QUESTIONS

The following questions were received in writing prior to the deadline:

Q1: On Page 14, Item E of the RFQ there is a Evaluation/Scoring Matrix listing possible points to be awarded for various sections of our Statement of Qualifications (SOQ). Item No. 5 on this matrix shows a possible 15 Points for "Demonstrated experience and knowledge with applicable rules and regulations, etc." There does not appear to be a specific area listed in the RFQ where this information is to be provided. Will PMGAA glean this information from other data we provide in our SOQ or should we provide this information in between Tab F and Tab G? Answer: **Offerors should include their applicable experience under Tab C – Qualifications of Firm, number 6: "Describe the firm's knowledge and experience with applicable state and local regulations, policies and procedures as it relates to this project."**

Offeror shall indicate receipt of this Addendum and any previously issued Addenda by completing and including the Addenda Acknowledgement Attachment for the RFQ.

ALL OTHER TERMS AND CONDITIONS OF THE RFQ REMAIN UNCHANGED.

The above referenced RFQ Addendum is hereby issued and executed November 30, 2023 at
