QUESTIONS

The following questions were received in writing prior to the deadline:

Q1: Can you please clarify the meaning of Bid Guarantee? Does it mean bonding papers requirements?

Answer: **The Bid Guarantee means that all bids submitted shall remain valid and irrevocable for the time specified in the Invitation For Bid. The time specified correlates to the Airport's Board of Director's meetings since this purchase will need to be reviewed and acted on by the Board of Directors prior to Airport staff purchasing the equipment. No bonding papers are required.**

Q2: Is this system to be used for JET-A or AvGas transfer? Answer: **Jet A.**

Q3: Does the Mechanical meter called out in the criteria need to be certifiable for resale? Answer: **No.**

Q4: We don't do hand brakes on our trailers. Could we supply 2 sets of wheel chocks instead? Answer: **Chocks are an acceptable replacement.**

Offeror shall indicate receipt of this Addendum and any previously issued Addenda by completing and including the Addenda Acknowledgement Attachment for the IFB.

ALL OTHER TERMS AND CONDITIONS OF THE IFB REMAIN UNCHANGED.

The above referenced IFB Addendum is hereby issued and executed April 9, 2024 at Phoenix Mesa Gateway Airport Authority, Mesa, Arizona.
