknowledge and deliver the updated REA Form for recording purposes, and (iii) record the fully executed REA Form against the Premises and property referenced therein..

IN WITNESS WHEREOF, the Parties have executed this Lease as of the Effective Date.

EXHIBIT C

AIRCRAFT OPERATIONS GUIDELINES

C1. Use of Airport. Lessee, Lessee's assigns, sublessees, or transferees who operate aircraft at the Airport and who are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **Exhibit C.**

C2. Fees. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight ("**MGLW**"). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current Airport Rates and Charges Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside the Premises. Such fees, if any, shall be payable to Lessor no later than the TWENTIETH (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee established in the *Airport Rates and Charges Schedule* for Lessee's non-exclusive use of other space not situated on or part of the Premises.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. Books and Records. Lessee shall maintain for not less than THIRTY-SIX (36) months books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records or copies thereof shall be made available to Lessor upon Lessor's written request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. Disabled or Abandoned Aircraft. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, promptly upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the Airport caused by such aircraft or removal within TEN (10) business days of demand therefor.

C5. Aviation Fuel. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines*.

C6. Fly Friendly Procedures. Lessee acknowledges receipt of Lessor's Fly Friendly noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

MEMORANDUM OF LEASE

This MEMORANDUM OF LEASE ("Memorandum"), is made and executed as of the 1st day of June, 2023 (the "Effective Date"), by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Landlord**"), whose mailing address is Phoenix-Mesa Gateway Airport Authority, Attn: Business Development Department, 5835 South Sossaman Road, Mesa, Arizona 85212, and **SKYB LOT 116-B LLC** , an Arizona limited liability company ("**Tenant**"), whose mailing address is 2415 E. Camelback Road, Suite 700, Phoenix, AZ 85016 .

RECITALS:

A. Landlord and Tenant entered into that certain Development Lease dated June 1, 2023 (the "Lease"), covering that certain real property legally described on Exhibit A attached hereto and incorporated herein by this reference (the "Leased Premises").

B. Landlord and Tenant have agreed to enter into this Memorandum for the purposes of providing record notice of the Lease, and to protect the rights and interests of Landlord and Tenant as to third parties. All capitalized terms not specifically defined herein shall have the meaning ascribed to such terms in the Lease.

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Lease and Premises. Subject to the covenants and conditions contained in the Lease, Landlord has leased to Tenant, and Tenant has leased from Landlord, the Leased Premises. Notice to the world is hereby given of the Lease and of the terms of the Lease.

2. Term. The term of the Lease commenced on June 1, 2023 and expires on May 31, 2083, unless earlier terminated or extended pursuant to the terms of the Lease.

3. Conflict. This Memorandum is prepared for the purpose of constructive notice and in no way modifies the provisions of the Lease. In the event of any conflict or any inconsistency between the terms and provisions of the Lease and the terms and provisions of this Memorandum, the terms and provisions of the Lease shall control.

4. Successors and Assigns. This Memorandum shall be binding upon and inure to the benefit of the parties and their permitted successors and assigns.

5. Counterparts. This Memorandum may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document, provided that all parties are furnished a copy thereof reflecting the signature of all parties.

(*Signatures appear on the following page*.)

IN WITNESS WHEREOF, the parties hereto have duly executed this Memorandum as of the Effective Date set forth above.

Board Action Item

Re: Resolution 23-27

To: Board of Directors
From: Shea Joachim, CEcD, Business Development Director
Through: J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: SkyBridge Arizona – Lot 118-A Adjustment Amendment & Development Lease
Date: May 16, 2023

Proposed Motion

To authorize a Development Lease with SkyB Lot 118 LLC, an Arizona limited liability company, for 2.11 acres located within the SkyBridge Arizona project identified as Lot 118-A. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 118-A from the Master Lease Agreement.

Narrative

The Phoenix-Mesa Gateway Airport Authority ("PMGAA") and Mesa SkyBridge, LLC ("SkyBridge") entered into a Master Lease Agreement on April 1, 2018 for the approximately 360-acres located at the southeast corner of Sossaman Road and Velocity Way ("Property"). The Master Lease transferred leasehold control of the Property to SkyBridge but did not convey vertical development rights. As part of the Master Lease, PMGAA and SkyBridge agreed to "spin out" property from the Master Lease into Development Leases as projects became ready for vertical development.

SkyBridge has proposed to build two buildings collectively consisting of 5,529 SF. Lot 118-A is approximately 91,903.73 SF and has been identified as a non-aeronautical parcel. The proposed development is compliant with the SkyBridge Arizona Master Plan. The attached Adjustment Amendment will formally remove Lot 118-A from the Master Lease and allow Lot 118-A to be included in the proposed Development Lease.

Agreement Term and Rate

The Lot 118-A Development Lease proposes a lease term of SIXTY (60) years with ONE (1) renewal options of FIFTEEN (15) years. The Base Rent for Lot 118-A will be $0.00 annually for the first TWO (2) years and $9,190.37 annually starting on the Third (3rd) anniversary of the Effective Date subject to Base Rent Adjustments and Market Adjustments as stipulated in the Development Lease.

Attachment(s)

Lot 118-A Development Lease
Master Lease Adjustment Amendment #12

RESOLUTION NO. 23-27

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize a Development Lease with SkyB Lot 118 LLC, an Arizona limited liability company, for 2.11 acres located within the SkyBridge Arizona project identified as Lot 118-A. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 118-A from the Master Lease Agreement;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

The Board of Directors of the Authority hereby authorizes a Development Lease with SkyB Lot 118 LLC, an Arizona limited liability company, for 2.11 acres located within the SkyBridge Arizona project identified as Lot 118-A. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 118-A from the Master Lease Agreement. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions, and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.

Passed and adopted by the Authority this 16th day of May, 2023.

ADJUSTMENT AMENDMENT TO MASTER LEASE

Development Parcel for Lot 118-A, SkyB Lot 118 LLC, an Arizona limited liability company

THIS ADJUSTMENT AMENDMENT TO MASTER LEASE ("**Amendment**") is made as of the 1st day of June 2023, by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **MESA SKYBRIDGE LLC**, an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS

A. Lessor and Lessee are parties to that certain Master Lease dated April 1, 2018 ("**Lease**") covering certain property commonly known as Gateway Aerospace Park at the Phoenix-Mesa Gateway Airport, which property is more particularly described in the Lease, and referred to in the Lease and in this Amendment as "**Property**."

B. The Parties desire to modify the Lease to remove Development Parcel Lot 118-A from the Property in accordance with Section 2.1.4 of the Lease.

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lessor and Lessee agree as follows:

1. Recitals. The above recitals are hereby confirmed as true and correct and are reaffirmed herein.

2. Property Adjustment. Lot 118-A, as described in Exhibit A, is hereby removed from the Lease and from the Rentable Premises. As of the date of this Amendment, after removing Lot 118-A from the Lease, the Rentable Premises is 12,874,377.47 square feet.

4. Miscellaneous.

(a) Capitalized Terms/Definitions. Each capitalized term used in this Amendment and not defined herein shall be deemed to have the same meaning ascribed to it in the Lease.

(b) Continuing Effect. Except as specifically provided in this Amendment, the provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the Lease and this Amendment, this Amendment shall control.

(c) Authority. Each person executing this Amendment on behalf of a Party represents and warrants that it has the full power, authority, and legal right to execute and deliver this Amendment on behalf of such Party and that this Amendment constitutes the legal, valid and binding obligations of such Party, its heirs, representatives, successors and assigns, enforceable against such Party or Parties in accordance with its terms.

(d) Counterparts. To facilitate execution of this Amendment, this Amendment may be executed in one or more counterparts as may be convenient or required, and an executed copy of

this Amendment delivered electronically by e-mail shall have the effect of an original, executed instrument. All counterparts of this Amendment shall collectively constitute a single instrument; but, in making proof of this Amendment it shall not be necessary to produce or account for more than one such counterpart executed by each Party hereto. It shall not be necessary for the signature of, or on behalf of, each Party hereto, or that the signature of all persons required to bind any such Party appear on each counterpart of this Amendment.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the day and year first above written.

LEGAL DESCRIPTION

A PARCEL OF LAND BEING A PORTION OF THAT TRACT AS CONVEYED TO PHOENIX-MESA GATEWAY AIRPORT AUTHORITY BY DEED OF RECORD IN INSTRUMENT NUMBER 2012-0207529, MARICOPA COUNTY RECORDS (MCR) AND AS SHOWN ON THAT ALTA/NSPS LAND TITLE SURVEY PREPARED BY HUNTER ENGINEERING STAMPED AND SIGNED BY JERRY D. HEATH JR. ON 4/30/2018 AND LOCATED WITHIN THE SOUTHWEST QUARTER OF SECTION 32, TOWNSHIP 1 SOUTH, RANGE 7 EAST OF THE GILA & SALT RIVER MERIDIAN, CITY OF MESA, MARICOPA COUNTY, ARIZONA, MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE SOUTHWEST CORNER OF SAID SECTION 32 (FND 1.5" IRON PIPE) FROM WHICH POINT THE SOUTH QUARTER CORNER THEREOF (2.5" AL CAP) BEARS SOUTH 89 DEGREES 29 MINUTES 18 SECONDS EAST A DISTANCE OF 2637.95 FEET;

THENCE NORTH 76 DEGREES 37 MINUTES 50 SECONDS EAST, A DISTANCE OF 1389.77 FEET TO THE POINT OF BEGINNING;

THENCE NORTH 00 DEGREES 30 MINUTES 21 SECONDS EAST A DISTANCE OF 319.69 FEET TO A POINT ON THE SOUTH RIGHT-OF-WAY LINE OF SKYBRIDGE BOULEVARD;

THENCE NORTH 90 DEGREES 00 MINUTES 00 SECONDS EAST ALONG SAID RIGHT-OF-WAY LINE , A DISTANCE OF 384.85 FEET;

THENCE SOUTH 00 DEGREES 00 MINUTES 00 SECONDS EAST, A DISTANCE OF 126.86 FEET TO THE BEGINNING OF A NON-TANGENT CURVE TO THE LEFT, FROM WHICH THE RADIUS POINT BEARS SOUTH 21 DEGREES 32 MINUTES 23 SECONDS EAST;

THENCE SOUTHWESTERLY 62.02 FEET ALONG THE ARC OF SAID CURVE TO THE LEFT , HAVING A RADIUS OF 420.00 FEET, THROUGH A CENTRAL ANGLE OF 8 DEGREES 27 MINUTES 37 SECONDS AND A CHORD BEARING SOUTH 61 DEGREES 13 MINUTES 49 SECONDS WEST;

THENCE SOUTH 60 DEGREES 00 MINUTES 00 SECONDS WEST, A DISTANCE OF 174.82 FEET TO THE BEGINNING OF A NON-TANGENT CURVE TO THE LEFT FROM WHICH THE RADIUS POINT BEARS SOUTH 29 DEGREES 59 MINUTES 58 SECONDS EAST;

THENCE SOUTHWESTERLY 103.70 FEET ALONG THE ARC OF SAID CURVE TO THE LEFT, HAVING A RADIUS OF 136.49 FEET, THROUGH A CENTRAL ANGLE OF 43 DEGREES 31 MINUTES 43 SECONDS AND A CHORD BEARING SOUTH 38 DEGREES 14 MINUTES 11 SECONDS WEST;

THENCE NORTH 89 DEGREES 29 MINUTES 39 SECONDS WEST, A DISTANCE OF 117.84 FEET TO THE POINT OF BEGINNING.

THE ABOVE DESCRIBED PARCEL CONTAINS 91,903.73 SQUARE FEET OR 2.1098 ACRES OF LAND, MORE OR LESS, INCLUDING ANY EASEMENTS OF RECORD.

THE BASIS OF BEARING FOR THE ABOVE DESCRIPTION IS SOUTH 89 DEGREES 29 MINUTES 18" SECONDS EAST FOR THE SOUTH LINE OF THE SOUTHWEST QUARTER OF SECTION 32, TOWNSHIP 1 SOUTH, RANGE 7 EAST OF THE GILA & SALT RIVER MERIDIAN, CITY OF MESA, MARICOPA COUNTY, ARIZONA AS DETERMINED BY GPS DATA COLLECTION PERFORMED IN THE FIELD.

Phoenix-Mesa Gateway Airport Authority
DEVELOPMENT LEASE

a Non-Aeronautical Development Parcel for Lot 118-A

This Development Lease ("**Lease**") is executed to be effective the FIRST (1st) day of June 2023 ("**Effective Date**") between the **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Lessor**"), and **SKYB LOT 118 LLC** , an Arizona limited liability company ("**Lessee**"). Lessor and Lessee may be referred to jointly as "Parties," and each separately may be referred to as a "Party."

RECITALS:

A. Lessor is the owner and operator of the Phoenix-Mesa Gateway Airport generally located at the intersection of Ray Road and Sossaman Road, City of Mesa, Maricopa County, Arizona ("**Airport**"); and

B. Lessor has the right to lease, license and grant the use of property and facilities on the Airport and has full power and authority to enter into this Lease in respect thereof; and

C. Lessor desires to lease to Lessee, and Lessee desires to lease from Lessor, that certain real property at the Airport known as Lot 118-A on the Master Plan containing approximately 91,903.73 square feet of land, as set forth in **Exhibit A** attached hereto ("**Premises**");

D. The Premises is identified in the Master Plan and the Airport Layout Plan as a Non-Aeronautical Development Parcel; and

E. Lessor desires to lease the Premises to Lessee on the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements herein contained, the Parties do hereby undertake, promise and agree, each for itself and its successors and assigns, as follows:

1. LEASE.

Lessor hereby leases the Premises to Lessee, subject to all easements, deed restrictions and other similar matters of record in the Official Records of Maricopa County, Arizona, that encumber the Premises, and further subject to all operational and use restrictions and other terms and conditions expressly set forth in this Lease.

1.1 Right to Use Premises. Lessor agrees that so long as no Event of Default shall have occurred and is continuing, Lessee shall peaceably have and enjoy the use of the Premises without hindrance from Lessor and those claiming through Lessor. Lessee specially acknowledges that Lessee has inspected the Premises prior to entering into this Lease and agrees to accept the Premises in an "as is, where is" condition without any warranty or representation from Lessor, either express or implied, of any kind or nature whatsoever with respect to the Premises, including, but not limited to, any warranty of merchantability, habitability, or fitness for any

particular or specific purpose, and all such warranties are hereby disclaimed, except for representations and warranties contained in this Lease. Should Lessee desire any inspection report, environmental assessment, survey, creation of a legal description, drainage report, or any similar study, Lessee shall be responsible for the same at Lessee's sole expense, subject to Lessor's duty to cooperate with Lessee (at no or nominal cost to Lessor) in connection with such activities and undertakings.

1.2 Intentionally Omitted.

1.3 Access. Lessee is granted the right of access to and from the Premises via such portions of the Airport as are or may be reasonably necessary to allow Lessee to conduct its business operations permitted herein at and on the Premises and the Airport, provided that Lessor reserves the right to limit access to the Premises in emergencies and in connection with Lessor's construction activities on the Airport, so long as Lessor provides Lessee with reasonable advance written notice of any limitations on Lessee's access to the Premises due to Lessor's construction activities, and Lessor and Lessee coordinate such construction activities and cooperate one with the other to minimize any interference with, or disruption of, Lessee's business activities. Lessor reserves the right to designate the location of such alternative access due to emergencies and Lessor's construction activities, and to change its location from time to time, as Lessor deems reasonably necessary and appropriate; provided such changes do not materially interfere with Lessee's use of or access to the Premises.

1.4 Permitted Uses. Subject to the provisions of Section 1.5, Lessee may use the Premises for commercial Light Industrial applications as per current Zoning and Master Plan, including light manufacturing and assembly, product and component testing (including wind tunnel testing), general office, and other uses relating or incidental thereto and for no other use. Lessee shall not use any portion of the Premises for a Prohibited Use, which Prohibited Uses are set forth on **Exhibit E**. Lessee's use of the Premises and operation of its business at and on the Airport and the Premises is subject to all applicable laws, rules and regulations of any governmental authority, including Lessor, and to Lessee's compliance with applicable provisions of the *Airport Rules and Regulations* and *Airport Minimum Standards*.

1.5 Prohibited Activities. Lessee shall not use, or permit its agents, employees or contractors acting for or on behalf of Lessee in connection with their scope of employment to use, the Premises or the Airport for any use that is in violation of the *Airport Rules and Regulations*, the *Airport Minimum Standards*, any matters of record, or applicable laws, or for any other activity or operation not specified in Section 1.4 herein, or that does not have advance, written approval of Lessor's Executive Director or other authorized signatory of Lessor.

Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with, disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

1.6 On-Site Manager. Upon commencement of business operations at and on the Premises, Lessee shall designate an on-site manager for the Term of this Lease who shall generally be available to Lessor and Lessee's customers, if any, during Lessee's normal business hours, and otherwise as required by the *Airport Minimum Standards*, as applicable. Lessee may change Lessee's on-site manager from time to time.

1.7 Lessee Acknowledgement. Lessee acknowledges that, except as otherwise provided in this Lease, its obligations to pay Base Rent and all other charges due and owing under the terms hereof shall be absolute and unconditional, and shall not be affected by any circumstances whatsoever, including, without limitation: (i) any set-off, counterclaim, recoupment, defense or other right which Lessee may have against Lessor or the United States of America or anyone else for any reason whatsoever; (ii) any liens, encumbrances or rights of others with respect to the Premises; (iii) the invalidity or unenforceability or lack of due

authorization or other infirmity of this Lease or any lack of right, power or authority of Lessor or Lessee to enter into this Lease; (iv) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee, or any other person; or (v) any other cause, whether similar or dissimilar to the foregoing, any future or present law notwithstanding, it being the intention of the Parties hereto that all rent being payable by Lessee hereunder shall continue to be payable in all events and in the manner and at the times provided herein.

2. TERM.

2.1 Initial Term. The term of this Lease shall be for a period of SIXTY (60) years, commencing on the Effective Date and terminating on May 31, 2083 ("**Term**").

2.2 Renewal Term(s). Provided that no Event of Default shall have occurred and is continuing, Lessee shall have the right and option ("**Renewal Option**") to extend the Term of this Lease for a period of FIFTEEN (15) years ("**Renewal Term**"). If Lessee elects to exercise Lessee's Renewal Option, Lessee shall notify Lessor in writing of such exercise at least one (1) year prior to the expiration of the initial 60-year Term. At the commencement of the Renewal Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market base rental rate as determined herein, subject to the triennial CPI Adjustments set forth in Section 4.2 below, which CPI Adjustment shall first be made on the first day of the calendar month following the THIRD (3rd) anniversary of the Renewal Term, and thereafter on each THREE (3) year anniversary thereof. Lessor shall determine the fair market base rental rate for the Premises for the commencement of the Renewal Term and shall notify Lessee of Lessor's determination no later than SIXTY (60) calendar days after Lessor's receipt of Lessee's exercise of Lessee's Renewal Option. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities in the Metropolitan Phoenix area, and also take into consideration the differences between the Airport and other regional, national and international airport facilities in the Metropolitan Phoenix area. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days after the expiration of such 15-business day period, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in determining the fair market rental rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of a qualified appraiser. The president of the Board of Realtors shall be asked to select a qualified appraiser within FIFTEEN (15) business days who has not acted in any capacity for either Party within the prior TEN (10) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all relevant information. Within TWENTY (20) business days of the selected qualified appraiser's receipt of the Parties' respective determinations, the appraiser shall review each Parties' submittal (and such other information as the appraiser deemed necessary) and select on Parties' determination as representing the most reasonable approximation of such fair market base rental. The appraiser's fees and expenses shall be paid one half by each Party. Upon determining the Base Rent for the Premises at the commencement of the Renewal Term, Lessor and Lessee will promptly enter into an amendment to this Lease to memorialize the Renewal Terms and the Base Rent. All other terms of this Lease apply during the Renewal Term.

3. NONEXCLUSIVE RIGHTS.

Lessee shall have the exclusive right to lease, use, occupy and develop the Premises in compliance with

the terms and conditions of this Lease during the Term. All other rights granted to Lessee under this Lease are nonexclusive. Lessor may, in its sole discretion and at any time, permit third parties to conduct any and all business activities at the Airport (other than on the Premises) that Lessor deems appropriate, provided that such activities do not limit, prevent, materially interfere with, or prevent or disrupt the use and development of the Premises by Lessee.

4. RENT.

4.1 Base Rent. Lessee agrees to pay Lessor annual rental ("**Base Rent**") for the use of the Premises as follows:

4.1.1 Subject to Section 4.4 below, commencing on the Effective Date through the end of the SECOND (2nd) Lease Year, Base Rent shall be $0.00 per square foot of the Premises per year.

4.1.2 Commencing on June 1, 2025 through March 31, 2048, Base Rent shall be $0.10 per square foot of the Premises per year, subject to the triennial CPI Adjustment set forth in Section 4.2 below.

4.1.3 Commencing on April 1, 2048, through the end of the Term, Base Rent per square foot of the Premises per year shall be an amount equal to fair market value as determined in accordance with Section 4.3 below, subject to the triennial CPI Adjustments set forth in Section 4.2 below.

4.2 Base Rent Adjustments. Commencing on the SIXTH (6th) anniversary of the Effective Date and continuing thereafter on every THREE (3) year anniversary of the Effective Date of this Lease, the annual Base Rent paid by Lessee shall be adjusted (whether increased or decreased) by a percentage equal to the percentage that the Consumer Price Index (CPI) (as defined below) changed during the immediately preceding THIRTY-SIX (36) month period ending NINETY (90) days prior to the end of the adjustment period during the Term hereof ("**CPI Adjustment**"). For purposes of this Lease, CPI means the United States Department of Labor, Bureau of Statistics Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average (1982-1984=100). If at any time CPI ceases to exist, Lessor may substitute any official index published by the Bureau of Labor Statistics or by a successor or similar government agency as may then exist and which in Lessor's reasonable business judgment shall be most nearly equivalent to the CPI. Lessor agrees to promptly notify Lessee of any CPI Adjustment (and in any event at least THIRTY (30) days prior to any adjustment in Base Rent payments as a result of any CPI Adjustment), and to provide Lessee with a reasonably-detailed description of Lessor's calculations of any CPI Adjustment and any adjustment in Base Rent payments.

4.3 Market Adjustments to Base Rent.

4.3.1 Notwithstanding the Base Rent increases referenced in Section 4.2, on: (a) April 1, 2048 and (b) each subsequent TEN (10) year anniversary of April 1, 2048, the annual Base Rent shall be adjusted (each, a "**Market Adjustment Date**") as hereinafter set forth in this Section. On each such Market Adjustment Date, the Base Rent shall be adjusted to the fair market base rental rate of the Premises, in relation to comparable (in quality, size, and value) airport-related facilities.

4.3.2 Lessor's determination of such fair market base rental rate for the Premises shall be delivered to Lessee no later than ONE HUNDRED TWENTY (120) calendar days prior to the Market Adjustment Date. If Lessee disputes Lessor's determination of such fair market base rental rate, Lessee shall deliver written notice of such dispute, together with Lessee's determination of such fair market base rent rate, to Lessor within SIXTY (60) calendar days of Lessee's receipt of Lessor's determination. The Parties shall then attempt in good faith to agree upon such fair market base rental rate. The fair market base rental rate shall take into consideration and reflect the limitations and restrictions on Lessee and on the use and development of the Premises and the location of the Premises relative to other regional, national and international airport facilities. If the Parties fail to agree within FIFTEEN (15) business days, they shall, within TEN (10) calendar days thereafter, mutually appoint an appraiser to determine the fair market base rental rate. Said appraiser shall be a qualified MAI appraiser, licensed in the state of Arizona, with at least FIVE (5) years of recent continuous experience in

determining the fair market rates for commercial properties similar to the Premises and be a member of the Appraisal Institute or comparable professional organization. If the Parties are unable to agree upon an appraiser within such 10-day period, they shall, within FIVE (5) business days thereafter, jointly apply to the president of the local Board of Realtors for the selection of an appraiser. The president of the Board of Realtors shall, within FIFTEEN (15) business days, select an appraiser with the above qualifications who has not acted in any capacity for either Party within the prior FIVE (5) years. Within SEVEN (7) calendar days of the appointment (either by agreement or selection) of the appraiser, the Parties shall submit to the appraiser their respective determinations of the fair market base rental rate and any/all substantiated information. Within TWENTY (20) business days thereafter, the appraiser shall review each Party's submittal (and such other information as the appraiser deems necessary) and shall select one Party's submittal as representing the most reasonable approximation of such fair market base rental rate, and the appraiser's fees and expenses shall be paid one-half each by each Party.

4.4 Vacancy Relief Periods. Provided no Event of Default shall have occurred and is continuing, Lessee shall have the continuing option to exercise up to TWO (2) Vacancy Relief Periods of up to TWELVE (12) months for each Vacancy Relief Period during any period of time that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. Lessee may initiate a Vacancy Relief Period by giving written notice ("**Vacancy Relief Notice**") to Lessor of its desire to do so. Lessee's use and occupancy of the Premises shall not be taken into consideration in determining whether the Improvements are vacant, unless Lessee is actively conducting Lessee's business activities for a Permitted Use within such Improvements. An office maintained by Lessee in the Premises for the purpose of marketing and subleasing the Premises shall not be considered as Lessee actively conducting Lessee's business activities. The Vacancy Relief Notice shall identify the starting date and ending date for the Vacancy Relief Period (not to exceed TWELVE (12) months), and Lessee shall provide, simultaneously with each Vacancy Relief Notice, evidence reasonably satisfactory to Lessor that the Improvements on the Premises are at least FIFTY PERCENT (50%) vacant. During a Vacancy Relief Period, Lessee shall be entitled to pay a reduced Base Rent equal to FIFTY PERCENT (50%) of the Base Rent that would otherwise be applicable during such time. A Vacancy Relief Period shall terminate on the earlier of (a) the expiration of the TWELVE (12)-month period identified in the Vacancy Relief Notice, or (b) the date on which FIFTY-ONE PERCENT (51%) of the occupiable Improvements on the Premises are occupied, evidenced by executed subleases. Upon expiration of the Vacancy Relief Period, Lessee shall resume paying full Base Rent.

4.5 Construction Rent Period. A modified base rent for a construction period during the first TWO (2) Lease years ("**Construction Base Rent Period**") has been granted to Lessee as additional consideration for entering into this Lease and agreeing to pay the Base Rent and all other charges hereunder, and to perform the terms and provisions otherwise required under this Lease. If an Event of Default by Lessee occurs, which is not cured within the applicable cure period, in addition to all other rights and remedies of Lessor provided by law, equity, statute or otherwise provided in this Lease, at Lessor's option in its sole and absolute discretion, (i) if the Event of Default occurs within the Construction Base Rent Period, Lessee shall commence paying the full Base Rent at the rate of $0.10 per square foot per year for the balance of the Construction Base Rent Period, and (ii) if an Event of Default by Lessee occurs during the initial Term, which is not cured within the applicable cure period, Lessee shall immediately pay to Lessor an amount equal to the unamortized portion of Base Rent at the rate of $0.10 per square foot per year during the Construction Base Rent Period, which Lessor shall amortize over the initial Term on a straight-line basis.

4.6 Payment.

4.6.1 Base Rent shall be payable in equal monthly installments, in advance, without any prior demand therefor and without any abatement, deductions or set-offs whatsoever, and tendered in lawful currency of the United States, either by check or electronic transfer. Base Rent and any other charges due for any period during the Term less than ONE (1) calendar month shall be prorated on a daily basis based on a THREE HUNDRED SIXTY-FIVE (365) day year.

4.6.2 No payment to or receipt by Lessor of a lesser amount than that which is due and payable under the provisions of this Lease at the time of such payment shall be deemed to be other than a payment on account of the earliest payment due, nor shall any endorsement or statement on any check or payment prejudice in any way Lessor's right to recover the balance of such payment or pursue any other remedy provided in this Lease or by law.

4.6.3 All payments (and reports, if any) required by this Section 4.6 shall be remitted to the following address by the due date(s) specified hereinabove:

Phoenix-Mesa Gateway Airport Authority
Attn.: Department of Finance (Accounts Receivable)
5835 S. Sossaman Road
Mesa, Arizona 85212-6014

or such other address specified in advance in writing by Lessor to Lessee.

4.7 Finance Charges and Late Fees. If Lessee fails to pay any installment of Base Rent or any other charge due and owing to Lessor in full on or before the applicable due date, Lessee shall be responsible for interest on the unpaid installment at the rate of EIGHTEEN PERCENT (18%) per annum from the due date until payment in full is made. In addition, in the event any installment of Base Rent or other charge owing to Lessor is paid more than TEN (10) days after the due date, a late penalty of TEN PERCENT (10%) of the amount of such delinquent Base Rent installment or other charge shall be due and payable in addition thereto.

4.8 Taxes. In the event any governmental authority shall impose a tax or imposition based upon any Base Rent payments or any other sums paid or owing hereunder, or the receipt of such payments by Lessor, Lessee shall pay such amounts to Lessor at the same time and in addition to payments hereunder, which amounts may include, but are not limited to, any or all rental, transaction privilege, sales, excise or other similar tax except income taxes.

4.9 Survival. Lessee's obligation to pay all amounts stated herein, together with any interest thereon and/or penalties therefor, shall survive the termination of this Lease.

4.10 Airport Rates and Charges Schedule. Lessee or its subtenants, as applicable and including its contractors, agents, etc., shall pay all fees identified in the most current *Airport Rates and Charges Schedule* at the time of receipt of any covered service or use of any covered facilities, unless specifically outlined in this Lease. The current *Airport Rates and Charges Schedule* is included as **Exhibit B** and is subject to change upon prior notice to Lessee. Lessee acknowledges and agrees that Lessor may amend the *Airport Rates and Charges Schedule* at any time at Lessor's sole discretion, and that no fee shall apply to the use or occupancy of the Premises or access to and from the Premises.

5. PERFORMANCE GUARANTEE; CONSTRUCTION ESCROW.

5.1 Security Deposit.

5.1.1 On or before the Effective Date, Lessee shall pay to Lessor an amount equal to TWO (2) months' worth of Base Rent payments as of the Effective Date of this Lease, ONE THOUSAND FIVE HUNDRED THIRTY-ONE and 73/100 ($1,531.73) as a security deposit ("**Security Deposit**") to insure the faithful performance of all of Lessee's obligations hereunder.

5.1.2 The Security Deposit, upon the occurrence of an Event of Default, at the election of Lessor, may be applied to any actual loss and/or actual damage sustained by Lessor by reason of the occurrence of such Event of Default by Lessee under this Lease without the waiver of any other right or remedy available

to Lessor at law, in equity or under the terms of this Lease. If any portion of the Security Deposit is so used or applied, Lessee shall, within FIVE (5) business days after written notice from Lessor, deposit with Lessor immediately available funds in an amount sufficient to restore the Security Deposit to its original amount. In the event of a sale or other transfer of the Premises by Lessor, Lessor shall transfer the remaining balance (if any) of the Security Deposit to Lessor's successor in interest, whereupon the transferor Lessor shall be released from liability to Lessee for the return of such Security Deposit. Unless this Lease is terminated as a result of Lessee's default whereupon Lessee shall immediately forfeit its Security Deposit to Lessor, upon termination or expiration, Lessor shall return to Lessee all portions of the Security Deposit which were not otherwise applied by Lessor as permitted above. Lessor shall have no obligation to maintain a separate account for such security deposit and shall have no obligation to pay interest thereon.

5.2 Improvement Construction Guarantee.

5.2.1 Payment Guarantee. Notwithstanding and in addition to the Security Deposit, Lessee shall protect claimants supplying labor and materials in connection with the construction, by providing, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, one of the following instruments, chosen at Lessee's discretion:

(a) Payment Bond. Lessee shall require the contractor to provide a labor and materials payment bond in the full contract amount to protect claimants supplying labor and materials in connection with the construction. The bond shall comply in all respects with the requirements of A.R.S. S 33-1003 as it may be amended or renumbered from time to time. The parties agree that Lessee is not a public body, and the improvements to be constructed under this Lease by Lessee at Lessee's sole cost are not public buildings, public works or public improvements. The bond shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the State of Arizona and shall be accompanied by a power of attorney disclosing the authority of the person executing on behalf of the surety. The bond and a copy of the contract shall be recorded in the office of the Maricopa County Recorder as required under A.R.S. S 33-1003, and a copy of the bond provided to the Lessor; or

(b) Letter of Credit. Such instrument ("**Letter of Credit**") shall be irrevocable, in the amount equal to the total amount of the construction contract(s) for the construction of the improvements (described in Section 7 herein) plus TEN PERCENT (10%) of such amount ("**Improvement Costs**") and should be issued to Lessee by a financial institution ("**Bank**") reasonably acceptable to the Lessor. The Letter of Credit shall have a term extending from the date of commencement of construction until the date with is TWENTY-FOUR (24) months thereafter, after which the date it shall be renewed on a year-to-year basis until construction of such improvements are completed, and final and unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Should Lessee utilize the Letter of Credit option hereunder, and should Lessee fail to pay any sum owing to contractors supplying labor and materials in connection with the construction then, in addition to any other remedies set forth in this Lease, Lessor shall be entitled to apply to the Bank, following a period of THIRTY (30) calendar days prior written notice to Lessee (which notice shall include reasonably-detailed description of the Lessee's failure to pay any sum owing), for release to Lessor (in accordance with the terms of the Letter of Credit) from the Letter of Credit of a dollar amount sufficient to pay amounts owing to contractors supplying labor and materials in connection with the construction and obtain final, unconditional lien waivers in connection therewith. Lessor's application shall contain evidence of the failure of payment and the estimated dollar amount needed to satisfy payment obligations. The terms of the Letter of Credit shall require prompt payment to Lessor for the amount set forth in Lessor's application upon satisfaction of the conditions set forth in the Letter of Credit. Upon and following any partial payment to the Lessor, the Letter of Credit shall remain in full force for the remaining undisbursed amount of the Letter of Credit to accommodate further applications, if any, and shall not be subject to cancellation or revocation until fully drawn or otherwise released or satisfied upon completion of construction of the improvements and final, unconditional lien waivers have been obtained from all contractors supplying labor and materials in connection with the construction. Lessor must approve the form and content

of any Letter of Credit in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

5.2.2 **Performance Guarantee.** In addition to the Security Deposit, Lessee's obligation to timely complete the improvements described in Section 7 herein shall be secured, at Lessee's sole cost and expense and prior to commencement of construction of said improvements, by any one of the following instruments, chosen at Lessee's discretion:

(a) **Performance Bond.** Lessee shall require the contractor to provide a performance bond in the full contract amount conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions thereof. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to the Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.; or

(b) **Completion Bond.** Lessee shall deliver to Lessor a completion bond in form and substance reasonably acceptable to Lessor pursuant to which Lessor shall have the unconditional, direct and unilateral right to draw upon or use such bond for completion of construction of the Improvements under Section 7.1 of this Lease if an Event of Default occurs and is continuing under Section 7.2.2 of this Lease. The bond shall be in a form reasonably acceptable to Lessor; shall be issued by a surety company reasonably acceptable to Lessor and duly licensed for such undertaking in the state of Arizona; and shall be accompanied by a power of attorney disclosing the authority of the person executing it on behalf of the surety.

6. AIRCRAFT OPERATIONS GUIDELINES.

If and to the extent that Lessee operates aircraft at or on the Airport, Lessee shall be subject to the provisions of **Exhibit C**. If any subtenant, contractor or agent of Lessee conducting activities on or at the Premises for or on behalf of Lessee and acting within the scope of their employment operates aircraft at the Airport, all shall be subject to the provisions of **Exhibit C**, which Lessor may enforce directly against such subtenant, contractor or agent, but Lessee shall have no direct liability or responsibility with respect to such matters; except, however, Lessee shall be responsible for compliance by its subtenants, contractors and/or agents with the *Airport Rules and Regulations* and *Airport Minimum Standards*, as appropriate.

7. IMPROVEMENTS.

7.1 Construction by Lessee. Lessee shall, at its sole cost and expense, construct improvements on the Premises that are generally described as two buildings collectively consisting of 5,529 square feet which include (1) a tilt concrete and steel building containing a cross flow facility housing air flow equipment, and (2) a tilt concrete and steel building containing a control center and office, and associated parking and site improvements within the eighteen (18) month construction time frame and generally shall consist an approximate budget of $18,000,000.00 for the Work ("**Improvements**") in accordance with a site plan prepared by Lessee and approved by Lessor or by Lessor's Design Review Committee, if any, such approval not to be unreasonably withheld, conditioned, or delayed, and in compliance with all applicable governmental regulations, restrictions, building codes and any declaration of covenants, conditions, restrictions and easements of record affecting the Premises and any design guidelines promulgated pursuant thereto that are applicable to the Premises. Lessor and Lessee agree that Lessee shall be solely responsible for: (i) any connection(s) between the Premises and the terminating point of the existing vehicular access way to the Premises that is required by applicable or utility provider or is requested by Lessee; (ii) constructing all improvements necessary to bring all utilities to the Improvements; (iii) installing all utility meters and water and sewer lines to service all Improvements constructed on the Premises; and (iv) if applicable, constructing all Improvements necessary to connect the Premises to existing taxiways or taxilanes in accordance with and if allowable under all Airport and FAA rules, regulations and other requirements.

7.2 Construction Milestones; Termination. Lessee shall construct its Improvements pursuant to the following schedule (each of which events are herein called a "**Construction Milestone**"):

7.2.1 Lessee shall submit its Improvement design plans to Lessor for review and approval no later than TWO (2) months from the Effective Date.

7.2.2 Lessee shall complete construction of all Improvements to be constructed by the Lessee at and on the Premises and shall have obtained a CofO (or its equivalent) from the City of Mesa therefor, no later than EIGHTEEN (18) months from the Effective Date.

7.2.3 If Lessee fails to commence construction within NINETY (90) calendar days after the issuance of all necessary construction permits and receipt of all approvals required for such, including any approvals required from the FAA, but subject to any applicable notice and cure periods provided for in Section 11, Lessor shall have the right to terminate this Lease by written notice to Lessee delivered at any time prior to commencement of construction. For purposes of this section "commencement of construction" shall be the date on which Lessee has obtained it permits, has executed a contract for construction of the Improvements and engaged in material work, such as grading or pouring of footings and slabs.

7.3 No Alterations. Lessee shall make no material improvements or alterations to the Premises during the Term of this Lease without the prior written permission of Lessor, which shall not be unreasonably withheld, conditioned, or delayed including, if and to the extent applicable, the approval by Lessor's Design Review Committee. The process of approving any material improvements or alterations by Lessor and Lessor's Design Review Committee shall occur within the same period of time (without duplication) given to Lessor for approval of the same. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of material improvements or alterations to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval and suggestions for revisions that would reasonably satisfy Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day period Lessee may give a second notice to Lessor requesting approval of material improvements or alterations, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED IMPROVEMENTS AND ALTERATIONS BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed improvements and alterations shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised description of the improvements or alterations for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Lessee shall provide Lessor with electronic as-built drawings (or their equivalent) when any improvement or alteration is completed for which such drawings are reasonably required.

7.4 Title to Alterations and Improvements. Title to all Improvements and alterations on the Premises (but not personal property or trade fixtures) shall vest in Lessor upon the expiration of this Lease, and Lessee agrees to execute and deliver to Lessor, within TEN (10) business days after Lessor's written request therefor, a quitclaim deed quitclaiming such Improvements and alterations to Lessor.

7.5 Mechanics' Liens. Lessee shall keep the Premises and all improvements constructed by Lessee thereon free of any mechanic or materialmen's liens. In the event that any such lien is filed, Lessee shall, at its sole cost, cause such lien to be removed from the Premises by bonding or otherwise within THIRTY (30) calendar days of notice thereof.

7.6 Permit Required. Lessee shall be responsible for determining whether it is subject to local building/construction codes or permit requirements, and for compliance with them to the extent they are

applicable. All structural, electrical, plumbing or mechanical construction or reconstruction of the Improvements shall conform to City of Mesa ("**City**") construction and technical codes. No such work shall be commenced without first obtaining required permits from the City. All such work shall be permitted, inspected and approved by the City prior to concealment or use, as required by applicable laws. Lessee shall provide to Lessor a contemporaneous copy of Lessee's permit application and a copy of the final stamped approval and the associated plans and specifications.

7.7 Damage or Destruction. Lessee shall maintain insurance on all of Lessee's Improvements to the Premises. In the event that all or any portion Lessee's Improvements are destroyed or rendered unusable due to fire or other catastrophe, Lessee shall replace, repair, restore, modify or improve said Improvements, subject to the provisions of Section 7.6, using available insurance proceeds together with any additional funds from other available sources. Notwithstanding the foregoing, if any damage or destruction occurs to the Premises during the last 5 years of the Initial Term or any Extension Term and the cost to repair the damage exceeds 65% of the total replacement cost, Lessee may terminate this Lease upon giving Lessor thirty (30) days' written notice, whereupon Lessee shall pay the replacement cost of the Improvements to Lessor.

8. MAINTENANCE.

8.1 Lessee Responsibilities. Lessee shall, at its sole cost and expense, keep the Premises in a clean condition and in good order, condition and repair throughout the Term, reasonable wear and tear excepted. Lessee's maintenance of the Premises shall consist of, as reasonably necessary, the inspection, servicing and repair of all improvements, including pest control, landscaping and grounds maintenance.

8.2 Damage to Lessor Property. Any real or personal property of Lessor damaged or destroyed by Lessee (or its agents, contractors, employees, managers and representatives) as a result of Lessee's use or occupancy of the Premises shall be promptly repaired or replaced by Lessee to the reasonable satisfaction of Lessor; provided however, that Lessor acknowledges and agrees that Lessor's real property will be permanently altered, changed and modified as a result of the development and use of the Premises, and Lessor hereby consents thereto, and agrees that such development and use of the Premises as permitted in accordance with this Lease shall not constitute waste, damage or destruction to Lessor's real property. Lessor also approves of Lessee demolishing any and all improvements located on or under the Premises.

8.3 Trash Removal. Lessee shall at all times keep the Premises in a clean, safe, sanitary and orderly condition and shall keep such area reasonably free of all trash and debris, and in any event in compliance with all applicable laws and ordinances. Lessee shall be responsible for all trash removal from the Premises and Lessee shall deposit all trash and debris only at collection stations located on or in proximity to the Premises, in accordance with City code.

8.4 Emergency Repairs. Within FIFTEEN (15) days of the Effective Date, Lessee shall provide Lessor with a list of names and telephone numbers for 24-hour emergency contact for the Premises. Lessee shall promptly provide Lessor with updated lists and changes as necessary.

9. ASSIGNMENT, SUBLETTING AND OTHER TRANSFERS.

9.1 Assignment.

9.1.1 Consent Required. Subject to Lessee's rights under Section 24, Liens and Mortgages, Lessee may not transfer or assign ("**Transfer**") its interest in this Lease or any right or interest hereunder without the prior consent of Lessor, which consent may not be unreasonably withheld, delayed or conditioned. Lessor will have FORTY-FIVE (45) days following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE

(45)-day period Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed Transfer shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same. Notwithstanding the foregoing, however, Lessee may assign or encumber its leasehold interest, including any title to any improvements, as security in conjunction with or as part of one or more leasehold mortgages or deeds of trust, including assignments by means of a foreclosures or trustee's sales thereunder without Lessor's consent. In the case of an assignment (other than an assignment or encumbrance as security), the assignee must expressly assume in writing all of Lessee's obligations under this Lease from and after the date of such assignment.

9.1.2 Deemed Transfers. For the purposes of this Lease, a Transfer shall be deemed to include the following: (i) the transfer of any ownership interest in Lessee resulting in a change in the present control of Lessee by the person or persons owning a majority of the ownership interest thereof as of the date of this Lease; provided, however, if Lessee is a corporation whose stock is traded on a nationally recognized stock exchange, the transfer of Lessee's stock shall not constitute a Transfer requiring Lessor's consent; and (ii) the sale of greater than FORTY-NINE PERCENT (49%) or more in value of the assets of Lessee, whether in a single transaction or a series of transactions.

9.2 Subletting.

9.2.1 Lessee may sublease all or portions of the Premises if the following conditions are met:

(a) The sublease and any amendments or modifications thereto are approved in advance and in writing by Lessor (which approval shall not be unreasonably withheld, delayed or conditioned), or is/are in a form which shall have been previously approved in writing (except for changes that do not materially impact Lessor's rights and interests) by Lessor. If a pre-approved form is used, Lessor's advance approval of the actual sublease and any amendments or modifications thereto is not required. Lessor will have FORTY-FIVE (45) days with respect to a new sublease, or FIFTEEN (15) days with respect to amendments or modifications to a sublease, following receipt of a written request by Lessee for approval of a Transfer to either approve or disapprove the same. If Lessor disapproves, Lessor shall provide Lessee with a reasonably-detailed explanation for Lessor's disapproval. If Lessor fails to respond within such FORTY-FIVE (45)-day or FIFTEEN (15)-day period, as the case may be, Lessee may give a second notice to Lessor requesting approval of a Transfer, on which the following language must appear in bold print: "**FAILURE TO RESPOND TO THIS NOTICE WITHIN FIVE (5) BUSINESS DAYS FROM ITS RECEIPT SHALL RESULT IN THE LESSEE'S PROPOSED TRANSFER BEING DEEMED APPROVED**." If Lessor fails to respond in writing (in the manner described above) to any matter in such second notice within FIVE (5) business days following delivery of such notice, Lessee's proposed sublease, amendment or modification, as the case may be, shall be deemed to have been approved by Lessor. If Lessor disapproves a request for approval and sets forth the reason for its disapproval, then Lessee may resubmit a revised proposal for a Transfer for review and approval. This cycle will repeat itself until Lessor either approves the request or is deemed to have approved the same.

(b) Rent for subleased premises shall not be less than fair market value unless otherwise approved in writing by Lessor.

(c) The sublease(s) and sublessee(s) shall at all times be subject to the terms and conditions of this Lease.

(d) The permitted uses of the Premises under any sublease shall be the same as that permitted under this Lease. Sublessees shall agree in the sublease not to engage in any Prohibited Use.

(e) The term of any sublease shall not extend beyond the stated expiration of this Lease.

(f) Except for the payment of a security deposit, the sublessee under such sublease shall not pay rent more than SIX (6) months in advance of its due date under the sublease.

9.2.2 Upon request from Lessee and/or any sublessee, Lessor shall enter into a Non-Disturbance and Attornment Agreement (in form and substance reasonably acceptable to Lessor, Lessee, sublessee and any applicable Mortgagee of Lessee or sublessee) so long as (i) the conditions of Section 9.2.1 have been met; (ii) the sublessee is not then in default beyond an applicable notice and cure period under the sublease and there is no existing Event of Default under this Lease; and (iii) the sublessee does not have a history of five (5) or more documented events of noncompliance with the *Airport Rules and Regulations* or *Airport Minimum Standards*. All reasonable legal fees incurred by Lessor in connection with any reasonably necessary third-party legal counsel review and approval of a Non-Disturbance and Attornment Agreement shall be paid by Lessee or sublessee.

9.2.3 Lessee shall not permit any sublessee unescorted access to the secured areas of the Airport unless and until the sublessee has obtained its own valid Airport security clearance and access credentials from Lessor. Lessee acknowledges that it may take THIRTY (30) calendar days or more to process sublessee for security clearance and access credentials.

9.2.4 Lessee shall submit a copy of each fully executed sublease to Lessor as soon as possible, but no later than FIVE (5) business days after Lessee receives the fully executed sublease.

9.3 Non-Disturbance. Lessor agrees, for the benefit of all subtenants of all or any part of the Premises, that if this Lease or Lessee's right to possession of the Premises is terminated for default or otherwise, all subleases of all or any part of the Premises, except any sublease to an Affiliate of Lessee, shall continue in full force and effect, notwithstanding the termination, as direct leases between Lessor and the subtenants and all such subtenants shall, upon request, attorn in writing to Lessor.

10. SIGNS.

Lessee may install on the Premises, including the Improvements, one or more signs, including signs identifying its business and, if Lessee so desires, a monument sign on the Premises; provided, however, that the general type, size, and location of such sign(s) shall conform to Lessee's Comprehensive Sign Plan, be approved in writing by Lessor in advance of installation, which approval may not be unreasonably withheld, conditioned or delayed, and be subject to any signage rules, codes and/or regulations of any governmental authority.

11. DEFAULT; TERMINATION BY LESSOR.

11.1 Events of Default. Each of the following shall constitute a material default of this Lease by Lessee ("**Event of Default**"):

11.1.1 Failure to pay any installment of Base Rent or other amount due from Lessee hereunder, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor of a written notice of such failure.

11.1.2 Failure to perform any of its other obligations under this Lease or failure to perform any of its obligations as a "Lessee" under the Declaration (as defined in Section 44 below), as such obligations relate to the Premises, provided that Lessee does not cure such failure within THIRTY (30) calendar days after

delivery by Lessor to Lessee of a written notice of such default; provided, however, if a cure of the default reasonably requires more than THIRTY (30) calendar days to complete, then the time to cure shall be extended so long as the cure is being diligently pursued.

11.1.3 The filing of any mechanic's, materialmen's or other lien or any kind against the Premises because of any act or omission of Lessee which lien is not discharged, by bonding or otherwise, within THIRTY (30) calendar days of receipt of actual notice thereof by Lessee.

11.1.4 The Transfer or attempted transfer of any interest in the Lease to any transferee in violation of Section 9, provided that Lessee does not cancel or otherwise negate such Transfer or attempted transfer within THIRTY (30) calendar days after delivery by Lessor to Lessee of a written notice of such default.

11.1.5 Failure to pay its Proportionate Share of any Common Area Assessment in accordance with the Declaration as provided in Section 44 below, provided that Lessee does not cure such failure within TEN (10) business days after delivery by Lessor to Lessee of a written notice of such failure.

11.2 Lessor's Remedies. Upon the occurrence of an Event of Default under this Lease, Lessor may, without prejudice to any other rights and remedies available to a Lessor at law, in equity or by statute, exercise one or more of the following remedies, all of which shall be construed and held to be cumulative and non-exclusive:

11.2.1 Terminate this Lease and re-enter and take possession of the Premises; or

11.2.2 Without terminating this Lease, re-enter and take possession of the Premises; or

11.2.3 Without such re-entry, recover possession of the Premises in the manner prescribed by any statute relating to summary process, and any demand for Base Rent, and any and all notices to quit, or other formalities of any nature to which Lessee may be entitled, are hereby specifically waived to the extent permitted by law; or

11.2.4 With or without terminating this Lease, Lessor may re-let the Premises or any portion thereof.

Lessor agrees that Lessor's right to re-enter the Premises under Arizona Revised Statutes Section 33-361 and other similar rights shall arise after, and only after, the applicable notice and cure or grace periods under this Lease have been given and expired without such default or failure having been cured by Lessee.

11.3 No Implied Termination. Lessor shall not be deemed to have terminated this Lease unless Lessor shall have notified Lessee in writing that it has so elected to terminate this Lease. Except for Lessor's negligence or willful misconduct, Lessee hereby waives all claims based on Lessor's reentering and taking possession of the Premises, or removing and storing the property of Lessee, and Lessee shall reimburse Lessor for all reasonable costs incurred by Lessor occasioned thereby. No such reentry shall be considered or construed to be a forcible entry by Lessor.

11.4 Lessor's Current Damages. Upon the occurrence and during the continuance of an Event of Default, Lessor is authorized to make such repairs, refurbishments or improvements to the Premises as may be necessary for the purpose of attempting to re-let the Premises, and the reasonable costs and expenses incurred in respect of such repairs, redecorating, refurbishments and improvements shall be paid by Lessee to Lessor within TEN (10) business days after receipt of Lessor's statement. If Lessor exercises any of the remedies stated above, Lessor shall be entitled to recover from Lessee all actual damages incurred by Lessor by reason of the Event of Default, which shall include, without limitation, (i) the equivalent of the amount of the present value of Base Rent and all other payments which would be payable under this Lease by Lessee for the remainder of

the Term as if this Lease were still in effect, less (ii) the net proceeds of any re-letting by Lessor after deducting all of Lessor's reasonable expenses in connection with such re-letting, which shall include, without limitation, repossession costs, repairs, redecorating, refurbishments or improvements to the Premises, brokerage commissions, attorneys' fees, and legal expenses. Lessee shall pay such current damages to Lessor, in the amount set forth in the preceding sentence ("**Deficiency**"), in monthly installments on the days on which the Base Rent would have been payable under this Lease as if this Lease were still in effect. In no event shall Lessee be liable for punitive, consequential or speculative damages under this Lease. Lessor agrees to satisfy its obligations to mitigate its damages.

11.5 Lessor's Final Damages. At any time after an Event of Default, whether or not Lessor shall have collected any monthly Deficiency as set forth above, Lessor shall be entitled to recover (without duplication) from Lessee, and Lessee shall pay to Lessor, promptly on demand, as Lessor's final damages for the applicable Event of Default, the sum of (a) the then present worth (at a discount at the rate of SIX PERCENT (6%) per annum) of (i) the aggregate of the Base Rent and all other amounts to be paid by Lessee hereunder for the unexpired portion of the Term of this Lease (assuming this Lease had not been terminated), less (ii) the amount of Rent and any losses that could have been reasonably avoided, plus
(b) reasonable repossession costs, reasonable Lessor's expenses in connection with any attempts it may have made to re-let the Premises (which shall include, without limitation, repairs, refurbishments or improvements to the Premises and brokerage commissions), reasonable attorneys' fees, reasonable legal expenses, and all other actual damages incurred by Lessor as a result of such Event of Default.

11.6 No Waiver by Lessor. No waiver by Lessor of any breach or default by Lessee in the performance of its obligations under this Lease shall be deemed to be a waiver of any subsequent default by Lessee in the performance of any of such obligations, and no express waiver shall affect an Event of Default in a manner other than as specified in said waiver. The consent or approval by Lessor to or of any act by Lessee requiring Lessor's consent or approval shall not be deemed to waive or render unnecessary Lessor's consent or approval to or of any subsequent similar acts by Lessee.

11.7 Content of Default Notice. Any default notice tendered to Lessee hereunder shall be deemed to be sufficient if it reasonably describes the nature of such default, and is made in accordance with Section 20 herein.

11.8 Limitation on Exercise of Termination Remedy by Lessor. Notwithstanding anything to the contrary in Section 11.2 hereinabove, if an Event of Default occurs, Lessor shall not have the remedy of terminating this Lease or of taking possession of the Premises unless: (i) the Event of Default consists of a failure to pay Base Rent or other amounts owed to Lessor; or (ii) Lessor has no other remedy that is adequate to protect Lessor's interests. Nothing in this Section 11 shall limit the exercise of any such other remedy.

11.9 Waiver of Landlord's Lien. Lessor hereby waives all statutory or common law landlord's lien rights with respect to personal property located on the Premises.

12. [RESERVED].

13. INDEMNIFICATION.

13.1 Lessee's Indemnity. Except for the actions and omissions of Lessor and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessee hereby agrees to defend, indemnify and hold harmless Lessor and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessor" for purposes of this Section 13.1) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any

accident, injury or actual damages occurring within the Premises during the Term caused by Lessee or its agents, employees, contractors, or subcontractors, or (ii) any negligent act or omission of Lessee or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessee" for purposes of this Section 13.1) on the Property or the Airport and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessor, or (iii) the failure of Lessee to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessor or its employees, contractors or agents.

13.2 Lessor's Indemnity. Except for the actions and omissions of Lessee and its agents, contractors, employees, managers and representatives, to the fullest extent permitted by law, Lessor hereby agrees to defend, indemnify and hold harmless Lessee and its members, elected or appointed officials, agents, contractors, subcontractors, boards, commissions and employees (hereinafter referred to collectively as the "Lessee" for purposes of this Section 13.2) for, from and against any and all third-party claims, causes of action, liability, suits, litigation (including reasonable attorney's fees and other costs of investigation and litigation), actions, losses, damages or claims of any nature whatsoever to the extent such arise out of or in connection with (i) any negligent act or omission or intentional misconduct by Lessor or its agents, employees, contractors, or subcontractors (hereinafter referred to collectively as "Lessor" for purposes of this Section 13.2) on the Property or the Airport, and which result directly or indirectly in the injury to or death of any persons or the damage to or loss of any property or other damages or losses to Lessee, or (ii) the failure of Lessor to comply with any provisions of this Lease. This indemnification shall exclude responsibility for any damages and for claims arising by reason of the acts or omissions of Lessee or its employees, contractors or agents.

13.3 Lessor's Damage to Improvements. Lessor shall be responsible and liable for any damage to any Improvements or alterations on the Property to the extent caused by Lessor or its agents, employees, contractors or subcontractors, and Lessor shall promptly repair any damage caused by Lessor or its agents, employees, contractors or subcontractors.

14. ENVIRONMENTAL PROTECTION.

14.1 Definitions. Unless the context shall clearly require otherwise, the terms defined in this Section 14.1 shall, for all purposes of this Lease and of any agreement amendatory hereof or supplemental hereto, have the meanings herein specified, with the following definitions to be equally applicable to both the single and plural forms of any of the following:

14.1.1 *Environmental Laws*. The term "**Environmental Laws**" shall mean any one or all of the following, as the same are amended from time to time: the *Comprehensive Environmental Response, Compensation, and Liability Act*, 42 USC Section 9601 et seq.; the *Resource Conservation and Recovery Act*, 42 USC Section 6901, et seq.; the *Toxic Substances Control Act*, 15 USC Section 2601 et seq.; the *Safe Drinking Water Act*, 42 USC Section 300f et seq.; the Clean Water Act, 33 USC Section 1251 et seq.; the *Clean Air Act*, 42 USC Section 7401 et seq.; the *Arizona Hazardous Waste Management Act*, A.R.S. Section 49-921 et seq. the *Arizona Environmental Quality Act*, A.R.S. Title 49, as amended; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

14.1.2 *Hazardous Material*. The term "**Hazardous Material**" shall mean any toxic or hazardous material, substance or waste, or any pollutant or contaminant as defined or regulated pursuant to any Environmental Law and petroleum products. For purposes of this definition, petroleum includes petroleum-based substances comprised of a complex blend of hydrocarbons derived from crude oil through processes of separation, conversion, upgrading and finishing (e.g., distillate fuel oils, petroleum solvents and

used oils).

14.2 [Intentionally Omitted].

14.3 Environmental Compliance.

14.3.1 Lessee shall, at the Lessee's own expense, comply with all present and hereafter enacted Environmental Law, including any amendments thereto, affecting Lessee's activities on and property interest in the Premises during the period of Lessee's occupancy of thereof under this Lease. To the extent that Lessor, or any Lessor's employees, agents or contractors, conducts any activities on the Premises during the period of Lessee's occupancy, Lessor shall, at Lessor's own expense, comply with all present and hereafter Environmental Law, including any amendments thereto, affecting any of Lessor's activities on the Premises.

14.3.2 Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises or the Airport by Lessee's agents, employees, contractors or invitees in violation or threatened or suspected violation of any Environmental Law. The Parties recognize and agree that Lessee may bring on the Premises and Airport and use Hazardous Material that is ordinarily and customarily used in the conduct of Lessee's permitted activities under this Lease, provided that such use shall comply fully with all applicable Environmental Laws. Lessor shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises or by Lessor's agents, employees, contractors for any activity Lessor conducts on the Premises during Lessee's occupancy, without prior notification to and approval by Lessee (which shall not be unreasonably withheld), and any such use or presence shall be in compliance with Environmental Law.

14.3.3 If Lessee desires and receives written authorization from Lessor to install any underground storage tanks ("**USTs**") on the Premises or elsewhere on the Airport, Lessee shall submit the plans for such USTs to Lessor for prior written approval and shall comply with all applicable Environmental Laws related thereto, including Title 40, Code of Federal Regulations, Part 280, as adopted by the State of Arizona ("**Part 280**"), and Lessee shall be the owner of such USTs for statutory purposes. Installation of USTs shall comply with the "code of practice" set forth in Part 280. Lessee is solely responsible for the design, construction, installation, operation, monitoring, inspection, repair and maintenance of any and all USTs, including any connected piping and/or dispensing apparatus. Lessee shall provide to Lessor a copy of the Arizona Department of Environmental Quality *Notification of Underground Storage Tank Registration* that Lessee submits to the state. All USTs shall meet or exceed the tank performance standard for USTs installed after December 22, 1998, including corrosion protection, leak detection and spill/overflow protection. Any UST that stores flammable and combustible liquids shall meet the provisions of NFPA 30, *Flammable and Combustible Liquids Code*. Records demonstrating compliance with release detection requirements, including product inventories, calibration and maintenance, sampling, tightness testing and any other records, fees and taxes required by the state or federal governments shall be the responsibility of Lessee. Upon the expiration of this Lease, Lessee shall remove all USTs in compliance with all UST closure requirements under all applicable Environmental Laws in effect at that time unless otherwise allowed by Lessor.

14.4 Indemnification. To the fullest extent permitted by law, Lessee shall indemnify, defend (with counsel reasonably acceptable to Lessor), protect and hold harmless Lessor and its employees and agents for, from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity ("**Environmental Damages**") which are incurred or assessed as a result of any of Lessee's activities or operations on the Premises or Airport. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the property, land, soil and underground or surface water as required under the law. Lessee's obligations and liabilities under this

Section 14.4 shall survive the termination of this Lease. The indemnification of Lessor by Lessee as described above includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision. Lessor reserves the right to seek injunctive relief as may be permitted under law and equity. This Section 14.4 explicitly excludes Lessee duty, liability or indemnity to Lessor for any claims or Environmental Damages of any kind whatsoever arising from or in connection with any contamination of any kind existing on the Premises prior to the Effective Date, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.5 Remediation. Without limiting the foregoing, if the presence of any Hazardous Material during the Term of this Lease caused or permitted by Lessee to be first brought on the Airport or Premises upon or after the Effective Date results in any Release on the Airport or Premises in violation of any Environmental Law, Lessee shall promptly take action to remediate the affected property at its sole expense as necessary to return the Airport or Premises to the condition existing prior to the introduction of any such Hazardous Material to the Airport or Premises; provided that Lessor's approval of such actions shall first be obtained, which approval shall not, except in an emergency, be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Airport and Lessee is not under administrative or court order related to such remediation action. Notwithstanding Lessor's approval pursuant to this Section 14.5, Lessor is not responsible for directing or managing any remediation action. For purposes of this Section 14.5, the term "**Release**" means any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping. This Section 14.5 also applies to Lessee's remediation of any contamination of any kind existing on the Premises or Airport prior to the Effective Date, including any such contamination that may be first discovered after the Effective Date but not caused by Lessee, except and only to the extent known contamination is exacerbated by Lessee or unknown contamination is exacerbated by Lessee's negligence.

14.6 Governmental Submittals. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority ("**Government**") under the Environmental Laws. Should the Government determine that a site characterization, site assessment and/or cleanup plan should be prepared and/or that a cleanup should be undertaken because of any spills or discharges of Hazardous Material by reasons of Lessee's activities or actions at the Airport which occur during the Term of this Lease, then Lessee shall, at the Lessee's own expense, prepare and submit the required plans and financial assurances, and carry out the approved plans.

14.7 Information Sharing.

14.7.1 Lessee shall immediately notify Lessor of any of the following: (i) Lessee's receipt of any notification from any governmental entity either charging or informing Lessee that it will be charged with a significant violation of Environmental Law (as defined below), and (ii) any significant change in Lessee's activities on the Premises that is reasonably likely to adversely change Lessee's obligations or liabilities under the Environmental Laws. In addition, Lessee agrees to provide Lessor with non-privileged copies of documents reflecting the physical condition of the Premises, including but not limited to, environmental testing of soils and groundwater, and existing, non-privileged information reasonably requested by Lessor to determine the applicability of the Environmental Laws to the Premises, or to assist in the response to any governmental investigation or claim of liability by third parties which is related to environmental contamination of the Premises, to the extent that such investigations or claims are related to Lessee's activities thereon. A "significant violation of Environmental Law" shall be any violation that requires more than ONE HUNDRED EIGHTY (180) calendar days to resolve.

14.7.2 Lessee shall install on any UST that it is permitted to install pursuant to Section 14.3.3, a method or a combination of methods for Release detection that can detect a Release from any portion of the UST and any connected underground piping. Lessee shall immediately notify Lessor's Operations and

Maintenance Department upon discovering a Release or Suspected Release of any amount of material that is stored inside a UST. For purposes of this Section, a "Suspected Release" is any discovery of released Hazardous Material at the UST site or surrounding area, erratic behavior of Hazardous Material dispensing equipment, the sudden loss of a Hazardous Material, an unexplained presence of water in the UST, or when monitoring indicates that a Release has occurred. In the case of inventory control, Lessee shall notify the Lessor's Operations and Maintenance Department when the second consecutive month of inventory reconciliation data indicates that there is a discrepancy in the figures recorded.

14.8 Sublease. Lessee shall insert provisions substantially identical to the provisions of this Section 13.1 in any sublease agreement or contract by which it grants a right or privilege to any person, firm, corporation or other entity under this Lease.

14.9 Actions of Lessee. The activities or actions of Lessee under this Section 13.1 shall include the activities or actions of Lessee's officers, directors, employees, agents, contractors, invitees and successors.

14.10 Clean Water Act; NPDES Permits and SWPPPs. Without in any way limiting the foregoing, Lessee shall comply with all Environmental Laws regarding discharges to water and land, including, without limitation, obtaining and complying with an individual National Pollutant Discharge Elimination System (NPDES) permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit ("**MSGP**"). If applicable, Lessee shall also prepare and comply with a site-specific MSGP with an individual Storm Water Pollution Prevention Plan ("**SWPPP**") or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Premises or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent ("**NOI**") that has been received by the Arizona Department of Environmental Quality ("**ADEQ**") and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

14.11 Environmental Assessments.

14.11.1 If, during the Term of this Lease, any of Lessee's USTs are suspected of or known to be leaking, Lessee shall perform, or cause to be performed, a site characterization of the Premises and/or UST site using all appropriate sections of the LUST Site Characterization Manual dated January 15, 1999, or the most current edition, including tables 1 through 6, as applicable ("**Site Characterization**").

14.11.2 Within THIRTY (30) calendar days immediately preceding the expiration of this Lease or within THIRTY (30) calendar days of any earlier termination of the Lease, Lessee shall:

(a) Deliver to Lessor: (i) a Phase I environmental site assessment that conforms to the standards set forth in 42 USC § 9601(35)(B), as amended by Pub. L. 107-118 (Jan. 11, 2002), section 223(2), and as may be further amended, and any regulations thereunder; and (ii) an environmental compliance audit assessing the status of regulatory compliance of the Premises and all operations and activities thereon; both prepared by a qualified engineer licensed by the State of Arizona; and

(b) In the event Lessee installs any USTs upon the Premises or elsewhere on the Airport, perform or cause to be performed a Site Characterization of the Premises in the event there is evidence that there has been or may be a leak or Release of the UST contents; and

(c) If either the assessment described in Section 14.11.2(a)(i) above or the Site Characterization described in Section 14.11.2(a)(ii) above identifies any "recognized environmental condition," or any other condition indicating a known or potential liability, including, but not limited to, a known or potential violation of any Environmental Law or a past, present, or material threat of a future release of a hazardous substance or a petroleum product into the environment, Lessor reserves the right, at Lessor's sole discretion, to require Lessee to conduct, at Lessee's sole expense and with a scope of work subject to Lessor's

approval, further reasonable investigations and reasonable remediation.

14.12 Protective Devices and Plans. If Lessee is required by the City to estimate the possible constituents of sanitary sewer discharges in order that the City may define certain discharge limitations for the Premises, Lessee shall complete and return an *Industrial Wastewater Discharge Questionnaire* ("**Questionnaire**") to the City and promptly provide Lessor with updates to the Questionnaire as they arise. Also, if the City so requires, Lessee shall install and maintain appropriate protective devices to prevent accidental discharge of any Hazardous Material into domestic or industrial drains on or near the Premises and elsewhere on the Airport, as appropriate, and for any other material for which a slug load discharge could pollute the Airport's storm water discharge or disrupt operations at the sewage treatment plant serving the Premises. Lessee shall post a notice in a prominent place on the Premises advising employees what actions to take and whom to call in the event of said discharge, and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide Lessor with immediate notice of any spill.

14.13 Right to Enter Premises. In addition to the rights afforded to Lessor in Section 19, this Lease specifically includes the right of the United States Government, the Environmental Protection Agency (the EPA), ADEQ and the Arizona Department of Occupational Safety and Health (ADOSH) to enter the Premises upon reasonable notice to Lessee for purposes of: (i) inspecting Lessee's compliance with environmental, occupational safety and health laws and regulations, whether or not such party is responsible for enforcing such laws; (ii) conducting environmental investigation or remediation, including, without limitation, performing tests and surveys, drillings, test-pitting, borings, compiling data and/or records, and other activities related to environmental investigation; and (iii) carrying out remedial or removal actions as required or necessary under applicable laws, including, without limitation, installing monitoring wells, pumping wells and/or treatment facilities. Lessee shall have no claim against Lessor for any entries by the United States, EPA, ADEQ, Arizona ADOSH, or any officer, agent, employee or contractor thereof.

14.14 U.S. Air Force Use and Remedial Action.

14.14.1 The Parties assume no liability or responsibility for environmental impacts and Environmental Damages or claims of any kind whatsoever caused by or resulting from the U.S. Air Force's use of Hazardous Material on any portion of the Airport, including the Premises, prior to the Effective Date, and have no obligation under this Lease to undertake the defense of any claim or action, whether in existence now or brought in the future, solely arising out of the use of or release of any Hazardous Material or deposits of solid waste on or from any part of the Airport, including, but not limited to, the Premises, even if such claims or contamination are first discovered or made after the Effective Date. Further, the Parties have no obligation under this Lease to undertake environmental response, remediation, or cleanup relating to any contamination caused by or related to such use or release. For purposes of this Section 14.14, "defense" or "environmental response, remediation, or cleanup" shall include liability and responsibility for the costs of damage, penalties, legal and investigative services relating to such use or release. The terms, "**Occupation**" or "**Use**" shall mean any activity or presence (in or upon) such portion of, or such building, facility or other improvement on the Premises.

14.14.2 Pursuant to Section VII.E.3 of the Deed (as defined herein), the U.S. Air Force warrants and covenants that all remedial action necessary to protect human health and the environment with respect to hazardous substances remaining on the Airport, including the Premises, has been completed prior to the date of the Deed and, further, any remedial action found to be necessary after the date of the Deed shall be conducted by the U.S. Air Force; provided, however, that the foregoing covenant does not apply where Lessor or Lessee is a potentially responsible party with respect to any portion of the Premises or the Airport.

14.15 Cleanup Requirements. Lessee agrees that Lessor assumes no liability to Lessee should Hazardous Material cleanup or related requirements, whether imposed by law, regulatory agencies, the U.S. Air Force or Department of Defense cause delays or interferes with Lessee's use of the Premises. Lessee shall have

no claim against Lessor or the United States or any officer, agent, employee or contractor thereof on account of any such interference whether due to entry, performance of remedial or removal investigations, or exercise of any right with respect to the Federal Facilities Agreement (FFA) or the Installation Restoration Program (IRP) or under this Lease or otherwise. Lessee agrees to comply with the provisions of any health or safety plan in effect under the IRP or any hazardous substance remediation or response agreement with environmental regulatory authorities during the course of any of the above described response or remedial actions. Any inspection, survey, investigation, or other response or remedial action conducted by Governmental Authorities or Lessor shall, to the extent practicable, be coordinated with representatives designated by Lessee.

14.16 Spill Protection Plan. In the event Lessee undertakes any type of manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws, Lessee shall have a plan for responding to Hazardous Material, fuel, and other chemical spills prior to commencement of activities on the Premises and other approved Airport locations. Such plan shall comply with all applicable requirements of said plan which shall be updated from time to time or as may be required to comply with changes in site conditions or applicable requirements, and shall be approved by all agencies that are obligated by law to approve such plan. Such plan shall be independent of Lessor's spill prevention and response plans, if any. Lessee shall not rely on use of Lessor or Lessor personnel or equipment in execution of its plan. Lessee shall file a copy of the plan and amendments thereto with Lessor's Environmental and Archeological Coordinator prior to the date that Lessee commences any manufacturing, maintenance or other activities on the Premises involving the use or generation of any Hazardous Material regulated by Hazardous Material Laws. Notwithstanding the foregoing, should Lessor provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of Lessor, conducting fire-fighting, containment or timely cleanup actions, Lessee agrees to reimburse Lessor for its actual costs in accordance with all applicable laws and regulations, except to the extent that Lessor was responding to conditions caused by events occurring at the Airport (not including the Premises) or by the negligence or omission of Lessor or its employees, agents or contractors.

14.17 Wells. Lessee shall not install any drinking water or other wells in any location on the Premises without the prior written approval of Lessor, except to the extent that the installation of a monitoring well is required by Governmental Authorities.

14.18 Surface Disturbances. After construction of Lessee's improvements on the Premises, if any, either in the future or as otherwise provided herein, Lessee shall not conduct any subsurface excavation, digging, drilling or other disturbance of the surface other than what is usual and customary for the anticipated uses without the prior written approval of Lessor, which shall not be unreasonably withheld, conditioned or delayed.

14.19 Later Discovered Hazmat. If any Hazardous Material is newly discovered on a portion of the Property after the Effective Date that: (a) (i) were not placed on or introduced to the Property by Lessee, and (ii) were present on the Premises prior to the Effective Date (collectively, "**Later-Discovered, Pre- Existing Hazmat**"); and (b) such Later-Discovered, Pre-Existing Hazmat will cause Unavoidable Delay in the construction of Improvements; Lessee shall immediately notify Lessor and cease development activity in the impacted area of the Premises, and Lessee shall have the right to either (a) conduct such investigations and remedial actions as necessary under applicable Environmental Law and continue development activity as the remedial process allows (and reserve any rights it may have to seek whatever compensation it is entitled to recover), if Lessor does not agree, within SEVEN (7) business days of receiving notice contemplated under this Section, to promptly investigate and remediate the detected contamination in accordance with Environmental Law, and on a schedule and in a manner that does not interfere with Lessee's development, use or construction plans, or (b) terminate this Lease upon written notice to Lessor.

15. PROTECTION OF WETLANDS.

Lessee shall minimize the destruction, loss, or degradation of any wetlands located on the Premises.

Lessor believes there are no wetlands existing on the Premises as of the Effective Date. However, before locating new construction in wetlands, if any exist, Lessee shall contact Lessor and the permitting authority and obtain a permit or waivers under Section 404 of the Clean Water Act. For purposes of this Section 15, the term, "new construction," includes structures, facilities, draining, dredging, channeling, filling, diking, impounding, and related activities.

16. SPECIAL PROVISIONS.

16.1 Lessee shall comply with all applicable Federal, State, and local occupational safety and health regulations.

16.2 Lessee shall be responsible for determining whether it is subject to State and local sanitation, licensing, building code or building permit requirements and whether or not it requires a permit to do business and for compliance with them to the extent they are applicable.

17. INSURANCE.

17.1 Coverage Required. Lessee shall procure and maintain, or cause to be procured and maintained, the following types and amounts of insurance with respect to the Premises:

17.1.1 *Builders Risk* insurance covering the insured's premises and all replacements and/or additions thereto for their full insurable value plus ten percent (Cost + 10%) on a "replacement cost" basis with an ISO Special Causes of Loss form or equivalent required until completion of construction of the improvements upon the Premises. Builder's Risk Insurance shall be in place during active construction of the Improvements. Lessor agrees that Builder's Risk Insurance shall be, upon acceptance of the Improvements by the City of Mesa and/or occupancy of the Improvements for the intended use, no longer required in the form of Builder's Risk Insurance and shall be replaced by Lessor's General Liability and Property coverage as placed upon completion of the construction of the Improvements. Lessor agrees to perform this transition without any lapse or gap in coverage.

17.1.2 *Comprehensive General Liability* $5,000,000 per occurrence covering third party bodily injury and property damage on an occurrence basis in an amount not less than, including coverage for "premises/operations", "products and completed operations", "professional", "host liquor" and "blanket contractual liabilities".

17.1.3 *Commercial Auto Liability* - $1,000,000 per occurrence covering all owned, non-owned and hire vehicles operated on the Airport that are assigned to or used in the performance of commercial activities. If any hazardous materials are transported with Airport boundaries in conjunction with the operator's business activities, and MSC-90 Endorsement is required.

17.1.4 *Environmental Coverage* $2,000,000 per occurrence. – covering third party bodily injury and property damage associated with hazardous material storage facilities, tanks, pining, ancillary equipment and containment structures, or structures that are used, controlled, constructed or maintained at the Airport, and including expenses for defense, release mitigation and off-and on-site remediation.

17.1.5 *Personal Property Coverage* – covers all essential personal property (property essential to continued business operations) and all operator improvements made to buildings or facilities on the Airport, including all replacements and./or additions thereto, for their full insurable value (All Risks) on a replacement cost basis, and requires and ISO Special Cause of Loss form. Coverage shall be for risks of direct physical loss or damage, including the perils of Equipment Breakdown/Boiler & Machinery, Flood and Earth Movement. The limit shall be equivalent to at least full replacement cost value of personal property & improvements. Coverage shall be on a replacement cost basis. If there is a coinsurance provision, it shall be waived by an

Agreed Amount endorsement. Lessee's policy shall name Lessor as Loss Payee as their interest may appear.

17.1.6 *Worker's Compensation* insurance, as required by law, and *Employer's Liability* insurance in the amount of $1,000,000 covering work-related injuries to employees and others permitted to operate or otherwise conduct business on the Premises.

17.2 Form. Each insurance policy obtained pursuant to this Section, except for *Worker's Compensation and Employer's Liability* policies, shall: (i) name Lessor as a certificate holder and additional named insured via endorsement; (ii) contain a provision that written notice of cancellation or modification thereof shall be given to Lessor not less than THIRTY (30) calendar days before such cancellation or modification takes effect (TEN (10) days in case of nonpayment of premium); and (iii) contain a waiver of subrogation in favor of Lessor. Lessee shall not permit any insurance policy to be canceled or modified without Lessor's written consent unless equivalent replacement policies are issued with no lapse in coverage. All policies shall be obtained from insurance companies licensed to do business in the State of Arizona and possessing a rating of at least A – VII or higher from the A.M. Best Company, or an equivalent rating and approved by Lessor.

17.3 Certificates of Insurance. Lessee shall deliver to Lessor a certificate of insurance for each policy required herein to Lessor, in standard Acord or equivalent form, prior to the Effective Date and shall continue to provide such certificates throughout the Term of this Lease.

17.4 Additional Insurance. At any time during the Term of this Lease, Lessor may, if in its reasonable determination the insurance coverage required by this Section 17 is no longer adequate, require Lessee to increase its coverage to commercially reasonable amounts.

17.5 Blanket Insurance. Lessee's insurance obligations under this Lease may be satisfied by means of "blanket" or excess policies.

17.6 Insurance by Lessor. In the event Lessee shall fail to procure any insurance required hereunder, Lessor may, upon written notice to Lessee, procure and maintain any or all of the insurance required of Lessee under this Section. In such event, all costs of such insurance procured and maintained by Lessor on behalf of Lessee shall be the responsibility of Lessee and shall be fully reimbursed to Lessor within TEN (10) business days after Lessor advises Lessee of the cost thereof.

18. SURRENDER OF POSSESSION.

18.1 Condition of Property.

18.1.1 Upon the expiration or earlier termination of this Lease, Lessee's right to occupy the Premises and exercise the privileges and rights granted thereunder shall cease, and Lessee shall peaceably surrender the same and leave the Premises broom clean and in good condition except for normal wear and tear, casualty (subject to Lessee's obligation under Section 7.7) and condemnation. Lessee shall not be responsible for the removal or remediation of any Hazardous Material that was present on, under or near the Premises prior to occupancy, regardless of the date of discovery of such Hazardous Material, and shall not be responsible for returning the Premises in a better condition than existed on the Effective Date, except as expressly provided hereunder. All trade fixtures, equipment, and other personal property installed or placed by Lessee on the Premises which are not permanently affixed thereto shall remain the property of Lessee, and Lessee shall have the right at any time during the Term of this Lease, to remove the same from the Airport and Lessee shall repair, at its sole cost, any damage caused by such removal. Any property not removed by Lessee within FIFTEEN (15) calendar days of the expiration or earlier termination of this Lease, or revocation of Lessee's right to occupy the Premises, shall become a part of the Premises, and ownership thereof shall vest in Lessor. Lessee shall, however, remain financially liable to Lessor for the cost of repairs to the Premises incurred as a result of Lessor's removal and/or relocation of property formerly belonging to Lessee and not otherwise removed from

the Premises, as provided herein, and shall remit to Lessor payment for such costs within TEN (10) business days of Lessee's receipt of Lessor's invoice therefor.

18.1.2 Any trade fixtures, equipment or other property affixed to the Premises by Lessee shall, if required in a written notice to Lessee from Lessor at the time of Lessor's approval of the same, be removed from the Premises by Lessee, at Lessee's expense, within FIFTEEN (15) business days after Lease termination. Should Lessee fail to remove such trade fixtures, equipment or other property within said time, Lessor may remove and dispose of such trade fixtures, equipment or other property at Lessee's expense, and Lessee shall reimburse Lessor for the costs thereof within TEN (10) business days of receipt of Lessor's invoice therefor.

18.2 Holding Over. Lessee shall not remain in possession of the Premises after the expiration or earlier termination of the Term without the express written consent of Lessor. Should Lessee hold over without the express written consent of Lessor, such tenancy shall be at the sufferance of Lessor and not a renewal of the Term. In such case, the Base Rent and all other charges due pursuant to this Lease shall be payable at ONE HUNDRED FIFTY PERCENT (150%) of the amount payable during the last year of the Term, and such tenancy at sufferance shall be subject to every other term, covenant and provision of this Lease. In the event Lessee holds over, Lessee shall be liable for all of Lessor's direct and consequential damages, which shall include, without limitation, costs, fees, expenses, damages and attorneys' fees incurred by Lessor as a result of Lessee's holding over, and damages and expenses incurred by Lessor for its inability to deliver possession of the Premises to a new lessee solely as a result of Lessee's holding over.

19. INSPECTION BY LESSOR.

Lessor may enter upon the Premises at reasonable times during Lessee's normal business hours and upon at least TWO (2) business days' prior written notice to Lessee (except in emergencies, in which event Lessor shall notify Lessee promptly following such emergency entry) for any reasonable purpose, including, but not limited to, compliance with the terms and conditions of this Lease and the exercise of its governmental functions for such activities as fire protection or security. Lessee may accompany Lessor on any Lessor inspections and entries. Lessor shall take reasonable steps to avoid interrupting or disrupting the conduct of business of Lessee on the Premises.

20. NOTICES.

20.1 All notices required or permitted under this Lease shall not be effective unless personally delivered or mailed by certified mail, return receipt requested, postage prepaid, or by reputable commercial overnight courier service, to the following addresses:

TO LESSOR: Phoenix-Mesa Gateway Airport Authority
Attn: Business Development Department
5835 South Sossaman Road
Mesa, Arizona 85212

TO LESSEE: SkyB Lot 118 LLC
Attn.: Felipe Monroy Torres
2415 E. Camelback Road, Suite 700
Phoenix, AZ 85016

With a required copy to: Warner Angle Hallam Jackson & Formanek PLC
Attention: James Valletta
2555 E. Camelback Road, Suite 800
Phoenix, AZ 85016-9256

20.2 Any notice shall be deemed to have been received TWO (2) business days after the date of mailing, if given by certified mail, or upon actual receipt if personally delivered or if given by reputable commercial overnight courier service. Any Party may designate in writing a different address for notice purposes pursuant to this Section.

21. SEVERABILITY.

Should a court of competent jurisdiction declare any provision of this Lease invalid, the remaining terms shall remain effective.

22. SALES AND PROPERTY TAXES.

Lessee shall pay any leasehold tax, sales tax, personal property tax, transaction privilege tax, license or permit fee, or any other tax assessed as the result of its occupancy of Premises or conduct of any activity at the Airport under authority of this Lease, including any such tax assessable on Lessor as a result thereof. In the event that laws or judicial decisions result in the imposition of a real property tax or any other form of tax or imposition on the interest of Lessor, such tax shall also be paid by Lessee for the period this Lease is in effect, to the extent such taxes are reasonably attributable to the Premises or a portion thereof or the operation of Lessee's business.

23. APPROVALS, CONSENTS AND NOTICES.

All approvals, consents and notices called for in this Lease shall be in writing, signed by the appropriate Party, and may not be established solely by oral testimony.

24. LIENS AND MORTGAGES.

24.1 General Provisions.

24.1.1 Except as provided in this Section 24, Lessee shall not engage in any financing or other transaction creating any mortgage or deed of trust upon the Premises, place or suffer to be placed upon the Premises any lien or other encumbrance, or suffer any levy or attachment to be made on Lessee's interest in the Premises. Any such mortgage or deed of trust, encumbrance or lien shall be deemed a violation of this Section, constituting a failure by Lessee to comply with the terms of the Lease, on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

24.1.2 Notwithstanding anything to the contrary in this Lease to the contrary, Lessee shall, during the Term, be permitted to pledge Lessee's ownership interests and/or mortgage, collaterally assign, or otherwise encumber its leasehold interest (including any interest in the improvements) under this Lease pursuant to one or more Mortgages, as defined below, to secure indebtedness, including, without limitation, one or more loans to finance construction of improvements and other development on the Premises, and including refinancings thereof, subject to the restrictions of Section 24.1.4.

24.1.3 Any such encumbrance, including leasehold deed of trust, is referred to as a "**Mortgage**" and the holder thereof a "**Mortgagee**." The Mortgagee, upon taking possession or upon foreclosure or taking an assignment in lieu thereof, shall be liable for all future rents and obligations hereunder and shall attorn to Lessor. In no event shall any Mortgagee be responsible or liable for any claims against Lessee or any of Lessee's agents, employees, invitees, contractors or representatives for any death, injury, illness, damage to or loss of property (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease), or tort related claims. In no event shall any Mortgagee be liable for the actions or omissions of Lessee or Lessee's agents, representatives, employees, contractors, or invitees (except only to the extent provided hereinafter with respect to a default by Lessee under this Lease). The Mortgagee shall not be

responsible or liable for any default by Lessee under this Lease, except, and only, to the extent that such default continues for a period of THIRTY (30) days (or such additional time as is reasonably necessary for Mortgagee to cure such default, so long as Mortgagee is diligently pursuing action to cure the default) after (i) Mortgagee shall have obtained possession through a court-appointed receiver or ownership of the Premises, (ii) the Mortgagee shall have received written notice of such default at the same time that Lessor notifies Lessee of such default, (iii) any notice or cure period related to such default as provided in this Lease and in Section 24.2 and Section 24.3 below shall have elapsed without such default having been cured, and (iv) such default is reasonably capable of being cured by the Mortgagee. No Mortgage shall encumber Lessor's interest in the Premises or Lessor's interest in the improvements thereon. Further and promptly after Lessee assigns or encumbers any portion of the Premises or the improvements thereon, Lessee shall furnish Lessor with a written notice setting forth the name and address of such Mortgagee or trustee.

24.1.4 No Mortgage or deed of trust shall extend to or affect the fee, the reversionary fee interest or the estate of Lessor in the Premises. No Mortgage or deed of trust shall be binding upon Lessor in the enforcement of its rights and remedies under this Lease and by law provided, unless and until a copy thereof shall have been delivered to Lessor and such Mortgage or deed of trust is authorized in accordance with provisions of this Section 24.

24.1.5 Notwithstanding anything to the contrary in this Section 24, Lessor shall have all rights and remedies under Section 11 with respect to any Event of Default that continues after expiration of all applicable notice and cure periods set forth in Section 11.1 and this Section 24.

24.2 Lessor Agreement. With respect to Mortgagees of the Premises, Lessor agrees that:

24.2.1 If requested by a Mortgagee which shall have duly registered in writing with Lessor its name and address, and if Lessor shall give any notice, demand, election or other communication required hereunder (hereafter, collectively, "**Notices**") to Lessee, Lessor shall concurrently give a copy of each such Notice to the Mortgagee at the address designated by it. Notices shall be sent by registered or certified mail, return receipt requested, and shall be deemed given seventy-two (72) hours after the time they are deposited in a United States Post Office with postage charges prepaid, addressed to the Mortgagee. No Notice given by Lessor to Lessee shall be binding upon or affect Lessee or the Mortgagee unless a copy of the Notice shall be given to the Mortgagee pursuant to this Section 24.2.1.

24.2.2 Such Mortgagee entitled to such Notices, as specified above, shall have any and all rights of Lessee with respect to the curing of any default hereunder by Lessee.

24.2.3 If Lessor shall elect to terminate this Lease by reason of any default by Lessee with respect to the Premises, the Mortgagee that shall have become entitled to Notice as provided in this Section 24.2 shall have any and all rights of Lessee with respect to curing of any default with respect to the Premises.

24.2.4 Nothing herein contained shall be deemed to impose any obligation on the part of Lessor to deliver physical possession of the Premises to such holder of a Mortgage. To the extent the physical possession of the Premises by a secured creditor is not inconsistent with the terms of this Lease, or is incompatible with the Lessor's selection of available remedies in the Event of Default, Lessor shall not prevent such physical possession. If more than one Mortgagee shall seek to exercise any of the rights provided for in this Section 24, the holder of the Mortgage having priority of lien over the other Mortgagees shall be entitled, as against the others, to exercise such rights. Should a dispute arise among Mortgagees regarding the priority of lien, the Mortgagees shall prove to the satisfaction of Lessor that they have settled that dispute.

24.3 Protection of Mortgagee(s). Until the time, if any, that an approved Mortgage shall be satisfied and released of record:

24.3.1 A Mortgagee shall have the right, for a period equal to the period afforded Lessee under this Lease to perform any term, covenant, or condition and to remedy any default by Lessee hereunder, plus such additional time that is reasonably needed for Mortgagee to exercise Lessee's rights to cure any defaults subject to the following: (a) if the default cannot be cured by Mortgage, no additional time shall be allowed; (b) if the default can be cured by Mortgagee, such additional period of time shall not exceed SIX (6) months after Mortgagee's receipt of such Notice, unless a longer period of time is otherwise approved by Lessor in writing; (c) if curing the default requires that Mortgagee has possession through a court-appointed receiver or ownership of the Premises, Mortgagee shall be diligently pursuing action to take possession through a court-appointed receiver or ownership of the Premises; and (d) Mortgagee shall not be entitled to more than TEN (10) days of additional time to cure any defaults in the payment of Base Rent. Lessor shall accept such performance with the same force and effect as if furnished by Lessee, and the Mortgagee shall thereby and hereby be subrogated to the rights of Lessor. Such Mortgagee cure period shall begin on the later of: (i) the date Mortgagee receives notice pursuant to Section 24.2, or (ii) the date that Lessee's cure period expires under this Lease. During such Mortgagee cure period, Lessor will not terminate this Lease or disturb possession, interest or quiet enjoyment by the Lessee or Mortgagee in the Premises or improvements for any reason, subject to the terms of this Lease, until such Mortgagee cure period has expired. The Mortgagees and their respective designees shall have the right to enter upon the Premises to give such performance.

24.3.2 In case of an Event of Default by Lessee in the performance or observance of any non-monetary term, covenant or condition to be performed by it hereunder, if such Event of Default cannot practicably be cured by the Mortgagee without taking possession or ownership of the Premises, in such Mortgagee's reasonable opinion, or if such Event of Default is not susceptible of being cured by the Mortgagee, then:

(a) The Mortgagee shall proceed diligently to obtain possession through a court-appointed receiver or ownership of the Premises, and, upon obtaining such possession, shall proceed diligently to cure such defaults as are reasonably susceptible of cure (subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession); or

(b) The Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion (unless in the meantime it shall acquire Lessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure), subject to any order by a court of competent jurisdiction staying or otherwise precluding such Mortgagee from obtaining such possession.

(c) The Mortgagee shall not be required to obtain possession or to continue in possession of the Premises pursuant to Section 24.3.2(a), or to continue to prosecute foreclosure proceedings pursuant to Section 24.3.2(b), if and when such Event of Default shall be cured.

(d) If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof by any process or injunction issued by any court, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Lessee, the times for commencing or prosecuting foreclosure or other proceedings, including proceedings to obtain possession, shall be extended for the period of the prohibition.

24.4 New Lease

24.4.1 Lessor agrees that, in the event of early termination of this Lease for any reason (including but not limited to any default by Lessee), Lessor, if requested by any Mortgagee, will enter into a new lease of the Premises with the most senior Mortgagee requesting a new lease, which new lease shall commence as of the date of termination of this Lease and shall run for the remainder of the original Term of this Lease (plus any applicable Renewal Term if exercised), at the rent and upon the terms, covenants and conditions herein contained, provided that:

(a) Such Mortgagee shall make written request upon Lessor for the new lease within SIXTY (60) calendar days after the date such Mortgagee receives written notice from Lessor that this Lease has been terminated;

(b) Such Mortgagee shall pay to Lessor, at the time of the execution and delivery of the new lease, any and all Base Rent payments, finance charges and late fees which would, at that time, be due and unpaid pursuant to this Lease but for its termination, and in addition thereto all reasonable expenses, including reasonable attorneys' fees, which Lessor shall have incurred by reason of the preparation of such new lease;

(c) Such Mortgagee shall perform and observe all covenants in this Lease to be performed and observed by the lessee under such new lease from and after full execution and delivery of such new lease, and shall within a reasonable period of time (not to exceed the time frames set forth in Section 24.3.1 above) after full execution and delivery of such new lease remedy any other conditions which Lessee under the terminated Lease was obligated to perform under its terms and did not perform, to the extent the same are reasonably susceptible of being cured by the Mortgagee; and

(d) The lessee under the new lease shall have the same rights, including the right of occupancy to the buildings and improvements on the Premises and elsewhere on the Airport as Lessee had under this Lease immediately prior to its termination.

Notwithstanding anything to the contrary expressed or implied in this Lease, any new lease made pursuant to this Section 24 shall have the same priority as this Lease with respect to any mortgage, deed of trust, or other lien, charge, or encumbrance on the fee of the Premises, and any sublease under this Lease shall be a sublease under the new Lease and shall not be deemed to have been terminated by the termination of this Lease.

24.4.2 Nothing herein contained shall require any Mortgagee to enter into a new lease pursuant to this Section 24.4, or to cure any default of Lessee referred to above.

24.4.3 If any Mortgagee shall request a new lease as provided in this Section 24.4, Lessor agrees, at the request of, on behalf of and at the expense of the Mortgagee, to institute and pursue diligently to conclusion the appropriate legal remedy or remedies to oust or remove the original Lessee from the Premises, but not any authorized subtenants actually occupying the Premises or any part thereof.

24.4.4 Unless and until Lessor has received notice from each Mortgagee that the Mortgagee elects not to demand a new lease as provided herein, or until the period therefor has expired, Lessor shall not cancel or agree to the termination or surrender of any existing subleases nor enter into any new leases or subleases with respect to the Premises without the prior written consent of each Mortgagee.

24.5 Effect of Transfer. Neither the foreclosure of any Mortgage (whether by judicial proceedings or by virtue of any power of sale contained in the Mortgage), nor any conveyance of the leasehold estate created by this Lease by Lessee to any Mortgagee or its designee by an assignment or deed in lieu of foreclosure or other similar instrument, shall require the consent of Lessor or constitute a default or Event of Default under this Lease, and upon such foreclosure, sale or conveyance, Lessor shall recognize the purchaser or other transferee in connection therewith as the Lessee under this Lease, subject only to an assumption in writing by such purchaser or transferee of all obligations of Lessee under this Lease from and after the date of such assumption.

25. GOVERNING LAW; ATTORNEY'S FEES.

The laws of the State of Arizona shall govern the matters set forth in this Lease. Venue of any action

brought under this Lease shall, at the option of Lessor, lie in Maricopa County, Arizona.

26. RULES AND REGULATIONS.

Lessee shall at all times comply with all Federal, state and local laws, ordinances, rules, and regulations which are applicable to its activities on the Airport, the Premises itself (including but not limited to the *Americans with Disabilities Act*), or the operation, management, maintenance, or administration of the Airport, including all laws, ordinances, rules and regulations adopted after the Effective Date. Lessee shall at all times comply with the *Airport Minimum Standards* and *Airport Rules and Regulations*, as the same may be amended from time to time. Copies of the current *Airport Minimum Standards* and *Airport Rules and Regulations* are attached hereto as **Exhibit D**. Lessee acknowledges and agrees that Lessor may amend the *Airport Minimum Standards* and *Airport Rules and Regulations* at any time in Lessor's commercially reasonable discretion. Lessee shall, within a reasonable period of time, reasonably display to Lessor any permits or licenses required by law or other evidence of compliance with laws upon written request.

Lessor shall use commercially reasonable efforts to timely notify Lessee of any updates in the *Airport Rules and Regulations*, the *Airport Minimum Standards*, the *Aviation Fuel Storage, Dispensing and Handling Guidelines*, and the Airport *Fly Friendly Procedures*.

27. CORPORATE AUTHORIZATION.

In executing this Agreement, each of Lessor and Lessee represents and warrants to the other that if such Party is a corporation, or other legal entity, each Party has obtained and been granted the full right, power and authority to enter into this Lease.

28. UTILITY LINES AND SERVICE CHARGES.

28.1 Lessee shall, at no cost or expense to Lessor, provide or arrange for any public utility, water and sewage lines, connections and services that are needed in connection with any building(s), structure(s) or other improvement(s) placed on the Premises by Lessee, or required for Lessee's activities thereon, and shall be responsible for the maintenance of such lines and connections from where they enter the Premises. If requested to do so by Lessee from time to time during the Term, Lessor will grant reasonable easements and rights-of-way on or across the Airport for the development and use of the Premises (in accordance with this Lease), including, without limitation, to suppliers of public or private utility services for the purpose of supplying Lessee with such services, but Lessor reserves the right to reasonably designate the lands along which such easements and rights-of-way shall be granted so as to minimize the disruption of the operation of the Airport and other Airport tenants.

28.2 Lessee shall pay for all utilities, including trash collection, used in its operations at the Premises. The charges and method of payment for each utility or service shall be determined by the appropriate supplier of the utility or service in accordance with applicable laws and regulations, on such basis as the appropriate supplier of the utility or service may establish.

28.3 Notwithstanding the execution of this Lease, Lessor retains the right to the continued use of such utility lines and services as are presently on the Premises (so long as Lessor's use does not interfere with or disrupt Lessee's use, occupancy, development and subleasing activities), and the right to repair the same when necessary in Lessor's reasonable discretion, including but not limited to, any utility easements on the Premises. Lessor agrees to coordinate any entries onto the Premises with Lessee. Lessor shall conduct such use and repairs in such a manner and at such times as to not interfere with Lessee's activities thereon.

29. RESERVATIONS TO LESSOR.

Subject to Lessor's representations, warranties and obligations, the Premises are accepted "as is, where is" by Lessee, subject to any and all existing easements or other encumbrances. In advance consultation with Lessee, Lessor reserves the right to grant reasonable easements, rights-of-way, and permits, over, on, or across any portions of the Premises for commercially reasonable purposes; provided, that Lessor and the grantee, as applicable, shall not exercise such rights so as to interfere with or disrupt Lessee's activities on the Premises, including the development of the Premises, to be determined in the reasonable judgment of Lessor and Lessee, and all such interference shall be minimized. Lessor shall provide Lessee reasonable notice of any plan to undertake the activities contemplated under this Section and shall coordinate with Lessee regarding the execution of such plans to minimize any interference with Lessee's or any subtenant's activities on the Premises, that all work shall be in compliance with all applicable laws, including Environmental Law, and that the surface of the Premises shall be restored to its original condition, including any necessary remediation in accordance with Environmental Law of any contamination associated with any Hazardous Material disturbed during any construction, at no cost to Lessee, upon the completion of any construction. Lessor agrees that any rights granted to any parties by reason of this clause shall contain provisions obligating such parties to at a minimum the same conditions applicable to Lessor under this Section 29, including but not limited to that the surface of the Premises and any Improvements shall be promptly restored to their original condition, at no cost to Lessee, promptly upon the completion of any construction.

30. FEDERAL AVIATION ADMINISTRATION (FAA) PROVISIONS.

30.1 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation,* as it may be amended.

30.2 Lessee agrees that: (i) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex or national origin in the use of the Premises; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, or national origin; and (iii) that Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

30.3 Lessee assures Lessor that it will comply with pertinent statutes, Executive Orders, and rules promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, or sex, age or handicap, be excluded from participating in any activity.

30.4 Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance therefrom.

30.5 Lessor reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. Lessor and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

30.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States relative to the development, operation or maintenance of the Airport. Lessor agrees to reasonably consult with Lessee prior to executing or entering into any agreement that could reasonably be expected to have a material effect on the Premises, or on Lessee or its subtenants, or on any Permitted Uses, with the stated purpose of attempting in good faith to avoid any interference with,

disruption of, or restriction or limitation on Lessee's intended use and development of the Premises in accordance with this Lease.

30.7 There is reserved unto Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

30.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Premises or in the event of any planned modification or alteration of any present or future building or structure situated on the Premises.

30.9 Lessee shall not erect or permit the erection of any structure or building, nor permit the growth of any tree on the Premises, or any other obstruction that exceeds height requirements contained in 14 CFR Part 77 or amendments thereto, or interferes with the runway and/or taxiway "line of sight" of the control tower. In the event these covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object at the expense of Lessee.

30.10 Lessee shall not make use of the Premises in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, Lessor reserves the right to enter upon the Premises and cause the abatement of such interference at the expense of Lessee.

30.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C. §40103(e) and 47107 (a)(4).

30.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

30.13 To the extent that Lessee conducts or engages in any aeronautical activity for furnishing services to the public at the Airport, Lessee shall furnish its services on a reasonable and not unjustly discriminatory basis to all users and charge reasonable and not unjustly discriminatory prices for each unit or service; except, however, that Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

30.14 Lessee shall conform to Lessor and FAA safety and security rules and regulations regarding use of the Airport air operations area including runways, taxiways, taxilanes and aircraft aprons by vehicles, employees, customers, visitors, etc., in order to prevent security breaches and avoid aircraft incursions and vehicle/pedestrian deviations; complete and pass an airfield safe driving instruction program when offered or required by Lessor; and be subject to penalties as prescribed by Lessor for violations of Airport safety and security requirements.

31. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964.

31.1 Lessee agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated or identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. Lessee understands and acknowledges that the FAA

requires inclusion of and adherence to the terms and conditions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) ("**Title VI**") in all airport/aviation lease agreements where Lessor receives federal funding, including the Lease in this instance.

31.2 During the Term, Lessee, for itself, its assignees, and successors in interest agrees as follows:

31.2.1 Compliance with Regulations: Lessee will comply with the Title VI List of Pertinent Non-Discrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Lease.

31.2.2 Non-discrimination: Lessee, with regard to the work performed by it during Lease, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Lessee will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

31.2.3 Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding, or negotiation made by Lessee for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Lessee of Lessee's obligations under this Lease and the Non-discrimination Acts And Authorities on the grounds of race, color, or national origin.

31.2.4 Information and Reports: Lessee will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by Lessor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of Lessee is in the exclusive possession of another who fails or refuses to furnish the information, Lessee will so certify to Lessor or the Federal Aviation Administration as appropriate, and will set forth what efforts it has made to obtain the information.

31.2.5 Sanctions for Noncompliance: In the event of Lessee's noncompliance with the Nondiscrimination provisions of this Lease, Lessor will impose such default remedies as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

(a) withholding payments, if any, to Lessee under the Lease until Lessee complies; and/or

(b) cancelling, terminating, or suspending the Lease, in whole or in part.

31.2.6 Incorporation of Provisions: Lessee will include the provisions subsections 31.2.1 through 31.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Lessee will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Lessee becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Lessee may request Lessor to enter into any litigation to protect the interests of Lessor. In addition, Lessee may request the United States to enter into the litigation to protect the interests of the United States.

31.3 The Lessee for itself, and its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the ground of race, color, or national origin, will

be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Lessee will use the Premises in compliance with all other requirements imposed by or pursuant to the List of Pertinent Non-Discrimination Acts and Authorities.

31.4 During the performance of this Lease, Lessee, for itself, its assignees, and successors in interest agrees to comply with the following non-discrimination statutes and authorities; including but not limited to the following (which Lessor is required to disclose and include in such Lease and other agreements, pursuant to FAA regulation):

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*., 78 Stat. 252) (prohibits discrimination on the basis of race, color, national origin);

- 49 CFR Part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);

- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);

- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq*.) (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-209) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq), (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);

- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures non-discrimination against minority

populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 (2005));

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et *seq.*).

31.5 Lessee agrees that in the event improvements are constructed, maintained, or otherwise operated on the Premises for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, as it may be amended.

32. FEDERAL FAIR LABOR STANDARDS ACT

This Lease incorporates by reference the provisions of 29 CFR Part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. Lessee has full responsibility to monitor compliance to the referenced statue or regulation. Lessee must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

33. OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970

This Lease incorporates by reference the provisions of 29 CFR Part 1910 with the same force and effect as if given in full text. Lessee must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Lessee retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20CFR Part 1910). Lessee must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

34. INCORPORATION OF QUITCLAIM DEED.

Lessor owns the Airport pursuant to a Quitclaim Deed from the United States Government ("**Deed**"), a copy of which is available to Lessee upon request and is hereby incorporated in its entirety. To the extent the Deed has terms, conditions, obligations, requirements or restrictions that apply to this Lease, Lessor, Lessee or any matter in connection herewith, Lessee agrees to be bound by all the terms, covenants and conditions of the Deed, including the following:

34.1 That this Lease is subject to all terms and conditions of the Deed; and

34.2 That in case of any conflict between the Deed and this Lease, the Deed shall control.

35. REQUIRED PROVISIONS OF QUITCLAIM DEED.

35.1 Section VI (A)(5)(c) of the Deed requires that the following provisions be included in this Lease:

35.1.1 In furnishing services to the public, Lessee shall not discriminate against any person or class of persons by reason of race, color, creed, or national origin, and Lessee shall otherwise provide such services on a fair, equal, and not unjustly discriminatory basis to all users thereof.

35.1.2 Lessee shall charge fair, reasonable, and not unjustly discriminatory prices for each unit for service; except, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

35.2 If the Premises are within any of the archaeological sites identified in Section VIII.A of the Deed, then, the provisions of Section VIII of the Deed shall be deemed incorporated in this Lease by this express reference to Section VIII of the Deed.

35.3 To the extent the Deed requires that other specific provisions thereof be inserted in this Lease by express reference to the Deed, this sentence shall constitute an express reference to all such applicable provisions of the Deed.

36. AIRPORT SECURITY.

36.1 Airport Security Plan.

36.1.1 Lessor's Operations Department maintains an approved Airport Security Plan ("**Security Plan**") pursuant to 49 CFR Parts 1540 and 1542, and 14 CFR Part 139. Lessee shall at all times comply with Lessor's Operations Department security directives, security bulletins, or verbal notifications existing now or in the future.

36.1.2 Lessee is responsible for maintaining security practices, facilities, and perimeter boundaries on their leasehold that meet the security standards set forth by Lessor's Operations Department.

36.1.3 Lessee shall promptly upon written request from Lessor correct physical or procedural deficiencies caused by Lessee that are located on the Premises which are contrary to Lessor's Operations Department, security directives, security bulletins, or verbal notifications existing now or in the future. Within TWENTY-FOUR (24) hours of Lessor notifying Lessee of any deficiency, Lessor shall provide Lessee with a reasonably-detailed explanation of the deficiencies. Lessee shall be given a reasonable period of time (under the circumstances) to correct such deficiencies.

36.1.4 Lessee shall, to the fullest extent permitted by law, indemnify, defend and hold Lessor harmless for, from and against any security violation committed by any agents, employees, invitees, subcontractors, sub-lessees or independent contractors of Lessee.

36.1.5 Lessee shall conduct and document all self-audits and self-inspections as required by Transportation Security Administration ("**TSA**") or Lessor's Operations Department and make such audits available for inspection.

36.1.6 Lessee shall designate a primary security coordinator to receive security related briefings, bulletins and sensitive security information.

36.1.7 Lessor reserves the right to modify the Security Plan from time to time, as necessary or as directed by TSA. Lessor's Operations Department shall notify the Lessee security coordinator regarding modifications that effect Lessee.

36.2 <u>Airport Security Badge</u>.

36.2.1 Lessee's employees and contractors that require a badge shall be obligated to complete all training and comply with all security requirements and directives issued by Lessor's Operations Department, TSA or other entity having security jurisdiction at the Airport. Lessee, employees, and contractors will surrender security badges upon request by Lessor's Operations Department; physical security media (badges and keys) remain the property of Lessor. Within SEVENTY-TWO (72) hours of Lessor's confiscation of any security badges, Lessor shall provide Lessee with a reasonably-detailed explanation of the violations that caused Lessor to confiscate the security badges.

36.2.2 Lessee, employees and contractors shall comply with all security related audits, inspections, and screenings conducted by the Lessor's Operations Department.

36.2.3 Lessee will promptly return badges to the Lessor's badging office when badge holders employment is terminated, the badge is no longer needed or the employee/contractor is on extended leave.

36.2.4 Misuse of a badge or security procedures will bring about action, including, but not limited to, retraining, suspension or revocation of one or all misused badges.

37. DEFAULT BY LESSOR.

In the event of any alleged breach by Lessor of its covenants or duties contained in this Lease, Lessee shall have available all rights and remedies provided in contract, at law and/or in equity, provided, however, Lessee may not exercise any such right or remedy unless Lessee has notified Lessor by written notice of such alleged default, and Lessor has not cured such default within the THIRTY (30) calendar day period subsequent to receipt of such notice or, in the event such alleged default is of such a nature that it cannot reasonably be cured within such THIRTY (30) calendar day period, Lessor has failed to pursue a cure of such alleged default with all due diligence. Notwithstanding anything to the contrary contained in this Lease, in no event shall Lessee be entitled to terminate this Lease or abate or offset any installment of Base Rent, or any other payments to be made by Lessee hereunder except as expressly permitted in this Lease.

38. BROKERS.

Lessor and Lessee each represents and warrants to the other Party that it has not had any dealings with any real estate brokers, finders or agents in connection with this Lease. Lessor and Lessee each agrees to indemnify, defend (with counsel selected by the other) and hold the other Party and other Party's nominees, successors and assigns harmless from any and all claims, costs, commissions, fees or damages arising from a breach of such Party's representation and warranty in this Section.

39. SALE BY LESSOR.

Lessee agrees to look solely to Lessor's interest in the Airport, including rents, issues, profits, proceeds, and awards for the recovery of any judgment against Lessor, it being agreed that the members, partners, officers, directors or shareholders of Lessor shall not be personally liable for any such judgment. In the event of any sale or other conveyance by Lessor of its interest in the Premises, Lessor shall be automatically freed and released from all personal liability accruing from and after the date of such sale or conveyance as respects the performance of any covenant or obligation on the part of Lessor contained in this Lease to be performed, it being intended hereby that the covenants and obligations contained in this Lease on the part of Lessor shall be binding on the Lessor and its successors and assigns only during and in respect to the respective successive periods of ownership of the Premises.

40. ESTOPPEL CERTIFICATE.

Each of Lessor and Lessee shall, without charge, at any time and from time to time hereafter, within

TEN (10) business days after written request from the other Party to do so, certify, by written instrument duly executed and acknowledged by such Party and certified to the other Party and to any prospective lender or purchaser/assignee: (i) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (ii) as to the existence of any default hereunder to the best of such Party's knowledge; (iii) as to the date on which Lessee was obligated to commence paying Base Rent and all other charges hereunder and the expiration date of the Term; (iv) as to whether this Lessee has assigned or transferred its interests or any portion thereof in this Lease; and (v) as to any other matters relating to this Lease and the Premises as may be reasonably requested. The requesting Party and any prospective purchaser or lender to whom the same was certified may rely upon any such certificate.

41. UNAVOIDABLE DELAY.

In the event either Party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Lease to be performed by such Party ("**Required Act**"), and such delay or hindrance is due to Unavoidable Delay (as defined below), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of Unavoidable Delay. For purposes of this Lease, "**Unavoidable Delay**" shall mean, with respect to either Party, an unavoidable delay in the performance by such Party of any non-monetary conditions or obligations under this Lease due including but not limited to: (a) construction delay to the extent caused by the other Party, (b) legal proceeding brought by a non-Party with respect to the Improvements or any provision or requirement of this Lease which by its nature prohibits the Improvements from being commenced, continued and/or completed, (c) a Party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that Party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, (d) flood, (e) epidemic, (f) quarantine restriction, (g) unusually severe weather not reasonably anticipated, (h) strike, (i) walkout, (j) lock-out, (k) war, (l) national emergency, (m) fire, (n) act of God, (o) act of terrorism, (p) natural disaster, (q) explosion, (r) default by the other Party hereunder in the performance of its obligations hereunder, (s) a delay caused by the discovery, presences or actions necessary to investigate or remediate Hazardous Material under Article 14 (but excluding Hazardous Material attributable to the Party claiming Unavoidable Delay), or (t) other causes beyond such Party's control; provided that no Unavoidable Delay shall exist unless the Party claiming such Unavoidable Delay shall give written notice to the other Party of the occurrence of the Unavoidable Delay not later than FORTY-FIVE (45) days after the commencement of such Unavoidable Delay.

42. MISCELLANEOUS.

42.1 Personal Liability. No member of or employee of either Party shall be charged personally or held contractually liable by or to the other Party under any term or provision of this Lease because of any breach thereof, or because of its execution or attempted execution.

42.2 No Waiver. No provision of this Lease may be waived or modified except by a writing signed by the Party against whom such waiver or modification is sought.

42.3 Non-Waiver of Rights. No waiver or default by Lessor or Lessee of any of the terms, conditions, covenants or agreements hereof to be performed, kept or observed by the other shall be construed or act as a waiver of any subsequent default of any of the terms, covenants, conditions or agreements herein contained to be performed, kept or observed by such other Party, and neither Party shall be restricted from later enforcing any of the terms and conditions of this Lease.

42.4 Amendment. This Lease contains all agreements of the Parties as of the date hereof with respect to any matter mentioned herein. No prior agreement, correspondence, or understanding pertaining to any such matter shall be effective to interpret or modify the terms hereof. Oral commitments or promises are not

enforceable and shall not be binding or made part of this Lease. Any revisions or modifications to this Lease must be in writing and mutually accepted by persons with full and complete authority to bind the party.

42.5 Invalid Provisions. Should any provision of this Lease or any application thereof be held invalid by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby, unless one or both Parties would be substantially and materially prejudiced.

42.6 Litigation Expenses. In the event of litigation between Lessor and Lessee, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and all costs and expenses of litigation, including witness fees, expert witness fees, and court costs.

42.7 Headings. The headings contained herein are for convenience in reference only and are not intended to define or limit the scope of this Lease or any term thereof.

42.8 Entire Agreement. This Lease, including exhibits attached hereto at the time of its execution, constitutes the entire agreement between the Parties hereto and supersedes all prior negotiations, understandings and agreements between the Parties concerning such matters.

42.9 Right of First Offer. Provided there is no existing Event of Default, Lessee shall have a right of first offer to lease the Premises and all Improvements thereon following the expiration of the Term (or Renewal Term, as applicable) in accordance with this Section. If Lessee is interested in leasing the Premises and all Vertical Improvements thereon at fair market rental rate following expiration of the Term (or Renewal Term, as applicable), Lessee shall provide written notice ("**Notice of Interest**") to Lessor of its interest not less than ONE (1) year prior the expiration of the Term (or Renewal Term, as applicable). Lessor shall advise Lessee within THIRTY (30) days after Lessor's receipt of the Notice of Interest if Lessor does not intend to lease (or market for lease) the Premises following expiration of the Term (or Renewal Term, as applicable). If Lessor intends to lease (or market for lease) the Premises, the Parties shall negotiate in good faith to agree on lease terms and conditions, including the fair market rental rate of the Premises and all Improvements thereon. If the Parties have not reached an agreement on the material terms of a lease (other than the fair market rental rate) within NINETY (90) days after Lessor's receipt of the Notice of Interest, neither party shall have any further right or obligation under this Section 42.9. If the Parties have reached an agreement on all material terms of a lease other than the fair market base rental rate within NINETY (90) days of Lessor's receipt of the Notice of Interest, then the Parties shall, within TEN (10) calendar days after the expiration of such NINETY (90)-day period, proceed to determine the fair market base rental rate with the appraisal process as set forth in Section 4.3.2. Upon determining the fair market base rental rate for the Premises, Lessor and Lessee shall promptly enter into a lease.

42.10 Memorandum of Lease. As of the Effective Date, or thereafter upon request from Lessee to Lessor, Lessor and Lessee agree to execute, acknowledge and deliver to one another a short form memorandum of lease for recording purposes in form and substance attached hereto as **Exhibit F**. In the event that such a memorandum of lease has been recorded, upon termination or expiration of this Lease, Lessee shall promptly execute such documents as reasonably requested by Lessor in recordable form to confirm the termination of this Lease.

42.11 Non-Disturbance. In the event that Lessor encumbers or liens any portion of the Premises, now or in the future, Lessor agrees to promptly (and in any event prior to the Effective Date in the event the Airport is encumbered as of such date) obtain for the benefit of Lessee and its leasehold lenders a commercially reasonable non-disturbance agreement (in form reasonably acceptable to Lessor, Lessee and Lessor's lenders) (an "**NDA**") stating that, among other provisions to be included in the NDA, provided no Event of Default has occurred and is continuing under this Lease, then this Lease shall not be terminated and the right of possession of Lessee to the Premises shall not be affected or disturbed in the exercise of any of its rights or remedies under such encumbrance or lien.

43. INCORPORATION OF RECITALS.

The recitals set forth herein are acknowledged by the Parties to be true and correct and are incorporated herein by this reference.

44. DECLARATION.

44.1 Subordination. The Premises is subject to and subordinate to that certain Declaration of Covenants, Conditions and Restrictions for Skybridge Arizona, dated July 31, 2019, recorded in the Official Records of Maricopa County, Arizona, as Instrument No. 20190580736 ("**Declaration**"). Lessee hereby agrees to fulfill and comply with its duties and obligations as a "Lessee" as defined under the Declaration, as such duties and obligations relate to the Premises.

44.2 Assessments and other Obligations. Lessee shall pay its "Proportionate Share" of "Common Area Assessments" in accordance with the Declaration. Such payment obligation shall constitute "additional rent" under this Lease. Lessee shall fulfill any other obligations it may have as a "Lessee" in accordance with the Declaration, as such other obligations relate to the Premises.

IN WITNESS WHEREOF, the Parties have executed this Lease as of the Effective Date.

EXHIBIT C

AIRCRAFT OPERATIONS GUIDELINES

C1. Use of Airport. Lessee, Lessee's assigns, sublessees, or transferees who operate aircraft at the Airport and who are engaged in a private, government, or commercial aeronautical business or service and desire to use the Airport landing facilities for certain types of operations including, but not limited to: 1) taxiing and maneuvering on Airport runways, taxiways, ramps and aprons; 2) landings and approaches ("touch and go", "stop and go"); and 3) low approaches shall be subject to the provisions of this **Exhibit C.**

C2. Fees. As appropriate, Lessee shall pay Lessor fees as outlined below:

C2.1 *Landing Fee*: Lessee shall pay a landing fee at a rate equal to the amount reflected on the most current *Airport Rates and Charges Schedule* at the time of the aircraft operation, for each flight subject to a landing fee operated by or in conjunction with Lessee. The weight of any particular aircraft shall be its maximum certificated gross landing weight ("**MGLW**"). The amount owed to Lessor for each chargeable aircraft landing for each preceding calendar month shall be due and payable no later than the TWENTIETH (20th) day of the month succeeding the calendar month in which said aircraft landings took place. Lessee's written listing of all aircraft landings subject to such fee shall accompany said payment. Each entry in such listing shall include the date of the landing, the aircraft registration number, the type and model aircraft, the aircraft MGLW and the amount of the fee due.

C2.2 *Aircraft Ramp Space*. Lessee shall pay Lessor monthly, an aircraft-parking fee in an amount equal to that specified in the most current Airport Rates and Charges Schedule at the time of use, for each overnight aircraft parking position used by Lessee that is situated on Airport ramp outside the Premises. Such fees, if any, shall be payable to Lessor no later than the TWENTIETH (20th) day of the month following that in which Lessee occupied or used such space, and such payment shall be accompanied by a written listing of the aircraft (including registration number, make and model), dates and times of usage.

C2.3 *Other Space*. When available and specifically assigned to Lessee, Lessee shall pay Lessor monthly, in advance, a fee established in the *Airport Rates and Charges Schedule* for Lessee's non-exclusive use of other space not situated on or part of the Premises.

C2.4 *Additional Space/Services*. In the event that Lessee requires space or special services such as, but not limited to, aircraft line services, out-of-station ARFF standby, operations safety officers, ground service equipment, or fuel spills response teams, Lessee shall pay Lessor's standard fees for such services at the time the service is rendered, unless a secured account or agreement is established prior to requesting additional services.

C3. Books and Records. Lessee shall maintain for not less than THIRTY-SIX (36) months books, records and ledgers accurately reflecting the total number of monthly Aircraft landings for each aircraft subject to a landing fee and any other aforementioned fee indicating the make, type (including model designation), registration, maximum certificated gross landing weight, and arrival and departure time of each aircraft involved. These records or copies thereof shall be made available to Lessor upon Lessor's written request. In addition to monthly payment as set forth in Section C2 herein and together therewith, Lessee shall provide Lessor with a written report, indicating all aircraft operations and related information for the preceding calendar month.

C4. Disabled or Abandoned Aircraft. Should any aircraft owned or operated by Lessee through accident or for any other reason, become disabled or be abandoned in any area which could interfere with the continuous, normal operations of any of the runways, taxiways and airfield facilities at the Airport, Lessee shall:

C4.1 Immediately remove said aircraft to such location as may be designated by Lessor, unless such aircraft is required to remain in place pending investigation by the appropriate regulatory agency or agencies of the federal government; and

C4.2 In the event of any accident where federal investigation in place is required, promptly upon receiving clearance to do so from the appropriate federal agency, remove said aircraft and any wreckage or debris resulting therefrom to the area(s) designated by said federal agency authorizing such removal; otherwise, such aircraft wreckage and debris shall be immediately removed from the Airport or stored at a location approved by Lessor.

C4.3 Should Lessee fail to proceed immediately to remove disabled aircraft, or should aircraft owned or operated by Lessee be abandoned on the Airport, Lessor shall have the right to remove such aircraft by any means Lessor deems necessary under the circumstances, and Lessee shall indemnify, defend, keep and hold Lessor, its members, board of directors, officers, agents, officials, servants, employees and contractors harmless from and against any and all claims, costs, loss, liability, actions, suits, proceedings, damage or expense (including costs of suit and attorneys' fees and expenses) incurred by Lessor by reason of removal of said aircraft, injury to persons or property or damages to such aircraft caused by such removal, as well as storage costs therefor. Lessee shall reimburse Lessor for any costs incurred by Lessor in removing and storing any aircraft, any property damage to the Airport caused by such aircraft or removal within TEN (10) business days of demand therefor.

C5. Aviation Fuel. Lessee, at Lessee's sole cost and expense, shall procure aviation fuel delivered to its aircraft on the Airport. If fueling or defueling aircraft owned or operated by Lessee, or under Lessee's direct control, Lessee shall comply fully with Lessor's *Aviation Fuel Storage, Dispensing and Handling Guidelines*.

C6. Fly Friendly Procedures. Lessee acknowledges receipt of Lessor's Fly Friendly noise abatement procedures, and shall provide such information to flight crews, post the information in the Lessee's flight planning area, and use the procedures to the extent possible, when consistent with safety and Air Traffic Control directives.

MEMORANDUM OF LEASE

This MEMORANDUM OF LEASE ("Memorandum"), is made and executed as of the 1st day of June, 2023 (the "Effective Date"), by and between **PHOENIX-MESA GATEWAY AIRPORT AUTHORITY**, a joint powers airport authority authorized and existing under the laws of the State of Arizona ("**Landlord**"), whose mailing address is Phoenix-Mesa Gateway Airport Authority, Attn: Business Development Department, 5835 South Sossaman Road, Mesa, Arizona 85212, and **SKYB LOT 118 LLC** , an Arizona limited liability company ("**Tenant**"), whose mailing address is 2415 E. Camelback Road, Suite 700, Phoenix, AZ 85016 .

RECITALS:

A. Landlord and Tenant entered into that certain Development Lease dated June 1, 2023 (the "Lease"), covering that certain real property legally described on Exhibit A attached hereto and incorporated herein by this reference (the "Leased Premises").

B. Landlord and Tenant have agreed to enter into this Memorandum for the purposes of providing record notice of the Lease, and to protect the rights and interests of Landlord and Tenant as to third parties. All capitalized terms not specifically defined herein shall have the meaning ascribed to such terms in the Lease.

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Lease and Premises. Subject to the covenants and conditions contained in the Lease, Landlord has leased to Tenant, and Tenant has leased from Landlord, the Leased Premises. Notice to the world is hereby given of the Lease and of the terms of the Lease.

2. Term. The term of the Lease commenced on June 1, 2023 and expires on May 31, 2083, unless earlier terminated or extended pursuant to the terms of the Lease.

3. Conflict. This Memorandum is prepared for the purpose of constructive notice and in no way modifies the provisions of the Lease. In the event of any conflict or any inconsistency between the terms and provisions of the Lease and the terms and provisions of this Memorandum, the terms and provisions of the Lease shall control.

4. Successors and Assigns. This Memorandum shall be binding upon and inure to the benefit of the parties and their permitted successors and assigns.

5. Counterparts. This Memorandum may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document, provided that all parties are furnished a copy thereof reflecting the signature of all parties.

(*Signatures appear on the following page*.)

IN WITNESS WHEREOF, the parties hereto have duly executed this Memorandum as of the Effective Date set forth above.

Re: Solicitation Notification
Date: **May 16, 2023**

This report is to provide notification of the active and upcoming solicitations to help ensure compliance with the Phoenix-Mesa Gateway Airport Authority procurement transparency clause. The active activities include the following:

Active/Pending Solicitations

Type Solicitation	Number	Title	Anticipated Contract Award (Board Action)
Request for Proposals	2023-018-RFP	Insurance Broker Services – Health & Welfare Benefits	May 2023
Invitation for Bid	2023-022-IFB	RW 12R-30L Reconstruction & TW 'H' Demolition & TW 'B2' Construction	July 2023

Future Solicitations

Type Solicitation	Number	Title	Scheduled for Release	Anticipated Contract Award (Board Action)
Request for Proposals	2023-006-RFP	Car Rental Concessions	May 2023	September 2023
Request for Proposals	2023-020-RFP	ATM Services	May 2023	September 2023
Request for Proposals	2023-021-RFP	Vending Services	May 2023	September 2023

Equipment Disposals

Fiscal year totals from sales of decommissioned / nonworking equipment total $36,669.

If you have any questions about the solicitations or the procurement process, please feel free to contract me at 480-988-7613.

Re: Impractical Procurement – City of Mesa Water Permits for Car Care Center Expansion Project
Date: **May 16, 2023**

The Car Care Center Expansion Project is currently underway. The City of Mesa (COM) provided Airport staff with permit fees for the new 4" water meter. The preliminary fees were estimated to be $65,420.80 by COM and included DSD and ENG Engineering Reviews, the 4" water meter, a technology fee, and the water connection. This fee was not identified in the original scope of work for the project.

In accordance with PMGAA's Procurement Policy 22-01, this report is to notify the Board of this expenditure over $50,000 without competitive quotes. Staff approved the purchase as provided under Impractical Procurements, as defined under PMGAA's Procurement Policy.

COM has notified PMGAA that there may be additional fees related to the water meter, such as inspection fees, at a later date. If additional fees are incurred, Airport staff will provide the Board with those costs.

Re: **Project 1216, Fuel Farm Expansion Design Services Change Orders**
Date: **May 16, 2023**

On March 15, 2022, the Board approved an Authorization of Services (AOS) for Engineering Design Services for the Fuel Farm Expansion project with Kimley-Horn & Associates, resolution #22-09, in the amount of $373,867.00. The total budget for the project is $455,317.91. Since the project has been underway, Airport staff has issued two change orders against the AOS for required modifications.

Change order #1: Increased the scope of the project from an expansion quantity of 150,000 additional gallons of Jet-A fuel to 300,000 additional gallons. This increase in storage capacity necessitated additional design components such as additional storage tanks, an expanded secondary containment system, and associated piping, electrical, and civil design work.	addition	$26,317.91
Change order #2: Provided interim design that included the addition of three 50,000 gallon Jet-A fuel storage tanks. This change required additional design of associated plumbing, piping, and controls connected to the existing system.	addition	$49,772.18
Total Revised Project Amount		$449,957.09

The current remaining budget unencumbered for the project after all charges and the above change orders is $5,360.82. If additional change orders that increase the AOS amount are incurred, Airport staff will provide an MIR to the Board.

NOTICE AND AGENDA OF MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the Phoenix-Mesa Gateway Airport Authority and to the public that the Phoenix-Mesa Gateway Airport Authority will hold a meeting open to the public on **Tuesday, June 20, 2023 beginning at 9:00 a.m.** in the Board Room (Saguaro A & B) of the Gateway Administration Building, 5835 South Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by telephone. The Board may vote to hold an executive session for the purpose of obtaining legal advice from the Board's attorney on any matter listed on the agenda pursuant to A.R.S. § 38-431.03 (A)(3)&(4).

The agenda for the meeting is as follows:

1. **Call to Order** (Mayor Brigette Peterson, Chair)
   Members of the Phoenix-Mesa Gateway Airport Authority will attend either in person or via videoconference.

2. **Roll Call** (Mayor Brigette Peterson, Chair)

3. **Pledge of Allegiance**

4. **Call to the Public**
   Members of the Board may not discuss items that are not on the agenda. Therefore, action taken as a result of public comment will be limited to directing staff to study the matter or scheduling the matter for further consideration and decision at a later date. Maximum of three minutes per speaker.

5. **Executive Director's Report** - J. Brian O'Neill, A.A.E., Executive Director/CEO

6. **Presentation** – Boyer Gateway East, L.C.

7. **Consent Agenda**

   a) **Minutes** of the Board Meeting held on **May 16, 2023**.

   b) **Resolution No. 23-28 –** Authorizing an agreement for financial participation between the **City of Mesa** and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2023, in the amount of $108,060.

   c) **Resolution No. 23-29 –** Authorizing the purchase of janitorial supplies from **Network Services Company in partnership with Waxie Sanitary Supply** for FY24, in an amount not to exceed $126,000.

   d) **Resolution No. 23-30 –** Authorizing the purchase of Jet A fuel and 100LL Avgas from **Ascent Aviation** for Airport Authority resale in the amount of $3,995,750.

   e) **Resolution No. 23-31 –** Authorizing the purchase of Unleaded and Diesel fuel from the **lowest priced State contract vendor** at market prices for Airport Authority use and resale in an amount not to exceed of $634,850. This amount will provide fuel for the 2024 fiscal year.

f) **Resolution No. 23-32 –** Authorizing the purchase of international waste management services from **Stericycle, Inc. (Stericycle)** in an amount not to exceed $55,000.00 for fiscal year 2024.

g) **Resolution No. 23-33 –** Authorizing Amendment 3 to the Land Lease Agreement with **Gateway Executive Airpark, LLC** for lots 11-14 in order to add an additional 19,386.18 square feet to the Premises.

h) **Resolution No. 23-34 –** Approving an unscheduled 5% **market adjustment** for the PMGAA Executive Director/CEO.

i) **Resolution No. 23-35 –** Authorizing an amendment extending the existing Intergovernmental Agreement (IGA) with the City of Mesa for **Aircraft Rescue and Firefighting** (ARFF) Maintenance, effective July 1, 2023, through June 30, 2024, with costs estimated to be approximately $40,000.

j) **Resolution No. 23-36 –** Authorizing a Facility Lease Agreement with **Straube's Aircraft Services Inc.** for the property located at 6262 S. Taxiway Circle, Mesa, AZ 85212 with an Effective Date of July 1st, 2023. The Term for the Agreement is thirty-six (36) months, terminating on June 30th, 2026, with one (1), two (2) year renewal option.

k) **Resolution No. 23-37 –** Authorizing an amendment of the FY23 Carryover Capital Budget to add $1,710,015.99 in funding to the current Rental Car Care Facility Improvements Project (CIP 1242) CMAR contract, with **Willmeng Construction, Inc**. and design contract with **TranSystems**, due to rental car companies' requests and Phoenix-Mesa Gateway Airport Authority approved changes that are necessary to meet the desired needs of the car rental companies.

Consideration and Possible Approval of:

8. **Resolution No. 23-38 –** Authorizing a contract modification to the current Rental Car Care Facility Improvements Project CMAR Contract, with **Willmeng Construction, Inc**., due to rental car companies' requests and Phoenix-Mesa Gateway Airport Authority approved changes to meet the desired operational needs of the car rental companies. This contract modification amount is not to exceed $1,959,950.76 under CIP 1242 and provides an additional 90 contract days.

9. **Election of Chair and Vice Chair**

10. **Election of Secretary and Treasurer**

11. **Board Member Comments/Announcements**

12. **Next Meeting: Tuesday, July 18, 2023 at 9:00 a.m.**

13. **Adjournment**

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Misty Johnson at 480-988-7607 or mrjohnson@gatewayairport.com. Requests should be made as early as possible to allow time to arrange the accommodation.

Executive Director's Report

June 2023

Financial Snapshot

OPERATING INCOME	April		Month Variance	FYTD Comparison		FYTD Variance
	2022	2023		FY22	FY23	
Revenues	$2,889,829	$2,725,588	**($164,241)**	$21,855,162	$25,014,916	**$3,159,754**
Less Expenses	$2,113,773	$1,928,721	**($185,052)**	$18,540,547	$21,058,561	**$2,518,014**
Operating Income *(Before Depreciation)*	**$776,056**	**$796,867**	**$20,811**	**$3,314,615**	**$3,956,355**	**$641,740**

Investment Fund Balances: As of April, the Local Governmental Investment Pool (LGIP) 700 = $6,128,510; Wells Fargo; Collateralized Money Market = $5,554,321 and Brokered CD's = $45,322,229; Total $57,005,060. The market value accounting adjustment was $311,068 for the month. The entry is for accounting purposes only. PMGAA invests in fixed rate instruments.

Finance and Accounting

Phoenix-Mesa Gateway Airport Authority (PMGAA, Authority) reported a record-setting net operating income of $796,867 for April 2023, exceeding April 2022 by $20,811. This April, aeronautical revenues were down 14% compared to last year - fuel flowage fees deceased 21%, landing fees decreased 10% and fuel sales decreased 33%, but non-aeronautical revenues increased 9% over the previous April – parking revenue increased 14% and rental car revenues increased 31%.

Operating expenditures for April 2023 decreased by 9%. The decrease was attributed to a decrease in the cost of goods sold related to fuel sales.

Fiscal year-to-date 2023 (FYTD23), total operating revenues have increased by 14% and operating expenditures have increased by 14%.

PMGAA is in a strong financial position as Gateway Airport approaches the summer months of 2023.

Non-Airline Revenue Up Over 20% and Continues to Set New Monthly Records

Non-Airline Revenues	FYTD23	Revenue/EPAX	FYTD22	Revenue/EPAX	% Change
Vehicle Parking	$3,568,808	$4.37	$3,152,625	$4.14	13.2%
Rental Cars	$2,676,758	$3.27	$2,100,067	$2.76	27.5%
Food & Beverage	$489,221	$0.60	$354,637	$0.47	37.9%
Retail	$444,503	$0.54	$344,461	$0.45	29.0%
Total Revenues	$7,179,289	$8.78	$5,951,790	$7.82	20.6%

Largely due to several new food, beverage & retail concessions opening in the commercial passenger terminal during the past several years, air travelers using Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) are spending more money at the Airport during their trip. For FYTD23, non-airline revenues are up more than 20% compared to the same time period last fiscal year. And non-airline revenue per enplaned passenger (Revenue/EPAX), an industry metric, has increased from $7.81 to $8.78 this year. The $2MM the PMGAA Board of Directors invested in the terminal concessions program has really paid off!

PMGAA Solicitations

This update is to provide notification of active and upcoming solicitations to ensure compliance with PMGAA's procurement transparency clause.

Active/Pending Solicitations

TYPE OF SOLICITATION	Number	Title	Anticipated Contract Award
Invitation for Bid	2023-022-IFB	RW 12R-30L Reconstruction & TW 'H' Demolition & TW 'B2' Construction	July 2023
Request for Proposals	2023-020-RFP	ATM Services	September 2023
Request for Proposals	2023-021-RFP	Vending Services	September 2023

Future Solicitations

TYPE OF SOLICITATION	Number	Title	Scheduled for Release
Request for Qualifications	2023-024-RFQ	CMAR for Baggage Claim Make-up	June 2023
Request for Proposals	2023-006-RFP	Car Rental Concessions	July 2023

Airport Operations

Parking Operation Improvements Continue with New Shuttle Busses

Parking is a very important part of Gateway Airport's operation, and it's also one of the few functions that PMGAA actually has control over. The airlines are responsible for ticketing, flight operations, and baggage delivery; the TSA is responsible for passenger security screening; and our various concessionaires are responsible for providing food, beverage, and retail/news & gift establishments.

New Parking Shuttle Busses

Several years ago, PMGAA began a Parking Improvement Program that included adding 1,300 new parking spaces in the Ray Road Economy Parking Lot, installing a new parking lot control system (good-bye yellow tokens!), and providing more accurate, real-time parking information on the Airport's website. The most recent project in the Program is new, larger parking shuttles to enhance customer service, increase efficiency, and improve overall reliability.

PMGAA is committed to working with its airport partners to provide all our customers with a memorable ***Just Plane Easy!*** travel experience.

PASSENGER COUNTS		April		% Change	FYTD		% Change

Walls and Beams Going Up for 5-Gate, 30,000 Square Foot Terminal Addition

Block Exterior Walls Being Erected for Terminal Addition

A $28MM commercial passenger terminal addition is beginning to take shape as exterior block walls are erected, beams placed, and utilities installed. This important airport facility project is being partially funded through a $14.4MM federal Bipartisan Infrastructure Law (BIL) Airport Terminal Program (ATP) grant and a $7MM Arizona Department of Transportation grant.

The new 5-gate, 30,000 sq. ft. addition replaces a 4-gate, 10,000 sq. ft. temporary facility that was constructed back in 2008 when commercial air service dramatically increased at the Airport. The new addition will be connected to the existing terminal by a glass walkway highlighting two large outdoor courtyards for passengers to enjoy while waiting for their flights.

PMGAA would like to thank the federal government and the State of Arizona for investing in this much-needed project. The new addition will allow Gateway Airport to handle its current airlines more efficiently and aggressively recruit new air carriers to greater Phoenix. The project also improves the energy efficiency of the terminal and enhances Americans with Disabilities Act (ADA) compliance.

The project is expected to be completed in January 2024 and operational in February.

Business Development

SkyBridge Arizona Experiencing Lots of Activity and Excitement

Industrial Buildings

Two 250,000 sq. ft. flex industrial buildings are under construction adjacent to Velocity Way on the north end of SkyBridge Arizona. These building are designed to handle both single tenant and multi-tenant uses. The two large buildings are scheduled to be completed in the first quarter of 2024.

NAU Hospitality Workforce Development Center

NAU's School of Hotel and Restaurant Management is building a Workforce Development Center in SkyBridge Arizona. The center will offer high-quality and convenient education and training programs to help expand the hospitality workforce in Mesa and surrounding greater Phoenix communities.

Cross Flow Testing Facility

SkyBridge Arizona is constructing a cross flow testing facility and an associated controls building totaling approximately 5,530 sq. ft. The facility will be used by SkyBridge Arizona tenants for component and product testing as a supplement to the manufacturing process.

DSV Air & Sea Holds Ribbon-Cutting Event at New Facility

Gateway Airport has landed its first scheduled international air cargo operation. DSV Air & Sea, a global transport and logistics leader, will begin twice-weekly service between Gateway Airport and Asia and Europe at the end of June using Boeing 747 equipment. DSV has signed a lease for a 22,000 sq. ft. hangar to help facilitate air cargo transport services for the semiconductor industry, electric car manufacturers, mining operations, alternative energy companies, and others.

A Ribbon-Cutting Ceremony was held on May 16th.

DSV VIP's Cut Ceremonial Ribbon for New Facility

Gulfstream and Virgin Galactic Hangars Taking Shape

Virgin Galactic's Manufacturing Facility

Gulfstream's 225,000 Sq. Ft. Hangar Complex

Communities across the country would be ecstatic to land either Gulfstream Aerospace Corp. or Virgin Galactic at their local airport. Both aerospace industry innovators represent exciting new growth opportunities, high-wage jobs, and hundreds of millions of dollars in long-term regional economic benefit.

In Arizona, the Phoenix East Valley is reaping tremendous benefit from having both industry icons developing large facilities at Gateway Airport. Gulfstream is constructing a 225,000 sq. ft. hangar and office complex and Virgin Galactic is constructing a 36,000 sq. ft. hangar to house "the mothership" and a 125,000 sq. ft. manufacturing facility where they will assemble up to six spaceships each year. Both projects are scheduled to be completed in early 2024.

Gateway Airport would like to thank its partners at the Arizona Commerce Authority (ACA), Greater Phoenix Economic Council (GPEC), and the City of Mesa for their efforts in helping attract Gulfstream and Virgin Galactic to the Airport. We make a pretty good team!

PMGAA received communications from only 7 individuals regarding aircraft noise issues during the month of April 2023, compared to the 11 PMGAA received last April. This time of year, residents keep windows closed and noise calls tend to decrease.

PMGAA Team Member Spotlight

Employee Name: **Dwayne Hoyt**
Employee Title: **Airfield Operations Supervisor**
PMGAA Department: **Operations, Security, and Maintenance**
Years with PMGAA: **18+**

What are your job responsibilities for PMGAA? Direct and oversee airfield operations staff related to the FAA Part 139 and TSAR 1542 regulations. Participate/Assign the inspections of airfield facilities including, airport grounds, parking facilities, runways, taxiways, aircraft aprons, gate assignments, and service roadways to assure safety, security, and efficiency of operations and efficient flow of aircraft. Other responsibilities include training, reducing operational costs, monitoring the department's compliance with operational policies, and keeping up to date with the progress of administrative duties.

What is your most memorable Gateway Airport moment? I would say the growth of the Airport. I have seen the terminal go from two gates, one store, and one TSA Checkpoint Lane, to its current state. Being a part of all the airfield improvements has been a great experience.

What is something people may not know about you? I put in several hours each month helping with charity and community services. My favorite charity event was a Kids with Cancer Foundation fundraiser. We held a western reenactment at the Pioneer Living Museum and my organization raised over $700 in one afternoon. I will never forget the excited look on all the kids' faces.

Gateway Aviation Services

PMGAA pumped more than 1.52MM gallons of aviation fuel during the month of April 2023, a 13% decrease compared to the 1.75MM gallons dispensed during last April. Commercial Jet A fuel activity showed signs of improvement and was only down 7% during the month.

FYTD23, Gateway Aviation Services has pumped more than 15.24MM gallons of aviation fuel.

FUEL (Gallons)	April			FYTD

Community and Government Relations

PMGAA Kicks-Off Gateway Tomorrow East Side Terminal Planning Study

PMGAA has officially kicked-off its east side terminal planning study called **Gateway Tomorrow**. This inclusive, long-range planning exercise will consider, refocus, and build upon past planning efforts using recent data and updated information about the region, the Airport, the aviation industry, and current global economic conditions. The PMGAA Board of Directors and staff, Member Communities, airlines, federal agencies, regional economic development organizations, and other key stakeholders are participating in the year-long study. A final report will be presented in early 2024.

The goal of **Gateway Tomorrow** is to reset and refine our shared vision for a future commercial passenger terminal campus on the east side of the Airport, identify the important elements to be included in Phase I, develop general cost estimates, and explore possible funding sources and creative funding mechanisms.

Airport facility and infrastructure to be considered:

- 250,000 to 350,000 SF commercial passenger terminal
- Multiple aircraft gates and associated hold rooms
- Airline ticket counters
- TSA Security Screening Checkpoint and TSA office/training space
- U.S. Customs and Border Protection Federal Inspection Services facility
- PMGAA administration and operations space (including conference/Boardroom)
- Airport Operations Control Center
- Airline/tenant offices
- Food, beverage, and retail concession locations, storage, and delivery
- Checked baggage make-up, in-line explosive detection system, and baggage claim facilities
- Rental car counters, offices, and ready vehicle lot
- Aircraft parking apron, equipment storage areas, and overnight aircraft parking locations
- Airport roadways and associated infrastructure
- Passenger and employee parking
- Aviation fuel storage facility
- Ground transportation (taxi, shuttle, bus, and ride sharing) locations
- Law enforcement offices and support vehicle parking

MINUTES OF PUBLIC MEETING OF THE
PHOENIX-MESA GATEWAY AIRPORT AUTHORITY
BOARD OF DIRECTORS | May 16, 2023

A public meeting of the Phoenix-Mesa Gateway Airport Authority (PMGAA) was convened on Tuesday, May 16, 2023, beginning at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona.

Members Present

Mayor Brigette Peterson, Gilbert
Councilmember Jim Waring, Phoenix (*via audioconference*)
Mayor Chip Wilson, Apache Junction (*via audioconference*)
Lt. Governor Monica Antone, Gila River Indian Community*
Mayor Julia Wheatley, Queen Creek
Mayor John Giles, Mesa
** Neither present nor represented*

Airport Staff Present

J. Brian O'Neill, Executive Director/CEO
Scott Brownlee, Deputy Director/COO
Chuck Odom, CFO
Misty Johnson, Clerk of the Board
Jill Casson Owen, Attorney

1. **Call to Order** at 9:01 a.m. (Mayor Peterson, Chair)

2. **Roll Call**

3. **Pledge of Allegiance**

4. **Call to the Public**
   There were no public comments.

5. **Executive Director's Report** – J. Brian O'Neill, A.A.E., Executive Director/CEO
   Executive Director O'Neill provided a briefing on PMGAA financial performance, passenger activity, the community noise report, and various Airport projects.

   - Fiscal Year-to-Date (FYTD) Net Operating Income is $3,158,708.
   - Phoenix-Mesa Gateway Airport (Airport, Gateway Airport) welcomed 229,810 commercial passengers during March 2023. This is a slight dip compared to the 239,160 passengers in March 2022.
   - Governor Hobbs recently signed a 2023-2024 State Budget that included an appropriation of $7MM for the Airport's new five-gate, 30,000 square foot terminal addition currently under construction. In FY2022, PMGAA submitted a grant request for $20MM as part of the Bipartisan Infrastructure Law (BIL) Airport Terminal Program and received $14.4 MM. The total project cost is $28 MM.
   - Last month SkyBridge Arizona held a groundbreaking event on Lot 108 for the second of two 250,000 sq. ft. industrial buildings. Since then, construction of the horizontal infrastructure began with the footings poured for the two buildings. These two large buildings are being built to accommodate both single and multiple tenants.

DRAFT

- Gulfstream has established a base of operation at the Airport and is leasing over 100,000 sq. ft. of hangar space while their new 225,000 sq. ft. West Coast Service Center is being constructed. Gulfstream is working towards a completion date in the beginning of 2024.
- Gateway***East*** is a 300-acre, mixed use, non-aeronautical development opportunity located on the east side of the Airport. The master developer for this project is The Boyer Company from Salt Lake City, UT. They are working with the City of Mesa on entitlements for the project. They will present the Master Plan for the development to the PMGAA Board at an upcoming meeting.
- Virgin Galactic is leasing two of the three hangars in the Gateway Executive Airpark located at the north end of the airfield. Progress continues on the customization of these hangars. The steel is being erected on the 125,000 sq. ft. hangar and the reinforced footings are being poured on the second hangar.
- Representatives from PMGAA and the City of Mesa met with industry leaders and some of Arizona's Delegation in Washington, DC earlier this month to discuss the need and benefits of moving Gateway Airport's Contract Air Traffic Control Tower into the FAA Air Traffic Control Tower Program. Maintaining staffing of air traffic controllers in a contract tower is the biggest challenge. The FAA frequently recruits from this pool of controllers into the FAA Tower Program.
- Seasonal Canadian airlines, WestJet, Swoop and Flair will not return to Gateway Airport this coming fall for the winter season. The airline industry is dynamic, with domestic and international airlines entering and exiting markets based on several factors – profitability, market share, number of aircraft, and pilot availability. PMGAA wishes all three Canadian airlines the very best of luck and will happily welcome them back should they chose to return to Gateway Airport at a later date.
- On May 23rd the **Gateway Tomorrow** Planning Stakeholder Advisory Committee (SAC) will meet to evaluate three possible alternatives for the various components of relocating the commercial terminal complex to the east side of the airfield. The SAC consists of representatives for the six member communities, Allegiant Air, the Federal Aviation Administration, PHX East Valley Partnership, PMGAA, and other key stakeholders.
- DSV Air and Sea is a global transport and logistics company. On Tuesday, May 16th it celebrates the expansion of its air charter network to Gateway Airport with a ribbon cutting ceremony. In February DSV signed a lease for a 22,000 sq. ft. hangar at Gateway Airport. Twice weekly scheduled service of air cargo will begin in late May/early June.
- The underground utilities are in place for the Airport's new 30,000 sq. ft. five-gate terminal addition. The concrete floor has been poured and concrete block walls are going up. Gone is the 10,000 sq. ft. portable four-gate facility that was constructed in 2008. During construction a 6,000+ sq. ft. temporary terminal facility has been erected to serve as a hold room for three-gates.
- Construction of an enclosed pedestrian walkway will allow passengers to proceed from the ticketing terminal building directly into the security screening checkpoint area. This customer service enhancement project will increase the queuing area for the security screening checkpoint and will keep passengers in a climate-controlled environment from ticketing through security screening. This project is anticipated to be complete in February 2024.
- Due to increasing passenger activity at PMGAA, a new TSA In-Line Checked Baggage System (BHS) is being installed to improve efficiency and speed up baggage processing. This will be paid for with a TSA grant. The design for this project will be complete in June.

- Improvements to the Rental Car Care Facility are underway. The project includes new vehicle wash and vacuum bays, upgraded maintenance facilities, additional vehicle queuing and storage and new operations offices. PMGAA, in conjunction with all its rental car companies, is investing between $8 - $9MM to make the improvements. The funding for the project comes from the Airport's dedicated Customer Facility Charge (CFC) account.
- Fuel Farm Expansion - The Authority has purchased three new 50,000-gallon Jet-A fuel storage tanks that will be delivered in August. This additional fuel storage capacity will provide the Airport with approximately seven days of on-Airport fuel storage. This project begins in June and is scheduled to be completed by the end of the year.
- Inside Runway Reconstruction bid opening is June 1, 2023.

6. Consent Agenda

a) **Minutes** of the Board Meeting held on **April 18, 2023**.

b) **Resolution No. 23-22 –** Authorizing **Alliant Insurance Services, Inc. (Alliant)** under the terms of its existing Insurance Broker / Risk Management Consulting Agreement with the Phoenix-Mesa Gateway Airport Authority to purchase specific lines of insurance on behalf of the Authority beginning July 1, 2023, not to exceed premium cost of $646,110.

c) **Resolution No. 23-23 –** Authorizing a three-year contract with two additional one-year extension periods at the sole option of Phoenix-Mesa Gateway Airport Authority, with **USI Insurance Services, Inc. (USI)** for Insurance Broker Services in an amount not to exceed $169,000 over the five (5) year period.

d) **Resolution No. 23-24 –** Authorizing a facility lease with **Task Aerospace, Inc.** for a portion of the facility located at 5755 South Sossaman Road, Mesa AZ 85212. The lease term is one (1) year, commencing on July 1, 2023 with one (1) additional renewal period of one (1) year.

e) **Resolution No. 23-25 –** Authorizing granting **Salt River Project** a 2.97-acre perpetual easement.

Mayor Chip Wilson moved to approve the Consent Agenda.
Mayor Julia Wheatley seconded the motion.
The motion was carried unanimously.

Consideration and Approval of:

8. **Resolution No. 23-26** Authorizing a Development Lease with **SkyB Lot 116-B LLC**, an Arizona limited liability company, for 4.15 acres located within the SkyBridge Arizona project identified as Lot 116-B. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 116-B from the Master Lease Agreement.

Mayor Julia Wheatley moved to approve Resolution No. 23-26.
Mayor Chip Wilson seconded the motion.
The motion was carried unanimously.

9. **Resolution No. 23-27** Authorizing a Development Lease with **SkyB Lot 118 LLC**, an Arizona limited liability company, for 2.11 acres located within the SkyBridge Arizona project identified as Lot 118-A. The lease term is SIXTY (60) years commencing on June 1st, 2023. To authorize an Adjustment Amendment with MESA SKYBRIDGE, LLC to concurrently remove Lot 118-A from the Master Lease Agreement.

   Councilmember Jim Waring moved to approve Resolution No. 23-27.
   Mayor Julia Wheatley seconded the motion.
   The motion was carried unanimously.

10. **Board Member Comments/Announcements.**
    None.

11. **Next Meeting: Tuesday, June 20, 2023** at 9:00 a.m. in the Board Room (Saguaro A&B) of the Gateway Administration Building, 5835 S Sossaman Road, Mesa, Arizona. Members of the Phoenix-Mesa Gateway Airport Authority may attend either in person or by audioconference.

12. **Adjournment.**
    The meeting adjourned at 9:29 a.m.

Dated this _____ day of _____ 20___.

Board Action Item

Re: Resolution 23-28

To: Board of Directors
From: Ryan Smith, Communications & Government Relations
Through: Scott Brownlee, Deputy Director/COO
J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject: State & Federal Legislative Representation and Consulting Services
Date: June 20, 2023

Proposed Motion
To authorize an agreement for financial participation between the City of Mesa and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2023, in the amount of $108,060.

Narrative
In the past, Phoenix-Mesa Gateway Airport Authority (PMGAA) and the City of Mesa have shared expenses pertaining to lobbyist services. Mesa and the Airport will utilize the services of Squire Patton Boggs for federal professional services, and Policy 48 for state professional services, and will share in these costs.

The Airport Authority will provide 40 percent of the total cost for the federal lobbying contract, and 33 percent of the total cost for the state lobbying contract. The dollar amounts shown below are PMGAA's portion of the total amount.

Company	Bid Amount
1. Policy 48 (State)	$33,660
2. Squire Patton Boggs (Federal)	$74,400

Total Contract Amount:

Total combined contract amount for FY 2024 will be $108,060.

Fiscal Impact
This contract was included in the FY24 operating budget and is funded under Contractual Services Other.

Attachment(s)
Letter of Agreement with City of Mesa.

RESOLUTION NO. 23-28

WHEREAS, the Phoenix-Mesa Gateway Airport Authority ("Authority"), a joint powers airport authority formed pursuant to Arizona Revised Statute §28-8521 *et seq.* owns and operates the Phoenix-Mesa Gateway Airport ("Airport"); and

WHEREAS the Authority desires to authorize an agreement for financial participation between the City of Mesa and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2023, in the amount of $108,060.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority as follows:

> **The Board of Directors of the Authority hereby authorizes an agreement between the City of Mesa and Phoenix-Mesa Gateway Airport Authority to share state and federal lobbyist and consulting services effective July 1, 2023, in the amount of $108,060. This resolution also authorizes the Chair or Executive Director/CEO to make such additions, deletions and changes as may be approved by the Chair or Executive Director/CEO, necessary to carry out the purposes and intent of this Resolution.**

Passed and adopted by the Authority this 20th day of June, 2023.

Brigette Peterson, Chair

ATTEST:

Misty Johnson, Clerk of the Board

APPROVED AS TO FORM:

Jill Casson Owen, Attorney

DATE: June 20, 2023

TO: J. Brian O'Neill, Executive Director, Phoenix-Mesa Gateway Airport Authority

FROM: Scott J. Butler, Deputy City Manager, City of Mesa

SUBJECT: State & Federal Legislative Representation and Consulting Services

The purpose of this memo is to confirm the proposed cost-sharing arrangement for state and federal consulting services between the City of Mesa and the Phoenix-Mesa Gateway Airport Authority.

State professional services are provided by Policy 48. The agreement for state representation will cover the period from July 1, 2023 until June 30, 2024. Gateway's financial participation for state services will be set at 33% of the total costs. For FY2024, the cost will not exceed $33,660.

Federal professional services are provided by Squire Patton Boggs, LLP. The agreement for federal representation will cover the period from July 1, 2023 until June 30, 2024. Gateway's financial participation for federal services will continue to be set at 40% of the total costs. For FY2024, the cost will not exceed $74,400.

Board Action Item

Re: Resolution 23-29

To:	**Board of Directors**
From:	**Margi EvanSon, Operations & Maintenance Director**
Through:	**Scott Brownlee, Deputy Director/COO**
	J. Brian O'Neill, A.A.E., Executive Director/CEO
Subject:	**Network Services Company in partnership with Waxie Sanitary Supply**
Date:	**June 20, 2023**

Proposed Motion
To authorize the purchase of janitorial supplies from Network Services Company in partnership with Waxie Sanitary Supply for FY24, in an amount not to exceed $126,000.

Narrative
Phoenix-Mesa Gateway Airport Authority maintains facilities hosting commercial airline passengers and over 100 employees, as well as general aviation operations and various tenant and office space. Passenger activity is at pre-pandemic levels, it is increasing compared to last year with over 1.5 million passengers this fiscal year. As part of a health and safety plan for our employees and passengers, the cleaning and frequency has increased, and the cost of janitorial supplies have increased as well. A primary function of the Operations and Maintenance Department is to ensure Airport facilities provide a clean, sanitary, and aesthetically pleasing environment for passengers, visitors, tenants, and staff. Janitorial and sanitary supplies, such as paper products and consumables, are required for health, safety, and satisfaction of customers, visitors, tenants, and employees.
